TEN NEW BOOKS ADDED TO CITY LIBRARY THIS WEEK

Ten works of standard and modern fiction were added to the shelves of the City Library this week according to Mrs. C. A. Burton, librarian. These additions comprise some of the most interesting fictions to be found in the list available for the local reader, and the addition is in keeping with the policy of the Library to add frequently to the reading facilities of the institution. Here is the list:
'The Three Guardsmen', Dumas
'The Prisoner', Alice Brown.
'The Filigree Ball', Anne K. Green.
'The Man of The Forest', Zane Grey.
'The River's End', Curwood.
'Heart's Desire', Emerson Hough.
'Dangerous Days', Rineheart.
'Bob Hampton of Placer', Parish.
'Steel of the Royal Mounted', Curwood.
'The Second Fiddle', Bottome.
Mrs. L. Ballew left Wednesday for an extended trip to Ft. Worth and Pilot Point.

HIGHWAY AND RR OFFICIALS CAUCUS

COUNTY OFFICIALS MEET ENGINEERS OF DENVER AND HIGHWAY HERE

Details of the highway right-of-way through Donley County were discussed and certain adjustments pointed out for immediate accomplishment in a meeting of Donley County officials with railroad engineers and right-of-way men, JA Ranch officials and engineers from the highway department held here last Friday under arrangements made by A. L. Chase member of the local highway committee.

Judge J. J. Alexander and Commissioners Sid Harris, Roy Beverly and Les Hawkins sat in for the county. T. D. Hobart and Clinton Henry represented the JA Ranch. Judge W. D. McCoy and Chief Engineer Stainer were here for the Fort Worth & Denver railroad, with Divisional Engineer W. D. Van London and Engineer Cornelius of the Highway Department. A. L. Chase and Homer Mulkey were present on behalf of the highway committee of the Chamber of Commerce.

Engineer details concerning the right-of-way at Ashtola were thrashed out by the engineers of the party, and certain adjustments found necessary which involve the county, the JA Ranch and the railroad. The railroad agreed to send an engineer here Monday to make all preliminary surveys at Ashtola with reference to the moving of the cattle pens there, also to detail a member of their engineering department to Amarillo to make proper detail corrections on the railroad right-of-way map in the office of the highway department, to facilitate exactitude in further surveys of the department.

The party also went to Lelia Lake where they went over the details of the route through that point, and where nothing very troublesome was found apparent.

Divisional Engineer Van London said that his department would be ready to proceed with the final survey in the county for the new highway just as soon as the details under consideration Friday had been worked out, and the railroad promised immediate co-operation to that end.

According to Mr. Chase of the highway committee the meeting was worth much to the successful conclusion of all preliminaries necessary to the beginning of the purchase of right-of-way, and there is a general disposition to work in harmony to the desired end.

SAM W. LOWE SAYS THE NEWS MISREPRESENTED

Sam W. Lowe, recently operated on for appendicitis at the Adair Hospital accuses The News of a misrepresentation in last week's paper and demands a retraction. It's like this—last week in announcing the operation on the stricken groceryman, The News reported him as "resting easy." Sam says that's all bunk—that he wasn't resting easy then nor for several days later, and demands that this newspaper run this correction. All right, Sam, all right. The News says he is resting easy this week, which proves that if you keep on saying a thing it usually comes true—and then this paper isn't the kind of a paper that says one thing one week and another thing next week. We try to be consistent, even if Sam did feel like he had a back-log laid across his middle for a few days last week.

Mr. and Mrs. J. F. Blocker, Mrs. Penelope Ellis, Master Neal Ellis, Johnnie Blocker, Mrs. Ruth Reeves and Miss Loree Hamm attended the Circus in Amarillo last week.

TWO FIRES DURING FIRE PREVENTION WEEK

A fire was discovered in the building next door to the Gas office on Main street and an alarm turned in at 7:30 P. M. on Monday. It was thought at first that the fire had started in the front of the building due to the cracks around the doors and windows, but it was later discovered that a blaze was coming from the rear of the building and firemen rushed there with new hose connections and after breaking through put the flames out in a few moments with a good stream of water.

Mr. A. N. Wood had some store fixtures stored in the rear of the building and it was discovered the next day that the fire had done considerable damage to the fixtures and was considered a total loss, but was insured. There was some damage done to the building both in front and rear.

On Tuesday evening another alarm sounded and the fire department was called to the Fitzgerald Gin. There it was discovered that a fire had started in some cotton in the unloading tube and was caused by friction from a nail. There was no damage done to the Gin and the cotton was lumped on the ground and soaked with chemicals.

NEW BUSINESSES OPEN IN THE CITY

This week there are three new businesses open in town, which shows the optimism of the outlook in Donley County.

Smitty's Barber Shop is open next door to Hommel Bros., on Kearney street, with a two-chair shop.

Hagler's Hat Blocking Establishment is opening in the Parsons Bros. cleaning and pressing shop. Salmon's ladies' and men's furnishing store is being located in the old News office building below Clifford & Ray's grocery.

Mr. and Mrs. T. G. Stargel and daughter, Jean, of Amarillo were visitors in the G. W. Antrobus home Saturday and Sunday.

Mr. and Mrs. Ben Andis, Lucille, and Snooks, and Miss Jennie Lee Wilson spent Sunday in the home of Mr. and Mrs. Guy Andis near Pampa.

SPEAKER LAUDS BENEVOLENCES

ROTARY CLUB HEARS MEMBERS PRAISE GOOD DEEDS OF MRS. ADAIR

Friday's luncheon of the Clarendon Rotary Club was well attended and the entertainers for the day were Miss Elizabeth Kemp, violinist, and Mr. Rhodin Chase, pianist.

The club made a donation to the purchase of the memorial tablet being sponsored by the various clubs of the city, which will be placed under the portrait of Mrs. Cornelia Adair, at the Adair Hospital, which she founded. This action of the club brought an added donation from Dr. B. L. Jenkins, who took occasion to speak to the membership of the benevolences of the lamented patroness of Clarendon, as evidenced in the present commodious city hall of Clarendon as well as the hospital and other worthy enterprises.

Announcement of the football game in the afternoon between the local high school warriors and the Claude high school team was made.

In connection with the present activities of the Rotary Club here, Mr. Drennan of the Junior High School announces that Dr. B. L. Jenkins has offered prizes to the best all-round boy and girl students of that department, and that already there is evidence of the interest in the prizes in the scholarship of the students.

HAMBONE QUARTET IN PERFORMANCE

The Hambone Quartet of Plainview, Texas was in Lelia Lake and Memphis this past week delivering a clever musical program of vocal and instrument numbers. In each place they were greeted with a full house. In Lelia Lake they gave their program at the High School Auditorium and in Memphis at the Palace Theatre. Messrs H. C. Godfrey, D. E. Perry, B. R. Bassell and H. L. Brewster make up the quartet and at the present have returned to Plainview.

MRS. W. A. ARTHUR BURIED HERE TUESDAY

Funeral services for Mrs. W. A. Arthur, who died Monday morning from a heart attack, were held Tuesday afternoon at the family home at 5 o'clock, conducted by Rev. B. N. Shepherd, pastor of the First Baptist Church. Interment was made in the Citizen's Cemetery.

At the time of her death Mrs. Arthur was about sixty-three years old and had resided with her husband and family on the E. M. Ozier farm south of Clarendon for the past four years, coming here from Oklahoma.

Besides her husband the deceased is survived by nine children, all of whom were present for the services except two.

The News joins with the many friends of this good woman in condolences on her passing.

Roosevelt-Garner Medallion, this emblem is being distributed to contributors to National Democratic campaign.

The illustration above shows the likeness of the Medallion now being awarded to those patriotic Democrats who make a cash contribution of as much as one dollar to the national campaign fund.

Mrs. O. T. Smith has been appointed co-chairman of the campaign in Donley County and asks The News to say that she will be happy to supply those who desire them for the cash contribution involved. W. P. Cagle is the other co-chairman for the county and he wears medallion No. 1, for Donley.

Harwood Beville, formerly of Clarendon but now of Amarillo is chairman of the movement in the Panhandle.

GROOM HIGHWAY MEET ASKS PAVING

'16 MILE MUD HOLE' IN DONLEY MUST BE PAVED SAYS MEETING

Groom entertained the meeting of the U. S. Highway 66 Association Monday of this week, and aside from the routine work of the body, devoted its attention to the consideration of closing the gap in the paving which now consists of the sixteen miles in Donley County around Jericho, with the final flat demand that this gap be paved immediately.

J. W. Knorpp, Groom banker, and president of the Texas U. S. 66 Association for years, declared that "whatever steps are necessary should be taken for the building of this gap." Mr. Knorpp presided at the meeting which followed a luncheon served by the ladies of the Groom Community Club at the U. S. 66 Hotel.

Mr. Knorpp was re-elected president for another year and Dr. O. H. Loyd, of Vega, and O. F. Walker, of Shamrock, were elected vice-president and secretary, respectively. Mr. Griggs, Mr. Sewright and Mr. Johnson were named as the committee on resolutions. Their report was confined largely to recommendations on right-of-way and paving of the 16-mile Jericho segment.

After Mr. Van London's statement that the state had been ready for months to build the road but did not "have any place to put it", Mr. Johnson of Amarillo suggested that the "cards be put on the table" and the meeting find out where the trouble was. Mr. Van London said a location offered in Donley County was not acceptable and that the only route agreeable to the state was on the north side of the railroad.

Among others who spoke as to the importance of taking immediate action to get the road paved were Dan McGrath, G. C. Odum, Bill Lampe, N. S. Griggs, and Avery Rush, of Amarillo; Mr. Bentley, of McLean, Mr. Tompkins of Reno, Mr. Singletary of Oklahoma City, Guy Hill of Shamrock, and Commissioner Sid Harris of Precinct one of Donley County.

The days session of the association was devoted almost exclusively to ways and means of solving this problem, a condition described by speakers as costing all points on the route thousands of dollars every week in lost in tourist traffic. Highway 66, according to its national president, C. W. Tompkins of El Reno and its secretary, R. A. Singletary of Oklahoma City, isn't getting one-half the traffic it would have if the Jericho gap did not exist.

In a frank and earnest manner delegates, officials and representatives of the Texas Highway department, today sought to get at the bottom of the trouble and work out some plan that will make for early paving of the 16-miles, the only unpaved stretch on the road between Amarillo and Oklahoma City. W. J. Van London of the highway department, said the road had not been paved because right-of-way had not been furnished. He said the money had been appointed for months for the road's construction and that the state recently made an appropriation for right-of-way, something it has done in no other county in West Texas. One land owner near Jericho, by his refusal to give or sell the land, is now holding up the road, Mr. Van London said.

All speakers of the afternoon discussed the importance of the Jericho paving, saying the present unimproved gap there is giving the entire route a "black eye" and that its impassible condition in rainy weather is causing thousands of tourists to avoid the Panhandle. President Tompkins of the 66

EMPLOYMENT BUT NO CHARITY HERE

PLANS BEING LAID PROVIDES WORK PAID BY FEDERAL FUNDS HERE

According to Odos Caraway, local director of the West Texas Chamber of Commerce, who has just submitted estimates of amount needed here for employment for the next three months, there will be approximately \$2800.00 available for various forms of public work in this county, said funds to be allowed under the federal appropriation to aid the unemployed.

"There will be no open charity," said Mr. Caraway. "But the committee in charge will endeavor to provide employment for the needy who are willing to work". This work will be some form of public endeavor, such as clean-up, weed cutting, street and road work, and the like.

The local committee in charge of the administration of funds under the federal act, is composed of Homer Mulkey, Clyde Douglas and H. T. Burton.

The funds will be available in monthly installments, and the jobs will be arranged in the next week or two, so that disbursement may begin at the earliest possible moment.

LIONS HOLD A SHORT SESSION

TUESDAY MEETING OF CLUB SHORT ON PROGRAM AND BUSINESS

Tuesday's weekly luncheon of the Clarendon Lions Club proved to be a short session since there was no program arranged and little business was brought before the meeting.

Announcement was made of the need for carrying the crippled child to Amarillo this week for the foot to be further straightened and placed into a new cast by the specialist in charge of the case, and Lion Caraway, chairman of the committee said that transportation would be ready Wednesday and the work done.

Announcement was made of the local football team going to Pampa in the afternoon for a game with that Class A team, and also of the game the locals will play with the husky Hollis, Okla., team Friday night of this week at Hollis. This will be the first night game the local team has ever played. Several of the Lions were excused early so that they might carry some of the local players to Pampa.

Mrs. Rich Bowlin, and Mr. Ball of the Graybar Electric Co., were guests of the day and expressed their pleasure at being present.

Mr. and Mrs. Charlie Trent returned home Sunday after a delightful trip to El Paso, and Santa Fe, New Mexico. While in El Paso Charlie attended the meeting of the Southwest Rifle Association of Maches.

Association said locations selected by the Federal Bureau of Public Roads are made with the view to serving the traveling public and declared that injunctions to prevent the building of roads on federal locations usually "do nothing except delay the work."

Music for the luncheon was furnished by the Groom High School band and readings were given by three small girls, Betty Keller, Betty Jo Martin and Lulu Johnson. The meeting was opened by an address of welcome of President P. L. Johnson of the chamber of commerce.

## A GILT-EDGE DOCTRINE

Democrats and Republicans alike should ponder these words spoken by Franklin D. Roosevelt: "After all, there comes a time when country transcends party. In these difficult days, the solution of our problems depends upon trying to look upon them from a general point of view and not from a party point of view."

This is particularly true since both parties have become impotent tools for the welfare of the people. Parties are not the masters of men, they are servants—and poor servants at that.

## STATE FAIR MODERNIZES

Realizing that changes are desirable in all forms of activity under the present conditions, the management of the State Fair of Texas, have produced an exhibition of the latest 1932 model, with the result that the attendance is greater than usual, proving that the people will respond to new ideas along practical lines.

The State Fair of Texas at Dallas is one of the greatest agencies for the development and progress of the State now in existence. Year after year, thousands of Texans are enlightened as to the resources of the state by its displays, while other thousands from neighboring commonwealths are impressed with new facts of the greatness of Texas and encouraged to invest in her lands, her industries and her commerce.

## A HABIT TO BE CULTIVATED

One of the the most troublesome developments of the long financial difficulty of the nation has been the general loss of the debt paying habit.

Today there is nothing this country needs like the cultivation of the debt paying habit, and there is scarcely a person who could not do better in this respect than he has for the past year. While it is true that few are able to pay all their bills due and past due, yet if every citizen would make it a point to pay two or three bills more than usual on the first of November, there would be such a wonderful recovery in business from this one cause alone, that by December first everybody could pay twice that many more bills.

Here in our own community we could all do the situation untold good by paying up a few more bills than we have been in the habit of paying. Let us cultivate the habit. Let us begin now. Let us all lend our own support to the movement.

## TAXES AND THE BLAME

It seems that Donley County people are to realize a saving of eighteen cents on the hundred dollar valuation in state and county taxes for the coming year, by reason of the combined saving in the rates set by the respective tax authorities.

This will be welcome news to everybody, for there is no dissention over the position that we should have some relief from present tax levels, and the saving is really appreciated.

There is one side of the matter, however, that should be kept in mind when our city, county and state officers are being criticised for "high taxes." It is very true that our present tax rates have been brought about by our own vote, approval or acquiescence, and the critic should remember that our office-holders do just about what their constituents want them to do.

Since the people are so unanimous in their demand that cost of government be reduced, the cost is being reduced, and consequently taxes are being lowered in corresponding degree, to the satisfaction of every tax-payer.

## SAM JR., LEAVES HIS DAD

For the first time in several years this issue of The Clarendon News is made without the services of Sam Braswell, Jr., who last week assumed the management and editorship of the Forney Messenger at Forney, Texas.

While not interested financially in the young man's venture, the editor holds that deeper interest that every father has in the progress and welfare of his son, and we shall watch with intense satisfaction his achievements, mixed with warm sympathy for mistakes he will likely make.

Like other young men, Sam Jr., didn't always think well of his Dad's advice, but in the weeks to come he will most likely come to the realization that his father knew some things and spoke truly about them.

On the other hand, his Dad already realizes just how much he loses by the absence of Sam Jr., and has discovered that he was worth much more to The News and the business than he sometimes was able to realize.

Sam Jr., has left his Dad. God bless him—and may success crown his efforts in this the re-enactment of the great drama begun in the dawn of creation when the first son went out from his father's house to seek independence and success.

## BUSINESS MAY VARY, BUT SERVICE, — NEVER

For a number of years this institution has adhered strictly to the policy that business trends and requirements might vary but that service to its customers and depositors should be maintained at a uniformly high standard. This includes: Properly trained and skilled personnel; fair and impartial treatment administered to all clients; to render unexcelled service—always; and to keep faith with customers, community and the banking profession.

**You'll Appreciate the Finer Flavor of Electrically-Cooked Foods**

Years ago traditional "Dutch Oven" meals provided wholesome, appetizing and attractive foods cooked in their own juices... with all the delicious flavors, healthful vitamins and vital food elements sealed-in. Memories of these wonderful meals have been handed down in poem, song and prose.

But the "Dutch Oven" method of cookery, marvelous from the standpoint of results, was too burdensome to fit modern living conditions... So Electric Cookery, offering the same delicious and healthful meals with a minimum of work on your part, has skyrocketed to popularity. Deservedly!

With Electric Cookery, scientifically accurate cooking controls do all the cooking! Literally, you do nothing but put the foods in the oven, set the controls, and take out a delicious and piping hot meal when you are ready to serve!

To save work, money and health... to enjoy a clean, cool kitchen... and to serve better and more healthful meals, install an Electric Range TODAY. Ask a salesman for information regarding special prices and terms NOW available.

Call us for an individual investigation of your use of electric service, to determine the cost of cooking by electricity in your home. You may be surprised to know that there are many cases where electric cookery actually decreases the total of electric and gas bills.

Mr. and Mrs. Loyd Shelton of Ashtola spent Sunday with her parents, Mr. and Mrs. G. F. Leathers.

Mrs. Alvin Landers and Mrs. Henry Ellis of Amarillo returned Sunday after a visit in the C. H. Ellis home.

Mr. and Mrs. J. L. Maeberry and Mr. and Mrs. Jim Maeberry and children spent Saturday and Sunday with relatives in Wellington.

The Lelia Lake P. T. A. held its regular meeting Tuesday afternoon with Mrs. Glenn Williams presiding. The following program was appreciated and enjoyed by the members: Reading, Betty Jo Webb; Song, 9th grade girls; Reading, Anna Belle Creamer; Talk, Mrs. W. V. Thomasson.

Mrs. Thomasson in a very interesting manner told the parents in what ways they might help to better the school. G. A. Davis led a discussion on "Shall we turn out school for a month, or shall we run on half day schedule." The response made by the majority of the parents was encouraging.

The members voted to sponsor a community chest, composed of clothing and anything that will help to keep needy children warm during the winter months.

Mrs. Thomasson was appointed chairman of that committee with Mesdames Hardin, Kinch Leathers King, Koen, Joe Johnston, G. A. Davis, and D. W. Tomlinson.

Eight new members, Mr. and Mrs. Koen, Mesdames Travis, Losson, Holley Wood, G. A. Davis, P. M. Cruse, and W. H. Carrol were enrolled.

This meeting proved to be a very profitable one for both parents and teachers, and all patrons are cordially invited to be present at the next meeting, Tuesday evening, 7:30, November first.

**LOCAL WOMAN WILL PRE-SIDE AT AUXILIARY MEET**

PLAINVIEW, Texas, Oct. 5.—Department Commanders from three Southwestern states have been invited to attend the convention of the American Legion of the 18th District to be held in Plainview October 15 and 16. Acceptances of invitations have been received from Carl E. Nesbitt of Mineola, Commander of the Texas Department and from Everett Graham of Clovis, New Mexico, Commander of the New Mexico Department.

The 18th District is composed of 60 posts in the territory comprising the 18th Congressional District, extending from Chillicothe, Quannah and Haskell west to the New Mexico state line and North from Snyder, Lamesa and Seminole to the North boundary of the Panhandle of Texas.

Eight Posts in the immediate vicinity of Plainview are aiding the Plainview Post in preparation of program and will act as joint hosts. These Posts are Lubbock, Leckney, Floydada, Petersburg, Tulia, Dimmitt, Littlefield and Silverton.

Today, a month from the date for the opening of the convention, sixty former service men have registered, E. C. Kuykendall, General Agent for the Denver lines, who is chairman of the arrangement committee for the local post, predicts a registration of 600 for the convention.

The morning of the opening day will be devoted to registration of guests. At 3.30 that afternoon the Amarillo and Pampa "40 and 8" Voitures will start what they say will be a memorable "wreck".

A dutch lunch for visitors will precede an athletic program late in the evening and a dance will close the day's program. Largent-Peret's dance orchestra will play. Two floors of a down-town building will be used for the dance, accommodations being available for 500 couples.

A school for service officers will open the second day. Advice and instruction will be given service officers and others who wish to attend. The Legion's State Service Officers, representative of the U. S. Veterans Bureau from Dallas and Muskogee, Oklahoma, and efficient service officers of the local posts will lead the discussion which will pertain to details of all forms of veteran's relief work. At noon a barbecue will be served.

Concurrently with the Legion Convention the Legion Auxiliary will hold its convention. A reception and bridge party will be held on the first afternoon and a supper will be served by the Plainview Auxiliary at Plainview's new municipal shelter house, "The House of Friendship," in one of the city parks. Sunday afternoon the business session will be held immediately after the public meeting. Mrs. James Trent of Clarendon will preside.

**THE 1926 BOOK CLUB** will meet Tuesday, October 18, with Mrs. Robert Dillard as hostess in the F. L. Bourland home.

**HIGH SCHOOL SOPHOMORES**

The sophomores are showing quite a lot of interest in this year's work, due mostly to the instructors they have. All members of the class are hoping for a good showing on their first six-weeks tests, which will take place this week. It is their purpose to beat the rest of the highschool in grades. More sophomores are needed to attend our ball games and to encourage our teams. The team did fine at the last game, but it would have done still better if there had been more peppy sophs on the side lines.

The eighth grade of the Clarendon Junior High School held a class meeting on Wednesday, September 28 in the study hall. The purpose of the class meeting was to elect the officers and sponsor for the coming year.

Mr. Drennan served as chairman of the meeting and the following officers were elected: Jimmy Bourland, President; Bobby Wilson, Vice-President; Nickey Stewart, Secretary and Treasurer; Eugenia Noland, Girl Reporter; Aubrey Brady, Boy Reporter, and Mr. Lane Sponsor.

Several committees were appointed, such as the Program Committee, whose duty is to plan a program every other Friday and the committee who is to decide upon the class colors and the class flower. The meeting was then adjourned and everyone seemed well pleased with the officers elected.

Tuesday afternoon the Sims Parent Teachers Association met with Mrs. I. O. Noble the new president presiding. It was decided during the business meeting to change the date of the meeting to the first Thursday of each month. Miss Elizabeth Stephen's room received a lovely book for having the most mothers present. Mrs. W. C. Thornberry was asked to serve on the Social Service Committee. The Rhythm Orchestra under the direction of Mrs. Elizabeth Powell made its first appearance and gave several numbers. The Fifth Grade gave several Fire Slogans, which were very clever.

Mrs. U. J. Boston made a talk based on David Seaberry's book "Growing Into Life." Mr. Drennan discussed the new amendments to be voted on in the November elections.

**Friendship Club**

With J. H. Harris as hostess the members of the Friendship Club spent a delightful afternoon in her home Tuesday.

In the business meeting Mrs. C. R. Skinner was elected President; Mrs. L. Ballew, Vice-President; and Mrs. G. J. Teel, Secretary and Treasurer.

Pleasant conversation and fancy needle work made the hours pass rapidly. Those enjoying this hospitality were: Mesdames M. T. Crabtree, J. A. Meadows, Silas Hayter, J. A. Tomb, G. J. Teel, M. E. Thornton, L. Ballew, C. R. Skinner, J. D. Stocking, J. H. Allison, J. E. Mongole, Will Hayter, and Miss Katie Meadows.

Refreshments were served after which the club adjourned to meet October 25, with Mrs. J. A. Meadows and Miss Katie.

**1912 Needle Club**  
Guest of Mrs. Chase

Mrs. A. L. Chase was hostess to members of the 1912 Needle Club on Thursday afternoon at her lovely home.

After a pleasant afternoon spent in reminiscences and congenial conversation the hostess served a delicious salad course to Mesdames L. S. Bagby, W. H. Martin, Sella Gentry, R. A. Chamberlain, B. L. Jenkins, A. R. Letts, Homer Glascoe, Ann Hasty, C. W. Taylor, Minnie Dyer, A. A. Mayes, Anna Hall, J. B. Baird, club members; and Mesdames George Ryan and Genoa Doshier, guests.

**Episcopal Auxiliary**

The ladies of the Episcopal Church met with Mrs. C. G. Stricklin Wednesday afternoon with most of the members present.

The Benefit sponsored by the Auxiliary was a success and the members were well pleased with the results.

**Eunice Johnson Honored**

Miss Eunice Johnson, daughter of Mr. and Mrs. Dave Johnson of this city, who is attending Simmons University between terms of her school at Windy Valley, which is closed at the present time for cotton picking, has been honored recently by election to Simmons Cowgirls, the university pep squad and also to the Simmons Players, the university dramatic club. It is quite an honor and very unusual for a first year student to win such honors and Clarendon is proud of her.

Mr. and Mrs. Clint Srygley have moved here from Lakeview and Mr. Srygley will be associated with Frank White in his Barber Shop. Mrs. Srygley will be remembered as Pansy Dawson who attended Clarendon College not many years ago.

## Beaux Arts Have Unusual Program

Members and guests of the Les Beaux Arts Club enjoyed a most unusual and interesting program Saturday afternoon at the Club Room.

The subject was Paleontology, and the club was very fortunate in having two of the best informed Paleontologists of the Panhandle and Texas as speakers, Mr. Floyd V. Studer of Amarillo and Mr. Will Chamberlain of this city.

Miss Howren presiding in her usual charming manner called on Mr. W. A. Clark, Jr., to introduce the speakers. Will Chamberlain gave a splendid talk on Paleontology in Donley County and exhibited some of his most interesting fossils. He has been a student of this subject and is very well informed.

Floyd Studer has a national as well as a local reputation as a Paleontologist and Archeologist, having made some very valuable contributions to these sciences in the Panhandle of Texas. He has a number of articles accepted by eastern scientific publications. He gave a brief outline of the meaning of Paleontology and the different periods, illustrating with a number of very interesting photographs of prehistoric animals that inhabited this section of the country many thousand years ago. He told of finding an ancient cliff dwelling near Amarillo and exhibited photographs of early Indian drawings known as pictographs. Both speakers stressed the fact that Donley County is one of the richest fields for Paleontology in the United States.

Mr. Studer urged everyone to support the Panhandle Plains Historical Society so that its museum could preserve the interesting and valuable prehistoric things of the Panhandle. At the conclusion of the talks everyone viewed with enthusiasm the fossil specimens, arrow heads, and pictures.

Mrs. Fred Chamberlain and Mrs. L. S. Bagby as hostesses served delicious refreshments.

## Former Clarendon Woman Celebrates Wedding Anniversary

Mr. and Mrs. J. M. O'Neal, 1608 Hurley Avenue, celebrated their silver wedding anniversary Thursday afternoon from 4 to 7 o'clock with a tea and from 8 to 11 o'clock at night with a bridge party.

The house was decorated with pink and green with touches of silver, which theme was repeated in the bridge accessories and refreshments.

In the dining room silver appointments were used on a Normandy lace cloth which was centered by a wedding cake topped by a miniature bridal party and surrounded by silver lovebirds.

About 50 guests called at tea, and bridge was played by 20. High scores in the games went to Miss Juanita Hill and Mr. L. C. Jones. Table favors were won by Mrs. Jones, Mr. Walter Holmes, Mr. Mark Raley and Miss Julia Bland.

A toast to the "bride" was given by Mr. W. G. Cole and one to the "bridegroom" by Mrs. John A. Kee. Mrs. U. L. Wallace gave a toast to the O'Neals' daughter, Miss Frances Ann O'Neal, who assisted her parents in entertaining.—Ft. Worth Star Telegram.

Mrs. O'Neal will be remembered as Lola Killough, daughter of the late Judge and Mrs. J. C. Killough.

## MacDowell Club Program

Saturday evening the MacDowell Club enjoyed a very clever program entitled "Fairy Tales and Nursery Rhymes in Music".

The Club room had for its setting a lawn with children, toys, and furniture. Soon Mother Goose, in the person of Mrs. G. L. Boykin, appeared to the little tots and directed a Mother Goose playlet. This was under the direction of Mildred Martin, assisted by Pauline Fox. Dorothy Ann Kennedy told the story of the "Three Goats"; Nell Oller and Jack Stephenson were Hans and Gretel in a clever song and dance act; Manley Bryan recited "Baa Baa Black Sheep"; Harry and Jerry Kerbow gave "To Market To Market"; Jim Boykins speech was "Little Soldier"; Frank Stocking, Jr., delighted everyone with "Jack and Jill"; Dorothy Nell Oller read "I Love Little Pussy"; and Manley Bryan again responded with "Little Jack Horner". Other children taking part in the scene were Ada Sue, Jo Ann, and Victor Smith, Cassandra Morris, Ben Boykin, Mary Lorena and Peggy Gorman.

In the other part of the program Mrs. G. L. Boykin played "Elf's Dance" as a violin solo; Mrs. Allen Bryan gave "Anitra Dance" from Peer Gynt Suite; Miss Anna Moores gave two vocal selections, "My Shadow" by Robert Louis Stephenson, and "The Fairy Piper"; the MacDowell Chorus sang "Dance of Pinetree Faries" and "Nursery Rhymes."

Mrs. Florence Reber, Mrs. Kelly Chamberlain and little son, Finis, spent Wednesday in Amarillo.

## Mrs. Sam Braswell, Jr., Honored

Honoring Mrs. Sam Braswell, Jr., who will leave Saturday for Forney, Texas, Miss Julia Mae Caraway entertained with three tables of Bridge at the home of her parents, Mr. and Mrs. Odos Caraway.

Attractive tallies which carried out the autumn colors were passed and the games of bridge which followed were interesting and enjoyable to all.

At the conclusion of the games Miss Pauline Lane was awarded high score and Mrs. Braswell was presented with a lovely gift.

A delectable salad course was served by the hostess to Miss Nadine Haille, Miss Betty Walker, Miss Nell Butler, Miss Esther Morrison, Mrs. Tom Murphy, Mrs. Meade Haille, Miss Pauline Lane, Miss Maurine Wood, Miss Edna Butler, Miss Lois Alexanders, Miss Latrice Benson, and the honoree, Mrs. Sam Braswell, Jr.

## Home Demonstration Club

The Home Demonstration Club met in the home of Mrs. A. L. Chase Friday afternoon with a good attendance.

Mrs. Bob Couch returned home Monday from near Goldston where she has been the past two weeks.

W. B. Ponder of Amarillo was a guest in the H. Mulkey home over the week end.

## Mother's Study Club Meets

Eighteen members of the Mother's Study Club met in the home of Mrs. U. J. Boston Friday afternoon and enjoyed an interesting study of child life. Mrs. W. W. Taylor, as leader, gave two chapters of "Growing Into Life", the child training course that the club is studying. Mrs. Cap Morris and Mrs. R. E. Paxson gave interesting talks from Parents Magazine.

During the business meeting the club voted to make a donation to the Adair Memorial. Mrs. Grace Norwood was elected to membership.

A lovely ice course was served during the social hour. The next meeting will be held Oct. 21 at the Club room with Mrs. John Bass as hostess.

## Mr. and Mrs. Sam Dyer Entertain

An affair which added much to the social week was given Thursday evening when Mr. and Mrs. Sam Dyer delightfully entertained the Dinner-Bridge Club at their home on West Fourth St.

After a sumptuous dinner, games of bridge followed and furnished amusement during the evening. Present for this affair were: Mr. and Mrs. Phillips Gentry, Mr. and Mrs. Seldon Bagby, Mr. and Mrs. Forest Taylor, Dr. and Mrs. O. L. Jenkins, Mr. and Mrs. M. P. Gentry, and Mr. and Mrs. Ira Merchant.

## Junior Les Beaux Arts

Tuesday afternoon the Jr. Les Beaux Arts club met in the club rooms to re-organize under the sponsorship of Miss Mary Howren. As it was the first meeting of the year, no program was planned so the club elected the following officers for the ensuing year: President, Jean Bourland; Vice-President, Mrs. Durwood Skelton; Treasurer, Dorothy Jo Taylor; Librarian, Berkley Ryan; and Reporter, Jo Ella Stewart.

After the election of officers, programs and means of financing the club were discussed. A committee consisting of Dorothy Jo Taylor, Pauline Sanford, and Nola Gordon, was chosen to plan programs and the club selected American Art as the topic of study for the year. The second Wednesday of the month was chosen as the regular date for meeting.

Miss Loree Burson and Mrs. Durwood Skelton, hostesses for the afternoon, served refreshments to the following members: Misses Joyce Link, Carol Holder, Elizabeth Kemp, Jean Bourland, Pauline Sanford, Pauline Shelton, Nola Gordon, Dorothy Jo Taylor, Berkley Ryan, Jo Ella Stewart, and the sponsor, Miss Howren. Pauline Slover and Mrs. Edna Montgomery Smith are members of the club but were not present for the meeting.

Misses Dorothy White and Herloise Burrell spent the week end in Miami as guests of Mrs. Dale Lew.

Mrs. R. H. Cline of Dallas is visiting friends here.

Mr. and Mrs. Lee Muse were Amarillo visitors Sunday.

W. H. Patrick and Clifford Davis made a business trip to Amarillo Monday.

Dorothy Jo Taylor was the guest of her sister, Mrs. Bert Boomer, at Groom over the week end.

## A Foolish Fan's Football Fancies

The Society Editor was just "foolin' around last Friday afternoon and happened upon a football game that was in progress at the College Park. Judging from the crowd, the team was having its "daily workout"; but upon inquiring she found that a real, honest-to-goodness football game was being staged between the Mustangs from Claude and the Clarendon Bronchos. And have you seen our football team in action? They are plenty good, what I mean; but last week they had the misfortune of having two of their star players injured. We'll hope to see Eley Watson and Loyd Martin don their suits again soon, though.

The Pep Squad and Band are to be congratulated for the pep and good sportsmanship that they have been displaying at the games. And did you see the stunt at the half? We should certainly "hand it to" those girls, for it must have taken a week at least of practice for them to have learned to execute the stunt so well. Marjorie White is certainly a "honey" in her pep squad suit, too; and does she get the yells from that bunch or does she get the yells? I'll say so!

Glancing around I noticed "Herman", the new school master from Ashtola and David Dodge, that cute little Beta from Claude that the high school girls appreciate.

Did you see the faces of Dick Nichols and Lloyd Benson when the Third Team was sent in? Well if you didn't, you certainly missed a treat because they fairly beamed. Why? Well, because

those boys have been coaching the Third Team and believe you me, they were proud of the performance that their charges gave.

## Neal Ellis Celebrates Fourth Birthday

The fourth birthday of Master Neal Ellis was delightfully celebrated with a lovely party and a group of his friends as guests Saturday afternoon in the home of his grandparents, Mr. and Mrs. J. F. Blocker.

The weather being ideal, games that appeal most to children this age were played on the lawn during the afternoon. Neal received many gifts which he opened for all to admire.

The birthday cake was a huge one artistically decorated with pink candles, which Neal blew out at the proper time. Ice cream and cake was served to: Margaret Ann Jenkins, Marilyn Merchant, Marian McCanne, Beverly Gray Stricklin, La Verne Darden, Mary Ann Bromley, Nancy Woods, Virginia Cluck, Janet Stegall, Laverne McMurtry, Frank Hommel, Billy Milton Bromley, Basil Kirtley, Jack Brady, Kelly Chamberlain, Jr., Billy Lowe, Lloyd Shelton, Jr., and the host, Neal Ellis.

## Arthur Chase Host Saturday Night

Arthur Chase was a charming host to a number of his friends when he entertained them Saturday evening at the home of his parents, Mr. and Mrs. A. L. Chase.

During the evening dancing was enjoyed with Rhodin Chase,

Gus Stephenson, and Hubert Reavis furnishing the music to the delight of the guests.

Those attending were: Misses Peggy Taylor, Sarah Virginia McGowan, Eugenia Noland, Mary Travis Dyer, Evelyn Murphy, Jo Ella Stewart, Berkley Ryan, Marjorie White, Lucille Andis, Helen Louise Green, Joy McCanne, La Verne McMurtry, Vivian Taylor, Jean Bourland, Elizabeth Kemp, Carroll Holder.

Messrs Willard Hudson, Geo. Chamberlain, Eley Watson, Phillip Smith, Arthur Davis, Roy Stargel, Price Whitlock, Lloyd Benson, Clayton Powell, Hollis Leathers, Alfred McMurtry, Drew Wilkerson, Jock Latson, Mike Stricklin, Bill Word, Kenneth Brown, and the host, Arthur Chase.

Lee Casey and Dr. H. F. Harter motored to Amarillo Sunday.

### CHAPEL PROGRAM, OCT. 7

"Say Folks" you didn't know that Lelia Lake school had a broadcasting station did you? Well we certainly had one Friday, if we never have one again.

The program was given by the eighth grade and we will all have to admit it was a "real program."

In the broadcasting station were two of our favorite musicians, Miss Frances Johnston, and Mr. Bobby Leathers, who both gave selections for the afternoon program. The title of Frances Johnston's was "Loveless Love", and Mr. Leathers' selection was "Fifth Nocturne."

The correct time was given it was exactly three twenty-two Bulova watch time, you know the kind of watch Mr. Weatherly has.

The class then gathered around the "Micro" and sang "The Eyes of Texas".

Two of the most important readers in the eighth grade, Miss Maxine Tomlinson and Miss La Nelle Lewis, were on the program for the afternoon broadcast. Miss Tomlinson's reading was "Encouragement," and Miss Lewis's was "Ma's Tools".

The entire eighth grade huddled around the Micro and sang our state hymn, and at the drop of the curtain sang their theme song, "When the Moon Comes over the Mountain."

The program was enjoyed by each pupil and our visitors Friday afternoon.

### "QUIEN ES"

The Juniors and Seniors are certainly getting to know more Spanish every week. Lorene Howard proved her ability at

Spanish when she recited a poem in that language, "Via, Mosca." "The Pig", was read by Cynthia Mae. This was enjoyed by all. The Spanish class was not able to translate the reading so it was read in English also.

Gerald Whalley is a very good singer so he sang, "Kibitzi, Adonde!"

We all enjoyed the Spanish jokes given by William Hardin. Everyone liked the idea of Marie Underwood's asking questions for the members to answer in Spanish until she asked one we could not answer.

We hope the committee will have an interesting program next time.

### PEP SQUAD

Our Pep Squad got a little practice at the game Thursday, although the people had never practiced this year.

Friday morning before we began classes the High School got together and practiced some yells. The fifth and sixth grades came up and helped us. We are trying to learn many good yells so that we may help our girls and boys to win many games.

If you know any good yells we would certainly appreciate it, if you would turn them in to our yell leaders, Anna Belle Creamer and James Reynolds.

### MODERN SUBJECTS OF INTEREST TO SENIORS

Some people complain of the fact that English students study too much of old classical subjects and are not interested in modern subjects. This has certainly been disproved in the tenth and eleventh grade class here. We had an oral lesson on modern subjects taken from our Literary Digest last week, and if a class ever had a good oral lesson, this class did.

The class showed much interest in such subjects as "Strange Germ Spreaders," "The Danger of Underweight," "New High Speed Watercraft," "X-Ray Baths," "Radiation Poisoning," "Auto Without Axles," "A Rubber Substitute," and "Making Dollars from Waste Wood." This was one of the best oral lessons this class has ever had and we are looking forward to having many more just as good.

### P. T. A. HOLDS MONTHLY MEETING AND PROGRAM

Members of the Lelia Lake P. T. A. held their regular monthly session in the auditorium Tuesday afternoon, with Mrs. Glen Williams president presiding. In the absence of Mrs. Cook, Mrs. King acted as Secretary.

The following program was appreciated and enjoyed by the members:

Reading—Betty Jo Webb.  
Song—"A Shanty in Old Shanty Town,"—Ninth grade girls.  
Reading—Anna Bell Creamer.  
Talk—Mrs. Thomasson.

Mrs. Thomasson in a very interesting manner told the parents what the teachers expected of them to help make our school better. The next meeting the

G. A. Davis led a discussion on "Shall We Turn out a month for cotton picking or shall we run on a half a day schedule." The response made by the majority of parents was very encouraging.

The P. T. A. voted to sponsor a community chest, composed of clothes and anything that might keep needy children in school and warm during the winter months. Mrs. Thomasson was appointed chairman of the committee and her helpers are Mesdames Hardin, Kinch Leathers,

King, Koen, Joe Johnston, G. A. Davis, and D. W. Tomlinson.

Eight new members were Mr. and Mrs. Koen, Mesdames Travis Losson, Holly Wood, G. A. Davis, Cruse, and W. W. Carrol.

This proved to be a very profitable meeting for both parents and teachers and all patrons are cordially invited to be present Tuesday evening at 7:30 November 1, 1932.

### WANTED—CLOTHES FOR COMMUNITY CHEST

Our Parent-Teachers Association at its last meeting undertook the sponsoring of a community chest for clothing needy families. Although we realize that most people are using old articles for themselves, we do know there are many old ones not in use which may be given to others in need.

If you have warm clothing of any kind, even though it may be worn somewhat, do not hesitate to donate them. Men's trousers and shirts often can be made into smaller garments. And remember, any style is good so long as it is warm. Especially do not forget shoes.

These may be sent to the school building where they will be taken charge of by a committee. Any parent-teacher member will be glad to help collect these but if you have donations and can not send them call Mesdames Joe Johnston, H. R. King, G. A. Davis, Frank Hardin, Koen, W. V. Thomasson, Kinch Leathers, or Dick Tomlinson. They will see that they are called for.

Now please, folks, don't put this off. Gather up old clothes now.

And let's see to it that no one in Lelia suffers from lack of proper clothing just because of our negligence. Let this week see our boxes filled and then when you know of those who need anything but are too proud to apply, just notify those in charge.

### GIRLS' ATHLETIC CLUB

The Lelia Lake basketball girls played against the faculty and ex-students Thursday afternoon. We were defeated by the score of 3 to 9 but we are not ready to quit.

The faculty and town team was composed of Miss Layma Taylor, forward; Vera Garland, center; Wilma King, running center; Eula Bess Hill, guard; and Mesdames Bascom Webb, forward; Mace, guard. The school was represented by Anna Bell Creamer, Margaret Gerner, Lorene Howard, Inez Wood, Margaret Cruse, Cynthia Mae Eller, Ruby Jones and Maxine Tomlinson.

Maxine Tomlinson, Margaret Gerner, Ruby Jones, and Cynthia

Mae Eller had not played in a match game before but they did well for the first time. When we get a little more practice we will be raring to play again. See if we don't!

Beatrice Hardin spent Sunday in Wellington.

Inez Woods, Adelaide Carroll, Athalia Dotson, Oleta Camp, and Marie Underwood were the guests of Lorene Howard Sunday.

Ruth Davis spent Sunday with Geneva Robertson.

Margaret Gerner spent Sunday with Juanita Jones.

## Where Does She Get Her "Pep?"

SHE doesn't look seventy. Nor feel that old. The woman who stimulates her organs can have energy that women half her age will envy!

At middle-age your vital organs begin to slow down. You may not be sick, simply sluggish. But why endure a condition of half-health when there's a stimulant that will stir a stagnant system to new life and energy in a week's time?

This remarkable stimulant is perfectly harmless. It is, in fact, a family doctor's prescription. So, if you're tired of trying every patent medicine that comes along, tell the druggist you want a bottle of Dr. Caldwell's syrup pepsin. Take a bit of this delicious syrup every day or so, until you know by the

way you feel that your lazy liver is again active, and your bowels are poison-free.

Men, women, and children who are run-down, who tire easily, get bilious spells or have frequent headaches, are soon straightened out when they get this prescriptive preparation of pure pepsin, active senna, and fresh laxative herbs. (Syrup pepsin is all the help the bowels need, and you do not form the very bad habit of always taking cathartics.)

Keep a bottle of Dr. Caldwell's syrup pepsin in the house, and take a stimulating spoonful every now and then. It is all that a great many people ever take to keep strong and vigorous, and absolutely free from constipation.

# "Joy Ride or DEATH RIDE—this 'footprint' may make the difference"

Floyd Gibbons

HELLO everybody, Floyd Gibbons speaking. This ought to be happy vacation time. We'll be tuning up the old bus. We'll ramble.

So will 20,000,000 other car owners. Will ours be a Joy Ride—or a Death Ride?

Thirty-four thousand were killed last year in automobile accidents—nearly a million injured.

Remember! When we're out there on the road, our only contact with this old earth is through the four points where our tires touch the pavement!

When we slam on the brakes, it's those few square inches of rubber that have to stop the car! Otherwise—BAM! Tragedy.

It's the DESIGN of those few square inches of rubber which determine whether we stop—or skid!

That's responsibility—responsibility that chills us! That's why I'm all steamed up about Goodrich SAFETY Silvertown Tires.

They often represent the difference between a Joy Ride and a Death Ride. I've seen Safety Silvertowns tested. And I can't help believing what I see.

I saw skid tests on wet asphalt roads. Car running 42 miles an hour around a sharp angle. She didn't skid an inch.

That's where the DESIGN of the new Safety Silvertown—the FOOT-PRINT of the tire—gets its work. They've increased the sharp, gripping, skid-fighting edges on this tread 33%!

It hangs on to a slick road surface like a fly on a winduppane!

That's the kind of tire I want to be

That's where the design—the FOOTPRINT of the tire—gets its work. This tread grips all the way across—not only in the center but from broad shoulder to broad shoulder. It hangs on to a slick surface like a fly on a winduppane!

riding on this vacation trip—but here's the tragic fact:

A SURVEY SHOWS THAT 57% OF THE CARS ON THE ROAD ARE RIDING ON AT LEAST ONE BALD-HEADED, TREACHEROUS TIRE. A DEATH TIRE!

Just one is enough to cause an accident—to turn that joy ride into a death ride! With 34,400 killed last year—almost a million injured—we've had PLENTY of death rides.

I like that name SAFETY Silvertown. I love to ride—but I want to get back home and not in an ambulance.

Another thing—this Safety Silvertown—with the footprint that stamps out death—doesn't cost a cent more than any standard tire. That's a BARGAIN in safety!

SELL US YOUR UNSAFE TIRES \$12 for as much as

Here's a sale without precedent! To rid the highways of "death tires" we're offering sensational allowances for one or more of your old unsafe tires,—allowance of from \$3.00 to \$12.00 per set when traded in for four new Goodrich Safety Silvertowns—THE SAFEST TIRES EVER BUILT.

Copyright, 1932, The B. F. Goodrich Rubber Company  
I'M FOR THIS LEAGUE, TOO! Here's something: The Silvertown Safety League. It gives me driving rules to follow—for safety. It gives me an emblem for my car. I joined up! Any Goodrich dealer will enroll you, they tell me. No cost.

FRESHMAN REPORT

What's that noise? Oh, that's just Dick Nichols coming down the hall—you know, he's the secretary of the Freshman Class. Yeah, and he was captain of last year's football team. Naw, I don't think the Freshmen are conceited about that. That tall, handsome (in his own estimation) guy standing over there talking to that dizzy Barbara Smith is Charles Walker, their president. What? You didn't know the Freshmen had organized? Say, you don't know much about what happens up here, do you. Why that class organized last Wednesday. And step easy, pal, that big broad shouldered weaking that we just passed was Harold Phelps, the Sargent-At-Arms. Who? That girl over there studying? That's Isla Smith, she's a Freshman, too. And what has she got that I crave? Intelligence, boy, intelligence. That tall frail in the office? Oh, that's Betty Walker, the reporter. Yeah she's all right, if you don't mind what you say. Who's our sponsor? Frank Stocking, of course. Well, gotta go to class. I'll be seeing ya, Soph.

COLLEGE SOPHOMORES ORGANIZE

The college sophomores held their first class meeting Wednesday, October 5. Of the twenty-two members on roll, all were present. The class organized with the election of the following officers: Sponsor, Mr. Clark; President, Pauline Shelton; Secretary and Treasurer, Josephine Murphy; Reporter, Dorothy Jo Taylor. A committee was appointed to decide upon the class colors and motto. The Sophomores also decided to entertain the special students and freshmen with a dance at the Parish House on Saturday night, October 15.

Palo Duro Literary Society

In place of the regular meeting, the Palo Durians enjoyed a picnic at the river on the evening of October 5. After everyone had tramped around and "worked up" an appetite, a large bonfire was built around which the members sat eating and conversing until the food supply was exhausted.

HOME EC CLASS ORGANIZED

The Home Ec Classes met Wednesday and elected officers. They agreed to meet twice a month on Mondays. The officers elected are as follows: Fay Hutton, President; Dorothy Jo Ryan, Vice-President; Heavy Whitlock, Secretary and Treasurer; Lovis Beavers, Reporter; Arthur Davis, Seargent-At-Arms. The Home Ec Class of 1932-33 hopes to accomplish much. The second and third year classes are especially looking forward to initiating both boys and girls of first year home economics.

JUST IMAGINE—

Betty Walker in a hurry, except at a Parish House Dance. Bill Wood not barking or talking in an Irish brogue. Woodrow Millsap with his hair combed, or with thick eyebrows. George Bourland not arguing. Fred Bourland saying what he has to say without talking all day. Carol Holder not looking bored and saying "yeah."

BRONCS BOW TO PAMPA 7 TO 6

The Clarendon Broncos were defeated by the Pampa Harvesters Tuesday afternoon at Pampa in the Panhandle's most thrilling game of the season. The teams were evenly matched and the game was nip and tuck throughout the entire period. The thrilling runs of Poole and Sullens of Pampa and those of Whitlock, Andis, and Hudson for the locals kept the fans on their feet and cheering most of the game. The outstanding players for Pampa were Turner, Poole, Sullens, McDuffie. Those of the locals were Andis, Hudson, Whitlock, Bolles, O'Neil, and Martin. Pampa gained their score on the third quarter when Poole scored after beautiful gains by himself and Sullens. His kick for the extra point was good and the score was 7 to 0. In the fourth quarter Andis wiggled through for the Bronco tally. The Broncos lost Bolles and Davis by the injury route while Pampa lost Saulsbury. The Harvesters made sixteen first downs to the Broncos thirteen.

The starting lineups were: Clarendon L.E. Pampa Martin L.E. Patton Easterling R.E. Kelly O'Neil L.T. Walker Greene R.T. Powell Clemons R.G. Nelson Haile L.G. Schmidt McMahon C. Greene Andis R.H. Stevens Whitlock Q. Turner Bolles F. Poole Hudson L.H. Sullens Clarendon subs were: Wood, Cooke, Mann, Davis, Watson, Greene, and McCrary. Pampa subs were: Fullingim, Heiskell, Faulkner, M. Owens, T. Owens, Wright, Sartin, Sallisbury, Marbaugh, Howard, McDuffie, and Adair.

JUNIOR HIGH SCHOOL BASKET BALL TEAM

The Jr. High School has fine prospects for a basketball team this year. Mr. Lane, the efficient coach for the past few years, is coaching the team again this year. Truett Behrens will add materially to the strength of the team with his experience in interscholastic basketball. Doyle Adams, a new comer, has attracted no little attention with his playing. More valuable material than those named may develop into first string class with a little further training and experience. Those of previous Junior team days that have grown into near six-footers are Gene Butler, Andrew Harp, Berlin Martin, J. B. Cole, Bennet Hailey, Norris Spurgeon, Jessie Cornell, Wesley Powell, J. H. Thomas, Truett Holtzclaw, Edgar Hutton, Randal Acord, and Aubrey Brady.

Alpha Delta Psi Literary Society

The Alpha Delta Psi Literary society met Wednesday evening, October 5, for the purpose of initiating new members. The fact that we were to be initiated seems to have scared a few away, however, four ladies and four gentlemen were officially received into the literary society.

The onion that J. R. ate was probably what kept him from having a cold Thursday, but we can't imagine why Charles seemed so healthy, because after racing up and down those stairs backwards on both hands and feet and barefooted he finally plunged his foot rather suddenly into a pan of water. Harold Phelps is unique in that he really likes castor oil, however, we cannot say so much for Homer Estlack and Nova's cornbread (you really can't blame Homer.)

The ladies who were initiated were Helen Lawler, Dollie Lea Cook, Emily Smith, and Una Vay Bradley.

We, the old members of the society, warmly welcome these new members, because now we know that all are really worthy of the name Alpha Delta Psi.

AGRICULTURE CLASS REPORT

The first year agriculture class of 1932 and 1933 has started the year off with enthusiasm. On Friday, October 7, the class elected Miss Louise Adlamson as reporter, and it plans to have a complete election of officers in the near future. Later on both the first and second year classes plan to revive the Future Farmers of America Club.

The work in the class at present is proving very interesting to most of the pupils. The students have been learning to tie knots of all kinds that are likely to prove useful in the future, and now they are learning to saw angles which involves the art of carpentering that is so necessary on a farm. Many other interesting subjects are being planned for the future.

JUST IMAGINE—

Jean Bourland talking about the same thing ten consecutive seconds. Bill Word singing in a String Band. Mike Stricklin playing "Lonesome Cowboy" songs instead of "St. Louis Blues." Dorothy J. Taylor not "hopping on something and crowing" or not saying ab-so-lutely. Hollis Leathers talking slowly enough for one to understand him, or for that matter, to understand himself.

BRONCHOS 39 MUSTANGS 0

The Clarendon Broncos swamped the Claude Mustangs 39 to 0 Friday afternoon on the local field. The first quarter of the game was lacking in excitement and the Broncos did not score until the later part of the half when Hudson scored after beautiful runs by himself and Andis with Bolles exercising some fine blocking. Hudsons pass to Andis was good for the extra point. Whitlock scored twice in the third quarter after a double series of line smashing drives. Hudson netted another goal for the locals in the same period. Early in the last quarter the locals advanced from their own nine yard line and Hudson again crossed the goal. In the last of the quarter the Broncos received the ball on their eight yard line and after a series of nice gains by Hudson, Bolles, Whitlock and Andis; Andis got lose for a forty yard run and the final score of the game.

The entire local squad saw action in the game and the linemen showed much skill in blocking and opening holes. This was responsible for the long gains by Whitlock, Andis, and Hudson with Bolles running interference. Despite the large score the Broncos paid dear for the victory in the injury of E. Watson and Martin.

The starting line-up was as follows:

- Clarendon L.E. Claude Jackson R.E. Bagwell Watson R.E. Holman Cooke L.T. Blane Wood R.T. Smotherman Johnson L.G. Waggoner Mann R.G. Walker Watters C. Brannon Whitlock Q. Lewder Greene L.H. Campbell McCrary R.H. Bagwell Davis F. Massey

The Broncos will journey to Hollis on Friday night of this week to meet chargers of the Sooner State in a night game. This promises to be the toughest game of the season with the Hollis team thought to have the edge on the Broncos by a few points. Fans, the Broncos will need your backing this time if they are to win; so let's all be on hand to give the boys our backing and help them win this game.

Bumin' Around

Just bumin' around the campus the other day, we happened to see Filora Wilson limping around and holding her side like she might be afflicted with that ever-popular disease known as appendicitis, but upon inquiring, we found that she had a "not quite fractured" rib. Of course, we just supposed that some one had told Filora about young ladies nineteen years old who persisted in climbing trees.

And you know, last Saturday night the McDowell Club had a program at the Womens Club

Rooms in which Frank A. Stocking II participated by reading that old Mother Goose Tale of "Jack and Jill". It has been whispered that "something is the matter with Mr. Stocking" but don't let his mumbblings worry you. Merely a case of parental pride, and it is certain that he will be normal in a day or two.

Those two blondes are still discussing that "adorable little quarterback from Goldston"—the "dis" being absent this time as he was seen by one of the Girl Scouts Saturday night in the company of a female. Of course, it is being hoped that said female was a sister or cousin, but you never can tell about these "family relations."

We must tell you that Mr. Clarke has added that expressive word "foul" to his vocabulary. We naturally thought that this particular word was reserved for the use of the younger generation but it is evidently a very good word or the Dean wouldn't be using it.

Kesneht Brown and Clayton Powell, those two "donchoos call me that's" that infest the halls of the institutions were indisposed for the week end. We don't know what that means, either.

Lloyd Benson, that handsome "might man mauling midget", the pride and joy of the Junior College, made a trip to Memphis Sunday night. It has not been learned whether the motive was business or pleasure.

There's a lot more we could tell you, but the editor will allow no more "space for dirt."

THE H. J. A. CLUB

Friday night, Misses Dollie Lea Cook, Nola Gordon, Helen Lawler, Joyce Link, Ruth Donnell and Nova Cook met in Virginia Wisdom's home for two perfectly legitimate reasons: to organize the H. J. A. Club and to satisfy each individual's sweet tooth. They made candy that would put the candy factories out of business (if they had cared to put it on the market). But back to the first and foremost purpose of the meeting, that of organizing the H. J. A. Club—of course that's as much about the christening ceremony as you will ever hear, but just console yourself "what you don't know, won't hurt you." Of the activities of the club you will hear more later.

Mrs. Sella Gentry is in Amarillo, visiting her sister, Mrs. W. J. Attebury.

Let Us Revere The Memory of Texas' IMMORTAL Heroes

The appeal of William Barrett Travis from the besieged Alamo to "all Americans in the world," dated February 24, 1836, is one of the most heroic documents of human history.

"If this call is neglected, I am determined to sustain myself as long as possible and die like a soldier who never forgets what is due to his own honor and that of his country."

Thus wrote Travis, and he carried out that determination in a manner so heroic as to command the admiration of all men of all time.

One hundred years after Travis died that his country might live—shall not Texans show to the world that they revere the memory of his magnificent sacrifice?

Let us revere the memory of all the immortal heroes of Texas by observing the Centennial in a manner worthy of it.

Such a patriotic event must have the official sanction of the present-day government of Texas.

This sanction must spring from the people themselves. At general election on November 8th, Texans will be given an opportunity to make possible the celebration of a centennial through the passage of the Texas Centennial Constitutional Amendment authorizing it.

NOTE for the Texas Centennial Constitutional Amendment: Nov. 8 Authorizing

This is the fourth of eight patriotic messages prepared and sponsored by:

### METHODIST HERE FACE HARD TASK

LAST QUARTERLY CONFERENCE OF YEAR TO BE SUNDAY AFTERNOON

Presiding Elder M. M. Bevers will preach Sunday morning at eleven o'clock at the local Methodist Church, and Sunday afternoon at two o'clock will be held the fourth quarterly conference, the last for the fiscal year.

Under the pastorate of Rev. E. B. Bowen the various agencies of the church are bending their efforts to bring the reports of the year up in full when the annual conference meets in Amarillo next month. The membership of the local church is well up to standard for the year, and most of the objectives for the various departments have been reached, but the finances are seriously behind and will require strong, united effort if the slate is to be clean by conference time.

Judge J. R. Porter is chairman of the board of stewards of the church and G. L. Boykin is the secretary-treasurer. From their records it appears that the church is behind about \$1600 on the benevolent claims which added to the deficit of \$1500 on the salaries of the pastor, presiding elder and the church care-taker, makes \$3100 which must be collected by the end of the first week in November if the church reports are to be in full.

The chairman of the board is asking that every member of the church make an effort to do his or her part in making up this deficit however small that part might be. This is necessary since only about one-fourth of the membership have contributed anything to the support of the church this year.

A full attendance of the membership is urged for the regular services and the quarterly conference occasion Sunday, says the pastor.

### KING ON STAFF OF NEWSPAPER

NEWS AND GLOBE TO KEEP IN INTIMATE CONTACT WITH COMMUNITIES

AMARILLO, Tex., Oct. 12.—Wilbur C. Hawk, general manager of The News-Globe, has announced that Mason King, who has become a member of The News-Globe organization, has lived in the Panhandle of Texas for 24 years. A traveling salesman and as manager of one of the departments of the Amarillo Chamber of Commerce, Mr. King has built up an extensive acquaintanceship in every city and town in this plains territory.

Mr. King will be the "outside man" of The News-Globe. Most of his time will be devoted to visiting the different cities and communities and any time he can be of any possible service to any of the civic organizations throughout the Southwest he will be

MASON KING

available. The News-Globe believes in keeping in intimate touch with the people in this part of the country and Mr. King will have charge of this important activity.

Mason King is 39 years of age. He was born in Springfield, Tenn., and moved from Tennessee to Amarillo 24 years ago. Since then he has lived in Amarillo, with the exception of three years, when he was in charge of a wholesale house at Memphis. Mr. King has worked for the Swift Packing Company and the Radford Wholesale Grocery Company.

### SUNNY VIEW

The play, "Paying the Fiddler", presented here at the school building by the teachers and young folks of the community Friday night was well rendered and enjoyed by a good crowd. The music was also enjoyed by all. School is discontinued through October for the children to help gather crops.

Mr. and Mrs. Sam Roberts called on Mr. and Mrs. T. H. Peebles Sunday afternoon. Mr. and Mrs. Millard Starks were dinner guests of Mr. and Mrs. Neal Bogard Sunday, all visiting with Mr. and Mrs. Heckle Starks in the afternoon.

Miss Edna Haley spent Saturday afternoon with Mrs. S. T. Clayton.

Mr. and Mrs. A. M. Lanham were callers in the P. H. Longan home Sunday afternoon.

Mr. and Mrs. Herbert Warner of Amarillo visited relatives here Sunday and on their way home called on her brother, Mr. and Mrs. Sam Roberts in the late afternoon.

Most every one have dug their sweet potatoes and made a fairly good yield.

Mr. and Mrs. Floyd Parker moved to Clarendon Wednesday where he is employed at the Smith gin this fall.

Ray Roberts and Ernie Hardin who are general managers of a shoe department at Hollis, Okla., were week end visitors of his parents, Mr. and Mrs. Sam Roberts.

Mr. C. F. Bogard spent Thursday night with his son, Mr. and Mrs. Neal Bogard.

Every one is very busy gathering their crops. The rumble of the cotton wagons and hum of the row binders are being heard at all times and the brisk cold norther reminds us that winter is just around the corner.

Mrs. Heckle Starks attended the Presbyterian meeting with other members from here Wednesday which was held in Amarillo.

J. W. Martin and daughter, Mildred, left Monday for an extended visit with Mr. Martin's daughter, Mrs. Fred Wewerka at Muskogee, Oklahoma.

Mrs. Selma Moore of St. Louis is visiting her granddaughter, Mrs. Kelly Chamberlain.

### SYMPHONY OPENS CONCERT SEASON

AMARILLO PHILHARMONIC ORCHESTRA OPENS SEASON THERE OCTOBER 20

Clarendon music lovers have been invited to attend a free concert of the Amarillo Philharmonic Symphony Orchestra, which opens the Fall and Winter music season at Amarillo Thursday evening, October 20th. The performance is free but admittance is by ticket only.

The News has been asked to announce the event and to urge local music lovers to be the guests of the organization for the opening concert, and tickets will no doubt be in demand locally.

This will be the first six concerts during the season. They are featuring a fifty-four piece Philharmonic Symphony Orchestra with two guest artists and are dedicating this first program, free of charge, to all Amarillo and Panhandle music lovers. This is by far the largest orchestra ever to appear in concert in the entire Panhandle of Texas. Each of the participants of this Orchestra are truly artists, and we feel that this, as well as other performances, will be greatly appreciated by all music lovers.

The Amarillo Philharmonic Orchestra Association extends to you and the people of your community a most cordial and

urgent invitation to be their guests on the above date. May we insist that you come early, although the municipal auditorium has a capacity in excess of three thousand, we expect an audience that will overflow this capacity.

If you will write us the number of tickets desired we will be glad to forward same to you, or you may obtain same at the Globe-News or the box office upon your arrival in Amarillo.

### Christians Hold Roll Call Banquet

The basement of the Christian Church was the scene of a most enjoyable time for one hundred and fifty congenial people, when the Roll Call Banquet took place Wednesday evening.

The banquet was served buffet style and all agreed that this was an ideal way.

The Doxology was sung after which the Invocation was said by Mr. G. A. Anderson. Later in the evening Miss Delphia Bones and Mr. Gus Stephenson delighted their hearers with several musical numbers. Esther Belle Haning gave a clever reading and then came the Roll Call of everyone present. Rev. Ferrell delivered a splendid message on the theme of "Roll Call".

When it came time to leave all sang "Blest be the Tie that Binds" and adjourned, each declaring this banquet a big success.

"A Pleasure To Serve You"

### WHY Does Laundry Washing Save \$\$\$

because Wet Wash Service is exactly what home washing gives. You pay from 50c to 60c for the average family washing.

COUNTING— soap, powder, bluing, starch, gas water, repair and depreciation on equipment, interest on investment, etc; the equivalent of this work done at home would cost approximately \$1.15

It is this substantial difference in cost that is daily prompting new customers to obtain from the laundry a better quality of work for less money. It will pay you to make this comparison, and to be one of our many customers.
