CLARENDON, DONLEY COUNTY, TEXAS, AUGUST 5, 1943

A Common Paper for Common People

Interest Grows In Victory Edition Of The Leader

DEADLINE SET FOR RECEIVING PICTURES FOR SPECIAL ISSUE

Interest in the forthcoming Victory Edition of the Leader mounts daily as hundreds of Donley County residents have brought us pictures of their loved ones who are serving in the armed forces.

It is hoped that the total number of pictures appearing in the special issue will total between five and six hundred—all Donley County men and women who are serving their country. It will truly be a lasting tribute to those from our area who are giving their all for the blessings of liberty. It is a project that will be looked back on with pride by our service men and women as well as by their loved ones.

If you have a picture of a Donley county man or woman who is serving in the armed forces, won't you please bring it to the Leader office so we may include it with

SPECIAL PERMANENT COPIES OF VICTORY EDITION WILL BE PRINTED

After the pictures have been used in the regular paper, the Leader will run off a number of extra copies the size of a college annual, and it will contain all the pictures and will be printed on high grade book paper with a permanent cover attached. These special booklet form issues will be available for \$1 to those who reserve them in advance. No extra copies of the Leader can be bought over the counter on the week the Victory Edition is issued. Only regular, paid-up subscribers will receive a copy of the paper containing all the pictures.

Mail orders for the books should be accompanied with 25c to cover cost of mailing and handling.

Postal regulations are such that the booklet form can be mailed to those overseas, and you've no idea what one of them mean to a soldier so far away from home.

Please let us know how many of these more permanent "booklet form" copies of the Victory Edition you want. They will be about the size of a college annual and will be something that can be kept for a lifetime.

Remember—there will be no extra copies of the Victory Edition sold over the counter when the issue comes out.

the hundreds of others whose pictures will appear in one big Victory issue of the paper.

The first group of pictures have been sent to the engraver already, and the deadline for accepting pictures to appear in the publication will be one week from today - - - that's August 12th to be exact. Actual work of printing the Victory edition will then begin and it cannot be completed before early in September.

Donley county residents have been unanimous in their praise of the Leader's undertaking, and the response so far in bringing in pictures has been gratifying indeed.

If you have already brought in your loved one's picture, then tell your neighbor and your neighbor's neighbor to do likewise.

LIONS CLUB MOVES DATE OF CHICKEN BARBECUE ONE WEEK EARLIER

The Clarendon Lions Club voted this week to move the date for the Jagdis night and chicken barbecue from the 30th to the 24th of August. The Hedley club will also be entertained at the same time.

Lion J. R. Gillham made an interesting report on his recent trip to Cleveland, Ohio where he attended the International Conference.

Ration Reminder

War Ration Book I
SUGAR—Stamp 13 valid for five pounds through August 15. Stamps Nos. 15 and 16 good for five pounds each through October 31 for canning sugar.

(No stamps in this book to be used until announcement is made. Many books still to be mailed to consumers.)

GASOLINE—"A" book coupons No. 7, good for four gallons each outside the East Coast shortage area, must last through September 21st.

Transport rations for commercial users issued for third quarter under ODT certificate of war necessity good from July 1 to Sept. 30. Each coupon good for five gallons.

Forrest McCrary Takes Over Bartlett Grocery This Week

Forrest McCrary, who purchased the stock of the Bartlett Grocery last week, took possession Monday of this week.

A large amount of fine quality foods have been added to the stock of merchandise already on hand, and Mr. McCrary invites all his friends to come in and visit him.

In addition to the other stock of foods, he maintains a market with a complete variety of meats.

Turn to page seven in this issue of your Leader and read what Mr. McCrary has to offer in the way of food specials.

The location of the McCrary Grocery will be in the same building occupied by Mr. Bartlett, next door south of the County Agent's office.

Mrs. W. A. Land and Mrs. M. C. Reed were in Amarillo shopping.

Worley Attends XIT Reunion

Congressman Eugene Worley of Shamrock and his wife, Ann, attended the annual XIT reunion in Dalhart Monday and rode, as special guests, in the parade that afternoon and witnessed the rodeo that night.

Congressman Worley continues to tour the district this week, having made talks at Dalhart, Stratford, Dumas, Spearman. He will visit Lipscomb Friday and Perryton Saturday.

On Monday, Aug. 9, he will speak in Shamrock, his hometown. He will be in Pampa Aug. 10, Borger Aug. 11, Panhandle, Aug. 12, McLean Friday, Aug. 13, in Clarendon at 4 o'clock the afternoon of Aug. 14 and at Claude at 9 o'clock that night.

Mr. Worley said he was giving the people of the district a firsthand, straight-forward report on the war program and the home front problems.

Mr. and Mrs. Jack Murff from Lufkin, Texas are visiting her sister and family this week. Mr. and Mrs. Alfred Estlack; also visiting his parents, Mr. and Mrs. N. L. Murff at Brice and other relatives.

Water Shortage

Your City commissioners have asked the Leader to explain that a serious water shortage has hit Clarendon and unless they receive full cooperation it may become acute. In case of a fire, there would not be enough water to fight it with.

You are asked to only water your lawns and gardens on Monday, Wednesday and Friday evenings.

Please be patriotic and cooperate.

Your City Commissioners.

Home Nursing Course To Be Offered Here

The Board of the American Red Cross met Wednesday morning to discuss plans for courses to be given in Home Nursing in Donley County.

Mrs. Lee Holland was elected Chairman and Mrs. Allan Jefferys Co-Chairman. These ladies will announce their committees and more information in regard to the Home Nursing Classes, which will start about Sept. 6th.

Mrs. Thos. Luns, General Field Representative from St. Louis of the American Red Cross, was present at both meetings held Wednesday.

4-H Club Attends Encampment

County Agent H. M. Breedlove and three 4-H Club boys from Donley County are attending the District 4-H Club encampment at Lake McClellan this week, which began Tuesday and will end today.

The boys attending the encampment are Jack Lewis of Lelia Lake, Sam Owens Jr. of Hodley, and Monte Ray Wolford of Lelia Lake.

The encampment had representatives from 21 Panhandle counties attending the meeting. This is an annual event for the district for 4-H Club boys. The boys are selected to attend the District encampment according to the different kinds of demonstrations that they are conducting in 4-H Club work.

Specialists from College Station were in attendance at the encampment and made talks to the boys during the day on different phases of agriculture. The encampment is educational as well as a place for the boys to get together and have a big time.

Knox Parr, District Agent for the Texas A&M College Extension Service was in charge of the meeting.

Boards Ordered To Plan Draft of Dads October First

Local Boards Get Directives

WASHINGTON, Aug. 2—In authorizing the drafting after Oct. 1 of fathers living with and supporting children born before Sept. 15, 1942, Selective Service today gave local boards these directives on the order of call:

"When a local board is filling a call it shall first select and order to report for induction specified men who have volunteered for induction.

"To fill the balance of the call it shall, from the groups listed below, and insofar as is possible in the order in which the groups are listed, select and order to report for induction specified men finally classified in class 1-A and class 1-A-O (conscientious objectors available for non-combatant military service only) who are available for induction:

1. Men with no dependents.
2. Men with collateral dependents, provided such status was acquired prior to Dec. 8, 1941.
3. Men who have wives with whom they maintain a bona fide family relationship in their homes, provided such status was acquired prior to Dec. 8, 1941.
4. Men who have children with whom they maintain a bona fide family relationship in their homes, provided such status was acquired prior to Dec. 8, 1941. A registrant placed in class 1-A or class 1-A-O because he left an agricultural occupation or an agricultural endeavor or because he was engaged in a non-deferrable activity or occupation will be inducted prior to those men reclassified from class 3-A into class 1-A or class 1-A-O pursuant to this memorandum."

WASHINGTON, Aug. 2—Local draft boards were authorized by Selective Service today to call up pre-Pearl Harbor fathers after Oct. 1, but only to the extent "absolutely required" to meet their monthly quotas.

One authoritative estimate was that only some 300,000 fathers living with and supporting children born before last Sept. 15 and not engaged in non-deferable work would actually be inducted this year.

Another 150,000, however, probably will have to be sent to induction stations in order to get 300,000 fully qualified men.

Since there are 6,569,000 non-farming fathers, this would indicate that only about one out of 22 will be put into uniform in 1943.

Detailed Instructions

The 744,000 fathers regularly engaged in agricultural work will continue virtually draft-proof for occupational reasons.

Preparatory reclassifications may begin at once, but local boards were forbidden to order fathers to report for induction before October 1 if they are maintaining a bona fide home relationship with children born before last Sept. 15 and are not workers in the activities classes as non-deferables.

Also, the boards were instructed to continue calling single and childless married men first if they have no occupational or hardship ground for deferment and to make reclassifications out of the fathers' group, 3-A, "only as needed" to meet the demands upon a local board for men for military service.

The calling of fathers will be according to their draft order numbers regardless of the number or age of their children, unless they are granted deferment as "essential" in agriculture or industry or unless their induction would mean "extreme hardship and privation" to their families. The policy of not drafting men over 32 continues.

The decision in each man's case will be up to his local board, subject to appeal.

Favors Increased Aid

In deciding whether to grant hardship deferment, classification 3-D, boards are to take into consideration provisions for allotment to dependents of service men and "other means by which the registrant could contribute to his family's support in event of induction."

Currently wives get \$50 monthly—\$22 taken from the husband's pay and \$28 as an outright government grant—while the government gives \$12 monthly for the first child and \$10 monthly for each additional child.

The Senate has passed a bill to increase allowances so that a wife with one child would get a total of \$68 instead of the \$62 now provided, while allowances for each additional child would be raised from \$10 to \$11. House action on the measure is expected after Congress reconvenes.

Bond Dollars Are Fighting Dollars

More than \$240,000,000 daily is being spent upon our war machines today, a rise of \$100,000,000 over a year ago. That is why President Franklin D. Roosevelt, in a message to American workers, told them "we need considerably more than 10 percent of income in War Bonds now." The Treasury Department is conducting a national campaign under the slogan, "Figure It Out Yourself," asking every worker to balance family income with family cost of necessities and put the extra money into more bonds every payday through the payroll savings plan.

Ross D. Rodgers To Present Charter To American War Dads Monday

The newly organized club of American War Dads will be hosts to ex-mayor Ross D. Rodgers of Amarillo Monday night at which time he will present the local organization with their charter.

The meeting will be held at the Legion Hall at 9:15 p. m. on the night of August 9th. All Dads who have sons or daughters with the armed forces are asked to be sure and be present and bring along their wives.

The program for the occasion is as follows:
Two vocal numbers — Lions Quartet.
Address of Welcome — J. C. Estlack.
Special Music—Carl Bennett Jr. and Mrs. Rayburn Smith.
Introduction of Speaker—W. H. Patrick.
Main speaker of the evening—Ross D. Rodgers.

In order that those who do not belong to this organization and should rightfully be a member we

every effort to hasten the Victory.

1. Personal service to men and women in the armed forces.
2. Governmental cooperation in the prosecution of the war.
3. Keep America American for the return of our sons and daughters.
4. Sympathy and support to fellow War Dads.

Their objectives after the war are: 1. Permanent peace. 2. Adequate hospitalization. 3. Gainful employment. 4. Sound rehabilitation. 5. Training and education.

There are many other prominent features of the organization that will be brought out at the meeting Monday night by Ross D. Rodgers as he is the President of the Amarillo Organization.

CLARENDON FOOD STORE VICTIM OF THEFT TUESDAY NIGHT

The Clarendon Food Store was another victim of what is supposed to be the Sheriff's office as a youth theft Tuesday night. Three dollars in cash was taken and signs showed where bologna was eaten by the youths in the Cream room of the establishment.

The thieves gained entrance through a window which was partly raised along the south side of the building and then they left out through the back door leaving it unbarred.

Texas Deposit Bottle Round-Up Campaign Started August 1st

A three months campaign to stimulate the return of deposit bottles, milk, beverage and beer, was started the 1st of this month by a proclamation of Gov. Coke Stevenson.

This great state-wide campaign is being sponsored by every brewery in the State of Texas, as well as by the majority of beer distributors, soft drink bottlers and dairies. All co-sponsors of this campaign today must have their empty deposit bottles returned if they are to maintain their present volume of business. The Government, you know, restricted the purchase of new bottles to 65% of the new bottles purchased during a comparable period last year.

PROCLAMATION
By The Governor of the State of Texas
No. 8029

TO ALL WHOM THESE PRESENTS SHALL COME:
WHEREAS, the conservation of deposit bottles, like the conservation of all other materials these days, is of vital importance to everyone; and
WHEREAS, millions of these empty deposit bottles are known to be in homes, garages, business places and industrial plants; and
WHEREAS, the return of these idle bottles which can be sterilized for civilian re-use would permit the glass industry to use even more of its facilities for the manufacture of glass containers for food and other items required by the Armed Forces at home and abroad:

NOW, THEREFORE, I, Coke Stevenson, Governor of the State of Texas, do hereby request that every person cooperate in this

DEPOSIT BOTTLE CONSERVATION PROGRAM which opens August first, and ask that they search their homes, garages, business places and industrial plants and promptly return these containers to the places from which they were obtained.

IN WITNESS WHEREOF I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this the 19th day of July, A. D., 1943.

Signed Coke R. Stevenson
Governor of Texas
(Signed) Sidney Latham
Secretary of State

MOTOR STAMP SALES BETTER THIS YEAR

A total of 984 auto and truck federal motor vehicle stamps were purchased at the local post office during July, totaling \$4,920.00. This is \$420 more than the same stamps sold for in July of last season.

The August stamps are now on sale at the local post office. The price for this stamp is \$4.59. If you are subject to purchase a federal stamp, better do it now. Inspectors are soon to work this section, and if you are eligible to have a stamp displayed on your vehicle, and have neglected it, the federal officers will remind you in a very painful manner of a fine and costs and the purchase of a stamp.

YOUR 1943 INCOME TAX

(Series 5)
By

J. A. Warren, Income Tax Service,
Clarendon, Texas

In this item we shall take up the matters of deductions and payment of 1943 taxes.

Unless otherwise ordered, the personal exemptions are the same as for 1942 on your regular tax, that is \$500.00 for a single person, or married but not living with husband or wife, and \$1200.00 for married persons, or head of a household as defined by the income tax laws; and \$350.00 for each dependent. On your Victory Tax return, these exemptions are different, being \$624.00 for each person, married or single.

For income tax purposes, you are allowed all necessary business expenses as heretofore. For your regular returns you are allowed all such items as taxes, interest, salaries, labor, donations to Church or Charitable Institutions, rents, business insurance, freight, losses, etc. In some cases you are benefited by medical and dental expenses, but that has to be determined after your figures are completed.

Farmers and ranchers, of course are allowed all necessary expenses incurred in connection with their business, as most of the above items, also ginning, blacksmith, hauling, all labor, farm fuels, and in fact all items that contribute to your making of income, but no personal items as clothing, groceries, private car expenses, schooling, and such are deductible, so be certain to distinguish between business and personal expenses when arranging your figures and data.

Your tax rates, thus far, are the

same as for 1942, on your regular returns, that is 6% normal and 13% surtax on the first \$2000.00 taxable income. In addition to this is 5% tax on your Victory Income. The surtax is a graduated tax and increases after the first \$2000.00 with each additional \$2000.00 of taxable income.

Any taxes due for 1943 must be paid when you file, or one half Sept. 15th and the balance Dec. 15th. At this time you will receive credit for the amounts of 1942 taxes paid and that are forgiven, such amounts, generally to be applied on your current taxes. There are exceptions to this, that cannot be explained here. All wage earners that have been subject to, and are now subject to the 5% Victory or the 20% withholding tax, will also get credit at the time of filing for such amounts as have been withheld from their wages from January 1st, to Dec. 31st, to be applied on their regular and Victory taxes.

In filing your Estimated Return Sept. 15th, you must estimate within 80% of your actual tax, or you will be penalized. If you fail to file on time or fail to pay an installment when due, you will be penalized, so give Uncle Sam your attention in this matter.

Best In The Country

The Army auxiliary patrol force at the Pittsfield plant of General Electric received an efficiency rating of 88% by the War Department, the highest of any similar police force in the country.

Mr. and Mrs. Fred Weathers and Coy Looper of Amarillo visited their parents, Mr. and Mrs. J. M. Looper and family, Tuesday.

GOVERNOR STEVENSON'S PROCLAMATION URGES RETURN OF DEPOSIT BOTTLES. In the proclamation, just issued by Governor Stevenson, Texans are urged, during the month of August, to conserve the existing supply of returnable deposit bottles by returning them promptly to the dealers. Governor Stevenson's proclamation points out that the general public, by returning idle milk, carbonated beverage, and beer bottles, which can be sterilized for civilian re-use, will permit the glass industry to re-use even more of its facilities for the manufacture of glass containers for food, and other items, required by the armed forces at home and abroad. Mrs. Margaret McDuffie, the Governor's personal secretary, was photographed with him at the time the proclamation was signed.

My dear baby Sandy,
I just received your lovely letter of June 8th. Gee, it is great to have a lovely granddaughter to write such a sweet letter while I am so far away. Baby, I would give anything to be with you tonight. I bet we would have lots of fun playing with your Bobby and your other pets and toys. We could feed the chickens and help mother with her garden. But, baby it will be awhile yet before we have your home safe from an awful fierce enemy, so, I must stay over here and do my best until the job is finished. It's you, dear, Grandad is fighting to protect so be a sweet little girl and help mother a lot and be sure to make up your mind to have that picture made for me soon.

Love and kisses,
Grandad

(This letter was written to Miss Sandra Lee Hampton by her Grandad, who is in service in Australia. Miss Hampton resides

at the home of her parents, Mr. and Mrs. Robert Hampton, Clarendon, Texas.)

Pvt. Clyde O. Jones
105th Gen. Hosp. A.P.O. 923
% Postmaster
San Francisco, Calif.
July 17, 1943

My Dear little Granddaughter,
I just read your sweet letter of July 6th and Baby dear, I am very proud to have those lovely letters from my pet. Yes, dear, I did get your first letter and wrote you the very same day. I am sorry you haven't gotten it. I did so want you to get the first letter from Grandad direct to you. Maybe you have gotten it by now. It was sent to box 513, so you ought to have gotten it. Well, darling how are you and mother coming along. Is she still trying to be boss? That is the way with mothers—they always want to be telling the little ones what they shouldn't do, and what they must do, and if the little one gets too smart sometimes, mother gets a switch and wades in on those little fat legs. You spoke of your sun-tan. Gee! I surely wish I were there to get a nice sun-tan with you. It is pretty cold here—a little too cool to get a sun-tan. I am so white now, I look like a "sissie." But, believe me I was black before winter started. Dear, I would give anything to be with you tonight. There just don't seem to be

any children in this country. I have seen very few since being here. Everytime I see a baby it makes me so home-sick to see you I can hardly stand it.

Sandy, dear, how are your pets. Bobbie and the rest? I bet you have a time playing. Mother said you were growing up so fast I wouldn't know you. Now, you must not get too grown up, for Granddad wants to have a baby to play with when he comes back home and you know I think you are the most beautiful girl that I have ever seen. So, you must hurry and pose for those pictures—for I am anxiously waiting for one. I have been aiming to have some pictures made, but it takes from 6 weeks to 2 months to get the work done over here.

Well, Baby dear, I must go for this time and write mother and daddy.

Lots of love and a prayer,
Grandad
(This letter was written to Miss Sandra Lee Hampton, age 2 1/2 years old, by her Grandad who is in service in Australia. Miss Hampton is the daughter of Mr. and Mrs. Robert Hampton of Clarendon.)

Whatever Your Name Is
Look out for a fellow who claims he has the same family name as yours and has a very pitiful story of having been temporarily stranded in the city while on his way home. He claims to be in trouble and hits you for a temporary loan, promising to return the money tomorrow. This is an old racket and the swindlers who perpetrate it are excellent actors. The amounts these swindlers get are small, but they constitute an embarrassment and nuisance.

HANDBOOK OF TEXAS TO BE PUBLISHED

Texans are proud of Texas, and they want the world to know it. More than 10,000 topics have been catalogued for an omnibus two-volume Handbook of Texas which is being compiled at the University of Texas for the Texas State Historical Association.

A great bulk of these topics have been suggested by the people of Texas, whose advice has been sought by compilers of the work.

But the handbook staff, under the supervision of Dr. H. B. Carroll, acting director of Texas history, is digging into all possible sources for additional topics.

They have already combed eight Texas history books, a dictionary of American history, and a handbook of North American Indians. Physical and political maps of Texas have been studied and outlined. This summer staff members are cataloguing items from the state library, and facts from old land grants.

The Handbook of Texas is to be published in 1945, to commemorate the centennial of Texas statehood.

ARMY EXCHANGES SELL EXOTIC WARES

Army Exchanges, which follow American troops wherever they go, are now dealing in such items as kangaroo rugs, grass skirts, and native-made jewelry, in addition to their staple line of cigarettes, candy, soft drinks, and other home commodities, the War Department has been informed. Since many of the soldiers want to send such things home, the Exchange Service buys them from the natives at a reasonable price and resells them to the soldiers. The natives were inclined to "jack up the price" on direct sales. Grass skirts sell for approximately \$1.50, while a good kangaroo rug may cost \$20.

Have a "Coke" = Come, be blessed and be happy

... or how to break the ice in Iceland

"Come, be blessed and be happy", says the hospitable Icelander when he meets a stranger. That's a warm way of putting it, but no more friendly than the way American soldiers say it. Have a "Coke", says the Doughboy, and it works in Reykjavic as it does in Rochester. The pause that refreshes is the friendly way to say "Hi, pal" in any language. All over the globe Coca-Cola has become the gracious ice-breaker between kindly-minded strangers.

"Coke" = Coca-Cola
It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

PROGRESS.
Old Brave Eagle and Fighting Bird have a new baby out on the Navajo reservation, so I'm informed in a letter from an Indian

neighbor this week. In keeping with the times and conditions, they have named the baby boy "Four-Engine-Bomber!"

A LESSON IN THRIFT.
A father said, "Now, son, start saving the pennies and put them in this yellow box, and when you get five pennies give them to me and I'll give you a nickel and you can put that in this blue box. Then

when you get five nickels give them to me and I'll give you a quarter and you can put it in this red box."

Seventeen years later the boy discovered that the red box was the gas meter.

INFORMATION.
Vanishing cream was first invented by the cow that jumped over the moon.

THE BELIEVER.
I've often heard that women can stand more pain than men. And when I look at the kind of shoes she wears, darned if I don't believe it.

HER DOWER RIGHTS.
"Now, suppose," said the teacher, "a man working on the river bank suddenly fell in. He could not swim and would be in danger

"Opinion, Mr. President, is divided as to whether the use of air power could by itself bring about the collapse in Germany or Italy. The experiment is well worth trying."

Prime Minister Winston Churchill, addressing the joint session of Congress, Washington, May 19, 1943

WHAT SAVED BRITAIN in the blitz of 1940? Some authorities say that the defeat of the Luftwaffe can be credited chiefly to a difference of only 13 points in octane number!

While the Germans had only 87 octane aviation gasoline, the good planes and gallant pilots of the R.A.F. had 100 octane. This gave the Royal Air Force reduced fuel consumption, and greater horsepower for faster climbing . . . greater altitude . . . extra maneuverability.

Phillips and the American petroleum industry are today supplying great quantities of 100-plus octane gasoline. This super-fuel increases enormously the fighting effectiveness of U.S. and all United Nations war planes.

No wonder the British Prime Minister is never more confident than

when predicting great air offensives to devastate Germany and Italy, to lay "the cities and other munitions centers of Japan in ashes."

Thanks to its long-range program of peacetime research, Phillips Petroleum Company was one of the first to take 100 octane aviation gasoline out of the laboratory and into mass production. The making of these American super-fuels is not merely a refining process; it is actually the synthetic production of chemicals!

That is why we say: Every time you see the Phillips 66 Shield, let it remind you that Phillips refineries, in addition to producing gasolines, lubricants, and fuel oils, are also gigantic chemical plants pouring out weapons for victory.

FOR VICTORY... Buy U.S. War Bonds and Stamps

of drowning. Picture the scene. The man's sudden fall, the cry for help. His wife knows his peril and hearing his screams, rushes immediately to the bank. Why does she rush to the bank?"

Whereupon a boy exclaimed, "To draw his insurance money."

FAITHFUL.
The good husband is the guy who feels in all of his pockets every time he passes a mail box.

WHAT, NO TRICKS?
A small boy on being asked how his uncle always won when he played cards, but lost when he backed horses, promptly answered: "Uncle can't shuffle the horses."

REAL ESTATE DEPARTMENT.
A worried negro walked into the office of a southern area rent control administrator and asked if anyone could tell him who his landlord was.

"Your landlord," a clerk told him, "is the man you pay rent to."

"I don't pay no rent," the negro said. "You see, 'bout nine years ago I found me a house vacant and moved in. I been there ever since and ain't never paid no rent."

"Well, then," said the clerk, "what are you worrying about? You have no complaint."

"Yassuh, I knows dat. But if somebody don't fix dat roof I'm gonna move out."

GOLDSTON
Beatrice Smith

Mr. and Mrs. Tom Mooring and children entertained with a party Friday night given in honor of Cadet Lamar Stewart.

Mr. Charlie Patterson spent last week with his nephew and family, Mr. and Mrs. Jerrel Patterson.

Molly Ann Ziegler of Canyon is visiting her cousin Vilas Ann Ziegler.

Jimmie Nell Parker spent last week in Amarillo visiting relatives.

Junior Patterson of Alanreed spent the past week with his brother and family, Mr. and Mrs. Jerrel Patterson and spent Friday night with his sister and family, Mr. and Mrs. Tom Mooring.

Marjorie Brock spent Saturday night with Jimmie Nell Parker.

We are sorry to report the illness of Hugh Stewart. We wish him a successful recovery.

Mr. and Mrs. Bob Hay of Clarendon spent two days last week with his brother and family, Mr. and Mrs. Haskell Hay.

Mrs. Houston Allen and daughter Rosemona visited in the Roy Roberson home Friday.

Mr. and Mrs. Willard Higdon and daughters of Dalhart spent a few days this week with his parents, Mr. and Mrs. W. C. Higdon and family.

Mr. and Mrs. Charley Young and small daughters of Lelia Lake and Mr. and Mrs. Orval Scott of Oklahoma City were dinner guest of Mr. and Mrs. Haskell Hay and son Tuesday night.

Mr. and Mrs. Coleman Howard and son and Mr. and Mrs. Buck Parker and family and Marjorie Brock spent Sunday in the Joe Dilli home.

Mr. Pope spent Sunday visiting relatives in McLean.

Cadet William Lamar Stewart left Sunday afternoon for camp in New Mexico after spending his furlough with his folks, Mr. and Mrs. John Stewart and family.

Mrs. H. C. Smith and daughters Wilma and Beatrice and son Billie visited Mr. and Mrs. Claude Fulton and children Sunday afternoon.

John Smith spent Sunday with Roy Lee and H. E. Johnson.

A sister of Mrs. Edd Mooring

spent Sat. night in the Mooring home.

Mr. and Mrs. Roy Roberson and family spent Monday in Amarillo on business.

Miss Ina May Brock and brother, Glen of the Coast Guard and his wife spent a few days visiting their sister at Spearman.

The Sunday school card class went on a picnic after Sunday school Sunday. The parents going with the class were Mr. and Mrs. McDonald, Mr. and Mrs. Haskell Hay, and Mr. and Mrs. Neely Hudson. Mrs. Hudson is the class teacher and was the sponsor of the picnic.

Mr. J. R. Dale left last week for Seagraves for a few days visit with his brother Dick Dale.

Donley County Leader, \$2 a year.

ASHTOLA NEEDLE CLUB ENTERTAINS HUSBANDS

Just after sundown Thursday evening, the members of the Needle Club along with their guests enjoyed a delightful chicken barbecue. Later the youngsters romped in their games, while the others just visited and talked of days gone by. Those attending the happy occasion were the following couples, Messrs. and Mrs. Lu McClellan, Doyce Graham, Joe Bownds, Hubert Rhoades, W. A. Poovey, H. S. Mahaffey, F. M. Watkins, J. M. Graham, J. R. Brandon, W. P. Holley, Francis Brown, Grady Henson, H. Debord, B. Linders, Fred Mandrofsky.

And invited guests, Gladys Holley, Mildred Tomlinson, Mamie Barker, Helen and Ila Kay Rhoades, Mary Lois Scoggins, Dalene Bagby, Mrs. Levine and son, Mabel Moore, D. F. Randel, Marie Miller and baby, Faydean Watkins, Bob Brown, Donny Matheson, Booger and Jimmie Graham, Clyde Debord, Frank and Edna Mahaffey, Sandra and Richard Bownds and Mary Sue Rhoades.

1937 BRIDGE CLUB

Mr. and Mrs. B. G. Watson entertained the 1937 Bridge Club at their home Tuesday night. Three tables of auction was played with J. R. Gillham and Mrs. Maurice Lane winning high.

A lovely refreshment was served to guests, Mrs. Maurice Lane, and Mr. and Mrs. L. T. Whitlock, and members, Mr. and Mrs. A. D. Estlack, Mr. and Mrs. J. R. Gillham, Mr. and Mrs. A. B. Turner, Mr. and Mrs. G. W. Estlack and the hosts, Mr. and Mrs. Watson.

GARDEN GLANCES

"America beautiful lies in the hands of the gardeners."
Continued dry weather and hot sunshine have done great damage to the yards, gardens and lawns. The W. O. Butler yard is nice with its large shade trees, a green lawn and boxes of bright colored petunias.

Yards that denote a lot of care at this time are those of Grover Heath, Ralph Andis, Buddy Knorpp, Will Lewis and Odos Caraway.

A few nice dahlias are blossoming in the yard at the Frank Bourland home. There is also a bright red hibiscus that adds a gay touch to the garden.

Blue morning glories intertwined with other vines cover the walls at the home of M. S. Parsons.

—Contributed.

MIDWAY

Mrs. John Goldston
Charles Stidham is visiting the Clifford Davis family at the Burson ranch this week.

Mr. and Mrs. Pick Barbary of Groom spent Sunday in the Loyd Moreland home.

Mr. and Mrs. A. J. Garland of Ashtola visited in the Loyd Moreland and Edith Longan homes Sunday.

Mr. and Mrs. D. W. Higgins and Margaret Cole and Bobby visited the Morelands Sunday eve.

Mrs. Gamble was taken to a Memphis hospital Monday for an operation.

Mrs. Loyd Moreland went to Amarillo Thursday to visit her daughter.

Arthur Arnold and Clifford Davis were over Saturday on business from Silverton.

Grand mother Arnold visited over the week end at Hedley.

Miss LaVada Naylor returned Friday after a visit with her aunt at Pampa.

W. D. Higgins had the misfortune of his car and car shed burn-

ing Sunday night. The fire was supposed to have caught from a short as the car was honking which awoke the family and on investigation found it ablaze.

Gene Chamberlain of Memphis returned by plane from Corpus Sunday where he is stationed as government classifier of cotton. Mrs. Chamberlain and boy and sister Betty John Goldston returned to Corpus with him Monday.

Mrs. Smith is visiting her father at Leslie.

Mrs. Harold Longan and children returned the past week from camp visiting her husband. Mrs. Longan moved to Hedley Monday where she is to teach the coming year.

The Midway school board met Sat. eve in the W. K. Davis home. Martin Algren was elected to drive the Midway bus the coming school term. Martin has been Midway's driver ever since Midway has had a bus, a number of years, and all think him the very best.

Sunday, August 8—The Seventh Sunday after Trinity—11:00 A. M.—Morning Prayer and Sermon.

Mr. Knorpp.
Everyone is welcome at all services.

FIRST CHRISTIAN CHURCH
L. Guy Ament, Pastor

It may be too hot to go to church, but it won't be too hot to go to hell. That is still hotter. It is the purpose of God in all His Gospel plan to keep us from that hotter place. Be wise.

Church services at 11 a. m. and you come and be with us. Also services at 8:30 p. m. Let your light shine.

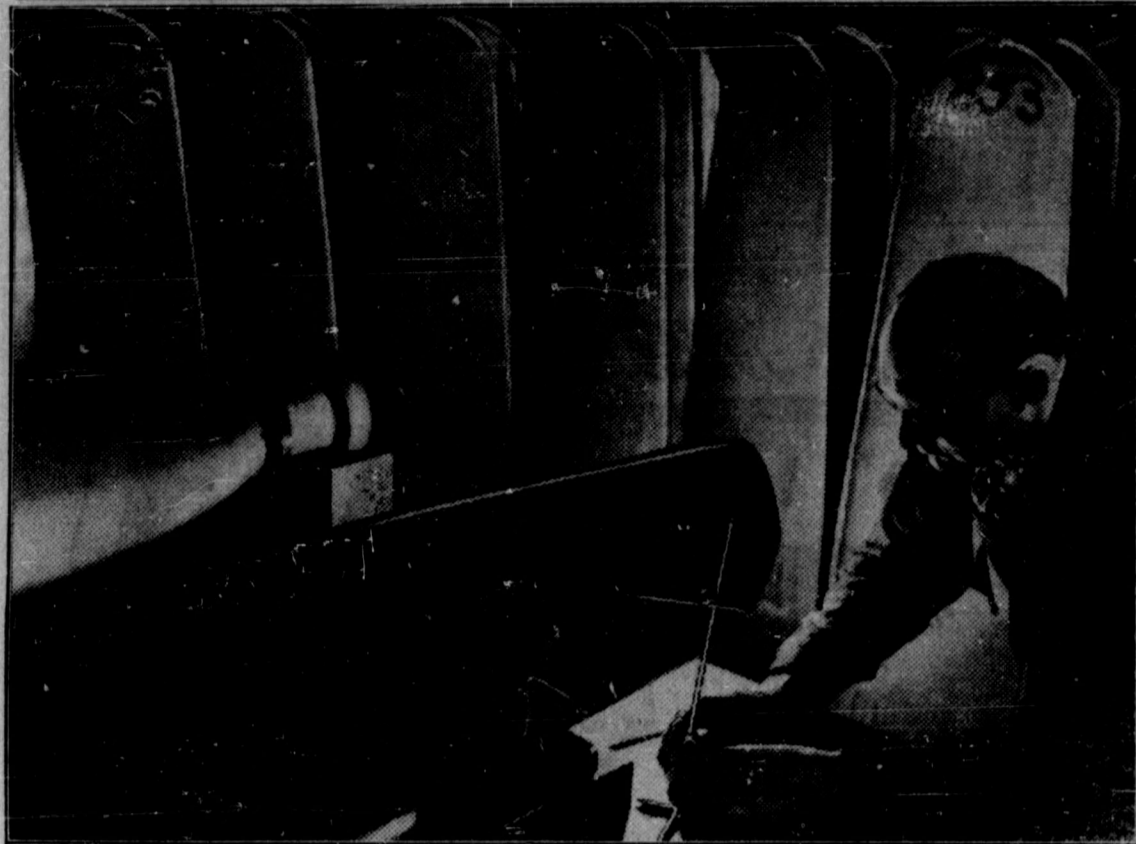

Let your influence be on the side for righteousness. Be with the best people in this world—the people who support the church and seek to advance righteousness.

ELERY WATSON RECEIVES AIR FORCE AWARD

The War Department has announced decorations to personnel of the U. S. Army 13th Air Force in the South Pacific area. Many of the decorations were for operational air flights during which exposure to enemy fire was probable and expected.

The awards included:
Air Medal:
First Lieut. Elery W. Watson, Clarendon, for 9 operational flights totaling more than 100 hours.

Checking Aluminum "Blades of War"

Careful inspection guarantees the quality of Chevrolet-produced war goods. Here a skilled metal worker makes suppliers of aluminum aircraft forgings. This workman determines dead center in each blade, and measures to be certain that sufficient stock is included to allow for all machining operations.

HOME ON VISIT
P. C. Messer who is in the U. S. Navy, stationed at San Diego, Cal., came in last Thursday for a visit with his wife and baby, also his relatives in the McKnight community. They visited friends in Clarendon Monday, thence on to Plainview where they visited Mrs. Messer's parents, Mr. and Mrs. Munroe. He left Wednesday morning on his return to his base.

Marilyn Bartlett is visiting for a few days with her grandmother, Mrs. Swift at Memphis.

RETURNS HOME
Mrs. W. A. Davis has returned home from a vacation trip with her daughter and family, Mr. and Mrs. Ross Baker and daughter Juanita of Amarillo, to the mountains in New Mexico, Santa Fe, Red River Pass, Taos and other places of interest. She reports a grand trip.

Mrs. Bill Bentley who visited her brother and wife, Mr. and Mrs. Jack Latson at San Bernardino, Calif. the past three weeks, has returned home.

BINGO! RIGHT ON THE NOSE
V. W. Carpenter had the misfortune to get his nose hurt this week. No, he was not hit by his wife or anyone else, nor did he have his nose in anybody's business, just at his usual work when down came the hood of a car and made direct connection with his nose. After a patchup by his doctor, he resumed work and seems not to be any worse for the experience, except in appearance.

Mrs. Harry Blair visited relatives at Memphis Wednesday.

North Plains Camp And Hospital Meeting Held

A special meeting was called last Wednesday morning by R. E. Drennan, Chapter Chairman of the American Red Cross of Donley County. The purpose of this meeting was to appoint the Donley County Camp and Hospital Committee. This committee will take charge of the furnishings of a Sun Room for the injured soldiers that have been placed in one of the five Panhandle Hospitals.

Jno. C. Knorpp was elected Chairman and Mrs. Walker Lane Secretary of the Central Committee. They assured newsmen that everyone in Donley County will be asked to contribute some article of furniture or service for this worthy cause.

Other members of this Central Committee will be announced later.

CIVIL SERVICE ANNOUNCEMENT

To permit additional printers to apply for positions in the government printing office, Washington, D. C. as estimators and jacket writers, the U. S. Civil Service Commission extended its deadline for accepting applications to August 17, Elmer G. Hayes, local civil service secretary said today.

Men or women with at least eight years of experience in printing, two to four years of which were spent estimating printing costs or specifying production method are urged to apply.

Appointees will be chosen on the basis of a written test to be given throughout the country.

Entrance salaries are \$3928 and \$3628 a year including overtime compensation for the 48 hour work week.

All appointments will be made in accordance with War Manpower Commission regulations.

OSCAR A. SMITH READY FOR ACTIVE DUTY

A "land locked" sailor until now, Oscar A. Smith, 18, son of Mr. and Mrs. Clifton Smith, Jericho Route, Clarendon, Texas, has completed his training and is ready for active duty with the fleet. He was graduated from the U. S. Naval Training School for diesel operators at the University of Missouri, Columbia, Mo., last week with the rating of fireman, second class.

Indian Tactics Used In North Africa

A tactic used by frontiersmen during Indian fighting days in the Texas Panhandle was employed by Army Ordnance companies in North Africa when they established bivouacs behind the front lines.

Ordnance repair and maintenance trucks rolled forward with the artillery. When they set up camp just behind the fighting units the vehicles were arranged in a circle similar to the manner in which prairie schooners once were formed for protection. The major difference in the tactic was that the trucks were spaced 85 feet apart so that it was impossible for Nazi bombers or artillery to knock out an entire Ordnance camp. Protective squads, armed with machine guns and anti-aircraft guns, were on guard at all times. Individual mechanics worked with their Garands beside them. They wore helmets and side arms at all times.

Coast Guard Wants Men

The United States Coast Guard wants men who have passed their seventeenth birthday and who have not become eighteen. There are many openings in the Coast Guard for these seventeen year old men who are desirous of joining its ranks. The men who enlist will be sent to the Coast Guard Training Station, St. Augustine, Florida. All men who desire to enlist should write the United States Coast Guard Recruiting Office for full information and an appointment for physical examination. The address of the Coast Guard office in Lubbock is Coast Guard Representative, Room 217, P. O. Box 1142, Post Office Building, Lubbock, Texas.

CIVIL SERVICE ANNOUNCEMENT

The civil service examination to fill the position of assistant investigator in the Office of Price Administration's district office at Lubbock, has been reannounced, according to information received here by Ernest Hunt, local civil service member at the post office.

In addition to one year of experience involving the enforcement of state or federal laws relating to industrial operations where investigations include the analysis of sales shipping, purchasing and production records, applicants must have one year of experience handling industrial purchasing or billing transactions, or maintenance of accounting records, or distribution of goods, or analysis of production methods, or related experience.

"All applicants for this \$2600 a year job must demonstrate ability to meet and deal satisfactorily with the public," Mr. Hunt said. Applications must be filed on or before the close of business, August 10, 1943, with the director, Tenth Civil Service Region, 210 S. Harwood St., Dallas 1, Texas. Application forms may be secured at the post office.

LOCALS

Mrs. T. W. Heatherly and son Tommie Gene of Hobbs, N. M. visited her mother, Mrs. Chas. Speed and Mrs. Hubert Heatherly the first of the week.

Loneliest Job in Royal Canadian Air Force

FROM all appearances he might be a trapper or hunter just out of the backwoods, but he's really Flight Sergeant Harry J. Hickson of London, Ont., communications maintenance man of the Royal Canadian Air Force in bush country on the Pacific coast.

Because of the roughness of the territory over which his job takes him, Hickson has had to put aside his Air Force uniform and boots and substitute for them a pair of canvas pants, buck-skin jacket, rubber boots and peaked felt cap.

"No, I'm hardly Air Force in appearance, but the job calls for this get-up," laughed Hickson. On second glance, it might be noticed that an Air Force badge is fastened to his cap and that the revolver strapped to his side is Air Force issue. The revolver, by the way, is used to scare off inquisitive bear or for signalling purposes.

Hickson, a quiet spoken chap, enjoys the isolated life he is living in this wild, west coast forest area. "It's a new one on me," he said, "but you couldn't find a more interesting country and job."

For 16 years, prior to enlisting in the R.C.A.F. as a telephone cable man, Flight Sergeant Hickson worked for the Bell Telephone Company at London. His job as cable splicee took him to various parts of Ontario but never through such country as his Air Force job takes him.

Through giant Douglas fir forests, over rocky and, in winter, snow-capped mountain ranges, Mr. and Mrs. W. C. Veazey of Sulphur Springs are visiting relatives and friends in Goldston and Clarendon.

Junior Garrison who has been visiting homefolks has returned to Nicaragua, Central America, where he is working on the Continental highway in government work.

Mrs. R. A. Carter and son Richard Earl of Amarillo returned home Sunday after a visit with her sister, Mrs. Clyde Douglas and family.

Ben Tom Prewitt of Camp Campbell, Ky., is home on a 11-day furlough.

Mrs. Tom Heatherly and son Tommy Gene of Hobbs, N. Mex., are visiting her parents, Mr. and Mrs. Chas. Speed.

Mrs. Jim Headrick visited in Childress Wednesday.

Margaret Fay Wadsworth and brothers Duglas and Dean left Tuesday for Dalhart where they will visit their grandmother and also have a vacation visit on the Hammond ranch.

Mrs. N. E. Bruce of Wichita Falls is visiting Mrs. W. A. Davis.

Mrs. W. E. Preddy of Houston and Mrs. Ray Wilson and small daughter Jane Rea, of Paducah are visiting Mrs. Cap Lane this week.

Mrs. M. D. Stephens and daughter Carolyn of Wichita Falls and Mrs. M. S. Ozler of Amarillo are guests in the home of Mrs. E. M. Ozier.

Dr. B. L. Jenkins is at Dallas visiting his son, Dr. and Mrs. Oscar Jenkins.

Flight Sergeant Harry J. Hickson is shown, above right, with the revolver he uses for signalling or scaring away unfriendly wild life in the Canadian forests. (Upper left): After a hard day's work in the bush country, Sergeant Hickson prepares a relaxing cup of tea in traditional woodsman method.

around picturesque lakes and through thickly-wooded valleys he hikes in every kind of weather, tending the communication lines which connect bush stations in the territory. Sometimes he works alone, other times he has a crew of men, depending on the type of job which has to be done. Flight Sergeant Hickson joined the R.C.A.F. in June of last year at London, where his wife and four children are living at present.

Margaret Nell Hillman has returned home from Temple where she has been for medical treatment.

Mrs. Grady Holbart and son Bill of Crowell and Mrs. R. M. Bourland and daughters, Beverly and Rosemary of Quail visited their mother, Mrs. David Johnson last week.

Billie Hill of Iowa is visiting friends in Clarendon.

George Watson left Tuesday for a visit at Dallas.

Mrs. Florence Hvass has returned home from a week end visit with her mother, Mrs. Lena Antrobus.

Mr. J. H. Hutto and granddaughter, Joy Hutto, from Lufkin, Texas is visiting his daughter and family, Mr. and Mrs. Alfred Estlack, this week.

Mrs. Earl Lea visited her son, Mr. and Mrs. Kenneth Fink and family at Childress, Sunday.

E. E. Dishman of McLean is visiting his brother and wife, Mr. and Mrs. Edd Dishman this week.

Mr. and Mrs. Frank Bourland were in Amarillo Thursday on business.

Laverne Morris is visiting in Childress with Mrs. Wade Hilliard. Mr. and Mrs. John Morris and family of Claude visited his brother and family, Mr. and Mrs. Cap Morris.

Louise Russell who works at the Air Base at Lefors spent the week end with home folks. Mr. and Mrs. Russell took her home Sunday afternoon.

Mrs. Dalton Howard is visiting her mother at Terrell, Texas.

Mr. and Mrs. Tom Helton of Dumas are visiting Mr. and Mrs. J. H. Helton.

Bettie Jo Rhodes is visiting Pat Holland at Brice this week.

Mr. and Mrs. Bill Johnson will come home Saturday from Galveston to stay until his call.

Mr. and Mrs. Ralph Andis were visitors in Amarillo Sunday.

WOMEN NOW SERVING IN MORE THAN 100 IMPORTANT JOBS

"A woman's place in the WAAC may be in any one of more than a hundred useful and interesting types of work," Lieutenant Colonel Marvin B. Durette, Commander of the West Texas Recruiting and Induction District, said this week.

"When she enrolls in the Women's Army Auxiliary Corps, her past training is taken into account, and, if she possesses certain skills or knowledge, she will be sent directly to active duty upon completion of her period of basic training. She will be 'on duty' at an army post or station, doing work she knows and likes, and helping the army to place another man where he is needed on combat duty."

If an enrollee has no special training, she may be sent to a WAAC training school where she will be taught a valuable trade that will help the army win the war, and which will insure her a good job after the war.

Colonel Durette states that WAACs are on duty with the Signal Corps, Corps of Engineers, the Medical Corps, the Army Air Forces and other branches of the service.

To be eligible for enrollment in the Women's Army Auxiliary Corps, a woman must be between the ages of 21 and 44, inclusive, a citizen of the United States, in good health, and with no dependents or children under 14 years of age.

Posing As An OPA Agent

A man had been selling ceiling price forms in other cities worth about thirty cents each for from \$4.00 to \$5.00 each. He is described as follows: Fifty years of age, 5 feet 8 inches in height, stocky build; gold teeth; wears dark brown coat, gray hat and brown scarf. Retailers solicited are asked to report to Police Headquarters immediately and, if it is impossible to detain the man on some pretense, at least watch where he goes.

Immunize For Diphtheria

"Few conquests of science have been as spectacular and complete as those relating to diphtheria," Dr. Geo. W. Cox, State Health Officer, said today. "Science has firmly established the value of serum treatment in both its preventive and curative phases. However, toxin-antitoxin, or its successor toxoid for immunization and anti-toxin for cure, are serums of which the general public is even yet not fully aware."

As indicated, toxoid is the immunizing or preventive agent now usually employed. However, three or four months are required for the body to develop immunity. At that time the Schick test can be applied to determine the results of the preventive treatment.

Dr. Cox urged that children receive diphtheria immunization as early as possible, preferably as soon as they are six months old. The necessity for this immunization is recognized when it is known that two-thirds of all deaths from diphtheria occur in the age group under six years.

"It cannot be too strongly emphasized that to deprive children of this protection which science has made possible is to subject them to unwarranted and unnecessary hazards that can easily turn into a tragedy," Dr. Cox said. "Parental interest in immunization must be more widespread if the Texas death rate from this disease is to be eliminated as a cause of death."

"When a child has been stricken with diphtheria, antitoxin is the only treatment that will save his life. Also, to be effective, it must be given early in the illness and in large doses. Delay is usually caused by parents' failing to realize that any sore throat may actually be diphtheria."

ASSIGNMENT IN BRITANNY—Starring Pierre Aumont and Susan Peters, showing Saturday Prevue, also Sunday and Monday at The Pastime Theatre.

W. A. Pierce, one time Donley County Sheriff, now of Hereford, was renewing acquaintances here Monday.

Mr. and Mrs. J. T. Hoy were over from Pampa Sunday visiting friends and looking after their property interests.

Wild Foods In Jungles That Can Be Eaten

Uncle Sam's fighting men are in no danger of starving to death in the jungle or near seashores, according to Dr. E. D. Merrill of Jamaica Plain, Mass., administrator of the Arnold Arboretum at Harvard University, who addressed a General Electric Science Forum at Schenectady, N. Y., on the subject of "Emergency Foods."

"If an individual were cast ashore on some remote island, or if he were separated from his command in the jungles of the larger islands of the Pacific, there are nearly always present certain plant species, parts of which may be eaten with entire safety," Dr. Merrill declared. "There is no need of one's starving to death in the midst of relative plenty if the individual has even a limited knowledge of what may and may not be eaten."

A new manual entitled "Emergency Food Plants and Poisonous Plants of the Islands of the Pacific" has been distributed by the War Department to our armed forces operating in the Old World tropics. Dr. Merrill announced. Containing 150 pages with 113 illustrations, the booklet shows the tropical species that can be eaten either raw or cooked—parts of

various palms, ferns and herbs, such as those producing tubers, edible fruits, seeds, or tender roots, leaves and flowers. It covers all of Polynesia, Melanesia, Micronesia and Malaya, and for all practical purposes, tropical Asia.

before Sept. 15th, 1943, and farmers must file on or before Dec. 15th, 1943.

Please arrange your figures for the ENTIRE year, and as soon as you receive your forms for filing, give this your immediate attention. Sept. 15th and Dec. 15th mean now just what March 15th has heretofore, so please understand you must cooperate if you meet the requirements of this law and avoid penalties as are provided.

Plan Submitted To Exempt \$250.00 Additional Income For Each Old Age Assistance Recipient

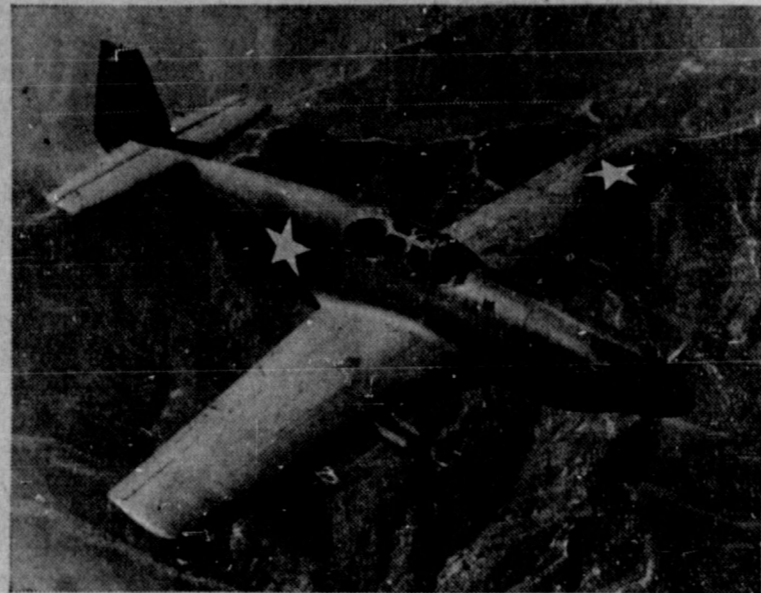

"A plan for exempting \$250 additional income earned by each old age assistance recipient is being submitted to the federal social security board for approval," J. S. Murcison, executive director of the State Department of Public Welfare, said today. The plan follows advice of Attorney General Gerald Mann concerning the provisions of a state law passed by the last legislature. The Attorney General interpreted this bill as applying to those persons on the rolls when the act became effective in May and any persons added to the rolls after May. He ruled that the act exempted \$250 above the amount formerly determined by the department as needed by the recipient. This income must be in addition to the income that was being earned by the recipient when his grant was last determined. The exemption applies only to income from seasonal and occasional employment and only when a recipient reports to the Welfare Department each month on the amount of his earnings and the name of his employer.

Since the federal government matches state money dollar for dollar, any change in the state law must be submitted to the federal government in order that it may determine whether or not it will continue matching money on the basis of the change. The Welfare Department is advising the federal government that under state law the plan must go into effect immediately. The local field workers will be sent instructions and forms within the next 10 days, welfare officials said.

Check Your Child's Health Before School Starts

"Be sure that your preschool child will be ready to go to school in September," Dr. Geo. W. Cox, State Health Officer, urges the parents of all children who will respond to the school bells for the first time next fall. "If you have not already done so, start now to prepare your child for the added strain of school life.

AXIS "TRAIN BUSTER"

Four 20-millimeter cannons have made the North American P-51 Mustang fighters, similar to the one shown above, the scourge of Axis transportation. On land and sea, Mustangs have won the nickname of "train busters" for their record in destroying scores of enemy locomotives in occupied Europe.

"First and foremost is the need for vaccination against smallpox. Parents and physicians should see that children are vaccinated before they are one year of age; the matter is entirely in the hands of parents and their doctors during the earliest years of life. At school age, however, vaccination

becomes absolutely necessary. If your child has not been vaccinated, have it done immediately so that the scar will be completely healed before school opens." Immunization against diphtheria is also highly desirable. Dr. Cox believes. This disease, which causes serious illness and deaths among young children, can be prevented with toxoid. The child who has never been protected should be given this safeguard against a dreaded disease. Even though he may have been immunized as a baby, doctors and health officers usually recommend an additional dose of toxoid to strengthen immunity before entrance into school.

"In addition, before you send your child to school you are urged to take him to your physician or to the nearest clinic for a complete physical examination," Dr. Cox adds. "You will want to know that he is in good physical condition and can compete with the other children on equal terms. If the check-up reveals any weakness or defect there will be time to build up his general health and correct defects before September. Don't let your child start his school life with any avoidable handicap."

Douglas Doshier of Childress visited his mother, the week end.

Food Prices Lag Behind Incomes

The rise in retail prices for food has been slower during the current war period than have average consumer incomes. This is true even when allowance is made for the payment of direct personal taxes, according to U. S. Department of Agriculture figures cited by C. E. Bowles, organization and cooperative marketing specialist for the A&M College Extension Service. In fact, food prices early in 1943 were two per cent below those of 1918, while average consumer incomes were 87 per cent higher, Bowles points out.

The average cost of the working man's family "food basket" used in the Department's study took 22 per cent of his total income in the five year period, 1935-1939. By the end of 1942, the aver-

age consumer income had so out-distanced retail food prices that the same "food basket" could be bought with 16 per cent of it. Consumers' expenditure for food has shown a sharp advance, more because people have bought greater quantities and perhaps a higher quality of food, than because of increased prices.

"Fortunately," Bowles observes, "agricultural production up to the present has been able to do a fair job of supplying civilian and military, as well as lend-lease, requirements."

Farmers have met the demands of war for food and fiber with sharp increases in production under severe difficulties. The volume of agricultural production in 1941 was 13 per cent higher than in the 1935-1939 period, and 28 per cent higher in 1942. Bowles believes that continued expansion at this rate, or even maintenance at this high level, is unlikely because of weather uncertainties,

scarcity of farm labor, dislocation of certain prices, and limitations on machinery, feed, fertilizer and other needed supplies.

MOST DAIRY PRODUCTS GO TO ARMY

Texas dairy farms and dairy products manufacturers continue to boost their output, even though bulk of these products go to the army rather than to civilians, the University of Texas Bureau of Business Research points out.

Manufacture of ice cream, sherbets, ices and other frozen dairy delicacies hit a new high during June 2,391,000 gallons. Production was up 7.4 per cent above June a year ago.

Output of creamery butter was 5.4 per cent higher than in June, 1942, and totaled 4,275,000 pounds, but production of American cheese declined 23.7 per cent to 1,943,000 pounds.

"Those doggoned kids!"

Give 'em a screw-driver and a pair of pliers and they'll make anything run!"

ON the hot desert sands of North Africa the colonel's "kids" found a broken-down tank, abandoned long before they arrived. They were told it couldn't be fixed. That was a dare to boys who loved machinery—they'd fixed everything from washing machines to tractors. They worked on the old tank . . . and eventually it lurched, lurched, and roared across the field!

That's a true story. We have a hunch some of those boys were West Texas youngsters—it sounds just like 'em! It's typical of boys you know in your home-town. Remember how they took that old jalopy? They made it run! And the ancient farm tractor? They kept it going years after you thought it was ready for the junk pile.

Folks in West Texas want to make things

run. We've all got in the habit of rolling up our sleeves and pitching in when there's a job to do. Call it free enterprise . . . or initiative. It's the spirit that has made America great.

The folks in our company have that sort of spirit. Years ago they saw a need for electricity that was more plentiful and dependable than ever before. Transmission lines extending into the most remote spots in West Texas, bringing good, cheap electric service to both large and small towns alike, were the answer to that need, they believed.

They pitched in—built the lines and the power plants. They got the job done. Today, although plagued by shortages of help and materials, they're making this electric system work. They've got the know-how to keep it running . . . without rationing . . . and without increased cost to you!

INFANTILE PARALYSIS SCARE IS PROVED NEGATIVE IN TEST

The recent infantile paralysis scare turned out to be just a scare. One case in question which arose in this county proved to be negative. The local hospital authorities made the statement of negative, and said that in the future any

cases resembling infantile paralysis or associated diseases will not be admitted to the hospital and if proven positive, will be sent to an isolation center at Dallas and this paper will be notified so that the citizens of this county may take proper precautions with their children.

THE DONLEY COUNTY LEADER, \$2.00 PER YEAR.

Dist. Educational Rally Held

Rev. G. T. Palmer, District Superintendent of the Clarendon District of the Methodist church, together with pastors of the district and a number of laymen from each church, met in a special-called session today with Dr. Harold G. Cooke, President of McMurry College, and Mr. Alfred T. Snoko, Campaign Executive Secretary, for the purpose of perfecting the District organization for the McMurry College \$1,750,000.00 Building and Endowment Fund Campaign.

From this meeting, pastors and laymen will go back to their own churches and build a complete working organization within each church of the district.

The district officials elected at the meeting were: Hon. H. B. Hill of Shamrock and Rev. G. T. Palmer Co-chairman, Three Sub-District chairmen and Associates were also elected as follows, J. O. Quattlebaum, Clarendon, J. T. Bishop, Memphis, C. E. Edgar, Turkey, Hubert Thomson, Wellington, J. L. Britt, Wheeler, E. B. Bowen, Pampa and J. L. Hess of McLean.

Dr. Cooke and Mr. Snoko are covering the entire area of the Northwest Texas Conference and The New Mexico Conference, and will organize each district on a similar basis.

When Dr. Cooke came into the presidency of McMurry last January, he, with the Executive Board of Trustees of the college, began to study the advantages of undertaking a campaign that would challenge the Methodists and all other people of West Texas and New Mexico who are interested in McMurry.

At the time of the spring commencement, the Board unanimously voted to adopt the campaign recommendation, and appointed a committee to make study of and lay the basic plans.

The idea has met with enthusiastic response throughout the area and may have expressed the belief that the time is ripe to provide for an adequate endowment and to take care of the building and equipment needs of an enlarged program at McMurry following the war.

Cates Memorial Rites Held

Memorial service for 2nd Lt. Charles LeRoy Cates, 23, were conducted Sunday, August 25 at 3 o'clock in the First Baptist church at Floydada by Dr. C. E. Hereford, pastor of the First Baptist church of Lubbock, assisted by Rev. Doyle, pastor of the Floydada church. Richard Chamberlain, of Lubbock Army Air Field gave a special vocal number and taps were sounded by a representative from LAAF.

Lt. Cates was killed in action in the Middle East July 13 official notification informed Mrs. Cates, 2010 Broadway, Lubbock, Thursday. Few details were given except that he died while on a bomber mission. He was co-pilot of a heavy bomber.

Mrs. Cates is the former Mollie Mae Allen, who at one time lived at Lelia Lake.

LOST DIAMOND FOUND IN CHICKEN GIZZARD

Mrs. Don Grady lost a large diamond Easter Sunday. She thought possibly that the diamond had just dropped out of the ring somewhere between Clarendon and the Grady Bros. ranch in Briscoe County.

Tuesday, Mrs. Grady found the long-lost diamond in a chicken's gizzard as she prepared the dinner meal at the ranch headquarters. "How lucky I am," she exclaimed, "that the coyotes had not caught this chicken!"

Mrs. Grady advertised in the Lost and Found column of the Leader at the time, but even as much as we boast the power of our advertising, the only way we could have helped out this time was to have had a chance at the fried chicken.

WILLIAM H. SHIELDS RECEIVES PROMOTION

Technical Sergeant William H. Shields, 23, son of Mr. and Mrs. John W. Shields, Lelia Lake, was recently promoted from the rank of staff sergeant at the Enid, Okla. basic flying school. Sergeant Shields is a member of the Army Air Forces ground crew and assigned to the 472nd Basic Flying Training Squadron at Enid.

BAPTIST REVIVAL SET FOR SUNDAY

A revival of two weeks duration will begin this Sunday, August 8 at the local Baptist Church, with Dr. David M. Gardner of St. Petersburg, Florida, doing the preaching. All church activities have been pointing to this occasion for several weeks, and much enthusiasm is being manifested at this time.

Rev. Gardner is no stranger to old timers here, having been pastor of the local church several years ago. He is a good speaker and comes highly recommended for his wonderful work in the pulpit.

W. D. Kidd, local talented singer, will be in charge of the song services. He is already laying plans for a well filled choir and urges all those who love to sing to come out and help with the singing.

Morning services will begin at 10 o'clock every morning and the evening services at 8:45.

Everyone has a cordial invitation to attend the revival and hear Dr. Gardner's messages.

HEAT WAVE BRINGS HIGH TEMPERATURE

The high temperature for the year was recorded at the official weather station at the Airport Monday when the mercury reached 107 in the shade. Tuesday wasn't much cooler when 106 was registered.

There will be much damage to grain crops unless a good rain comes along pretty soon it was revealed by many farmers this week.

MAKE WAY FOR (MISS) CASEY JONES

Santa Fe Railway Photos
Railroadmen has always been a man's game but since the war some of the toughest jobs have been taken over by women. Among the scores of feminine workers on the Santa Fe, Nell Arkie (lower left) is a locomotive supplier; Georgina Leiker (top) repairs typewriters and Aurora Ortega operates a drill press in one of the railroad's busiest shops.

PFC. TRUE BARBEE IN PARACHUTE TRAINING

Pfc. True Barbee is now a member of the 508th Parachute Infantry, in combat training at Camp Mackall, N. C. His mother, Mrs.

Nina Barbee, resides at Rt. 1, Montague, Texas. He joined the Army in October 27, 1942 and won his wings as a United States parachutist on March 5, 1943. Before entering the service he studied at Clarendon Jr. College.

Crops Beginning To Need Rain

Crops in Donley county are beginning to need rain according to reports from farmers in the different parts of the county says county agent H. M. Breedlove. Most farmers say that if they can get a rain at this time they have a good chance for a good crop this year.

Crops this year have been unusually weedy due to the early rains and the shortage of labor in getting them cleaned up. The past few weeks farmers have had the chance to get most of the cotton chopped, but the labor question has hampered work to a large extent.

The hot days have taken the moisture from the soil and some of the ranchers are reporting that ranges are in need of moisture. A rain at this time would be of great benefit to the farms and ranches of this section.

Mr. and Mrs. Clyde Hudson of Logan, N. M., are visiting relatives in and around Clarendon this week.
