City Asks Co-Operation In Flood Control DONLEY COUNTY SHARES IN AWARDS IN TRI-STATE FAIR EXHIBITS

PLANS ON FOOT TO PREVENT FLOODS

FEDERAL BUREAU TO FURNISH MAN POWER IF PLAN APPROVED

Clarendon's perpetual menace of flood damage is to be lifted, if plans in the making of the city government are successful, and there is good reason now to believe they will be according to statements from the city hall. Under the plans the city is asking for full co-operation from the chamber of commerce, the county, the railroad and the citizenship in general, and so far there is evidence of willingness on the part of all.

Following up a recent meeting of city and chamber of commerce officials with Hon. Marvin Jones in Amarillo and a tentative application for a CCC camp to furnish the man power for the work incident to controlling the flood waters in the drainage areas South and West of Clarendon, it developed that no more CCC camps were available until April of 1935, and not then unless congress had provided for further extension of that relief measure.

It was found, however, that a camp under the direction of the federal transient bureau might be secured and another trip to Amarillo last Friday by Mayor J. W. Martin, City Commissioner Tom P. Connally, President Joe Goldston and Sam M. Brasswell of the local chamber of commerce for a conference with W. R. Bowden, director of the federal bureau in that city, brought details of the matter to light. Upon this plan the city commission and interested citizens have been working and now a fair chance of success is apparent.

At a meeting of interested parties with the city commission Tuesday evening at the City Hall, there was unanimous approval of the plan to handle the project which in brief is as follows:

City to furnish housing quarters for the 100 to 200 men located here by the federal bureau if the housing facilities are approved. Federal bureau to furnish all man power at no cost to city, except housing and certain medical privileges.

City to furnish transportation to and from the work.

City to furnish all materials and tools.

Land owners in drainage area to co-operate in permitting building of such terraces and dyke structures as approved by the engineers.

Engineering to be furnished free of cost by state relief agency, the state parks board.

Participation by the Fort Worth & Denver railroad in the project to some undetermined extent and after approval of their engineering staff.

Aid from the county in certain tools, teams and machinery as may be determined by conference and in line with their agreement with the CWA administration here in 1933.

Co-operation of the citizenship in reaching this opportunity to get a standing menace removed at the lowest possible cost, which will result in the saving of thousands of dollars in occasional damage and the possible loss of human life.

The city commission was authorized by the meeting to request the services of any and all citizens on committee work looking to the working out of the housing problems and the agreements with the other interested units, such as the county, school and railroad.

Clifford Davis, relief administrator for Donley County promised full co-operation from his office in maturing the plans and forwarding the work.

Mr. and Mrs. Frank Stocking were Amarillo visitors Tuesday.

Broncos' First Game Friday With P.M.C.

The Price Memorial College, of Amarillo, eleven football scrappers will invade the hostile camp of the heretofore hardfighters, the Clarendon High School Broncos. Great hopes are held out that the Broncos will again this year be hard fighters, and that the P. M. C. players will leave the field with the little end of the tally.

This is the first game of the season for the Broncos, and with the loss of several last year letter men, their strength is expected to be a little bit on the off side, but with the enthusiasm the boys have for making a great showing this year, they are determined to give the visitors a scrap for their money.

The game will be played on the local gridiron Friday afternoon.

LIONS HEAR OF FRENCH SCHOOLS

FACULTY MEMBER ADDRESSES LIONS CLUB AT TUESDAY LUNCHEON.

Teachers from the Clarendon High School were honor guests of the local Lions Club at its regular Tuesday luncheon this week at the Antro Hotel, and were presented by Supt. H. T. Burton, Lion member.

As a special feature of the program arranged by Lion Drennan, Miss Hall, French teacher of the high school faculty and late arrival in the city, spoke briefly on the French School system which is under government control from common school to university. Miss Hall, who did graduate work at Toulouse, France, gave a very interesting discussion of the differences that exist between our own system and that of the French republic, citing some features that were creditable and worthy of emulation in this country.

This being Constitution Week, Lion Link had prepared a question and answer interview which brought out the historical facts relative to the writing and adoption of the Constitution of the United States, and its subsequent amendments. All members entered into this feature by asking a question or by making answer to some of the twenty-five questions so skillfully prepared.

Chas. Lowery, Rhea Couch and Joe Bowns were unanimously elected to membership in the club on recommendation of the membership committee.

Visitors of the day were Chas. Lowery of Clarendon, Judge A. T. Cole, formerly of Clarendon but now of Dallas, W. R. Bowden and Capt. Fernold of Amarillo.

Ed Dishman Will Operate Lelia Gin

Ed Dishman, formerly of Hedley, but late of McLean where he was manager of the Piggly-Wiggly grocery store, is moving his family to Clarendon where they will be domiciled in the SoRelle home, and from this point Mr. Dishman will operate the Smith Bros. gin at Lelia Lake.

Ed Dishman is one of the most popular citizens ever to leave Donley County and his many friends here and over the county will welcome him back to Donley again.

Mr. and Mrs. Charles H. Dean of Dimmitt, enroute home from the Democratic State Convention at Galveston, stopped over here last Friday to visit with Mrs. Dean's parents, Mr. and Mrs. C. M. Lane.

SHOFFITT DRAWS 2 YEARS AT MEMPHIS

ASSAULT ON SHERIFF GUY PIERCE WAS COMMITTED DECEMBER 1933.

G. W. Shoffitt, Donley County veterinarian, went on trial Tuesday morning before District Judge A. J. Fires, at Memphis, for "assault with intent to murder with malice aforethought" against Guy Pierce, sheriff of Donley County.

Shoffitt is charged with having fired shots at Sheriff Pierce at the time that Deputy Sheriff Guy Wright was wounded in an affray in Clarendon on the night of December 31, 1933, when the two attempted to arrest Shoffitt on a liquor charge.

The defense attempted to prove that the officers made an "unlawful search and seizure" of the property in making the raid without a search warrant.

The sheriff testified he entered the residence in northeastern Clarendon, talked with Shoffitt about ten minutes, and while there, found 75 or 100 fruit jars. On cross examination he declared that some of the jars contained fruit. And after leaving the house, Shoffitt followed them, with a shotgun. Upon being discovered by the officers, he opened fire, Pierce stated. The sheriff answered the fire and in the melee Wright was wounded, which resulted in the loss of an eye. Shoffitt was later arrested in the hospital where he had gone for treatment of wounds, also received in the firing.

The case had been transferred to Hall County, and in the April trial in Clarendon, Moffitt received a two year penitentiary sentence on a charge of assault on Wright, in the same affray.

The case was given to the jury Wednesday afternoon, for deliberation, and after being out several hours, brought in a verdict of guilty, and assessed a sentence of two years in the state penitentiary.

Roy Clayton spent the latter part of last week in Amarillo where he has been serving on the Federal grand jury, empaneled by Federal Judge James C. Wilson.

School Routes Approved By School Board

The Donley county school board in its past two meetings have approved four school bus routes, namely, Ring-McKnight, Windy Valley, Ashtola and Skillet.

Route number one is the Ring-McKnight route serving the common school district of McKnight and transporting high school pupils brought from the Ring common school district to this route by a feeder line from Ring, which makes connections with the McKnight bus at McKnight. All of the high school pupils of these two districts above the grades taught in their respective districts being transported to the Hedley High School for high school training.

The board approved the contract and bond of O. E. Bailey as driver of route number one.

Route number two is the Windy Valley route transporting pupils to the Windy Valley school.

(Continued on Page Eight)

BOY SCOUTS TO GATHER CLOTHES

CITIZENS ARE ASKED TO COOPERATE IN MOVE FOR NEEDY

Sunday, September 23, the local American Legion Post assisted by the Boy Scouts will visit the homes in Clarendon to gather old clothes and old shoes, which will be distributed to school children who are in need of clothes.

The citizens of Clarendon are asked to cooperate in this worthy movement. If you have any old clothes or shoes which you would like the children to have, just bundle them up and leave them on your front porch. They will be picked up Sunday morning, and the Legion and Scouts, as well as the children will appreciate your kindness. This is a worthy cause and the citizens are called upon to help in every way.

MORE EQUIPMENT FOR CANNERY

ADDITIONAL EQUIPMENT TO RAISE OUTPUT TO 500 CANS DAILY.

Production in the Donley County Cannery has reached a maximum output of 407 cans per day. The county, in addition to furnishing equipment valued at \$275.00, has placed an order for one additional pressure cooker and one additional retort. After the installation of this equipment, the production is expected to run well over 500 cans per day.

This canning plant is the most beneficial project in operation in the county at this time in that it is giving the producers an opportunity to have their products canned at a minimum cost to them, and it is providing a good supply of well prepared food for the needy.

The success of this plant is due largely to the unusually excellent co-operation of groups and individuals with the county relief administration. Especial thanks should be given the following: Judge S. W. Lowe and Commissioners Roy A. Beverly, Sid Harris, Les Hawkins, and G. B. Beck; Mr. James Trent, Mrs. J. M. Acord, supervisor of the plant and Mrs. June Taylor, assistant supervisor; and the producers who are making possible the canning of meat, vegetables, and fruit.

To correct a rumor that one person in the county was poisoned on some meat canned at the Donley County Cannery, information has been received from Mrs. Acord that no producers have received their toll and none of the products have been issued to relief clients.

COTTON GINNING

The three gins in Clarendon had ginned up to Wednesday night 169 bales of cotton. Because of the records of one gin being damaged by the flood we are unable to give the total number of bales ginned up to the same date last year.

Price Whitlock left Saturday for Turkey where he will spend a few weeks.

Memphis Masonics Confers Degree

A Masonic degree team from Memphis, assisted by members of the Clarendon team, conferred the Master's Degree on a candidate at the lodge hall Tuesday night.

After the conferring of the degree the Clarendon lodge acted as host in serving refreshments of sandwiches and coffee to the following guests: Chas. M. Lowry, W. C. Budgis, W. C. Payne, J. M. Clarke, Hedley Lodge No. 991; Guy C. Andis, John Fraser Sr., John Fraser Jr., Groom Lodge No. 1170; J. S. Johnsey, G. L. Thompson, A. G. Powell, Memphis Lodge No. 729; M. M. Noble, Wichita Falls Lodge No. 635; John H. Vaughn, Amarillo Palo Duro Lodge No. 1239; R. A. Duncan, Amarillo Lodge No. 731; F. C. French, Spur Lodge No. 1025 and Rev. J. Perry King, Abilene Lodge No. 559.

JONES SEEKS AID SURGEON GENERAL

TOOTH STAIN IN STUDENTS TO BE FOUGHT BY REP. MARVIN JONES.

Washington, Sept. 17.—Surgeon General Hugh S. Cummings today assured Rep. Marvin Jones that he is willing to cooperate fully in an effort to determine the cause of the widely prevalent brown tooth stain among children in the Texas Panhandle, and eradicate it when the cause is found.

Further conferences between General Cummings and the congressman will be necessary, however, before it can be determined exactly how the federal authorities will proceed in the campaign to stop the stain.

Jones urged that federal funds be allocated at once for a study of the stain and its causes, but Cummings explained that it will be necessary to survey remaining funds available to the public health service for the current year before anything definite is done.

If there are no funds available, and it is found impossible to transfer money appropriated for other purposes, the detailed work will probably have to wait until the convening of Congress. Jones said today that if there are no funds for the research, he will make an immediate demand for an appropriation by Congress as soon as it convenes.

In discussing the matter with the surgeon general, Jones showed him resolutions adopted by the Amarillo Dental Society and many letters from civic and business leaders of the Panhandle stressing the seriousness of the situation.

Jones plan to confer with the general again within several days.

Judge A. T. Cole In Visit Here

Judge A. T. Cole, formerly of the Clarendon bar, but now associated with the federal district attorney's office in Dallas, was here this week visiting his family and enjoying a short vacation among many friends of Donley County.

Judge Cole is still the philosopher of yore and is hugely enjoying the political bed-fellows of the recent governor's race as evidenced by certain well-known Clarendon alignments. Judge Cole has the formula for just how it happened and just had to come home to enjoy "rubbing it in" as the saying goes.

Mr. and Mrs. George Garrison visited in Amarillo Saturday.

F.F.A. WINS 4TH PLACE IN CLUBS

MRS. W. H. CORBIN LEADS IN DONLEY COUNTY INDIVIDUAL EXHIBITS.

Donley county carried away a share of the ribbons given at the Tri-State Fair, when the judges wound up their work of placing the ribbons on the many different exhibits.

The stock judging team directed by G. L. Boykin, teacher of vocational agriculture in the Clarendon schools, and composed of Wylie Buchanan, Jesse Ed of Wylie Buchanan, Jesse Cornell and Joe Gilbert, took seventh place.

The agriculture contests were directed by Prof. Frank Phillips, superintendent of the Vocational Agriculture students division of the Tri-State Fair. Judges were W. R. Felton, Professor of Animal Husbandry of Oklahoma A. & M. College of Goodwell, Oklahoma and Don Foster, County Agricultural Agent of Quay County, Tucuman, New Mexico. Assistants to Professor Phillips were Melton Morris of Friona and Kermit Jones of Goodwell, Oklahoma.

In the Literary Division, Miss Peggy Caldwell of Hedley took the first place in short story winners. She also got second place in the "free verse" contest.

Mrs. W. H. Corbin, with no first place being recorded, received second place for men's shirt in the Old Ladies Work.

In the Division of Home Science exhibits, Mrs. W. H. Corbin brought to Donley County a goodly share of these awards, of which we are duly proud. Following is a list of places received by her, and the contests:

Canned Meats—Fried chicken, and Beef 1st.
Canned Fruits, Quarts—Grapes, 2nd.
Pickles in Quarts—Pears, 1st.
Pickles in Pints—Mixed Vegetable Pickles, 2nd.
Tomato Catsup, 1st.
Preserves—Pears, 2nd.
Jelly Glasses—Peach, 1st; and Strawberry, 2nd.
Miscellaneous — One pint of vinegar, 2nd.

The County agricultural exhibit prepared by Jesse Cornell, George Wayne Estlack and directed by G. L. Boykin, vocational agriculture teacher, is a fair example of the products raised in a drouthy country, and prepared for the exhibit with the utmost in cooperation.

Besides the county agricultural exhibit, the Clarendon Future Farmers of America Club, Vocational Agriculture Class, also had an exhibit.

In the agriculture exhibit there were twenty-three crops represented, with special emphasis being given to cotton and water-melons. The choice of the water-melons were Big Jumbos' grown by G. M. Allen, and weighing 74 and 78 pounds.

The FFA exhibit featured creep feeding for range calves, with a well made self-feeder and pen placed on the platform. The feeder and pen was built by the local boys. This exhibit also had maize, cotton and kaffir corn.

There were 10 clubs from 12 counties entered in the FFA exhibits but the local boys came out fourth. They were judged on neatness, attractiveness and improvement.

The county exhibit drew fifth place, although there were no prizes for places this year on account of the drouth, but each county was paid \$50.00 for making the display.

All who took part in gathering products for the exhibits, placing them, or aided in any way are to be commended for their co-operation.

Mrs. Paul Smithy of Memphis is visiting her mother, Mrs. Bennett Kérbow, and Mrs. J. W. Smithy this week.

County Hospital Collections Necessary If Institution Continues, Say Officials

The object of this article is to more nearly acquaint the people of Donley County with reference to the Adair Hospital. We feel that many look upon it as an institution owned and operated by Donley County with little or no restriction as regards the admission of patients and little or no effort made in the collection of bills due.

In this connection we feel it should be stated again that the Adair hospital is a county institution in one respect only; that is such amounts as the management might fall short in collecting enough for running expenses that the county would and does supply that amount, which, of course, means that when the hospital makes running expenses the county is not called upon to pay anything at all.

During the years since this arrangement has been made with the county the hospital has accumulated a little more than \$12,000.00 worth of notes. Should a reasonable portion of these notes be collected the county would not be called upon for some time. During the year of 1933 Donley County paid to the Adair Hospital about \$2700.00 which is the heaviest call what has been made upon county funds since the hospital has been running upon the present plan, 1934 promises to be heavier unless a halt is called. \$2275.00 already been allowed.

The above explanation has been made in order to get to the seriousness of our situation. So far as we can see now only one or two things can happen. The hospital will have to make some collections or the institution will have to be closed. The Commissioners court have been and still is the most considerate body possible to have as regards the institution. They have done everything a body of men can do but the condition of the county is such that it cannot continue the expenditure of funds when it has no funds.

We do not wish to be misunderstood in this matter; we do not regret admitting any one that has been in the institution and who has paid their bill, but this is an open and frank statement of conditions and we are urging immediate collections of all notes and bills that are now due and past due in order that the hospital can continue to be a blessing to

A DESERVED HONOR OF HONORS

Donley County won first honors for fried chicken at the Tri-State Fair in Amarillo this week, when Mrs. W. H. Corbin's exhibit entry of the canned delicacy was judged first among many worthy entries.

That is an honor that is an honor. Many miles away our canned fried chicken wins the blue ribbon, but for an experience of your life come to Donley and enjoy fried chicken hot and crisp with cream gravy and hot, fluffy biscuits to go along.

Those judges knew their stuff—here is an honor that is an honor.

OPPORTUNITIES FOR PROFIT

With the increasing tempo of the cotton gin, and the money the marketing of the fleecy staple pours into the channels of trade, the corn-hog contract money soon to be distributed along with other federal monies in Donley County, there is an immediate opportunity for profitable merchandising.

Probably at no other period in the last thirty years has there been such a demand for clothing and supplies of all kinds, so that it is easily apparent that people must spend their money for the necessary items of personal and home equipment this fall and winter.

Clarendon merchants will do well to build their fall campaign along this line of thought and do the necessary advertising in the early days of the Fall so that profits may be theirs in the weeks and months to follow.

Opportunities for profit are within reach. Let's not fail to prepare and grasp them.

CO-OPERATION—THE INGREDIENT OF SUCCESS

In solving flood control in Clarendon—a problem of over forty years' standing, the city commission has called for the co-operation of all units and citizens interested.

Here again is demonstrated that need for the one indispensable ingredient of success. Married life cannot be successful without co-operation; a team of horses cannot get the job done if they do not pull together; a colony of ants do not labor at cross purposes; nations do not win wars or the victories of peace without co-operation. Neither can Clarendon win her battle against the flood menace without the help and willing co-operation of all those who are interested.

In the nature of the drainage area the city, the county, the railroad, the school and many citizens and landowners not in the corporate limits are involved.

Mayor Martin is right when he declares that the success of the project to rid Clarendon of her flood menace with recurrent damage is dependent upon the co-operation of all interested parties.

Here, as elsewhere and in all important objectives, co-operation is the ingredient of success.

THE MATURER JIMMY ALLRED

We are glad that James V. Allred, successful candidate for governor of Texas, spent several days at his old home in Wichita Falls following the Democratic primary, for it enabled many of his old friends to renew their acquaintance with their fellow townsman and to know him better—to glimpse the man into whom he has developed.

We say it with no disrespect, but when Jimmy Allred left here several years ago to take office at Austin as attorney general of the state of Texas, there was still much of the rawness and eagerness of ambitious youth about him.

Those who observed him over last week as the successful candidate in his race for governor saw maturity and humility and soberness and toleration where they had seen these other qualities four years ago.

They liked the Jimmy Allred into whom the youth has developed and been refined by fires of experience.

Even those who opposed his candidacy or who gave it unenthusiastic support look to his administration with hope and confidence.

With a legislature that may be counted as friendly to his administration and its program and with support that comes from every county and section of the state the situation is highly favorable for the success of the incoming administration.—Wichita Falls Daily Times.

Durable Paving Held Safest for Highway No. 5

Plans understood to include the pavement of a section of Highway No. 5 with part of the \$12,000,000 or more granted to Texas by the Federal government, has roused discussion here over the type of pavement that should be built.

One of the important points raised is safety, with general agreement that the safest type of surface is the only practical pavement for this much used road. Steadily growing traffic on Highway No. 5 is inevitable, it is felt here. And, considering that each year sees greater speeds built into automobiles, highway facilities should be provided with the largest safety factor possible.

A type of pavement offered as a solution for the safety problem is concrete. Claims made for it are backed up by the experiment of motorists everywhere who have a chance to compare different kinds of roads.

Concrete, say these motorists, presents a good surface of tire grip, reducing the possibility of skidding. Its level surface enables vehicles to ride smoothly at modern speeds. The low-crowned surface does away with center-of-the-road driving. At night its clearly defined edges, and property of reflecting lights at long distances, provides greater visibility for the driver. These factors, true in all kinds of weather, tend to reduce accidents and their resultant tragedies both in death and injury.

It's the safety advantage of concrete roads that gives them the enviable quality of Travelaxation. When a motorist knows that the highway ahead is level, bumpless and easy to see, he can relax and drive without the tension that makes motoring so often a tiresome proposition.

When plans of the Highway Department become definite, and the proposal to pave Highway No. 5 approved, there will be wide support here for concrete.

Dr. and Mrs. G. W. Evans, Miss Ross and Mr. and Mrs. Odo Caraway spent Sunday sight seeing in the Palo Duro Canyon.

H. A. Harrison and William S. Bagby served on the Federal Grand Jury in Amarillo the latter part of last week.

Science Provide New Limbs for Man While Nature Aids Animal

Biology tells us that some forms of animal life are capable of growing new parts to replace those that have been lost. Cut off a quarter of the flat worm's length and he proceeds to grow more worm again. Pull off one of a crab's claws and he sprouts a new one.

Dame Nature has not seen fit to grant man this privilege but Science has done wonders in helping man to do for himself what Nature failed to do for him.

Now, no man need be a cripple just because he has lost a leg or lose his usefulness because of the loss of an arm. Both of these can now be replaced with artificial members of seamless aluminum alloy so light, so easy in operation, that men, women and even children, who have suffered an amputation, can still engage in almost any form of work or play.

Himself the wearer of an artificial limb for many years, D. E. Hedgecock, President of the Hedgecock Artificial Limb & Brace Company, says, "Losing an arm or a leg now may not be so very much worse than losing all one's teeth—that is, if the artificial member is made of modern materials, is properly designed to suit the needs of the individual and is fitted by experts who desire, conscientiously, to help the client regain the greatest possible usefulness."

1826 Head of Cattle Bought By U. S. in Donley County

Government officials have bought in Donley County up to last Saturday, 1826 head of drouth relief cattle. 1468 head being shipped alive and 358 have been killed. This represents an expenditure on the part of the Federal Government of \$25,516. About 5000 head have been listed in the County for sale.

County Commissioner and Mrs. Les Hawkins spent Tuesday in Amarillo taking in the Tri-State Fair.

E. T. Naylor, left for Carlsbad, New Mexico Tuesday to resume his work as auditor for The New Mexico Potash Co.

Your Power Company A Service Institution

West Texas' phenomenal progress during the past decade has been equalled only by the steady expansion of its West Texas Utilities Company, for while West Texas has been carving industrial history, this company—to aid and foster that growth—has kept its facilities modern and in advance of immediate needs.

Today 2,600 miles of cardinal Transmission Lines—energized from three large, strategically located main generating stations and strengthened by many auxiliary or stand-by plants—has replaced the precarious and costly part-time "lighting" plant of yesterday. This new-day Transmission System insures an immediate supply of power sufficient to meet any development.

The program of this Company has been, and will continue to be, the rendering of increased use of service by constantly decreasing rates. Since the organization of the West Texas Utilities, the consumers have benefited by total rate REDUCTIONS amounting to MORE THAN SIXTY PER CENT—an unheard-of accomplishment in the days of isolated plants.

Electricity renders one of the most valuable services to the household. Yet it is sold at the lowest price of any item of the household budget. It represents approximately only one per cent of the workman's total expenditures. Electricity is cheap! You should use much more of it.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

West Texas Utilities Company

WINDY VALLEY SCHOOL NEWS

The pupils and teachers of Windy Valley School enjoyed a weiner roast and marshmallow toast at the school house at 6:00 Wednesday evening. Everyone enjoyed playing all of the clever games. We played for about an hour, then all began to hunt wires, sticks and forked limbs to roast the weiners with. After each had eaten his fill of weiners, toasted marshmallows concluded the menu of the evening. We went home feeling very fine and hope that we shall enjoy another feast like this soon.

School will probably close this week if the weather continues to be clear. A large number of the pupils have already withdrawn from school until after cotton picking is finished.

The Windy Valley School Literary Society met Friday afternoon at 3:30 o'clock. The following program was given:

- Group of songs given by the High School and grade pupils.
- Reading—Eugene Svinney.
- Reading—Oliver Drake.
- Play—Bennie Simmons, Mason Cole and Cecil Rene Walker.
- Reading—Leola Hudson.
- Reading—Jo Nell Stogner.
- Dialogue—Jack Simmons and Lester Walker.
- Reading—Helen Sargent.
- Groups of songs, by intermediate room.

Everyone enjoyed the well presented program. The club voted that the Primary room would entertain at the next regular meeting of the club.

There were a number of visitors last Friday at the club meeting. The boys are planning to organize a troop of Boy Scouts. We will know more about the Scout organization when school takes up after cotton picking.

The new school bus that is to carry the school pupils to Hedley has been delayed, due to a short delay at the factory. It is hoped that it will be here soon.

There are a number of Windy Valley School boys going out for football at Hedley. The report is that Hedley will have a fair team.

SUNNY VIEW
By Pauline Brame

Mr. and Mrs. Sam Roberts called on Mr. and Mrs. Devertie Leathers Monday night.

Mr. and Mrs. Millard Starks were dinner guests of Mr. and Mrs. Heckel Starks Monday.

Mr. and Mrs. F. L. Behrens had as their guest Sunday, Mr. and Mrs. Roy McKee and family.

Mr. and Mrs. Sam Roberts attended a weiner roast in the home of Mr. and Mrs. Ayers Saturday night.

Mr. and Mrs. Heckel Starks, Mr. and Mrs. Neal Bogard and children, spent Sunday with their parents, Mr. and Mrs. Millard Stark.

Mr. A. M. Lanham and grandson, L. E. Seatt, were dinner guests in the R. A. Brame home Sunday.

Miss Paulin Riley has been ill and was absent several days from school, but is able to be back again.

Mr. and Mrs. Roberts called on their daughter, Mrs. Floyd Parker Saturday.

Mr. and Mrs. Jim Cannon called in the Nelson Riley home Thursday afternoon.

Mr. Dick Lanham called on Mr. and Mrs. Heckel Starks Monday afternoon.

Mr. A. M. Lanham and son, Dick, and R. A. Brame called on Mr. and Mrs. Sam Roberts Wednesday night and enjoyed "42" and music.

Miss Nannie May Behrens returned home from Claude. She has been visiting her sister, Mr. and Mrs. T. T. Waggoner.

Public Hearing Held On County Budget: Adopted by County

A public hearing was held on the County budget last Thursday, and as there were no dissenting votes it was adopted by the Commissioners Court.

The hearing had been postponed from September 10, until September 13 because of the absence of Judge Sam W. Lowe on the regular meeting day of the court.

The old tax rate of 7 1/2c will be continued and will be distributed as follows: Road and Bridge Fund, .30; Jury fund, .06; General fund, .25; Sinking fund, .11 and the Donley County-Fort Worth & Denver City Ry. Co., sinking fund, .02.

YOUNG COUPLES UNHURT IN WRECK

CAR RUNS OFF BRIDGE IN CITY LIMITS OF HEDLEY FRIDAY NIGHT

Last Friday night, Lawrence Whitlock, Leroy Weathers, James Pearcey and Misses Dora Lucille Pearcey, Ruby Lee Scoggins and Dorothy Fae Scoggins escaped unhurt except for slight bruises, when the car in which they were riding ran off a bridge, about six feet high, just at the edge of Hedley, as they were returning home from Memphis, where they had gone to attend a picture show.

Leroy Weathers was driving the car, a Buick Sedan, but the cause of the accident has not been ascertained.

The car, belonging to Whitlock, was damaged to the extent of about \$125.00.

Whitlock probably received the greatest scare as he was thrown through the top of the car. For his untimely flight he received a small cut in an arm.

FELLOWSHIP CLUB

The Fellowship Club, men's organization of the Presbyterian Church met last Tuesday evening in the basement of the Church, with Mr. Sloan Baker, president, in charge.

A report of the devotional work for men was given by Rev. McKee, and it was voted unanimously that the club reorganize its programs so that there would be more time for devotional services and less time given to recreation as has been done in the past.

Next Thursday night will be the first of the newly arranged spiritual programs, which will be given once each month. The regular meetings will continue to be every other Thursday night at eight o'clock.

B. P. Brents was elected and installed as reporter in the business meeting, following reading of the minutes of the last meeting.

The president appointed Homer Taylor, W. G. Word and B. P. Brents as a program committee for the next meeting.

Members urged to be present next Thursday night.

Mr. and Mrs. Clarence Bobo of Paducah visited Mr. and Mrs. A. J. Parker Sunday. Mrs. Bobo is Mr. Parker's sister.

Mr. and Mrs. Burr Shane and daughter, Sandra, of Amarillo were guests of Mr. and Mrs. W. C. Stewart Sunday.

A. G. Lane, Jr. of Borger visited his parents, Mr. and Mrs. A. G. Lane over the week-end.

Clarendon Man Now Manager of 100 Piece Tech College Band

Lubbock, Texas, September 18.—"From all indications Texas Tech will have an active 100-piece band this fall," predicts D. O. Wiley, new director of the band. Some 50 Tech musicians started rehearsals last Tuesday, and this number is expected to increase with the opening of school. The group now practicing will play at the Texas university-Texas Tech football game September 22.

New uniforms will carry out the Spanish theme, and will be ready soon after school opens. Oliver McElya is the present manager of the band; other officers will be chosen when school opens.

Mr. McElya will be remembered as a former citizen of Clarendon.

Audit Reveals Tax Collector Under-Paid Sum of \$12.95

The routine audit of the records of the Tax Collector which has been in progress for the past several days has been completed and a summary of the audit reveals that Tax Collector M. W. Mosley has been under-paid the sum of \$12.95. The audit covered a period beginning March 1, 1929 and ending June 30, 1933.

The auditors stated they found the records in excellent condition and congratulated Mr. Mosley and his Deputy, Mr. Bownds on the excellent manner in which they were conducting the affairs of the office, and assistance rendered them while they were here making the audit.

Mr. Bownds has been elected as the nominee for Tax Assessor-Collector for the coming two years.

The audit was made by representatives of the Comptroller of Public Accounts.

Jack Draffen left Saturday night for Austin where he will enter Texas University. Charles Walker also left with Jack Saturday night.

SCHOOL CHILDREN SEE SILK STAGES

GREENE'S WINDOW EXHIBIT PROVES OF VALUE TO SCHOOL STUDENTS.

An exhibit of unusual interest attracted the attention of the populace Monday morning. It was an exhibit showing the different stages in the making of silk, in the window of Greene's Dry Goods Store.

Monday morning several hundred school students of the South Ward school came to town to view this wonderful exhibit. Their teachers explaining the charts, in the making of silk from the time the eggs of the larve are laid, through the larve stage, the gathering of the cocoon in Japan, and the finished thread of silk.

This exhibit was of much interest to the children, and is in line with the teachings of the history of this industry, which is one of the largest in the world.

COTTON CONTRACT CHECKS EXPECTED HERE SOON

Persons who rented the Government cotton land in Donley County have been eagerly awaiting their checks for sometime, and according to information from the office of County Agent Broun, these checks are expected to be received any day.

The check are for the 1934-35 cotton contracts, and total \$5,053.35.

CORN-HOG CHECKS EXPECTED HERE OCTOBER 10

According to County Agent Broun, he expects to receive the corn-hog checks from College Station about October 10, and when they are received they will be delivered by Miss Lou Naylor. By the time the checks are received they will number about 228, stated Mr. Broun.

SOME FACTS ABOUT TEXAS IN 1931

A baby is born every 5 minutes in Texas. Twelve every hour and 288 per day.

There is a baby to each 13 families, a radio for every 5, and for each 1 1-2 families somebody has bought an automobile.

Texas has 156.00 more radios and 820,000, more automobiles registered than babies; the total being 101,617 babies, 257,686 radios and 921,752 automobiles.

A person dies every 9 minutes—every hour, and 158 every day in Texas.

There are 8.6 deaths among the whites; 12.6 among the negroes; and 10 among the Mexicans per 1,000.

Rheumatic Pain Stopped by Lemon Juice Recipe

Try this. If it doesn't relieve you, make you feel better and younger and happier, your druggist will refund your money. Get a pack of the REV PRESCRIPTION. Mix it with a quart of water, add the juice of 4 lemons and take a tablespoonful two times a day. In 48 hours, usually, the pain is gone, joints limber up, wonderful glorious relief is felt. Equally good for rheumatism, or neuritis pain. Costs only a few cents a day. For sale, recommended and guaranteed by all leading druggists. Any druggist will get the REV PRESCRIPTION if you ask him to do so.

Memphis Legion Post To Stage Rodeo Nov. 10-11

Memphis, Texas.—The local post of the American Legion has contracted with Roy Mayes, rodeo promoter, to stage a rodeo and roping event here on November 10-11, as a part of the Legion's Armistice Day program. Mr. Mayes has staged three rodeos here in the past, and is well known over Western Texas and Oklahoma as a successful rodeo promoter. The Legion feels that the selection of Mr. Mayes to stage this event assures them of many entrants from all sections of the country. Other entertainment features will be combined with the rodeo and roping event, and all persons interested in entering any of the events, are asked to communicate with Roy Mayes at Memphis, Texas.

LADIES AID TO HAVE MARKET SATURDAY

Wednesday at the regular meeting hour, the Ladies Aid of the Christian Church met in the church with a missionary program. Mrs. C. R. Gamblin, vice-president, presided over the business meeting in the absence of the president. At the business meeting, it was decided by the ladies that they should have a market Saturday at the M-System. Any cooperation will be greatly appreciated by the ladies. It was also voted at this meeting to change the regular meeting hour from four o'clock to three. The Aid will meet again next Wednesday with Mrs. C. R. Gamblin as hostess at her home.

MRS. L. L. SWAN HOSTESS TO EPISCOPAL LADIES

SOCIETY

JO ELLA STEWART, Editor

Mrs. Patrick Hostess To Blue Bonnet Club

One of the loveliest social affairs of the week was given Thursday afternoon by Mrs. W. H. Patrick when she entertained the Blue Bonnet Club at her home. Orchid and pink were the colors featured in the table appointments, and a bowl of orchid and pink asters centered each table.

Mrs. Curry Powell received high, and Mrs. R. D. Biggers was fortunate in the cut for consolation.

Refreshments were served to Mesdames Charles Bagbee, James Trent, J. D. McClelland, Sam Sayre of Mineral Wells, Texas, and Mrs. Bank Jones of Amarillo, guests; and to Mesdames Odos Caraway, John Blocker, George Ryan, Charlie McMurtry, Guy Stricklin, Arthur Letts, Robert Biggers, members, and the hostess, Mrs. W. H. Patrick.

1930 Good Will Club

Mrs. Frank Hommel entertained the members of the 1930 Good Will Club at a lovely autumn party at her home. This was the first meeting held by the Club since they disbanded for the month of August. The meeting was opened with the poem, "In the Land of Beginning Again." A short business session was held in which Mrs. L. H. Earthman was elected reporter to fill the vacancy which occurred when Mrs. Clifford McCrary moved to Amarillo. Mrs. Dick Bain was elected secretary to fill the vacancy of Mrs. Henry Brady who moved to Claude recently.

Reports showed that the Club found time for welfare work even during their vacation. A very constructive program has been planned for the fall and winter.

The meeting days were changed from Thursday to Friday, and the next meeting will be Friday, September 28, with Mrs. Dick Bain hostess.

Sewing and pleasant conversation followed. A lovely salad course was served to Mesdames Herman Pitts, Si Johnson, Melvin Cook, Joe Carlisle, Leslie Carlisle, Claude Gambin, Dick Bain, L. H. Earthman, L. H. Earthman, and the hostess Frank Hommel.

Birthday Party

Florine Goodson celebrated her seventeenth birthday Friday evening with a birthday party.

Pink and white were used in the table decorations, and pink and white flowers decorated the entertaining rooms. After the honoree had graciously thanked each for his gift, various games were played.

Delicious refreshments were served to Misses Leon Ford, Mickey Ferrell, Evelyn Warren, Lethia Warren, Lola Bryant, Katherine Teeters, Lucile Night- ever, Opal Jewell Clifton, Fannie Satchey, Arlene Goodson, and Messrs. Eugene Baxter, Bob Goodson, L. C. White and Jess Morgan of Wichita Falls, Jim Goodson, and the honoree, Florene Goodson.

1926 Book Club

The 1926 Book Club met in the Club Rooms Tuesday afternoon at the regular meeting hour. Beatrice Antrobus and Thelma Bennett were hostesses.

President Mary Thornberry officiated at the business meeting. "Thirty Years in the Golden North" by Jan Welzl was the book studied by the club. Edna Boykin was program leader, and Mildred Martin told the story. The discussion of the story was given by the program leader.

Late in the afternoon, refreshments were served by the hostesses, Thelma Bennett and Beatrice Antrobus, to Edgar Mae Mongole, Ietta Bourland, Edna Boykin, Ruby Bromley, Dewey Clifford, Hazel Clifford, Myrtle Ingram, Alta Lane, Mildred Martin, Velma Lane, Jennie Dale Porter, Luma Smith, Mary Thornberry, May Nell Teer, Zell Tombs, members and Edith Mohr and Leta Verne Wewoka and Mrs. Emmitt Thompson of El Reno, Oklahoma, guests.

Owessia Camp Fires Have Garden Parts

Margaret and Lalar Belle Wilkerson were hostesses to the Owessia Camp Fire Troop on Saturday evening at a lawn party. Varied colored lights were strung across the lawn.

Lively games furnished entertainment for the children during the evening.

Refreshments were served to Ethlyn Drennan, June McMurtry, Dorothy Nell Baker, Kathleen Ryan, Phoebe Ann Buntin, Gene Teat, Jo Word, Jane Kerbow, Edith Shelton, Rue Zelle Ryan, Katherine Teeter, Frances Grady, Billie Lou Gilbert, Dorothy Kerbow, Betty Jo Caraway, Louise Russell, Joan Smith, Mildred Atteberry, Geneva Armstrong, members of the troops, and John Howard Gilbert, Katrinka Carlisle, Billie Cooke, Homer Tucker, Claude McGowan, Ray Palmer, Phillips Gentry II, J. D. Swift, Edward Blair Ozier, Rayburn Smith, Jr., Dan Boston, Billie Patman, Hugh Sloan Baker, Ben Hill Jr., John M. Bass, Al Word, Cleo Russell, Johnny Grady, Dwight Tombs, and Freddie Chamberlain, invited guests, and the hostesses, Margaret and Lalar Belle Wilkerson.

The next meeting of the Friendship Club will be Tuesday afternoon in the home of Mrs. J. R. Skinner.

Presbyterian Auxiliary

The Presbyterian Auxiliary met Wednesday at the church. Following a short business session, Reverend McKee gave a talk on evangelism.

A social hour followed Rev. McKee's talk. Those present at the auxiliary were Mrs. John Potts, Mrs. Wisdom, Mrs. Will McDonnell, Mrs. A. L. Chase, Mrs. R. S. McKee, Mrs. Lee Morrison, Mrs. W. G. Word, Mrs. W. L. Montgomery, and Mrs. Sloan Baker.

B. P. R.'s Enjoy Chili Supper At Club

Mrs. G. L. Boykin was elected as president of the B. P. R.'s at their first meeting at the Country Club Thursday evening. After the members had enjoyed a chili supper outside, games of "42" were played on the club house porch. Mrs. Fred Rathjen played high in the games and Sam Braswell low.

Members present were Mr. and Mrs. H. T. Burton, Mr. and Mrs. Sam Braswell, Mr. and Mrs. G. L. Boykin, Mr. and Mrs. J. R. Porter, Mr. and Mrs. Curry Powell, and Mr. and Mrs. Fred Rathjen.

Mrs. T. H. Ellis Hostess To Club

Among the many delightful parties of the week was the one given by Mrs. T. H. Ellis Tuesday. Members of the 1922 Bridge Club were guests at this occasion.

A pink and white color motif was used in the table appointments, and garden flowers profusely decorated the entertainment rooms.

Mrs. Sella Gentry and Mrs. J. L. McMurtry were awarded the prizes by the hostess.

Two course refreshments were served to Mrs. George Ryan, Mrs. J. L. McMurtry, and Mrs. Sam Dyer, guests, and Mrs. L. H. Bagby, Mrs. Charles Bugbee, Mrs. Odos Caraway, Mrs. R. A. Chamberlain, Mrs. Sella Gentry, Mrs. A. R. Letts, Mrs. J. D. McClelland, Mrs. L. L. Swan, Mrs. James Trent, Mrs. T. H. Ellis, members.

The Methodist Missionary Society met in the Church Wednesday. Mrs. Sam Braswell had charge of the business meeting, and Mrs. M. R. Allensworth was the lesson teacher. "The Orientals in America" was the mission book studied by the ladies. Twenty-five members were present.

Friendship Club

Mrs. J. D. Stocking was hostess to the Friendship Club at her home Tuesday. Each woman brought a covered dish and after a sumptuous dinner, the day was spent in pleasant conversation and quilting.

Guests for the occasion were Mrs. Arthur Chase, Mrs. Will Martin, Mrs. M. W. Mosley, Mrs. W. B. Van Eaton, and Mrs. Bee Crites of the Chamberlain community. Members present were Mrs. E. J. Teel, J. L. Allison, Mrs. J. H. Tombs, Mrs. M. T. Crabtree, Mrs. B. E. Linsey, Mrs. M. E. Thornton, Mrs. J. R. Skinner, Mrs. Harley Skinner, Mrs. M. E. Mongold, Mrs. L. Bal- low, Mrs. Eva Womack, and the hostess, Mrs. J. D. Stocking.

The next meeting of the Friendship Club will be Tuesday afternoon in the home of Mrs. J. R. Skinner.

Presbyterian Auxiliary

The Presbyterian Auxiliary met Wednesday at the church. Following a short business session, Reverend McKee gave a talk on evangelism.

A social hour followed Rev. McKee's talk. Those present at the auxiliary were Mrs. John Potts, Mrs. Wisdom, Mrs. Will McDonnell, Mrs. A. L. Chase, Mrs. R. S. McKee, Mrs. Lee Morrison, Mrs. W. G. Word, Mrs. W. L. Montgomery, and Mrs. Sloan Baker.

BUSY WOMEN'S CLASS HAS CREAM SALE

The Busy Women's Class of the Methodist Church sold cream, cake, coffee, and doughnuts Wednesday next door to Land's Shoe Shop. A pink silk quilt was given away by the ladies.

As Wednesday was Trades Day, the ladies gave a favorable report of their proceeds, and wish to thank all who cooperated with them.

Elsie Ellis Has Birthday Party

Elsie Mae Ellis celebrated her eleventh birthday Tuesday with a party at her home.

The honoree received many beautiful gifts and after each had been opened and admired, the children played games for the remainder of the afternoon.

Refreshments were served to Lois Beach, Thava Camp, Laverne Phillips, Muriel Dee, Geraldine Clayton, Wanda Thea Jackson, Maudine Foust, Maxine Robinson, Rosalee Ellis, Mary Ellen Pipes, Betty Lou Ellis, Charline Ellis, Lucille Nightever, Frankie Whitlock, and Janell Lowe, Jimmy Lane, John Foust, Billy Marvin Land, Gene Lane, Harold Ellis, and Leroy Foust.

Charlie Walker Honored Friday

Charles Walker was honored Friday evening with a buffet supper, given by Helen Lawler at her home.

Green tapers lighted the dining room, and yellow garden flowers centered on an ecru lace cover completed the decorations.

Dancing and bridge entertained the guests until a late hour.

Those to enjoy this delightful party were Misses Joyce Link, Ella Mae Hogan, and Dean Bullard, Vernell Leathers, Frances Johnson, all of Lelia Lake, and Messrs. Paul Talley, J. R. Cox, Hugh Phelps, Harold Phelps, Charles Walker, the honoree, and Helen Lawler, the hostess.

Parent Teacher To Sponsor Dog Show

The P. T. A. has resorted to every means to raise money for the organization, but never until this year has the organization "gone to the dogs."

The Sims P. T. A. will sponsor

a dog show Thursday September the twenty-seventh on the Court House lawn. Before the show, the school children of the South Ward will parade down Kearney with the dogs. An admission fee of ten cents will be charged.

Prizes and blue ribbons will be offered to the winners. Anyone who has a nice doggie, soup hound, or a thoroughbred is requested to notify Mrs. Ruby Bromley, Mrs. Cap Morris, or Mrs. Zell Tombs. There will be no entrance fee.

Methodist Missionary Society

GARDNER B. Y. P. U.

The subject for the program of the Gardner B. Y. P. U. for September the twenty-third will be "Native Preachers and Bible Women."

Pauline Carlile will discuss "Trained Native Workers," and "At Work in Africa" will be the subject of La Verne Kimbriel's part. Mary Earthman will give "Preaching the Gospel in Cuba," and Bobby Leathers will discuss

Blue Bird Camp Fire Troop

The Blue Bird Troop of the Camp Fire Girls met in the home of Cassandra Morris Friday afternoon.

Following the regular business session, Mrs. J. H. Morris, mother of the little hostess, conducted a lesson in the making of three varieties of cookies.

Refreshments of cookies and milk shakes were served to Maryln Sawyer, Charlotte Ann Tombs, Nelda Sue Burton, Ann Ree Porter, Naomi Morris, Margaret Faye Wadsworth, Roxie Lawler, Cassandra Simms Morris and the guardian, Geraldine Pratt.

The Blue Birds will meet next week in the home of Maryln Sawyer.

"A Steward of the Word." The concluding number on program will be a discussion of the topic, "Another Faithful Evangelist" by Houlda Jo Cauthren.

WHY HAVE A SCHOOL NEWSPAPER?

There is no doubt that a school paper is a valuable asset to any school. The only mistake that most people make in regard to this is that they usually think of only one or two advantages, while in reality such a paper can be valuable in a number of different ways.

The most widely recognized object of a school paper, as of any newspaper, is to present the news of the little everyday happenings as well as the more important big events of the school year to everyone who is interested in the welfare of the schools. However, it must be remembered that there are few students or patrons so interested in school activities that they will continue to wade through a dry, monotonous school page that is just the same every week. Therefore, if those who prepare the paper expect it to have a large number of interested readers, they must constantly be searching for new ideas and new features.

The paper is valuable also as a school project. Any common undertaking which needs the co-operation of the entire school, such as football, basketball, tennis, interscholastic league work, etc., helps to break the monotony of the regular studies and thus makes school much more interesting and enjoyable to the student. The school newspaper should definitely be placed in the group of activities mentioned above, for it also requires the co-operation of the entire school in its composition, and is eagerly awaited on publication day by all the students.

Another benefit of the paper which is of interest to a much smaller group of students is that it affords an excellent opportunity to those who are interested in writing and journalism. If they have definitely decided to study journalism, writing for the paper gives them excellent practice, and aids in their development as writers, many who merely enjoy writing may get a great deal of enjoyment and practice out of helping with the paper, and they, too, may finally decide to seriously study journalism.

In these and many other respects the school newspaper is of great value to the school patrons, the faculty, the student body as a whole, and to the smaller body of students that is especially interested in its composition.

PALO DURO SOCIETY TO BE RE-ORGANIZED

With the exciting news that high school seniors are to be included in the College Societies, the Palo Durans, though not yet organized, are looking forward to a most interesting, profitable and enjoyable year. The society has suffered a severe loss in membership since last year, for a large majority of the former members have graduated from the college, have gone off to school, or have virtually retired on account of old age. This leaves only four or five active members and a few others who have been active in the society for so long that they feel that it would be better to turn the society over to younger blood.

In spite of these difficulties and the apparent tardiness in organizing the society, the few remaining Palo Durans believe that with the added members to be gained from the Senior class and the others from the college classes that they will be able to build the largest and best Society in Palo Duro history, and that they will also soon be able to show the apparently powerful Alpha Deltans what a real school society can do and be.

The first meeting of the year was called for last Tuesday night, and a complete report of this meeting will be given in the next week's Broncho Range.

Typing Department Receives Eighteen New Typewriters

Six new Underwood typewriters have been delivered to the typing room and immediately put into use by the high school and college typing classes it has been announced by Mr. Kerby. Information also comes that six new Woodstocks are in Amarillo and that six new Remingtons are also on the way.

The various typing classes are making interesting comparisons between the new and old style machines. It is expected that with these new typewriters students will be able to greatly increase their speed and accuracy. The students, as well as the instructor, wish to thank the school board and citizens who have made this purchase possible. They will endeavor to leave the machines in as good condition as possible for students of coming years.

WEE WILLIE WONDERS

(Editor's Note: This letter and the article printed under it were received by mail by the editor of The Broncho Range last week. These anonymous sketches and any others that may be submitted will be gladly published each week, although we would prefer to know the writer's name.)

Editor of Broncho Range,
Dear Sir:

As a student of Clarendon Junior College and Clarendon High School I am submitting a sketch for your consideration. Should it prove worthy of publication in The Broncho Range section, I will continue to try to write them.

I wish my name to remain a secret if possible; therefore I remain only as,

Very truly,
WEE WILLIE.

If the Jumping' Juniors have any intention of beginning the season's entertaining? Are they going to wait for the Social Seniors to start the annual squabble of "Are we gonna invite those So and So's to this Whatis?" Every year it's the same old row, so let's begin the season right by the Juniors entertaining the Seniors. (That ought to start a good and lasting argument for '34-35.)

Why the Seniors are so smart at this early date of their year? Boy, they have four students from Ashtola as officers of the honorable Senior Class of '34-35. Looks as if those new ones know their politics from A to Z. Those Ashtola folks are bound to make good if they can crash the Senior Class that way the very first year.

If the Alpha Delta Psi is as good as the most worthy president, Homer Estlack, says it is? Wee Willie believes Bill Walker is some publicity man, and if the front pages aren't loaded with news of the Society it will be because Bill is out of Soup.

If Clarendon Junior College will ever have another Football Team to carry on where the ancient Bulldogs left off? The studies of C. J. C. seem to favor the idea to start one for next year, if they can't have a team this year.

If that mighty man from Martin isn't called Buttercup down in Puddle City (Lelia Lake) by a Brown eyed blonde?? Wee Willie has an idea that Rocie is the original cause for Red headed girls being red headed.

If that Ashtola Bus could stay for the Football Games. If so, dear old C. H. S. would have the best Pep Squad in years, for can that bunch yell and sing?? I sez so.

If that goggle-eyed guy from Tech can tell the truth? From what Wee Willie heard him say, he has caught more fish in two hours than Mr. Burton has caught in a lifetime.—Tsk, tsk, now how would you classify that tale? Wonder if he learned that at Tech or is it just natural?

If the Sophs will continue to grow smaller year by year?? Wee Willie remembers when the Sophs came up from Junior Hi with a full growth of whiskers (the male members, of course) and the idea that they could make the Broncho Squad the very first year. Them wuz the good old daze when Wee Willie was bustin' biology under Batton.

Gene Butler, Jess Cornell, Wylie Buchanan and Howard Gilbert report an enjoyable visit to the Fair and judging events on Monday, September 16. Mr. Boykin, Agriculture instructor for these boys, accompanied them.

Bronchos vs. Price Memorial College

Friday marks the opening of the Bronchos season. The players are scheduled to clash with the Price Memorial College eleven of Amarillo, on the local gridiron.

This should prove to be a game well worth the money. The team from Amarillo has a number of important teams listed on their schedule for the coming season. Some of these teams are N. M. M. I., W. T. S. T. C., Altus Junior College, Wayland College, and N. M. N. U.

The starting lineup for the Bronchos will be selected from the following players:
Ends—Martin, Powell, Cole, McGowan.

Tackles—Easterling, Boston, Sibley, Buchanan.
Guards—Strawn, Lane, Butler, Rogers.

Center—Barrow.
Backs—Greene, Word, F. Holtzclaw, Turnbow, Wall, Cornell, W. Hudson, T. Holtzclaw.

It has been rumored that the local squad hasn't a chance, but you fans think back to the first game of last year. The Cordell College team came from Oklahoma prepared to run the Bronchos off their own range. But they were forced to return bearing "hoof prints" of the gallant Bronchos.

JUNIOR HIGH AND SOUTH WARD NEWS

It seems that in the South Ward work is starting with a bang. All the children in Mrs. Headrick's and Miss Waldron's rooms are looking forward to getting their new books, and it won't be long now, for they are nearly through with their chart work. In Miss Hogan's class Friday, all the pupils made one hundred in spelling. Miss Steven's pupils are studying their Indian Unit and have made tambourines, tom-toms, and head dresses. We are expecting the announcement of a massacre in that building at any minute. Miss Mongole's pupils are making health booklets, and Mrs. Previtt's students are making a study of the silk worm. The fourth and fifth grades do not report any special activity this week. Miss Clark says her children are perfect cherubs and she is expecting them to sprout wings any minute.

In the Junior High the sixth grade lost one pupil, but he was replaced by two more. Friday afternoon assembly was held and several piano solos and a violin solo were given. A number of songs were sung by the whole school, led by Mr. Bone who also gave a vocal solo. Plans are being made for a choral club, officially led by Mr. Bone. The twenty-six who attended the first meeting are very enthusiastic about the choral work.

CHEMISTRY TRAGEDIES

Browsing around the Chemistry experimental room (if one can browse in a laboratory), the School-Activities editor finds evidence of several minor accidents perpetrated by careless handling of ungentle chemicals. Robert Nichols is industriously mixing some odorous powders in a heavy crucible; he can't risk using delicate test tubes any more, since the financial breakdown he experienced last week. Wylie Buchanan's work table is situated near a rear window, convenient for enjoying outside interests while dabbling in acids and minerals. His attention became too occupied last Thursday, that is, for good work. He absent-mindedly, tossed a piece of red-hot glass into a waste basket. A few minutes before Posa Leo Grady had emptied a test tube of carbon disulphide in the same receptacle. The two acts together produced a gentle explosion that caused many of the students to rush for safety. No damage was caused, and as the young chemists know some thing exciting is bound to happen often in the lab, they take such small incidents with calmness and have plenty to talk about. Professor Drennan confides that he is new at this job, but finds that the pupils are cooperating with him in learning the intricacies of Chemistry. Together they are enjoying a successful study, both interesting and useful in all sorts of careers.

Listen! Seniors!

By a disgruntled Clarendon Senior.
I wish to deliver a general reprimand to those jesters who have found such delight in ridiculing the seniors of '34-35 because of their so-called lack of judgment in choosing their officers. They speak especially sarcastically of our having elected an Ashtola girl as our president. We wish to remind these idle gossipers that the one whom we elected has been in our class several years. We know her well and since we all like and admire her, we have elected her as our president. Had we not expected big things of her, she would not have been chosen. Then Mary Frances, help us rise to the top and break all senior class records set heretofore. We wish to say also that our other officers were nominated and unanimously elected for their ability to work and we thoroughly believe they will not shirk. Think you of the public that if they do not act they will be tolerated? Nay, why should we, a class of sixty, allow lazy officers? Again we answer, Nay. Perhaps it may be our own original system to ask sluggards to resign; perhaps it has been inherited. Who knows?

As to the juniors, just watch them lag behind. The sixty members of our class intend to give them merely our rust. With flying colors we're off to certain victory. Just try to stop us if you dare!!!

As we come to press we learn, rather unfortunately, that none of the senior boys can act as pep squad leader and the position has fallen to a junior boy, J. O. Vinyard. Good luck, J. O. Mingled with the very good news that the senior rings ordered last year are on the way comes the equally bad news that we must again dig deep into our almost empty pockets and pay for them. Wee are we!!!

ALPHA DELTANS HAVE INFORMAL PROGRAM

Members of the Alpha Delta Psi Literary Society held the first clubroom session of the year in the familiar dormitory parlor on Tuesday evening, September 11th.

To begin the program Robert Nichols presented some new and old jokes in his inimitable manner. To forestall any possible bad effects of puns, Delphia Bones and Bart Reavis played some soothing popular music on piano and saxophone. Publicity Agent Bill Walker gave a conveniently short speech concerning his recent activities. Wilma Dee Smith, talented in dramatic expression, entertained the audience with a reading. A general criticism of the evening's program was given by Miss Parten. An informal round table discussion of immediate business followed the program. President Estlack appointed a social committee of Sue Powell, Nellie Grady and Billy Walker. A program committee to serve the succeeding nine weeks consists of Vice-President Nichols, Wilma Dee Smith, and Wanda Mayfield. A corps of janitors was appointed to look after the furnishings of the hall. Managers for this work are Wylie Buchanan and Wayne Estlack.

With unanimous consent the meeting was adjourned until the following Tuesday at 8 P. M., at which time initiation ceremonies are to be performed for the benefit of all new members.

Dorothy Jo Ryan is telling everybody what a fine time she had while visiting Aubrey Lofland in Memphis last week-end.

New Books For The Library

From an interview with the chief of the library, Miss Willie Glenn Parten, it was found that the compulsory library fees now required of all students will be used to replenish the library's stock of popular books. The group of fictitious and biographical readings has become greatly diminished by constant use during the past years. The high rating of the library makes it necessary to keep all types of books in sufficient quantities on shelves; therefore, the proper school authorities have arranged that new books be purchased in order to furnish the present demand.

Last semester the work of systematically cataloging all volumes in the library was begun by students who wished to pay their tuition. It is announced that several students will continue this task soon. They will be under the supervision of Miss Parten, who is a graduate in library science from C. A. A. at Denton.

Sophomore Class Elects Officers

On Tuesday, September 11, the Sophomore class of 1934-35 met and organized. Earl Eudy was elected president, Hugh Baker, vice-president, James Bartlett, secretary and treasurer. Truett Behrens, sergeant-at-arms, and Charlie Murphy and Billie Jo Wilson, pep leaders. Of these Earl Eudy and James Bartlett were officers in the same capacity last year in the Freshman class. This goes to show how much the sophomores think of their members. Truett is famous for his size. Therefore, the class surmised that he would have the ability to execute the duties of his office.

The Sophs have become adjusted by now to the new building, teachers, and schedule. They do not seem to have become as confused or had as many embarrassing moments as the Sophs of last year. Perhaps one reason for this is that Mr. Drennan transplanted with the Sophomores. Although he is Dean of the college and naturally has little to do with high school underclassmen, his presence makes the Sophs feel more at home.

SCHOOL PRESS CLUB ELECTS OFFICIALS

Press Club activities were again resumed on Monday afternoon, September 17, when a meeting was held to elect officers for the year 1934-35. According to precedent, the editor of the school news was chosen as president. Other officers elected were Wanda Mayfield, vice-president, and Ruth Hedgpeck, reporter. New reporters were given valuable instruction in conventional forms for their reports and to whom and what time they are to turn in their work. Further study of form will be made at the next meeting of the club on Monday, October 1.

Have you noticed the new way Dorothy Jo Ryan is wearing her hair? It is very becoming to her type. Speaking of hair dressing, it has been noticed that Eugenia has gone domestic and is wearing a knot (at times).

Mr. and Mrs. Frank Stocking invaded Amarillo shops Tuesday.

High School Pep Squad Start Activities

The Clarendon Broncho Pep Squad had its first meeting Wednesday, September 12, in order to select suits for the coming year. There were about 25 or 30 present. Some wanted maroon sweaters, and some wanted white, but the majority wanted maroon, so that will be the color of the sweaters this year. Everyone seems to be satisfied, particularly with the sponsor, Miss Parten.

The group had another meeting Monday, September 17, and really had a "measuring" time of it. There were all sizes from Eloise to Mary Lynn. The sweaters are going to be simply "ducky."

Two members of the squad, Imogene and Earline Pitts, have withdrawn from school, and everybody really hated to see them go.

Mr. Stocking has promised to let the pep squad in free at the

games if the members will work really hard selling tickets, so help us out folks! You can't imagine how we'll appreciate it. In a last minute interview with the sponsor, Miss Parten, it was learned that since the sweaters will not arrive for a week or ten days, the pep squad will be unable to appear in full uniform at the first game; however, they will be on hand to help the Bronchos to victory.

TROOP TO SELL CANDY AT FOOTBALL GAMES

Girls of the Kicuwa Campfire troop met at the dormitory last Wednesday afternoon immediately after school for a brief business and social meeting. It was decided that this group will sell candy at football games this year as they did last season. Tentative plans for a sales stand on the field are being considered. The girls hope that this work may be finished soon in order that they may begin selling their wares at the first game.

LIBRARY NOTES

(By Mrs. C. A. Burton)

We are always interested in prize winning books—even though we can't afford them. The Dodd, Mead Publishing Co. recently awarded a \$10,000 prize to L. M. Alexander for "Candy," a novel of negro life. It was chosen from over 1500 manuscripts, and is illustrated by Rockwell Kent.

"Dusk at the Grove" by Samuel Rogers won the Atlantic \$10,000 prize, the first Atlantic prize won by an American author. There were 1340 manuscripts submitted in this 1934 contest. The first Atlantic contest was in 1928, and was won by "Jalna."

The John Newberry Medal, given annually to the most significant contribution to American literature for children was awarded this year to Cornelia Meigs' "Invincible Louisa," a life of Louisa M. Alcott who is known and loved by the numberless readers of "Little Women" and "Little Men."

"Lamb in His Bosom" by Caroline Miller, one of the earlier prize winners of 1934, continues to lead as a best seller. It is said to do for Georgia what Bess Streeter Aldrich did for Nebraska in her "Lantern in Her Hand."

The Literary Guild selection for September is Hugh Walpole's new book, "Captain Nicholas." While we do not have this we do have quite a number of Walpoles stories.

Publishers often take liberties with book titles. J. Frank Dobie's "Coronado's Children" which was such a phenomenal success, has been recently republished under the title "Lost Mines and Buried Treasures."

Patrick D. Moreland, a Texan, is the winner of the fourth annual book publication contest held by the Kaleidograph magazine of verse, "Slumber at Noon" is the title of his forthcoming book which will be published soon. Mr. Moreland received the book publication award of the Poetry Society of Texas in 1931. He is a graduate of S. M. U. and pastor of the First Methodist Church at Kaufman.

The following struck me, so I quote it in full. "Books! Do I make too much of them? They knock at the future. They are so various. If a man does not like Hamlet, he may like the Life of Pasteur. Books give us motives, possibilities, tests, tastes. Thought is in them upon which modern life is founded, by which it is adorned. When a man has emptied his purse into his head, he has it, as Franklin said, in a good place."

A book of which we have unusual value to the student of literature is "American writers on American Literature," edited by John Macy and containing contributions by thirty-seven contemporary writers. As this would indicate it is a large volume, published by Leveright in 1930. Oppenheim has written a chapter on "Walt Whitman." Hamlin Garland one on "William Dean Howells." T. U. Smith one on "Modern American Philosophers." George F. Wicher one on "Fiction of the Eighties and Nineties." Charles Carlwell Dobie one on "Literature of the Pacific Coast." Mary Austin one on "Aboriginal American Literature." Walter White one on "Negro Literature." Jacob C. Rich one on "Yiddish Literature." Lewellyn Jones one on "Contemporary Fiction," and Louis Untermeyer one on "Contemporary Poetry."

These are only a few of the very worth while chapters, these last mentioned being of especial value.

Storing Of Beer Is

A Violation Of Law States Guy Pierce

This notice is to give warning to anyone storing 3.2 beer in Donley County.

The courts in the last advance sheet came out with a decision that cleared up the beer law considerably and under that decision it is unlawful for beer to be stored in this county. Under that decision it would violate Article 687 of the Penal Code.

Notice is hereby given that hereafter violators of this law will be prosecuted by me, to the strict letter of the law.

Guy Pierce, Sheriff of Donley County.

Mr. and Mrs. Bert Boomer and Dr. and Mrs. Foster and daughter, Margaret, were guests of Mr. and Mrs. Walter Taylor Thursday evening.

Mrs. Fred Wewoka and Mrs. Emmitt Thompson of El Reno, Oklahoma are guests of Mayor John Martin and Mildred Martin

The Broncho Range

(Continued From Page Six)

Socrates Of Sports

It is the intention of the writer to edit this column each week, giving various bits of information, old and new, concerning athletics in the local high school and college.

Socrates makes the request that the good natured criticisms and observations which may appear within this column be received in a good natured way.

It seems that President Roosevelt's new deal has had a pronounced effect upon this year's Broncho football squad. Gone are "old timers" who have for so long predominated the athletics of our high school. Though a few of the members of this year's team are seasoned and experienced players, the squad is wholly composed of a group of young but energetic workers.

Heavy Whitlock, who is a Senior this year, will not be our dashing quarterback as of old, but is serving in the capacity of the team's manager instead. It is rumored that the old man's rheumatism was too bad this fall to permit such strenuous exercise.

In an attempted interview with our handsome assistant coach, T. L. Kerby, the S. S. learned the sum total of nothing. Mr. Kerby didn't have anything to say; he insinuated that it was all a secret. However, Socrates has been taught that silence is a mighty good cover for ignorance.

The Bronchos lose a good backfield man in Willard Hudson because of the fact that the gentleman of that name was none too scholarly last year. Joe and Fred Jackson, two crack linemen, will also be absent from the '34 squad because of scholastic difficulties.

The college track team composed of Hubert Reavis, winner of high school and junior college titles too numerous to mention, Bill Walker, winner of titles too few to mention, David McClesky, and others are making real progress in an effort to bring honor and glory to themselves and dear old C. M. J. C. next spring.

Several girls were guests at the home of Mary Lynn Teer last Saturday afternoon. After gossiping and playing the game, Truth, which is so popular now, they satisfied their appetites with candy and cookies. Later they progressed to Tillie Pratt's house where they were met by a group of boys, and danced until quite late.

SOMETHING AILS THE COLLEGE CLASSES

As the news of the organization and various activities of the many organizations and classes of the high school pours into the school paper, we are beginning to wonder just what has happened to the college classes. Neither the freshmen nor the sophomores have made a move toward organizing. It is true that it is rather difficult to get all the college students together at one time, but it has been done in the past and should be done again in the very near future if the college classes expect to keep any of their prestige in the affairs of the school.

NAYLOR

(By Mrs. Richmond Bowlin)

Mrs. Edwin Eanes was an Amarillo visitor Saturday.

Mr. and Mrs. Dee Crites of Chamberlain spent the first part of the week with Mrs. Crites' parents, Mr. and Mrs. A. E. Tidrow.

Lesley Pickering is suffering with an injured knee.

Mr. and Mrs. Clayton of Esteline visited his parents, Mr. and Mrs. J. F. Mann Sunday. Mr. and Mrs. Tommy Bain were also guests in the Mann home Sunday.

Mr. and Mrs. Mose Goodman of Amarillo spent Sunday with Mr. and Mrs. Rich Bowlin.

Mr. and Mrs. Ray Hefner have moved to Clarendon. Ray is now working at Bartlett's.

Mr. and Mrs. A. O. Hefner had as Sunday guests, Mrs. Hefner's brother and wife, Mr. and Mrs. Wood of Pampa, also Mr. and Mrs. Roy Hefner of Clarendon.

Rev. Charley Williams preached his farewell sermon Sunday night. The people gave him a good pounding which he appreciated very much. Bro. Williams has been the pastor for the Baptist Church here for the past fifteen years—has made many friends who regret to have him go. He has done much and he leaves Naylor better than he found it. We feel that it has been our gain for him to have labored among us. Our best wishes go with him.

Mr. and Mrs. W. M. Pickering drove to Antelope Flats Sunday afternoon. W. M. says the creek country looks good after viewing the Flats.

Some few of our folks attended services at Midway Sunday afternoon.

Our school will recess Friday for cotton picking.

Mrs. Rollie Bromley had as her week-end guests Clotel Moreman and Myrtle Reeves of Hedley.

LELIA LAKE

(By Mrs. H. R. King)

Mr. and Mrs. Herbert Godfrey and son of Plainview came Sunday to visit with her parents, Mr. and Mrs. J. B. Reynolds.

Mr. and Mrs. Oliver McElyea and son of Lubbock spent the week-end as guests of his aunt, Mr. and Mrs. P. M. Cruse.

Mrs. Rolph and son, Jack, of Clarendon spent Saturday night and Sunday with Mrs. S. R. Tomlinson.

Mrs. Blanche Spurlock of Amarillo and Mrs. Leesburg of Clarendon visited with Mrs. J. A. Thompson Sunday.

Mrs. G. F. Leathers was an Amarillo visitor Monday.

Turner Bynum left Friday for his home at Waco.

L. W. Bynum of Empiria, Kansas arrived Sunday night for a visit with his parents, Mr. and Mrs. A. B. Bynum.

Miss Altha Knox of Hedley spent the week-end with home folks.

Mr. and Mrs. Richard Finch spent Saturday night and Sunday with his grandmother, Mrs. Henry Wood.

Mrs. W. S. Noble returned Tuesday from a visit with Mrs. Mr. and Mrs. Frank Clark and children and Miss Mary Sue Foster of Giles left Tuesday morning to spend Tuesday and Wednesday at the Fair and Palo Duro Canyon.

The Study Club met Tuesday

MARTIN CONFESSES KILLING OF BARNES

TENSE MARTIN CONFESSES KILLING ELMER BARNES AT WELLINGTON.

Tense Martin, who has been held in the Donley and Collingsworth County jails since being captured three miles west of Goodnight September 5 in a raid made by local and nearby county officers, has confessed to the murder of Elmer Barnes, filling station attendant of Wellington, in a robbery of the station Aug. 18th.

Earl Durham, with Martin had been charged with the death of Barnes, but Durham has eluded officers. His hideout for a time was in the Palo Duro Canyon, but two weeks ago he apparently came out of the Canyon and made good his escape.

According to information fur-

afternoon with Mrs. C. G. Aten as hostess. After the business meeting was over which Mrs. Mae Kennedy presided, the lesson, "The Wonder Story of Steinmeintz" was led by Delia King and assisted by Mae Kennedy and Marissa Tomlinson. The hostess was assisted by her daughters, Rena and Moody, in serving ice-cream and cake to the above mentioned and Ethel Cooper of Chamberlain, Louise Wilson, Bama Carter, Cecil Cook, Ruby Cottingham, Bertha Germer, Fleta McCauley, Laura Taylor, Eda Leathers, Laura Clark and Nora Leathers.

The Study Club members with their husbands as guests enjoyed a chicken barbecue Saturday evening at the home of Mr. and Mrs. John Gerner. Games of "42" were enjoyed throughout the evening.

Mrs. W. L. Crane spent Sunday with her sister, Mrs. John Clark.

A. T. Russell, G. A. Anderson and Milt Mosley spent Thursday in Groom fishing.

nished by Sheriff Guy Pierce, Martin also confessed to taking part in burglarizing of several farm houses in Donley County, but as there were so many he did take part in he could not give the exact locations of those in this county.

The stolen property has nearly all been identified by the owners, and has been returned to them.

Oscar Castleberry is serving on the Federal Petit Jury in Amarillo this week.

DON'T FORGET
ONE GOODRICH SAFETY SILVERTOWNS GIVE YOU
GOLDEN PLY BLOW-OUT PROTECTION

ENDS GREAT CAUSE OF HIGH SPEED BLOW-OUTS

THINK of it! You don't pay one cent more for the new Goodrich Safety Silvertown with the Life-Saver Golden Ply. This amazing invention resists the terrific heat generated inside the tire—prevents the great, unseen cause of blow-outs at today's high speeds.

Isn't this the tire you want for your car? Especially since it is priced no higher than other standard tires which haven't this blow-out feature? Play safe. Let us put this life-saving protection between you and the road today. And remember, with the destructive effects of internal heat overcome by the Life-Saver Golden Ply, you'll get months of extra mileage, too!

NOW ONLY
\$7.85
4.50 x 20

THIS GUARANTEED TIRE MAY SAVE YOUR LIFE

When you buy a Goodrich Silvertown your money is safe. Because every Goodrich Silvertown passenger car tire is fully guaranteed for 12 months (business use, 6 months) against accidental damage due to cuts, bruises, blow-outs, rim cuts, faulty brakes, wheels out of alignment and ordinary wear and tear.

But what is more important, when you buy a Goodrich Silvertown you may be saving your life. For every Silvertown has the Golden Ply that protects you from high-speed blow-outs.

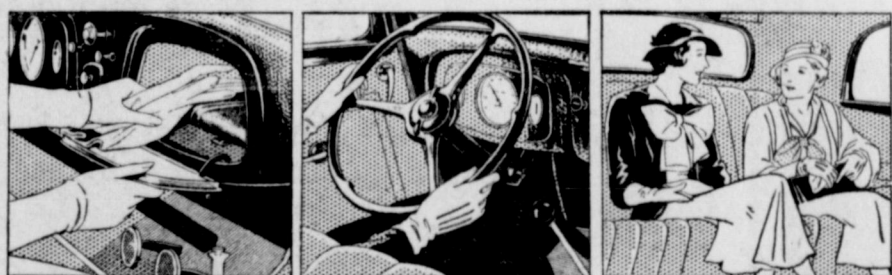

\$8.65 — 4.75 x 19
\$9.25 — 5.00 x 19
\$10.30 — 5.25 x 18
\$11.85 — 5.50 x 19

Subject to change without notice and to any Governmental tax or levy

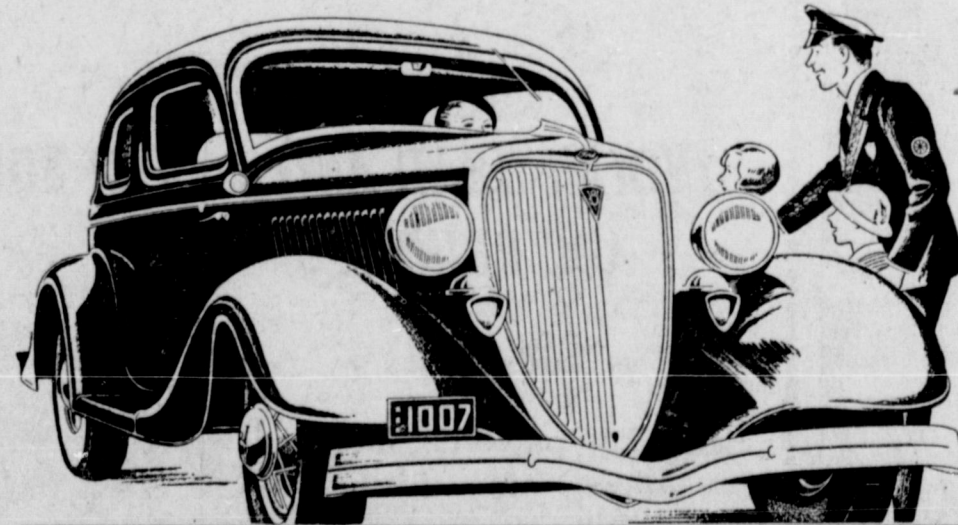

The NEW Goodrich Safety Silvertown WITH LIFE-SAVER GOLDEN PLY

Palmer Motor Co.

"A Woman must have had a hand in styling the new FORD V-8"

● A handy compartment for gloves and purse. ● A steering ratio that makes parking decidedly easy. ● Plenty of body, head, and leg room in the rear seat.

THE fact is, many women did. For this new Ford car was definitely planned to meet the needs of women as well as men.

That's why you'll find a special compartment for your purse in the dashboard and sun-visors for your eyes. That's why interior fittings have been so tastefully designed. Why a finer grade of upholstery has been used. Why brakes act on the slightest touch of your toe. Why the steering ratio is 15-to-1 in order to make this car easier for a woman to handle.

And remember, the Ford V-8 has all the safety features modern engineering skill can devise—a V-8 Engine, Torque-tube Drive, All Steel Body, Welded Steel Spoke Wheels, Safety Glass and many others.

Remember, too, that the Ford V-8 is the most economical car to operate Ford has ever built. Not only that—Ford V-8 delivered prices are decidedly low.

\$505 and up. F. O. B. Detroit. Easy terms through Universal Credit Company—the Authorized Ford Finance Plan.

SCHOOL ROUTES

(Continued From Page One)

up through the eighth grade and bringing high school pupils to Hedley school above the grades taught in the Windy Valley Common School District.

The board approved the contract and bond of L. A. Hart as driver of route number two.

Route number three is the Ashtola route, transporting pupils to the Ashtola school through the ninth grade and bringing high school pupils to the Clarendon High School above grades taught in the Ashtola Common School District.

The county board approved the contract and bond of C. T. Gregg as driver.

Route number four is the Skillet route, transporting pupils to the Skillet common school district through the seventh grade, and bringing the high school pupils to McLean above the grades taught in the Skillet

common school district.

The board approved the contract and bond of Tom Hunter as the driver of the Skillet route.

The board also approved a survey to be made of children of school age who are not attending school, and to try and remedy the situation where found.

The county superintendent announces that tenth grade examinations in unaffiliated schools will be given by the county superintendent in the different schools, in the spring, in cooperation with the independent schools where the pupils plan to attend.

The News made an error last week in stating that the schools of Goldston, Jericho and Chamberlain had been offered bus routes similar to the above routes; and had rejected the offers, and not stating the reason for the rejection, but, we have since been informed that the offer was not accepted at this time because of financial difficulties regarding the buying of buses. This does not mean those schools are in financial straits, but maybe will accept the offer at a later date.

Reverend and Mrs. L. L. Swan went to Quannah Saturday. Rev. Swan conducts the services in the Quannah Episcopal Church every other Sunday. While in Quannah Saturday, they attended a reception given in their honor by the members of the church.

Rev. W. T. Lackey preached Sunday morning and night at Goldston. There were four conversion during the services.

**American Legion
Installs Officers
For Coming Year**

The Clarendon Aubyn E. Clark Post No. 126 American Legion met in regular meeting Tuesday night at the Legion Hall.

The business of the meeting was the installation of officers for the ensuing year, and appointments of the several committees.

The new officers are: Clyde Price, Commander; R. M. Chunn, 1st Vice-Commander; B. C. Antrobus, 2nd Vice-Commander; T. M. Shaver, Adjutant; C. B. Morris, Chaplain; C. J. Douglas, Service Officer; E. R. Andis, Liaison Officer; F. W. Tucker, Sergeant-at-Arms and H. T. Burton, Historian.

The Post voted to conduct a membership campaign commencing next week.

Action was taken on the Post sponsoring some community project each month.

**METHODISTS MASS
EFFORT FOR CLOSE**

**OFFICIAL BOARD LAY PLANS
FOR FINANCIAL CLEAN
SHEET FOR YEAR.**

At a meeting held Monday evening of this week the board of Stewards of the Clarendon Methodist Church, led by Chairman G. L. Boykin, began the formulation of plans looking to the closing up of the conference year in November with all obligations in full.

Fifteen of the twenty-one members were present and heard the report of the treasurer, Homer McElvany, and entered into the discussion preceding the adoption of the plan of work. Rev. E. B. Bowen, the pastor, outlined his plans for the securing of the conference claims of the year, and will begin his campaign at once to secure that important feature of the year's work.

About twenty-eight hundred dollars will be required to pay all claims in full, by annual conference time which is the second week in November.

The board met at the home of Mr. and Mrs. Sam M. Braswell where a buffet supper was served before the business meeting was held.

"Every member of the church is going to be asked to do his part in taking care of the claims," said Chairman Boykin in discussing the problems confronting the church.

H. H. Monk, district superintendent of the West Texas Utilities with headquarters in Childress was attending to business here Wednesday.

Bishop E. Cecil Seaman of Amarillo filled pulpit of the Episcopal Church Sunday. Mrs. Seaman came to Clarendon Sunday with her husband.

Mr. and Mrs. W. C. Harwell, of Plainview have arrived in Clarendon to make their home this fall. Mr. Harwell will buy cotton while here.

Lloyd Martin and Fred Reid arrived in Clarendon Friday to spend the week-end.

In the Old Settler's Association meeting held in Amarillo Wednesday, Miss Kathrine Patrick of Clarendon discussed "Old Clarendon." Mrs. W. H. Patrick was presented a \$5.00 prize for being the oldest person present who was born in the Panhandle. New members from Clarendon are: F. G. Patching and John M. Potter.

Mrs. Beal Queen left last Tuesday to visit her mother in Earth, Texas.
