RODEO QUEEN—Shirley Brumley, daughter of Mr. and Mrs. Rolle Brumley, is pictured here riding in the parade after being chosen Queen of the Rodeo and Celebration held in Clarendon July 2nd & 3rd. Shirley was sponsored in the contest by C. T. McMurtry & Sons Hip-O Ranch.

Rodeo Proclaimed Best In Many Years

Both Go-rounds of the Rodeo performances held here the 2nd and 3rd were proclaimed as the best in a number of years by practically all contestants entering the events. The stock furnished for the rodeo was all on an even keel and gave the contestants more of an even break to compete for the winning money. The results of both go-rounds on the average money is as follows, and each of the winners received either a silver buckle or other awards:

Bareback broncs, Bob Sherrod, McLean; Calf Roping, Bob Andis, Skellytown; Saddle broncs, Leslie Dorsey, Alanreed; Girls Wild cow milking, Dora Bailey; Bulldogging, Spicer Gripp, Conway; Team tying, Virgil Patrick, Quitaque; Bull riding, Leslie Dorsey, Alanreed.

The contestants winning day money for the first go-round were: Girls wild cow milking, Dora Bailey, 26 1/5 sec.; Bull dogging, Spicer Gripp, 7 2/5 sec.; Team tying, Jim Littlefield, 20 sec.; Bull riding, Jack Gosler; Bareback broncs, Bob Weems; Calf roping, Horace McClellan, 17 sec.; Saddle broncs, Bill Barnard.

Winners of the second go-round were: Bareback broncs, Pat Williams; Calf roping, Leland Timmons, 15 sec.; Saddle broncs, Leslie Dorsey; Bulldogging, Doc Guimes, 8 3/5 sec.; Team tying, Horace McClellan, 19 4/5 sec.; Bull riding, Doc Guimes and Bobby Weems; Cutting horse contest, Rex Long and Pat Slavin.

SERVICES HELD AT SHAMROCK FOR W. M. TEMPLETON

Funeral services were held at Shamrock July 4th for William M. Templeton, pioneer resident of the Panhandle, with Rev. Carl Stringer officiating.

Mr. Templeton, age 86, died at the Groom hospital July 3rd. He was well known over this area, having been a resident of Wheeler and surrounding counties for the past 58 years.

Burial was in the Shamrock cemetery with the Murphy-Spicer Funeral Home in charge.

BAND PRACTICE FRIDAY

Mr. Blevins, band director, announced that there would be a band practice at the band room Friday night from 6:30 to 7:30. All band members are urged to bring their uniforms and music.

SCHOOL TAX ELECTION CALLED FOR SATURDAY

The Clarendon Independent School Board received a petition on the 22th of June requesting that an election be called in regard to raising the tax rate from \$1 to \$1.50 per 100 dollar valuation. The board called the election for Saturday, July 10th to be held at the School tax office.

According to previous information, it has been understood that the increase in rate would not raise the taxes here as the board of equalization will adjust the valuations in proportion whereas the taxpayer will pay exactly what he is now paying under the present rate.

It has been further explained by school officials that under the new set-up, if the election carries, the local school system will receive more money from the state and give the local system several thousand dollars more to operate on than they are now receiving.

Check into the proposal and then go vote your opinion Saturday, July 10th.

NEW OFFICERS OF LIONS CLUB INSTALLED

Chas. Rains of Hedley was the master of ceremonies Tuesday at the regular Lions Club meeting and installed the new officers of the local club for the current year.

The new officers taking over the reins of the club are: President, Carl Allmond; 1st Vice Pres., J. R. Porter; 2nd Vice, O. D. Lowry; 3rd Vice, Carroll Knorrp; Secretary, Frank Phelan Jr.; Treasurer, Rayburn Smith; Lion Tamer, Alfred Estlack; Tail Twister, A. R. Henson; Directors, M. M. McCully, Joe Jones.

TO THE PEOPLE OF DONLEY COUNTY:

We would like to express our appreciation to the people of Donley County for the cooperation and donations that we received which made it possible for us to put on our Fourth of July Celebration.

We realize that no individual organization can successfully put on a celebration that is a success without the cooperation of everyone involved. We think that our celebration was a success and we are grateful for the cooperative effort of Donley County that we have just experienced.

Sincerely
The Clarendon Roping Club.

TO THOSE HELPING WITH THE BARBECUE

We wish to take this means of expressing our appreciation to those of you who helped in any way in the serving and preparation for the barbecue held here Saturday. We think everyone did an exceptional job and we want you to know we really appreciate your cooperation.

John Blocker Sr.

THREE ACT PLAY TO BE PRESENTED THURSDAY NITE AT GOLDSTON

"Aunt Jersushy on the War Path", a three act play, will be presented by the High School boys and girls of Goldston, Thursday night at 8 o'clock at the Goldston school house. A small admission charged.

GIRL SCOUTS

By a Scout Leader

Thanks, Friends!
Our activities over the July 4th celebration were highly successful. We now have some money to operate on and hope to use it for the good of the girls and their entertainment. We have learned again, "Ask, and Ye Shall Receive."

We would like to express our appreciation to a number of people and organizations who so willingly helped us.

First, to the Roping Club for letting us use part of their stand at the rodeo; next, to the Athletic Council for the use of their popcorn popper and to Mr. Lee Bell who so kindly helped us with the popcorn, etc.

Troop No. 4 wishes to express their appreciation to the Mother's Club for donating a number of cakes for the cake walk. Mr. Ed Speed, Mr. J. R. Gillham, Mr. Bill Riney and Mr. Geo. Bradshaw helped us in many ways. Mr. Dick Vallance helped and also was instrumental in getting Meads Bakery of Amarillo to donate our hot dog buns. Mr. Bill Todd of the Household Supply furnished our butane and the H-B Electric Co. helped with the electric wiring.

Finally, to Mrs. Walter Clifford and to the many mothers and fathers in our Girl Scout organization, who so graciously gave their time and energy in helping us, we say, "Thank you."

BARBER SHOP SINGERS RETURNING TO STATE FAIR—The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America has arranged for October 17 as Barber Shop Quartet Day at the 1948 State Fair of Texas. At least twenty chapters will send quartets for the parade on this day. Throughout the nation there are 480 chapters with 30,000 members. SPEBSQSA foursome above are (top left to right) Hal Jones and George Walters; and (bottom left to right) Dyke Turner and C. D. Johnson, of Dallas. Fifty other organizations have completed arrangements for special days at the 1948 State Fair of Texas, and this number is expected to be tripled before opening day, Oct. 9, David A. McMinn of the State Fair, has announced.

WELDON WARREN SELLS BOWLING ALLEYS TO PERRYTON MAN

Weldon Warren, local operator of the Clarendon Amusement Hall, announced this week that he had sold his bowling alleys to Mr. Ray Thomas of Perryton. It is understood that the equipment will be moved to Perryton and set up there some time this month.

CHRISTIAN ENDEAVOR TO HOLD CAKE SALE

The Intermediate Endeavor of the First Christian Church will hold a cake sale at the Clarendon Furniture Co. Saturday morning. The proceeds are to be used in sending the children to Christian Service Camp the following week.

Funeral Services Held July 4th For Thompson Wright

Thompson Grace Wright, 38 years old, died Saturday morning, July 3, at 12:15 o'clock in the W. S. Veterans Hospital in Amarillo, Texas following a brief illness.

He was born in Clarendon August 7, 1909, where he has lived all his life with the exception of 44 months he served in the Navy during World War II. He was employed on the ranch of J. L. McMurtry and Son near Goodnight. He was a member and a deacon of the First Presbyterian Church.

Funeral services were conducted Sunday afternoon at 4 o'clock in the First Presbyterian Church with Rev. Paul Wright, pastor, officiating.

Pallbearers were Alfred McMurtry, Glenn Churchman, Joe Jones, Emmett Simmons, Van Kennedy, Heckle Stark, Forrest Sawyer, and Jolly Johnson. Honorary pallbearers were as follows: J. D. Swift, C. T. McMurtry, J. H. McMurtry, J. L. McMurtry, Fred Patching, Walker Lane, Bob McGowan, Pete Kunz, Barney Roberts, Ernest Lamberson, Clarence Bairfield, Litch Sparks, Walter Lowe, and Rufus White. Burial was in Citizens Cemetery.

Survivors include his wife, the former Mildred Aycock of Mexia; two brothers, Guy Wright, Donley County sheriff, and C. A. Wright, both of Clarendon; and six sisters, Miss Gladys Wright and Miss Isabelle Wright, Clarendon; Mrs. Dorothea Leggett, Houston; Mrs. Lucille Hodel, Lockney; Mrs. LaVerne Greene, Shreveport, Louisiana; and Miss Fannie Lee McGowan, Prescott, Arizona; his grandmother, Mrs. Kibler, Bowie, Texas. Thompson was the son of the late Mr. and Mrs. C. A. Wright.

Arrangements were under the direction of Murphy-Spicer Funeral Home.

Mr. and Mrs. E. J. Wise and son Winfred, his wife and family returned home from a 10 days vacation. They visited in Tulsa, Okla., Eureka Springs and Green Forest, Ark.

"The best dog-goned celebration, all the way around," is the way many of the old-timers termed the Annual Fourth of July Celebration here the night of July 2nd and all day the 3rd. People came from all over the Panhandle for the Celebration and everyone of them went home well satisfied.

The big event was started off with the first real parade in years. Local merchants showed their stuff and produced a large number of attractive and appropriate floats and cow outfits from miles away participated in the line-up to give the parade that real old western appearance that everyone wanted to see. Miss Shirley Brumley was selected Rodeo Queen and rode along side of her brother Carroll in the parade and was presented a pair of shop made boots by the Roping Club at the Rodeo Friday night. Shirley was sponsored by C. T. McMurtry and Sons Hip-O Ranch.

The Rodeo in general moved right along and was declared as one of the best ever held here. There were plenty contestants and lots of good rodeo stock to really bring out their ability in every event.

The outstanding occasion of the entire celebration was the free barbecue held on the court house lawn Saturday noon. John Blocker, head of the barbecue committee estimated between 2,700 and 3,000 persons lined up for a taste of John Snider's favorite treat. Some 45 hard working servers, local talent, dished out the barbecue, beans, pickles, onions and the other makings to four long lines that kept them right busy for over an hour. Everyone received every bit they could eat and if the first plate wasn't enough they fell back in line and went back for another helping.

It was all free to the visitors and was served with that old-time friendly spirit that makes everyone feel more than welcome. There was plenty of time between events for visiting among old friends and the whole affair was the kind of get-together that generates good will among all.

The two dances under the supervision of William S. Greene were well attended each night and everyone seemed to enjoy both types of music thoroughly.

It was a very nice Celebration from start to finish and one that the many people here can be justly proud. There were a large number of people responsible for making it the success it was and they should all be commended highly for their unselfish efforts in time and money. It takes an entire community, all working together, to put on a first class affair and Clarendon stepped out in front again this year - - - and visitors will look forward to coming back again next year.

CLAUDE HEARN REJOINS LEADER FORCE

Claude Hearn, native resident of Clarendon and former Leader employee, rejoined the Leader force again this week after an absence of two years during which time he has been making his home in Montana. In fact, he left Montana returning to Texas on the same day as he left Texas for Montana. He stated that he was happy to get back to Texas, but sure missed the cool weather in the northern state. We are happy to have Claude back with us.

SUBMERSIBLE CRAFT WAX INTO ADULTHOOD

The U. S. Navy's first submarine, the USS HOLLAND, was invented and designed by John F. Holland and accepted by the Navy in 1900. In the upper photograph the HOLLAND is shown buttoned up and starting to submerge. In the past 48 years of the Navy's century and a half of existence as a Department of the United States Government, development of undersea craft and warfare has culminated in such post-war submarines as that shown in lower picture. Veterans' News

The Veterans Administration has prohibited the expenditure of any government funds for veterans' training courses of a recreational or avocational character after July 1, 1948.

The new VA policy is in compliance with the Independent Offices Appropriation Act for 1949 in which Congress directed that VA provide no further payments for courses of this type.

These include, generally, such courses as photography, dancing, gliding, personality development, entertainment courses, sports and athletics, bar-tending and certain music courses.

Training veterans to fly or related aviation courses will be

paid for by VA only where the veteran establishes that the training is in connection with his present or contemplated business or occupation and can pass required medical examinations.

Veterans presently enrolled in courses of this type will be allowed to finish.

But no future enrollments will be authorized by VA unless veterans completely justify that such training is in connection with their present or contemplated business or occupation.

Courses of education in approved public or private elementary or secondary schools or institutions of higher learning are not affected by the new VA policy. Neither has there been any change in the status of recognized vocational training, institutional on-the-farm training or other training-on-the-job.

"The prohibition of the Appropriation Act of 1949 is in accord with and reemphasizes the underlying spirit and intent of

the educational and training provisions of the Servicemen's Readjustment Act," a VA spokesman pointed out.

"Therefore, veterans should not seek to pursue courses for avocational or recreational purposes, but only courses which will contribute to the veterans' vocational or occupational advancement or educational objective."

J. G. McAnear and Buck Hill made a business trip to Dallas Tuesday, returning home today.

Now its proved quality becomes more impressive than ever

...AND CHEVROLET'S LOW PRICES

are even more attractive than in the past!

FIRST in Value ...

FIRST in Big-Car Quality at Lowest Prices ...

FIRST in Registrations

ALWAYS THE VALUE-LEADER

Always the first choice of people who want the finest at lowest cost... Chevrolet's value-leadership is now so outstanding that men and women everywhere are deciding it's more than ever the preferred investment in its field!

Not only does Chevrolet stand out as the first and only low-priced car with all the following major advances which comprise the soundest and best in modern motoring... not only does it offer all these major advantages of Big-Car quality at lowest prices... but it offers them at prices that are now definitely and decisively lower than those of any other car that even remotely approaches it in quality!

It's the first and only low-priced car with the original and outstanding Unitized Knee-Action Ride. It's the first and only low-priced car with a world's champion Valve-in-Head

Engine. It's the first and only low-priced car with the enviable Body by Fisher. It's the first and only low-priced car with the triple safety-protection of Fisher Unisteel Body-Construction, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes.

And yet, despite the fact that CHEVROLET AND ONLY CHEVROLET IS FIRST to offer all these major advancements of low-cost motoring, it holds an even greater price-advantage and gives you even more value for your dollars in comparison with other automobiles today than at any previous time in Chevrolet history!

That is why more people are buying Chevrolets than any other make of car, this year as for the total 17-year period, 1931 to date; that is why they are agreeing, with ever-mounting enthusiasm, that Chevrolet is first in dollar-value as it is first in nation-wide demand.

Compare Values!... Compare Prices!...

JAMES P. HART TO BE IN CLARENDON JULY 14

James P. Hart of Travis County, associate justice of the Texas Supreme Court seeking his first elective term on the state's highest tribunal, will be in Clarendon Wednesday, July 14, in the interest of his candidacy. Judge Hart was appointed to the court by Gov. Beauford Jester last Oct. The Austin judge will make no formal appearance in the political

sense of the term. Instead he will confer with his friends and supporters and become acquainted with as many Donley County residents as possible during his visit.

Judge Hart, although perhaps not as well known in this section of the state as in Central Texas, where his father and grandfather were born and raised, has more than 20 years experience in all phases of legal work. He has served as a district attorney, district judge and assistant attorney general, in addition to nearly 12 years as a practicing attorney. His outstanding record, both in private practice and as a public official, led to his appointment to the Supreme Court last year when a vacancy occurred. The appointment won state-wide acclaim.

This is the first time he has been a candidate for a State office.

AUSTIN — Reported cases of polio in sixty-five Texas counties reached the alarming total of 580 during the first six months of the year, according to Dr. George W. Cox, State Health Officer. For the same period in 1946, the total number of cases reported in sixty-six counties of the state was only 292.

"This staggering increase in polio in a brief two year period evidences a need for drastic measures in all communities to combat the disease," Dr. Cox asserted. "It is the responsibility of the people of the State to report themselves to their doctors whenever they recognize symptoms of polio. It is also their duty to give wholehearted co-operation to

clean-up drives in their communities."

Dr. Cox urged immediate medical attention, especially at this time of year, for such things as headaches, fever, stiff neck, pain in the legs, irritability and drowsiness. These, the health officer stated, are symptoms of polio. "It is well to guard against

panic in polio cases," he said, "for complete recovery is not impossible. Even in the more severe cases, when the germ has penetrated the nervous system causing paralysis of one or more groups of muscles, some remarkable recoveries have been made." Dr. Cox indicated his belief that the first line of defense a-

gainst polio is a carefully conceived and thoroughly executed clean-up campaign in all communities.

"Local police power should make such clean-ups mandatory," he said.

Will's Hospitality Isn't "Cracked"

Ever since January, Will Dudley planned to give his living room that "new look"—planned to carefully refinish the woodwork and repaper the walls.

Every time Will got out the putty to start filling in the cracks, a neighbor stopped by to pass the time of day—and first thing you know, there was a group of us helping Will do the job up right. After Will called a halt to the evening's work, we'd sit around the fire enjoying a friendly argument and a sparkling glass of mellow beer.

So Will's living room doesn't look like it did a year ago—but it's by far the most "cracked" living room I know: A place you can always drop in for good talk, good beer, and a warm welcome.

From where I sit, no longer Will Dudley sits in his living room. It's a place where the atmosphere of hospitality and good fellowship abounds. Everything else, we'll all be happy to help Will change the look of his living room any time he wants.

the day of July 1st he:
Checked all his insurance policies. Lick, sick accident property damage and what have I.
Then he consulted a lawyer and had him to again read the will to see that all was in shape. Just in case.
Then the favorite mortician was consulted—just in case. A list of pallbearers was given him just in case. The flowers, music and the whole works was discussed as he wrote it down.
The Old Apostle then made the rounds and kissed all of the grandchildren goodbye the night of last resort before the celebrations started. He saved his life by making preparations because he became so impressed that:
He staid at home all during the fracas and worked his garden.

It is an exultant, heart-stirring story of a young doctor keenly interested in medical research, and of the girl who was his inspiration, but was separated from him by a gulf relating to religion. Dr. Cronin is remembered for his "Citadel" and "The Green Years." His new book will be on the Library shelves as soon as published as our requisition is on file.
While Grace Livingston Hill is not the type writer of the above author—she wrote seventy-nine books before her death last year at the age of eighty-one. Her last manuscript has been completed by her daughter, Ruth Livingston Hill. She too, is a writer. This book is "Mary Arden." It will be out in August. These books are tremendously popular with the teen-age girls. A copy will be in the Library in the early fall.
Every effort will be made to supply our readers with enjoyable and informational material as this form of entertainment is wholesome and of lasting duration.

CITY-COUNTY LIBRARY NOTES
By May L. Prewitt

A Library is similar to a home as it, too, necessitates continuous scheming to purchase the essentials used in providing entertainment and information desired by the patrons. The boys are naturally eager for books of an elementary nature on television. They have brought several catalogues to suggest their wants, but most of these editions are five dollars, and more. So the Library can afford only one edition.
Gifts and purchases of books for little people the past five months have totaled almost one hundred books, and they are all in constant use with more needed. The rural children use the Library very extensively, and fifteen or twenty of the town children come regularly for their quota of books. Our town and county are fortunate in that we can supply these children with beneficial and wholesome amusement. These readers are alert and interesting to contact.
Dr. A. J. Cronin will publish his "Shannon's Way" this month.

Dr. A. L. Crabb was discussed in the Library notes a few weeks ago, as having written the book "Home o' he Hermitage." He is spoken of as the "unpredictable philosopher and author" who will be the feature speaker at the Educational Conference at West Texas State College this week, in a discussion announcing this event by the Amarillo Sunday News Globe. Dr. Crabb has been a teacher at George Peabody College since 1927. He also edits the Peabody Journal.

YOU HAVE TO Clean THEM BEFORE YOU CAN EAT THEM

Yes, if you could catch them ready for the frying pan... fishing would be an even greater pleasure. But Nature's "gifts" are never free. Nearly all the products of Nature must be processed in one way or another, and then moved to market before they become of real value.
Take natural gas, for example. Our company and others like it are actually giving value to natural gas which would otherwise remain worthless in the ground by gathering, cleaning and moving it to places where people can use it. This is practical conservation, for it stimulates industrial development, creates jobs and benefits all the families in the South.

United Gas invested nearly 60 million dollars in exploration, development and construction during the past three years alone... to assure a continued dependable supply of natural gas for homes, stores and factories all over the South.

COVERED DISH LUNCHEON

Mrs. A. J. Garland entertained with a covered dish luncheon Friday, June 25th honoring La Nelle Reid White. One quilt was quilted, the top having been made by La Nelle and her grandmother, Mrs. H. M. Reid.

Those present were: Ethel Reid, Ruby White, Edith Spivey, Eula Hay, Retta Hubbard, Myrtle Reed, Nevada Dunn, Mrs. Johnson, La Nelle White, Joyce Dunn, the hostess, Alberta Garland.

ANNOUNCEMENT

Mrs. Cordia Thompson announces the marriage of her daughter Katherine to Corp. T. A. Lane Jr., son of Mr. and Mrs. T. A. Lane Sr. of Ashtola, Monday, June 21st at Amarillo, Texas. They left July 5th for Fort Bragg, North Carolina where they will make their home.

T. A. is with a paratroop division stationed at Ft. Bragg.

Mr. and Mrs. Otis Martin and son Jimmy came Monday for a 2 weeks visit from Gassville, Ark. with his mother, Mrs. W. D. Martin and family.

ANNOUNCEMENT

Mr. and Mrs. Edgar Paul Shelton announce the engagement and approaching marriage of their daughter, Edith, to Thomas James McCandless. The wedding is to take place August Third.

Enjoyed my visit with the folks around Clarendon on the 3rd. Didn't make it in time for the free barbecue, or there wouldn't have been so much of it left.

Meant to have a chicken barbecue and have Uncle Jay down; if he sold my Caterpillar, but it looks like I am going to be spared that expense. What a salesman, what a salesman.

Does anyone know anything bad about South Dakota? If so, please tell me about it before I get the fever any worse. My feet are getting itchy.

Lewis Nordyke is serious about the way he feels about the Senate race. However, in 1950 we will all be busy with his race for Governor and won't have time to meddle with any other races.

Read this the other day: "If we make and save our hay while the sun shines, we won't have to eat our mule when it rains."

Heard of a man that absolutely refused to take ten dollars a piece for his pigs until he could feed up the rest of his corn. But, that he would be glad to take ten for them then. I don't believe the story, unless he was a sidewalk farmer, like some friends of mine.

Several political observers have asked me how the Senatorial race is going in the Panhandle. Drop me a card telling me what you think, and on the basis of this poll I will send in a report.

Mama says that my column sounds a little thrown together, a little neglected, the last few weeks. I shouldn't have asked for her opinion, but when the rush is over I will try to do better. I should have turned it over to those guest columnists for the harvest season. What became of them anyway?

Anyway, we have a fairly official invitation to attend the Chicken Barbecue at Lelia Lake, the last of this month. No speech, just eat chicken and watermelon.

What is a "Tintinnabulationist"? Last week, in this column called "Stuff", I was referred to as such. I hope it is something good. Anyway I can cut sorry wheat, take unfriendly criticism, and still write good stories. Maybe next week will be different.

Mrs. A. L. Chase and A. L. Jr. and Ardis Patman returned home Monday from a two weeks visit and trip in California and other parts. Mrs. Chase visited relatives at Pasadena and Los Angeles while the boys took in everything of interest. They report a dandy trip.

Mr. and Mrs. Robt. Boston of Amarillo visited in the home of Mr. and Mrs. William Lewis Jr. during the Fourth of July Celebration.

Policies of The Agricultural Conservation Program

The Agricultural Conservation Program is an effort on the part of the Federal Government to secure the cooperation of farmers in conserving and restoring our soil, water, and woodland resources. It is part of the nation's effort to guarantee a stable, continuous and abundant supply of food fiber and forest products for all our people at the same time that the country undertakes to assure real incomes of farmers on a parity with those of others.

Our agricultural resources, unlike many of our mineral resources, can be both used intensively and kept continuously productive, but only if given proper care. That care has been accepted by the Nation as the responsibility of all the people, and not of farmers alone. That is why appropriations are made for assistance to farmers in carrying out conservation measures.

The Secretary of Agriculture is given full responsibility for administering these appropriations to serve the interests of the Nation as a whole as well as of agriculture. He delegates a major part of that responsibility to committees—State, county and community.

Obviously, under such a system, which permits a high degree of independent judgment by committees, objectives will be attained only if there is thorough agreement among all who have administrative responsibility as to

the basic purposes and principles involved.

Mr. and Mrs. L. L. Cornelius returned home Sunday after a three weeks visit with Mr. and Mrs. G. C. Carver and Mr. and Mrs. Jim Cornelius and family at Amarillo, Mr. and Mrs. Roy Cornelius and Mrs. Cleo Hall at Lubbock and Mr. Cornelius' brother, R. L. Cornelius and family at Brownfield.

Mrs. C. E. Lindsey, Mrs. F. E. Caraway, Mrs. D. S. Smith, Mrs. W. P. Smith were called to Lorraine, Texas last weekend by the death of their brother, W. J. Jones who died in a Colorado City hospital Saturday. He was buried at Lorraine Sunday.

Mr. and Mrs. Audy Steward and family stopped in Clarendon Monday for a short visit with Mrs. Steward's aunt, Mrs. Caraway, and also her mother, Mrs. W. P. Smith who is visiting here. They were enroute home to Albuquerque, N. M.

Mrs. Hegerty O Dessa, Mr. and Mrs. E. A. Naylor and Ina of Carlsbad, N. Mex., Mr. and Mrs. E. T. Naylor and sons of Amarillo, Mr. Slick Naylor and children of Conway, Mrs. Era Kibber of McLean were guests Sunday in the Miss Eula Naylor home.

Mr. and Mrs. Howard Munson of Dallas were weekend guests of L. E. and Ernest Thompson.

Mr. and Mrs. J. W. Garland left June 16th for an extended vacation in California visiting at San Diego, Las Cruz, San Bruno. Near the 1st of August they will go by train to Spokane, Washington to visit a son, W. G. Garland and family.

Patsy Sue Hefner has returned to her home at Amarillo after visiting three days with her grandparents, A. O. Hefners and 4 days with her grandparents, the W. C. Scotts. The Hefner family all enjoyed a nice picnic at the McClellan Lake the 4th.

MESS OF MISERY RELIEVED BY RETONGA

After Suffering Years From Gas Pains, Muscular Aches and Sleeplessness, Mississippian Finally Discovers Retonga.

"For years I was dealt a mess of misery by nervous indigestion, but that was before I discovered Retonga," declares Mr. John L. Jones, respected resident of 909 Grand Avenue, Meridian, Miss.

"Food in my stomach was torture," continues Mr. Jones. "It didn't seem to digest properly and felt hard and heavy in my stomach. After-meal gas pains were so sharp that they nearly doubled me up. I was made constantly miserable by muscular aches and pains and I had to take purgatives several times a week. I hardly knew what a good night's sleep was, and I felt so jittery and fagged out most of the time

that it was a real effort to keep going.

"What grand and glorious relief Retonga gave me! Mealtime is a pleasure again and I eat heartily with no worries about excess gas and pains. I sleep like a log and have lots of pep and vigor once more. My constipation has been relieved, too, and thank goodness, those miserable aches in my muscles have quit nagging me. As far as I'm concerned, there's nothing like Retonga."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at Rexall Drug Store.—Adv.

Texas Has Record Number of Old-Age Aid Recipients

The first 12 years of old-age assistance in Texas are reviewed in a comprehensive report issued this week by the Texas Research Institute, statistical agency sponsored by the South Texas Cham-

ber of Commerce.

In July, 1936, the first old-age assistance grant was paid in Texas. A great deal of tinkering has been done with assistance laws during the ensuing 12 years, the Institute report says, but the trend in the number of aged Texans receiving aid has been steadily upward. For the first 10 months of the current fiscal year

the average monthly number of recipients of old-age assistance was 200,773, and in the month of June 204,221 Texans received aid.

Payments from state funds to the needy aged amounted to \$785,468 per month, on the average, for the first year of the assistance program's operation, the Institute reports. That was in the fiscal year ended Aug. 31, 1937, when economic conditions were only fairly good. For the first 10 months of the current fiscal year, in a time of record-breaking prosperity, old-age assistance payments made from State funds averaged \$2,567,736 per month.

"Texas has more old-age assistance recipients than any other State," says the report. "Texas is second highest in the percentage of people over 65 receiving assistance. Texas has more than twice as many recipients of old-age assistance per thousand of population 65 years of age or over as the average for the nation as a whole."

The Institute report calls attention to the fact that the approximately \$31,000,000 per year now being spent from State funds for old-age assistance is only about \$2,500,000 less than expenditures of the State Government for all purposes as recently as 1920.

"The shift from old-age assistance to old-age pensions has caused the average Texan to have to assume a heavier burden of taxes," reports the statistical agency.

Visitors in the W. J. Mathis home over the weekend were his brother, Mr. and Mrs. Doc Mathis, his sister, Mrs. Mollie Allen of Graham, his sister, Mrs. D. E. Milligan of St. Jo, a niece Lovetta Stephens of Dallas and another niece, Mr. and Mrs. Jim Sutherland and children of Spearman.

Keith Bain of Hedley has been here a part of the time attending the Womack Funeral Home during the absence of Mr. Halvorson, who has been away attending the funeral of a little niece in Wisconsin.

Winsome

This winsome lass "models" a fabric napkin that will never be laundered. The fabric, nonwoven, is made by a completely new process, recently patented. Spinning and weaving are entirely eliminated, according to National Patent Council. Several continuous webs of fibers come off a set of cards in a wide strip and are laid over each other, forming a "lap." The "lap" goes into a binding machine which deposits an adhesive on the face of the material to bind the individual fibers into place. When soiled, the napkin is thrown away.

Born Monday, June 30, to Mr. and Mrs. Wayne Tiller of Muleshoe, Texas, a son. He has been named Darryl James. Both mother and son are doing nicely. Mrs. J. A. Warren, Mrs. Tiller's mother, is with them.

Weekly SURPLUS NEWS WAA

Future of the War Assets Administration's disposal activities became clearer this week as the result of passage and approval of a congressional measure authorizing continued operation of the agency till February 28, 1949, when it is to be dissolved. The organization in Texas and the southwest will continue to contract as remaining surplus inventories shrink and emphasis will be placed on the sale and lease of approximately \$800,000,000 in government owned surplus realty still held within the region. Quick moving clean-up sales of remaining personal property valued in the neighborhood of twenty million dollars will be held during the summer months as the agency pushes its program of freeing the government of extensive warehousing and maintenance costs.

Two sales of surplus materials, both ending July 9, will highlight coming disposals in the region. A million dollar inventory of many types of goods ranging from autos to machine tools to fountain pens will go on the high bid block at the Houston Disposal Center 6, 4600 Clinton-Drive. Materials are arranged in bid lots at six Houston locations, with inspection continuing until sale time. This clearance is believed to be one of WAA's last big operations. In the New Orleans area, the public is invited to bid on machine tools and industrial equipment costing \$300,000 located at the Consolidated Vultee plant, where the sale will be conducted, and the Higgins Aircraft plant at Michoud, Louisiana.

A tally of property rushed to the flood ravaged area of the Pacific Northwest revealed this week that \$85,194.24 worth of surplus housing materials have been shipped from points in the southwest. One hundred house trailers, furniture, household items and plumbing supplies were released by WAA under its national disaster program. Supplies were rounded up at Dallas, San Antonio and Amarillo.

War Assets Administration is entering its closing cycle of surplus building clearances in the southwest. In Texas, this means that the last roundup of buildings available to the general public for offsite use is taking place during July. At Camp Bowie, near Brownwood, 225 structures are being offered first to priority groups then to the public on a sealed bid basis. Bid forms on these buildings will be furnished all non-priority purchasers beginning July 26. The structures will include administration buildings, hutments, mess halls, barracks and many other types. Inquiries should be directed to WAA's Grand Prairie office of Real

Property Disposal.
 Assorted electrical and utility supplies at two Texas installations are being placed on the market this month. At the Big Spring Army Air Field water and electric utilities now serving Howard County Junior College are up for disposal. A more varied list of materials is included in a 66 kv electrical transmission line to be removed by the purchaser from the Lone Star Ordnance plant near Texarkana. Information and bid forms will be available both to priority groups and the public at the regional WAA office.

A Dallas firm, Rudy Prins and Company, received the first lump sum contract award for protection and maintenance of a government installation to be made in the southwest region. Heretofore, War Assets has been paying contractors for management of government property on a fixed fee, cost plus basis. The new arrangement is calculated to cut future maintenance costs very considerably over a period of time. The contract was for the Oklahoma Ordnance Works, at Choctaw, one of the major government operated sites of the region.

"Flying L" Rodeo To Perform At State Fair

DALLAS—Arrangements were completed here recently to bring the streamlined, fast-paced, star-studded "Flying L" rodeo to the 1948 State Fair of Texas for its grandstand attraction Oct. 9-24.
 Governor Roy J. Turner of Oklahoma was master of ceremonies in the offices of R. L. Thornton, State Fair president, when the contract was signed calling for a "new, modern and different" type of rodeo to be presented at the sixty-third annual edition of the "world's greatest state fair."
 The Oklahoma governor's interest in the State Fair of Texas stems from his close personal friendship with two of the principal owners of the rodeo, V. B. Likins, wealthy oilman and owner of the "Flying L" ranch near Davis, Okla., and H. D. Binns, Oklahoma state senator from Colgate.
 The "Flying L" is the ranch where Republic Studios filmed Roy Roger's "Home in Oklahoma," and where he and Miss Dale Evans were married and spent their honeymoon early this year.

Mrs. F. N. Bentley, daughter Mary Helen and son George and Miss Helen Louise Green of Dallas are visiting this week with their parents, Mr. and Mrs. Geo. L. Green. Mr. and Mrs. Green also have their two granddaughters Miss Lee Ann and Judy Lane Green of Munday, Texas, visiting them this week.

WE DELIVER

Arkansan Still Likes Texas; Renews Sub

The following letter was received this week from a former resident and with his permission we feel that a number of our readers would probably enjoy reading it also. It is as follows:

Editor:—
July 2, 1948.
Although I have been here going on 9 years, I have read the Leader regularly and needless to say I enjoy reading everything in it, however, since I have not lived there but 3½ years in the last 31 years, (my, that sounds like a long time) I still see lots of items that I still remember and only seems like yesterday since I have "Run Around" with some of the Kids—who you refer to as Grand-fathers, of which I am one also—

and only too soon we will be Greats and then the Obituary will have more of our names. There is lots of Texas people here and when I meet a new one we really go to town with the talk, in fact Texas has been accused of having taken this County over, and we feel proud of it. I don't believe there has been as much improvement in any County in the U.S. as has been here since I have lived here, although I will admit it had plenty of room for said improvements, but I believe you will hear more and more from us as time goes on. I am proud that I have some small part in our present move.

We all like here fine and we feel that we are having a full life, and after all Peace and Contentment is something to strive for and we have found a full measure, and our friends will keep it so. More power to you, and keep the paper coming. Enclosed my check for a renewal. Yours very truly, F. C. (Floyd) Howard.

NOTICE TO ALL PARENTS

If your child's grade is not taught in its home district for the coming term, it must be transferred on or before August 1st. Do not neglect this, for it will jeopardize the child as well as the school to which it attends. Make the transfer in the office of the County School Superintendent.

Mr. and Mrs. Henry Wilder and family from Georgia and his brother and wife, Mr. and Mrs. William Wilder and baby from Decatur, Ala. visited Mrs. E. M. Ozier last week. They were on their way to visit their father, Dr. W. H. Wilder at Pampa.

Century Plant Blooming Here

It is not often that anyone in this section of the country has the opportunity to see a blooming century plant right here in Clarendon, but if you care to take the time to go and see it, you will find exactly that over in the Colored section of town.

The plant is growing in the back yard of the Robert Lee and Katie Mae Loren (Colored) place which is located three blocks east of Manuel Walkers (colored) home. It has just about finished blooming and the stalk measures 14 feet 6 inches at this time. Mrs. Loren stated that the stalk grew to its present height in about three weeks. The plant was moved to the Loren place from the main residential section of

town in February. Mrs. Loren didn't know who's place the plant was moved from or how long it had been in Clarendon. She has another of the plants in her yard also. She is very proud of the plant and invites the public to come by and see it.

Chester Williams spent the 4th here, then took relatives who had been visiting here to Archer County, returning home Monday.
