

POULTRY MEETING CALLED FOR DEC. 1

COMEDY TO BE GIVEN AND POULTRY FARMING DISCUSSED BY SPECIALIST.

"We are assured of the poultry meeting we have been expecting for some weeks," said C. W. Bennett this week.

The correspondence which Mr. Bennett has had with Mr. Woods informed him that in place of the usual lecture at the poultry meeting, there would be a play in four acts, entitled "The Lay of the Hen."

Mr. Woods will take the part of Phil R. Baskett, a successful poultryman. The other characters are: Lett M. Russell, Mrs. Russell, and Red E. Serviss.

The play is given here through the courtesy of the Clarendon Grain Company. The performance is free. After the play there will be conducted an open discussion upon questions brought up by poultrymen.

DISTRICT COURT ADJOURNS FRIDAY

LIGHTEST DOCKET IN YEARS COMPLETED WEDNESDAY; GRAND JURY REPORTS.

District Court will adjourn tomorrow, when Judge C. C. Small completes final details of the five weeks session.

Since the publication of the last report from the Court, which was made during the third week, the following cases have been tried: State versus Vester Fowler for murder of W. H. B. Moore.

Judge A. J. Fires of Childress was on the bench for the fifth week of court, substituting for Judge Small, who was called to Austin.

Hon. C. C. Small, Presiding Judge, District Court of Donley County, Texas, Clarendon, Texas.

Dear Sir: We, the grand jury of Donley County, Texas, empaneled at the October, A. D. 1927, term of your court, desire to report as follows:

We have been in session six (6) days, examined fifty-three (53) witnesses and have returned fourteen (14) bills of indictment for crime, all felonies.

The importance both of telling and swearing the truth cannot be over-emphasized. It should not be necessary to reiterate this fact over and over again, but it is. The home and the school should teach that character is their highest product and that no man can be said to have character who does not speak the truth, nor acknowledge the sanctity of a solemn oath.

The county jail is in a poor state of repair, but its sanitary condition is good. It is next to impossible to keep a prisoner in the jail of Donley County without confining him in the cell.

We have completed our work and ask to be discharged.

MOSS BUILDING MOST COMPLETE

FEATURES FOUND IN THIS BUILDING ARE LACKING IN MANY LARGER TOWNS.

The announcement of the removal of R. S. Moss from his former location on lower Kearney Street to his new home on East First Street is to be found in this issue of The News.

The new building that Mr. Moss is to occupy is one of the most modern in the city of Clarendon and in addition to this, will enable him to render service that will be better than any other station of this sort in the Panhandle.

Next to the alley, the offices and display rooms of the place of business will have their places. To the rear of this, the battery charging rooms and the service department for batteries and other electric appliances will be located.

Mr. Moss has added the Marland line of products to be dispensed through the medium of two pumps set on the curb.

CHILDRESS PAPERS PRAISE BOTH NEW AND OLD PASTOR

The Childress Index, in commenting on the recent appointments of the Northwest Texas Conference which affects an exchange in the positions of Dr. J. T. Griswold, presiding elder of the Clarendon District for the past four years, and the Reverend W. M. Murrell, former presiding elder of the Clarendon District, Childress, had the following to say:

The Methodists of Childress were disappointed and pleased Monday when the announcement was made that Rev. W. M. Murrell had been taken away from the First Methodist Church and made presiding elder of the Clarendon District.

The pleasure was in the announcement that Rev. J. T. Griswold had been sent to the pastorate of the First Methodist Church in Childress. Rev. Griswold served as pastor in Childress 20 years ago and at that time made many lasting friends among the people of Childress.

Rev. W. M. Murrell will be in Childress Monday afternoon, expecting to be present at the Wesley Brotherhood banquet. He will move to Clarendon some time during the week. Rev. Griswold will move to Childress this week, occupying the pulpit Sunday morning.

The Childress Post was also loud in its praise of both Dr. Griswold and the Reverend Murrell, and in Tuesday's issue made the following comment:

Succeeding Rev. Murrell as pastor of the Childress church, Dr. J. T. Griswold comes from the presiding eldership of the Clarendon District. He and his family are already known and loved in Childress as he was pastor of the church about 15 years ago, serving two years. The coming of this good man and his wife to the pastorate will in large measure soothe the ruffled feelings of the membership over the removal of Rev. and Mrs. Murrell, both of whom have greatly endeared themselves, not only to the membership, but to the entire citizenship.

Mrs. John Bass of Memphis was in Clarendon Monday afternoon, to attend the tea given in Mrs. J. T. Griswold's honor by the Win One Sunday School Class. Mrs. Bass was formerly a member of the class.

Mrs. H. F. Smith of Childress is the guest of her sister, Mrs. Silvester Dubbs. She arrived Tuesday night.

in the cell. Also there is no separate apartment for whites and blacks, nor is there a way to segregate youthful offenders from the others.

Respectfully submitted, W. A. POOVEY, Foreman, Grand Jury, Donley Co., Texas.

Bronchos Beat Tulia On Armistice Day

As a fitting climax to the Armistice Day celebration, the Clarendon Bronchos triumphed over the Tulia High School football team to the tune of 19 to 0.

The Bronchos started playing real football in the first half, and before five minutes had elapsed, they scored a touchdown. Darnell missed the goal. After Tulia had kicked, the Bronchos again took the ball on straight football up the field and a neatly executed forward pass, Darnell to Dillard, scored their second touchdown.

Most of the Broncho second team had a chance to play in the second half and although they did not score, they held Tulia safe the rest of the game. Captain Arnold was back in the game after two weeks' absence and seemed to be back to his old stride again. He was an inspiration to the team and they played a better game the first half than they have played so far this year.

Financially the game was a failure. Let's get back of the team and support them so they can come out on top.

500 AT ARMISTICE DAY EXERCISES

COMMUNITY PROGRAM AND HOLIDAY COMMEMORATE CLOSING OF WORLD WAR.

The ninth anniversary of the signing of the Armistice was celebrated in Clarendon with a holiday and an appropriate community program. On account of the extremely unpleasant weather, the parade was called off, and the program which was to have been given on Kearney Street was moved to the Pastime Theater.

The Clarendon Municipal Band played a short program outside the theater, to give notice of the change in place. The concert was completed in side, and the remainder of the program was carried out according to the original plan. The band concert was followed by the invocation by the Reverend F. T. Charlton, pastor of the Presbyterian Church. The assembly then sang "America," with Charles Dean Jr., leading and Miss Helen Martin playing the piano accompaniment.

W. H. Patrick presented the needs of the Red Cross in a brief address, giving an accurate outline of the history of the national organization and placing emphasis upon its activities in the year just past. He then told of the efficiency of the Donley County Chapter and expressed the hope that in 1927, as in years past, the County respond quickly and the membership quota of the Chapter be filled immediately.

Dr. A. J. Caldwell of Amarillo, himself a service man, delivered an address calculated to provoke much thought along the line of the sinister, insidious forces that are at work to destroy American institutions and ideals. He called upon all good citizens to be on the alert to protect the foundation principles of the Republic. The address was delivered in the pleasing and convincing manner that has made Dr. Caldwell one of the best known and most popular orators of the Panhandle.

The principal address of the day was followed by the singing of "The Star Spangled Banner" by the assembly, the benediction by the Reverend S. R. McClung, pastor of the Baptist Church, and a final number by the Band. The program was arranged by Mayor H. W. Taylor, representing the city; Clyde Douglas, C. Watson, who represented the Clarendon Lions Club. Sam M. Braswell presided at the exercises. The Band deserves special mention for the excellent services they rendered, and thanks is due the Pastime management for the use of the building.

Mr. and Mrs. Nelson Moore, formerly of Dalhart, have moved to this city to make their home. Mr. Moore is the new manager of the local branch of the Adams Dry Goods Company. He was with the Adams store at Dalhart before coming to Clarendon.

Dallas Culwell of Pampa visited Mr. and Mrs. R. I. McGowan and other friends in this city Sunday.

L. D. Gaston of Myra is here for a short visit with his daughter, Miss Lola Gaston, a student in the High School.

Mr. and Mrs. S. H. Condon and little son of Canyon spent the weekend with friends and relatives in this city.

Mrs. A. T. Cole and son, Abe Jr., spent the weekend in Fort Worth as guests of Mrs. D. W. Odell.

A UNION SERVICE ON THANKSGIVING

UNION SERVICE WILL BE HELD 10 O'CLOCK AT METHODIST CHURCH.

Rev. S. R. McClung, pastor of the Baptist Church of Clarendon, will preach the sermon at the Union Thanksgiving service which will be held next Thursday—Thanksgiving—morning at 10 o'clock at the Methodist Church. On precedent, Bro. McClung should have preached last Thanksgiving, but he was out of town over the week, so it will be the privilege of Clarendon people to hear him this Thanksgiving.

No formal program will be arranged, but those in charge of the service invite and urge the singers of the various churches of the city to be there promptly at 10 to take part in the song service of the morning.

In recent years there has not been the general attendance at the Union Thanksgiving service that is rightfully expected, therefore, the committee hopes to place the burden on each individual to come to the service and render due thanks for the great blessings of the Almighty.

HANNA-POPE STORE ROBBED EARLY SUNDAY MORNING

The Hanna-Pope dry goods store was burglarized at about 2:30 o'clock Sunday morning, by persons who gained entrance through a back window, after climbing a ladder in the vacant east of the building. Mrs. Katie Rathjen, who lives in an apartment at the rear of Rathjen's Shoe Store, adjoining the Hanna-Pope store, saw the men as they descended the ladder. Officers were called immediately, but before they or the managers of the store could reach the building, the burglars had escaped.

The exact extent of the loss to the store is not known. Nine or ten overcoats, among other things, were stolen.

MILLION DOLLAR CONCERN COMING

COLONIAL BUILDING AND LOAN ASSOCIATION ENTERS CLARENDON.

Clarendon continues to attract outside capital by her high class citizenship and known civic progress and stability, as shown this week when the Colonial Building and Loan Association entered this city with an organization of local officers and directors under the supervision of the field manager of this territory, Mr. F. J. Bolander of Amarillo.

This million dollar concern will operate in Clarendon business and residence real estate and property through a local advisory board with the following personnel: President Moore; Groom, A. O. Hood; Hedley, Joe E. Eldridge; Lakeview, H. B. Standlee; Lodia Lake, J. A. Laney; McLean, B. W. Wilkins; Memphis, C. E. James; Plaska, H. L. Wheeler; Mobeetie-Kelton, U. S. Sherrill; Pampa, T. W. Brabham; and Joseph S. Strother, junior preacher; Shamrock, C. W. Foster; Dozier-Hedley, John H. Crow; Wheeler, H. W. Barnett; Wellington, L. A. Smith; Wellington circuit, A. O. Graydon; missionary to Japan, Sam M. Hilburn.

Relating to the liquidation of the property of old Clarendon College, the Conference Board of Education has passed a resolution of thanks and appreciation to the local Board of Trustees for their very efficient handling of the problems connected therewith.

ERONCHO BASKET BALL GIRLS TAKE SECOND FROM McLEAN. The basket ball girls of the Clarendon High School are carrying out their schedule of games for the season with a great deal of enthusiasm and are winning the games as they are presented. Last Friday evening they walloped McLean in the second game of the season, winning from them with the score of 19 to 24. Friday evening of this week they will play the girls from the Claude High School in the school gymnasium and ask that a fine crowd meet with them and help win this game. The lineup will be found to include Gladys Noble, captain and forward; Margaret Strawn, forward; Delia Barnes, jumping center; Virginia Speed, running center; Marie Parker, guard, and Merue Trostle, guard. Miss Abbott is coach.

John Morris of Amarillo spent the weekend with his parents, Mr. and Mrs. Wylie Morris.

Mrs. Charles B. Herndon of Wichita Falls left for home Sunday morning, after spending a few days here in the home of her uncle and aunt, Mr. and Mrs. A. A. Mayes.

News Out a Day Early Next Week

Account of Thanksgiving, November 24, The Clarendon News will issue one day early next week. All advertisers and correspondents are requested to keep this in mind and get all copy in early as the paper will be put in the mails Wednesday afternoon instead of Thursday.

The News staff will appreciate your co-operation in this matter.

Bulldogs Meet Defeat At Hands of Wayland

Playing very poorly, the Bulldogs were defeated by the Wayland Jackrabbits at Plainview, Friday afternoon. It was a case of over-confidence. The canines played a listless game throughout and were never able to muster the usual Bulldog fight.

Wayland, on the other hand, sent an inspired team on the field to play before its "homecoming" crowd. Scoring a touchdown in the first few minutes of the play and never letting up, the Jackrabbits were able to win easily, 30-0.

John E. Owens of Dallas spent Friday here with his friend, O. L. Fink. Mr. Fink says that Mr. Owens, who is vice-president of the Republic National Bank, Dallas, was the first person with whom he became acquainted after coming to Texas 22 years ago.

Mrs. G. B. Bagby, Mrs. James Trent and Mrs. Charles Trent spent the weekend in Amarillo as guests of Mr. and Mrs. E. A. Simpson and attended the Armistice Day celebration at Berger.

W. E. Ayers, a former resident of Clarendon, arrived Tuesday morning from Dinuba, Calif., where he has made his home for the past several years. He is moving back to this city.

Malone Hagen of Amarillo spent the weekend here.

M. E. ASSIGNMENTS HEARD SUNDAY

W. M. MURRELL NEW PRESIDING ELDER OF THIS DISTRICT; S. E. ALLISON IS PASTOR.

Bishop John S. Moore, presiding at the five day session of the Northwest Texas Methodist Conference at Big Spring, read out Sunday night the appointments of preachers for the ensuing year. Many changes of assignments were shown in the list.

Appointments outside the Clarendon District in which Clarendon people will be particularly interested are those of Dr. J. T. Griswold, former pastor of the local church and presiding elder for the past four years, who goes as pastor to the First Methodist Church of Childress; and Dr. R. E. L. Morgan, former president of Clarendon College, who is retained as president of the Amarillo College. Dr. G. S. Stover was voted to the superannuate relation, to retire because of ill health, after nearly forty years active service. Many personal tributes were paid to this man, who for more than twenty-five years was president of Clarendon College.

The appointments in the Clarendon District follow: Presiding elder, W. M. Murrell; Alander-Lefors, H. G. Walton; Clarendon, S. E. Allison; Clarendon circuit, R. I. Hart; Claude, W. A. Hitchcock; Dodsonville circuit, Sam A. Thomas; Goodnight circuit, B. A. Moores; Groom, A. O. Hood; Hedley, Joe E. Eldridge; Lakeview, H. B. Standlee; Lodia Lake, J. A. Laney; McLean, B. W. Wilkins; Memphis, C. E. James; Plaska, H. L. Wheeler; Mobeetie-Kelton, U. S. Sherrill; Pampa, T. W. Brabham; and Joseph S. Strother, junior preacher; Shamrock, C. W. Foster; Dozier-Hedley, John H. Crow; Wheeler, H. W. Barnett; Wellington, L. A. Smith; Wellington circuit, A. O. Graydon; missionary to Japan, Sam M. Hilburn.

Relating to the liquidation of the property of old Clarendon College, the Conference Board of Education has passed a resolution of thanks and appreciation to the local Board of Trustees for their very efficient handling of the problems connected therewith.

SIXTH BANQUET WELL ATTENDED

FATHERS AND SONS ENJOY SIXTH ANNUAL EVENT IN ANTRIO HOTEL.

For the sixth consecutive time, the fathers and sons of the city of Clarendon and surrounding country gathered around the festive board Monday evening of this week. One hundred twenty-nine guests enjoyed the festivities of the evening and partook of the generous meal provided by the management of the hotel.

Although this was not the largest number that had attended an event of this nature, the good will and fellowship that prevailed were better than in previous meetings. From the beginning of the gathering in the lobby of the hotel, it seemed that each one was trying to outdo the other in making the event the success it deserved to be.

The program proper was opened when the Rev. S. R. McClung of the First Baptist Church opened the meeting with his invocation. The meal was attacked soon after this and the way the good eats faded from view was enough to make anyone glad they had come to the banquet.

This part of the program was followed by the Barber Shop Quartette, composed of Messrs. O. T. Smith, Irl Smith, G. L. Boykin and Charles Dean. They rendered two very excellent numbers and opened their program with a vengeance. Miss Haning was then called to the front and gave two very interesting violin solos for the gathering.

Truett McClung, member of the Hi-Y organization in the High School, was a speaker that left something for those present to think about. In addition to his ability to speak this young man has the distinction of having sold more than one-half of the tickets sold to the event Monday evening of this week.

Truett took as his subject the word "Father," dividing it into its component letters and giving each of them a meaning to itself. The first was taken to mean "friendly," the second to mean "advice;" "T" was given the meaning "time;" "H" was accorded the position of "hero;" "E" was made to mean enjoyment; and the final letter was given the position of respect. His address was much enjoyed by the gathering.

Dr. J. G. Sherman was introduced to the gathering of fathers and sons and gave some very worth while items for the gathering to consider. The majority of his remarks were given from his personal experience and bore the earmarks of being most genuine since many of the fathers and a great many of the sons had passed through the events in their own lives.

The president for the past year, Charles H. Dean, then took the remainder of the meeting hour. He first explained that the executive board had met with severe reverse during the past year, one of the members having removed to another state and another having answered the call to come out of this life into another. It seemed to be the irony of fate that took the father of the president only two weeks before the sixth event of this nature called the gathering around the festive board for another gathering that can never be duplicated. The toastmaster urged on those who have their fathers with them to show that they are appreciative of the fathers.

The very closeness of Charles to his father made the remarks strike home to all the hearers as they could never have done if the same words had been uttered by another speaker who had not experienced the loss of one who was very near and dear to him.

The election of officers for the coming year was the final item of the banquet for 1927. Sam M. Braswell was elected president and took charge of the meeting and held the election of the Executive Board. Truett McClung, Kenneth Kerbow, G. L. Boykin, O. C. Watson Sr., and Tom Connally Sr. were named on the board.

Adjournment followed the singing of "God Be With You Till We Meet Again."

A REQUEST

The officials of the Clarendon Municipal College are asking that the people in Clarendon who have copies of the catalogue please turn these to the secretary of the board or to any members of the faculty. The officials at the school are continually receiving inquiries and requests for catalogues from all sorts of students in all parts of the Panhandle. It would be impractical to reprint the catalogues at this time of the year and the request is that all unused books be turned to the correct place and they will be used to the best possible advantage.

Mrs. J. H. Koeninger of Hedley was among the shoppers in this city Thursday.

Mr. and Mrs. G. G. Kemp and daughter, Miss Elizabeth, returned Sunday from a business trip to Vernon and Frederick, Oklahoma.

J. P. Drake of Hedley was a business visitor in this city Thursday.

CITIZENS BURNING GAS YESTERDAY

FIRST ACTUAL CONSUMPTION STARTED WHEN GAS LINE IS TESTED.

The Clarendon News office, the store of H. C. Kerbow and Sons and the place of business of Watson & Antrobus were all scenes of fevered activity Wednesday morning when the report was turned out that the gas was in the line and all that was needed to perfect the connection was a very few pieces of pipe and connections. The gas was used in the News office almost all day and the advantages of this sort of heat were demonstrated to entire satisfaction.

The pressure in the line was first set at 100 pounds, due to the fact that the contractors were looking for leaks and this amount of gas would show them very nicely. The pressure was cut off late Wednesday afternoon, and by this morning there was no gas in the line that would allow for consumption.

The owner of the system states that this condition will probably exist for some time until all the lines have been connected with the loops that will supply the city. No meters are yet available, but C. H. Widom states that they should be here by November 20, after which date the work of setting can be started.

The ditcher continues to cut its way in all parts of the city and it is thought that this work is to be completed in a very short time. Parts of the town are almost impassable due to the fact that the ditches are in almost every block. The work of covering the ditches is to be started as soon as the leaks have been repaired.

The city is kept busy following the path of the ditcher, replacing the broken sections of sewer pipe that were cut as the ditches were made. They are following closely on the heels of the machine and should be almost up with the work when the ditcher stops its work.

THREE WISE FOOLS COMING SATURDAY

FAMOUS COMEDY DRAMA TO BE THIRD NUMBER OF THE LYCEUM COURSE.

One of the most entertaining attractions of the season's lyceum is the well known comedy drama success, "Three Wise Fools," which will be presented at the College Auditorium Saturday evening, November 19. The play was originally produced in New York with a brilliant and distinguished cast. Its success was instantaneous and enormous, and only after a long run was it put on the road. It is described as a brilliant blending of laughter and tears. It has, unquestionably, an extraordinary appeal for all audiences. An excellent cast will present the play Saturday evening. The curtain rises at 8 o'clock.

This season's lyceum is being sponsored by the Pathfinder Club, benefitting the Pathfinder Public Library.

MR. AND MRS. C. A. BURTON IN CAR WRECK IN OKLAHOMA

Mr. and Mrs. C. A. Burton are both convalescing this week from injuries received Friday in an automobile smashup near Altus, Oklahoma. Mrs. Burton suffered a broken collar bone and painful bruises. Mr. Burton's head was badly bruised, especially around the eyes.

Mr. and Mrs. Burton, together with Mr. and Mrs. Edgar Betts of Claude, were returning home after a week's visit with relatives in various points in Oklahoma, when the accident occurred. They were only a half-mile out of Altus on the Holla road, with Mr. Betts driving, when they were struck by a speeding coupe over which the driver suddenly lost control. The coupe hit the Burton car amidship, so to speak, and threw it into a five foot ditch, where it turned turtle. The four occupants of the Burton car were pinned under it, the top having been completely smashed.

They were picked up immediately and carried to Altus for medical attention. Mr. Betts is in a very critical condition from loss of blood and for a time it was thought that he would not recover. Mrs. Betts is not so seriously hurt. She and Mr. Betts are still in an Altus hospital, but Mr. and Mrs. Burton returned here Monday noon. This is the second time within the last few months that Mr. and Mrs. Burton have been in a serious automobile wreck, the other having occurred when they were returning home from the East last summer.

Mrs. Frank White returned Monday night from a visit of two weeks with relatives in San Angelo and Cross Plains.

Misses Frances and Helen Cooke were here from Panhandle to spend the weekend.

Have you enrolled with the Red Cross? It's a duty and a privilege.

Not long now until our annual Goodfellows Drive for funds. It looks now as if more money will be needed here this fall than in the past several years. Let us get ready to do the job as it should be done.

Aggressive counties in the Panhandle and other sections of Texas this week were granted state aid in their road building projects. The state, like the Lord, helps those who help themselves, when it comes to important and necessary improvements like road building. Donley County ought to be included among the beneficiaries.

And now we are actually burning natural gas. This is an event that we have waited for and we might say, prayed for, for many years. The score mounts up and Clarendon continues to have added appeal over many other cities to those who are looking for the best location in which to live and rear a family dedicated to service and the fine art of living.

On Armistice Day the business houses of Clarendon were closed all day, as will no doubt be the case next Thursday—Thanksgiving. Some years ago it was a hard matter to get cooperation in the matter of general closing here in Clarendon, but a very fine spirit is manifest now. There is no finer set of business men in the Panhandle than right here in Clarendon. They deserve our loyal support.

Never was the need for a city auditorium more marked than Armistice Day, when the blustry and biting weather made the outdoor celebration impracticable if not impossible. Very true that the moving picture theatre was available, but it is unfair to use a private business house, electric lights and facilities without consideration when the city is manifestly able to provide and maintain a suitable auditorium for all school and public programs. In the days of the livery-stable a city auditorium was not a necessity, but with the coming of the automobile and other modern conveniences no town of any considerable size can afford to ignore the need for an adequate public hall for its varied activities. Clarendon needs the auditorium worse now than she did a year ago. Next year she will need it even worse. We must have a city auditorium.

Clarendon's Chamber of Commerce is preparing to send representatives to Amarillo to a meeting sponsored by the Board of City Development of Panhandle communities to consider ways and means of advertising the agricultural resources of this section. It may be that a composite agricultural exhibit from twenty-six or thirty-nine counties will be sent to Eastern and Northern state fairs, or it might work out that an exhibit train will be routed through the North and East where there are thousands of farmers who only need to know of the wonderful opportunities of the Panhandle to make them prospectors and potential citizens in the immediate future. There is something so practical in the suggestion that The News cannot believe that any of our Panhandle counties will overlook the certain benefits that are sure to accrue. There's foundation for success in united effort, always.

All ready material is being assembled to make the 1927 Home Town Edition of the Clarendon News the most interesting and imposing newspaper ever published in this city. December 15 is the date. Less than a month away.

The sixth annual Father and Son banquet was held in Clarendon Monday evening of this week, and is another indication that Clarendon fathers are interested in the chief asset of the future—manhood. We doubt there being other communities where citizenship is any more stressed than in Clarendon. That's another reason why our town is among the choicest residence towns of the Southwest.

THE NATION'S BEST INVESTMENT

There is no nation without its national problem. Whether the new nation or the old has greater problems to face is a much debated question. There is no doubt that all of the more ancient countries of the world now have their share of troubles, but it is also true that the United States, one of the youngest of nations, has its full share of cares.

Not the least of the problems of this country is its 2,941,274 miles of highways. This vast and intricate system of roads is indispensable to the development and economic needs of the nation, but its maintenance and improvement involve billions of dollars which must come from the people.

It has only been in recent years that the United States undertook the herculean task of improving its highways. There are still those states without modern roads, and in no state have the systems of improved highways been completed. Great strides have been made in the last two decades, but the job is only begun.

Universal use of the automobile and motor truck in transportation has taken the lesson of good roads into every section of the country—no matter how isolated. Where the railroad goes, the permanent highway is necessary as an auxiliary. Where there are no railroads, the hard-surfaced road must serve the purpose of the railroad.

The nation must complete the improvement of its highway system regardless of the cost. The only question is how soon will the last mile be under construction.—Quanah Tribune-Chief.

SECOND STREET BRIDGE IS POURED ALL AT ONE SESSION

Completing the pouring of the slab that is to cover the Second Street with a bridge similar in construction to the one across the ditch on First Street in one pouring was the task done by Speed Brothers last Thursday and Thursday night. The work was completed at 6:00 a. m. Friday morning, almost twenty-four hours after the first mixer full of material had been placed on the structure. The finished bridge was covered with sand that is kept wet to allow it to season properly. The sand will not be removed until near the first of December. Workmen started Tuesday to tearing out the foot bridges on either side of the large structure and will have the forms placed and this work done by the latter part of this week. The building of approaches and other incidental work will be attended before the bridge is thrown open for the use of traffic.

FRED BUNTIN DRIVES NEW AMBULANCE FROM FACTORY

Mr. and Mrs. Fred Buntin returned Thursday from Toledo, Ohio, where they purchased a new combination funeral coach and ambulance for Buntin and Son, Undertakers. The coach is the very latest model Meteor Eight and is the first to be brought to Texas, the manufacturers told Mr. Buntin. It is a very handsome car, dust proof gray and on conservative lines. Mr. and Mrs. Buntin drove the coach home, returning by Highway 66. They drove through much snow in Indiana.

Mrs. D. L. Knox of Jacksboro left Monday, after an extended visit with relatives and friends in this city. She was accompanied by her mother, Mrs. D. J. Murphy, who will spend the winter with her.

"BEN HUR" COMING HERE NOVEMBER 28TH AND 29TH

Clarendon lovers of fine moving pictures have a wonderful treat in store for them when "Ben Hur," General Lew Wallace's immortal book, comes to the Pastime Theater Monday and Tuesday, November 28 and 29, in the stupendous auto-chrome screen version with Ramon Navarro in the title role, according to the editor of The News, who saw the production in New Orleans last fall.

This great novel of the Christ is truly depicted on the screen, and proper respect for the Divine Character is shown by the fact that Christ in His active ministry is never shown in the pictures. His presence always being indicated by a halo of light and by the interposition of a pure white hand.

The naval battle in which Ben Hur is taken captive by the Romans is a mighty spectacle, while the world famous chariot race in which Ben Hur finally defeats Messala is one of the most ingeniously filmed events the movie world has ever known.

As mammoth a production as the "Birth of a Nation" or the "Big Parade," this version of Ben Hur places ahead of them both by reason of its Christian appeal. Clarendon lovers of the original story and of the beautiful and chaste in pictures cannot afford to miss this showing of "Ben Hur" next week.

PRESBYTERIAN CHURCH

The usual services are announced for next Sabbath at the Presbyterian Church, and you are cordially invited to come and worship with us.

Home Mission Week closes with next Sabbath. Our General Assembly set apart this week that our whole church might, during that time, study about Home Missions, pray for Home Missions, and contribute to the cause of Home Missions. The offering at the morning service will be for Home Missions. Let's make it a liberal one.

Dr. and Mrs. J. W. Evans have as guests this week Mrs. Evans' sister, Miss Catherine Ross of Dallas, and her aunt, Miss Mollie Ross of Gainesville.

Mrs. Clara MacKay and son, Jack, of Trinidad, Colo., are guests in the home of Mr. and Mrs. E. O. McCann. Mrs. MacKay is a sister-in-law of Mrs. McCann.

Dinner-Bridge Is Given in Honor of Miss Athlyn Taylor

Complimenting Miss Athlyn Taylor, who was here from Knox City for a short visit, Mr. and Mrs. Lenode Goldston entertained with a delightful dinner-bridge Friday evening. Baskets of poinsettia decorated the rooms in which five tables were arranged for the game.

The guest list included the following names: Miss Athlyn Taylor, guest of honor, Mr. and Mrs. Clarence Miller, Mr. and Mrs. Dorr Ellis, Mr. and Mrs. J. H. Miller, Mr. and Mrs. C. M. Bell, Mr. and Mrs. Clyde Pries, Mr. and Mrs. F. H. Lumpkin, Mrs. L. C. Parker Jr., Miss Norma Rhode, Miss Clinty Phillips, Miss Lucille Goldston, Mike Corbin, Jack Merchant, John Morris of Amarillo, and Haskin Moreman. An exquisite favor was presented to the honoree, while score prizes were awarded to Miss Rhode, high; Jack Merchant, consolation, and Haskin Moreman, low.

Mrs. W. H. Martin Entertains At Bridge Honoring House Guest

Complimentary to her house guest, Mrs. Frank Martin of Long Beach, Calif., Mrs. W. H. Martin entertained at bridge Monday afternoon. Chrysanthemums and roses were used with charming effect as decorations in the rooms where six tables were arranged. A delicious two-course luncheon was served at the end of the playing.

The guest list was as follows: Mrs. Frank Martin, guest of honor, Mesdames L. L. Swan, R. L. Bigger, C. W. Bennett, Odos Caraway, Kate B. Carroll, W. H. Patrick, George Ryan, Charles H. Bugbee, Homer Glascoe, W. H. Cooke, J. B. McClelland, G. B. Bagby, J. T. Sims, B. L. Jenkins, A. R. Letts, R. A. Chamberlain, A. L. Chase, James Trent, J. R. Calhoun, W. C. McDonald, T. H. Ellis, Miss Virginia Martin of Long Beach, and Miss Mary Howren.

A beautiful luncheon set was presented to the Mrs. Frank Martin, and prizes were given to Mrs. McClelland for high score and to Mrs. Ellis for consolation.

Miss Virginia Hundley Is Honored With Farewell Party

Little Miss Tootsie Carter entertained Monday afternoon with a farewell party for Miss Virginia Hundley, who, with her mother and small sisters, leaves next week for San Francisco, after spending several months here in the home of her grandparents, Dr. and Mrs. J. T. Griswold. While living in Clarendon little Miss Hundley has made many friends.

A delightful feature of the party was a treasure hunt which resulted in the discovery of a shower of handkerchiefs for the honoree of the occasion. The remainder of the afternoon was pleasantly spent in games and contests, and in late afternoon a dainty salad course was served.

The guest list included the following names: Misses Virginia Hundley, guest of honor, Jeanne Bourland, Johnnie D. Latson, Dorothy Hendrick, Carroll Holder, Glenn Curry, Mary Lee Curry, and Mary Jo Hundley.

Mrs. O. B. Hundley Entertains With Seated Tea Thursday

Outstanding among the social affairs of the season was the seated tea which Mrs. O. B. Hundley gave Thursday at the home of her mother, Mrs. J. T. Griswold. Chrysanthemums and late roses, artistically arranged with fern, lent fragrance and added beauty to the rooms for the occasion. The tea table, at which Mrs. Will Johnson and Mrs. S. M. Braswell presided, had an attractive centerpiece of fruits and autumn leaves. The tally cards used in drawing lots for a stunt contest were decorated with a Thanksgiving motif.

The following were Mrs. Hundley's guests: Mesdames C. C. Powell, J. R. Porter, Eva Rhode, John Watts, Richard Wilkerson, A. A. Mayes, D. O. Stallings, M. M. Noble, E. C. Weatherly, U. J. Boston, J. G. Sherman, Ralph Kerbow, E. G. Smith, La O. Lewis, W. A. So Relle, Forest Taylor, Frank Fourland, T. H. Peebles, J. R. Bartlett, Joe Horn, C. L. Benson, T. F. Connally, Cousins, S. M. Braswell and Will Johnson.

Mrs. Hundley and her children will leave next week to join Mr. Hundley in San Francisco, where they will make their home. They have spent several months here in the home of Mrs. Hundley's parents, Dr. and Mrs. J. T. Griswold, while Mr. Hundley completed mining operations in Chile. Mrs. Hundley has been a charming addition to social circles of the city and will be greatly missed.

Mrs. G. B. Bagby is hostess to Bridge Club Tuesday Afternoon. One of the loveliest affairs of the week was Mrs. G. B. Bagby's party for the Tuesday Bridge Club, at which Mrs. Frank Martin and her daughter, Miss Virginia Martin, of Long Beach, California, were guests of honor.

Pink blossoms predominated in the bouquets of late flowers which decorated the rooms in which the guests were seated for the games. A dainty luncheon was served in the late afternoon at a prettily appointed luncheon table. The table was covered with lace over pink satin and was centered with a bowl of pink chrysanthemums.

There were three tables in the game, and the players were as follows: Mrs. Frank Martin and Miss Virginia Martin, honorees; Mesdames W. H. Martin, L. L. Swan, James Trent, J. B. McClelland, J. T. Sims, W. H. Cooke, A. R. Letts, Odos Caraway, Charles Bugbee and R. A. Chamberlain. Exquisite favors were presented to the honor guests. Score prizes went to Mrs. Trent, high, and Mrs. Caraway, low, while the cut favor was drawn by Mrs. Chamberlain.

All circles of the Baptist Woman's Missionary Society met Wednesday afternoon in the parlors of the church for a program and social hour. The mission topic for the day was "The Questioning Jew." A program of unusual interest was given, after which the meeting became a social one. Delicious refreshments were served to the following: Mesdames W. C. Stewart, Cap Lane, C. E. Thompson, D. L. McClelland, W. B. Sims, E. M. Lindsey, Floyd Keener, F. C. Whipple, C. M. Lane, E. A. Thompson, Leslie Stevens, T. M. Crider, Mary Colvin, S. R. McClung, M. E. Lane, E. R. Tatum, W. Z. Boron, G. G. Kemp, J. S. Draffen, E. M. Shoffitt, George Mc-

Lesky, James Headrick and Allen Bryan.

Mr. and Mrs. Carl Gilliam of Hereford spent the weekend with the latter's parents, Mr. and Mrs. L. Ballew.

Mr. and Mrs. James Ballew of Butler, Oklahoma, left for their home Monday morning, after a visit of a week with the former's brother, L. Ballew.

TEXAS STATE LIBRARY NOW OPERATING LOAN LIBRARIES

Book Week, formerly Children's Book Week, will be observed this year from November 13 through the 19th. Each year a carefully edited list of books called The Book Shelf for Boys and Girls is published to aid those interested in young people's reading in selecting the best books possible. The Book Shelf lists books, giving a description of each, suitable from babyhood on through high school age. It will be particularly interesting to parents and teachers. Christmas is not far off. This list will be helpful in selecting books for the boy or girl who loves to read. A copy of the book list, Book Shelf for Boys and Girls, may be obtained free by writing the Texas State Library, Capitol Station, Austin, Texas.

Do you want a good book to read? The traveling libraries lent by the Texas State Library will furnish every member of your family with books for the winter evenings. Two or three citizens can join together and get a traveling library for a community, or one can be borrowed

by a club. Each library contains 50 interesting books. A library can be kept for three months and renewed for an additional three months, if desired. The only expense to the borrower is the transportation charges. Write the Texas State Library, Capitol Station, Austin, Texas, for an application blank and for further information.

RANGE HORSES OUT WIDER HIWAYS IN

INTEREST QUICKENS IN ADEQUATE ROAD BUILDING; NEW YORK TAKES LEAD.

By E. E. Duffy.

Out in Montana horses of fair muscle and with the flush of youth still in their eyes are being sold to dog biscuit factories for two to five dollars a head. In New York state the construction of main highways to a width of 40 feet is not only being advocated but actually practiced, for in the last twelve months 35 miles of wide roads have been built or placed under construction.

These two dissimilar but striking situations, like bobbed hair and skyscrapers, constitute irrefutable evidence that this is a changing world. The greatest change, of course, has come about in transportation, but more to the vehicles of transportation than to the facilities for operating these vehicles. Consequently when New York builds 35 miles of roadway 40 or more feet in width, in preference to pavements 20 feet wide, totalling 70 miles in length, which roughly would be permitted by the expenditure of the same money, then comes hope that the full vigor marking the manufacture of typewriters, flour and automobiles will be carried into the biggest job of the commonwealth—the manufacture of adequate roads.

That all main trunk lines be built to a minimum width of 40 feet, was the recommendation made by the New York State Automobile Association at its annual meeting held a short time ago in Rochester. The New York program already under way bears out the justification of this demand, which a quarter century ago would have been scoffed at, even as would have been the suggestion that range horses in the West be some day so valueless as to constitute a menace.

Conduit Boulevard, a 40-foot wide piece of concrete to extend for 16 miles from Roadale to Amityville, Nassau County, New York, will indeed be a road worthy of the flood of modern motor cars that will soon pass over it. Saturday and Sunday traffic, of several times more volume than ordinary week day travel, sweeps along uninterrupted by turn-outs and accidents.

Nassau County will have another neat stretch of 40-foot roadway in the nine-inch thick concrete Jericho Turnpike which will connect Floral Park with the Suffolk County line 13 miles away. Several sections of these two highways are now open to traffic. The remainder of New York's 35 miles of new wide highways is found in Westchester County within listening distance of the nine-pin reverberations created by Washington Irving's sailors of the Half Moon.

Not all communities, naturally, can expect to build luxurious paths 40 feet in width, nor is such construction always necessary. Yet throughout the land countless towns of small population are actually in need of wider rural outlets. The adequacy of a road is judged by its efficiency over the weekend.

CARELESSNESS KILLS THOUSANDS, SAYS GILMORE

Someone has said that accidents have come to be an epidemic and that this epidemic constitutes the most appalling situation now before the American people.

When we realize the loss of life, the suffering, and the destruction of property resulting annually from accidents, we are forced to accept the truth of the above statement.

From September 1, 1926, to June 1, 1927, a period of nine months, accidents of all kinds in Texas were responsible for the loss of 1,310 lives and 4,244 personal injuries. This is a greater loss than was sustained in three of the leading battles of the Texas Revolution.

Clarence E. Gilmore, president Texas Council of Safety, writes an able article, entitled: "Carelessness Kills Thousands." It will be published in The Clarendon News' monthly magazine section November 17.

STATE COTTON REPORT SHOWS GREAT GAIN OVER YEAR 1926

The cotton report issued by the Department of Commerce for the period ending October 18 has recently come into The News office, and shows a gain of 40,000 bales over the same period of 1926. Figures for the state show 2,887,922 bales reported for 1927 against 2,848,940 bales for the period ending October 18, 1926. Briscoe County enters the report for the first time in 1927, with a count of 15 bales in 1926. Childress County comes to the front with double the gainings for 1926. Their report shows 14,556 for 1927 and only 6,090 for 1926. Collingsworth County also shows a great gain, tripling their 1926 report with 12,377 bales reported for 1927 and only 4,138 bales for the same time in 1926. Probably the greatest surprise of all came when the Donley County report was seen. In 1926 the report showed 2,473 bales with fairly good conditions the months before the gathering of the crop. For 1927, the report shows 2,130 bales ginned, leaving a difference of little more than 300 bales loss. Gray County shows a gain with 718 bales for 1927 against 400 bales for 1926. Hall County is affected about the same degree as Donley, showing less than one hundred bales less than for the same period of 1926. Their 1927 report shows 8,899 bales with the record standing at 9,043 for 1926.

Miss Lorean Thornton spent the weekend in Memphis with her sister, Miss Marie Thornton, and other relatives.

POISONED WHEAT FOR THE POCKET GOPHER

When the pesky pocket gophers are busy in the fields throwing up mounds that make haying inconvenient and boring from within to the roots of the plants, it is difficult or impossible to get rid of them. But in the fall when they are making new burrows, storing food, and getting ready for the winter it is possible to make a clean-up. One of the best baits is wheat poisoned with strychnine dropped into the burrows. Wheat is particularly convenient because it can be dropped through a small hole punched into the top of the tunnel. With vegetable baits, more digging is required to locate the tunnel and make a hole large enough for the insertion of the bait. Also the poisoned wheat keeps well and it is not necessary to prepare fresh bait each day. A bushel of wheat is likely to kill 600 to 700 pocket gophers if carefully applied. Sometimes it is possible to kill 1,000 pocket gophers to a bushel of wheat. Under average conditions a man may expect to cover from 30 to 40 acres of alfalfa in a day and kill nearly all if not all the pocket gophers. In summer, when new mounds are made only occasionally, and when growing crops cover the field, it is necessary to go over the field repeatedly if the pocket gophers are to be exterminated.

Mrs. J. T. Hicks and daughter, Miss Patty Hicks, of Memphis, shopped here and visited with friends Thursday.

AN ORDINANCE

REWRITING SECTION FOUR, AMENDING SECTION SEVEN, REWRITING SECTION TWENTY, REWRITING SECTION TWENTY-TWO AND REWRITING SECTION TWENTY-THREE OF AN ORDINANCE NO. 250 ENTITLED "AN ORDINANCE FIXING AND REGULATING THE USE OF SEWERS BY PRIVATE INDIVIDUALS AND CORPORATIONS IN THE CITY OF CLARENDON, TEXAS," PASSED ON THE FOURTH DAY OF APRIL, A. D. 1919, AND DECLARING NULL AND VOID THE OLD SECTION FOUR AND THAT PART OF SECTION SEVEN THAT WILL CONFLICT WITH SECTION TWENTY, TWENTY-TWO AND SECTION TWENTY-THREE OF SAID ORDINANCE, BE IT ORDAINED BY THE City Commission of the City of Clarendon, Donley County, Texas:

That Section 4 of Ordinance No. 250, entitled "An Ordinance fixing and regulating the use of Sewers by private individuals and corporations in the City of Clarendon, Texas, passed April 4, 1919, be rewritten, to read as follows, to-wit:

SECTION 4. Application and License. A person or corporation desiring to do business as a plumber in connection with the Sanitary Sewer System of Clarendon, Texas, shall file in the office of the City Secretary a petition giving the name of the individual or firm and place of business, and asking to be licensed as a plumber. Said petition must be signed by the applicant for license and placed in the hands of the master of his trade and will be governed in all respects by the rules and regulations which are, or may be adopted by this city. Each applicant for a license shall execute and deposit in the office of the City Secretary with his application a certain bond, executed by him as principal with satisfactory security, payable to the Mayor of the City of Clarendon and his successors in office, in the sum of \$1,000.00, conditioned in that he will, for and during the term of his license, and for and during the term of the City of Clarendon from all accidents and damages caused by neglect in protecting his work or in the installation, repair, or inadequate work done by virtue of his license, and that he will also replace and restore to its original condition, and shall make good any opening he may have made in any good state and condition as he found it and keep the same for more than one year, to the satisfaction of the city; the period of six months thereafter that he will pay all fines imposed upon him for a violation of any of these rules or regulations. The City Secretary shall record in the office of the City Clerk his actual place of business, the name under which the business is conducted, and shall immediately notify the City Secretary of any change in either thereafter. No license will be issued for more than one year, and the first year said applicant applied for a license, a fee of \$50.00 shall be paid by said applicant to the City of Clarendon for said year's license or for any fractional part thereof; for each year thereafter after that said applicant shall apply for a renewal after his first year he shall pay to the city the sum of \$10.00 per year or any fractional part thereof.

And that part of the old Section 4 in the original ordinance heretofore referred to in conflict with Section 4 as hereinabove written is hereby declared null and void and of no further force or effect.

SECTION 7. Inspection. The City Inspector is to be given notice when any work is ready for inspection and all work shall be kept open until examination until inspected and approved, and for which inspection a fee of \$1.00 will be charged for each and every additional fixture in and about said premises. Such inspection shall be made within twenty-four hours after notification has been made. If required to do so, the plumber shall apply either within the same time or smoke test, in the presence of the plumbing inspector and the plumber shall repair or remove any defective material or labor when so ordered by the City Inspector.

And that old Section 7 as written in the original ordinance heretofore mentioned is hereby declared null and void and of no further force or effect, where the same is in conflict with Section 7 as hereinabove written.

And that Section Twenty (20) of the above described ordinance be rewritten as follows, to-wit:

SECTION 20. JOINTS. All joints in soil and waste pipes, must be so filled with oakum and molten lead and hand called up to make them gas and water tight. All connections of lead pipes with cast iron pipes must be made with a brass ferrule of the same size as the lead pipe, put in the hub of the branch of the cast iron pipe and securely called with lead and oakum, the lead pipe must be attached to the ferrule by a wiped joint. All connections of lead waste pipes shall be made by means of wiped joints.

And that old Section 20 as written in the original ordinance be declared null and void and of no further force or effect when in conflict with Section 20 as hereinabove written.

And that Section 22 hereinabove described be rewritten so as to read as follows, to-wit:

SECTION 22. STACKS. At the bottom of each main stack, if accessible, should be a clean-out plug, preferably a Y-branch with a one-eighth bend and clean-out plug. All sink lines and long runs under concrete or inaccessible places must have a clean-out plug where required by the plumbing inspector.

One lavatory waste and one sink waste may be run into main stack, connecting to the stack in the usual manner and flow, opposite sides of stack, provided there are no fixtures above and the distance is not greater than thirty-six inches from the center of the waste to the center of the stack and the spring (waste line) has a fall not to exceed one-half inch per foot. Waste lines may be attached to stack by means of tapped tee or cross, by brass male solder nipple provided nipple is one size larger than waste line, so that lead may be inserted and run the length of the nipple. Dayton vent tees may be used on lavatory and sink waste lines.

And that old Section 22 in the original ordinance be declared null and void and of no further force or effect, when in conflict with Section 22 hereinabove written.

And that Section 23 of the original ordinance described above be rewritten so as to read as follows, to-wit:

SECTION 23. TRAPS. Every water closet, urinal, sink, wash tray, bath tub and every tub or set of tubs must be separately and effectually trapped. All bath tubs must be trapped with a four by eight drum trap, when lid is placed on floor line, inlet and outlet must be at bottom of trap and outlet must be brought up so that four inches of water will stand in trap, inlet may be of 1 1/4 inch lead and outlet must be of 1 1/2 inch lead. A vent will not be required where it is not greater than five feet from the center of the waste to the toilet ferrule or waste line, provided the fall is not greater than 1/8 inch per foot, other fixtures are above which use the main stack for a waste line.

Traps must be placed as near fixtures as practicable. In no case shall water from the bath tub or other fixtures be connected with the water closet trap. Where vent is required on drum trap, it must be taken off at high point, must be horizontal, runs of lead must be supported where needed.

And that old Section 23 as written in the original ordinance be declared null and void and of no further force or effect when in conflict with Section 23 as hereinabove written.

Passed and approved this the 4th day of October, A. D. 1927.

H. W. TAYLOR, Mayor, City of Clarendon, Texas.

Attested: MAUDE CLARK, City Clerk, JOHN T. SIMS, A. A. CLARKE, Commissioners of the City of Clarendon, Donley County, Texas.

CHAMBER OF COMMERCE INTERESTED IN AIR PORT

At the Chamber of Commerce director's meeting held the latter part of last week, many items were discussed freely by the membership present. The matter that took the greatest part of the time was the discussion that finally led to the board making its decision to favor the establishment of an air port for Clarendon.

There are only a few minor items that are lacking to make Clarendon acceptable by the air lines as a port, and all of these are easily remedied. One of these is that the name of the city be painted on one of the buildings in the business part of the town. An arrow is to be painted there pointing to the landing field. Pilots who have landed here state that the golf course would make a fine field, and it is thought that this will probably be used. A white marker will be used and a wind indicator will also be placed where the incoming pilots may see the direction the wind is blowing. The matter will in all probability be taken up for completion in the next few weeks, that Clarendon may be in line for recognition on the maps of the air line companies.

BOYKIN RECEIVES MANY INQUIRIES FROM HOMESEEKERS

Secretary-Manager G. L. Boykin of the Chamber of Commerce stated the fore part of this week that a week had not passed within the past two months that he had not received more than two or three inquiries from homeseekers in all parts of the United States. These are scattered from West Virginia on the east to Seattle, Wash., on the west. Intermediate points are included in the list of places of origin of the seekers for information. These inquiries have been placed in the hands of local real estate dealers for their follow-up and it is thought that some of them may be located in Donley County before many seasons roll around.

ROOFING CREW TO COMPLETE POWER PLANT THIS WEEK

The crew secured to place the special asbestos roofing on the plant of the West Texas Utilities Company of this city started their work Monday. They are working at a great rate of speed and will have this part of the plant ready to turn to the company by the latter part of this week. The

large ventilators will be placed as the roof is made ready to receive them and the job will be ready for the final demolition of the old plant. A part of the old plant remains on the interior of the new structure to keep the elements from playing havoc with the machinery that was left in the old location.

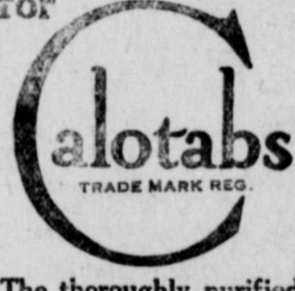

PUMPING STATION BRICK WORK SOON TO BE DONE

With favorable weather conditions as they have been for the past number of weeks, the brick work on the pumping station of the city will be completed by the end of this week. Only a few more courses remain to be laid to bring the walls to the height to be topped by a concrete slab, thus making the station entirely fireproof. The service and fire pumps have been received and are ready to be set when the building has been completed. The air compressor is in use at the present time and is giving excellent service on the new well. All the switchboards and other incidentals are on hand and will be placed whenever they are needed.

PUBLIC UTILITY TAX BILL TO EXCEED \$1,050,000,000

More than \$1,050,000,000 will be paid in taxes this year by the public utilities of the United States, including steam railroads. This sum amounts to one-tenth of the gross receipts of all railroads, street railways, gas, electric light and power, express, telegraph and cable and telephone companies. This is a higher percentage of gross receipts than is paid by any other corporate group, while finance, banking and insurance companies come next, says the Texas Public Service Information Bureau. "An outstanding fact about public utilities and railroads is that they are more subject to governmental regulation and control than any other group," says a recent report of the National Industrial Conference Board.

**PRESS CLUB ORGANIZED
BY COLLEGE STUDENTS**

The students of Clarendon Municipal College who are interested in newspaper work met Tuesday afternoon of this week and laid their plans for an organization that is to serve the school as the news bureau. This organization has for its purpose the dissemination of knowledge of all sorts to the papers of the Panhandle as well as to conduct a school department in The Clarendon News. Mrs. Bural was selected as

the editor of the new organization and will be assisted in her work by Alfred Estlack. Rufus White was chosen as athletic editor of the works since he is more than interested in that phase of school activities. The two societies of the school have selected their own reporters and these were added to the staff of the bureau. They will be: Harold Ruddell and Jack Bourland. The joke department will be handled by Walter S. Elkins and Earl Humphrey. Miss Ione Ball has been designated as literary editor and will gather such literary items that may be termed as news of general importance. Two editors were selected to cover the social activities of the school, one of them coming from the town and the other from the dormitories. Archie Pool will handle the town side of the social happenings and Miss Ivy Helm will attend to the dormitory part of the work. Following the work of organization, a representative from The Clarendon News gave some sidelights on what is "news." Meetings will be held each Monday afternoon and a certain part of the paper will be devoted to the activities and workings of the schools of the city.

stucco, the finishing coat of which will be placed when the first coat has set sufficiently to prevent the outer coat from cracking. A garage has been erected adjoining the residence and will be finished in colors to match the house.

**VIOLINS AND VIOLINISTS
STUDIED BY PATHFINDERS**

One of the most interesting Pathfinder Club programs of this year was given at Friday's meeting, when the Club studied violins and outstanding contemporary violinists. Mrs. O. T. Smith, as leader in the discussion, talked on the several most famous kinds of violinists. The styles of Albert Spaulding, Fritz Kreisler, and Jascha Heifetz were discussed by Mrs. B. L. Jenkins, Mrs. H. T. Burton and Mrs. S. M. Braswell. Victrola reproductions of selections by a number of famous violinists were played as a conclusion to the program. Mrs. Homer Glasco and Mrs. C. Powell were hostesses to the Club for the meeting. They had a number of special guests, also, who were as follows: Mrs. Clara MacKay of Trinidad, Colo., who is visiting Mrs. E. O. McCamne, Mrs. McCamne, Mrs. A. L. Chase, Mrs. J. W. Evans and her sister, Miss Catherine Ross of Dallas. The meeting was concluded as usual, with a social hour in which the hostesses served delicious refreshments.

**WALTERS FAMILY MOVE INTO
NEWLY FURNISHED HOME**

The Walters home, directly in back of the ice plant and across the street from the A. M. Beville place, has been completely torn down and remodeled and is now again the home of Mr. and Mrs. Bill Walters and family. The house was one of the oldest in that section of the city and was completely razed before the work of reconstruction was started. The new residence is made up of five rooms and bath and is one of the most complete small homes in the city. The outside is finished in

LIONS ARE TOLD THEY LACK PUNCH

VISITOR URGES THAT CLUB NOT REST TOO MUCH ON LAURELS WON IN PAST.

The luncheon Tuesday was one of the most enjoyable events that has taken place for the Lions in the past few weeks. The attendance was excellent and the food provided was such as to make the Lions return for their meal next Tuesday, if for no other reason. The spirits of the members were at the highest point seen for a number of weeks and matters kept humming until the close of the luncheon period.

Two guests were at the luncheon. One of these was Alva Slay of the city of Amarillo and the other was Mr. Connolly of Clarendon. Each of the two was called to the floor for a short address and each responded with enthusiasm. Mr. Connolly was completely taken aback at the offer of fifteen minutes offered him and illustrated his feelings with a joke that completely filled the point. Later in his address he stated that the town of Clarendon was living on the reputation of times past, rather than working on the opportunities that present themselves. This applies not only to the Lions Club, but to the Chamber of Commerce and the town in general. A general lack of co-operation is found everywhere, with the people in general aware of the situation, but waiting for someone else to come in and take the initiative and put the finishing touches to the matter. Apt illustrations in all parts of the address made the club laugh from the start to the finish, yet made the application to the problem more realistic.

The proposed banquet for retiring President Elder J. T. Griswold was explained after a member of the club had asked for it.

Lion Porter made a report for the cannon committee, stating that other towns had received their pieces of artillery and that the Adjutant General's department had been written to determine the delay in receiving the cannon for Clarendon. A report on the outcome of the letter will be forthcoming at an early date.

Lion Douglas reported that there had been quite a number of shoes and hats received and that the Club would be glad to make shipment of them in the immediate future, but that others could be used if they were brought in within the next few days. The Red Cross is taking the clothing brought in, but the Lions will have entire charge of the shoes and hats.

Lion Boykin announced the play that will be presented here Thursday evening, December 1. This is to be in the nature of a comedy sketch, tending to impress the people of the county with the advantages to be gained from feeding a balanced ration to their poultry. There will be no indication of advertising in the play. There will be no admission and tickets can be secured by application to the office of the Chamber of Commerce and to the Clarendon Grain Company.

Lion Douglas also reported that the program for the coming week has been carried out almost as planned, with the exception that the weather made it necessary for the entire works to be transferred into the Pastime Theater building. The same lack of interest was shown by the people in this week's poultry market, many of them knowing that the program was in progress but waiting to have an invitation to attend.

The remainder of the hour was taken with individual discussions of the activities that should be backed by the Club and put through to completion. These items will in all probability be pushed to a conclusion and more of them will be discussed at a later date.

COMMERCE DEPARTMENT GIVES MARRIAGE-DIVORCE FIGURES

Washington, D. C., Nov. 14.—The Department of Commerce announces that, according to the returns received, there were 69,992 marriages performed in Texas during the year 1926, as compared with 69,738 in 1925, representing an increase of 164, or two-tenths of one per cent.

During the year 1926 there were 15,471 divorces granted in the state, as compared with 15,120 in 1925, representing an increase of 351, or 2.3 per cent. There were 103 marriages annulled in 1926, this being the first year for which statistics of annulments have been collected.

The estimated population of the state of Texas on July 1, 1926, was 5,313,000, and on July 1, 1925, 5,212,000. On the basis of these estimates, the number of marriages per 1,000 of the population was 13.2 in 1926, as against 13.4 in 1925; and the number of divorces per 1,000 of the population was 2.91 in 1926, as against 2.90 in 1925.

The number of marriages was furnished by the county clerk and the number of divorces by the clerk of the circuit court of each county. The figures for 1926 are preliminary and subject to correction.

The following are the statistics compiled for Donley County and several adjacent counties:

SECRETARIAL SCREENINGS

CLARENDON CHAMBER OF COMMERCE G. L. BOYKIN, SECRETARY

With the American Express Company maintaining a direct line air express from Denver to New Orleans by the way of Amarillo and on down the Denver road, this town should have an air port. With this service started it will only be a matter of time until the planes will be making more stops and to get the way here we must have a landing field properly marked. More definite plans will probably be announced in regard to this in the near future.

Within the past three months inquiries have been received in this office from the four corners of the U. S. Most usually it is farmers seeking to get a location or a business firm wanting data on our town and surrounding county. Those making the inquiries gave their addresses from Kentucky, Florida, Washington State, Colorado, West Virginia, and many other places, not to mention the many from nearby states. Only this week was an inquiry received from Rifle, Colo., Seattle, Wash., and Fort Lauderdale, Fla.

All poultry raisers and those interested will be given a treat at the College Auditorium Thursday, December 1, in the evening. Don't forget the date and see Mr. C. W. Barnett or myself and get your complimentary ticket. If you are interested in chickens from the production and profit side, don't miss this meeting. It will be free, and all you have to do is call for a complimentary ticket. Poultry raisers the county over are invited. This will not be an advertisement, but will be a regular four-act vaudeville play.

The Kraft Cheese Company is establishing a cheese factory in Wichita Falls, Texas, within easy shipping distance of Clarendon. Add to this the already well established creameries of Amarillo, and other places to which local shippers have access and it looks like cream will be a good price for a long while. Yes, dairy cows bred to produce will pay, and will continue to do so in the Panhandle for a great while. Let's not forget that cows bred to produce milk eat no more, while they produce five times as much. There are several purebred bulls in the county that are out of high producers, but we should have more. Donley County should have some bull circles and improve its dairy stock at a nominal cost to all.

GENERAL MOTORS STARTS BROADCASTING PROGRAM

General Motors is inaugurating a weekly radio broadcasting program. On Monday evening, November 7, from 9:30 to 10:30 (Eastern Standard Time) and on each Monday evening thereafter, General Motors will broadcast a program of entertainment over 27 of the stations in the National Broadcasting Company's chain.

With the exception of the Pacific Coast, to which they plan to extend their broadcasting a little later on, the program will reach a majority of other entertainment will reach a majority of the radioed homes in the United States and many in Canada. Following are the stations and their location:

- WEAF, Boston, WTIC, Providence, WJAR, Worcester, WTAG, Portland (Me.), WCHS, Philadelphia, WLIT, Washington, WRC, Buffalo, WGR, Pittsburgh, WJAZ, Cleveland, WTAM, Detroit, WWJ, Cincinnati, WSAI, St. Louis, KSD, Minneapolis-St. Paul, WCCO, Milwaukee, WTMJ, Dayton, WOV, Des Moines, WHO, Omaha, WOW, Kansas City, WDAF, Louisville, WIAS, Nashville, WSM, Memphis, WMC, Atlanta, WSB, Charlotte, WBT, Jacksonville, WJAX, Schenectady, WGY.

The General Motors hours on the air will be known as "The General Motors Family Party." No Chicago station appears on the list for the reason that all Chicago stations are closed down Monday nights. Chicago radio listeners will get the General Motors programs through Milwaukee, Davenport and other nearby stations.

AD EXPERT "TOUCHES" TOWN

Another publicity expert blew into our quiet little city last week and offered to get up some new menus for a local restaurant by canvassing the merchants for enough advertising to pay the printer and keep a goodly takeoff until he could work the next town. Said publicity expert neither met defeat nor walked off with the boodle, as he disappeared with a nice folder belonging to the restaurant keeper and also forgot to pay his room rent with the local rooming house. These publicity experts are beginning to become numerous during the busy season but are never on hand when a collection is taken up for any local enterprise. Red Cross Membership Quota Not Half Raised

Since the beginning of the annual Roll Call of the American Red Cross, on Armistice Day, 191 persons have been enrolled in the Donley County Chapter. The county's quota for this year is 450, and an intense effort is being made by the membership committee, headed by Mrs. A. T. Jefferies, to enroll this number before the close of Roll Call, November 24.

The support of 50,000 members is needed to carry on the work of the Red Cross this year, according to advice from the national headquarters. In asking for the support of all citizens of the United States, the Red Cross has warned against inevitable future disasters and has explained the necessity of preparedness by pointing out the many occasions of the past year on which the Red Cross was called upon for immediate assistance. When these catastrophes fall there is no time for raising a special fund—the Red Cross must have a standing fund for first aid work. Hence, the annual Roll Call, which asks just one dollar from each member.

James Morgan and Wilson Giles of Hereford visited friends and relatives of the former in this city Friday. They also visited in the Laney home at Lelia Lake.

1926 BOOK CLUB ELECTS OFFICERS FOR THIS YEAR

The first year in the history of the 1926 Book Club was brought to a close with the election of new officers at the regular meeting on Tuesday afternoon. Mrs. Sam M. Braswell was elected president by unanimous vote. Other officers are: Mrs. James H. Morris, vice president; Mrs. Charles Trent, secretary; Mrs. Charles Dean Jr., parliamentarian, and Miss Fray Stallings, treasurer.

These officers will assume their duties at the next meeting. The new president plans to appoint her standing committees at that time, and it is possible that a year book will be issued shortly thereafter. All members of the Book Club show much enthusiasm regarding the new year's work.

THE ORPHAN ARRIVES

Unquestionably no greater comedy has ever been produced than "Three Wise Fools" which will be the dramatic attraction on our entertainment course. The story of the play centers around an exciting event in the life of three crusty old bachelors who have lived together for years. How the only child of the woman they have all three loved in their youth comes to them as a legacy from her, and how they are compelled to alter their way of living and adjust their household to the presence of a charming girl of eighteen when they are prepared to receive a young boy, gives material for numerous interesting situations. The play is made up of one laugh after another with here and there a tear in the big gripping drama that is woven into this finest comedy of recent years. We are promised an exceptional cast with complete scenery required for the play, which is the outstanding attraction of our course. Here is a chance for everyone to see a real New York play with New York cast and production.
