## Five Convictions In District Court Here Clarendon Wins Invitation Track Meet With 44 Points

### HARVESTERS WIN SECOND HONORS

GOLDEN SANDIES WIN 3RD PLACE. HUNDREDS SEE MEET IN SANDSTORM

Surpassing the highest expectations of its sponsors, the Clarendon College Invitation Track Meet held here last Saturday, brought together fourteen of the best track teams of the Panhandle, with approximately 125 men, in contests in which many exceptional records were made.  
College Park was thronged with hundreds of keenly interested spectators, in spite of a disagreeable sandstorm which not only caused discomfort to them but handicapped the contestants. The events were started promptly on time. Coaches Frank A. Stocking and John G. Hutton had a well-organized staff of assistants for each group of events, and the entire list of events moved off smoothly and on time, the last event, the relay races, being concluded before 4 o'clock.  
Clarendon Team Wins  
Scoring 44 points, the Clarendon High School track and field team won first place in the Clarendon College Invitation meet over teams from 14 cities.  
The Pampa Harvesters finished in second place with 38 points. Amarillo's Golden Sandies, with five of their mates in Lubbock, were third with 23 counters.  
The other teams scored as follows: Memphis, 19; Quitaque, 15; Childress, 12; Dumas, 10; Shamrock, 8; Kelton, 5; Groom, 5; Lefors, 3; Silverton, 3; White Deer, 2; and Hedley, 0.  
Hubert Reavis of Clarendon was high scorer with 15 points, winning first places in the high and low hurdles and the 220-yard dash. His teammate, Lloyd Martin, was second with 13 tallies, winning second in the discus, first in one of the high hurdle heats, and first in the high jump

### Ashtola "Pirates" are Good Fire Fighters

"The Pirates," an athletic organization of Ashtola school boys, have rendered worthwhile service to their community in putting out fires during the past two weeks, saving Mrs. O. C. Hill's garage, when her home was destroyed by fire recently. They also rendered valuable aid in preventing the spread of a fire on the ranch, known as the Chepault ranch, belonging to the American Refining company, which lies north of Ashtola.  
For their service in the latter instance they were rewarded with a check for \$20 from Mr. Householder. The money was used in the purchase of needed athletic equipment. The service was rendered without any thought of reward, but the boys are deeply appreciative of the spirit which prompted the gift.

### PIANO STUDENTS WIN AT AMARILLO

ALL ELIGIBLE TO ENTER TRI-STATE CONTEST IN LUBBOCK THIS WEEK

June McMurtry, Pauline Shelton, Kathleen Oden, Arthur Chase and Billie Cooke, Clarendon contestants at the Panhandle Music Festival last week, are receiving the congratulations of their friends over the high rating which they won in the piano contests. Their work was judged by Mr. Whittleston, director of music at the University of Boulder, Colorado, who said of the group, "They played with a great deal of warmth of feeling, brilliance, good rhythm, assurance, individuality and good interpretation."  
The four pupils who played piano solos, and the numbers they played, were: June McMurtry, who was given the rating "Superior" on her rendition of "The Juggler," by Kern; Arthur Chase was also given a Superior rating on his rendition of "Hungary," a rhapsody mignon, by Koelling; Pauline Shelton, on her solo, "Revolutionary Etude," by Chopin, also won a Superior rating; Kathleen Oden, playing "The Warrior's Song," by Heller, won a rating of Excellent.  
In the Piano Ensemble contest, a duo, "The Album Leaf," by Koelling, played on two pianos by June McMurtry and Billie Cooke, was given a rating of Excellent.  
Four of the five happy winners are pupils of Mrs. Elizabeth Clayton Powell, Kathleen Oden being a pupil of Miss Delphia Bones. June McMurtry was entered in the 11-year-old class, Kathleen Oden in the 13-year class, Arthur Chase in the 15-year class, and Miss Pauline Shelton, although only 18, was entered in the 19-

### TOM F. CONNALLY THANKS MINORITY AND MAJORITY

Wednesday morning Tom F. Connally dropped into The News office as happy and sunshiny as if he had not lost his race for mayor the day before, and asked The News to express for him his very sincere thanks to the "loyal few," as he put it, who gave him their support in Tuesday's election.  
"Especially do I wish to thank the substantial majority of Clarendon citizens who by their votes relieved me of a vast amount of difficulties and worries," said Mr. Connally, who tenders his congratulations and best wishes to Mayor Cagle in his re-election as chief executive of Clarendon for the next two years.  
Mr. Connally says he has the utmost good will to all and so far as he knows has lost no friends in the quiet and dignified campaign marked with the best of feelings on both sides.

### VERE FINCH DIES IN OLD ENGLAND

WAS RANCHER IN THIS COUNTRY UNTIL ENGLAND NEEDED HIM

Vere Finch, 55 years old, died Monday at his ancestral home at Manton, Oakham, Rutland, England, according to cablegram received here Tuesday by Wesley Knorpp. Details as to his death are, of course, lacking at this time. He was expected to arrive in Clarendon for his annual visit with old friends about April 25th.  
Mr. Finch came to Clarendon about 1899 in company with two young friends, Dick Kelly and Peter Purcell Gilpin, with the intention of trying out ranch life. They became cowhands on the JA ranch.  
Liking ranch life, Mr. Finch decided to get into it "on his own," purchasing a ranch and some cattle from W. J. Lewis. When the World War broke out, Finch felt that he must offer his country his service. He sold his land and cattle to Mr. Lewis and sailed for England, where he was told that he could be accepted only after an operation. He underwent the operation, only to be

### Local Track Team Grateful to Merchants

Coaches Frank Stocking and John G. Hutton, all of the members of the local track team and other sponsors of the Invitation Track Meet (including F. H. Lumpkin and Lloyd Benson who are credited with having "think up the idea" of the meet) are very appreciative of the splendid support given to the meet by the business men of Clarendon.  
"Everybody seemed to be in favor of the meet from the very start and it has had the finest sort of boosting and good-will. And when we started out to secure the list of prizes to be offered, the same fine co-operation was met," said one of the sponsors.  
Wanting the public to know who made possible the fine display of prizes, in Green Dry Goods Company's window prior to the meet, the committee asked The News to publish their names: West Texas Utilities Co., Bon-Ton Store, Hanna-Pope Co., Rathjen's Shoe Store, O. K. Cafe, Norwood Pharmacy, Clarendon Furniture Co., Lowe's Store, Nook Drug, Bowling Alley, Silver Mint, Goldston Bros., Lee's Cafe, Pyramid Hosiery, F. Hommell, Bryan Clothing Co., Bartlett Grocery, Greene Dry Goods Co., Parsons Bros. Watson & Antrobus, Douglas-Goldston Drug Store, O. D. Skelton, H. D. Tomb, Gulf Service Station, Farmers State Bank, First National Bank, Donley County State Bank, R. E. Duncan, Antro Hotel, Drs. Stricklin, Caraway's Cafe & Bakery, Pastime Theatre, Palmer Motor Co., Clarendon News, J. T. Patman & Son, City Gas Co., Piggly Wiggly, Beach Service, Station, Lemons-Thompson Grain Co., Wm. Cameron & Co., Galbraith-Foxworth Lbr. Co., Donley County Leader, Shamburger Lbr. Co., Jitney-Jungle, Clarendon Grain Co., Kerbow & Sons, Clifford & Ray, Shelton & Sanford, Clarendon Motor Company, Geo. B. Bagby.

### Little Theatre Will Present Play Soon

Under the skilled direction of Dick Ritchie, a carefully selected cast of players of the Little Theatre will present "The Last of Mrs. Chaney," at the College Auditorium in the latter part of April. The exact date has not yet been chosen.  
The play is a clever story of English society life, and enjoyed a lengthy run on Broadway, in New York, with Ina Claire as Mrs. Chaney. The cast for the presentation here consists of Mrs. Ira Merchant, Miss Katherine Patrick, Mrs. Kelly Chamberlain, Mrs. Meade Halle, Miss Mary Cooke, Mrs. Parke Chamberlain, Dick Ritchie, Bill Word, Hollis Leathers, Frank Stocking, Carl Parsons and Kelly Chamberlain.  
Mr. Ritchie, who will make his first appearance here in this production is an amateur actor of wide experience on the London, England, stage. In addition to parts in many other plays, he was cast in London as Lord Dilling in "The Last of Mrs. Chaney" when it played there.

### Chamberlain Votes \$3000 Bond Issue

Voters of the Chamberlain school district gave a big majority in favor of a \$3000 bond issue in an election held Saturday. The bond issue was necessitated by the recent destruction by fire of the former school building.  
The school board plans a new building which will cost, furnish, and between \$4000 and \$5000. With certain changes, it will be planned largely like the modern school at Bray. The plans will be drawn by the State Department.

### Mrs. Boykin's Pupils On WDAG Saturday

An ensemble group of Mrs. G. L. Boykin's violin pupils will be "on the air" Saturday, April 8, for 30 minutes, beginning at 2:15 p. m., over WDAG, Amarillo. In addition to the numbers to be played by the ensemble, a feature of the program will be two solo numbers by Leroy Leathers, of Lelia Lake. Everybody is invited, especially the friends of the young violinists, to hear the program.  
The ensemble will be composed of Misses Elizabeth Kemp, Joyce Link, Mary Smith, Delphia Bones, Harvey Lou Strawn, Agatha Taylor, Virginia Cluck and Mrs. Boykin, with Miss Barbara Smith accompanying at the piano.

### COUNTY SCHOOLS ARE INSPECTED

STATE RURAL SCHOOL SUPERVISOR RECOMMENDS STATE AID ASKED

State Rural School Supervisor Ercell W. Brooks, formerly county superintendent of Wilbarger county, arrived in Donley county last Thursday for inspection of rural schools which are asking for State Aid allotments, completing his work Tuesday afternoon.  
He visited all of the schools of the county which had applied for State aid, and in each case recommended to the State department the payment of the amount asked, totalling for all the schools \$3,456. The list of the schools and the amount recommended will be found in County Sup't Sloan Baker's weekly column, headed County School News.  
Mr. Brooks stated that he was very favorably impressed with the apparent interest of Mr. Baker in his work and that he found him to be very popular among the teachers and students of the schools he visited.

### MAYOR CAGLE IS ELECTED AGAIN

RECEIVES 275 VOTES OF A TOTAL OF 404 CAST HERE TUESDAY

Mayor W. P. Cagle was re-elected Tuesday by a vote more than twice as large as that received by his opponent, Tom F. Connally. A total of 404 votes were cast, of which Mayor Cagle received 275 and Mr. Connally 129. Their names were the only ones on the city election ticket.  
The entire campaign of the two candidates were marked by the absence of anything but the friendliest of feelings, each for the other. Each conducted his campaign on a high plane and their example was followed by their friends, all of whom apparently chose to leave each voter free to vote as he desired.  
"I am, of course, grateful for the fine vote given to me, which I accept as a vote of approval and confidence," said Mayor Cagle. "But I am equally glad that Mr. Connally and I were disposed to remain just as friendly to each other as ever. I especially appreciate his telephoning me as soon as the result was known and congratulating me, and the fine spirit which he has shown all the way through," he continued.

### Mrs. Jno. Smith Is Buried Here Saturday

Mrs. Virginia Davis Smith, wife of John L. Smith of this city, died Friday, March 31, 1933, at 7:05 p. m. at the home of her son, I. G. Smith, with whom she and her husband have made their home for several years. She had been in ill health since September, 1932, but became confined to her bed early in January of this year. Everything that medical science and the loving care of devoted children could do was done for the sufferer, but to no avail.  
She was born July 27, 1861, being the daughter of Robert and Rebecca Kilman, of West Plains, Mo. She was married on Oct. 15, 1882 to John L. Smith, and came with her husband and family from Roysse City, Hunt county, Texas, to Clarendon 21 years ago, where they have been honored citizens and useful members of the First Baptist church of this city. Mr. Smith being at this time a deacon in his church.  
Seven of the eight children born to Mr. and Mrs. Smith survive their mother, all but one being present at her funeral. The surviving children are: C. N. Smith, Chattanooga, Okla.; R. L. Smith, Ft. Worth; Mrs. J. R. Myers, Silverton; J. F. Smith, Vernon; Mrs. L. A. Stulce, Monroe, La.; I. G. Smith, Clarendon; Mrs. J. W. Shaw, Roysse City, Texas. Mrs. Shaw was unable to be here. She is also survived by two brothers: Rev. J. F. Kilman, of Bowie, where he has been pastor of the Baptist church for the past 28 years, who was present at the funeral, and F. M. Kilman, of Muskogee, Okla., who could not come. Mrs. Smith had 28 grandchildren and 5 great-grandchildren, many of whom were here with their parents.

Funeral services, held at the First Baptist church Saturday afternoon at 5 o'clock, by the pastor, Rev. B. N. Shepherd, were attended by a large audience of sorrowing friends of the departed woman and her family, beautiful floral offerings attesting the love and esteem which they felt for her.  
Pallbearers were the four sons of the deceased and two sons-in-law, J. R. Myers, of Silverton, and L. A. Stulce, of Monroe, La., the latter being Educational Director of the First Baptist church of his city.  
The staff of this newspaper joins the many friends and acquaintances of the family who

### Visiting Coaches Say "Meet Each Year"

The cordial reception given their teams, the excellent track and other facilities for a track meet, the expert handling of all the events and the enthusiasm of the great crowd of spectators at the Invitation Track Meet prompted very complimentary comment by visiting coaches last Saturday.  
Coach Odus Mitchell, of the Pampa Harvesters, said, "You should, by all means, make this an annual affair. It was a highly successful meet, well-managed, and we are glad we came. Do it again."  
Similar expressions of approbation were made by many other coaches, all of whom were greatly pleased with the hospitality extended to them by Clarendon people. Local enthusiasts are already talking about the 1934 Invitation Track Meet and it is believed that it will become a bigger and better track meet each year hereafter.

### LIONS CLUB HOST TO MANY VISITORS

GROUP 31 HOLDS QUARTERLY MEETING; DELEGATIONS FROM THREE CLUBS

The local Lions Club and their wives were hosts Tuesday night at a meeting of Group 31 of this section, with delegations present from Amarillo, Pampa and McLean.

A business session, presided over by Boyd Meador, of McLean, was held at 6 p. m., at which reports of the activities of the various clubs were heard, after which an inspiring address was made by District Governor C. H. Walker, of Pampa.  
At 7:30 the Lions were joined by their wives and sweethearts for the banquet and Ladies' Night program, about 80 being seated at the banquet board. Ira Merchant, president of the Clarendon club, acting as toastmaster.

District Governor Walker made an interesting talk, first recalling the many friendships formed by him in Clarendon during the days 15 years or more ago, when the Colorado-to-Gulf Highway association, in which he was especially active, was promoting better highways. At mention of the association there came a sotto-voce inquiry from somewhere in the audience, "Where is the Donley county highway?" On the heels of the laugh that followed came a reply from somewhere else—  
"Ma has it!"

Mr. Walker especially commended the fine work done among crippled children by the Clarendon club, also mentioning the fact that the club had more past-presidents in its present membership than any club of his knowledge, indicating a continuing interest in its work. "Not all people who believe in Lionism, however," he said, "are members of Lions Clubs, because Lionism stands for those things that are

### John S. Lott Dies at Wichita Falls

John S. Lott, who has been in a sanitarium at Wichita Falls for the past two years, died Wednesday night, according to a telegram received by Mrs. M. W. Mosley from Mrs. Lott, who was called to his bedside Tuesday.  
The body will arrive in Clarendon today and funeral services will be held Friday. Arrangements for the funeral, as to time and place, had not been completed in time for publication.

The passing of a woman whose Christian character and exemplary life has left its permanent impress on the community in which she lived and labored.

### CONVICTIONS WON ALL CASES TRIED

WM. MILLER SENTENCED WEDNESDAY FOR YEAR, FILING NO APPEAL

Taking up the criminal docket, District Court met Monday morning with District Judge A. J. Fires presiding, and District Attorney John M. Deaver, of Memphis, representing the State. Five cases were tried and five convictions secured by the State.  
The first case to come to trial was the State of Texas vs. Wm. Miller, charged with transporting whiskey. The jury returned a verdict of guilty Tuesday, and on Wednesday, no notice of appeal having been filed, Judge Fires sentenced the defendant to one year in the State penitentiary.  
Lester Shelton and Toller Toles, each charged with burglary, were tried before the court without jury, each waiving jury trial, and each received sentences of five years in the penitentiary. They were charged with burglarizing the Clarendon Grain Co., officers arresting them in the company's building after alarm was turned in to them by a citizen.  
In the cases of the Lester Smith and Bennie Honeycut, charged with burglary and theft over the value of \$50, Honeycut turned State's witness, plead guilty and asked for a suspended sentence. He was given a 5-year suspended sentence. Lester Smith was given a 2-year sentence, without suspension, on a theft charge.  
Smith and Honeycut were charged with the theft of some freight from the depot at Ashtola several weeks ago.  
Grand Jury Re-Convences  
Wednesday morning the Grand Jury, after a week's recess, was reconvened. It was in session all day and met again at 9:30 o'clock Thursday morning.

### Local Students May Enter This Contest

The Clarendon High School has been asked to enter a student speaker in the Annual "My Home Town" contest at the 15th annual convention of the West Texas Chamber of Commerce in Big Spring, May 11, 12, 13.  
The entry blank and rules of the contest were received this week by Superintendent H. T. Burton from C. M. Caldwell, Chairman of the contest.  
Contestants must be high school students and each town may select its contestant in any way it desires. The speech must be original and about the home town of the student. The rules provide it shall not contain poetry, and shall not be over five minutes long.  
A new loving cup is to be offered to the winner this year at Big Spring—the Thos. Etheridge cup having been won three times by Joe Witherspoon, Jr., of Wichita Falls, who becomes its permanent owner. Witherspoon will not be a contestant this year according to Chairman Caldwell. In addition to a loving cup, the high three contestants will each receive a substantial cash prize and the winner will be given a choice of a number of college scholarships.  
The Home Town Contest has been a feature of the West Texas Chamber of Commerce for the past ten years, and the final contest is held before the entire convention on the last morning.

### NAZARENE REVIVAL

Rev. S. R. Brannan, of Amarillo, evangelist of the Church of the Nazarene, is conducting a revival here which will continue through next week, it is thought.  
The services are being held in the large dining room of the Denver Hotel. The public is cordially invited to attend the services.

## BASING BANK LOANS ON PROGRAMS OF WORK

Clarendon banks, disclaiming any intention to dictate to their farmer customers, announce that they will continue their policy of basing farm loans on whether or not a "live at home" program is being followed.

"It is our seasoned judgment and experience that unless a live-at-home policy is adopted and continually pursued, farmers can never prosper," says the advertisement of the banks. Living at home, in the opinion of Clarendon bankers, means growing and canning (or otherwise preserving) sufficient vegetables, fruits, poultry, meat, etc. for a year's supply for a family, and growing a two-year supply of feed for livestock.

"It is an utter impossibility to produce any one crop (particularly cotton) and meet your obligations," the bankers' statement declares.

Thoughtful farmers approve the course which has been taken for the third year by Clarendon banks. It means that the banks are willing to help those who will help themselves. It has meant safe banking in Donley county. It has meant that applications for loans have had to be refused because the banker could not approve the applicant's program of work.

Bank loans, whether to the farmer or the man who lives in town, are safe only when they take into account the "program" of the applicant. If his program includes maximum effort at his work, plus sensible economy and a known regard for his own business honor, he will always be able to borrow as much as he actually needs. Such a banking policy contributes to the safety of the money of depositors.

Another tragic chapter in the story of dirigible development was written Monday night when 71 men of a total of 76 on the giant Akron perished in a crash on the Atlantic Ocean off the coast of New Jersey. The U. S. Government has built three such ships and has lost two of them. Already a wave of sentiment is arising against the continuance of dirigible construction. Speaking of the heavy loss of life, the greatest in history of aircraft, President Roosevelt stated that the country could afford the loss of the cost of the ship, but it could ill afford the loss of the men who went down with it. But experimentation with dirigibles, as with all other aircraft, will continue as long as money can be provided.

But is a dirigible, as expensive and unwieldy in the air as was the Akron, of sufficient practical value to justify its construction? Airplanes, with powerful engines in them, have demonstrated the practical worth of heavier-than-air construction. They are swift, relatively inexpensive, and possessed of proven wide cruising radii and load-carrying ability in relation to cost of construction. The Akron cost \$4,000,000, which would have paid for a great many airplanes.

Clarendon people appreciate the interest of the fourteen Panhandle cities and towns whose track teams responded to the invitation to participate in the Invitation Track Meet sponsored by Clarendon College. A magnificent group of young athletes gathered in competition which was keen but sportsmanlike. Nothing happened to mar the spirit of the occasion and the visitors had nothing but praise for the manner in which the meet was conducted. They especially commended the organized and well-equipped staff of assistants to Coaches Stocking and Hutton who effected a swift but smoothly functioning succession of events. The track meet was over at an early hour, permitting the visitors to start home earlier than they had expected. The Invitation Track Meet is destined to become an annual event, because it proved to be entirely satisfactory to all who took part in it.

### WHERE'S THE BOY?

Where does your boy "hang out"? Know all about his friends, and how he spends his time? Is he out of a job? Does he seem to have some money?

This is a shoe—don't wear it if it's the wrong size. Boys can get into plenty of trouble these days. And, my, how long it will take to get out if that trouble is serious.

Take the three young fellows who worked out of Woodbury. They got away with the bandit business for ten weeks before being caught, but during that time they were working for less than \$15 a week, each. Not much for the chances they took. Then there is the jail sentence to anticipate.

Plenty of reasons here to offer a boy, to prove how foolish he would be to turn bandit or sneak thief. Reasons never have stopped them.

But watchful parents could stop many of them.—Community News, Merchantville, N. J.

## TIPS ON TAXES

Austin—The Senate has started toward final adoption of a constitutional amendment which proposes to arbitrarily limit the expenditures of the State government to \$10 per capita per year. The basis of calculating the maximum of expenditures for any given year is preceding United States census. This would mean that increases could be made only once each ten years. The 1930 census gave Texas a population of 5,800,000 plus. The adoption of the amendment in its present form would limit State government expenditures to approximately \$58,000,000 annually.

The adoption of this amendment would bring expenditures back to the level of 1927. Doubtless some amendment will be made before final action is taken.

Another amendment has been introduced in the House that would lower the limit of State ad valorem (property) tax to 57 cents on the \$100 valuation. At present the limit is 77 cents, divided as follows: 25 cents for schools, 35 cents for general revenue and 7 cents Confederate pensions tax. This amendment would leave the school and Confederate pensions levies as they are now and would reduce the amount of the levy for general purposes to 15 cents, instead of the present figures of 35 cents.

These two amendments, with others which are under consideration, providing for reorganization of county government, together with legislation proposing a reorganization of the common school system, constitute the major items in an economy program intended to extend beyond the period of the present emergency.

Public school reorganization is provided in Senate bill No. 287, reported favorably to the Senate. Its principal feature is that it makes the county the unit for administrative purposes. Existing districts will continue to function so far as taxes, bond issues, etc., are concerned. Administration of schools would be vested in a county board of seven trustees, elected by popular vote for terms of six years, and a county

superintendent, elected by the trustees.

This county board would exercise the functions now required of district trustees. District school taxes would continue to be levied, collected and expended, as at present. Bond issues would remain as obligations of the districts. There would be no pooling of finances or of outstanding bond issues.

Essentially the measure is one for county unit administration and is intended to co-operate and reduce the cost of supervision and administration of the public schools. At present there are approximately 7800 school districts in Texas, with 28,000 trustees, employing 46,000 teachers and expending \$30,000,000 of the taxpayers' money.

That there is unavoidable waste in a business of such magnitude that is as loosely organized as the public school system of Texas cannot be doubted. Savings as a result of co-ordinated administration would be considerable. It is claimed that salaries of teachers could be increased and better schools would result from the adoption of this bill. Most of the saving would accrue from elimination of such needless cost of supervision as a result of the duplication of staffs in the vast majority of the 7800 school districts. The measure contemplates a greater portion of school funds shall go into the actual business of teaching and less of it to non-teaching attaches and employees.

In addition, the change would provide for more uniform school privileges for all children in the State.

Analyses of school finances, together with the machinery of administration, furnish convincing evidence that what Texas needs is wise expenditure of money already available rather than an increase in financial support. Texas ranks well among states of the union in support of schools and value of property. Based on income Texas is almost exactly where she should be in these respects, being ninth in earnings, ninth in school expenditures and eighth in school property value. Yet, in attendance, teachers' salaries, literacy and other standards of measurement she ranks from 35th to 42nd among the States of the Union.

## Meteor Pieces Found By Dick Walker On Farm

The meteor of last week passed over Pampa, it was proved this morning when Dick Walker, a farmer residing 7 miles east of this city, brought several pieces of

cinder-like formation to The News. He found more than a half-gallon pail full of the formation in a wheat field a half mile from his residence.

Wheat for a space of four by eight yards was scored where the pieces had fallen. They are like cinders or clinkers from a stove. Several of the samples will be

given to the high school for study purposes and experiments. Mr. Walker found the place while he was going after some cattle Friday afternoon. He resides on the Abbie Merten farm north of the C. & O. W. railway and on the new highway to Miami.—Pampa News.

John Gerner was elected on the school board and G. A. Davis was re-elected, Saturday.

Exhibit and Community Party

On Friday evening of last week the Lelia Lake school was the scene of a double-header entertainment in the form of their annual school exhibit and community old fashioned "get-together". The various departments of school work were on display in five of the school rooms. Teachers and pupils deserve credit for the splendid exhibit. Of especial interest to parents were the numerous booklets and notebooks representing not merely display work but consistent up-to-the-minute school work. The art work in the grades, attractive sand tables, posters, high school botanical and mechanical display in the science department, Geometric designing, illustrated book reports and themes in the English department and illustrated Spanish notebooks and themes, all contributed to the success of the exhibit.

At 8:15 o'clock the real fun began with an old-fashioned Friday afternoon program. Mrs. Stebbins began with "Auld Lang Syne," an instrumental number. The quartet composed of K. K. Boyce, J. O. Howard, Elmer Chenault and O. L. Usrey entertained the crowd with "Brother Jonah," "Widow Brown" and "All Gone Now." Four-year-old Russell Lane Thomasson recited, "Little Boy Blue."

In the following recitation contest, little Johnny Cole (alias Rev. John Cole) and tinny Tommy Thomasson (alias Supt. Thomasson) contested for honors. In the girls' division, little Miss Cecil Cook (alias Mrs. D. W. Cook) won first place while Melisia (Mrs. S. R.) Tomlinson and Mrs. J. A. Thompson tied for second.

The old fiddler's music was supplied by Messers Reeves, Will Walling and Frio Walling, accompanied by Mrs. Stebbins at the

(By Mrs. I. A. Tipton)

Rev. V. N. Henderson filled his regular appointment here Sunday morning, but we did not have services Sunday night, the League put over a very interesting play "The Color Line."

The League had a very delightful social Saturday night in the home of Mr. and Mrs. I. A. Tipton.

Mr. John Hessey visited the school again Tuesday afternoon and entertained with his picture machine. He showed three pictures, a Comedy, a picture of British Columbia in the city of Victoria and the Pied Piper of Hamelin, all were very interesting.

A number of the members of the P. T. A. were present for the entertainment, among whom were: Mrs. W. E. James, Mrs. J. T. Blakney, Mrs. Ollie White, Mrs. Lloyd Fulton, Mrs. Hugh Guill, Mrs. J. Wm. Dillard, Mrs. R. E. Paige, Mrs. M. T. Walker, Mrs. I. A. Tipton, Mr. and Mrs. Elmer Reeves, Mrs. Steve Greenwood, and Miss Estell Walker.

The Eldridge school came in for the entertainment, but were a little late so Mr. Hessey showed them the pictures again.

Mrs. Gilbert Garret, Mrs. Houston Bell, visited Mrs. Lawrence Minnard Monday afternoon.

Mrs. M. T. Walker visited Mrs. Hugh Guill Monday afternoon.

The spelling Bee from the old Blue Back Speller came as a climax. Sides were chosen by Messrs John Gerner and Joe Johnston. It soon became evident that not only "modern young people" can't spell but "the not so young" also can't spell long at a time. As pronouncer Bob Weatherly turned from easy to more and more difficult words, the ranks thinned, until finally even the pedagogues met their Waterloo. Many have explained a desire for another "old fashioned party". If you want one, help plan and get ready for it.

noon. Mrs. W. J. Ball visited Mrs. W. W. Whitsitt and Mrs. J. T. Blakney Thursday afternoon. Born to Mr. and Mrs. Mack Reece, March 30th, a 9 pound boy.

Mr. S. B. Kiser and family moved to the farm Monday, we regret having to give up this good family.

## School Notes

By SLOAN BAKER.

The returns of the trustees election will be canvassed by the County Commissioners Court next Monday.

G. G. Reeves, Oren Hott and Gilbert Mann inspected Bray school building Wednesday with the idea in mind of planning Chamberlains new school after it. State plans and specifications will be used. A \$3000 bond issue carried unanimously at Saturday's election.

Whitefish, McKnight, Martin and Sunnyview report interesting school meetings for last Friday evening.

Mrs. Donald Ballew reports the Sunnyview meeting as follows: Sunnyview was hostess to Pleasant Valley, Hackberry and Fairview Friday evening, March 31. County Superintendent Sloan Baker acted as temporary chairman and the following officers were elected: Z. D. Davis, Sunnyview, president; Carl Naylor, vice-president; Miss Pickering, secretary. Mr. Davis appointed a program committee. Mr. Gene Estlack read a letter from Mr. John Puryear stating that he would vote against Senate Bill 387, and would do all he could to prevent its passage. Mr. Erceell W. Brooks, the State Rural Supervisor, explained how aid was obtained by the schools and the funds the aid was derived from. He described our State Superintendent as being a man who was fighting for laws which would benefit the schools. After the business session the meeting was turned into a social hour. The Sunnyview school patrons served sandwiches and coffee, which was sure fire.

Erceell W. Brooks, State Rural Supervisor, inspected the following schools allotting to each the aid stated: Sunnyview, \$168; Giles, \$281; Windy Valley \$344; Fairview, \$184; Goldston, \$79; Bray, \$178; Chamberlain, \$470; Hudgins, \$199; Pleasant Valley, \$132; Skillet, \$184; Ashtola, \$237; McKnight, \$281; and Hedley, \$800; a total of \$3546 rural aid to the county. Every school received the maximum aid it was entitled to. Mr. Brooks left many school friends in this county because of the courteous and thorough manner in which he conducted his inspection of schools. Every school would like for him to return next year to this county as rural Inspector.

G. G. Reeves, president of the County Principals, Teachers and Trustees Association would like to see a large representation from every member school next Saturday afternoon at 2:20 p. m. in the District Court room at the Court House in Clarendon. Every District representative please bring in reports of your meetings.

We had a rather bad northern and sandstorm Tuesday night accompanied with a little rain.

Mr. and Mrs. Wood visited relatives at Turkey over the week-end.

R. V. Hatley visited home-folks over the week-end.

Rev. Campbell spent Saturday night with Mrs. S. Dilli and family.

Clyde Hudson attended court the first of the week.

Mr. and Mrs. Howard Stewart, of Chamberlain, visited relatives here over the week-end.

Mr. and Mrs. Leonard Goldston and children visited in Clarendon Saturday of last week.

Henry Merrick, of Boydston, attended Sunday School here last Sunday.

Nelson Greggs, who has been visiting relatives in East Texas, returned home last week. His brother, Perry, accompanied him home.

Mrs. Montie Garrison and children, of Paducah, visited with her parents, Mr. and Mrs. J. F. Elmore, from Friday until Sunday.

Mr. Earthman was elected as trustee at the election Saturday.

Hazle Dyer entertained the members of her Sunday School Class with the teacher, Mrs. Clyde Hudson, with a party at her parents home last Saturday night.

Mr. and Mrs. Eichelberger visited with her brother, Roy Stewart and wife at Chamberlain Sunday.

The fruit crop in this community was killed by the sub-zero weather in February which we regret very much.

There are some 30,000 lakes in Florida.

### BIBLE CLASS HOLD BANQUET

The Dorcas (Ladies) Bible Class and Come as You Are Men's Bible Class of the First Christian Church, enjoyed themselves at a Banquet given to the winners of the ninety day contest which was held by the two classes. The ladies were losers in the contest and set up a supper that will long be remembered.

About sixty members of the two classes were present and every body enjoyed the bountiful meal provided by the ladies. After the supper was over several speakers made interesting talks on Bible School work and the training of leaders. Among the speakers to deal with this subject were Dr. B. L. Jenkins, and Mr. W. T. Hayter. J. R. Tucker, president of the men's class made a speech of thanks to the ladies for the evening's program, and Mrs. W. T. Hayter speaking for the ladies, made some fine remarks regarding the contest and the results obtained. W. E. Ferrell, Minister of the church and teacher of the men's class delivered the address of the hour, his subject was, "The Bible School and its Purpose." He tried to show that the Bible School was the training camp of the church and that it should receive the full support and cooperation of church members in building up its program.

He showed that about 73 per cent additions to the church comes from the Bible School department.

### THE KINGLY CHRIST

Dear to the Christian world is the story of Christ's one day of triumph, Palm Sunday. The church rejoices because even for one brief day He was hailed as King. It was the Sunday before the Passover. A great multitude was approaching Jerusalem on pilgrimage. Many were Galileans,

and many of them believers in Christ. On their part the demonstration was unpremeditated. They suddenly realized that the Messiah was entering the Holy City, and they began to sing snatches of the Messianic Psalms. In a few moments the stream of Passover visitors was transformed into the heralding procession of a conquering King.

Thus into this Capital City rode Jesus. Willing captives press close upon Him, bound with golden links of love to His side. Glad feet kept step with Him, and the trophies of His power are not wanting. Sinners forgiven, lepers cleansed, lame and sick made whole, all along the road from Bethany to Jerusalem they crowned and shouted, singing as a might chorus. For we read, "And they that went before Him cried, Hosanna to the Son of David; and they that followed, "Blessed is He that cometh in the name of the Lord."

Palm Sunday also prefigures the entire history of the church and Christ's triumphant march here below. The history of the church is the story of the march of Christ across continents and centuries. He advances on the earth as on the road to Jerusalem,

with the calm majesty of a sovereign. He takes possession of things and men. He makes them His instruments and servants. His instruments and servants, just as on the first Palm Sunday. He used the colt, which did not belong to Him and drew forth a glorious homage from all these mouths which on that day had no voice but for Him. Saluted by the songs of all the churches, in all the countries where His name is known. He advances from nation to nation, and marches toward the final domination of the whole world. Christ is King. Fellow Christians, let's urge all the people to crown Him King. Let's make Palm Sunday a Decision for Him. We will present two sermons Sunday with this idea in mind. Our two subjects will be: "Jesus and the City;" and "Who is This Jesus?" Come study these lessons with us. W. E. Ferrell, Minister First Christian Church, Clarendon, Texas.

## Dinner-Party

An affair which added much to the week's social calendar was given Friday evening when Miss Mary Jo Chamberlain delightfully entertained a few friends with a dinner-party at the home of her parents, Mr. and Mrs. F. E. Chamberlain.

Gay spring colors were observed in the decorations. The dining table was laid with a damask cloth and centered with a beautiful bouquet of yellow jonquils. The dainty placecards were held in place by attractive Dresden flowers.

The guests included Misses Katherine Cole, Ruby Kendrick Cherry, Nettie Sims, Messrs Whit Carhart, Jr., of Greenville, Carl Allmond, Dick Cooke, Edley Crabtree, and Mr. and Mrs. Kelly Chamberlain.

## Friday Bridge Club

Members and guests of the Friday Bridge Club spent a delightful afternoon Friday as guests of Mrs. Parke Chamberlain.

In the games of Auction Bridge Mrs. Charles Trent was awarded high score and received a lovely prize. At the conclusion of the games a delicious course was served from charmingly appointed buffet table.

Attending were: Mrs. Floyd Lumpkin, Mrs. Frank Stocking, Mrs. Charles Trent, Mrs. Basil Kirtley, Mrs. Forest Taylor, club members; and Mrs. Ira Merchant Mrs. Richard Bell, and Mrs. Earl Alexander, guests.

## 1930 Needle Club Elects Officers

Mrs. Clarence Whitlock was cordial hostess to her Needle Club Thursday afternoon when she entertained at her home.

Officers for the coming year were elected and are as follows: Mrs. Vada Carpenter, President; Mrs. Clarence Whitlock, Secretary and Treasurer; and Mrs. Rhea Couch, Reporter.

After a pleasant afternoon, dainty refreshments carrying out the Easter motif were served to: Mrs. U. Z. Patterson, Mrs. Buel Sanford, Mrs. W. A. Land, and Mrs. Otis Barnes, guests.

Mrs. Rhea Couch, Mrs. Vada Carpenter, Mrs. Jimmie Moore, Mrs. Ben Buck, Mrs. Ralph Decker, Mrs. Carlos Grissom, Mrs. Ralph Andis, Mrs. Marvin Lahn, Mrs. Carl Peabody, Mrs. Jesse Lowe, members.

## 1926 Book Club Hears "Sons"

One of the best and most enjoyable book reviews of the year was heard Tuesday afternoon when Edith Ballew, in her charming manner, told the story of "Sons", a sequel to "The Good Earth", written by Pearl S. Buck. Mae Nell Teer, as leader, gave a sketch of the author's life and a brief synopsis of "The Good Earth". The Pathfinder club and Mrs. John Clark were guests for the afternoon.

In the business meeting, the Year Book for next year was accepted and Lotta Bourland was elected delegate to the District Meeting of Federated Clubs at Hereford, April 19th, 20, and 21st.

At the conclusion of the study Joyce Clark, Ella Kent, Jennie Dale Porter, and Joyce Cope as hostesses served a delectable salad course at an attractive buffet table.

## 1930 Good Will Club Honor Husbands

The 1930 Good Will Club entertained its husbands on Thursday evening with a forty-two party at the home of Mrs. Si Johnson, with Mrs. Blanche Oden and Mrs. Johnson, hostesses.

Though quite informal the party proved to be one of the most enjoyable for some time and the guests were reluctant to leave at the close of the games when a delicious salad course was served. Mrs. Melvin Cook was winner of the high score and Mr. Wilson Gray of the low.

Those present were: Mr. and Mrs. Roy Blackman, Mr. and Mrs. Melvin Cook, Mr. and Mrs. Lucian Bones, Mr. and Mrs. Claud Stanton, Mr. and Mrs. A. O. Yates, Mr. and Mrs. Robertson, Mrs. Claudine Ratchiff, Mrs. Will Johnson, Mr. Wilson Gray, Mr. C. R. Gamblin, and Mr. Henry Johnson.

## Mrs. C. W. Taylor Is Hostess

On Thursday Mrs. C. W. Taylor was gracious hostess to members of the 1912 Needle Club at her home on College Hill.

Delightful conversation amid the pleasant surroundings of the home made this an enjoyable affair with much work being accomplished before the serving of the dainty refreshments.

Attending club members were: Mesdames Anna Hall, H. C. Kerbow, J. T. Patman, Minnie Dyer, B. L. Jenkins, Sr., A. A. Mayes, W. B. Sims, H. C. Brumley, E. W. Adam, Don Grady, Bill Patman, G. L. Boykin, and A. T. Cole, invited guests.

## Victory Class Party

The tackiest of all tacky parties was enjoyed by members and invited guests of the Victory Sunday School Class at the home of Mrs. R. Wilkerson, Saturday evening.

Costumes of all periods and some of no period at all were on parade, each being a work of art, if it takes art and ingenuity to create a tacky costume.

Relay games, contests, a style show and vaudeville furnished entertainment for the evening with refreshments being served at a late hour to:

Phoebe Ann Buntin, Lalar Belle and Margaret Wilkerson, June McMurtry, Edith Shelton, Nell Schashe, Mabel Johnson, Aileen Allen, Ruth and Ruby Blackman, Jean Teat, Mildred Atteberry, Irene Fowler, Frances Morris, Kathleen Ryan, Jane Kerbow, Ethlyn Drennan, Billie Lou Gilbert and Louise Wood.

## Mrs. Don Martin Hostess

Members of the 1930 Good Will Club were guests of Mrs. Don Martin at her home on Thursday afternoon.

An enjoyable afternoon was spent in fancy needle work and in visiting, with a delightful refreshment course being served in the late afternoon to:

Mrs. Henry Rape and Miss Lola Barnes, guests; and Mrs. Melvin Cook, Mrs. Si Johnson, Mrs. Roy Blackman, Mrs. Blanche Oden, Mrs. Joe Carille, Mrs. A. O. Yate, Mrs. Leslie Carille, and Mrs. Lucian Bones, club members.

## Mrs. Jesse Lowe Entertains

One of the loveliest parties of the week was that given by Mrs. Jesse Lowe at her home Thursday afternoon.

Games of bridge were enjoyed throughout the afternoon, with dainty refreshments being served to: Mrs. Joe Ritter, Mrs. Vada Carpenter, Mrs. Rhea Couch, Mrs. Ernest Hunt, Mrs. H. A. Hitt, Mrs. Jimmie Moore, Mrs. Alvin Landers, Mrs. Clarence Whitlock, Mrs. Alfred Estlack, Mrs. Willie Vinyard, Mrs. Carl Peabody, and Mrs. Joe Bounds.

## MacDowell Club to Meet Saturday

The MacDowell Club will hold its open musical at the Woman's Club Room Saturday, April 10, at 7:30 p. m.

The program which is in charge of Mrs. O. T. Smith is entitled, "Chimes and Bells".

Whitlock's Beauty Shop is now in charge of Lucile Whitlock Garrison and Mrs. Dawkins, licensed and experienced operators. They meet all competition in low prices and quality work. Try them for satisfaction.

**TO THE VOTERS OF THE CITY OF CLARENDON**

I want to thank you for the confidence you expressed last Tuesday in my behalf. God bless you all. There is no malice in my heart.

Your Friend,  
W. P. CAGLE.

Mr. and Mrs. Sam M. Braswell returned last Thursday night from Houston, where Mr. Braswell underwent examination in the clinic of the Jefferson Davis hospital. The report handed to him at its conclusion was generally satisfactory, indicating only the necessity of certain precautions as to diet.

## Country Club Makes Changes in Rules

The requirement that members of the Clarendon Country Club must register both themselves and families and any guests on each visit to the club was unanimously voted at the recent annual stockholders' meeting. Each member is allowed the privilege of inviting one family per day as guests, but only for the purpose of swimming and social recreation, fishing privileges being reserved for club members only.

Members who wish to have picnic parties are required to make application to the directors for a permit which, if granted, must be exhibited to the keeper of the grounds. Suspension of club privileges may be made by the directors for violations of these regulations.

The usual fishing rules were again adopted, the fishing season to be closed during March and April, and the usual regulations as to length of different varieties of fish and permissible catches to govern during 1933.

C. C. Powell is president of the club and W. W. Taylor is secretary. The re-elected board of directors are Caraway, P. B. Gentry and C. C. Powell.

Plans are being made to open the season at the club lake with the usual chicken barbeque.

## Ass'n. Of Principals and Trustees Formed

The Principal-Trustee Association of Martin, Ashtola, Goldston, and Jericho met Friday night, March 31st, at Martin. The following officers were elected: J. D. Wood, Martin, President; M. S. Swinburn, Ashtola, Vice-President; Mrs. Baker, Martin, Sec.-Treasurer; E. B. Bowen, Ashtola, Reporter.

Sid B. Thomas, Ashtola, was chosen by acclamation as chairman of the program committee, to be assisted by G. W. Kavanaugh, Martin; and Gladys Noble, Goldston. G. W. Gatewood, Goldston, was unanimously elected head of the Legislative Committee and Myrtle Hall, Jericho, was chosen head of the Survey Committee.

In a clear, concise manner M. S. Swinburn outlined the "Duties of a Trustee." Opportunities in Rural School for Education" was the subject of an interesting talk by G. W. Kavanaugh. G. W. Gatewood gave an instructive talk on "What a Standard School Is".

Various significant matters were discussed and several practical ideas advanced concerning rural school problems. A motion by Sid Thomas, which was quickly seconded, carried and the meeting adjourned. Delightful refreshments were not served.

The next meeting will be at Ashtola on May 5.

## Petition Protests Proposed Legislation

Last week a petition was circulated among the residents of Ashtola and sent to Rep. John Puryear concerning Senate Bill 387.

This week we received a letter from Rep. Puryear in which he affirmed his stand for the rural districts. We feel that Rep. Puryear is not only to be commended for his vote against Senate Bill 387, but also for his vote against certain immoral issues.

In his letter Rep. Puryear states that he is for cutting government expenses at every place possible so long as it does not impair good government, but is for the school children, first, last, and all times.

## Large Audiences Greet Jan McMurry

Rev. Jan McMurry was welcomed Sunday with a large and attentive congregation. His messages are being presented in that same clear and interesting manner that so impressed his hearers last year.

Each night at 7:45 during the remainder of the week the services will continue. Sunday is expected to mark the climax of the meetings, especially the closing service Sunday night.

Mr. McMurry will sing two special numbers on Sunday; in the morning, "Open the Gates of the Temple," and in the evening "The Holy City." The following sermon subjects are planned for the remaining services: Tonight: "Tried in the Fire"; Friday: "Alibis"; Saturday: "Heresay Religion"; Sunday morning: "We Would See Jesus"; Sunday evening: "Meeting Christ's Test."

## DISTRICT GOV. WALKER TAKES THE DIRECTOR ALONG

C. H. Walker, district governor of Lions Clubs in West Texas came by Wednesday afternoon and picked up Sam M. Braswell, International director of the organization, who accompanied him on a trip to Monahans where charter was presented to a new club Friday afternoon. The two officials met with the convention committee at Lubbock Wednesday evening in completing plans for the State Convention of Lions Clubs to be held there May 21-22-23, and met with clubs at Big Spring and Midland Thursday enroute to Monahans.

District Governor Walker will accompany Director Braswell to Breckenridge on the return trip to a district convention of Lions Clubs in District E, where the latter will deliver the International address Monday afternoon.

## Tom F. Connally and M. M. Nobles Made a Trip to Amarillo

Tom F. Connally and M. M. Nobles made a trip to Amarillo Wednesday in connection with highway matters. Mrs. Connally accompanied them.

Whit Carhart Jr., of Greenville, who has been visiting Mr. and Mrs. Kelly Chamberlain, returned to his home Tuesday.

J. W. Martin and daughter, Miss Mildred, who have been spending the winter at Muskogee, Okla., have returned to their home here.

Roy Jewell, of Hedley, was a business visitor in Clarendon Wednesday.

## RESOLUTIONS

Adopted at a meeting of the Principals and trustees Association held at McKnight school in Donley County on March 31st, 1933.

WHEREAS, Sloan Baker, as county superintendent of schools, has shown and demonstrated training and talent for amply filling that office to which we have elected him; and

WHEREAS, he has and continues to render a faithful discharge of his duties towards the rural schools of the county, and more especially in protesting the passage of Senate Bill No. 387 and acquainting the public with legislation affecting the interests of the rural schools; and success of the rural schools; now, therefore

BE IT RESOLVED that we, Principals and Trustees in meeting assembled, representing the schools of Bray, Smith, Giles and McKnight, give him our qualified endorsement of the policies to which he has adhered, and be it further,

RESOLVED, that we pledge him our whole-hearted support in the execution of the duties of his office as County Superintendent of schools of Donley County, and commend him to the thoughtful consideration of all those citizens who have sincere desire in the upbuilding of the rural schools system of our county.

McKnight School; J. G. Clemons, Principal; Tom Messer, J. H. Pierce, J. W. Gatewood, Members of board.

Bray School; C. W. Howard, Principal; B. A. Kyser, R. L. Duckworth, J. F. Stiles, Members of the board.

Giles School; J. M. Baker, Principal; J. W. Bland, A. E. Ranson, B. F. Kelley, Mack Sims, J. A. Lemons, W. D. Proffit, Claude Nash, Members of the board.

N. B. Chenault, of Wichita Falls, was in Clarendon on business Wednesday. Mr. Chenault was formerly a rancher in this county.

S. G. Adamson, of Hedley, was a business visitor in Clarendon Wednesday.

Mrs. Carroll Knorpp returned Friday from Long Beach, California where she has been visiting relatives.

## CONN UNION

Program For April 9, 1933

Subject—"Men and Brethren, What Shall We Do?"

Leader—Mrs. Edd Speed.

The Fact of Sin—Joe Bounds.

The Need of a Savior—Mrs. May.

The Act of Surrender—Mrs. Joe Goldston.

The Transformation Power—Mr. Hay.

The Consequences in Character and Conduct—Mrs. Ralph Keys.

A new contest between the four groups is starting this coming Sunday. The contest will be based on attendance and new members. Those in groups Nos. 1 and 4 will be pitted against Nos. 2 and 3. The losers of the contest will entertain the winners with a picnic, the place of picnicking to be decided at a later date. Everyone is cordially invited to come and get lined up at the start. Friendly contests blended with plenty of rivalry are always enjoyable. Seven o'clock is the hour to be there and your presence is the price of admission.

L. F. Bones was another local citizen who came in this week and laid the silver certificates on the counter to renew the subscription of a kinsman down the state along with his own here in town. Thanks, Bro. Bones.

Mrs. Flora G. White and her son, Bascom, were visitors in Clarendon Tuesday. Their home is in Amarillo.

### "RED HEADED STEP-CHILD"

In the play "Red Headed Step-Child," presented recently at the college auditorium, a goodly part of the cast was composed of local students, including Eleanor Morris, Henry Wilder, Bill Wood, Jean Bourland, Pauline Sanford, and Bill Word. Most of these have participated in dramatic work before and executed their parts in this play very well, some showing a talent for acting.

The actors were well suited to their parts. Eleanor Morris, the cowgirl of the Panhandle, was chosen to play the part of a rowdy girl who had lived all her life on a ranch in Montana. Bill Wood was chosen to play the part of a lively boy of seventeen. The reserved Henry Wilder was made a dignified butler. Jean Bourland and Pauline Sanford were appropriately chosen to be society girls.

### Clarendon Debaters Win Over Goodnight

On Tuesday afternoon the high school boys' debating team, composed of Bob Goodson and James Headrick, went to Goodnight for a practice debate against the boys' team of Goodnight High School. After the decision had been given by the judges to the Clarendon boys, the Goodnight girls' team challenged the visitors for a debate. In the second debate, the judges again favored the Clarendon boys in their decision.

In order to create and hold enthusiasm for debating up to the time of the district meet in Canyon, several practice debates have been planned. The local team expects to debate the boys' team of Pampa High School sometime soon.

### Students Realizing Study Is Important

This week has been exam week for the high school students. There has been more diligent study for these exams than for all previous exams since school started; the students have awakened to the fact that there are but six more weeks left until school is out and that they must really apply themselves to their studies.

Especially is this true among the Seniors who realize, many perhaps too late, that they really

### Palo Duro Literary Society

The Palo Duro Literary Society met Wednesday evening, March 23, at seven-thirty in the Society Hall. The first number on the program was two violin selections "The Juggler," and encore by Miss Elizabeth Kemp. Some thing different to appear on the program at the meeting was the reading of a one-act play, "In the Orchard," by Floyd Dell, by Miss Headrick, which proved to be amusing to everyone present. Later the motion was made and seconded for adjournment.

### Alpha Delta Psi Literary Society

The Society was almost one hundred per cent in attendance last Wednesday night. Miss Nova Cook gave a reading, "Grandon's Aversion For Slang," which was enjoyed very much. The remaining period was spent in discussing plans for the picnic and other business.

Members of the Society and invited guests were transported to Rifle Range by a truck to enjoy a picnic late Monday afternoon. After arriving, a goodly measure of superfluous energy was exerted by climbing hills and wading creeks and in quest of the unexplored. When most of the energy was exhausted, eating became a timely question, but was settled with little difficulty. The coffee pot was suspended over the fire and the eats were spread. Soon the appetites were satisfied and seemed to prompt the "smart alecks," not calling any names, to display some of their stunts. Then every one seemed willing to start home in order to be ready for a resumption of school work the following day.

### "Man-Holes"

During the past few days, many an unwary student has found himself unexpectedly at the bottom of one of the numerous holes on the campus which have been dug for trees. A favorite method employed by Lloyd Martin, Lawrence Whitlock, and O. C. Watson, is to encompass a group of students with a rope and

are going to graduate "if" they buckle down to it. I have heard not less than a dozen students say that they spent a whole day in studying for a test, then, from some unknown reason failed it. I heard one person truthfully remark, however, that it was rather difficult to understand the work when one did not start studying until the end of the term.

drag them towards the nearest hole. So many girls were tumbled in this manner that it has become rumored about that maybe the boys really wanted to win favor by helping some fair damsel emerge from her under-ground dungeon. It was great fun to see O. C. Watson elude those who tried to push him in by calmly stepping across the holes. But, alas, these holes will no longer afford amusement for the students because the planting of trees was begun this week.

### Reavis and Martin Are High Point Men

In the track meet held here on Saturday, April 1st, Clarendon won out with forty-four as total number of points. Hubert Reavis was high point man having 15 points, and Lloyd Martin was second having 13 points to his credit. Clarendon won as follows:

- High Hurdles—first race, Hubert Reavis first, and Behrens second; time 15.8. Second race, Martin first, Watson second.
- Discus—Lloyd Martin second, Pale Vault—McCrary second.
- Low Hurdles—Reavis first, time 25.8; Behrens, second in first race.
- High Jump—Lloyd Martin first height 5 feet 11 inches.
- 220 Yard Dash—Reavis first in second race.

### HOME ECONOMICS STUDENTS PLANNING WIENER BOAST

The second year girls will have their tailored silk dresses on display in town the first part of next week. Some of the dresses are to be used as graduation frocks.

The boys are beginning their unit of home improvement. The best way possible, within their amount of money, to improve their home to make it more comfortable and modern is being studied and discussed.

The department is planning to have a wiener roast in the near future.

### STOPS a Headache

There seems to be no safer way to end a headache—and there certainly is no safer way—than two tablets of Bayer Aspirin. You've heard doctors say Bayer Aspirin is safe. If you've tried it, you know it's effective. You could take these tablets every day in the year without any ill effects. And every time you take them, you get the desired relief. Stick to Bayer Aspirin. It's safe. It gets results. Quick relief from headaches, colds, or other sudden discomfort.

### Seniors Choose Motto and Class Flower

Last week on Thursday the Seniors met to vote upon a class motto and a class flower. From six mottos presented for their consideration by the committee, the class chose the one, "Forget the Past; live in the present; and look to the future." Sweet peas were selected as the class flower. During the meeting, they were surprised by Superintendent H. T. Burton, who made several announcements. His reading of the list of names for the diplomas so as to be sure of having them correct caused much fun because the full names of many seniors are unfamiliar. Mr. Burton reminded the class members that they must soon name their choice for a commencement speaker and the minister to preach the commencement sermon. For economy's sake, he suggested that local speakers be chosen for both occasions, further stating that this practice was becoming customary in most high schools.

Because of the high wind which prevailed, the crowd was somewhat small, but those who did witness the event, I am sure felt that their time was well spent. It is expected that some of the records made Saturday in the meet will hold good for some time. Some, for instance, were the 120 yd. hurdles—time 15.8; Javelin throw, distance—163 ft.; High Jump, height—5. 11; 220 Yard Dash—time, 23 seconds; 220 low hurdles—time, 25.8. Of these records, three were made by Clarendon stars. Martin in the high jump and Reavis in the 220 dash and 120 high hurdles.

School participants and community in general desire to express their sense of gratitude and appreciation to the progressive and interested merchants who made possible this assembling of West Texas' competitive athletes. The Bronchos came off of the range Tuesday and started spring football training. The material looks good, however, some of them are young and inexperienced, but with the proper training, the boys should do well. Some 40 boys reported. An alloy composed of tungsten, carbon and cobalt, which is hard enough to scratch sapphire, is now used for the teeth of saws that have to cut through wood treated with fire resisting or preserving chemical.

The teachers, pupils and some of the neighbor girls will put on a play, "Pools Holiday," this Friday night, April 7, here at the school room. No admission will be charged. The pupils will sell candy, pop corn, chewing gum etc. Every one is invited to attend and enjoy a good laughable play. The teachers are also going to entertain the pupils with a picnic Monday, the place not being selected yet.

Mrs. Carrol and daughter Bernice of Lelia Lake called to see Mildred Brame Monday morning.

Misses Louise Adamson, Pauline Brame and Mr. Homer Bones were supper guests of Mr. and Mrs. Winfield Mosley of Hedley Saturday night.

Mrs. Lucy Morgan and children of Goldston visited with Mr. and Mrs. R. A. Brame Friday.

Tomy Gambin of Clarendon spent Sunday afternoon with Junior Braime.

Mrs. Roy Morgan and children son.

Miss Mammie Leverett visited Aline Rhodes Sunday.

Mr. Pennill of Shamrock visited in the community Monday night.

**It Takes More Than Salts, Calomel, Mineral Waters, Oils, or Laxative Pills to Arouse a Sluggish Liver**

They Give Only Temporary Relief From Constipation and Bilioousness, Because They Have No Effect Whatever on the Liver or Its Production of Bile

Bile is nature's own laxative and your stomach and bowels require at least one quart of fresh bile every day to keep them clean, pure, free from fermentation, putrefaction, gas and disease germs.

When your liver becomes torpid or sluggish the bile stagnates and stops flowing freely. The contents of your bowels become the breeding place for germs and poisons; your food does not digest—it just ferments and decays in the bowels. The blood absorbs these poisons and you suffer from constipation, gas, sick headaches, bilioousness, nervousness and sour stomach.

Sargon Soft Mass Pills will remove the cause of this condition and purify your entire system in nature's way. They are not like any other medicine you have ever taken. They are so gentle, thorough and natural in their action that there is nothing about them to remind you that you have ever taken a medicine, and most remarkable of all you gradually reduce the dose until you no longer require a laxative at all.

Five years ago it was generally believed that calomel and laxative drugs stimulated the liver, but modern science has proved that calomel, salts, mineral waters, oils and other laxatives have no effect whatever on the liver.

Sargon Soft Mass Pills act directly on the liver because they

**Library Notes**

By MRS. C. A. BURTON

The timeliness of a recent gift to the library, "The Speaker of the House—the Romantic Story of John N. Garner," is evident as we realize that only the president himself is vice-president Garner. As the title indicates, the book was written by George Rottwell Brown before the election. The author, then a newspaper correspondent for a Texas paper, began reporting the proceedings of the House one session before Mr. Garner was sent to Congress thirty years ago, and has known him and his work throughout these years.

Mr. Brown's biography of Garner is written simply and frankly, but very interestingly. In it he discusses Garner as a man, his gradual rise to prominence, his election as the first Democratic Speaker of the House since Champ Clark, and his amazing success in wrestling with the gigantic problems with which he was confronted. These questions also involve a clear discussion of many problems of public interest. You will enjoy the book.

Another book which will interest the thoughtful reader, and which was a recent gift, is "Biography of Florence Nightingale" by Irene Cooper Willis. This life of the pioneer war nurse is an extraordinary piece of simple, lucid writing. Miss Willis understands the springs of character and temperament that made of Florence Nightingale a great politician and a worker of social revolution as well as an adored war nurse. Besides giving a most vivid picture of the Crimean War, the book also contains an interesting account of the struggle by women of the past century for an economic footing—the right to enter life's avocations and professions and to be a vital factor in the same. It is a fine summary of Florence Nightingale's methods, her wit, her later life, her triumphs and her failures. It will be of especial interest to High School girls as well as older readers.

A woman who has been a friend to the library since its beginning but who had never used it very extensively remarked the other day that the pleasure she had gotten from it during a recent slight illness had paid for a year's membership. And a young man from the country who reads our books regularly said, "I don't

contain two amazing substances which highest medical authorities agree are the only effective stimulants to the bile-producing activity of the liver known to modern science. These substances stimulate and invigorate the liver to cleanse and purify itself through increasing its production of bile. This fresh bile immediately starts to work neutralizing acids and poisons, stopping fermentation and decay, cleansing and purifying the bowels and sweeping out accumulated poisons.

Unless you have tried Sargon Soft Mass Pills you can have no idea of the effects produced by this natural cleansing of your liver and bowels. It makes you feel years younger, stronger, healthier and happier. It brings back life and color to faded eyes and cheeks, restores the appetite and sound digestion—gives you a new outlook on life itself.

Insist on genuine Sargon Soft Mass Pills. Don't be misled. There are only two known substances which will actually stimulate a torpid or sluggish liver to cleanse and purify itself by increasing its production of bile. Sargon Soft Mass Pills contain both of these substances and no other advertised medicine on the American market today does contain them.

know how we would get along without the library now."

The Book—Letter of Montclair New Jersey, contains this splendid thought: "If one can make his time permit the reading of at least two good books each month, he will be doing much toward giving to the world one more person qualified to live abundantly and therefore to make the world a bit more thoughtful place than he found it."

We were pleased the other day to see the statement that Chinese women were greatly enjoying the translation of Bess Streeter Aldrich's "Lantern In Her Hand." Even after having had two copies of this in the library for more than two years, it is rarely in for as much as three days at a time. It is a story of such intense human interest that it rarely fails to appeal to any sex or age.

**WOMEN: watch your BOWELS**

What should women do to keep their bowels moving freely? A doctor should know the answer. That is why pure Syrup Pepsin is so good for women. It just suits their delicate organism. It is the prescription of an old family doctor who has treated thousands of women patients, and who made a special study of bowel troubles.

It is fine for children, too. They love its taste. Let them have it every time their tongues are coated or their skin is sallow. Dr. Caldwell's Syrup Pepsin is made from fresh laxative herbs, pure pepsin and other harmless ingredients.

When you've a sick headache, can't eat, are bilious or sluggish; and at the times when you are most apt to be constipated, take a little of this famous prescription (all drug stores keep it ready in big bottles), and you'll know why Dr. Caldwell's Syrup Pepsin is the favorite laxative of over a million women!

**A Letter to the Old Timers of Donley County and the Panhandle**

Dear "Old Timers:" I have recently undertaken the very interesting work of compiling a book of signatures of those Pioneers of the Panhandle

who settled and lived in the Panhandle before 1900. This book is to be a gift from the Panhandle Plains Historical Society, and will be presented at the dedication of the beautiful new museum building on April 14th.

It is my desire to make this book as complete as possible, and I would greatly appreciate having your signature. I would like to call on each of you personally but lack of time prevents this. Will you please sign your name and the date you came to the Panhandle, in ink if possible, on a piece of white paper and mail or hand it to me?

I realize that I do not know the names and addresses of many "Old Timers" whose signatures I should have in this book. Will you be good enough to give me some of these names? I do not wish to overlook anyone, and your

help will enable me to get in touch with all the "Old Timers". Perhaps in your files of old letters and papers you have the signatures of some members of your family or old friends, who have passed away, and if you are willing to part with them, I would like to place dates of arrival in the Panhandle with each signature as they are to be entered in the book according to dates.

I wish to thank all the Old Timers for sending me their signatures and names of their old timers, for without their assistance it would have been impossible to compile this book.

Yours very truly,  
Katherine Patrick.

**A Safe Farm Program**

The present agricultural conditions and the prospects of all prices of all agricultural commodities in the future suggest that a program of "live at home" is imperative for the farmer.

We wish to point out to the farmers of this territory, as we did last year, that from our viewpoint the time has come, more than ever, when it behooves the farmer to grow his feed and food at home, consisting of fruits, vegetables, poultry, meat and milk, and have these products preserved in sufficient quantities to feed a family at least one year, and a two-year supply of feed for livestock. It is an utter impossibility to produce any one crop (particularly cotton) and meet your obligations. One-crop programs have always proven disastrous.

We have no disposition to dictate to our farmer customers, but it is our seasoned judgment and experience that unless a "live at home" policy is adopted and continually pursued, farmers can never prosper. We would respectfully urge the planting of gardens this year, and if the gardens should fail, then we would urge that farmers go to the sections of this country that raise truck and garden stuff in abundance and buy or barter for the same, thus supplying their home needs with the fruits, vegetables, etc., that they fail to raise on their farms. A good many farmers last year employed the barter system, and are this year borrowing very little money, as a result of it.

It will be the policy of the following banks to base their farm loans in the future on whether or not the farmer is following the program as outlined above.

This statement is made at this time so that farmers may plan their 1933 planting activities accordingly.

**Nicknamed!**  
that's what happened

THE contest for a name and slogans for Conoco's new gasoline is over. The winning name and slogans have been selected and awards made to the contestants listed here.

More than half a million good friends tried sincerely to help us, and we are grateful to all of them for the names and slogans sent us, each of which had a careful reading and consideration.

Even though we have selected and paid for a splendid name, we find we cannot use it or any of the many hundreds of good names submitted.

Here is what happened:

Personality always wins a "nickname." We never thought of that in our anxiety to get a good name for an outstanding

gasoline. Bronze was used as a color to make this new gasoline distinctive and to protect our customers. It was liked by everybody—they, you, everybody called it Conoco Bronze. So, try as we might, we couldn't change now. It will always be known as Conoco Bronze. It had too much personality to avoid this popularity rating—"nicknamed!"

Therefore, conforming with contest rules, we are using a name of our own creation, the name used in all the contest advertisements—"Conoco Bronze"—even though it is not the name for which we paid \$5,000.

Each user of Conoco Bronze gets a perpetual prize of instant starting, lightning pick-up, greater mileage and power—for it is a great gasoline.

In the hurdles and 220-yard dash events, the races were run in heats, with full credit going to placers, eliminating preliminary events.  
Amarillo's second relay team

won the feature event of the day, the mile relay. The victory came through the fine work of Jacobs, who started the final round five yards behind his Childress opponent. He overtook the Bobcat anchor man and ran him neck and neck to the finish line, putting up a great finish to remain in front.  
The summary:  
High Hurdles (first race)—

Reavis, Clarendon; Behrens, Clarendon; Fullingim, Pampa; Bufkin, Amarillo. Time 15.8. (Second race)—Martin, Clarendon; Watson, Clarendon; Morris, Quitaque; Kelly, Pampa. Time 16.0.  
Discus—Mills, Dumas; Martin, Clarendon; Lane, Pampa; Behrens, Clarendon. Distance 113.3.

year-old class.  
Mrs. Powell received advice, after returning from Amarillo, that all of the Clarendon contestants were certified as representatives of the Panhandle Musical Festival at the Tri-State Music Festival which will be held at Lubbock April 6-8.

The Tri-State Music Festival will stage contests between representatives of five organizations—East New Mexico Music Teachers' Association, Panhandle Music Teachers' Association, South Plains Music Teachers' Association, West Texas State Teachers College and Wayland College. The piano contests will be judged by Mrs. Paul van Katwijk, wife of the dean of music of S. M. U. at Dallas.  
Mrs. Powell states that all of the Clarendon winners are planning to compete at Lubbock. She is elated over the very fine achievement of the Clarendon group, and says that their work received much favorable comment. The fact that more than 750 contestants were entered in the many departments of the Festival at Amarillo is an indication that each contestant had to show high proficiency to win even a Class II rating.

told that he still was unfit for service.  
He went to France and enlisted in the French ambulance service, during which time he was behind Verdun for more than a year, having several narrow escapes from death when his ambulance was wrecked by exploding shells. Finally, he learned that the English army would likely accept him for service, in its great need of men. He offered himself, was accepted and served until the war was ended, coming out of it as Major Vere Finch.  
He married an English girl soon after the war, settled down on the extensive landed holdings which have been in the hands of his family for hundreds of years, and has since busied himself with the administration of its affairs. At the time of his death he was sheriff of Rutland county, or shire, as it is called in England.  
Mr. Finch became greatly attached to the scene of his early ranching efforts and never forgot the friendships he had formed. So strong were the ties that ever since the World War he has made a trip each year to Clarendon, making the long ocean and land trip for the one purpose of clasping hands with old friends and viewing again the hills and vales of a land which he had learned to love.  
His friends here number all those among whom he lived and with whom he had the usual business and social contacts. He was possessed of a warm and friendly nature that won the high regard of all who knew him. These friends will miss him and they will miss his yearly visits among them. He was truly a man with two countries, both of which he loved.

**Trustees-Principals of Four Schools Meet**

The branch of the County Trustee-Principal organization taking in the Whitefish, Glenwood, Watkins, and Skillet schools met at Whitefish last Friday night. The meeting was presided over by D. P. Smith of Skillet.  
The program which was both interesting and instructive consisted of a talk on "The Standardization of Schools," by Mrs. Fern Davenport of Whitefish; a discussion of "Impending Legislation," by Enlow Crisp of Whitefish; an explanation of "the Duties of the County Board of Trustees" by Ruth Dunn of Glenwood; and views on "The Six Year-Old Problem" by J. Leo Ray of Glenwood. Chairman D. P. Smith led an open house discussion on present teacher-parent problems in which parents were especially urged to take part.  
In a short business session just following the program these officers were elected: Gordon Thomas, Whitefish, president; J. Leo Ray, Glenwood, vice-president; Mrs. Fern Davenport, Whitefish, secretary-treasurer; Ruth Dunn, Glenwood, reporter. Program, survey, and legislative committees are to be appointed by the president. It was decided to meet again on Friday, April 21, at Glenwood. All patrons, trustees, and teachers are cordially invited.  
But the evening had another very enjoyable feature—steaming coffee and delicious cake—to which every one did full justice. All went away feeling a bond of responsibility and need for problem solving which marked the meeting as a success.

**Banks of Clarendon Urge Garden Planting**

Because they believe the growing of food and feed is imperative to the financial welfare of the farmer, the banks of Clarendon are buying space in this paper to stress its importance. They are urging that every farm home should produce and can (or otherwise preserve for future use) enough vegetables and fruits for the needs of a family for one year, and also the production of a two-year supply of feed for livestock.  
Taking into account the chance that a properly planned and planted garden may fail, they urge that if this happens farmers should go to those sections of the country which succeed in growing vegetables and fruit crops and buy or barter for their needs.  
Emphasizing the importance of a "live at home" program, but with no desire to dictate to their farmer customers, the banks make the plain statement that in the future, as in the past, loans to farmers will depend on whether or not such a "live at home" program, as outlined in their advertisement, is followed by the farmer.  
The policy has been determined upon because of the banks' observation that farmers who do pursue such a "live at home" program are the best risks, and, furthermore, require increasingly smaller loans. Such farmers do not have to borrow money "to live on," but only to finance their crop production expenses.
