DO SOMETHING FOR THE BOYS AND GIRLS

Citizens of Clarendon, it is time that we ceased our smug attitude about our town and our boys and girls.

For many years Clarendon people have boasted with good right that we had a more moral, a cleaner town than most any town in this section of the Southwest. We have been saying that while activities for the boys and girls were badly needed in our neighboring towns, Clarendon hardly needed to bother itself about it, for our boys and our girls were above reproach except in rarest instances. We have felt thus so long that it has become very hard to get any concerted action in any sort of a movement which would employ the spare hours of the youth of the community, and hedge against misdirected energy and dangerous habits.

For the past year or so we have had no Boy Scout work, although the Camp Fire organization among the girls has been very active and worth much to the town. Then there has been little or no direction in the matter of recreation for boys over Scout age, with the result that Clarendon can no longer boast of having such a moral community, and such an extraordinary set of boys.

If things are not well with our boys and girls, there is none other to blame but the men and women of Clarendon, who have been too well contented and too smugly satisfied to exert themselves about the welfare of the boys and girls in this community. That's plain talk, but it is the truth.

Let us bestir ourselves in this matter. Let us sincerely approach the problem and give aid and sympathy to all efforts looking to a proper safeguarding of the boys and girls. They are worth all the time, effort and money we will invest in them. What's more, it will cost us more money and days of sadness if we neglect them.

AL SMITH IS THE SAME OLD AL

Many of our Texas Democrats who chose to vote the ticket in 1928, even after the presidential candidate had repudiated the platform, are now complaining because Al Smith, the worst defeated candidate ever to head a Democratic ticket, has let it be known that he is in a receptive attitude for the nomination in 1932. They feel that he has only muddied up the waters again and will bring disaster in his wake by seeking to divert strength from other possible candidates, who certainly could never make a poorer showing than did he.

Al is the same old Al, and just so long as the party machinery is controlled by such men as he and Raskob, Roosevelt and Ritchie, there is no such thing as victory for the Democrats—and we don't deserve it.

TEXAS GOING AFTER NEW FINANCE

One of the hopeful signs of the day in Texas is the energy with which the leaders are laying plans for getting in touch with the new Reconstruction Finance Corporation in order to bring many millions to the state to relieve so-called "frozen credits". There are literally hundreds of million dollars of such paper in Texas, the greater part of which will pay out if given time. The function of the new corporation is to step into the breach and float such securities, and thus become one of the giants in restoring confidence and business in the nation.

Texas is on the right track. She'll get just about what she goes after.

WHY DO YOU LOVE YOUR DOG?—Because

1. He doesn't talk back to you.
 2. He thinks whatever you do is alright.
 3. You don't have to make company for him.
 4. He eats what is set before him and asks no questions.
 5. He will follow you to the end of the earth.
 6. He never sulks when you mistreat him.
 7. He tries to please you.
 8. You have no rival in his affections—his love is all yours.
 9. He respects your moods.
 10. He never pries into your secrets.
 11. He never tells you his troubles.
 12. He is polite and thanks you with his tail for every kind word you give him.
 13. He will fight for you.
 14. He misses you when you are away.
 15. He rejoices when you return.
 16. He is faithful unto death.
 17. He does what you tell him without knowing why.
 18. He is jealous of the attention you show other dogs.
 19. He trusts you to the uttermost with a faith that is wonderful, blind, inexplicable.

Industrial Possibilities of Texas

BY COL. WM. E. TALBOT

(Editor's Note:—Following is the 20th of a series of articles by Col. W. E. Talbot, agency manager for the Southland Life Insurance Company and the prime mover in the campaign for Texas Industries, in which he discusses the possibilities of Texas from an industrial standpoint, answering the question: "What manufacturers does Texas have and what can we profitably manufacture?" Other articles will follow.)

Special To The Clarendon News

In these brief sketches we have endeavored to bring before the people a simple plan that is workable and possibly of attainment. It has been an appeal to the people to build up our own industries through their patronage, thanks to the response, we have already shown results far beyond our dreams. With the continued co-operation it will mean we will build an industrial structure in Texas to parallel our agricultural structure, to consume one from the other, and create a greater distribution of wealth.

Texas, today, is 29th in states in per capita wealth. A farmer, based on figures of a few years back, only earns \$550 a year, counting a family of five. An employed worker in industrial lines averages \$1,120 per person. This is conclusive proof of how we can increase the per capita wealth of this state.

The plan is simple. First, buy

from your home-town merchant; second, buy any local manufactured products; third, buy Texas manufactured products; fourth, buy Southwest manufactured products; use the products of the farmer. Wear more cotton, stick your chin up, and smile. Suppose you lived in India or China!

The ladies are a big factor in the success of this plan. It has been proved by statistics that they not only buy 80 per cent of the articles used in the home, but influence 10 per cent more, which leaves the mere man today spending 10 per cent. So if we are going to build up our own industries, it is going to mean the active co-operation of the ladies. Whenever they get in behind anything as a unit, its success is assured.

Should you ask for Southwest products, and the merchant has not a list of where they can be obtained, we will be very glad to furnish at no cost a complete list of Texas and Southwest manufactured products in his line.

Let's all get together, and remember that the closer to home we spend our dollar, the greater our opportunity to get it back. And let's wake up!

(THE END)
 (Copyright, 1931, Southland Life Insurance Co.)

LIONS PRESIDENT TO SPEAK OVER RADIO KTHS

Hot Springs National Park, Feb. 10.—Plans have been completed for a so-called conference of Lions Clubs in Hot Springs National Park on February 14, with the President of Lions International, Julien C. Hyer of Fort Worth, Texas, as the principle speaker. Mr. Hyer who is fulfilling speaking engagements all over the United States at the present time will be heard over radio station KTHS at ten o'clock, central standard time, on the evening of the conference.

Lions Clubs from Arkansas and surrounding states are planning on holding special meetings at this time and tuning in on the address of their International President speaking from Hot Springs National Park.

Representatives from practically all Lions Clubs in Arkansas will be in attendance at the state conference which opens with a luncheon and a study session for the

discussion of district and international policies and activities, followed in the evening by a program and President Hyer's address. The program will go on the air for forty-five minutes, starting at ten o'clock central standard time. Station KTHS on a frequency of 1040 kilocycles. Special musical features will be heard on the same program.

Mrs. Loyd Stallings and children, Mrs. Wilder and son Bill, all of Pampa were week-end guests in the home of Mr. and Mrs. D. O. Stallings and Mr. and Mrs. E. M. Ozier.

Mrs. V. J. Drew and son, Jack, of Oklahoma City were week-end guests of her parents, Mr. and Mrs. C. E. Griggs. Mrs. Drew was joined later by Mr. Drew who came in response to a message stating that his brother-in-law, Mr. R. Wilkerson had passed away.

ITEMS OF INTEREST IN DONLEY

SMITH NEWS

The many friends of Mr. and Mrs. Gerald Knight met at the home of Mrs. B. F. Jackson last Wednesday to give these newly-weds a miscellaneous shower. After the guests had arrived a regular old-fashioned hand shaking was enjoyed after which those who had been married under 10 years or still single were given pencils and paper on which was a contest "Veo and Gerold's Romance". These, then found partners among those who had been married over 10 years. Mrs. Morgan and Mrs. Gerald Knight won, having the most correct answers. As their reward they were told to open the packages they found on the dining table. These being "hard time" packages for the bride. Lots of fun was had at the bride's expense. Refreshments of hot chocolate and cake were then served to Mesdames Jeff Hampton, Thomas Hampton, Jim Hawkins, Dink Maddox, S. A. Rich, A. Knight, Berl Smith, Will Hill, Charlie Hill, George Jackson, Flavis Hains, Jess Grimes, Walter Baker, Sloan Baker, Marjion Long, James Long, G. Lockhart, Charlie Crow, Robert Jackson, Frank Jackson, Gerald Knight and Misses Lon and Leah Harris, Lucille Jackson, Mildred Baker, Inez Rachel, and Winifred Crow, Sula Hill, Mary Lee Mabry, Ruth and Travis Knight, Bernice and Nora Nell Lockhart, Dorothy Nell and Gene Baker, Shirley King, Davis and Lorese Jackson, J. C. and Gilbert Lockhart, Carrol Crow, B. F. Jackson, Jr., and Grandma, Bradford all of Smith community. Rev. and Mrs. Morgan, Clyde Roden, Tom Crow, and Miss Dorothy Elbert of Memphis. While Mrs. Knight was playing on the piano "sure enough" shower was placed on the dining table and the bride was then called in to open beautiful and useful gifts from her many many friends. All departed declaring this to be one more good time enjoyed by each one.

Sunday School was well attended Sunday afternoon. Every one enjoyed the Singing afterward which was led by Charles George. Little Nora Nell Lockhart has been very ill with flu.

Mr. Frank Jackson and wife, Mr. Andrew Jackson, Mr. and Mrs. Gerald Knight and Mrs. Sloan Baker attended the Class B finals of the basket ball Tournament at Hedley Saturday night. Smith Katz won third place in the class B tournament Friday and Saturday. The Katz outclassed the Ashtola five in their first game by a score of 20 to 5. The second game played was very hotly contested with Windy Valley winning by two points, Lelia Lake and the Katz played for third place in the tournament Saturday night. The Katz just edged out by two points in this contest. This tournament ended by the margin between McKnight and Windy Valley being only two points, leaving the fast playing McKnight quintet the class B honors. Frank Stocking of Clarendon refereed the class B tournament. The best game by all odds of the Tournament was played Friday night between the Outlaws composed of Coaches Matthews, Baker, Waldron, Reeves and Reynolds and the Lelia Lake Zebras. The Outlaws racketeered the game into a 27 to 22 win over the striped ponies.

Miss Eunice Griggs, instructor in the Whitedeer schools, spent Sunday in the home of her parents, Mr. and Mrs. C. E. Griggs.

Mrs. Guy Taylor and Miss Layma Taylor spent Sunday in McLean.

Mrs. Albert Sanders of Allen

days makes us all feel at home.

Mr. and Mrs. Higgins and children were supper guests and listened to the radio in the Dunn home until a late hour Saturday night.

Mrs. Gaither is spending a few days in the Longan home.

Mr. and Mrs. Homer Beach spent Sunday with Mr. and Mrs. Nelse Robinson. In the afternoon Mrs. Robinson and Mrs. Beach called on Mr. and Mrs. Edgar Beach near Hedley.

Mr. and Mrs. Olin Dorsett from Lubbock came up Monday and helped to move Mr. Dorsett and family to Lubbock Tuesday.

Several of the farmers are shelling their corn this week.

Mr. and Mrs. R. A. Mitchell and daughter, Miss Hellen, from Panhandle, Mr. and Mrs. Dunn and Misses Ruth and Elizabeth Dunn from Clarendon, Mr. and Mrs. Higgins and family, Misses Marjorie Harlan, Thelma Robinson, J. T. Lamberson, Donald Harlan and Earnest Lamberson all were dinner guests in the Longan home Sunday.

Mr. and Mrs. Lee Usrey and children have all been sick with the flu, but are some better.

Misses Nan Potter and Dollie Corder spent Saturday night with Mr. and Mrs. Gallber at Memphis.

Jeff Potter fro Tulia spent Saturday and Sunday with his brother here, J. M. Potter.

Mr. and Mrs. Lamberson entertained the young people with a party Saturday night, Mr. and

Mrs. Derrick entertained with a dance Friday night.

Mr. and Mrs. Wheeler were callers in the Longan home until bed time Monday night.

Will Chamberlain was a caller in the Longan home Monday evening to look at some bones and parts of a skull supposedly of a buffalo that several of the boys have been digging up on the river. Will gave the boys quite a lot of encouragement and gave advice and told them to keep on they might find something of real value.

Mr. and Mrs. Ben Andis and Mr. Tinkle were callers in the Longan home Friday night.

Mr. and Mrs. Owen Raider from Crowell spent Thursday night with Mr. and Mrs. Bill Meadors.

Misses Ruth Dunn and Thelma Robinson spent Saturday night with Miss Marjorie Harlan.

Howard Longan spent Saturday night with J. T. Lamberson.

There was no school at Hackberry Monday on account of the teacher being sick.

Mrs. Bill Meadors was a caller in the Longan home Monday afternoon.

Mrs. Gaither and Mrs. Longan called on Mrs. Lee Usrey Monday afternoon.

27, they gave several numbers, then they put on "A Mock Trial". It was a great success. Last Wednesday, Feb. 3, the 7th and 9th grade room put on a program. They also had a very interesting program. We will have a program every Wednesday afternoon from 12:30 to 1:00 o'clock. We will be glad to have the people to visit us at that time.

On Friday night Feb. 19th, the school will put on a P. T. A. program. We would like to see a large crowd present.

—Othella Poovey.

Congratulations, Hedley Owls, coach Newman and the entire Hedley community for having successfully defended the county basketball title for another year. That's a crackerjack team you have down there this year and it's going to take a mighty fine quintet to down that classy bunch of green and white basket ringers in the district meet. Those Owls have about everything a good basketball squad wants, speed, fair height and sharpshooting ability like, nobodys business.

With the advent of pretty spring weather the past week young and old alike have taken to the outdoors. The golf course is again inhabited by the followers of the little white sphere, and there is another game which is attracting more than its share of interested participants. That sport to which we have reference is none other than the great court game—tennis. For the past several years tennis has been attracting more and more interest among the youngsters of the city until at the present time the two courts of the city are over-run with more than fifty lads and lassies all impatiently awaiting their turn to play.

Now here's the problem. Fifty can't have much luck on only two courts, when only eight can play at the most. Several of the interested parties have appealed to this column to present their plea to the city dads and the entire citizenship of the city for help.

First let us ask the question—What has Clarendon done or ever done for its young people? Think it over, folks, can you remember anything it has done for the proper development of the boys and girls? Only a few days ago several of the youngsters of the city were brought to court and given suspended sentences for petty offense. Is this the fault of the youngsters or is it perhaps the fault of the community? What has been done here to properly shape the lives and minds of the offenders and any number of others? Every one is quick to point out what should or should not be done and to condemn the actions of the young folks, but none will go to the trouble to furnish proper recreational facilities for these growing minds and bodies.

Now, folks, why can't the city build additional tennis courts for the use of its young people? Wouldn't that be a worthwhile investment, and last much longer than some of its supposedly fine improvements. Perhaps more taxes would have been paid the city if more returns had been received from the money paid in in previous years.

With the advance of spring greater numbers will flock to the tennis courts, and finding inadequate facilities will flood the streets with the well known and "cussed" swarm of loafers. Let's do something about it Clarendon.

Somebody don't like my jokes evidently from a letter received without a signature. Don't be afraid to sign your name next time, I won't put you on the spot.

UNCLE BILLY PESSIMISTIC OVER DIAMOND PROSPECTS

AUSTIN — Baseball, favorite spring sport of the University of Texas, is gaining momentum this week as Uncle Billy Disch sends his squad of 35 men through light workouts at Clark Field. The first game now on the Steer schedule is an engagement with the Chicago White Sox here March 17.

Failure of Roger Williams, regular third baseman in '30 and '31, to return to school this year leaves Coach Disch without an experienced man for the hot corner. Other doubtful spots are first and second base and the pitching staff. No lettermen are available at any of these positions.

SPORTLIGHTS from HEDLEY HI

By Hazel Stewart

Special to The Clarendon News

"A good person's prayers are answered or given consideration," an old timer once said. Well, folks I believe that now; Don't you think that a whole bunch of us Hedley folks prayed for days and nights from the indication of the Hedley-Clarendon score of 49 to 11?

Even tho the score is one-sided does not indicate that the game was uninteresting. The Clarendon boys showed lack of practice and were not used to such a large court. We are looking for a different type of ball when the Owls meet the Broncos Tuesday at their home court. It might throw the championship into a tie!

Well of all the games! That Owlett-Newlin girls game was a "dandy." The two teams were almost equal and showed skill in the last head-to-head game. But however, during the last few minutes of play Maurine Goin managed a score which broke the 20 to 20 tie. Nina Mae Bailey, Owlett guard, was taken from the court in the last quarter after she was knocked unconscious. The game ended 22 to 20 in favor of the Hedley girls. Good game—it was.

And yes, sir, this same team of girls last week won from the Lelia Lake lassies to the tune of—Oh, I've forgotten the score, but it was a pretty tune tho!

Did you know the class B teams met in our gym in a round robin affair last week end with McKnight carrying off the first honor. The scores were:

Clarendon Jr. High 15, Windy Valley 18; Smith 23, Ashtola 5; McKnight 38, Goldston 11; Smith 20, Windy Valley 24; McKnight 28, Lelia Lake 26; McKnight 24, Windy Valley 22.

Coach Newman entered his team of Owls in the Pampa invitation tournament last Friday and Saturday. The boys entered the affair by defeating the Pampa B team 18 to 42. They pushed further into the finals by winning over the Mobeetic lads 14 to 43. Then our Hall County boys won the third game from the Owls. The score was Memphis 31, Hedley 24. I have not heard any particulars concerning the honor positions of the tournament but I "Shore" do hope our green and white players do as well as they did at the News-Globe in Amarillo.

Getting Up

Nights Lowers Vitality

If you feel old and run-down from Getting Up Nights, Backache, Leg Pains, Stiffness, Nervousness, Circles under Eyes, Headaches, Burning and Bladder Weakness, caused by Kidney Acidity, I want you to quit suffering right now. It's only 75c and I guarantee it to quickly combat these conditions and satisfy completely, or return empty package and get your money back. Douglas & Goldston Drug Co.

THE Antelopes' Trail

Ashtola High School

By Emma Sue Graham

Special to The Clarendon News

The Martin Pole-Cats met the Antelopes on Antelope Park Thursday evening. The Antelopes were expecting a good fight out of the Pole-Cats but they just lacked the practice to be able to stay with the Antelopes because they were feeling just right and had been through one of the hardest week of practice this season.

The first half was played rather fast to Antelopes rolling in a score of 15 to 1. The regular team was jerked the last half and the subs run in. The final score was 28 to 3. The Pole-Cats have the right spirit and we can call them real sports.

The Antelopes went down to the tournament at Hedley, knowing they were going to have a hard fight if they were to win the game from the Smith Katz.

However, the boys were not discouraged by this fact but went into the game with that old fighting spirit. But the Antelopes were off, so to speak, two of the main squad were sick. Lowell the center and Gregg, left forward were out of condition. Lowell played only part of the first quarter and Jones took his place. Gregg shook off his headache by the half and did some fast playing. The first half was played without a point for the Antelopes and 15 for the Katz. After the half the Antelopes went back with more pep and demonstrated some of that team work that we like so well to see. The Katz were too many points in the lead for the Antelopes to get that place but they did better playing which was shown by the fact that those Katz only scored 5 points.

From the reports we hear the Antelopes are going to be in fine shape for the Rural Tournament.

The faculty vs the Antelope Does Tuesday at Antelope Park. The Does have been doing excellent practice of late so they are in pretty good shape for the game. Then there is a wiener roast for the winners.

Mr. and Mrs. J. D. Jackson are visiting in Clarendon this week.

Miss Ruby Armstrong spent last week in Clovis, New Mexico.

"13" MAY BE LUCKY WITH T. C. U.'S CHAMP CAGERS

FORT WORTH—Thirteen may be considered an unlucky number in some circles, but Coach Francis Schmidt of T. C. U. is attempting to win a second basketball championship with it. He has 13 players on his cage squad, and his all-American star, Adolph Dietzel, who holds the Southwest Conference scoring record for points made in one season, wears the number 13 on his uniform.

COLLEGE BASKETEERS DOWNED

The C. M. J. C. Basketeers journeyed to Shamrock Friday night February 5th to bow to the Shamrock all-stars to the score of 52 to 39. Both teams played a hard, close game up to the last few minutes of play. In these few minutes, the Irish overran the locals for the winning end of the score.

The Junior girls have organized a base ball team and are practicing daily on their new field near the high school. They plan to go to Lelia Lake, probably next week, to play their team.

GIRLS' BASKET BALL

On the afternoon of February 2nd, the Clarendon College Girls' Basket Ball team motored to Whitedeer for a game with the Whitedeer school team. The game began at 7:30 in full force. The starting line-up for Clarendon included Margaret and Jessie Swinburn, forwards; Helen Lawler and Lucille Andis, centers; Fay Brown and Rosa Baker, guards; with Loree Hamm as a good substitute for center. At the close of the first half the score was 19 to 14 in favor of Whitedeer. At the beginning of the first quarter of the last half, the Clarendon girls showed skill equal to that of their opponents, but were hampered by the injury of their center, who had to be withdrawn from the game from that time on to the close of the game the Whitedeer girls out played Clarendon and won with the score of 29 to 31.

OWL QUINTETT DEFEATS BRONCHOS

On Thursday night, February 4, the Hedley Owls downed the Broncho cagers 49 to 11 in a poor display of basket ball on the part of the Bronchos. The Owls

looked good throughout the whole game, but in the last quarters they overran the Broncs.

Mr. C. E. Griggs left on Monday morning for Chicago, Ill. Mr. Griggs earned this trip in a recent sales campaign conducted by the company by whom he is employed.

Miss Lucille Andis visited in Pampa Sunday.

—It is to know you HAVE MONEY IN THE BANK. It just "peps you up"—gives you confidence in yourself—makes the future and its opportunities look brighter!

DONLEY COUNTY STATE BANK
THE BANK OF SAFETY AND SERVICE

YOUR ELECTRIC RATE IS ALWAYS GOING DOWN

Your electric rate has been going down—never up! Commodity prices go down, then up . . . and even yet have not reached the level of 1913 prices. On the other hand, the unit cost of electric service has declined steadily, and on the West Texas Utilities Company properties has been LOWERED SIXTY PER CENT during the last nine years, with the average rate to residential service alone showing a REDUCTION OF FIFTY-FOUR PER CENT! Commodity prices must decrease more than sixty per cent even below present low prices—a long, long way to go—before they approach the path blazed by electric rate reductions.

The cost of electric service today is determined more by the customers who use it than by the company which produces it. As more power is used, over more hours of the day, its unit cost becomes less. Thus, the modern rate schedule is designed to share with you immediately the benefit of the economies resulting from a greater use of electricity.

The rate per kilowatt-hour declines as more kilowatt-hours of electricity are used. Additional uses of service reduce the average price per unit, to where now it is possible to cook with it economically. That is, the average customer, using fifty kilowatt-hours per month, now can increase his use of service to THREE TIMES that amount for only 10 cents a day additional cost on his electric service bill—or for the cost of only one medium-priced cigar a day!

Today's customer in the larger towns, living in the average-sized home and using fifty kilowatt-hours a month, pays a rate of only 7.8 cents per kilowatt-hour. Smaller towns cost more to serve, yet the highest rate for this same amount of service, in any town served by the West Texas Utilities Company, amounts to only 1.3 cents more.

Customers having major appliances (ranges and refrigerators) earn a rate of approximately one-half that amount for all service used in the home—which includes lighting. The average rate for all residential service sold at this time is only 6.3 cents per kilowatt hour, as compared with 13.7 cents in 1922.

Thus, automatically and instantly, electricity becomes cheaper every time you increase its use. Think of the many advantageous services by which you can benefit—without a material increase in your electric bill—through a more active use of your lighting and your appliances, or through the addition of major appliances!

West Texas Utilities Company

PAIN

HEADACHES, NEURITIS NEURALGIA, COLDS . . .

Whenever you have some nagging ache or pain, take some tablets of Bayer Aspirin. Relief is immediate!

There's scarcely ever an ache or pain that Bayer Aspirin won't relieve—and never a time when you can't take it.

The tablets with the Bayer cross are always safe. They don't depress the heart, or otherwise harm you. Use them just as often as they can spare you any pain or discomfort. Just be sure to buy the genuine. Examine the package. Beware of imitations.

Aspirin is the trade-mark of Bayer manufacture of mono-aceticacidester of salicylicacid.

Football Letters Are Awarded Bronchos

On Tuesday, in assembly, Feb. 9th, the Bronchos received their much worked for and well earned sweaters. These sweaters which are very similar to those received last year, were presented by Coach F. Stocking to E. Watson, Bill Greene, Loyd Benson, T. J. Mann, Fred Reid, John McMahan, Lloyd Martin, Tony Watson, Archie Waters, F. L. Behrens, J. G. Estlack, Captain Raymond Nichols, and Wilfred Andis. As coach Stocking called out the names of the boys they were greeted by a loud applause from the student body and faculty.

At this same assembly, it was announced that there would be a basket ball game Tuesday night between Hedley and Clarendon that would decide the County Championship.

Junior-Senior Feed at Presbyterian Ch.

The Junior and Seniors met again last Monday to vote on the different bids on the board and after a short discussion the class members voted for the Presbyterian church as the place for the banquet. The tickets will be 65c each, and it was voted that the girls should buy their own tickets. George Bourland had a great idea that this should be a leapear banquet, but only a few agreed with George so the idea did not carry. Just before the meeting adjourned, Charles Walker announced that the tickets would be ready by the next day and that two members from each class would have them for sale.

The entertainment committee which the Senior president appointed at the last meeting has met several times and has the plans for the program at the banquet well under way. They are sponsored by Miss Wiedman and are trying to keep everything a secret so that the class members at the banquet will have many surprises awaiting them.

Lion Essay Winners Announced Tuesday

On Tuesday the winners of the contest among the high school students sponsored by the Clarendon Lions Club were announced. This contest called for an essay on "What Can a Civic Service Luncheon Club do For My Community That is not Being Done?" All high school students participated in the contest and enjoyed

Palo Duro Literary Society

A night dark and stormy. The gale from the north bit through the thickest of clothes. The dark streets were arched with unseen branches, bare, twisting and straining from the force of the north man's breath.

Scurrying along the narrow walks beneath the swaying trees could be seen darker shadows on their way to some nocturnal rendezvous. Here and there the lights from unshuttered windows cast a pale bronze carpet upon the path for the wayfarer.

Sharp corners, icy steps, menacingly dark crannies, rough, brushing stones in the frozen ruts of a side street. A black automobile slid quickly past as though driven by the gusty wind. A noisy car with yellow glaring eyes crunched over the uneven earth, an excellent setting for a feathery owl or a lonesome whip-poor-will, but the wind would make a quick finale of their songs.

At last the final shodow struggled through the great white door, lights were burning, and the company had assembled for its mid-week council. A silence fell upon the group as the leader arose, spoke long and earnestly and was seated once more. The companion at the desk stood, read from the minutes, was accorded approbation, sat again at the right hand of the leader.

And now from the listeners there stepped a slight young maid whose contribution to the evening's program aroused much laughter and much applause. Finishing, she returned to her chair, and expectant faces were turned toward the youth who now strode to the front of the room. In his hands were numerous slips of paper—yes, jokes; and so he read, the countenances reacted enjoyably to the jests.

When the last act was finished, when the chief of the shadows had concluded his final speech, adjournment was decided and again the night was filled with shadows. Lights were turned out, doors were locked, and the shadows retraced their steps to home and quiet.

DEBATING BEGINS

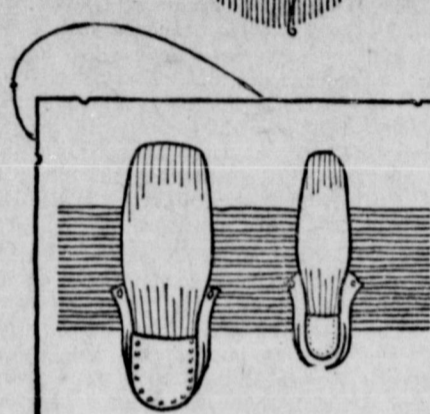

A debating group has been recently organized for Interscholastic League work. The question this year is: Resolved, That Lobbying as Practiced in This Country is Determental to the Best Interests of the People. At present there are four members, George Bourland, Robert Green, Edna Blair, and Lola Barnes. George debated at both county and district meets last year, and Robert has declaimed several times. Edna is a promising new pupil from Memphis. Lola, though an inexperienced member of the group, has shown interest in class debates. Miss Headrick, the coach, and aslo the members wish that other students would meet with the club to create more interest in debating and to learn about practices that are not detrimental to the country.

making suggestions to the Lions. The winner of the first prize is Isla Smith. The winner of the second prize is Elizabeth Dunn. For the third place Adris Patman, Wanda Mayfield, and Ruby Armstrong tied. It is always with pride that the school acknowledge the students who are awarded literary honors.

ODD — BUT TRUE!

THE CUSTOM OF EXCHANGING VALENTINES IS HANDED DOWN FROM THE ROMAN FESTIVAL OF THE LUPERCALIA. WHEN IT WAS CUSTOMARY FOR MAIDS AND BACHELORS TO DRAW NAMES OF EACH OTHER. THE PERSON WHOSE NAME WAS PICKED WAS THEN TO BE THE "VALENTINE" OR "SWEETIE" OF THE MORE OR LESS LUCKY, INDIVIDUAL FOR THE FOLLOWING YEAR.

Rosa Baker visited in Amarillo over the week end. Jean Bourland spent Sunday at Kelly Creek.

Helen Rogers of Whitesboro is visiting in Clarendon this week. Lois Wallace spent Saturday in Amarillo.

Joy McCanne went to Amarillo Saturday. Dorothy Joe Taylor visited in Amarillo Saturday.

Alpha Delta Psi Society Activities

Pauline Slover was installed as new president by the former president, Barbara Smith, at the regular Wednesday meeting of the Alpha Delta Psi. Miss Slover in turn installed the other new officers, so each one is now performing his separate and individual duties. The usual business was taken up and as is usually the case, the Society was informed that the finances are low and that all funds donated will be greatly appreciated.

The Society was glad to welcome Miss Hazel Newby as a visitor. She very graciously consented to play that favorite lano selection, "Saint Louis Blues". Faye Brown gave an interesting as well as educational talk on "debate—its origin, development, and benefits." The question of debate was discussed and each member has agreed to take part in the debates which are being planned for the society.

Adjournment took place in the usual manner. Every one is invited to attend the Alpha Delta Psi meetings.

FIRST YEAR AGRICULTURE

The First Year Ag Class studied about testing milk last week. Every one brought some milk to test. Mr. Boykin had them to write up the experiment after they had finished. Those who didn't test any Thursday tested Friday. Monday they had an old-fashioned spelling match. Tuesday they went to Bert Mayfield's and laid lines for terraces. They are planning to go again.

Henry Wilder of Pampa visited with friends in Clarendon over the week end.

Sophs Making Plans To Fete Seniors Soon

The Sophomores assembled in their home room at one o'clock Monday afternoon for the purpose of attending to business matters. They also decided to give some social function in honor of the Seniors later on. Only a small percentage of the class was present.

An unusual thing happened Monday when all three classes, Sophomores, Juniors, and Seniors held a class meeting, separately, at one o'clock.

Miss Lois Wallace and Miss Mary Naylor visited in Amarillo Saturday.

GEORGE M. COHAN SONG

Composed especially for the
GEORGE WASHINGTON BICENTENNIAL CELEBRATION

To Commemorate the Two Hundredth Anniversary of the Birth of George Washington

Father Of The Land We Love

Written for the American People By GEORGE M. COHAN

Moderato

Copyright MCMXXI by Hon. Sol Bloom Washington Building, Washington, D. C. All Rights Reserved

Wash-ington, A song of love that reach-es near and far; heart and soul, A pa-tri-ot-ic some-thing seems to say:

CHORUS
First in War, first in Peace, First in the hearts of his country-men That is the sto-ry of Wash-ing-ton, That is the glo-ry of Wash-ing-ton, His spir-it is here— His spir-it is here— His stand-ing, com-mand-ing a-bove In word and deed we fol-low the lead— of the Fa-ther— Of the land we love, love.
