Parents Urged To Attend Scout Banquet

Lions' Minstrel To Be Given At Hedley Friday Night

PERFORMANCE FOR BENEFIT OF P. T. A.

ALL TICKET SALES TO BE
KEPT BY HEDLEY P. T. A.
FOR LOCAL PURPOSES

In response to the invitation of the Hedley Parent-Teacher Association, the minstrel show which was produced in Clarendon recently by the Lions Club will be presented at the Hedley High School auditorium, Friday night, Feb. 24, at 8:00 o'clock.

The entire receipts from the sale of tickets will go into the treasury of the Hedley Parent-Teacher Association, the minstrel being presented by its cast as a token of appreciation of the fine work of the association. There will be no deduction for expenses, all of which will be absorbed by members of the Lions club and those who are assisting in staging the show.

The minstrel, as presented here, was pronounced the best performance of its kind ever seen here—and there have been numerous other good minstrel shows. It was rehearsed and presented under the excellent direction of G. L. Boykin, who will also direct its presentation at Hedley, with the same cast. The final rehearsal for the Hedley performance will be held Thursday night.

The sale of tickets for the minstrel is under the direction of Mrs. Jake Masterson, president of the Hedley Parent-Teacher Association, who expresses the belief that a packed house will greet the performance, not only because of the entertainment that it will afford but because of the 100 per cent benefit for the funds of the P. T. A. of Hedley.

Clarendon people, who failed to see the minstrel or who would like to see it again, are invited to spend a pleasant evening by driving to Hedley next Friday night to attend its second performance. A fine response was had from all the members of the original cast and a "jam-up" good minstrel show may be confidently expected.

HOMMELL BROS. INSTALL AN ELECTRIC PORTOSTAT

Hommell Bros. announce the installation of an Allen Electric Portostat, an instrument which enables them, in a few minutes to search out any kind of battery trouble, and tell the owner where the trouble is and what to do about it.

Auto owners may have a test of their batteries made at any time, for which no charge is made. They have also installed a new battery charger and invite all who are interested to come in and see how the new equipment operates.

Citizenship Program of Pathfinder Club Monday Night Well Attended

CITIZENSHIP PROGRAM OF PATHFINDER CLUB

The program which was presented at the College auditorium Monday night under the direction of the Pathfinder Club, having for its central theme an interpretation of Citizenship, was attended by an audience which filled the entire lower floor.

Music by the band, directed by Gus Stevenson, opened the program. The young people played several numbers in a very creditable manner and the appreciation of the audience was attested by the applause.

Tom F. Connally, in a short talk, explained the purpose which lay behind the program which was to be presented, after which Mrs. Jas. Trent, president of the Pathfinder Club, made an excellent address.

With the words projected on the walls by a stereopticon, the audi-

More Books Wanted By City Librarian

Mrs. C. A. Burton is delighted over the fact that a grand total of 230 volumes have been added to the city library shelves since the book shower, held Wednesday, was first announced. "I don't want the folks to think, however, that the book shower date closed the door to books which anybody may have intended to give us, but for some reason or other did not attend to it," she said.

"People seem so hungry for reading material that it seems a shame for anyone to keep books in their homes which they really do not want any longer. I shall be glad to arrange for someone to call for any books which may be made available to us, if it is inconvenient to bring them to us. People come to us for books from all over the county, and we simply can not have too many, it seems," Mrs. Burton continued.

BURGLARS BREAK INTO GROOM P. O.

ATTEMPT TO ROB SAFE FAILS AFTER TWO OF DOORS ARE OPENED

An unsuccessful attempt to burglarize the postoffice at Groom was made Monday night, the burglars apparently abandoning their efforts from some unknown cause. The attempt was discovered when the postoffice was opened Tuesday morning.

Postoffice Inspector Johnson, of Amarillo, was notified at once, and after arriving on the scene, telephoned Constable I. B. Pierce, whose skill as a finger-print expert has already become widely known, to bring Earl Alderson, of Alderson's Studio, with him to Groom to photograph suspected finger-prints on the damaged safe. Both Mr. Pierce and Mr. Alderson did similar work for Inspector Johnson when the Lelia Lake postoffice robbery occurred recently.

The large safe in the Groom postoffice has three doors. The knobs were first knocked off and the outer and second doors opened, no explosives being used. The third door was not opened. What disturbed the burglars in their work is not known. Photographs of finger-prints that are believed to be the burglars' were taken by Mr. Alderson, and Mr. Pierce will make a study of them together with Inspector Johnson. No other clue to the identity of the burglars was made public.

Kenneth Fink and his his mother, Mrs. O. L. Fink, left Sunday afternoon for Lubbock, where Kenneth underwent an operation for chronic appendicitis.

TRUSTEES GUESTS ANNUAL BANQUET

ENTERTAINED BY BOYS AND GIRLS OF AGGIE AND HOME EC. CLASSES

The members of the Clarendon School Board were guests of honor Friday evening at the annual banquet tendered by the classes of the vocational agriculture and home economics classes of the Clarendon high school. A delicious dinner was prepared and served by the girls of the home economics classes under the direction of Miss Morgan, head of the department.

With O. C. Watson, Jr., acting as toastmaster, the invocation was pronounced by Rev. W. E. Ferrell, after which the guests joined in singing "Goodnight, Dinner." Then the delicious dinner was served, while music was furnished by Hubert Reavis, Henry Wilder and Rhodin Chase.

Features of the program were a violin solo by Harvey Lou Strawn, a humorous but instructive dialogue between Philip Gowan, modelling by Lovie Smith and Sarah Virginia McBeavers and the presentation of tricks of magic and slight-of-hand by Rev. W. E. Ferrell.

A number of popular songs were rendered by a double quartet of Home Ec girls and Aggie boys, their numbers being very enjoyable. Lawrence ("Heavy") Whitlock presented a humorous skit called "50 years from now."

Perhaps the most laughable stunt of the evening was the "stock judging" done by Alfred McMurtry, in which Hubert Reavis was the innocent victim of a practical joke which climaxed a pretended demonstration of weight-judging.

About 85 guests were present, including the following members of the school board: J. R. Postor, W. W. Taylor, O. C. Watson and E. P. Shelton; also G. L. Boykin, Miss Morgan and Rev. W. E. Ferrell.

Panhandle Debaters To Meet at Childress

The West Texas Invitation Debate Tournament, an institution of three years' standing, will be held at Childress this year, March 17-18. Meeting the first time at Quanah in 1930, it was established as an annual competition. Last year the tournament was held at Vernon, where two Childress boys, Rush Hamil Record and Junius Carter won the cup for their home town.

The question for debates this year is, "Resolved, that at least one-half of all state and local revenues in Texas should be derived from sources other than taxes on tangible property."

The following towns, including Clarendon, have been invited to enter the tournament: Quanah, Canyon, Amarillo, Memphis, Vernon, Wichita Falls, Abilene, Plainview, McLean, Pducah, Wellington, Burkburnett, Electra, Lubbock, Floydada, Pampa, Panhandle and Shamrock.

Clarendon should enter a strong team in the tournament and then bring home the tournament for 1934.

INVITATION TRACK MEET DATE NAMED

PANHANDLE ATHLETES INVITED TO COMPETE HERE MARCH 31 ON NEW TRACK

Plans for the proposed Clarendon College Invitation Track Meet have progressed to the point of fixing the date for Friday, March 31, according to an announcement by Coaches Frank Stocking and John G. Hutton.

Invitations will be broadcast to all the schools of the Panhandle and surrounding territory and it is confidently expected that the event will prove to be one of the best ever held here from the standpoint of both number of entries and attendance of athletes and their admirers.

The construction of a new cinder track for the event is virtually assured and it is expected that work on it will begin in the near future. Local interest in the track meet is growing steadily and a handsome list of prizes will be offered for the various events. The prizes will be practical and valuable to the winners.

Sheriff Guy Pierce Is Sued for \$25,000

Suit has been filed in the coming term of district court against Sheriff Guy Pierce by Joe Ivey, of Borger, for alleged damages growing out of the latter's arrest about three weeks ago.

Acting on information and description relayed to him by Sheriff John Alexander, of Hall county, Sheriff Pierce stopped a Ford car, bearing a certain license number and carrying in the rear a barrel and a police dog. The Hall county officer said the occupants of such a car were wanted for hi-jacking a filling station in Hardeman county.

When the car appeared, and was identified from the description furnished him, Sheriff Pierce ordered the driver to stop, fired warning shots into the air, and finally shot casings flat before the driver stopped. The two men in the car were taken to the office, where officers stated that they were not the wanted men.

Following their release they came through Clarendon, visiting Sheriff Pierce, who states that they said they did not blame him for making the arrest under the circumstances, and left his office, apparently harboring no ill feeling on account of the arrest and detention. The suit was filed later by a Borger attorney.

RUTH PRICE NOW A RADIO PLAYER

TRAINED UNDER LITTLE THEATRE DIRECTOR IN CLARENDON PLAYS

The News is in receipt of a letter advising that Miss Ruth Price, sister of Clyde I. Price of this city, and a former member of the Little Theatre of Clarendon, has won recognition of her ability in Amarillo, as told in the letter which we are glad to publish. Miss Price's many friends here are indeed proud of the success in her new field of work. The letter to The News says:

"It is indeed a great pleasure to inform you that Miss Ruth Price, formerly of your city, just recently became a member of the Radio Players. This is a feature of Radio Station KGRS under the direction of Malcolm Klack, and presents thirty minutes of 'Modern Love Stories' each week. Miss Price won the right to become a member of this organization after winning such a wide reputation as the sweet young heroine of 'Precious Little Person', and as the sarcastic jilted lover in 'Star of Light'. She is the only member that is from out of town, the rest being well known Amarillo actors. She is 18 years old and the youngest of ten other members. This is quite an honor, but one that she has justly earned through her hard effort and wonderful dramatic ability.

"Miss Price is also a regular feature of KGRS each Friday evening at 7:15. At this time she presents a fifteen minute program of musical readings of varied types, taken from the old 'Scrap Book'. She delights hundreds of listeners with this program, and has requests from all over the Panhandle and New Mexico for copies of her programs. She is assisted at the piano by Miss Claudia Morgan of Amarillo.

"You perhaps know more about Miss Price's former activities as a student in your schools; however she was one of the most popular students of Amarillo College last year. She had her dramatic training under Mrs. Frank Stocking of Clarendon, and Miss Irene Stevenson, Dramatic Director, Amarillo College.

"We feel quite sure that the pleased to know of the wonderful progress Miss Price has made, and we say that she justly deserves all the all credit you might give her. Clarendon should be proud of her, and we know they are."

Thanks!
The Radio Players,
Maurine Nesbitt, Sec.

125 Masons Heard Dr. Nicholson Speak

Celebrating the 201st anniversary of a distinguished Mason, George Washington, about 125 Masons met Wednesday night at the lodge room for the annual commemorative program. About 40 of those present were from the lodges at Wheeler, Groom, Hedley, Goodnight and Quail.

A fine beef had been barbecued under the expert direction of Frank Whitlock, and the juicy barbecue supper, with all the customary "trimmings", was served at 7:30 o'clock, before the program began.

The principal speaker of the evening was Dr. H. E. Nicholson, of Wheeler, Deputy Grand Master. Other speakers were Rev. E. B. Bowen and R. E. Drennan, all the addresses being on Masonic subjects. Special music by Elmer Palmer, T. D. Nored and John H. Hunt was an enjoyable feature of the program.

Mr. and Mrs. Bert Boomer of Groom were Sunday visitors in the Walter Taylor home.

Eva Glenne Bain Is Buried Here Tuesday

Eva Glenne Bain, 10 years, 3 months and 25 days old, daughter of Mr. and Mrs. J. R. (Dick) Bain, died here Monday night at about 9:00 o'clock. She had been in delicate health for some time and recently underwent two operations, succumbing despite all that loving ministrations could do for her.

Funeral services were held Tuesday afternoon at 3 o'clock at the Church of Christ in this city, by Elder H. V. Hendry, of Wellington, funeral arrangements being in charge of Buntin & Son's Mortuary, interment being made in the Citizens cemetery.

Surviving her are her mother and father, and a little sister, Betty Jean, about six years old. Pallbearers were Lawrence Whitlock, Clayton Powell, Byron Haile, Fred Bourland, Kenneth Brown and J. P. Rhoads.

ROTARY DEBATES SALES TAX PLAN

IMPROMPTU DISCUSSION OF LIVE ISSUE IS FEATURE OF DAVIS' PROGRAM

A lively impromptu debate between the proponents and one opponent of the sales tax plan now before the people of Texas provided an interesting program at the Rotary Club's luncheon last Friday. The program was in charge of Rotarian Densil Davis.

Proponents of a general sales tax, with the purpose of abolishing the ad valorem tax on property, were J. C. Estlack and Dr. B. L. Jenkins. Each advocated the equitable features of a general sales tax as compared with the unpalatable ad valorem property tax. The sales tax was vigorously opposed by Judge A. T. Cole, who defended the ad valorem tax and declared that the passage of a sales tax would merely add another tax to the already burdensome taxes now existing.

No judges having been named for the impromptu debate, each side considered that it won. At any rate the members greatly enjoyed the discussions.

A 100 per cent attendance of the club was recorded and the president urged that the record should be repeated.

Little Theatre Play Drew a Packed House

The Little Theatre's play, "Love in a Mist," presented to the people of Clarendon and Donley county without admission charge last Thursday night, drew such a large attendance that seating capacity was exhausted and a great many stood up throughout the performance.

Under the inspection of an excellent and appreciative audience, the players were at their best, and the plot, woven about the difficulties in which the heroine, played splendidly by Wilfa Lee Alexander, found herself on account of her "fibbing," gave excellent opportunity for the talent of the supporting cast.

The members of the Little Theatre appreciated the interest shown in their presentation and are encouraged to believe that future plays will be accorded even better attendance than in the past. The development of local talent is always interesting, and it is the aim of the Little Theatre to give every opportunity for searching out such talent. The players enjoy their work, and the audience always enjoys their productions, and Little Theatre fans are hoping that they may soon have the pleasure of attending another play.

Miss Mary Cooke was the guest of Mrs. E. A. Simpson of Amarillo the fore part of this week.

SCOUTS BANQUET ON FRIDAY NIGHT

C. A. CLARK, SCOUT EXECUTIVE, FROM PAMPA, TO BE PRINCIPAL SPEAKER

Ticket sales for the Boy Scout banquet, to be held Friday night at First Baptist church, indicate a good attendance, as the scouts have met with good success in interesting the citizenship in their enterprise. The margin above the actual cost of the plates which will be served at the banquet will go into troop funds.

An excellent program of music will be presented during the evening. A string band, composed of Joe David, violin; Fayne Kent, ukelele; Elmer Palmer, tenor banjo; and I. B. Pierce, guitar, will play several numbers. A piano solo by Gertrude Shepherd, a violin solo by Virginia Cluck, a piano duet by Mrs. John Bass and Jane Bounds, and a piano solo by Mrs. Earl Alderson, will provide a very enjoyable musical program.

The principal speakers of the evening, on Boy Scout plans and general topics, will be Mr. C. A. Clark, Executive of the Adobe Walls Council Area, and Mr. A. G. Post, president of the council, both of whom will come from Pampa for the occasion. Other local men will also make short talks.

Any of our readers who have not secured tickets for the banquet will be supplied gladly if they will notify S. L. Tidwell, or Lee Vaughn. Provision of plates for the banquet will be facilitated by the advance purchase of tickets. However, a reasonable number can be accommodated by purchase of tickets at the door. Those in charge of the arrangements urge any who are interested in Boy Scout work, parents especially, to be present at the banquet.

WILFA ALEXANDER FOR MAID HONOR

POPULAR GIRL CHOSEN AS TEAM-MATE FOR JULIA MAE CARAWAY

Miss Wilfa Lee Alexander, popular Clarendon girl, has been chosen by the Business and Professional Women's club as prospective maid-of-honor for Miss Julia Mae Caraway, who is the club's candidate for the honor of being "Queen" of the Pageant of the Amarillo Fat Stock Show, March 6-9.

The success of the effort to put Miss Caraway on the "Queen's throne" will depend on the sale of the pageant tickets by local people. The B. & P. W. Club has undertaken to win this honor for the publicity it will give Clarendon. They do not want to make any money but will conduct a vigorous campaign in behalf of their candidates in the belief that they are doing their home town a good service.

They bespeak the hearty cooperation of every citizen in the purchase of tickets to the pageant, which will be one of the most beautiful events of the kind ever staged in Amarillo, and which a large number of Clarendon and Donley county people are expected to witness. Help this club put Clarendon's candidates for pageant honors "over the top!"

ONLY 996 POLL TAXES PAID IN DONLEY COUNTY

County Tax Collector M. W. Mosley states that the final check-up of poll taxes paid showed that only 996 were paid, as compared with 2,008 last year. In Childress county a newspaper reports 933 poll taxes paid.

REDUCING COST OF GOVERNMENT IMPERATIVE

The Texas Legislature is in a "hot spot." State revenues for all purposes have decreased to an alarming point. A staggering deficit is clearly indicated. Only by adoption in large part of the re-organization plan submitted by its own joint committee can there be any hope of avoiding it. There is no indication that the members of the Legislature are interested in favorable action on State government reorganization, and it is more than likely that the committee's carefully thought-out plan will merely be filed for future reference. The committee suggests that if the proposals it makes could be carried out a saving well in excess of six million dollars per year should easily be effected. In its letter of transmittal of its report to the Legislature the committee said:

"If the people of Texas are really sincere in their desire for tax relief and for improvement in the service that their government renders to them, and are willing to support their legislative representatives in furthering such improvements as the beneficiaries of the existing system are to oppose them, it is believed that their desire is within range of early realization."

Here is a challenge to the gentlemen whom the taxpayers of Texas have elected to represent them in the Legislature. Each one of them, without doubt, promised his supporters that he would do all that he could to reduce taxes. And it now appears that he is not in the least interested in doing the one thing that can afford taxpayers the greatest relief—reducing the cost of state government. And, to be consistent, they overwhelmingly voted down a proposal to reduce their \$10 a day salaries to \$8 a day.

It is important to note, however, that even if the Legislature voted favorably now on the adoption of a state government reorganization plan, it could not become operative for two years. If not acted upon by the present legislature it will be four years before the reorganization could become operative.

Therefore, even under the pressure of devising ways of meeting immediate tax needs by whatever methods may be adopted, the Texas Legislature is under inescapable obligation to provide a way out of the tax wilderness for the people who sent them to Austin. Merely to provide revenue, by hook or crook, for the present emergency is not enough. The estimated \$6,000,000 annual saving by reorganizing our state government (with an undoubted improvement in the service now rendered) points a way out. And no surer claim on the gratitude of a tax-burdened people could be made than by shaking the present state government literally to pieces and setting it up again on a sensible plan.

The "boys" at Austin have a great opportunity offered them to do a real service to their people. The taxpayers have known for a long time that they are paying for a very expensive and inefficient government set-up, but none of them have had anything to propose in the way of a change. Now that the Legislature's own committee has made proposals which, in the main, are a credit to them and testimony to a deep and searching study of the existing system and its evils, it is squarely up to the Legislature to do something about it. But will it? Not the present Legislature, we very much fear.

CONGRESS MOVES TO REPEAL PROHIBITION

With mystifying suddenness, the Senate passed late last week a prohibition amendment repeal proposal which was enthusiastically passed Monday by the House, fifteen more than the required number of votes being cast for the proposal. Lengthy debate, so tiresome to those whose minds are made up, was choked off by Speaker Garner's application of the suspension of rules, the vote was hurried along to a dramatic conclusion—and the national Congress had proposed to the States that the 18th Amendment be stricken from the Constitution.

The surprise of the Senate proposal was that it proved for state convention action, rather than by direct vote of the people. Just how the conventions will be called, how delegates will be chosen and other procedure relative to such a convention is already a matter of debate. But the seven years allotted for action by any state will give ample time for settling such matters—or getting them into a hopeless tangle.

Texas, as a state, can go ahead and vote by convention on the repeal of the 18th amendment. It will probably vote favorably on the proposal. But its citizenship is fundamentally dry, and it may be expected that the state will vote itself dry if, and only if, those who do not want open beer or whisky saloons busy themselves in preventing their return. A speaker said at Amarillo last week, "Prohibitionists worked for 100 years for prohibition. When the 18th amendment was passed, they quit and did nothing for 13 years that have since passed. Prohibitionists really deserve just what Congress is handing to them."

Legislation cannot make prosperity.

"I WAS SICK, AND YE VISITED ME"

A. J. Stricklin, editor of the Terry County Herald, published at Brownfield, had to take his wife recently to Lubbock for a major operation. While she was there, her illness came to the attention of Lubbock people in a manner which prompted following editorial comment by Mr. Stricklin, in which the writer of this column concurs heartily out of his own recent courteous treatment by the hospitable people of Lubbock. The Herald says:

"Visit the widows and orphans in their sickness and affliction," is a Biblical command, and many carry it out. Some don't do anything about it, widows, orphans or what not. It is generally the prevailing idea that small town and rural people are the best folks on earth to care for the sick, and help the families of the sick. But as bad as we dislike to say it, we believe Lubbock has our little city badly bested along this line, although our people must be above the average. As we understand it, each Sunday or a mid-week meetings, a list of the sick of that faith, both local or out of town, is announced by the pastor. But the pastors urge their folks to visit the sick of all faiths. You are soon made aware of this after entering one of Lubbock's hospitals, for callers begin to arrive to see the patients, if the patients are able to have callers, otherwise, they tell an attendant or relative about who has called. Flowers or pot plants are sent patients, often too many. Taking Lubbock's plan as an example, we could easily emulate her, by having the pastors announce the sick, both at the local hospital, or out in the city or community. We had all kinds of offer of help in our most recent sickness from both home and Lubbock people who know us."

Work is the world's richest gold mine.

Get Rid of That SORE THROAT!

Any little soreness in the throat grows rapidly worse if neglected. Crush some tablets of genuine Bayer Aspirin in some water, and gargle at once. This gives you instant relief, and reduces danger from infection. One good gargle and you can feel safe. If all soreness is not gone promptly, repeat. There's usually a cold with the sore throat, so before gargling take two tablets to throw off your cold, headache, stiffness or other cold symptoms. Bayer Aspirin relieves neuralgia, neuritis, too. You may use it freely, it does not hurt the heart.

Rev. Warren, field man for Wayland College at Plainview, preached at First Baptist Church Sunday.

Mr. and Mrs. Van Kennedy and children, of Clarendon, and Rev. E. H. Kennedy and Miss Moody Kennedy were guests of Mr. and Mrs. Will Kennedy, Sunday.

The Home Makers Class of First Baptist Church met on Wednesday afternoon with Mrs. E. L. Lewis in a class meeting with six members and three visitors present. The opening song was "In the Garden" and the devotional service was led by Mrs. D. E. Leathers, who read the first chapter of James. A short business session, presided over by Mrs. D. E. Leathers, followed.

Mr. and Mrs. W. A. Tomlinson and Mr. and Mrs. Dee Crites were joint hostesses in a lovely bridge party in the Tomlinson home Tuesday evening. The guests were met at the door by Joyce Tomlinson dressed as "Queen of Hearts". The Valentine motif was carried out in the score cards and delicious refreshments of heart-shaped sandwiches, salad and coffee were served to: Mr. and Mrs. Quinn Aten, Bascom Webb, Claude Morton, W. C. Thomasson, H. R. King, E. R. Myers, Mr. Elmer Kennedy, R. C. Weatherly,

McCauley, Mrs. Guy Taylor, Mrs. M. G. Cottingham, Mrs. Claude Morton, Mrs. Wilton Grounds, Mrs. D. M. Cook, Mrs. H. R. King, Mrs. J. A. Thompson and hostess, Mrs. Will Kennedy.

The Boy Scouts troop No. 36, of Lelia Lake, met at First Baptist Church on Friday evening. Eleven of the fourteen were given membership certificates having passed the "tenderfoot" test. After receiving the certificates the troop rendered a very interesting program that was greatly enjoyed by all present. A brief history of scouting was given by Winston Nippert, a history of the flag by D. W. Tomlinson, a demonstration and explanation of knot tying by Tommie Allen. Several stunts and other features were given and followed by an instructive message on "Character Building" by Scoutmaster R. C. Weatherly. A brief word from the troop committee men F. N. Allen, E. L. Lewis and Joe E. Johnston closed the program. Scouts receiving the certificates were: James Reynolds, D. W. Tomlinson, James Bullard, Tommie Allen, Alvis Koen, Redell Sanders, Don Espy, Winston Nippert, H. R. King and J. S. Reynolds.

An excellent program on "Citizenship" was presented during the chapel hour Monday afternoon at the public school under the direction of Mrs. J. L. McMurtry, of Clarendon, who is district citizenship chairman of the Seventh

THE PASSING VETERANS

According to the adjutant-general's office in Washington, 2,128, 948 Union soldiers served in the Civil War, while the best estimates place the number of Confederates at between 800,000 and 900,000, no accurate record being available.

The government pension rolls show only 27,673 Union veterans, while a recent survey places the number of living Confederates at no more than 10,406. This, it will be seen, shows a fairly equal percentage of survivors of the two armies.

Considering that it will be 63 years on April 9 since Lee's surrender, it seems remarkable that even the numbers mentioned are still alive, as one who was a boy soldier, only fifteen years old at the close of the war would now be 83. However, when it is remembered that the last survivor of the Mexican War lived more than 80 years after the end of that struggle, it may be expected that a good many Civil War veterans have several more years ahead of them.

How Old?

He doesn't look a day over fifty. And feels like forty. At the age of 62. That's the happy state of health and pep a man enjoys when he gives his vital organs a little stimulant! When your system is stagnant and you feel sluggish, headachy, half-alive—don't waste money on "tonics" or "regulators" or similar patent medicines. Stimulate the liver and bowels. Use a famous physician's prescription every drug store keeps. Just ask them for Dr. Caldwell's syrup pepsin. This appetizing syrup is made from fresh laxative herbs, active senna, and pure pepsin. One dose will clear up almost any case of headache, biliousness, constipation. But if you want to keep in fine shape, feel fit the year 'round, take a spoonful of Dr. Caldwell's syrup pepsin every few days. You'll eat better, sleep better and feel better. You will never need another laxative. Give the children a little of this delicious syrup two or three times a week. A gentle, natural stimulant that makes them eat and keeps the bowels from clogging. And saves them from so many sick spells and colds. Have a sound stomach, active liver and strong bowel muscles that expel every bit of waste and poison every day! Just keep a bottle of Dr. Caldwell's syrup pepsin on hand; take a stimulating spoonful every now and then. See if you don't feel new vigor in every way.

CHURCHES

THE CHURCH LOST AND FOUND

III. "Steps Leading Away From The New Testament Plan"

We have studied the lessons on the purpose of the church and some of the fundamental principles of the New Testament Church, and today we desire to study some of the "steps" leading away from the New Testament plan.

One of the first steps away from the divine plan was the creation of a third group of officers in the local congregations, known as bishops. In the New Testament the terms "elders" and "bishops" are used in reference to the same officers. See Acts 20:17; Phil. 1:1; Tit. 1:5,7. This change was the beginning of the Roman hierarchy, and the appointing of a pope.

Another step was the development of the priesthood, which made it impossible for a man to approach God directly in prayer, and resulted in the placing the matter of forgiveness largely in the hands of man.

Another step was the introduction of infant baptism. It is well to remember that this was not taught in the Scriptures. In every case of conversion, we note that every person who became a member of the church, heard, believed and obeyed, these things an infant can not do. Infant baptism goes back to the days when the idea of total depravity was developed. The Bible teaches that little children come into this world innocent and free from sin, therefore needs no redemption. Infant baptism is an idea taken from distorted theology and not from the Scriptures.

Another step from the New Testament plan, was the substitution of sprinkling for baptism. In Apostolic times, baptism required much water, the candidate went to the water instead of having the water brought to him, he was taken down into the water and buried in a liquid grave, and raised again to walk in a new life with his Savior. The first substitution was in the year of 251 and was known as "clinic baptism." Sprinkling was legalized by the Council of Ravenna in 1311. Another idea borrowed from Rome and not the Bible.

Another step was the changing of the purpose and observance of the Lord's Supper. The early Christian's met "every first day of the week."

The acceptance of creeds in place of the Bible was another step that led away from the New Testament plan. The Bible is a sufficient guide if we will follow it. The results of these departures was that the church was led away from God's plan. W. E. Ferrell, Minister First Christian Church, Clarendon, Texas.

Texas Insolventcies

Are On Decrease

AUSTIN, Texas, Feb. 15.—Insolventcies in Texas for the five weeks ending February 1 totaled 78, according to weekly reports to the University of Texas Bureau of Business Research. While this total made a larger gain over December than could be accounted for as purely seasonal, it should be remembered that the December total was the smallest in four years.

"It should also be emphasized that the number is less than half that for January a year ago and that in the past fourteen years there have been eight cases in which the total for January was higher than it was this year," the Bureau's report said. "Average liabilities per failure, as compared with a year ago, showed a decline of 21 per cent, averaging \$17,769, as compared with \$22,389 in January, 1932.

"Dry goods and apparel stores accounted for 16 of the failures; groceries and meat markets second with 11 failures; and drug stores accounted for 10 more. Of the remainder, 7 were women's specialty shops, 5 were general stores, 6 were jewelers, 4 were manufacturers, 3 were shoe stores, and the remainder were in groups not including as many as three failures."

"radio broadcasting has quite altered the intellectual life of the human race. It has modified the cultural climate. It has changed the background of our tastes and attitudes. It is today more powerful than home, school and church combined in the formation of human character. If the human races wishes to rear its own children according to the standards furnished by homes, schools and churches, it must, reclaim radio from the hands of the greedy exploiters who now dominate broadcasting in America."

Many of our citizens are of the opinion that the American people are paying very dearly for the brief worth while matter they get on the air.

Joy Elmer Morgan, chairman of the National Committee on Education by Radio, declares that

THEY QUIT CRYING FOR IT!

For many years Castoria advertised in almost every paper in the country. It used small ads, but used them consistently. In recent years it quit advertising. And people ceased in large numbers to buy Castoria.

So Castoria is finally going to resume its newspaper advertising. It's an old story, says the Oklahoma Publisher—other advertisers have experienced the same business losses when they quit advertising and have been forced to come back to the newspapers. But it's worth repeating in our town to our merchants. They forget that people forget them when their regular reminders cease to remind.—Garland News.

City Library Shower Proves Big Success

The Book Shower, which has been going on the past few weeks, was climaxed Wednesday afternoon, in a very successful manner, when the grand total of books donated to the Library reached two hundred and thirty.

A stately George, in the person of Elizabeth Merchant, greeted the guests as they entered, while Martha, represented by Florence Chamberlain, curtsied low when presented.

As it was Washington's Birthday, those appearing on the program were dressed in colorful Colonial costumes, that were very attractive.

The Business and Professional Women's Quartet composed of Mantie Graves, Lotta Bourland, and Ida and Etta Harned gave two good numbers; a Violin Ensemble in which Joyce Link, Virginia Cluck, Harvey Lou Strawn, Mary Smith, Delphia Bones, and Mrs. G. L. Boykin, appeared, delighted the audience.

Jean McDonald Entertains

The Nowetopotim troop and a few friends were guests at a party given by Jean McDonald Saturday evening at the home of her parents, Mr. and Mrs. Will McDonald. Dancing and games were enjoyed until a late hour when delicious refreshments were served to: Mary Wood, Imogene and Earline Pitts, Oleta Wood, Rebecca Welch, Virginia Butler, Elizabeth Sanders, Nell Cook, Fannie Mae Sachie, Kathleen Oden, Dollie Lee Cook, Frances Choate, guardian, and Helen Goldston assistant guardian.

Basil Kirtley Has Birthday Party

The eighth birthday of Basil Kirtley, Jr. was ideally celebrated Monday afternoon when his mother, Mrs. B. F. Kirtley, invited a group of his friends in.

As the weather was delightful most of the afternoon was spent in games out of doors. Later the boys were ushered into the dining room where a huge birthday cake, brilliantly lighted, awaited them. At each place were flags favors, which were very colorful.

Basil received many nice presents from his friends. Those helping him celebrate were: Neil Ellis, Soxie Stocking, Dan Boston, Billy Thornberry, Ronald Keener, Jimmy Lumpkin, Billy Noble, Harry and Jerry Kerbow, Billy Lowe, Carl Blackman, Johnny Brady, Herman Gattis, and Miss Elizabeth Stephens.

Lodge Members Entertained

The Odd Fellows and Rebecas cast aside their cares and with a carefree, happy air spent an enjoyable evening Monday at their Lodge Room. About sixty were present and games of Forty-Two were played by some while others tried their luck and patience with Jig-Saw puzzles.

During the evening a "Shamrock Sale" was held. This was done by auctioning off several cakes with the proceeds being applied as votes for the most popular girl and boy. When the smoke had cleared and the votes counted, it was found that Miss Bertie Stewart and Mr. Homer Bones were winners of the respective titles.

Mrs. M. W. Mosley and her assistants had charge of the refreshments, which were delectable.

Most of the materials used in constructing aircraft at the Canton, China, factory are from America.

Delightful Party

One of the delightful social functions of the past week-end was the dinner-bridge party given by Mr. and Mrs. Meredith Gentry and Mr. and Mrs. Selden Bagby at the Gentry home, on Friday evening.

A tasty two course dinner served from well appointed tables was enjoyed before the games of auction bridge.

When each husband's and wife's score was added together at the end of the games, it was found that Mr. and Mrs. Keith Stegall were winners. Mrs. J. E. Teer was fortunate in the cut for consolation. Each were presented with lovely gifts.

To enjoy this hospitality were: Mr. and Mrs. Kelly Chamberlain, Mr. and Mrs. Earl Alexander, Mr. and Mrs. B. F. Kirtley, Mr. and Mrs. J. E. Teer, Mr. and Mrs. Carroll Knorpp, Mr. and Mrs. Ralph Kerbow, Mr. and Mrs. Frank Stocking, Mr. and Mrs. Simmons Powell, Mr. and Mrs. Keith Stegall, Mr. and Mrs. Forrest Taylor, Dr. and Mrs. O. L. Jenkins, Mr. and Mrs. Ira Merchant, Mr. and Mrs. Sam Dyer, and Mr. and Mrs. Phillips Gentry.

Mesdames Barnes and Heatherly Honored

Honoring Mrs. Everett Barnes of Amarillo and Mrs. Tom Heatherly of Panhandle, Mrs. Rhea Couch entertained on Wednesday afternoon with a lovely bridge party, at her attractive little home.

In the games of Auction Bridge Mrs. Joe Ritter was winner of high score and Mrs. Ben Buck of the Low. At the conclusion of the games, delicious refreshments were served.

Participating were the honorees, Mrs. Barnes and Mrs. Heatherly, Mrs. Clarence Whitlock, Mrs. Joe Bounds, Mrs. Joe Ritter, Mrs. George Garrison, Mrs. Jesse Lowe, Mrs. Vada Carpenter, Mrs. Carl Peabody, Mrs. Ben Buck, and Mrs. U. Z. Patterson.

Friday Bridge Club

Mrs. Forest Taylor was charming hostess to her Friday Bridge Club and a few friends when she entertained last Friday afternoon at her lovely home.

When the guests arrived they found tables in readiness and the playing soon began. At the conclusion of the games Mrs. J. E. Teer was awarded high score, after which a delicious salad course was served to:

Mrs. Tom Goldston, Mrs. Louie Merrell, Mrs. J. E. Teer, guests; Mrs. Charles Trent, Mrs. B. F. Kirtley, Mrs. Floyd Lumpkin, and Mrs. Parke Chamberlain, Mrs. Frank Stocking, club members.

Dinner-Party

Mr. Wesley Knorpp was host to a group of his friends Sunday evening when he entertained with a sumptuous turkey dinner at his home.

Guests for the evening included: Mr. Will Lewis, Mr. John Bugbee, Mr. and Mrs. J. L. McMurtry, Mr. and Mrs. F. E. Chamberlain, Mr. and Mrs. Carroll Knorpp, and Mr. and Mrs. W. H. Patrick.

Penny Social

All the members of the Nowetopotim troop were present Wednesday at their regular meeting. Plans were made for a Penny Social for March 4. The tickets are only costing one cent each. A program consisting of fortune telling, and many other forms of entertainment is to be enjoyed for the price of one cent at each booth.

The girls are working hard to pay their dues so help them by buying some of the tickets.

Mrs. Marvin Land Is Hostess

With Mrs. Marvin Land as hostess, members of the 1930 Needle Club spent a delightful afternoon Tuesday at her home.

The entertainment for the afternoon consisted of fancy needle work and pleasant conversation, with dainty refreshments being served by the hostess to:

Mesdames Vada Carpenter, Turner Kirby, Rhea Couch, and Clarence Whitlock, club members. Guests for the afternoon included: Mesdames Hilburn Gattis, George Garrison, and Jesse Lowe.

1926 Book Club Have Party

In their search for higher learning and the improvement of these busy brain cells, the members of the 1926 Book Club have not forgotten how to be gay and entertaining. This was evidenced Tuesday evening when they honored their husbands and friends with a Forty-Two and Auction Bridge party at the Parish House.

When the guests had assembled they were served a sumptuous dinner. The George Washington motif was carried out in the pretty tallies and plate favors.

After the dinner, Bridge and Forty-Two were played with Mr. Frank Stocking winning high for the bridge players and Mrs. O. T. Smith high for the forty-two group.

Official hostesses for the evening were Hazel Dillard, Myrtle Ingram, Edna Boykin, Rita Stocking, and Polly Smith.

Mr. and Mrs. Parke Chamberlain Entertain

Among the many social activities of the week was the party given by Mr. and Mrs. Parke Chamberlain on Tuesday evening at their attractive home.

A lovely turkey dinner was served preceding the games of Auction Bridge, which furnished the principal diversion of the evening. High prize went to Mrs. Meade Haile.

Attending were: Mrs. Florence Reber, Mrs. Charles Trent, Mr. Will Lewis, Mr. John Hutton, Mr. and Mrs. Meade Haile, Mr. and Mrs. Phillips Gentry, guests; and Mr. and Mrs. Carroll Knorpp, Mr. and Mrs. Kelly Chamberlain, and Mr. and Mrs. Ira Merchant, club members.

Men to Present B. A. U. Program

The men of Conn Union of B. A. U., of First Baptist church, will have charge of the program to be presented at 6:30 o'clock next Sunday evening. The leader will be Jim Cannon and the subject of the general program, "If Jesus should come today." This will be the last program by the men of the department in the contest with the women, and the program by the women on Sunday, March 5, will close the contest. Everybody is urged to be present both Sundays.

The program for next Sunday: Male Quartet. Talk by Alfred Estlack. Talk by Lee Vaughn. Male Quartet. Talk by Joe Bounds. Talk by S. L. Tidwell. Male Duet.

Grand Jury Will Convene March 20

The following citizens of Donley county have been notified by Sheriff Guy Pierce to appear before District Court, which opens its March term here on March 20, for duty on the Grand Jury:

M. W. Mosley, A. B. Bynum, A. E. Ransom, Jim Bible, J. D. Swift, W. A. Povey, Claude Nash, Paul Shelton, Tom E. Naylor, D. L. Wood, Jodie H. Helm, John Chamberlain, Ed Hodges, Watt Hardin, W. I. Rains and Taylor Warner.

Present indications point to a light criminal docket, with a greater number of cases on the civil docket.

LOCAL FOLK ATTEND PROHIBITION RALLY

Rev. and Mrs. M. M. Deavals, Rev. and Mrs. E. B. Bowen and Sam M. Braswell motored to Amarillo Thursday of last week to attend a rally of the Prohibition forces of the Panhandle held in the afternoon at the First Christian Church in that city.

Addresses were made by Dr. C. C. Selesman from Dallas and Dr. J. D. Sandifer of Abilene. Plans were made for an intensive organization in the counties of the Panhandle and telegrams were sent to the senators and representatives at Washington and Austin urging their opposition to any and all efforts to weaken and overthrow the eighteenth amendment.

CHAMBERLAIN H. D. CLUB STUDIES LINCOLN'S LIFE

The Chamberlain Home Demonstration Club met Thursday, Feb. 16, at the home of Mrs. Frank Reid, with Mrs. Lowe as hostess. Fifteen members and three guests were present.

The study subject at the meeting was the Life of Abraham Lincoln, after which delicious refreshments were served. The next meeting will be held on Thursday, March 2, with Mrs. Lloyd Reid.

HOME CANNING INCREASING

Seventy percent more tin can sealers and 67 per cent more pressure cookers were bought in Bosque county in 1932 than were in the entire county in 1925 according to records in the office of Mrs. Nan J. Mangole of Meridian, home demonstration agent for the county, which also shows a 50 per cent increase over such purchases in 1931. A check-up on sales of containers for conserving food show that 236,748 tin cans; 22,772 glass jars; 77,676 new lids; and 2,200 gallon syrup buckets have been sold by merchants in the county.

HOME MARKET HAS GOOD YEAR

This year, with total sales of \$2120 for the first ten months, has been the best year in the history of the Smith County Demonstration Club Market, according to the report of the manager, Mrs. Ross Smith of Tyler. The highest monthly income of the market up to Nov. 1st was \$276.48 taken in during October, while August with an income of \$152.17 showed the lowest.

The manager expects December to be the best month of all as that is always a good month to sell home products such as cakes, pies, bread, canned goods, vegetables, rugs and mats, which are sold by Smith county home demonstration club women in their market.

CITIZENSHIP PROGRAMME

The readers of school news will possibly be interested in a report of the little play presented Monday night, February 20, as one of the features on the Citizenship Program, because most of the cast was composed of students.

The playlet was given in commemoration of Geo. Washington's two hundred and first birthday. The plot was extremely simple, being merely a little birthday party at George Washington's home. Several of his friends were there, including the Jeffersons, Madisons, Monroes, Betsy Ross, Jackie, Jenny Lind, and Martha Washington's daughter, Nelly Custiss.

The Cast

George Washington—Lawrence Havter.
 Martha Washington—Barbara Smith.
 Thomas Jefferson—Fred Bourland.
 Mrs. Jefferson—Dorothy Jo Taylor.
 James Madison—James Smith.
 Dolly Madison—Pauline Shelton.
 Gov. Monroe—Bill Word.
 Mrs. Monroe—Jean Bourland.
 Jackie—Mrs. Lester Schull.
 Betsy Ross—Mrs. Allen Bryan.
 Jenny Lind—Mrs. O. T. Smith.
 Nelly Custiss—Rosalin Bass.
 Butler—Bill Wood.
 Gypsy—Carroll Holder.

ASSEMBLY REPORT

Wednesday morning at eleven o'clock Mr. Burton called an assembly of the high school students and teachers. He made several announcements about inter-scholastic league work. Every student is compelled to enter at least one of the following events: debate, declamation, extemporaneous speaking, essay writing, spelling, tennis, volley ball, track and field. At three o'clock the students were to report to any one of the following teachers. Miss Headrick for debate, Miss Morgan for declamation, Miss Howren for extemporaneous speaking, Miss Thornton for essay writing, Miss Harris for spelling, Mr. Stocking

SENIOR PLAY, "CLOSED LIPS"

"Closed Lips", which was held on Tuesday, February 14, was very successful and proved to be highly entertaining. The Seniors realized thirty and ninety cents from the play.

The cast of characters follows: Wandy Mayfield—Terry Ratcliff.
 Irene Rhodes—Mrs. Ratcliff.
 Vera Noland—Patricia Stone.
 Jo Ella Stewart—Mammy Jenny, the cook.
 Bonnie McCracken—Star Blivew
 Drew Wilkerson—Matthew Ratcliff.

Hubert Reavis—Bart Clay.
 Alex Cooke—Jeff, the gardener.
 Billy Greene—John Clay.
 Byrum Halle—Willie Stone.

The plot is exciting enough to hold your interest throughout the play. Bart and Terry, who are planning to be married soon, furnish the love interest. Bart's father, John Clay has been in fact that he is the son of a convict but is released. Bart does not welcome his return as the convict has caused him much sorrow all of his life. He decides that he must not marry Terry and make her life miserable also, John Clay has evidence to prove himself innocent, but because of the guilty person is Matthew decides not to use the evidence. This knowledge is kept from all except Bart and as a result there many moments of suspense when seems almost certain the secret will be found out. Through letters belonging to Star Blivew it is discovered that Matthew, after all, is not guilty. The ore serious moments are relieved by the comedy of Mammy Jenny and Jeff, Willie and Patricia Stone also furnish some amusing moments.

Though all the characters gave excellent performance, Bonnie McCracken as the wife, Star Blivew, was best. She aroused the sympathy of the audience at once. Jo Ella Stewart as Mammy Jenny, the devoted negro cook, caused many laughs. Jeff, her husband, played by Alex Cooke, was an excellent characterization. Wanda Mayfield, who took the part of Terry Ratcliff, was a bit stiff at first but this did not last long. Vera Noland and Byrum Halle, ca and Willie Stone, were ex- as a newly married couple, Patricia, Drew Wilkerson, Matthew Ratcliff, was too young in appearance as a husband for Irene Rhodes, who took the part of Mrs. Ratcliff, but both did their acting admirably. Hubert Reavis, Bart Clay, carried off his rather difficult part very well. Billy Greene in the role of John Clay, an ex-convict, gave a superior performance.

In addition to making announcements concerning Inter-scholastic League work, Mr. Burton commented upon certain matters of conduct and discipline, urging all students to give closer attention to actual school work.

JUNIOR-SENIOR BANQUET

This year the Junior-Senior Banquet will be different from any ever held before. Mrs. J. G. Sherman is the originator of the plan which will enable every Junior and Senior to attend the Banquet on the evening of Feb. 22. All the mothers of members of both classes are serving the banquet which will be held at the Presbyterian Church at the lowest possible price, charging only what the food will cost them.

Miss Wiedman, Junior class sponsor, is chairman of the program committee and is planning a very entertaining program.

Mrs. R. L. Bigger, with Mrs. C. C. Powell, is working on the table decorations. Juniors helping her are Mary Frances and Dorothy Powell, Rosa Lee and Nellie Cray, Joy McCanne, Wilma Dee Smith, and Eleanor Morris.

Games and dancing will be enjoyed at the Parish House after the banquet is over.

PHYSICS CLASS VISITS LIGHT PLANT AND WATER STATION

On Friday the members of the Physics Class were enabled to visit the Electric Light Plant through the courtesy of T. D. Nored. They were shown the large engines and switches used in controlling them. Especially interesting was an instrument which recorded the voltage at all hours. When the power is from our

Alpha Delta Psi Literary Society

Last Wednesday night the Alpha Deltas had no program since Mr. Clark had secured films to be shown to the College students at that time.

The members of the two societies and other College students met in the Palo Duro society room for the moving picture station the voltage is very irregular but when it is taken from the big line it is regular.

As the water station was so near permission was obtained from Mr. Casey to inspect it. The students were interested in the pumps and their capacities.

There was an instrument which told the volume of water pumped from the reservoir to the large standpipe on the hill at the difference of the water level.

The students wish to thank Mr. Nored and Mr. Casey for giving them the opportunity to inspect these plants.

"The Marvels of Electricity," which showed us an electric ship, the "Virginia", traveling from New York to San Francisco, this picture was very interesting and educational with a comical flash now and then. Some of the various recreational units were shown.

The name, Marvels of Science seemed to be appropriately applied when we were shown with what measure of promptitude it is possible for one who is over weight to reduce. Obviously, this particular aspect was exaggerated. A vivid description in promulgation would probably appear verbose.

There were also some pictures shown of the Clarendon College and high school students marching out of the building as they appeared a few years ago. This picture was somewhat comical and caused many of the observers to recall old memories.

Another fine thing about automobile touring is that it teaches you to enjoy the front porch.

MELLOWED A HUNDRED MILLION YEARS

While scaly monsters fought in PENNSYLVANIA

WHAT makes one motor oil higher in lubricating quality than another?

For one thing, the earth conditions in the geological age when the crude oil was formed. For another, the expertness of the refining process.

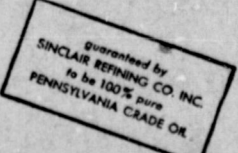

For these reasons the Sinclair Refining Company uses only the famous Bradford-Allegheny District crude from the Pennsylvania field in its big, new Sinclair Pennsylvania Motor Oil refinery at Wells-ville, N. Y.—where Sinclair Pennsylvania is triple-filtered, and the wax removed at as low as 60° F. below zero—thus making it more uniform than most oils, and far less productive of carbon.

The Bradford-Allegheny crude that goes into Sinclair Pennsylvania was one of the few crude oils formed in the Devonian Age—a period in earth's

long history when conditions of heat, pressure and materials were nearest perfect for the forming of oil. And the crude has lain there mellowing and filtering for a hundred million years—long enough to filter out undesirable compounds—long enough to bring the crude to a point where its superior lubricating quality commands the highest price of all Pennsylvania grade crude oils!

Have us change your oil to Sinclair Pennsylvania according to the Sinclair Law of Lubrication. Then examine this oil after long, hard driving. Note how it stands up—how it comes out of the crankcase almost as good as it went in. Note, especially, how little has been used up—positive, visible proof that this rich, Pennsylvania oil protects the last mile as well as the first!

Gardeners, Clip This For Future Reference

Gardeners may expect to get \$60 worth or more of vegetables out of their spring gardens at a cost of about \$4.50 this year if they can do as well as 28,636 who cooperated in demonstrations with Texas county home and farm demonstration agents last year. "These are the gardens on which records were kept, but many thousands more were influenced by the example of these demonstrators 90 per cent of whom were women and girls," states J. F. Rosborough, horticulturist in the Extension Service at Texas A. and M. College.

Pointing out that careful planning is the first step toward gardening success, Mr. Rosborough explains that "farm gardens should be one-half acre in size, or at the very least 100 by 150 feet. 'A family of five needs about 3000 pounds of vegetables to supply the complete needs of the diet for a year. It takes about one foot of row to furnish one pound of vegetables."

"A balanced garden plan that many demonstrators have used with satisfaction calls for the following in 3-foot rows: 50 feet of shallots, 50 feet of mustard, 50 feet of New Zealand spinach, 50 feet of radishes, 50 feet of lettuce, 50 feet of Swiss chard, 150 feet of onion sets or plants, 50 feet of garlic, 50 feet of chili, 50 feet of chili pepper, 150 feet of English peas (2 plantings on same bed two weeks apart), 100 feet of beets, 50 feet of turnips, 150 feet of carrots, 150 feet of spinach, 300 feet of bush beans, 150 feet of lima beans, 300 feet of field peas, 150 feet of early cabbage, 75 feet each of egg plant and bell peppers, 150 feet of okra, and 600 feet of Irish potatoes followed by cream or blackeye peas. In 4-foot rows: 600 feet of tomatoes, 75 feet each of squash and cucumbers, and 300 feet of sweet corn. In 6-foot rows: 150 feet of cantaloupes, 100 feet of asparagus, and 50 feet of rhubarb.

"This plan gives at least 5 varieties and 728 feet of row space to the leafy or green vegetables; at least 2 varieties and 728 feet of row space to the starchy kinds; at least 2 varieties and 728 feet of row space to garden fruits; and at least 5 varieties and 728 feet of row space to other kinds of vegetables. Such a balance as this is required for health. Varieties may be substituted in the above plan but replacements should be made with other varieties of the same class, that is, if spinach is left out one or more other leafy vegetables should replace it, such as cauliflower, broccoli, rape, kale, or Chinese cabbage."

Help in gardening may be had from county farm or home demonstration agents, or from two bulletins distributed by them or sent free on request to the Extension Service at College Station. These are: D-81 "Garden Demonstration Record," and B-70 "Gardening."

SPORTS
SPORT SPITTERS

BY O. C. WATSON, JR.

I might say to all of you fans who do not know, that Pampa, who represented this section, captured the District Title at Canyon over Amarillo and Quitaque.

The Bulldogs of course, started at once to advertise the game, as they were required to pay for the gym. At 7:00 a gym full of fans and no "Ex-Owls". Of course, the Bulldogs waited longer, and still Hedley did not show up or even tell the Bulldogs that they were not coming. Now you "Ex-Owls," that was not SMART and did not help your popularity with the Clarendon fans whatsoever. If I am not badly mistaken they still have telephones both in Clarendon and Hedley, and I think they are still connected. Of course all of the money that was out for the advertisement and gym came out of the boys' pockets.

The Baptist Babes, a basketball club, composed of boys from the Baptist Sunday School, motored to Amarillo from the Central Presbyterian Church. It was a rough and tough game, incidentally. The Baptist Babes led up to the last two and one-half minutes when they let down. The Presbyterians got hot and scored eleven points in two and one-half minutes, the score being 28-39, the latter winning.

To you track fans: I think I can assure you that the big track meet is going to be held. The enders have not yet been secured but I think, will soon be. I will do my best to give you the final date next week.

It is said that all radio announcers are college graduates. Is this an argument for or against higher education?

Amarillo, Texas
Feb. 17, 1933
CLARENDON NEWS,
Clarendon, Texas.

I wish to pay a tribute to those mothers that held a meeting in Clarendon this week, especially to the oldest one at the meeting, Mrs. H. W. Taylor, who came into this Panhandle country when it was almost a desert and helped blaze the way for the comforts of life that we enjoy today.
There are not many of them living now. I have seen the sons and daughters of these pioneer mothers become lawyers, doctors, bankers, teachers, merchants, and enter every profession and walk of life right here in this country. They came and stayed when strong men turned back. They lived in sod houses, dug-outs and log cabins. They worked by the side of their men-folks and helped build an empire for their children in this country.
Some of them have seen all the big things of life come to the Plains, and it is one of the greatest pleasures of my life to give honor to them, for I am one of the living witnesses to the part they played in helping make this country one of "the white spots" of the nation.

MATTHEW HOOKS
"Old Bones"

(Editor's Note: Most of the "old-timers" of this section remember "Old Bones" Matthew Hooks, a colored man who lived and worked for many of them, with satisfaction to them and honor to himself, among his employers being Col. Chas. Goodnight. Fifteen or twenty years ago he moved to Amarillo, where he has accumulated property and gained an influence for good among citizens of his race. He has never lost interest in his many friends among the white people of Donley county. We feel sure that his beautiful tribute to the pioneer mothers

Johnson Begins New Blacksmith Shop

Will Johnson, of the firm of Johnson & Dawkins, began the construction of a new shop building this week which he will occupy as soon as it is completed and equipment installed, probably about March 10th. The foundation for the new shop, 30x50 feet and of frame and galvanized iron construction, was poured this week. The building will be constructed under the supervision of John Bass.

Messrs. Johnson and Dawkins are effecting a friendly dissolution of a partnership of long standing, the dissolution being considered advisable on account of general conditions. Mr. Johnson's sons will be associated with him at his new location. "Mr. Dawkins and I have worked together for 16 or 17 years, seven of which we have spent in Clarendon," said Mr. Johnson, "and we have only the friendliest of feelings for each other. The dissolution of our long-standing partnership is naturally not what we would prefer but we are agreed that it will be best for each of us."

Six Bags Registered Mail Stolen Tuesday

A masked trio of men held up and robbed a mail clerk and a railroad employe of seven pouches of mail Tuesday night at Ft. Worth a few minutes after the 9:45 Ft. Worth and Denver train arrived from Dallas.

Two of the six registered mail pouches in the lot were from the Federal Reserve Bank of Dallas, and the value of their contents is being checked. Detectives are working on the theory that the trio received a tip from Dallas and returned to that city after staging the hold-up.

The mail clerk and railroad employe were held up at the top of the South Main street underpass just after the train arrived, the robbers disappearing at once in a waiting auto.

School Notes

By SLOAN BAKER.

All the Trustees and Principals of the County will be present at a meeting in the District Court Room at Clarendon Saturday to organize a Donley County Trustee-Principal Association. Mr. J. E. Rogers of Thrift, Texas, president of the Wichita County Trustees Principal Association, will be present to outline the work. Mr. Rogers is a Trustee and the organizer of the first Association. Mr. B. V. Williams, Superintendent of the Estelline Public Schools and the Corresponding Secretary for the Association in Wichita County when it was first organized will give some pointers upon which the organization is founded is, "Better Educational Opportunities, Equalized, and at Smaller Costs," and with this idea firmly in mind the principals and trustees will study in detail each district of the county. The facts as to taxes, bond issues, teachers tenure, teachers salaries, school funds will be studied with the idea of making a more uniform county system for Donley County Schools. The school problems with reference to the pupils will be discussed, because after all is said the school is primarily for the pupil.

A number of County Schools had Citizenship programs on Washington's Birthday. Mr. Clemmons, at McKnight, is having a community Arbor Day Program in connection with the Washington Celebration. Mr. Frank Behringer of Hudgins school will have a program Wednesday evening.

Goldston faculty consisting of M. Gordon Gatewood principal, Miss Gladys Noble, Miss Lola Mansess are very much pleased with the interest being shown by the pupils in their school work and the increased attendance in the school. The teachers in this school seem to be putting over the subject matter with the idea that the text book is only to be used as a guide. Much extra material is being used in every subject taught. Ruth Risley, J. J. Goldston and Joseph Hahn entertained the C. S. with some good stories.

Mr. W. V. Thomasson, Superintendent at Lelia Lake was an office visitor, Saturday. He said school at Lelia Lake was progressing nicely, and that all financial problems had been met to date, which is out of the ordinary these times.

Chamberlain patrons in a meeting Monday night decided that a four room building would meet the community needs. Every one seemed to be in favor of a substantial building. The trustees secured the required number of names on a petition for election. The election will be held at the same time as the trustees election.

Mr. W. C. Maxwell of Hedley reports that his school will be able to finish out their nine months term on cash basis this year.

Mr. W. A. Louis of Smith expects to carry off a number of the firsts at the Interscholastic Meet at Clarendon March 24th and 25th.

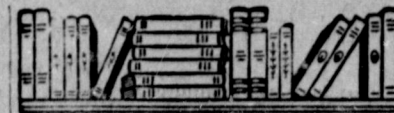

WEEKLY PAPER IS BEST MEDIUM

I was a printer's devil some twenty years ago on a small city weekly. It was a hard job for the owner-editor to sell advertising in those days. Merchants simply didn't believe in it.

About fifteen years ago the small town weekly was "discovered." Advertising men in city advertising agencies began "trying out" the country newspaper field. Gradually they found out that the small town weekly, with its advantage of being read from cover to cover, with its relatively few pages of competing advertising, was an excellent buy for national advertisers. None of this advertising was bought on sentiment—none of it was purchased to support the paper. It was bought for just one reason—IT PAID.

The local merchants had not "discovered" the value of advertising space in the small town weekly. The very men who should have known its value, did not, for the very simple reason they had not used it enough to find out about it.

Many small town merchants are passing up today the opportunity to use the productive columns of the weekly newspaper to sell their goods more cheaply, more quickly, and more profitably.—Bruce B. Brewer, vice president of Ferry-Hanly Advertising Company.

Library Notes

By MRS. C. A. BURTON

He had been sent to the Library by his wife to see if the book for which she had been anxiously waiting was yet available. "Is the 'Better World' in yet?" he inquired. I did some rapid mental gymnastics and answered, "You mean 'The Good Earth' by Pearl Buck, don't you?" and he said he did. But it was out again. This Pulitzer prize novel of 1931 is a story of Chinese peasant life, following the family fortunes of Wong Lung, with his wife and three sons, through poverty and famine to years of opulence, when Wong Lung leaves this world, the owner of a vast estate. A powerful, compelling story, so vividly told that it leaves unforgettable pictures in the minds of these people whom we know and understand so little.

"Sons" is the sequel to "The Good Earth", and is concerned with the second generation of the House of Wong. It follows the lives of the three sons—Wong the Landlord, Wong the Merchant and Wong the Tiger, with their wives and their sons. After reading it you will find yourself reading of present conditions in China with a new understanding. Pearl Buck, the daughter of a Missionary in China and the wife of an American Diplomatic officer, has spent her life in China and knows of what she writes. The library does not have "Sons" in book form but Mrs. Elba Ballew recently gave us the entire story in the Cosmopolitan, so it is here for you to enjoy.

By the time this goes to press the Book Shower will be over. We hope it may be possible to give you a list of books donated. If not, then watch for them next week. But remember we are still in a state of "amiable receptivity." If you were not able to get to the shower with your books, they will still be just as welcome. Bring them any time.

The following were sent us the latter part of the week:

From Mayor Cagle
"Right Off the Map", C. E. Montague; "The Zeppelin's Passenger", E. Phillips Oppenheim; "A Princess of Mars", Burroughs; "The Return of Tarzan", Burroughs; "The Plains of Abraham", Curwood; "The Speaker of The House", John Nance Garner, G. R. Brown; "The Merchant of Venice", Shakespeare.
From Mrs. J. E. Hunt of Jericho
"Paradise Lost", Book I, Milton; "A Study in Scarlet", A. Conan Doyle; "Murders in the Rue Morgue", Edgar Allen Poe; "True to the Old Flag", Henty; "New Word-Analysis", Swinick.

You see Mayor Cagle answered our call for "The Merchant of Venice" and Mrs. Hunt has promised us another copy. So the good work goes on.

Sales Record for Past 54 Months Is Announced

Dayton, Ohio, January 3, 1933.—A record of achievement which is possibly without parallel in business history was revealed here today when officials of the Sargon Laboratories, Inc., reported that fifty-four months ago their medicines, Sargon and Sargon Soft Mass Pills, were first placed on the market, and that up to date 7,417,428 packages of these two medicines have been sold.

In explanation of this truly remarkable record Dr. J. J. Gibson, Secretary of the Company, said: "We spent two years' time and a considerable fortune in developing these medicines before they were placed on the market, and we had good reason to believe that as soon as the public became acquainted with their effects there would be a very large demand for them. This is what seems to have happened during the past fifty-four months."

"As evidence of this," he continued, "thousands upon thousands of individual endorsements have literally poured in from all parts of the country, and we are shipping our medicines throughout the United States, Canada, and Hawaiian Islands, Porto Rico, the Philippine Islands, Cuba, Jamaica, and several Central American countries. Only yesterday we received an order from Nice, France. Indeed a large part of our business comes from sections where our advertising has never appeared. This indicates that people who use our medicines are writing or telling their friends about them."

When asked for a brief statement of what effects Sargon and Sargon Pills have on persons who take them, Mr. Gibson replied: "These are new medicines and they actually accomplish many things which the older remedies were supposed to do. For instance, it is now conceded by the medical profession that colic and other laxative drugs have no effect whatever on the liver. Our medicines actually stimulate the liver to cleanse itself by increasing its production of bile. Sargon and Sargon Soft Mass Pills also promote general glandular activity; build up the red blood cells, and correct the most prevalent causes of indigestion and constipation and the many ailments resulting from these disorders."

ROY LANE HOME IS DESTROYED BY FIRE

The home of Roy Lane was practically destroyed by fire which broke out Tuesday afternoon, while Mr. and Mrs. Lane were away from home. The little boys were at home, however.

Mr. Lane had \$800 insurance on the home, but none on its contents, which were a total loss.

To celebrate her eightieth birthday, Mrs. Mary A. Allen of Atlanta, Ga., climbed to the top of Stone Mountain.
