THE NEWS HAS INSTALLED A STEREOTYPING MACHINE

Some days ago The Clarendon News received its new and modern stereotyping machine which was ordered from Kansas City for the purpose of keeping our equipment up to standard and to take care of the increasing demands of our advertisers. The new machine is capable of producing stereotype cuts for illustrating advertisements, making cartoons and casting any sort of picture for which we may have the mats. The system is simply this: A "mat" or matrix is made from many layers of soft paper pasted together and flattened down over the original form or picture, until it holds every line and dot of the original. This is then dried and may be sent to any part of the world where there is a casting machine for reproduction. The cast is made on a plate of metal poured molten into the machine and is about one-quarter inch thick. This plate is then mounted on a wooden base exactly type-high for use in the form of the newspaper. There are few merchants who haven't opportunities of getting all the free matrices from their wholesale dealers for illustrating their advertising, and this service has been installed by The News mainly for their convenience. Last week The News ran its first advertisement cast from matrix furnished by the Clarendon Mercantile Co.—a cerset ad on page eight. The installation was made for the free use of our advertisers and to keep The Clarendon News ever abreast of the modern advances of efficient newspaper making. All merchants are asked to notify their wholesale dealers that they can use "mats" instead of cuts in their advertising. It's cheaper and better, as it ties up no capital unless the cut is actually needed.

Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes the sore spot is warmed through and through and the torture is gone.

Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Be sure to get the genuine, with the name Rowles on every package.

SULPHUR MAKES
PIMPLES VANISH

Says Sulphur is Quickest to Clean Up An Ugly Skin

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist. Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and non-sensitive. Just ask any druggist for a small jar of Mentho-Sulphur and use it like cold cream.

In the Pathfinder notice which was made up and printed on the first run of this paper, it was stated that the meeting would be with Mrs. W. B. DRINK HOT TEA
FOR A BAD COLD

Get a small package of Hamburg Brest Tea at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a tencup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB BACKACHE AND
LUMBAGO RIGHT OUT

Bab Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 35 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.

Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin. Nothing else stops lumbago, sciatica and lame back misery so promptly!

BLACK BARRAGE IS PLAYED
TO LARGE AUDIENCE FRIDAY

MORE DAYS

Present Voting Schedule

Is the most important of the entire \$4,000 News prize winning campaign. Every candidate has a chance to win with its assistance and the thousands of votes that can be secured with the big schedule—and extra club offer—makes it possible for any of the candidates to jump into the lead.

Here's how to Jump to first place

On each 6-year's subscription to the News 150,000 votes are allowed—providing same is received at the News's office within the next nine days. Then in addition to that, 100,000 Special Extra Votes, are allowed on every "Club" of \$12 turned in. Therefore, just two six-year's subscriptions mean altogether 600,000 votes.

It can readily be seen by glancing at the vote totals that just a few subscriptions for any candidate would furnish a new leader in the race; in fact, entirely New Candidates who at this time have no votes, could, by little effort climb to the list, and thereby acquire the leaderships for the big prize cars.

Campaign Notes

Miss Grace Cook was campaigning in a real way this week. She reported at campaign headquarters about 5:30 o'clock last Saturday afternoon most enthusiastic over her work. Miss Cook has her campaign all mapped out and is covering all territory from Memphis to Amarillo. She is "carrying on" like a real candidate and will show results in the future.

Mrs. Whipple is not letting any grass grow under her feet this week. Mrs. Whipple has an abundance of friends and all are showing her their true friendship by the way they are rallying to her support. Watch her vote score jump.

Interest in the campaign is approaching fever heat and candidates

in general and are turning in substantial vote increases. Right now any one of from a dozen to a score or more candidates are in a position with a little effort to make very material advances. "CARRY ON BEFORE IT IS TOO LATE"

Mrs. John Lott was a caller at headquarters and is demonstrating that a late start is no handicap if you have the "get-up-and-get" in you to really carry on.

The support some candidates are getting is evidence that they not alone are popular, and enjoying the genuine friendship of a wide circle of friends that are real enough to be a friend when a friend can help the most.

Mrs. J. H. Weaver of Claude has demonstrated her ability to "carry on" and has lead her district already during the campaign and from reports from her camp will do so again.

Master Elmer E. Peltzel has the honor of being the youngest candidate and is proving that age or size makes no difference but that it is subscriptions that get votes and he is getting votes.

Mr. Edward Carlson of district No. 2 has been handicapped by sickness but is feeling himself again and from reports is going to advance his vote score from now on.

Miss Eula Naylor reported at headquarters with votes. She is confident that she will be able to materially help her vote score these next few days. She is really trying. And of course she will command the votes. Real effort means success.

HELP YOUR FAVORITE CANDIDATE NOW. Clarendon readers who wish to help their favorites in the big \$4,000.00 Gift Distribution should give their subscriptions to the contestants NOW.

The next nine days are the days when New's subscriptions count the greatest number of votes. Unlike in most newspaper campaigns, in The News' "Everybody Wins Something" event, the vote-value of a subscription REDUCES, instead of increases as the campaign goes along.

Right now a one year subscription will give a candidate 5,000 votes a 3 year subscription 30,000 votes, a 5 year subscription 100,000 votes and a 6 year subscription 150,000 votes.

And in addition to all these votes, with every \$12.00 worth

of subscriptions which a candidate secures, he or she will receive extra 100,000 votes.

This makes a one year subscription vote value worth 21,666 votes. Two year subscriptions vote value worth 31,666 votes. 3 year subscriptions vote value worth 46,666 votes. 4 year subscriptions vote value worth 76,666 votes. 5 year subscription vote value worth 116,666 votes, 6 year subscriptions vote value worth 166,666 votes.

This big vote schedule is in effect ONLY until April 1st. It will never be repeated nor extended.

HELP YOUR FAVORITE NOW.

F. Loyd Stallings ought to be due for another good turn in. Reports have it he is campaigning these days with a right good will.

Tom Connally expects to do much the next nine days. He is sincere to get on and is making a real effort to help himself.

This is no time to potter. Candidates will find they will be well repaid for extra efforts between now and midnight Saturday April 1st.

Miss Thelma Allen is certainly conducting a real campaign and is getting ahead in big time style. She is demonstrating better than words can tell the fact that a real worker is bound to produce votes. There are candidates in this election who have even better opportunities, but who have been contented to wait until "tomorrow" to make the effort. You must DO IT TODAY. TOMORROW IS ALWAYS ONE DAY OFF.

ADDITIONAL CAMPAIGN NOTES

The campaign manager wishes to announce that there are several candidates who are not turning in all the subscriptions they have received and he wishes them to do so at once. A number of subscribers have called up the office and said they didn't receive a paper but had given so and so a subscription. The campaign manager is asking all candidates to bring in our mail in each day the subscriptions received. By doing this it not only helps you, and the subscribers, but makes it better for the campaign manager.

Mrs. F. N. Reynolds is proving that she is a very popular candidate and has a very large acquaintance of real friends not only in Clarendon and Donley County but all over the state by the way they are calling to her support.

Mr. W. W. Buck called at headquarters this week. He has set a mark for himself which he hopes to attain by April the first, when the gong sounds the ending of the big vote PERIOD.

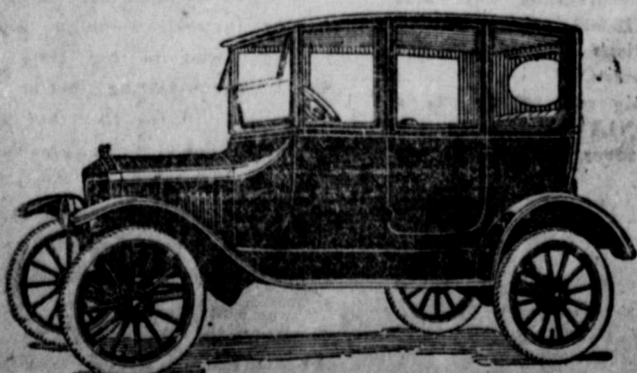

Miss L. V. Herndon is cashing in on promises made earlier in the campaign. From the way her votes have been coming in proves she has an abundance of real friends who are giving her a wonderful support.

Rev. C. B. Ingram called at Campaign Headquarters twice in one day and increased his vote standing. He has made a very extensive campaign and when he cashes in on the promises he has received he will set a vote score which is the result of real work.

Reports from the camp of Bright Tucker are that he is getting ahead in great shape. He is confident that he can produce a goodly number of votes the next few days.

Miss Mary Alice Mills of Brice Route is working hard for votes. That means she will get them. "Where there is a will there is a way."

THE LEGION PAYS ITS DEBT OF HONOR

The people of the State of Texas have reason to be proud of the American Legion. They have always had reason to be proud of the men and women of the Lone Star State who laid down civilian pursuits to take up arms in the defense of their country and civilization. They have new cause, however, for pride in the announcement that was printed in the Record that the department of Texas of the Legion has paid in full, the sum, nearly \$16,000, which it owed, as a debt of honor, to the state. Also to the credit of the Legion is the payment of \$3,000 to the Daughters of the Confederacy for moneys advanced toward the American Legion hospital at Kerrville.

It is not necessary to review the history of the unfortunate affair which placed the Legion under moral obligations to the state and to the women's organization named. Suffice to say that the Legion attempted to build a hospital for tubercular ex-service men at Kerrville and that it received contributions toward the object. Later, finding that it would not be able to raise the necessary amount within a reasonable time the state was appealed to and assumed the task with the understanding that all moneys raised by the Legion through subscription should be turned over to it when the time for transfer came it was discovered that there was a shortage. Charges have been made that this money was used by some officials of the Legion for purposes other than those intended, though answer was made that it was used for the benefit of the organization.

The Legion, officially, at its convention in El Paso last September, assumed the debt, declaring that the money was not used properly and that the honor of the organization demanded its return. Many societies in the face of such handicap have been forced into repudiation or dissolution. It was a staggering blow. Business was dull, memberships were slow in coming in, the disclosures and the shock to the Legion resulting from the imposition of this huge debt, unsuspected and not planned for, had an ad-

WOMAN'S MISSIONARY SOCIETY

The Woman's Missionary Society met in regular business session March the eighth, with Mrs. J. B. McCarley president in the chair. The recording secretary being absent the president appointed Mrs. Shawver to act as secretary pro tem.

The Connectional Treasurer, Mrs. L. C. Parker reported \$31.00 dues and \$5.50 pledge. The Centenary Treasurer reported \$13.00 collected. This report given by Mrs. Slover covered the last month.

Mrs. Brogan announced a public program by the Juniors on Sunday before Easter. Mrs. Richards read four names that she had gotten for the Babes Division. Superintendent of Mission Study, Mrs. Griswold, reported that twenty women enrolled in the last study class and sixteen ordered books. She reported that the class had finished the Mission Study book and would now take up the study of the Bible. This book gives the story of important Bible characters and deals with them as everyday men.

The social service superintendent, Mrs. Wiedman reported \$7.00 collected for her department. Mrs. Ross reported that several subscriptions to the Voice had expired. She asked for renewals. Local treasurer Mrs. Watts stated that she had paid out \$4.00 for flowers for the sick. Mrs. Grogan, superintendent of supplies stated that she had received no calls during last month. The Committee to collect money for a Dormitory at the University at Austin reported \$40.00 collected and \$45.00 promised.

Mrs. Watts gave the call of the Red Cross for old clothing. Society to furnish one box. Also to make layettes for babies.

A motion was made and carried that the hour of meeting for the Society be set at three o'clock instead of two-thirty.

Resolutions calling for a memorial to the Council was introduced by Mrs. Shawver. The motion was seconded. Much discussion followed deploring the fact that the Council has a program of building Dormitories around State institutions when our own church schools and colleges are suffering for Dormitory accommodations. Both sides of the question was discussed and when the vote was taken there were twenty-two of the twenty-eight present who voted in favor of the Resolutions, the others present not voting. These resolutions are being sent to the meeting of the Council at San Antonio. A motion was made and carried that a copy of the Resolutions be sent to each member of the General Conference which meets in May.

No further business to transact the Society was adjourned.

Mrs. John A. Shawver, Supt. publicity.

"SHOES THAT WEAR"

CHARLES SUMNER

CARL SCHURZ

Honor to the people of Massachusetts, who for twenty-three years kept in the Senate, and would have kept him there longer had he lived, a man who never, even to them, conceded a single iota of his convictions in order to remain there. And what a life was his! A life so wholly devoted to what was good and noble! There he stood in the midst of the grasping materialism of his times, around him the eager chase for the almighty dollar, no thought of opportunity ever entering the smallest corner of his mind and disturbing his high endeavors; with a virtue which the possession of power could not even tempt, much less debauch, from whose presence the very thought of corruption instinctively shrunk back; a life so unspotted, an integrity so intact, a character so high, that the most daring eagerness of calumny, the most wanton audacity of insinuation, standing on tiptoe, could not touch the soles of his shoes.

He is at rest now, the brave old champion, whose face and bearing were so austere, but whose heart was so full of tenderness; who began his career with a pathetic appeal for universal peace and charity, and whose whole life was an arduous, incessant, never-resting struggle, which left him all covered with scars. We can but remember his lofty ideals

of liberty and equality and justice and reconciliation and purity, and the earnestness and courage and touching fidelity with which he fought for them—so genuine in his sincerity, so singleminded in his zeal, so heroic in his devotion.

People of Massachusetts, he was the son of your soil in which he now sleeps, but he is not all your own; he belongs to all of us in the North and in the South, to the blacks he helped to make free, and to the whites he strove to make brothers again. On the grave of him whom so many thought to be their enemy and found to be their friend, let the hands be clasped which so bitterly warred against each other. Upon that grave let the youth of America be taught, by the story of his life, that not only genius, power, and success; but, more than these, patriotic devotion and virtue, make the greatness of the citizen. If this lesson be understood, more than Charles Sumner's living word could have done for the glory of America, will be done, by his great example; and it may truly be said that although his body lies in the earth, yet in the assured rights of all, in the brotherhood of a reunited people, and in a purified Republic, he still lives and will live forever.
