

CLARENDON COLLEGE DEFEATS CANYON BUFFALOES 26 TO 0 IN THANKSGIVING CLASSIC

VICTORY TURKEY DAY GIVES BULLDOGS A CLEAN SLATE FOR THE SEASON WITH NINE STRAIGHT WINS AND NO DEFEAT. SCORED 222 POINTS TO OPPONENTS 56 IN SPITE OF SCHEDULE THAT INCLUDED FOUR SENIOR COLLEGES.

By a score of 26 to 0, the Clarendon College Bulldogs defeated the Buffaloes from Canyon here Thanksgiving, thereby closing the hardest schedule the local institution has ever played, undefeated, and winning the coveted gold football charms. The local gridirons have won nine straight games, four of which were played with senior colleges, entirely above their class so far as athletic standing is concerned. The team maintained a record of keeping their goal on the local field undefiled by the opposition and has made the spectacular showing of piling up a total of 222 points to their opponents 56.

A splendid characteristic evidenced by the Bulldogs throughout the season is that for which all bulldogs are famous—that "never-say-die" trait. More than once the Bulldogs have emerged victorious when apparently defeat was inevitable. A notable example of this was the defeat of the Oklahoma Normal at Mangum by the close score of 20 to 19 within the last minute of play. The victory by the Bulldogs Thursday gave them their eleventh triumph over the Buffaloes out of fifteen games played. Following is the record:

Clarendon Normal	Score
Nov. 11, 1912.....	13 0
Nov. 29, 1913.....	0 3
No game 1913.....	
No game 1914.....	
Oct. 4, 1915.....	0 6
Nov. 6, 1915.....	13 3
Oct. 7, 1916.....	19 6
Nov. 6, 1916.....	19 6
Oct. 20, 1917.....	6 0
Nov. 19, 1917.....	1 0
No game 1918.....	
Oct. 28, 1919.....	0 21
No second game.....	
Oct. 2, 1920.....	29 17
Nov. 26, 1920.....	12 0
Oct. 1, 1921.....	9 0
Nov. 29, 1921.....	14 14
Nov. 17, 1922.....	13 6
Nov. 30, 1922.....	26 0

Games won: Clarendon, 11; Canyon, 3; Games tied, 1.

With a perfect day for a gridiron contest, Thursday's game was witnessed by one of the largest crowds ever assembled at College Park. Extra seats had been supplied and the crowd was well handled. The sidelines were unusually accommodating in not massing in front of those who were in the bleachers. The special train reported to have been planned by the normal rooters did not materialize. However, quite a number of Buffaloes followers came over.

A novel feature was introduced at the opening of the contest when Miss Mary Tomlinson as Sponsor, accompanied by Captain Jackson, intelligently participate in the game, and a coterie of Maids of Honor, marched to the center of the field where Miss Tomlinson made a perfect kick-off to the Buffaloes who had lined up to receive. Captain Burson caught the ball and returning to the center received a box of candy presented to his team by Miss Tomlinson.

Clarendon's four touchdowns were pretty well scattered throughout the game. The Bulldogs crossed the goal line in the first quarter, twice in the second and once in the fourth. Contrary to their usual style of play, the local athletes resorted largely to end runs and off-tackle attacks. Very few passes were attempted. The first counter came in the first period when Earl Goodwin smashed through on an off-tackle buck after the ball had been carried to the one-yard line. Oscar Close failed in an attempt for goal and the six points by touchdown made the only ones scored in the first quarter.

George Close counted both touchdowns in the second frame by some of

LIONS ENDORSE HIGHWAY MOVE

LOCAL CLUB FAVORS PLAN AS OUTLINED BY MAYOR F. P. REED OF PAMPA.

The program of the Texas Highway Association was unanimously endorsed by the Clarendon Lions Club in its weekly luncheon Tuesday. The plans and various objects of the Association were set forth in an address by Mayor F. P. Reed of Pampa, actively association with the organization, who was a guest of the Club. The primary object of the Texas Highway Association at this time, Mr. Reed said, is to accomplish the amendment of the State constitution in compliance with the Federal Highway Act which requires that the construction of all roads which are to receive Federal Aid must be under the direct supervision of the State Highway Commission. At the present time this work is under the direction of the various county commissioners of the counties wherein the work is being done.

The speaker further stated that a movement to have the road from Clarendon north designated as a part of the "seven per cent" system, thereby rendering it entitled to a greater percentage of Federal Aid, is receiving considerable encouragement. The main advantage of this move, he said, is that in that way the state would receive the benefit of assistance from the Federal government in the construction of the bridge across the Canadian river. A further advantage would be that it would put the counties through which this road passes in line for Federal aid on other road work that they might undertake. In order to solidify an influential force with which to push their objectives, the Association is waging a membership campaign with an active membership fee of \$2. Holders of an active membership are entitled to vote but those who take out what is known as a sustaining membership, costing \$10.00, are not given a voice in the activities of the organization. The object of this plan, Mr. Reed explained, is that the management of the affairs are not then susceptible to domination by the financial powers. The club voted unanimously Tuesday to dispense with the system of appointing entertainment committees weekly. A plan was adopted whereby the entire membership is divided into two classes, or two entertainment committees, each of which will be an organization within itself, and upon each of which will fall the responsibility for arranging entertainments, alternately. It was further decided to dispense with weekly entertainment programs and concentrate on one mammoth entertainment and social per month and that to be on "Ladies Night." The first program under the new arrangement will be staged next Tuesday night which will be "Ladies' Night" for December.

NEWS SPECIAL WILL BE PUBLISHED ON DEC. 14

Deferring to the wishes of the majority of the advertisers, The News has decided to move up the date for the publication of its "Home Edition" from December 21, as was originally announced, to December 14, next week. Those who have advertisements or articles for the special edition will please take notice and turn in their copy as soon as possible.

Miss Bettie Smalley spent the week-end in Claude visiting relatives.

MRS. HASTINGS DIED THURSDAY

AGED PIONEER IS SURVIVED BY THIRTEEN CHILDREN, ALL ATTENDED FUNERAL.

Funeral services of Mrs. Margaret Ann Hastings were conducted at the Methodist church at 3 p. m., Friday by Rev. J. T. Griswold, pastor of the Methodist church, and Dr. G. S. Slover, president of Clarendon College. One of the largest funeral processions ever seen in Clarendon attended the remains to the cemetery for interment.

"Grandma" Hastings, as she was affectionately known in Clarendon, died about 5 p. m., Thanksgiving day after having been confined to her bed for about eighteen days. She had been in ill health, however, for several years. Deceased, who was 81 years, 1 month and 12 days of age, was the mother of thirteen children, all of whom are living and were at the funeral. They are: Mrs. M. E. Green, Santa Anna; Mrs. L. G. Oxford, Duffau; Mrs. L. J. Frazier, Estelline; J. A. Hastings, Clarendon; J. R. Hastings, Dimmitt; W. E. Hastings, Hedley; J. W. Hastings, Canyon; W. S. Hastings, Canyon; Henry Hastings, Hereford; C. F. Hastings, Bovina; H. T. Hastings, Bovina; Mrs. H. J. Derrick, Clarendon, and Luther Hastings, Vigo Park. Mrs. Hastings is also survived by 91 grandchildren and great-grandchildren and one sister, Mrs. Mary Bobo of Tullahoma, Tenn. Her husband preceded her in death on the 14th of August, 1919.

Mrs. Hastings was formerly Miss Margaret Ann Philpot. She was born in Bedford county, Tenn., Oct. 18, 1841, and was married in that county to Mr. Hastings on December 3, 1857. They moved to Texas in 1876 and settled in Tarrant county, later moving to Wise county. They came to Tullahoma as one of the pioneers of the Panhandle and moved from that city to Clarendon fifteen years ago. "Grandma" Hastings was a beautiful christian character, a tireless, unselfish worker, and was actively identified with the activities of the Methodist church until she became incapacitated. The News joins her many friends in extending condolence to the bereaved ones.

NEWS WILL PUBLISH SANTA CLAUS LETTERS

The News, for the next two weeks, will publish Santa Claus letters from the kiddies. Please write plainly, sign your name and address to "Santa Claus," care of The News. Do not make them too long.

STORES CLOSED THANKSGIVING

BUSINESS MEN DECIDE WEDNESDAY ON WHOLEHEARTED OBSERVANCE.

Contrary to general expectation, and in fact, to an announcement made earlier in the week, the stores of Clarendon were closed Thanksgiving. A decision to this effect was reached late Wednesday afternoon when a committee of local business men made a canvass of the business section appealing for a 100-per-cent-closing. The response was unanimously favorable and, as a result, Turkey Day was observed in true American style in Clarendon for the first time in several years. The indifference of local business men to the national holiday in the past has excited some scathing criticism from neighboring cities.

For the benefit of those who choose to celebrate the day with the gun, the hardware stores remained open until 10 o'clock to furnish the shells. The butcher shops closed at 9 o'clock. The confectioneries observed Sunday hours. The dry goods and grocery stores remained closed all day.

Turkey Day was a big occasion for the citizens of Clarendon in more ways than one. Of course, the football game between Canyon and Clarendon was the feature and that was the attraction for the majority but there were few residents who did not take advantage of the holiday in some way even though they were not followers of the pigskin game. Quite a number grabbed their guns and took "to the woods" for a day's hunt, with the one regret that quail season did not open until next day. Others attended family reunions while still others enjoyed the day by entertaining out-of-town guests.

J. W. MURPHY DROPPED DEAD AT CASEY HOME SATURDAY

J. W. Murphy dropped dead at the home of his nephew and niece, Mr. and Mrs. J. H. Casey, about 11:30 Saturday morning. Mr. Murphy had been suffering for some time from a form of rheumatism in his side and it is thought that the malady reached his heart. He was up and about the house, apparently feeling allright, Saturday. The end came as he started to arise from a chair.

Deceased was seventy-four years of age and was without a family. Funeral services were conducted at the First Christian Church at 3 o'clock Sunday afternoon by Rev. Julian of Claude. Interment was in the Citizens Cemetery.

Miss Clara Belle Biffle spent Sunday with home-folks at Silvertown.

LOCAL CHAPTER MEETS QUOTAS

VOLUNTEER SERVICE BRANCH OF RED CROSS ACTIVE IN REFUGEE WORK.

The Volunteer Service is one of the most aggressive and active branches of the local chapter of the American Red Cross, as is evidenced by the efficient work done in meeting the unit's quotas in war veteran and refugee relief. This branch of the service is under the supervision of Mrs. C. M. Lane who is chairman. Mrs. Lane's name was inadvertently omitted from the list of officers and members of the executive committee published in the News last week.

"Through the efforts of Mrs. Lane, with the assistance of Mrs. Talley, her committee has shipped several large assignments of garments such as sweaters, pajamas and comfort bags to the war veterans as well as a great quantity of second hand clothes to refugees. In these shipments were included 24 layettes and 120 petticoats.

The following have answered the Roll Call since the publication of the last list:

Adams, Mrs. E. W.; Allen, Miss Willie L.; Anonymous; Bugbee, John; Boswell, R. C.; Benedict, T. L.; Berquish, S. G.; Mr. and Mrs. Ray S. Carney; Casey, Lee; Fawn, M. S.; Gentry, Mr. and Mrs. P. B.; Gentry, Mr. and Mrs. M. P.; Hiram, Miss Hayter, C.; Holland, Joe H.; Hast-Henson, Mrs. J. R.; Holland, Mr.; J. A.; Kutch, Roy; Lennox, Mrs. A. D.; Lott, Mrs. John; Liesberg, O. D.; Mulkey, H.; Moss, R. S.; McLean, Miss Mamie; Parsons, H. C.; Person, Gus; Ross, D. P.; Rutherford, Ethel; Rhodes, Mrs.; Rhodes, Norma; Stallings, Loyd; Stewart, J. L.; Stewart, W. C.; Webster, C. B.; Wilson, Mabel.

COLLEGE BEAUTY SELECTED

Miss Grace Pirtle will adorn the beauty page of the Clarendon College Western this year as the most beautiful young lady in school and Gilbert Jackson is named as the most handsome young man. The selection was first made by the literary societies and the final choice was based on a contest between the two societies in the purchase of Western tickets. The Add societies won and their representatives will be given the coveted places.

J. G. Sikes of Grayford has entered Clarendon College. He is a brother of G. D. Sikes.

COMMENCEMENT MAY INCLUDE C. ALUMNI DAY

LARGE NUMBER OF "OLD GRADS" FAVOR RE-ESTABLISHING SPECIAL DAY FOR HOMECOMING EVENT. MAY SPONSOR GYMNASIUM.

The re-establishment of "Alumni Day" as a permanent part of commencement programs of Clarendon College and the erection of a gymnasium, to be sponsored by ex-students, were outlined as the future program of the Alumni of the local institution in a meeting and reception banquet of the Alumni Association held in the basement of the Christian Church at 6:30 Thursday evening.

The reception of the alumni had been well advertised and with the added attraction of the "homecoming" game between the Clarendon College Bulldogs and the Buffaloes from Canyon, Thursday found a large number of the "old timers" in the city. Quite a number of them were in cars and had to leave immediately after the game, but some fifteen or twenty remained for the occasion and the number in attendance is estimated at between eighty-five and ninety. This number included the present senior class of the college, however, together with local alumni.

The event Thursday evening was the first of its kind ever to be held in Clarendon and unanimously was declared to be one of the most pleasant gatherings ever attended by the alumni. While there were some serious subjects discussed, the occasion was mainly a recounting of the experiences of the older graduates when they were in College with an undertone delineating the rise of the institution. The following responded to introductions from Harwood Beville, who acted as toastmaster; Curtis Cryer of Kirkland; Stuart Condron, of Clarendon College; Chas. Dean, Clarendon; Miss Mamie McLean, Clarendon; Bill Walker, Shamrock; Jim Craig; Gordon Jordan, Tullahoma; Ralph Porter, Clarendon; Aschel McNab, Vega; D. M. Beights, Clarendon; Miss Ruth Pirtle, Clarendon; Buford Pamer, Hereford; Vernon Shields, Clarendon. Prof. Condron's subject was that "History of Thanksgiving."

A well rendered reading by Miss Bettie Smalley and some number by the College Quartettes were features of the entertainment program.

A suggestion for the revival of the "Alumni Day" program for commencement was received with enthusiastic favor. A discussion of the subject revealed the fact that the sense of the meeting was practically unanimously in favor of it. Plans are under way for the arrangement of an alumni program for the commencement next June. Up till several years ago the alumni address was one of the biggest attractions of commencement.

The matter of soliciting funds from ex-students for the erection of a gymnasium for the College was not definitely disposed of. The question received considerable favorable comment but was deferred to a future meeting.

The scheduled business meeting was also deferred until the big "Homecoming" occasion of the year, commencement in June. The present officers will continue until that time when it is planned to form a permanent organization more comprehensive than has ever been effected. At least one hundred and fifty alumni are expected to be here for commencement and, if the plans of those who attended the meeting Friday evening materialize, the formation of the Alumni Association in June will be an epoch in the history of Clarendon College.

MRS. BOSTON IS HOSTESS

Mrs. J. T. Griswold's Sunday school class of young married women enjoyed their regular monthly social hour at the home of Mrs. Carl Boston Tuesday afternoon. Delicious refreshments were served to a large number of guests.

W. H. PATRICK MADE DIRECTOR FEDERAL BOARD

PRESIDENT OF FIRST NATIONAL BANK SIGNALLY HONORED WHEN SELECTED BY CLASS A. MEMBERS OF 11TH DISTRICT.

W. H. Patrick, president of the First National Bank of Clarendon has been elected as one of the nine directors of the Federal Reserve Board of the Eleventh District. Mr. Patrick received the notice the latter part of last week to the effect that he had been named as one of the Class A directors which includes all members banks the capital and surplus of \$100,000. Headquarters for the Eleventh District are at Dallas.

The Clarendon banker succeeds B. A. McKinney, recently resigned. The selection of directors is effected by ballots mailed into the Dallas office by the member banks within the given class. Mr. Patrick's term is for three years, beginning January 1, 1923.

Mr. Patrick received the unanimous endorsement for a place on the directorate of the Federal Reserve Board at a recent meeting of the Panhandle Bankers Association. Besides the vigorous support received by him from the bankers in this section, the local banker was backed by certain powerful financial figures in East Texas banking circles.

Fortunately, Clarendon will not lose Mr. Patrick by reason of his late honor, as it will not be necessary for him to move to assume his new duties. The directors meet once a month in regular sessions and are subject to call at any time throughout the month.

Throughout the United States, the total number of directors of Federal Reserve Banks is 108, including the classes of A, B, and C. Thus it is seen that Clarendon is signally honored in having one of its local bankers selected as one of the few financial leaders of the country upon whose judgment, to a large extent, the financial destiny of the country is based. The honor of being one of the 108 is one of which even a large city might be proud and to have one of their number chosen as one of the board of directors of the Federal Reserve Bank is a recognition sought by all Bankers association.

W. H. Patrick came to Clarendon thirty-four years ago. Thirty-three years ago he became associated with the Bank of Clarendon and was with that institution until July 1, 1900, when he organized the First National Bank of Clarendon. Starting in as a bookkeeper, by dint of perseverance and outstanding ability the new Federal Reserve Director has risen to the top rung of the ladder, that of president and active head of the institution he organized in 1900. At this time Mr. Patrick is the oldest in active management of any Panhandle banker.

The exceptional astuteness and perspicacity of Mr. Patrick in matters of finances have brought him recognition in financial circles throughout the state. He is past president of the Panhandle Bankers Association and has held the position of chairman of the 7th District Texas Bankers Association. On numerous occasions he has appeared on programs of various meetings of bankers over the state. Loan organization of Donley county, As chairman of the Victory Liberty Mr. Patrick was largely responsible for the exceptional record made in the financial drive. He has been actively allied with every movement of civic progress and the upbuilding of the community, and is receiving many congratulations from friends at home and abroad on this deserved honor.

Miss Maggie Swift of Hereford visited her sister, Mrs. J. Roy Bartlett and brother, J. D. Swift, last week.

B. G. Smith went to Childress Sunday to spend several days on business.

SOURCE OF TRUE HELP

My help cometh from the Lord, which made heaven and earth.—Psalm 121:2.

Texas gives additional evidence of her qualities of leadership. Dr. Evans of Dallas has been elected head of the Ku Klux Klan in the United States. We don't know what the duties of a High Klux are but we bet that Dr. Evans "does it up brown." Come to Texas.

The football season for 1922 is over and this great American sport is nearer to the heart of the people than ever in history. Here in Clarendon the greatest crowd that ever attended a football contest saw our undefeated Bulldogs "pour it on" Canyon Normal Thanksgiving Day and many who witnessed their first football contests this year are now confirmed fans of the great game. Football is a "he man's game" and there are few Americans who can sit through a game without the red blood of many inheritance pounding through their veins as wholesome enthusiasm runs riot through their being. Clean football builds character and manhood. It means much to the young manhood of the nation and guarantees greater strength and purpose in life. Let us foster clean athletics that there may be less "jelly-beans" and more "he-men" in the days to come.

It seems that the wave of petty burglary is passing in our city. Publicity and general street discussion will put a stop to any evil. If the burglary hadn't come to a prompt end, somebody would have gotten hurt.

Sam Miller of the Mineral Wells Index says he has heard of a married couple who are satisfied—the wife is so much taken up with bridge that she hasn't time for housework and the husband is such a golf enthusiast that he don't care. Very modern and very pitiful.

Rising in defense of egotism, "Buttermilk Jim" Lowery of the Honey Grove Signal has the following to say:

"People say many harsh things about egotism; many abuse it as though it were the most ignoble of all the human attributes, without a redeeming virtue, and some pronounce the word with such frowns and sneers and gritting of the teeth that we are led to believe they would gladly exchange it from the dictionary. But egotism is not a bad thing; in truth, it is a good thing, and the man who lacks it is as poorly equipped for the work and battles of life as the person who lacks temper, pep or courage. Egotism is believing in one's self, and the man who doesn't believe in himself and his ability to achieve does very little for himself or the world at large. But egotism is a child that must be kept in the closet and not permitted to mix with company. It's an attribute that must not go on dress parade. In a way egotism and a night shirt are the same in their relation to man. Every man should have both, but man makes of himself a sorry spectacle and a horrid picture when he displays himself in either."

The Plainview Herald insinuates that there are rifts in the ranks of the Panhandle-Plains Chamber of Commerce, caused by the recent discussion of the elimination of chaqueta and lyceum guarantees. Had the writer representing the Herald been present at Hereford, heard the report of the committee, and listened to the arguments, The News knows that he would never have had such an idea. The report of the committee dealt openly and fairly with the proposition and recommend that as twenty-four of twenty-seven replies from nearly as many Panhandle towns had answered "yes" on the elimination questionnaire, that local chambers of commerce take similar action, if in their judgment, they endorsed the findings of the committee. There was no bitterness exhibited by either side, and the gentleman who made the motion to table felt that he was saving time for the organization and serving the best interests of his community. The membership of the Panhandle-Plains Chamber of Commerce is too broad-gauged and loves the common weal of the great Panhandle country too much to allow any divergence of views regarding details of any matter to create a rift in their aggressive ranks.

Occasionally we hear a person talking of his "enemies" as though he had a very great many. As a matter of fact, few men have any real enemies. An enemy is one who is constantly on watch that he may do you a personal injury, and evinces a determination to crush you in every line of your endeavor. An enemy is really venomous and will go out of his way to strike you. It is true that nearly all of us have a few acquaintances who express their dislike of us and our ways, more or less openly but they seldom go out of their way to "slip over a punch." Frank critics are often good for us and act as a balance-wheel to keep us on the track. Enemies are dangerous to any man, but critics are after all, an asset to those who desire to get ahead in the world. Be thankful for your critics. You can even afford to deal generously with them.

It is refreshing to note the rising tide of sentiment in central and southern Texas, for the West Texas A. & M. College. Many men and papers are coming out in no uncertain terms for the school for West Texas, but there seems to be a lack of understanding in some quarters. For instance there are many who think that we should have an agricultural school only, and while The News recognizes that the agricultural department of the proposed school will be by far the largest service to our people, yet it must be understood that there must also be a small but well equipped mechanical department to take care of many who desire this class of instruction and who are entitled to receive it in the bounds of their own section. Agricultural development must of necessity come first, but hard upon its heels follows the development of industry and our young men expect the mechanical instruction in our own institution when we get one. The Fort Worth Record thus goes on record in a recent issue: West Texas needs a state college of the first rank. It is a vast empire of production with possibilities beyond imagination. The larger part of its population is nearer the colleges of New Mexico, Colorado, Oklahoma and Kansas than they are to the University and Agricultural & Mechanical college of Texas.

"Distance has a great deal to do with college attendance. There is a point where traveling expense becomes a serious factor in the student budget. Students of state colleges and universities come from longer distances than in the case of privately endowed institutions. But Texas is too large for a single state college.

"West Texas has problems of its own; it has a great and growing population. Its young men and women want a state college nearer home. They are going to get one."

FARMER NOT TO BLAME

Recently a merchant of Decatur happened to see a farmer receive a box at the depot and noticed it was from a mail order house. He also noticed that the goods were right in line with the same that he had carried for years. He immediately approached the farmer and said: "I could have sold you the goods you have here for less money and saved you the freight." "Then why didn't you do so," said the farmer. "I have taken the local paper for a year and have not seen an item in your store priced. This mail order house sends me a monthly price list. If you have any bargains why don't you put them in the local paper where we can see them?"—Decatur News.

Occasionally we hear a man remark that "a fellow hasn't much of a chance to get ahead in this world unless he is in business for himself." And when we size that same fellow up we find that nine times out of ten he isn't trying half as hard to get into business as he is to get out of work. The trouble with the average young man of today is that he imagines the man who owns a business has a soft snap. He sees the business man on the street during business hours, and takes it for granted that he is depending solely on his employees to run the place and make money for him and furnish him an excuse to loaf. He never seems to realize that the business man doesn't work by the clock, and that many times when employees have rolled down their sleeves for the day and departed, the owner of the establishment has to spend long, tiresome hours figuring out problems the employees never have to face. Being in business, especially in the face of present conditions, means depriving yourself of many things you can enjoy if you are working for someone

else, and someone else has to worry about where the money to meet running expenses is coming from. Being in business for yourself means carrying upon your shoulders responsibilities greater than the salaried man knows anything about. There is a vast difference between drawing a pay envelope and making a pay envelope possible.—Pampa News.

STATE MARSHAL INGLISH ISSUES FIRE BULLETIN

The following bulletin issued by S. W. Inghis, State Fire Marshal, in the interest of fire prevention should be carefully considered at this season of the year and is published at the requests of Jas. Trent, local fire marshal and Frank Whitlock, chief of the fire department:

"By reason of the fuel situation it may be expected that in many localities various extraordinary methods of heating will be employed for protection against cold weather that is now at hand. Inasmuch as conditions thus created undoubtedly will result in practices carrying distinct fire dangers if not properly supervised, attention is being directed to the desirability of giving that matter careful consideration. The folder herewith clearly sets forth the hazards of emergency heating, and the general dangers of heating as well, additional copies of which will be promptly forwarded upon request to all desiring them.

"Early this year copies of an ordinance entitled "Construction of Chimneys" prepared and recommended by a committee of the foremost fire prevention engineers of the country, were mailed to city officials, architects and others in the state, with the suggestion that a survey be made in every community with the view to determining what regulations of that nature were required.

"Since the very beginning of the development of the resources of America defective chimneys or flues have been an outstanding cause of fire. Recent statistics of the National Board of Fire Underwriters show an annual loss of \$12,359,157 from that source in the United States. It should not be necessary to dwell upon the importance of safe chimneys and flues, yet it is really astonishing how very few cities and towns have ever gotten right down to a businesslike effort at providing safeguards in that connection. We again are taking the liberty to urge the value of regulations that not only will insure against needless casualties and property loss, but eliminate wear and tear on expensive fire apparatus and the danger of fast moving fire trucks answering useless alarms.

"Keep the Fire Demon away from your Christmas Tree."
 "Use only Electric Lights and Non-Flammable Decorations."
 "Keep Matches Away."
 "Remove the Tree immediately after the Holidays."

"These are the sensible and timely warnings issued by the National Fire Protection Association for the safety of life and property during the 1922 Christmas season. They are intended to apply alike in the store, the church, the schoolhouse and the home.

"The discriminate use of fireworks is dangerous and should not be permitted. Watch the careless smoker, and further protect Christmas shoppers and stocks of merchandise by keeping fire dangers out of electrical and other displays. It is probably too much to expect that the week will pass without casualties or fire. But, the work of fire and accident prevention officers and organizations in the cities and towns of Texas in recent years has been most effective in turning public attention to safe and sane holiday celebrations, and like activity should carry us through this year with a further improved record."

REVENUE and POWER

No corporation, firm or individual can continue to succeed in any business serving the public unless he has the interest of his customers at heart. Every successful business man knows this. In cold figures we all know that if a merchant fails to make a sale he fails to make a profit.

When the lights get dim our revenue gets dim. A bright light consumes more current than a dim one. When the lights go out our revenue goes out until we get the lights back on.

Considering the matter in theory or in cold facts. It is absolutely necessary for us to give as near 100 per cent service as it is possible for us to give.

PREPARE NOW FOR WINTER!

Everybody is putting his house in order for cold weather. Windows and flues must be repaired, out-buildings overhauled and many other things will need attention.

Protect your cattle, swine and poultry from the cold and rain. An inexpensive shelter will make them snugly comfortable for the winter, and will pay you dividends in money and in satisfaction.

LELIA LAKE, TEXAS

CORN - COTTON - FRUIT - GOOD WATER

What else do you need to make a prosperous and happy home, except a quarter section of good Spearman farm land in the South Plains at Seagraves, Texas, where we are offering to sell this land in quantities to suit the purchaser at very reasonable prices, on long time and at a low rate of interest? If you are interested in securing a home for yourself and family where they have no boll weevil and other destructive insects and where one man can raise more corn and cotton and other farm products than a whole family can gather, write a card today to W. A. SoRelle, General Agent, Clarendon, Texas, for descriptive pamphlets of this country, or better still, come and pick out a piece of this land and let us help you secure a home before it is too late. Childress county is planning a re-organization of the salaries of the county officials. Some will be cut and others raised. The appointment of a road supervisor who will take over all road work duties from the commissioners is also being considered.

A representative was in Childress last week seeking a location for a branch of Draughon Business College.

The official football season opened in Mexico last Monday, December 3.

Many students in the University of Oklahoma lost their Thanksgiving holidays because of an epidemic of smallpox prevalent in that institution. Three deaths are reported.

The West Texas State Normal College is planning the erection of a new hall that will cost \$20,000.

A colored school was opened last week in Quanah.

Investigation by the officers disclosed shocking immorality among the high school girls at Wichita Falls. The situation has created quite a sensation in that city.

Radium has dropped to \$70.64 a gram and the Standard Chemical Company has been forced to close its mine in Colorado, throwing 250 men out of work. The discovery of vast deposits of the metal in Belgian Congo is said to be responsible for the drop from \$120,000 a gram.

Contracts have been let by Wilbarger county for grading a stretch of the Colorado to Gulf highway preparatory to paving from Oklahoma to about four miles west of Vernon. About seven miles of this stretch is already surfaced.

A man near Ralls last week sold three turkeys and bought a fine Jersey cow and calf with the proceeds and had \$1.85 left over.

The inventor of the tin-edged dustpan died last week in the Old Man's Home in New Hampshire. The invention was made in 1885 and the inventor tramped all over the country peddling his dustpans.

As a result of having been spurred in the face by a rooster, a six-year-old boy died at Alice the other day with lockjaw.

According to newspaper dispatches, a man in Ontario killed a bull moose the other day with a pocket knife.

The City Commission at Slaton has let the contract for the building of a city jail.

The chief of police of Lubbock has deputized a negro as a police in the negro district of the town. He made three arrests before eight o'clock on the afternoon he was placed on duty.

A man in Hockley county has let the contract for a well with a centrifugal pump of 14-inch steam capacity which he intends to use in irrigating 200 acres of land.

McLean is in the midst of a sidewalk-building campaign. A great deal of this work is being done in that city.

The tax collector of Wilbarger county has been having considerable trouble with taxpayers who have given "cold" checks in payment of their taxes.

A crazed Mexican with a long butcher knife gave chase to two school girls in Vernon the other day but was caught by bystanders and held until the arrival of officers. He is being held on a charge of lunacy.

Vernon is soon to begin the construction of a 10,000,000-gallon reservoir which will serve as an auxiliary supply to the city water works.

A mass meeting was called in Memphis Sunday night for the purpose of discussing plans for the erection of a new high school building. All churches called off their evening services for the occasion. The meeting was postponed, however. The need of a new building is being agitated considerably.

A worker on the new standpipe in Paris fell 130 feet the other day and

Wins Highest Scout Honor

In impressive ceremonies, Wm. Cannon, of Los Angeles, Calif., has been awarded highest scout honors, the National medal of Honor. Despite a terrific tide and high waves, he plunged into the sea at Honolulu last year, saving two women from drowning. Shown here, he is wearing his medal.

was uninjured but a spectator who was watching the "performance" was struck on the head by a falling scantling and rendered unconscious. The miraculous escape of the worker is explained by his having the presence of mind to grab a hose from the tower and sliding down that until within about eight feet from the ground.

The Methodist of Canyon are to build a \$60,000 church next spring.

A school boy was arrested in Electric last week for tampering with the mail boxes.

A contract has been let for the construction of an incinerator for Electric to cost \$1,3000.

At an expenditure of \$12,750, Lubbock has bought a new fire truck with the necessary addition of hose.

TAXPAYER FAVORS CONCRETE RATHER THAN DIRT ROADS

The News is in receipt of the following communication from a local resident who, as can be seen, is an advocate of a concrete highway through the county on the Colorado-to-Gulf highway:

"As I have something I want to put before the people and the Commissioners of this county, I send this to you with the request that you place it where it belongs. It is in regards to good roads. I am in favor of calling an election for the purpose of issuing bonds for building a concrete highway running clear through Donley county on the Colorado-to-Gulf route, only, but will not support an issue to build a dirt road and will tell you why: I have just returned from my former home in the black land country. When I left there eighteen years ago the county was building the same road over every year. They used clay for a foundation and gravel on top and with two or three heavy rains the roads were gone and the taxpayers' money was gone with nothing to show for it. At this time they are using concrete and the day is not far off when the Texas roads will be mostly of concrete. Although it will come high, there is no use to delay the matter because later on the price of material will be even higher.

"Every person who has driven over a county road and has seen a bunch of men with horses and scrapers hauling the dirt from either side to the middle of the road knows that he is helping pay for that. He also knows, or should know, that it is money thrown away.

"Now let's get busy and have this election called and vote it through. I'll tell you what it will do for this country: It will increase the value of your lands; it will give you a better class of tenant farmers, a better class of people in the county; it will give us a better county and town to live in; it will help to keep lots of business at home that now goes to Amarillo and Memphis; it will give us a more satisfied and contented set of merchants.

"The people of this county are becoming tired of being taxed for good roads and, gentlemen, look what we get for our money. The time is not far off when we will be forced to concrete and the longer we wait the higher it will come, so let's start now. I noticed from the car window such a road through Wichita county—about fifteen or sixteen feet wide and the cars were gliding over it like a bird through the air. I will most cer-

tainly vote against any proposition in the future to build dirt roads in Clarendon or Donley county. I say Clarendon has not progressed as it should have since I have lived here and I believe I can tell why. We have one of the best little towns in Texas. We have the finest citizenship of any town in the world. We have the schools and the churches and we have the finest farming lands in the Panhandle. Our people are made up mostly of happy, contented, hardworking men and women and about all we need now is to co-operate, work together. Let's get a concrete driveway and it will pay us in more ways than I can enumerate.

STATE OF TEXAS, To the Sheriff or any Constable of Donley County—GREETING:

You are hereby commanded to cause to be published, once a week, for ten days, exclusive of the first day of publication, before the return day hereof, in some newspaper of general circulation published in said county, which has been continuously and regularly published in said county for a period of not less than one year, the following notice:

To all persons interested in the welfare of Dan Dean, a Minor.

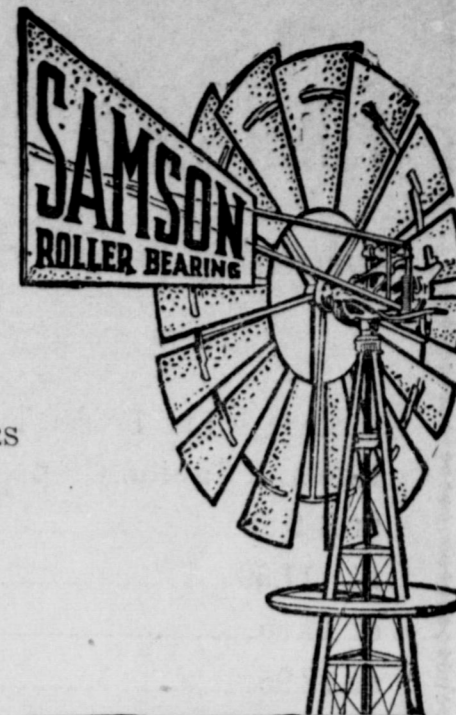

You are hereby notified that L. R. Dean has filed in the County Court of Donley County, Texas, an application for letters of guardianship upon the person and estate of said minor, Dan Dean, at the next regular term of said Court commencing on the first Monday in December, A. D. 1922, the same being the 4th day of December, A. D. 1922 at the Courthouse thereof in Clarendon, Texas, at which time, all persons interested in the welfare of said minor may and are hereby cited to appear and contest such appointment if they so desire and if said such appointment is not contested, same will be made permanent by the said Court.

Herein fail not but have you then and there before said Court on the First Day of the next term thereof, this writ with your return thereon showing how you have executed the same.

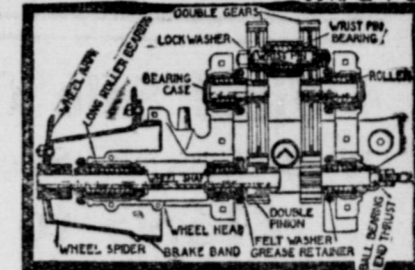

Given under my hand and seal of said Court, at office in Clarendon, Texas, this the 20th day of November, W. E. BRAY, Clerk County Court, Donley County, Texas.

SECOND PAYMENT MADE TO FARMERS ON WHEAT SALES

Checks amounting to \$20,000 were mailed out to members of the Texas Wheat Growers Association from the Amarillo office last week. This was the second payment, the first having been made when the wheat was delivered. Other payments are to be made later and the final payment will be made when the pool is closed.

The marketing of the wheat is far enough along that indications point to a saving of thousands of dollars to Panhandle farmers through the co-operative plan of selling, according to Judge L. Gough, vice president of the association.

The association will have many recruits next year, it is indicated. One man has already brought in 24 contracts. Farmers who joined last year are boosters this year, the officials say.

Judge L. Gough and E. M. Mc-

Cracken, president of the Texas Wheat Growers' Association, are planning to attend a conference of wheat growers of all states to be held in Kansas City December 4. This conference will be on marketing methods. They will also attend the conference of wheat growers of the Northwest to be held in Minneapolis December 7 and 8, and on December 14, 15 and 16 they will go to Washington to attend a meeting of representatives of all commodity marketing organizations. This conference expects to work out a plan of rural credits to take the place of the War Finance Corporation.—Amarillo News.

SENTIMENT FORMING FOR SYSTEM IN CHARITY WORK

The numerous appeals for charity that have been brought to light from various sources within the last few weeks have forcefully demonstrated to a number of Clarendon business men the necessity of some concentrated system of handling the city's charity cases, according to the opinions they have emphatically expressed on the matter. It was pointed out that the haphazard manner in which the work is now handled invites imposition and injustice. Numbers of cases of deserving people having to suffer because the funds have been "paralyzed" by some parties who did not deserve assistance were recalled by the men who are advocating a change.

This subject is aptly handled in an article appearing in this issue of the news written by one of our local citizens. The sense of the majority of those who have given the matter any thought is that the city needs some system of "United Charities" wherein all persons and organizations can concentrate their funds to be administered in a business-like manner.

LOCAL MEN REPORT GOOD SHOWING OF OIL IN MEDLEY

J. J. Taylor and N. N. Martin returned the first of the week from a trip to the Medley well, 10 miles northwest of Allenred, with a sample of oil which they declare was dipped from the slush pit of that test. They report that the drillers have found a splendid showing at a depth of 2900 feet. However, the log of the well leads the drillers to believe that a more prolific sand can be encountered at a greater depth and the well will not be "brought in" until that sand is reached. Every indication is that this hole will be completed a producer of exceptional quality and quantity.

LEGION AUXILIARY WILL MEET AT "Y" SATURDAY

The members of the Legion Auxiliary will hold a meeting in the Y. State Teachers' Convention. He was M. C. A. auditorium at 3 o'clock Saturday afternoon. All members are urged to be present as there is important business to be transacted.

TWO DEBATES ARRANGED FOR CLARENDON COLLEGE

The debaters of Clarendon College have filled two dates on their debating schedule for this year, according to Dean Condon who is in charge of the schedule. Challenges from Parks College, Parkville, Mo., and Shawnee University, Shawnee, Okla., have been accepted. The debate with the Oklahoma team will be held about the middle of March and the question will deal with the independence of the Philippines. The engagement with the Missouri institution will come about a month later. The discussion will deal with the question of establishing a parliamentary cabinet form of government in the United States. Both debates will be held in Clarendon.

Clarendon College has two intercollegiate debating teams, one composed of P. W. Walker and Cecil Pepples and the other, Mr. Drennon and Jake English.

HAYTER BROS. ARRANGED UNIQUE FOOTBALL WINDOW

Considerable comment was created by Hayter Bros. "football" window display Thanksgiving day. The decorations and designs were the handiwork of Carl Parsons and revealed quite a bit of originality. In the center of the window floor space a miniature football field was laid off with one set of goal posts each decorated with the colors of the contesting teams of the day, Canyon Buffaloes and Clarendon Bulldogs. One end of an arch over the field carried out the maroon and white of the Buffaloes and the other end was done in the Bulldogs' green and white. In the background was a large cardboard upon which were pasted pictures of members of the Bulldogs squad, so arranged as to form C. C.

Superintendent Nelson returned the letter part of last week from Houston where he had been attending the Y. State Teachers' Convention. He was in Dallas to see the Baylor-S. M. U. Saturday game. Mrs. Nelson accompanied him as far as Dallas where their little son underwent a minor operation.

County News

MARTIN NEWS

Sunday school and B. Y. P. U. at the regular hour. Rev. Smith of Clarendon came out and made a talk and told them he would accept their call.

Otis Wood and Miss Oby Elliott visited in the home of Mr. and Mrs. J. D. Wood Sunday afternoon.

Aubry Talley and Miss Maud Parsons was quietly married at the home of the brides' parents last Thursday evening. Rev. J. A. Smith officiating. We all wish them a long and happy life.

Mr. and Mrs. S. T. Nichols and Mrs. Latham returned home from a visit in Oklahoma the past week.

LELIA LAKE LOCALS

Pro. Weems filled his regular appointment at the Methodist church Sunday.

Bro. Kennedy filled his regular appointment at the Baptist church Sunday.

Bro. Stanford of Oklahoma preached at the Christian Church Sunday.

We are glad to report Grandpa Mace who has been real sick is better.

G. T. Adams, who has been very sick, we are glad to learn is better.

Harold Shadle, who has been very sick, we are glad to learn is better.

Mr. and Mrs. C. H. Ellis were in Clarendon Sunday to see their son, Eldridge who has been real sick, but we are glad to learn is better.

Mr. and Mrs. Wallace left for Ft. Worth Sunday to spend the winter.

Mr. and Mrs. Hubert Warner of Amarillo visited in Lelia Sunday.

Mr. and Mrs. Jim Patman were down from Clarendon Wednesday.

A party was enjoyed in the J. A. Tompson home Friday night.

Miss Edith Ellis has been visiting her brother, C. H. Ellis the past week.

Miss Edna Bullar has been visiting in Memphis the past week.

Grover Heath of Hedley was in Lelia Sunday.

Mr. and Mrs. E. J. Conner of Windy Valley were visitors in Lelia Saturday.

AMERICAN LEGION ELECTS OFFICERS FOR ENSUING YEAR

Monty R. Garrison was elected post commander of the local post of the American Legion in the meeting of the ex-soldiers held in the district court room last Friday night. Other officers are: Homer Mann, vice commander; Ralph Porter, adjutant; Ralph Kerbow, finance officer; Hugh Eldridge, sergeant-at-arms; Justice Anderson, chaplain; E. A. Simpson, historian.

The regular meeting is to be held tonight and all members are urged to be present as the post commander expects to bring up some important business.

The posts are at this time busy enrolling members for next year and the probability is that the Clarendon unit will stage a membership campaign between now and the first of the year.

ERROR IN DEATH DATE LINE FROM CLARENDON

The appearance last Tuesday in a daily paper of the state of a dispatch from "Clarendon" relating the details of a "shooting scrape" wherein "W. H. Shawler" was killed by his son created quite a bit of excitement in Clarendon. An investigation for the facts in other papers, however, disclosed the fact that the "fuss" occurred in Clarendon, Arkansas, rather than Clarendon, Texas, and the community relaxed, cheated out of another scandal.

Dewey Garrison, Pete Kinney and Roy Bartree of Childress were visitors in Clarendon last week.

"SHOES THAT WEAR"

CITATION BY PUBLICATION

THE STATE OF TEXAS TO THE SHERIFF OR ANY CONSABLE OF DONLEY COUNTY

GREETING: You are hereby commanded to summon Mary Waller Rea, B. M. Rea and John A. Rea and each of them by making publication of this citation once in each week, for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, to appear at the next regular term of the District Court of Donley County, to be held at the court house thereof, in Clarendon, on the second Monday in January, 1923, then and there to answer a motion for a new trial in the nature of a bill of review, filed in said court in cause No. 1106, on the docket of said court, in which Kimbrough, Underwood & Jackson a firm composed of W. H. Kimbrough, R. E. Underwood and M. J. R. Jackson, is plaintiff and Mary Waller Rea, B. M. Rea, John A. Rea, Henry Holmes, T. M. Kinney, W. E. L. Luce, E. G. Luce, A. F. Luce, F. R. Carl and Charles Molter are defendants.

That since the trial of said cause in the District Court of Donley County, said W. H. Kimbrough has departed this life, leaving as his surviving and sole heirs at law his wife, Alice P. Kimbrough, and children, Mary H. Hart, a widow, (formerly Mary K. Kimbrough) Willie H. Kimbrough, (a feme sole) and Bradley B. Kimbrough, all of Potter County, Texas, and Bobbie R. Rutledge (formerly Bobbie R. Kimbrough) her husband, W. J. Rutledge, Jr., and Harris M. Kimbrough, of Dallas County, Texas, and who are herein made plaintiffs in said cause No. 1106.

As alleged in said motion for a new trial, the said defendant Charles Molter in substance says: that by reason of a judgment and order of sale under the terms of a certain attachment lien issued out of a certain cause in the District Court of Potter County, Texas, a sale thereunder, and a deed of conveyance by the sheriff of Donley County, Texas, in a certain cause pending in said District Court of Potter County, Texas, styled Charles Molter vs. Mary Waller Rea et al., and numbered on the docket of said court No. 2656, the said Charles Molter became and has at all times since the 14th day of July 1920, and the 19th day of August 1920, respectively, been the legal and equitable owner and entitled to the possession of certain lots described therein to-wit: All of lots Numbers 9-7-3 and 9 in Block Number Nine (Section of Grant's Addition to the town of Clarendon, in said Donley County, Texas.

That in said cause No. 1106, and on to-wit: the 27th day of January, 1921, a judgment was entered on the docket of said court of Donley County, Texas, in favor of said Kimbrough, Underwood & Jackson, and against all other defendants therein in which it was adjudged and decreed that the title of the defendant Charles Molter therein (plaintiff in this motion) to said lots was invalid, decreeing the cancellation of his deed of conveyance from the sheriff of said Donley County, Texas, and rendering judgment for said plaintiffs, Kimbrough, Underwood & Jackson, for the amount of their debt against the defendants Mary Waller Rea and

her husband B. M. Rea, together with a foreclosure of their deed of trust lien upon said lots; that in said suit the defendant Charles Molter was not personally served with citation; that he was then, theretofore and still is a resident citizen of the State of Kansas and so alleged to be in plaintiff's petition in said cause No. 1106. That the said defendant Charles Molter, was cited in said cause No. 1106 by publication only, that he was not present at said trial and was not represented by an attorney of his own selection, but only by an attorney appointed by the court trying said cause, that he knew nothing of said suit, until long after the rendition of said judgment.

Defendant Charles Molter (Plaintiff in this motion) further alleges that it is not true as alleged in plaintiffs petition in said cause No. 1106, that no legal notice of the sale of said property under the order of sale in said cause No. 2656, had been given to the defendants in said cause of said sale or said property, but says that the sale of said property the compliance with all the requirements provided for in the sale of said property under an order of sale duly issued out of said cause No. 2656, under the laws of the State of Texas, including the issuance and mailing of due and proper notices thereof, to all defendants in said cause No. 2656 as well also as to their attorneys of record, and especially to said Kimbrough, Underwood & Jackson, that the attachment lien of said Charles Molter, defendant therein, as foreclosed in said order and judgment in said cause No. 2656, was fixed and established long before the date of the pretended deed of trust executed by the defendants Mary Waller Rea, and B. M. Rea to said Kimbrough, Underwood & Jackson, and was in all things a valid and superior lien on said property.

Defendant in said cause No. 1106,

(plaintiff in this motion) prays that citation issue as required by law; that the judgment in said cause No. 1106 be set aside; that he be granted a new trial and that upon a rehearing of said cause, he have an order and judgment cancelling and holding for naught said judgment in said cause No. 1106, the order of sale is been executed thereunder, and that the deed of conveyance which may have been executed thereunder, and that the cloud thereby created upon the title of said Charles Molter be removed and that the title to said lots be in all things quieted in said Charles Molter, for costs of suit and for his writ of possession.

Herein fail not, but have you before said court on said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same. Witness W. E. Bray, Clerk of the District Court of Donley County, Texas, this day of November 1922.

W. E. BRAY, Clerk District Court, Donley County, Texas. (52c)

FOR SALE OR TRADE—Work mules. Cash or note. See E. M. Ozier or phone 143.

Let us lay the Xmas present away for you. Goldston Bros.

CARD OF THANKS

We wish to thank our many friends and neighbors for their kindness in the sickness and death of our sweet little baby and brother. May God bless you one and all is our prayer. Mr. and Mrs. Elmo Shoffit and little daughter, Reba Lois. (49p)

CITATION BY PUBLICATION

THE STATE OF TEXAS.
To the Sheriff or any Constable of Donley County, GREETING:

You are hereby commanded to summon S. P. Reid by making publication of this citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Donley County, to be holden at the court-house thereof in Clarendon, Texas, on the second Monday in January, A. D. 1923, the same being the 8th day of January A. D. 1923, then and there to answer a petition filed in said Court on the 7th day of December A. D. 1922, in a suit numbered on the civil docket of said Court No. 1264 wherein Mary Reid is Plaintiff and S. P. Reid is defendant, said petition alleging that Plaintiff and Defendant were lawfully married at Oklahoma City in the State of Oklahoma on August 24, 1918 and that said marriage relation still exists; that thereafter on or about the 15th day of December 1919 the defendant was taken in adultery and began a course of harsh cruel and excessive treatment toward the Plaintiff which rendered their further living together insupportable on April 1, 1919; That since said date last mentioned Plaintiff and defendant have lived separate and apart and that the Defendant did on the 15th day of April 1919 leave and quit the Plaintiff with an intention to permanently abandon her and has never since lived with or supported or maintained Plaintiff in any way; Plaintiff prays for a dissolution of the marriage relation and for relief general and special and for costs.

Herein fail not, but have before said court on the said first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness W. E. Bray, Clerk of the District Court of Donley County.

Given under my hand and the seal of said Court, in the city of Clarendon this 7th day of December A. D. 1922.

W. E. BRAY, Clerk, District Court, Donley County, Texas.

By W. E. Nelson, Deputy.

Issued this 7th day of December A. D. 1922.

W. E. BRAY, Clerk, District Court, Donley County, Texas.

By W. E. Nelson, Deputy.

Miss Cleo Bowers returned Sunday from Vernon where she spent the Thanksgiving holidays with relatives.

Robt. Wilson returned Wednesday from an extended hunt in South Texas. He reports that he saw some

beautiful country but did not have much luck hunting as there were too many hunters ahead of him. He hunted in Brewster county sixty-five miles south of Marathon and, on his return, stopped over for a day or two in the Junction country. The hotels were fairly crowded with hunters, he said. Mr. Wilson was accompanied by his brother-in-law, H. E. Rogers of Vernon.

LOCAL HAPPENINGS

Postmaster Crawford of Pampa was a visitor in Clarendon Thanksgiving.

Mr. and Mrs. O. W. Latson visited in McLean last week.

Ed Barnes was a business visitor in Groom last week.

Frank Jordan of Groom was a business visitor in Clarendon last week.

Mrs. C. B. Trent is in Oklahoma City visiting with her parents.

J. S. Ulm was transacting business in Canadian last week.

Dr. S. P. Vineyard of Amarillo is in Clarendon today on business.

Mrs. J. B. Baird visited in Amarillo Monday.

Mr. and Mrs. R. C. Weatherly were visitors in Groom Monday.

Sheriff Rutherford returned Friday from El Paso where he had been to bring back a prisoner.

Miss Olive Martin went to Panhandle Sunday for a visit with her sister in that city.

W. T. Hayter was a business visitor in the Conway community, near Panhandle last week.

Mr. and Mrs. Geo. Taylor were visitors in Panhandle with Mr. and Mrs. E. E. Carhart last week.

Chas. Dean, Jr., is teaching at Celdston this week in place of a teacher called away by sick relatives.

Homer Mulkey, Clint Perdue of Clarendon and P. B. Farley of Groom left Sunday night for Waco to attend the annual session of the Grand Lodge of Texas, A. F. & A. M.

Miss Ruby Coker of Quanah visited in Clarendon Thanksgiving.

O. W. Latson and children were in Amarillo Friday.

Mrs. Chas. Lowrey visited her parents, Mr and Mrs. S. A. Cousins, in McLean last week.

Miss Katherine Kinney of Childress visited her brother, D. Kinney, Thanksgiving.

Buford Parmer of Hereford spent Thanksgiving in Clarendon visiting his sister, Mrs. S. H. Condron.

Mr. and Mrs. R. H. Spiller of Canadian spent Thanksgiving in Clarendon with his brother, E. B. Spiller.

Luther Gribble of Wellington was in Clarendon Thanksgiving to attend the Canyon-Clarendon football game.

Miss Essie and Bob Patton spent the week-end in Panhandle visiting relatives.

Miss Alberta Hilburn visited friends and attended the football game here Thanksgiving.

Mr. and Mrs. O. T. Smith and little son of Pampa were among the visitors in Clarendon for Thanksgiving.

Mr. and Mrs. James Mahan of Wellington were here Thursday visiting and to witness the football game.

Irvin SoRelle of Canyon spent Thanksgiving in Clarendon with home-folks.

Miss Ola and Master Winston Gro-an of Amarillo visited friends in Clarendon Thanksgiving.

Miss Virgie Porter and Miss Elsie Stiles of Wheeler visited in Clarendon Thanksgiving.

Buck Britt and Gordon Holt of Wheeler spent Thanksgiving in Clarendon.

Born to Mr. and Mrs. Earnest Wright, a girl, on Friday, December 1.

Born to Mr. and Mrs. R. W. Moore, eight miles southeast of Clarendon, a boy, on Wednesday, November 29.

Mr. and Mrs. Allen Beville of Amarillo spent Thanksgiving in Clarendon with home-folks. He went to Wichita Falls on business Friday.

G. D. Sikes and G. F. Mullino returned Saturday from a trip to Haskell. They made the trip in a car

and remained in that country for about a week. The Clarendon men report that the crops in that section of the state are much better than they expected to find them. "They surely have got us beat," Mr. Sikes said.

Tiger of France is With Us

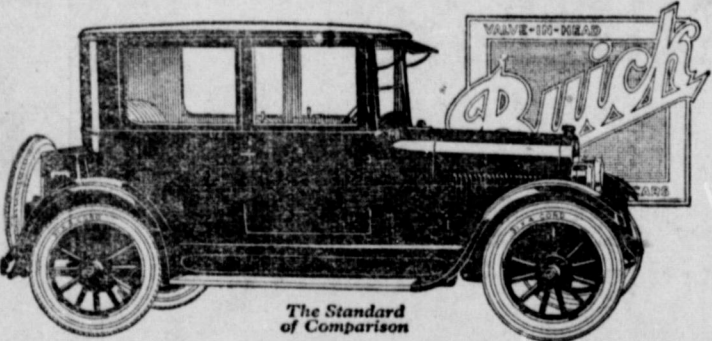

George Clemenceau, The Tiger of France and the great War Premier, is now on a triumphant tour of the United States, carrying a message of national friendship. The grizzled old warrior is now 81 years old. Above his first look up at the famous Woolworth Tower in New York. Below—his reception at City Hall Park, N. Y.

MISSES RHEA PRINCIPALS THANKSGIVING WEDDINGS

The office of Justice of the Peace Leon O. Lewis was the scene of a double wedding at 12 o'clock Thanksgiving in which Misses Lena and Beulah Rhea, cousins and granddaughters of Jno. Rhea of Briscoe county were the brides. With Justice Lewis performing the ceremony Walter Bulloch and Miss Beulah Rhea became man and wife, while

Henry Heckman took Miss Lena Rhea as his bride. Mr. and Mrs. Bulloch will make their home near Brice and Mr. and Mrs. Heckman will reside in the Palo Duro country. Sheriff-elect Joe Merrick of Hall county was in Clarendon Sunday after a prisoner which he took to Memphis for trial. Read the advertisements.

The Standard of Comparison

Suited to Every Kind of Motoring The Four-Cylinder Touring Sedan—\$1325

Business driving during the day—social motoring in the evening and week-end tours or vacation trips—all are equally enjoyable in the Buick four-cylinder touring Sedan.

It is a fine closed car; rich in the luxury of its handsomely furnished Fisher-built body and fitted with every refinement for year round comfort, ble and convenient driving. A sturdy trunk, carried on the rear, affords the baggage space for touring and adds a distinct smartness to the long, racy appearance of this car.

The famous Buick valve-in-head engine and the rugged Buick chassis provide economical transportation and dependable performance.

One ride in this touring sedan will reveal to you how perfectly this Buick fulfills every demand of perfect closed car motoring.

COTTON SHOWS 37 PER CENT INCREASE IN 1922

Counties in West Texas within the jurisdiction of the West Texas Chamber of Commerce show cotton production for 1922, up to October 25, to be approximately 137 per cent in excess of a corresponding date last year. The figures are those given by the federal department. Jones county again leads West Texas in production, according to the figures.

Due to the dry weather of the summer the staple opened much earlier this season, which accounts for the large percentage increase in bales ginned up to October 25 over the corresponding date last year. This percentage figure will be greatly reduced from time to time as federal reports come in, due to the fact that little cotton will be ginned from this date forward.

Some of West Texas counties reporting, together with the ginnings for 1922, in first column, and ginnings for 1921, in the second column, follow:

Archer	2,348	1,189
Baylor	7,130	4,781

POSTED NOTICE

The public is hereby warned that hunting and wood hauling is forbidden in the R. O. pasture. All trespassers will be vigorously prosecuted. (tf) W. J. Lewis

Deputy Sheriff Wilson of Claude was a business visitor in Clarendon Monday.

JUST STOP GROWLING AND GRAB THE JOB

Stop growling and grab the job. This is the advice which, in more elegant phraseology, Mr. Nathan Adams, Dallas banker, has given.

"The great need of Texas and America today is work," says Mr. Adams.

"Cease being calamity howlers and give honest values at an honest price," Mr. Adams continues.

Again the advice is just. A man can think himself sick, so that in the end he cries out in anguish of body.

So a man or a group of men can howl about hard times until those times which, in reality, are but a small hill, are magnified into a mountain through the power of quitter's pessimism.

Mr. Adams has shown that Texas is not in bad shape.

His exposition to the Dallas Advertising League was reinforced by what Mr. M. H. Wolfe had to say. Listen to these few sentences of his talk and realize that this state is as sound as a gold certificate.

"The Texas cotton crop promises to bring into Texas \$422,000,000 this year as against about \$231,000,000 last year. Thus it will be seen that the buying power of the people will be \$191,000,000 greater this year than last year. Furthermore, all of the cotton crop money was absorbed in the payment of debts, leaving many people with obligations unpaid. This year these old debts have been liquidated and the banks hold large deposits of surplus funds, many small banks having doubled their deposits within the last sixty days."

Does that look as if Texas had gone of the demeriton bow-wows?

Does that sound like the snarl of the hungry wolf at the door?

Does that have the appearance of a debacle?

No. It is a challenge to the howler. It is a defiance flung in the face of the shirker.

It is a message to every man who will work that his work shall not go unrewarded.

Stop growling. Grab the job, and twist the best results you can get out of it.

If you do these things you will prosper.

If you don't, you will fail, through some rich uncle should leave you a ten-thousand-acre black land farm.—Dallas Times-Herald.

Most Girls Can Have Pretty Eyes

No girl or woman is pretty if her eyes are red, strained or have dark rings. Simple camphor, hydrastic, witchhazel, etc., as mixed in Lavoptik eye wash, will brighten the eyes and a week's use will surprise you with its QUICK results. Regular use of Lavoptik keeps the eyes healthy, sparkling and vivacious. The quick change will please you. Dainty aluminum eye cup FREE. People's Pharmacy.

Geo. Ryan and Harry Sitner motor to Amarillo Monday.

EXPERT SAYS BURN GRASS TO DESTROY CHINCH BUG

G. W. Harris has received the following communication from Mr. Reppert, Entomologist of the Extension Service, regarding the control of chinch bugs:

"It is hard to burn the bunch grass entirely to the ground, and in the colder sections severe weather subsequent to burning is as largely responsible for bug mortality as the heat of burning itself. This severe weather is usually lacking in most sections of Texas, and so especial care should be taken that this grass be burned to the ground. Burning against the wind, at the same time agitating the grass with a fork, will secure this result. Dry warm days, when the grass will burn most readily, and when the bugs have moved higher in the grass, are ideal for the work. Sometimes it may be necessary to use a gasoline torch to burn the grass sufficiently close.

"In Texas, we believe burning should not be done previous to December first, but should be accomplished by January first. If an organized burning campaign is carried on at this time, the next season's crops are not only protected against chinch bugs, but many hibernating boll weevils are destroyed, as well as many other insects against which no control measures are practical during the growing season.

"In Texas, winter burning is the most practical method of chinch bug control. Control measures during the growing season, as practiced in the more northern wheat growing sections, are of small value in our section."

"The Extension service does not endorse any movement having for its object the burning of crop residues in fields. This organic matter is needed to conserve soil fertility. Burning of grass in waste places will not however, in our opinion, result in serious loss."

RAIL BODY GET DAILY STOCK CAR REPORTS

Austin, Texas, Nov. 28.—In order to keep in touch with stock car shortage in the western part of the State, for the purpose of giving relief, Railroad Commissioner Clarence E. Gilmore today made a motion whereby the commission will receive daily reports on stock car demands and supply. This was done some years ago by the commission in the grain belt when the wheat was spoiling on the ground.

Commissioner Gilmore is back from Washington and there conferred with members of the Interstate Commerce Commission and its bureau, of car distribution. "I found," he said, "that by being able to furnish the Interstate Commerce commission and its car distribution department with specific information, we can get relief in Texas. It is not enough to complain that a car shortage exists, but when we advise that on a given line there is demand for 500 stock cars and only 150 in sight the authorities at Washington will help supply the deficit."

Under Mr. Gilmore's motion the West Texas lines will report daily the number of cars demanded for shipment of stock and the number the railroad is able to provide. If there is a serious shortage, that fact, in specific figures and exact location will be wired to Washington. Stock cars will be ordered there from other lines and other territories.

TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's Clarendon evidence—doubly proven.

L. L. Taylor, proprietor of blacksmith shop, First St., gave the following statement on January 28th, 1911. "I had a lame back and the pain across my kidneys was so bad it was difficult to straighten. Every time I bent, sharp twinges shot through my back. I had heard about Doan's Kidney Pills, so I took them. I can vouch for Doan's because I had not used a whole box before I was at work again. Doan's drove the pain and lameness away."

NO TROUBLE SINCE

On April 29th, 1919, Mr. Taylor added: "I have had no further trouble since Doan's Kidney Pills cured me. I still highly recommend Doan's."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that

Mr. Taylor had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

GRANDMA HASTINGS

We the members of the Senior Class of the Methodist Sunday School offer condolence to the bereaved family of our dear Grandma Hastings; who has gone to her Heavenly Home to dwell with God and the Holy Angels. We miss her in our class today, but know that she is with the Great Teacher above whom she trusted until the last breath. Let's strive to meet her in the Happy Land. Grandma, like Him who went about doing good, was known for her many deeds of kindness and love for every body. She lived the religion that she professed, by bringing joy and sunshine into the lives of those she met. Weep not for Grandma for she has gone where there is no more pain or death.

Sky The Limit For This Memorial

In the rotunda of the Mammoth Cave, Ky., is this memorial, which can reach to the sky—and still be uncompleted. Visitors to the cave will bring stones from every State in the union to lay on it.

Poem by UNCLE JOHN

If it wasn't for expenses which is certain to accrue, I wouldn't mind the problems of existence like I do. . . I allers favored incomes, an' have spoke in their defense, but you can't produce an argyment in favor of expense!

I gather in my wages, when the same is duly earn't, and lay aside a stipend for the gasoline I've burnt,—I figger on a surplus to retain fer sartin' down, but she never lasts a minnit, when I mosey off to town!

To juggle expenses is the climax of my will, when I go against a blowout with a seven dollar bill,—but a double-header hits me whar the chicken got the axe, an' she sweeps away my surplus like a corporation tax!

I never knowed a failure that disbursements didn't cause; there's a world of forked lighnin' in our economic laws—and I'll give the feller credit for a wagon-load of sense, that invents a safety income, which is bigger than expense!

COMMUNITY CHARITIES

Why does Clarendon not have a community charities? There is much charitable work to be done at all times, and with no organization there is much duplicating, and much neglect on the part of charity, because there are many real needy that do not make their wants known. There are the several different churches, and lodges, the Good Fellows, the Klan, and many similar organizations, all trying to do a distinct work for charity, this gives room for imposition and a never ending chain of beggars, also duplication in many cases while letting some very worthy cases go with no one to look after their needs.

If Clarendon had one big charitable institution, with a proper board to administer its affairs, then backed by all the people, it would be in position to do something worth while, and really take care of its subjects, instead of dishing out a few groceries and toys to those that happen to come under the observation of some special church or society.

These same men contribute again and again under these churches and societies, when if we had a real business organization, they could concentrate their efforts and make it worth while.

Many cities have community chests, while the smaller town use the community charities, and the writer has been connected with two of these community charities and knows that it

removes many difficulties, and comes nearer taking care of the needy, than any plan where there is no organization.

I would suggest that there be a mass meeting called in the near future for the purpose of organizing and maintaining a community charities, then let all who are in need apply to this organization, and any person who knows of any that are in need report such case to the organization.

I take it that there is no one who would not support an organization of this kind, when they are assured that their money will be properly and wisely expended.

Think it over and lets get action. Yours truly,

A Citizen.

POSTED NOTICE

All persons are hereby warned against hunting, wood hauling and trapping in the C. T. Word & Son pasture in Hall and Donley counties. All violators will be prosecuted promptly.

C. T. Word & Son.

CARD OF THANKS

We wish to thank our neighbors and friends who were so kind and sympathetic during the recent illness and death of our wife and mother.

We have that Xmas present for everybody, and the price is right. Goldston Bros.

DEPARTMENT

The News has opened a Radio Department for the benefit of the radio fans of Clarendon and will be glad to publish any item of interest that may be submitted by them. Besides weekly programs, this department will contain a variety of articles that will be both instructive and entertaining.

MEMPHIS THEATER WILL INSTALL LOUD SPEAKER

Through the co-operation of the theater management and the Panhandle Radio Company, the patrons of the Palace Theatre at Memphis will soon have an opportunity to enjoy high class music from all over the nation via radio.

A loud speaker, the largest type manufactured, has been ordered and will be installed as soon as it arrives, in connection with a long range receiving set furnished by the Panhandle Radio Company. The loud speaker will be of sufficient power to be audible in all parts of the building.

On stated nights the audience will be regaled with grand opera, orchestra and instrumental music and vocal selections broadcasted by stations in all parts of the country.

MAY FORM RADIO CLUB FOR CLARENDON FANS

So far as The News has been able to ascertain, Clarendon boasts a total of twelve radio receiving sets, distributed as follows: Dick Allen, Allen Garage, John Henson, J. T. Patman, Marvin Land, Rhodin Chase, Homar Skelton, Robt. Tatum, Warren Bray, H. B. Kerbow, Homer Mulkey, H. C. Kerbow & Sons. The interest in this new wonder is rapidly growing in this city and considerable talk is now heard of the formation of a Radio Club for Clarendon. The idea is that this club shall have regular meetings in which members can get together and discuss their various problems encountered in their experience.

Lelia Lake has two receiving sets and others in that town are contemplating joining the ranks of the fans. Local fans have been having considerable luck in picking up distant stations during the last few days. One man heard Milwaukee and another reports that he got Havana, Cuba.

WEST TEXAS TOWNS FEATURED BY RADIO

Beginning last Monday, eleven West Texas towns, in order, are being featured in special radio broadcasting programs by the Dallas News and the Dallas Journal. According to the plan, each town has a day and on that day there will be an address setting forth for the benefit of the people of the whole country the particular appeal of the town to its own people, to the people of the state and the citizenship of all the states.

In this series, the program devoted to the particular town will be from 8:30 to 9 o'clock in the evening. Following is the list of towns so honored:

Cisco, Monday; Baird, Tuesday; Abilene, Thursday; Stamford, Friday; Next week—S e m o u r, M o n d a y; Olney, Tuesday; Newcastle, Thursday; Graham, Friday; Jacksboro, Saturday; Mineral Wells, Monday,

Dec. 18; Weatherford, Tuesday, December 19.

HUNTERS HEAR MANY CITIES OVER HOME MADE RADIO SET

Hunting and fishing trips surely are different from what they used to be, when only the cry of the chuck-wills-widow and the mournful howl of the coyote broke on the night air. Nowadays one takes a radio along and hears a Chicago prima donna or a New York City violinist, or any number of other interesting things.

Mr. and Mrs. E. W. Hampton and Mr. and Mrs. C. C. Manis, on a camping trip to Beaver creek Saturday night, picked up Davenport, Ia., Chicago, Los Angeles, Dallas, Houston and other broadcasting stations. They were using a single tube detector set made by E. S. Stanley of Vernon. They strung the aerial between two trees and used a car battery for the "juice."—Vernon Record.

A radio set has been ordered and will be installed in the dormitory of the fire station at Plainview.

A. & M. WILL GIVE SHORT COURSE TO BREEDERS

The Animal Husbandry Department of A. & M. College announces a special Breeders and Feeders Course for January 1 to 6, 1923. The following bulletin of instructions has been received by G. W. Harris, county agent: "A demand has been voiced on a number of occasions for the A. & M. College of Texas to offer a short, intensive, practical course for breeders and feeders of the various classes of live stock. This course has been planned to fill that demand. Four courses will be offered. One of these will concern beef cattle, one horses, one hogs, and one sheep. The instruction will be of a most practical nature and will be divided as follows for each of the classes of animals: "Five lecture hours will be devoted to feeding. The material covered will be the feeding of young growing animals, pregnant animals, market animals of various ages and weight, and feeding for show purposes. The care of the various classes of animals will be considered in connection with their

ODD FELLOWS TO HOLD ANNUAL HOMECOMING

The local order of the I. O. O. F. have nearly completed arrangements for the annual homecoming to be held in I. O. O. F. hall Dec. 11th, 1922, at 7:30 p. m. O. O. G. M. J. H. Hechey will be with us on this occasion. He being the principle speaker on the program.

Every member of the order is urged to be present on this occasion as Bro. Richey has something in store for us that will cause all of us to be proud of the great fraternity to which we belong. A bountiful supply of "Eats" will end the program.

A. A. Walker of Hereford was in Clarendon on business Monday. He also visited at the home of Mrs. F. L. Ferguson.

DISHONEST PREACHERS

It is rather a strange subject for me to discuss, and yet it is a subject which is very timely. Ministers will wince, some will get angry, some unsophisticated preachers will deny that there are dishonest preachers, and the dishonest preachers will pretend to be exceedingly pious, and will hurl their pious bricks at anyone who makes the suggestion. The fact remains that there are dishonest preachers. We are not referring to men who fail to pay their debts, altho there are many preachers who do not understand that an engagement must be kept on the day the note falls due.

We are talking about the blasphemous, premeditatedly dishonest preachers who remain in orthodox pulpits and draw their salaries from orthodox members of the church while they preach rationalism, socialism, heresy and anarchy every Sunday.

Any rationalistic preacher who stands in the pulpit and denies the fundamental doctrines of God's infallible Word and continues to draw his salary from the treasury of orthodox churches is dishonest. He is mentally dishonest, morally dishonest, and financially dishonest. He is getting money under false pretense, is living before the public a lie, and is practicing a fraud upon the congregation.

He is drawing his meat and bread from the pockets of honest, orthodox men and women.

Why isn't he honest enough to resign the pulpit? Why doesn't he go to his own crowd and ask them to give him a crust of bread and clothe his unworthy body. No, he defames God, and demands of God's people that they support him. If that isn't dishonest, then I do not know the meaning of the word.

The time has come when every church in this land composed of honest, consecrated, orthodox Christian men and women should rise and drive from their pulpit such dishonest men. Send them to the fields to eat grass. Kick them out of your pulpits; cease to feed and to employ men who deny the infallibility of God's Word, who deny the Deity of Christ, and reject His vicarious atonement. Drive from the pulpit these dishonest, time-serving, salary-grabbing opportunists.

10 and 25c

NIGHT SHOW 7:15

COLLEGE PARENT-TEACHERS' ASSOCIATION

The Parent-Teachers' Association of the Clarendon College met on Monday afternoon in the domestic science hall. On account of the illness of some of the members and of other unavoidable causes of detention, the attendance was small. But the meeting was especially enjoyed, as "Home Economics" was the subject for the occasion. Miss Mildred Wilson, head of the Domestic Science and Art departments, gave a most pleasing address on Home Economics and its purposes. She said that economics in general has been defined as a science that treats of those social phenomena that are due to the wealth-securing and wealth-using activities of man. And Home Economics more specifically is defined as that branch of scientific knowledge of all agencies and means contingent to the making of the home and the home life. The chief aim of home economics is the utilization of all resources of modern science and invention in the improvement of home, and the striving towards freedom from dominance of material things, and their due subordination to the higher ideals of home life.

In the days of our grandmothers the house wife was a producer. She grew, spun and wove her own textiles, personally supervised the care of milk and the preparation of food, carefully guarded the water supply, and personally superintended the education of her children. Today the primitive industries of the home have grown into great manufacturing enterprises, and the sanitation of the home, the preparation of foodstuffs, the education of children, have be-

come matters of civic concern. The housewife is no longer a producer, but a consumer. She deals with a host of outside agencies. How necessary the training, then, to be able to deal intelligently and economically with the various agencies in securing food, clothing, sanitation, education and health for her children. Miss Wilson said that the fact that the people of the United States spend annually billions of dollars in the maintenance of their homes, makes women an important and powerful economic factor in the civilized world. Housewives largely control the expenditure of the nation, and therefore should be educated to meet their responsibility. The housewife should be trained to know the true value of fabrics and textiles, to be able to detect the falsity of a so-called all-wool fabric, for instance. She should be able to resist the influence of fashion in the temptation to buy foolishly and extravagantly that which will be useless and wasted in a short season. Miss Wilson mentioned in detail many of the advantages of a scientific training, to numerous to mention in this brief report. But the sum of it all is "saving"—saving steps, saving time, saving waste, and hence, saving one's energy, health, temper and soul.

After concluding this instructive address Miss Wilson interested her hearers exceedingly by giving many suggestions for Christmas gifts, and by showing some charming little gifts made by the pupils of the domestic art department.

Tea was served by the hostesses during a delightful social hour, and the ladies reluctantly departed not to meet again until the third Monday in January. At that time, Rev. J. T. Griswold will address the association on the subject of "Christian Education," and the hostesses of the afternoon will be Misses Betts, Lane and Mrs. J. B. McCarley.

In the meanwhile, on Dec. 14th, at 7:30 p. m. at the Girls Dormitory, the association will give a dinner for the benefit of the fund to be expended on a new curtain for the College auditorium. The price per plate for this dinner is 75 cents. No subscriptions will be asked for on this occasion, and a splendid music program will be rendered. It is hoped that all seats will be taken, and every one will participate in a joyous occasion, and also in this way swell the fund for the new curtain.

Mary H. Howren, reporter.

HOMEY PHILOSOPHY for 1922

Christmas is coming. Can't you see the twinkle in the eyes of those kiddies? Can't you hear the pit-pat of their anxious hearts when they awake in the mornings to make a rush for that stocking? And the joy when they examine it, the thrill of the anticipation, the delight of a wish fulfilled, the pure red blood sent coursing through the veins of the little mannikins that one of these days are going to help run the country. Think of the privilege of being able to create happiness of this kind, and to mould little men and women into bigger and broader beings. Christmas is the most glorious opportunity of all the year. Come to think of it, why wait—why not make a little Christmas in the home every once in a while. Dates don't matter. Most likely the date of Christmas isn't correct any how.

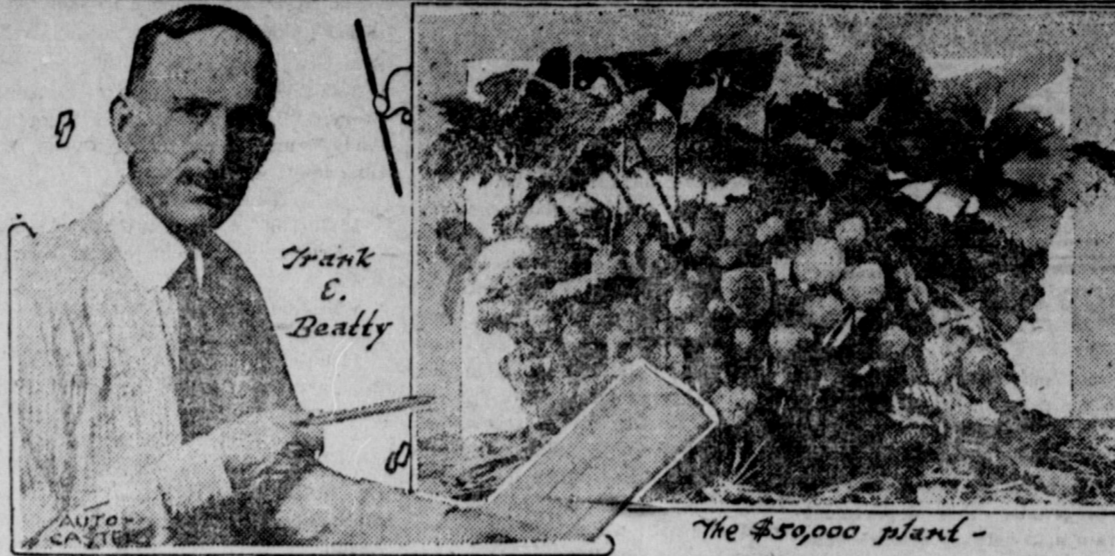

Paul Skelton went to Amarillo Wednesday to take some chickens to enter in the Poultry Show.

ATTENTION STOCKMEN AND FARMERS
We have just unloaded a car of Wire. We have Hog Wire, Barbed Wire, Poultry Wire, Garden Wire, Smooth Wire and Twisted Smooth, also the largest and most complete stock of Bois'darc and Mountain Cedar Post in Texas it is to your interest to see us before you buy.

Fifty Thousand Dollars For a Strawberry Plant

Frank E. Beatty, of Three Rivers, Michigan, has set a record price for strawberry plants. He paid Harry Rockhill, of Conrad, Ia., \$50,000 for an everbearing plant which has taken fourteen years to develop. The berries grown on this plant are gigantic. Mr. Beatty has named it the Rockhill berry.

ADAIR HOSPITAL MOST EFFICIENT

DURING PAST YEAR HANDLES 194 CASES AND SERVES COMMUNITY IN SPECIAL MANNER

At the annual meeting of the Board of Directors of the Adair Hospital held recently the business for the past year was reviewed and discussed in detail, after giving effect to every economy in the operation of the hospital that could be devised by the board, the result of the year's business showed a total of \$3491.78.

The business handled during the time was:

Major operations	38
Minor operations	67
Medical cases	75
Obstetrical	8
Deaths	6
Total	194

By dividing the number of cases handled into the total deficit it will be observed that the hospital sustained a net loss of \$18.00, on each case.

The institutions has at all times maintained that high standard of service and efficiency that has merited the patronage of the people and practicing physicians in the surrounding territory and adjoining towns.

Mrs. Cornelia Adair, who built, equipped, maintained and donated the hospital for the benefit of the community, personally paid all deficits during her life time, aggregating approximately \$4,000 per year and left it a legacy of \$35,000, which however will not be available for another year or two. In the meantime the directors have arranged their finances so that the hospital will in no way be effected or prevented from giving the best of service.

HIGHWAY ASSOCIATION GETS 22 MEMBERS IN CLARENDON

A total of twenty-two members of the Texas Highway Association were obtained by Mayor F. P. Reed in his membership campaign in Clarendon. Mr. Reed was ably assisted in the local campaign by Fred Rathjen, Geo. Ryan and J. H. Hurn. The Pampa mayor was a guest in the home of Mr. Hurn while in Clarendon. Messrs Reed and Hurn became friends when they both were residents of Wheeler county where Mr. Hurn was commissioner.

Mr. Reed was profuse in his commendation of Mr. Hurn as a citizen. "I don't believe you people of Donley county appreciate what a valuable addition you got when Mr. Hurn moved among you," the mayor said. "He is a man of sound judgment, unquestioned integrity, and you are fortunate in having him as one of your county commissioners."

Let us lay the Xmas present away for you. Goldston Bros.

We have that Xmas present for everybody, and the price is right. Goldston Bros.

CHURCHES HOLD SEPARATE SERVICES THANKSGIVING

Thanksgiving Day was observed by several local churches in services by their separate congregations. Services held by the Episcopal and the Baptists Thursday morning were well attended and Rev. Griswold preached to a capacity house Sunday night in the Methodist Thanksgiving service. Special music was rendered by the choir at all services.

Mrs. J. A. Shawver was in Amarillo Wednesday to attend the Poultry Show.

(Continued from page 1)

CLARENDON COLLEGE BEATS CANYON BUFFALOES 26 TO 0

The most spectacular runs ever witnessed in the history of football. In both cases this speedy back literally dived over the safety man after making long runs by dint of an uncanny ability to sidestep and elude the tackles, for as a rule, Canyon was able to pretty well account for what interference the Bulldogs developed before the play was carried very far. His first touchdown came early in this period on a twenty-yard run and an "aeroplane." Oscar Close again missed goal. A few minutes later, after M. Goodwin had made a gain of 38 yards through the line, George again broke lose around right end and carried the ball 12 yards and across. A pass, O. Close to Hitchcock, made the score 19 to 0 in favor of Clarendon.

In a desperate effort to come from behind, Canyon opened the last half with a series of passes and it was in this quarter that the visitors were able to develop an offensive that was anything like formidable. A few short gains through the line and some passes completed for material gains put them within Clarendon's twelve-yard line but a loss of six yards on a fake and another loss of one yard on an attempted buck coupled with a penalty deprived the Buffaloes of the ball and the one threatening situation of the contest was averted.

About the middle of the last quarter, M. Goodwin carried the ball through the line for the last counter after the pigskin had been steadily carried down the field, on bucks and runs, assisted by one completed pass. O. Close kicked goal. Canyon attempted passes again this period but without success as they were almost invariably forestalled by the Clarendon backs and the game ended with the score: C. C. 26; Canyon, 0.

Clarendon was penalized several times heavily for tripping and for coaching from the side line but the game in the main was a clean one and one of the most interesting staged on the local gridiron this year.

George Close was unquestionable the shining star of the game. This Shamrock lad played the best game of his life and pulled some "big league" stuff that is seldom seen in contests among the smaller conferences. The entire backfield for Clarendon performed well and Bulls in the line laid splendid work, particularly on the defense.

For the Buffaloes, Burson and Bivens in the backfield were stars. Henry and Mitchell at ends deserve a great deal of credit for the way they handled Clarendon's interference.

Following is the lineup:
Line up:
Clarendon

Lare	Left End	Canyon
Peoples	Left Tackle	Henry
Katloff	Left Guard	Johnson
Collingsworth	Center	Raylor
Self	Right Guard	Sanders
Smith	Right Tackle	Whitacre
Hitchcock	Right End	Lancaster
O. Close	Quarter Back	Mitchell
M. Goodwin	Left Half	Graves
G. Close	Right Half	Stewart
E. Goodwin	Full Back	Bivens
		Burson

Substitutes:
For Clarendon, Bulls for Self, Self for Rathjen, Rathjen for Self.

For Canyon, Vaughn for Henry, Bivens for Mitchell, Reed for Stewart.
Officials: Purcells, referee; Conley, umpire; Jones, head-linesman; Parmer, time keeper.

Miss Julia Lewis of McLean spent the week-end in Clarendon with her parents, Mr. and Mrs. Leon O. Lewis. Miss Lewis did not get to come home for Thanksgiving.

KANSAS CAR IS LOCATED HERE

MACHINE DRIVEN BY MAN ARRESTED BY LOCAL OFFICERS WAS STOLEN IN WICHITA.

W. H. Wolf, a representative of the National Union Insurance Company of Pittsburgh, was in Clarendon Monday to get a Chandler touring car that had been stolen from that city about ten days ago. He left with the car Monday afternoon and expected to arrive in Wichita Wednesday night.

The machine was the one in which the party apprehended last week by Deputy R. L. Bigger and Deputy Sheriff Wilson of Armstrong county was endeavoring to make his escape from Amarillo after committing some petty larceny. Following a telephone message from Sheriff Rutherford who was in Amarillo at the Shrine ceremonies, R. L. Bigger left Clarendon to meet the Armstrong county deputy. They had the description of the machine and when they met without seeing any sign of it, they followed some car tracks to the south and found the machine abandoned near Ashola. Returning to the highway they found the man waiting to hail a car and continue his escape. The officers picked him up and carried him back to the car with the intention of bringing both man and car to Clarendon. Arriving at the car, the offender refused to give up the key, stating that it had swelled on him and he threw it away. He found it without much trouble, however, when Mr. Bigger threatened him with violence. The man was returned to Amarillo that day and the car placed in storage here to await an investigation.

Thursday, local officers received the information that the Chandler had been stolen from Wichita, Kansas some ten days ago. An investigation by the insurance representative disclosed the fact that the machine had been injured in no way. A spare tire was the only thing missing. The man had equipped himself with an Oklahoma license, which he had placed on the car, and a Texas license which he had not had time to put on at the time of his apprehension. He had discarded the Kansas license entirely.

The alleged thief was carried from Amarillo to Wichita Monday.

WIFE OF HUNNICUTT NOT IN CLARENDON

Sheriff Rutherford received a message one night last week asking that he locate Mrs. T. M. Hunnicutt who was thought to be visiting in Clarendon. Her husband, the message added, was seriously injured and not expected to live. A thorough search by the sheriff and his deputies failed to disclose the presence of Mrs. Hunnicutt in this city.

Mr. Rutherford later received information that Mrs. Hunnicutt was visiting in Tulla instead of Clarendon. Mr. Hunnicutt was seriously injured in an auto wreck near Electra last Monday week. He was a newcomer in that city and not very well known. None of his neighbors knew just where Mrs. Hunnicutt had gone and he was in such a condition that he was unable to give them information. This condition, it is thought, accounts for the error as to her location. The injured man died Monday night and his remains taken to Collinsville, Wise county, for interment.

Harold Smith returned Tuesday from a business trip to Altus, Okla. He left Clarendon last Sunday week.

YOU WILL FIND TOYS HERE THAT YOU NEVER THOUGHT OF SEEING—A REAL TOYLAND.

The American Stores' buyers have searched the markets to get all of the latest things and our consolidated buying makes it possible for us to give you prices in line with the largest city stores.

You will find toys here that you never imagine were made.

KILL KARE KLUB

Mrs. Harwood Beville was the charming hostess to the Kill Kare Club Friday, Dec. 1st. After a short business meeting a very pleasant afternoon was spent. Delicious refreshment were served. The next meeting will be Dec. 29th, when Mrs. Odos Caraway will entertain with a Xmas party.

Reporter.

CRANE HURT AT GAME

City Marshal W. L. Crane was in bed several days as a result of injuries received at the football game Thursday. Mr. Crane was standing near the sideline when some of the players ran out of bounds, struck him and knocked him down. He hurt his knee some way in falling.

THREE LICENSES ISSUED

MRS. DAVIS BURIED SATURDAY

Funeral services of Mrs. W. E. Davis were conducted at the Baptist church at 10 o'clock Saturday morning by Rev. J. A. Smith, pastor. The arrangements for the services had been held up since her death Tuesday pending the arrival of a daughter who came in from California Friday evening. Mrs. Edythe Cameron was in charge of the music.

The following marriage licenses have been issued by County Clerk Bray since last week:
Walter Bullock and Miss Beulah Rhea.
Aubrey Talley and Miss Maud Parsons.
Forrest E. Sawyer and Miss Ruth Davis.
Fred Rathjen and Ad Burkett motored to Amarillo Sunday.
