Hundreds Coming To Meet Here Friday FIRST TRADES DAY SET FOR APRIL 18TH; CIRCULARS DISTRIBUTED

FIRST MONTHLY PROGRAM FULLY WORKED OUT NOW

ABOUT 70 MERCHANTS ALREADY SIGNED UP, MORE TO SIGN UP NEXT WEEK

All set and ready to go! In fact, it is already going strong.

That is, the trades day programs being sponsored by some 75 business houses of the city.

The first of a series of monthly trades days will be held in the city on Wednesday, April 18th, according to announcement by the executive committee in charge. The committee has organized themselves and the merchants into "The Clarendon Trade League." All merchants who signed the agreement are automatically members thereof. Rules and regulations have been printed and distributed. Any merchant who violates any of the rules automatically loses membership.

The NEWS printed several thousand circulars for the committee this week, which are now being broadcast throughout the trading area. A half-page ad for the firms co-operating will be carried in the NEWS next week.

Merchants already have begun work on the program. Full details are given on the circulars.

Miss Mary Jo Chamberlain, who is attending W. T. S. T. C. at Canyon, was home for the week-end.

PATRICK URGES CITIZENS SERVE ON COURT JURY

TALK ONE OF SEVERAL AT LIONS CLUB; SPRING MEET HERE APRIL 5TH

One of the most interesting sessions held in several weeks of the Clarendon Lions Club was held last Tuesday noon when speakers before the group included District Judge A. J. Fires, W. H. Patrick, Rev. Robert C. Campbell of Lubbock and others.

R. E. Drennan introduced Rev. Campbell, who was on the program for the day. The latter is conducting a series of revival services at the First Baptist Church here this week. He is a very fluent speaker. His talk dwelt on the need in America today of "men". He praised Charles Lindbergh as being an outstanding example of manhood at its best. Rev. Campbell is a member of the Lubbock Lions Club.

Judge Fires praised the club for its work along educational and charitable lines, declaring the club "does more for real charity than do the church bodies of today."

Mr. Patrick delivered an appeal to the membership to stand by the courts, urging all citizens to do their duties as citizens by serving when called on by the courts.

"We read where gangland in America has more armed men than both the Army and Navy combined", cited Mr. Patrick. "It seems to me to be very timely that we as citizens take more interest in our courts and stand ready at all times to do our part when called on. We should not claim exemption from jury service under any conditions. That is one reason the situation in our land has come to where it is today. Let us as citizens resolve to stand for law and

ZEKE SEZ

One of the most interesting men we have met since coming to Clarendon is Frank Hardin, well-known farmer and truck man of the county. Mr. Hardin is of the opinion a big majority of the farmers of the county favor the Bankhead bill becoming law. He points out that only one or two of the larger land-owners of the county failed to sign the 1934-35 cotton reduction contract voluntarily. "I believe, as do most of our farmers, that the Bankhead bill would help Donley county cotton growers and would allow an increase in acreage over what has been voluntarily signed up. We also believe it is aimed at big planters of the Coast country who refuse to sign the voluntary agreement and that is right."

This is Easter week—almost. There are just eight days, shopping days, left. Better not let the sandstorms hinder your being in town Saturday to get the choice of new things offered in Clarendon's dry goods stores.

Now comes Rev. W. E. Ferrell to announce his congregation will sponsor a reproduction of a "Seth Parker" program at an early date. The reverend is on the right track—Seth Parker has a following almost as the President. His show ought to draw one of the largest crowds ever seen at a similar performance in Clarendon.

It is interesting to note that District Judge Fires ennobles the chicken. Evidently he is like the old-time Methodist circuit rider—still enjoys a plate of fried chicken. For, his honor says the man who steals a lowly chicken, no matter how worthless the hen may be in dollars and cents, yet that thief is subject to an indictment by the grand jury for

131 Men On CWA Here This Week; Change April 1

Information has been received that, effective April 1st, the CWA will be replaced by a work relief program similar to the old RFC. Each family will be budgeted according to its needs, but no definite instructions have been given as to what arrangements will be made to take care of the needs. Every person employed will be strictly eligible for relief.

Reduction in the CWA quota is being continued as in the past until April 1st when the CWA will be discontinued entirely.

Administrator Baker stated today there are 131 men still on CWA projects for this week.

"Nineteen counties of the Panhandle were taken off the CWA a week ago and put on the old relief program because of droughty conditions in those counties," said Mr. Baker, "but this county will return to that plan on April 1st."

PARDONED CONVICT IN TROUBLE AGAIN

Press dispatches last Friday and Saturday carried the news of Joe A. Dunwoody, convicted and sentenced in court here in 1928 for murder and given 99 years only to be pardoned two years later, had been arrested in New Mexico in connection with the shooting of a night-watchman in a small town out there.

Dunwoody was pardoned by Governor Sterling during the latter's last days in office, according to the record. He had been given 99 years for the fatal shooting of a deputy at Hedley.

FARM LEADERS IN COUNTY FAVOR BANKHEAD BILL

FRANK HARDIN DECLARES 90 PERCENT OF FARMERS WANT BILL AS IT IS

"The quicker the Bankhead bill is made into law, the better off will Donley County farmers be," declares Frank Hardin, well-known farmer of the county. "We believe nothing should be thrown in the way of quick passage of the bill."

Mr. Hardin also predicted that over 90 percent of the farmers in Donley county believe the same about the bill.

County Agent T. R. Brown declared emphatically that "now is the time to pass the Bankhead bill."

"While the West Texas Chamber of Commerce is dickering with protests on certain provisions of the Bankhead bill, delay is being experienced in passing it," he cited. "This protest, to my mind, merely muddies the waters and prevents a quicker passage. This bill, passed as it is, means more to Donley County farmers than is thought or known by the ordinary citizen."

"Nothing at all should be thrown in the way of Congress passing that bill. Delay would only serve to protect certain big farmers who failed to sign the voluntary reduction agreements. Donley County farmers, by far the great percentage of them, signed the voluntary agreements, so why throw anything in the way of quick passage, so far as we are concerned."

McCracken Infant Buried Tuesday

Funeral services for George Dale McCracken, aged 3 months, were held Tuesday afternoon at 2 o'clock at the Citizens Cemetery, with Rev. W. E. Ferrell, officiating.

George Dale was the infant son of Mr. and Mrs. George McCracken of the Goldstone community. From a seizure of whooping cough, pneumonia resulted, causing the baby's death.

The family have the sympathy of the entire community in the loss of the dear child.

Mr. and Mrs. W. C. Stewart had as their guests this past week-end their daughters, Mrs. Frank Simmons of Dallas and Mrs. R. E. Koerner and Mr. Koerner of Pampa.

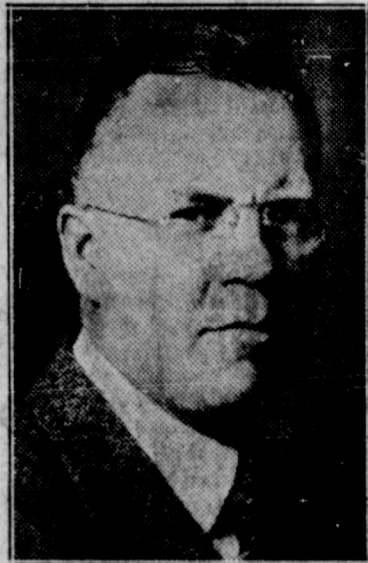

DISTRICT LEADS ENTIRE U. S. IN CROP LOANS PAID

COUNTIES OF COTTE, HALL, COLLINGSWORTH, CHILDRESS, MOTLEY, DONLEY

In the four counties, composing the district under which the crop production loans were paid up in full 100 per cent, according to J. D. Swift, cashier of the Farmers State Bank, member of the loan committee.

"There were 70 loans, representing approximately \$7000, made in Donley County last year on crop production and all of them have been paid in full," says Mr. Swift. "Also we made the highest average in our district of any district in three states, Texas, New Mexico and Arizona. Likewise the district, composed last year of Motley, Cottle, Collingsworth, Childress, Hall and Donley counties, led the

Revival Speaker

DR. R. C. CAMPBELL

Twice daily this week, at the First Baptist Church in Clarendon, Dr. R. C. Campbell, pastor of the First Baptist Church in Lubbock, is delivering inspirational messages in a series of revival services.

The revival continues through Sunday night's service, says Rev. B. N. Shepherd, pastor. An augmented choir has been doing the singing, directed by Mr. Earthman.

Large crowds have attended the services each week day, from 10 to 11 each for food and beginning at 8 at night. The public is cordially invited to these services.

30 ADDED VOICES TO BE USED FOR EASTER CANTATA

METHODIST JUNIOR CHOIR TO SWELL VOLUME OF CHORUSES EASTER

For the first time in joint formal appearance the Senior and Junior Choirs of the First Methodist Church will present a colorful ensemble Easter Sunday evening when they sing Holton's "Life Eternal," one of the powerful and popular Easter Cantatas of modern times.

Plans are being made for handling one of the largest crowds ever to attend this annual presentation of the Methodist Choir on Easter Sunday evening, and as usual all church congregations in this vicinity are invited to attend. Heretofore there have been many here from over the county and weather permitting there will likely be even more on hand this year.

The Junior Choir, under the direction of Mrs. G. L. Boykin, has been growing in understanding and execution for the past three years and today is recognized as the outstanding young people's choir in the Panhandle section. They will join in the great choruses of the work and their appearance in their new vestments will give a new and wider interest to the program.

Detailed program of the evening will appear in next week's issue of The News.

PALMER MOTOR CO. NEW DEALERS FOR FORD, ANNOUNCED

FIRST NEW CARS WILL BE HERE SATURDAY OR MONDAY, IT IS SAID

The Ford sign has returned to Clarendon!

Announcement was made yesterday by Vergil Neal Brown of the Oklahoma City branch of the Ford Motor Company that the Palmer Motor Company of this city has been made Ford dealers for Clarendon and trade territory.

Mr. Brown was here to contact the new dealers. He announced the first shipment of new Fords is on its way now from the Oklahoma City branch and will reach Clarendon by Saturday, or Monday at the latest. The shipment will consist of touring cars, coupes and trucks.

HIGH COURT IS OF SAME MIND AS JUDGE LOWE

DRUNKEN CASE DECISION AFFIRMED AT AUSTIN SATURDAY

News was received here Monday of the action of the Court of Criminal Appeals at Austin in affirming the conviction of N. C. Woods for drunkenness in Judge Sam Lowe's court here last July.

Woods was arrested by Sheriff Guy Pierce after being warned to stay away from a public dance here on the night of July 3rd while in an alleged drunken state. When he refused, the Sheriff arrested him and locked him up.

The case was tried by a jury in Judge Lowe's court and the man found guilty. His attorney then appealed it to the higher courts. The Court of Criminal Appeals is the last court of resort, so the conviction stands.

Woods now will have to pay all court costs, something less than \$200 whereas he could have gotten off last August for about \$25, including costs. He first was tried July 20th on charges of drunkenness in a public place and resisting arrest, but the jury failed to agree. He was tried again on August 25th when he was found guilty and assessed a fine of \$5 and costs, from which decision his attorney appealed to the high court.

Mr. and Mrs. J. H. Burson of Silverton were in town Tuesday attending to business.

Merchants Come To Aid Of Farmer Who Loses All By Fire

The small house occupied by J. Littrell and family burned Tuesday just before noon, entailing a total loss of household goods as well as the house.

The house itself belonged to Lon Rundell.

Mr. and Mrs. Littrell lost everything they had. A committee from the community collected funds from business men in the city Tuesday afternoon and Wednesday morning to help the family through their misfortune.

Business men cheerfully donated to the cause, as they do in all such cases. It is the hometown merchant who helps out in such times, not the mail-order house or the business men in other towns farther away.

Peeping Tom Is Reported By The West End Folks

A "peeping Tom" faces a possible broadside from somebody's shotgun, according to no less an authority than Sheriff Guy Pierce.

"Complaints are being brought to my office every day or two that a peeping Tom is making the rounds of the homes in the west end," he said Tuesday. "It appears this varmit does not take anything but he frightens the folks by peeping into windows and otherwise making his presence obnoxious to the residents of that vicinity."

"Any person with such ideals needs to be stopped without question."

"I have advised the folks in that end of town to use their shotguns and aim them direct at the peeping Tom."

It is believed that peeping Tom is some misguided person who doesn't know and will not understand unless a pot shot is taken in his direction, in the opinion of the authorities.

New Scout Troop Formed Here By Methodist Church

A new Boy Scout Troop for Clarendon has been formed and will be sponsored by the Methodist church of the city, according to announcement by Rev. E. B. Bowen, pastor. The Scout committee includes the pastor, Sam M. Braswell and W. M. Patman.

The scoutmaster will be H. L. Brady. Dr. A. W. Hicks is the assistant scoutmaster. The charter of the troop has been applied for and will be delivered at an early date. The troop will meet regularly in the northwest basement room of the church, the first meeting to be held Sunday afternoon.

Grand Jurors Indict Shoffitt On Two Charges

The grand jury made its preliminary report this afternoon at 2 o'clock and recessed until Wednesday, April 4, when they will return to make their final report for the term.

Six indictments were returned this time, two of which are against G. W. Shoffitt, each charging assault to murder in connection with the recent severe wounding of Deputy Sheriff Guy Wright and attempt on the life of Sheriff Pierce.

Shoffitt has been in jail since his first arrest, not being able to make the \$5000 bond under which he was held.

Names of others indicted will not be made public until after their arrests.

C. L. Bledsoe was indicted for burglary. His bond was set at \$1000.

SUMMER WATER RATES ANNOUNCED THURSDAY

The regular summer water rates, to go into effect on April 1st, were announced yesterday by the city secretary's office as follows:

Minimum, 3000 gallons—\$1.50. Next 2000 gallons at 30 cents. Excess over that, 20 cents.

While here, Mr. Brown also announced a 9-reel film, titled "These 30 Years," will be shown here at an early date. Complimentary tickets to the show will be given at the office of the Palmer Motor Company. This show is said to constitute a very wholesome, full and instructive evening of entertainment.

19 RURAL AND 3 HIGH SCHOOLS IN COMPETITION

ALL EVENTS EXCEPT TWO TO BE STAGED AT COLLEGE FRIDAY, SATURDAY

Hundreds of boys and girls of the county schools will flock into Clarendon tomorrow (Friday) for the annual Interscholastic League meet which lasts two days.

County Sup't. Sloan Baker estimates at least 250 boys and girls will compete in the various literary and track events of the two days from the 19 rural schools and three independent districts of the county.

"All Donley county schools are members of the League," says Mr. Baker. We are not sure that all of them will have representatives here but at least 90 percent or more of them will be here. There are 1140 scholastics in the county, so we know hundreds of them will be here for the two day meet. Winners of this meet and the district meet at Pampa and the regional meet at Canyon will get a 100 percent rebate on expenses to Austin for the State meet."

All events will be staged at the Junior College buildings except playground ball and volleyball which contests will be held at the Junior High school. The big track and field meet will be held Saturday afternoon on the football field, beginning at 1:30.

The News carried the list of directors in all events two weeks ago.

LEGION LEADERS WARN CONDITIONS MUST BE IMPROVED

CROWD OF 75 EX-SERVICE MEN HEAR JUDGE SMITH AND MAJOR SIMPSON

One of the most entertaining, instructive and enthusiastic meetings or assemblies ever held of the American Legion in Clarendon was the occasion of the 15th anniversary banquet, staged on Thursday night of last week at the Antro Hotel.

During the course of a three-hours' program, special services were observed in memory of those boys who lost their lives over there and whose bones today rest beneath the sod in Flanders Fields. This special service, unheralded, began promptly at 9 o'clock, at which hour the regular program was automatically stopped, being resumed 20 minutes later. This was in accordance with an arrangement from headquarters at Indianapolis. The 9 o'clock service was observed by all Legion posts all over the United States.

Another surprise of the evening was the appearance of Major Ethan A. Simpson of Amarillo, one of the charter members of the Aubyn E. Clark post. Post Commander G. L. Boykin turned the job as toastmaster over to Major Simpson. The welcome address was delivered by Charles Trent. Allen Beville of Amarillo also was on hand. He is another charter member of the post here and declared he is transferring his membership back here. Allen Naylor, Sam Pryor and "Lump" Lumpkin were others of the charter members who were introduced.

The principal speaker of the evening, Judge John Lee Smith of Throckmorton, brought one of

THE NEW DEAL SPECIAL TRAIN FROM TEXAS

Carrying a cargo of news of Texas prosperity to the North and the East the Texas Press "Full-House" Special, the New Deal Train, will get underway for a ten day journey in April. The special train will be the most modern equipped steel crack train available running on the fastest schedules.

Sponsored by the Texas Press, and officially sanctioned by the State of Texas, the Capital (Austin to Washington) Special will bear 125 Texans, newspapermen, business executives, and others, to Kansas City, St. Louis, Chicago, Washington, Baltimore, Philadelphia, and New York, where news of the return of prosperity to Texas will be broadcast.

Two primary purposes lie behind the plans for the special, viz: to resell Texas, and its markets and advantages of today and to compliment Franklin Delano Roosevelt, who is leading the nation out of the depression and John Nance Garner, Texas Citizen, Number 1.

Concentration points from which the price of tickets have been figured are Austin, Corsicana, Dallas, Denison, Fort Worth, Galveston, Houston, San Antonio, Tyler, Waco, and Wichita Falls. The price of the tickets range from \$132.25 to \$162.03, according to pullman accommodations desired.

The price of the ticket includes hotel room at the Medina Athletic Club in Chicago; the Powhatan Hotel at Washington; the Ben Franklin at Philadelphia and the Governor Clinton in New York City one night each.

It also includes a return ticket from New York City and payment for the banquet which will be given in Washington honoring President Roosevelt, Vice President Garner and the cabinet.

"The Texas Press 'Full-House' special, is being conducted to Washington on a two fold mission," Mr. Martin said. "The first is to take the message of prosperity return to the North and the East, and the second is to compliment President Roosevelt and his staff on the remarkable job they are doing toward restoring confidence and prosperity.

"Texas has a full house. It has fields full of oil, its gins are full of cotton which is selling at a price higher than in several years; its pantries are full of foodstuffs for the family and its barns are full of feed for livestock.

"We are in good shape, and we want to tell the world about it. The Texas Press feels that now is the time for the world to know about it, and not have to wait for several years more before knowing the advantages of investing in the natural resources of this state."

FARM INCOME RAISES 24 PERCENT

Of general interest to readers of The News is the release of the news that farm income in 1933 was \$1,240,000 greater than in 1932—a jump of 24 per cent.

The chief reason for this, according to the Department of Agriculture press service, were increased prices for crops, and benefit and rental payments by the Agricultural Adjustment Administration. And it should likewise be remembered that the farmer's great allies in raising and stabilizing prices, and in framing governmental farm legislation, were the farm cooperatives.

The co-ops entered 1933 after one of the worst years in agricultural history—a year in which farm income was at the bottom. They went forward courageously and undismayed. They fought the farmer's battles with the middleman—they brought his point of view before the public and won its sympathy—they conferred with governmental officials on all manner of matters directly and indirectly affecting agriculture.

The cooperatives deserve a world of credit. They did much in 1933. And now, with the new year well started, they are going on to greater, more permanent achievement.

TRADES DAY, APRIL 18TH

The first of the present series of Trades Days in Clarendon will be staged Wednesday, April 18th, and the whole countryside is being reached through newspaper advertisements and circulars, which guarantees one of the largest crowds brought to Clarendon in many months.

A new feature of entertainment will be provided in the afternoon before the whole crowd which will mean cash in hand to many and a general good time to all.

Mark your calendar for April 18th, and trade with the merchants whose names appear on the ad and circular. You'll get real values in merchandise and tickets to the entertainment which will be provided.

INTEREST MOUNTS IN SCOUTING

Those who love boys and who have a thoughtful interest in their welfare, looking to the citizenship of tomorrow, are happy over the growing interest in Scouting in this community.

This week a new troop was sponsored, with the possibility of still another, and there is a movement in the making that will likely provide a Scouting camp and playground for all Scouts of this community.

Interest in Scouting means an interest in the future welfare of the nation as well as the peace and progress of this community.

NON-INTOXICATING, HUH?

The police department of Dallas reported more arrests for drunkenness in January, 1934, than in any other month in the history of the department. This fact is enough to make sober people do some serious thinking. Beer is proclaimed non-intoxicating. Such a proclamation is believed by idiots. There is a fight ahead of us just like the one which some of us went through thirty-five years ago. We who are older are wondering if the new generation of preachers and civic leaders have the courage and stamina to win the needed victory for humanity. Thank God some younger men are showing themselves to be worthy. —Baptist Standard.

MARRYING PUBLIC OFFICE

Texans ought not to need to be reminded that marrying into public office is unsound and holds the seeds of countless governmental ills.

Now there has arisen another form of entry into public office through the bonds of matrimony that deserves the condemnation of all thinking citizens who stand for better government and fitness in office. We refer to the habit of some county courts who on the death of some official fall before unthinking expressions of sympathy, and by hurried action name the widow to fill out the unexpired term of her husband.

Not a word can be said against full sympathy for bereft widows, but where public service is concerned, and where the interest of government demands fitness in office, the courts fail when they allow such pressure to lead them into appointments the vast majority of which cannot but cost the people in service and efficiency.

Let's abolish entrance into public office through matrimony, regardless of husband, wife, widow, grass or sod.

The forecast by the eminent scientist that there will be no children in the United States in 1970 indicates that the problem of financing the public schools will finally be solved.—Dallas Times-Herald.

A preacher in talking about church collections said the great trouble was that folks gave according to their meanness instead of their means.—Marshall News.

The desire to go "back to the soil" here in Texas is not always accompanied by a willingness to go back to the toil.—Tyler Courier-Times.

When You Discuss Electrical Appliances

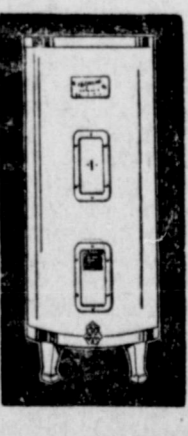

What are the most important operations of your home?

Modern homemakers all agree on these!

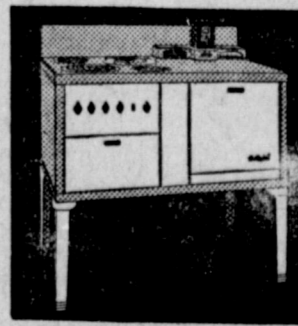

REFRIGERATION . . . You need constant refrigeration the year round, and you will enjoy the money-saving, health-guarding superiority of electrical refrigeration.

WATER HEATING . . . You need hot water many times each day. The modern electric water heater gives you a surplus of hot water, and for good measure adds safety, cleanliness, health, dependability, comfort and convenience.

COOKERY . . . Nothing so important. This inexpensive "Electric Cook" is worth immediate investigation. Electric cookery is simple—yet accurate, clean and economical.

LAUNDRY . . . Very necessary—but dreaded each week. Enjoy a "happy" washday by installing a combination washer and ironer. Cut washday to a fraction of the time usually required the old way.

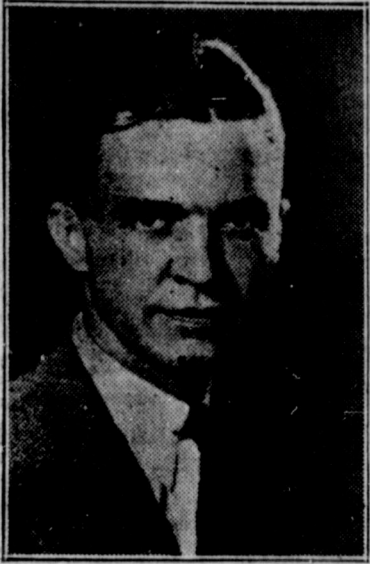

THESE WILLING, INEXPENSIVE SERVANTS—the electric range, refrigerator, water heater, and washer and ironer—will improve your home by doing your work better, and save time, health, money and clothes. Don't consider these modern and efficient automatic electrical servants as longed for luxuries! . . . They are all dividend-paying necessities. They pay for themselves. Take advantage of these appliances at our convenient terms and prices—and take advantage of the lower step in electric rates. A representative will be glad to call and discuss them with you.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule . . . and operating costs amount to but a few pennies a week?

West Texas Utilities Company

TO THE VOTERS OF THE 122 LEGISLATIVE DISTRICT:

In announcing my candidacy for the office of State Representative from this district I pledge first, my undivided interest to matters which pertain to the welfare of this district. Regardless of what other sections of the State do or attempt to do, my primary interest shall be devoted

EUGENE WORLEY

to the four counties which I represent, Donley, Gray, Collingsworth, and Wheeler.

As a member of the Legislature it is my purpose to advocate the enactment of such laws as will protect and preserve the oil and gas reserves of the Panhandle from wasteful and unlawful exploitation. If our schools suffer from lack of maintenance or finances, my efforts shall be to obtain the same finances and modern facilities that exist in other sections of the State whose Representatives have been more alert for the welfare of their constituents. Any and all aids which it is in the power of a representative to work for and obtain should be given to his constituents. This I wholeheartedly promise to do.

We are in the midst of radical changes in government. Had we contented ourselves with development of our own resources rather than those abroad, the current depression would not be with us. People have lost faith in the old order of things and are turning to the new with vigor and confidence. Plain common sense plus the fundamental principles of government and economics dominate the new order.

Half of my twenty-five years have been spent in this district, and I feel familiar with all the needs and desires of the people who reside here. At the present I am studying law in the University of Texas. I was employed during the Forty-Second Legislature as clerk on Constitutional Amendments, Judicial Districts, and other committees, during which time I took advantage of the opportunity to learn at first hand the methods and mechanics of law making. I therefore feel well qualified to represent my district and protect its interests on the floor of the House.

My platform has few definite planks, pledging simply that I am for the most economical, yet efficient system of government possible; I am opposed to any sales tax levied upon the necessities of life; I am opposed to the issuance of any more State bonds except "bread bonds"; I am as strongly opposed to careless and unwise legislation as I am for wise and prudent legislation; I am for, first and last, those things which will, in any manner, be beneficial to the majority of the people in my district.

I shall be unable to make a personal campaign until the beginning of June because of law examinations at that time; I therefore earnestly request that you give my candidacy your serious thought and consideration. Frankly, I hope to be the next Representative from this district and work my best for its welfare when elected. And all the support you can give me will be deeply appreciated.

Looking forward with pleasure to meeting each of you individually within the near future, and inviting correspondence from

MARTIN
(By Mrs. Jim Baker)

There is nothing like a good Panhandle shower to make us appreciate the pretty days. The farmers have begun their spring plowing even though it is very dry.

Due to sickness in the neighborhood and unsettled weather, the play "Civil Service" brought over here Friday night by the Goldston Literary Society was not very well attended but those who did see it enjoyed it very much.

Mrs. John Turnbow's mother, Mrs. Cox, passed away at the home of her daughter in Roswell, New Mexico Thursday of last week. Our deepest sympathy goes out to these good neighbors in their bereavement.

Roy Morrow, Margaret Easterling, and Johnnie LaFon were dinner guests in the Dave Patterson home Sunday. In the afternoon these young folks visited Earl Shannon in the Adair Hospital. They brought back encouraging reports about his rapid improvement.

Mr. and Mrs. Virgil Jordan, Mrs. Horace Wood, and Mr. and Mrs. Dave Patterson were callers in the Claude Easterling home Sunday afternoon.

Mr. and Mrs. Rufus Pool spent Sunday with Mr. and Mrs. Jones of Chamberlain.

Many of the Martin folks went in Wednesday afternoon to pay their last respects to a very dear and highly respectable old Minister of the Gospel—Bro. Ingram. We will miss this good man out here and we extend our sympathy to his family.

Mr. and Mrs. Walter Morrow spent Sunday with Mr. and Mrs. George Kavanaugh.

The measles are with us, cutting our attendance down at school. The Jess Davis family and N. B. Watson family have them.

Mrs. Alvin Pittman spent Sunday afternoon with Mrs. Clyde Easterling.

Mr. and Mrs. Mark Hatfield and family of Naylor visited in the G. C. Spier home Sunday.

Mr. and Mrs. George Bulman spent Sunday with Mrs. Bulman's parents, Mr. and Mrs. J. F. Cannon of Clarendon.

Mrs. A. C. Arnold of Naylor spent the week-end with her daughter Mrs. Jim Baker.

Clyde Baker and Marvin Peabody spent Sunday afternoon at Ashtola.

Mrs. J. E. Baker left for Midland Monday Morning. She will take charge of her daughter's home, Mrs. Cowden, while she is in Dallas for the medical treatment. She plans to be gone about six weeks.

Mr. and Mrs. Jack Bailey are attending Grand Lodge at Mineral Wells this week.

The work of moving the improvements on the J. E. Baker farm was completed this week. We felt that we want to express our thanks and appreciation to the county officials and

trip to Memphis Thursday evening.

Quite a few pupils are absent from school on account of the measles.

Mr. and Mrs. A. P. Todd spent Sunday with their daughter, Mrs. Leonard Mitchell of Lesley.

Several from here attended singing at Eli Sunday.

Ben Hill and family were callers here Sunday.

Lola Eunice Mitchell of Lesley spent Sunday night with relatives here.

The Singing Class met in the home of A. P. Todd for practice Sunday night.

Why Liquid Laxatives Do You No Harm

The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right liquid laxative will bring a perfect movement, and with no discomfort at the time, or afterward. The wrong cathartic may often do more harm than good.

An approved liquid laxative (one which is most widely used for both adults and children) is Dr. Caldwell's Syrup Pepsin, a prescription. It is perfectly safe. Its laxative action is based on senna—a natural laxative. The bowels will not become dependent on this form of help, as they may do in the case of cathartics containing mineral drugs. Ask your druggist for Dr. Caldwell's Syrup Pepsin. Member N. R. A.

NAYLOR
(By Mrs. Richmond Bowlin)

Our trustees had a meeting last week to elect teachers for another year and much to the delight of all they returned E. H. Estlack and Mrs. Lucille Pickering Eanes. We now feel sure of a good year.

Miss Fanny Naylor, Doris Espy and Leroy Tidrow spent Sunday with Mr. and Mrs. Dee Crites at Chamberlain. They were joined at Clarendon by Mr. and Mrs. P. Hurst and Miss Mildred Tunnell.

Edwin Eanes spent Friday at Amarillo on Radio business.

Rev. Charley Williams filled his appointment Sunday, preaching both morning and evening hours.

Lesley Pickering spent Sunday with Tommy Pierce at Midway.

Mr. and Mrs. F. M. Barton and son, Russell, of JA ranch, also F. M.'s brother and wife, Mr. and Mrs. Barton of Post, spent Sunday with Mr. and Mrs. A. O. Hefner.

Sidney Beach returned to his home at Hedley Thursday after spending two weeks with his grandparents, Mr. and Mrs. Richmond Bowlin.

Miss Fay Frost of Bray spent last week as guest of Miss Ethel Roberson, returning home Friday when her parents came for the day.

Mrs. G. F. Crofford and little daughter, Margie Nell spent Monday at Clarendon. Mrs. Lee Marshall, their aunt, came home with them and will spend a few days in the Crofford home.

Mr. and Mrs. Mark Hatfield and family visited relatives at Martin Sunday.

Mr. and Mrs. Roberson spent Sunday afternoon with Mr. and Mrs. Frost at Bray.

Mmes K. C. Reed and Minnie Farris spent Friday with Mrs. Walter Scott.

to those who were in charge of this job, for the manner in which it was done and the consideration shown us. We are well pleased with Mr. Fawcner's job of moving the house and are ready to recommend him as a very conscientious, skillful house mover. Carl Peabody, who was in charge of moving the barns, corrals, and buildings, etc. did all of that in a very satisfactory manner. Judge Lowe and Mr. Sid Harris, commissioner of this precinct, showed themselves to be especially anxious to consider our interests. Again let us express our thanks.

Castor Oil A Bladder Laxative?

No, it isn't. Use juniper oil, buchu leaves, etc., contained in BUKETS, the bladder laxative, pleasant to take. Drive out impurities and excess acids which cause irritation that results in getting up nights, backache, leg pains, bladder weakness and burning. Get a regular 25c box. After four days if not satisfied, your druggist will refund your money. You are bound to feel better after this flushing and you get your regular sleep. BUKETS guaranteed by J. D. A. O. Yates, carpenter-janitor at the Court House, says his father, the late L. J. Yates, was the first to raise a bale of cotton in Hale County. "It was in 1902", says Mr. Yates, "when we pulled the half-opened bolls, carried them into our home and then picked out the cotton to make a 450-pound bale. We had to haul the cotton to Plainview where a man who ran a grist mill had an old broken down gin saw, press and stand. That was the first bale of cotton grown and gathered in Hale County. By 1908, we had 28 acres on our place in cotton and were hauling

it to Lockney where a gin had been put up."

Interest Rate Lower In The Memphis Ass'n.

A statement from the office of the Memphis Production Credit Association this week has the following of interest to farmers in Donley County:

"I have received a telegram lowering the interest rate for the Memphis Production Credit Association serving Donley, Childress, Collingsworth and Hall counties. Heretofore the interest rate has been six percent. With this reduction, our interest rate will be only five and one-half percent. This new rate went into effect March 16th, but all applications prior to that date which have not yet received payment on their first note will be benefitted by the reduction.

"Those interested and applying for a loan in this association may put in their applications with C. W. Bennett of Clarendon.

J. D. Swift, member of the board of directors of the above association, stated Tuesday that this organization is separate and distinct from the Donley County Crop Production Association, the latter being for emergency purpose only.

TIMES ARE BETTER; HERE'S REAL PROOF

One of the signs of the times came to notice Wednesday when Odos Caraway of this city received a telephone call from a cafe man in Panhandle asking the former if he knew where they could locate a good man cook, or chef.

"That is the first time in several years I have known of an incident like that," said Mr. Caraway. "And, furthermore, I could not think of anyone in Clarendon who could answer the demand.

"That's what I would call the return of better times, when the job starts seeking the man."

Seth Parker Coming to Town

Men's Bible Class Sponsoring Program.

Seth Parker, the most beloved of all radio entertainers is to be impersonated at the College Auditorium, Thursday evening, March the 29th, by the well known dramatic artist and singer Mr. John Howard of Lincoln Neb. Mr. Howard has all the earmarks of the real Seth Parker in appearance, singing voice and ability to tell the stories which have made Mr. Parker famous. Mr. Howard will be assisted by a full company of local artists and singers.

Old fashioned costumes and old familiar songs and loads of fun from our local Cephus and Lizzie will make this a delightful evening of entertainment.

Spend an evening in "Jonestown with Seth Parker." This entertainment is being sponsored by the "Come As You Are Men's Bible Class" of the First Christian Church.

The price of admission will be within reach of all, as they have been reduced to 10 and 25 cents.

The club voted to dispense with the regular meeting of Tuesday, April 3, in favor of April 5, the affair.

THE CHRISTIAN AND HIS BIBLE

Text: "Oh how I love thy law, it is my meditation all the day." Psa. 119:97.

The true Christian loves his Bible. There are good reasons for such love.

I. Its Authorship. It is the word of God. Its contents were dictated by eternal wisdom. Its laws are of heaven. Its teachings are the teachings of Jehovah. It is the embodiment of the eternal mind. A king of England once wrote a book for the edification of his son. He gave it the title, "Basilikon Dorn" A Royal Gift. How much more may the Bible be called "A Royal Gift," since its author is the King of Kings. Not only is the Bible Royal, but a parental gift—the gift of our heavenly Father—a book dedicated and designed for the eternal benefit of His children.

II. Its Contents. The very first sentence of the Scripture expels a dark cloud of ignorance. It tells us that in the beginning God created. Not only created man but created many other things for man's happiness. It is divine wisdom from the first to the last. It contains sufficient information concerning God and the Eternal Home, for us to understand, and assists us in making the journey successful.

III. Its Style. Here one finds the most majestic imagery, the sublimest figures, and the noblest strains of eloquence. Here is found poetry unparalleled for grandeur, pathos and fire. Here are touching pictures of life, history and biography.

IV. Its Power. It enlightens, leads from slavery to freedom. It leads from death and sin to righteousness and eternal life. It helps to overcome sin and its punishments.

V. It is Suitable For All Of Our Needs. It is the guide book of youth, the staff of old age, a lamp that relieves the gloom of illness, ignorance and sinfulness. It is a garden of healing balm for the wounded spirit. It is the only book which contains light enough to guide us through the valley of the shadow of death. It is a lamp unto our feet and a light unto our path. A true Christian loves his Bible.—W. E. Ferrell, Minister First Christian Church, Clarendon.

Connally Fights To Put Over The Home Owners Bill

WASHINGTON, March 14.—Another outstanding development in the fight of United States Senator Tom Connally, of Texas, on behalf of distressed small home owners, was seen here today in the action of President Roosevelt in recommending to Congress that legislation be adopted authorizing the Government to guarantee the principal, as well as the interest, on Home Loan bonds.

Only a few weeks ago, shortly after the Congress convened, Senator Connally issued a statement in which he declared he would endeavor to obtain passage of such legislation, so that thousands of home owners in Texas and throughout the nation, threatened with foreclosure, might obtain relief through the Federal Home Loan Owners' Corporation. In many cases, holders of home mortgages refused to accept the Home Owners Loan Corporation bonds, because the Government guarantees only the interest.

The special message of President Roosevelt to Congress, asking the passage of legislation such as Connally sought, is taken as another evidence of the powerful influence which the junior Texas Senator has with the leaders of the National Administration.

Connally, through his loyal support of the President in the Senate and as a member of the powerful Senate finance committee, has earned the confidence of the national administration, and has been able to use this influence on many occasions for the benefit of his constituents in Texas.

If Congress liberalizes the Home Loan Owners Corporation Act, enabling the Government to guarantee the principal, as well as the interest on these bonds, the probable effect will be to make them immediately acceptable to all mortgage holders in the country. If the legislation is passed by Congress, as is anticipated by administration leaders, new bonds will be issued to replace the old bonds on which only the interest is guaranteed. Many millions of dollars worth of the

latter bonds are in the hands of mortgage-holders who cooperate with the Government by accepting them to relieve distressed home-owners. Under the exchange of plan holders of these bonds will be placed on a basis of equality with the holders who decline to accept the bonds with only the interest guaranteed.

Mr. and Mrs. Wewerka Are Honored

Among the many delightful social affairs of the past week was the party given by Miss Mildred Martin Monday evening, honoring her sister, Mrs. Fred Wewerka and Mr. Wewerka of El Reno, Okla.

Games of bridge furnished the principal entertainment for the evening, with high score prize for the gentlemen going to Mr. Stocking and for the ladies to Mrs. Wewerka.

At the conclusion of the games, delicious refreshments were served to: Miss Lotta Bourland, Mr. Densil Davis, Mr. Bill Taylor, Mr. and Mrs. P. L. Chamberlain, Mr. and Mrs. Frank Stocking, Mr. and Mrs. J. E. Teer, Mr. and Mrs. Ira Merchant, Mr. and Mrs. Keith Stegall, and the honor guests, Mr. and Mrs. Fred Wewerka.

Needle Club With Mrs. Joe Bownds

The members of the 1930 Needle Club met with Mrs. Joe Bownds at her home Tuesday afternoon.

A most enjoyable time was spent in doing fancy needle work and engaging in pleasant conversation, with delicious refreshments being served to:

Mrs. Badio Carpenter, Alfred Estlack, Joe Ritter, Carl Peabody, Ralph Andis, and Rhea Couch.

Legion Auxiliary

The Woman's Club Room was the scene of a meeting of the American Legion Auxiliary, Monday afternoon, at which time Mesdames E. W. Bromley, R. Y. King, and Nathan Cox, were hostesses.

Mrs. James Trent, president, presided over the business meeting and Mesdames O. L. Fink, M. Huffman, Barcus Antrobus, and L. L. Swan were elected delegates to the District Convention which convenes at Canadian, Texas, April 7th and 8th.

A paper on the "Four Point Bill" was read by Mrs. Nathan Cox.

The hostesses served dainty refreshments.

Junior Choir Is Complimented

The Win-One Sunday School Class has recently adopted the Junior Choir and in its honor gave a lovely party Tuesday evening, at the Methodist parsonage. Among those on the hostess committee were Mesdames T. D. Nored, D. O. Stallings, A. A. Mayes, V. A. Kent, and John Clark.

One of the features of the evening's entertainment was a Nature Treasure Hunt, which proved to be delightful. Following this many games were played with Mary Frances Powell and Nellie Grady working different "Tricks."

Late in the evening lovely refreshments were served to about twenty-seven.

Chamberlain Home Demonstration Club

Mrs. J. D. Thomas was hostess to the Chamberlain Home Demonstration Club at her home, last Thursday afternoon.

There were nine members and five visitors present and a most interesting program was given. The next meeting will be held at the school house, April 5th, at which time the County Health Nurse, Mrs. Jerome Stocking, will give a talk on children's diseases.

Mothers Club

Members of the Mothers Club met at the club rooms Friday afternoon, with Mrs. Nathan Cox and Mrs. Ralph Keys, hostesses.

Mrs. Andrew Jay was leader of a most interesting program dealing with Truth and the Child. Mrs. W. M. Patman discussed "Nothing but the Truth," and Mrs. Cap Morris, "How Much Truth can Children Stand."

At the conclusion of the study refreshments were served. The next meeting will be at the home of Mrs. Walter Clifford.

Cecil Smith was among those who attended the Fort Worth Fat Stock show last week-end.

Book Club Hears "One More River"

John Galsworthy's last novel, "One More River," was reviewed at the meeting of the 1926 Book Club, Tuesday afternoon, at the club room.

Hazel Dillard, in a very interesting manner, gave synopsis of the novel, and Ella Kent, leader, told the story of the author's life.

After a short business meeting the hostesses, Luma Smith and Bea Antrobus, served refreshments to fifteen members.

Friendship Club

The Friendship club will meet Tuesday, March 27th, at the home of Mrs. J. A. Meaders.

All members are urged to attend.

Demonstration Club Finishes Quilt

Meeting with Mrs. H. L. Brady on Thursday afternoon, the members of the Clarendon Home Demonstration Club spent a most enjoyable afternoon Thursday finishing the club quilt.

After the quilt had been completed, plans for disposing of it were discussed. A delightful feature of the afternoon's entertainment was the "birthday party" for three of the club members, namely, Mrs. A. L. Chase, Mrs. T. R. Brown, and Mrs. N. N. Lawler. A huge box containing the presents was placed in the room and each of the three honorees had to hunt for their gifts.

Delectable refreshments carrying out the St. Patrick motif, were served to Mrs. Carl Tyree and daughter, invited guests.

Mesdames A. H. Baker, John Clark, J. C. Estlack, A. L. Chase, Sloan Baker, Lonnie Hahn Major Hudson, Ed Speed, N. N. Lawler, T. R. Brown, C. R. Gamblin, O. L. Fink, Lester Schull, and C. D. McDowell, members.

Plant Exchange Saturday, April 7

Any lady of the city or county who has plants or shrubs which she would like to exchange for others, is invited to bring or send them to the Woman's Club Room, Saturday, April 7th.

This Plant Exchange is an annual event and is sponsored by the Les Beaux Arts Club of this city. The committee in charge this year is composed of Mesdames J. D. Swift, J. D. Stocking, and W. W. Taylor.

This exchange gives everyone an opportunity to dispose of their surplus plants and shrubs and acquisition of the surplus of others.

A. A. Mayes returned the early part of the week from Coledge, Texas, where he attended the funeral of his brother's wife last week.

BOSSSES' BANQUET IS BIG SUCCESS

B. & P. WOMAN'S CLUB HONOR EMPLOYERS AT ANNUAL BANQUET FRIDAY

Last Friday evening, the Clarendon Business and Professional Woman's Club honored its bosses with a lovely St. Patrick's Day Banquet at the Girls Dormitory.

The tables were very attractively arranged with Wishing Wells, favors and placecards of the green and white of dear old Erin. The committee in charge, the general arrangements and decorations was Ruth Teat, Mildred Martin, and Lotta Bourland.

After everyone had arrived and were seated, Miss Lottie Lane, president of the local club, gave the welcome address, following which the group all sang quite a few of the favorite Irish songs. Rhoda Wiedman gave the following toast to the Bosses:

"We always have those 'Grab a pencil, take a letter, make a carbon copy' Blues.

I'll bet we write a million letters they can't use.

From 8 to 5 o'clock we slave and listen to them rant and rave. We make a little mistake and they are on our ear.

They make a real mistake and what we hear is, You should have noticed that when it was first made!

When we get a million dollars or two We think the first thing they will do is Be Our Bosses' Boss."

This was cleverly responded to by Sam M. Brawell, who told how it might be if the last line were true.

Miss Annie Ruth Johnson gave a trombone solo, "The Heart Bowled Down," from the Bohemian Girl, and a vocal duet by Katherine Stark and Lotta Bourland was thoroughly enjoyed. After this a one-act play, "Be a Little Cuckoo" was presented. Those taking part in this were Zell Rogers, Katherine Stark, Mildred Martin, Julia Mae Caraway, and Fannie Perry. This was well received and had many unique, humorous lines.

Mr. and Mrs. Fred Wewerka and son, Freddie, returned to their home in El Reno, Okla., Tuesday after a visit in the J. W. Martin home. They were accompanied by Mrs. J. T. Patman, who is going on the Pleasanton, Kansas to visit her daughter, Mrs. W. H. Price.

LOCAL FIRE INSURANCE MAN GIVEN CERTIFICATE FOR EXCELLENT RECORD

"A certificate of distinguished Service" has been awarded J. T. Patman as a result of his record in the writing of fire insurance and the ratio of his losses for 1933.

The certificate came in this week from Austin. It was signed by Raymond S. Mauk, State Fire insurance commissioner.

"I am proud of that record," says Mr. Patman. "The certificate was a surprise, though, as I hadn't expected it."

ASHTOLA HOME ECONOMICS

The Ashtola Home Economic girls are progressing nicely under the direction of Miss Helen Goldston.

Our first major undertaking being the sponsoring of a pie supper, the proceeds from which were used to buy equipment for our home economic room. At present we have a nice supply of cooking utensils and dishes. A three burner oil stove, a utility cabinet, a sewing machine, a sewing table, a breakfast table which was built by the boys and painted by the girls, and excess to a sink.

Among the work accomplished by the girls they have each completed one garment in sewing, either a slip or a pair of pajamas for themselves, prepared and served a breakfast to one member of our faculty, a guest and the two girls preparing the breakfast and acting as hostesses one other member of the class acting as waitress. Each girl acting as a cook, hostess, and waitress before the breakfast was all served. We spent the past week making costumes for the operetta which was presented Friday night.

We have had numerous lectures on sewing, cooking, table service, table etiquette, manners in school, in society, in the home, in borrowing, in places of amusement, and public places in general.

The most important of our notebook work being the keeping of an individual budget the object of this budget is to determine whether or not each girl is living within her allowance.

Since our study of breakfasts in detail and the preparing and serving of breakfasts, we have been studying luncheons and preparing dishes for luncheon.

Each girl seems to be interested in her home economics work.

TWO PRECINCTS TO VOTE FOR MEMBERS OF COUNTY BOARD

Trustee election day comes on Saturday, April 7th, according to County Sup't. Sloan Baker.

In addition to vacancies in all district to be filled, terms of two members of the county board of trustees, expire this year.

In Precinct No. 1 and 4, election will be held on the county board. Edwin Bailey is the member from Precinct No. 4.

"Neither of these men have announced for re-election and no others have announced for the places, so it will be up to the qualified voters either to elect the same men or vote for new men by writing their names in," explained the county school official.

PASSION WEEK SERVICES AT CHURCHES NEXT WEEK

Special services will be held each night next week, except Saturday, at the Presbyterian Church. These services will culminate in a Communion service and Reception of new members on Easter Sunday morning. The pastor of the church, together with the pastors of some other churches, will preach each evening. The hour of meeting will be 7:30 p. m.

The St. John Baptist (Episcopal) Church will also hold services every day next week, beginning at 5 o'clock in the afternoon. The public in general is invited to attend both these churches services.

Ode Martin of Little Rock, Ark., arrived Thursday for a visit with his parents, Mr. and Mrs. W. D. Martis.

Mr. and Mrs. Rollie Brumley left Tuesday for Dallas, where Mrs. Brumley will receive medical attention.

G. G. Kemp attended to business in Pampa Tuesday.

JUNIOR HIGH NEWS

The students of the Junior High are very busy this week getting ready for the County Meet Friday and Saturday. We had the eliminations in Declaiming Thursday afternoon. The winners for the Junior boys were J. D. Swift and Raymond Hays who tied for first place. The Junior girls who received first place was Ethlyn Drennan. Jeanne McDonald won first place for the eighth grade girls and Earl Eudy for the eighth grade boys.

The contestants for the Essay Writing from Junior High will be Jane Kerbow for the Juniors and Jeanne McDonald for the eighth grade.

The eighth grade is to be busier than the rest this week. The class had a meeting Wednesday after school. They decided to have their pictures framed. The 1934 class will form the "R" in C L A R E N D O N. We also selected a flower committee to choose the class flower, a color committee and a motto committee. The flowers committee consists of Frances Fowler, Ruth Hedgpeh and Ruth Cornell. The color committee consists of Lillie Jewel Barnes, Jane Piercy, and Edna Wardlow. Those on the motto committee are Charlie Murphy, William Sullivan, and Milton Mayo.

Friday we had Mr. Alderson with us to explain about the pictures. It was arranged with him for the eighth grade to have their pictures taken this week so he could put them in the "R" in time for us to see them before we graduate. It is just like he said "The sooner you have them taken the longer you will have to look at yourself before you leave."

Senior Class Goes On Picnic Friday

Friday afternoon after school, about half of the Senior Class went to Troublesome Canyon for the first school picnic of the season. On arriving at the Canyon the picknickers dispersed into small groups, and the time from four o'clock until six was spent in exploring the two streams. In his exploration Mr. Burton found himself a handful of arrowheads, several of which were of almost perfect shape.

At six o'clock the group gathered at the waterfall for the main event of the day—the supper. The sandwiches, cookies, and fruit, were served in paper plates (the kind of paper plates that are made from tearing up paper sacks.) As soon as everyone had finished eating, the truck made a rush trip back to town in order to get back in time for the show. In spite of the rough roads and the sandy day, everyone arrived home with nothing worse than a dirty face, dirty clothes, and a few bones, which if not broken surely felt that way.

The truck was furnished by Mr. Boston for no charge outside of the cost of gas and oil, and was driven by Bob Boston. The Senior class wishes to thank both Mr. Boston and Bob for their kindness.

Laverne McMurtry Hostess Saturday

Last Saturday night Miss Laverne McMurtry entertained a group of her friends with a dance, which, in spite of the cold weather, was one of the most enjoyable affairs of the season. Most of the guests spent the evening in dancing and a few were entertained with card games. The St. Patrick's Day color scheme of green and white was carried out in paper decorations, and this motif was repeated in the delightful refreshments of green ice cream, mints, and cookies.

Those attending were: Misses Hulda Jo Cauthen, Eloise Hill, Peggy Word, Dorothy Fae Scoggins, Sarah Virginia McGowan, Virginia Cluck, Rosalyn Bass, Avis Lee McElvany, Dorothy Powell, Nellie Grady, Dorothea Watson, Frances Sanford, Anna Moores Swift, Virginia Taylor, Tillie Pratt, and the hostess, Laverne McMurtry.

Messrs: Willard Hudson, Billy Walker, Nickey Stewart, Harold McDaniels, Harold Gattis, Billy Weatherly, Heavy Whitlock, Bob Word, Elery Watson, Drew Wilkerson, Bobby Boston, Wesley Powell, Arthur Chase, Aubrey Brady, Geo. Chamberlain, Price Whitlock, Harry McCracken, Alfred McMurtry.

Kieuwa Camp Fire

The Kieuwa Camp Fire troop met Saturday afternoon at Mrs. McGowan's to discuss the receipt book which they intend to publish. We hope all the people who read our article will buy one of our books. We are trying to raise money for our camp which takes place in August. We all look forward to it. We hope everyone wishes to learn how to cook from these books as badly as we wish to sell them. Further details will be given later.

All members are requested to meet for their regular meeting in their room on Friday afternoon.

LA SALAMANCA

The two second year classes of Spanish entertained the third year class Friday, March 16, with a delightful theatre party. This special occasion was picked because the picture that was shown, "Cradle Song" was a Spanish play that was written by G. Martinez Sierra who is a noted Spanish writer.

The Third Year Class is planning to entertain the Second Year Class very soon with a carnival. We are sure that all three of the classes will enjoy this event.

book which has done for the Erie Canal and New York state what Mark Twain did for the Mississippi Valley.

This wide spread return of the "Tie That Binds" which has entangled the town's younger social set has crept all over town. Not that I intend losing my single blessedness, me hearties. The G. F. and I have too much fun to settle down to that hum drum existence called Married Life, and besides she's not that way about me.

The Irish prayer, "Would that we could see ourselves as others see us" might knock the conceit from many a person. Self analysis is one of the most humiliating experiences one can imagine. That is, of course, if you are frank.

Mona, you know Nick's G. F. is my idea of one of the keenest sports in town. Gussie should be conceited over possessing such a girl but he's just not built for conceit in any form.

I want to urge you all again not to miss the new opus, "Bolero." I've been reading the reviews and it should provide something different to all you jaded theatre-goers.

Lubbock Pastor Speaks At School

The high school students listened to one of the most brilliant talk heard in one time here when Dr. R. C. Campbell, pastor of the First Baptist Church of Lubbock, spoke to them Monday afternoon.

"Don't die on third," was the subject of Mr. Campbell's address, giving the illustration of a baseball player who was determined not to die on third and as a result brought victory for his team-mates and for himself. The speaker in connection with this said that many persons had been content to die on third and not get an education, going through life unprepared. Dr. Campbell also illustrated the fact that everyone is playing upon the great diamond of life and that our Heavenly Father is depending upon us to do our best.

SCOUT NEWS

Last Friday at troop meeting there were about twenty young boys, under twelve, that wanted to become Cub Scouts. As soon as a Cubmaster can be found a Cub Pack will be organized for these boys. The object of Cubbing is the same as that of Scouting, character building.

After a younger boy has been a Cub for some time, he will make a much better Scout than those of us who did not have the advantages of good Cubbing. Boys that are interested in Cubbing should be at the Baptist Church this Friday at seven-thirty.

The Jr. Assistant Scoutmaster of Troop 37 will have charge of the programs for the troop for a while. Scouts are expected to cooperate.

All the Scouts of Clarendon plan to do a number of good turns this week. They will help with the track meet, plant trees, and do a troop good turn.

On Wednesday the Scouts had reserved seats at the Baptist Church for the special meeting.

Court of Honor will be held in two more weeks. A number of the new boys have passed tests and cannot be given badges because they have no troop.

The Methodist Church of Clarendon has announced that they will sponsor a Scout Troop as soon as they decide upon a Scoutmaster.

C. H. S. Debators Versus M. H. S.

Memphis High School debating teams were the winners in a series of debates held here on Monday afternoon. In the debate between the Memphis and Clarendon boys, Memphis won in defense of the negative side of the Interscholastic League question. Debating next the affirmative, the Memphis boys defeated Pampa. Pampa boys lost to Clarendon boys in their argument for the affirmative. Memphis girls won easily over the Pampa girls in defense of the negative.

Local people who served as judges for these debating contests are: Mrs. Paul Shelton, Miss Mamie Price, Miss Wanda Mayfield, Mr. S. M. Braswell, Mr. Jerome Stocking, Mr. Glen Allison, Rev. R. S. McKee, Rev. W. E. Ferrell, Mr. R. E. Drennan, Mr. Robert Green.

BANQUET FRIDAY IS BIG SUCCESS

Friday night, March 16, the college students, both present and old, met in the Antro in a spirit of good cheer to revive old acquaintances and to create new ones. Music for the evening was furnished by Mr. Stephenson and his orchestra. The toast master, Bill Word, very efficiently filled his position. Data on what the ex-students are doing was delivered by Bill Wood. In response to the toast given by JoElla Stewart to the Ex-Students, Helen Lawler gave one and to the faculty. Mr. Stocking responded to this one with a toast to the students. Of much interest to the scholastic was a history in brief of the Clarendon Junior College, beginning in 1927 given by Superintendent H. T. Burton. The toastmaster then brought the business of composing a college song and forming plans for a reunion of all C. J. C. students. Committees for these two movements were selected.

Rev. R. S. McKee Is Assembly Speaker

Using the subject of what is right and wrong, especially in our relationship with Nature, Society and God, Rev. R. S. McKee spoke to the high school students on Thursday afternoon at assembly.

In our relationship with Nature we do anything to impair the usefulness of the body or mind through dissipation, we are committing a great wrong. To infringe upon the rights of our neighbors or associates and not to respect their welfare is to our relations with God we must commit a wrong to society. In always obey the spiritual laws continually developed and exercise our spiritual faculties if we are to do right toward God, and if we are ever in doubt as to whether something is wrong or not, it is wise not to do it. These were only a few of the excellent thoughts brought out by Mr. McKee in connection with his subject.

C. H. S. Tennis Team Defeat M. H. S.

The Clarendon Tennis players went to Memphis Friday to contest the Memphis players. In the singles, Lovie Beavers won. Sarah Virginia McGowan and Wilma Dee Smith scored first in the doubles. In the boy's matches, Wesley Powell lost the singles but Paul Green and Elery Watson won the doubles. Dorothy Jo Ryan, Eugenia Noland, Morris Beavers, and Ruby Armstrong accompanied the players. Mr. Stocking, the tennis coach, also accompanied the players.

Talmage Mayfield Returns From Abroad

Among the local boys who have made good is Talmage Mayfield, son of Mr. and Mrs. Burt Mayfield, a graduate of Clarendon High School and a former student of Clarendon College. He has recently arrived in the United States after a brief but interesting trip to parts of Europe. Working his way on a commercial vessel, the S. S. Narbo, Talmage realized part of his hopes of seeing the world when he docked in Le Haye and later made port in Rotterdam, Antwerp, and Bremen. Hours of sightseeing by foot, a rented bicycle, or an antiquated cab were spent in each of these old cities. Native shoes from Holland and Belgium and other souvenirs and pictures were collected. Several letters containing vivid descriptions of characters and scenery have been received here by friends.

We thing that Talmage is extremely fortunate in experiencing this bit of travel in Western Europe and hope he returns home long enough to tell us more about it before launching into another voyage.

On Spring Fever And Love

Spring is the most ideal season of the year for every activity except school. In school, it has two defects: Spring fever and love plague the student body. Both defects have an undesirable effect on the achievements of the students.

Especially is this malady discernible in the study hall; the symptoms are drowsiness and lack of energy. Love, the second but no lesser evil, works havoc upon the student's achievements. The symptoms of this are too well known to be discussed, but the immediate effects should be enumerated. Some have said that love is only spring fever in an advanced stage but in whatever period of development, books are always neglected. However, both ailments are only periodic, but if the old record of activity and achievement is to be kept up, the students will have to effect a cure to pull them out of the lethargy.

All that we have been doing lately is having the measles, mumps, and whooping cough.

In English we have been studying the classical "Merchant of Venice" by Shakespeare. A few students dislike it, but I like his "colossal" imagination.

We have within our noble rank a new student, Geraldine Corbin (Jerry to you) is a cheerful little eye-fellow from the Helium City.

Eliminations in declamations were held, and sophomore representative Eugenia Noland carried off first honors.

The sophomores, as well as everyone else, had to take an extra bath in addition to the Saturday night weekly on account of the big bad sandstorm.

Library Notes

By MRS. C. A. BURTON

Wilson's Bulletin for Librarians published in New York City, gives this quotation from a bulletin issued by the Texas Library and Historical Commission: "Did you ever look in Who's Who in America to see how many Texas writers, artists, composers, inventors and other creative workers in the arts and industries are listed? You will find about twenty names and little Rhode Island, the smallest state, has almost as many. On a per capita basis, Rhode Island supplies twenty-four times as many free library books to its people as Texas. Is there some connection, people, between the free use of books and development of creative gifts? Outside of our state, little is known of the real Texas history, of romance, of limitless resources, of a variety of industries. We need interpreters in novel and drama, in song and stone. More libraries, free use of books, would stimulate, creative effort in Texas and tell the world of its far-flung horizons, picturesque traditions and epic past." Just here let me remind you of a little book which I mentioned last week in connection with new ones in our library. A book of one-act plays by Texas authors. There are seven of them by well-known people.

"Book Talk" which is published by Whitmore and Smith at Dallas has this to say of books: "Why do people say they will not buy a book because they do not want to keep it? Books are not to keep. They are part of the material nourishing movement of

For Lieutenant Governor

WALTER WOODUL

HARRIS SENATOR ASKS ELECTION AS LT. GOVERNOR

Houston, Texas.—Senator Walter Woodul of Houston has formally announced his candidacy for the office of Lieutenant Governor, saying:

"I aspire to the honor of being Lieutenant Governor of this state. I was born in Texas and educated in her schools, including the University. I volunteered to serve in her National Guard on the border in 1916 and served in the world war. I have been privileged to represent the people of Texas in both houses of the legislature, and I believe I know the problems of the state.

"As the campaign progresses, I will discuss and give to the electorate my position on pertinent issues."

Senator Woodul has represented Harris County in the senate for the past six years and was unanimously elected president pro tempore at the last regular session. He was born in Laredo, Texas, and worked his way through the University of Texas. He led in the organization of Houston Community Chest, is active in the civic life of this city, and is one of the leading lawyers in this section of the state. Senator Woodul was elected state manager of the Garner-for-President forces in Texas and served in that capacity at the National Democratic Convention in Chicago.

Senator Woodul married Miss Ethel Eldridge of Sugar Land in 1917, and they have one son. He is a member of and active worker in the South End Christian Church of this city.

UNCLAIMED LETTERS

Letters remaining in this office unclaimed for the week ending March 10, 1934 are as follows:

Lucial Brown, Quee Davis, J. H. Green, Aubrey Johnson, Elvora Jones, Lillie Stephenson, Charles H. Bugbee, P. M. Clarendon, Texas

Disregarding her doctors' orders to avoid exercise, Miss Ruth A. Fletcher of St. Paul danced all night after a long illness, collapsed, and died.

life. Sometimes they are social persiflage. You do not keep that life of Kreiser's how as he plays the last note, or a bunch of blue and red California poppies with their furry beads. Books are not to be kept. A book is a tool of life. A thinker may even take parts of it out if he needs them, and carry them about in his pocket." And the same thought, though expressed differently, by Walter B. Petkin in his Commencement Day Advice, "Don't sell your books and keep your diplomas. Sell your diplomas, if you can get anyone to buy them, and keep your books." What is the saying, "Then is that gathereth and yet you streweth?"

Gladys Hasty Carroll, author of the best seller, "As the Earth Turns" which we bought lately, is in Dallas in connection with the world premiere of the story. Simon and Schuster, publishers, have announced that Dickens, "The Life of Our Lord" which is appearing serially in newspapers throughout the country will be out in book form on May 15th.

A book which we have lately acquired and found quite interesting is "Instead of the Thorn" by Clara Louise Burnham. The story opens in the crowded business marts of Chicago where Linda's father fights a losing fight with disaster and the wreckage of an old established business. Linda, to whom life has given everything she ever asked, is bitter over her father's failure and death and blames his young business associate, Bertran King. Life's experiences have been so limited that she is not able to think straight and be fair. But she goes to the home of her aunt on the Maine Coast and there beside the sea, amidst happy surroundings, she is able to think sanely and see clearly—and the skeins are all untangled. It is a wholesome love story with a happy, cheering message.

WORK OF THE COUNTY TEACHERS

(By Earl D. Jones)
If the schools of America are to prepare boys and girls for actual participation in citizenship, the course of study and the daily moral and social guidance must bear fruit in right conduct. Undoubtedly the great purpose of all education is the development of such sound character, or strength of personality, as well as of the various social groups with which he come into daily contact. Probably no more importance can be placed on any thing than on character, conduct, and citizenship. All the work of the school should take into account the character and the personal conduct of pupils as matters of vital concern to the individual, to the family, and to the state.

Character is what we really are and reputation is what people think we are. Conduct is the raw material out of which character is made. Matthew Arnold said long ago that conduct is three fourths of life. It is probably equally true that conduct is three fourths of habit. It is our reactions to our environment from moment to moment and from day to day that determine the general nature of our characters. Character is the outcome of innumerable acts of conduct. Unless we conduct situations which demand thinking, our daily conduct is largely a matter of habit. Our ideas, ideals, and habits determine our conduct and they also certainly indicate the kind of characters we possess.

Above everything, the schools must stand for good citizenship and they must consciously and directly develop such citizenship. No community, state or nation can ever rise higher in civilization than the character of its individual citizens make it possible. The good citizen is the one who possesses the good character. Character is the stuff of which the citizenship is composed. The good citizen informs himself on public affairs; he votes; he faithfully discharges duties of public office—all because in some way

ASHTOLA SCHOOL NEWS

(The Log of a Pirate)
Friday evening at the school auditorium.

The Ashtola Pirates and Piraos presented "The Pastry Cook and the Pirates", an operetta in three acts, in which fierce looking pirates, good-looking shop girls, and law-respecting policemen vied with each other to entertain the audience. The story was told in smart pungent dialogue, interspersed with rollicking songs and dances. The proceeds will go mostly to buy baseball equipment through home, school, church, and other agencies, he has secured those elements of character which prompt him to such active, sympathetic social participation.

There is a reason for everything, if we can only find it. We live in a world of law, not chance; every effect has its cause. The three principal laws which apply in all types of learning are: law of exercise, law of effect, and law of readiness.

If acts of courage, honesty, kindness, or fidelity are repeated often enough in the presence of situations which call for them, habits of courage, honesty, kindness, and fidelity will be ultimately formed—hence the law of exercise.

The law of effect means that one tends to repeat (or to seek) those actions or responses in life situations which satisfy an inner need, want or urge, because one does not commonly repeat those reactions that do not give a feeling of satisfaction or annoyance. Only those reactions which the child likes to repeat result in the most effective learning. Too often teachers have not seen to it that results which are satisfying and pleasurable were associated with the learning process. In the end, the development of character depends upon those acts on the child's part or, as we commonly put it, upon that "conduct" in which the child himself finds pleasure and takes satisfaction. decided that it is cheaper and better to raise your own fruit on the farm.

We are working intensively this week to get ready for the Interscholastic League Meet which is to be at Clarendon this week-end, March 23 and 24. The volley ball team has been definitely selected as has the boys' play ground ball team. Those interested in tennis are working out at noon, recesses, and after school with much zeal and energy. The debaters, spellers, and arithmetic entries are also working. The following were selected to represent the school in declamation: Melton Gregg, Junior boy; Christine Knox, Junior girl; Athlyn Drennan, Senior girl. Athlyn has the measles, however, and probably will not be able to participate in any of the events this week-end. She will be missed in volley ball, as well as in declamation.

The Goodnight boys tennis team came down Monday afternoon for a practice tennis tournament. The Goodnight team composed of Smith and Williams defeated Mason and Tomlinson, Ashtola representatives in doubles, while Hatley of Ashtola won in singles.

Mr. Eason brought a large rattlesnake to be added to the other specimens we have in our school. Earlier this year he brought a coyote and a hugh eagle, both of which have been mounted and placed in the hall. We appreciate very much the interest Mr. Eason has taken in this phase of our work and the excellent specimens he has supplied.

The Seniors have selected and ordered their play to be presented as soon as they can work it up. After much deliberation they chose as their senior play for this year, "The Wild Oats Boys" a comedy-drama by Lillian Mortimer. They voted to put the play on free.

Hale county home demonstration members who are sub-irrigating their gardens by making concrete tile are marvelling at how 100 feet of tile can be made from one sack of cement with four parts of sand. Only half as much water as cement is used, giving a dry mixture, which goes a long ways without waste.

Within two weeks after the commissioners' court of Andrew county placed bounties of 25 cents on each coyote scalp and 5 cents on each pair of pack rabbit ears, 150 wolves and 300

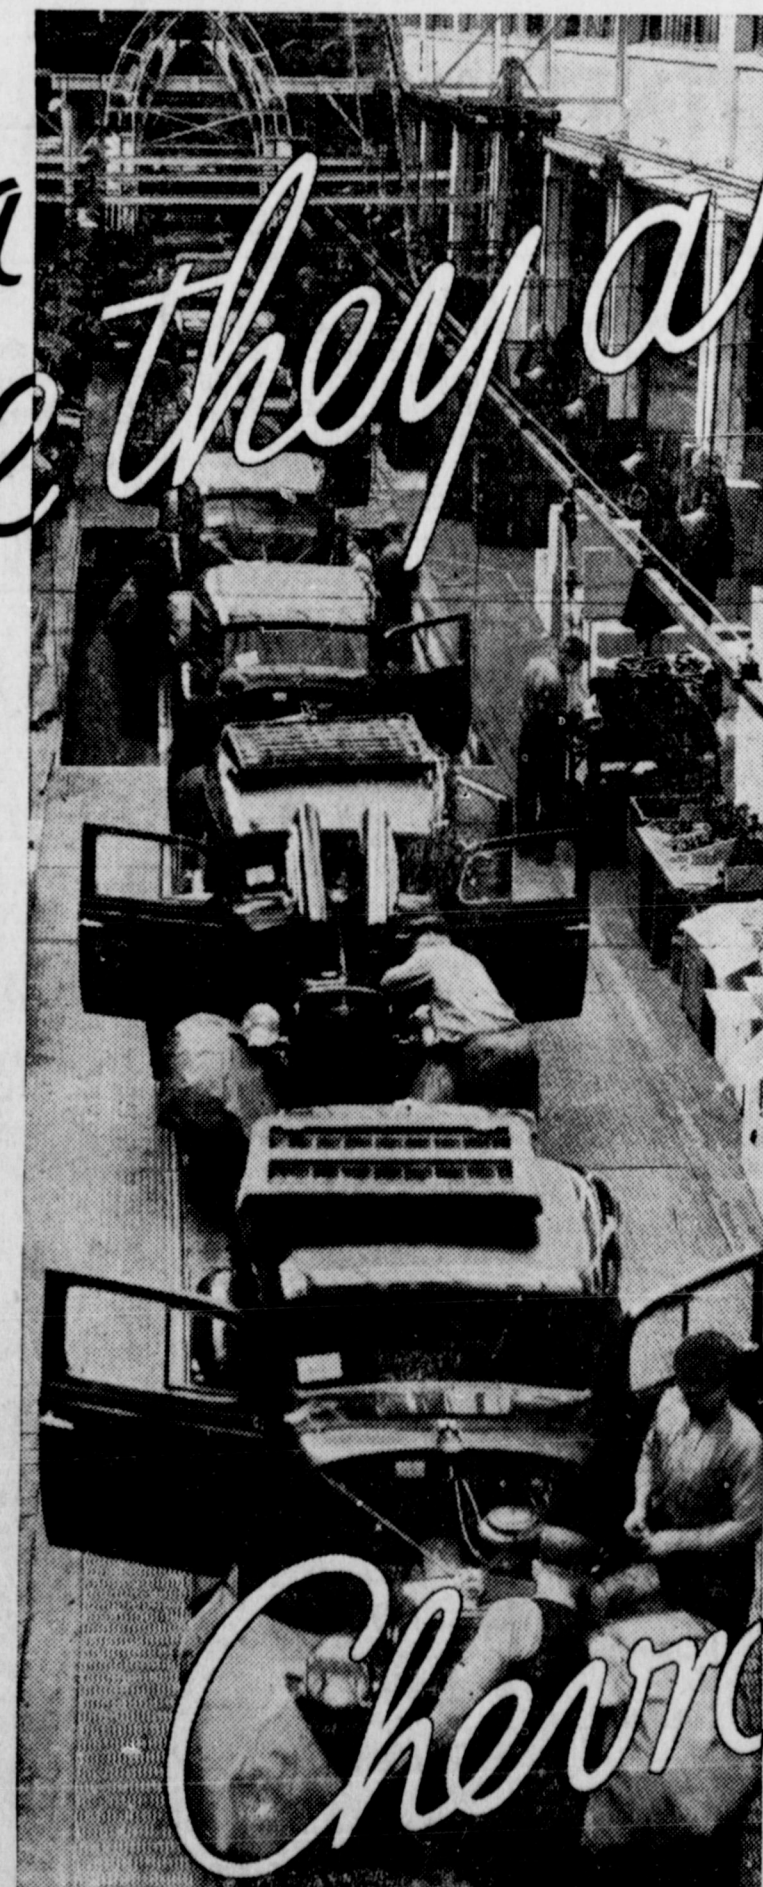

rabbits "went West." The court is further co-operating with county agent and ranchers by supplying poisoned grain in campaigns against prairie dogs and ravens.

"Twice as much corn on terraced as on unterraced land" is the comment which Armin Bendele of Devine in Medina county makes on the value of terracing. Increases in yield on the terraced land are mostly due to the contoured rows between the terraces, experts say. The terraces stop erosion, the contoured rows hold the rainfall.

"Many happy returns of the day," said George H. Payton of Croydon, Eng., as he shot his wife on her birthday.

GRAND JURY IS CHARGED RE THE BEER SITUATION

TOLD THAT DEAN LAW SAYS THE 3.2 BEER INTOXICATING, AS OVER 1 PERCENT

District Judge A. J. Fires charged the new Spring term grand jury Monday morning on liquor laws along with other laws, including murder, burglary, theft and ordinary felonies.

His honor pointed out that while the United States Government has decreed 3.2 beer as "non-intoxicating," the Dean law of Texas, on the other hand, says any "spiritous liquor over 1 percent is intoxicating."

Including in his charge to the jury by the venerable jurist, attention was directed to what constitutes a felony. He pointed out that theft of a chicken constitutes a felony.

"While theft, as a rule, must involve a value of \$50 to constitute a felony," pointed out Judge Fires, "a special statute protects the housewife as regards her chickens. You can steal one chicken and the value may be more than 50 cents, yet that theft constitutes a felony and an indictment can be returned by you gentlemen. I believe that is a good law as it protects the farmer's wife with her flock of chickens just as felony for the theft of a cow or hog protects you as farmers."

The grand jury was sworn in at 10 o'clock with the following personnel: J. W. (Bill) Noel, cashier of the Security State Bank at Hedley, foreman; R. T.

Darnell, Jericho; W. A. Poovey, Ashtola; W. L. Goldston, Goldston; Bill C. Brumley, city; T. A. Naylor, route; Walter Clifford, city; G. G. Reeves, Chamberlain; Ed Kinslow, Hedley; Ike Rains, Hedley; Arthur Ranson, Giles; and John Gerner, Lelia Lake.

The petit jury is called for next Monday, March 26th, as follows: C. R. Gamblin, Claude Nash, J. M. Carnell, J. F. Blocker, M. C. Rampey, J. H. Helm, D. B. Leach, A. C. Hartzog, J. L. Stolls, J. K. Hunt, Buster B. Riley, Homer T. Bones, J. A. Simmons, C. L. DeBoard, W. D. Peabody, Oscar Lowe, E. R. Andis, W. D. Mabery, Lee Holland, M. P. Gentry, Harvey Smith, P. L. Dishman, J. H. Morris, C. E. Bairfield, Paul S. Reeves, Harvey P. Wilson, Vincent Alewine, Gilbert Mann, Roy B. Ingram, C. R. Hunsucker, L. E. Thompson, Dick Eichelberger, Zeb Mitchell, J. W. Bland, Neal Bogard and W. K. Fraser.

Civil docket was called this week and non-jury cases occupied the attention of the court. District Attorney Deaver is being assisted before the grand jury by County Attorney R. Y. King.

Legion—

the most stirring messages ever heard by local Legionnaires. Before he got through the crowd of 75 ex-service men were giving him hand after hand.

"Fellows, the time has come for us to act together in a common cause to rid our nation of the leeches who profited during the war and now have practically wrecked the whole structure of our nation by their scheming and cupping through which they have defrauded our American people," declared Judge Smith. "If Uncle Sam had not been defrauded by being made to pay 300 percent profit to our

munitions manufacturers, clothing manufacturers, aluminum manufacturers and other war profiteers, we would have been able to have paid all our War debts in ten years time.

"It is the scoundrel who robbed while we fought overseas we must now rid our nation of." Judge Smith also declared "we all know now we didn't fight to save democracy, as we thought in 1917 and 1918, but we fought to save the bonds of Wall Street."

"Those same multi-millionaires today are organized to keep from paying the ex-service man his bonus, declaring it is a special privilege. They forget they had special privileges granted them during the War. That also applies to all the slackers who today are yelling their heads off not to pay us the bonus. They had the special privilege during the War—Uncle Sam let them stay at home while we went through the hardships and privations for months and months and even years.

"I tell you, fellows, conditions in our country must change in the next two years."

Judge Smith is chairman of the Americanization committee of the American Legion in Texas. He has served his time on the State Board of Education. He revealed he once taught in the Clarendon Methodist College—before the War.

"Our ministers, for the greater part, today do not understand the American Legion. If a man fought for his country, we recognized his right to belong to our organization, no matter how low he may have fallen in other ways. Ministers criticize us for this. Yet those same buddies would not be welcomed in the church. They cannot join the Masons, the K. P.'s, the Odd Fellows, etc. But they belong to the greatest fraternity of all—the

American Legion. Our organization is a cross-section of life as it really is.

"When one of our buddies is in distress, we go to his aid." Major Simpson, following Judge Smith's address, declared "that is such an address as I have been wanting to make for several years." He added his prediction that only under the personal guidance of the Divine Providence can America survive the next two years without entering into what he described as "the worst holocaust civilization has ever known."

Major Simpson is a former Clarendon citizen who organized a company of volunteers here during the War and commanded it overseas as a captain. About 12 of the original group who joined his company were present last Thursday night. Over 100 joined the company from this county when it was organized. A similar number were enlisted at Quanah. Captain Simpson was cited for bravery following the War. He was injured, from which he did not recover for several months. Today he is a practicing attorney in Amarillo where he takes a lead in all civic affairs.

Sixteen new members were announced by the adjutant at the banquet.

a felony. "I believe it is a good law," declares Judge Fires, "for the wife needs protection from thieves who plunder her flock, just as much protection as her husband gets when a thief steals a cow or hog." Just another instance of where the cow, the sow and the hen get the same rating!

A. F. Yaggy, of Quitaque, line-

man for the Telephone Co., and Mrs. Yaggy have been transferred to this city.

Mrs. N. S. Locke and son, Ellis, of Miami, were guests in the E. B. Bowen home Thursday evening.

Dr. T. J. McGrath of Sayre, Okla., was a Clarendon visitor last Thursday evening.

O. L. Jacobs of the Hudgins school district called this column the 'zig-zag' column when referring to it one day this week. That is a good name for it. We may change to that, Mr. Jacobs.

Simmons Powell, local agent for the Gulf company, comes out strong for trades days for Clarendon. "We have got to go after the business or admit it has gone to our neighboring towns," he declares. "And our only salvation is to organize and go after it. As it is, much business that belongs to Clarendon is now going elsewhere." Another bit of information was gleaned from talking with Mr. Powell. "A check shows that women buy more gasoline than men do," he said, "this may be a surprising fact but it is true."

An out-of-town pedlar did a

land-office business for a few minutes on the street Tuesday afternoon. He sold everything from brushes to needles, safety razors, combs, hoe and what have you. How is it that folks fall for the "line" handed out by these itinerant fellows is beyond us. Yet it remains a fact that all a man needs to do to get cash is to use a magazine and call the crowd about him and begin raking in the dimes. That chap raked in dimes until the pockets of the small crowd were emptied. However he made only one sale of women's hose, usually

a big seller from trucks.

One of the most enjoyable afternoons spent this winter was that last Sunday afternoon when we (and ours) were invited to visit "Troublesome Canyon," on Charley Bairfield's place, southwest of the city. That running stream of pure water in that canyon is a dream. It is like the mirage on the desert. We blinked our eyes and looked a second and third time, to see if the thing was real. And those waterfalls at the head of it—marvelous place for a picnic. Mr. and Mrs. Bairfield played the perfect host to us and Ben Prewitt and Mrs. Prewitt. In the Bairfield home there is a real feature story. It is found in an old-time upright organ, the kind found 40 years ago in all substantial homes. The Bairfields have the old organ looking the same, as far as outward appearances go, but when you start opening it up, lo and behold, it is a book case. There are private drawers for valuable papers; shelves for books, and receptacles for any and all kinds of articles. But there are no reeds or pipes. It is now a book-case! Another thing we found out was that Charley Bairfield has a master's degree and, even though only 30 today,
