Annual Clean-Up Opens In Clarendon Next Monday

CITY ASKS AID IN CLEAN-UP PLANS

ALL PARTS OF CITY RESPONDING WITH REQUESTS FOR TRUCKS.

The office of the city of Clarendon reports that the work of the annual clean-up is progressing very nicely with all parts of the city responding to the request with a vengeance. Mayor Taylor is well pleased with the results obtained thus far, but states that there are many places that need the attention of the cleaner up to this time.

A request has been voiced from this office that the residents of the city be careful in placing the piles of rubbish. They are asked to place them so that they may be easily reached by the trucks, and that all inflammable matter be burned before the trucks are called. This sort of matter will not be hauled away, since it necessitates burning and sorting after the matter reaches its final resting place to the north of the city.

All that is needed to secure the services of the city in this connection is to place the trash in a convenient place, burn all inflammable matter and call the city office. They will see that the remainder of the work is done with dispatch.

PIANO RECITAL NEXT SUNDAY AFTERNOON

A piano recital by advanced pupils of Miss Fray Stallings will be held next Sunday afternoon at the Methodist Church at three o'clock. Misses Mildred Sparks and Margaret Christal will present the program assisted by Miss Wilma King, reader.

These young ladies have made splendid progress in their respective studies and the public generally is invited to attend and enjoy the hour.

BANK STATEMENTS SHOW TREND DOWN

NEW LEVEL IS SEEN IN DEPOSITS OF CLARENDON BANKS ON CALL.

A new level for all parts of the statements of banks in Clarendon is seen in an examination of the statements for these three institutions when they were called for this past week. Cash and Exchange Deposits are all off their usual standards at this time of the year.

The three banks of Clarendon show to have in their loan columns the total of \$863,605.91 when the statement was called. The call at the same date in 1929 found the banks of the county with a sum of \$1,046,084.89 in the same place. In 1928 these figures were some less with a total of \$945,165.46 at this place and the first of this year saw a total of \$954,665.71 to the credit of the assets in this column. The bank at Hedley is not included in the first figure in this group.

In the matter of Cash and Exchange, this item is surprisingly low, standing at \$498,200.89 for the Clarendon Banks. One year ago this figure stood at \$1,081,688.94 for the entire county. In 1928, following an extreme year, this amount was found to be \$727,551.28. The statement of the first of the year stood at \$900,167.37 for these same figures.

The deposits have also taken a slump when it is seen that the Clarendon banks have \$1,212,654.04 in this column as against a total of \$1,798,700.63 for the same place at the first of the year. In 1929 the figure amounted to \$1,959,702.25 and 1928 the figure stood at \$1,587,357.12 when the statement was called.

These figures are to take into consideration the fact that the Hedley bank is not included in any of the figures, probably raising the Loan and Deposit items by \$200,000.00 or more, and the Cash and Exchange a proportionate amount.

Mr. and Mrs. D. W. Hudgins and Mr. and Mrs. Sneer of Amarillo spent last Sunday here in the home of Mr. and Mrs. J. G. Blanks.

PLANS ARE LAID FOR DALLAS MEN

GROUP TO BE IN CITY ONE HOUR TOMORROW AFTERNOON. BUSINESS TRIP.

A good-will tour of an entirely new nature is that one which is being put over by a group of the leading business men of the city of Dallas. In years past, a trip of this nature called for a band, a large group of the business men of the particular city in question and a general get-together with the various men of the city visited.

The City of Dallas is this year attempting to better their business relations with the western part of the state and as a result, twenty-five of their leaders have banded themselves together and have chartered the special train that will be here for an hour Friday afternoon. They are bringing no band and there will not be found the usual ballyhoo accompanying a trip of this sort.

The American Legion Hall has been designated for a meeting place for these men, they asking that the business men of Clarendon bring them their problems for a mutual discussion and a possible better understanding between the two sets of men. The Hall will be open at 2:30 and will be held open for the gathering until 3:20, when the train will leave for other points on the Fort Worth & Denver. The personnel of the party is to be:

Adams, Nathan President, First National Bank in Dallas.

Bailey, A. H. V. P. & G. M., Higginbotham-Bailey Loan Co.

Biggers, A. C. V. P. Southland Insurance Co.

Cochran, Sam P. Trezevant & Cochran.

Davis, Chas. W. President, Dallas Power and Light Co.

Davis, W. T. Gen. Mgr. John Deere Plow Co.

Harms, W. G. Gen. Agt., Aetna Life Insurance Co.

LEAGUERS TO PRESENT
PLAY MONDAY EVENING

"The Empty House" is the name of the play that is to be given next Monday evening in the auditorium of the Junior High school by the members of the Epworth League of this city. The story is one of mysterious happenings and unexplainable disappearances calculated to make the audience sit up and listen. The later solution of the mystery leaves the play in a fine place. The story is one of an aspirin writer of plays, who starts to tell the story, later giving rise to the events as shown in the unfolding of the plot. The cast of the play includes: Miss Fanny Perry, James Smith, Miss Roberta LaFon, George Garrison, Miss Zell Rodgers, Miss Lillie Dell Slover, Miss Carrie Davis, Irl Smith, Mrs. Verna Hudson, Miss Aileen Parks, Miss Edna Crane, Clyde Hudson and Thomas Clayton.

Census Takers Hard at Work

Work of folk named for Donley County to take the fifteenth National Census was started Wednesday morning of this week. Final instructions were issued to the enumerators in a meeting with Nat S. Perrine in charge Monday evening of this week.

Marvin H. Rhoades of Ashtola; C. C. Powell of Clarendon; J. H. Rutherford for Precinct 2 outside of Clarendon; Louise Chamberlain in Precinct four; H. C. Brumley for Lelia Lake; William C. Bridges and P. H. Crozier of Hedley are the enumerators of the county.

Folk have been asked to receive these people when they are seen approaching, that they may complete their work as rapidly and as thoroughly as possible. The Chamber of Commerce of Clarendon and the County Agent have mailed the Farm Census blanks to all farmers of the county and are doing their part to assist in the work of the census.

Mr. and Mrs. Dee Blanks of Amarillo, spent the past Saturday here visiting with friends and relatives.

LIONS PLAN FOR 1930 STYLE SHOW

ANNUAL BENEFIT STYLE SHOW SET FOR THURSDAY NIGHT, APRIL 17.

Thursday evening, April 17th, is the date set for the annual benefit Style Show of the Clarendon Lions Club, according to plans worked out by the major activities committee of that organization with A. L. Chasa as chairman.

All profits from this annual benefit affair go into the Crippled Childrens Fund here in the Panhandle, a movement that was originated by the Lions of this section, with headquarters at Amarillo. During the past few months however, the movement has grown so large that other service clubs of the region have been invited to join in the worthy work and a central committee from Lions Rotary, Kiwanis and A. B. C. clubs has been formed for directing the work.

Clarendon merchants have entered into the show with hearty interest and on the evening of Thursday, April 17th, one of the most colorful spectacles of the region will be presented in fashion's latest modes will be presented at the Pastime Theatre, together with two reels of colored film showings of screen stars in a movie stive show par excellence. The McDowell Club, under direction of Robt. S. Cope, will appear in a group of choral numbers, as another valued contribution to the program, and a big surprise number is being kept under cover which will be something entirely new to Clarendon audiences.

Further details of the show will be made public next week.

CHASE-SIMS ARE ELECTED TUESDAY

COMMISSIONERS ARE RETURNED TO PLACES BY LARGE MAJORITY VOTE.

The City election held Tuesday of this week polled one of the largest votes yet seen in an election of this nature held by the City of Clarendon. 154 ballots were cast in the election held for the purpose of selecting commissioners for the city for the ensuing two years. No opposition was registered and the names of the present office holders were placed on the ballots. Friends of H. J. Edington prevailed on him to accept the place if he were elected and his friends were asked to write his name in the ballots cast.

The final result of the election was that A. I. Chase received the entire vote of those casting their ballots, to the number of 154. Jno. T. Sims received 121 votes; H. J. Edington received 34 and A. A. Mayes received 3.

B. Y. P. U. Hold Banner Honor

For the second time in succession the Clarendon Baptist Sunday School and B. Y. P. U. have won the attendance banner for the association convention. Last Friday evening the locals went to Memphis to the meeting of the Association Convention 63 strong and brought home the Attendance Banner. Estelline had come with 42 representatives and had expected to win—Clarendon arrived.

If the banner is won by Clarendon next time, it will become a permanent possession. Plans are already being made to take a sufficiently large representation to Leslie, the fifth Sunday in June, to make sure of final victory over the formidable rival of Memphis and Estelline.

A very enjoyable time was reported and the get-acquainted games banished all formality. The spirit of friendly rivalry ran high as the various contests and stunts were presented by the different churches.

At the business meeting, the following officers were elected for the coming year: Fred Landers of Estelline, president; Pat Britton of Parnell, vice-president; Ruth Thompson of Clarendon, secretary-treasurer; E. E. Walker of Memphis, choirster; and Gertrude Shepherd of Clarendon, pianist.

A program has been planned by the committee named to act in such conditions, the chairman, R. S. Cope, stating that it will surpass the fondest expectations of everyone concerned. The charter will be presented by officials of the organization who make their home in Amarillo.

The ladies of the Rotarians have been asked to partake in the presentation of the charter, they being an official portion of the organization at that night.

Little else was attended at the luncheon Friday, adjournment coming in the usual manner.

Mr. and Mrs. G. G. Kemp made a business visit to Amarillo Wednesday of this week.

Rev. and Mrs. Emanuel Dubbs of Borger, motored over Tuesday for a visit with Mr. Dubbs' parents, Mr. and Mrs. Will Dubbs.

Mrs. Gregg of Pampa, arrived Saturday for a visit with her daughter, Mrs. Tom Bullock.

Mrs. Houston Miller returned to her home in Canadian Wednesday, after a few days visit in the home of her daughter, Mrs. Otis Jackson and her sister, Mrs. Eula Cox.

School Census Nets Small Loss

The completion of the school census for the Clarendon came as a distinct surprise to the folk who had this work in their hands. Superintendent H. T. Burton reports that the district has made a small loss for the current year and further states that the loss would have been more had not the incoming of the six-year old for the first time.

A new record for the county was set by the 1929 census, with 344 students of correct age recorded in the bounds of the Clarendon District. This figure had never before been reached and it was hoped that the record could be beaten in the census of this season. The final check shows just the opposite to be the result, with a loss of 41 students for the season.

Total of scholastics in the District have been computed as 903 for the year 1930. Of this number, 74 are in the six-year class, this being their first year to be allowed to attend school free of tuition charges.

Mr. and Mrs. Chas. Trent motored to Amarillo Tuesday.

ROTARIANS HEAR OF SCHOOL WORK

GENERAL DISCUSSION ON COLLEGE PROBLEM IS SEEN AT LUNCHEON.

The Rotarians of the City of Clarendon had the condition of Clarendon Junior College on their minds at the luncheon Friday of last week, turning the major portion of the hour to the complete and engrossing discussion of this matter. It was learned that a great portion of the individual membership of the organization are in favor of the continuation of the school.

An event that will mean much to the Rotarians of the city is planned for the very near future, this being the program that will see the presentation of the Rotary Charter to Clarendon Rotarians. A program has been planned by the committee named to act in such conditions, the chairman, R. S. Cope, stating that it will surpass the fondest expectations of everyone concerned. The charter will be presented by officials of the organization who make their home in Amarillo.

The ladies of the Rotarians have been asked to partake in the presentation of the charter, they being an official portion of the organization at that night.

Little else was attended at the luncheon Friday, adjournment coming in the usual manner.

Mr. and Mrs. G. G. Kemp made a business visit to Amarillo Wednesday of this week.

Rev. and Mrs. Emanuel Dubbs of Borger, motored over Tuesday for a visit with Mr. Dubbs' parents, Mr. and Mrs. Will Dubbs.

Mrs. Gregg of Pampa, arrived Saturday for a visit with her daughter, Mrs. Tom Bullock.

Mrs. Houston Miller returned to her home in Canadian Wednesday, after a few days visit in the home of her daughter, Mrs. Otis Jackson and her sister, Mrs. Eula Cox.

NEW COMPANY TO OPEN HERE SOON

DONLEY COUNTY MOTOR COMPANY TO HANDLE FORD PRODUCTS HERE.

A transaction was completed in Clarendon the fore part of this week whereby the Donley County Motor Company is to become the representative of the Ford Motor Company in this city. This new establishment is to be operated by Arthur Parker of Memphis, one of the members of the Parker Motor Company of that city.

The business is to be located in the former location of the Allmond Chevrolet Company, it having taken over the lease held on that building by the Clarendon Motor Company. A part of the equipment in the building was also purchased by the new company and will be used in the handling of this business.

Mr. Parker was in the office of the News late Wednesday evening and stated that it would probably be some time before the business would be in active operation, due to the fact that the necessary machinery, equipment and other details would not be forthcoming for a few days. Mr. Parker is seeking a location for his family, stating that he would probably be in and out of Clarendon until the home could be found.

The Donley County Motor Company takes the franchise that was left open when the Clarendon Motor Company purchased the Allmond Chevrolet Company a short time past.

WALLS OF DITCH ALMOST COMPLETE

SHORT TIME REQUIRED TO MAKE WAY FOR HEAVY RAINFALLS OF SPRING.

The weather has been such that the work on the ditch has proceeded without a great many hitches to its present state of near completion. A few more days of this sort of treatment and the walls and floor will be in condition to care for as heavy a flood as has been seen here for many days.

The general plan for the ditch is now becoming apparent, as the forms are removed and the structural work is removed. The ditch itself is widened two feet at the junction with the Gorst Street intersection. Again, as the last part of the street is seen, the ditch is widened two feet, making it four feet wider than any part of the ditch through the business section of the city. The line for the extension of the South wall has been run, it passing straight into the wall in the direction taken on by the ditch. The North wall is to be stopped a little short of the right-of-way since the ditch would be dammed up if the walls were extended to its full length. This part will be extended when the railway company starts work on its end of the ditch.

Two bridges will be built across the ditch, one of them having a span of fifty feet. Two sidewalks, ten feet in width, will also be a part of the structure. Directly across from the center of Gorst Street, a wall, as high as the sides of the bridges will be built to assist in turning the water in the correct direction. The concrete over the street from the pavement will complete the task in hand at the present time.

Another week will see the ditch completed with the exception of the two bridges and the remaining part of the north retaining wall.

BUGBEE DISPLAY GOES TO AUSTIN FOR SHOW

Immediately following the close of a most successful showing of the paintings of Harold Bugbee in the Herring Hotel in Amarillo, the paintings were shipped to Austin, where they will be placed on display for the coming two weeks. Mr. Bugbee was more than pleased with the reception given his work in the Amarillo display and will gather more glory to himself when they are shown further in the capitol city of the state of Texas. The pictures will be returned to Clarendon following their display in Austin.

BIG VOTE SEEN HERE SATURDAY

FUTURE OF CLARENDON JUNIOR COLLEGE TO BE DETERMINED IN ELECTION.

The future of Clarendon Junior College will be determined Saturday of this week when the voters of the Clarendon Independent School District are asked to cast their ballots for or against a twenty cent tax on State and County valuations for the purpose of maintaining this school as it has been done in the past two years. In addition to this, there are three trustees to be chosen to fill the places of three who are going to lose their places this year by reason of the expiration of their several terms.

Ballots have been prepared carrying the names of Messrs. F. E. Chamberlain, Odos Caraway and J. R. Porter, the three men who were to have gone from the board this year. Their names were placed on the ballot as a result of a petition presented to the School Board asking that they be returned to their places.

There seems to be some unrest about the place where the election is to be held. This is to be held in the City Hall, the polls opening at the usual hour in the morning and remaining open until 6:00 o'clock in the evening. This election has nothing to do with the division of voting precinct 2, this latter being only for the purpose of County and State elections.

Every voter in the district who pays taxes above his poll tax is eligible for a vote in the election. The voter is not required to be a land-owner, but may vote if he pays taxes on any property at all. The citizenship is asked to vote their preference, that the District may know the will of the people in regard to the Clarendon Junior College. Keep the matter in mind and vote the convictions, whether they be for or against the proposed tax.

KEMPY SHOWS TO SPLENDID GROUP

PRESENTATION AND RECEPTION OF CURTAIN FEATURE OPENING.

The formal presentation of the new curtain to the Clarendon School Board and the city of Clarendon was a feature of the presentation of "Kempy" on Friday evening of last week in the college auditorium. The presentation of the curtain was made by Sam M. Braswell, business manager of the organization. The curtain was received for the School Board by O. C. Watson and for the city of Clarendon by G. Lester Boykin.

The entire cast of the second presentation was especially well adapted to the parts they were given. Frank Stocking in the role of "Pa", was easily the outstanding actor of the evening. Unexpected talent was uncovered in the role of "Duke" Merrill, played by Frank Heath. Ernie Hardin filled his place with ease, typifying the average business man who is interested in things as they are and not as they can be in years to come.

Billy Dillard played an excellent part support in the role of "Kempy" James. His part was difficult and required just the amount of youthful enthusiasm to put it over in the correct manner. "Ma" Bence, played by Miss Anne Waideman, was a well portrayed part and was much enjoyed by the audience.

Mrs. Meade Haille's portrayal of Ruth Bence was excellent, she putting just the right touch in the part to make it a success. Misses Lynn LaFon and Betty Weatherly, each in their parts as Mrs. Ben Wade and Katherine Bence, were well cast and added much in their support of the leading parts of the play.

The portrayal of the modern family was quite up to its usual standard of the Little Theater in Clarendon. The play was probably more enjoyed than the first production of the movement of the city, due to its lighter vein. A part of the cast of the Memphis Little Theater was in attendance on the play, being a part of the committee on inter relations between the like organizations in the two towns.

Stray and Surplus Cats Wanted for Scientific Purposes Saturday, April 5th, News Will Pay 25c Each for Cats

Have you any stray or surplus cats about your premises? Do you want to get rid of them?

Do you want to get twenty-five cents each for them, and do you want the assurance that they will come to a painless end and in the cause of science?

If you do, bring them to The Clarendon News on Saturday, April 5th and get your money. Five dozen cats are wanted, so the first sixty will be bought and paid for. First come, first served.

Of course you want to know what The News wants with five dozen cats. Little (not too little), big, old or young. And you would like to know where the cats will end their careers in the interests of science.

That's fair, and here's how: A short time ago in conversation with the head of the Biology Department of the College of Industrial Arts at Denton, the News

editor learned that the laboratory stood in almost daily need of cats for dissection and study by the pupils of that school. The department head bewailed the short supply of staple cats, and it occurred to the editor that this community march of science while at the same time it was ridding itself of stray and surplus felines at twenty-five cents per head. This solves the unemployment situation in the feline world insofar as Clarendon and community is concerned. All Donley County cats will be guaranteed a free ride to Denton, a good feed and a glorious painless death in the interests of knowledge and science. A noble end to an otherwise drab career! Not many cats have such a wonderful opportunity to contribute to the advance of the human race.

BUT—it must be distinctly understood that no stolen cat will

be accepted. No pet pussy with a steady job in the home is eligible for entry and transportation on this feline excursion, which ends in glory. Police protection will be extended family pets, and all little boys wearing a sheepish look as they bring in cats of more than usual domestic appearance will be questioned and "thumb-printed for future reference.

This is a straight-shooting proposition. Stray and surplus cats—NO OTHERS—will be accepted and paid for.

Get a line on your strays and surplus feline stock. Bring them in to The Cat Editor of The Clarendon News on Saturday, April 5th—a day that will go down in history as the red letter day when useless cats in Donley County find a niche for themselves in the Hall of Fame.

Saturday, April 5, is Cat Day in Clarendon.

CITIZENSHIP DEMANDS YOUR VOTE SATURDAY

Good citizenship demands of all qualified voters of the Clarendon Independent School District, that they go to the polls Saturday and register their will in the proposed 20-cent tax for Junior College maintenance. Likewise it demands that each and every voter cast his vote at the same time and at the same place for the three vacancies on the board of trustees in this district.

The latter obligation is on this citizenship every year, but The News desires to call attention to the specially insistent demand of citizenship in the election Saturday on the Junior College tax matter.

There will be some who may regard the election lightly, and there will be some who will say that the Junior College tax is a pet project of the school board and of certain citizens of the community.

While we freely admit that there are some more interested than others—a fact in every election—yet we must insist that every voter qualified to vote in Saturday's election owes it to the school board of trustees to register his will in the proposal by reason of the situation Clarendon Junior College is facing.

Members of the school board were placed there by the majority vote of past elections and all are men anxious to carry on their job as trustees for the best interests of the district and in accordance with the majority will of the people. They, therefore, are entitled to know what the will of the majority is. Saturday's election is the only legal way they have of finding out what the people want. As a citizen, therefore, you owe it to your servants, the school board to give them the benefit of your vote.

The position of The News on the tax issue is well known, therefore it refrains at this time from further rehashing of arguments pro and con. Its plea now is to every qualified voter to go to the polls Saturday and vote as their judgement and conscience dictates.

There is another powerful reason why a full vote should be registered Saturday. If the 20-cent tax carries, other school districts in Donley County will have early opportunity to vote on whether or not they join the Junior College district, at the same tax rate and receiving the same benefits. With this in view voters of the other districts will find no consolation and satisfaction in a "dog-fall"—a small vote will not inspire confidence in the project even if it carries. It must occur to voters that Donley County people have the right to know what citizens of the Clarendon Independent School District think about the Junior College.

Let us urge, then, that every voter go to the polls Saturday and vote "yes" or "no" on the tax proposal.

Citizenship—good citizenship—demands it.

"AT SOUND OF A BELL"

In a recent editorial in the Dallas News which we reproduce below, point is made of the utility of fire drill in our schools and how protective the drills are when they have been properly conducted. It is just another instance of how necessary these drills are in our own schools and its usefulness may be the saving of scores of lives here in Clarendon as in the greatest city of the nation. Here is the editorial:

"Four hundred and seventy-five little Fort Worthians marched out of M. G. Ellis Grade School Thursday morning. For all some of them knew, no doubt, it was another fire drill. But at any rate, they executed their several parts in the drill perfectly. Every teacher was in place and every child was out of the building in schedule time. And then the building burned down.

"Parents know in a way that the lives of their offspring are in the hands of men and women employed by the school authorities, but it takes an occurrence of this sort to bring home the effective way in which this responsibility is accepted and discharged.

"It is true that Principal G. L. Adams of the North Fort Worth school referred to did only his duty, and that his staff under him, including A. S. Hansy, acting janitor, who risked something to turn off the gas under the heating plant boiler, did only their duty, too. But it is good to behold a group of public servants who measure up supremely when the supreme testing time comes. Because of what these men and women did hundreds of schools all over Texas will tighten up on fire drills discipline against the time when disaster hovers over them also."

Next week is Clean-Up Week in Clarendon. Full notice has been given to residents of our community and the city government has made a most liberal offer to remove all rubbish and trash piled where the city wagons can get it conveniently. Get your premises cleaned up now and be ready when the wagons call.

WELCOME, MEN OF DALLAS

Clarendon is to entertain tomorrow a party of Dallas business executives—men of such prominence in the commercial world that they are rated as leaders in the great Southwest.

They are coming to our city without the blare of horns or the beat of drums and they are coming for the purpose of conference with business leaders in Clarendon and Donley County.

These men of big business are not bigots, egotists or "high hats." They are men who know and love Texas and they are traveling hundreds of miles to get a better knowledge of West Texas and a better understanding of her problems and leadership. They realize that the business men of Clarendon are just as important in the limits of this city as they, themselves, are in the leadership of their own city.

Frankly, and simply they come to our town that they may mingle with us and learn of us the things that we know best about our town and county.

Let us welcome them as neighbors, as fellow workers for a greater Texas—a greater Southwest.

UNDERSTANDING NEEDED

Livingston Enterprise: Almost everyone has his own idea as to what the world is most in need of, and there is no doubt about its being in need of many things. At least one of the things for which there has always been a great need is understanding.

A large part of the trouble between individuals, between organizations of individuals, between capital and labor, between nations, is caused largely by a lack of understanding. Understanding in this respect does not mean education. Education can and often does help, but it is not essential. People who are lacking in knowledge learned in school may still possess the ability to understand human nature, a little of life, and to realize some of the difficulties with which their fellowmen may have to contend.

The power to understand may be natural or it may be acquired. Much of the fretting, worrying and irritation of life might be avoided if only efforts were made toward acquiring a better understanding.

As long as there are people in the world, there will be differences in opinions, ideas, tastes and feelings. Too, everyone will have his faults. The proper understanding of these facts, coupled with the determination to make allowance for faults and differences would help greatly to make the world a better place and would bring a little more happiness where happiness is sorely needed.

Yesterday the taking of the Federal census was begun simultaneously over the nation. Enumerators began their task of house to house visitation for the purpose of definite information and appraisal, which is just as necessary in a progressive nation as it is in a well-managed retail store or factory. These enumerators have even the best of intentions toward us, they have feelings as well as the rest of us, so let us meet them with a smile, and accord to them a patient and careful answering of the questions they seek to have answered. Surely, once a decade we can afford to spend the few minutes necessary to make worth while the federal census.

Press reports from financial centers in Texas and the nation indicate that the financial depression which came over the nation about January first, is passing. Public works and industry have gotten hundreds of projects totalling into the billions under way, and thousands of unemployed are now at work. There are many evidences that a rising tide of business activity is ours in the coming months and that 1930 will end in a very satisfactory manner from the standpoint of volume and profits.

BRICE

Our community was saddened again Friday morning when they learned of the sudden death of its new citizen. Mr. Haney lived only a few hours, suffering with something similar to acute indigestion. The body was taken to Newlin for burial Saturday. We extend deepest sympathy to his family and other relatives.

Several relatives from various places were summoned here Friday morning after the death of Mr. Haney. Several men of our community made small donations for the lunch for them Friday at noon. Mrs. Charlie Murff and Mrs. Elmer Cheek prepared and served the sandwiches to them.

T. C. Isham spent several days this week as guest of relatives at Lodge. He returned home Saturday.

Mr. Lee Simmons of Memphis, was a business visitor in the Flat Tuesday.

Ben Hill of Clarendon, and Lufe Smallwood left Monday for a business trip to Lubbock and Littlefield. They returned by way of Amarillo Wednesday, where Lufe had his ear examined. They spent Wednesday night with relatives in Amarillo, returning to their homes Thursday. Monday night they visited with Mr. Bill Foust of near Sudan. He was formerly a resident of our community.

We are sorry Mrs. C. A. Wilson is still confined to her home and suffering quite a bit.

Mr. and Mrs. C. K. Killough and little son spent the fore part of the week in the home of Mrs. Lufe Smallwood.

Mr. and Mrs. D. T. Smallwood and daughter, Frankie, left Thursday for a few days visit with their parents and other relatives of Stephenville, Texas, and near by points in Comanche County.

Mr. Jack Braddock motored to Ft. Worth the latter part of the week. He and Miss Sylvia White of Smithfield were quietly married Friday. They returned to the Flat in time for Jack to be on duty at the barber shop Saturday. Friends wish them a prosperous and happy life. They are both well known in our community. Jack being a resident here and Sylvia has been here in the home of her brother, Frank White, since last summer.

Mr. and Mrs. Frank White, who have spent the past month with his father, Mr. Alec White, and other relatives of Smithfield, and Ft. Worth, returned to Leslie Friday with Mr. and Mrs. Jack Braddock. They are now visiting in the home of her parents, Mr. and Mrs. Bob Cummins of Leslie.

Mrs. W. M. Tedder and little daughters, Vivian and Clara Francis, spent Friday afternoon with Mrs. Lufe Smallwood.

Mr. and Mrs. Ben Hill and children of Clarendon, were visitors in the Flat Saturday afternoon. Mrs. Hill and children were guests of Mrs. W. H. Lemons.

Mr. and Mrs. Jim Pharr went to Amarillo Thursday, where Jim received further medical treatment. We are sorry his condition was not hardly as well as we wish it might have been.

Mr. Joe McCracken of Carey, was a visitor with Lufe Smallwood a short while Sunday morning.

There was no school Friday on the account of several of the pupils entering the different contests at the County League meet at Turkey.

Mrs. Williamson, the Methodist pastor's wife, has been conducting a class at the school auditorium at night, this week. She is preparing various ones of our community for better teaching in the Sunday School. We understand Rev. Jewel Sibley is supposed to conduct a similar class at the Baptist Church this week.

Mr. Z. L. Salmon attended the 18th District American Legion Convention at Childress last Sunday. He reports an excellent event and a jolly good time.

Mr. and Mrs. C. R. Cross and children enjoyed the County League meet at Turkey Saturday.

Mr. D. P. Osborn, who recently moved his family to Amarillo, was in the Flat Sunday morning. He stated he had failed to find employment and was moving his family back to the Flat in a few days.

Mr. and Mrs. Z. L. Salmon and children enjoyed the League meet at Turkey Friday.

The Brice players plan to stage their play, "Civil Service" at Goodnight, April 8th. We understand Goodnight is to stage a play with us in the near future. Watch for the date.

Quite a few from our community enjoyed the different contests at the League meet at Turkey Friday and Saturday. We also had students to enter several different contests. We wish for them greater success along this line in the future.

Mr. and Mrs. S. B. Thomas, with several of their pupils enjoyed the contests at Turkey Friday and Saturday, before motoring to Tell, to spend the week-end with relatives.

Mrs. E. Price, Mrs. Versa Gentry and Miss Mary Sue Waters motored to Turkey Friday and Saturday, after which they went away to spend the week-end.

Messrs. Edd Wheeler, E. P. Payne and Lufe Smallwood spent Sunday afternoon in Lakeview.

Little Kenneth Grant Smallwood is on the sick list at this writing.

Misses Claudine and Mamie Smallwood spent the week-end with the Misses Rhodes of Goldston.

Another Railroad Man has gained wonderfully on only two bottles of Argotane.

"I am just finishing my second bottle of Argotane and I have gained wonderfully in health," said W. N. Worford, at his home. Mr. Worford is a stationery fireman at the general office Santa Fe Railroad and lives at 3802 Taylor Street, Amarillo, Texas.

"For twenty years," continued Mr. Worford, "I have suffered from indigestion and my stomach was in such a bad condition everything disagreed with me and I couldn't digest the food which my system really demanded. A short time after eating my food would sour and gas would form and bloat me up so at times I

could hardly breathe, many a night I would have to get up out of bed and take a dose of soda so I could get momentary relief. I would get up in the morning feeling as tired and worn out as if I hadn't gone to bed.

"I decided after reading the high endorsements to try Argotane, and it certainly was a wise decision. My stomach is now in better shape than it has been in years and my food is digested properly. I am relieved of constipation and that tired and achy feeling has left me as if by magic. Argotane has certainly proven to be a great medicine for my case and I highly endorse it to anyone suffering as I have done."

Genuine Argotane is sold in Clarendon by Stocking's Drug Store who are direct laboratory agents.

The Crazy Man talks over Radio Station KRLD, 1040 Kilocycles, every Saturday evening at 6:45 p. m. Listen to him, it might do you good. (13tfc.)

Trench Mouth Healed

Your friends dare not say so but your sore gums and foul breath don't make folks like you any better. Leto's Pyorrhoea Remedy heals worst cases if used as directed. It is not a mouth wash or paste, and is sold on a money back guarantee. Clarendon Drug Store.

Relief from Gas Stomach Pains Dizziness

The doctors tell us that 90 per cent of all sickness is due to stomach and bowel troubles. You can't be well if your digestion is bad; you are likely to get sick unless you relish food and digest it properly.

Tanlac has a wonderful record as a relief from digestive troubles, even those of years' standing.

Local people, many of whom you know, are highly endorsing Tanlac. For example, Mrs. Ellen White says: "For years I suffered from indigestion. I got no relief from anything until I took Tanlac. After my fourth bottle, I feel like a new person and have a fine appetite."

If you suffer from gas, pains in the stomach or bowels, dizziness, nausea, constipation, or torpid liver; if you have no appetite, can't sleep and are nervous and all run down, you need Tanlac. It is good, pure medicine, made of roots, herbs and barks. Get a bottle from your druggist today. Money back if it doesn't help you. Accept no substitute.

SPECIAL MID-WEEK SERVICES

On Wednesday evening, April 9th, Rev. W. E. Ferrell, of the First Christian Church started an illustrated lecture on "The Creation and Fall of Man." This lecture will cover the most important and out standing lessons, events and incidents revealed in the first ten chapters of Genesis. These lessons will be illustrated with forty-five stereopticon pictures.

This lecture will be the first in a series. Rev. Ferrell hopes to present to the people of Clarendon "The whole Bible in pictures". In the entire series twenty-six hundred pictures will be used. Each picture is a reproduction from a legitimate photograph made in the Holy lands or from the master artists who have pictured the events of the lives of hundreds of Bible characters.

These are so arranged that with them each and every Bible character may be followed step by step to every place he visited, and all the principle events in the lives of each great personage are illustrated. The lectures that will accompany these pictures will not merely set forth a series of incidents, but they will be one continuous story of God's dealings

with men from Genesis to Revelations. These pictures and lectures are presented with the hopes, that they may assist many to a better understanding of the Bible narrative, and a more intimate acquaintance with our Heavenly Father. All Bible students and lovers are invited to attend these lectures.

Would You Know One If You Saw It?

If you ever came face to face with a germ, would you recognize it? Of course it is not likely that you ever will see a germ, unless you own a tremendously powerful microscope, for you would have to magnify one over a thousand times to make it as big as a pin head. But you should recognize the fact that these tiny germs can get into your blood streams through the smallest cut, and give you typhoid fever, tuberculosis, lockjaw, blood poisoning, and many more dangerous and perhaps fatal diseases. There is one sure safeguard against these dangers - washing every cut, no matter how small, thoroughly with Liquid Borosone, the safe antiseptic. You can get Liquid Borosone at Douglas & Goldston Drug Co.

OLD DOCTOR'S IDEA IS BIG HELP TO ELDERLY PEOPLE

In 1885, Dr. Caldwell made a discovery for which elderly people the world over praise him today!

Years of practice convinced him that many people were endangering their health by a careless choice of laxatives. So he began a search for a harmless prescription which would be thoroughly effective, yet would neither gripe nor form any habit. At last he found it.

Over and over he wrote it, when he found people bilious, headachy, out of sorts, weak or feverish; with coated tongue, bad breath, no appetite or energy. It relieved the most obstinate cases, and yet was gentle with women, children and elderly people.

Today, this same famous, effective prescription, known as Dr. Caldwell's Syrup Pepsin, is the world's most popular laxative. It may be obtained from any drugstore

Nature Thought of Everything

Nature thought of everything when the human body was made. When the body is about to become ill, nature planned danger signals to warn us.

Thus, if our children grind their teeth when they sleep, or lack appetite, or suffer from abdominal pains, or itch about the nose and fingers, we should know that they may have contracted worms. Then, if we are wise, we buy a bottle of White's Cream Vermifuge and safely and surely expel the worms. Thus we avoid the danger of very serious trouble. Shall We Vote the Junior College Tax?

Letters from Local Taxpayers

Editor of The News:—

I wish to give a different view to those which have been presented in the News concerning the twenty cent tax for the College. I am going to vote for the tax, but for a different reason than that put forth in the letters which I have read.

It seems that the average citizen feels that he is responsible for the education of his neighbor's children, but if he will stop to think he will see that it is a poor policy to bring up young folk to think that the world owes them anything.

The moderately intelligent young man or woman who really wants an education can, and will find means to acquire one; it does the other kind no material good to keep them in school at someone else's expense, until they are in their twenties; let them get out and find their places in the sun, and go to work.

Misplaced charity does more harm than good; our country was not built on such a flimsy foundation, and it will not endure on that kind of structure. I cannot call the pleadings of strong young folk by any other name than a plea to make their life softer than it would otherwise be. They do not know that character grows by the very process that they are trying to shun; diamonds are not polished with cotton batting.

The reason that I am going to vote for the tax is not quite so unselfish as those views pleading for the young. I am going to plead for the very life of our town. We have the buildings and there will be no great expense in that quarter.

I have never wanted to live in a town of empty houses, and in going down the street I see the shadow of the future creeping in an ever widening circle. Can we shut our eyes to the truth that we are not a great agricultural community? Our ranching population has dwindled to where we cannot expect so much support from that source. If we kill the school we will be lopping off one of the feeding systems through which the very life of the town draws sustenance. Can we sit and die while we are still breathing?

Let us quit whipping the devil about the stump and come out in the open with the true reason that we must keep our school system intact—we have not enough of other ways to bring money to the town to keep what we have, let alone grow. We have been sitting on top of a flimsy structure long enough, have bragged and put our best foot forward too long. Let us come down out of the clouds and acknowledge that we are a little country town—a lovely, homelike town and that we are facing one of the most acute situations; let us not commit suicide without an effort to carry on.

And then when we get the school question settled, let us get a real college man to head the school. College presidents are born, not made. I am not criticizing our present faculty, but because we have learned to love them is no reason why we should tell them that they are college presidents. I do not believe that there is a successful president in the bunch—and I do not think they believe so either. No institution can be stronger than its head. Man himself cannot be. After we vote the tax, give enough of it to a successful man with plenty of experience to back him up, and we can furnish cheap junior college training for our sister towns who have other means to gather in the shekels.

Ella C. McDowell,
Box 505, Clarendon, Texas.

Editor News:—
I beg for a little space in the News to express my views on one of the most important questions that has come before the people since I have been a citizen of good old Donley County. I will state at the outside; I have no axe to grind. Neither have I any children to educate. The vital question is, "What are we going to do with Clarendon Junior College?" We are asked to vote a tax of 20 cents additional on State and County valuation for the support of this college, else the College will in all possibility have to close its doors.

For this small tax, the College

proposes to give free tuition for two years to boys and girls each to help them improve themselves for higher universities. Let us figure a little to see what a saving this will amount to Donley County. It is admitted and it will cost a student at least \$500.00 a year to attend College if he has to leave home. There must be at least one hundred boys and girls in Donley County who will have to leave home for two years to attend school elsewhere or lose the opportunity to ever receive an education. One hundred students, which is very conservative, at a cost of \$500.00 each, will take fifty thousand dollars in cash each year out of the county. If you vote this nittance of 20 cents, in of this money is kept at home and the chance given to scores of boys and girls to get a good start toward a higher education.

Clarendon Junior College is a wonderfully valuable asset to Donley County. This is not a question of thousands of dollars and cents, as you must fully know, but let us figure a bit in dollars and cents. You are not asked to build a college, you already have a splendid college with adequate equipment and beautiful grounds and situation in a most lovely little city of high-class citizens who have been attracted here for the educational advantages Clarendon had to offer. It is admitted that Clarendon owes her fine citizenship to this very thing. This is an asset that cannot be figured in dollars and cents.

Now let us figure a bit in dollars and cents. Some few years ago when the college had been abandoned, one of your prominent citizens approached me with a proposition that the Presbyterian denomination buy Clarendon College for a "Song" and keep up a school. I immediately took the matter up and a prominent man of this denomination came and looked over the situation. Expert too, in such matters. He told me privately that this was one of the finest opportunities to establish a college that he had ever seen. That these buildings and grounds in a nice city like Clarendon would cost more than four hundred thousand dollars to build. But before we could take action on the proposition, other arrangements were made. But the proposition was not turned down by us.

Clarendon Junior College says to the people of Donley County: Give me a little bit of extra support and I will bless you and yours for all time to come. I will impartially bless those who do not have the means to go away as those who can go off. This is not a question for the people of Clarendon alone, but for the entire county. It is a chance you will likely never receive again. Taking a human view of things, Clarendon will be here till the Angel Gabriel will sound his trumpet calling the quick and the dead together. And the angel shall stand with one foot on sea and one foot on land and declare that time shall be no more.

Then what are you, my fellow citizens, going to do with this great asset that comes to us for our decision? Will he say, "Away with you, we do not care for your beneficent influence?" Or will we come up like men and women and do our duty by our children and our children's children for all time to come and vote this tax? The city can't afford to fail. Neither can the people of the county. It would be an everlasting shame on us to fail.

And God said unto Moses: "Why criest thou after me; speak to the children of Israel that they go forward." And the children of Israel did go forward. Now, I appeal to all you red blooded men and women of good old Clarendon to go forward and on the date set for the decision and like to Moses and Hur did for Moses hold up the hands of Clarendon Junior College and win the fight for all time to come.

What will your answer be?
Respectfully,
R. F. Morris.

To The News:—
During my residence of thirty years at Clarendon, I have supported every school movement proposed, both Church and state; but shall vote against the 20c tax, because I deem it unwise and oppressive.

The founders and fathers of

the public free school system never contemplated the upkeep of free colleges at public expense, but intended that boys and girls should have opportunity through their public school training to secure a college education if they so desired; and I claim that any boy or girl with high school training and a proper ambition, can secure a college education without taxing the public with it.

When Clarendon College died at the hands of the "Northwest Texas Conference" and the property was offered for sale, the taxpayers of this district were told that our growing community would soon need additional school facilities, and although we had just built a costly school house, the chance to buy these buildings for \$42,000 was considered a great bargain in as much as that part of the district was without a school building, and the vote to buy this property for public school purposes was almost unanimous. It is claimed that many good men have moved here for the benefit of our schools and the fear expressed that if we do not vote this tax, they will move away.

I believe this is a groundless fear; for surely no desirable citizen would leave a community because that community failed to make up a collection for him. We furnish free buildings, free teachers, free textbooks and in one instance at least, free football sweaters; all this up through the high school course; and surely the parents of ambitious boys and girls ought to be willing to make some effort in their own behalf. Bring up a boy saturated with the idea that the tax payer is his legitimate prey and ought to support him his hearts desires and that boy after being brought up, will not be worth a "pewter cuss."

T. H. Peebles.

WHAT THE HI-Y IS DOING TO ASSIST LIFE TRAINING

At times every boy feels that he is "left out", separated from other boys. The boys of the Hi-Y are doing their best to prevent this feeling in Clarendon, aided by the State Y. M. C. A. with Grover C. Good for this district as a state representative of the Y. M. C. A. Plans are working for a "Find yourself idea" in which the local boys receive some very valuable coaching during a three-day conference at Amarillo the past December.

The situations within our school which have tended to cause real difficulties are being ironed out as time permits; that is we are endeavoring to eliminate the existing barriers between boys. We are asking ourselves questions like these: Does money make any difference in enrolling boys in the Hi-Y Club? Does religion, occupation or athletic ability have or make any difference in enrolling boys in the Hi-Y Club? Since the Hi-Y is a junior Y. M. C. A. having as its standard to "Create maintain and extend throughout the school and community, high standards of Christian character" we are striving to prove to all the boys and parents our attitude, as to money, occupation, nationality and religion, etc., is the smallest barrier. We want to help each boy live a cleaner, truer, better life by setting better standards for him to see. The early training is usually the training that has a lasting impression with the boy.

The international camps of boys conducted by the Y. M. C. A. in Europe and Asia in which barriers that led to war among our forefathers have melted away in the fun and fellowship of living together in the open where all share life alike until the "habit of common friendship has become fixed."

The question may arise: What shall we do about the existing barriers? The Hi-Y is doing its very best to break thru any and all barriers to right the situation and make this the largest contribution.

Thousands of the mature boys of the public secondary schools of the United States, Canada and other parts of the world are now enlisted in a vigorous quest, seeking the ideals of this youth movement. Clarendon Hi-Y is represented by a number of Hi school boys sponsored by an advisory group of men, who represent the school authorities, business men and churches. Since we have no Y. M. C. A. here we are not sponsored by a representative from it other than thru Mr. Good of the state Y. M. C. A. who has been giving of his time and effort to this part of the state very liberally at a great sacrifice. It

The work of beautifying the grounds of the Baptist Church is progressing nicely. The grounds have been leveled, new curbing put in, shrubs and hardy flowers planted, and the grass reset. When finished, this will add materially to the appearance of this property.

The attendance goal for the first quarter in the Baptist Sunday School 300—was reached last Sunday in the quarter. The growth has been steady, giving a foundation for the continued growth expected during the coming months.

Rev. J. H. Sibley, assisted by Rev. B. N. Shepherd, is conducting a revival meeting with the Martin Baptist Church. The meeting began Sunday, March 23 and will continue through this week. Missionary Sibley is bringing some fine messages and the interest is growing.

NINE WEEKS COURSE IS STARTED ON BOY SCOUTS
Fort Worth, March 31—How to broil a steak properly, to pitch a tent, to catch and dress a fish, to identify a track, to speak to a tree, to know the stars, to treat a wound, to stay young—these are a few of the things that are be-

ing taught in a nine weeks' course which has just begun at Texas Christian University here. Under the auspices of T. C. U. and the Fort Worth Area Council of the Boy Scouts of America, two courses in leadership are being offered. One is entitled, "Elements of Scoutmastership," the "Principles of Scoutmastership," the "Why" of Scouting.

Dean Colby D. Hall of T. C. U. is a member of the committee directing the courses and is attending to the applications for enrollment.

"The local council and T. C. U. offer these courses primarily for the benefit of institutions having boys to train," Dean Hall comments. "Such institutions as churches, parent teacher associations, service clubs and fraternal orders are invited and urged to send men to this course who will take the course with the understanding that they are to prepare themselves to serve the boys in the institution which sends them."

The work of beautifying the grounds of the Baptist Church is progressing nicely. The grounds have been leveled, new curbing put in, shrubs and hardy flowers planted, and the grass reset. When finished, this will add materially to the appearance of this property.

The attendance goal for the first quarter in the Baptist Sunday School 300—was reached last Sunday in the quarter. The growth has been steady, giving a foundation for the continued growth expected during the coming months.

Rev. J. H. Sibley, assisted by Rev. B. N. Shepherd, is conducting a revival meeting with the Martin Baptist Church. The meeting began Sunday, March 23 and will continue through this week. Missionary Sibley is bringing some fine messages and the interest is growing.

Mrs. Ethel Blackwell, Mr. and Mrs. Lewis Blackwell and son, Wallace D., of Amarillo, visited in the home of Mrs. E. A. Thompson, Tuesday of last week.

NINE WEEKS COURSE IS STARTED ON BOY SCOUTS
Fort Worth, March 31—How to broil a steak properly, to pitch a tent, to catch and dress a fish, to identify a track, to speak to a tree, to know the stars, to treat a wound, to stay young—these are a few of the things that are be-

A LETTER WITH A POINT TO IT

Mr. and Mrs. News Reader,
Clarendon, Texas,
Dear Sir and Madam:—

Last week we sold five (5) General Electric Refrigerators—four of them to one man as a present to his children. He has been a user of the General Electric for the past several years, causing him to be convinced of the superior qualities economical operation and trouble-free durability of this wonder electric refrigerator of which there are now a half million in operation over the past several years without costing the user one-cent for repairs.

It has the cold control and the hydrator, automatic in operation, using less current, with an all-steel box with full four inches insulation of cork, absolutely free from moisture and accompanying odors.

General Electric Refrigerators come in sizes and styles to fit any home or commercial need. It has the further advantage of being the lowest priced, considering shelf space, on the market today. All sizes have ample freezing capacities.

See us for demonstration of this superior household utility which General Electric is rapidly changing to a necessity by the testimony of over a half million satisfied users.

SOCIETY

A Delightful Party

Radio music is at its best from 2:00 to 6:00 in the morning says a group of young ladies who experimented with the radio Saturday night in the home of Mrs. Meade Halle, who was their gracious hostess. The music was much clearer with scarcely any interference between the above mentioned hours and the splendid programs kept the drooping eyelids open. The first part of the evening was spent with their favorite game, auction bridge, Miss Edna Montgomery winning high score. Then a two course dinner was served with the radio music filling the gap between then and morning. A superb breakfast at an early hour had then home for the young ladies who then were loathe to leave the hospitable home of their hostess. Enjoying this were: Misses Julia Taylor, Edna Montgomery, Nell Butler, Lois Alexander, Jane Killough, Maurine Wood, Latrice Benson, Elgin Patrick and Florence Fink.

1926 Book Club in Regular Meeting

"White Hands" by Arthur Stringer, was the book studied by the members of the 1926 Book Club when they met in regular session in the Ladies Club Room, Thursday afternoon. The life of Arthur Stringer was given by the leader, Mrs. Loyd Stallings. Miss Helen Beck in her usual efficient manner, gave the synopsis of the book which was thoroughly enjoyed by the large number present. A most appetizing plate lunch was served by the charming hostesses, Mrs. Rolfe Brumley and Mrs. W. A. Clark, Jr. Invited guests for the afternoon were: Miss Mary Howren, Miss Wiedman, Mrs. Brice M. Kennedy, Mrs. Roberta Ryan and Mrs. H. T. Burton.

Mrs. J. W. Johnson Is Honoree

Mrs. J. W. Johnson of Clovis, New Mexico, who is visiting her mother, Mrs. Matt Bennett, was the inspiration of a lovely affair Saturday afternoon with Mrs. C. G. Stricklin as the gracious hostess. The rooms of Mrs. Stricklin's home were charmingly decorated with yellow jonquils and greenery with tallies and other appointments in the color set by the jonquils, which was completed in the lovely two course afternoon luncheon served at the close of the games.

Bridge was the diversion for the afternoon with Mrs. Holman Kennedy winning high score prize. Miss Manette Chase was fortunate in the cut for consolation. Mrs. Johnson was also presented with a lovely favor. To enjoy this were: Mrs. P. L. Chamberlain, Mrs. C. E. Miller, Mrs. Sam Dyer, Mrs. Holman Kennedy, Mrs. Meredith Gentry, Mrs. Ira Merchant, Mrs. Charles Trent, Mrs. Forrest Taylor, Mrs. Clyde Price and the honoree, Mrs. Johnson. Misses May Bennett, Beulah Baird, Mildred Martin, Leta Verne Martin, Athlyn Taylor and Manette Chase.

Kill Kare Kneedle Klub Members Meet

It was in honor of members of the Kill Kare Kneedle Klub that Mrs. W. C. Stewart was hostess Thursday afternoon, at her home on East 2d Street. The afternoon was spent in doing fancy needle work. During the social hour a dainty refreshment plate was served. Guests were: Mrs. Geo. Reed, Mrs. Geo. McCleskey, Mrs. W. A. Land, Mrs. Buel Sanford, Mrs. D. A. Downey, Mrs. W. A. Massie, Mrs. Eugene Noland, Mrs. H. C. Brumley, Mrs. W. B. Sims, Mrs. Eva Draffen, Mrs. Van Kennedy and Mrs. A. O. Bauer.

Mrs. Tatum Hostess to 1930 Bridge Club

One of the most enjoyable parties of the week was that given by Mrs. Henry Tatum with the members of the 1930 Bridge Club as honor guests. In the games of bridge which were enjoyed throughout the afternoon Mrs. McHenry Lane was so fortunate as to hold high score and was presented with an exquisite gift. Mrs. Dewey Heath was low and received a lovely gift. A most tasty two course luncheon was served to the following club members: Mesdames Frank Simmons, Dewey Heath, Durwood Skelton, Marvin Warren, Bill Leverette and Meade Halle. Mrs. McHenry Lane and Miss Laura Taylor of Lelia Lake were invited guests.

Guests Entertained

Two interesting guests, who were the inspiration of a delightful informal party were: Mrs. Jack Montgomery of Miami, and Mrs. Robert Parks of Amarillo, who are visiting in the J. W. Morrison home. Miss Eva Lee Morrison invited a number of friends on Monday evening to meet her guests and enjoy games of bridge. Lovely favors and score cards suggestive of spring added to the attractiveness of the affair. Miss Altha Evers was winner of high score favor. Mrs. Parks and Mrs. Montgomery each received lovely gifts. A lovely plate lunch was served at the close to Misses Lotta Bourland, Herloise Burrell, Manette Chase, Christine Stroder, Altha Evers, Catherine Cole and Dorothy White.

Mr. and Mrs. U. J. Boston Entertain

A forty-two dinner party was enjoyed at the home of Mr. and Mrs. U. J. Boston, Thursday evening, by the members of the 42 club and a few special guests. A most elaborate and appetizing dinner was served at nicely arranged and well appointed small tables soon after the guests arrived. At the conclusion of the meal, covers were removed and dominoes passed and the game of 42 began with real earnest. Hilarity was the ruling note throughout the evening of games. The following bid the host and hostess good-night at a late hour: Mr. and Mrs. John Bass, Mr. and Mrs. Killough, Mr. and Mrs. C. G. Kemp, Mr. and Mrs. H. B. Kerbow, Mr. and Mrs. M. M. Noble, Mr. and Mrs. J. T. Patman, Mr. and Mrs. J. R. Porter, Mr. and Mrs. Jno. Watts, Dr. and Mrs. J. G. Sherman, Mr. and Mrs. R. Wilkerson, Mrs. B. G. Smith, Mrs. Eva Draffen and Miss Dewey Mitcham.

Pathfinder Club Meets

Mesdames Nathan Cox and Paul Shelton were hostesses to the members of the Pathfinder Club, when they met in the Woman's Club Room, Friday afternoon. After lengthy business session, presided over by the president, Mrs. J. L. McMurtry, the meeting was turned to Mrs. O. T. Smith, leader, for the afternoon. The book, "The Father" by Katherine Holland Brown was the study. The life of Katherine Holland Brown was given by Mrs. S. M. Lowe, Mrs. J. G. Sherman, one of Clarendon's best story tellers, gave a synopsis of the book with a round table discussion following. Delectable refreshments were served at the close of the program.

Mrs. B. C. Antrobus Is Hostess

Mrs. B. C. Antrobus was the delightful hostess Thursday afternoon to the members of her bridge club and a few invited guests. The tables were in readiness and the games opened upon the arrival of the guests who were: Mesdames W. L. Ball, T. G.

Sargel, C. W. Bennett, Jr., B. F. Kirtley, Lillian Brady, Cico Norwood, Bascom White, Roy Ingram, Kelly Chamberlain, Paul Smiley, Joe Ellison. Mesdames Manette Chase, Loraina Patrick, Leta Verne Martin, Sylvia and Lotta Bourland. After a number of games score favors were presented to Mrs. Lillian Brady, high and Miss Lotta Bourland, low. A lovely two course luncheon was served at the close of the games at the small tables which were centered with bowls of fragrant violets.

Ardis Patman is Host With Game Party

On Saturday evening, Ardis Patman was host to a number of his friends with a game party at the home of his parents, Mr. and Mrs. Wm. M. Patman. Games pleasing to boys and girls of this age were enjoyed until a late hour, when delightful refreshments were served to the following guests: Misses Evelyn Murphy, Berkeley Ryan, Geraldine Pratt, Elenor Morris, Vera Noland, Doris Smith, Donna Downey, Eugenia Noland, Laura Black, Marjorie White, Drew Wilkerson, A. J. Smith, Paul Greene, Johnnie Blocker, Billie Green, Phillip Smith, Jack Hays, Y. E. McAdams, N. T. Thompson, Billie Johnson, Alexander Cooke and Howard Black. Games were supervised by Misses Mildred and Leta Verne Martin.

Good-Will Club of 1930 Meets

As per schedule the Good Will Club of 1930 met at their usual time on Monday afternoon with Mrs. Charles F. Carlson, as the gracious hostess. Shoe pockets was the work scheduled for the afternoon and those present were delighted with the effects produced and amount of work accomplished. Mrs. Carlson served lovely refreshments at the close to Mrs. L. B. Carlile, Mrs. Don Martin, Mrs. Melvin Cooke, Mrs. Elmer Jones, members. Mrs. A. W. Seaver and Miss Mable Mongole were invited guests. The club will meet next week in the home of Mrs. Elmer Jones.

Young People's Society Enjoy Picnic

The Young People's Society of the Presbyterian Church enjoyed a picnic on the river Monday evening. Making the trip by truck, cooking their supper by a camp fire, and playing games by its light. They all pronounced it the best ever. The following were present: Lodi Green, Mary Francis Caraway, Ruth Nichols, Esma Keener, Martha Thomas, Glennie Hailey, Nova Cook, Delphia Bones, Henry Wilder, Robert Green, Wilfred Andis, George Bourland, Marshall Butler, Bill Montgomery, Bill Wood, Bill Word, Rev. McKee, chaperoned the party.

Mrs. Wm. Gray Celebrates Birthday

A prettily appointed luncheon of Monday was that given by Mrs. Wm. Gray in commemoration of her birthday. The entertaining rooms were profusely decorated with jonquils and early spring flowers. Hyacinths formed a beautiful center piece for the luncheon table, with a large birthday cake bearing small candles, being an added attraction. The afternoon was spent in pleasant conversation while the well trained fingers were busy piecing quilt blocks. Those present to make this a

DISTRICT COURT HAS BUSY WEEK

SEVEN CASES TRIED WITH SEVEN CONVICTIONS RESULTING.

After missing Monday of this week due to the illness and absence of Judge A. J. Fires, the District Court of Donley County will round out the week with a record that is full to the brim. Judge A. S. Moss of Memphis was called to fill the bench in the absence of Judge Fires, arriving here Tuesday morning. Tuesday, five cases were tried and convictions were secured. The case of the State vs Virgil Robbins on a charge of forgery resulted in a three year term. The State vs Virgil Robbins on a charge of passing a forged instrument resulted in a two year sentence. These sentences are cumulative, resulting in a five-year sentence. The State vs Sallie Robbins on a charge of passing a forged instrument resulted in a five year suspended sentence. These two were recently returned from California to stand trial in the courts here. The case of the State of Texas vs Arthur Calhoun resulted in a conviction and a two year sentence. The charge was for passing a forged instrument. The fifth case on the docket Tues-

memorable occasion were: Mrs. J. B. Baird, Mrs. J. R. Tucker, Mrs. Ann Hall, Mrs. Sella Gentry, Mrs. Ed Brotniey, Mrs. J. D. Stocking, Mrs. J. T. Warren and the hostess, Mrs. Wm. Gray.

County Council Gives a Party

Honoring Miss Harvey Thompson, County Home Demonstration Agent, the County Council of Home Demonstration Clubs had a party in the Club rooms in the City Hall last Saturday afternoon. The event came as a surprise to Miss Thompson, who had kept her resignation quiet and had planned to slip away with little noise being made on her leaving. The Council had made their plans well, having placed each organization of the county on the program. Each one of the clubs of the county also presented Miss Thompson with an appropriate gift as a remembrance. Punch was served throughout the afternoon. Mr. and Mrs. Robert Weatherly and son, Robert, Jr., left Wednesday for New Mexico, where they will make an extended stay.

INCUBATOR CHICKS MORE PROFITABLE TO PRODUCER

Mechanical substitutes for the fluffy old mother hen are fast crowding the faithful old biddy off her nest on farms throughout the country, according to reports sent to the United States department of agriculture by the crop correspondents of the bureau of agricultural economics. Only 43 per cent of all chickens are still hatched under hens, the report indicates. It is worthy of note that in those sections where farm poultry flocks have reached their highest efficiency as profit producers, incubator chicks are used in far greater proportion. In the north-eastern, central western and far western states, where poultry is an important source of farm income, the farm flocks are being raised in a more scientific manner, and incubator-hatched chicks are in the majority. In the south, where farm poultry is not a major source of farm income, a large share of the flocks are grown from hen hatched chicks. This finding of the department of agriculture coincides with the reports from the contest conducted last year by hatcheries which operate under the slogan, "Hatchery Chicks For Greater Profits." Every one of 41,000 letters from farmers throughout the nation told of profits from farm flocks, after they had started using the hatchery product. Reasons for this are quite apparent, when the history of the poultry industry through the past few years is reviewed. Continued flock improvement by the hatcherymen has made available hens with high average laying capacity. Farmers have discovered that a comparatively small investment will bring a proportionately large return, provided, of course, proper methods and a fair amount of attention are given their flocks. Sanitation, observance of proper feeding methods, and attention to the poultry and egg markets, are essentials of profitable poultry raising with which farmers are becoming familiar, often under the tutelage of the hatcheries from which chicks are purchased. Mrs. Cloe Cleek of Panhandle, Mrs. Claude Parsons of Oklahoma City, and Mrs. Clower were called to the bed side of their mother, Mrs. Callie Houk, this week. Mr. and Mrs. T. D. Norad were in Hedley Tuesday evening to attend the reception given for Gladys Ewen and Mr. Hartley. 5 room house for rent. Close in on pavement. Forrest E. Sawyer, 15c. Mr. and Mrs. Turner Nichols visited in Amarillo Tuesday of this week. Miss Nerine Smith spent the week-end with relatives in McLean.

The standard Sunday School Training School which is in progress at the Methodist Church this week, is being well attended with four different classes and four very able instructors. It will close Friday evening.

The Pre-Easter Evangelistic services at the First Methodist Church will start next Wednesday evening with Dr. Robinson of Memphis as the preacher and he is one of the very best. We want every member of the Methodist Church to be in their places during the campaign. We extend to the members of all the other churches a very cordial invitation to come and join us in these services.

Booster Class Enjoys Social
Mr. and Mrs. O. D. Liesberg entertained the members of the Booster Class, First Christian Church Tuesday evening at their home.
The meeting was opened with prayer by Rev. Emanuel Dubbs of Borger. The lesson, 2nd Chapter of 1st Cor. was read by Mr. M. G. Cottingham. A round table discussion followed with sentence prayers, closing the evening's devotional.
A social hour followed with delicious refreshments being served by Mrs. Liesberg.
The next meeting, April 15th, will be in the home of W. L. Butler.

Present were: Rev. W. E. Ferrell, H. Mulkey, W. L. Butler, Frank Whitlock, Louie Hahn, Tom Moss, M. G. Cottingham, J. R. Tucker, Will Dubbs, J. D. McAdams, Roy Clumpitt, S. B. Arnold, F. C. Johnson and Rev. and Mrs. Emanuel Dubbs of Borger.
Mrs. Will Dubbs, Mrs. S. B. Arnold and daughter, Frankie, assisted with the entertaining.

The Hi-Y Club
The Hi-Y Club met last Tuesday night. Mr. Grover C. Good was with us in the meeting and gave an interesting and beneficial talk. Mr. Good is a man who has had much experience in this kind of work. He has been connected with this kind of work for over twenty years. He is working with the Texas Young Men's Christian Association. His subject for discussion Tuesday night was "The Exiting Barriers." The "Boy and Girl Relationship" was brought into the discussion also.

On Wednesday morning one hour was spent by the members of the club in filling out Self Analysis Blanks. These blanks are to help us to choose our vocation. They are to be analyzed by different men, and then each boy will be interviewed for an hour with some business man in that profession. The object of this campaign is Vocational Guidance.

Misses Pearl and Renella Dubbs, Edna Riley, Beryl Moore and Julia Barnard motored to Amarillo for a visit on last Sunday.
Mrs. Jack Montgomery of Miami, spent last Sunday in the home of her parents, Mr. and Mrs. J. W. Morrison.

"Grandma" Rogers, as she is familiarly called by all who knew her, left Saturday morning for Vernon, where she will visit with relatives for a time. Mrs. Rogers who makes her home with a daughter in McLean, stopped here for a visit with old friends, including Mr. and Mrs. Trostle, Buntin and Mrs. Cox, after having attended the Woman's Council held in Amarillo. She hopes to attend the district meeting of the Clarendon district which will be held in Claude, before returning to her home.

Your Agent Urges Safety

When purchasing an insurance policy, all protection may seem alike to you. But, later, should you experience a loss, the reputation of your agent and your continued confidence in him will depend upon the insurance protection he has selected for you as well as upon the prompt performance of the companies he represents. As agents building a sound, dependable service, we urge you to insure only where you can have no regrets now—or later.

MISS THOMPSON REPORT IS FINAL

CLOSING MONTH OF WORK FINDS GREAT AMOUNT OF WORK WELL IN HAND.

Traveling a little less than 800 miles, Miss Harvey Thompson rounded out her last month as County Home Demonstration agent for Donley County with a great deal of work done. In traveling these many miles, twenty three and one-half days were used. Two and one-half days were spent in the office, receiving callers and attending to other matters in connection with the work of the office. The telephone rang sixty-six times on matters pertaining to Demonstration work and sixty-six office callers were received on these same matters.

A total of thirty-four club meetings were held in the month of March with thirty-nine demonstrations being given. A total attendance of 552 was registered on these meetings.

Letters were sent to Club members in the number of 476. These pertaining to the work of the clubs over the County.

This report was turned to the News the fore part of this week when Miss Thompson left this city for her home in Denton. Genuine regret was expressed at leaving the county, and the promise was left that she would return to the county this fall for a visit.

The successor to Miss Thompson had not been named the fore part of this week. Miss Grubbs stating that she would be here the latter part of this week to start her off on the right track.

Mrs. Robert Parks of Amarillo, was in Clarendon over the past week-end visiting with friends and relatives.

The band contests of the W. T. C. C. will be held under the supervision of the West Texas Band Master's Association.

Local Golfers Win Dual Meet

Hoping to out number the members of the Hillcroft Golf Club, the combined Golf clubs at Memphis and Estelline came to Clarendon last Sunday afternoon for a thirty-one match play. At the end of the session Clarendon was found to be at the top of the list with twenty-one of the thirty-one matches. Memphis won seven and Estelline won three of the ten lost by the Hillcrofters.

No especial entertainment had been prepared by the Hillcroft Club to care for the visitors, they coming up in the afternoon for the session. The results of the play are given herewith in detail:

Ira Merchant won from R. V. West; Meredith Gentry won from Mac Tarver; Al Cooke won from Frank Foxhall; Bill Cooke lost to S. J. Bailey; Phillips Gentry won from O. M. Our Weekly Church Chat

The word 'church', is from a word which means, "a called out assembly" and is therefore described as "a congregation of faithful men and women." As we trace it in the New Testament, we see it to be an assembly of faithful followers of Jesus Christ, meeting together regularly in any given place, and steadfastly following the teaching of the apostles; helping one another, both spiritually and materially; observing the Lord's Supper on the first day of the week and uniting together in prayer and thanksgiving. (See Acts 2:42.)
Elders or bishops were appointed to provide spiritual food for the flock (1 Pet. 5:1-4); and deacons to attend to its physical needs (Acts 6:1-6). All of the members were expected to take some part in the edification of the church (1 Cor. 14.)
The reason of the church's existence is to glorify God, by its holy life and good works, to win the world to Christ and to mutually edify one another for the higher life to come.
The one thing worse than a quitter is the man who is afraid to begin. Every one is helping the world either up or down. Are you using your time, talent and influence to build up the church? If you are not, line up with the church now. "Don't try to be neutral towards Christ and His Program; it's impossible."
In Revelations we read, "Be thou faithful unto death and I will give thee a crown of life." (Rev. 2:10). Sunday morning our theme will be, "Where to Get Stars for Our Crown."
A king once said to his people "It is too much for you to go up to Jerusalem." Just an innocent sounding text, yet this short sentence was the destroyer of multitudes, in fact it was the wrecker of a nation. Learn more about it Sunday night in "Easy Street." You are invited.

LIVESTOCK SHIPMENTS ARE ALMOST SAME AS FOR 1929

Austin, March 31—Shipments of all classes of livestock to markets from Texas during February show the usual seasonal decline from January and were almost the same as in February last year, according to Beverly Nichols, editor of the Texas Business Review, issued monthly by the Bureau of Business Research at the University of Texas. Unloadings at Fort Worth in February totaled 108,237 head. This compares with 136,939 head in January and 108,290 head in February, 1929.
Prices, except for a small seasonal rise in the case of calves, were lower.

DALLAS LADY GLAD TO PRAISE FAMED KONJOLA

NEURITIS AND STOMACH TROUBLES SOON BANISHED BY POWER OF NEW MEDICINE.
Mrs. E. M. Fitzgerald
"I never had the least idea Konjola would help me as it did," said Mrs. E. M. Fitzgerald, 4533 Worth Street, Dallas. "My stomach gave me a great deal of pain and trouble. Gas accumulated in my stomach after meals and the pressure against the heart cavity caused that organ to beat wildly. Neuritis attacked my side and my right arm and shoulder. These pains were often so severe that I could not do my house work. I did not sleep at night and became very nervous.
"Konjola is fast bringing me back to health again. My stomach is in excellent shape and I can eat almost anything without distress. The neuritis pains are gone, my sleep is normal once again, and my nervous condition has greatly improved. I shall always recommend Konjola to anyone suffering as I did."
Konjola works with the important functional organs of the body, drives the poisons from the system and regulates the organs of digestion and elimination. In this way glorious and abundant relief is brought about. It is recommended that Konjola be taken from six to eight weeks for the best results.
Konjola is sold in Clarendon, Texas, at Douglas & Goldston Drug Co., and by all the best druggists in all towns throughout this entire section.

GREAT EASTER RALLY

COLORIED METHODIST CHURCH OF CLARENDON

This is an appeal from the Colored Methodist Episcopal Church for Clarendon, Texas. We are the descendants and representatives of that portion of the colored race which has always been true and loyal to the white people of our own section, and who have tried according to the best light we have to live up to our obligations as decent, self-respecting Christian citizens.

Several years ago we effected an organization and begun work in the city of Clarendon with a present membership of 15, we have a house of worship but we belong to the wage earning class and are people of small means. Our present indebtedness on our house of worship is \$500.00, which seems more than we are able to carry but we are trying to liquidate this indebtedness in this rally.

We pray that you will consider our solicitors by helping them.

GOOD ADDRESSES LIONS TUESDAY

INSPIRATIONAL ADDRESS DELIVERED BY WORKER IN HI-Y INTERESTS.

Grover C. Good, State Secretary of the Hi-Y movement, was the principal speaker at the Lions luncheon Tuesday of this week. Mr. Good has given his life to the study of the problem of the older boys and gave the Lions much to think about along this line. He stated that the time of life with which he is dealing is the most critical in the life of any boy. It is the time at which he chooses his life's work, his future wife and a great many other things that have to do with the formation of his later life. The boy may not agree that he has chosen a number of these things, but nevertheless, it is true that they are chosen and are later brought to light.

One of the principal features of the address was a plea for some live and wide-awake man to play a big-brother to some boy in the community. It was found that many of the boys are looking for some grown-up to help them in their work, help them with their problems and advise them on the things they wish to do in their later life.

The time with which these boys are dealing is one that is easily influenced and it is where a great majority of the tragedies of life are found. In visits to State reform schools, it is learned that many of the boys would not have been there but for the lack of influence at the time when they are beginning to grow up.

The boys work is at present good, in so far as it goes, but the work stops at the point where it should be continued. The organization and proper functioning of the Hi-Y work will fill in the needed gap and many boys will go straight when they would otherwise follow another course.

Mr. Good stated that it was all very well to talk about the prodigal son, but that some attention should be paid to the prodigal father.

Announcement was made by Lion Wilder of the appointment of a committee from the Memphis Lions Club to work with the opening of the Red River bridge in the very near future. Nothing was done on this question.

Lion Boykin announced the coming of the Dallas men and urged that as many of the business men as possible attend the meeting to be held with them Friday afternoon in the Legion Hall.

Lion Douglas made announcement of the two elections for the week, asking that the Lions do their part in getting out a good vote for each of them.

The Ladies Night program for next Tuesday night was announced the usual luncheon for Tuesday noon being called in for that occasion. Lion Sherman as chairman of the program committee stated that there would be fun aplenty for everyone and that every Lion should make his plans to attend with his lady.

HEADRICK MAKES SUCCESS OF CHICKENS ON CITY LOT

M. W. Headrick has long made a study of the chicken business, and for the past several years has made quite a success in his efforts to bring chickens to market as early as possible. His success has more than increased this past spring, when he now announces he has chickens ready for the market. In addition to this, he states that he has a number of pullets that will be laying within the next 41 days. The space occupied by Mr. Headrick is somewhat limited, being contained in the bounds of his home place in the west side of the city.

Mrs. Hubert Smith and Mrs. S. S. Dubbs spent the past week-end in Abilene and Big Spring visiting with a brother, Charles O'Fiel.

Plainview's New Dairy Barn Forms Center for Panhandle- Plains Dairymen April 7th to 10th

Plainview, March 31—When the Third Annual Texas Panhandle-Plains Dairy Show opens in Plainview on April 7, it will be the culmination of the combined efforts of breeders, farmers, dairymen and business men of fifty-four Texas Panhandle Counties, the greatest co-operative movement ever inaugurated in the Panhandle. In making a success of the show the people of Plainview, interested individuals and organizations will spend approximately \$6,500.00; it is estimated that the attendance will total 50,000. The show opens on Monday and continues through Tuesday, Wednesday and Thursday.

Jersey breeders of the Panhandle will receive \$1,080.00 in cash premiums, Holsteins-Friesians \$1,000.00 and the Guernsey department \$1,000.00. Counties winning prizes in the Jersey department will receive \$300.00, and winners in the dairy products department will receive \$162.50. In the 4H Club Boys dairy judging department the winners of first place will receive \$25.00 and the second place \$15.00. A total of \$115.00 is offered in this department. In the vocational agricultural students judging contest the winner will receive \$25.00 first, and \$15.00 second. Premiums are offered in each class.

In addition to an exhibition of the best dairy cattle herds in the Panhandle the visitor to the dairy show will have an opportunity to see the first farm machinery show ever staged in Plainview. This exhibit will be housed in a new brick building near the dairy barn.

Ladies who visit the dairy show will be interested in knowing that the year the Plainview Federation is staging a pure food show on the same dates as the dairy show. This will be found at the City Auditorium.

Practically every farm convenience will be displayed in the exhibition building at the show this year. By erecting a new wing of the dairy barn for stall space the City of Plainview made it possible for the Association to release space for this purpose and many of the agents for milking machines, windmills, light plants and other modern farm conveniences have leased the building for exhibiting their products.

A feature of the show each year is the annual sale. This year this department will be managed by Joe Jennings, manager of a large farm near Plainview. Thirty-six animals will be sold by Colonel

E. E. Herriff, well known auctioneer. The sale will be held on Thursday, April 10.

The official program of the show calls for the production contest on the first day, Jersey day on Tuesday and the annual exhibitors banquet Tuesday night. Wednesday has been designated as Guernsey and Holstein-Friesian day and Thursday is sales day. A number of Panhandle towns have selected special days at the show and those will be dedicated to them.

J. B. Fitch, Head of the Dairy Husbandry Department of the Kansas Agricultural College at Manhattan, Kansas, has been selected as the judge for the show and will judge all classes. For two years Mr. Fitch has judged the Tri-State Fair at Amarillo and one year judged the Texas State Fair at Dallas.

The officials of the Third Annual Texas Panhandle-Plains Dairy Show are: Oscar Stansell, Floydada, president; S. J. Payne, Tulla, Vice-president; R. M. Miller, Plainview, General Superintendent; and Maury Hopkins, Manager, Plainview. The directors are composed of leading breeders, farmers and business men of practically every county in the Panhandle.

W. H. PATRICK TO SPEAK AT HISTORICAL MEETING

Canyon, March 29—W. H. Patrick of Clarendon, is to be one of the speakers on the program of the Panhandle Plains Historical Society here April 11.

This year the Society is having an all-day meeting, culminating with the annual dinner at six o'clock. At the dinner J. Evetts Haley, who is well known in Clarendon, will be the principal speaker. He will give an interpretation of the life of Colonel C. C. Goodnight.

Reservations for the dinner are already being received and officers of the society say that all reservations should be made with the secretary, Mrs. T. V. Reeves, Canyon, before April 5. 200 attended the meeting last year.

Abilene's \$150,000 Air Terminal will be dedicated during the W. T. C. C. Convention May 29, 30 and 31.

Mrs. Hugh Riley and daughters, Mmes. Elmer Palmer and Jiggs Mosely and sons, Hal and Buster, left the early part of this week for a visit in Mineral Wells with the mother of Mrs. Riley.

MRS. CALLIE HOUK BURIED HERE WED. AFTERNOON

The last rites for Mrs. Nancy Caroline Houk were held Wednesday afternoon of this week from the first Methodist Church. Rev. S. E. Allison, pastor, officiated at the services. Interment was had in the Citizens Cemetery.

Mrs. Houk was born Nancy Caroline Vaught on January 29th, 1863. She was born in Spring Valley, Virginia. Death came for her after a period of suffering, taking her on April 1, 1930, at her home in Clarendon. She was 67 years, 2 months and 2 days old at the time of her death.

Her early life was spent in Virginia, she later marrying Rev. Samuel Ellis Houk, a minister of the Methodist Church. He preceded his wife to the grave, passing to his reward September 7, 1905. Seven children were born to this couple, five of whom are living. They are: Mrs. Coe Cleek of Panhandle; Mrs. Will Clover of Dallas; Mrs. Blanche Davis of this city; Mrs. Claude C. Parsons of Oklahoma City and Mrs. Sam Dyer of Clarendon. All of these were here for the last rites, a part of them having been with their mother through the last days of her life.

Mrs. Houk was early converted and united with the Methodist Church. She labored faithfully with this organization until her death, being active in all parts of the work up to her last days on earth. She will be missed by a great circle of friends, who join with the family in their sorrow over the loss of their mother.

Mr. and Mrs. Fred Buntin and daughter, Miss Phebe Ann, left this morning for Hot Springs, Arkansas, where they will be for some time in the interests of Fred's health.

Mercerization is a process used in finishing some cotton fabrics that adds not only beauty, in a glossy finish, but durability. Sometimes mercerized yarns are combined with plain ones to make stripes, checks, and figures of unusual attractiveness. The more or less temporary glossy finishes applied to fabric by means of a paste mixture should not be confused with mercerization, nor should rayon, which is quite different from mercerized cotton.

Bright colors like red, green, orange, vivid blue, or yellow, are desirable for children's out-of-doors play clothes, especially if the little ones must play where automobile traffic is passing. Motorists see these colors easily, although they may not notice the browns, grays and other dull colors used for outer wraps which blend with the landscape. Children like the bright colors best, and are protected by wearing them. Much the same is true of bathing suits in bright shades. The child is visible wherever he ventures.

LEGION TO HELP CONTROL TRAFFIC

FIRE TRAFFIC IS CHIEF SUBJECT FOR DISCUSSION TUESDAY EVENING.

Assistance in the matter of preventing possible accidents at the scene of fires was discussed at the Legion meeting held Tuesday evening of this week. The Fire Department has asked that this organization do all possible to keep traffic lanes clear of all vehicles and pedestrian traffic until the route of the trucks has been determined. Again, at the scene of the fire, the boys have been asked to keep cars parked as far away as two blocks to prevent possible hindrance to the boys as they go to their work at the fire.

The Post discussed the matter at some length and later went on record as being favorable to the proposition. The services of the Post were offered the Department and every member was asked to do his part in keeping the streets clear for the trucks, later assisting at the scene of the fire if necessary.

The matter of the organization of a branch of the 40 and 8 was brought up for the attention of the members, the post declaring this to be out of their reach and authorizing the appointment of a committee to interview those interested in becoming members of this body. Legionnaires Caraway, Clifford and Huffman were named on the committee and were asked to have their report ready as soon as possible.

The Constitution and By-Laws of the Eighteenth District were brought to the attention of the organization and were adopted without question. The Adjutant was authorized to make payment of the dues to Executive Committeeman Gibbs for the Aubyn E. Post.

The joint social event for the members of the Legion and the Auxiliary was announced for the coming Monday evening and the

PADUCAH COURT HOUSE DEDICATION, APRIL 11

The News is asked to announce the corner stone laying ceremonies of the Cottle County court house at Paducah, April 11. The ceremonies will be under the auspices of the Masonic fraternity and an officer of the grand lodge will make the address. Masons and others are invited to attend.

Mr. and Mrs. Ralph Kerbow were Amarillo visitors Wednesday of this week.

Boys were urged to make their plans to attend. The ladies will furnish the edible portions of the entertainment for the evening and the members of the Post will furnish the other entertainment. The event will be held in the Ladies Club Room in the City Hall.

Adjutant Boykin stated that he had orders on file for eleven caps and that they would be ordered at once. Other members desiring caps should see him or some member of the committee in charge of this work at once.

CLARENDON BOY IS T. U. SPORTS WRITER

In charge of the publicity for all sports at Texas University for over one hundred Texas dailies, is the new assignment for a Clarendon boy at the University. Sam Braswell, Jr., of this city and a student in the department of journalism began this work for the school in advance of the Texas Relays, the major track event of the year, which was held in Austin, Friday, March 28th.

Dean Hornaday of the school of journalism made this appointment after having watched the Clarendon boy's work on special assignments of local university sporting events. Sam will handle the baseball, tennis and track stories for the Texas dailies for the balance of the school year.

Frank White, Jr., attended to business matters in Groom and Amarillo on last Sunday.

Miss Eva Lee Morrison spent the past week-end in Amarillo visiting with Mrs. Robert Parks.
