CHRYSLER "52" SEDAN HEADS BIG LIST OF AWARDS GIVEN IN DRIVE FOR CIRCULATION

Race Begins at Once and Continues for Only Six Weeks; Ends October 22; Entry Lists Open; Everyone Eligible. See Explanations in Advertisements in This Issue of The News. Get Busy!

COMPLETE PRIZE LIST

Table listing prizes: One Chrysler "52" Two-Door Sedan (\$890.00), One Diamond Ring (\$175.00), One Ladies' Wrist Watch (\$75.00), One Ladies' Wrist Watch (\$35.00), Unlimited Cash Commissions.

The Clarendon News wants to double its circulation in Donley and adjoining counties.

And it's going to give away an automobile and several other handsome prizes to do it!

Presenting a glittering array of valuable awards, The News elsewhere in this issue announces the most stupendous automobile and prize campaign ever inaugurated by any newspaper in this section of the State.

The prizes—over \$3,000.00 worth—include a brand new and unused Chrysler "52" Two-Door Sedan, costing \$890.00, purchased from and on display at White Motor Company, Clarendon Chrysler agency; a \$175.00 diamond ring, a \$75.00 diamond ring and a \$30.00 ladies' wrist watch, purchased from and on display at Goldston Bros. and Stockings Drug Store.

The rings and the watch were personally selected and are guaranteed as absolutely full value.

Liberal Cash Commissions In addition to all these handsome awards, every non-prize winning participant will receive his or her share of the special fund of \$1,500 in cash which has been set aside to pay cash commissions at the rate of twenty per cent, so that there can be no losers.

Instead of the old method of engaging an outside force of professional solicitors, The News has purchased the wonderful prizes to be distributed among local people, who, it is believed, will accomplish more in building circulation in a few weeks' time than a force of outsiders could do in a year.

There is to be no red tape of any kind connected with the club. Every prize is to be given free, reward for honest effort in helping to place The News in every worth-while home and office in this and the adjoining counties.

First highest number of credits on October 22 wins the Chrysler. Second highest wins the \$175.00 ring, and so on down the line.

Because of the splendid character of the prizes to be awarded, together with The News' long-standing reputation for fair and honest dealing with the public, it is expected that the campaign will create as much interest, not only in Clarendon, but in all the surrounding towns and communities.

Entrants should get in touch with the Opportunity Club Manager at once. Beginning Thursday, he will be at The News office each day from 9:00 a. m. until 8:00 p. m., and will assist club members in getting started, furnishing free subscription receipt books, supplies, information, etc.

Be sure to bring your entry blank with you. There is one in today's paper. Hunt it up, clip it out and bring it in. Nobody has any credits yet, and your opportunity to win is just as good as the other fellow's right now.

Over in Gray County the Commissioners Court appropriated \$250 to provide a suitable county exhibit for Gray County at the Tri-State Fair at Amarillo. It is a wholesome spectacle to see the progress of county building at the hands of county officials. May their limits be extended and may their tribe increase.

Increased interest over the county is reported centering in the Donley County Fair which is to be held in Clarendon, Friday and Saturday, October 14-15. By that date most of the farm stuff will be matured and we shall see exhibits that will hearten us all for a busier fall season than we ever dreamed of. Give the Chamber of Commerce your co-operation in making the Donley County Fair what it ought to be. A successful fair in 1927 means a greatly enlarged fair for 1928.

Our public schools and our new junior college got under way Monday of this week and once again the young people and little folks of our community are busy at the task of gaining knowledge in preparation for the burdens of citizenship in the busiest age the world has ever known. Our schools deserve our heartiest support and co-operation and now we have another opportunity of rendering our children and our country a distinct service. This is to be a great school year in Clarendon.

Clarendon has always boasted two colorful football teams. They have not always been invincible, but have always been considered a threat in high school and college circles. Nineteen twenty-seven will be no exception. The Bronchos will put out a light, snappy, fighting machine that will hold its own in this district, while the Junior College will turn out an aggregation that will give competition to all junior colleges, heavy Class A high schools and the college second teams of this section. We shall see some good football in Clarendon this year and the local fans are counting on many victories. Buck 'em, boys!

Lots of discussion is going the rounds this summer about district Press Associations and the state association. Not many of the newspaper boys of Texas have attended more sessions of district and state associations than this writer, and we are of the opinion that both district and state associations are worth all the time and expense spent on them. We don't take any stock in the criticisms pointed at the Texas Press Association, for it comes almost entirely from those who seldom or never attend, and who do not enter into any of its activities. Like most other organizations, those who put most into it, get the most out of it. Let us stay with our district associations, for from the active ranks of the district organizations comes the best workers for the state organization.

The opening gun for the Tri-State Fair at Amarillo is soon to sound and those pessimists who have envisioned the Panhandle this year as a drouth stricken area may witness a sight by strolling through the agricultural building that will take some of the wind out of their sails. It is true that the Panhandle country suffered some reverses in the early and middle summer by reason of lack of moisture but when the rains did come in early August the transformation has been truly wonderful. There is no section under the canopy of the stars capable of such a "come-back" in such a short time as the Panhandle of Texas. Go to the Fair—it will fit you for better judgment and better work in the busy weeks ahead.

### A CAMPAIGN TO GREATLY INCREASE OUR LIST OF READERS

In this issue of The News will be found announcement of the beginning of a campaign for new subscribers and solicitation is made for entrance into the "Opportunity Club" with a list of prizes for those who do the most work and the best work. This campaign is put on under the direction of the American Circulation Service Company, a Texas concern with headquarters at Dallas, and under the personal supervision of Mr. Schofield, the owner and manager of the company.

Mr. Schofield has worked out a circulation campaign without the objections to the old "contest," and today is the only circulation service-man whose plan has the endorsement of the Texas Press Association. It is simply a clean-cut, salesmanship plan, based on the actual worth of the newspaper, and the prizes go absolutely to the workers of the "Opportunity Club" who produce the most business in the short time allotted to them. Mr. Schofield is the man who put on the contest at Wellington last year when C. B. Ingram, a Clarendon citizen, won the capital prize. He has just completed a campaign for the Pampa Times, our neighbor, and is carrying on simultaneously with our campaign similar contracts with the Hereford Brand and the Friona Star.

Mr. Schofield and The News management promise a square deal for every entrant, and a fair count of credits by local men of known integrity, and this campaign is first and foremost for the adding of new readers to the subscription list of this paper. For that service we gladly spend the amount necessary to provide the list of prizes and the cash commissions.

The News will keep abreast of a growing section of the Panhandle. To serve it as we should we must have more readers in 1927 than we had in 1926, and an increase from year to year. To this end we launch this campaign, doubting not that the goal will be achieved by The News and that a number of Donley County people will profit by our investment and the vigorous campaign under the direction of Mr. Schofield.

We invite immediate entrants to our "Opportunity Club." Get in while the credits run highest, when the field is greenest—and may the best worker win.

When the newspaper or trade magazine asks for your photograph, the one made 10 years ago won't do. You need a new photograph—your family and friends will appreciate it too. If you are busy, ask for a lunch-hour appointment. A sitting requires 15 minutes.

### COUNTY COUNCIL MAKES PLANS FOR FALL WORK

Plans for Home Demonstration Club work for the Fall months were formulated at the meeting of the County Council Saturday afternoon. Officers from five clubs were present and it was evident that interest in the club work is good throughout the County. Special stress was laid on plans for the County Fair, to be held in October. It was voted to indefinitely postpone the County Rally. The House Dress Contest will be held at the next regular meeting of the Council, which will be held Saturday, September 24th. Each Home Demonstration Club was asked to elect officers for the ensuing year at its first meeting in October, in order that names of the new officers may appear in the year book.

### HUGE BARBECUE GIVEN AS SURPRISE FOR VISITORS

One of the most interesting features that has been seen in one of the communities near Clarendon was the barbecue and picnic that was held as a surprise for Mr. and Mrs. Joseph Q. Miller and daughter, Miss Esther from La Grange, Illinois on last Wednesday. The barbecue was spread on the Dilli place near Goldston, and was one of the best attended affairs that has been held for a number of years. It is estimated that there were more than 250 people in attendance, all of them entering into the spirit of the occasion with more enthusiasm than had been seen for quite a time. During the afternoon, games and contests were entered into and prizes were given to all the winners for the various contests that were staged. Suitable prizes were given to ladies

and men and it is said that all of them were more than appreciated. The barbecue is planned to be an annual event, to be held at the time when the Miller family makes the trip to Texas from their Illinois home. The Miller family has made the trip to Texas for the past nineteen years and are always welcomed when they come for their annual visit.

Mr. and Mrs. J. W. Clifford and their nephew, Clarence Gaines, spent the latter part of last week with friends in Childress.

The News is in receipt of a card from O. T. Smith, who has been confined to a sanitarium in Amarillo for the past two and more weeks with a very serious operation. O. T. states that he will be back at home the latter part of this week, Friday, to be exact, and that he will be fallen off to such an extent that he cannot wear any of his clothes. He adds that a suit of overalls will probably be his costume until he can regain some of the lost weight.

# Electricity And Progress

Are talked about as one and the same thing today.

Electric Power is the world's greatest labor saver. The only way in which people can live at a higher material level is by making their work more useful and more productive. Electricity does this in the first place, and thus improves the lot of each individual. Later on Electricity enables that individual to carry on his work more easily and more agreeably.

The increase in Electric Power in the United States has been 1,000 per cent since 1907.

The citizens of Clarendon have had a part in this development program of which they can justly feel proud, for in the enormous amount of money which has been spent in this program of expansion Clarendon has shared.

This company earnestly solicits your co-operation and suggestions toward making "Your Electric Servant" even more efficient.

 Miss Cordia Holland, who underwent an operation for appendicitis some ten days ago at Clarendon, was moved home Friday. She is doing nicely.  
 School will open Monday, September 5th.  
 The revival meeting for the Church of Christ came to a close Sunday night, after an all-day service and dinner on the ground Sunday. This was the greatest of all meetings held here for this church; in fact no religious service has ever enjoyed such a record breaking attendance. Thirty-seven people responded to the invitation during this meeting and were numbered with the congregation. Brother McClung departed for his home in Ft. Worth on the midnight train Sunday night, leaving the entire Church happy and glad of the meeting. He will be with us again for a short meeting in January.

Something New!

Something Different!

Join the OPPORTUNITY CLUB.

You'll Find It'll Pay!

It is with mingled pleasure and pride that the Clarendon News announces a great Opportunity Club, which for liberality eclipses anything of the kind ever attempted in this section. The list of awards is headed by a Chrysler "52" Coach, followed by many other highly valuable awards, all to be distributed to readers and friends of this paper without one cent of cost to the recipient. All of these awards are to be given by this paper in return for a little effort, and the only consideration as to eli-

gibility is that you reside in the prescribed territory as outlined. Here is your opportunity to realize the ambition of years—to have a big car of your own, and it won't cost you a penny to become a member of the Opportunity Club or to compete in this wonderful campaign—now or any other time. Any person, man or woman, boy or girl, residing in the territory outlined can become a member of The News Opportunity Club without cost whatsoever and share in the distribution of these wonderful awards. Then when you have entered the Opportunity Club

you will find it real fun to gather the credits that will make you the fortunate owner of the big awards. The campaign opens today and closes Saturday, October 22. This is no long-drawn out affair. You are not going to be compelled to wade through a long, wearisome campaign or kept in suspense. Just a short, snappy campaign and in a few short weeks you can be the owner of that marvelous Chrysler Coach or one of the other big awards. The sooner you get started the better your chance of success. The time to enter is NOW!

### EXTRA PRIZES

Extra prizes will be awarded from time to time during the various periods of the campaign for the best results and records made in each period. Watch for these.

### HOW CREDITS ARE SECURED

Credits cannot be purchased, and they cannot be transferred. Once issued to a club member's credit, they cannot be given to another. This rule is imperative.

There are just two ways to obtain credits. One is by clipping the free credit coupons, which appear in each issue of this paper until further notice. These coupons are good for 500 credits.

The other method is through securing new and renewal paid in advance subscriptions to The Clarendon News. Credits are given in large numbers with each payment according to the published schedule below. Note especially the tremendous value of big subscriptions.

### How Subscriptions Count in Credits in the Campaign

The following scale shows the subscription rates, and the number of credits given according to the amount paid. In addition to the scale below, a bonus of 150,000 EXTRA CREDITS will be given for each \$20.00 turned in between now and 9:00 P. M. Monday, October 2.

Positively no subscriptions for more than five (5) years in advance will be accepted.

### NEW SUBSCRIPTIONS

TERM	PRICE	CREDITS
One Year	\$ 2.00	2,000
Two Years	4.00	5,000
Three Years	6.00	10,000
Four Years	8.00	15,000
Five Years	10.00	35,000

Above prices are for Donley County and adjoining counties only. Elsewhere in Texas and other states the rate is \$2.50 per year.

Second payments on subscriptions will receive the DIFFERENCE in credits.

Old or renewal subscriptions will count exactly one-half the number of credits as per the above schedule.

From October 4 to October 10 a bonus of 100,000 extra credits will be issued for each \$20.00 turned in. From October 11 until October 17 a bonus of 75,000 extra credits will be issued for each \$20.00 turned in. From October 18 until October 20 a bonus of 50,000 extra credits will be issued for each \$20.00 turned in. During the last two days of the campaign, October 21 to 22, a bonus of 25,000 extra credits will be given for each \$20.00 turned in.

### MAYOR AND MRS. TAYLOR VISIT CARLSBAD CAVERNS

The Mayor and Mrs. H. W. Taylor have "done" Carlsbad Caverns. What is more, they made a 232 mile automobile drive on the same day that they took the seven mile hike down through the Cavern. Mrs. Taylor was the oldest lady in the party of 250 people. Both she and the Mayor are about seventy-five years of age. Seventy-five years young, it would seem, for both stood the trip about as well as any one in the crowd. Needless to say, they enjoyed the trip very much.

They were accompanied on the trip by Mr. and Mrs. Crockett Taylor, and they visited the latter's sister, Mrs. W. W. Johnson at Roswell, New Mexico. The visit to the famed apple orchards of Roswell, was another pleasant feature of the trip.

Miss Annis Owens Becomes Bride of Leslie Jones of San Angelo, September 5th

A charming simplicity marked the beautiful home wedding in which Miss Annis Owens, daughter of Mr. and Mrs. J. W. Owens, became the bride of Leslie Jones of San Angelo. The ceremony was performed at 8:30 Monday morning, in the presence of the immediate families of the bride and the groom and a very few intimate friends. The Reverend F. T. Charlton, pastor of the Pres-

byterian Church, officiated. Baskets of yellow garden flowers and ferns decorated the home and formed an effective background for the bride's becoming costume, a russet tailored suit with harmonizing accessories.

Immediately after the ceremony, Mr. and Mrs. Jones left on a wedding trip to South Texas. They will be at home, after October 1, at 1203 Jackson Street, Amarillo, Texas.

Mrs. Jones is an accomplished musician and a popular member of social circles of Clarendon and Lubbock. She is a graduate of Clarendon College and of Texas Womans College at Fort Worth. She received the Bachelor of Music Degree from the last named school, and later studied violin in Chicago and Boston. She has taught violin in Lubbock the

past two years, in connection with Texas Technological College and the High School. She was very successful in her work there and was much in demand as a performer.

Mr. Jones has been in business in San Angelo for some time, but will be in business in Amarillo after the first of October.

Out of town guests at the wedding were Mr. and Mrs. Ross Noland of Tullia and Miss Lucille Watson of Fort Worth.

Miss Moena Lane and W. R. Blocker Married at Austin, August 31

The marriage of Miss Moena Lane, daughter of Mr. and Mrs. C. M. Lane of this city, and W. R. Blocker of Texas City was solemnized in a pretty wedding at Kirby Hall in Austin, on the evening of August 31. The Reverend H. Bascom Watts, pastor of the University Methodist Church, officiated in the impressive ring ceremony. The wedding was attended by a few intimate friends, most of whom were students in the University of Texas.

Kirby Hall, which was Miss Lane's home while she was a student in the University of Texas, was beautifully decorated for the wedding with ferns and roses. The bride wore a smart afternoon dress of russet chiffon velvet and georgette. Her hat was of matching velvet and gold lace, and other accessories harmonized. She carried an arm bouquet of bride's roses.

The wedding ceremony immediately preceded the graduation exercises of the University of Texas, in which Mrs. Blocker received the Bachelor of Science degree and Mr. Blocker the Master of Arts degree. Mrs. Blocker is a graduate of Clarendon College and has studied in the University one year and a summer. She has taught in Clarendon High School and Clarendon College and was Registrar of the last named school for several years. She taught in Silverton High School last term. She is very popular in Clarendon. She has been a leader in church work for a number of years and has added much to the social life of Clarendon College. She was a prominent member of the Pathfinder Club before resigning to enter the University.

Mr. Blocker is principal of Texas City High School, which position he has held several years. He is well known in Clarendon, however, for he was principal of the Academy of Clarendon College from 1922 to 1925, acting as Dean of the Boys' Hall at the same time. He has studied in San Marcos State Teachers College and Columbia, as well as the University of Texas. Mr. and Mrs. Blocker will, of course, make their home in Texas City.

Mrs. Sam Dyer Entertains at Bridge Friday Afternoon

An outstanding social event of the week was Mrs. Sam Dyer's delightful bridge party of Friday afternoon, at which she entertained the Afternoon Bridge Club and a number of other friends. Six tables were in the game, with high scores being made by Mrs. Charles Trent for members and Mrs. Clyde Price for

guests. Each received a lovely prize, as did Mrs. Charles Bell for low score, and Mrs. Dorr Ellis, who was fortunate in the general cut.

Guests, other than those already named, were the following: Messrs. G. B. Bagby, Selden Bagby, James Trent, W. H. Martin, J. T. Sims, James H. Morris, Homer Ellis, Richard Bell, Forest Taylor, Holman Kennedy, Meredith Gentry, Phillips Gentry, Clarence Miller, F. H. Lumpkin, O. L. Jenkins; Misses Lucille Douglas of Panhandle, Pauline Stewart of Norman, Oklahoma, Frances Cooke, Mary Cooke Mildred Martin, Catherine Cole, and Willette Cole.

After the awarding of the favors, delicious salad and ice courses were served. A profusion of beautiful garden flowers formed the decoration for the rooms in which the guests were entertained.

Mrs. B. W. Moreman Gives Hunt Supper and Shower Honoring Mr. and Mrs. Lenode Goldston

Mr. and Mrs. Lenode Goldston, whose marriage was a social event of last month, were honored Saturday evening in a delightful hunt supper and a shower, given by Mrs. B. W. Moreman. The party was a surprise to the honor guests, who on returning to their home late in the afternoon found a number of guests assembled. A placard in the living room instructed them to start a search. The hunt resulted in their finding a shower of useful kitchen gifts.

The dove supper was served in buffet style at Mrs. Moreman's attractive home at eight o'clock. ### REV. A. B. CROCKER ACCEPTS CALL TO PANHANDLE CHURCH

The Reverend Algie B. Crocker, pastor of the First Christian Church for the past two years, has accepted a call to the First Christian Church of Panhandle and will take up his new duties at once. While wishing him every success in his work at Panhandle, the entire citizenship of Clarendon feels a distinct regret at his leaving the city. He and Mrs. Crocker have taken an active part in affairs of Clarendon and have been a very valuable citizens during their two years of residence. Their popularity is not limited to their own congregation by any means, for they cooperated with the members of the other churches and other groups and have made many friends.

The Reverend Crocker is one of the strongest ministers who has been pastor of the local church. He is an interesting speaker and a splendid leader. Both he and Mrs. Crocker are especially strong in their work with the young people. Reverend Crocker was a popular member of the Clarendon Lions Club.

### ARLIE WOOD, SON OF L. L. WOOD INJURED SUNDAY.

Arlie Wood, twelve year old son of Mr. and Mrs. L. L. Wood, was slightly injured in an explosion which took place near Berger last Sunday. The boy was brought to a Clarendon hospital immediately and was found to have only minor injuries on his legs and back. The accident causing the painful injury occurred at a family reunion and resulted in serious injuries to a cousin of Arlie's.

Mr. and Mrs. Harold White of Fort Worth spent Sunday and Monday with the former's parents, Mr. and Mrs. F. A. White.

Mr. and Mrs. M. M. Jackson of Hedley shopped in Clarendon Friday.

Mrs. Henry Williams and son, Chester, spent several days of last week in Lubbock, returning home Sunday night.

Mrs. Matt Bennett and her daughter, Mrs. Richard G. Hughes of White Deer, returned Friday from Clovis, New Mexico, after visiting Mr. and Mrs. J. W. Johnson. Mrs. Hughes went to White Deer Saturday.

Miss Zetta Moon, Registrar for Clarendon College and instructor in business science for the past two years, has accepted a position as head of the business department of Ainsworth (Nebraska) High School.

### A NEW OPERATOR AT CLARENDON NEWS OFFICE

D. P. Parker arrived here the first of last week to take a position with The Clarendon News as linotype operator, beginning September 1st, which position has been held by Sam Braswell, Jr., for the summer months and who will enter the Junior College, Monday, September 5th. Mr. Parker has had a number of years' experience on some of the best weekly and daily newspapers in Texas and his addition to the News force means a continuation of the class of service this newspaper endeavors to maintain.

### HEAD OF EXPRESSION DEPARTMENT IS HIGHLY PRAISED

Cleburne, Aug. 26.—Miss Rita Foster will leave in about a week for Clarendon, Texas, where she is to be head of the Speech Arts Department of Clarendon College and high school for the coming year.

Miss Foster is the daughter of Mr. and Mrs. Otto Foster of 319 Douglas Avenue. She was an honor graduate of the class of 1924 of the Cleburne High School, at which exercise she was master of ceremonies, by reason of the fact that she had more credit units than any other member of the class.

In college this record was continued, Miss Foster winning a scholarship there for making the highest grade in the college and she was elected as a permanent member of the James A. Garfield Scholarship Society, which society is a member of the larger organization known as the Scholarship Societies of the south.

During her three years in college she was a student of expression under C. R. Brewer and Miss Yeta Mitchell, getting her diploma in speech arts at the same time she received her B. A. degree.

Miss Foster has appeared many times in recital work, and her outstanding ability along dramatic and speech arts work marked her as one of the best students in the department. She has played leading roles in the majority of the team plays given while she attended college. Her most outstanding work along this line, however was portrayed in "The Servant in the House," by Kennedy, as Hannah in "John Ferguson" and as Til in "The Giant Stairs." The latter play was the second prize winning play of the Texas Little Theatre tournament held last April in Dallas. This work won Miss Foster fame of great renown and critics over Texas have praised her for her great work in this particular character.

In addition to her work in the college, Miss Foster hopes to be able to assist the people of Clarendon in developing a Little Theatre movement in that place. We bespeak for her continued success in her chosen line of work. After her work in Dallas she was sought for work of this kind in different points in the state, but decided to associate herself with the work mentioned above, and Clarendon is fortunate in her decision.

### REUBEN FISH DIED HERE AS RESULT OF ACCIDENT

Reuben Fish, fourteen year old son of Mr. and Mrs. J. D. Fish of Alanreed, died here Thursday afternoon, at the home of Bob Martin, after being brought to this city for medical attention. His death was the result of injuries received when a horse he and Currie Byerly were riding fell on him Wednesday afternoon. The two boys were riding home from school, Reuben riding behind the saddle. The horse became frightened and ran away. In an attempt to jump a high gate, the horse fell backward and turned completely over. Reuben's skull was crushed, while the other boy received serious but not fatal injuries.

Funeral services were held at the Baptist Church of Alanreed, Friday afternoon, with Reverend Smithson of Amarillo, minister of the Church of Christ, in charge. One of the largest crowds ever seen at a funeral in Alanreed was in attendance. Among the many friends present were all of Reuben's school mates from the White Fish School. Many beautiful flowers were sent.

The deceased was a nephew of Mr. and Mrs. F. B. Thomas of this city. The family, a prominent one in Alanreed, was also well known here.

Glenn Churchman spent Saturday in Canyon.

### JUNIOR COLLEGE AND HIGH SCHOOL TO HAVE NEWSPAPER

Clarendon Junior College and High School have a newspaper, a weekly newspaper which will publish news about the students and written by the students of the two-in-one school. The first issue appeared Monday afternoon, following the opening of school in the morning. And a very creditable issue it was. The paper included a forecast on the football season, with names of the men who will form the nucleus of the team; a story on the opening of the two schools, and a number of articles about faculty members and students who have achieved greatness or near greatness since the closing of school last Spring. The collection of personal items in the paper is particularly good. The students are naturally much interested in their former classmates who will not be with them this year; and the personal items in the paper furnish some real news.

Until such time as the weekly paper can be given a name, it is to appear under the Algebraic title of "The X." "X" equals the name, which is to be found. The management of the paper is now conducting a campaign for a name and will award a prize of \$5.00 to the student who offers the best name for the paper, the privilege of offering a name being given with each subscription. The prize will be awarded on September 19, and the paper of the date will appear under the new name.

Robert Dillard issued the first copy of "The X" single handed and deserves much credit. The advertisements which the paper carries speak well for his business ability and his choice of written matter was excellent. Dillard, who had some valuable experience as business manager of last year's "Broncho," will be business manager for the college and high school weekly. The editorial staff is to be elected in the near future.

Mrs. U. T. Dever is visiting relatives in Gainesville this week. She left for that city Friday evening.

Miss Marie Thornton will teach in Memphis this year. She went to that city Sunday evening.

Henry Ellis of Amarillo spent the week-end with friends and relatives here.

### G. E. GATTIS PURCHASES J. B. McCARLEY INTEREST

A transaction was completed the latter part of last week whereby G. E. Gattis of this city takes that part of the Clarendon Monument Works that was formerly owned by J. B. McCauley. Mr. McCauley has been out of the city for the past several months and has found it to his advantage to sell his interests here to Mr. Gattis, who will attend to the management of the Clarendon yard from this time forward. It will be remembered that the new owner of the yard has been a resident of Clarendon for the past two years and that he has been connected with the monument works for the past year. Mr. McCauley has not made his plans public, but it is supposed that he will continue in the work that has kept him from the city for the past months.

### WIFE OF POPULAR SALESMAN BURIED IN BROWNWOOD, TEX.

The News and force was grieved to learn of the death of the wife of W. H. Parker, salesman of the Olmsted-Kirk Paper Company on Wednesday, August 31st. Burial was had in Brownwood on Friday, September 2nd. The sad part of all this is the fact that the couple were married in June of this year. Mr. Parker has made this territory for the past number of years and is one of the best liked men who travels for any of the paper houses in Fort Worth and Dallas. The News wishes to join with the others of the friends of "Bill" in their sympathy in the loss of his helpmate.

### REV. INGRAM AGAIN WRITES FROM HOME IN CALIFORNIA

The Clarendon News received another letter the fore part of this week from Rev. C. B. Ingram, who is spending the winter in that state with relatives. He states that many things are going ahead in the city of Los Angeles and that they are well pleased with the new home they have in that state. He mentions the fact that fruit of all sorts is plentiful in that state and that it is very easily obtained, at a price that is fair to everyone. Building is going forward at a rapid rate to such an extent that it is impossible to see the town for all the houses. Incidentally he asked that his News be changed to his home that he might keep up with the happenings in his home town.

### VIRGIL MERCHANT RECOVERING FROM GUNSHOT WOUND

Virgil Merchant is recovering rapidly from the gunshot wound in his foot and leg, which he received in an accident Tuesday night of last week. Danger of serious infection is apparently past, and the wound, while still very painful, is healing very nicely. Virgil was at the Merchant Ranch in Hutchinson County when he was shot, but is now at home. Virgil and his uncle, Mr. Cooper, were cleaning a shotgun which they thought to be unloaded, and the gun was in the hands of Mr. Cooper when the accident occurred. When he pulled the trigger of the supposedly innocent weapon, however, a bullet flew downward and struck Virgil in the leg, three or four inches above the ankle. The bullet glanced off the ankle bone and went straight down to the foot, lodging in the muscles and tendons on the top of the foot. The boy was rushed immediately to an emergency hospital in Borger, where he received first aid, and the following morning was taken to an Amarillo hospital, where the bullet was removed. The position of the bullet and the slight infection which had set up made the wound a dangerous one.

### CHILDRESS FAIR TO INCLUDE HUGE POULTRY EXHIBITION

The Childress State Fair which will be held at Childress upon September 20 to 24 inclusive is laying special plans for the largest poultry show of any regional fair in Texas. A life member in the American Poultry Association, which association requires that a licensed A. P. A. judge be used, Mr. E. B. Miller of Plainview, Texas, will judge the show this year. An especial feature of the show will be that judging will be done from both a standpoint of perfection and utility. More than 800 birds are expected to be entered in the show.

### MULLINO FAMILY MOVES TO HASKELL THIS WEEK

Mr. and Mrs. G. F. Mullino and family, residents of Clarendon for the past five years, left Monday to make their home in Haskell, where their business interests are largely centered. They moved to this city in order that the young ladies of the family might have the advantages of the schools. All of them have now finished in the High School and College.

Mr. Mullino expressed a sincere regret at leaving Clarendon. "We are not moving away because we want to," he said, "but simply because our business interests and property in Haskell County require our presence." The family had lived in Haskell many years before moving here.

It is to be hoped that when the younger children of the Mullino family are ready for college Mr. and Mrs. Mullino will see fit to return to Clarendon, for they are citizens that any town can ill afford to lose. Their many friends here wish them every success in their new home.

### DEMONSTRATION CLUB HAS ALL DAY MEETING FRIDAY

An all day meeting of the Clarendon Home Demonstration Club was held Friday at Miss Katie Meader's beautiful country home. The thirteen members present spent the day in working on the Club's braided rug, which will be exhibited at the County Fair. A delicious dinner was served at noon, and watermelon was served on the lawn in the late afternoon. A very pleasant, as well as a very profitable day was spent.

A called meeting for tomorrow, September 9th, will also be an all day session devoted to finishing the rug. Mrs. William Spitzer will be hostess for the day. All members are urged to attend the meeting for at least part of the day, and those who can come for the entire day are asked to bring a dish for luncheon, according to the usual custom for the all day meetings.

### WHITENER BABY FOUND AFTER TWO HOUR SEARCH

The city of Clarendon and the surrounding territory to the North was stirred early Saturday morning when the alarm was given that Billie Whitener was lost. When the alarm was given, the youngster had been lost for more than one hour and the search had been extended to cover a wide scope of territory surrounding the home. More than one hundred men and boys were soon gathered from Clarendon and the adjoining territory and the entire scope of territory for three miles on all sides of the home were scoured thoroughly. The youngster was found some two miles North of the home near the river and was continuing on her way north when located. Stanley Carlile and Ed Barnes found the baby and returned her to her home unharmed and a little thirsty for her vacation from home. The baby is one of twins, and the alarm came of the lacking baby when the other returned to the home and gave the alarm.

### An Adjustable Steering Column to Suit Your Convenience

Buick for 1928 is extremely thoughtful of feminine comfort. One indication of this consideration is Buick's new steering column, which may be adjusted to the most comfortable position for women, as well as men.

And in addition, Buick for 1928 has a new steering wheel—slender to fit feminine fingers—yet deep and solid to provide the firm grip men demand.

Buick for 1928 pleases women because it is easier to drive—because it is more comfortable to ride in—and because it is the acknowledged style-leader among motor cars. That's why you see so many Buicks at fashionable gatherings and on the smartest boulevards.

## FACULTY RECITAL TO BE GIVEN 13TH

MRS. DEAN AND OTHER TEACHERS AMARILLO COLLEGE OF MUSIC TO APPEAR.

The faculty of the Amarillo College of Music will give a recital in Clarendon on Tuesday night, September 13, at the Methodist church at 8:00 o'clock.

The personnel of the company includes Emil F. Myers, tenor, director of the college; Lila Austin Myers, head of the piano department; Mrs. G. C. Alee, contralto and voice teacher in the school; Helen M. Strite, head of the violin department; and Mrs. Chas. H. Dean, Jr., pianist, who has charge of the branch studio at Clarendon. The recital will be given free of charge, and the public is cordially invited to attend. The following program will be given:

### T. J. ALLEN RESIGNS AND McCLESKEY ELECTED SECT.

Thomas J. Allen and Harry Allen have resigned as secretary and assistant secretary, respectively, of the local People's Mutual Association, and will hereafter center their business interests in Childress, where the former has spent the past several months.

Mr. and Mrs. Harry Allen will move to Childress, shortly, it is understood. Both families leave a host of friends in Clarendon.

George W. McCleskey, formerly of Lubbock, was elected secretary of the local organization and took up his duties September 1, retaining the office formerly used by the Messrs. Allen. Mrs. McCleskey and their two sons will move to Clarendon in the near future.

### LES BEAUX ARTS TO OPEN NEW YEAR 10TH

A club year which will be filled with interesting study and accomplishment will be opened by Les Beaux Arts with their first meeting of the Fall, Saturday, September 10th. The first meeting will be devoted to a program on "The City Beautiful," a study in gardening, landscaping, and city beautification. This study, so appropriate to the season, happily falls at the conclusion of Clarendon's first yard beautification contest. The program will include landscaping, water gardening, and rockeries, and will doubtless prove an inspiration for further beautification of Clarendon. This is in line with the Club's general plans, for civic work is one of the activities of the Club.

The meeting for Saturday will be held in the home of Mrs. W. C. McDonald, with Mrs. J. W. Evans as associate hostess. Mrs. Crockett Taylor, one of Clarendon's truly artistic gardeners, will have charge of the program. The year books will be distributed at this first meeting of the year.

Miss Annie L. Bourland is spending her vacation in visiting friends and relatives in McLean, Oklahoma City and other points. She left Sunday, making the trip in her car.
