

Hi-way Situation Is Nearing Deadline

Fourth of July Events Holds Thrills For Citizens Here

HIGHWAY PLANS BEING SPEEDED

ENGINEER'S RECOMMENDATION WILL BE PASSED UPON BY DEPARTMENT

The Donley and Armstrong counties will receive paving attention from the State Highway Department in the immediate future was known to be a fact Tuesday of this week when the editor of The News had the story of Tuesday's Amarillo Daily News reiterated by highway officials over long distance Tuesday afternoon. It was also learned that the engineer's recommendation of the routing and other details concerning Highway No. 5 through Donley County would be passed by the Highway Department this Thursday and funds for the work will be appropriated for the construction very shortly.

When asked concerning the formal offer from the Highway Department to the local Commissioners' Court the information declared there had been no specific date announced to present the offer but it will be made as soon as the business in South Texas will permit the visit to the Panhandle. It is presumed this presentation will be either this week end or the fore part of next.

According to the Amarillo official the State Highway Department is marking time until action has been taken by the Donley County Commissioners pertaining to securing the right-of-way. The two-county gap in the Highway No. 5 route is going to be closed in the coming months and whether it be on the State Engineer's recommended route or whether the road will be located to best serve the interest of Clarendon, Lelia Lake and Hedley rests with the coming decision of the court, now recessed awaiting the offer from the Department. If the Commissioners' Court votes the needed \$25,000 for purchase of right-of-way the route will be via Hedley and Lelia Lake on the south side of the Fort Worth & Denver Railroad. If not the State will begin construction of the paving over the engineer's route.

It is rumored that a number of the citizens of the county who have formerly been opposed to the highway for various reasons have realized the folly of their position and are now favoring the generous offer of the State Highway Department.

CHAMBERLAIN BALL TEAM TO PLAY BORGER SUNDAY

Stepping out into faster company than they have been accustomed to in the past several games the Chamberlain-Clarendon baseball team will journey to Borger Sunday afternoon to battle the powerful American Legion team of that city. Advice received from Borger indicate that the game will be the largest of the season and is being advertised most extensively throughout that section of the Panhandle. The Clarendon game will round out a classy baseball card for the day as the Red Gobe's team in the curtain raiser. The Clovis nine meets the Borger "66" local game is the main attraction and has received the choice starting time, 3:30 o'clock. It is hoped a large number of the fans here will accompany the local club for the fray.

The Pickle School was held Tuesday in the club room at the City Hall. There were eight of the county clubs represented by twenty-four women. Miss Macinnis, meat and vegetable specialist, from College Station conducted the school. Miss Macinnis gave some very helpful instructions concerning the curing of pickles.

NEWS WILL SPONSOR ELECTION PARTY AGAIN

As an added service to our large family of readers The Clarendon News is pleased to announce that the annual election party will be held again on the evening of Saturday, July 23rd, when all county, district and state returns will be posted for the convenience of the public. The splendid co-operation which has marked the previous News Election Parties has been secured and plans are being worked out to insure the most successful event ever staged in the city.

The large election board will be installed as in previous years on the north side of the Rexall Store with returns being received in both the J. T. Patman & Son Insurance office and Douglas & Goldston Drug Company. The tabulations will be made in the Insurance office. Powerful flood lights will be furnished by the West Texas Utilities Company and the street will be roped off by City Marshal "Flop" Pyle. To those people and firms co-operating in the Party The News wishes to extend its sincere thanks.

The first preliminary returns will probably be posted by 7:30 o'clock and the entire citizenship of the county is cordially invited to make their plans to attend The News' Election Party and watch the returns from the county and state boxes.

CROP OUTLOOK IS ENCOURAGING HERE

MACHINERY FOR DISPOSAL OF SURPLUS IS BEING OILED FOR BIG YEAR

Never in the last five or six years has the agricultural outlook been more favorable for the farmers of Donley County. The recent rains, although causing some damage in scattered portions of the county, have produced a marvelous season and the blazing sun of the past few days has literally pulled the crops from old mother earth. Precipitation last Friday and Saturday amounted to 2.65 inches and brought the total rainfall for the month of June to approximately 7.45 inches, the heaviest registered in the county for several years.

Last year the farmers and truck growers of the county learned a valuable lesson from the "Live at Home" movement, started by the bankers of this section, and according to advice from the County Agents and also the banks Donley County will produce even more food stuff this year. A conservative estimate by county agent, T. R. Brown places the acreage devoted to truck growing alone at 4,000 acres with an unpredicted heavy yield in prospect. This means an over-production of feed, melon and all kinds of truck products in abundance, even after all the local growers have canned enough to fill their larder.

INFANT DAUGHTER BURIED HERE FORE PART OF WEEK

Sallie Lois, infant daughter of Mr. and Mrs. T. E. Perdue, was buried in the citizens cemetery Tuesday afternoon of this week with Rev. B. N. Shepherd officiating. The little bit of sunshine had only been on this earth two months before the Heavenly Father saw fit to reclaim the little one from the sorrowing parents. She was born April 28 and returned to her home in the skies June 28th.

Mr. and Mrs. Reagan Bain are the proud parents of a baby boy that was born last week.

Legion To Elect Officers July 5th

Post Commander, Nathan Cox, has requested The News to announce that on Tuesday evening at the American Legion Hall the election of officers for the coming year will be held. This is the regular meeting for such action and Commander Cox is especially anxious for every member of the Aubyn E. Clark Post to be in his place and take part in the important activity. To make the meeting more attractive to the veterans the Post will serve ice cream and cake following the business session. So far this year the local post has made a splendid record and bids fair to retain its general excellence cup another year. The hour will be 7:30 o'clock.

Mrs. Jack Rogers and son of Happy, Texas are visiting in the home of her parents, Rev. and Mrs. E. B. Bowen.

Mr. and Mrs. Roy Ingram are rejoicing over the arrival of Wanda Fay on last Thursday.

PATRICK TELLS OF AGRICULTURE

LOCAL BANKER OUTLINES METHOD TO DISTRIBUTE SURPLUS TRUCK

One of the year's most interesting educational programs was enjoyed at the Tuesday's regular luncheon of the Clarendon Lions Club.

Visitors for the day were Lions Carl Boston and Ivy E. Duncan of Pampa.

Lion Duncan complimented the local Lions Club on the previous record of the group and said that the work of the Clarendon Club was well known throughout the entire Panhandle. He also expressed his appreciation at being allowed to meet with the group at this time.

Boss Lion Boykin then turned the program over to Lion W. H. Patrick who gave an interesting dissertation on the agricultural prospects of Donley County and the methods and machinery which was being placed in motion to dispose of the surplus truck raised in the county after the local farmers had canned enough to carry them through the season. Lion Duncan stated that the wheat farmers of Pampa would be delighted to learn of the means whereby they might trade their wheat and flour for vegetables and other truck not grown in Gray County.

Mr. and Mrs. F. L. Thompson from Vernon spent Sunday in the home of Dr. G. J. Sherman.

RODEO TO OFFER HOLIDAY THRILLS

FINE LIST OF ENTRANTS AND PRIZES OFFERED TO TWO DAY SHOW HERE

Shades of the old west will be enacted again over the rolling hills of Clarendon July 4th and 5th when the cowboys with their trained ponies match wits and skill with one another and the will cattle in a big two-day rodeo staged here by Cleo Norwood and Loyd Shelton.

Attractive prizes have been offered by the merchants of Clarendon in addition to the usual split of the purses from the entrance fees, and a large field of participants have signified their intention to try for the purses and prizes. The largest number of cowboys will probably be entered from the J. A. Ranch.

A parade will be held each afternoon through the business section just before the opening events of the rodeo, following which the crowd will journey to the rodeo grounds just north of the Murphy home, southwest of the Golf Club course. The first events are scheduled to begin promptly at 1 o'clock.

The Clarendon Chamber of Commerce, although not connected with the management of the Rodeo, will present the best all-around cowboy with a fine \$10.00 Stetson hat.

MISSES SHELTON AND LATSON TO BROADCAST

Friends of Miss Pauline Shelton and Jonnie D. Latson will be pleased to learn they will broadcast over radio station KGRS, Amarillo, this Saturday afternoon July 2nd at 4 o'clock. Both young ladies are artists of the first rank and it is expected that a large group of their friends will listen in to the following program.

- Polly—Zamecnik.
- Princeton Cannon Song—Hewitt and Osborn.
- Kansas City Wild Cats—Sousa, Serenade—Schubert.
- Parade of the Wooden Soldiers—Jessel.
- El Capitan—Sousa.
- Stars and Stripes Forever—Sousa.
- King Cotton—Sousa.
- Nola—Arndt.

BUSINESS DISLIKE HEARD AT CLUB

NEW ROTARY ROAD SIGNS HAVE BEEN PLACED ON HIGHWAYS HERE

Vice-President O. L. Jenkins presided at the Friday meeting of the Clarendon Rotary Club. A report from a committee stated that the Rotary Club welcome road signs had been installed at the entrance of each highway leading into Clarendon. These are beautifully colored steel signs and do a great deal in making the visitors to the city feel at home.

Through the inability of Rotarian Robert S. Cope to be in the city at each meeting of the Club it was deemed advisable to elect a new Secretary-Treasurer for the coming year. Rotarian Arch Dyer received the nomination and was voted into the office accordingly.

The program was in charge of Rotarian A. T. Cole, chairman of the Intentional Service Committee, who called upon each member of the group to express the features of his profession which he dislikes. Many and varied were the answers and an interesting comparison was learned from the reports.

HOT OPINION FROM A NEIGHBOR

We are informed that our State Highway Department will grade, drain, and hard surface the C. G. Highway through counties where a gap has been left because counties were not able to vote bonds for hard surface roads. Some counties have already voted bonds while others who were NOT ABLE to do so are now winning because they are asked to be out a little pittance just to furnish the right-of-way, a majority of which are already furnished. One paper in particular down below here is fussing about the county having to furnish the right-of-way. Probably this editor would be willing for the State Highway to buy the right-of-way, grade and hard surface the roads, if the Highway Department would give his county \$10,000 a mile for the privilege of putting a Hard Surface road through his county. This county tried to vote bonds one time for hard surface roads and failed. Now, that the Highway Department is going to relieve them of voting bonds and give them the road free, provided they furnish the right-of-way, and they, or some of them, are winning because the right-of-way will cost a few pennies. How about counties that have already voted bonds? Don't you think you are getting the better of the deal? Do you want the State Highway to miss your town and KILL IT DEAD? Better get busy and land that hard surface road without money and without price. You are cutting off your nose to spite your face if you do not act when you get SOMETHING FOR NOTHING.—Claude News.

County Federation Enjoys Fine Meeting

The County Federation of Women's Clubs met last Saturday afternoon in the club room with the Pathfinder Club in charge. The following program was given:

- Quartet, selections—Mrs. J. L. Goldston, Mrs. Tom Goldston, Cecil Hukel, and Francis McMurtry.
- Reading, "Home"—Mrs. Ralph Porter.
- Vocal, "Have You Ever Been in Texas in the Spring Time?"—Mrs. J. L. McMurtry.
- Reading, "The Blacksmith's Story"—Mrs. W. C. Stewart.
- Piano Selection—Mrs. Allen Bryan.

The following representatives from county clubs were Mrs. R. H. King, Lelia Lake; Mrs. Ralph Porter, Mothers' Club; Mrs. Tom Goldston, MacDowell Club; Mrs. J. L. McMurtry, Pathfinder Club; Mrs. Turnbow, Martin Home Demonstration Club; Mrs. Huffstutler, Chamberlain Club; Mrs. Brown, Clarendon; Mrs. McDaniels.

LOCALS DOWN PAMPA 20 TO 4

HILLCROFTERS RETAIN LEAGUE LEAD WITH FINE WIN HERE SUNDAY

The hard walling Cap Rock League leading Clarendon club gripped the top rung of the championship ladder a little tighter Sunday when they rapped out a 20 to 4 victory at the expense of their visiting Pampa neighbors. For the first time since the opening of the golf circuit the first ranking players of the local team marched through to victory, Ira Merchant and Al Cook both turning in wins for the afternoon.

By virtue of the 20 matches won Sunday the Clarendon club is now enjoying a fine percentage of 756 with 90 matches won and 29 lost.

Mrs. Joe Hastings and children from Canyon visited friends in the city the first of the week.

Mr. and Mrs. J. E. Weeks from Claude visited in the home of J. W. Martin Sunday.

Mr. and Mrs. G. L. Boykin are the proud parents of a baby boy. He has been named William Edward.

Mr. and Mrs. Wesley Moffit are rejoicing over a son, born Monday.

Mr. and Mrs. F. M. Neaves are the possessors of a six pound son born June the twenty-fourth.

BIG GOLF FIELD EXPECTED HERE

HEREFORD IS LATEST CLUB TO SIGNIFY INTENTION OF SENDING TEAM

Plans for the third annual Hillcroft Amateur Open Golf Tournament have been completed and everything is in readiness for the largest field of entrants ever to participate in the popular local tourney. Reports from the various cities over the Panhandle show that considerable interest has been aroused from the press stories in more than twenty weekly and daily newspapers.

Local club officials are highly optimistic and pleased with the response of the golfers of this section and already a number of players from Memphis, Hedley and other cities have played their qualification rounds over the local lay-out, preferring to accustom themselves to the Hillcroft course before the match play begins Sunday morning.

Regnal Greenhow, Carl Harrison and Thomas Hampton, three of Memphis' crack linksmen toured the course Tuesday and hung up impressive cards, Greenhaw, displaying the fine form which carried him to the finals of the Green Belt play this year, stroked the course in an even par 72. Hampton trailed closely with a fine 75 which insured both visiting youths a position in the first flight.

Learning about the tournament through the newspapers, the local club officials received a long-distance call from Hereford and received the promise of a fine delegation from that city. The Hereford entry marks the first time members of that club have participated in the Hillcroft Amateur Open.

The splendid rains of the past several weeks have transformed the local fairways into marvelous smooth thick matted grass, making it one of the most beautiful golf lay-outs in the country. All greens have received careful attention and the entire course promises to be a golfer's paradise during the two days of the tournament, July 3rd and 4th.

All qualification cards must be turned in to W. S. Bagby or Carl Parsons or left at Kerbow's Store by Saturday afternoon for flight bracketing.

First round matches will be played Sunday morning with second rounds being played Sunday afternoon. Semi-final and championship matches will be played Monday, July 4th. A wonderful array of useful prizes will be awarded the winner, runner-up of each flight and winner of each consolation flight. There will be placed on display in the next day or two in a conspicuous place.

L. L. CANTELOU WILL BE BURIED HERE TODAY

The community was saddened Wednesday when L. L. Cantelou passed away to his final resting place after a paralytic stroke had rendered the old gentleman helpless for many months. Mr. Cantelou was 83 years, 6 months and 26 days of age and had lived in Donley county for a long period. He was born in Jackson Parish, Louisiana. The deceased is survived by a wife and children.

Funeral services were held this afternoon from the First Christian Church with the Reverend W. E. Ferrell conducting the last rites. Interment was made in the citizens cemetery.

Friday evening, July 8th, at 7:30 o'clock at the Hudgins school house where the citizens of the Hudgins community will be given an opportunity to look over the list of candidates before the first primary. The Hudgins ladies insure plenty of good refreshments for the tired and worn candidates and attend an invitation to all to extend.

THE CHANGING TIDE

Every worth-while project of community advancement has always met with bitter opposition from parties either sincere in their views or those whose prejudicial flame is fanned by the hot breath of the green-eyed monster.

So with the highway movement in Donley County. The opponents of the State Highway Department's offer have been of the two above classes, however those citizens who have been unbiased and unprejudiced in their stand against the issue have been willing to study the matter over and a number are becoming convinced that the generous offer from the Department is for the best interests of the entire citizenship of the county. Still on the other hand the members of the second class have continued to point to the alleged corrupt handling of the State Highway Department's business. The pressure is becoming greater not only in Donley County but all along the route of Highway No. 5, and rumor has it that these parties are changing their position in an effort to become a promoter of an issue which today holds favor with the majority of the citizenship of Donley County.

Through the efforts of The News, coupled with the splendid work of the Highway Committee of the Chamber of Commerce, in staging a long hard fight for highway construction through the county the bitter opposition appears to be crumbling and joining the ranks of the more popular side of the controversy.

With every faction uniting in a grand drive for progress the tide will change and from it will spring a greater, richer and happier Donley County.

The Commissioners Court again has the privilege of accepting the offer of a generous and most patient Highway Department.

BREATH UPON THE WINDOW

If you are not on hand to hear a radio broadcast at the moment it is given, can you "turn back" the radio and pick up the report when you want it?

No. But if you are at liberty to read a newspaper the minute it is issued, the newspaper is available for your instant use at any time you want to pick it up.

If an important speaker gives a statistical report over the radio can you "turn back" the radio in order to compare the speaker's closing statement with his opening statement?

No, but your eye can compare the last paragraph of a newspaper's report of a public address with the paper's report of the speaker's opening remarks.

If you are listening to something you want to hear over the radio, and neighbors drop in, can you ask them to wait until the broadcast is over, before you receive them?

Or if the baby screams, or something boils over on the stove, can you holler at the announcer to "Wait!" while you investigate the baby or take the pot off the stove?

No, you cannot. But you can lay down your newspaper when a domestic emergency arises. You can attend to the duty required of you, return to your paper, and resume reading where you left off.

Can you file a radio talk for reference? Can you refer at will to information gained over the radio? Can you accurately quote from memory what you have just heard over the radio, even five minutes after you have heard it?

Does your mind absorb data vocally given as rapidly as the next man's?

No, No, NO! Dozens of Nos to all these questions.

The newspaper will continue to serve, as it always has served, every citizen's need for a stable source of information and knowledge. It is readily available, it may be preserved for record, it may be referred to, taken up and put down, at will. It may be glanced at or pondered over. The section you wish may be singled out when and as you wish it.

Radios were originally designed for entertainment, and as a successor to the talking machine in providing music in the home.

It ably fulfills these purposes, but as an advertising media, as a news source, it is a breath upon the window, here this minute, then gone, FOREVER.—Courier, Orosi, California.

TIME TO STOP WHITTILING

You can't advertise today and quit tomorrow; you're not talking to a mass meeting—you are talking to a parade.—Bruce Barton.

ASHTOLA

Seventy-three attended Sunday School here last Sunday. There wasn't very many attending singing Sunday night.

Mrs. Payne and son Jean visited Mrs. Dollie White and son, L. P., Sunday.

Mrs. Shelton and son D. C. of Borger visited her son, Mr. Loyd Shelton and wife Friday night and Saturday.

Mr. and Mrs. Behren and children of Clarendon visited their daughter, Mrs. Roy McKee Sunday.

Those visiting in the Hatley home Sunday were Misses Roberta Gillis, Stella and Mamie Leverett, Misses A. J. Garland William Leverett.

Miss Geneva Collier returned home Wednesday from Fareville, New Mexico where she spent several months visiting her sister.

Those visiting in the W. A. Pootev home Sunday were Mr. and Mrs. Graham and children, Misses Jewel Smith, Ruby Reid, Irene and Geneva Collier.

Fred Mandrofsky visited Tendam Grege Sunday evening.

Mr. and Mrs. Morris and children visited Mr. and Mrs. George Warrick Sunday.

Miss Mary Lovell and Della Leverett spent Sunday night and Monday with Irene and Geneva

Collier. Mrs. Smith and daughter, Miss Bearden, visited Mrs. W. W. Leverett Sunday evening.

Velma Jackson visited her uncle Dewey White and family of Amarillo.

Mr. and Mrs. John White and son, J. F., and Mrs. Lizzie Nix and Lyra Nix spent the week end at Quanah.

Mr. Leslie Leverett left for Gainesville Saturday where he will visit his wife and baby who are visiting her mother.

Mr. Dee Buttrill of New Mexico spent Tuesday night in the Leverett home he left Wednesday for Groom where he will work in the harvest.

Berniece Warrick visited in the Slater home Monday.

HUDGINS

There was a very good crowd present at the singing Sunday night and some good singing. We would be glad if more would come out and help with the singing.

There will be a pie supper and a candidate rally at Hudgins Thursday night July 7th. Every body is invited to come. The proceeds from the pies will be used on our lights and song books.

Mrs. W. E. Christie and Miss Pearl spent Tuesday night with Mr. and Mrs. Kay Smith at

Leslie. Mr. and Mrs. L. M. Putman called on Mr. and Mrs. Sid Geddis Sunday evening.

Mr. and Mrs. J. C. Perdue and family visited with Mr. and Mrs. Van Roy at Windy Valley Sunday.

Mr. and Mrs. Emmett Christie and children spent Sunday with Mr. and Mrs. Kay Smith at Leslie.

Mr. Wm. Pierce and family, Mr. and Mrs. Jeff Talley and children, visited with Mr. and Mrs. L. C. Tims Sunday.

Mr. and Mrs. O. L. Jacobs and Mr. and Mrs. L. O. Christie and children spent Sunday with Mrs. W. E. Christie.

Every one would be glad to see some fair weather now for a while so they can get their crops worked over and every one has an over production of weeds and grass since so much rain.

RAIL TRANSPORTATION IS EFFICIENT AND ECONOMICAL

● THE RAILROAD is the most efficient and the most economical transportation agency the human mind has ever devised.

The ability of commercial trucks to operate with various charges for their services has been because they are not required to carry all kinds and classes of freight. The truck can choose its freight and is privileged to reject that which it cannot handle, either because it is not equipped for such heavy service or the rates are too low to be profitable. The railroad CANNOT DISCRIMINATE but must accept all freight offered it.

In 1930 the shippers of Texas paid the railroads \$225,223,142 in freight charges. If the same volume and character of traffic had been carried by trucks it would have cost the shippers, according to the best available data on trucking costs, \$900,000,000, or four times as much.

What will be the effect on the shippers of Texas if only the traffic which the trucks cannot handle is left to the railroads? If traffic paying the higher rate is taken from the railroads by the trucks, it will be necessary for the rail carriers to increase their rates on the low grade traffic or go out of business. The total transportation bill will be greatly increased.

The railroad rate structure is a composite designed for the purpose of enabling the free movement of ALL ARTICLES OF COMMERCE, making it possible to bring even the cheapest commodities into general use and distribution. Were it not for the low rates made available by the railroads on many low grade commodities and raw materials, their distribution and use would be impossible and all commerce and industry would be seriously affected.

● THE RAILROADS CANNOT SUBSIST ON LOW, GRADE TRAFFIC ALONE.

THE TEXAS RAILROADS

ITEMS OF INTEREST IN DONLEY

WINDY VALLEY

There was 55 at Sunday School Sunday afternoon. Rev. Roby Josey from Lelia Lake will preach after Sunday school next Sunday. Mr. Leslie Skinner left Friday for Texico where he will work in the harvest.

Mr. and Mrs. Wallace Rainey and daughter, Anne Marie, spent the week end with his parents in Amarillo. Anne Marie remained this week with her grandparents.

Mrs. I. N. Noble returned Saturday from a two weeks stay at Wichita, Kansas.

Mr. and Mrs. Odell Mantooth from McLean spent Tuesday night with her father, J. D. Pope and family.

Mr. Opal Mount of Amarillo spent the past week in the F. A. Paulk home.

There was a real large crowd at Singing Sunday night. We had with us Mr. and Mrs. L. H. Earthman and family and Mr. Nelso Seago, singers from Goldston. Mr. Earthman with the remainder of his famous "Goldston Quartette" will be here again next Sunday night. We are very glad to have them with us.

Miss Margaret Phillips spent Saturday night with Jimmie Lee Cole.

Mr. Vergil Reaves of Lelia Lake spent Friday night in the O. S. Lyons home.

Mr. and Mrs. Marrs of Vernon spent the week end in the home of their daughter, Mrs. Cap Anderson.

Miss Gladys Noble and Miss Lola Manness of Hedley spent Saturday night in the L. H. Earthman home at Goldston.

Those visiting in the J. W.

Skinner home Sunday afternoon were Misses Mary Lee, Maude and Jo Ellen Buchanan, Cleodia Pope and Eva Paulk.

There will be a candidate rally at the school house Saturday night. There will be some real good music and plenty of lemonade and cake. Everybody is invited.

SUNNY VIEW

We still have rain on Saturday night with the heaviest rain of the season falling on last Saturday night. Some late feed will have to be planted over from the effect of the rain.

Of much interest to the people of this community is the announcement of the marriage of Mr. Richard Roberts to Miss Margurite Keys, which was solemnized Friday, June 17th at the Polk Street Methodist Church, Amarillo. Rev. Keys, father of the bride and pastor of the Polk Street Methodist church reading the marriage vows in the presence of friends of both parties. Mrs. Roberts is the only daughter of Rev. and Mrs. Keys, a student of S. M. U. and enjoyed the friendship of a large number of the young folks as well as the older people where she lives. Mr. Roberts is the youngest son of Mrs. J. H. Roberts of Amarillo. His parents lived in the community until some six years ago when they moved to Amarillo where he has held a fine position and is known for his manly and sterling qualities. The happy couple left for California on their honeymoon trip and will be at home to their friends in Van Buren St. Amarillo in a week.

Miss Lura Ray of Meridian,

Texas is here visiting Mr. and Mrs. Travis Reeves of Lelia Lake and Mr. and Mrs. Zeb Morris and family for a few days.

Mr. and Mrs. Charles Behrens and family of Nashville, Tenn., is here spending a few weeks with his parents, Mr. and Mrs. F. L. Behrens and family.

Mrs. Corbin and daughter, Miss Ruth and their aunt spent Friday afternoon with Mrs. Zeb and Lonnie Morris.

Mr. W. H. Cox of Gainsville and son, Mr. and Mrs. S. E. Cox of Amarillo, Mr. and Mrs. M. O. Goodpasture and daughter of Amarillo and Mr. and Mrs. Roy Morgan and family of Goldston were dinner guests of Mr. and Mrs. Robert Brame Sunday.

Mr. and Mrs. Heckle Starks had as their guests Saturday evening at 6 o'clock dinner, Mr. and Mrs. Luther Butler, Mr. and Mrs. Neal Bogard and the host and hostess. Games of 42 were enjoyed during the evening.

Mr. and Mrs. Sam Roberts and Mrs. Floyd Parker and daughter attended the ball game at Lelia Lake Sunday afternoon. Lelia played Hedley, Lelia being the winner of the game.

Mr. and Mrs. W. A. Bailey and children were dinner guests of Mr. and Mrs. A. M. Lanham Sunday.

The Morris families were dinner guests of Mr. and Mrs. Higgins of Pleasant Valley Sunday.

Mr. and Mrs. D. B. Bailey called on Mr. and Mrs. W. E. Hardin Sunday afternoon.

Mr. and Mrs. F. L. Behrens and family, also Mr. and Mrs. Charles Behrens and family spent Sunday with Roy McKee and family.

Mrs. Lanham called on Mrs. Heckle Starks late Thursday afternoon.

BRAY

Sunday School was held at the regular hour Sunday with singing. It ended Sunday night.

The H. D. Club of girls had their meeting last Friday afternoon at the Dishan home. Miss Buttrill met with them.

Mr. and Mrs. C. N. Hill and daughter, Janice Marie, and Chester Hill of McLean were week end guests in the home of Mr. and Mrs. Claude Hill.

Several of our young people were transacting business in Hedley Saturday afternoon.

Another big rain fell here Friday night, very little damage being done.

Miss Ethel Bell spent Saturday night visiting in the home of Mr. and Mrs. S. P. Dishman.

Mrs. Jim Bell was a caller in the home of Mr. and Mrs. J. C. Hill Wednesday afternoon.

Mr. and Mrs. Roy Doherty and children were callers in the home of Mr. and Mrs. Homer Lee Sunday morning.

Mr. Mark Sanders spent the week end visiting relatives at Hedley.

The trustees have employed Mrs. Donald Balew as the Primary teacher here for the next term of school.

Mrs. Nelson Riley and daughters Misses Kathleen and Ina and son Jack called on Mrs. John Goldston and Mrs. Joe Jones Sunday afternoon.

A. M. Lanham and Jack Bailey called on Mr. John Goldston at the hospital Sunday afternoon.

Mrs. A. T. Russell of Clarendon spent Friday afternoon with Mrs. A. M. Lanham while Mr. Russell was at the lake fishing.

Mr. and Mrs. Martin Banister were visiting Sunday in the home of Mr. and Mrs. Lee Anderson at Hedley.

Miss Owino Parrott called on Mrs. Earl Dickson Saturday afternoon.

Mr. and Mrs. D. N. Robinson and Miss Imogene, Mr. and Mrs. Dewey Griffin were visiting Sunday in the home of Mr. and Mrs. W. O. Hill.

MARTIN H. D. C.

The Martin H. D. C. met Thursday, June 23 at 2:30 p. m.

There were 11 members and one visitor present.

Mrs. Jordan gave a report of the dress contest. The club voted to send a delegate to the short course at A. & M. College. The club members and any in the community desiring to help will give an ice cream supper Thursday evening July 7th at the teacherage for the purpose of making money to defray her expenses.

The club adjourned to meet with

Mrs. J. A. Pool Thursday afternoon, July 14. Delicious sandwiches, cake and punch was served to Mesdames Lee Wood, Jordan, J. B. Turnbow, Patterson, J. D. Wood, Hutchins, Morrow, Baker, J. H. Easterling, Baley, W. H. Baker and Miss Polly Sowell.

The Martin Club was represented Saturday at County Council and Federation by Mesdames Jordan, Lee Wood, Morrow, Patterson, J. D. Wood and J. B. Turnbow.

Mrs. W. C. Stewart returned last week from an enjoyable trip to Dallas where she visited in the home of her daughter, Mrs. Fank Simmons and Mr. Simmons. Mrs. Stewart also visited with relatives in Cleburn while away.

JUDGE A. J. FIRES CELEBRATES 72ND BIRTHDAY TODAY

CHILDRESS PRESBYTERIAN MINISTER TRACES CAREER OF JUDGE

By GARLAND SHELL Judge A. J. Fires is today celebrating his seventy-second birthday. He is enjoying immensely the presence of his children and grandchildren. They are Mrs. R. R. Robertson and daughter, Mary Leona, of Wichita Falls, Dr. I. W. Fires of Fort Worth, Mr. and Mrs. Chester Fires of Wellington and their children, Marguerette and A. C. Jr. Next to the joy from the presence of his own family is that which comes to him as his friends call by to see him or send their hearty good wishes for the day and express the hope that he may enjoy many more like occasions. And in keeping with my desire to add a bit of joy and happiness to people along the pathway of life I am writing these few words.

It has been my privilege to know Judge Fires for more than twelve years. During that time I have known him intimately, have lived as a neighbor to him for several years, many times, and have appreciated his friendship and kindly interest. I have been with him in times of victory, and have walked with him in times of sorrow, sadness and grief. I know something of the bigness and tenderness of the heart that lies behind the sometimes aggressive personality. From the information gathered here and there through the years, I am writing this brief word concerning him, his life, and his work. Like the appraisal of any true friend it will be the presentation only of that which appeals to one—the worthwhile qualities and accomplishments in his life. After all we see that for which we are looking, and many times whether it is there or not. And from what we say or write you can soon discover that which we see. When I am gone I would like to have this said truthfully of me: "He saw the best, the highest and noblest in each life, and tried to inspire others to live that way."

Self Made Man Judge A. J. Fires was born on a farm on which he lived until he was sixteen. Through the years he has been interested in and owned a number of farms and ranches. Like most of us he never got entirely away from his childhood surroundings. He worked in a telegraph office for one year. He worked in a marble shop learning to carve and shape the rugged marble according to his will. This he did, not only for the joy of it, but that he might make money with which to continue his education. In early manhood he entered North Western Indiana Normal School of Valparaiso, Indiana. He worked his way through college. Morning, noon and night he rang the old college bell and every day swept the college floors to pay his tuition. Then in the boys' dormitory he kept the boys' rooms to pay his board. One is not surprised, then, to learn that during his life he has been interested in and made it possible for many young men and young women to get an education. This he has done, not only in giving advice, inspiration and kindly help in their hours of need.

For five years Judge Fires taught school, and during that time he was studying law, spending whatever time he could find in the law office learning much concerning the profession. He entered the law school in Louisville, Ky., and on account of his previous study and training in law he was able to complete the entire course of study and take his degree in one half the usual time. He received his degree in May, 1886.

Selects Texas. He came to Texas in July, 1886, and spent several months looking over the state, especially the western and southwestern part. He finally, however, decided in favor of Northwest Texas and came to Childress County, Nov. 10th, 1886, as he said, "I arrived in a snow storm and have been in a storm ever since." Some of the rest of us arrived in a sand storm. He became interested in and helped to organize Childress County, which was then attached to Donley county. In deed and in truth he is a pioneer, having lived in the county for about 46 years.

Varied Interests. His first interest and thought and work has been in the general practice of law. He has, however, been engaged also in farming and ranching and in the banking business. Under his supervision the first brick building in Childress was erected. He helped to organize four banks in Childress. The first "First National Bank" in 1890; the "Bank of Childress" in 1904 which merged into "The Childress National" in 1906; and the present "First National" in about 1908. For a number of years he was president of the First National Bank.

Through the years he has been affiliated with the Masonic Lodge, being a charter member and holds a life membership. He was a charter member and helped to organize the Knights of Pythias, the I. O. O. F., and Elks Lodge in Childress.

During the years, however, his major interest has been centered in his chosen profession of law. And in later years he has given almost his entire attention to his professional activities in which he is generally conceded to have been successful. He has practiced law in every part of Texas and in the states of Oklahoma, New Mexico, and Colorado. His work has been in all the courts including the Supreme court. The Supreme Judges, on different occasions, have given expression to their appreciation of him in his knowledge of law, its interpretation, and enforcement.

District Judge. Four years ago he was elected district judge. The success of these years is well known to all. Business has been transacted with dispatch and the counties have been saved hundreds of dollars by his efficiency in getting cases tried. He has been a terror to the criminals, yet fair and just in dealing with them. The lawyers say of him that "he is hardboiled, but fair and impartial in his decisions." Members of the bar have so appreciated his ability that he has been called into many other districts to hold court. He has taken the position that laws should be enforced regardless of any opinion against any law and has made an earnest effort to see that they were. Though this is a lawless age, a time when it is most difficult to enforce law, yet during this period there has not been the disregard for law that there was in other periods past when its enforcement was far easier.

Though one may not always agree with him, yet he must honor his open, frank and sincere attitude. He is what he is, and he wants you to know it. If he were not so frank and outspoken he would be a more successful politician, but less of a real man. One appreciates his honesty, integrity and forcefulness of personality. Yet above these stands his clean moral life. Even his enemies say he was and is loyal and true to his family manifesting an unusual devoted love and loyalty.

He is a man who has given much in beneficent and charitable work. His policy has been that the right has been done. On many occasions at Christmas the poor have been the recipient of his beneficent spirit and they had no idea from whence the blessing came. There is in him a kindness of spirit manifest especially to the poor and unfortunate. There is in his heart a friendly spirit that begets friend-

TEXAS POLITICAL CALENDAR

Austin, June 27.—With its climax the first primary election July 23, July will be a busy month for candidates seeking public office, for party officials and for voters. Its political calendar is:

- July 3—Absentee voting begins.
- July 10—First day for filing second campaign expense reports.
- July 14—Last day for filing expense reports.
- July 18—Tax Collector delivers to county executive committee chairman list of qualified voters.
- July 19—Last day of absentee voting.
- July 21—County clerk sends absentee ballots to presiding judges.
- July 23—First primary.
- July 23—Precinct conventions (evening in city precincts).
- July 27—Returns made to county chairman.
- July 28—First day for filing final campaign expense accounts.
- July 30—County conventions held; county committee canvasses returns of primary election.

Former Clarendon Boy Wed In Amarillo

Announcement has been made of the marriage of Miss Dora Mae Stuard and Mr. Orville Lewis Hinkle which was solemnized at the Church of Christ last Saturday. The double ring ceremony was read by Rev. Robert C. Jones, minister.

Miss Roxie Haverty and Miss Barbara Woods were the only attendants.

The bride was attractive in a light blue georgette dress with an ecru lace yoke. Her hat and accessories were of white and she carried a large bouquet of pink roses.

Mrs. Hinkle is the daughter of Mrs. A. J. Gibson of Childress, Tex. She came here from Abilene where she attended Abilene Christian College and was secretary to Draughon's business College.

The groom is the son of Mr. and Mrs. D. W. Hinkle of this city and has been employed by the National Bank for the past three years.

Mr. and Mrs. Hinkle are at home at 1320 Van Buren street, Amarillo.

Two more days and then plenty of excitement with the large number of visiting golfers and rodeo contestants invading the city for the biggest sporting events of the local season. Something like a hundred of this section's finest golfers will be matching their best strokes out on the Hillcroft course this Sunday and Monday and Tuesday the days of the old west will be enacted with veterans of the saddle and range doing their stuff at the rodeo grounds southwest of the Golf course near the Murphy place.

My cousin, Jimmy Phillips of Ranger, writes it will be impossible for him to play in the local tourney as he has already promised to enter the Eastland tournament on the 2nd, 3rd and 4th. The popular young West Texas Association champion stated that he was more disappointed than any of the local players and tourney officials and if there was a chance of breaking his Eastland engagement he would natch his grip and start towards Clarendon. By the way, Jimmy was runner-up in last year's Eastland tournament losing in the finals to Gus Moreland in a long hard match.

Well, Jimmy, we're darn sorry you aren't going to be here, for all of us were hoping for an opportunity to watch the West Texas champ in action. However, we understand your plight, and know you would be here if it were at all possible. Perhaps you can get a week or two off later this summer and give some of these guys who always beat me up here a neat trimming. Make your plans to do that.

We are looking for you to burn up those boys at Eastland and all of us wish you the best of luck.

Boy, oh boy! They tell me they had a real ball game down at Lelia Lake Sunday with the Cissellites taking the measure of the Hedley nine to the score of 2 to 0. This is the first shut-out registered by any county team this season and the sixth straight victory for the rejuvenated ball sockers residing just to the east of the Donley metropolis. A crowd of five hundred fans were reported to have turned out for the game and according to further reports no less than the above number were rewarded with one of the finest exhibitions of the grand old game which has glorified base flesh in this country of ours.

Buddy Jones, curve ball artist formerly with the Goldston team, was the hero of the hour and snaked the ball around the ball-less war clubs of the Hedley batters for the entire nine innings without ever being in too serious

trouble. But on the other hand the youngster hurling for the losers pitched marvelous ball and kept the Lelia players away from the plate for six innings. I don't know what the lad's name was, but nevertheless he must be good to turn in a performance good enough to win nine out of ten games. It was just tough luck to run smack into that tenth time on last Sunday.

Lelia, by virtue of their impressive showing in the last few weeks, is clamoring for a return game with the fast Chamberlain aggregation. Of course the latter has defeated the east county boys three times already, but that was before the rebuilding efforts of Manager Cissel was noted in the results. However, since the Lelia Lake team has shown such marked improvement I feel they are justified in asking for the game.

The long distance guns of the Chamberlain-Clarendon baseball club went into action last Sunday and leveled the McLean nine under a barrage of runs to coast through to a 10 to 1 victory. Blanton, Schull and Blackman supplied the long distance courting to push around tally after tally. H. A. Blanton rung the bell for a home run, two triples, a double and a walk in six trips to the pan. Blackman pasted one to the outlying suburbs of the Gray county city for a triple while Schull counted for four hits in five appearances before McLean batteries. Besides his hitting Blackman also neared the pitching hall of fame when the big fellow allowed only three hits, two being the scratchy variety.

Another plea to the tennis players of the town to please keep off the new tennis courts at the Junior High grounds without tennis shoes. It is reported some of the players continue to ignore the signs asking that only tennis shoes be worn while playing. This is deplorable for every one should take pride in the new tennis facilities and do their part towards keeping them among the best in this part of the county.

I guess this column will have to start a list of such folks—let's keep off it.

Of all the absurd happenings we know of we believe the New York Boxing Commission takes the steam heated ice box with its suspension of Max Schmeling's manager, Joe Jacobs. The Com-

Advertising That Pays
CLARENDON NEWS

Bits Of WASHINGTON'S Current Comment

Special to The Clarendon News

Congress has stepped temporarily into the background as an object of interest. There are several reasons for this, one being that the eye of the public has shifted for the moment, to the activities of the convention which places Messrs. Hoover and gress should not feel hurt, since many of the Senators and Representatives themselves had their minds on politics in Chicago, while their lips were dealing with statecraft in Washington. Who does not remember that as the recitation went on at school, the eye and the thought wandered sometimes to the swimming hole, the trout brook, and the green woods. Even the statesmen never shake off the school boy's desire for something different, and perhaps they are willing that, just now, their constituents should share that desire and neglect legislators for a time. The tax bill was everybody's affair. Now that the tax bill tension is over, much of the unfinished business mainly to groups, that is another although important, is of interest reason why the spotlight has switched a little.

Knocking is one industry that has not been affected by the depression. Congress already has received its share of rans, and perhaps should be let alone by outsiders. There is nothing wrong, however, in renaming what is not by those right within the fold, and it is here noted that a Senator says that the present session has relieved everyone but the farmer. If this is true, at least an effort has been made to help many others, which is not such a bad record after all. This is an appropriate place to refer to a Representative who died, practically on his feet, while urging the passage of the bonus measure. The Senate disposed of the bill unfavorably by a vote of 62 to 18, but its martyr advocate may not have died in vain nevertheless.

The War department appropriation is still held up. The economy program is practically in condition for a vote, the salary cut feature being the most important

mission felt the wrath of a sporting nation on its shady decision in the recent heavyweight championship flop, and not knowing what else to do put the oversized can to Brother Jacobs who had had the audacity to squawk against the high hand rule of New York's Tammany of the fight ring. Very clever, but still more people every day are convinced Herr Max could have won even with the German Shock Troops helping in the ring.

PATENTS AND TRADE-MARKS C.A. SNOW & Co.

Successful Practice since 1875. Over 25,000 patents obtained for inventors in every section of country. Write for booklet telling how to obtain a patent, with list of clients in your State.

When TEETHING makes HIM FUSSY

One of the most important things you can do to make a teething baby comfortable is to see that little bowels do their work of carrying off waste matter promptly and regularly. For this nothing is better than Castoria, a pure vegetable preparation specially made for babies and children. Castoria acts so gently you can give it to young infants to relieve colic. Yet it is always effective, for older children, too. Remember, Castoria contains no harsh drugs, no narcotics—is absolutely harmless. When your baby is fretful with teething or a food upset, give a cleansing dose of Castoria. Be sure you get genuine Castoria with the name:

Wm. H. Fletcher
CASTORIA
CHILDREN CRY FOR IT

item that hangs in the balance. The Treasury is busy getting the tax collection detail into shape. The Department of Commerce reports that business for the latter half of June will run about the same as for the first half of the month. The extent to which the government is competing with private industry is still under investigation in a House Committee. The Senate is looking into the doings of the stock market. The federal printing presses are rattling away at three cent postage stamps, and the public will not be disappointed on July 6, the date on which the increased rate goes into effect. The Bureau of Entomology is authority for the statement that, among other things, the farmers may have to contend with insect pests of one sort and another, in quantities that exceed some former years.

A six year old Pittsburg boy yells for a butcher knife when he awakes and finds a burglar near his crib, and a New Jersey man puts off his honeymoon in order to see that justice is done to a thief who picked over the things in his car: all of which suggests that criminals would have a hard time if there were more folks of firm and fearless purpose.

Six thousand bonus marchers sang "America" before the Capitol, when they heard of their temporary set back. The Germans marched to one of their victories of the 70's, to the notes of "A Mighty Fortress is Our God." Other instances of choral charges might be mentioned. Singing armies are hard to down. The bonus question is by no means disposed of finally.

Raffles, the gentleman burglar, may have stepped out of the world of fiction into the world of reality. A pickpocket who stole

a Maryland woman's purse, mailed it to her with important papers that it contained, keeping only the few dollars that were with them.

The Soviet organization says that America is trying to stir up another war. Considering what we got out of the last one, the communists must think that Uncle Sam is a glutton for punishment.

Historical dates for the approaching month. July 1, 1929. Radio announcers spoke in a natural tone of voice. July 2, 1926. California man admitted that weather in that state sometimes was bad. July 3, 1872. Constant Reader had no communication in the papers.

Government experts who are working on the economy plan are respectfully directed to Boston for advice and counsel. An official in that town has used one pencil for almost a half century. All that is lacking to make a perfectly good story, is the statement that it was borrowed in the first place.

SMITH NEWS

The W. C. D. Club met at the home of Mrs. W. D. Mabry last Wednesday. After the business session Mesdames Roden and Knight gave a demonstration on how to use the sewing machine attachments, this being a lesson they learned at the sewing school in Clarendon a few weeks ago. There will be a candidate speaking at the school house Friday night. The club ladies will furnish cream and cake for the occasion.

Mesdames Shelly and Pierce and Messrs. A. J. and Taylor Tucker visited in the W. B. Baker home last Thursday after-

noon. Mr. and Mrs. Trilton Davis spent Saturday night and Sunday with Mr. and Mrs. Gerald Knight.

Miss Mildred Baker left Wednesday for San Francisco, California where she will attend school for the summer.

Mr. and Mrs. M. A. Beasley visited in the community Monday. Mr. and Mrs. Jess Grimes and family visited in Memphis Sunday.

Miss Mary Louise Thomas returned to her home at Lubbock after a visit with Miss Mildred Baker.

Mr. Hollis Niece visited home folks over the week end. He is working at Wichita Falls.

The rain Saturday night did quite a bit of damage to crops and gardens.

Mr. and Mrs. Sloan Baker and family went to the Candidate speaking at Hedley last week. Mesdames W. D. Mabry, Berl

Smith and Clyde Roden attended the pickle demonstration in Clarendon Tuesday.

CARE - FREE

The periods in life when one can be carefree are limited. Childhood is one of those periods, and rightfully so,— an inheritance due all. Other periods of carefreeness seldom materialize, except through an individual's own planning and consistent work to that end. Relief from financial worries brings a sense of carefreeness which well repays one for the effort made to save and to have, as hundreds of depositors in our saving department will testify.

Mr. Treadwell was Hot . . .

but His Motor Wasn't!

CONTINENTAL OIL COMPANY.
Gentlemen:

"During my recent vacation I had occasion to give Germ Processed Oil a real test, driving some 1,600 miles, temperature from 105 degrees to 111 degrees. The car never previously stayed as cool, and drove nicer, and I attribute it to no other cause than the use of Germ Processed Oil. Yours truly,
"T. P. TREADWELL."*

Although Mr. Treadwell is Chief of the Fire Department at Fort Collins, Colorado, he must have been pretty hot in weather like that!

But in spite of 105 to 111-degree weather, his motor didn't heat up! Conoco Germ Processed Motor Oil withstands heat better because Con-

* This unpaid testimonial is on file at Conoco headquarters.

oco's exclusive, patented Germ Process gives it extra "oiliness" other oils don't have. That extra oiliness reduces motor operating temperatures. It guards against thinning out caused by heat and crankcase dilution. It gives Germ Processed Oil more stability.

And, no matter how hot the weather, the Hidden Quart stays up in your motor and never drains away. It's always on duty when you start, cutting down costly wear during the starting period, when almost half of all motor wear occurs.

For Summer, for Winter, any time—Conoco Germ Processed Motor Oil is a better oil for your car. Change now at any Conoco Red Triangle station.

INSIST ON Genuine BAYER ASPIRIN

Because . . .

The Bayer Cross is not just a trade-mark, but a symbol of safety.

That name tells you it cannot depress the heart.

The tablet stamped Bayer dissolves so quickly you get instant relief from headaches or other pain.

There is no disagreeable taste or odor to tablets of Bayer manufacture; no harmful quantities of free salicylic acid to upset the stomach; no coarse particles to irritate throat or stomach.

NO TABLETS ARE GENUINE **BAYER** ASPIRIN WITHOUT THIS CROSS

The TIRE THAT LETS YOU RELAX

The SAFEST TIRE ever built!

YOU can relieve the tension of driving by equipping your car with the new Goodrich Safety Silvertowns. On these safe, quiet-running tires you can drive confidently. They give you better control of your car, a better grip on the road, more anti-skid mileage, greater protection against blow-outs and less nerve fatigue. We'll be glad to give you proof and quote an allowance on your old tires.

GENERAL RULES OF THE RODEO

1. The management reserves the right to change all rules and prizes if necessary.
2. The management assumes no responsibility for accidents or injury to contestants, or stock, and each participant by act of entry waives all claims for injury they or their stock may sustain.
3. The decision of the judges shall be final, and any contestant disputing same or violating any of the rules of the rodeo shall be disqualified from further participation in any event, and forfeit all prizes won if any.
4. All entrance fees shall be paid by eleven o'clock July 4th. to the clerk in charge and shall be paid in cash.

SPECIAL RULES

- Calf Roping.
There will be three time keepers, a time judge, a foul line judge, and one starter.
2. Calves will be given the dead line start in accordance with arena conditions and when calf crosses the dead line he is the ropers calf regardless of what happens. Ten seconds fine will be assessed for the ropers mount being over foul line when starter's flag drops.
 3. Roper must not bust calf, but must dismount and go down rope and flank calf by hand, cross any three feet and tie in proper manner.
 4. A catch must be made with rope that will hold calf until the roper gets to him. Tie to be passed upon by the judge, and roper will not be allowed to touch calf in any manner after signalling for time, until judgement of the tie has been pronounced by the judge. Calf will be left tied down as long as deemed necessary by judge to ascertain if tie is complete.
 5. This is a catch as catch can contest, but roper must adjust rope and reins in a manner to prevent his horse from busting calf. Any roper busting calf will be fined not less than 10 seconds and not more than one minute, according to the wilfulness of the act and the time gained thereby, and wilful violation or disregard for this rule disqualifies the roper, however, if roper stops his horse and calf runs on and busts himself, the roper shall not be fined.
 6. Each roper will be allowed two loops, and should he miss with both shall retire from the arena.
 7. If roper ropes the calf without turning loose the loop it shall be considered no catch.
- Steer Riding Contest.
Riders shall draw for places. This is a one hand contest.
