Subscription Campaign—  
Next week The News' big subscription campaign will get under way. Various announcements pertaining to the contest will be found in this issue, and at the end of the six and one-half weeks allotted for the campaign, some industrious resident of this territory is going to be the proud owner of a brand new Terraplane automobile, or one of the optional prizes. And other persons are going to benefit in proportion to the amount of work put forth.

We are greatly pleased that we were able to secure the services of the Limer Circulation Service of Chicago to manage the campaign. The Limer organization is the best known organization of its type in the country today, and has built a splendid reputation for conducting their campaigns in a clean, fair and impartial manner. The organization is a member of the National Editorial Association, and is nationally advertised in newspaper publications.

The News' management has always been somewhat "leary" of subscription campaigns of this nature, especially when conducted by "fly-by-night," high-powered promoters. We made a very special effort to secure the services of this outstanding organization to promote the campaign and we have made certain that it will be conducted on a strictly legitimate basis. There is one thing—and one thing only—that will win the coveted first prize. And that one thing is RESULTS. The person that actually earns the most votes will be awarded the first prize, and that is the ONLY manner in which it can be won.

Mr. Jack Henseler is the manager in charge of the campaign, and he is thoroughly experienced in this type of work. He has been associated with the Limer organization for a number of years, and we feel fortunate in securing his services here.

The reason for the campaign? The News at present has the greatest circulation of any newspaper circulating in Donley County, and we are very proud of that fact. However, we expect to increase that circulation to the absorption point. We feel that advertisers who are patronizing The News at the present are getting circulation commensurate with the amount of money they are spending on advertising, but we are going to make a supreme effort to see that they get the most complete coverage obtainable in the territory. And, to those subscribers, both old and new, who are taking the paper, we wish to state that we will endeavor to keep The News up to its usual high standard and that we hope to bring about additional improvements. It will be our aim to provide an attractive newspaper, filled with the things you want to read; interesting features, news concerning Clarendon, Donley County, and more important state and national happenings of interest to our locality. In short, a county newspaper of the first water.

**The Plot Thickens!**  
Comes one Mr. Adrian Odom, chief wrangler of The Hereford Brand, dandy little weekly newspaper published at Hereford, Texas, and formally accepts the challenge recently issued by this department to any Linotype operator in the Panhandle to participate in a typesetting duel. Mr. Odom accepts the challenge on behalf of one Mr. Nix, star operator on his newspaper, and tacks him to the limit as will be disclosed in the following item taken from Mr. Odom's personal column in last week's issue:

"Fred Williams, down on the Clarendon News, last week challenged anybody in the Panhandle to a typesetting duel, with the price of a page ad as the forfeit of the loser. We are hereby formally accepting that challenge on behalf of W. C. Nix, The Brand's star student of the Linotype, and if Mr. Williams wants to make it a double truck, we think that can be arranged. That's how strong we believe in Mr. Nix's typesetting ability.

#### Broncho Football Schedule Announced

The Clarendon High School Bronchos will play only three conference football games at home this fall, unless the Mobeetie game is scheduled for Clarendon later, it was decided at the meeting of the coaches and representatives of the eight schools in District 3-B at McLean Tuesday.

The Broncho schedule released by Coach J. L. Kerby is as follows:

- Sept. 25, Wellington at Clarendon;
- Oct. 2, Wheeler at Clarendon;
- Oct. 9, Shamrock at Shamrock;
- Oct. 16, Lefors at Clarendon;
- Oct. 23, Mobeetie, undecided;
- Oct. 30, open; Nov. 6, Memphis at Memphis; Nov. 13, McLean at McLean.

#### Phil Couch Is New Manager At Lowe's

Rhea Couch, manager of Lowe's Grocery Store here for the past 12 years, left this morning for McAllen, where he and his family will make their home in the future. Mr. Couch will enter the grocery business in the Valley city.

Couch will be succeeded at the local store by his brother, Phil Couch, who will take over managerial duties at this popular grocery store.

#### LANE BUYS 4-H CALVES

Cap Lane, manager of Lane's Market, purchased three of the 4-H Club calves that were shown in the Donley County Livestock Show here Saturday. An advertisement appears in this issue, announcing that this high quality meat is now on sale at the market.

#### SHELL CIRCUS IS COMING MARCH 26

The Schell Bros. Wild Animal Circus will present two performances here on Thursday, March 26. The show is being staged here under the auspices of the Aubyn E. Clark Post of the American Legion.

The usual cortege of elephants, camels, tigers, monkeys, trained horses and dogs will file into the city and go to the circus lot, which will be located just south of the Piggy Wiggly Grocery.

By a special arrangement with the American Legion and merchants of the city, very low prices will prevail. Advance ticket sales made before circus day will see prices of 20 cents for adults and 10 cents for children if bought through local stores, or the Legion.

Frank J. Kelley, advance man for the show, stated that there would be plenty of general admission seats and that reserved seats would be priced low, but also said that the tickets prices would be advanced to 40 cents and 20 cents if bought on the day of the circus.

#### WTC COMPLETES EXHIBIT PLANS

EACH COMMUNITY MAY PARTICIPATE IN CENTENNIAL DISPLAY.

Plans are definite for depicting West Texas' resources to the Texas Centennial, which this year means the world, it was learned from Chamber of Commerce officials today.

The West Texas Chamber of Commerce exhibit at the central exposition, Dallas, will have ten 36x8 foot booths, corresponding to the ten districts of the WTCQ and portraying major West Texas resources.

Further an all-resource and all-community exhibit will be permanent at the WTCQ building at Fort Worth. Available will be a 2x5 foot exhibit space, an opportunity to join other communities in a 10x6 foot diorama space, motion pictures, lithographed folders, stamps, etc., for a complete sell-West-Texas campaign.

#### BUSINESS WOMENS WEEK MAR. 15-21

LOCAL CLUB SPONSORS ESSAY CONTEST; MAYOR ISSUES PROCLAMATION.

The ninth annual Business Women's Week with "Effective Democracy" as the theme, will be observed by the National Federation of Business and Professional Women's Clubs throughout the nation March 15 to 21, inclusive. The object of this organization is to unite women in their efforts in promoting the welfare not only of their community but of all mankind as well.

The local club, under the supervision of the Pathfinder Club, was organized six years ago; and since that time has done much in a civic way in this community. The club this year is under the leadership of Mrs. Ruth Teat as president and has as its project for Business Week the following:

An essay contest encouraging the youth of the city to think upon community affairs and entitled "If I were Mayor or City Manager," sponsored in the Junior High School. The winner to receive a cash prize; a benefit picture show, a party for the

#### Worley Honored

Representative Eugene Worley of Shamrock (above) has been signally honored by the Texas department of the American Legion and the Centennial committee of the same organization in the presentation of a certificate of distinguished service for his work toward the passage of legislation establishing the Legion sponsored Texas Memorial Museum as a part of the Texas educational system and as a 1936 Texas Centennial feature attraction.

#### DONLEY ENTRIES GAIN HONORS AT AMARILLO SHOW

A very creditable showing was made by Donley County baby beeves at the Amarillo Fat Stock Show which opened Tuesday morning.

Of 15 entries from Donley County, two individual prizes were taken and one group placement.

Donley County received first prize for the best 15 calves fed by three or more exhibitors at the show.

The Grand Champion of the Donley County Livestock Show, owned by Donald Harlan, placed seventh at Amarillo, and another owned by John Howard Gilbert placed 14th, in the 230 beeves exhibit.

Donley County boys exhibiting at the Amarillo show were R. A. Beverly, Donald Harlan, Floyd Lewis, Pat Slavin, Harley Longan, John M. Bass, Claud McGowan, John Howard Gilbert and Ralph Grady. Pat Slavin exhibited two beeves.

#### Proclamation

All Business and Professional Women's clubs, local, state, and national, will observe "Business Women's Week" March 15 to 21, 1936. The theme of the national observance is "Effective Democracy," the keynote for this, the ninth annual observance, is "Challenge."

In our town, the local chapter of this national organization will give observance of this week and will invite the attention of the people of Clarendon to the local observance so that all of us may become more fully acquainted with the work that this woman's organization is doing all over the world.

Now, therefore, I, John W. Martin, mayor of the city of Clarendon, do hereby declare the week of March 15 to 21, 1936, as "Business Women's Week" in Clarendon.

J. W. Martin, Mayor.

#### GRAND CHAMPION AWARD GOES TO DONALD HARLAN

CALVES MOVED TO AMARILLO AFTER CLOSE OF SHOW HERE SATURDAY.

The first annual Donley County Livestock Show stepped into the history pages Saturday as one of the greatest shows of its kind ever staged in Clarendon.

With the Clarendon Sales Pavilion crowded and jammed with spectators, 25 calves were led into the judging arena by 22 Donley County 4-H Club boys and the first of what is hoped to be one of the outstanding fat stock shows of the Panhandle was under way.

Donald Harlan, Clarendon, Naylor Route, was the feeder of the grand champion with Pat Slavin's entry running a close race for reserve champion honors. The remaining six places were awarded to Floyd Lewis of Lelia Lake, Harley Langman of Clarendon, Naylor Route, Burrell Loun-

#### \$9,672 IS ALLOTTED TO SCHOOL PROJECT

WPA FUNDS ARE TO BE USED IN IMPROVING BUILDING AND GROUNDS.

Notice of a \$9,672 allotment for the Clarendon school improvement project has been received at the district WPA office in Amarillo, according to advices received by The News from that office Wednesday.

The project calls for the remodeling of the interior of an existing dormitory building at Clarendon into a classroom building, the report said. It also provides for leveling, sodding and beautifying of the athletic field, completion of tennis courts and softball fields, and building of sidewalks.

Work on the projects is expected to be started in the very near future, A. A. Meredith, district WPA director, stated.

#### DRIVERS' LICENSES GO SLOWLY HERE

ONLY 2,000 ISSUED IN COUNTY; MARCH 31 IS FINAL PURCHASE DATE.

Many Clarendon and Donley County automobile drivers are going to find themselves in a last-minute jam when they go to obtain their drivers' license if they don't apply for their license within the next several days, County Tax Assessor-Collector Joe Bownds declared this morning.

Less than 2,000 drivers' licenses have been issued so far to Donley County drivers, Bownds stated, and it is thought that at least 5,000 will be applied for. With April 1 as the deadline for driving without the state permits, Donley Counties will have to apply for the licenses more promptly than heretofore. Issuance of the permits fell off last week over the preceding week.

The licenses are free and must be used after April 1. Highway patrolmen will arrest all persons operating cars on state highways after April 1 without the licenses. Fines range upward to \$20, and driving when a license has been revoked carries with it a mandatory jail sentence.

California Trip And Other Cash Awards Are Offered To Energetic Workers In Trade Territory

#### Thousands Of Dollars In Estimated Cash And Prizes To Be Awarded In Six And A Half Weeks

Here is an announcement extraordinary for Clarendon and vicinity.

A brand new 1936 Terraplane automobile valued at \$790.00, or a tropical cruise deluxe or the CASH equivalent to the trip, to go to the winner of first place in The News' BIG "Weekly Payroll" subscription drive. AND an all expense trip to Beautiful California, or the cash equivalent to the trip goes to the winner of second place.

And weekly pay checks for all active participants, as well as an extra bonus at the close of the drive.

That in brief is the way this whole trade area will profit from a most unusual campaign sponsored by The Clarendon News and announced in this issue.

Perhaps you've heard rumors of it—now you have the facts. Here is something everyone will have a hand in either by participating directly in the campaign or by assisting others. And because of it more dollars will be put into circulation and more people will be earning money—to say nothing of the special rewards many fortunate ones will receive.

#### Opportunity For All

This is emphatically not a beauty contest or a campaign in which one has to be lucky in order to succeed, this is an opportunity to make your time (any part of it) pay big dividends—to help yourself and others, to bring out latent ability to harness ambition, to take part in an interesting game of business and to collect at least a weekly pay check every Saturday night for your efforts during the drive.

#### Payroll Plan In Brief

The "Weekly Payroll" plan assures every active worker compensation in exact proportion to the time they devote to the work. The total cash subscription collections of each worker will be summed up at the close of each week thereafter, and a commission of 20 per cent will be recorded and paid to each worker. The size of the pay checks will be just as large as the energy and the initiative the individual makes it. It is a case where you write the size of your own pay check.

#### Votes Win Major Awards

Each subscription secured gives the worker credit for so many votes and it is not a question of how much cash a candidate collects as to whether he or she wins first or second grand award, but a question of how many votes, and the number of votes depends on the size and number of subscriptions. Note the vote schedule on the double page ad in this issue of The News, and then you will find that the longer term subscription secured, the greater number of votes earned in proportion. The candidate securing the greatest number of votes for the entire campaign will be declared the winner of first honors and will be presented with a new 1936 Terraplane DeLuxe Brougham valued at \$790, the very latest thing out in this popular automobile, or a Tropical Cruise DeLuxe which takes in 28 days at sea and visiting eight foreign ports, with all expenses paid, or the cash money equivalent to this wonderful trip. If the winner of first place award chooses the new Terraplane, the car will be purchased from Sam Dyer, Terraplane dealer in Clarendon.

#### County Teachers To Hold Meet in Hedley

A meeting of the Donley County Teachers Association will be held in Hedley Friday afternoon, March 13, at 2 o'clock, according to an announcement by Sloan Baker, county superintendent.

Dr. Albert Edwin of McLean will be principal speaker, and R. E. Drennan of Clarendon, president of the association, will be in charge of the meeting.

A 30-minute entertainment program will be presented, and a 30-minute business session will be held. Final arrangements for the Donley County Interscholastic League meet, to be held March 27 and 28, will be made at this meeting.

Rev. and Mrs. J. Perry King spent Tuesday in Whittenburg attending the district Baptist meeting. Rev. King was the principal speaker for the day at the meeting.

## TEXAS STOCKMEN WILL BE HELPED UNDER FARM BILL

### FARMERS ARE EXPECTED TO REPLACE EQUIPMENT WORN OUT RECENTLY.

Washington, D. C., March 11.—Two Texans held out the prospect of improved markets to Texas stockmen Thursday. Although they saw no possibility that the stockman would receive direct benefits as he did under the invalidated AAA, Representative Marvin Jones of Amarillo, chairman of the house agriculture committee, and Representative Richard M. Kleberg of Corpus Christi, another member, predicted expected markets and steadier prices.

Jones expressed the opinion the sheep and goat raiser likely would profit only indirectly from soil conservation—the first principle of the new bill.

"Of course, under either the

temporary or permanent features, the stockmen of Southwest Texas, for example, will profit by the domestic allotment plan whereby premiums are paid on that part of his livestock domestically consumed," he said. "The legislation is intended to encourage the expansion of markets, facilitate disposal of surpluses and relieve a glutted market."

In addition, Jones said the \$40,000,000 increase in government funds intended for prevention of Bang's disease and tuberculosis would have a wonderful effect on all livestock.

Kleberg expressed the opinion stockmen would benefit most from the new legislation only if they organized promptly and co-operated wholeheartedly with the agriculture department.

"For example," he went on, "if Texas A. & M. College should suggest some limitation of cattle—say one cow for every twenty acres just to cite figures—and the farmers would accept that recommendation, they naturally would profit through a price increase."

The agriculture department said, meanwhile, that a flexible

quota on importations of Mexican cattle had been fixed in the Canadian reciprocal trade agreement. On 700-pound cattle and heavier, a global quota of 155,799 head annually was fixed as the maximum importation figure but no allocations by counties were made. The department explained that, should Canada send 100,000 head into this country, Mexico or any other nation might export the balance, or, in another instance, all nations might participate equally in the 55,699 head left.

The global quota on veal calves was placed at 51,933 head and that on dairy calves, 20,000 head. No limitation was placed on cows between 155 and 700 pounds.

## DUB SHOTS

(By DICK COOKE)

Clarendon golfers lost their first decision Sunday, March 1, when the Greenbelt tournament went to Quanah by a vote of 7 to 6. Negligence on the part of the club officials is blamed by one director, namely Bruce Gibson, of Vernon, who explained that the letter written him arrived too late. Bruce explained he would have gladly voted for Clarendon as he had waited for some club to extend an invitation until the deadline, when a meeting was called and Quanah was chosen by ballot.

City Walker, director from Quanah, said before the meeting that he had been instructed by his club to invite the tournament to Quanah. If, however, the directors were not in favor of Quanah being host for the second consecutive year, he would gladly withdraw in favor of Clarendon.

The voting was deadlocked at six all until the Frederick director arrived an hour late, and cast his ballot in favor of Quanah, thus the first tabulation could have been 7 to 5 in favor of Clarendon.

Perhaps the officials are to blame, though it seems to me the club as a whole is at fault. The Greenbelt is too big for any club to tackle unorganized, and the local club is surely haphazard. If Clarendon had secured the tournament it would have been unsatisfactory; the work, time, and responsibility would have been shoved off on one man, and it is just too much. So, unless a better organization is built with

more interest, the Greenbelt is only the first loss of the year.

Walter Sikes, Amarillo pro, and radio commentator, said in his broadcast over station KGNC Saturday night that Andy Wood objected to his broadcasting the fact that Wood and Connally were beaten in Amarillo by two women—I know two other prominent Clarendon golfers who suffered the same fate.

Sikes also commented on the hole in one by Ira Merchant the other day.

Saw the high school and college faculty out for a round Saturday. Commercial teacher, J. L. Kerby, was bringing up the rear, whether he was auditing the score or playing has not been learned.

And now comes the first, and dumbest crack of the season. One of Clarendon's great, and another

not so great, were out for a round the other day. The great one was playing a beautiful game, getting home in the required strokes, though leaving himself rather long puts for birdsies. The lesser light was having all kinds of troubles, reaching the green in three or four strokes more than his partner but his approaching was beautiful. From four or five

feet off of the sand, he would smack them dead to the pin on almost every green.

A lady watching the game, with the same keen interest with which most ladies watch games, observed, "Mr. (Lesser Great) is the better golfer, isn't he. He never is as far away from the hole as (Mr. Great) when they get on the green."

Popeye and his harassed troupe will make a one-night stand in Texas March 17 when Crystal City holds its gala Spinach Festival. Hearing that this South Texas town is the greatest spinach producer in the world, Popeye wastes no time in transporting the full company to the scene of this picturesque Texas Centennial celebration.

Segar, creator of Thimble Theater for King Features, made this contribution to the Texas Spinach Festival, and Crystal City will retaliate by proclaiming Popeye as Mayor, Olive Oyl as Queen of the Festival, and Wimpy as City Meat Inspector. Grab on to Sweet Pea in the back there, folks, and follow the crowd.

**Will Play Cowboy Mounted Football At Fat Stock Show**

Fort Worth, March 11.—Cowboy mounted football with all the struggle and technique of the conventional pigskin game and the speed of polo, will be introduced for the first time at the World's Championship Rodeo and Horse Show in Fort Worth, March 13-22, John B. Davis, secretary-manager of the show, announced today.

This game, created especially for the Fort Worth rodeo, will be played in strict accordance with the rules of football insofar as the use of horses will allow. Rules for the game are being written by Raymond Wolf, athletic director at Texas Christian University and Verne Elliott, arena director for the stock show.

Both cowboys and the members of the now famous T. C. U. Horned Frogs are interested in

**FISHING RODEO**

Fishing rodeos steadily gain in popularity. Fort Aransas is one of the Texas coast communities which is planning its 1936 tarpon rodeo as a Centennial year attraction. It will be held June 19 to 21.

The Negro race will be recognized at the Texas Centennial Exposition with \$100,000 Hall of Negro Life and Culture in which will be portrayed the history and progress of the Negro in America. This is the first World's Fair to officially recognize and honor the Negroes of America.

The development of the new game which is expected to be the most spectacular of all rodeo contests. Rodeo contestants who have already begun to arrive are now practicing for their debut as mounted football players and are busy selecting suitable horses to ride in this new game.

**Far above other low priced cars in all but cost!**

**TERRAPLANE**

Yes, different from other low priced cars—and far ahead of the rest—in style and everything else that counts! Can we prove this? Just look at a few facts about Terraplane.

Wheelbase, over-all length, inside leg room, head room, shoulder room—unmatched by any low priced car. Untouched by some costing \$125 and \$145 more.

**"Extras" At No Extra Cost**

Of all low priced cars only Terraplane gives you—at no extra cost—a rear opening baggage compartment with more room than the average trunk model, with spare tire lying flat inside.

Power—the same story. Terraplane is ahead of other cars in its price class by as much as 18 horsepower. And no vibration at any speed! Terraplanes with 125,000, 150,000 miles and more to their credit show you what that smoothness means in long life.

23.95 Miles per Gallon

Interested in economy? Here is Terraplane's latest—23.95 officially certified miles per gallon over 352 miles

of mountain roads, with three passengers and baggage, in the recent Los Angeles-Yosemite Economy Run.

More... Terraplane is the only leading low priced car with body all of steel and seamless steel roof. And no other car in its whole price range has Duo-Automatic Hydraulic Brakes (patent applied for) . . . Radial Safety Control (patent applied for) . . . Tru-Line Steering . . . or The Electric Hand, optional at small extra cost.

The most amazing car in the low price field—this 1936 Terraplane. And right down with the lowest in cost for the model and features you want. Come in and see for yourself.

**Cotton Situation Improved, Says Dr. A. B. Cox, University of Texas Professor**

Austin, Texas, March 11.—The cotton situation is somewhat improved, it is the verdict of Dr. A. B. Cox, director of the University of Texas Bureau of Business Research, and noted cotton marketing authority. "Improvement began last fall when the Government shifted from its policy of lending above market price to raise prices, to that of opening the channels of trade as a means of increasing consumption to raise price," Dr. Cox explained. "The effectiveness of the latter policy, as contrasted with the holding policy, is best illustrated by what has happened in the last two years. When the 12-cent loan went into effect in August, 1934, the price of middling 7-8 inch spot cotton in New Orleans was 13.35 cents; and we were faced with one of the shortest crops in over 40 years. "The indicated supply in the United States, counting carry-over and new crop, was only 16,942,000 bales. The price of cotton declined from that date to March, when the price broke to less than 11 cents in spite of the 12-cent Government loans. As a result, the Government took nearly half of that small crop. "In the summer and fall of 1935, when the change of policy took place, the pressure of production both in the United States

and abroad had increased. On August 1 the indicated supply of cotton in the United States, counting carry-over and new crop, was 18,946,000 bales. The price of cotton was less than 11 cents. From September 1 to November 20 the price rose from 10.55 cents to 12.40 cents. "Why did the price of cotton advance? There were two principal reasons: Estimated production declined about a million bales, and, much more important, consumption in the United States and exports or disappearance were about a million and a half bales more than those for the same period of the preceding year. "What has been the situation since the latter part of November? The rapid disappearance of cotton during the first four months of the year, plus a decline in estimates of production, resulted in a very tight spot cotton situation, which created premiums in near month futures by the latter part of November. These near month premiums tend to restrict both consumption and exports. This development gave the Government an excellent opportunity to market a considerable part of its cotton, and during the last two weeks the Producers Pool has begun to take advantage of it. "The development of a sound sales policy for the Government cotton would be very constructive in the market at this time. The invalidation of the AAA and statement of high Government officials have created uneasiness about the size of the prospective crop. Moreover, uncertainties relative to farm legislation and taxation are bearish on the market at present."

Operations of the Texas cotton textile industry during January made favorable comparison with the corresponding month last year, but were still far below normal, Dr. Cox added. Reports from 13 establishments show total consumption of 2,684 bales during the month, an increase of 14 per cent over January last year; production of cloth, 3,397,937 yards, an increase of 17 per cent; sales of cloth, 3,469,612 yards, an increase of 6 per cent. Unfilled orders on January 31 totalled 6,084,657 yards, an increase of 8 per cent over those

**TEXAS MERCHANTS SEE 1936 TRADE AS TOPPING 1929**

**CHEERED BY '35'S GAINS OF 8.66 PER CENT, BETTER CROPS, GROWING DEMAND.**

Chicago, March 11.—Retail business in Texas, showing its greatest volume in 1935 since before the depression, is due this year to attain heights of "recovery" that will place 1936 beyond even the climactic boom year of 1929, a consensus of the Lone Star state's leading merchants indicates. Averaging of scattered replies to a questionnaire sent by the Merchandise Mart here, nation's largest wholesale center under one roof, to 230 Texas retail store executives, reveals that the state's retail trade in 1935 was reported as 8.66 per cent ahead of 1934, and only 7.68 per cent behind 1929 business. The questionnaires were sent to leading Texas stores as part of a national campaign being conducted by the Merchandise Mart in an effort to stimulate retail activities generally.

Estimates as to expectations for 1936 ranged from an 8 per cent decline up to 40 per cent increases, the average being a predicted net gain of 9.63 per cent. This, combined with the figures showing 1935 only 7.68 per cent behind 1929, means that, barring unexpected crop failures, 1936 will see Texas retail business going stronger even than in the last pre-depression year. Widely divergent local crop conditions and other local factors apparently accounted for the big range in estimates reported for 1936. Singularly, the fact that this is a "presidential year," traditional business bugaboo, was completely ignored by the merchants in their comments on probabilities of 1936 retail trade trends. This is interpreted by T. J. Reed, general manager of the Merchandise Mart, as evidence that the age-old forces of supply and demand are again dominant, with demand due to be unusually heavy because of the depreciation which has taken place during the depression years of minimum purchase, particularly of household goods and furnishings. The contention of many merchants and economists that long-deferred replacements of "things for the home" is providing one of the country's strongest vehicles for buying its way back to financial normalcy is substantiated by analysis of the sales gains as broken down into subdivisions of the larger stores, Reed pointed out. Generally speaking, those departments dealing with the more basic elements of home furnishings—that is, furniture, floor coverings, and curtains and draperies—showed by far the most striking and consistent gains. This is strikingly in line with the findings of the Mart in a survey of the 600 manufacturers exhibiting in the building and serving the entire country, that "fixing up the house" had been Mr. and Mrs. America's first thought during 1935, with spending money becoming more plentiful. Although sales gains were general in virtually all lines in the national picture, home fur-

**ON TEXAS FARMS**

Supplies of seed of grasses and legumes are greater this year than ever before in the nation's history. This contrasts sharply with the scarcity of 1934. It is a good thing that there are plenty of these seeds available because putting land into pastures and meadow crops is becoming more and more popular these days. Some of the more scientific folk are even becoming particular about inoculating the legume seeds they plant. It pays too.

Dr. J. F. Cox, chief of the replacement crops section of the AAA, says there is a sufficient supply of bluegrass seed and of red top seed to plant several times the usual acreage. The available supply of timothy seed is larger than ever before recorded. Fairly large supplies, in excess of normal usage, are reported for orchard grass, rye grass and meadow fescue. The seed supply of brome grass and crested wheat grass adapted to Western and Northwestern conditions, is greatly increased over last year. Alfalfa seed is reported plentiful. Red clover and alsike is below normal, but the seed of lespedeza—growing in popularity in the southern Corn Belt and northern Cotton Belt—is available in large quantities. Cowpeas and velvetbeans increased substantially with a supply on hand sufficient to plant an acreage of 50 per cent larger than the 1935 acreage. Wholesale prices as reported by the Bureau of Agricultural Economics, are lower than last year, and lower than during the whole five years from 1929 to 1933. nishings showed more extensive increases than any other type of merchandise. Improved crop conditions for the state as a whole, the natural corollary, increased farm income, government and state spending for forest and highway improvements, raised of more varied crops, and the coming Texas Centennial Exposition beginning in Dallas in June are some of the more frequent cited reasons for Texas trade gains in '35 and expected greater gains in the current year.

**CONTRACTORS NOTICE OF TEXAS HIGHWAY CONSTRUCTION**

Sealed proposals for constructing 12.491 miles of Quadruple Asphalt Surface Treatment from the Armstrong County Line to Clarendon on Highway No. 5, covered by Regular Federal Aid Project No. 438-B in Donley County, will be received at the State Highway Department, Austin, Texas, until 9:00 a. m., March 24th, 1936, and then publicly opened and read. The attention of the bidders is directed to the required special provisions covering subletting or assigning the contract, the selection of labor, and hours and conditions of employment. Except as otherwise specified, the minimum wages paid to all laborers, workmen or mechanics employed on this contract shall be Seventy-Five (75c) Cents per hour for "Skilled Labor", Forty-Five (45c) Cents per hour for "Intermediate Grade Labor", and Thirty (30c) Cents per hour for "Unskilled Labor". Attention is directed to the special provisions, included in the proposal to insure compliance with the requirement of House Bill No. 54 of the Forty-Third Legislature of the State of Texas.

| Type of Laborer or Workman or Mechanic | Prevailing Minimum Per Diem (Based on an Eight (8) Hour Working Day) | Prevailing Minimum Hourly Wage |

**How To Reduce Varicose Veins**

Rub Gently Upward Toward the Heart as Blood in Veins Flows That Way

Many people have become despondent because they have been led to believe that there is no remedy that will reduce swollen veins and bunches. If you will get a two-ounce original bottle of Moore's Emerald Oil (full strength) at any first-class drug store and apply it night and morning as directed you should quickly notice an improvement. Continue to apply Emerald Oil until the veins and bunches are reduced. Moore's Emerald Oil is a harmless, yet most powerful penetrator and two ounces last a very long time. Indeed, so powerful is Emerald Oil that old chronic sores and ulcers are often entirely healed. It has brought much comfort to worried people all over the country. Have you ever heard of anything more generous and liberal? If it strikes you that way, as it certainly must, why not get busy and help yourself to some of these good things.

It would be a serious mistake to think that only those who are able to give their entire time to the work can compete successfully. As a general rule those who are the busiest have learned to use their time to the best advantage. When work for the schools, churches or other local organizations is to be done, the busiest people are the ones called on because they accomplish more in a short time than others could in weeks.

The work of taking subscriptions for this paper is more like political than sales work. It is simply a case of asking your friends to vote for you. A great many people will take the paper anyhow so why not have them give you their subscription and the benefit of their votes. Those competing for prizes will not be limited to territory nor the number of people helping them.

Those interested in sharing in this attractive list of prizes are assured that absolute fairness will be the feature of the campaign plan. Every possible safeguard will be thrown around the work by those competing. The standing published each week will be comparative and not complete. At no time during the campaign will the workers or their friends be able to ascertain their own standing or that of other contestants. During the last period, neither the publisher nor the campaign manager or anyone connected with the paper, will see or touch the work of any candidates, these records being handled secretly through an outside committee.

## Announces a Big "Weekly Payroll" Subscription Drive

# FREE \$2,000 IN PRIZES AND CASH FREE

### ALSO WEEKLY PAY CHECKS - - AS LARGE AS YOU CARE TO MAKE THEM - - COMPETITION IS OPEN TO ALL

#### THE PLAN IN BRIEF

The object of this big "Weekly Payroll" Drive is two-fold. Primarily, to increase the already large subscription list of this newspaper; to collect arrangements and advance subscription payments from present or old subscribers, and at the same time to afford the live-wire, energetic men and women, boys and girls of this territory an opportunity to profit in a BIG way through their spare time during the next few weeks. So, it is a plan that works both ways, and to the ultimate good of all concerned.

In order to gain this end quickly and advantageously, the most attractive awards ever offered by any newspaper in this section have been made ready for distribution among those who participate most actively. Ambition and energy are the only requisites for success.

Let it be understood at the very outset that this is not a "beauty" nor "popularity" contest, but a strictly legitimate competitive proposition for enterprising men and women, and one into which no element of chance enters. Each active participant will receive a pay check every Saturday night. One feature of this drive is the fact that "Everybody Wins." There will be no losers.

#### HOW TO ENTER--WHAT TO DO

The first thing to do is to clip the Entry Coupon appearing below, fill in your name and address and mail or deliver to this newspaper at once. This coupon entitles you, or the person whom you might wish to enter, to 5,000 free credits. These credits are given as a starter to speed you on your way to win. Only one such Entry Coupon will be accepted for each participant.

The next step is to call or write the "Weekly Payroll" Department for a free working outfit. Thus equipped, you have but to see your friends and acquaintances and have them subscribe to this newspaper through you. That's all there is to it! However, you will never get anywhere unless you make the start--the earlier the better. Once started, let no one discourage you. Anything worth having is worth striving for. Six and a half short weeks and you may be riding in your own BIG automobile or otherwise several hundred dollars richer in purse.

#### HOW CREDITS ARE SECURED

It takes credits to win, and they are secured in the following ways: First by clipping the Free Credit Coupons appearing in each issue of this newspaper. There is no limit to the number of these coupons you may secure. Get your friends to save them for you. They all count. Begin gathering them NOW while they are good for 100 credits each. After next week these coupons will be reduced to 50 credits each. The following week to 10 credits, and after that they will be discontinued entirely. The only restriction placed on these coupons is that they must be cast before the expiration date.

The other, and much faster way to accumulate credits in this "Weekly Payroll" Drive is by securing new and renewal subscriptions to this newspaper. On each order secured credits are issued, the number varying according to the amount paid and during which "period" same are received at the "Weekly Payroll" Department of the newspaper. (See schedule of credits below.)

#### EARLY START MEANS EASY FINISH

The advantages of an early start are manifest. This "Weekly Payroll" drive is of such short duration that immediate action is necessary for success. Orders taken during the early part of the campaign carry the MAXIMUM number of credits. Then, too, the first in the field will undoubtedly get the "cream" of credits and subscriptions, while those who put off entering until a later date will have to take what is left.

Don't lose valuable time "waiting to see what the other fellow is going to do," but pitch right in and show the "other fellow" how to do it!

#### RULES AND REGULATIONS

- No salaried employee of this newspaper is eligible to enter this competition.
- Any reputable man or woman residing in this city or surrounding territory is eligible to enter this drive and compete for awards and weekly pay checks.
- The winners of the awards will be decided by ballots issued on cash collections and coupons clipped from this newspaper.
- Participants in this drive are not confined to their own town or community in which to secure subscriptions, but may take orders anywhere in this section; or, for that matter, anywhere else.
- Credits are free. It costs the subscriber nothing extra to cast credits for a favorite participant. Credits must be asked for at the time of paying subscriptions, otherwise subscribers waive this privilege.
- Credits are not transferable. Participants cannot withdraw in favor of another participant. Should a participant withdraw from the race, his or her credits will be cancelled. Neither will it be permissible for participants to give or transfer subscriptions to another participant. Credits on such transferred subscriptions will be subject to disqualification at the discretion of the management.
- Any collusion on the part of participants to nullify competition, or any other combination formed to the detriment of "Weekly Payroll" participants or this newspaper will not be tolerated. Any participant taking part in such combination stands liable to forfeit all right to a prize or commission.
- All credits issued on ballots may be held in reserve and cast at the discretion of participants of this newspaper. The free credit coupons appearing from time to time in the paper must be cast before the expiration date.
- In event of a tie for any one of the awards, a prize identical in value will be given each tying participant.
- Participants in this drive are authorized agents of this newspaper, but it is understood and agreed that they will be responsible for all money collected and will remit such amounts in full on regular report days to the "Weekly Payroll" Department.
- No statement or promise made by any representative or participant varying from the rules and regulations of this drive shall be binding.
- In case of typographical or other errors it is understood that neither the publisher nor "Weekly Payroll" manager shall be held responsible except to make the necessary correction upon discovery of same.
- ACTIVE participants will be paid a twenty per cent cash commission (\$100 out of every \$500 collected) on all subscription money turned in to their account each week. It is distinctly understood however, that in the event any participant becomes INACTIVE, failing to make a regular cash report, he or she will, at the discretion of the management, become disqualified and thereby forfeit all right to an award or an extra commission.
- It is understood and agreed that the winners of major awards will consider their weekly pay checks in the light of an "advance," which is refundable upon presentation of prizes.
- To insure absolute fairness in the awarding of prizes, the race will be brought to a close with a sealed ballot box. During the entire last "period" of the drive a ballot box--locked and sealed--will be kept in the vaults of a local bank, where participants and their friends may deposit their final collections and reserve credits. In this way, no one--not even the Campaign Manager--can possibly know the actual strength of the various participants, which precludes any possibility of favoritism and insures fairness to the minutest degree.
- Twenty-five thousand credits will be given each worker for every 5-year subscription or its equivalent turned in during their first week of the campaign.
- To each "Weekly Payroll" participant who earns as much as \$50.00 during their first week of the campaign, this newspaper will give an extra bonus of \$25 cash.
- Five thousand extra credits will be given to each participant who makes a cash report each Tuesday, Thursday and Saturday night.
- This newspaper guarantees fair and impartial treatment to all participants, but should any question arise, the decision of the management will be absolute and final.
- In becoming a member of this "Weekly Payroll" Campaign participants agree to abide by the above conditions.

#### ADVISORY BOARD

It is the sincere aim of this newspaper to conduct this campaign from start to finish in a fair, honorable and impartial manner. Every precaution has been taken to safeguard the interests of participants, and absolute honesty in all dealing is guaranteed. However, not all wisdom lies with any one man or institution, and for that reason an Advisory Board has been decided upon, whose functions shall be to decide any question of sufficient moment that might happen to arise, and from which a committee shall be selected to act as judges and award the prizes. The personnel of this board is as follows:

Judges Will Be Selected by Contestants and Announced Later

All of these gentlemen are well known to everyone in this vicinity and the final results, as given out by them will be beyond dispute.

# SOCIETY

MRS. FRED L. WILLIAMS, Editor

## Birthday Party for Lloyd Hunt

Master Lloyd Hunt celebrated his third birthday with a party at the home of his parents, Mr. and Mrs. Ernest Hunt of this city, Monday afternoon, March 9. Lloyd met each of his little guests at the door and presented them with a toy balloon and they in turn presented their birthday gifts to him. After an hour spent in playing games the children marched around the table singing "Happy Birthday To You" and the candles on the birthday cake were blown out.

The children who enjoyed this party were Juanita Carpenter, Betty Jean Becker, Jo Ann Ritter, Layna V. Tatum, Guy Taylor Tatum, Sammy Lee Patterson, Caroline Peabody, Mary Ladell Cox, Gayle Osborn, J. P. Carlie, Luva Hunt, Jean Scoggins of Claude, and the honoree, Lloyd Hunt.

## Mrs. Mongole Has Friendship Club

Mrs. J. E. Mongole entertained the members of the Friendship Club at her home Tuesday afternoon, March 10. There were 14 members present for this meeting. Mrs. Ballow opened the meeting with a prayer. At the business session it was decided to change the meeting time from 2 o'clock until 2:30. The Pollyanna gifts were then distributed by the hostess. The remainder of the afternoon was spent in chatting and fancywork.

In the late afternoon refreshments were served by the hostess, assisted by her daughter, Mable Mongole, to the following members: Mesdames C. R. Skinner, L. Ballow, J. L. Allison, Meadows, J. D. Stocking, G. J. Teel, J. E. Mongole, Alline Skinner, Glen Williams, Absher, J. A. Tombs, and Miss Katie Meadows. The next meeting of the club will be held with Mrs. C. R. Skinner on March 24.

## Bride Honored At Tea

Mrs. Price Whitlock, nee Miss Willie Maude Pratt, was honored with a delightful tea and miscellaneous shower, at the home of Mrs. Lawrence Whitlock from 3 to 5 o'clock Friday afternoon, March 5. The hostesses for the occasion were Mrs. Lawrence Whitlock, Peggy Taylor, and Frances Sanford.

Forty-eight guests called or sent gifts during the afternoon. After the guests had been received they were served from a table laid with a lace cloth. Crystal candle holders with lighted green tapers graced each end of the table and the centerpiece for the table was a beautiful wedding cake, topped with a miniature bride and groom. Mrs. Tony Watson and Miss LaVerne McMurtry presided over the table during the tea hour.

## H. D. Club Meets With Mrs. Benson

The Clarendon Home Demonstration Club met in the home of Mrs. C. L. Benson March 6, 1936, with 12 members and two visitors present.

The president, Mrs. Fink, presided, opening the meeting with prayer. Each member answered roll call with suggestions on planting and growing flowers. After a short business session the social hour was spent in sewing and needle work.

The meeting adjourned to meet with Mrs. A. H. Baker March 20, 1936, with Mrs. A. L. Chase and Mrs. A. H. Baker as program leaders. Each member was requested to bring plants and seeds to exchange.

Refreshments were served to guests, Miss Fannie Perry and Mrs. Hudson, and to the members, Mesdames A. H. Baker, Sloan Baker, A. L. Chase, J. C. Estlack, O. L. Fink, M. A. Hahn, Frank Hommel, C. D. McDowell, L. R. Schull, W. D. Van Eaton, J. A. Tombs and C. L. Benson, the hostess.

## Chamberlain H. D. Club Meets

The Chamberlain Home Demonstration Club met with Mrs. Roy Beverly Thursday afternoon, March 5. The vice-president presided over the meeting and a short Centennial program was enjoyed. The remainder of the afternoon was spent in quilting.

A dainty salad course was served to Mrs. Neal Bogard, who was a guest for the afternoon, and to the following members: Mesdames H. M. Reid, John Aduddell, Alfred Huffstutler, Hawley Harrison, R. W. Fowlkes, O. B. Rumpy, Jim Estes, Alline Skinner, J. B. Duckett, and R. A. Beverly.

The next meeting of the club will be held with Mrs. J. B. Duckett on March 19.

## Sims P.-T. A. Meeting

The Sims P.-T. A. met in regular meeting last Thursday, March 5, 1936, in the Junior High School Auditorium. There were about 60 people present.

In the opening of the assembly sang "America." Both third grades rendered a very interesting Japanese program. It was their culminating activity of a Japanese unit. An interesting Japanese exhibit was on display in each third grade room.

A short business session followed the program. Mrs. Prewitt's room won the reward for having the most representatives present.

## Mrs. Adams Hostess To Auction Club

Mrs. Karl H. Adams entertained the members of the Auction Bridge Club at her home in this city Thursday afternoon, March 5. The St. Patrick's Day motif was cleverly carried out in the decorations, the tallies and the refreshment plate.

Those present were Mesdames B. P. Brents, Wiley Carmichael, H. M. Breedlove, Keith Stegall, Roy Ingram, Heckel Stark, and Miss Gladys Wright and the hostess, Mrs. Adams.

Mrs. C. G. Stricklin and daughter, Beverly Gray, accompanied by Mrs. M. M. Gray arrived in Clarendon Sunday after a visit in Mineral Wells and Dallas.

## Mothers Club Meets

The Mothers Culture Club met at the club room Tuesday afternoon, March 10, at 3:30 o'clock with Mrs. Clyde Douglas and Mrs. Bill Patman as hostesses for the afternoon.

Mrs. Charles Lowry was program leader and she gave a discussion on "If Not Punishment—What?" Mrs. B. L. Jenkins discussed "Must Babies Cry." Margaret Ann Jenkins gave a song and Sara Beth Lowry a piano solo.

There were 17 members present for this meeting and one guest Mrs. Joe Goldston.

## Mr. and Mrs. Bain Entertain Club

The Jolly Group Club met at the home of Mr. and Mrs. Dick Bain Thursday evening, March 5. The usual games of forty-two were enjoyed by the following members: Mr. and Mrs. Roy Blackman, Mr. and Mrs. Sloan Baker, Mr. and Mrs. Carl Tyree, Mr. and Mrs. Fred Russell, and the guests, Mr. and Mrs. Nolan Bain.

The hostess served banana split to her guests.

## S. & C. Club Meets With Mrs. Lusk

Mrs. Verna Lusk entertained the members of the Stitch and Chatter Club at her home in this city Tuesday afternoon, March 10. Those who enjoyed this meeting of the club were Mesdames Homer Bones, Lawrence Whitlock, A. W. Hicks, Wiley Carmichael, John Lynch, Earl Hill and the hostess, Mrs. Lusk.

Dorothy White left Wednesday for Amarillo where she spent a day before leaving Thursday for San Angelo where she will visit for two weeks with relatives.

## Home Ec. Department To Hold Silver Tea

The public is cordially invited to attend a silver tea to be served in the girls' dormitory, Tuesday, March 17, from 3:30 to 5:30 p. m.

The home economics girls, sponsored by Miss Maurice Berry, instructor of the department, will be hostesses.

The purpose of the tea is to raise funds for the department. We have added a number of things to our department this year, but a visit to our laboratory will prove to you we need a new living room suite, draperies and some dishes.

Will you accept this as a personal invitation and honor us with your presence and give your support and co-operation to your daughters and school in this undertaking?

## FIRST CHRISTIAN CHURCH

Rev. Patrick Henry of Fort Worth, Texas, will deliver a message at the First Christian Church at the 11 o'clock services Sunday, March 15.

Everyone is cordially invited to come and enjoy this message with us.

## HAVE YOU HEARD?

Have you noticed anything lately? Well, it has been heard that a few of these high Clarendon gals have been finding things of interest in Memphis lately. Right gals?

That "True Stories" are preferred to Chaucer's Works. Such minds some of you English students have!

That Hulda Jo has been visiting again. Where to this time, Memphis? Well, sorry, Hulda, but we hadn't missed you—much.

That the seniors are surely sweating their young brows over their play to be given March 12. We're counting on a real play, seniors. So don't disappoint us.

That the Junior-Senior Banquet was a success—also a dance. All enjoyed the ride in the Super Flivver.

That the second class of English IV class is the "snoozest" bunch ever to be seen. Really, Miss Headrick, you must try lullabies next.

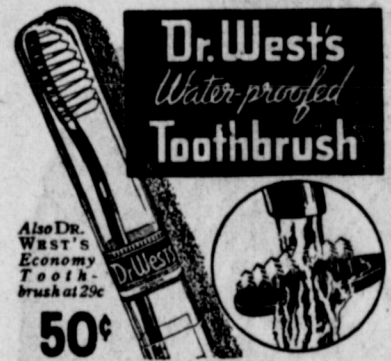

That many compliments are being said of the new teacher, Miss Blair.

That Mary Lois Hayter confessed in history class that she had to stoop to pass through doors; however, Miss Harris doesn't budge all day Wednesday. Can there be a reason for it?

That Vivian Taylor and Mary

# "The Black Ace" to be Presented March 20 At College

As a feature of the College Week program, the College Curtain Club will present a 3-act mystery, "The Black Ace," next Thursday evening, March 20 at the College Auditorium. This play, under the direction of Mr. Kerby, is the first mystery play to be given here for a number of years and from all indications it will be a big success.

Following is the cast of characters:

Philip Martin, Ralph Stewart; Alice Martin, Sarah Virginia McGowen; Lydia Halsey, Rosalyn Bass; Ronald Carey, Harold McDaniels, Stanley Peters, H. W. Lovell; Louise Oakley, Dorothy Powell, Myra Conklin, Dorothy Phelps, Estelle Hamard, Vivian Taylor; Thomas Newbury, Lowell LaFon; Royce Bradley, Arthur Chase; Inspector McKenzie, Raymond Cheves; Cora Flint, Eloise Hill.

The action of the play takes place in the suburban home of Philip Martin who invites all the guests present at Norma Hepworth's party on the night she was murdered to a party of his own. His purpose is to try to detect the murderer, and on the evening of his party a series of happenings take place that complicate matters considerably. The players are working earnestly on "The Black Ace" now in order to give a commendable performance.

## Seniors Present Play This Evening

The seniors are presenting their senior play, "Let's Get Married," this evening, March 12, at the College Auditorium at 7:30. The cast has been practicing hard for the past two weeks under the direction of Mrs. Carl Bennet, who also directed last year's senior play. With the many amusing incidents involved in the plot, it should afford the audience much laughter. It is quite different from any play that has been presented here in years and everyone should enjoy it immensely.

Frances Powell turned cowgirls for one day. It is believed that they represented Giles on March 2.

That Mr. Stults has made many hearts flutter with that unusual smile of his.

That John Howard Gilbert has a new girl. Congratulations, John!

That Nell Cook sometimes uses the wrong word. Don't let a little thing like that bother you, Nell.

That Dorothea and Helen would some day like to visit New York. Strange of anyone to like New York, isn't it?

Heve her. She still believes the fellow from Arkansas is the tallest person in the world—8' 5".

## Teachers Receiving "Songs Texas Songs"

Public school teachers of Texas are now receiving their copies of the thirty-two-page book, "Songs Texas Songs," which has been compiled by the public school division of the state department of publicity to assist teachers in preparing school and community programs designed for Texas Centennial celebrations.

The twenty-eight songs contained in the book were chosen after conferring with music supervisors in Texas schools. The collection is representative not only of the songs of and about Texas but also of those songs of the nation and the south which are best known to Texans.

John A. Lomax, compiler of Texas folk lore, says in the preface of this book, "Some of these songs sprang out of the soil of the Southwest like prairie grass. No one knows the author of the music or the words. Texas has certainly the right to claim them as her own Folk Songs."

A reproduction of "Driving the Herd," by Frank Reaugh, Texas artist, appears on the inside of the cover. The picture has been nationally acclaimed as one of the outstanding paintings of the Texas Range.

The cover, printed in three colors, bears a night photograph of the light Texas capitol dome. The photograph is by Polly Smith, Austin.

## ALPHA DELTA PSI

The Alpha Delta Psi Society met last Thursday at 7:30 o'clock in its new meeting room in the college building. A number of visitors and members enjoyed the following program:

"Lowdown On the Ethiopian Situation"—Robert Nichols.  
"Coming Presidential Nominations"—Marvin Baker.  
"Other Interesting Topics of the Day"—Homer Estlack.  
"Coming Styles"—Wilma Dee Smith.

## Debaters To Attend Amarillo Meet Sat.

Another practice debate was held Tuesday afternoon after school between the girl's team, composed of Nell Cook and Jeanne McDonald and the boys' team, composed of John Lott and Jimmie Bourland. These debaters have been selected to represent the high school at the County Interscholastic Meet on March 27 and 28.

The high school teams will participate in an invitation tournament at Amarillo on Saturday, March 14. The speech arts department of Amarillo High school will be the host for the meet. The local teams will be accompanied to Amarillo by Miss Headrick.

These topics of current discussion were particularly important because certain unique facts were discussed that are usually overlooked by the ordinary reader of daily papers and magazines. At the conclusion of the formal part of the program, a program committee was appointed by President Estlack composed of J. Hayes and Wilma Dee Smith.

The society wishes again to extend a cordial invitation to anyone who might be in anyway interested in becoming a member or visitor to the society at any time. The next meeting will be in the college building at 7:30 o'clock, Thursday, March 12.

## OUR BOOK SHELF

Do you ever dream of travel? Adventure? Classic romance? Then let your dream come true by adventuring gloriously with Richard Halliburton.

By way of the "Glorious Adventure," the author takes us romancing with the mythical gods, using Homer as a guide.

As an appropriate starting Mount Olympus is scaled and suitable sacrifices are offered to appease the wrath of Jupiter who rules from his throne at the summit. Then follows a jumble of travels by the route of Ulysses

## Centennial Was Linked to Past

Visitors to the March 2nd ceremonies at Old Washington were keenly impressed by the manner in which the Texas of a hundred years ago is closely linked with the Texas of today. A feature of the ceremonies was the reenactment of the signing of the Texas Declaration of Independence.

with the running of the Marathon and the swimming of the Hellespont as side attractions. The author meets a modern Circe on the Isle of Circe, the Enchantress, but fortunately is not turned into a pig.

In his fresh style, Halliburton tells of visits to Lotus Land, and the Seren Isles, and swims in the Blue Grotto on the Isle of Capri. More realistic, but none

## SPORT SHOTS

The past two weeks have been perfect weather for practice in tennis, track and field events in

The same old table on which the original declaration was signed was used in the ceremony Monday, and relatives of all fifty-eight of the original signers participated. Old Washington's celebration was a striking manifestation of the immortality of that spirit in which Texas was born; is augured well for the boundless future ahead.

The less interesting, is the author's visit to Troy and the battle ground. After six months with the gods, Halliburton ends his Odyssey in Ithaca, Ulysses' native land.

preparation for the Interscholastic League meet to be held here the 28th and 29th of this month.

Track men are reporting daily now and work has really begun in earnest. It is hoped that more college boys will start coming out so that a real team can be developed.

The tennis players are still thronging the courts in order to get in a little practice before the eliminations for the county meet begin. The high school players are beginning to look good, and it is certain they will be hard to beat in the meet. It has been decided that the college will also have a tennis team and make the trips with the college track team this spring.

Last Monday night the Clarendon Independents played the Amarillo News-Globe team again. This time, however, they lost the game by the slight margin, 42-44. (Continued on Page Ten)

Museum To Be Open Saturday Afternoon

The Donley County Museum will be open Saturday afternoon from 1 until 3 o'clock, according to an announcement by committee members.

One of the most interesting recent additions to the collections is a history of the St. John Baptist Church, which was founded in 1887.

W. R. Hilliard Buys Haile Service Station

W. R. Hilliard, owner of the Hilliard Filling Station here, announced this week that he had purchased the Texaco station east of the Donley County State Bank.

Both stations will be managed by Hilliard, with Carl Pitman in charge of the newly acquired one, Hilliard said.

The entire group of calves entered in the show, with the exception of four culls, were shipped to Amarillo for participation in the Amarillo Fat Stock Show immediately following a parade down the main street of Clarendon.

A premium list of \$135 was distributed among the boys whose entries were awarded prizes. The show was held under the supervision of H. M. Bredlove, Donley County agent, and J. M. Hill, vocational agriculture supervisor in the Clarendon High School.

Judges for the event were Frank Ford, county agent of Armstrong County, and K. J. Edwards of the extension service at Col-

to the applicants he deemed out that they will be redeemed by the treasury at such places as the secretary may designate and that the redemption of the bonds will be a simple procedure.

Bonds will be in \$50 denominations and odd amounts over and above the highest multiple of \$50 in the amount due will be paid by government check, he said.

"These bonds are not of the ordinary type but have several unusual features which make them extremely valuable," the national administrator said. "They may be redeemed at any time during the first year at their face value and after that with an additional 3 per cent interest."

The administrator gave a word "My urgent advice is to hold

It was estimated that 1,500 persons were jammed into the pavillion for the show while many times that number lined the main street for a glimpse of the parade.

Heatherly Recovering From Wreck Injuries

Hubert Heatherly, who was seriously hurt in an automobile accident last week, is recovering slowly, according to attending physicians.

Heatherly received a fracture at the base of the skull, Saturday, February 29, when a car in which he was riding overturned near Giles.

The fracture was not discovered by doctors until several days after Heatherly was taken to the hospital.

Small Farms Helped By Raising Livestock

Farmers living on small farms of five acres or less find they can provide much of the food their families need at a low cost by raising livestock, a report issued by the Department of Agriculture points out.

Poultry, rabbits, hogs, and in some cases milk goats or cows, are well suited to conditions on small farms.

Gasoline Contains 1,000 Ingredients

A number of interesting facts about gasoline not generally known to the public have been revealed by one of the world's top producers and refiners of oil, in connection with a series of advertisements begun in The News last week.

"In adopting the phrase, 'Keep in Step with the Calendar,' as our newspaper advertising theme for 1936," explains W. R. Huber, Gulf's advertising manager, "We believe that few people realize that gasoline is a mixture of more than 1,000 different substances, and that certain of these chemical properties must be carefully controlled according to weather conditions to give the best possible performance."

"It is impossible for anyone to manufacture a single gasoline which will start easily in Maine in February and which will not cause vapor-lock in Texas in July. It is expensive to manufacture and market different gasolines for different climatic conditions, but to properly serve the motorists' best interests, this cannot be avoided."

"That Good Gulf Gasoline sold in Massachusetts in summer is not the same gasoline sold there in the spring and fall. And this, in turn, is not the same gasoline sold in winter. Furthermore, our gasoline sold in Ohio in winter is not the same as the gasoline sold in Florida in winter."

"Gasolines that are ideal for quick starting in cold weather may be quite inferior in hot weather. To insure perfect performance and the highest mileage throughout the country at all seasons, that Good Gulf Gasoline is 'Kept in Step with the Calendar'—hence all of it goes to work—none of it goes to waste."

Mr. and Mrs. J. D. Holtzclaw of Goodnight, and Mr. and Mrs. Clyde Holtzclaw of Amarillo spent Sunday in Clarendon visiting with relatives.

School Trustee

(Continued from Page One) announced as candidates, they have indicated that they will seek re-election for three-year terms.

Two board members will also be elected in the Hedley Independent district. The places are now filled by B. B. Leach and J. A. Tollett.

On the county school board, Edwin Baley from Precinct 1, and W. M. Pickering from Precinct 4, will be up for re-election. Their terms are for two years. Holdover members of the county board are W. A. Poovey, trustee at large; H. T. Burton, Precinct No. 2, and Claude Nash, Precinct No. 3.

A complete slate of the county school district board members whose terms expire will be announced later by Mr. Baker. One or more members of the board in each county district will be up for re-election this year.

Announcements as to the place where the voting will be held and election officials have not been made.

Mr. Taylor also said the meetings of the Clarendon Independent school trustees with the delinquent tax payers had been very successful, and the board plans to continue these meetings until each taxpayer has been seen.

ing the bonds. these bonds so that they may serve as a nest egg because they represent the safest possible investment and an attractive one," he said. "To those veterans whose need is so pressing as to require immediate funds I would strongly advise them to cash out only so many of the bonds that may be necessary to meet the actual need. If you think you need the money now just think a little bit harder and realize how much more you may need it in the future."

Williams Tells

(Continued from Page One) half a dozen reporters and admen and keep harassing the front office for more copy."

Well, sir, them is fightin' words! And when a Williams gets his fightin' blood aroused, it's a terrible sight to see. So, let this suffice as a formal acceptance of your formal acceptance. If you're not scared (and I am, too!) please favor me with a formal acceptance of my formal acceptance of your formal acceptance of the challenge to a duel to the death on the keyboard. Let's meet and agree on time, place, etc.

Really, that challenge was printed mainly because I didn't think of anything else to say right at the moment, but I've talked too much to back out now. So, Mr. Odum, if you'll get on the line I'll meet your man in the blood-curdlingest duel of the century, the loser to buy a page advertisement in the newspaper published by the winner. As to the double-truck, it's still a bargain. Or, we'll make it an eight-page section if you wish. My thrust and parry both are a little rusty, and I won't guarantee to beat your speed merchant, but I will guarantee that for the price of a page ad I'll at least run a very close second!

Of course, I'll be just a mere child compared to this veteran of the backstairs for lo! these 20 or 80 years. But I've set type for 1 or 3 years myself. And these Williams boys do learn fast! I await your pleasure, sir! And may the sharpest rapier cleave the cleanest stroke.
