Only Nine More Days To Pay Poll Tax

Donley Pioneer Killed In Auto Crash Buried Tuesday

Tax Collector Pleads With Donley Citizens to Pay Taxes Before 31st

TAXES FAR BEHIND PREVIOUS YEARS

NINE MORE DAYS LEFT TO PAY TAXES — ONLY 564 POLL TAXES PAID

Only nine more days are left in which the citizens of Donley County may pay their poll taxes and receive the privilege of voting in the July and August Primaries. To date, according to information from the Tax Collector's office, there has been 564 poll taxes issued. This is the smallest number ever issued from the local office since modern times and indicates that there are approximately 2,800 Donley County voters who have neglected to pay for the right to vote in the coming elections. Last election year there were over 2,800 poll taxes issued to the voters here. This year's total will probably be raised during the remaining period, but it is not likely that the demand will exceed the rate of 250 per day which is needed to reach the normal voting power of the county.

Automobile licenses have done better but they too are below last year's receipts for the same period. There has been 474 automobile licenses issued as against 627 cars last year. This item will probably be some lower than last year but the late buyers will probably run the total to near the 1930 figure.

The Commissioner's Court Tuesday voted to institute court proceedings against individuals, corporations, and business firms in Donley County who are able but who fail to pay their taxes during the remaining tax paying period.

Mr. J. R. Mauk and Mr. and Mrs. Edwin Mauk of Hereford were guests of Mr. and Mrs. D. O. Stallings on Sunday.

Mrs. Tom F. Connally, after spending the week end at home, returned to Wichita Falls for further medical attention.

Miss Dorothy Elliott of Memphis arrived last Thursday for a visit in the home of her sister, Mrs. Ed Teer and Mr. Teer.

Mrs. Dorothy Curnutt returned to her home in Dallas after a visit in the home of Mr. and Mrs. Clarence E. Miller.

Mrs. Tom Devanney of Sayre, Oklahoma, was a guest of Miss Loraine Patrick this week.

Mrs. Lemons and Mrs. Alexander of Brice attended the funeral of Mr. J. H. Rutherford on Tuesday.

Mrs. Lucile Pearson, Nee Weatherly, died in Oakland, California January 3, of Pneumonia. She was raised and educated in Clarendon and will be remembered by many friends here.

Dr. Reynolds of Amarillo was among the out-of-town visitors to attend the funeral of Mr. Rutherford on Tuesday.

Mr. Winn Bowlin of Vaughn, New Mexico, is visiting with relatives while transacting business here this week.

Mr. Clint Perdue, a long time resident of Donley County but now of New Mexico, was present at the funeral of his old friend, Mr. Rutherford on Tuesday.

Friends of Jack Rutherford, Jr. will be pleased to know that he is recovering nicely from a recent operation of appendicitis.

BUSINESS MEN AGAIN PROFIT FROM GET TOGETHER

The regular monthly luncheon of the Clarendon Retail Merchant's Association was held Tuesday evening at the Clarendon Hotel with eleven interested members present. The previous month's meet during which an informal discussion was held so pleased the group that the same was in order at this meeting. Every one entered into the discussion and profited a great deal from the various viewpoints of the business men concerning the present condition of the business world.

Legion Will Hold Smoker Friday Eve

It was voted in the regular session of the Aubyn E. Clark Post of the American Legion, Tuesday night, that a stag smoker will be held this Friday evening at the Legion Hall beginning at 8 o'clock. A great time is anticipated by the members and their fun festivities of the evening will be enhanced with a number of visitors. Each Legionnaire is privileged to invite one guest for the occasion, whether it be father, brother or friend, every member will have another person on hand.

A fine entertaining program has been planned and will be presented during the first part of the evening after which the gathering will enjoy an informal get-together featuring games and various contests. Refreshments will no doubt make their appearance before the evening is finished and again the American Legion will have scored a big hit with its members and give an insight into the work of the organization to the visitors favored with an invitation.

J. W. EVANS IN CHARGE OF REGULAR ROTARY CLUB PROGRAM FRIDAY

The regular Friday luncheon program of the Clarendon Rotary Club was in charge of the Vocational Service committee with Rotarian J. W. Evans, acting chairman, in charge. Only one absentee kept the club from registering a perfect attendance. A general discussion of the problems of the present time took up most of the time and proved very beneficial to the group interested.

Rotarian Robert S. Cope, who has been absent from the city for a number of months, was back and reinstated to membership in the local organization. His return was hailed with much delight from the entire group.

Rotarian Cope expressed his delight at being permitted to again meet with the Rotary group and conducted the club in a short song before adjournment.

BIG ATTENDANCE FEATURES PARTY

HENRY ANSLEY PROVES SEN. SATION ON ALL-STAR PROGRAM THURSDAY

The largest crowd ever present in Clarendon for a Chamber of Commerce occasion gathered in the First Christian Church Thursday evening and enjoyed the greatest all round program ever presented in the history of the city. The annual chamber of commerce banquet, renamed this year the "Community Party", featuring an all-star program, attracted 228 Donley citizens.

Arriving shortly after 7 o'clock the audience gathered in the spacious auditorium of the Christian Church and enjoyed conversation with friends and neighbors while listening to the fine music offered by the Junior Band under the direction of Gus B. Stephenson. After the guests arrived the group was ushered into the large dining hall in the basement of the church where long tables invited the banqueters.

After the group reached their places at the tables Toastmaster Holman Kennedy called upon Rev. Robert S. McKee who said the invocation. The evening's program was started off with the selection "Silent Night" by the Union Chorus of fifty voices under the baton of Sam M. Braswell. Following the song the Christian ladies in their inimitable style began placing the banquet plates laden with delicious turkey and all the necessary accessories before the seated attendance. The delicious meal was further enjoyed by band music and special numbers by the Junior Band.

"My Home Town" was the subject used by Phifer Estlack, basing his speech on the one used by himself several years ago in the declamation contest of the same subject sponsored by the West Texas Chamber of Commerce. Mr. Estlack outlined the advantages of Clarendon and also Donley County as a home community and stressed the need for co-operation from everyone to make the place what it should be.

Music by a double quartette under the direction of Miss Anna Moores was a feature of the evening's program and made a tremendous hit with every one present for their splendid presentation of heavy and feature selections alike.

Miss Martha Buttrill, county Home Demonstration Agent, produced a novel method of presenting the methods used in Donley County for the production of gardens and the home canning which followed the harvest this summer and fall. In this the use of a screen with silhouette figures demonstrated the activities of the club members of the county in filling their 4-H Pantries.

The Dairy and Poultry industry in Donley County was ably presented and discussed by T. R. Brown, County Demonstration Agent. Mr. Brown stated that it was in his program next year to feature the flock and herd on every farm in the county. These two sources of revenue will take care of all the expenses of the farm with a bit of careful and systematic management and should be pushed wherever the opportunity presents itself.

Frank Bourland presented an interesting address on the Cattle and Farming Industry in the county, reverting back to a num-

BIG SURPRISE IN LIBRARY REPORT

1931 REPORT FOR CITY LIBRARY SHOWS 12,000 BOOKS LOANED FOR YEAR

Clarendon's City Library loaned over twelve thousand books during the past twelve months, is the startling totals revealed by the annual report of Mrs. C. A. Burton, librarian, to the Library Board in session Friday morning of last week.

Not many people have realized the growing use and importance of the City Library of Clarendon, and even the board members were astonished at the large use now being made of the library, on the short schedule of only three openings per week. The library is open to the public on Tuesday from four to five o'clock and Saturdays from two to five o'clock each week, at the present time, it being the aim of the board to arrange for daily openings when finances will permit.

Mrs. Burton's report showed the library began 1931 with 2037 volumes on its shelves and during the year added 375 new ones, wear and tear causing the loss of twenty-five. Thus 1932 starts off with 2387 select volumes open to the membership, and with some fifteen books having been added since the first.

Membership in the library is \$1.00 per year, and according to the report there were one hundred and fifty six on the rolls on Jan. 1st, 1932. This in terms of families means that around six or seven hundred people are at least occasional patrons of the institution.

The use of the library is not limited to the city of Clarendon, and many of the most constant readers are from the rural districts of the country. Every Saturday will be found scores of Donley County people, other than from Clarendon, in the library room at the City Hall making their selection of books for the coming week with just as much interest and discrimination as readers in the Metropolitan centers. The board is particularly pleased over this feature of the work and is planning to make the library do even greater service to the county at large.

The board is composed of Mayor W. P. Cagle, Mesdames J. T. Sims, E. P. Shelton, C. A. Burton, librarian; W. H. Patrick, treasurer, and Sam M. Braswell, secretary.

AMARILLO MAYOR ENTERS POLITICS

E. O. THOMPSON ANNOUNCES CANDIDACY FOR CONGRESSMAN-AT-LARGE

The Clarendon News is in receipt of a letter from Wilbur C. Hawk of the Amarillo Daily News in which the candidacy of Col. E. O. Thompson, mayor of the city of Amarillo, is announced for Congressman-at-large in the Democratic Primary. This news comes to the voters of Clarendon and Donley county with a great deal of satisfaction and the popular and much discussed mayor of the Panhandle metropolis is certain to find a great number rallying around his standard when the polls open for business in the first primary.

He has many staunch friends who have stood by him during his victorious fight for cheaper utility rates, lower taxes and reduced cost of city government in Amarillo and these believe he will carry the same fight for the Panhandle and Texas people into the congressional halls at Washington.

Junior Band Thanks Citizens for Courtesies

Gus B. Stephenson, director, has asked The News to express for the members of the Junior Band their appreciation for the courtesies extended them by the chamber of commerce and citizens of Clarendon in furnishing tickets to the Community Party on last Thursday evening. Director Stephenson stated that the members of the band were enthused over their appearance and the kind appreciation of the audience he was having trouble keeping them from appearing at the least cause.

A little inside "dope" concerning the junior band is given for the benefit of the readers of The News who might be interested. The organization boasts of 24 members, ranging from high school age down to the third grade. Three or four new members are expected in the next few days. Only two public appearances have been made, but a director promises that regular concerts will be given during the summer, exclusive of the crack High School Band.

AUTO CRASHES INTO DITCH TURNS OVER

MASONIC ORDER IN CHARGE OF LAST RITES OF FORMER DONLEY SHERIFF

Another of Clarendon's and Donley County's pioneers was laid to rest Tuesday afternoon, when J. H. (Jim) Rutherford was buried, following an automobile accident near Claude last Sunday evening from which severe injuries proved fatal a short time afterwards. The tragic crash occurred six miles east of the Armstrong County seat as Mr. Rutherford was driving toward Claude. Mr. Rutherford was alone and was supposed to be traveling at a high rate of speed when his light coupe struck a rough place in the road careening the car to one side before plunging into the ditch and turning over several times before coming to a halt.

Mr. Rutherford was thrown clear of the wreckage some thirty feet, and was found unconscious by a nearby farmer who rushed to the scene of the accident after hearing the crash. The injured man was carried to the Hill home and a physician called, but the local citizen expired before regaining consciousness. The automobile was completely demolished. No broken bones were found and it was presumed by the attending physician that death was caused from a severe head injury.

Mr. Rutherford was one of Clarendon's most loved citizens, having lived here more than 30 years, during which time he has served as sheriff of Donley County for two terms. He was always kind to every one coming in contact with him and operated the Rutherford Apartments at the time of his untimely death. The deceased was a York Mason, Shriner, member of the Baptist Church and was secretary of the Donley County Mutual Association.

He was born in Greenwood, Arkansas, March 24th, 1868. He moved with his family to Georgetown, Texas, fifty years ago. A childhood romance was culminated on January 1st, 1893, when he married Miss Sarah Alice Bean at Greenwood, Arkansas. The couple moved to Clarendon where the family has been for 32 years. To this happy union there was born eight children, two having preceded their father in death. Mrs. Rutherford passed from this earth to her home in the Heavens on July 25, 1893.

Funeral services were held at

Margurite Taylor, danseuse. This work will require nearly half an hour to present and is based on the national characteristic of the poised and self-possessed "un-wooded, un-wed" living amid flowers and sipping tea, in scene one, to the awakened flame of love and ecstasy in the finale. Soli of the operetta will be sung by Mesdames J. L. McMurry, Frank Heath, and Miss Cecil Hukel. Two pianos will be used in the accompaniment of this work, Misses Mildred Martin and Fray Stallings performing in their usual artistic style.

There is a small admission charge for the program—25c for adults and 15c for children under twelve, the proceeds going into the MacDowell treasury for the promotion of the clubs sponsorship of music in the community. Those who pretend to know say this will be one of the most colorful and entertaining programs ever to be witnessed in Clarendon, and a large attendance is anticipated.

CLARENDON'S MOST USEFUL CITIZEN

Along last year The Clarendon News announced that it would conduct the selection of this city's most outstanding citizen from the standpoint of services rendered the public welfare for the year of 1931.

During the month of February The News will receive nominations for this recognition and with each nomination must come a brief outline of reasons for the nomination. These nominations will be considered by three disinterested judges of unquestioned integrity, and the award will be made according to their verdict.

The Clarendon News will make this award from year to year in the hope of stimulating interest in public service of all kinds, thereby placing a new and cumulative emphasis on unselfish endeavor.

Our readers are invited to begin the study of past year activities with a view to prompt and worthy nominations for recognition to the man or woman who best served Clarendon and its citizenship in 1931.

POLL TAX PAYING TIME IS SLIPPING AWAY

Not many days, now, until it will be too late to secure the right to vote in the elections of 1932, by payment of poll tax as required in Texas.

The News would again urge every voter to make particular effort to make good the right of franchise by the securing of the poll tax receipt, not alone for reasons of citizenship, but because the major fraction of the dollar and seventy-five cents goes into the school fund of the state for re-apportionment back to our local schools.

Protect your own interests and give needed aid to the schools. Pay your poll tax and do it before Saturday night, week.

PROHIBITION SUCCESS

Having fought the liquor traffic for the last fifty-five years, the success we are attaining inspires me until I am planning another twenty-five year's fight, when I will invite all America to celebrate my one hundredth birthday with a bone-dry dinner. To say that I am delighted with the progress we are making is speaking mildly. When I remember that during saloon days institutions for curing drunkards were turning out their patients by tens of thousands annually, including 40,000 women drunks, and then learn through a recent survey that of the 300 such institutions, only thirteen now exist, half of which are without patients, do you blame me for getting enthusiastic for prohibition? When I learned that the federal government had to establish twenty-eight such institutions at their army posts, and in one year treated as high as 14,000 soldiers, but under prohibition has closed up all such institutions, is it surprising that the wets have difficulty in talking to me about prohibition being a failure?

When I remember that the secretary of the association of "cured" drunks in the nineties reported that the saloons were making drunks at the rate of 250,000 a year and remember that during the last ten years I haven't seen as many as ten of what we would have called drunks during saloon days, are you surprised that I have renewed my youth as an eagle for further fight?

When they talk to me about the law not being enforced, and I remember that the saloons did not respect the laws passed to regulate them any better than the bootleggers respect the Volstead act today, are you surprised that I am so dumb as not to fall for this propaganda?

When I read in the papers that the wet leader who made a survey of the speak-easies of America announcing how many are to be found in each state, and recall that when we had saloons we had more speak-easies than than this wet now claims, can you blame me for preferring prohibition to regulation?

When I read from authoritative sources that in the enforcement of law in general only one person is arrested for every ten felonies committed and only one arrested person is convicted where three are arrested, do you blame me for believing that we are enforcing our dry laws about as well as any other?

America's fight for sobriety covers more than 100 years, and no method of handling the liquor problem has ever obtained the successful results that we are having today under the Eighteenth Amendment. The history of the fight in every nation sustains the same conclusion, namely that the most rigid prohibition of the liquor traffic is the most easily enforced, and gets the best results.—George W. Carroll, in the Dallas News.

Industrial Possibilities of Texas

BY COL. WM. E. TALBOT

(Editor's Note:—Following is the 17th of a series of articles by Col. W. E. Talbot, agency manager for the Southland Life Insurance Company and the prime mover in the campaign for Texas Industries, in which he discusses the possibilities of Texas from an industrial standpoint, answering the question: "What manufacturers does Texas have and what can we profitably manufacture?" Other articles will follow.)

STORY NO. 17

Special To The Clarendon News

Recently you have seen many plans advanced for the relief of cotton—some to destroy the crops the farmers already has raised, which would just about put him in the penitentiary for destroying mortgaged property. He has been told not to raise so much, or to quit entirely is another wild dream. It is all he knows and all that he is equipped for. He is told to diversify, and yet no market is offered for a different crop.

We always have been able to compete with the world on long staple cotton, and one of the great troubles of the South today in the raising of cotton is the poor grade seed which is used to mature early to get away from the boll weevil, and the fact that the land is depleted through excessive planting of the same crop. A better grade of cotton seed plus rehabilitation of the soil, and last but not least, consumption of our own leading crop is the only workable solution for this condition.

The soil needs two things, one is potash and the other is nitrate. Nitrate can be produced synthetically, so we will not go into it, but potash is available and can

be supplied at a price the farmers can pay, if we will only develop God-given resources that we have permitted to remain dormant.

There are three deposits of potash in the world, one in Germany, and one in Alsace Loraine. Today we are importing around 500,000 tons of potash annually into the United States. In West Texas, near Midland, is a potash deposit originally located by the United States Government during the war-times, that is three miles wide and six miles long. It is estimated that in that deposit there is enough potash to last the entire United States for the next 200 years, at the present rate of consumption.

There are three chemicals produced from potash, potassium sulphate, magnesium sulphate, and calcium sulphate. Those three products enter into the manufacture of glass, soap, chemicals, medicines, photographic materials, dye, matches, paint and paper, and last but not least of these important functions, it is the basis for explosives, and any nation at war without their own supply of potash has a rope around its neck.

Here also is a source of fertilizer for our farmers, to rehabilitate our cotton soil, and get back to long-staple cotton. It means that Texans, instead of sending their money out of this state for stocks, must get in behind and finance our own industries. This potash development would be one of the greatest things that Texas could do from an industrial welfare of the farmer if Texans will only wake up.

A. H. BAKER ASKS FOR DISTRICT CLERK JOB

The Clarendon News has been authorized to announce that Mr. A. H. Baker will be a candidate for re-election to the District Clerk's office in the July Primary and if necessary also in the August election. Mr. Baker points to his thorough knowledge of the office and asks that the voters consider this when they go to the polls to vote. He believes in doing everybody justice and giving every one the utmost consideration. It is his belief that he can serve the people with greater saving than any who might be placed in the capacity of the clerkship.

Mr. Baker states that he will try to see as many of the voters personally as possible before the election but the proper discharge of the duties of the office must come first and it is probable that some of the voters will be missed. However, to these and all other voters he pledges his best efforts in the proper conduct of the office and will appreciate the support of all citizens in the July and August primaries.

A. N. WOOD ENTERS THE RACE FOR TAX COLLECTOR

The Clarendon News has been authorized to place before the voters of Donley County the candidacy of A. N. Wood for the office of Tax Collector, subject to the Democratic Primary in July. 1926 Book Club

One of the most interesting book reviews ever presented to the club was the opinion expressed by a large majority of the members of the 1926 Book Club who attended the meeting on Tuesday afternoon at the home of Mrs. J. R. Porter with Mrs. Fred Buntin as associate hostess.

Roll Call was answered with a peculiarity of Alaska. Miss Temple Harris, leader for the afternoon gave a sketch of the life of Edison Marshall, author of the story "Lonesome River", which was reviewed by Mrs. Rayburn Smith.

A tempting salad course was served at the close of the review.

Miss Elliott and Mrs. Curnutt Are Party Honorees

Among the many enjoyable social functions of the week was the lovely party given by Mrs. Ed Teer and Mrs. Clarence E. Miller for their house-guests, Miss Dorothy Elliott of Memphis and Mrs. Dorothy Curnutt of Dallas, at the hospitable home of Mrs. Ed Teer on Monday afternoon.

Hospitality and congeniality was the prevailing theme of the afternoon while games of bridge furnished the principal diversion with Mrs. Lillian Brady being

winner of high score, and Mrs. Forest Sawyer in cut. Each of the honorees received lovely favors.

A delightful afternoon refreshment course was served to:

Mesdames Forest Sawyer, B. F. Kirtley, John Sims, Jr., Charles Trent, Geo. A. Norwood, Cleo Norwood, Meredith Gentry, Park L. Chamberlain, Earl Alexander, Lillian Brady, Frank Stocking and Floyd Lumpkin.

Misses Anna Moores, Helen and Mildred Martin, and the honorees, Miss Dorothy Elliott and Mrs. Dorothy Curnutt.

Mrs. Charles H. Bugbee Entertains With Luncheon

Another most truly lovely social affair of the week was the bridge luncheon given on Tuesday by Mrs. Charles H. Bugbee for members of the 1922 Bridge Club, at her palatial country home.

The guests arriving at 1:00 o'clock were ushered into the dining room where they were served a bountiful three course dinner from an attractively arranged table, the centerpiece being begonias cleverly arranged in a basket of green and pink which set the color scheme of the afternoon. Nut baskets, tallies and place cards reflected the pink and green motif also.

In the games which followed Mrs. W. H. Cooke was awarded

high score favors and Mrs. Odos Caraway received consolation.

Attending were Mesdames L. S. Bagby, Odos Caraway, A. R. Letts, R. A. Chamberlain, W. H. Cooke, Sella Gentry, W. H. Martin, J. T. Sims, L. L. Swann, T. H. Ellis, club members.

Mrs. J. F. Blocker and Mrs. F. E. Chamberlain, invited guests.

Bid-A-Bit Club Entertained

Among the many enjoyable informal parties of the week was that given by Mr. and Mrs. Bill Bromley at their congenial country home, Tuesday evening for members of the Bid-A-Bit Club.

On arrival the guests found tables arranged for the games and playing begun soon afterwards with Mr. and Mrs. Fred Buntin, Mr. and Mrs. Rolfe Brumley and Mr. and Mrs. Tom Goldston as score winners.

A much enjoyed refreshment course was served before guests returned to their homes.

Selected for the games were: Mr. and Mrs. Tom Goldston, Mr. and Mrs. R. Wilkerson, Mr. and Mrs. Fred Buntin, Mr. and Mrs. Rayburn Smith, club members.

Mr. and Mrs. Harlan Naylor, Mr. and Mrs. Henry Tombs, Mr. and Mrs. Rolfe Brumley and Winn Bowlin, invited guests.

Mrs. J. R. Cox Honoree to Surprise Party

The last week end will probably be long remembered by Mrs. J. R. Cox who was the recipient of a

lovely surprise party on Saturday at her home with Miss Lois Cox and Mrs. Tommy Tucker, daughters of Mrs. Cox, as hostesses.

Mrs. Cox had been invited to spend the night with friends in the country on Friday and upon returning to her home Saturday afternoon she found a host of friends waiting to greet and shower her with birthday wishes upon her as well as present her with gifts. To say she was surprised would be to put it mildly for she was indeed taken quite unawares.

A variety of games including relay races had been arranged for the afternoon's entertainment and since this was a birthday party a birthday cake mounted with (how many did you say?) candles proved an interesting feature also for:

Mesdames J. R. Cox, the honoree, L. P. Cox, J. B. Turnbow, Hall, O. N. Hedgpath, W. B. Sims, M. E. Thornton, N. A. McMillian, A. T. Cole, H. L. Brady, F. E. Caraway, J. L. Walker, Inez Bryant, M. W. Mosely, W. H. Miller, S. M. Hall, L. D. Perry, J. M. Stevens and J. L. Walker. Misses Elizabeth Stevens, Fannie Perry, J. R. Cox, Jr., Walton Tucker and Javan Tucker.

Benton Smith is Host With Dance

Dancing and bridge which seem so a part of the week ends for the High School and College students was kept up to record the past week end with Benton Smith acting as host at his home on Saturday evening.

After games of bridge, music

from the radio and victrola furnished the music for dancing which proved an interesting diversion until a refreshment course was served late in the evening.

Making this party the success it was were: Misses Carrol Holder, Jonnie D. Latson, Pauline Sanford, Elizabeth Kemp, Eunice Johnson and Dorothy Jo Taylor.

Roberta LaFon Named Honoree

With other lovely hospitalities extended out-of-town guests and others last week was that extended Miss Roberta LaFon on Friday evening as a surprise birthday party by Miss Eunice Johnson at the home of her parents, Mr. and Mrs. Dave Johnson.

After the joy of surprising Miss LaFon and seeing her bewilderment turn into real pleasure, games of bridge were entered into with real zest and continued until late in the evening with Miss LaFon being presented with a lovely gift at the close.

Enjoying this were: Misses Roberta LaFon, the honoree, Jonnie D. Latson, Carrol Holder, Pauline Sanford, Pauline Shelton, Jean Bourland, Dorothy Joe Taylor, Josephine Murphy, Ruth Donnell, Hazel Gilbert, Helen Bailey, Joyce Link, Nola Gordon, and Elizabeth Kemp.

Mothers Club Meets

In the home of Mrs. T. H. Ellis members of the Mother's Self

Culture Club were entertained with an exceptionally interesting program on Friday afternoon.

Mrs. T. D. Nored was leader for the afternoon's study and gave an interesting discussion of "Modern Architecture" as founded on beauty and use following the roll call which was answered with a short discussion of the topic "In building a home which should predominate, beauty or use." Mrs. Paxson, a new member of the club, proved to be a very valuable one with her discussion of the subject, "Evolution of American Homes and How Has the Style of American Homes Influenced Life". Mrs. J. R. Porter then presented two chapters of the study "Character Training" which is proving so interesting to the club members.

A clever one-act play "Sick Baby" was cleverly given by Zelda Ruth Nored, Ruth and Jean McDonald, Helen Frances Porter,

also added her bit to the program with a pleasing reading.

During the business session the election of officers was held with the following result: President, Mrs. Wm. M. Patman; Vice President, Mrs. Fred Buntin; Secretary Mrs. Paxson.

The members were served an elaborate two course afternoon lunch following the completion of the program.

Have you all seen the Bronchos in their new basketball equipment? The charges of Coaches Hutton and Stocking look good and their play is even better, and the Maroon and White is expected to be able to take care of itself this season with the best of the big boys. They played two games last week and showed fairly good form for this early in the season, downing the Claude Mustangs in an easy battle 27 to 17. But it was a different story Saturday evening when the Bronchos seized the Goodnight barracks and finally staggered through a 14 to 13 win. The Goodnight five have a real classy organization winning their county title last year and being nosed out by the Hedley Owls in the Bi-District play. While the Hedley quint downed the Armstrong county lads by a greater score than the Maroon basketesters last week we believe the local combination will have a pretty even chance to uproot the down the county boys from their perch because the Bronchos are just beginning to round into form while the Hedley team is already playing a mid-season game.

The Bronchos are going to have to work hard to win the county this year, but they have a hard working squad and we believe they will be masters of the county on the hardwoods—IF—and that IF is up to the fans of the city. IF the support given the Bronchos on the football field from the fans may be carried onto the basketball court the local team will be helped greater than anything else possibly could. Now if you want Clarendon to have a winning team get behind the boys and prove it by coming out to the games. We have a good team which will be as good as we make it.

And while we are speaking about the home town team Clarendon has another crack basketball club in the Broncholets. These lasses are playing a mighty strong game and bid strong to be even better than the crack sextette here last year. This combination, Barnes to Caughen to Keener, is a dandy and most usually means more work for the score keepers.

You nearly always see two or more games each evening which promises diversity in entertainment and a generous share of thrills—come out and give the boys a chance.

Panhandle fans are demanding a schedule next fall which brings the Amarillo Sandstorms and the Pampa Harvesters together on the gridiron. It seems that some difficulty is being experienced by officials of the two clubs in getting a date set for the contest. Pampa doesn't want to play before the latter part of the season while Amarillo is anxious to get the game over as soon as possible.

Well, we must side with Amarillo on the issue. The Sandies have offered the Mitchellites five Saturday dates for the proposed game, but the offer has met with the strongest refusal. Pampa won't think about playing until well after mid-season. That's a little out of line, Pampa, for as we remember it, the Sandies (in a like condition with a brand new team) didn't argue when they played the veteran Harvesters early this past season. Of course, it would be nice to pick the dates for the future progress of the team, but why should the concessions be made to the rookie Harvesters when it was omitted last season and was largely responsible for the early defeat of the Potter county lads? It seems that five dates are plenty and one could be selected without ruining all the chances of a Harvester win.

Some have said it was against Pampa's interests to play early because of the small "gate" in early season contests. Perhaps, but again we refer to the last season.

son's game at Pampa when all existing District One receipts were smashed all over Harvester Park. The interest in a Pampa-Amarillo clash will insure a great crowd no matter when the game is played.

So get together Amarillo and Pampa, the Panhandle fans are demanding the game and we believe they are justified in expecting the annual Panhandle classic.

It's a terrible thing for Col. Jake Ruppert of the New York Yankees to have the audacity to expect a young man by the name of George Herman Ruth to play baseball a whole six months in the Yankee Stadium's outer pasture for the paltry sum of \$70,000. Such nerve—it's an awful calamity and the thousands upon thousands who are patronizing the bread lines of the cities and financiers alike are raising their united protest at the atrocious salary cut being offered the great "Babe". It's been a long time since the country has been jolted by such an injustice to one of its citizens and national heroes.

However, if he can't do better that much will let him have enough to break even on fountain pens used in autographing baseball for the customers. We've had our salary cut too, Babe, so don't feel too bad about it.

We have just been notified that the Bronchos handed the Claude boys a severe 36 to 5 trouncing last night at Goodnight. Our informant says the boys looked mighty good and played a greatly improved game over anything shown to date. Martin was high point man with Captain Reid finding the basket for the first time this season hanging up 10 points. Watson played a fine game and fed the ball to the big center for the tallies. Good work Bronchos.

It is rumored that Captain Raymond Nichols and Loyd Martin are preparing for this column an honest-to-gosh all conference football team. This will be in next week so make your reservations for copies right now. Line forms to the right please. This ought to be good.

SPORTLIGHTS from HEDLEY HI

By Hazel Stewart

Special to The Clarendon News

"Gee! That's the best game I've ever bugged my eyes out to see!" Exclaimed a girl in the grandstand Friday night, Jan. 15, when the Owls met the fast Goodnight five on the Hedley court. They staged a real battle for rival honors with the fighting Owls holding the big end of the score.

The Owls took an early lead and with fast team work held it until the Goodnight boys could only play defensive ball. The first quarter ended 6-0, then returning the Owls finished the half 11-3. Coach Newman probably told his boys what it was all about at the half and they came back for the third quarter 18-9 still in the lead and the final score being 29-11.

Co-captain Armstrong was high point man with thirteen points followed by Evans with eight. Only one substitute was made. Tollett, guard, flashed about the court and did well with several field goals. Hunsucker, center, did his job in such a way that spectators opened their eyes.

The Owlets played an exciting game with the Goodnight girls. Opal Wood did well at her post of looping goals. During the game it was a hard position as to guess who would win but in the last few minutes of play the visiting girls scored, the score being 22-20. The Owlets took the defeat in a fine way, however, they plan to "pour" it on the Goodnight team when they return to the game.

Ass't. Coach Doherty's "War-horses" threw the McKnight boys for a loss of 19-16 Friday night. The following night Coach Newman and his team ventured to Childress where the Owls met the Kirkland team and whiffed a 31-21 defeat to Supt. Maxwell's home town squad. Of course he wanted the Owls to take 'em for a wild round and was proud of the fact that they did. Hunsucker was high pointman with 18 points. The Owls, Owlets, and War-horses have a good spirit to win and feel the "swell" backing everyone has shown them.

The boys and girls team of Hedley High School were treated to S. G. Adamson and Harlie Moreman at the Moreman Cofe. The teams are due to gain a considerable sum after such a supper, and wish to express their appreciations to the givers.

OWLS ENJOY SOCIAL

"Snake" proved to be the password to the social Friday night when Hazel Stewart entertained the Owls at her home in east Hedley. The guests arrived soon after the Hedley-Goodnight game and were interested in games planned by the hostess. One of the most merry moments of the evening was when Ray Culwell, ex-Owl and referee of the Goodnight game, gave away that Supt. W. C. Maxwell was the only love-sick person present. At a very late hour the hostess served pie and hot chocolate, assisted by her mother and Ethel Fox, Toddie Ayers, and Mildred Culwell. It was a pleasant evening for Ann Ruth Mitchell, Pauline Boliver, Louise Adamson, Opal Heath, Louisa Hill, Zelma Johnson, Mary Hope Wells, Jonnie Webb, Margaret Doyle, Ruth Wells, Tommie

Palo Duro Literary Society

Once more resuming its regular Wednesday evening meetings, the Palo Duro Literary Society heard a very interesting program on the night of January 13, in the Clubroom of the administration building.

As it is the custom of the Palo Duro Literary Society to elect officers at the beginning of each term, and since it was the first meeting of the new semester, this election was carried on as a part of the program.

President Clyde Slavin presided with Secretary Pauline Shelton as recorded, the following officers were elected:

President, re-election, Clyde Slavin.
 Vice-President, Silas Franklin.
 Secretary Treasurer, re-election Pauline Shelton.
 Reporter, re-election, Eunice Johnson.

Term Janitors, Glenn Allison, Sam Cauthen.

Under the nomination of the president the program committee consisting of Nola Gordon, Jannie D. Latson, and Bill Wood, was notified of the proposed meeting at one o'clock Friday noon in the society room.

A social committee composed of Roberta LaFon, Dorothy Jo Taylor and Bill Wood, was appointed by the presiding officer.

When the official duties were finished the program was presented. Jonnie Latson once again revealed the dexterity of her fingers when she gave a piano solo. Assisted by Pauline Shelton at the piano Wilma Hukel sang a variety of popular numbers including that old favorite "Just One More Chance."

Motions were made for adjournment and, after the attention was called to the forth-coming debate at the next society meeting, all departed.

The First Year Ag Class went to Joe Montgomery's house Monday to judge chickens. This is their first field trip. They culled about 25 or 30 out of a flock of 125. Joe reports that 18 eggs were received from the culls Tuesday morning. That's not so bad on their first trial. Now they are studying about pruning and planting fruit trees. They expect to go on another field trip Tuesday and Friday.

JUNIOR REPORTS

Now that another semester has begun, the Juniors are bucking down with renewed zeal to Shakespeare's plays and Essentials of Economics. There are several home-loving Junior boys who have taken up Home Economics, and

Miss Morgan now has a class composed of boys exclusively. Several of the Juniors are proudly identifying themselves with the class pin on their coat collars. No wonder—it is one of the prettiest pins C. H. S. has ever had in its building.

Almost all of the Juniors had some changes to make in this schedule but with the kind and patient cooperation of the teachers they have themselves established to the new regime. Classes have been cut down, new ones added, and every body is pleased. It looks as if there will be an exceptionally large graduation class in 1933.

AGRICULTURE REPORT

The Second Year Agriculture class have been studying for the last two weeks on diseases and insects of poultry, hogs, and cattle. Mr. Boykin gave questions on each which we were to answer and put in our note book. On Tuesday they went to J. R. Bull's farm and judged hogs. On Wednesday they worked the tennis court, hoeing weeds and leveling the court.

JUST GLANCING AROUND

Bill Word sitting on the floor in English class.

Lois Wallace, Vera Noland, and Joella Stewart eating a "Depression" bar of Candy.

Mr. Stocking jingling his money. Elizabeth Kemp trying to work a Cross Word Puzzle.

Marjorie White seemingly studying Geometry but in reality "just thinking".

Loyd Benson writing poetry.

Skinny Butler wearing his usual ear-to-ear grin.

"Son" Skelton making wise-cracks.

Evelyn Murphy laughing aloud in the study hall at books she reads.

Snooks Andis making a hit with all the basket ball girls who come to play the Clarendon team.

SPANISH 223

Although a small class, Spanish 223 is a very lively one. All members except one are young ladies. A majority of these young ladies are corresponding with Spanish "seniors" and it is not the fault of the others they are not. This letter writing appears to be a very pleasant form of entertainment, and many pictures, songs, newspaper clippings etc. are being exchanged.

Our class wishes to take this means of expressing sincere thanks to Miss Wiedeman and those who cooperate with her in securing the beautiful pictures for the Modern Language room. They are all the work of great masters—Velasquez, Le Page, Ouderlinck—which were received in exchange for stamps from the covers of loose leaf notebook filler. In their original form they were unframed, but Miss Wiedemann, who is always interested in the appearance of her classroom, had them enclosed in tasteful frames.

We are also expressing our appreciation for the large exquisite picture drawn by Carot which Miss Mary A. Howren presented. The members of this class have certainly enjoyed the last semester of class work, and are expecting to enjoy much more the present semester. In place of the regular routine of classroom exercises has been substituted, a reading course in Spanish literature.

endon High School Bronchos hung up impressive victories over cage opponents Friday and Saturday nights, downing the Claude Mustangs on the local floor by a score of 27 to 17 and noising out the Goodnight High quintet on their new court, 14 to 13.

O. C. Watson, Jr., elongated center, proved the star of the locals each evening and aside from being high point man both games displayed fine all round court form. Capt. Reid displayed dazzling court generalship and was a tower of strength on the defense. The work of Martin at center and Andis forward, was especially gratifying to the local cage fans who are predicting another district championship this year for the maroon and white team.

The team flashed brilliantly through both contests with increasing speed and to the spectators their fast breaking combination proved a sensation. Others showing up well are Nichols, Hudson, O'Neal and C. Hudson.

Seen And Heard AT THE Community Party

Every one was impressed with the splendid band music from the junior band. It was good, and people just didn't believe Gus could get that kind of results from the youngsters. Just shows what excellent leadership, ability and mutual application of industry can accomplish. It is a safe wager that the young musicians will be in great demand ere too many moons. Congratulations Gus and you too, band members.

A better night could not have been selected for the annual event and it was a pleasure to meet with old neighbors and make new acquaintances during the get-together period before entering the dining hall. Such an affair is good for Clarendon, good for the community and good for old Donley County. A better county never existed and nothing but the type of citizens can be the answer for the above fact. The event of last Thursday evening and others to come safely insure the future of Donley and its people by bringing them into closer communion together and thereby promoting a better citizenship with all its rewards.

More surprises greeted the group when the various musical organization made their appearance on the all-star program. That union chorus was a knock out and it is almost a certainty that from its appearance Thursday there will grow a permanent city chorus. Miss Anna Moores' double quartette and male quartette drew more than the usual applause and verbal commendation also.

Henry Ansley, Col. Tack's right hand man, was at his best and really proved the sensation of the evening. One of the jokes from his pleasing flow of humor is retold here for the benefit of those who failed to hear the visiting journalist and professional after dinner jokester. Henry said that since the depression he was convinced that his wife was pretty satisfactory and he was going to keep her until she got to be forty and then trade her off for two twentys.

Everybody received a large kick

from the error (or was it?) in the advertising speech of T. D. Nored on the West Texas Chamber of Commerce. It was strictly understood that no personal advertising was to have a place on the program and when T. D. started extolling the marvels of the West Texas Utilities Company and was stopped by public protest, he excused himself very tactfully. Well, T. D., each of the organizations do begin with the same words—and your speech was a good'n.

George Antrobus certainly likes his turkey gravy, and boy howdy, it was good, wasn't it?

Prof.—Coach—Secretary (or what have you?) Boykin looked happy and relieved at the outcome of the year's chamber of commerce work. Sorta like a kid after final exams—but get ready Coach for this year the old C. of C. will have a real job on its hands—just wait and see. Its a great organization and a great secretary.

The extra added attraction to the Party was Old Tack, even though Erasmus did leave his cross eyes in Amarillo for the night. But cross eyes or no, the popular lost dog finder and matrimonial match maker and at times columnist took the position of side show curiosity following the banquet with every one crowding close to the famous cotton picker humorist for a glimpse and a friendly hand shake. Gene is a good scout and readily complied with the crowd and states that he is sold on Donley county and its people more than ever now.

We nominate Holman for toastmaster again sometime. Holman's Kennedyism had Wichell beat to death. Lots o' credit H. K., you were good.

That was a wonderful banquet plate by the First Christian Ladies too, folks. Just wondered if you noticed how delicious and well prepared and served it was.

AUTO CRASHES

the First Baptist Church Tuesday afternoon at 3 o'clock with the Masonic Lodge in charge of the last rites and the Rev. B. N. Shepherd conducting.

Hundreds of friends from over the Panhandle crowded the church to pay their tribute and respect to their departed brother and friend. The business houses of the city were closed during the funeral for one hour. An honor guard from the Memphis Commandry of the Knights Templar added to the impressiveness of the service.

Those left to mourn the passing of this good man are the children: Mrs. George Butler, San Angelo; Mrs. Carl Williams, El Paso; Mrs. H. N. Van Trease, Amarillo; Mrs. Henry Hicks, El Paso; Jack Rutherford, Amarillo, Bill Rutherford, El Paso and Miss Nancy Rutherford, Dallas. Mrs. Hattie Rutherford, Dallas, and the brothers and sisters; Will, Tulsa; Joe, Prescott, Arizona; Clint, Los Angeles, Calif.; L. L. Ralls; Bob, Sand Springs, Okla.; Wayne, Crosbyton; and Mrs. Minnie Bartlett, Busby, Mont.; and Mrs. Alice Hardwick, Ft. Smith, Arkansas.

Pall Bearers were: Frank Whitlock, Henry Youngblood, Odos Caraway, Van Kennedy, Jim Headrick, Bennett Kerbow.

Community Party

ber of years when the Panhandle was only a maiden prairie land with only a settler dotting the high waving grass here and there. The change from hatred between the two fractions has been gradual until at the present time each is more or less dependent upon the other and a greater co-operation is needed for the mutual advancement of both industries.

Another musical organization, the College Male Quartette, received the plaudets of the crowd with their delightful selection of songs.

T. D. Nored, director of the W. T. C. of C., delivered a very interesting and constructive address on the activities of the West Texas Chamber of Commerce, outlining its work for the coming year and enumerating the project that has been accomplished which has helped West Texas in the past.

One of the most constructive talks of the entire program was presented by S. W. Lowe, one time superintendent of the local schools, on the subject "Our Schools". Mr. Lowe spoke from actual experience and his address sparkled with interesting truths which is very seldom thought of by the average individual. He compared the schools with the churches in that when a community supported one the other institution was as well taken care of. It was also pointed out that all school taxes should be paid as soon as possible.

Clyde J. Douglas, president of the Clarendon Chamber of Commerce, outlined the accomplishments of the local organization

throughout the year drawing to a close. These were numerous and pointed to the great worth of the organization in the face of an adverse year. These activities will be found enumerated in another part of this issue of The News.

The presentation of the loving cup to the firm having the prettiest show window during the Holiday season was made by W. H. Patrick to E. O. Pope, manager of Hanna-Pope & Co. in this city. Mr. Pope paid his appreciation for the cup and acknowledged the work of Miss Winnie Weatherly and D. B. Pope in producing the prize winning window.

Presentation of visitors followed with the Right Honorable E. R. Tack infrequently addressed as Gene Howe of the Amarillo Daily News. He expressed his pleasure at being here for the Clarendon party and further reiterated his faith in the American people to recover from the economic slump a better nation than ever before.

Henry Ansley, right hand man of Old Tack, proved the sensation of the banquet with a flow of merry wit and humor. He is an annual visitor to the local event and made up for his absence last year with a wonderful address which registered laugh after laugh from the huge crowd. Ansley dwelt upon the subject of depression and pointed out just what a benefit the hard times is proving to the American people. It is bringing every one to their senses and will prove a blessing if the people will only use their heads.

Other visitors included George Briggs, Pampa. Bob Brashears, Pampa; Mason King, Amarillo; and C. T. Crowell, Amarillo.

The annual election of directors was next in line and at the conclusion of the ballot counting it was found that Bill Ray, T. D. Nored, W. W. Taylor, and D. R. Davis were the new directors and will serve on the board with Clyde Douglas, Ed Teer and E. R. Andis, hold over members of the organization.

During the time it took to count the votes the Union Chorus assisted by the entire gathering sang a number of old time favorites, with everyone having a good time and insuring the 1932 banquet the greatest get-together event in the history of the county.

Frankie Young Mother: "Get the doctor quick! Baby's cutting his teeth!"

Calm Young Father: "But why all the rush for a little thing like that?"

F. Y. M.: "But he's doing it with your razor!"

BI-CENTENNIAL PLANS GROWING

CENTRAL COMMITTEE POINTING TO BIG CELEBRATION HERE ON FEBRUARY 22

Monday afternoon of this week the Central Committee of the Bi-Centennial Celebration of the birth of Washington, held a regular meeting at the City Hall and further mapped out plans for the county-wide Celebration and Rally to be held in Clarendon on February 22nd.

Chairman Robt. S. McKee announced plans for membership in the Washington Bi-Centennial Club, and the design for the membership button was selected. The membership fee will be only ten cents, this sum going to pay the expenses of carrying on the Celebration in Donley County, providing prizes for schools for the best attendance at the celebration and awards to Donley County children in the essay and scrap-book contests.

The committee voted to ask the American Legion to arrange and conduct the all-county parade on Feb. 22nd., and authorized a prize of a set of books, the Life of Washington, to be awarded to the rural school bringing the highest percent attendance at the parade, rules of this contest to be announced later.

Program of the day is in the making with Mesdames Burton and Shelton in general charge, and will be announced later.

A Washington Day address will be made by a prominent visiting speaker and other features will be arranged.

In the essay and scrap-book contests, it has been decided to have them conducted and judged at the Donley County School Meet along in the Spring.

The tree planting campaign preliminaries are coming along splendidly with general co-operation from the organizations of the county, and promises to be one of the permanent memorials of the Bi-Centennial with real material and civic gain to the county and towns. This work is in conjunction with the general program of the West Texas Chamber of Commerce five-year beautification of West Texas plan.

A pageant on the life work of Washington will likely be staged

Goldston Literary Society In Fine Meet

The Goldston Literary Society met at the school house, Monday night for the regular business meeting. The society voted to help pay for the re-wiring of the school building so that we might have good lights for public gatherings.

Due to bad weather the program which had been planned had to be postponed until next meeting night which will be on the first Monday night in February. The society plans to present a negro comedy on the night of February the first. A little later in February a longer play, "Let Toby Do It," will be presented. Come to both of these entertainments and enjoy the fun. We have a very live society.

Mr. and Mrs. Sam M. Braswell where Mr. Braswell as district governor of this district of Lions Clubs, made the principal address at a Group Meeting of Lions Clubs in Group 36, at the evening hour. Hamlin, Anson, Rotan and Aspermont Lions Clubs were represented.

"Is that a picture of your girl?"
"Yes, what do you think of it?"
"Nice exposure, isn't it?"

here on the evening of July 4th, as one of the main attractions of the Clarendon Fourth of July Celebration. This will be under the direction of Miss Anna Moores, member of the Central Committee.

THE PEOPLES MUTUAL is now firmly established under this graded assessment as needed plan, with ALL of its members in the same Combined Class. We are ready to have you join us in carrying our life insurance protection at the actual death rate cost. Under this plan a member cannot finally have paid any more than what the death rate cost has proven to be,—as all excess surplus must be returned from time to time in the form of "skipped Assessments." In other words, if no assessment is needed for paying off death claims none will be made.

THE PEOPLES MUTUAL is chartered by the state and is under the direct supervision of the State Department of Insurance.
