FREE GATE IS POPULAR MOVE

HUDSON CARRIES HIGH POINT WITH 21 POINTS. LELIA WINS CLASS B

Zooming down the paths of the city's new athletic center for three first places and two seconds, Hudson, the flying Broncho, led the Clarendon High School track and field team to a clean cut victory over all other opposition in the County Interscholastic League meet last Saturday afternoon. A huge crowd from all over Donley County, and contestants representing every school in the county evidenced the popularity of the free gate made possible by the co-operation of the local Chamber of Commerce who underwrote expenses of the event.

From practically every standpoint the meet this year was the most successful of any previously held. Never at any time during the afternoon was the events behind schedule, and at one time a few of the field events were something like 30 minutes ahead of time. The work of the judges, referee, announcers, starters, and clerks was splendid and compared favorably with that found in much larger relay carnivals. One of the most pleasing features of the entire afternoon was the fact that every one was satisfied with the results and the way the officials handled the afternoon's events.

In the rural competition Lelia Lake's athletes stepped in and garnered 56 points with 23 gold-

possibly the hottest contested event of the entire meet was that of the rural pentathlon. Duckett of Chamberlain finally carried off first honors with three first places, a second and a third, with Martin and Jones the other contestants.

Splendid time was recorded in the Senior 100 yard dash, 440 yard dash, and mile relay. Hudson breezed through the century in the splendid time of 10.1. Fred Reid journeyed through the 440 in 56, and the Clarendon Relay team romped off with the mile in 3.56.

The most spectacular race of the afternoon was the one-mile run. Devers, local crack miller, had the race of his life to come from behind in the last five yards to nose out Preston, dark horse from Skillet.

Detailed results are below: 120 yard Hurdles, class A, 17.3 seconds, Behrens 1st, Martin 2nd, Woods 3rd, Clarendon.

150 yard Hurdles class B 20 seconds, Putman, Lelia Lake 1st; Wilson, Chamberlain, 2nd; Koen, Lelia Lake 3rd.

50 yard Dash, Jr., Holtzclaw, 1st, Clarendon; Spurgeon, Clarendon, 2nd; Jordan, Hedley 3rd.

100 yard Dash, Class A, 10.1 seconds, Hudson 1st, Clarendon; Holtzclaw 2nd, Clarendon; Reid 3rd, Clarendon; Curtis, 4th, Hedley.

100 yard Dash, Class B, 12 seconds, Williams 1st, McKnight; Duckett 2nd, Chamberlain; Shaw 3rd, Lelia Lake; Dodson 4th, Lelia Lake.

880 yard Run, Class A, 2 minutes 5 seconds, Holtzclaw 1st, Clarendon; Mollard 2nd, Hedley; Russom 3rd, Clarendon.

250 Low Hurdles, Class A, 24.5 seconds, Hudson 1st, Clarendon; Behrens 2nd, Clarendon; Reavis 3rd, Clarendon; Curtis 4th, Hedley.

220 Low Hurdles, Class B, 26 seconds, Duckett 1st, Chamberlain; Dodson 2nd, Lelia Lake; Koen 3rd, Lelia Lake; Morgan 4th, Goldston.

440 yard Run, Class A, 56 seconds, Reid 1st, Clarendon; Turnbow 2nd, Clarendon; Wood 3rd, Clarendon.

440 yard run, Class B, Preston 1st, Skillet; Moore 2nd, Lelia Lake; Martin 3rd, Whitefish.

220 yard Dash, Class A, 23 seconds, Hudson 1st, Clarendon; Holtzclaw 2nd, Clarendon; Reid 3rd, Clarendon; Curtis 4th, Hedley.

220 yard Dash Class B, 24 sec., Williams 1st, McKnight; Duckett 2nd, Chamberlain; Jacobs 3rd, Hudson; Dodson 4th, Lelia Lake.

1 Mile Run, Class A, 6 minutes, Devers 1st, Clarendon; Brown 2nd, Clarendon; Pickett 3rd, Hedley.

1 Mile Run Class B, Preston 1st, Skillet; Seago 2nd, Goldston; Taylor 3rd, Lelia Lake; Fish 4th, Whitefish.

440 yard Relay, Jr., Spurgeon, Watson, Phelps, Holtzclaw, Clarendon.

WHITEFISH WINS RURAL HONORS

UNUSUAL INTEREST MANIFEST IN COUNTY LEAGUE MEET LITERARY EVENTS

The finest and most successful literary events ever held by the Donley County Interscholastic League officials were culminated last Friday and Saturday before large and enthusiastic audiences in each contest. The wide interest manifest in this year's meet, due to the local Chamber of Commerce sponsoring the meet, was attested to by the fact that so many of the contestant's parents and other interested parties were present to enjoy the efforts of the county scholastics.

The quality of the work this year shows the enthusiasm of the contestants in the various events. All of them had spent a great deal of time in preparation for the contests and their efforts were of the highest class.

County winners in the various events are listed below:

Senior Class Night Friday April Tenth

Devising from the custom of former years, the Senior class will present its Class Night program Friday night, April 10, which is about a month earlier than classes of former years had been appearing.

Quite a varied program has been arranged by the Seniors. A court room scene will be given when the class will be read, stunts, songs, portraying athletic events of the school will be seen; the future of each member of the class will be prophesied by witches from Shakespeare's "Macbeth." Other interesting numbers will be Statistician's report, Readings, Musical numbers including two choruses by the class.

The public is very cordially invited to attend the program at the college auditorium tomorrow evening.

Miss Vivian Brackett left last week for Dallas, where she will join her mother and brother.

Messrs. G. C. Kemp, F. M. Ellis and Jack F. Jones attended to business matters in Hollis, Oklahoma the latter part of last week.

SCHOOL ELECTION RETURNS BOARD

FORMER BOARD RETURNED IN ENTIRETY BY SMALL VOTE SATURDAY

The election of school trustees for the Clarendon Independent District held here on last Saturday was marked with a small number of votes as compared to those who might have exercised the rights of the ballot had they chosen to do so. A total of 158 votes were cast in the voting booth in the City Hall during the day, two members of the board received all of the votes cast. These two are O. C. Watson and E. P. Shelton.

Some voters who showed their preference for others on the ticket cast in excess of 70 votes for C. C. Powell, a former member of the board. Other citizens of the city were also written in on the ballots. W. M. Montgomery and Odos Caraway were the remaining two members of the old board to retain their places.

Immediately following the counting of the ballots, the new board met for the election of officers, with F. E. Chamberlain being replaced in the chairman's place, O. C. Watson being re-elected to the place of Vice President and Odos Caraway being named Secretary to succeed himself.

Other business matters coming to the attention of the board at this time included the drawing for places by the newly elected members of the board. In this drawing Odos Caraway drew the one year term; W. M. Montgomery drew the two year place and O. C. Watson and E. P. Shelton each drew a three-year tenure of office.

After being "stone broke" or "egg broke," the Egg Depot conducted by the News came back to life a little the past week along with the return of more seasonal weather.

Eggs distributed.....193 1/2 Doz. Edwin Baley.....6 Doz. E. V. Quattlebaum.....2 Doz.

Total.....201 3/4 Doz. Previously distributed 193 3/4 Doz. Distributed this week 6 Doz.

Total Dist.....199 3/4 Doz. Balance on hand.....2 Doz.

With still warmer weather this stock will probably grow in the next few days and all the orders now outstanding can probably be honored by Saturday.

C. G. Atteberry and daughter, Miss Claudia, of Pampa were Clarendon visitors Sunday.

Clyde Naylor from Pampa visited with relatives in this city last Sunday.

Mrs. W. H. Patrick left last week for an extended visit with friends and relatives in California.

TIGHTWAD IS HIT OF SEASON

LITTLE THEATRE PLAYERS SCORE BIG HIT IN TUESDAY'S PERFORMANCE

"The Tightwad," a three act comedy drama, presented by the Clarendon Little Theatre Players last Tuesday evening under the capable direction of Miss Anna Moores was a decided success from all angles. A comfortably filled house greeted the cast, and their approval of the play was evidenced by the generous manner and applause with which the audience responded to the efforts of the players.

Jack SoRelle in the character of the title of the production, especially drew the crowds approval, with John Bass, as Mr. Taylor, coming in for a large share of the audience's applause. Dorothy White in the role of Edna Taylor, played her part in a manner seldom witnessed in amateur productions, as was Mrs. Taylor's character played by Mrs. Edna M. Boykin. The amusing comedy situations were most capably taken care of by Mamie Harris, Lorraine Patrick; Elmer Taylor, Sam Braswell, Jr.; and Orval Stone, Jack Jones. The parts of the servants elicited no little amount of mirth from the audience with Delphia Bones, Marue Trostle and Roy Ingram bringing the house down with their Swedish antics.

Music was supplied before and between acts by Messrs T. D. Nored, Elmer Palmer and L. B. Pierce. Their novelty music continues to rank a distinct favorite with the Clarendon public.

The financial report of the evening's proceeds has not as yet been announced, but will run something in the neighborhood of the previous production's profits.

Seven Cases Disposed Of By Court

With the lightest docket in years to be disposed of by the District Court in the present term facing the court officials, the clearing process began in earnest with seven cases being disposed of by Wednesday morning. The light docket promises to save the county something like one-third of last year's jury fees according to A. H. Baker, District Clerk.

The cases disposed of to Wednesday noon and results of each are found below.

State of Texas vs J. A. Rhodes, suspended sentence served and citizenship reinstated.

State of Texas vs E. A. Blatchley, Pandering, dismissed by plaintiff.

State of Texas vs Roger Quisenberry, burglary, 2 years in penitentiary.

State of Texas vs Lewis Caldwell and Leonard McCollum, chicken theft, Caldwell acquitted; McCollum 1 year in penitentiary.

State of Texas vs Joe White, Forgery and passing forged instrument, 2 years in penitentiary.

State of Texas vs Joe White, Forgery and passing forged instruments, dismissed.

Arthur Parker made a business trip to Amarillo last Thursday.

MACDOWELL CLUB PLANS PROGRAM

LOCAL SINGERS TO BE ASSISTED BY TALENT FROM MEMPHIS

Initial plans for a program of music to be presented to the public on the evening of April 17th have been released this week by the MacDowell club of this City. In addition to the singing personnel of the local club, additional talent is to be secured from Memphis to make this one of the most colorful programs of the entire season.

The set program has not been completed for the event, but it is known that the College Auditorium is to be the scene of the program, with a charge being made for admission. After all expenses have been paid, one-half of the net proceeds will go to the Kiddies Milk Fund, as the MacDowell Club's part in assisting the needy of the city.

Further plans for the program will be found in these columns.

Negro Drowns At Lelia Wednesday Eve

Kid Lewis, colored man about 40 years of age, was drowned while fishing at Lelia Lake Wednesday afternoon with two other companions, Dan Sauls and his younger brother, when the boat in which they were fishing sprung a leak and was water-logged. The younger Sauls was fishing on the bank, refusing to go along in the boat with his brother and Lewis to the middle of the lake.

The boat began sinking rapidly and as it filled with water Lewis forsook the floating hulk and attempted to swim to shore. Witnesses at the scene asserted that after swimming a number of strokes Lewis was struck by the cramps from the cold water and was drowned. Dan Sauls, through presence of mind stuck to the filled boat until rescue parties could get to the scene.

The body was recovered, but efforts to revive the man proved futile. Lewis' body is being held here pending the arrangements for his funeral upon the arrival of relatives.

Lewis is not a local colored man, having been here only a short time.

FEWER DEMANDS ON KIDDIES MILK FUND

NEARLY FOUR HUNDRED QUARTS DELIVERED IN MARCH TO LOCAL KIDDIES

One woman notified the Kiddies Milk Fund during the latter part of March that since their family circumstances had improved a little that delivery of milk to her children could be stopped and the two quarts daily be placed where it was more needed, so there was a slight decrease in the demand with a probability that April will see the greatest need passed for the aid to undernourished children of this community.

Three hundred and ninety-four quarts of whole milk were delivered to the homes of the kiddies properly receiving the free milk during the past month and with all bills paid the Fund has a small balance to build to during April.

Previously reported.....\$60.91 Paid dairies.....39.40

Balance.....\$33.51 L. W. Chase.....\$1.00 A. M. Beville.....3.00

New Balance.....\$37.51

From all indications the Kiddies Milk Fund will be needed throughout the summer months for certain undernourished children, but some think the demand will decrease about twenty percent.

Mr. and Mrs. J. E. Teer spent the past Sunday in Memphis visiting the parents of Mrs. Teer.

Mr. and Mrs. J. A. Kutch announce the birth of a daughter, born Tuesday, April 7th.

100 Seed Packs Received For Charity

This morning local Red Cross officials received a shipment of some 100 4-pound packages of assorted garden seed from the Red Cross headquarters at St. Louis. This shipment is an advance contribution from the Red Cross to the relief of Donley County through the production of gardens.

One package contains enough seed of various products to plant one-acre-into a splendid garden. In some cases these packages will be split among those families of the county who may have a preference as to kind of garden products they shall raise. Only those families of the county who are worthy of such help will be issued the seed, and only then through the proper channels of the Red Cross. Homer Milkey, county chairman of the national organization, is in charge of the seed and will issue all orders for the distribution of the packages.

This shipment is added to the forty packages which were received some time ago by the local authorities, of which a num-

FIELD TRIALS HUGE SUCCESS

MANY NOTED DOGS ENTERED NORTH TEXAS ASSOCIATION TRIALS 6TH-7TH

Clarendon was host to the most noted and socially prominent dogs in the sports world Monday and Tuesday of this week in the first dog trials ever held in Donley County. The trials were under the direction of the North Texas Association and the huge success which marked the local event seems certain in insuring the trials to be an annual affair for Clarendon with the grounds being established on the J. A. Ranch.

The high class entries for Clarendon's first trials was evidenced by the fact that among the owners of the dogs was the president of the United States Field Trials Association. Some twenty-five full blooded animals were entered and such stiff competition was encountered that a number of the first place winners in other established meets either failed to place at all or dropped into second and third places.

Winners are listed below: Muscle Shoals Sam, one of the most consistent winners on major circuits this past winter, was judged the best bird dog here Tuesday afternoon in the All-Age Stakes of the Northwest Texas Field Trials Association annual meet.

Sam is owned and was handled by C. S. Proctor of Oklahoma City and his wide experience and proven knowledge of the business clearly set him apart from the field of 25 entrants from Texas and Oklahoma.

Bell's Bob, another Proctor dog, took second place, and Tom Dies Tex, owned and handled by Boyd McMahon of Altus, Oklahoma, was ranked third.

Following the judges' decision it was announced every effort would be made to make the Northwest Trials a permanent thing for Clarendon and the J. A. Ranch.

In Monday's events, the first day of the meet, Jeff Crawford of Malakoff, Texas was the big winner. His Queen won the puppy stakes in the morning, while her stable mate, Spot, was fourth. Crawford's Sid's Ferris Joe won second place in the Monday afternoon event, the Junior All-Age Stakes.

Other first day winners included S. B. Crabtree with his Crawford's Ben Leo who won second in the puppy event, and C. S. Proctor's Bacon Rind, third place winner.

Bacon Rind won first place in the Junior All-Age, and Panhandle Lady, owned and handled by Jess Dickie, Jr., Amarillo, was third.

The Clarendon Chamber of Commerce with Dr. C. G. Stricklin, as Vice-President of the Association, co-operated with the organization in insuring the success of the project.

number of distributions have been made.

The receipt of these seed will help in no little way the movement of the live at home idea which was started some months ago by the County demonstrator and agent.

According to Miss Martha Buttrill, demonstrator, the shipment received is of the highest type species and an almost 100 percent return is expected from the planting of the gardens.

IRL SMITH ACCEPTS POSITION WITH PAMPA STUDIO

Irl Smith, late of Alderson's Art Studio and Gift Shop, left this morning for Pampa where he will be connected with Fred's Studio in that city. Mr. Smith is one of the most popular young business men of Clarendon and his friends here will indeed be sorry to have him leave, but all wish him great success in his new position. He is well qualified for any sort of portrait work, having studied under the leadership of Mr. Alderman for the past two years.

Mr. and Mrs. S. J. Cole and family of Amarillo spent Sunday night here in the home of the News editor. They came to attend the cantata at the Methodist Church at the evening hour. Mrs. Cole is a sister of Mr. Braswell.

CAGLE ELECTED TO MAYOR'S OFFICE

FORMER MAYOR OF CITY NAMED CHIEF OFFICER IN TUESDAY ELECTION

In an election marked with one of the strongest turnouts of votes that has ever been seen in any election of the City of Clarendon, W. P. Cagle was placed in the highest office of the city in the election Tuesday of this week. Mr. Cagle received a total of 325 votes to Mr. Taylor's 239, thus receiving a majority of some 86 votes.

Mr. Cagle was placed in this office through the efforts of his

friends, he having made the race on a platform of "Economy in Government and Lower Taxes."

Not only was there much interest in the race here Tuesday, but there was quite a bit of excitement as the election supplies first obtained were exhausted and an additional supply was rushed to meet the needs of the abnormally large vote turned out. The election judges predicted a large vote when the totals had run to more than two hundred early in the day.

Mr. Cagle will take the place of Mayor at once, relieving Mr. H. W. Taylor, who has held this position for the past six years. This race is the first in which Mr. Taylor has had opposition.

LATE MEDALS WILL BE SENT TO COUNTY WINNERS

In a few cases there were no medals for the winners of certain events in the Donley Interscholastic League meet here last Friday and Saturday. This was due to a mix up in the order for the large number of medals and the authorities have asked The News to make the following statement concerning the absent medals.

The missing medals have been ordered and will probably be received here this week end or the early part of next week. The league committees desires that all contestants who have not received their medals feel assured that these will soon be forthcoming, and as soon as they are received from the trophy house they will be mailed to the winners immediately.

CHRISTAIN SUPPER MONDAY IS SPLENDID EVENT

Honoring seven new members to the First Christian Church as a result of the recent meeting, some 150 members gathered in the banquet hall of the church Monday evening and enjoyed a splendid fellowship hour, during which a fine supper was served and an enjoyable program was given.

The program was not a formal type, and several songs were sung by the entire assembly to start the evening off in an enjoyable manner. Rev. Ferrell, pastor, delivered a short welcome from the Church; J. R. Tucker welcomed the new members from the official Church Board; and Roy Clamitt followed with a welcome from the Bible School.

Dr. E. F. Huppertz of Dallas delivered the address of the evening on behalf of the Pension Fund of the Church, and something like \$500. in pledges were received at the Monday meeting.

Clarendon's Band made a very impressive showing at the Dairy Show over at Plainview Tuesday. It was probably the most popular band present on that day and brought favorable comment on Clarendon and her co-operative citizenship. We owe the band our support, moral as well as financial.

There is being some mighty cheap politics and prejudices displayed about the driver's license bill and the state highway bond issue in the house and senate down Austin way just now. The bills covering those two projects should have instant and unanimous vote of both houses. They serve the best interests of Texas and Texas people.

Congratulations and best wishes to our fellow-townsmen, Mr. W. P. Cagle in his decisive victory in his campaign for Mayor in the city election Tuesday. It would be a poor citizen, indeed, who did not wish him success in meeting the problems confronting the chief executive of our city in such troublesome conditions as we are now passing through. The new mayor desires and deserves all our co-operation as he sets out on the duties of his administration.

SOME COMPARATIVE FIGURES FOR TEXAS

The State of Texas had a total funded or fixed debt outstanding August 31, 1929 of \$4,367,200. The net indebtedness (funded or fixed debt less sinking fund assets) was \$4,367,200, or \$0.77 per capita. In 1928 the per capita debt was \$0.76, and in 1917, \$1.77.

The assessed valuation of property in Texas subject to ad valorem taxation was \$4,219,235,097; the amount of State taxes levied was \$28,690,799; and the per capita levy, \$5.03. In 1928 the per capita levy was \$4.57, and in 1917, \$3.86.

CREDIT WHERE CREDIT IS DUE

During the past few days the Clarendon Chamber of Commerce has had a part in two events held in Clarendon and Donley County which might be overlooked by one not in special sympathy with its work.

Through the efforts and financing of the local Chamber of Commerce, the Donley County Interscholastic League meet was held in Clarendon with all medals and cups furnished and no admission charge for any of the events. This project was settled on last year and this first handling of the annual scholastic contests open to the public without charge is to our mind one of the best sponsorships the Clarendon Chamber of Commerce could undertake. It shows appreciation of the school work of the boys and girls of the county and by eliminating the admission fees has brought the events to the people of the county without personal price, thus encouraging the elders to come and take a personal interest in the work of the young folk.

Then the Clarendon organization has sponsored and done a considerable amount of work for the Tri-State Field Trials held here this week, and bringing the city and territory to the mind of the sportsmen interested in highly trained bird dogs. This will likely become an annual event of growing importance for Clarendon and Donley County.

The Chamber of Commerce is serving Clarendon and her territory and we should see to it that it functions even better. We can do that by contributing of our means and of our time and efforts.

COL. LINDBERGH, THE AMERICAN BOY'S POPULAR HERO

Colonel Lindbergh is still the American boy's hero, according to a study being made by the Boys' Club Federation of America, which is made up of 253 clubs scattered throughout the United States with a total membership of nearly 250,000.

American boys are reading aviation stories, are building airplane models in workshops in boys' clubs, are ambitious to become aviators when they grow up and regard Lindbergh as the greatest man in the country, according to the survey.

In many communities where playgrounds are provided to play baseball, Babe Ruth is the popular hero. The Chicago lad thinks Hack Wilson a great man and the New York boy admires Lou Gehrig.

Admiral Richard E. Byrd is another popular hero among boys. Gene Tunney is another.

New York boys by the score cast their vote for "Al" Smith as the most popular man.

Coach Knute Rockne of Notre Dame has also a tremendous following among the boys.

The Boys' Club Federation is making a study of boys' ambitions, their aspirations, their favorite vocations and their popular hero. The survey shows that the average boy in the city is very much air-minded.

SPORTS SLANTS

By Sam Braswell, Jr.

Afternoon folks, how's your sport appetite today? Well here's the menu of this issue. We hope you like it.

COUNTY MEET
BASEBALL OUTLOOK
TENNIS IN CLARENDON
GOLF TOURNEY
DOG TRIALS
BOILING
POLO

All you folks who failed to come out to the athletic events last Saturday afternoon at the bigger and better athletic field missed the best Interscholastic league meet ever held in Donley County. The Chamber of Commerce certainly did put over a worthwhile project in a manner befitting such an organization. From many different sources the writer heard the praises and approval of the splendid way the meet was conducted. From the capacity of scorer and clerk of the meet the writer was in a position to hear what criticism might have been forthcoming from any contestant or coach have a grievance to make along any line.

The popularity of the Chamber of Commerce move was noticed particularly in the fact that a number of the rural schools entered the meet this year who have never sent contestants to the county meet before. It was gratifying to the authorities to have representatives from Skillet, Whitefish, Hudgins and Bray.

Customers you should have seen the Broncho's twin flashes, Carrol Hudson and Fred Reid do their stuff on the century dash and the 440 yard sprint. These speedsters did their stuff to the satisfaction of all but their opponents, and the boys at the district meet will have their hands filled trying to keep out of the dust of these lads. Hudson is naturally a fast man and if he would outgrow the kid attitude and get down and train seriously he could go places plenty fast.

With the baseball situation getting hotter every day as the opening day of the season nears it is in order to make prognostications with all the "ifs" and "ands" concerning the outcome of the race in October. Fort Worth continues to be favorite in Texas League due to its roster of proven players. The Cats are about the only club in the Texas loop who are already set for the chase, with the other clubs depending more than a little on the material which they hope will be forthcoming from the players set adrift by the clubs in the big show. Among those who are hoping for more material to stabilize the team are Wichita Falls, Beaumont, Dallas, Houston, Shreveport and San Antonio. Galveston, the baby of the loop, needs help but at the present they are more apt to have the

team that will carry them through the heat of the campaign than the others except the previously mentioned Panthers. With a couple of proven pitchers Beaumont could make things pretty hot this summer in the Texas league night club circuit, however it is not a common occurrence for two winning pitchers to be found wandering around loose at this time of the year. Dallas has lots of players but are badly in need of an outfielder and a good pitcher. San Antonio as usual doesn't look like a contender, and the Wichita Falls Spud-ders is the problem of the loop. The William's men will probably be much weaker than the powerful aggregation which won the first half of the season last year, however Williams usually has a team in the field that is plenty hard to beat, Houston has a fine team again but are minus a few of their workhorses which carried them almost to the top last year.

Every week brings out more and more tennis players, and every week the playing courts are proving to be more and more inadequate to care for the growing army of players. It's a shame for a city the size of Clarendon and with the progressive spirit that this city is reputed as having and not a single decent tennis court. There are only two tennis courts in Clarendon which are even fit to play on, and these are only the poorest excuses of courts. There are a number of first class tennis players in Clarendon and if there is enough interest displayed among the players The Clarendon News will be pleased to sponsor a city tennis tournament sometime the latter part of the summer. There has never been a really big tennis tournament held in Clarendon, but with the large number of tennis players in the city now we believe a tournament is justified. What do you think about it tennis players? How many of you want a tournament?

Easter Sunday certainly provided the incentive for the local nubile artists to swarm over the rolling landscape which has been defaced by the Hillcroft golf club's traps and bunkers. All the boys were feeling the effects of the first real dose of spring fever and were out cracking the oversized ball—some to the far distant places and some not so far.

We suggest that Clyde and Bennett flip for their match. They played all day and all over the course Sunday trying to decide which was the worst. No satisfactory conclusion was reached however as both were off their game to the extent that they let the other tie them after 27 holes. The argument is still being waged hot between the two captains with the outcome in doubt only to the onlookers. Stay in there Clyde,

don't let those 6 thousand onion plants get you down.

Well, my agent tells me that the Dog Trials was some event. I didn't get to go watch the dogs work, but I guess it was just as well that I didn't—heard that after the first few hours those horses got to be the most stiff legged lot of animals the riders ever saw. Frank Whitlock said he would have been glad to have given somebody \$10 to bring his mount in that last five miles and let him walk in. Its either the horses or the riders—wonder which?

We never would have guessed which pup won the first day's derby, had one of the owners not been kind enough to show us. Imagine such a scraggly pup winning such honors—guess we're not so hot in this dog racket. Anyway, every one was pleased with the trials, and it is almost certain that Clarendon will be the home of the event annually. Famous dogs from all over this area are assured for the events next year if held here. It is rumored that the dogs enjoyed a howling good time while guests in the city.

The big argument being waged over who is owner of the heavy-weight boxing crown, seems to be coming to a head, with the reputed owner, Max Schmeling, scheduled to climb into the guarded ring in June with the pride of the south, W. L. (Young) Stribling. Pa Stribling is certain the disputed crown is in the bag, and has the following to say.

"My boy will win the fight without a great deal of trouble," averred Pa. "I think he will stop Schmeling in about five rounds, but if it goes the limit W. L. will outbox him easily. Max can punch and that's about all. His best weapon is a right hand and no one yet ever hurt my son with that punch."

We pick Stribling as the winner of this fight and believe that W. L. is the best by far over the rest of the reputed palookas.

This column wonders when the first polo game will be played in this section of the Panhandle. There is more than little interest in the game, and a number of the Panhandle's ranchers have imported several polo ponies and are now raising them on their ranches.

One of Clarendon's young men, Richard Morris, who is attending the University of Texas is gaining quite a reputation for himself as a first class polo player, and is captain of the 124th Cavalry team, the Clover-leaves, at Austin.

We would sure like to see the game brought into the Panhandle and Donley County. It is a fine game and a spectacular contest from the specta-

tor's viewpoint.

SPORTS SLANTS, operating by authority of the editor of The Clarendon News on page two of this newspaper, signing off with exactly nothing more to say. The next publication of this column will be next Thursday afternoon. Thank you.

DONLEY FIDDLERS PLACE HIGH IN AMARILLO FETE

Two fiddlers of Donley County were placed high among the list of entrants at the final event held last Saturday evening. In the money class, this being the first three place winners. Will Williams of Lelia Lake was found to have taken second place. He lost to "Ech" Robertson of Berger, a former resident of the city of Clarendon. Mr. J. E. Ware of the Goldston community was also among those present, he having come out in fifth place. He stated that this was just below the money class, but was near enough the top to make some of the winners look to their fiddling to keep him from copying their places. In the semi-finals, Mr. Ware took eighth place, and was feeling fairly well that he had risen three places in the finals to within two places of the money class.

REVIVAL TO START SOON AT MCKNIGHT SCHOOL

The Methodist Revival services at McKnight, on the Lelia Lake charge, will start on April 15th. A cordial invitation and a hearty welcome is extended all those who may wish to attend and assist in these services. W. JOSHUA KNOY, Pastor.

N. Y. WOMAN LOST 14 POUNDS OF FAT

ONE 85 CENT BOTTLE OF KRUSCHEN SALTS DID IT

"I am starting on my second bottle of Kruschen Salts and am real pleased with results. I take it for reducing and so far have lost 14 pounds and I think it is doing wonders for me. I do not feel so tired evenings when I get home from work."

A generous bottle of Kruschen Salts that lasts 4 weeks costs but 85 cents at Douglas-Goldston Drug Co., or at any drugstore in America—take one half teaspoon in a glass of hot water every morning before breakfast—cut out pastry and fatty meats—go light on potatoes, butter, cream and sugar—that will help Kruschen take off your fat.

Before the bottle is empty surplus fat is leaving you—indolence changes to activity—you'll feel younger—eyes will brighten—stoop grow spry. Millions know this—you ought to know it. Kruschen Salts is the ideal treatment for constipation, indigestion, headaches, nervousness and acidity.

Take Kruschen every morning—it's the little daily dose that does it—no effort, no dieting, no starvation—money back.

Cantata Is Heard By Large Crowd

One of the most musical events that has been held by local musicians in recent years is the consensus of opinion of those who were present at the annual Easter Cantata of the Methodist Choir on last Sunday evening. The auditorium of the Methodist Church was well filled for this event, numerous visitors having come from nearby towns to hear the program as presented here.

The event was under the direction of Sam M. Braswell, director of the Methodist Choir, with members of the choir taking leading parts in the presentation. Soloists for the evening included: G. L. Boykin, Bass; Irl Smith, Tenor; Clyde Hudson, Bass; Mrs. O. T. Smith, Alto; Mrs. J. L. McMurtry, Soprano; Sam M. Braswell, Tenor; Mrs. W. A. Clark, Jr., Alto.

Music for the evening's program was furnished by Miss Pray Stallings, Organist; Miss Delphia Bones, Pianist and Mrs. Edna M. Boykin and Gus B. Stephenson, violins.

GRAND JURY SUBMITS FINAL REPORT TO COURT

THE STATE OF TEXAS COUNTY OF DONLEY In the District Court of Donley County, Texas, March Term, A. D. 1931.

To the honorable A. J. Fires, Judge of said Court:

Comes now the Grand Jury impaneled for the March Term, 1931, of the District Court of Donley County, Texas, and submits this its final report:

1. We have been in session 5 days, and have examined many witnesses, and have diligently inquired into all violations of the law that have come to our knowledge, and have heretofore returned into open court ten indictments, all felonies, and we herewith return no indictments.

2. We have visited the County Jail and find the same in good condition, especially in view of the fact that it is somewhat crowded. We have no recommendations to make with reference thereto.

3. We wish to thank the Court, the District and County Attorneys, the District Clerk, the

C. W. Howard Voices Teachers' Approval

Director-General C. W. Howard of the Donley County Interscholastic League, was a visitor in the New office the latter part of last week and is much pleased with the final results of the meet held here on Friday and Saturday. Mr. Howard stated that everyone, teachers and students alike, seemed well pleased with the manner in which the event was handled and that the city should be complimented on caring for the visitors in such a splendid manner.

Mr. Howard further stated that the teachers of the county and the officers of the League wished to voice their appreciation to the Chamber of Commerce for the support given the meet. The attendance on the various events was far greater than has ever been the case in the past and the interest shown by the students was such that the proponents of the meet are more than pleased with the final results obtained.

Distance markers placed by highway department

New mileage and direction markers have been installed on both highways No. 5 and No. 38 through the city of Clarendon last week end by a crew of workers from the Texas Highway Department. The new markers are easily read from a long distance and tell the exact mileage to the next county seat and also to Pampa, Fort Worth, Amarillo and Silverton. Directions as to how to negotiate the route through the city are also plainly marked on the signs. These are expected to make tourist travel during the city a great deal more simplified than has been the case heretofore.

Sheriff's Department, and all the Grand Jury Bailiffs for their hearty co-operation and assistance during our deliberations. We have finished our labors and ask that we be finally discharged.

Done at Clarendon, Texas, this 6th day of April, A. D. 1931. Signed—Claude Nash, Foreman.

Mrs. W. T. White of Hedley spent last Sunday here visiting in the home of her son, F. A. White. Rev. W. R. McPherson spent a few hours in Fort Worth Monday returning here that night.

CAR OWNERS CAN TAKE A TIP FROM CAR BUILDERS WHEN BUYING TIRES

In 1930—and again for 1931—the builders of America's finest automobiles, in practically every price class, selected more U.S. Tires as original equipment than ever before. No other tires showed such remarkable gains in manufacturers' sales . . . a significant fact!

Let it guide you to the greatest tire values your money can buy—more mileage than you've ever known, an extra margin of safety, beauty in harmony with the finest, fleetest cars. In short, take a tip from car builders and join the Big Swing to U.S. Tires. We're ready for you with complete stocks, fresh from the factory—and the lowest prices ever placed on U.S. quality.

TRIP
Mr. and Mrs. S. H. Lovell returned to their home here last Thursday evening after a visit of some time with a daughter in Iowa Park and a stay of some two weeks in Glen Rose for the health of Mrs. Lovell. Mr. Lovell reports the condition of his wife as somewhat improved and that they had an excellent visit and trip.

LIONS SIGNS ON HIGHWAY

NEW SIGNS PLACED AND READY TO WELCOME VISITORS TO CITY

There is to be no luncheon at the Lions regular place next Tuesday. This is done for the reason that the next meeting of the Lions is to be a Ladies' Night affair, and will be held in the evening. The time is scheduled to start at 7:30, the Lions being asked to be present for the event—with their own wives.

The Activities committee called volunteer members of the club to assist them in digging the post holes for the placing of the new signs, which had been put on posts, braced and ready for placement where they may welcome visitors to the city. There are four of these signs, one for each of the four highways into the city.

The directors of the club were asked to meet Monday evening at the usual place and time. Announcement was made by the Boss Lion of the distribution of some 500 or more magazines, with requests being received by some of the schools for children's magazines.

Some of the members made some rather sharp observations on additions to the Ladies Night program and were told that a real program was promised for the evening.

Lion Burton reported that the recent interscholastic meet here was the most successful that had ever been held in the county from the stand point of attendance and interest and that the Chamber of Commerce received some fine advertising from having done this. No complaints were registered and it is thought that this is the best one of these affairs that has ever been held in Donley County.

The Little Theatre play, "The Tightwad" was announced and the Lions were asked to attend as the presence was very greatly needed.

The program committee called on Lions Douglas and Stricklin for reports on April Fool jokes and on a new formula recently discovered by one of the members.

Lion Connally was then called to the floor and gave some interesting data on the outlook as it stands at the present time with particular regard to the wheat crop. Indications point to a good yield, but the time is too early as yet to state how it will finally turn out. The present price does not promise a great deal, but even at 50 cents per bushel, the normal crop of 30,000,000 bushels for the Panhandle would release a sum of fifteen millions of dollars and this would help very materially just at this time.

Lion Kennedy gave a short survey of business conditions and stated that the big banks showed that they thought the bottom had been reached in the depression and that there was a slight gain for the better. The recent statements of banks showed that the smaller banks were in good condition, but that the larger centers of finance showed quite a gain over the same date of one year ago.

Mrs. R. A. Chunn returned last Sunday from a visit with children in Waco, Dallas, Waxahachie and Munday.

Miss Ruby Lee Landers of Amarillo spent the past week end here in the home of Mr. and Mrs. W. L. Landers.

Mr. and Mrs. Fred Connally and son of Amarillo spent Easter Sunday in the home of Mr. and Mrs. Tom F. Connally.

John and Otto Morris and their families were called to Tulsa, Oklahoma the early part of this week by the very serious illness of their father. Since leaving it has been learned that the father died on Tuesday and that funeral services would be held the latter part of this week.

IN APPRECIATION
Even though it was not my good fortune to receive a sufficiently large number of votes in Tuesday's election to return me to the office of Mayor of the city of Clarendon, I certainly appreciate the efforts put forth in my behalf. It has been my very great pleasure to serve the people of Clarendon for some years, and it is my wish that my successor in this office receive the same helpful consideration that has been my lot in these years. **H. W. Taylor.**

A WORD OF THANKS
I wish to take this means of extending my thanks and appreciation to the good people of Clarendon who so kindly placed me in the highest position in their power by their votes in Tuesday's election. I know of some who cast their ballot for me, and certainly appreciate the effort that was put forth to bring others to the polling place that they might also vote. It is to be my plan to render you the best possible service that you may know that your confidence has been placed correctly. **W. P. Cagle.**

TELEVISION PROGRESS

Those who expect to see the development of inexpensive and satisfactory television sets in the near future are probably doomed to disappointment, according to The Business Week, which states that many of the rumors concerning the new art are greatly exaggerated.

Engineers engaged in television experiments think it may be several years before practical sets for home use are produced. In fact, some important new inventions must be made before the goal is reached. Progress is being made only with respect to minor details, it is said.

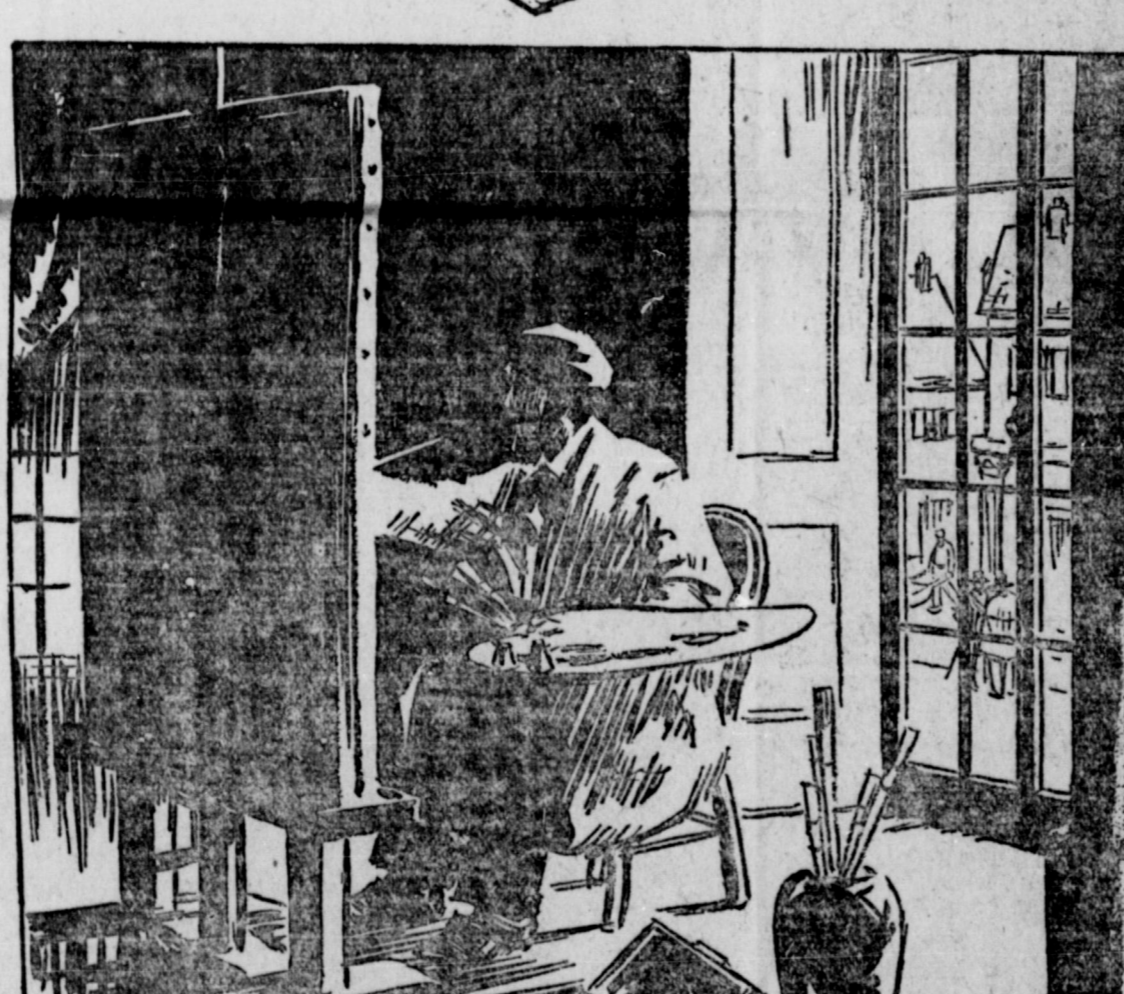

Still, with a number of eminent scientists and inventors working on its problems, no one

can tell what day some epochal discovery may hasten the development of television to a degree now only faintly hoped for.

ANOTHER EXAMPLE OF FORD VALUE BRIGHT, ENDURING RUSTLESS STEEL is used for many exposed bright metal parts of the Ford WHEN YOU BUY a Ford you buy enduring beauty. The body finish is made to last for the life of the car and practically all exposed bright metal parts except the bumpers are made of enduring Rustless Steel. This Rustless Steel has great tensile strength. It is the same bright metal all the way through. A salt test equivalent to forty years' service under the severest weather conditions failed to have any effect on its brilliance. It never requires polishing. All you do is wipe it with a damp cloth, as you do your windshield. This is just one of many features that show the substantial worth of the Ford. In speed, comfort, safety, economy and long life — in the richness of its finish and upholstery — it brings you everything you want or need in a motor car at an unusually low price. Call or phone for demonstration. THE FORD CONVERTIBLE CABRIOLET LOW FORD PRICES \$430 to \$630 (F. o. b. Detroit, plus freight and delivery. Bumpers and spare tire extra at low cost. Like Color . . . the best Gasoline is Blended

THE artist stands before his canvas with color-laden palette. Blues, greens, white and touches of warmer tones are blended by his inspired brush as the waves of the seascape take form. His genius tells him that only through the blending of just the right colors is the ideal result achieved. Otherwise his most painstaking effort could only result in a monotone, wholly lacking in brilliance. Artistry and genius have their place in the making of CONOCO Gasoline. CONOCO engineers long since have found that the ideal gasoline is a balanced blend of the three types containing the elements most desired in a motor fuel. There is highly volatile Natural Gasoline, to give quick start-

ing. There is Straight-run Gasoline, to give power and long mileage. There is Cracked Gasoline with its well-known anti-knock quality. Like the artist with his colors, CONOCO refiners take these three types of gasoline in balanced proportions and blend them. The result is as pleasing to the car owner as is a Rembrandt to the art connoisseur. Of course the genius of "knowing how" is the vital element and it is here that CONOCO refiners excel. Convince yourself of the merit of CONOCO Blended Gasoline. Try it today. You will find this triple-test motor fuel wherever you see the CONOCO Red Triangle.

BAND NOTES

Twenty-four band members from Clarendon made the trip to Plainview Tuesday. Two musicians from Shamrock also went. Leaving the band hall at 6:30, the last car reached Plainview at about ten o'clock. A short concert was given before noon. Just after noon the best concert of the day was given. Several numbers were played at the band-stand. The boys were then dismissed until later in the afternoon. At about four o'clock a short, snappy concert closed the day's program. An excellent showing was made by the organization. Bill Dillard made his first trip with the band as drum-major. Besides being a great help in keeping formation, Bill "went over big" by being funny, as usual. Of the four bands that were present, Clarendon was the only one which had a sponsor. Ruth marched with the band during the first two parades. During the last one she and her maid-of-honor were preparing for the pageant, in which she was Princess.

TYPING

In the typing contest held Saturday morning, Clarendon was the only school represented. Of the five contestants, Lucille Andis won first place with 54 and three-fourths words, Jonnie D. Latson, second with a score of 50 and one-third words, and Adeline Smith third with 34 and four-fifths words. This team will represent Clarendon at the district meet to be held sometime in April.

BRICE PIRATES WIN HALL COUNTY CHAMPIONSHIP

The Brice Pirates won the undisputed Hall County high school baseball championship yesterday by defeating the here-to-fore undefeated Deep Lake Team by a score of 6 to 2. The Pirates finished their schedule standing 1,000 per cent having victories to their credit over every other school in the league. The schools participating in the league were Lesley, Plaska, Bethel, Deep Lake, Parrell, Salisbury and Brice.

T. C. Isham, star hurler for the Pirates held the hard hitting Deep Lake Club to four scattered hits, and only one earned run. The other score came as a result of an overthrow of third. Isham started at the bat, as well as in the box, getting three hits out of three times up. Bill Cross, also, had a perfect day at the bat. Martin, Deep Lake pitcher allowed 9 hits which combined with several errors, accounted for the six runs of the Pirates. The Brice outfield performed in spectacular fashion robbing their opponents of several long blows that appeared certain hits. The infield too played almost errorless ball. Tidwell made one phenomenal stop of a hot liner near third to cut off a score.

Alpha Delta Psi

The society had its regular meeting Wednesday night since the weather would not permit a picnic. An Easter hunt was discussed but it was decided to go on a picnic April 8 instead. The different committees were given authority to function. After this the following program was given: Easter Customs—Helen Slater. Short Story—Mary Slater. Jokes—Bob Weatherly. Critics Report—Phifer Estlack.

James Roy Wells and John Geronomy Hutton were on the golf course one afternoon and the following conversation took place:

John: "Say, J. Roy, can you tell me how I can cure myself of topping the ball every time I drive?" J. Roy: "Turn the ball upside down."

TRACK MEET

The annual track meet which was held here this year was a great success. The events went off quickly and with no mistakes. Under 120 yard high hurdles, F. L. Buherns, won first, Lloyd Martin second, and Arlie Wood third.

In Pole vault, Smoohs Andis won first by vaulting 8 1-2 feet, Carrol Hudson won second place by vaulting 9 feet, Bain from Hedley won third.

In the Hundred yared dash Carrol Hudson came in first, Carrol Holtzclaw second and Fred Reed third.

In the Half mile run J. D. Holtzclaw came in first; Holland from Hedley, second.

In 220 low hurdles, Carrol Hudson won first place, F. L. Behrens second and Hubert Reavis third.

In the broad jump, Lloyd Martin won first by jumping 19 feet and 10 inches, Carrol Hudson second by jumping 18 feet and 3 inches, Simmons from Hedley won third by jumping 17 feet and 8 inches.

In the 440 Fred Reid came in first, Royce Turnbow second, and Alvie Wood third.

In 220 dash, Carrol Hudson won first, Carrol Holtzclaw second, Fred Reid third.

P. D. Dever won first place on running the mile, and a boy from Whitefish won second.

Dick Nichols won first by throwing the javelin 123 feet and 5 inches. Martin won second by throwing it 117 feet and 10 inches.

Clarendon won the relay race, Carrol Holtzclaw, Fred Reed, and Alvie Wood running the race.

Martin won first in High jump Berbers second, and Delbert Linders third.

VOLLEY BALL

The Volley ball teams of the interscholastic league played their final game Friday afternoon. The County was well represented with teams. There were six teams, Clarendon, Lelia Lake, Skillet, Ashtola, McKnight, and Hedley. The games were thrilling from start to finish. Clarendon played the first game with Ashtola and was victorious. Lelia Lake also won over Skillet. Hedley won over McKnight. After drawing lots, Clarendon drew to play Lelia Lake. After this game the Clarendon team winner, had to play Hedley.

The game between Clarendon and Hedley was the most interesting game of all. The Clarendon girls were tired but determined to stay to the last. Hedley took the lead in the early part of the game and Clarendon girls never caught up. Many spectators from Clarendon and other towns cheered for the teams and gave the girls encouragement. The game was snappy and interesting even though "luck" was against the home team. The line-up for Clarendon was: Ruth Cautchen, Afton Lusk, Frances Parker, May Dever, Viola Jones, Marjorie White, Vera Noland, Clynelle Gilbert, Fay Hutton, Melvina Salmon, Vergie Skinner, Laura Black. We must say that our team went through an endurance contest, instead of a volley ball game. No player failed to fill her place or put her best behind the game. Each player played a brilliant game and we are proud of them. Although they did not actually win the trophy, they learned a wonderful lesson in their "good work".

George Reeve, a dry goods store manager of St. Louis, hanged himself from a signpost directing wayfarers to a "Paradise Meadows."

***** HUDGINS *****

There was a very good crowd present at church Sunday eve. There will be preaching every first and third Sunday eve at 3:00 o'clock, every one is welcome.

Miss Inez Skinner of Windy Valley spent Saturday night with Miss Connie Perdue and attended church at Hudgins Sunday eve.

Well it seems now like winter was over. After so much bad weather we are proud to see the warm sunshine and the roads so people can travel. The roads were so badly filled with snow drifts last week, part of the time the mail carrier could not get around. Here's hoping it's over.

Born to Mr. and Mrs. W. T. Jacobs the 28th, a son.

Mr. Ewing returned from Oklahoma last Thursday bringing his daughter Mrs. Timmins home with him for a visit.

Several from Hudgins attended the League Meet at Clarendon Saturday.

We are sorry to report Win-nell Talley, daughter of Mr. and Mrs. T. J. Talley, having to be carried to the Sanitarium and was operated on for appendicitis Saturday eve. At last reports she was doing fine. We hope she will soon be well and in school again.

The school teachers seem to be very numerous in this community the last few days.

Mr. J. L. Talley was elected for our new Trustee.

Mrs. W. E. Christie and daughter, Miss Pearl are spending this week with Mr. and Mrs. Kay Smith at Leslie.

Mr. Charles Cowan and family of Estelline visited his brother and family at Hudgins Sunday.

Mr. Lawton of Lelia Lake attended church at Hudgins Sunday eve.

Mr. Morris Milsap returned home Friday night from an extended visit to Oklahoma City and Shreveport, La.

Marvin Knowles of Chamberlain was visiting in this community Sunday eve.

Mr. Jimmie Milsap of Chamberlain called in the Morris Milsap home Sunday evening.

The Windy Valley boys came over and played ball with the Hudgins boys Thursday eve. The score was 14 to 4 in favor of Hudgins.

Iowa Brothers Set New World's Record in Ford

Governor John Hammill of Iowa (left) and Walter Ferrell, executive secretary of the Iowa chapter of the American Automobile Association (extreme right), congratulating the Davis brothers on the establishment of a new world's non-motor, non-wheel stop automobile endurance record.

IOWA state officials and civic leaders witnessed the establishment of a new world's non-motor, non-wheel stop automobile endurance record recently, when Ralph and Roland Davis, brothers, brought their Model A Ford to a halt at the east entrance of the state capitol in Des Moines after 2,775 hours and 46 minutes of continuous driving.

When Governor Hammill, standing with Walter Ferrell of the American Automobile Association, gave the signal to stop, the Ford had traveled a total of 47,133.3 miles over all sorts of roads in all sorts of weather and had exceeded by 33,680 miles and more

than 2,335 hours the American non-stop endurance record which, theretofore officially recognized, was made by a much heavier car under almost ideal conditions on the Indianapolis speedway. In the course of the endurance run, the car, known as "The City of Des Moines," covered practically the entire state of Iowa.

Engineers who examined the Ford at the conclusion of the run asserted that neither engine nor chassis showed evidence of the grueling strains to which they were subjected during the 116 days of continuous driving. Both apparently, according to the engineers, would have been good for another 50,000 miles or more.

Roy W. Howard, dynamic head of the Scripps-Howard newspaper chain who recently added the late great Joseph Pulitzer's New York World to his organization's holdings, may reflect with a smile on an incident in his early career. Once when working for Pulitzer on the St. Louis Post-Dispatch young Howard asked for a \$3 a week raise in salary, which was refused. He quit the job and got a better one; has had many better ones since.

If you only think you know your geography, you may be surprised by these facts, which are literal, with no jokes concealed in them: Reno, Nev., famed divorce center, is about 100 miles farther west than Los Angeles; Cleveland is seven miles farther east than Jacksonville, Fla.; to reach Canada by the shortest route from Detroit one must travel almost due south; the Pacific terminus of the Panama Canal is farther east than the Atlantic end; Arica, Chili, on the Pacific, is farther east than New York. If you don't believe all this, look on the map.

It has long been suspected that lusty individuals who perform heroic bathing stunts often do so with a view to developing a superiority complex. Miss Ellen Wilkinson, a member of the English parliament, recently referred to this foible of her countrymen in the following tart remark: "The typical Englishman is a strong being who takes a cold bath in the morning and talks about it for the rest of the day."

March 16 was the biggest business day the United States Treasury has seen since the war, but there was no net profit for Uncle Sam. On that day transactions reached a total of more than three billion dollars, of which more than a billion and a half represented bonds and notes issued, more than a billion in debts were paid off, and half a billion was received in income tax payments. A minor incident of the day's business was the payment of thirty million dollars as interest on the public debt.

The wedding of two midgets on the stage of a New York theater in which they were appearing in a show recently attracted a large crowd, as a result of extensive advertising of the interesting event. Later it was disclosed that the happy pair had been married under similar circumstances no less than forty times in seven different counties.

NEW CHANGE IN 10 SEMESTER RULE MADE

AUSTIN, Texas, April 8.—High school students will be allowed from now on to participate in activities of the Texas Interscholastic League for ten full semesters, whether they are in attendance at school continually or intermittently, according to a referendum taken among the member schools of the League by the University of Texas League Bureau. The 1930 statement of the rule governing this matter gave the contestant a period of only ten semesters after he first enrolled in high school. The change, which goes into effect immediately, will permit the contestants to participate for a longer period of time.

Ruth Hartzog. "I notice you are wearing your stockings wrong side out." Pearl Martin: "Yes my feet got warmer, so I turned the hose on them."

Salesman: "Is your mother at home?" Gob Smith: "Say, do you think I'm mowing this lawn just because it's long?"

PIONEERS---THEN AND NOW

Not so many years ago, hardy pioneers, attracted by the richness, beauty and character of West Texas, halted their ox-drawn "covered wagons" in this section of the nation's last frontier, and sensing, perhaps, its future greatness, made it their home.

Wresting their livelihood from the virgin soil, these sturdy Empire-builders laid the foundations for our present high standard of living, our progressive cities, substantial industries, beautiful homes and alert citizenry.

In a comparable manner, the West Texas Utilities Company—pioneering the widespread distribution of electric energy—has made possible, through the equalizing influence of dependable and inexpensive electric power, the intensive development of West Texas.

Just previous to the organization of the West Texas Utilities Company, the average residential cost per kilowatt-hour in this territory was 13 3-4 cents. Now, under the modern rate schedules of this company, it has been REDUCED to 6 1-2 cents—a REDUCTION OF MORE THAN FIFTY PER CENT! During the year 1930, monthly residential consumption averaged fifty kilowatt-hours per customer. Under the present rate

schedule of this company, the customer can increase his use of service to three times that amount and only increase his total bill by 10 cents a day. Before the organization of the West Texas Utilities Company, a similar increase above the normal average would have cost more than four times that amount, or more than 40 cents a day for the additional comfort or service now available for 10 cents! In other words, you can now use an abundance of service, knowing that the added comforts and conveniences possible in this manner will make only a small increase in your total cost.

The building of a transmission line system, which links scattered communities and widely separated rural homes into one unit served from strategically-located main generating plants, was a revolutionary theory when the West Texas Utilities Company first pioneered in this territory. This system—in a territory as sparsely settled and undeveloped as the West

Texas area of a few short years ago—has increased the quantity and quality of service, and at the same time reduced rates. Only a sincere faith in the future development of the territory has warranted this investment of many millions of dollars.

 The Attendance upon the services of the Church last Sunday was large, and a great Easter program was enjoyed. The Easter Contests Sunday night was the best that the Pastor has had the opportunity to hear, and the congregation was evidence that they expected a rare treat. The music and the fine spirit of worship which was evident throughout the service was of the very highest type.

The Methodist Church would like to see this fine church spirit which our people have at this season continue through each Sabbath. A cordial invitation is extended to all the people of the community to attend the services of this church.

The second quarterly Conference will meet Wednesday night, and the ladies of the church will bring lunch and a social hour will follow the business session.

AGED CITIZEN BURIED TUESDAY AFTERNOON

The mortal remains of Alfred Risley were laid to rest in the Odd Fellows Cemetery in this city Tuesday afternoon of this week, the local Odd Fellows having in charge of the rites at the cemetery. Services were first held in the First Methodist Church with the Rev. W. R. McPherson officiating.

Although this aged gentleman had been a resident of the city but a short time, he was one of the best known of the residents. He had been in ill health for some time, and for the last two weeks of his life was bedfast. At the time of his death he was 84 years of age. He leaves a brother and other relatives here to mourn his passing.

Pall bearers were chosen from among the members of the Odd Fellows lodge and are: Roy Clayton, Roy Clappitt, P. H. Longan, C. L. Cook, J. H. Ticer and J. B. Miller.

LOCALS

Henry Johnson, student in Oklahoma University, visited over Easter with home folks.

DELEGATES NAMED BY ROTARIANS FRI.

ANNIVERSARY CELEBRATED QUIETLY BY LUNCHEON CLUB HERE

The first anniversary of the organization of the Clarendon Rotary club was celebrated quietly here on last Friday noon. The community service committee had charge of the day's program and asked each member to speak on the two subjects, "What Rotary Has Done For Me," and "What I Have Done For Rotary." Some very interesting lights were thrown on the subject in hand, with Rotary Ann Rhoda Wiedman carrying off all the honors in her address on the subjects named.

Later in the luncheon the matter of a delegation to the district meeting soon to be held in Plainview was brought to the attention of the organization. Rotarians Allen Bryan, C. C. Powell, W. C. Alexander and J. C. Alexander were placed in nomination for this honor, they all being later elected by the time honored method of acclamation.

A discussion of the present system of selecting juries was brought up for discussion by

Rotarian President Jenkins. Late in the evening the day these discussions brought forth a story explanation from Rotarian Cole, who stated that he would be pleased to go further into the subject at a later date when he would have more time to go into the matter for a more complete discussion.

Rotarian C. L. Hasie of Memphis was the visiting Rotary member for the day, coming up to keep his attendance record in the clear.

In the absence of secretary Powell, Rotarian Allen Bryan kept the minutes of the organization.

Mr. and Mrs. J. F. Newman and daughter, Miss Mary Willie, returned to their home here Monday of this week after a stay of some weeks in Wichita Falls for the benefit of the health of Miss Mary Willie. The young lady is greatly improved, but not yet out of the danger stage.

Mr. and Mrs. C. L. Craig of Pampa spent last Saturday and Sunday here in the home of her parents, Mr. and Mrs. F. G. Patching.

J. E. Enoch of Amarillo, spent last Sunday here visiting in the home of his daughter, Mrs. O. T. Smith.

Mr. and Mrs. E. C. Herd are in Dallas this week attending the session of the Ginner's Association.

MANY DONLEY FOLKS TO SHOW

CLARENDON BAND MAKES BIG HIT AT PLAINVIEW DAIRY SHOW

Another triumph was added to the long list of popular appearances of the Clarendon High School band Tuesday. Supported by a large number of Clarendon and Donley County citizens and their attractive sponsor and snappy drum major, the band invaded Plainview in their natty new uniforms and from all reports one would be led to believe that the other bands present were forgotten when the locals hit the streets with their peppy music under the direction of Gus B. Stephenson. No actual count was made of the exact number of Clarendon and Donley folks at the Show, but it is estimated that there were approximately fifty or sixty in attendance.

Misses Louise Lewis and Ruth Price, Maid-of-Honor and Princess respectively, from Donley County proved to be the most popular at the Queen's pageant, and further honors were heaped upon this section by the appearance

of these two charming Donley County young ladies. Miss Price, who also is the sponsor of the band, made the distinct hit with the Show crowds at every appearance of the local musical organization—she being the only sponsor of any band at the Plainview meet, Billy Dillard acting in the capacity of Drum Major of the group provided the highest of majoring that has been seen in these parts for some time. The band is gaining a wonderful lot of recognition and is without a question one of the foremost musical organizations in West Texas. Its reputation is bringing a splendid amount of advertising to Clarendon and Donley County people.

The Dairy Show this year was the most successful of its remarkable short history with the finest exhibit of first class dairy animals ever shown in the southwest.

Appreciation is due Mr. Stephenson, W. B. Halle, Will Greene, Horton Lenthers, John Blocker, H. Mulkey, T. R. Brown, and T. E. Trostle for the use of their automobiles in transporting the band members to and from the Plainview show.

Mrs. E. V. Haggerty of Pampa, is recuperating from a serious operation performed Sunday at the Adair Hospital. She will be remembered to her friends here as Miss Mae Naylor.
