Executive Committee Teacher-Trustee Association Met Saturday Afternoon

At the call of the president, Mr. G. C. Reeves of Chamberlain, the executive committee of the Donley County Rural Teacher-Trustee Association met in the district court room at Clarendon to attend to quite a great deal of business of importance to all school people of Donley County. Mr. Reeves presided over the meeting and a number of important matters were attended to.

It had been previously decided that the rural schools of the county should hold an interscholastic League meet separate from that of the high schools; therefore it was necessary to make plans accordingly. It was decided that the rural meet should be held at Clarendon two weeks prior to the general meet, and that the three highest ranking contestants in each event should go to the general meet and compete with the high schools, especially in those events in which rural and high schools must compete. It was agreed that the winners of each event should be given recognition by being awarded ribbons or other suitable trophies, and that possibly a loving cup may be awarded to the school winning the greatest number of points.

The following officers were elected by the committee to have charge of the rural League work: Mr. White of McKnight, Director General; Mr. Gordon Gatewood of Goldston, Director of Debate; Mr. George Kavanaugh of Martin, Director of Athletics; Miss Eunice Johnson of Windy Valley, Director of Declamation; C. W. Howard of Bray, Director of Essay Writing; Mr. Joe Baker of Giles, Director of Arithmetic; Mr. E. H. Estlack of Fairview, Director of Play Ground Ball; Mr. E. B. Bowen, of Ashtola, Director of Extemporaneous Speaking; Mrs. Florence Baker of Martin, Director of Spelling; Mr. Robert Weatherly of Jericho, Director of Volley Ball; Mr. Dave Waldron of Sunnyview, Director of Basketball; Miss Rogers of Fairfield, Director of Tiny Tot Story Telling.

The rural basketball meet is to be held at Hedley if the gymnasium is available and the time is to be determined later.

The problem of securing trophies gave rise to another important problem—that of raising the necessary funds. A rural school carnival, in which all rural schools should participate was suggested and a committee consisting of Mr. Robert Dillard (chairman), Mr. George Kavanaugh, Mr. Gordon Gatewood, Mr. Robert Weatherly and Mr. Joe Baker, was appointed to lay plans for it. Hedley was suggested as being a suitable place for the carnival to be held, however this will have to be determined later by the committee.

One of the most important things the executive committee met to attend to was that of drafting a constitution and by-laws, but there were so many matters claiming their attention, and the working body was so large that it was deemed advisable to leave that work to a committee. Mr. Gordon Gatewood (chairman), Mr. Dave Waldron, Mr. Sig Thomas, and Mr. Sloan Baker (ex-officio member) were selected as the personnel of the committee, and their report is due at the first meeting of the Teacher-Trustee Association to be held in January.

Mr. Reeves was asked to appoint a committee to arrange programs for the meetings of the County Association, and the following were appointed: Mr. Robert Dillard, C. W. Howard, Mr. Dave Waldron, Miss Rogers and Miss Walters. Mr. Reeves is chairman of the Committee.

On the 12th and 13th of January there is to be held at Clarendon a practice basketball tournament for all of the rural schools of Donley County, and everyone is urged to attend. Also on the morning of the 13th at 9:00 o'clock, a county-wide teachers' meeting is to be held in the Junior High school auditorium in Clarendon. At this meeting a number of things of interest to Donley County teachers is to be attended to, one of which is the organization of the Interscholastic

League for all schools. And at 1:00 o'clock in the afternoon the Teachers-Trustees Association is to hold its second meeting of the school year 1933-34 in the Junior High school auditorium. Every rural teacher and trustee in the county is a member of this association, and it is important that every member should attend. At this time the association is to pass on the constitution and by-laws to be drafted by the committee selected for that purpose. There are to be several subjects of interest to teachers discussed at the meeting, and everyone interested in schools in any way is invited.

The Donley County Teacher-Trustee Association is an organization of quite recent origin, having been in existence less than one year; but it has been found to be of inestimable value to the school system of the county. At its meetings, teachers are allowed an opportunity of exchanging ideas. Teachers and trustees over the county are given an opportunity to become better acquainted, professional ideas are discussed, and information concerning pending and needed legislation is brought to the attention of those interested. What the organization will be in the future depends upon the interest shown by its individual members. What the school system of Donley County will be may be determined in large measure by the success of this organization. Therefore, let everyone who is interested directly or indirectly in the educational welfare of Donley County lend every assistance possible to the association.

Wheat Reduction Committee Meets Here Tuesday

Practically all if not all of the wheat growers of Donley county are taking advantage of the government's wheat acreage reduction offer at this time, a list of the growers appearing in the Leader this week.

The committeemen for this county are E. Lack and John Hermesmyer of Jericho, and Oma Scoggins of Clarendon. They were assisted in their deliberations this week in the meetings held here by county agent T. R. Broun. The men stated they would complete their labors by the end of the week.

Douglas Captures Large Bass At Country Club Lake

What is thought to be the largest bass yet taken from the C. C. lake yet was a bass hooked by C. J. Douglas Tuesday. The fish was 21½ inches in length and weighed four and three-quarter pounds. He caught another 16½ inches long and weighing two and three-quarter pounds. Both fish were caught in 45 minutes.

H. T. Burton supplied the bait which was of a new-fangled brand. So pleased was he with the catch made by Douglas that he "allowed" Douglas to retain one of the fish. Other parties present were Mr. and Mrs. Tom Goldston.

Parker Allowed 1500 Damage To Old J A Residence

A special commission appointed by Judge S. W. Lowe held a hearing at the City Hall Tuesday for the purpose of determining the damage to the property of Harry T. Parker, the same being the old J A ranch residence located on the proposed right-of-way on Highway 5 in the west part of town.

The Commission, after hearing testimony by Parker and others, adjudged the damage at \$450 for the land and \$1050 for expense of moving the building, which is said to have been built by O. P. Wood in 1888.

Joe Goldston, A. A. Mayes and Ed Speed composed the commission for the county and the hearing was made before the mayor, W. P. Cagle, together with the city commissioners.

Mr. and Mrs. Rex Reeves of near Shamrock spent the week end visiting relatives and attended the funeral of Mrs. Geo. Slover Sunday

COMMISSIONERS MAKE EFFORT TO START PROJECTS

Highway Construction With Bridge Building Taken Under Consideration

At a meeting of the County Commissioners Monday, several worthy projects were set on foot when recommendations were made to the State Highway Department to spend several thousand dollars in Donley county on highway and bridge construction.

For several years there has been an urgent demand for a bridge over Salt Fork north of Hedley. Citizens residing in the northeast part of the county were forced many times to come around by way of McLean and Jericho in order to reach their county seat when the river road north of Hedley was impassable.

The state department is now being asked to construct a bridge suitable for the traffic that may come across the river between McLean and Hedley. A further request has been made that a highway from the north county line near McLean be made possible south to Hedley connecting with highways 5 and 52 at that point. The county offers to provide right-of-way for the highway and bridge, if the state will build the remainder.

Another highway project that will meet a great need if constructed is a continuation of Highway 88 south from Clarendon to intersect the paved highway from Memphis to the Mulberry bridge near Brice. This portion of 88 has not been designated a state highway as it has been from Clarendon to Jericho.

The county offers to provide right-of-way on this portion of Highway 88 if the state will provide funds for the actual construction of the highway.

At the same session, W. P. Holley was paid \$500 for the land to be used for the Denver railway spur at Ashtola. The purchase price is in the form of two notes bearing 5% interest. One-half due January 1, 1935 and the other a year later.

Returns to Ranch Following Sojourn in Hospital

W. D. Jordan this week was enabled to return to his ranch south of Ashtola after spending some ten days in an Amarillo hospital, with his health improved to about up to par. Mr. Jordan stated Wednesday that his principal ailment was the fact that he would be 79 years old next month.

He came to west Texas 43 years ago and was the first representative in this section of the Bureau of Animal Husbandry of the U. S. Department of Agriculture, before the days of sanitary laws as applied to the stock business.

Summing up all the years, he says that this is the best fall from a weather standpoint, and cattle prices the sorriest that he has ever seen.

Baptist Pastor Dies Sunday At Lelia Lake Home

Death claimed Rev. F. M. Hensley, aged 69, at his home at Lelia Lake Sunday afternoon at 3 after an illness of several weeks. He had been filling Baptist pastorates at Lakeview and other places and had a wide acquaintance.

Services were conducted by Rev. Hansford at Hedley Tuesday with interment in the Lakeview cemetery. He is survived by his widow and nine children of his immediate family, several of whom were with him during his last illness.

School Tax Collections May Be Paid at Hedley Sat.

M. W. Mosley, tax collector, asks the Leader to announce that he will be in Hedley Saturday, the 25th for the purpose of receiving school taxes for that district.

School taxes must be paid before December 1st to avoid the penalty. He will again be in Hedley on December 15 and 16th for the purpose of collecting general taxes.

MERCHANTS WILL SELL TRADES DAY BARGAINS SAT.

Dare Devil Motorcycle Ride Offers Thrills in Crash Through Plank Wall

Visitors in Clarendon Saturday will find treats in prices offered by the merchants who want business and are willing to offer inducements to get it. Look over the Leader advertisements in this issue and locate your purchases before the big day so that no time will be lost.

A thrilling ride down the main street will be made by a man on a motorcycle who evidently does not care what happens. When he reaches the south end of the street, he will crash through a wall erected on the vacant Shamurger lot. Take a look at the "W" that is to be shown on the north side of the M System grocery before being placed on the lot for the crash. The Shamburger lumber company contributed the material.

The rider advertises that he will hit the wall at a speed of sixty miles an hour and go right through it, or die trying. That's his business. If you want to get the thrill of your life, see this stunt well done shortly after 2 p. m. Better get a location early or you won't find room.

Those interested in buying and selling live stock, implements, household goods and other chattels, will find an auction sale in progress at the Nat Woods yard near the laundry north of the Panhandle service station. An advertisement in this issue of the Leader will tell you all about that too.

Prices will not be any lower for some time to come—perhaps years. The time to buy is right now. The merchants who state their prices in this issue, call your attention to what they have to offer. Prices will be marked in plain figures, and much of it can be seen in their show windows. Turn through this paper, look over the inducements offered, and come to Clarendon Saturday.

School Teacher Relief Board To Meet Here Saturday

County Supt. of schools Sloan Baker has called a meeting of the Donley County Teacher Relief committee to meet at his office here at 9:30 a. m. next Saturday, the 25th. O. L. Jacobs of the Hudgins community is chairman of the committee. Other members of the Board are W. A. Poovey of Ashtola, R. E. Drennon of Clarendon, W. Clyde Bridges of Hedley, Joe Baten of the Skillet school in the northeast part of the county.

The committee named above will have the advice of Mr. Baker, the district man and the state superintendent who in turn will work under orders of the chairman of the State Relief Committee, Col. Lawrence Westbrook of Austin.

Woods And Gamblin To Have Auction Sale Saturday

A community auction sale will be held here Saturday afternoon beginning at 2 p. m. Nat Woods and C. R. Gamblin are sponsoring this new medium of exchange designed to help all the people of the trade territory.

A sale is planned for every Saturday hereafter for an indefinite period. They report as listed for sale next Saturday about 40 head of horses, mares and mules, a number of young Jersey milk cows household goods, farming tools and other necessities on a farm.

Those having stock, tools, household gods or implements they wish to sell, are invited to bring them to the Nat Woods sale yard near the laundry Saturday.

Bronchos to Play Tulia Team Here Friday Afternoon

The high school football team of Tulia will be here Friday to take the Bronchos for a whirl just to try their luck at playing a real team.

The game will be called at College Park at 3:15. Admission will be 25 and 35 cents.

ATTENDANCE OF FATHERS-SONS IS AHEAD OF 1932

Varied Program of Speaking And Music Amuses Crowd To The Finish

Toastmaster "Heavy" Whitlock went over big with his part of the big show and delegates that authority to Harrison Simpson who was elected president for the banquet of 1934.

Others elected were Phil Couch as vice president, and four board members. The fathers on the new board are Ted Williams and A. L. Chase. The sons on the same board are Robert McKee and Nickey Stewart.

O. C. Watson spoke for the fathers and O. C. Watson Jr. for the sons. Each making talks that hit the spot. There was ample opportunity to study traits as the father, mellowed with years spoke more of the temperamental things, and the son filled with ambition and energy hit his subject with a bang. Both talks were pronounced excellent.

Dr. B. L. Jenkins, father of the father-son banquet idea here and to whom most credit is due for its beginning, was forced to comply with repeated requests and made a talk that appealed to both men and boys as is his usual ability.

Tom Connally, a past president of years ago, made appropriate remarks of interest and encouragement. John M. Bass Jr. gave a humorous reading that brought many laughs. Arthur Chase gave a piano number that displayed quite a bit of skill for a youngster.

J. J. Goldston again took off honors as he did last year for having the most sons present, six in number. Ted Williams brought the youngest son, L. W. Chase was the oldest father present, he having been accorded this honor and privilege last year.

C. L. Knight was the oldest father with the youngest son, ages 52 and 5. Ben Andis ring the bell when youngest grandfathers were called to stand.

One hundred and sixty-six were present at the banquet, two more than last year. The first banquet was held in the old Denver hotel twelve years back. Six men present had attended every banquet for that period.

The ladies of the Christian church served the 'eats' to the entire satisfaction of their guests. There was plenty of women and girls to wait on the tables and no waiting was necessary to have wishes supplied. The food was excellent with turkey and the trimmings predominating.

Billie Cooke did the tap dancing number just right. Some dancer, that boy. Gus B. Stevenson and his orchestra members are due no little credit for the musical side of the evening's entertainment. It was plenty good.

Harrison Simpson, on whom falls the burden of responsibility for the banquet of 1934, has many helpers willing, the best wishes of the multitude, and every one interested will be glad to see him beat all records.

Mrs. J. T. Warren Receives Radio Message From China

A message sent by a short wave station AC2RT at Peiping, China to Mrs. J. T. Warren here was picked up by Geo. S. Bennett station WCGBD, Walnut Creek, California and a member of the American Radio Relay League, and the message mailed by letter.

The message was sent at 6 a. m. Monday from Peiping, and mailed at 12:30 Monday from the California station. Figure out the difference in time yourself and see how quickly the message was sent. The difference in time between the station is approximately 12 hours, Mrs. Warren says.

The message was from D. K. Young, a student of the missionary school where Mrs. Warren and husband were stationed more than 20 years ago, and informed her of a gift of a piano scarf which he was sending the lady who helped to rear and educate him.

FUNERAL RITES ARE HELD SUNDAY FOR MRS. SLOVER

Former Resident Clarendon For 19 Years, Passes Away Saturday Night

After a critical illness of two weeks, Mrs. G. S. Slover passed to her reward Saturday night at 11 o'clock at the H. T. Burton home where she and Dr. Slover were guests since coming here for the Methodist conference.

Rev. E. B. Bowen, pastor of the First Methodist church conducted a funeral service Sunday afternoon at three, after which the body was taken to Weatherford, Texas, her old home, for burial.

Mrs. Slover, formerly Miss Maggie Caldwell, was 62 years of age and had been a consistent member of the Methodist church for 56 years. Bishop Boaz officiated at a marriage ceremony in Weatherford in 1898 that united her in marriage with Dr. G. S. Slover. She was a native Texan.

During the time that Dr. Slover was president of old Clarendon College, she was a resident here from 1906 to 1925. Dr. Slover has been presiding elder of the Stamford district for the past few years, and the family home has been at Stamford.

Though a semi-invalid for some twenty years, Mrs. Slover did not permit that handicap, nor the pain incident to the ailment affecting her, detract from her pleasant personality. She was a woman of wide christian influence and one who valued her personal friends highly. She is survived by six brothers and a niece, no children ever having blessed their union.

Kryl Concert Attracts Crowd Here Sunday Evening

The Pastime Theatre was filled to capacity Sunday evening upon the appearance of the Kryl band for a concert. Due to an auto wreck, one of the leading lady musicians was unable to be present. The other twenty-eight played numbers that were a treat to those who appreciate the classics.

This concert was sponsored by the members of the local Legion post in an effort to show their appreciation to the public. They 'broke even' on the expenses, and feel well repaid for the effort put forth.

Campfire Girls To Serve Public Saturday

Members of the Abobobonto troupe of Camp Fire girls have a surprise to offer Saturday at the shine parlor next door to the Clarendon Furniture store if you buy a cup of coffee and a doughnut.

This is a worthy effort on the part of the young girls here and should be patronized by every one possible.

CARNIVAL SHOW ASHTOLA SCHOOL THERE TONIGHT

Will Follow a Basketball Contest During The Afternoon

Following the basketball contest between Brice and Ashtola schools this afternoon, the school will stage a carnival tonight beginning at 7.

Such attractions as Bingo, Wheel of Fortune, shooting gallery, doll rack and many other attractions will be arranged for the amusement of visitors.

The proceeds of the affair will be contributed to the basketball team.

The affair tonight is on a much larger scale than the one given last year that created a stir among the big crowd that gathered to see something new. Nothing has been left undone to make this a grand success. No admittance charge will be made and the public is cordially invited to join in with the school folks in helping along a good cause.

WORK PROVIDED FOR SEVERAL MEN HERE THIS WEEK

Number of Projects Await Final Approval Before Work Can Begin

A bunch of workmen are working this week on the fencing that will enclose the new right-of-way on Highway 5 west of Clarendon in Precinct No. 1.

One hundred men and twenty-five trucks are working on Highway 66 across the north end of the county. This roadbed is to be graveled and this is the nature of the work now being done.

Ten men are employed this week on the old Grammar school building. The materials will be salvaged as far as possible and sold to best advantage. This building is the property of the city having been purchased from the school board some eight years ago.

Bridge work on Kelly creek and Bell creek are awaiting final approval. Both projects will employ more than a hundred men when started.

A. H. Baker is field man working under county administrator Odos aCrawley for the CWA. It is his duty to see the foreman of each project and make reports to headquarters office of the county. He will also be expected to make investigations of the worthiness of workmen, their qualifications, etc.

Efforts are being made to open up enough worth while projects to employ at least eight hundred men by January 1st. The monthly limit so far is 130 hours. The pay is 35 cents per hour for single hands.

Farmers Exchange Opens With Full Stock Groceries

The Cooper cash grocery became history today when the name of the firm was changed to that of the Farmers Exchange and the location changed to the building next door to Thomas feed store.

The new firm is a partnership composed of Sullivan Cooper and Howard Stewart, Mr. Cooper having been engaged in the grocery and cream business here for the past three years. Mr. Stewart has resided in this section for a number of years and both men are favorably known over the county.

The building has been fitted up for displaying a grocery line in the front. To the left of the door is a screened off section for handling cream. The firm will buy poultry, hides and other produce which will be stored in the back portion of the building, a partition separating the front from the rear.

The new firm will continue to use the Leader in carrying their message to the public, a fact in which Mr. Cooper gives the Leader credit for much of his success since establishing his business here three years ago. Their advertisement appears in this issue.

BEAVERS WILL DELIVER SERMON UNION SERVICES

Churches of City to Unite In Thanksgiving Service Thursday Morning

As has been the custom here for several years, the churches of the city will unite in a Thanksgiving service which is to be held at the Christian church at 10 o'clock next Thursday morning.

Rev. M. M. Beavers, presiding elder of this district will deliver the sermon, he having been selected by the various pastors this morning.

Singers have been selected from the various church choirs for this occasion, and special music has been arranged for most appropriate for the occasion. The best trained soloists here will also appear on this special program of thanksgiving.

This is a service at which every one should feel most welcome. It is a service in which every one may share a part in praising Him for the blessings of the past year.

What will be done with the surplus cotton left over this year is bothering some of the boys holding government jobs. That's easy. Make it up into 'bitches' and let the missionaries take them to the heathens. They might as well experience some of the inconveniences of civilization as the rest of us.

Al Capone got his ten years for evading the payment of a few thousand income taxes. Now that some of the big bankers last week admitted that the 'ring' had fleeced the 'deer pepul' out of a cool twelve million dollars in one single instance, we wonder what will be done about that.

Capone no doubt deserved his, but he beat only Uncle Sam's department. These bankers beat thousands of individuals out of their life's savings. Poor devils who bought foreign bonds because the bank recommended them. Would it be any more than right to give the bankers the same proportionate terms in the ratio of the steal as was given Capone?

The packing houses paid 8 to 9 cents a pound for turkeys here the past week. Turkeys were selling at 22 to 25 cents a pound in New York City on the same day. A local buyer informed the writer that the packing houses of Wilson, Armour and Swift do all the buying here—no independents. In other words, the turkey growers must take what the packing trust sees fit to 'dole' out to them.

Where was Uncle Sam, AAA, NRA, RFC, CWA, not to mention XYZ and IOU when this all happened. And it's not too late to do something even yet to stop such unfair practices. The protection of the laborers inspires confidence in the government and all that Roosevelt and his helpers are trying to do to hold the nation together.

As further evidence that all is not so well with some of New York's renowned "400" society ladies of wealth, there appears on the back page of the December issue of the Woman's Home Companion a picture of Mrs. Hamilton Fish Jr., together with her endorsement of a well known brand of cigarette. Can you feature a society woman inured to the custom of the big-wigs stooping to such resources for mere money? Times have wrought great financial changes among the higher-ups, or most of them, far more than it has among the poorer classes. The lowly had nothing to lose to begin with, but what the 'oppression' period sponsored by the big bankers did to some of the idle rich on the outside of the ring, is a plenty.

An effort is to be made at the next session of the Legislature to secure an enactment of a number of laws designed to prevent reversals in criminal cases because of some seeming technicality.

Senator W. B. Collie of Eastland, co-author of the proposed bills, tells the people that the old constitutional requirement guaranteeing a defendant a speedy trial is obsolete because most criminals crave a "delay" in a trial of the case that public sentiment may die down and permit of a much more lenient attitude.

Ten bills will be introduced, the authors having for this purpose the idea that criminal laws and procedure should be changed to permit of more protection to the public in dealing with the criminal class.

The Texas Election Bureau which has, for many years, gathered election returns will continue to function through the next election. These returns have been broadcast by radio and heralded to the public by means of the bill board after the Bureau had gone to the expense of collecting the information.

At a meeting of the newspaper editors at Houston Sunday, new ideas that will protect the property of the newspapers gathering this election information will be put into effect at the time of the next election. Telephones, radios and bulletin boards will not be used after this, according to the Bureau officials.

No information will be given out except through the press. That means the daily press of course since the daily newspaper men are interested in the Election Bureau. Next year it will be necessary to buy special editions of the dailies to know the fortunes of one's favorite candidates.

The radio broadcasting stations cannot be hoped to step in and supply the information which will be lacking because of the ruling of the Election Bureau. Most all the larger stations of Texas are owned by daily newspapers.

There has been some complaint in times past that the dailies of the larger class are "bought" by the interests able

to buy. That means that they have been accused of being muzzled with money. If this be true, then the larger broadcasting stations are likewise muzzled in the same manner.

Another proof that the big majority of people are honest, and want to pay old debts; was offered Tuesday when a man who had been owing a grocery bill for some two years exhibited a receipt in full. He really took pleasure in paying the groceryman who had been a friend to him when he needed help most during the hardest times.

The payment of this bill enabled the grocer to pay his bills and to strengthen his credit with the firms with whom he must deal. Paying debts means a renewing of credit all-round, and what is of more importance, it means a strengthening of confidence.

Credit is something that a poor man must have, and a rich man cannot do without.

Another man related this week an incident of a man who could, failing to pay him a debt of \$1.50 as he had agreed. The man who owed that debt sold his reputation for \$1.50. A man who is that cheap likely has a character worth about as much.

Character is God's knowledge of us, while reputation is man's opinion only.

It is necessary to have both if we are to face the world with a clean slate. Without either, one is placed at a great disadvantage in both the social and business world. The only means by which either can be maintained is to pay debts promptly when opportunity affords. There is more opportunity right now than there has been for three years. The honest man pays a part of his debts if he can't pay all. It is one instance where "every little helps." At any rate, it never has paid to "double-cross" those who were friends in time of need.

Nurseryman Suggests Home Orchard Selection

I have just been looking through one of the most popular farm papers and I find this paragraph or should I say this advice to all people intending to put out orchards this coming season.

If you intend to plant young trees of any kind this fall, it will pay you to buy or at least reserve your nursery stock early and get the best selection of trees. If I were going to set just a family orchard I would try to get some of every kind of fruit that could be grown on my land. I would start

first with apple trees as there is nothing any healthier than apples and you can store them and they will keep until way up in the winter. There is a wide margin in selecting apples as in all other fruits we have too many varieties of every thing. But I would try to get some that had been proven out. My advice would be one or two early apples, red June is good, then I would want some yellow transparent, Winesap, York Imperial, Maidens Blush. I would want about a dozen of each the King David and Delicious. Then I might have enough apples to sell a few and help pay the taxes.

The best plum we have is the America, mainly a cooking plum. You would want some eating plums. Shiro is a mighty good eating plum but does not make a healthy tree. If there is any scab in your orchard it will be on the Shiro. Sada is a very near frost proof plum and makes the finest of jelly and preserves.

It is just a hard matter to de-

side about peaches but there is one thing sure and certain I would plant plenty of the Early Rose, a June peach and one that will bear if there is any peaches born. Of course the Elberta is one most everybody thinks they can't do without. But it is not a very sure bearer, but is always a favorite. I started out to tell you all about a home orchard but it seems I will have to just get it started

and finish it up later on. You might look for a continuation.

DOES NOT HARM THE HEART

DEPOSIT MONEY FOR SAFETY

Besides being a safe place to keep your money, you naturally save more by spending less if you do not have the change right in your pocket.

A bank deposit is an insurance policy against fire and theft. To carry any considerable sum on the person is dangerous.

Farmers State Bank

LEGAL RESERVE LIFE INSURANCE

Read these figures:

\$4,010,817,751.00 paid to policyholders and beneficiaries by Life Insurance Companies in 1932
Approximately as much as the \$4,275,000,000.00 gold stock of the United States.

Four billion dollar bills piled on top of each other would make a stack 252 miles high.

Four billion dollars distributed in a year means \$10,988,542.00 a day; \$457,856.00 an hour; \$7,631.00 each minute; \$127.00 each second.

\$4,000,000,000.00 in new dollar bills, end on end, would circle the earth about 13 times.

\$4,000,000,000.00 in \$5.00 gold pieces stacked up would build a tower about 3,000 times as tall as the Empire State Building.

If a person picked up a dollar every step, and took a step every second in every day, it would take 126 years to pick up four billion dollars.

TEMPLE OF TRUTH
By the Apostle

And next spring some one will come in all pepped up to announce, "By golly I found a long-haired hermit down in the Briscoe county roughs who is not a member of any kind of a relief board."

O local politician says there are three kinds of people. The enemy who lambasts you at every turn; the friend who pats you on the back and gets his hand into your pocket at the same time; the mere acquaintance who expects nothing of you, and would as soon give you the benefit of the doubt as any one, he counts most.

Then there is the report of the Perryton man who put his windmill in his cellar after it had blown down the third time. It did not stop running even then and was used to motorize the sewing

machine, feed grinder, pumping apparatus and the washing machine. The momentum attained in the air was so great that it is still running after being in the cellar 2 months, 14 days, 5 hours, 46 minutes and 3 seconds.

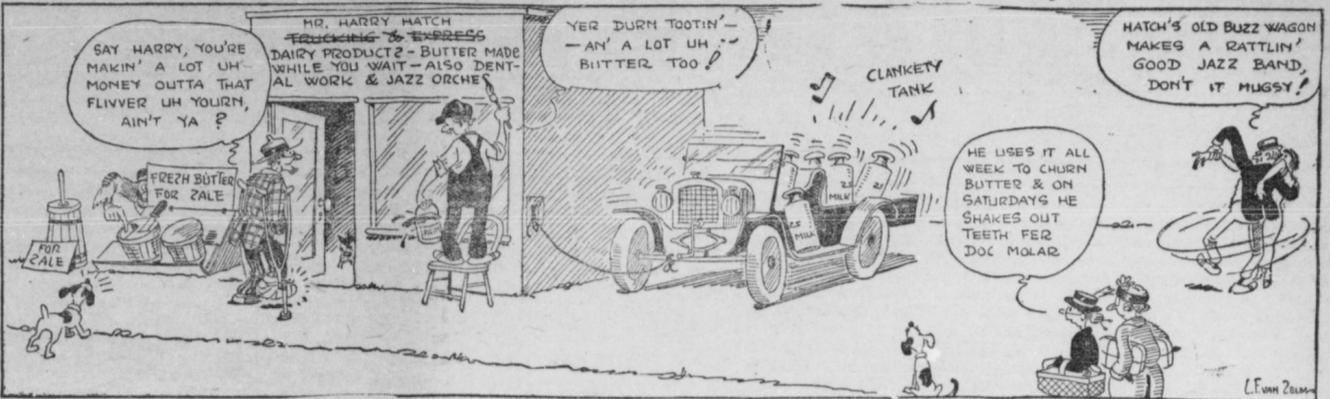

Tugwell is the name of the author of a bill that is to come before the next Congress that is designed to stop the folks drinking slop that is said to be bottled. It is labeled "imitation," but it does not seem to stop any one with that much protection from the government. It is claimed that the

color and flavor both come from coal and are aniline dye products similar to carboic acid.

Years ago a railway wreck occurred on the T & P in the Pecos country, according to an old rail-roader. The Irishman in charge of the work train wired in a complete report at great length giving the extent of the damage, the cost of the wreck including repairs, time of delay and general health of the workmen. Immediately he got a message back by wire to be "brief as hell in reporting wrecks."

The old Flannigan studied it over with hurt feelings until another wreck occurred. After a short delay of a day or so he wired the superintendent: "Off agin, on agin, gon agin, Flannigan." (P. S. Maybe some of the younger generation never heard it.)

The HWC (Hog Watching Commission) down at A & M is diligently on the job 24 hours a day. The demand for this "relief" board was brought about when a question arose in the college class as to whether a right or left hog ham was tenderest. One smart boy who seemed to know a hog from a cow, announced that hogs always scratched with the right hind foot—nothing else. There is yet some question about it, because if the hind foot only is used, the left may really be the tenderest. In the event the left ham is found to be the tenderest, there will be a special lot of bulletins issued to tell hog growers about it.

At this time of the season when the poinsettia is at its best, a little history in connection with the plant might be interesting. The plant was brought to us from Mexico City, near where it is a native, by Joel Roberts Poinsett, secretary of war under president Martin Van Buren. We have a native species here though the leaves are colored white, with faint streaks of gray where the real poinsettia is red. The dwarf species alone is found at this altitude. The real poinsettia refuses to grow for us in the Panhandle.

An honest man is admired socially, but robbed financially.

WHAT PRICE
"BARGAIN?"

This sells for 98¢ This ring is \$350.00

The diamond ring at \$350 may be a real bargain—the imitation much overpriced at 98c.

It's the same with batteries. The "bargain" battery at \$2.98 may be no bargain at all. Exides cost less in the long run.

You can get a genuine EXIDE 13-Plate Battery for as low as \$7.25

TALLEY
SUPER SERVICE STATION

Little Miss Jackie Ann, eldest granddaughter of Jack Killough, has out two teeth before reaching the age of two weeks. She'll likely be down for a marcel next month, and a permanent the next. The little lady will gladly prove this statement of an early acquisition of teeth to those who doubt her ability, as she has to many already.

Thank you John Ticer of Level-land for that persimmon sent us to prove that the tame Japanese fruit will grow west of Lubbock. It had size, color and flavor grading A-plus. More of our people should grow persimmons right here in Donley county. Turn to the advertisement of the Fitzgerald nursery in this issue and order the trees just as soon as you can. Fall set trees of any kind are better in this climate.

A certain dentist will be chagrined, bamphoozled and perhaps sore when we say that we know all, hear all, see all and blame near tell all. Recently this man of hunting habit shot what he believed to be a tomcat in a bush in the pasture far from human habitation. His perplexity knew no bounds when he discovered that the animal had hands instead of feet, and that the hands resembled those of a monkey. The carcass report from the Smithsonian Institute at Washington passed upon the discovery thusly: "Body is that of a raccoon, lowest order of the monkey family."

Reports that burglars stole a Waterbury watch from the Barnes grocery at Texhoma Friday night is unusual. We thought the Waterbury watch of extensive spring fame had passed along with the dodo bird. This watch and the corset days happened along at the same time, making the watch famous. The corsets had steel ribs which finally gave way under undue pressure as was customary in that heathenish period. There was 25 lengths of corset spring made from each Waterbury watch. The watch spring was said to be 27 feet in length. It was often a disappointment to dad to find mam had transformed his valued article of jewelry ornamentation into a choice bit of wearing apparel. Verily, the world moves.

Laundry prices are steadily advancing, also the loss of more Pullman towels is noticeable this week. Just think how fortunate we are that souvenir spoons do not have to be laundered!

The Apostle of this column never saw a football game. It's too sissified. We like a wrestling match where he men exhibit action and picture nature in the raw. To watch two huskies gouge out eyeballs, twist off ears, choke each other until tongues lol out a foot, is real sport modernized and humanized as compared to the ancient ancestors who pushed the entertainers into an arena swarming with real lions. Finally one wrestler jerks off the hind leg of an opponent and gently lays him out with a resounding whack over the head. They never did play that way back in Roman days. They resorted to cruel measures that today would cause the stout-hearted to faint.

A black cat running across the road in front of you is not a sign of bad luck unless you hit him about the middle of the white stripes.

A west Texas phone company complains that the ducks and geese are roosting on the wires. Not only that, but the hunters shoot down ducks, geese and wires at the same time. It might have

been doves, and the newspaper followed the accustomed habit of exaggeration.

Recently at a meeting of the Board of Deacons here, a member referred to that difficulty that a rich man might have in obtaining a seat in heaven. A member of the Board spoke up and said, "a member of the Board of Deacons is not going to have anything to brag about."

We don't claim to know any more about grand opera than a cow, but after paying \$3.50 for a grand opera seat some years ago, we have been content with "moos" ever since.

Pilfering of autos by sneak thieves here has begun to become annoying. The loss of tires, blankets, mud chains, etc. is not so annoying as the racket the thieves make in jacking up the cars, breaking into garages and such like when folks want to sleep. Robbing autos has become a racket. It begins to look like it will be necessary to organize a "vigilant committee" pretty much as they did back in gold mining days in the west. This theft business is not the work of boys altogether. What we really need here in Clarendon is several men armed with shot-guns to keep guard for a while. Neither is this racket confined to Clarendon. Reading an Oklahoma exchange Sunday we read a classified as follows: "Any one seen around my garage at night will be seen there the next morning."

"The only doctor in Scrapville decided that he would like to be mayor, so he came out in the Scrapville Times with the following notice: "Fellow citizens, I am running for mayor. I have no particular platform, no reforms to make, nothing to say against my opponent; I hereby desire to be mayor of this town before I die. I know every man, woman and child in this town. I have been

present at every birth, marriage or death in Scrapville for the past forty years. If I am not elected I am going to leave the town. But before I go I will tell all I know about each one of you."

For the first time in the history of the town everyone of legal age turned out. When the ballots were counted the old doctor had received all but one vote, and that was cast by a man who had just moved into the town."

What a difference time will make. Thirty years ago a man moved out here from east Texas. When he wrote back, here is what he had to say in closing: "We live 150 miles from a church, 40 miles from school, 8 miles from the nearest neighbor, 20 miles from a postoffice, 15 miles from wood and that is in a canyon where we have to hoist it out with a block and

tackle, 6 miles from water, a half mile from a saloon, and right in the middle of hell. We're coming back!"

The sweet young thing had broken her glasses. She took the remains back to the optometrist. "Will I have to be examined all over again?" "No," he replied, "just your eyes."

The College Hill widow says the honeymoon is over when a woman serves her husband hot tongue and cold shoulder.

Frank Trammell, formerly with the McElvany tire company, returned to Prague, Okla. Sunday and has resumed his former position in a grocery store.

W. Clyde Bridges of Hedley was a business visitor here Wednesday.

Expert REPAIRING
Your Auto Wheels

When your auto wheels get out of alignment, steering is made more difficult. Not only this, but your tires are being subjected to extra wear. Nor is this all. You are expending extra gas power while the wheel is dragging sidewise.

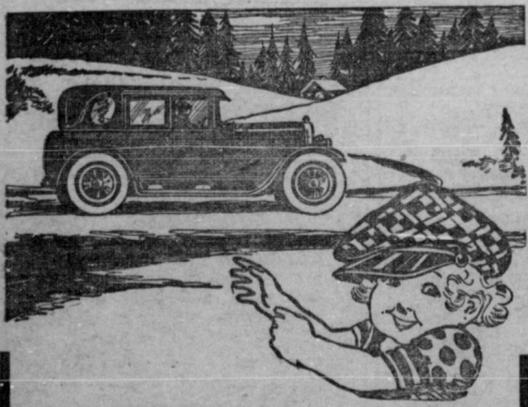

We have a special device for correcting the wheel alignment. The cost is but a trifle. See us today and make sure that your tires are being protected.

MOTHERS CLUB

The Mothers Club met in the home of Mrs. T. H. Ellis with Mrs. Harrison Simpson as leader. Two new members were accepted into the club. Mrs. Roy Ingram and Mrs. Henry Tombs.

An interesting reading was given by Mrs. Bill Brumley. Mrs. C. A. Burton gave a delightful talk to the club about books and children which was enjoyed and appreciated very much by the members.

Delicious refreshments were served by the hostess at the close of the meeting.

The next meeting will be at the Club Rooms, December 1st.

MRS. CARROL KNORPP ENTERTAINS

Mrs. Carrol Knorpp entertained Thursday with a 1 o'clock luncheon, complimenting her mother-in-law, Mrs. Wesley Knorpp of Long Beach, Calif.

SUNDAY SCHOOL PARTY

In the absence of Mrs. Clarence Whitlock her Sunday School Class of the Methodist church were entertained with a party Saturday night in the basement of the Methodist church. Mrs. C. L. McGowan and Mrs. E. F. Kirtley were chaperones and hostesses.

Parlor games were played and enjoyed by the youngsters until a delicious refreshment of sandwiches, cookies and hot chocolate were served to Misses Dorothy and Mary Frances Powell, Nellie and Rose Lee Grady, Rosalyn Bass, Sarah Virginia McGowan, Ruby Dell Scoggins.

Walter Brady, Geo. Wayne Estlack, Sam Barrow, Harold Gattis, Jack Latson, Artis Patman, Kenneth Sherman.

1912 NEEDLE CLUB

Mrs. J. T. Patman was hostess to the 1912 Needle Club when she entertained the club at her home Thursday afternoon.

Several hours were spent in fancy needle work and pleasant conversation.

In the late afternoon, a lovely refreshment plate was served to invited guest, Mrs. Wesley Knorpp, club members, Mmes. B. L. Jenkins, L. S. Bagby, Sella Gentry, Anna Hall, A. L. Chase, A. A. Mayes, J. B. Baird, Crockett Taylor, A. R. Letts, R. A. Chamberlain, H. C. Kerbow.

BRIDE-TO-BE HONORED WITH SHOWER

Miss Mary Sue Watters entertained Friday evening with a bridge party and miscellaneous shower at her home honoring Miss Oneta Isham, bride-elect of Harry Hartzog. The guest rooms were attractively decorated with autumn flowers. Tally cards featuring a miniature bride and groom were used.

At the close of the games, the honoree was presented with many attractive and useful gifts.

Dainty refreshments were served to the following guests: the honoree, Miss Isham, Misses Pauline Atteberry, Willie Ana and Wayne Garmon, Loma Ayers, Mattie Rhodes, Lucille Polk, Messrs. J. P. Matheson, Don Matheson, Harry Hartzog, Glen Churchman, Edd Mahaffey, Archie Watters, Walter Garmon, H. A. Blanton and Mr. and Mrs. Donald Ballew and Winfield Mosley.

1926 BOOK CLUB

The 1926 Book Club met at the home of Mrs. W. A. Clark Tuesday afternoon, Mrs. Clark and

Miss Temple Harris hostesses.

During the business session, plans were made for their annual book tea which will be December 19th at the Club Room, also December 20-21, the club will sell books. Mrs. Thornberry gave a report on state Federation meeting at Austin.

Program—Spanish book, Machete by Chas. Merria.

Mrs. Nathan Cox, leader. Mrs. G. L. Boykin gave the story. Mrs. Virginia Bryan gave one number of Mexican music.

Lovely refreshments were served.

AMERICAN LEGION AUXILIARY

The American Legion Auxiliary entertained the members of the American Legion at the Club Room Tuesday evening.

Gus Stevenson's orchestra furnished music throughout the evening.

Games of 42 were enjoyed by those playing. A delicious refreshment was served to Messrs. and Mesdames Clarence Pipe, Tom Tucker, C. E. Beach, C. C. Fish, G. L. Boykin, R. Y. King, C. Huffman Price Morris, W. M. Meaders, T. R. Broun, Lee Mears, Clyde Price, B. C. Antrobus, Mmes. Pearl Ross, Geneva Bauer.

Earl Alderson, L. S. Bagby, O. L. Fink, James Trent, John Clark. Van Allen Kent, J. A. Meaders, Miss Katie eMaders, Miss Joyce Link, Mr. N. L. Cox, H. T. Burton, Clifford Decker, Billie Walker, Gus Severson, Nickey Stewart, Bob Bledsoe, Bob Boston.

SUNDAY SCHOOL CLASS MEETS

The Grow, Glow, Go Sunday school class of the First Baptist church had their monthly business meeting which is held the third Monday of each month. They met at the home of Mrs. R. A. Hay, their teacher, last Monday afternoon after school.

Those enjoying the business and social afternoon were Mrs. R. A. Hay, Georgella Ray, Letha Warren, Thyra Holey, Edith Vinson, and a visitor Miss Hay. Several of the members were absent. We have twelve enrolled and need more members. Come visit the fifteen year girls Sunday school class at the First Baptist church at nine forty-five Sunday morning.

SURPRISE BIRTHDAY PARTY

Mrs. Eva Atteberry entertained with a surprise birthday party complimenting her daughter, Miss Pauline on the 19th birthday, November 19th. The beautiful chrysanthemums were used for decorations, also a large cake with lighted candles.

The honoree received several nice presents. Games of bridge and dancing was enjoyed until late when a lovely refreshment was served to Misses Carrie Mace, Zula Bain, Jenella Eldridge, Mr. Lawrence Whitlock, Archie Watters, Mr. and Mrs. A. C. Hallmark of Shamrock. On each plate was a guest souvenir in keeping of the occasion.

T. E. L. CLASS MEETS

The T. E. L. Sunday school class of the Baptist church met in the home of Mrs. G. G. Kemp Tuesday afternoon. Group No. 2 entertained.

After a business session a social hour was enjoyed. Mrs. W. A. Land was social chairman. The program was enjoyed to the fullest extent. Various games were played throughout the afternoon.

Dainty refreshments were served to Mmes. Eva Driffin, Edd Barnes, H. W. Milton, T. M. Couch, A. W. Simpson, Inez McGlamery, T. J. Mann, W. A. Land, J. F. Oller, J. R. Cox, G. G. Kemp, Cap Lane, Matt Bennett, C. C. Fish, F. H. Harp, A. Burkett, Ed Speed, R. R. Dawkins, Frank Whitlock, M. W. Mosley, W. B. Sims, Joe Fowler, Major Hudson, Misses Elizabeth Kemp, Ella Gene Speed and Frankie Garrison.

AYERS-BLANKS

Mr. J. T. Ayers, son of Mr. and Mrs. J. R. Ayers and Miss Lela Mae Blanks, daughter of Mr. and Mrs. E. L. Blanks were united in marriage Wednesday night by Rev. E. H. Kennedy of Lella Lake.

Both bride and groom have lived near Clarendon the last 5 years.

They are both popular among a wide circle of friends.

They will make their home 1½ miles west of Clarendon.

Their many friends extend their best wishes for a happy prosperous life.

LOYAL WORKERS UNION

Program for Nov. 26th, 1933. Subject—The Christian's Responsibility for World Missions.

Leader—Mrs. Mann.

Those who go must be trained—Mrs. Vinson.

We must go with the gospel to the homeland—Mr. Tidwell.

We must go "Unto the Uttermost part of the Earth"—Mrs. Deal.

We must care for those who go—Mr. Holtzclaw.

We must not fail now—Mr. Ray.

PICKERING-EANES

A very interesting wedding was solemnized Sunday at high noon, when Miss Lucille Pickering became the bride of Mr. Edwin Eanes at the home of the bride's parents, Mr. and Mrs. W. M. Pickering. Rev. Lackey of the Clarendon Mission said the ceremony.

The bride was gowned in eel gray crepe with slippers and hose to match. Her flowers were a corsage of pink roses and fern.

The bride is the only daughter of Mr. and Mrs. W. M. Pickering, is a graduate of Clarendon High School, also one year at Clarendon College; is now one of Naylor's teachers and has taught here for the past two years. She has grown from childhood among us and is much loved and appreciated for her sunny disposition and her great ability as teacher.

Mr. Eanes is the son of Mr. and Mrs. T. W. Eanes of Chamberlain, a graduate of Clarendon High School and is now in radio work at Clarendon.

The house was beautifully decorated with minns fitting the Thanksgiving season. At the proper time a real wedding feast was served by Mrs. Pickering and her assistants. Angel food wedding cake which rested on a handsome cake plate that centered the table, while the guests anxiously awaited the lucky cut.

Later the bride donned a traveling suit of navy blue with black accessories and Mr. and Mrs. Edwin Eanes left on an over land honeymoon trip to points of interest in Texas and New Mexico.

After Thanksgiving they will be at home to their many friends at the Pickering place.

Guests at the wedding were Rev. and Mrs. Lackey, Mr. and Mrs. T. W. Eanes, parents of the groom; Mr. and Mrs. Thomas Eanes and children, Mr. and Mrs. George Eanes, Misses Cleo and Rebecca Eanes and W. H. Nelson, Mr. and Mrs. Pickering and son Lesley.

CLARENDON H. D. CLUB

The Clarendon Home Demonstration Club met at the home of Mrs. W. D. Van Eaton Friday afternoon, Mrs. Van Eaton hostess.

Beautiful chrysanthemums in the autumn colors and pot plants were used for decoration of the guest rooms.

The ladies were very busy for two hours piecing on their club quilt. Also pleasant conversation and visiting were enjoyed.

A lovely refreshment was served to club members, Mmes. Sloan Baker, N. M. Lawler, A. L. Chase, John Clark, O. L. Fink, Lester Schull, C. D. McDowell, J. C. Estlack, Major Hudson, Edd Speed, T. R. Broun, Lonnie Hahn. Afternoon guests, Mrs. T. H. Peebles, Little Ira Jean Estlack and Master Alfred Hahn.

HARP-SUMTER

Mrs. Gertrude Sumter of Goodnight became the wife of Mr. Finis Harp here Sunday with Rev. L. A. Reavis officiating, the ceremony taking place at the home of the minister.

The bride is a daughter of Mrs. Darken of Goodnight and has been employed as housekeeper in the Harp home since March.

Mr. Harp has resided here for more than twenty years. He has

followed his trade as auto mechanic the greater part of the time and for the past several years has operated a garage and auto repair business in the Holland building here.

CHURCHES

ST. JOHN BAPTIST CHURCH (Episcopal)

Rev. L. L. Swan, Rector. Services for "The Sunday next before Advent"—Nov. 26th.

Morning Prayer—(shortened form) and sermon—11 a. m.

Church school and Bible class—9:45 a. m.

Thursday the 30th being "Thanksgiving Day" there will be a Celebration of the Holy Communion at 9:30 a. m.

A cordial invitation is extended to all to be present at all these services.

FIRST PRESBYTERIAN CHURCH

Robert S. McKee, Pastor. Sunday School—10 a. m.

Morning Worship—11 o'clock. The sermon will be the first of a series on the Sermon on the Mount

Intermediate Young People's Society—6:30 p. m. Peggy Word, leader.

Evening Bible Lesson—7:30 p. m. Read 1 and 2 Timothy, Titus and Philemon.

This being a fifth Wednesday, there will be no meeting of the Woman's Auxiliary.

Mr. and Mrs. Newbill Ferguson of Amarillo attended the funeral services of Mrs. Slover Sunday.

Rev. M. M. Beavers and family visited at Hereford the weekend.

Leader One Day Earlier Next Week
Due to the fact that Thanksgiving comes on publication day the Leader will be out one day earlier next week. Correspondents should bear this in mind and send in the rural news one day earlier. Schools should also mail their items one day earlier.

CHRISTMAS IN THE OLD SOUTH

(By Lalar Belle Wilkerson)
Crack! Crack! went the whip. Faster, faster went the horses, and as I looked out of the stage-coach windows, familiar objects began to make their appearance, and all at once we were stopping at Grandmothers' house. A portly looking negro rushed up to take our bags, while Anada, the colored cook, stood at the corner of the house waving her arms up and down and saying, "Lawsy me, if it ain't them grandchillums."

That night after all the chores were done, the negroes gathered in a large store shed and made merry with music, dancing, and singing. We hung our stockings over the huge fireplace and ran off to bed.

We were up early the next morning to see what Santa Claus had left for us, and it would be hard to tell who enjoyed the gifts more, we or our grandparents.

At noon we enjoyed a dinner of goose, plum pudding, and sauce. Early the next morning the stage-coach came by, and we were placed inside for our trip home. The bundle of gifts which Santa

Claus had left for us was placed on top of the coach, and after going over each bump, we would have the coachman look to see if the bundles had fallen off. We arrived home late in the afternoon, too tired to even think of playing with our new toys.

Phillips Petroleum Company Demonstration Truck Here

Agents of the Phillips company from McLean, Shamrock, Memphis and Claude were here Thursday for the demonstration of Phillips gasoline.

An apparatus consisting of a 1933 model truck completely equipped with dials and registers was used to test the performance of the various gasolines scientifically under conditions identical with those of actual motoring.

H. D. Toomb is general agent here for the Phillips company, and piloted the visitors around to the business men before the demonstration was made at the Jay filling station at the north end of Kearney street.

Hobart E. Stocking was in the city the last of the week visiting his mother. He was until recently a student of Johns Hopkins University but has accepted a position with the government to make a topographical survey of Palo Duro canyon.

LELIA LAKE
(Mrs. H. R. King)

Miss Effie Dean Bullard of Claude spent the week end with home folks.

Mrs. Johnson of Quail spent Sun. with her mother, Mrs. Henry Wood and her daughter Francis who is a student of our school.

Mr. and Mrs. Gus Rascoe of Memphis spent Sunday with relatives here.

Miss Edna Wood who teaches at Shamrock visited her mother over the week end.

Miss Garland spent last weekend with home folks at Goodnight.

Mr. and Mrs. Lon Howard of Levelland came Friday for a visit with their parents.

Mrs. D. M. Cook, Mrs. D. W. Tomlinson and Mrs. S. R. Tomlinson spent Thursday with Mr. and Mrs. L. B. Chunn of Hedley. Mrs. S. R. Tomlinson remained for a

longer visit.

Mrs. Howell Christie, Ed Gerner Mrs. Elsa Morton and son Bobbie went to Amarillo Monday. Mrs. Morton and Bobbie remained for a weeks visit with her mother.

Billie Knoy of Peacock spent Sunday with Laird Reeves.

Sam Offitt of Lyde, New Mexico left Tuesday after a short business trip here.

Fred Maeberry and family of Wellington spent Sunday in the home of his brother J. L. Maeberry.

The Lelia Lake Study Club, in the home of Mrs. Guy Taylor, presented at regular meeting a rather interesting and unique program. Mrs. Harry Stebbins, in a double role of interpreter and performer, was at the piano. Much credit is due Mrs. Stebbins for the admirable rendering of program.

Mr. and Mrs. A. C. Hallmark returned to their home at Shamrock Sunday night. Miss Pauline Atteberry accompanied them home for a two weeks visit.

WHEAT PRODUCTION AND ACREAGE STATEMENTS OF MEMBERS OF THE WHEAT PRODUCTION CONTROL ASSOCIATION OF DONLEY COUNTY, STATE OF TEXAS

The following is a statement of the production and planted acreages of wheat in the years 1930 and planted acreage for 1933 of producers of who have submitted applications for farm allotments. This publication is made in compliance with the regulations of the Agricultural Adjustment Administration. It is made so that a check may be made to the county Wheat Production Control Association on any inaccuracies which may appear in the statements.

The allotment for this county has been definitely calculated from official records of the United States Department of Agriculture, and is bushels. This is the total allotment for the county. Therefore, if any farmer receives a greater allotment than his past production, he is thus depriving other farmers in this county of their just share.

Total production figures of those who apply for contracts, together with those who do not, must be consistent with the official county production as shown by the records of the United States Department of Agriculture. If the county totals are greater than the official totals, it will be necessary to make a downward adjustment.

Any person may make a confidential report if

he finds any statement here which he believes to be inaccurate. Such reports should be made to the community or county Allotment Committee, either in writing or verbally. The reports will be strictly confidential. A farmer whose statements are said to be inaccurate will need to prove his production figures.

Farmers have been asked to furnish evidence of production and evidence of sale, such as threshman's certificates, elevator certificates, or other records and receipts. Satisfactory evidence will be required of any farmer whose statement is questioned.

The following statements have been condensed to save space. "A" represents acres planted and "bu." represents bushels harvested. The "3-year average" represents the 3-year average and production for 1930-32. Farmers should refer any questions regarding this publication to their Community Committee or the County Allotment Committee.

E. Lack, Chairman, County Allotment Committee.

halls.

The school had the pleasure last week of hearing addresses from both Rev. A. V. Hendrix and Rev. M. E. Wells. Mrs. Carter of the Nazarene church will be heard at early date.

Superintendent S. R. Steele made an address at Church of Christ last Sunday on the subject of Appreciation of Childhood.

Mr. R. F. Newman, Coach of the boys basketball and Lee Nowling coach of girls are arranging for a tournament to be held at Hedley.

The annual school carnival will be held Wednesday night, November 29. The grades will give a very interesting program next Friday night.

Born to Mr. and Mrs. Billy Wilson, twin boys Sunday, one weighing 8 1/4 lbs. and the other 8 1/2 lbs. The larger baby was a still-born, funeral services being held at the home of the parents and conducted by Lee Vaughn, Baptist minister. The mother and surviving baby are reported doing nicely.

Rev. and Mrs. Arthur Scoggins and daughter Martha spent the week end in the Oma Scoggins home. They were on their way to their appointment on South Plains.

Mr. and Mrs. Wesley Hall of Amarillo spent Sunday as guest of Dr. and Mrs. Evans.

Mrs. C. D. McDowell and Mrs. W. D. Van Eaton were Amarillo visitors Tuesday.

Mr. and Mrs. H. L. McElvany and daughter Avis Lee visited relatives in Prague, Okla. over Sunday.

Mrs. Stevens and daughter Carolyn of Amarillo is visiting her parents, Mr. and Mrs. E. M. Ozier.

Miss Margaret Golson of Amarillo visited the week end with home folks.

Miss Naomi Allison visited her mother, Mrs. Allison over the week end.

Miss Pauline Shelton of Canyon visited her parents, Mr. and Mrs. Paul Shelton Sunday.

Mrs. J. E. a Bird spent the week end at Pampa visiting and attending to business.

DO YOU WANT TO DRESS UP?

OF COURSE YOU DO!

Here are some snappy Louis heel Pumps.

NAYLOR
(Mrs. R. Bowlin)

The Literary program, sponsored by Mrs. K C Reed was presented Friday night to a crowded house. All was enjoyed from the welcome address to the good night girls, the clowns, "niggers" and old maid men, provoked much laughter.

Miss Letrice Scott is up from Childress to visit her parents, Mr. and Mrs. Walter Scott for a few days.

Mr. and Mrs. Verza Lusk of

Clarendon were out for the program Friday night.

Billy Cooke of Clarendon gave a good dance number Friday night. We thank you very much Billy, come again.

Miss Frances Alexander was hostess to her many friends at the home of her parents, Mr. and Mrs. Clark Alexander Saturday night. A fine party and a good time.

Mr. E. H. Estlack, also Clifton Adams attended Father-Son banquet at Clarendon Thursday night.

A number of Naylor folks went to Memphis Wednesday hoping to drive home the new car given away by the merchants of Memphis

but the lucky number lived at Memphis.

K. C. Reed was a Silverton visitor over Sunday.

HEDLEY
SCHOOL NEWS

Lelia Lake and Hedley High School girls matched basketball last Friday night, Hedley defeating Lelia Lake by 43 to 12. Girls basketball team will play Childress next Friday night at Childress.

New lockers for the boys and girls have been installed in the

Furniture

There is character and Grace in the beautiful suites of furniture in our stock which we are offering at prices not affected by the recent raise in prices.

There is nothing in the home that so nearly attracts an interest from every member of the household, as does furniture. It is the one thing in which each may find pleasure and enjoyment.

If you have neglected buying until an opportune time arrived, that time is now. Furniture prices may not be so low again for years.

OUR HARDWARE DEPARTMENT

Besides a wide variety of stoves, our hardware department contains dozens of needs for the kitchen. Needs that save steps, save food and save time. They cost but a trifle as compared with their value. Modern inventions have worked wonders for the lady of the kitchen—see them now.

 Saturday night, November the 25th, the Zebras will journey to Goodnight to attempt to down the Buffaloes. Coach Cooper is putting his boys through some hard workouts so they will be in shape for the game.

—oOo—
Biologists Field Trip
 Last Thursday we biologists of the sophomore class went on a field trip.

We were in a good humor when we started. We asked Jeff to lead us and scare the cattle away.

When we reached the Taylor lakes, an investigation was begun for crayfish, frogs and other ma-

terials of use. We found these members of the Crustacean and Vertebrate groups had hibernated. Mr. Thomasson, our instructor, reminded us to come back. We were not quite so frisky when we came back. We are not discouraged and intend to go again soon.

—oOo—
Civics Report
 Thursday, November 16, was a big day for the Civics class. We all went to Clarendon expecting to hear a trial. But all trials were over so we made an inspection of the jail. It was very interesting, but no one wished to remain there very long. We went back to the court room and with the help of Mr. Cooper, the teacher, and Mr. Baker, the Civics class had a trial of our own.

Morris Finch was tried for stealing Mr. Cooper's chickens. The

prosecuting attorney was Beatrice Hardin and district attorney was D. W. Tomlinson. William Hardin posed as judge and the jury consisted of Moody Aten, Margaretta Cruse, Ora Johnson and Geneva Robertson. District Clerk was Inez Wood and County Clerk was Rubye Jones. The state's witnesses gave their testimony but to no avail. The witnesses for the state were Elbert Bain, Margaret Gerner, Lottie Mae Holland and Ale-damae Richardson, while E. J. Myers, Virginia Williams and Juanita Jones were witnesses for the defendant and Ruth Davis as defense attorney, with the help of Mr. Baker, proved him innocent.

After the court proceedings we went to the Donley County Leader office.

We saw a paper printed, all except the front page. We saw many interesting things there and then we started home. It was noon when we arrived and all were saying, "when do we eat."

Ninth Grade Entertains
 The ninth grade honored the student body with an Armistice program Friday afternoon, November 17, 1933. One may think it late for an Armistice program but as Armistice was on Saturday they had the program the following Friday.

Bernice Self opened the program by giving an Armistice story. The audience sang "Keep the Home Fires Burning" led by Francis Johnston and accompanied at the piano by Bobby Leathers.

Bobby Leathers again showed his marvelous music talent by playing a piano solo.

A very humorous reading "Nothing to Laugh at" was given by Lanelle Lewis.

Anyone who didn't see the humorous play given by Morris Finch and Pat Stebbins certainly missed a lot. Pat played the part of a Mexican cavalier; and Morris the part of a fair senorita.

Lila Admine, the school's most talented singer, played and sang the N R A song.

We are all hoping that the ninth grade will have the opportunity of entertaining in chapel again this year.

Thanksgiving Day
 Thanksgiving Day is a day set apart annually in the United States and Canada for the giving of thanks to God for the blessings of the year. Originally it was a harvest thanksgiving, and while the purpose has become less specific, the festival still takes place in the late autumn after the crops have been gathered. Thanksgiving

Day is probably an outgrowth of the harvest celebration of England.

The Pilgrims left England for the reason that they were persecuted there because of their religion. From England they went to Holland. At last an old, leaky vessel, the Mayflower, transported the Pilgrims from Holland to the bleak shores of New England. Here they founded Plymouth colony under the leadership of Governor Bradford. During the first hard winter more than one-half the people died. With summer came renewed hope and in the autumn when the crops were harvested, Governor Bradford set aside a day to give thanks unto the Lord for the bountiful crops. The few women in the colony spent days baking, broiling, and roasting. Even the children were employed. There were many friendly Indians at the feast who had also brought their share of wild turkey and venison. The tables were set out of doors and the people sat around them like a large family. There were prayers and hymns of praise as well as feasting at this first Thanksgiving which lasted three days.

From Plymouth the custom spread to other colonies. Mrs. Hale a woman who wanted a nationwide Thanksgiving, wrote letters to each of the presidents, until at last, in 1863, President Lincoln set aside the last Thursday in November as Thanksgiving day throughout the nation. Thus Mrs. Hale won the title of "Mother of Thanksgiving." We now have a Thanksgiving day every year, even though it is not a national day.

In Canada Thanksgiving is a day set aside by the governor according to the time of harvest. It usually comes in the last week of November although the day is not always the same. Thus it is not a holiday.

Twenty 4-H Club Boys Winners of Prize Trips Have Been Announced

College Station, Texas, Nov. 15. Names of twenty 4-H club boys winners of prize trips awarded by the Santa Fe Railroad and Armour & Company to the International Livestock Show and Exposition at Chicago late in November has been announced by E. C. Martin, state boy club agent of the Extension Service, Texas A&M College.

The Santa Fe Railroad finances nineteen of these trips to outstanding club boys living in counties on their lines and Armour & Company annually send the outstanding baby beef club boy. The boys were judged in a state contest on the basis of profit made in farm or livestock demonstration, effect of the demonstration on the community, and the story of the year's work.

Winners of the Santa Fe trip and their demonstrations are: Woodrow Walker, Gainesville, Cooke County, dairy; Cecil Moore, Eldorado, Schleicher County, Miscellaneous; Odegard Helms, Clifton, Bosque County, swine; George Brown, Saginaw, Tarrant County, swine; Robert Smith, Placid, McCulloch County, beef cattle; Dick Alexander, Levelland, Hockley County, beef cattle; Bill John Messick, Plainview, Hale County, beef cattle; Joe Miles, Alpine, Brewster County, beef cattle; Cecil Gallo-way, Olton County, beef cattle; Everett Dickard, Marshall, Harrison county, poultry.

Urban Hopmann, Beasley, Fort Ben County, grain sorghum; Fred Winkelman, Brenham, Route 1, Washington County, corn; Leroy H Crebe, Welcome, Austin County, corn; Ben Causey, Ysleta, El Paso County, cotton; Philip Brashear, Lubbock, Route 1, Lubbock County, cotton; Willie Turek, Bryan, Route 5, Brazos County, cotton; Hal Frank Felty, Bailey, Fannin County, cotton; Herbert Schroeder, Buckholtz, Route 1, Milam County, cotton.

The Armour & Company state prize winner is Lee Rankin Grote, Art, Mason County.

The Texas delegation to the Boys' and Girls' Educational Encampment at the Chicago International Livestock Show and Exposition will leave Texas December 1 in charge of E. C. Martin, club agent, and L. F. Dinan, agricultural agent for the Gulf, Colorado and Santa Fe Railroad, Galveston.

Mr. and Mrs. Brooks of Ft. Worth visited her mother, Mrs. Matt Bennett Saturday night and left Sunday morning for Calif.

Mr. and Mrs. S. B. Kutch visited in Hedley Sunday.

MIDWAY

(Mrs. John Goldston)

Mr. and Mrs. H. S. Mahaffey and family, Mr. and Mrs. Ottis Naylor and son, Mr. and Mrs. Roy Cornelius of Amarillo were dinner guests in the home of Mr. and Mrs. S. T. Clayton of Sunnyview Sunday.

Mr. and Mrs. W. D. Higgins and family spent the week end with relatives at Hereford.

Miss Jane Williams has been ill with pneumonia the past week. She is reported to be doing nicely.

Mr. John Goldston and LaVerne attended the father-son banquet in Clarendon last Thursday night.

Mr. and Mrs. Bill Gaither and Miss Thelma Robinson were dinner guests Sunday in the Mitchell home of Panhandle. They visited with Mr. and Mrs. Lon Brouder at Amarillo in the afternoon.

Mrs. Bill Gathers and Miss Rachel Edith Longan spent Wednesday at Memphis.

Mrs. Whitt and daughter Lopez visited in the Longan home Saturday evening.

Harold Longan left the past week for California.

Miss Helen Goldston attended a birthday dinner in the home of Mr. and Mrs. John Chamberlain Sunday.

Rev. McKee of the Presbyterian church in Clarendon filled his regular appointment to preach Sunday afternoon after Sunday school.

Several people from this community attended the funeral services of Mrs. Slover in Clarendon Sunday afternoon.

Mrs. P. H. Longan and Mrs.

Dolly Beach visited with Mrs. A. M. Lanham Friday afternoon.

Many Freak Laws Discovered By Curious Attorney

The following queer laws were discovered by an attorney, in looking up some regulations still in force in various sections of the nation:

Women's bathing suits worn on South Park beach in Chicago must have quarter arm sleeves.

It is illegal to peel an orange in a California hotel.

Hire your neighbor's cook and you can be imprisoned in Florida.

A North Carolina law says that twin beds must be at least two feet apart.

In Vancouver, Canada, it is unlawful to ride a tricycle more than two miles an hour.

In Kansas a law requires that every public building be provided with a sufficient number of cuspidors.

It is against the law in Nebraska for women to wear skirts more than eight inches from the floor.

In Massachusetts it is illegal for a woman to appear in public with her face powdered and rouged. It is also unlawful for anyone to promote a masked ball in that state.

A Wisconsin law forbids the use of a phonograph.

In Bellingham, Wash., a law provides that a woman must not take more than three steps backward at a time when dancing.

In New York it is illegal to have a gate that opens outwards.

One must have a permit from the sheriff to buy a chicken after dark in Idaho.

It is unlawful for a woman to wear a bracelet watch on her ankle in Elizabeth, Tenn.

Fishing from the back of any animal is illegal in Idaho.

A statute in Kansas requires that every able-bodied citizen between the ages of 21 and 60 shall kill grasshoppers one day each in every year.

In Connecticut it is against the law to shave on Sunday.

Wild men or wild women can not be exhibited in Nebraska.

The law in Lake Forest requires that every automobile on the street shall be preceded by a bicycle so that pedestrians may not get in the way.

Mr. and Mrs. Pfinsten and Mrs. Tom Gentry of El Paso arrived Sunday for a visit with Mrs. Gentry's daughter, Mrs. R. W. Moore and family. They returned home Wednesday.

Car Parts

When your motor begins to give you trouble, we can fix it. If the parts are worn, we have used parts to replace those that are worn.

Our car parts are taken from wrecked cars and are practically good as new at about half the cost.

If you want only new parts used, we will follow your instructions in this regard, too.

ELLIS Wrecking Company

Auto Top & Body Shop

In addition to the unsightly breaks in your fenders that are constantly getting worse, perhaps you have breaks in the body or frame. We have one of the latest improved methods for welding these breaks by the acetylene torch method.

Breaks properly welded, show little after the job is completed with a painted surface, when ready to leave the shop.

The expense of welding is so small that you can't afford to endure the noise that a break naturally makes when the auto is in motion. Remember, that a break never heals. It must be welded.

Taking the dents out of fenders is a part of our business.

Our Weekly CHURCH CHAT

W. E. FERRELL
Minister First Christian Church

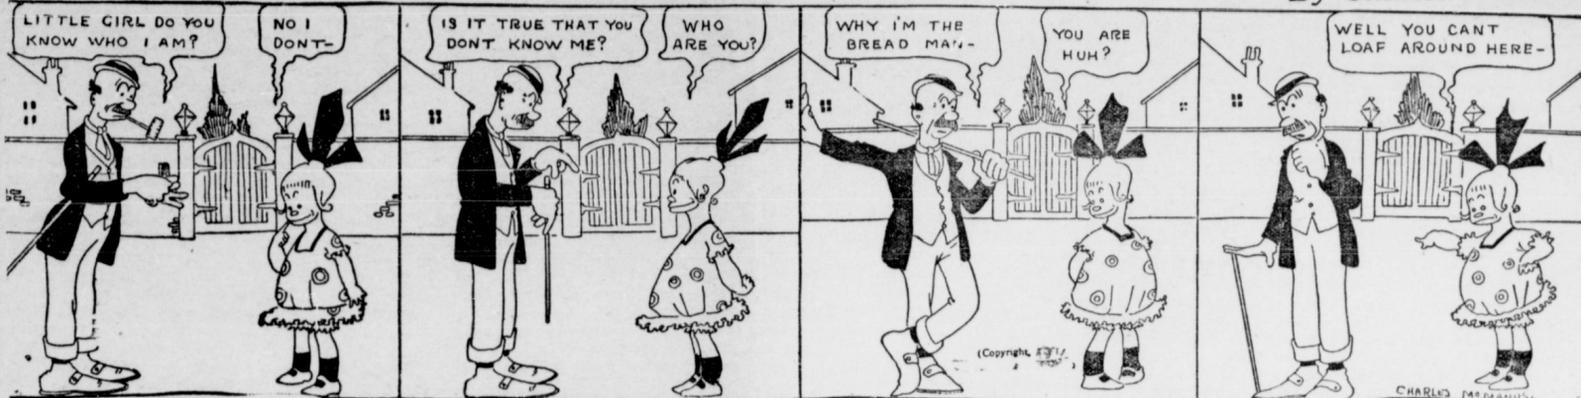

"Christ As King."
Cor. 15:25.
The Apostle saw the transcendent nature of Messiah's reign, his eternal greatness and power. "He must reign, because He is God's Son. We who profess Christ to be God's Son should let Him reign in our lives forever.

I. HE IS KING OVER NATURE. If nature is to keep her place, her King must reign. But yonder golden sun hangs on his finger, while all the mighty stars are jewels sparkling on His royal robe. Man lives by Nature's King. Agriculture smiles up gratefully at Him, who unfolds the parable of the "sower and Seed."

II. HE IS KING OVER EMPIRES. Being the King of kings, he rules over nations. All thrones are settled by Him. Happy are the people who submit and accept Him as their guide and defense. Safety comes when Jesus reigns. Peace and prosperity are the gifts of His hands.

III. HE IS KING IN HIS CHURCH. The Church is his special dominion. Here as a King he speaks to His subjects and gives His laws. This profound be-

DOROTHY DARNIT

By Charles McManis

lief removed fear from martyrs, inspired missionaries, and gladdens the saints. His law and commands should be obeyed without question.

IV. HE IS KING OVER THE CHRISTIAN. He enters into the Christian and dwells there. He is our Supreme Controller, our Sovereign, Our Lord. Our wisdom lies in absolute submission to His will and commands. It is His to speak and ours to obey. Here lies the secret of success. All of the Church's heroes, her choicest leaders in all times, her apostles ancient and

modern, her noblest sons and daughters, knew Jesus as King. His will was and is law. No one has the right to change or revise His commands. If we will place Him on the throne of our affections, He has promised to abide with us and that to bless. We must make Him the King of our lives, and He is not willing to share that place with any other. As loyal subjects, we should be solicitous to know His will, and to obey Him.

Sunday we will preach two sermons to help you in making Christ your King. Sunday morning our subject will be, "Remembrance." Sunday night, it will be "Forgetfulness."

SIDELIGHTS

By Marvin Jones

(Member of Congress from Texas)

The new deal in permanent credit facilities for the American farmer is now a reality with machinery being set in operation to carry out the consolidation of farm credit agencies being made by the Farm Credit Administration.

The farmer has long been a victim of mortgaged debt and insufficient credit facilities in time of need. Because he has been unorganized, he has had to manage as best he could and be financed to suit the private interests from which he has had to borrow. Now provision is made for a new channel of finances which has been shaped to serve the farmer himself.

Immediate help in the present emergency has come through the farm adjustment program, which is aiding the wheat and cotton farmers and the hog raisers of this section. Now permanent aid through a system of refinancing farm mortgages over a long period of years and through a further bolstering of the farmer's financial status has come through the Farm Credit Administration.

Organization of the farm credit set-up in Houston, which will serve the Texas district, has just been completed and will soon be functioning under a unified plan. By next spring it is expected that each of the twelve regional offices throughout the nation will be organized in a like manner, and the entire credit system is ultimately intended to be on a self-supporting cooperative basis.

The new Farm Credit Administration in Washington represents a merging of six scattered agencies of farm credit upon which the farmer has formerly had to depend. These scattered offices, which have been under several different heads, included the Federal Land Bank, the Intermediate Credit Bank, the old Federal Farm Board, the Agricultural Credit Corporation, the Reconstruction Finance Corporation, and the Crop Production Loan Corporation.

This consolidation and regrouping of credit agencies is the result of legislation which was passed during the special session of Congress last spring. It was my privilege, as chairman of the House Committee on Agriculture, to introduce and sponsor in the House both the farm mortgage refinancing measure and the later farm credit measure. These two facts were supplemented by the President's executive order providing for reorganization, and out of the three has come one central organization whose twelve regional branch offices will be directly in line with the set-up in Washington.

The Farm Credit Administration, with Henry Morgenthau, Jr., at its head as governor, is separated into four divisions: The Federal Land Bank, the Intermediate Credit Bank, the Cooperative Bank and the Production Credit Corporation. Now that these various agencies are under one head, rather than having divided supervision under different departments they form a separate unit of the federal government in themselves—a unit through which the farmers may serve themselves.

A branch of the main institution will be located in each of the twelve land bank districts. For our district, it will be known as the Farm Credit Administration at Houston, Texas. There will be four divisions or wings to the Houston Farm Credit Administration. These will be called the land bank, the intermediate credit bank, the production credit corporation, and the bank for cooperatives.

Loans on land will be made through the Federal Land Bank, applications being made through local appraisers or through the secretary of local associations.

Cooperatives desiring credit will make application direct to the bank for cooperatives.

If farmers and ranchmen desire livestock or current farm production credit, not less than ten of them may form a local association and make application direct to the Production Credit Corporation at Houston. The Production Credit Corporation will furnish 80 percent of the Class A capital stock. The association's paper may be rediscouted through the Intermediate Credit Bank.

The four divisions of the regional administration have already been set up in Houston, and as soon as the necessary groundwork is laid, will be ready to serve the farmers of Texas. Similarly, farmers all over the country will be served through these coordinated facilities through their own branch.

The Farm Credit Administration represents government aid which will directly affect the thirty million people who comprise the agricultural population of America, and benefits to one-fourth of a people will naturally spread to the

others. This is a new deal for the farmer and for the nation as well.

Miss Velma Lemmons and mother of Brice were Clarendon shoppers Monday.

A HIGH SCHOOL EDUCATION PAYS

By common usage, any education beyond the years of high school is called "higher" education. But were it not for the efficient work done in the high schools very few if any would ever succeed in the schools of higher learning. We should, therefore, feel proud of the work done in our high schools. They really lay the solid foundation on which to build.

In a well ordered high school every boy and girl seems to be going somewhere. Full of enthusiasm and energy—they are on their way.

If they could keep up this direct effort, keep driving ahead right on through life, they would all get somewhere.

There is one branch of higher education in which the earnest endeavor of the students is maintained. We refer to business training institutions. Tyler Commercial College and School of Business Administration is an outstanding example.

Boys and girls have to keep looking steadfastly ahead—they have to keep earnestly striving—or they cannot stay at Tyler, because schools like Tyler are selling results that are measured in dollars and cents for their students. When they fail to deliver results they do not survive.

How young people have been getting results for the last thirty years at Tyler Commercial College and School of Business Administration—actual results that are measured by greater earning capacities—is interestingly told in a booklet entitled "Achieving Success in Business", which is mailed free upon request by the school at Tyler. We suggest that our readers write for a free copy, addressing Tyler Commercial College and School of Business Administration, Tyler, Texas. Just fill out the coupon below.

Why Liquid Laxatives Do You No Harm

The dose of a liquid laxative can be measured. The action can be controlled. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right liquid laxative will bring a perfect movement, and with no discomfort at the time, or afterward.

The wrong cathartic may keep you constipated as long as you keep on using it!

An approved liquid laxative (one which is most widely used for both adults and children) is syrup pepsin. Dr. Caldwell's Syrup Pepsin is a prescription, and is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on this form of help, as they do in the case of cathartics containing mineral drugs. Ask your druggist for Dr. Caldwell's Syrup Pepsin. Member N. R. A.

NOTICE TO TAXPAYERS

November 30th will be the last day for the Split Payment of your 1933 taxes. Poll Taxes and car License are the same price this year as last. Farm truck license have been reduced one half of the original price. There has been so many inquiries in regard to the above that I give this for your information.

M. W. Mosley, Tax Collector.

Unapproachable Lady!

You are so calm, your gaze so cool,
So unperturbed your eyes;
If you have ever been a fool,
The years have made you wise.

Surrounded by a glacial wall,
The pattern of your life
Has left no room for pain at all,
No place for tears or strife.

Within a vault that bars despair,
You dwell, oh, sheltered one!
The rain can never enter there,
But neither can the sun!

—Naomi Shaw.

Mr. and Mrs. Dick Hugh and children of Fampa spent the week end visiting her mother and sister, Mrs. Matt Bennett and Miss Mae.

Mr. P. A. Buntin is visiting at Childress this week.

DON'T GET UP NIGHTS

Lax the Bladder With Juniper Oil, Buchu, Etc.

Drive out the impurities and excess acids that cause irritation, burning and frequent desire. Juniper oil is pleasant to take in the form of BUKETS, the bladder laxative, also containing Buchu leaves, etc. Works on the bladder similar to castor oil on the bowels. Get a 25c box from any drug store. After four days if not relieved of "getting up nights" go back and get your money. If you are bothered with backache or leg pains caused from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep.

Douglas-Goldston Drug Co. Stocking's Drug Store

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you. But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all. Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25c at drug stores. Refuse "something just as good" for it may scribe, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M. Co.

COMMUNITY Auction Sale! AND TRADES DAY

An AUCTION SALE will be held next SATURDAY the 25th at the NAT WOODS Yard in CLARENDON and every Saturday thereafter at 2 p. m.

Something like 40 head of Mules, Mares and Horses; several young Jersey Cows; Farming Tools, Household Goods, etc. will be sold here SATURDAY.

BRING IN ANYTHING YOU WANT TO SELL.

NAT WOODS C. R. GAMBLIN

BRICE
(Velma Lemmons)

I suppose the dead has at last risen, or the runaway has returned. At any rate I am on the job again and am glad to say that I am. I think the Apostle has been giving us some good thoughts lately, or fun if you wish to word it that way.

Mr. Zack Salmon and family went to Oklahoma for the week end. We are sure that they enjoyed themselves.

Mr. W. H. Lemons and daughters and wife spent Sunday in the home of Mr. Todd and family. They had a most enjoyable time.

Mr. C. J. Holland and family spent the day in Memphis Saturday shopping.

Mr. and Mrs. Fecium spent Sunday with Mr. C. J. Holland and family.

There was a pretty large attendance at Sunday school and church Sunday. Everybody seemed to enjoy Brother Dearmore's sermon as he was the deliverer of the message. He took for his text the sixth chapter of Galatians, the seventh verse.

Bro. Groom preached in the Baptist church Sunday night. He spoke on the book of Colossians and the folks seemed to enjoy it. Bro. Groom was Missionary of Hall county from 1917 to the early part

of 1919. There were still several in this part of the community that remembered him.

Miss Goyla Prosser of Amarillo visited Miss Velma Lemons of Brice the tenth and stayed until the thirteenth. They had a very enjoyable time together. Miss Prosser was an old school mate and four years seemed a long time for friends to be separated. She attended her first pie supper on Friday night, the tenth, and her first all day singing and dinner on Sunday the 12th. Miss Prosser finished in music and vocal at the Texas school for the blind. She sang several solos for us and played a piano solo also. She hopes to continue her study of music in Amarillo. We hope to have her in our home many more times in the future.

Mr. D. T. Smallwood, wife and Mrs. M. L. Pitman visited their parents last week. They returned home Saturday. Bro. Smallwood hopes to visit his children in about two weeks.

Mr. and Mrs. Odis Dollars spent Saturday night and Sunday in the home of Mr. Merle Lemons.

If the weather continues pretty most of the folks here will soon have their crops gathered. As far as most of them are personally concerned they want it to get cold, however, so they can do the act of killing hogs. Most of the hogs seem to have a great tendency this year, and that is to eat the people out of house and home.

All of the folks in the Brice community have received their checks with the exception of two, and I assure you those two are somewhat anxious as well as their families.

Mr. and Mrs. J. W. D. Chapell and Mr. and Mrs. E. F. Lemons made a business trip to Lubbock Saturday and returned Sunday.

Mr. Bill Todd will leave Tuesday for school at Canyon. He hopes to get some of his work finished there.

Mr. Dexter Todd and Mr. Haskell Lemons spent Sunday with John and Jim Lemons.

Mr. Estes and family went shopping in Clarendon Saturday.

ASHTOLA
(Miss Jewell Smith)

Mr. Jim Graham attended to business in Memphis and Estelline Tuesday of this week.

A large crowd of young people took dinner in the Jim Parker home Sunday.

Mrs. Sid Thomas and daughter, Sidney Jean visited relatives in Lubbock the latter part of the week.

There was a large crowd out at the pie supper Friday night. Dola Fae Gregg was voted the prettiest girl. We made about \$60.

Mr. and Mrs. Jim Graham and Mr. and Mrs. Harold Graham were Sunday visitors in the Collier home.

Mr. and Mrs. Otis Smith attended the wedding of her brother, Edwin which took place in the home of the bride, Miss Lucille Pickering at high noon Sunday.

Mr. and Mrs. Van Knox spent Sunday in Hedley visiting relatives.

Miss Jewel Smith and Christine Knox spent Sunday visiting friends and relatives in Lelia Lake Sun.

Mrs. Otis Smith is spending the week with her parents, Mr. and Mrs. T. W. Eanes at Chamberlain.

Mr. and Mrs. Royce Stogner spent the week end in Lelia Lake visiting relatives.

Mr. and Mrs. A. L. Wallace were dinner guests of Mr. and Mrs. A. A. Smith Sunday.

Bro. Allen will be here Sunday to preach for us as he did not get to fill his last appointment.

GOLDSTON SCHOOL NEWS

Due to the fact that the weather was warm and dry last week, our school attendance was rather light. But at this writing the attendance is above fifty percent. We are glad indeed to have this increase in attendance. We believe now that most of the people will be able to

send their children to school in a few days.

The boys basketball team began practice Monday under the direction of Mr. Gatewood. The team this year is more or less inexperienced, however we are looking forward to an enjoyable year of basketball.

The girls also began training under the direction of Mrs. Orville Smith. Mrs. Smith is former captain of the Shamrock High School Girl's Basketball team. Therefore, under her direction, we are looking forward to a successful season.

All of the Goldston teachers have paid their dues to the Texas State Teachers Association. This makes the Goldston school one hundred percent for the Association this year. We surely are glad that our teachers are backing the Texas State Teachers Association. It is probable that one of the teachers will attend the convention which meets at Austin during Thanksgiving.

The district Teachers and Trustees Association will meet here Friday evening, December 1st at 7:30. The member schools of this district are Ashtola, Martin, Jericho, and Goldston. We will be glad if each of these schools have a large number of representatives present. We will discuss some of the current school problems and in addition to that we will have a short program of some type. These Teachers and Trustees meetings are open to the public and we will appreciate it if as many of the patrons can come as possible. Come and enter into the discussions with us. It will be beneficial to you and your children.

Mr. and Mrs. S. H. Condron of Canyon spent the week end visiting his mother, Mrs. Condron, also attended the funeral of Mrs. Slover Sunday.

Ashtola Pie Social Goes Over in Big Way

Miss Lola Faye Gregg was declared the most beautiful girl at the pie social at Ashtola Friday night.

The pie social netted the school \$70. A splendid program was given under the direction of two lady teachers, Misses Baley and Cole.

Mr. and Mrs. S. H. Condron of Canyon spent the week end visiting his mother, Mrs. Condron, also attended the funeral of Mrs. Slover Sunday.

PRODUCE WANTED! I want your cream, poultry, hides and other produce. Located at Dunn's old stand west of City Hall. I will appreciate your business. Hubert P. Day. 37ffc.

Methodists Enjoy Real Feast Wednesday Night

One of the most delightful church affairs in a social way is nothing more than a feast. The Methodist folks had a real feast in the dormitory dining room Wednesday night.

The Board of Stewards had provided two beeves which were barbecued. The ladies provided pies, salads, pickles and other delicacies too numerous to mention. The crowd was lined up and served themselves cafeteria style, the last and finishing touch being the large coffee urn. The "kitchen committee" was both numerous and industrious.

Presiding elder Beavers and pastor E. B. Bowen welcomed the folks as they arrived. There was evidence of a general good feeling, each vying with the other in seeing that each enjoyed every part of the social affair, the eats and the music.

Mrs. Boykin, Mrs. Clark and others with the orchestra, "squad" furnished music throughout the evening. It was a "varied" program and "very" much appreciated. The crowd was estimated at more than four hundred.

Kenneth Fink visited his mother over the week end.

Hubert Reavis has returned home for a time to assist his father, Raymond having joined the CWA. Hubert will return to resume his studies at S. M. U. for the second semester.

It will be a pleasure to serve you without obligations on your part.

Art Club Conducts Living Picture Exhibit

On last Saturday afternoon, at the Club Rooms, the ladies of the Beaux Arts Club presented a unique program, consisting of reproductions of famous paintings in which living models posed. The characters had been chosen with care with respect and suitability, and in all cases were remarkable likenesses of the originals. From "Whistler's Mother" and the baby in the "Light of the World," each representation was met with hearty applause.

The appropriate songs and readings were also enjoyed. A silver offering was taken at the door, and tea was served to about seventy-five guests. The Art Club appreciates the cordial response of the public by their presence.

E. Lack and John Hermesmeier of near Jericho spent some time here during the week serving on the wheat reduction committee.

Mrs. T. W. Ridgeway of Ft. Worth was a visitor here over the week end and attended her aunt, Mrs. G. S. Slover in her last illness.

Rummage Sale Saturday 25th

The Missionary Society of the Methodist church will hold a rummage sale on the lot south of the Piggly Wiggly grocery next Saturday, the 25th. Be sure to investigate the clothing and other bargains the ladies will have to offer before you buy. (adv't)
