THIRD CONSIGNMENT OF COTTON CHECKS STIMULATES BUSINESS

COTTON CHECKS COMING RAPIDLY

THREE LOTS AMOUNT TO \$74,389; LESS THAN ONE-THIRD RECEIVED

Cotton farmers of Donley county have received 294 cotton checks totalling \$74,389, according to County Agent T. R. Broun. The checks came in three lots. On September 16, Mr. Broun received 107 checks for a total of \$26,490; on Sept. 23 another lot of 100 checks, worth \$28,893 arrived and two days later, Sept. 25, the third lot of 87 checks reached him, totalling \$19,006.

The 294 checks represent slightly more than 32 per cent of the checks due to Donley county farmers, Mr. Broun said, and represent an average of \$253 per farmer. A large part of the proceeds of the checks which have been received has found its way to the holders of secured indebtedness, as was to be expected. Local merchants, many of whom have extended credit accommodations in anticipation of earlier receipt of the cotton checks, report some relief by the payment of accounts by the farmers who have been among the 294 to receive their checks.

Although less than one-third of the checks have been received, there can be no doubt that a large part of the greatly increased local sales volume of last Saturday was due to the circulation of the new money represented in the cotton checks. And when the remaining two-thirds of the checks yet due are received a substantial revival of business may be expected.

Millions of Dollars
Cotton farmers of the United States are in process of receiving cotton acreage reduction checks for the staggering total of \$111,799,333, according to information released by the Agricultural Adjustment Administration. Checks are being issued this week at the rate of 40,000 per day, it was stated. Up to last Friday over \$27,000,000 worth of checks had been issued.

The cotton producing states will receive the following amounts: Alabama, \$9,533,02; Ariz. 264,275; Arkansas, \$10,424,850; California, \$170,998; Florida, \$359,924; Georgia, \$7,898,287; Kansas, \$3,181; Kentucky, \$34,125; Louisiana, \$4,923,546; Mississippi, \$10,347,678; Missouri, \$1,827,895; New Mexico, \$344,362; North Carolina, \$2,176,570; Oklahoma, \$10,941,956; South Carolina, \$4,757,203; Tennessee, \$3,256,305; Texas, \$44,366,439; Virginia, \$140,937. Total, \$111,799,333.

Heckle Starks plowed up one hundred acres of cotton and got \$17.00 per acre for it. He will likely own a new car soon.

OUR SWAP ADS

For several months THE NEWS has extended the people of Donley county, subscribers and non-subscribers alike, the privilege of free swap ads, believing that it could render a service that would be appreciated.

During the time The News has run hundreds of such swap ads, and has had abundant testimony to the effectiveness of advertising. Articles which were not needed were exchanged for needed articles and at no cost to the advertisers.

Now that new money is beginning to circulate again the News feels that its free swap ad service should be discontinued.

A small ad, classified under its proper heading, is very inexpensive and advertisers may feel assured that the classified columns are closely read. It will pay you to use them and costs little to find out that they do pay.

New Store Will Open Here Soon

Lease of the Edgington building on Kearney street, formerly occupied by Frank Whitlock's barber shop, has been announced by A. J. Parker, of Panhandle and Phillips. The building will be occupied by Parker's 5c to \$1 Store as soon as possible after remodeling and renovation has been completed.

Mrs. Parker and her brother, Thomas Perkins, were in Clarendon today to close up the lease and left during the day for Dallas to purchase stock. Mr. Parker was originally a Paducah citizen and Mrs. Parker and Mr. Perkins were reared at Quanah. Mr. Parker operates similar stores now at Panhandle and Phillips.

A new oak floor will be laid in the building, show windows will be installed and the building repainted in preparation for installation of fixtures and stock. The newcomers express great confidence in the future expansion of business in Clarendon. Announcement of the formal opening of the store will appear later in the News. Watch for it.

"GO TO CHURCH" IS PLEA OF PASTORS

MOVEMENT SEEKS TO RE-ENLIST THOSE WHO HAVE GROWN CARELESS

The pastors of the churches of Clarendon do not believe that all the people who do not go to church on Sunday are irreligious. They think, rather, that they have merely become careless about a duty which most of them will acknowledge. Thinking along this line one of the pastors wrote the following message to Clarendon people:

There are some people who go to church only on special days, such as Easter, Christmas or New Year's. They have not lost their religious faith, they still want to be considered as Christians. BUT they will stay away from Church Sunday after Sunday. They are not lacking in faith, but they are careless. Their religion is not exactly dead, but it does need awakening.

The "GO TO CHURCH" movement particularly appeals to these people. They have been wavering in their support of the house of God. They need a reminder, so the churches of Clarendon are putting on this Go-to-Church campaign primarily to get up enthusiasm among the church people of the city.

People should do more than go to church on the great feast-day or on special occasions. They should go to church every Sunday. The church does not ask for much of their time. Can we not spare two hours out of every week of one hundred and sixty-eight hours in the house of God, studying His will and word? God asks this much of you; will you feel better about it if you will attend services next Lord's Day. So will your wife, mother, husband, father, children and friends. The whole town is joining together in this "GO TO CHURCH" movement. You should help it along. Go to church next Sunday.

Delays are always dangerous, but never more so than when one delays making his peace with God. Don't wait until you have to face God in the Judgement, meet Him Sunday at the church services, get acquainted with Him now so that you will not be a stranger on that great day.

God has always had a divinely appointed meeting place with the human family. First around the family altar of the Patriarchal Dispensation, then the tent of meeting in the wilderness, next the tabernacle, and temple. But in these latter days He meets with us in the Church, it is the place where He promises to meet us;

BRONCHOS DEFEAT CORDELL INDIANS

FIRST GAME OF SEASON WON BY SCORE OF 9-0 AGAINST HEAVIES

With a score of 9 to 0 the Bronchos defeated the Cordell Indians Friday in the first game of the 1933-34 season. The game would ordinarily be considered rather slow. Both teams played admirably well considering that several of the Cordell Indians had only one week of practice prior to the game. What the Indians lacked in training was amply compensated by weight and size. The average weight of the Cordell line was 200 pounds, which was far above that of the Broncho line. The Bronchos were able to cope with the colossal weight of the opposing team because of better training.

The first two points of the Clarendon score were made fairly early in the first quarter. The Bronchos kicked to within one yard of their own goal line. Instead of kicking, the Indians tried to carry the ball through the line for a gain. The result was a touchback for the Bronchos. The rest of the score was made late in the fourth quarter when McVary carried the ball across for a touchdown. Bob Word passed to O. C. Watson who carried the ball across for the extra point.

The game had as competent officials three local boys, Dick Nichols, ex-Broncho, as referee, and Roy Stargel, ex-Cyclone from Memphis, as head linesman. Fred Bourland, also an ex-Broncho, was time-keeper.

Starting Line-Up

The starting line-up for Clarendon was as follows: Left end, Martin; left tackle, Noble; left guard, Mann; center, McMahon; right guard, Easterling; right tackle, Behrens; right end, O. C. Watson; quarter back, Whitlock; full back, E. Watson; right half, Bob Word; left half, Greene.

For The Indians
Left end, Page left tackle, Hynnis; left guard, Giles; center, Williams; right guard, Sanders; right tackle, Shaw; right end, Adkinson; quarter back, Craig; full back, Gorman; right, half, Puryson; left half, Mitchell.

Substitutions
The substitutes made by Clarendon during the game were Gorman for Easterling, Barrow for Mann, Holtzclaw for Word, Buchanan for Noble, Evans for Greene, Tidwell for O. C. Watson, McCrory for Holtzclaw. Word played as quarter during the last quarter in Whitlock's place.

DRENNAN STAGES LIONS' PROGRAM

NEW LIONS TELL WHY THEY BECAME MEMBERS OF THE LIONS CLUB

Under the direction of R. E. Drennan, one of the new members of the local Lions Club, one of the most interesting programs of recent weeks was presented at the usaday luncheon. Five new Lions told in interesting manner why they had decided to become members.

Each of them said in effect that the many activities of the club, throughout its years of existence in Clarendon, had won their interest and admiration and

PROCLAMATION FIRE PREVENTION WEEK

Whereas the destruction of property by fire in America has steadily increased until the annual loss now is approximately 500 million dollars.

These hundreds of millions of dollars have gone beyond reclaim; the money has been worse than wasted.

But far more serious than the burning of property values is the toll of human life and personal injuries by fire that amount to several thousand each year.

Nearly all of this could be avoided if greater care were taken in constructing buildings, if litter and rubbish were removed from homes and places of business and premises in connection therewith, if children and grown people were thoroughly educated in handling fire and taught the importance of extreme carefulness.

NOW THEREFORE, I, W. P. Cagle, Mayor of the city of Clarendon, in cooperation with the nation-wide movement for the elimination of preventable fire waste, do hereby designate Oct. 8th to 14th, 1933, as Fire Prevention Week in this City.

On those days let our civic and commercial organizations, school officers and teachers, and our people as a whole, arrange meetings and exercises for the study of our fire problems, as well as to impress the seriousness of the wastage caused by fire and the need for utmost care for the protection of life and property. During Fire Prevention Week let a complete inspection be conducted of the entire city for the purpose of locating and removing fire dangers, and let us thereafter, individually and collectively, make the prevention of fire a part of our daily routine.

W. P. CAGLE, Mayor.

Falls Off Donkey And Breaks Leg

Cruelly tossed from the heaving upper deck of the tiniest burro in the lot, Homer Mulkey is suffering from a broken leg while making sarcastic remarks about grown men who take part in so-called "donkey baseball games."

Homer had just swatted the ball and hastened to board the donkey assigned to him. He had received the personal guarantee of the donkey's manager, a "warm" friend of his, that the little donkey would not inflict any damage on him.

But, alas and alack! The midget donk, about 20 inches tall, unseated Homer so quickly that he doesn't know how it happened. He

LOCAL MEN BUY CHILDRESS NEWS

STORY AND FINK ASSUME OWNERSHIP OF CHILDRESS NEWS OCT. 1ST

According to a deal consummated earlier in the month, the Childress News, a weekly newspaper, passes to the ownership and operation of Kenneth Fink and Fred A. Story on October 1st, when these Clarendon citizens will take personal charge of the property.

Mr. Story has been managing editor of The Clarendon News since December 1st, 1932, and it is with genuine regret that the News and the local citizenship give him up to his new connection and place of residence. It is not his first newspaper connection in Childress, as he was formerly owner of the Childress Post, and later manager of the Childress Daily Index after having merged the Post with that Nunn-Warren publication, in a joint ownership. He knows the Childress field and his return there is being welcomed by the city generally.

Mr. Fink graduated from the school of journalism at the University of Texas and has had practical experience with The Clarendon News, and the Canyon News, and is exceptionally well qualified to assume the news desk of the Childress News. The Story family moves to Childress the latter part of this week and will occupy their own home in that city, while Mr. Fink will occupy bachelor apartments. His mother remaining here and maintaining her home in Clarendon as usual.

Clarendon greatly regrets the loss of these good people and The News joins in wishing them success and happiness in their new home and relationship.

landed on one foot, and a leg bone snapped just above the ankle. The physician described it as a wonderfully clean brak, that should heal rapidly.

He was brought home this morning and is resting easily "I wouldn't mind it if I had fallen from an airplane, or been in an auto wreck, or some'n, but it sure does cramp me to fall off a little donkey half as tall as I am and break a leg," he complained. His physician says he can be out on crutches in a few days.

Old Settlers Ass'n Honors Local Woman

Mrs. W. H. Patrick and her daughter, Miss Katherine, were accorded special recognition Wednesday at the gathering of about 1,000 old settlers of the Panhandle, which was held in the circus tent at the Amarillo Fair grounds. The meeting commemorated the old T-Anchor ranch, one of the landmarks of the central Panhandle.

Judge L. Gough and C. J. E. Lownders made address reminiscent of their associations on the ranch, ten former employees of which atteded the meeting.

Mrs. Patrick was presented with a flower as the woman settler who had lived longest in the Panhandle. She was born at Adobe Walls in 1879. Miss Katherine Patrick, her daughter and the "sweetheart" of the Panhandle Old Settlers Association, was also presented with a flower significant of the honor. She presented her flower, in turn, to Mrs. L. Gough, Miss Katherine told the meeting of her collection of over 1,700 signatures of old settlers of the Panhandle, which was mounted in a handsome leather-bound volume and presented to the museum at Canyon. She invited all present who had not signed rer cards to assist her in adding to the collection.

TRADES DAY WAS RECORD BREAKER

STREETS THROGGED ALL DAY; BRISK SALES REPORTED BY MERCHANTS

Last Saturday was Trades Day in Clarendon in every sense of the word. Early in the day shopping in local stores began and continued throughout the day, the peak coming in the afternoon, following the widely advertised "balloon derby."

This event was staged by the Clarendon Chamber of Commerce, with the co-operation of a large number of merchants who sent up on balloons furnished by the Chamber of Commerce over 100 certificates entitling the finders to merchandise prizes of various values. Promptly at 1:30 o'clock, as advertised, the committee began releasing the gift-bearing balloons and soon the street was jammed with a merry crowd who good-naturedly fought over possession of the balloons.

Next Trades Day Oct. 28
Something entirely new, with featured, is already being planned by the Chamber of Commerce in co-operation with the merchants. Full announcement of the details will be made in advance of the next Trades Day, which will take place on Saturday, Oct. 28th. While not definitely decided upon, there is even the possibility of a cotton picking contest on the main street of Clarendon. How could anybody pick cotton on a town street? Well, that's for the committee to work out—it's their job, not a newspaper's. At any rate, they say that there will be "big doings" in Clarendon on the next Trades Day.

Evidence that new blood was coursing through the veins of commerce, which is just a different way of saying that the folks had money to spend, was very apparent Saturday. Merchants reported the greatest sales volume they have had in many months. The most cheerful aspect of the day's trading was that there was an increased demand for the better qualities of merchandise.

The West Texas country, of which Clarendon is a part, has long been known by the whole-sale trade as a section where the people appreciate and demand merchandise of good quality. Traveling men have marveled at the "choosiness" of West

WESTBROOK NAMES NEW LOCAL GROUP

POLITICS SHOWS UP IN DONLEY CO. RELIEF COMMITTEE APPOINTMENT

The Ferguson administration, through Lawrence Westbrook, chairman of the relief forces, has named a new RFC committee for Donley County, and the four commissioners of the county court will be asked to approve the new committee at their next regular meeting. The new committee named is made up of Dick Allen, Ed Fox, George Norwood, Ed Duncan, with H. T. Burton, chairman. Mr. Burton is the only old member retained by the appointment, and as he had already secured the consent of the old board to resign in account of the press of duties as school superintendent, with a smaller staff of teachers, rumor has it that he will not accept the appointment and that another head will have to be chosen.

The old RFC committee active for the past several years, and with a splendid record for administration with the minimum of expense, deposited under the new order from Austin was composed of Odos Caraway, chairman; H. T. Burton, G. L. Boykin, C. J. Douglas and Homer Mulkey. An effort was made to set up a new committee in Donley county by the administration some weeks ago, but there was such general disapproval that no progress was made at that time.

The new committee is well known in Donley County and when they are approved will have the best wishes and co-operation of the public in a thankless task that must be carried on.

Some \$17,000 has been disbursed in Donley County through the old committee and its records are regarded as the best kept in the Panhandle, and without the high local expense which has brought criticism over the state. The new committee is expected to maintain the same high standards when they assume the burdens of their new office.

LEGION OFFICERS TO BE INSTALLED

ALL MEMBERS OF AUBYN E. CLARK POST URGED TO COME TUESDAY NITE

All members of the Aubyn E. Clark Post are urged to be present next Tuesday night at the Legion Hall for the installation of the new officers, who were elected several months ago.

Officers-elect to be installed with impressive ceremony are: G. L. Boykin, post commander; Cecil Beach, 1st vice-commander; Guy Kerbow, 2nd vice-commander; Clyde Price, adjutant; C. J. Douglas, service officer; Nathan Cox, chaplain; Chas. Trent, liaison officer; Tom Tucker, sergeant-at-arms.

The Post has had an active year under the out-going administration, with good interest in the regular meetings and splendid co-operation from the majority of the membership. The retiring officers have the deep appreciation of the membership for the faithful performance of their duties.

The retiring officers: H. R. Kerbow, post commander; C. Huffman, 1st vice commander; Joe Holland, 2nd vice commander; G. L. Boykin, adjutant; C. J. Douglas, service officer; R. M. Chunn, chaplain; Chas. Trent, liaison officer; Tom Tucker, sergeant-at-arms.

They were certainly buying the Trades Day bargains here Saturday. Nearly every body had a bundle of merchandise under his arm late in the afternoon.

FLOWER SHOW A CIVIC INSPIRATION

Complete co-operation of the citizenship should be given to the annual flower show which is sponsored each year by the Lex Beaux Arts club. The 1933 show will be held Saturday, October 7, as announced elsewhere in this week's issue of The News.

Co-operation can best be expected by each flower grower selecting choice specimens for exhibition at the show. Since no admission is charged, nor entry fee required of exhibitors, the prize list can not be expected to hold out special inducements.

But friendly competition for the prizes offered, and especially for the blue ribbons, should give way to the real purpose of the exhibitors of stimulating a more general desire to grow flowers. This objective attained, the purpose of the club will have been reached.

Surprisingly beautiful flowers are grown in Clarendon each year. One has only to attend a flower show to realize the possibilities. And nothing else, of equal low cost, can do more to make a town attractive to those who live in it and to those who visit it.

Visitors to Clarendon are always taken on drives that pass the homes whose owners are flower lovers and flower growers. Their work is a matter of local pride, even on the part of those who grow no flowers. And each passing year sees citizens who take up flower growing for the first time.

Because flower-decked homes are pleasing to home-folks and visitors alike, the annual flower show is nothing less than an inspiration to civic betterment, and deserves every citizen's hearty co-operation, either as exhibitor or spectator.

NEW CONFIDENCE IN FUTURE

Evidence of a distinctly confident frame of mind is found in the comments of local merchants on the volume of business done in Clarendon last Saturday. The "frame of mind" includes both merchants and customers. The merchants report a buying spirit that reminded them of the days before 1929, when their customers showed as much interest in the QUALITY of merchandise as in the PRICE.

For too long the West Texas customer has been forced to disregard his natural desire for good quality and buy "the cheapest thing you've got." That was not a natural thing. And the fact that last Saturday he said, "I want something better," is very good proof that the tide of confidence has begun to flow again. The customer has lost the FEAR that there will be no more money. He is confident that the money he spends will be followed by other money. It begins to appear that the time is close at hand, if not already at hand, when we can speak of "the late depression." And that's one corpse we shall all be glad to forget.

REDUCING NEXT YEAR'S COTTON CROP

"Organization of cotton farmers into county associations to carry out the program will begin in October," says an official announcement of the details of the cotton reduction plan for next year. The plans call for limitation of cotton acreage to 25 million acres, with probable extension of the plan into 1935.

Cotton farmers will probably be easy to talk to about controlling production next year and the year following. They should be. Leaders in the Cotton Belt are unanimous in the opinion that had it not been for the cotton adjustment program this summer, utter chaos would have resulted in the South this fall. The harvest of an indicated crop of 16 million bales and piling it upon a carry-over of over 11 million bales would no doubt have resulted in the lowest prices in cotton history—if indeed it could have been sold at any figure.

But the 1933 cotton program was not and should not be considered as an isolated, one-year piece of work. The framers of the program have no such idea. They were looking ahead, even while apparently concerned only in securing the consent of cotton farmers for the immediate crop. Adjustment of the cotton production program MUST continue or the cotton farmer will be right back where he has been so long, flat on his back.

The cotton farmers of the South have a new conception of what united action can accomplish for them. Their confidence in the wisdom and sincerity of purpose of Henry A. Wallace, secretary of agriculture, and his staff of practical farmers and economists is growing. It is reasonable to believe that they will follow his leadership and unite again in a great production control plan.

Don't get impatient when "central" doesn't answer quickly. She's probably at the other end of the switchboard, answering another subscriber.

ON THE CARPET AGAIN

Testimony now being taken by the Senate investigation committee at Austin is developing aspects that, to say the least of it, look very queer. The former president of the Ferguson Forum told the committee about Jim Ferguson's record in large amounts to him for deposit in a bank to certain accounts, the currency amounting to over \$22,000 during the period from last January to last August.

The currency may have come from a perfectly legitimate source, but Texans who are familiar with Jim Ferguson's record in the past are doing their own thinking about the things that are now being aired.

The relief and rehabilitation fund which seems to be under the control of Jim Ferguson, who presides over the commission of which he is not a member and who acts for Col. Westbrook without the latter's knowledge, is a real "fiend" for raiders. The goings-on at Austin will not reflect credit on any local committees which are being named by "governor" Jim Ferguson to distribute the undistributed relief funds.

Texans are watching the proceedings of the Senate investigating committee with keen interest in the hope that their desire to afford relief where it is needed will not offer opportunity for successful theft of the money, nor even for excessive overhead costs in distributing it.

The chap who asked for exemption from paying an income tax because he had fallen arches reminds us of the fellow who stopped going to church because the electric lights were taken off the wall and suspended from the ceiling.

Many people admit that honesty is the best policy but the sad commentary is that it often takes an inquiry to make them realize it.

Library Notes

By MRS. C. A. BURTON

May Life be too sheltered? Does the affection of loved ones often form a prison within which people chafe and pine for freedom instead of a shelter which brings happiness in protection?

Ellen Glasgow in her latest book, "The Sheltered Life," gives much food for thought along these lines. Her dedication is significant—"For Arthur Graham Glasgow, whose affection is a shelter without walls." As we think of it we realize that affection is often all walls, both shutting in and shutting out. Part one is "The age of Make-Believe—and introduces Jenny Blair Archbold who, even at the age of five, makes believe that disagreeable things are otherwise, as she sings to herself in the sheer joy of living, "I'm alive, alive, alive, and I'm Jenny Blair Archbold." But personal identity and the joy of living have failed to comfort young Aunt Ishabella who is just now heart broken over the defection of her love, or Aunt Etta who is the family invalid—and enjoys it—but still making believe that she doesn't. Then there is beautiful Eva Birdsong who, a dozen years be-

fore had fallen passionately in love with handsome George Birdsong, and to whom keeping up appearances has become second nature. He adores and idealizes her and life for her is one long effort to live up to his idealization and make herself believe that she is happy, for while he adores her he is flagrantly unfaithful to her. But the most striking figure is General Archbold. "At seventy-five he was a tall, spare, very erect old man, with features carved into nobility by tragic experience. Beneath the thick silver-grey the eyebrows were still dark, the eagle nose was still betrayed by the sensitive mouth under the short gray mustache. Only his eyes, with their forward gaze, were the eyes of a man who had been born out of his time. The clock was set too far back, or perhaps, too far ahead." For thirty years he had been a good husband to a woman he had married because circumstances compelled the marriage, and he had been faithful to her because faithfulness was his code, and he could not have been otherwise after his wife's death, in his old age, he longed to marry again, to seek his own brief hour of delight, but his desire was frustrated by his son's widow, a woman born to direct other people's lives, Jenny Blair's mother. She exhorted the small daughter, "Never forget this, if you take care of your character, your face will

take care of itself." Artlessly the child answered, "But it doesn't, Mamma. It really doesn't." When Jenny Blair saw her girl friend's mother she always thought of a "Confederate flag in the rain."

Part Second is brief—The Deep past. It is the General in a reminiscent mood. He is eighty-three now—he had been a good citizen. A successful lawyer, a faithful husband, an indulgent father; he had been, indeed, everything but himself. With a poignant intensity he lives his life over again and questions, "Why and what is human personality?" So understandingly do you go with him through this reverie that you find yourself lost in wonder at the author's art. Part Third is the Illusion. Jenny Blair has grown up and she and her grandfather are much together, yet always as far apart as youth and age must always be. He has discovered that "no spot on earth contains the natural resources of happiness; that life ceases to be complex as soon as one escapes from the tangle of personalities."

(Continued Next Week)

He was at the fountain-counter making a purchase. "You see," he said, "I am buying this for my wife."

"A surprise, eh?"
"I'll say so. She is expecting a Packard."

SUNNY VIEW
By Mrs. A. M. Lanham

Things are very quite out this way this Monday morning as most every one is in the cotton patch.

Mrs. J. H. Roberts and daughter Mrs. Luther Butler of Lelia Lake spent Tuesday visiting with Mrs. Millard Starks.

Friends of Maurice Patton of California, who was a school boy here a few years ago, and a brother of Mrs. Heckle Starks, will be interested in learning that he was married on the 8th day of August to Miss Marjorie Appleton. They spent their honeymoon in Long Beach and are now at home to their friends at Bellemont, Calif. All join in wishing them many happy years together.

Mr. and Mrs. Jack Bailey and children were supper guests of Mr. and Mrs. A. M. Lanham Friday night.

Mrs. Claude Gambin and Billie Dean called on Mrs. R. A. Brame Thursday afternoon.

Mr. and Mrs. T. T. Waggoner and family of Claude, spent Sunday with Mr. and Mrs. F. L. Behrens.

Mr. and Mrs. Luther Butler and Jimmie Lee and Mrs. J. H. Roberts were dinner guests of Mr. and Mrs. Sam Roberts Sunday.

Mr. and Mrs. Neal Bogard and family of Hudgins and Mr. and Mrs. Heckle Starks spent Sunday with their parents, Mr. and Mrs. Millard Starks.

Misses Pauline and Mildred Brame spent the week-end at Goldston with their sisters, Mrs. Sam Dale and Mrs. Roy Morgan.

The ladies out this way are kept very busy canning peas, beans, corn, and tomatoes.

We all enjoyed the school news very much, let us hear from the correspondents every week.

Revs. B. N. Shepherd and Douglas Carver were pleasant callers in the Lanham home Wednesday evening.

Junior Brame spent Sunday with Darrell Bailey of Martin.

A STRANGLING EFFORT
Visitor: "What do you think of capital punishment as a crime?"
Warden: "Well, none of the men we ever hung has been deterrent?"

TWO-THIRDS FOR THE LORD

"Thanks very much," said the vicar, as little Tommy handed up his offering for the harvest festival. "I must call around this afternoon and thank your mother, for these eight beautiful apples."
"P-p-please, sir," stammered Tommy, "Would you m-m-mind thanking her for t-twelve apples?"

Beauty is short-lived; the most beautiful thing God ever made was the Day, which lives but twenty-four hours.

NAYLOR

DEEPER AND DEEPER

She was the kind of woman who could be relied upon to say the wrong thing wherever she was. At a recent dinner she turned to her neighbor and said:

"Doctor, can you tell me who that terrible looking man is over there?"

"I can," replied the medical man. "That is my brother."

There was an awkward pause while the woman racked her brain for something to say. The doctor

was enjoying her discomfiture. "Oh, I beg your pardon," she stammered, blushing. "How silly of me not to have seen the resemblance."

We read again that a Bostonian was showing a visiting Briton around.

"This is Bunker Hill monument -here Warren fell, you know."

The visitor surveyed the lofty shaft thoughtfully, and then said: "Nasty fall! Killed him of course?"

Mrs. Susan Ashley Called By Death

The Ashtola community was saddened last Monday when the news spread that "Aunt Susan" Ashley had died. This was the name of love given to Mrs. Susan Caroline Ashley, who died at midnight Sunday night at the home of her daughter, Mrs. H. W. Lovell.

Mrs. Ashley was born Susan Caroline Magill, on August 2, 1849, in the state of Missouri, and came with her parents to Texas in 1858, where she has lived for 75 years, faithfully serving her own and her neighbors since that time. She enlisted in the service of God in her young womanhood and joined the Presbyterian church.

In 1888 she was married to Alexander Campbell Ashley and with him became a member of the Church of Christ, to which she gave herself in loyal and faithful service. She was one of those rare souls whose service of God was not bounded by the church to which she adhered.

To the union formed by her marriage were born nine children, four sons and five daughters. One of the daughters died early, all of the others remaining to mourn her going. They are Mrs. H. W. Lovell, Ashtola, Mrs. E. J. Costen, Brownwood, Mrs. J. H. Burroughs, Lubbock, Mrs. R. H. Arnett, Lamesa, A. A. Ashley, Del Rio, L. H. Ashley, Hermleigh, Rev. Aubrey Ashley, Weinert, B. P. Ashley, San Angelo. The preacher son is pastor of the Methodist church at Weinert.

In the assembly room of the Ashtola school funeral services were conducted by Rev. M. D. King, pastor of the Clarendon circuit, whose discourse was filled with comfort and inspiration. He was assisted by Rev. Leon O. Lewis, a long-time friend of Aunt Susan and her daughter, Mrs. Lovell, and family. A large company gathered to pay the final tribute and follow the body to the grave in the Citizens cemetery in Clarendon, where it rests.

Rural teachers-trustees met at Chamberlain last Friday night. The first Friday night in December will be the time of the five district meetings. District One will meet with Skillet, Whitefish, Watkins, and Glenwood are invited to this district meeting. Principal Joe Baten of Skillet will arrange the program for this meeting. District Two will meet with Goldston, Jericho, Ashtola, and Martin districts are member schools of this district. Principal Gordon Gatewood will arrange for this program.

Principal Bob Dillard will arrange the program at Windy Valley for Hudgins, Chamberlain and Bairfield. Principal Dorothy Elliot of Smith will entertain the Trustees-Teachers of Giles, McKnight, and Bray at Smith School.

Midway Consolidated will arrange the program for Fairview, and Sunnyview. Principal Dennis Smith will prepare this program. It has been suggested that every district have its own practice meet for the Interscholastic League events. In this manner we can develop more finished products for the Rural meet. There is no reason why our Rural schools should not develop debaters who could win in both District and Regional contests. Our material for declaimers, essay writers and other literary events is as good as can be found, if we will start early enough to develop them. Let's make our Interscholastic League meet this year a success. If we can have early school contests in the county, then district contests our entries will have had enough practice to give them a wider experience for the county meet. The Rural Committee for outlining this work will meet some time soon.

A number of the schools of the county have finished their short term and turned out for cotton picking.

A Prin-a-Primer set is available to the intermediate and primary teachers of Donley county. Much extra seat work can be prepared with this set for use in Geography, Arithmetic, History, and English. You may borrow this from the County Superintendent.

State Aid Applications should be mailed in to the State Rural Aid Department as soon as possible. The first half of the Aid will be advanced as soon as Deputy State Supt. John Olsen approves the application.

The Donley County Board of Trustees will meet in the County Superintendent's office at 2:00 p. m. Saturday, October 7th. This is a regular meeting of the board. Midway community organized a Sunday school last Sunday afternoon. This is another manner in which the district school serves the people of the community.

BY O. C. WATSON, JR.

Showing that "Determined to win" spirit, the Bronchos battled their way to a 9-0 victory over the Cordell Jr. College. The bully playing of Martin, Behrens, McMann and Word was duly responsible for the Bronchos' victory, however, the Bronchos were lucky in beating Cordell. As to the Bronchos making anything through the line of the Cordell team, it was impossible, but most of the Bronchos gains was due to their passes. The opposing team out-weighted the Bronchos "56" pounds to the man. Much work is being spent by the coaches trying to iron out all of the weakness found in the Bronchos in Friday's game. The offense was unsatisfactory, the timing very poor, the blocking little better and at times confusion of assignments was apparent.

Friday being hot and sultry caused both sides to be sluggish and slow. For real football playing the weather must be a bit snappy, of which we hope it will be soon. Most of all of Hutton and Stocking's chargers got a taste of the real thing in Friday's game, as everyone on the squad had a chance to show their football ability. For football material Cordell had everything a team could want, but the main reason for defeat was due to the lack of coaching and training.

As the days roll on we find today is the day when the Bronchos shall battle with the strong team from Chillicothe. Last year Chillicothe tied Olney (1932 Regional champs) 0-0. Olney eliminated McLean 6-0 for the championship. Chillicothe placed three men on the District team. Last Friday they held the class A Vernon Lions 24-0, holding Vernon scoreless the first half. As to how Chillicothe will handle the Bronchos is to be seen in today's game.

To the surprise of all was that of McLean holding the powerful Pampa Harvesters to a 6-6 tie. The Bronchos meet the McLean Tigers October 20, on the local gridiron, everyone is looking forward to this game with great eagerness. Memphis handed the Esteline Cubs a 24-6 defeat and the Wellington Skyrockets nosed out Groom 18-6.

A most surprising upset in southwest conference football last week was that of the North Texas State Teachers College of Denton downing S. M. U. 7-0. S. M. U. meets Texas Tech at Lubbock tomorrow at Lubbock. The Sputter will predict Tech to win 13-7.

The many friends of Bill Greene and Lloyd Benson, will be glad to know that both are playing on New Mexico Military Institute regular squad. Last Saturday the institute beat the El Paso National Guards 27-0.

Here is the Bronchos' official schedule for 1933:

- September 28—Chillicothe at Clarendon.
- October 6—Turkey at Clarendon (tentative)
- October 13—Wellington at Wellington.
- October 20—McLean at Clarendon.
- October 27—Shamrock at Shamrock.
- November 3—Borger at Borger
- November 11—Memphis at Clarendon.

CLARENDON DAY ATTRACTS MANY TO AMARILLO FAIR

Clarendon was so well represented on the official Clarendon Day at the Tri-State Fair at Amarillo that it can be truthfully said there was "nothin' doin'" in Clarendon Wednesday. No accurate count could be obtained but a large number of automobiles, filled with local people, headed toward Amarillo and a day's pleasure.

Many of them stayed over to enjoy the donkey baseball game between Clarendon and Memphis, which was attended by a crowd that filled the grandstand.

STATEMENT OF THE OWNERSHIP, Management, Circulation, Etc., Required by the Act of Congress of August 1912, of The Clarendon News published weekly at Clarendon, Texas on October 1, 1933.

JUST A DOZEN YEARS AGO

Interesting news and personal mention, as published in The Clarendon News just a dozen years ago this week.

Goldston was announced as winner of first community exhibit at the Donley County fair, Lelia Lake a close second, Windy Valley, Giles and Martin taking third, fourth and fifth.

Military funerals were held over the bodies of Juddie Dingler and Roy Boswell, who were killed in the World War. They received machine gun wounds in an attack on the enemy at Blanc Mont and St. Etienne on Oct. 7, 1918, and were taken to a Red Cross hospital in Paris where they died on Oct. 11.

Col. and Mrs. Chas. Goodnight, of Goodnight, attended the funeral services of Mrs. Cornelia Adair.

Dr. Guy Strickland and Jim Adams became Shippers at Amarillo on Sept. 24, 1921. Other Shriners who attended the Fall Ceremonial were Harry Sitner,

J. H. Rutherford, R. H. Beville, Jesse Grimes, John Clark, Joe Goldston, W. K. Davis, Chas. Bugbee, W. P. Cagle, Henry Youngblood, M. T. Crabtree and John Hunt.

The Clarendon News advertised for sale its six H.P. gasoline engine, used for a time to supply power for the printing plant.

Pastime Theatre announced a reduction of regular admission prices from 15 and 30 cents to 10 and 25 cents.

The Albert C. Fisher revival of the Methodist church closed, with over 300 conversions and reclamations reported by the pastor, Rev. C. N. N. Ferguson, who was closing his third year here as pastor.

Owen Dunkle received notice of his appointment as county agent for Gray county. He was trained for the work at Texas A. & M., took his examination in July and received the appointment the following September. His practical farm experience was obtained on his own farm in Donley county.

The first annual reunion of World War veterans was announced to be held at Amarillo on Friday, Nov. 11, 1921.

Pathfinder Club Opens Social Year With Wedding

One of the most outstanding social events of the season was the wedding of Miss New Pathfinder (Mrs. J. R. Porter) to Mr. Old Pathfinder (Mrs. U. J. Boston) in the beautiful garden of the Sella Gentry home on Friday afternoon, at five o'clock. The impressive ceremony, the Club Collect, was read by Mrs. H. T. Burton, as preacher.

Mrs. J. L. McMurtry sang "I Love You Truly," as a pre-nuptial solo, with Mrs. Allen Bryan accompanying, and Mrs. Bryan played the bridal chorus from "Lohengrin" as the processional and Mendelssohn's wedding march was the recessional.

The bride who entered on the arm of her father (Mrs. Eva Draffen), who gave her in marriage, was lovely in her long lace over ivory satin gown. Her veil was caught at each side with tiny rosettes -- she carried a white prayer book.

Mrs. E. P. Shelton was matron-of-honor and wore a gown of figured chiffon. She carried an arm bouquet of garden flowers. The eight bridesmaids, Mrs. Simmons, Powell, Mrs. Carroll Knopp, Mrs. Joe Goldston, Mrs. J. W. Evans, Mrs. C. T. McMurtry, Mrs. Claude McGowan, Mrs. W. A. Clark, Jr., and Mrs. R. E. Duenna, wore printed chiffons of colorful pastels and carried garden bouquets.

The little flower girls who wore knee length dresses of organdie and hair ribbons, scattered rose petals in the path of the bride. They were Mrs. C. G. Stricklin, Miss Marie Thornton, Mrs. Joe Cluck, and Mrs. Fred Rathjen.

Just preceding the bride was the adorable little ring-bearer (Mrs. Tom Goldston) who was attired in an Eton suit and carried the ring on a white satin pillow.

The bridal party came from the front door of the house and were met at the altar by the groom and the best man (Mrs. Fred Buntin), who were attired in white flannels and blue coats.

Following the ceremony, a reception was held and best wishes extended to the young couple. During the reception, Misses Delohia Bones, Elizabeth Kemp and Joyce Link played several selections.

Mrs. Sella Gentry, Mrs. J. T. Patman, and Mrs. J. G. Sherman were hostesses to the event.

Williams—Brooks

The marriage of Miss Isabelle Brooks and Cecil Howard Williams of Lakeview, Texas was solemnized Sunday afternoon, at the courthouse, with Judge S. W. Love officiating.

They were accompanied by friends from Lakeview, where they will make their home.

1912 Needle Club

The members of the 1912 Needle Club and invited guests met in the D. O. Stallings home Thursday afternoon, with Mrs. A. A. Mayes, hostess.

The rooms where the guests were seated were attractive with colorful autumn flowers, which added much to the afternoon's entertainment. Fancy needle work and pleasant conversation made the hours speed -- until an ice course was served to:

Mrs. Fred A. Story, Mrs. Gussie Strickland, Mrs. D. O. Stallings, and Mrs. Will Attebury of Amarillo, guests.

Mrs. J. T. Patman, Mrs. W. H. Martin, Mrs. A. L. Chase, Mrs. A. R. Letts, Mrs. C. W. Taylor, Mrs. Anna Hall, Mrs. J. B. Baird, Mrs. L. S. Bagby, Mrs. Sella Gentry, Mrs. B. L. Jenkins Sr., Mrs. Minnie Dyer, and Mrs. R. A. Chamberlain, club members.

Mrs. C. E. Bairfield Entertains Friends

Mrs. C. E. Bairfield was charming hostess to a group of her friends from Miami, Texas Friday afternoon, at her ranch home near Clarendon.

At the noon hour a delicious luncheon was served, following which games of bridge were played until the late afternoon.

To enjoy this hospitality were Miss Lucile Saxon, Mrs. D. I. Barnett, Mrs. Dallas George, Mrs. Karl Certain, Mrs. S. W. Corbin, Mrs. E. H. Clark, and Mrs. George Philpott of Miami.

Neil Bogard is driving a new truck and is optimistic over the future with his crop prospects.

Miss Latrice Benson Honored With Buffet Supper

Society has been paying its debt of friendship to the latest bride-elect and one of the lovely affairs was a buffet supper Tuesday evening given by Mrs. Meade Haile, at her home, for Miss LaTrice Benson, whose marriage to Mr. Houston (Buss) Bell will be an event of October 1st.

The affair was quite informal though extremely enjoyable.

Besides the honoree, Miss Benson, those present included Misses Elgin Patrick, Wyfa Lee Alexander, Lois Alexander, Betty Walker, Julia Mae Caraway, and Mesdames Tom Murphy and Joe Bounds.

Mr. and Mrs. Story Complimented

Wholly informal but truly delightful was the party given Friday evening in the basement of the Methodist Church, honoring Mr. and Mrs. Fred A. Story who will leave Friday to make their home in Childress, Mrs. J. L. McMurtry and Mrs. Sam M. Braswell were hostesses to this lovely affair.

Following choir practice, the guests were invited to the basement for the surprise party. By drawing numbers different groups were selected, after which each group pantomimed the song it sang. This added much to the merriment of the party.

Later an ice course was served. Upon departure the guests expressed their regret that Mr. and Mrs. Story were leaving Clarendon and wished them every success in their new location.

Friday Bridge Club

Among the many attractive social events of the past week was the entertaining of the Friday Bridge Club and several guests by Mrs. Charlie Trent on Friday afternoon, at her home.

Auction bridge was played throughout the afternoon, with Miss Lorraine Patrick being awarded the high score prize, at the completion of the games.

A delectable salad course was served by the hostess. Attending were Miss Mary Cooke, Miss Lorraine Patrick, Mrs. Earl Alexander, Mrs. Kelly Chamberlain, Mrs. Richard Bell, Mrs. J. E. Teer, and Mrs. Fred Wewerka of El Reno, Oklahoma, invited guests.

Miss Mildred Martin, Mrs. Forest Sawyer, Mrs. Frank Stocking, Mrs. Floyd Lumpkin, and Mrs. Forest Taylor, club members.

O. C. Watson was called to Hobart, Okla., last Saturday by the death of his brother's wife, Mrs. J. E. Watson, 48 years old. She is survived by her husband and two daughters, 14 and 20 years of age.

Homer Bones Marries Miss Viola Shakleford

The many friends of Homer Bones and Miss Viola Shakleford will be pleased to learn of their marriage Sunday afternoon. The ceremony was performed at the home of the bride's parents, Mr. and Mrs. W. F. Shakleford at Canyon, Texas.

Mrs. Bones is well known in Clarendon, having been employed at Mitchell Beauty Shop and Greene Beauty Shop. For the past few months she has been working at a beauty shop in Memphis.

The groom is the son of Mr. and Mrs. L. F. Bones and has spent the major part of his life in Clarendon. He is connected with the Palmer Motor Company.

The young couple will make their home here and have the best wishes of the entire community.

Legion Auxiliary Elects Officers

The American Legion Auxiliary met in the home of Mrs. Clyde Douglas, Sept. 18th, with Mrs. O. L. Fink as joint hostess.

The meeting was the last one of the auxiliary year. Under the able leadership of Mrs. Barcus Antrobus, the Auxiliary has had a most successful year and has responded to every call of the Department of Texas for the Child-Welfare and Rehabilitation program.

In 1928, the Auxiliary set as a goal the erection of a memorial to the Donley County boys who gave their lives in the World War, and a building fund was started then for that purpose. The Auxiliary entertains strong hopes of eventual realization of this goal, and has steadily accumulated a substantial fund for the purpose, which is invested in sound securities.

New officers will take their places in October and are: Mrs. James Trent, president; Mrs. Van Allen Kent, 1st vice-president; Mrs. O. L. Fink, 2nd vice-president; Mrs. L. L. Swan, secretary and treasurer; Mrs. John Clark, chaplain; Mrs. L. S. Bagby, historian; Mrs. R. Y. King, sergeant-at-arms; Mesdames Barcus Antrobus, C. G. Stricklin, and Clyde Douglas were elected members of the board.

A forty-two party will be sponsored by the group and will be held at the Woman's Club room, Friday evening, September 29th, beginning at eight o'clock.

B. & P. W. Club Have Picnic

With Katherine Stark and Rhoda Wiedman as hostesses, the Clarendon Business and Professional Woman's Club enjoyed a picnic at the river, Tuesday evening.

Ruth Teat was leader and planned all the games etc. Gwendolyn Couch has been appointed Chairwoman of the Membership Committee.

Among those attending were Mary Alice Jay, Helen, Rhoda, and Julia Wiedman, Mildred Martin, Fannie Perry, Carrie Davis, Beatrice Antrobus, Ruth Teat, Mae Shaver, Gwendolyn Couch, Norma Rhode, and Katherine Stark.

Camp Fire Troops Meet

The Kieuwa Troop met in regular session Wednesday at its club room.

Emma Ruth Burkett and Margaret Crisp were welcomed in as new members, and will be initiated in the next meeting.

A hay ride is being planned for next week and is eagerly being looked forward to.

The Third Troop of Camp Fire Girls met at the College dormitory, with its guardian, Miss Frances Choate in charge of the meeting.

Plans were made for each of the girls to take rank at Council Fire, which is to be held Christmas. Since Miss Choate is leaving, an assistant guardian was voted on. The meeting adjourned with the singing of a song.

Mrs. Huffstutler Is Hostess

The Chamberlain Home Demonstration Club was entertained in the home of Mrs. Alfred Huffstutler, Thursday afternoon, with twelve members and one visitor present.

The lesson for the afternoon was Crystallizing Fruits and proved very interesting. During the social hour delicious refreshments were served.

Mrs. O. B. Rappy will be hostess to the next meeting of the club on Thursday, October 19th.

Bartlett to Change Grocery Store Front

Remodelling of the front of the Bartlett "cash-carry" grocery store will begin next Monday morning, according to an announcement by J. Roy Bartlett, owner of the store. The work will be done under the supervision of Ed Barnes, contractor.

The present arrangement of triple doors, with show windows on either side, will be replaced by a strictly "straight-front" arrangement, the single door and all plate glass being on a line with the sidewalk itself. The door will be approximately half-way between the south corner of the store room and the center front.

Mr. Bartlett will display fruits and vegetables along the plate glass front which will show it to passersby to much better advantage. The new plans will also add materially to the available floor space. "It is an improvement which I have had in mind ever since I opened the store in January," Mr. Bartlett said.

"What's the idea of all the crowd at the church?" "There's a traveling salesman down there confessing his sins."

Removal Specials at Clifford & Ray's

To focus attention on their removal to a new location next week, the Clifford & Ray grocery store is using a half-page ad this week.

They will move early next week, as soon as the renovation of the interior has been completed, to the building next door, south, to the Silver Mint store. As their big ad states, the new location will be more convenient for easy shopping and they believe that their customers will be pleased by the change. They hope, also, to see many new faces in their store.

Clifford & Ray have occupied their present location for the past ten years or more, and have built up a large customer list. They are exclusive dealers in Clarendon for the high-class and nationally known Monarch line of quality foods, features each week in their advertising. Many of these items will be found in their big Removal Specials advertisement.

They expect to occupy their new quarters about the middle of next week, where they will be glad to have the people of Donley county visit them.

License Plates for 1934 Have Arrived

Automobile license plates for 1934, have been received by County Tax Collector M. W. Mosley. About the same size as the 1933 plates, they have an orange background with black letters and figures.

The new plates can not be issued before Dec. 1, according to Mr. Mosley. The registration fee for 1934 will probably be less than in previous years, but Mr. Mosley states that no instructions as to calculating the fees have been received as yet.

Local Ginnings Pass 700 Mark

Total ginnings of 723 bales were reported today by the Clarendon, Lella Lake and Ashtola gins.

The Fitzgerald gin reported 195 bales, the Clarendon gin 143 bales, the Lella Lake gin 219 bales and the Ashtola gin 166 bales.

The best cotton was bringing 9.30 cents per pound on the Clarendon market.

NOTED ARTIST PAINTS FORMER CLARENDON GIRL

Howard Chandler Christy, famous American artist, recently completed a painting for an NRA poster, for which he chose as his subject the former Miss Lila E. McClelland, daughter of Mr. and Mrs. J. B. McClelland, and now Mrs. Henry Dodge of Scarsdale, N. Y.

Mrs. Dodge presented the painting personally to President Roosevelt at the White House and he was most appreciative and enthusiastic. She has been actively campaigning for the NRA over the radio under the direction of Mr. Charlton, head of the department of speakers over New York radio broadcasting stations.

She will be remembered for her activities during the World War in both Red Cross and Liberty Loan work, and her outstanding work then, as now, was given prominent recognition. During the recent big NRA celebration in New York she was given a place on the platform for prominent speakers, celebrities and guests during the day, and attended the banquet given that night in honor of Gen. Hugh S. Johnson, head of the National Recovery Administration.

GAMBLIN ANNOUNCES OPENING NEW LOCATION

C. R. Gamblin, local distributor of the Panhandle Refining company announces the opening of his new service station next Saturday, Sept. 30th.

The Panhandle company recently closed a five-year lease on the corner east of the Holland Bros. service station, the owners of the building remodeling it for a drive-in station.

Mr. Gamblin has been well pleased with the volume of business which he has built up since taking the Panhandle agency here a few months ago, and states that the move to the new location is expected to further increase the volume of business done. He invites his customers and all owners of automobiles and trucks to drive into the new station on and after next Saturday.

ON LOYALTY

Loyalty to the school means more than just loyalty to the foot ball team. Of course, we all believe in backing our own team and believe it is the best to be found, but are we really loyal to our school?

When school started this fall, the building was cleaner and the campus more beautiful than ever before. If we are loyal to our school, will we not try to preserve what has been done to improve the school? If we are loyal to our school, will we write on the walls and cut across the campus?

There is another feature that could be discussed to a great extent. Show your loyalty to the school by the way you treat the books which have been placed in the library for your use.

If you have so much of the boasted loyalty, then show a little of it and back the faculty in anything that they undertake to do no matter if it is not the most pleasant thing in the world for you.

Be loyal to the team always. Back them in every game. But while you are backing your team, remember that there are some other things just as important. When you are loyal to the faculty and when you treat the school as if you were a part of it, you have truly succeeded in being loyal to your school.

Concert puffs a man up but no one was ever able to stay up very long on air alone.

Palo Duro Literary Society

The Palo Duro Literary Society held its weekly meeting Wednesday, September 20, in the Society room.

The new president, Alfred McMurry, called the meeting to order. The Secretary called the roll and read the minutes of the last meeting. The constitution was read and discussed for the benefit of the new members who were admitted to the Society.

After the business had been disposed of, the president continued the meeting with the program which consisted of "Return of 3.2 Beer" by Johnny Blocker; "Report on the World's Fair" by Jean Bourland; Vocal solos by Bill Word; "The NRA" by Drew Wilkerson.

Old members of the Society were pleased to have the following new members added to their roll: Vera Noland, Marjorie White, Jo Ella Stewart, and Hollis Leathers.

Rhodie Chase was a guest of the Society.

PLANS UNDERWAY FOR HIGH SCHOOL ORCHESTRA

For the first time in several years, Clarendon High school is going to have a musical organization. This is to be an orchestra, to help create a musical spirit in the school. When there is music there is joy, and where there is joy the students of the school enjoy socials and pep rallies. This orchestra is to be organized and directed by a student of the high school department and will be composed of students of high school and college. More about the organization will be given at a later date.

Carol Holder spent Monday afternoon in Pampa.

Cleo West of McLean visited Genella Eldridge over the weekend.

Kenneth Brown made a business trip to Lubbock Friday.

Andrew Harp and Paul Greene went to Amarillo Saturday.

Nell Cooke spent the week-end with Grace Hardy of Ashtola.

Madalyn Taylor spent the week-end with her parents at Lelia Lake.

Mrs. W. A. Clark, Jr., went to the Tri-State Fair last Monday afternoon.

Roy Stargel O. C. Watson, J. R. Bartlett, and Heavy Whitlock spent Sunday in Amarillo.

Bill Word and Miss Howren drove to Silverton Sunday.

George Chamberlain reports that he spent a quiet week-end at home with the family.

Alpha Delta Psi Literary Society

Nineteen faithful persons assembled to carry on the Alpha Delta Psi entertainment Wednesday evening, September 20. The number present was much less than that of the first meeting, and we urge everyone to come back. Two new members were introduced and welcomed into the Society.

Helen Rodgers brought her negro dolly to the meeting and entertained us with a reading about his measles. Louise Smith played a current popular song in which every one was interested, "Why We Are In College" as discussed by Wanda Mayfield. Other members were listed on the program, but due to someone's absence and others' failure of preparation, these were deferred until next time. Mr. Jackson has been persuaded by Mr. Burton to take his place as our sponsor, and he gave us an interesting account of his experiences in College. He also gave his opinion of those who are striving to maintain this worthy organization, the Alpha Delta Psi.

The annual play that will be presented soon was discussed. Our sponsor has had instruction and experience in directing plays, and he will begin immediately on "Thrown Out of College" with a cast from members of the club.

A motion was made that there be a round-table discussion on the various reasons why we attend Clarendon College. Seven are getting the fundamentals of business administration careers, others plan to be teachers, nurses, journalists, lawyers, engineers, and some are going just for the association with friends.

President Brown read the program for the next meeting, and a hasty adjournment followed. Any visitors and all college students are sincerely invited to attend our sessions held each Wednesday night.

SOPHOMORE REPORT

The Sophomores met Monday at 12:45 in the Sophomore room. The object of the meeting was to elect a reporter. Pauline Carlisle was elected. We wish to urge especially those Sophomores who were not present to attend the next meeting.

BRONCHOS WEEK BY WEEK

The Bronchos won the first game of the season Friday with a score of 9 to 0. It was not an easily won victory. The Bronchos had to fight hard for that nine points. The teams were pretty evenly matched due to weight on the Indians' side and training on the Bronchos side. The game was slow and at times sluggish, but this can be attributed to the heat, to the fact that many of the Bronchos were suffering from minor injuries received in scrimmage, and to the fact that the Cordell Indians had been coming out only a week before the game.

The first two points of the Clarendon score of nine was made in the first quarter when a touch-back was made. The other seven points were made late in the fourth quarter. McCrary carried the ball across for a touch-down, and then Word passed to O. C. Watson for the extra point.

The officials of the game were Dick Nichols, referee; Roy Stargel, head-linesman; Fred Bourland, time keeper.

It is hoped that the Bronchos will keep up the good work that they have started, and not allow this first victory to harmfully affect them in any manner.

AGRICULTURE REPORT

The First Year Class in Agriculture for the past week have been studying how to cull chickens. The purpose for culling is to keep the flock up to a standard for the production of eggs. They expect to make a field trip soon, as they know the disqualifications of a laying hen. They are selecting cotton and grain stuffs that are suitable for planting.

The second year class has been studying how to balance a ration for baby beebes as some of the boys and girls are planning, for their projects to fatten some for the Fat Stock Show in March.

The exhibit for Donley County that has been selected by Mr. Bovkin and the Agriculture boys was taken to Amarillo Friday to be put on display for the Tri-State Fair.

SENIOR REPORT

As far as I can see, the Seniors are getting along nicely. A few frowns are seen here and there, but as a whole there are usually smiles, grins, and sometimes one might hear a laugh or two floating around over and through the building. Yes, we Seniors are supposed to be dignified, but there's not one in the fifty-eight that is. But why be dignified; if you are just naturally dignified, that is all right, but if you are not, by all means don't pretend to be; just be what you are, and you will progress wonderfully in this world.

By the way, rumor has it that one of Mr. Stocking's brightest Physics pupils has turned in the little green book with white mingled with the green, so as to tell it from the pupils and with the word PHYSICS on the front of it. It surely looks bad for the rest of us who considered ourselves rather dumb in it, dumb being the only word I can find to express one's feelings in a Physics class.

And now for what this report was supposed to have been about, "THE PICNIC". Yes, the Seniors picnic is to be this coming Friday if the weather conditions are favorable. Let's hope the dew isn't too heavy this time.

School News—Continued From School Page

Honor might be awarded them for their bravery.

I have just discovered why I never made good grades in school. I never acquired the fine art of sitting still, and local authorities agree that this accomplishment is most necessary.

Things I'd do if I had a million: Acquire Morley's new, "Ex Libris Carissimis"; buy Charley Murphy a comb; and buy Mr. Burton a collar pin.

I'm thinking of writing a book called, "The Editor-in-Chief and the Hotel Clerk" or, "He of the Sleek Hair." I have just gobs of material and a budding ignorance to work from.

Something out of the ordinary: a carnival spirit pervaded the town Saturday, and business men's hearts beat faster than they had since '29. Mr. Mulkey, always providing up-to-the-minute entertainment, procured for a midnight preview one of the most risqué comedies ever shown in the fair community.

For an evening's entertainment Katherine Brush's, "Young Man of Manhattan" is one of the best newspaper stories ever written.

PEP SQUAD DANCE GIVEN FOR VICTORIOUS BRONCS

Miss Dorothy Jo Ryan entertained the Pep Squad and Football boys with a dance at her home Friday night. Piano and Radio furnished music for the evening.

COTTON PICKING AND OPERATIONS

(From Junior High) The Junior High had an interesting program Friday afternoon. The student body sang several songs. Rev. Carver from White Deer gave an interesting talk.

There are a good many of the Junior High students staying out of school to pick cotton; we will be glad when the cotton picking season is over so we can have them back with us.

Imogene Endsley, who has had an operation, was taken home Monday evening from the hospital. She is doing nicely. We hope she will be back soon.

Happenings about Jr. High We know it is nice to be remembered with candy and other sweets, but when we see LaVerne Kimbriel out taking strenuous exercises to reduce, we shall not envy her.

Zelda Ruth Nored says she likes the mornin' classes better if she does just get to see J. B. between classes because he isn't at Junior High in the afternoon.

GRAMMATICAL LICENSE DISCUSSED BY STUDENTS

At last, someone has discovered a way by which he can make drastic grammatical errors in his compositions and still cause no comment from the instructor.

J. R. Bartlett asked Miss Headrick if it were not permissible to make mistakes in composition if one had grammatical license. Miss Headrick answered in the affirmative but asked J. R. to produce his license.

Every Clarendon English student now desires a grammatical license. With a license such as this all mistakes fall "within the law." However, if such licenses are secured, the theme racket will be ruined.

JUNIOR REPORT

A group of Juniors decided that it would be a grand idea to have classpins, because then everyone could tell that they were Juniors in Clarendon High School in '33 and '34.

Mondav our president, Mr. Whitlock, put the matter before the class to vote upon. Only a very few voted for the pins therefore if you see a group of people wandering around and you can't tell when they were Juniors or where, it will just be us, the Juniors of 1933.

Pep Rallies Start Thursday With Plenty of Vim, Vigor and Vitality

Well, well, the old spirit of a Pep Rally is coming back. We had a very good Pep Rally last Thursday night. The band was out and so was the team.

COMMERCIAL DEPARTMENT

The enrollment is greater for the commercial department this year than it has ever been before.

Mr. Jackson reports that compared with last year's enrollment, there are over one-half as many enrolled this year. Last year's enrollment in typing shows twenty-seven to the forty-five enrolled this year.

Trades Day—

(Continued From Page One) Texas people. But during the past two years dire necessity has compelled the once "choosy" people to content themselves with the lower grade of merchandise, even though they know that such merchandise is the most expensive in the long run.

And are the merchants glad? West Texas merchants are West Texas merchants because at heart they LIKE to sell good merchandise. They don't like to sell low grade merchandise, but want to sell high quality at as low a price as possible.

will bring prosperity back to decently-paid workers who produce quality merchandise? The cheap, low grade merchandise is necessarily produced by cheap, poorly-paid workers who can create no great demand for goods because they have no buying power. It is something to think about.

The fourth Saturday in Oct., the 28th, will be the next TRADE DAY in Clarendon. Be here for the fun. Watch for the announcement.

Lions Program—

(Continued From Page One) that more intimate knowledge of the aims of Lionism had increased their regard for its work. Joe Goldston stated that a conversation with the father of a crippled child, whom the club was instrumental in enabling to walk normally, had impressed him

more deeply than any other contact with the club's activities.

Ralph Andis said that, while he joined "because the members seemed to want me to, I am really glad now that I am a member of such a fine organization." Joe Holland, after voicing the reasons already given by others, said that he was proud to be identified with the club. Simmons Powell said, "the idea of complete unselfishness which permeates the organization is one of the most noble aspirations of man. The spirit of fellowship makes a strong appeal to me, offering opportunity for development and self-betterment."

Chas Bugbee, also a new Lion, made a very interesting talk on the postal service, in the course of which he emphasized the fact that since receipts alone determine the classification of a postoffice it behooves Clarendon citizens to make every possible use of its facilities in order to maintain its rating as a second class postoffice. Reduction to third class would mean a payroll loss of about \$500 per month, he warned, as well as a lowering of the standard of service.

An especially enjoyable feature of the program was the vocal solo, "Mother Machree," by Rev Douglas Carver of White Deer, accompanied at the piano by Mrs. Carver. He also sang a humorous number which was dedicated to Mayor Cagle. Mr. Carver possesses an excellent baritone voice and his songs were genuinely appreciated by the Lions. He is conducting a revival at the First Baptist church of this city.

Miss Rhoda Wiedman was introduced to the club as a new member. Lion Braswell, who paid high tribute to the excellent service rendered by Miss Dorothy White as accompanist, whose request to be relieved was regretfully granted by the club. Miss Wiedman is herself an accomplished pianist and the club feels itself fortunate to have secured her assistance.

Cal Merchant is in the Northwest Texas hospital in Amarillo for treatment and observation this week. His many friends here wish for him a speedy return to his usual health.

Why Liquid Laxatives are Back in Favor

The public is fast returning to the use of liquid laxatives. People have learned that the properly prepared liquid laxative will bring a perfect movement without any discomfort at the time, or after.

The dose of a liquid laxative can be varied to suit the needs of the individual. The action can thus be regulated. A child is easily given the right dose. And mild liquid laxatives do not irritate the kidneys.

Doctors are generally agreed that senna is the best laxative for everybody. Senna is a natural laxative. It does not drain the system like the cathartics that leave you so thirsty. Dr. Caldwell's Syrup Pepsin is a liquid laxative which relies on senna for its laxative action. It has the average person's bowels as regular as clockwork in a few weeks' time. You can always get Dr. Caldwell's Syrup Pepsin at any drugstore, ready for use. Member N. R. A.
