P-T. A. TO MEET THURSDAY MARCH 16

The P-T. A. will meet Thursday, March 16 at 3:45 at the Junior High School. The rooms of Mrs. Prewitt and Miss Mongole will have the children's part of the program. Mrs. Joe Ritter will give a brief discussion. All members of the P-T. A. as well as interested school patrons are urged to be present.

VISIT IN CLARENDON

Lowell Lafon and his mother, Mrs. J. R. Lafon of Canyon and his sister, Mrs. Curry of Amarillo were visiting in Clarendon Saturday. Lowell Lafon has recently graduated from Columbia University as a Naval officer and was on his way to San Francisco, Calif.

Minister Retained

REV. L. GUY AMENT

The Official Board of the First Christian Church has asked Rev. Ament to remain as their pastor for an indefinite time. That is a call for life. The cordial relations is complete with the management of the church. The pastor has been here about two years and has made and is making friends in his work. He is interested in the ongoing of Clarendon. Especially is he interested in the church. His preaching is very scriptural and helpful. So he remains to continue his work.

Mrs. W. A. Walters Buried Here Wed.

Funeral services for Mrs. W. A. Walters was held here Wednesday afternoon at the Methodist church with Rev. H. W. Hanks officiating. Mrs. Walters died at the home of her son, James Walters, at Amarillo Tuesday morning. Before moving to Amarillo some two years ago, Mrs. Walters was a resident of Clarendon for many years.

She is survived by two sons, James Walters of Amarillo and Roy Walters of Oakland, Calif.; two daughters, Mrs. Riley Patton of Abilene and Mrs. Anton Kaczmarek of Amarillo.

Burial was in Citizens cemetery under the direction of Buntin Funeral Home.

Mrs. J. R. Ayers, Mr. and Mrs. Ernest DuBose spent Monday at Memphis with Mrs. Robt. Ayers and Mr. and Mrs. Kennedy.

Red Cross Quota Two-Thirds Short

Red Cross donations amounting to \$1,600 have been turned in since the opening of the War Fund Drive one week ago, but twice this amount still remains to be given before this county can proudly say, "We went over the top again!"

The above amount was raised last Thursday when committees made the rounds of the business section of Clarendon. No report has been received from other districts, although leaders have reported that they have their plans made and are working on their section.

Lee Bell, chairman for the drive, stated that some of the people are giving generously, but it will take a large number of generous contributions yet to raise the remaining \$3,200.

CLARENDON MEN PROMOTED

Three former Clarendon men, stationed at the LAAF, Lubbock twin-engine field, have been promoted to the rank of corporal, it was announced recently. They are Boney P. Howard, Alvin R. Robertson and William E. Goodman.

RATIONING AT A GLANCE

By PEPPY BLOCKER

Run the GAS BLACK MARKET out of town! Write your license plate number on every gasoline coupon NOW!

—Don't buy another depression!—

Don't let's go off the deep end again. Don't let's spend foolishly, forgetting the wages we're making now may not last forever, and bring about inflation just as we did in World War I. Let's hold down the cost of living this time!

By saving our money. By buying war bonds and building a nest egg. By buying only what we absolutely need. By obeying price ceilings. Don't let our Soldiers, Sailors and Marines come home to a country where a cup of coffee costs a quarter and a hamburger costs a dollar! That would be what inflation means—simply a great and disorderly rise in the cost of living. Don't let it happen!

Save your cash now. Buy war bonds. Refuse to bid up prices!

—Don't buy another depression!—

Mr. George Young and Mr. J. B. Mack, both of Lubbock, were in Clarendon last week helping local merchants and Price Panel members and assistants to a better understanding of price ceilings.

Word got round that "some snoopers" were here "checking up". This was definitely a misunderstanding. I have never seen two men as sincere in their desire to help merchants and I've never seen anyone more willing to cooperate than were our local dealers.

Any time you see a Price Panel assistant working in one of our local stores, please don't jump to the conclusion that our merchants are out of line. You must remember that our storekeepers have to be informed by someone and that is what our Price Panel and Price Panel assistants are for.

Likewise, if there is any question in your mind pertaining to any phase of Price or Price Control, you are invited, even urged, to call or visit your Rationing Office. Someone there will be happy to give you any price ceiling you wish, or answer any question you may have. Any time you think you are being overcharged for any item, ask your local Price Clerk (through the Rationing Office)—she can give you the ceiling price of any "cost of living" item in any store in Donley County. Please remember that your Office of Price Administration is for your benefit—so use it to your best advantage.

—Don't buy another depression!—

Many of the mistakes in Rationing are honest ones. That's why your merchant will appreciate your cooperation. Any time a price on some item seems high to you, ask your dealer about it—and we'll wager that nine times out of ten, he'll be sincerely grateful! Remember, we can't make a success of anything unless we all work together!

—Don't buy another depression!—

TO OBSERVE SIXTIETH WEDDING ANNIVERSARY

Mr. and Mrs. D. W. Clappitt of this city will observe their 60th wedding anniversary Sunday, March 12th. Due to the recent illness of Mr. Clappitt, their anniversary will not be observed as in past years, but will signify the passing of a well-remembered day.

Mr. Clappitt, age 90 and Mrs. Clappitt, age 87, have been residents of Donley County for the past 35 of the 60 years.

Mrs. Robert W. Boston left Friday by plane from Ft. Worth to New Orleans to join her husband Ensign Robt. Boston. Mrs. Gene Noland, Mrs. William Lewis Jr. and Mrs. Claude Moore accompanied Mrs. Boston to Ft. Worth.

Clarendon Youths To Exhibit Stock At Fort Worth

Donley County 4-H and F.F.A. members will exhibit a truck load of top barrows at the 1944 Fort Worth Exposition and Fat Stock Show, according to J. R. Gillham, local vocational agriculture teacher, and Charles O. Reed, Donley County Farm agent. A number of these pigs were top prize winners at Amarillo and an additional number are lightweights that were not fitted for the Amarillo event.

A group of the boys will accompany the truck to Fort Worth Thursday afternoon, and the remainder will make the trip Saturday. Gillham will accompany the boys with the truck and Reed will supervise the group making the trip Saturday.

NEW BAPTIST PASTOR HERE THIS SUNDAY

Rev. Hal Upchurch, wife and small daughter will arrive in Clarendon the last of this week from Stinnett to take over his new duties here as pastor of the local Baptist Church. Rev. Upchurch is a young man with plenty of talent and is classed among the best young speakers in the Panhandle. He will fill his pulpit here this Sunday and all members and others interested, are invited to be present and hear this young minister bring his message.

Mr. and Mrs. Ernest DuBose and Mrs. J. R. Ayers had dinner with their daughter and family, Mr. and Mrs. Gilmer Ayers.

MORE DONLEY MEN PASS EXAMINATIONS FOR GOV. SERVICE

Another group of Donley county men passed their physical examinations at Lubbock Feb. 29. These men, under the new set up, will be called for induction at a later date.

Those accepted for Army service were Leroy Bertie Leathers, Maurice Lee Risley, Claude John Siddle, F. G. Crofford, Robert Samuel Thomas Jr., Harvey Odell Proffitt, Billie Ray Holland, Herbert Eugene Elliott, Walter Hurrell Johnston, Amos Theodore McWethy and Jimmie D. Johnson.

Those selected by the Navy were Dewey Lee East, Kenneth Rex Reed, Edward Franklin Shields, Hubert Edgar Johnson, Leroy McKee, Claudy Larry Lane, Frankie Hugh Rape, William Franklin Moreland, Dalton Howard Swinney, and Charlie Boyd Sims.

Alton Redell Henson was selected for the Air Corps.

Out of the entire group, ten of the men were volunteers.

VISIT WITH PARENTS

Mr. and Mrs. Geo. Green were made happy over the week end by having all their children with them. Those present were William Green of Trinidad, Texas; Mrs. F. N. Bentley and daughter of Dallas, Mr. and Mrs. Robt. Green and family of Vernon; Helen Louise Green of Hereford.

Winners Announced 9th Annual County Fat Stock Show

A large number of people were on hand to view the fine beef animals put on exhibit by the FFA and 4-H Club boys when they had their local show last Friday at the Bert Mayfield pens east of town. From the quality and conditions of the animals, one could readily see that the youths had expended plenty of effort and care in preparing their livestock for the local show and the show at Amarillo this week.

H. C. Shaw, local 4-H Club member, won the coveted award of the Amarillo Fat Stock Show this week when he won the Grand Championship of the baby beef division with his calf "Skeezix". Having won the award of having the best Panhandle calf in a previous show, H. C. was not eligible for this award this year, therefore Pete Bromley's calf which placed second in the show was judged the best Panhandle calf and received the \$50 War Bond award.

After the Donley County Show at Clarendon, on March 3rd, the Club calves were carried to Amarillo for the 1944 Fat Stock Show.

Donley County Club boys who entered calves at Amarillo were Aaron Lee Russell, Clarendon, 1 calf; Pete Bromley, Clarendon, 1 calf; H. C. Shaw, Lelia Lake, 3 calves; Jack Lewis, Lelia Lake, 1 calf; Sam Owens, Jr., Hedley, 1 calf.

Pete Bromley's calf was judged Champion Senior Club calf and H. C. Shaw's calf placed third.

In the Junior calf show, H. C. Shaw's calf "Skeezix", Donley County Champion, was awarded first place and Jack Lewis' calf placed third.

In the final judging for Grand Champion club calf, H. C. Shaw's calf, "Skeezix" was judged Grand Champion and best Panhandle calf. Pete Bromley's calf was judged Reserve Champion.

Since H. C. Shaw won the Panhandle award at a previous show, he was not eligible for the 1944 Panhandle award, therefore Pete Bromley's calf was judged best Panhandle calf.

In the best Group of Three, H. C. Shaw's calves were judged first place.

Aaron Lee Russell and Sam Owens Jr.'s calves were placed in the Commercial class at Amarillo and sold for \$15.60 per hundred weight.

In Junior calf show Corlis Curry, Happy, was 2nd.

In Senior calf show James Holloway, Martin County, was 2nd.

In Group of Three, James Carroll, Crosby County, was 2nd.

Hall County exhibited the best County Group with 25 calves.

Pete Bromley's calf was bred by Combs Worley of Pampa and H. C. Shaw's calves were bred by W. B. Haile of White Deer.

Sgt. Ebey L. Clark Killed In Action

Word was received here Monday afternoon by Mr. and Mrs. John Clark that their son, Sgt. Ebey L. Clark had been killed in action in Italy, Feb. 14th.

Sgt. Clark, age 20, entered the service Feb. 9, 1943 and was an aerial gunner. He has been across and seeing action for eight months out of the thirteen that he had been in service.

Sgt. Clark moved to Clarendon with his parents from Groom in January, 1943. Although he hadn't lived here but for a short time before entering the service, he had many friends here who have been saddened by his death.

The memory shall always live in the minds of these friends and loved ones, that he made the supreme sacrifice in order that those who live might enjoy the American way of living in the future.

SGT. MAX W. WILSON COMPLETING LAST PHASE COMBAT TRAINING

Sgt. Max W. Wilson, who is a gunner on a heavy bombardment crew, is completing his last phase of combat training at the Alamo-gordo Army Air Base, Alamo-gordo, New Mexico, and will soon be sent overseas. He is the son of Mr. and Mrs. R. P. Wilson of near Clarendon.

LIBRARY NOTES

By Mrs. C. A. Burton

Again we have a few new books which we are sure our readers will appreciate: Captain Ralph Ingersoll's "The Battle Is the Pay-Off" is the story of the North African campaign written as only this brilliant journalist could have written it.

"Mr. Wicker's War" by Don Rose is a story of a man who was a veteran of 1918 and, who again finds himself at war—this time on the home front. It is described as shrewd, amusing and pungent—a book for those who love their country but who are not afraid to smile at the foibles of their countrymen—mirth-provoking, heart-warming and reassuring. The author is a naturalized Englishman who has for years been a contributor to many of our magazines, and who is a regular columnist of the Philadelphia Evening Bulletin.

"Bars On Her Shoulders" by Jean Stransberg, is a story of a WAAC—a girl who took her initial training at Fort Des Moines as one of the first group of officer candidates in the summer of 1942—an experience of hard work, good fun and deep feeling. The author has served as editor of Consumers' Information Service of Good Housekeeping Magazine—is now doing free lance feature and fiction writing.

One of England's leading critics said, "To thousands of people in every part of the English speaking world a new book by Gilbert Frankau is an exhilarating event." His new book "World Without End" is described as "the adventures of a twentieth century vagabond, who made the whole world his battleground." From fighting in the first World War for England he is fighting in the South American jungles for Paraguay—and then comes his own romance—when Frankau can tell so well.

"Dawn Over the Amazon" is said to be Carleton Beals' biggest and best book to date—a tremendously colorful and dramatic novel about South America, bringing to North Americans the wonder and beauty and mystery of the huge South American continent—taking one as swiftly as the planes that fly above the snow-capped Andes. It is said to be thrilling from first page to the last. Carleton Beals, the author, is one of the best-known foreign correspondents—a Columbia University man who has visited every state in the Union and a large part of the rest of the world, but he especially knows South America.

Quentin Reynolds has done some of the best reporting yet on the European and African phases of the present struggle. "Dress Rehearsal" is described as a stirring eyewitness account of the raid at Dieppe—the first air-land-sea performance in the European Theater of war. He has made it an unforgettable action picture, full of daring and heroism as well as adventure and grim tragedy. Quentin Reynolds proves in this story that Dieppe was a dress rehearsal for the grand invasion of every Nazi stronghold.

"Beneath Another Sun" by Ernst Lothar is the story of Czechoslovakia—of the courage and determination of a people who would rather die than be enslaved.

China has taken on a new meaning for us during the last two years. China's First Lady became almost as familiar as our own First Lady to our people. So we feel sure that "The Chiangs of China" by Elmer T. Clark will be welcomed.

But we know that a Chinese story at once suggests Pearl Buck. Many of us can trace practically all our knowledge of Chinese life and customs to her many stories. Her latest one "The Promise" is a story of Burma. The theme is the desperate need of the white men and the Chinese to understand one another—else how can the promised help go to China? It is just a story, but one written out of Pearl Buck's knowledge of the Chinese people—their hopes and longings.

It seems practically all of these latest purchases of books are war books—but how can it be otherwise when all we are living in war? But these stories help us to see it from the standpoint of other peoples of the world.

MIDWAY
Mrs. John Goldston

Mr. and Mrs. Bill Meaders of Los Angeles, Calif. arrived here Sunday eve to visit with his father, Mr. J. A. Meaders who has been confined to his bed over a month.

They were brought down from Amarillo by Mrs. Bill Meaders' sister and husband of Amarillo.

Mr. and Mrs. LaVern Goldston and boys of McLean visited in the home of her father, Mr. McMahan Saturday.

Mr. and Mrs. Pink Barba of Goodnight visited in the Loyd Moreland home Sunday.

Ann, the young daughter of Mr. and Mrs. Al Word, who recently was in the hospital with bronchial pneumonia, had an elapse this last week. She is reported as improving now.

Mr. and Mrs. Buford Holland and Mrs. Holland visited with Mrs. Louise Chamberlain Wed.

Gene Chamberlain and son Johnny spent Sunday with his mother. Mr. and Mrs. Will Chamberlain and children visited also in the Chamberlain home Sunday.

Mrs. Fred Easterling and children are spending a few days with her parents. The Easterlings have moved from Amarillo to Clarendon.

Billy Moreland took his exam

for the Navy at Lubbock recently and is now at home awaiting call.

Friends of the Jones family will be interested to hear that Bobby, son of Mr. and Mrs. Ernest Jones, has begun over sea duty. Bobby went in training this last October.

Bobby Harold Smith is now in Hawaii. He is in the medical dept. Mrs. Johnny Riley spent the week end in the W. K. Davis home.

The Bill Bromleys are in Amarillo for the Fat Stock show. Billy Milt is showing his calf.

We are counting on Billy Milt to bring home the bacon.

MAYBE... future cars with Glareless Lighting
BUT... OIL-PLATING YOUR ENGINE
is like outdoing the future - today
3,965,194 people bought the "latest" cars—mostly 1941 models. Twenty-odd million cars are still older. All the probable new car orders—even if dated today—won't be quickly filled. Then what future car improvement is likely to mean more than the instant improvement of your present car's health?
The least you can do for it is to have unsuitable scratchy old Winter oil drained. But get more than an oil change; adopt the major advancement of oil that OIL-PLATES—simply by getting Conoco Nth motor oil for your indispensable Spring oil change. Conoco Nth adds protective OIL-PLATING to working parts by "magnet-like" effect. This comes from the special modern synthetic in Conoco Nth oil... at regular price.
OIL-PLATING defies engine acids. These infest every engine; they're part of every explosion. They tend to corrode metals most when your engine's driven little—not heated throughout—often re-started after full cooling. Yet even for more favorable postwar driving you'll want acid-resistant OIL-PLATING. Why not get it without waiting? Today! Simply change to Your Mileage Merchant's Conoco Nth oil for Spring. THE TEMPLE OF TRUTH
By the Apostle

HISTORICAL.
Do you remember way back when unmentionables were ladies' lingerie, and not places where your soldier letters come from?

SURPRISES!
The road to popularity is paved with four words: "I'll pay the check!"

GOOFY STUFF.
Unhappy people are those who believe that there is nothing worth while.

LINGUIST.
When money talks, nobody

cares what kind of language is used.

INSIDE SPORTS.
The quickest way for a married man to start trouble in his home is to cut an item out of the newspaper, then leave the paper where the wife can find the hole in it.

THE EGOTIST.
There is no feeling of superiority on the part of some in finding out that they can answer some of the radio quiz questions missed by one in the radio audience.

HUMAN ANIMAL.
A wife with good horse sense is no nag.

ANNUAL PESTS.
The definition of a bore—Here today and here tomorrow.

SUGGESTION.
The following appeared in this column in December, 1932:
"This country would be much better off if we turned more production wheels and less auto wheels."
Yet we never dreamed of the day that we would all be forced to it.

MODERN STUFF.
In America we have a fad of vitamins for this and vitamins for that. Over in Germany they don't fall for it. They especially look upon the MMM vitamins as poison. The three M's are Marshall, Montgomery and MacArthur.

APPRECIATION.
Our greatest debt to be paid the boys and girls returning from the service is to permit them to relax in a sane and sensible home life without misery and unemployment. When you speak, talk about it; when you vote, vote for it. Let's do our best to prove that they really had something to fight for after all.

SHAME! SHAME!
It seems a shame on the part of some to want to classify our boys and girls in the service as idiots and convicts by denying them the ballot. We don't think that donning the exalted uniform of our nation classifies them lower, but it does make them fighting representatives of the greatest nation on earth—defenders of the flag that has never known defeat.

KATE SAID IT.
Listening in on the Kate Smith hour Friday night, she was heard to describe a girl as "the kind that wears a sweater to keep warm."

HINT.
Blue Bug Bessie writes her soldier friend that she "still is a Miss until he returns to 'altar' the situation.

Wear your Red Cross pin until the drive is over. It is the only organization that needs nothing told of its good deeds because it has proved them. It is "the greatest mother on earth" because it can be there to help our boys and girls in the service and we can't. No remote corner is too remote, no need is too great. The Red Cross is always right where misery is greatest, distress most distressing, and hope most hopeless. I never give to any cause that gives me more genuine pleasure than to give to the Red Cross cause.

WARNER-PRINCE

Miss Melba Del Warner, daughter of J. T. L. Warner of Clarendon, became the bride of Sgt. Theodore W. Prince Saturday evening in a double ring ceremony. Rev. Floyd A. Boulware of the Lakewood Methodist Church officiated before an improvised altar banked with palms and ferns with white carnations, stock, tulips and snapdragons making the floral decorations and candelabra holding white tapers on each side. The bride wore a citrus green suit with a yellow blouse and brown accessories. Her corsage was of Talsman roses. Mrs. B. V. Dunn, matron of honor, wore an eggshell, silk jersey dress and a corsage of red carnations.

Joe Reed attended the bride-room as best man.

Immediately following the ceremony, a reception was held with Mrs. W. F. Reed presiding and Mrs. J. M. Clark assisting her. Spring flowers were used in the decorations. The table was laid with an imported lace cloth. A three-tiered wedding cake topped with a miniature soldier and bride and tiny American flags centered the table under a shower of white satin ribbons and lilies of the valley and crystal candelabra holding white tapers at each end.

Mrs. Prince was educated in the Clarendon Public Schools. Sgt. Prince was educated in the Houston Public Schools.

The bride will remain in Dallas until Sgt. Prince has finished his schooling in the Army Air Corps at Clovis, New Mexico.

Out-of-town guests were Mr. and Mrs. J. D. Prince, Sgt. and Mrs. Ernest Prince and Mr. and Mrs. Ray Loper all of Houston.

GIVE TO THE RED CROSS NOW

HARDIN-BLACKBURN

Miss Gladys Hardin, the daughter of Mr. and Mrs. Frank Hardin of Clarendon was married to Charles E. Blackburn of Estelline Thursday night.

The bride and groom were accompanied by Miss Peggy Lawler and Roy Lee Brown.

Wedding vows were said in the home of Rev. O. M. Allen, Supt. of Goodnight school, with Rev. Allen officiating.

The bride was attractively attired in a royal blue dress with matching accessories.

The maid of honor was wearing a brown wool dress.

The groom wore a dark blue suit. The best man was dressed in a dark blue dress suit.

Rev. Allen wore a gray dress suit.

After the vows were read, the wedding party walked over to Mrs. N. M. Lawlers and spent the night and had breakfast.

Mrs. Blackburn, after a brief honeymoon, will resume her teaching duties, while Mr. Blackburn will return to his duties as depot agent.

1930 NEEDLE CLUB

Mrs. Mozelle Wright entertained the 1930 Needle Club Tuesday afternoon. New officers were elected: Emma Ayers, president; Alice Bain, Secy-Treas; Nina Armstrong, reporter. The Club decided to give polly-anna gifts.

Delicious refreshments were served to Mesdames Maggie Hunt, Mildred Larimer, Marie Bell, Mozelle Wright, Edna Russell, Aline Bain, Marguerite Carpenter, Nora Decker, Hattie Palmer, Nina Armstrong, Emma Ayers, and Alice Bain.

Mr. and Mrs. William Lewis Jr. attended the Fat Stock Show at Amarillo Tuesday.

1926 BOOK CLUB

The beautiful home of Mrs. Frank Phelan was open to the members of the 1926 Book Club Tuesday afternoon with Mrs. Phelan and Mrs. Thelma Bennett as hostesses.

There was a treat in store for those present as Mrs. John Knorrp, reviewed "The Dust Which is God," by William Rose Benet.

In giving the criticism, Mrs. Knorrp classified the book as semi-autobiography and likened the characters to those living at the present time. Mr. Benet is a writer of poetry, novels and is a critic in the literary field. The book was interestingly given and enjoyed by all present.

The room was attractively decorated with spring violets and a large vase of plum blossoms which gave a lovely affect.

During the social hour, delicious refreshments of peach ice cream and angel food cake were served to nineteen members and three guests, Mesdames J. W. Smithy, Lee Holland, and Victoria Morrow of Bonham, Texas.

ASHTOLA CLUB NEWS

The Ashtola Club met last Thursday, March 2, at the Club-room. The program, "Hidden Talent Among our Members" was enjoyed by all present.

LIFE'S Little TROUBLES

CAN'T SLEEP
No need to lie in bed—toss-worry and fret because CONSTIPATION or GAS PRES-SURE won't let you sleep. Be sensible—get up—take a dash of ADLER-I-KA as directed, to relieve the pressure of large intestines on nerves and organs of the digestive tract. Adler-I-Ka assists old food wastes and gas through a comfortable bowel movement so that bowels return to normal size and the discomforts of pressure stop. Before you know it, you are asleep. Morning finds you feeling clean—refreshed and ready for a good day's work or fun. Get Adler-I-Ka from your druggist today.

Gas Coupons To Receive Check-up

March 6 OPA Investigators will begin a nation-wide spot check of gasoline coupons, principally in service stations. J. Doyle Settle, District Rationing Executive of the OPA, announced today. The plan is for the investigator to ask to see all coupons in the possession of the gasoline buyer who comes to the service station. Any person holding coupons not endorsed will be handed a notice explaining the importance of endorsement and directing him to visit the Local Board within ten days to show that all coupons have been endorsed. A copy of the notice will be sent to the ration holder's board and if he fails to appear to show that his coupons have been endorsed, a hearing will be held to revoke his ration. "The purpose of this program is not to hand out innumerable notices or to bring about a number of revocation hearings, but to achieve as near 100 per cent endorsement as possible," Mr. Settle stated. "If each gasoline ration book holder will cooperate by endorsing each coupon before the investigation period begins there will be no necessity for inconveniencing anyone."

Claude and John Nash of Hedley were Clarendon visitors Tues.

Strict Rules Placed On Tractor Tire Replacements

"A replacement certificate for a tractor tire will not be issued under any circumstances when it is possible to get further service from that tire by means of vulcanizing or recapping, or by using a boot or reliner," J. Doyle Settle, District OPA Rationing Executive, has announced.

Due to the acute shortage of farm tractor and implement tires, especially tractor rear tires, the 1944 spring quota will be considerably less than that of 1943. Though the quota, because of the extensive agricultural activities in this section, is larger for this district than any other, the demand will be much greater than the supply unless operators will repair their present tires, he urged. Mr. Settle emphasized the fact that unless these precautions are taken, there will be many tractors without any tire replacements available, for the quota allows replacements only when there is no other way of keeping the tractor in operation.

Would your car take-off and fly with 100-OCTANE GASOLINE?

"I had a strange dream last night," said the A-Card Driver. "Somehow I got a tankful of 100-octane gasoline; and when I left the gas station, my 1939 poodle-jumper had such fantastic pep and power that it took-off and sailed right over the head of the traffic cop."

Strange dream is right! Because strange as it seems, today's 100-octane aviation gasoline will not greatly improve the performance of today's cars. Your present engine was designed for the gasoline which was available at the time you bought your car, and 100-octane would add little or nothing to its satisfactory operation.

When victory comes, however, automotive designers will undoubtedly develop smaller, much higher compression engines which will deliver remarkable mileage and power with post-war super fuels.

When that day arrives, Phillips will be ready... because Phillips was one of the first, and remains one of the largest makers of high octane aviation fuels. Phillips present production of 100-octane gasoline could fuel

enough Flying Fortresses to drop 600 tons of bombs on Berlin daily. And soon the figure will be stepped up to an equivalent of gasoline sufficient to drop 800 tons of bombs per day on the German capital.

Actually, this American super fuel is not gasoline made by ordinary refinery processes. It is a true synthetic chemical, made by chemical processes which rearrange the petroleum hydrocarbon molecules.

That is why we say: Every time you see the Phillips 66 Shield, let it remind you that Phillips refineries, in addition to producing gasolines, lubricants, and fuel oils... are also gigantic chemical plants pouring out weapons for victory.

Dealers May Obtain Egg Contracts

Egg dealers in Texas have contracts with the War Food Administration enabling them to pay producers support prices for eggs. L. J. Cappleman, regional director, Office of Distribution, advised B. F. Vance, chairman, Texas USDA War Board, this week.

Explaining that three methods are being used to assure egg prices from falling below certain levels, Cappleman said the 10-case egg purchase program is particularly applicable in remote or small producing areas throughout Texas where there are no concentrated assembly points or where marketing facilities are inadequate to handle present supplies.

Under this plan, the Office of Distribution entered into a contract with dealers who guarantee to pay producers not less than the support price for their eggs regardless of the amounts purchased.

Other methods being used by the War Food Administration to support prices of eggs are purchases in carload lots and for drying purposes.

Current support prices per dozen for the 10-case program in Texas are Grade A, large, 31.5 cents; Grade B, large, 29 cents; Grade C, large, 26 cents; Grade A, medium, 27 cents and Grade B, medium, 24 cents.

Cappleman said one of the 15 area offices, Office of Distribution, or the State office, Austin, should be contacted by farmers or dealers for further details on the support price program. An Area office is located in Amarillo.

Mrs. Tom Goldston of Amarillo visited in Clarendon Friday.

Mrs. Sam Lowe and son Billy spent the week end visiting Mr. and Mrs. Burch at Dimmitt.

Educational Meeting March 17

The date for the annual meeting of the Northwest Texas Conference for Education has been set for March 17, at the Amarillo High School Building, according to an announcement made by Chester Strickland, Conference President.

Josh Lee of the Aeronautics Commission, Washington, D. C., is one of the featured speakers for the conference. Mr. Lee has been in Washington for several years and should bring a message in keeping with the times.

Dr. S. A. Hamrin of Northwestern University, Evanston, Ill., is another of the speakers whom many are anxious to hear because of his accomplishments in the field of Guidance.

It has been the custom for several years for all the schools of the Panhandle to dismise for this occasion, and it is hoped that in spite of the difficulties of transportation this year, the attendance will be as large as usual.

Dressed and drawn poultry should be washed thoroughly inside and out, patted dry, and stored very cold until time to cook.

He who sleeps late these days is probably afraid that the early bird will get him.

"Just a reminder, sir, that your help is needed."

—REDDY KILOWATT
Your Electric Servant.

"THE RED CROSS never has failed the American soldier. It has helped him in his hour of danger, it has sustained him in his hour of pain, and it has comforted him in his hour of death."

—Gen. MacArthur.

This leaves no alternative. The job of every West Texan is plain. It is to donate as liberally as possible to the Red Cross.

CORRIDOR COMMENTS

What has happened to "Sugar"? She seems to be all a dither over something!! What do you suppose it could be??

It looks as if all the "broken hearted ones" are wasting no time in finding new admirers. Or have they just been waiting for their chance, and it has come along at last?

What is this song that all the boys have been singing lately? It seems they would get tired of it sooner or later since it doesn't change or get them anywhere—just "We're Here," and we can plainly see where they are.

Johnnie and Robert seemed to be having a good time Wednesday night, but I don't think Calvin did!! How about that, Calvin?

Bob seemed to be quite happy last Saturday night. But of course

there was no reason why he shouldn't have been.

Big events are beginning to happen for the seniors; things they have waited for since they started to school. The Junior-Senior Banquet is March 24; the play will be some time in the near future; then, "Kid Day." All the fun that comes only once in a life time so—enjoy it, kids.

Claude has gone to Wichita, Kansas to visit his uncle—yet Pat is wearing a patch on her eye. I can't figure it out, can you??

Lately the mellow old halls of C.H.S. are reeking with rancid giggling. Who haunts the beloved "Temple of Learning"?

Frances Adkins ran away to Wellington Wednesday, and every one thought she was kidnapped. Murl was terribly worried!!

Mr. Drennan is still trying to find out who slipped upon that stove upstairs and poured horse medicine on it.

Max, you mean thing, didn't you know that you shouldn't fight with girls??

Dorothy Churchman seems to be working fast. She is wearing Ted's bracelet and Billie Ray's

ring.

Wayne Ray and Ernest Thompson are home on visit from the Navy, and James Earl Hott and Arlis Allison are home from the Army. All are former members of C.H.S. and C.J.C. We are glad to have them back.

Marilyn Bartlett and Claude Siddle were good little children Sunday night—they went to church!!

Kathleen seems to be doing better than Carroll. Kat went with Donald Saturday night. Carroll has been going with Jerry. We know there is a man shortage but there is no reason why Jerry should rob the cradle—is there?? Or is there???

Jr. Mauldin: Good ole sandstorms.

Elizabeth Mauldin: Term themes.

Ellen Pipes: Vacation and all the things that go with it and graduation.

Beatrice Smith: Having a good garden and looking for to graduation.

Arline: Looking forward to a new vacation, having fun and enjoying things around me.

Dorothy Nell Haynes: June, when a certain guy is coming home.

Mary Williams: Windell's coming home.

Mary Nell Hanks: Apricot blossoms.

QUESTION OF THE WEEK

What do you think of in Spring?

Mrs. White: Vacation

Billie Lowe: Spring, when a man's thought turn to love.

Boo Porter: Swimming, picnics, vacation, and "love" of things (a pun)

Mary Nell Keys: Out of school and Johnson!

Cpl. Arlis Allison: Furlough, pass.

Beverly Stricklin: Where I am going for summer vacation?

Helen Jo Bulman: What do I usually think of?—Love!

Billy Jack Land: Spring fever.

J. R. Morgan: No school

Harry Blair: Horseback riding

Jack Semrad: Playing hockey?

Ann Porter: Spring fever

Bob Bentley: You'd be surprised (we wonder)

Sidney Harp: Most anything

Joyce West: Lots of things

Lois McCrary: It doesn't have to be spring to make me think of Mississippi—and love.

Louise Siddle: New spring clothes and new sandals that don't require a stamp.

HIGH SCHOOL CHAPEL

The chapel program last week was highlighted by something a little different from what we ordinarily have, something a little more on the serious side.

After the preliminary announcements by Mr. Drennan, the program was turned over to Mrs. Bryan. She then gave a short talk on "The Appreciation of classical Music." The remainder of the program was rendered by her piano pupils who played the pieces they played on a recital last week. Before each one played, Mrs. Bryan gave something of the writer's life and how each piece came to be written.

We wish to, thank these people for their part on the program, and also the remainder of the student body and the faculty for their listening so well. We hope that everyone enjoyed this different and enlightening program.

JR. HIGH NEWS

Bobby Beard visited in Paducah Sunday.

Joy Mayberry went to Childress over the weekend.

Layma, did you and Juanita have a good time Saturday? We bet you did.

Portia spent Friday night with Patsy.

Everyone in Mrs. Hoggatt's room section was present at school Tuesday.

Question of the week: Who is M. B.?

Delene, where did you get your Donald Duck? It is surely ducky.

Lou, you and daddy seem to be running around together quite a bit lately.

Bert, you uare kinda robbing the cradle aren't you? You too, Jack.

Arvazene Smith is back in school after a short illness.

Dorothy Nell Tankersley had the flu over the week end.

Ardith Warren is out of school on account of sickness.

KAPPA NEWS

The regular meeting of the Kappa Kappa sorority was held Wednesday afternoon, March 1, in the home of Alma Jo Mosely with Ruth Patman as co-hostess.

Helen Porter had charge of the program for the afternoon. She gave an interesting description of the Pentagon building, the War Department's new home in Arlington, Virginia, across the Potomac from Washington. The Pentagon is the largest office building in the world. It is larger than all the buildings in Radio City put together and three times as big as the Empire State building.

Texas Independence Day motif was carried out in favors. Appetizing refreshments consisting of chocolate cream puffs, mints, and punch were served by the hostesses.

"H" hour" on the dairy sector

Count this man among the hard fighters for a United Nations' victory. Seven days a week, every week, he is in the front line of the battle for food.

His "objective" has been set. He is to help produce more milk than the nation has ever produced before, rich in nutrients we all need for health and strength and stamina.

Because cheese carries important food values of milk in concentrated, shippable form, the Government's requirement for our fighting men and fighting allies is estimated at nearly 400 million pounds this year. And over 500 million more pounds of cheese are needed . . . for you and other civilians to share.

Winning the battle on the dairy sector will be far from easy; there are many obstacles to overcome. But our dairyman friend was in action when "H hour" ("the hour of attack") came before sunrise today. So will he be tomorrow and the next day.

He'll get no decoration for heroism in service, no medal to wear on his Sunday-best suit. But he doesn't care. This is his job, his vital job in the war . . . and he'll do it.

Because of the tremendous demand, both military and civilian, you may not be able to get as much Kraft Cheese as you would like, or get your favorite varieties—Kraft American, "Old English," "Philadelphia" Brand Cream Cheese, Velocita, and so on. But you may be sure, as always, that any cheese or cheese food which bears the Kraft name represents the very highest standard of quality.

KRAFT CHEESE COMPANY

Have a "Coke" = So glad you're back again

...or welcoming a home-coming sailor

Home again! In those two words is everything our fighting men dream about . . . and fight for. They look forward to the little things that mark a way of living . . . friendliness and hospitality so quickly summed up in the familiar phrase Have a "Coke". With Coca-Cola in your family refrigerator, you're always ready to offer welcome. From Atlanta to the Seven Seas, Coca-Cola stands for the pause that refreshes—has become a global symbol of good will and of good living.

Postal Rates Will Change March 26

Postal authorities as well as the general public may now settle down to a close study of the new postal rates to be in effect after March 26th, stated Postmaster J. C. Estlack Wednesday.

Take the clerks waiting upon the patrons at the parcel post window, one of the favorite stands of revenue for Uncle Sam. The old rates will have to be revised from start to finish to comply with rate increases in all zones. "We should have an immediate 'face lifting' on the parcel post scales that compute the charges as the package is weighed," the postmaster remarked.

Some Increases Double

Rate increases in some departments will be double. Examples are to be found in the fees charged for insured packages, and c.o.d. mail. The rate on c.o.d. packages up to \$5 in value, will increase from 12 cents to 24 cents. On insured packages up to \$5 valuation, the rate will be 10 cents instead of 5 cents.

Sender's receipt for domestic, insured and registered mail when requested at the time of mailing, increases by one cent.

Air mail from one post office to another on the mainland of the United States, including Alaska, will be 8 cents per ounce or fraction thereof instead of 6 cents.

Mail sent to or by the armed forces of the United States overseas served through an army or navy post office will be 6 cents per half ounce or fraction thereof.

Air mail rates to and from the Continental United States and its possessions will remain unchanged.

Money order fees on values of 1-cent to \$2.50 will be 10 cents instead of 6 under the new rate. The new rate on a \$100 money order will be 37 cents, instead of 22 cents, and other rates will change in proportion.

Registry fees will increase 5 cents on values up to \$5 and thence in proportion.

Parcel post rates under the new schedule will mean slightly increased rates for books, packages, and various types of printed matter to all zones.

The 3-cent rate on first-class letter mail will remain in effect. Drop letter rates will not be changed here, but the 2-cent rate on letters mailed in rural mail boxes will require a 3-cent stamp after March 26th. In other words, there will be no 2-cent letter rate "to or from" the rural lines with this change.

WORTH WHILE COMMENTS

BY COUNTY AGENT Charles O. Reed

What relation is there between 4-H Club work and army life? A former Texas 4-H Club boy has answered that question in a letter to L. L. Johnson, state boys' club agent of the Texas A&M College Extension Service.

Four years ago Joe Davidson of Moore County was an outstanding club boy - - - so outstanding that he was chosen as one of Texas' representatives to the National 4-H Club Congress in Chicago. Since then, Joe finished high school and did his pre-veterinary work at West Texas State College. Then he went into the army.

In the army, Joe has gone through infantry basic, then did a short hitch with army intelligence and taking care of some Nazi soldiers. Now he's in the army's student training program studying veterinary medicine at Michigan State College.

And here is how he feels about 4-H and the army - - - "My 4-H work has been invaluable here as well as other places I have been. The quality of leadership made possible through 4-H is certainly an asset to a fellow in the service. I am reminded each day more about the benefits I have experienced as a direct result of being a member of the 4-H Club. And I feel more indebted to those whose patience has been a genuine inspiration to hit a little harder when things go wrong." Those are Joe's words.

Extension workers believe sentiments like these should encourage rural boys, not yet old enough to shoulder arms, to get into the fight under the 4-H banner. It would be an especially good idea during National 4-H Mobilization Week, March 4-12.

Musical Instrument Drive To Begin March 13th

WANTED - musical instruments for our fighting men! In response to a request from the Army, a city-wide campaign to round up all those banjos, saxophones, and other musical instruments that are lying forgotten in closets and attics will begin here on March 13. It will run for two weeks.

The variety of instruments wanted is unlimited, except that pianos and bull fiddles are excluded because of their size, and phonographs because of a lack of facilities for keeping them in repair at the front.

Instruments collected in this nation-wide drive will enable the soldiers in all parts of the world to form orchestras to entertain themselves and their camp buddies. It will also enable them to engage in less formal musical recreation like gathering around in the evening and singing to the accompaniment of a banjo, harmonica, or other instrument.

Because of their distribution facilities, the Army has asked the "Coca-Cola" Bottlers all over the country to act as collecting agents for this drive. Any person who has any idle musical instruments is asked to take them to any grocery store, filling station, drug store, or other place that sells bottled "Coca-Cola." The Bottling Company's trucks will pick them up there and ship them immediately to the Army for distribution at Army camps all over the world.

"There are hundreds, if not thousands, of these instruments hidden away and forgotten in the closets and attics of homes in this city," said F. Phelan, president of the Memphis Coca-Cola Bottling Company. The American soldier loves his music, but he particularly likes to make his own. Through this campaign, we shall be able to help make his life in camp and at the fronts a happier one."

FORMER RESIDENT BURIED HERE

The body of L. C. Jones, former Clarendon resident, arrived here for burial Tuesday from Crescent, Okla.

Mr. Jones came to Clarendon in the early nineteen hundreds and lived here until about 1930 when he moved to Crescent where he lived until he passed away. His wife preceded him in death about 20 years. Mr. and Mrs. Jones are remembered as being loyal and supporting members of the Methodist church.

Burial was in Citizens cemetery with Buntin Funeral Home in charge.

National 4-H Mobilization March 4-12

Charles Reed, Donley County Agent offers the following information on 4-H work: The period from March 4 to March 12th will be 4-H Mobilization week in Texas and throughout the nation. One of the purposes is to encourage every active 4-H member, boy and girl, to take the responsibility for enrolling at least one new member and helping the new member to get started in the local 4-H Club.

Another objective is to let the people know what the club boys and girls have been doing.

We can tell you a little about that - - - In 1943, Texas 4-H Club members produced and conserved more food, feed and fiber than in any previous year. And they did this while sharing a larger part of the regular farm work than at any other time.

A record number of Texas boys and girls were enrolled in Club work last year. Nearly 4 thousand white boys and about 6 thousand white girls wore the 4-H insignia. This was an increase in club memberships over 1942 of about 6,000 boys and 18,000 girls. In addition,

about 9,000 Negro boys and 10,000 Negro girls carried on similar work in counties having the services of Negro county Extension agents.

During Mobilization Week every active member of a Texas 4-H Club will have the opportunity to reaffirm intention of carrying his or her goals to completion, especially those affecting food production, conservation and health. But an even larger membership is sought for 1944. L. L. Johnson, and Onah Jacks, Extension state club agents, are shooting for an enrollment of 50 thousand boys and 90 thousand girls. Miss Jacks says that 90 thousand would represent only one-third of the Texas girls eligible for 4-H Club work.

WILL REVIEW DEFERMENTS

Local selective service boards have been directed to review cases of all registrants 18 through 37 years old and deferred in classes 2A, 2B, 2C, and 3C. Particular attention will be given registrants under 26 years of age in view of the President's statement that agriculture and industry should release the younger men for military service.

Critics Praise Story of Lassie

Many Donley County people have been looking forward to the showing of the brilliant and touching film, "Lassie Come Home" which will open for a 3-day run at the Pastime Theatre, beginning at the Saturday night Prevue. The show introduces a new canine star in Lassie, gorgeous sable and white collie, whose performance has not only been applauded by millions of movie patrons but by dog magazines and canine authorities.

The picture brings to the screen Roddy McDowall, who plays the boy in "Lassie Come Home," and Donald Crisp, who won the academy award for playing the role of Roddy's father in "How Green Was My Valley."

You must see the picture to appreciate the great love this story portrays. Vexing problems and distance fail to dim the love of this wonderful dog for her young master.

Sgt. Ben Tom Prewitt arrived Tuesday morning from Camp Campbell, Kentucky to visit his wife and friends. He will be here for eight days.
