Plans Being Made For County Show

By Fred L. Williams

Oh, Gurruls! It's Leap Year!
This department is deeply grieved to learn that the fair sex of Clarendon has been very reticent in exercising the privileges to which they are entitled as the result of 1936 being leap year. The county clerk's records show that only four marriage licenses have been issued here this year, the same number that had been issued last year on the same date.

Just to show the ladies that we are sincere in our desire to help the cause along, we are presenting a brief review of the local "eligibles." Here they are, girls, and good hunting!

Bill Taylor—Tall, dark and handsome; dresses well and likes to dance; big hardware man. A very rare catch indeed.

Doc Harter—Nice looking, quiet, well dressed, and a mustache; one of the town's leading dentists. Better hurry!

Jake Rhode—Handsome, athletic, outdoor type, good dresser; working on highway construction project. Very, very eligible.

Tony Watson—Ex-football hero, big and strong, curly hair; "malt mixer" at Douglas & Goldston's. You're going to have to work hard here, cause he's INDEPENDENT, if you know what I mean!

Winford Gattis—Tall, slender, good looking, swell dresser; a regular old goothie; set, set, girls, you'll have to hurry. He's going to be leaving soon, with Hanna-Pope, probably to Lubbock, and then he'll be lost forever!

Lee and D. B. Pope—Among the most eligible, but, alas!—small hope; they'll probably be leaving soon, and I doubt if there's a chance. Might try, tho.

Dick Cooke—Tall, strong, athletic, and very, very handsome, swell golfer; star news reporter for The News; the wedding might make the headlines. 'S gonna be tough, girls, but well worth the effort if you succeed.

Tommie Perkins—Another of those tall, dark and handsome boys, quiet, well mannered, and should make a good husband; works at Parker's. A prize indeed, ladies.

Frank White—Quiet, nice looking, good education and good manners, steady and dependable; owns the Clarendon Hatchery and does a good business. A very desirable connection here.

Roy Heath—"Static" to you! Talks a lot and laughs a lot, a good companion and lots of fun; big, strong and handsome; big furniture and Maytag magnate. Oughts try hard, girls.

Lee Casey—One of those big, strong redheads, but unlike most of them, quiet and unassuming, pleasing personality; he's been here a long, long time and is Homer Mulkey's right-hand man at the moon-pitcher shop; steady and dependable. A good catch.

Jack Goldston—Tall, BLONDE, and handsome, likes sports; manager of Caraway's Bakery and Cafe. Should make a good husband, girls.

Denzil Davis—VERY good looking, elegant dresser, superintendent of a Sunday school; manager of the City Gas Company, and if he gets a percentage of the receipts he should be an EXCELLENT provider. The chance of a lifetime here.

That's no' all of them, of course. But it will at least give you something to work on. So now, let's get busy and make this a leap year they'll never forget.

Season for Colds—

January, the month of resolutions, flu and pneumonia is about up to par this year, it seems. Most of the New Year's resolutions have been broken, and many cases of the "sniffles" are noted. Doctors state that numerous bad colds are evident, but that serious cases are in the minority.

J. M. Cornell is suffering from a relapse of flu, as is P. A. Buntin. **J. B. Duckett** has a case of double pneumonia, and considerable concern is felt over his condition. **Mrs. L. W. Chase** and **little Miss Sammie Jo Lowe** are (Continued on Page Eight)

4-H CLUB AND F. F. A. MEMBERS OF COUNTY TO EXHIBIT CALVES HERE MARCH 7.

County Agent H. M. Breedlove announced this week that plans are being made for the Donley County Calf Show, which will be held here Saturday, March 7. Approximately 25 baby beef calves will be exhibited by 4-H Club members and F. F. A. members of the county. The place where the show will be held has not been definitely decided, but will be announced in the near future, Breedlove said.

JOE BOWNDS ASKS COUNTY OFFICE

SEEKS RE-ELECTION AS DONLEY TAX ASSESSOR AND COLLECTOR.

Joe Bownds has authorized The News this week to announce that he is a candidate for re-election to the office of tax assessor-collector for Donley County, subject to the action of the Democratic primary. In making his announcement Bownds said:

"I feel that as a result of the experience gained during the seven years I have been connected with the office that I am better qualified to serve as county tax assessor-collector and that the knowledge gained from actual experience will be useful in meeting the needs of the county at this time."

"I had served as deputy tax collector for the six years preceding my election to the office of tax assessor-collector, and I am now serving my first term in the latter office."

SERVICES HELD FOR J. R. AYERS FRIDAY

DIES HERE FRIDAY MORNING AFTER LINGERING ILLNESS.

Funeral services for John Robert Ayers, 79, who died at 6:10 o'clock, Friday morning, following a long illness, were held at the family home here Friday afternoon at 3:30 o'clock. Rev. J. Perry King conducted the services.

Mr. Ayers was born in Texas, February 5, 1856. He came to Donley County 18 years ago and resided in Hedley for 10 years. In 1928 he moved to Clarendon, and has made his home here since that time.

Palbearers were Wallace O'Dell, Joe O'Dell, Wallace Raney, Ike Ranes, Jim Tidwell, Mac Raney. Flower bearers were Mrs. Curtis Galloway, Mrs. Lucian Jones, Nola Mae Ralls, Fannie Perry.

Besides the widow the deceased is survived by four daughters, Mrs. Addieree Pharr, Mrs. Felix Jones, Mrs. L. M. Lane, and Miss Emma Ayers, all of Clarendon; and two sons, J. T. Ayers and Robert Ayers, both of Clarendon. Interment was in Citizens Cemetery.

Quail Team Wins Judging Contest

In the vocational agriculture poultry judging contest held at Clarendon on January 11, the team from Quail won highest honors with a score of 899 points. This winning team, coached by A. A. Tampke, was made up of the following boys: K. Allen, J. Eiland, and E. Palmer.

Other teams in the contest, their coaches and their rank in the contest are as follows: McLean, coached by Mr. Magee, second; Tulia, C. J. Van Zandt, third; Claude, H. M. Howell, fourth; Miami, W. L. Combest, fifth; Priona, J. T. Gee, sixth; Estelline, Walter Labay, seventh.

This judging contest was put on by the Clarendon F. F. A. chapter as a feature of the Donley County Poultry Show.

CLARENDON N F L A ELECTS DIRECTORS AT MEETING HERE

CODE OF ETHICS FOR FEDERAL LOAN BORROWERS ADOPTED.

The annual meeting of the Clarendon National Farm Loan Association was held at the court house Tuesday, January 14. C. H. Bugbee, O. C. Caraway, Henry Williams, W. R. Moore and C. B. Morris were elected directors of the association for the ensuing year.

A feature of the meeting was the adoption of a code of ethics for all borrowers of federal farm loans and a radio address by A. C. Williams president of the Federal Land Bank of Houston, who spoke to the members of the 365 national farm loan associations in Texas who were attending similar meetings in cities and towns all over Texas at the same hour.

The Clarendon National Farm Loan Association has helped more than 180 farmers and stockmen of Donley and Briscoe counties refinance their indebtedness.

YOUNG DEMOS HOLD MEETING MONDAY

MEETING IS HELD TO DISCUSS VOIDING OF AAA FARM PROGRAM.

The Donley County Young Democrats Club met in a called session at the county court house here Monday night for the purpose of discussing the recent action of the supreme court in the voiding of the Agricultural Administration program.

After an interesting discussion, the organization went on record as favoring a constitutional amendment which would grant congress the power to legislate on a permanent long-term agricultural program.

The body also unanimously favored sponsoring the Domestic Allotment Soil Conservation Plan. A copy of the minutes of a meeting was sent to Senator Morris Sheppard, with a letter requesting his co-operation and support in obtaining the constitutional amendment.

Two Slightly Injured In Car-Truck Crash

Leslie Pickering and Lindsey Walker, both of Clarendon, sustained slight injuries when a truck in which they were riding Friday morning overturned after a head-on collision with a light car, driven by J. A. Williams, a traveling salesman, 3 miles north of Goodnight on a Highway 5 detour, Tommy Pierce, other occupant of the truck, and Williams were unhurt.

The accident occurred on a one-way bridge, according to W. M. (Continued on Page Eight)

Asks Re-Election

EUGENE A. WORLEY State Representative, Dist. 122

The News received authorization this week to announce that Eugene A. Worley of Shamrock is a candidate for re-election as state representative from District 122. In the brief communication, Worley said that he had not prepared an official announcement yet, but that it would be forthcoming shortly. He stated that the old '22 Model T Ford is in good shape, save and except a broken rear axle and one bum headlight, and that other than that they were both doing fine.

That old Ford of Worley's is quite famous in this section. It is the car in which he did his campaigning during the last election year.

MRS. THOMPSON TO ASK FOR OFFICE

WIDOW OF FORMER COUNTY ATTORNEY ANNOUNCES FOR COUNTY TREASURER.

This issue of The News carries the announcement of Mrs. Curtis E. Thompson for the Democratic nomination for county treasurer of Donley County.

Mrs. Thompson is the widow of Curtis E. Thompson, deceased, who was for some years prior to his death county attorney and a practicing lawyer at Clarendon. She came to Clarendon in the fall of the year 1920, and Donley County has been her home since that time.

Mrs. Thompson plans to see all the voters before the Democratic primary, and will deeply appreciate any consideration shown her candidacy.

Relief Cannery Is Operating Regularly

Mrs. J. M. Acord, supervisor of the local relief cannery, stated Tuesday that people were still under the impression that the cannery was not operating regularly. It is the desire of those in charge that the fact be made known that the cannery is operating from 8 till 2 every day except Sunday.

CARROLL HOME IS DAMAGED BY FIRE WEDNESDAY NIGHT

PROMPT WORK BY FIRE DEPARTMENT PREVENTS COMPLETE LOSS.

The residence of Mrs. Kate B. Carroll in west Clarendon was greatly damaged by fire early last night. The loss was not accurately determined, but was heavy. The roof was almost completely destroyed, as were two out-buildings, and other parts of the house were considerably damaged. Starting in a corner of the back porch, the fire spread quickly to other parts of the house, and only prompt action on the part of the fire department prevented the house being a total loss.

Bill Carroll, son of Mrs. Carroll, is said to have been burning weeds in the late afternoon, and it is thought that one of the sparks probably lodged under the porch, where it smoldered before breaking into flames a few hours later.

The house was unoccupied at the time of the fire, Mrs. Carroll being in California. No insurance was carried on the house, it was said.

WORD ANNOUNCES FOR COUNTY CLERK

IS SEEKING RE-ELECTION TO DONLEY COUNTY OFFICE.

The News has been authorized this week to announce the candidacy of W. G. Word for re-election to the office of county clerk of Donley County, subject to the action of the Democratic primary. In announcing his intention to seek re-election to the office Word said:

"I respectfully ask the consideration of my candidacy for the office of county clerk by the voters of Donley County. I have done my best to serve the best interests of all during my term of office, and shall continue to do so in the future if you see fit to return me to the office."

"I will greatly appreciate your vote and support in the coming primary election, and in the event I am re-elected I will do all within my power to discharge the duties of the office in an efficient and conscientious manner."

1,189 Acres Terraced In County Last Week

During the past week and up to and including Wednesday there had been a total of 1,189 acres of Donley County land terraced on eight farms, H. M. Breedlove, county agent, said this morning. There is a great number of farmers on the waiting list and it is believed that this will be one of the greatest terracing years in the history of the county, he said.

What About Our Schools? :-:

The Clarendon Independent School District board of trustees this week gave a mimeographed copy of a letter to each student in the local schools, and requested that the letter be carried home to the student's parents. The letter was addressed to the patrons of the school, and carried a message of vital importance to every citizen who has children attending one of the local schools. The letter is reproduced in full on another page of this issue, and any citizen who has not read it is urged to do so.

The letter states that approximately \$45,000 in delinquent taxes is shown on the records, and that 1935 taxes are coming in just as slowly as they did in 1934. The board is faced with the task of keeping the schools open for the full term, the accomplishment of which is going to be impossible unless 1935 taxes are paid promptly, as well as a large percentage of delinquent taxes.

Members of the board have stated that the letter is not intended as "just another scare story," but that it is based on actual facts. Present indications are that the schools will be forced to close at the end of six and one-half months. And, a very sad state of affairs it will be if such comes to pass! It will mean that the high school will lose its affiliation; that there will be no graduating class this year; that classes graduating hereafter will be forced to take college entrance examinations; it means that the junior college will probably be lost forever, AND it means that there is something wrong with us as a community!

This writer is fully cognizant of the fact that there has been a rather severe depression going the rounds in these parts, and realizes that it has been almost impossible to meet all expenses recently. He makes no bones about the fact that he is classed among those to whom the letter was directly intended—one whose taxes have managed to become in arrears. And he can realize, to the fullest, that it is going to hurt to have to dig down and pay those back taxes. But he is convinced of one thing, and that is that THEY MUST BE PAID if the schools are to stay open, and he has decided that a supreme effort will be made to see that his ARE paid. The board also realizes that things have been rather difficult, financially, and they do not desire to take drastic measures. But, at the rate things are going at present, they are forced to a choice of two things: Taxes MUST be collected, or the schools must be closed down.

This country is in much better condition at present than it has been during the past two or three years, and there is no reason why taxes should not be coming in more rapidly. Surely, most of us can do SOMETHING toward the payment of these taxes. The board states that it will be glad to accept partial payments in cases where taxpayers are not able to pay the full amount, and that credit will be given for the amount paid.

C. Of C. Banquet To Be Held Jan. 27

H. H. FINNELL OF AMARILLO WILL SPEAK ON SOIL CONSERVATION PROGRAM.

The date for the annual Clarendon Chamber of Commerce banquet has been set for Monday, January 27, according to announcement by members of the committee in charge of arrangements this morning. The banquet will be held at the First Christian Church at 7:30 o'clock.

LOWE IS CANDIDATE FOR COUNTY JUDGE

PRESENT INCUMBENT SEEKS RE-ELECTION TO DONLEY COUNTY OFFICE.

Authorization has been made to The News this week by S. W. Lowe to announce that he is a candidate for re-election as county judge of Donley County, subject to the action of the Democratic primary. In announcing, Lowe said:

"For approximately three years I have filled the office of county judge of Donley County the best I could. In announcing for the same office for another term I do not attempt to assume the attitude that the office belongs to me. The office belongs to the people of the county and they express their choice at the polls. I merely offer myself for their consideration."

"Realizing that the county cannot be more prosperous than the taxpayers who support it, I believe the business side of county (Continued on Page Eight)

PIERCE ANNOUNCES FOR RE-ELECTION

ASKS FOR ANOTHER TERM AS SHERIFF OF DONLEY COUNTY.

The News has been authorized to announce that Guy Pierce will be a candidate for re-election to the office of sheriff of Donley County, subject to the action of the Democratic primary. Pierce made the following statement:

"In announcing for sheriff again, I first want to thank the people of Donley County for everything you have done for me, and for the co-operation you have given me in law enforcement. Without co-operation, no sheriff can make an officer. I have tried hard to merit your confidence, and am asking for the office again for two reasons: Have I made you a sheriff? Am I now making you a sheriff? If so, I am asking your support. If so, you think not, vote for someone else. That is your duty. I believe in a person holding office for what he is at present—not what he is going to be, or what he is going to do. The sheriff's office should be filled by a man who lives what he preaches. If you think I do that I want your vote and support." (Continued on Page Eight)

Trench Silo Is Opened On Claude Bain Farm

During the fall of the year a trench silo demonstration was held on the Claude Bain farm about 10 miles north of Hedley. The trench was filled with silage which was cut to a very small size and stored in the trench.

This silo was opened last week and Mr. Bain reports that it is in fine shape and that he will be glad for anyone to visit his farm and see the results of the silo. He is feeding steers at the present time and reports that the steers are very fond of the silage and the feed is fine. Visitors are invited to visit this silo demonstration and be convinced of the value of the trench silo, H. M. Breedlove, who conducted the filling of the silo, said.

January 17 Is Final Date for Pooling

A wire was received by County Agent H. M. Breedlove from Washington Monday, stating that producers having surplus Bankhead cotton tax exemption certificates may resume pooling them through Friday, January 17. No certificates will be accepted for pooling later than January 17, the communication said.

Local and inter-county transfers of certificates has been resumed until further notice from the Washington office, Breedlove said.

GREAT INTEREST IS SHOWN IN POULTRY SHOW HELD HERE

A COMPLETE LIST OF WINNERS IN EACH CLASS IS ANNOUNCED.

Much interest was shown in the Donley County Poultry Show, which was held here Friday and Saturday. Many entries were made in the show, which was sponsored by the Clarendon Chamber of Commerce and the vocational agriculture department of the Clarendon High School.

R. B. Galloway of Amarillo, who acted as judge, stated that many fine birds were exhibited. Particularly outstanding were the exhibitions of Rhode Island Reds and Dark Cornish varieties, he said.

Following is a list of the winners in each class:

Champion cock, Glenn Riley, (Dark Cornish); champion cockerel, Will C. McDonald (Dark Cornish); champion hen, E. V. Quattlebaum (Rhode Island Red); champion pullet, E. V. Crepe Myrtle Orders Still Being Accepted

Orders for crepe myrtle bushes to be planted in co-operation with the Donley County Beautification Program will be taken now, according to County Agent Breedlove. There have been numerous requests for the plants from those who delayed too long to get their order in the first time, and if a sufficiently large order can be made up the plants may be obtained at the same prices as before, Breedlove said. Orders may be turned in to the chairman of the beautification committees of the various clubs of the city, or to Mr. Breedlove.

January 17 Is Final Date for Pooling

A wire was received by County Agent H. M. Breedlove from Washington Monday, stating that producers having surplus Bankhead cotton tax exemption certificates may resume pooling them through Friday, January 17. No certificates will be accepted for pooling later than January 17, the communication said.

Qualifications for Drivers' Licenses And How to Obtain Them Announced

On or after April 1, 1936, no person, except those expressly exempt, shall drive any motor vehicle on a highway of this state without a license, according to a law passed by the forty-fourth legislature. Licenses are furnished by the department of public safety without charge to the applicant. The tax collector's office suggests that drivers obtain licenses when they get their auto license tags. As far as is known to date, no driver's tests will have to be passed.

Persons not allowed by law to be licensed are: Any person under 14 years of age; any person whose license is suspended during this period; a habitual drunkard or dope addict; any person adjudged insane; any person afflicted with such physical or mental disability that would prevent him from exercising reasonable control over the vehicle.

Persons exempt from licenses: Those driving road or farm machinery; persons operating an official vehicle in the service of

the United States; drivers of commercial vehicles operating under the Railroad Commission of Texas; a non-resident over 16 who has been licensed in his home state or county; a non-resident over 16 whose home state and county does not require a license may drive unlicensed here for 90 days.

Any non-resident or other person whose license has been revoked or suspended shall not operate a motor vehicle in this state under any other license, permit, or registration certificate. Any person under 18 may not be granted a license unless application is signed by a parent or guardian, employer or county judge.

If the license is lost or destroyed, a duplicate or substitute may be obtained upon payment of a twenty-five cent fee.

Every operator's license expires three years from date of issuance, and may be renewed by presentation of the valid license previously issued.

Reduce Estimate Of World Cotton Range and Stock Conditions Good

Estimates of world cotton production for 1935-36 have been reduced to 25,600,000 bales by the Bureau of Agricultural Economics. This reduction of 700,000 bales from the November estimate is due entirely to reduction in the United States crop.

Foreign production now is placed at 14,866,000 bales, 30,000 more than a month ago, and is 880,000 bales larger than the 1934-35 foreign crop on record.

Cotton textile mill activity in principal consuming countries continued at comparatively high levels during November and early December, said the bureau, and exports of American cotton this season to date have been about 1,000,000 bales larger than in the same period last season.

TO THE PATRONS OF THE CLARENDON INDEPENDENT SCHOOL

The Board of Trustees of the Clarendon Independent School District wish every patron of the entire school to read this letter through. If you could be shown by facts that are indisputable, that the Clarendon schools will close at the end of six and one-half months of school term, would you be interested in knowing why? If you would be, then read this letter and act upon the suggestion made herein.

There is approximately \$45,000.00 worth of delinquent taxes. The 1935 taxes are not being paid any better than they were in 1934. With these facts before us and with no hopes of receiving any federal aid or outside help, the school board sees no other alternative than that the school will have to be closed at the end of six and one-half months, unless the 1935 taxes are paid in full and a large amount of the delinquent taxes are paid. It is not sufficient that the 1935 taxes alone be paid. They must be paid and in addition to them, delinquent taxes must be paid.

If the school closes by reason of the tax payers failing to pay their taxes, you know of many inconveniences and much disappointment, but probably you do not know that if the schools have to close short of a nine months term, that all of the affiliation of our high school is lost, and that means that there will be no graduating class this year and that the classes hereafter graduating must take entrance examinations before they are permitted to enter other

Texas livestock and range conditions at the beginning of 1936 not only are far better than a year ago but are slightly above average, the United States Department of Agriculture reported recently. Slightly more than seasonal declines in condition took place during December, however.

Cattle range condition was 82 per cent of normal on January 1, compared with 52 per cent a year ago and 78 per cent the ten-year average. Conditions improved during December in the Trans-Pecos area and were unchanged in Northwest Texas, but declined elsewhere. Sheep and goat ranges were 88 per cent of normal on January 1, against 46 per cent a year ago and 78 per cent the average.

Cattle are coming through the winter in good condition, the report said, with little supplemental feeding necessary. Considerably more cattle and calves are on feed for market than there were a year ago.

Sheep are in good flesh and ewes are strong. There also is more feeding of sheep and lambs than a year ago. Goat condition is 88 per cent of normal, compared with 66 a year ago and 83 the ten-year average.

Throughout western range states livestock and range conditions (Continued on Page Eight)

schools. It also means that the junior college, in all probability will be permanently lost, never to be opened again. The school board has been so advised, and on such information believes these to be facts.

This letter can be considered in different ways by you. It can be ignored; it can be scoffed at; or it can be considered in the class of the old, old story of wolf! But you are invited to make inquiry and to verify the facts above stated, and if you are interested in the schooling of your children, then act. If you cannot pay all of your taxes, pay part of them. Partial payments will be received, and you will receive credit for any payment made.

Trusting you will work with us in this most urgent situation, we beg to remain,

Yours truly, Clarendon Independent School District Board of Trustees. F. E. Chamberlain, O. C. Watson, W. W. Taylor, Odos Caraway, J. R. Porter, E. P. Shelton, O. W. Latson

Savings as good as a Refrigerator

Refrigeration is as important in Winter as it is in Summer

ELECTRIC REFRIGERATION gives you year round savings on foods—Winter and Summer. It is a known fact that the average temperature in the kitchen is 76 degrees. That is 26 degrees above the government specification for proper refrigeration.

Electric refrigeration not only gives you the assurance of pure, wholesome food but will actually save you money. It permits buying in quantities, the saving of unused portions and buying at specials. Investigate electric refrigeration for your home!

Export Debenture Farm Relief Plan Is Revived By Senator Tom Connally

Washington, D. C., Jan. 13.—Senator Tom Connally has revived the export debenture farm relief plan as a substitute farm relief legislation in view of the decision of the Supreme Court holding unconstitutional the Agricultural Adjustment Act. His plan is not exclusive but may possibly be linked with other farm legislation in order to make a complete program.

A bill embodying the export debenture will be introduced in the Senate by Senator Connally this week.

The export debenture for farm products is based upon the same principle as the protective tariff except that it is made applicable to exports rather than imports. Since the farmer must pay a tariff on manufactured goods and must sell his exportable surplus in a world free market, it is the senator's theory that on the exportable surplus of farm products the farmer should receive compensating benefits in order to lift the price of farm commodities to a fair level with manufactured and industrial goods.

The bill provides that the treasury shall issue treasury certificates for cotton, wheat, and other farm products which may be exported. Such certificates are redeemable by the treasury and are negotiable and may be used for the payment of duties on imports. The amount of the certificate on each pound of cotton or bushel of wheat will be fixed with a view of giving the farmer an increase of his price. By thus lifting the export price of such commodities the price in the domestic markets will be lifted to the same level. Tariff schedules would prohibit the reimportation of such exported surplus in order to protect the treasury and the domestic market.

In commenting on the measure, Senator Connally said:

"When the manufacturer cannot compete in the domestic market with imported goods the government gives him an import tariff in order that he may do so. If the farmer cannot compete in foreign markets why not give him an export tariff to equalize conditions and enable him to buy manufactured articles which cost him more by reason of the tariff?"

The export debenture farm relief plan was advocated by Senator Connally when first a candidate for the senate in 1928. In 1929 the plan in the form of an amendment to the Farm Board Act passed the senate on two occasions but was rejected by the house of representatives during the Hoover administration.

"Agriculture is entitled," said Senator Connally, "to permanent legislation which will put the farmer upon an economic level with industry and manufacturing groups. The export debenture

(By Willie Nell Shannon)

There was a good attendance at Sunday school and Bro. Brister filled his regular appointments here last week-end. He visited in the Bulman, Talley and Mason homes while here.

Mr. and Mrs. J. L. Riley of Amarillo, who were former owners of the Geo. Bulman place, were down Sunday to visit Mr. and Mrs. Bulman and to see their old home.

Mr. and Mrs. W. F. Shannon entertained Mr. and Mrs. Leonard Baggett, and Mr. Robert Shannon Sunday.

Mr. and Mrs. Howard Davis of Farewell visited their home folks over the week-end.

Mrs. J. E. Baker, Mrs. J. D. McAdams, Mrs. Pool, and Mrs. Dick Cannon visited Mrs. Edwin Baley and her mother Thursday afternoon. The latter has been quite ill lately.

Mr. Condit Jones was called away to the bedside of his mother, who had a stroke of paralysis just recently.

We are very sorry to lose Clyde Barker and his wife from our community but hope they will enjoy their new home in California. They left enroute for that state early Monday morning. Mrs. Barker's folks accompanied them.

Mr. and Mrs. Jim Baker and Mrs. J. E. Baker spent Sunday with Mrs. Arnold of Naylor.

There has been quite a bit of sickness in the community lately due to a kind of flu that affects the throat.

Mr. Kavanaugh entertained the young people of Martin Friday night in his school room. The room was cleared of all seats which made plenty of room for the many games that were played. Several of the older people were present and entertained themselves by playing dominoes.

The Teacher-Trustee organization met in their regular monthly meeting Thursday afternoon. Several school problems were discussed and plans were made for the inspector's visit.

A plan is designed to secure that end. It may be used either singly or as a part of a more comprehensive program of farm relief and I am earnestly and aggressively supporting it. At the last session of congress we were able to secure an amendment to the revised Agricultural Adjustment Act, appropriating thirty per cent of revenues from tariffs on imports as a fund to be used by the secretary of agriculture for benefit payments to the farmers. That amendment was carrying partially into effect the export debenture idea. Agriculture must be saved. The export debenture plan will go a long way toward that desired objective."

EROSION WORK SURVEY STARTED

Amarillo.—Most of the preliminary work being completed, the federal government is prepared to launch on a widespread scale its campaign to check wind erosion which has ravaged millions of acres of once fertile farm land.

The campaign in the so-called "dust bowl" of the southwest will be directed from the regional headquarters of the United States Soil Conservation Service here. The offices were moved here recently from Dalhart. H. H. Finnell, as regional conservator, will be in charge.

Demonstration areas have been definitely located throughout the Great Plains area and the personnel in the various divisions of the service is virtually complete.

The next step will be a field tour on which the technical and administrative staffs will visit the 14 demonstration areas, which include the wind-eroded sections of Texas, New Mexico, Oklahoma, Kansas and Colorado.

About 20 persons, including technicians, agricultural engineers, agronomists, foresters, biologists, conservationists, agriculturalists and draftsmen, will make the trip. It was started December 30 and will extend through January 15.

Finnell said project managers and camp superintendents would conduct the party over their respective projects and point out existing erosion problems. Night conferences are planned at each point, with members of the local and regional staffs joining in a discussion of the program.

Demonstration areas under the jurisdiction of the Amarillo office are near Lamesa, Littlefield, Hereford, Vega, Amarillo, Memphis,

Perryton, Dalhart, Stratford and Channing, in Texas, and Guymon, Okla., Liberal, Kans., Springfield, Colo., and Clayton, N. M.

LIBRARY NOTES
(By Mrs. C. A. Burton)

Our friends still remember us with gifts of books occasionally. Rev. W. W. Layton again brought us several and Roscoe Trostle of the Hedley schools brought us "The Home League Reading Course," a book gotten out by the Parents International League. We appreciate greatly all these remembrances.

The longer evenings with more leisure for reading are bringing us a few new members—people who appreciate the chance to enjoy a good book.

And we find ourselves eager to know about people who have written these books which we so enjoy. One which has been popular always is "The Log of a

Cowboy" by Andy Adams. This author of this as well as many other books died at the age of 76 not long ago at his home in Colorado Springs, Colorado.

Irving Bacheller, whose name at once suggests "Ebon Holden" is still living and writing on Long Island. He celebrated his 16th birthday in September. He has written more than thirty books, and is now at work on another, which will be finished in February—a story with New York as its setting.

Kathleen Norris finished her new novel, "Shining Windows," in October, and at once sailed for the Orient from her California home. On the same day her husband, Charles G. Norris sailed from New York in the opposite direction. They are to meet in Virginia.

Edna St. Vincent Millay, with her husband, Eugene Boissevain,

returned lately from Paris, where they had been doing some research literary work.

Theodore Roosevelt once said, "After the church and the school, the free public library is the most effective influence for good in America. The moral, mental and material benefits to be derived from a carefully selected collection of books, free for the use of all the people, cannot be over-estimated. No community can afford to be without a library."

"The public library, in its cultural and recreational service, supplies the best novels, old and new, the best books of poetry, essays, history, travel, biography and fine arts needed to enable everybody to read what he or she most enjoys. Such reading may be done occasionally to kill time or to drive away the blues, or it may be done systematically in an effort to become well read in the world's best literature of the past and present, and to become well informed on the best that is known and thought in the world. Such reading makes our lives swifter and saner and makes us more intelligent citizens."

I enjoyed this, so I pass it on to you:
"How good it is to live with books, to sit with them in quiet

Young Visitor Honored

Mrs. J. T. Patman entertained for her little granddaughter, Shirley D'Laurel Price, of Marion, Illinois, Wednesday afternoon, January 15. Various games were enjoyed during the afternoon by the following children: Elise Norwood, Ruth Patman, Marion McCann, Kathleen and Melba Ruth Grady, and the honoree, Shirley Price.

The centerpiece for the table was a fishing pond from which each child present fished a bag of gold, which proved to be chocolate candy wrapped in gold paper. The novel place cards were quintuplets made of gum drops. Refreshments served were sandwiches, soda pop, pear salad made into a face, and ice cream and cake.

Independent Woman Has Prize Contest

Must women be better at their jobs than men, to earn the same money? Women often say they must. To check the truth of the contention, the January issue of Independent Woman is launching a prize contest. Twenty-five dollars will be awarded to the woman who writes, in 300 words or less, the most vital and convincing true experience story indicating that business or professional women must do work superior to that of their male associates, in order to win similar recognition and monetary reward.

The contestant may write of her own experience or that of an acquaintance. Neither need be a Federation member. Entries must be typed, and be in the hands of the discriminations contest editor, Independent Woman, 1819 Broadway, New York City, not later than February 1, 1936. Specific facts will help win the prize, but in printing the stories that win top rating, care will be taken to camouflage the account as much as the writer thinks wise. The March issue will announce the prize winner (by an assumed name if she wishes).

The judges of the contest will be Miss Elizabeth Sears, former editor of Independent Woman; Mrs. Dorothy Dunbar Bromley, columnist for the New York World Telegram; and Miss Frances Maule, author of "She Strives to Conquer."

Could This Have Happened?

Weimar Mercury: A well known professional man of this city, in giving a substantial order for job printing to the Mercury the other day, remarked to the writer:
"The question of price does not come into consideration with me. You folks pay my price for professional services without a haggle—why should I complain if your price is a few cents above some outside man? In giving you my work this money is kept at home. If I gave it to an outsider it would leave Weimar, never to return. Besides, what patronage can I expect from the outside man? You people do satisfactory work at a price that is satisfactory to me, and I have no complaint to make."
My, but wouldn't this be a glorious old world if all our people took the same view as the above party? What he says is not to be denied, but there are lots of folks, if they can save a nickle, will send their job printing orders elsewhere every time, and then wonder why the newspaper man does not patronize them. If people would only "tote fair" this would be a much better world in which to live. Try it!

The Pathfinder Club met at the club room Friday afternoon, January 10, with the president, Mrs. Fred Rathjen presiding. During the business session it was voted to co-operate with the Senior Beaux Arts Club in selling Texas Centennial seals. Mrs. R. L. Bigger gave a report of the anniversary meeting to be held January 24 at the home of Mrs. Sella Gentry. Mrs. Louise Thompson and Miss Vada Waldron were elected to membership at this meeting. The following officers for the coming year were elected: president, Mrs. L. N. Cox; vice president, Mrs. J. W. Evans; recording secretary, Mrs. B. L. Jenkins, Sr.; treasurer, Mrs. John Bass; parliamentarian, Mrs. Charles Bairfield, and historian, Mrs. J. L. McMurtry.

For the program Miss Temple Harris conducted a parliamentary drill. Mrs. C. A. Burton gave a talk on "The Uses and Possibilities of the Library."

The hostesses, Mrs. Clyde Douglas and Mrs. F. L. Bourland, served refreshments to those present.

B. & P. W. Club Elects Officers

The Business and Professional Women's Club met at the Antro Hotel Monday evening for a business meeting. The president, Mrs. Ruth Teat, presided over the meeting, calling the club to order. Rhoda Weidman, chairman of the membership committee, presented two names, Misses Mary McKenzie and Ethel Swanson, for club membership, and the two were duly elected. Miss Ruth Donnell, chairman of finance, gave a report. The following officers were elected for the new year: President, Fanny Perry; first vice president, Lotta Bourland; second vice president, Annie Bourland; recording secretary, Helen Watson; corresponding secretary, Ruth Donnell, and treasurer, Mae Shaver.

Election of Officers For Mother's Club

The Mother's Club met in the club room Monday afternoon, January 13, with Mrs. Ralph Andis and Mrs. Joe Bownds as hostesses.

The president, Mrs. Frank Heath, presided over the business meeting. New officers for the coming year were elected at this meeting and are as follows: President, Mrs. B. L. Jenkins, Jr.; vice president, Mrs. Tom Murphy; secretary and treasurer, Mrs. Joe Bownds.

A parliamentary drill was then conducted by Mrs. C. B. Morris. A vocal duet by Mrs. J. H. Howz and Mrs. Frank Heath was enjoyed.

The hostess served refreshments to 19 members.

Beaux Arts Club Elects Officers

Les Beaux Arts Club met in regular session Saturday, January 11, at 3 p. m. Some business was transacted and then the following officers were elected:

President, Mrs. W. G. Word; vice president, Mrs. M. R. Allensworth; secretary, Mrs. U. J. Boston; treasurer, Mrs. J. D. Swift; parliamentarian, Mrs. T. S. Barcus; librarian and historian, Mrs. J. Perry King.

After the officers were elected the constitution was read by the secretary. Then Miss Mary Howren gave a very instructive parliamentary drill to Mesdames Bagby, Barcus, Bigger, Boston, Bourland, Evans, Kerby, King, C. B. Morris, J. H. Morris, Patrick, Stocking, Swift, Teer, Word, and Miss Harris.

Mrs. Oakley Honored With Shower

Mrs. Gilbert Mann of the Chamberlain community honored Mrs. A. B. Oakley last Tuesday with a miscellaneous shower in the home of Mrs. C. E. Salmon. Refreshments were served to Mrs. W. B. Webb, Mrs. L. B. Taylor, Mrs. Bert Mayfield, Mrs. J. B. Estes, Mrs. H. B. Barbee, Mrs. Ed Aduddell, Mrs. John Aduddell, Mrs. O. B. Rappy, Mrs. George Eanes, Mrs. C. L. Mann, Mrs. Henry Mann, Mrs. Roy Blackman, Mrs. Blanche Smith, Miss Cleo Eanes, Miss Gladys Salmon, Miss Juanita Estes, the honoree, Mrs. A. B. Oakley, and the hostesses, Mrs. C. E. Salmon and Mrs. Gilbert Mann.

Those sending presents were Mrs. H. M. Reid, Mrs. Hubert Brown, Mrs. W. T. Lowe, Mrs. Joe Ritter, Mrs. C. M. Johnson, Mrs. J. D. Holtzclaw, Mrs. Lloyd Risley, Billie Bud Aduddell, Geraldine Aduddell, and Miss Jimmie Estes.

Mrs. Tyree Hostess To Friendship Club

The Friendship Club met Tuesday afternoon with Mrs. H. Tyree as hostess. The meeting was opened with a prayer by the president, Mrs. C. R. Skinner. At the business meeting which followed it was voted to give three dollars to the linen fund for the Adair Hospital. Mrs. Glen Williams was taken into the club as a new member at this meeting. The business session was closed with scripture reading by Mrs. Mongole and a prayer by Mrs. Ballew.

The remainder of the afternoon was spent in doing fancy work and in conversation. In the late afternoon refreshments were served to the following club members: Mesdames C. R. Skinner, Arline Skinner, L. Ballew, Claud Lindsay, G. L. Allison, Womack, J. D. Stocking, Meadows, J. W. Rowland, G. J. Teel, J. E. Mongole, M. E. Thornton, J. A. Tomb, Absher, Miss Katie Meadows and the hostess, Mrs. Tyree.

R. E. Drennan, W. M. Patman, H. M. Lane, and J. W. Hazelwood of Clarendon attended a Boy Scout meeting in Pampa Monday night.

McKillop-Ramsey Wedding

Miss Faye Ramsey, daughter of Mrs. Julia Ramsey, 1413 East Morphy St., Fort Worth, Texas, became the bride of Mr. Neil McKillop of Borger, Texas, at eight o'clock, Friday evening, January 10, at the home of Mr. and Mrs. Joe Goldston of this city.

A number of intimate friends of the bride and groom had assembled at the home for the wedding and immediately preceding the ceremony the lights were lowered in the living room. The French doors into the dining room were then thrown open and the beautiful wedding tableau was revealed. The dining room had been transformed into a bower of evergreens for the occasion and the charming scene was lit by the glow from pink tapers, pyramidally arranged on tall silver stands. Rev. J. Perry King, pastor of the local Baptist Church, read the impressive ring ceremony. The ring bearer was little Miss Shirley Brumley, daughter of Mr. and Mrs. Rolle Brumley of Memphis.

The bride was charming in a grey frock, trimmed in cocktail blue velvet; her slippers were of grey suede with blue kid trim. The tiny ring bearer's dress was of pale blue flat crepe, embroidered in pink rosebuds. She carried the ring on a pink satin pillow.

After the ceremony a reception was held for the guests in attendance. Mrs. Rolle Brumley of Memphis and Miss Doris Allensworth, who is a childhood friend of the bride, presided at the table, which was laid with a lovely Normandy lace cloth. The center of attention was the beautiful three-tiered wedding cake. The cake was iced in white and adorned with pink rosebuds and green leaves.

Mrs. McKillop before her marriage was an employee of the

Mary Cooke Gives Contract Party

Miss Mary Cooke entertained with three tables of contract bridge Saturday evening, January 11, at her home. Four interesting games of contract were enjoyed and at the conclusion the combined scores of the couples in attendance were taken. Mr. and Mrs. M. P. Gentry had high score and were awarded the prize.

A two course midnight supper was served by the hostess to Mr. and Mrs. P. B. Gentry, Mr. and Mrs. Ira Merchant, Mr. and Mrs. M. P. Gentry, Mr. and Mrs. F. L. Williams, Dr. and Mrs. T. H. Ellis, Miss Cleo Brown, W. H. Cooke, Jr., and Dick Cooke.

rural circulation department of the Fort Worth Star-Telegram. She is a graduate of the Polytechnic High School of Fort Worth. Mr. McKillop was born in Clarendon and spent his early life here. He is the son of the former Mr. and Mrs. John McKillop, who died in this city and left many friends among the citizenship of this community. He attended the high school here and was also a student at the San Marcos Military Academy. He is now manager of the Anderson Drug Company of Borger and the young couple will be at home in that city, following a short wedding trip.

Those who attended the wedding included Mr. and Mrs. Jack Knight, A. M. Minton, D. H. Massey, J. M. Krisman, Carl Mayfield, and Miss Billye Fay Chandler of Borger, the bride's mother, Mrs. Julia Ramsey of Fort Worth, Miss Lorraine Patrick, Miss Lillian Murphy, Miss Doris Allensworth, Mrs. Harry Brumley, Mrs. J. Perry King, Kenneth Kerbow, J. P. Rhodes, Tony Watson all of Clarendon, and Mrs. Rolle Brumley and children, John Carroll and Shirley, of Memphis, and Mr. and Mrs. Joe Goldston.

Unique Shower Given For Mrs. Harkness

At a shower given Thursday afternoon, January 9, in honor of Mrs. Weldon Harkness by joint hostesses Mrs. Harry Blair and Mrs. Lloyd Johnson at the home of Mrs. Blair on 1st Street, the guests were very greatly surprised to learn that our city had free mail delivery.

After each guest had registered in the Bride's Book, presided over by Mrs. Johnson, and had greeted the honoree, they were requested to help her along the sea of matrimony by giving her good and sound advice. They were eager to oblige and the last advice offered was given by Mrs. Lloyd Johnson, "Take advice from no one!" Then the surprise! A postman's whistle! Upon going to the door a postman was found standing without. He announced there was a special delivery package for a Mrs. Weldon Harkness addressed to No. 504 First Street.

Mrs. Harkness accepted the package, a large one that caused the bride to ask help to carry it to the center of the room. She was then told to open it as all were curious to examine the first free mail delivery in Clarendon. She obligingly did this and discovered many lovely gifts which were opened and admired.

Mrs. Harkness thanked all in her gracious manner. Refreshments were served to the honoree, Mrs. Weldon Harkness and the following guests: Mesdames U. T. Dever, F. C. Johnson, Everett Johnson, John Eudy, Ben Buck, U. Z. Patterson, George Eanes, Guy Durant, George Garrison, Verna Lusk, Ed Speed, Pud Bain, R. L. Bain, Ed Speed, Regan Bain, Otis Jackson, and Miss Nina Crawford.

Those sending gifts who were unable to attend were Mesdames L. T. Whitlock, Earl Hill, C.

Marjorie White Complimented

At the meeting of the Just-a-mere Club last Thursday evening at which Misses Vera and Eugenia Noland were hostesses, Miss Marjorie White was complimented with a miscellaneous shower.

Miss White's marriage to Lloyd Benson will take place in the near future.

Auction bridge was enjoyed by those present and after the games Mrs. Fred Connally was awarded the high score prize. Miss White was then presented with the lovely gifts.

The club members present were

Jean Bourland, Dorothy Jo Taylor, Ruth Donnell, Evelyn Murphy, Pauline Sanford, Doris Allensworth, Mrs. O. C. Watson, Jr., Mrs. Sam Cauthen, and Mrs. Byrum Haile, and Mrs. Dewey Heath and Mrs. Fred Connally were guests for the evening.

Mrs. King Hostess To Kil-Kare Club

The Kilkare Needle Klub met Thursday afternoon, January 9, at the home of Mrs. J. Perry King. The afternoon was pleasantly spent in piecing quilts and crocheting bedspreads.

In the late afternoon the hostess served delicious refreshments to Mrs. A. T. Cole, Mrs. M. E. Thornton and Mrs. J. D. Stocking, who were guests for the afternoon, and to the following club members: Mesdames Joe Cluck, H. D. Brumley, J. R. Bartlett, W. A. Land, E. M. Ozier, Homer Mulkey, Henry Williams, Buel Sanford, W. C. Stewart, W. B. Sims, Misses Etta and Ida Harned.

The next meeting of the club will be with Mrs. J. R. Bartlett on January 23.

Misses Perry and Davis Give Party

Miss Carrie Davis and Miss Fannie Perry entertained with a forty-two party Monday evening, January 13, at the home of Miss Perry.

This pleasant occasion was enjoyed by Misses Louise Smith, Marie Davis of Fletcher, Okla., Fannie Mae Perry of Fort Worth, Wanda Nell Smith and the hostesses, and Messrs. Ardis Patman, Sam Hardy Barrow, Lowell LaFon and Royce Turnbow.

T. E. L. Class Meets At Church

The T. E. L. class of the First Baptist Church met Tuesday, January 14, in the church parlors for a business meeting and social hour. There were 12 present.

A dainty refreshment plate was served to Mesdames W. B. Sims, W. A. Land, G. G. Kemp, Ed Barnes, Laverne Shuford, Curtis Harp, Buel Sanford, Gates, Curtis Thompson, O. E. Anderson, J. C. Taylor and R. R. Dawkins.

Mrs. Blocker Hostess To Bluebonnet Club

The members of the Bluebonnet Club and several guests enjoyed a one o'clock luncheon Thursday, January 9, at the lovely country home of Mrs. John Blocker.

During the afternoon games of auction bridge were enjoyed by the following guests: Mesdames Charles Bugbee, W. H. Cooke, Sella Gentry, B. L. Jenkins, Sr., and the club members, Mesdames Charles McMurtry, George Ryan, F. E. Chamberlain, Odos Caraway, A. R. Letts, C. G. Stricklin, W. H. Patrick and C. C. Powell. High score prize went to Mrs. Sella Gentry, low score to Mrs. B. L. Jenkins, Sr., and Mrs. C. G. Stricklin received the cut prize.

SCHOOL SPIRIT
Our school lacks school spirit in the true sense of the word. We support a winning football team very well, but when our boys lose a couple of games we ignore them as much as possible. We are indifferent to tennis, basketball, and track to the extent that only those who participate in these events get any benefit from them. We utterly fail to see that the fun is in the game itself and not in winning or losing.

Our athletic events have more enthusiasm and support than do our literary events. Ninety per cent of the students do not know that we compete in debate, extemporaneous speaking, essay writing, and declamation. We should have a public speaking department to create interest and bring out talent in these subjects. We have some very good examples of indifference among members of our faculty.

Since we do not remember what we learn in school, I should like to be able, some day, to look back and remember the games we used to play in Clarendon, the debates we used to have, and the inter-class rivalry that existed. I think we are missing half the fun of going to school through our own indifference and lack of interest. We may discover our mistake sometime, but when we do I fear it will be too late to do anything but lament.

INTEREST IN SCHOOL PAGE
We are all interested in the school paper. There is not one of us who does not turn to it first on Thursday morning, and eagerly read its contents. Why, then, won't we co-operate and help the editor put out the best school paper in the Panhandle? We could do it. We have good

Second Semester Courses Offered
There are several new courses that will be offered to the students of the high school and college this semester.
Mr. Kerby has announced that there will be a half-semester course in office practice for college students who have previously taken typing and shorthand.
The other new college courses will be analytics, which will be offered to college freshmen as a secondary math course. American government is being offered as a sophomore course.
As a result of the desire of a number of students, a beginner's course in typing will be given this semester.
In high school, economics, a junior course, and business arithmetic, a senior course, will be offered to students.

help, and good material to work with. We have a good start now; it would take but a little time on the part of some of the more talented students to complete our paper with a good editorial (serious) or a good book review column. Perhaps you won't succeed the first time. What does it matter? Try again, and you will not only be helping the paper; you will also be helping yourself.

FOOTBALL LIGHTS OR A GYMNASIUM
A question that has, for the past few months, presented itself several times before the student body of this school is whether we should have had a gymnasium instead of lights for the football field. Lights are useful and they are an attraction to our school, but in as much as this school is the largest in the county and also the main center of athletic events, I feel, and I am sure that many more of us do, that the money that was spent for the lights would have been better invested in a gymnasium. For awhile football lights and night games seemed to be the fashion, but in the past year (unfortunately just at the time we secured ours) they seem to have gone out more or less as the styles of dress. In a town of this size and with a school so restricted in its expenses, it would have paid in the long run to have a good gymnasium to take care of the winter sports.

SPORT SHOTS
Here's some Texas Centennial sport news:
Visitors to the Texas Centennial will find a variety of sport activities this year. As may be expected football will be the main issue during the fall, but there will be a number of other major events during the spring and summer months. At the exposition stadium within the Texas Centennial grounds at Dallas numerous games will be played. On September 5, the Chicago Bears, three times National professional champions, will play an All-American college team selected by a nation wide newspaper vote. There will be many inter-sectional games as well as the Southwest conference games. High ranking high school teams will also furnish many fine games.
An inter-sectional game of much interest will be that of S. M. U. and Vanderbilt where Ray Morrison, former Mustang coach, is now coaching. Vanderbilt was in a three way tie this fall for the (Continued on Page Seven)

LOWELL LAFON BECOMES BRONCHO RANGE EDITOR
Beginning with this week's edition of the Broncho Range, Lowell LaFon will serve as editor and Avis Lee McElvany will be assistant editor. They have both written extensively for the school paper, Lowell having served as assistant editor and sports editor during the first semester. Avis Lee has been well known as the writer of the columns, Campus Dirt and Very Personal during the past two years.
The former editor, Arthur Chase, has been forced to resign from active duty on account of a heavy course in college.

STYLE NOTES
Pearl McGowan was seen on the school campus wearing a new grey and rust swagger ensemble. The three-quarter length coat was grey with large pointed lapels and a scarf collar of the same material as the grey and rust checked skirt.
Reba Nichols has a striking green crepe dress with white crinkled collar and full three-quarter gathered sleeves.
Lottie Rolls is wearing a smart two-piece, black and white checked sport dress with novel square red buttons down the front of the short tunic.
Lucille Hvass was seen going down the hall with a new blue silk dress trimmed at the neck with plain gold sequins.
Edna Thomas appears quite sophisticated in her crisply tailored green wool tweed dress with plain white wooden buttons and buckle, and large eggshell satin cuffs and tie collar.
Fanny McGowan portrays girlish simplicity in her new maroon wool dress with its plaid collar.
Ruth Warren is the object of all admiring and envious eyes when she dons her flaming new red flannel dress. It is a dashing and severely tailored two-piece dress with white pearl buttons on the double breasted front.
Margaret Kelly is wearing a little pink crinkled crepe dress flecked with grey-brown. The dress has a tunic effect at the waistline with covered buttons down the back. She wears a brown silk scarf at the neck caught with deep reddish-brown wooden "M" pin.
Jimmie Lec Cole is wearing a clear, light grey jacket, very sporty and collegiate.
Dorothy Powell was seen with a new twin sweater set, the jacket being yellow and the inside

Assembly Program Given By Juniors
The regular assembly program was held Thursday afternoon in the auditorium. The program for the afternoon was presented by the members of the junior class. Following the singing of several songs by the student body, Kathleen Oden played a piano solo. Then Lilly Jewel Barnes, Marguerite Easterling, Reba Nichols, and Ruth Cornell presented a one-act play entitled "Ma's Bridge Party." A reading was then given by Jane Williams. A trombone solo was given by Charley Murphy; however, it sounded very

much like Hubert and his clarinet behind the stage. Frances Fowler then sang two popular songs. The entertainment was brought to a close when Arthur De Hart and James Bartlett gave an amusing brief play called "C. O. D." After this program, Mr. Dren- (Continued on Page Seven)

VALLEY SHIPMENTS GOOD

Brownsville, Jan. 4.—Shipments of fruits and vegetables out of the valley to date have passed the 4,000 carload mark and are about 1,500 carloads ahead of shipments at the same time last year.

There was a slack during Christmas week but shipments are beginning to be heavy again after the holidays.

At The First Baptist Church

THERE IS ALWAYS WORSHIP—FELLOWSHIP—SERVICE

Does the road that you are traveling seem all up hill? Then just remember that you are headed toward the heights. It is the downhill road that is dangerous. It is the path of least resistance that makes both men and rivers crooked. If your life is a grind be thankful for the opportunity to sharpen your wits on it. A razor can't be sharpened on a piece of velvet. A soft job is the job for a soft man. Heads up. Hands to the task. The day is ours and we are equal to the occasion. Be hopeful. Have faith in God, yourself and your fellowman. The darkest night the world ever saw did not put out the stars. Hope hears the music of the broken violin, sees the dawning of a better day and overcomes difficulties. Confident faith is the high power line of aggressive action. A faith that really removes mountains is not above using dynamite and steam shovels. Right now in our town with our schools and churches we need to push out from shore and go after the deep things of God. With men many things are im-

possible, but with God, by the help of the right kind of men, there are no impossibilities. God is our partner, and the thing we need to do is to call him into council and do what he says. Services as usual at the Baptist Church Sunday. We will be happy if you are there.

J. Perry King, Pastor.

Mrs. Bill Middleton and Mrs. Leonard Merrill of Quitaque were here Tuesday for a visit with Miss Carrie Davis.

EX-SERVICE MEN OF COUNTY WOULD GET \$151,661.25 BONUS

PATMAN ESTIMATES \$8,000,000 WILL BE PAID TO PANHANDLE VETERANS.

Under estimates made by Rep. Wright Patman of Texas, leading exponent of the soldiers' bonus payment, the payment would add about \$8,000,000 to the business channels of the North Texas Panhandle. The figure is based on 43 counties.

According to Patman's estimates, 148,771 service men in Texas will get \$89,696,221.25. His figures show that Donley County will get \$151,661.25; Armstrong County will get \$49,195.97; Briscoe County will receive \$82,609.02; Hall County, \$250,723.55; Collingsworth, \$213,704.66, and Gray, \$326,446.02.

Most Clarendon business men are of the opinion that the bonus payment will be a great stimulant to local business, and many have been heard to voice a desire for its payment.

Williams Tells—

(Continued from Page One) convalescing after rather severe cases of pneumonia.

The dangerous days are not over, the doctors say. Everyone should exercise the utmost caution in prevention of colds.

I Never Have 'Em!

And speaking of colds: I take great pride in the fact that I never have a cold. I am always very, very careful never to associate with a person who has a cold. I eat and sleep regularly, get plenty of fresh air, and take pills when I feel that I need them. In fact I never, never, take any chances whatsoever about them nasty colds. If everybody was as careful as me there would be no colds at all. Say! Wad inna world issa batter wid by nose!

Range and Stock—

(Continued from Page Two) were good at the beginning of 1936, the report showed. Cattle and sheep are in very good condition, but in some areas stock water is short and lack of sub-soil moisture hurts the outlook for 1936.

COTTON TEXTILE WORK IMPROVES

The Texas cotton textile industry, still far below normal, showed signs of improvement last month.

The University of Texas bureau of business research said reports from 14 mills showed consumption of 2,591 bales in November, an increase of 34 per cent over the same month last year.

Production of 3,747,210 yards of cloth and an increase of 53 per cent and sales were up 70 per cent to 3,538,664 yards. Unfilled orders of 7,253,529 yards were up 33 per cent from November, 1934.

Pierce Announces—

(Continued from Page One) port. I have been in office just long enough to begin to learn how to be a sheriff. No man can make an officer in a short time. Why does the federal government train and keep their officers? Because the more training and experience they have, the more efficient they become. If they do not they are fired. That is why I am asking for office again. Or, am I making you a sheriff? Please do not think you can get in the sheriff's office and make a lot of money in a short time and get out. There is a living in the office and no more. Why, then, would you want to put an inexperienced man in office? Just for a change?

"If there is anybody in the county that cares to look into any record regarding the sheriff's office since I have been in office, I would be glad to have them do so. If I can't show a 40 to 50 per cent saving covering a period of several years I will withdraw my candidacy. So I am asking the voters of Donley County to consider and let their conscience be their guide. I will more than appreciate your support in the coming election and will keep on in the future with what experience I have had to make you a better sheriff."

1,189 Acres—

(Continued from Page One) oughly proven and the question now is to get all of the farms terraced as quickly as possible. Terracing, combined with strip-cropping, is one of the best ways to prevent soil erosion and preserve the moisture and it is urged that in the coming years the farmers try strip-cropping. All of these means combined will help to hold the soil and preserve the farms."

Two Slightly—

(Continued from Page One) Pickering who witnessed the collision. The truck was going north, when it collided with the car, which was traveling south. The bridge kept the car from overturning, Pickering said. The cab of the truck was completely demolished.

Name: MARION QUISENBERRY. Business: Deputy sheriff. How did you enter this business: Accidentally. Why did you come to Clarendon: Biz.

Secret ambition: To catch everybody doing something. Hobby: Just farming. Favorite actor: Will Rogers. Favorite actress: Hudson—what's her name?

Favorite pet: Horse. Chum: Guy Pierce. Pet Peeves: Sloan Baker. Like poetry: Not so hot.

HIGHWAY WORK IS DELAYED BY SNOW

OPERATIONS STOPPED LAST WEEK; WORK PROGRESSING RAPIDLY NOW.

Construction work on Highway 5, in Donley and Armstrong counties, was delayed several days last week by the snow, but the crews are back in full swing and rapid progress is being made.

Bridging of the last gaps in the Colorado to Gulf Highway are going forward rapidly now, and it will be only a short time until the motorists may travel over the pioneer highway from the Gulf of Mexico to the Texas-New Mexico state line.

The 175-foot concrete bridge over Perico Creek, 34 miles northwest of Dalhart, is being completed at a cost of \$30,000. This bridge completes the paved highway from Dalhart to the state line, a distance of 37 miles.

From Dalhart, southeast to Hartley, a distance of 20 miles, the paving is completed with the exception of a five mile gap on which the highway is partly completed.

From Hartley to Moore County is paved, and construction into Dumas is expected to be begun by early summer.

Lowe Is Candidate—

(Continued from Page One) affairs should be conducted most economically. As regards what is known as "law enforcement," I believe my position on almost every issue is understood by the people of this county.

"Should I be favored with the majority of the votes in the primaries this year, my promise is not one of sensation, but one more on the common plane of doing the best I can."

Joe Bownds—

(Continued from Page One) "I am seeking re-election as a result of my past record, which is open at all times for public investigation. I will greatly appreciate the support of the voters of Donley County, and assure them that, in the event I am elected, I will bend every effort toward the efficient management of the office and will endeavor to dispose of my duties in a manner that will satisfactory to all."

WORK IS STARTED ON 'JERICHO GAP'

SIXTEEN-MILE STRIP ON HIGHWAY 66 WILL BE HARD SURFACED.

Amarillo, Jan. 14.—Grading work has been started on the infamous "Jericho gap," an unpaved section of 15 miles on Highway 66 in northern Donley County.

Completion of grading and base work is expected by mid-June, after which hard-surfacing is to be started.

Closing of the gap has been a goal of Panhandle road boosters for many years. The unpaved stretch usually was rough and often impassable in wet weather.

C. of C. Banquet—

(Continued from Page One) Amarillo, will deliver the principal address at the banquet. His subject will deal with soil erosion and soil conservation work in this section.

Winners of the pre-Christmas window display contest will be announced at the banquet, as well as winners of the prizes to be awarded for the most beautiful home decorations.

The banquet, an annual affair, is expected to be well attended.

Plans Being Made—

(Continued from Page One) ing on details of the show, and is engaged in arranging prizes. It is expected that a considerable sum will be awarded as prize money.

The calves will be shown here all day, and will be moved to Amarillo late in the evening to be exhibited in the Amarillo Fat Stock Show. They will be judged there and premiums will be awarded to the winners, and they will then be sold to the highest bidder.

Persons who have other classes of livestock will be invited to place them on exhibit at the show here, but prizes will be paid only to the boys who have calves entered. Several farmers and ranchers have already agreed to bring in some of their best stock to be on display in the show. Out-of-town judges will be selected for the show.

"This show is only the beginning of an annual fat stock show that will be held in Donley County each year before the Amarillo show," Breedlove said. "It is being planned to have at least 50 calves in the show for 1937 and in this manner make the show become something of importance to the county. This is the first show, so everyone should get behind it and make the boys feel good and give them encouragement for the next year so that the show will be bigger and better."

CASE

The Case "CC" General Purpose Tractor is a Tractor with a Purpose. That purpose is for application of power, and low cost of operation. Only a tractor with these two specifications is the one for the farmer who wishes to get the farm work done properly and profitably.

The Case General Purpose Tractor does all kinds of work including Drawbar, Row Crop, Belt and Power Take-Off Jobs. Its performances are not confined to one particular phase of farm work, but is, truly speaking, a "General Purpose Tractor."

The Low Cost of Operation means only one thing: The General Purpose Tractor operates on less cash outlay than any other tractor on the market.

NOW Shoes tested in Laboratories

Odd? Not at all. To insure the uniform quality of the materials which go into Fortune Shoes, extensive tests are made in the Fortune laboratories every day. Boiling water tests to determine whether leathers have been properly tanned; rebound plunger tests to determine the resiliency of soles; delicate microscope tests to determine the quality of calfskin by the number of wrinkles in its outer side—these are but a few of the many tests which result in the comfort and quality of Fortune Shoes. But the final test we invite you to make: Won't you come in and see these smart, modern shoes for yourself?
