AAA Payment On Austrian Winter Peas For 1948

The winter legume practice for Texas under the 1948 Agricultural Conservation Program has been approved by the Washington Office. The specifications are as follows: For leaving on the land or turning under a satisfactory cover of Austrian Winter Peas seeded in the fall of 1947 the payment rate will be \$0.035 per pound, or \$3.50 per 100 pounds.

Limited grazing will be permitted but all livestock must be removed sufficiently early for the crop to make a good growth. A good stand and good growth must be left on the land or turned under. Seed may be harvested.

Although the amount of State allocation of funds to pay for practices to be carried out under the 1948 Agricultural Conservation Program is not known at this time, it is known that the amount for the Nation will not be more than approximately 50 percent of the funds available for this purpose in 1947. It has been necessary to require a special farm limit for the Winter Legume Practice (which includes Austrian Winter Peas) in order that the amount to be obligated under the winter legume practice might be properly controlled. The farm limit for this practice has been established at 50c per acre of cropland on the farm, or \$10.00 which ever is the larger.

Included in the language of the Appropriation Act which authorized a practice program for 1948 is a provision that no participant shall receive more than \$500.00. This \$500.00 limitation in payment applies to payments received by any individual, corporation, or other legal entity for carrying out practices any where in the United States.

The State committee has set a limit of \$250.00 as the maximum amount of prior approvals that might be issued under the winter legume practice to any farmer in any one county. The payment limitations as certain amount will require that a certain amount of check work be done to see that those limitations, provisions are met. In view of the above, no approvals are to be issued until further notice from the State Office.

It would be wise for all Donley County Producers who intend to plant Austrian Winter Peas to contact the county office as soon as possible.

A payment under this same practice will be offered for hairy vetch at the rate of 10c per pound or \$10.00 per 100 pounds, with the limitations mentioned above.

SCHOOL TIME FOR DONLEY STUDENTS

School students in Donley county have met the cross roads or will soon be there as far as their summer vacation time is concerned.

The Hedley public schools started class work Monday of this week to be the first in the county to open. The Lelia Lake school will start their year's work next Monday, August 25th, and the Clarendon Public Schools and Junior College, Goldston, Ashtola, Martin and Chamberlain will all begin Monday, Sept. 1st.

A list of teachers for all the respective school districts was not available at this time, but we hope to be able to carry a complete listing in next week's issue of the Leader.

VACATION TRIP TO TAOS PLEASE COUPLE

Returning home Tuesday were Mr. and Mrs. Johnny L. Beard. They spent a few days at Las Vegas, N. Mex., Mora, Taos and Santa Fe. They found plenty of rain and a delightful stay in the mountains.

The return included a visit with relatives at Albuquerque and a trip to the Jemez mountains and a visit to the famed soda springs.

Show Board To Meet Saturday Afternoon

The Donley County Show Board will meet in the office of county agent H. M. Bfeedlove this Saturday afternoon at 2 o'clock. Mr. Carroll Lewis, president of the board is calling the meeting to make plans for the fall fair and horse show. The county fair will feature community booths from all parts of Donley county and prize money will be given for the best booths from the communities. A judge will be secured from out of the county to make the decisions for the best community booths. The booths will feature field crops and canned goods. It is also under consideration to have a department for hand work and sewing by women of the county.

Breedlove stated that Joe McMurtry, Chairman of the horse show and races had discussed possibilities for the horse show and Mr. McMurtry thinks that we will have one of the largest horse shows in this section of the state this year. Horses will be judged by different breeds and ages, etc. Out of town judges and well qualified horsemen have been secured as judges. Last year we had a big horse show and good races and the interest at this time indicates that the two day celebration this fall will be the largest ever held in this county.

The board will set the final dates for the two day show this Saturday which will be held in September before the Amarillo fair so that the farm products from community booths can be taken to Amarillo by Breedlove to make up the Donley county exhibit at the Tri-State Fair. Every one is invited to attend the meeting of the board of Directors this Saturday afternoon in the office of the county agent at two o'clock. Final dates and plans will be announced in next week's issue of the Leader.

BARKER CLAN HOLD REUNION AT CLEBURNE

Mr. and Mrs. Clyde Barker and daughters Shirley and Vickie, W. F. Barker and Goble Barker attended the annual Barker reunion at Cleburne, Texas Sunday, August 10th, returning home the middle of last week.

W. F., that well known gentleman of the Martin community, reported that this was the first time he had attended one of the Barker reunions in over thirty years and that the clan had increased considerably since that time as there was between 150 and 200 in attendance. "This was one time that I had an opportunity to look over my old stomping ground and catch up on my visiting and talking," he said.

WORK STARTED ON 88-18 LAST WEEK

After several years of waiting, residents of Donley county who travel highway 88-18 north to Jericho, are now able to see actual construction work being done on the new road. The construction crew moved in the latter part of last week and had all detour strips made around culbert and bridge locations and Monday of this week traffic was going over the detours.

The road will be a little rough and rugged for awhile but when paved will be well worth the trouble, especially when it comes a good rain.

METHODIST REVIVAL STARTED SUNDAY AT BRICE

The Brice and Plaska pastor, Rev. Charles A. Hall, announces the beginning of a Methodist revival at Brice Sunday evening, August 17th.

Services will be at 8 p. m. and be conducted by Rev. M. W. Reynolds of Clarendon. He is extending a cordial invitation to the public to attend the services.

New Football Suits Arrive

The Clarendon High School Bronchos will be well dressed this year in bright, new uniforms. The pants and jerseys arrived several days ago and the new helmets arrived Tuesday to complete the pig skin handlers' attire.

In addition to having our team well dressed, the fans will enjoy the new uniforms as the players can be identified at a greater distance. The jerseys have white shoulders with a maroon body and extra large white double numerals on the front and back; the pants are made of army twill with maroon elastic stripes down the legs and the helmets are white.

From all indications there should be approximately 35 or more boys report for training when school opens Sept. 1st, and with the material in prospect, Coach McKnight is already looking forward to a high ranking Broncho team in the district play this year.

The athletic council and some of the players have been working the past week on the football programs and the council wishes to extend their appreciation to the advertisers for their splendid cooperation as this money will be used to pay on the new suits mentioned above. The programs will be handed out free of charge at all the home games here this year.

MODEL AIRPLANE AND RACE CAR CONTEST AUGUST 30-31

The airplane and race car contest will be held between 1 and 6 p. m. on August 30 and 31st at the local airport.

There will be all kinds and types of model planes and cars in the contest with some of the models having small motors and all are to have been constructed by the entrants.

The prizes will consist of one \$9.00 95 model airplane motor class B given by the Donley County State Bank and \$15 in cash given by the First National Bank, Farmers State Bank, and the entry fees of the contest.

The contest will be free to the public and all are invited to come.

REVIVAL TO BEGIN AT FIRST BAPTIST CHURCH AT LELIA LAKE

A Revival will begin Friday night, August 22nd at the Lelia Lake First Baptist Church with Rev. J. C. Koen, pastor First Baptist Church at Strawn, Texas, doing the preaching.

"If you live in the vicinity of Lelia Lake, you have a cordial invitation to attend these services," stated Rev. Ernest Phillips, pastor of the church, "and we assure you that a warm welcome awaits you there."

Rev. Phillips will be in charge of the singing and invites all who will, to have a part in this service. Services will be at 10:30 a. m. and 8:00 p. m. daily.

CHICKEN BARBECUE AT MARTIN

On Friday night, August 29th, the Martin community will hold its annual chicken barbecue. Those wishing to take part in this affair should bring their chickens to the school house by 2 p. m. where they will be prepared.

Everyone is invited to come and take part in this neighborly get together.

POSTAL CLERK TAKES ENFORCED VACATION

Postal clerk Nathan L. Cox has been confined to his home since Saturday after falling victim to what is believed poison oak. He is of the opinion that the infection followed a recent visit to Wheeler county where he waded through some of the water growth. He is under treatment of an Amarillo dermatologist.

What would happen if you or I were called before the Grand Jury? We would feel humiliated and our friends would watch us out of the corner of their eyes, and maybe whisper about us behind our back. But let some wealthy Play-Boy be called before our Congress for cheating We The People out of a few measly Million and we make a show out of it. People fight and run over each other to take pictures and for a story or a look at the heroes. It just plain "Ain't right."

Last week the Medicine show was in town, and whether you were bow-legged, felt sleepy after supper, hated to get up in the morning, or had bad smelling feet, they had the very thing for you, all in that one little bottle. It sounded too good to be true, and as he talked about it so long, I began to wonder if he let any of it go at any price. But he did, and on top of that, two bottles for the price of one. And how the folks bought it, from every side came the familiar "Sold out Doctor". Some people just can't resist a "Two for the Price of one", or a "Below cost" sale. I was surprised at the way people bought it, and I wonder how many are still following the directions on the label this week. Anyway if someone needs an extra bottle, I bought a couple for Mamma, and I can't get her to take it, and the price still goes "Two for the price of one."

Came by one of my City Cousins home the other evening and he was building a garden fence, and how would you imagine that he was trying to get his posts in line? He would stretch a string from one corner to the other and then dig the holes in between. I just had to stop and examine the job, and to my utter amazement he was doing a good job of getting the fence straight. But what would my Grandpa have said to me for doing such a thing. Anyway, someday if I am sure no one is looking I may try it out on a small scale. Oh me.

Heard this one the other day about some of my neighbors; it seemed they were taking in some of the night spots, and one said to the other "I am getting pretty "Drunk" so if I come to you after awhile and want to borrow Ten Dollars don't you let me have but Five - - -"

NEW SPLIT SEASON FOR DUCK HUNTING IS ANNOUNCED

A new split season on duck hunting in Texas has been fixed by a presidential proclamation in Washington, and the state game commission stated in Austin last week that the split will be a break for both the hunters and the ducks.

Howard Dodgen, executive secretary of the game, fish and oyster commission, said it would improve the opportunity for Texas hunters especially by stretching the season out over a longer period and allow for weather variations.

The open season on ducks in Texas will be from November 4 through November 17, and then from December 16 through December 29.

DRAMATICS CLASS PRESENTS PROGRAM FOR LIONS CLUB

Mrs. Jolly Johnson and her Junior Dramatics class presented a very enjoyable program at the regular luncheon of the local Lions Club Tuesday. The young ladies presented a one act play entitled "Alice Blue Gown."

Those appearing in the play and students of Mrs. Johnson were Jane Johnson, Ann and Jane Thompson, Shirley Brunley, Sandra Shelton, Patricia Estlack, Laddelle and Inelle Cox, and Jackie Brooks, the only boy in the play.

SERVICES HELD TUESDAY FOR TWO FORMER DONLEY YOUTHS

Double funeral rites were held Tuesday afternoon in N. S. Griggs & Sons Chapel at Amarillo for Fred and Lester Bell with Rev. R. L. Boatright, pastor of Four-square Gospel Church officiating.

The two brothers were former residents of the "Ashtola" community and were well known around Clarendon. Lester, age 22, died Sunday night in an El Paso hospital. He was the second fatality in an automobile accident Saturday near El Paso, which had claimed the life of his brother, Fred Bell, 21 years old.

Fred Bell, driver of the El Paso bound Hill Lines truck, was killed instantly when the truck collided with an Army half-track about 75 miles out of El Paso on the El Paso-Carlsbad highway.

Surviving relatives for the two men include the parents, Mr. and Mrs. David W. Bell of Amarillo, a grandmother, Mrs. Flute Howerton of Oceola, Ark., and nine uncles.

Julia Fay Hill had her tonsils removed Tuesday.

Drs. Lowell And Sons Return

Drs. Keith and Laura Lowell, and sons David and Jack and Delene Blair returned Tuesday afternoon from a trip to the West Coast and the Great Northwest.

Dr. Keith S. Lowell spent a very profitable week in Los Angeles associated with Dr. Ross Thompson. The objective in this trip was to have an opportunity of seeing up-to-date methods of major surgical procedures in well equipped city hospitals. This was accomplished at the Burbank Hospital and the Los Angeles County Hospital. Dr. Thompson complimented Dr. Lowell very highly for the work he performed in these institutions in the field of major surgery. Dr. Laura was present for several surgeries and observed the newer aids to gas anesthesia.

"Just being in the other fellows workshop gives one a liberal education," she says, "and besides it makes one very proud to know that a small community is not behind in the work of caring for the sick."

Many friends and relatives were visited and the flying J. D. did a beautiful job of carrying these five over mountains, lakes and ocean.

"It seems that the summer is never complete without a stop-over in old Montana," Dr. Laura stated. "The cabin and lakes are tops for fishing haunts and even the farm looks A-number one."

"The best of all was to find the workshop at home had had a complete new paint job and is all ready for fall business."

RECORD CROWD EXPECTED FOR OLD SETTLERS PICNIC FRIDAY

Wrestling fans of the area may be assured of at least one of the roughest and toughest matches in the Panhandle's history in the Memphis High School gymnasium Friday evening, Aug. 29, 1947, at 8:30 o'clock.

Al Getz, the tough Pittsburg Dutchman, crosses wits with Sailor "Tex" Watkins from Post in one of two featured main events.

Not only has the ring been reinforced to hold these two gladiators but two referees will be on deck trying to maintain semblance of warfare. Both meanies seem to believe, not even the atomic bomb is barred when they are on the program. A mere strangle hold is not thought of when these two men meet. Both, through villainous tactics, have managed to sweep all opposition before them in the Amarillo tournament to become the only two remaining challengers for Leroy McGurk's light-heavyweight crown.

The second main event of the Memphis program brings Walter Stratton, Youngstown, Ohio speed merchant against Bill Weidner, Boston strong man in what will honestly be a wrestling match. These men are both clean, clever and fast, preferring to use orthodox wrestling holds of skill and speed to win.

Advance reservations may be made thru the Memphis Chamber of Commerce.

SERVICES FOR H. L. MATLOCK HELD SUNDAY

Funeral services for Henry L. Matlock were held Sunday afternoon at the Church of Christ with W. T. Hines officiating.

Mr. Matlock passed away Tuesday, August 12th at the Veterans hospital in Los Angeles, Calif. He had been a resident of Donley county since 1928.

He is survived by his wife, Mrs. Beulah Matlock; one step-son, James R. Caruthers, Hedley; one daughter, Mrs. Gracie Ross of Michigan and one step-daughter, Mrs. E. W. Talley of Clarendon.

Pallbearers were Raymond Everett, Hobart Moffett, Hardy Bobbitt, Alfred Ivey, Henry Mann and Alva Devers.

Burial was in Citizens Cemetery with the Womack Funeral Home in charge of arrangements.

DOVE SEASON TO OPEN SEPTEMBER FIRST

Open season on mourning doves begins here September 1, and will continue to October 15, according to the Texas Cooperative Wildlife Research Unit and the Texas A&M department of fish and game.

The bag and possession limits on doves remains at 10.

SERVICES SATURDAY MORNING FOR MRS. H. W. STOGNER

Funeral services were held Saturday morning at the First Baptist Church for Mrs. H. W. Stogner with Rev. Vick Allen officiating, assisted by Rev. L. A. Sartain.

Mrs. Stogner passed away last Thursday morning following a severe heart attack. She had been a resident of Donley county for the past sixteen years and enjoyed a wide acquaintance of friends. She was a member of the First Baptist Church.

Mrs. Stogner is survived by her husband, H. W. Stogner; one son, N. C. Stogner of Amarillo and two daughters, Mrs. Lum Tuggle of Serafina, N. Mex., and Jonell Stogner of Amarillo.

Pallbearers were Cecil C. Miller, Ed Speed, S. C. Bell, Frank Reed, C. C. Ayers and F. C. Paulk.

Burial was in Citizens Cemetery with the Womack Funeral Home in charge of arrangements.

STATE WORKER TO LEAD BAPTIST

Miss Clara May of the Baptist Training Union department of Texas will arrive here Saturday to lead the First Baptist Church in a school for Training Union members next week. Miss May has been in this work for almost twenty years and according to the pastor, Rev. L. A. Sartain, "is one of the best workers that I have ever had the privilege of working with. Our church is fortunate to have her for this week."

The school will begin at 8 p. m. each evening in the air-conditioned First Baptist Church with classes for each age group from beginners through adults.

"We are expecting a great week with more than 100 enrolled in the school," stated the pastor.

RECORD CROWD EXPECTED FOR OLD SETTLERS PICNIC FRIDAY

M. W. Mosley reports that from all indications a record crowd will be on hand at Tate Grove six miles northeast of Hedley tomorrow (Friday) for the annual Donley County Old Settlers Picnic.

Besides the full program for the day, Mr. Mosley figured that there would be several hundred less frying size chickens after the affair is over, for there is usually a bountiful supply of fried chicken in everyone's basket and incidentally, if you plan to attend, be sure to take a well filled basket of everything you want to eat as the association will furnish only the coffee and plenty ice water. You can come as early as you like, Mr. Mosley stated, but the picnic officially starts at 10:30 a. m., and you can stay just as late as the old milk cows will let you, he added.

The program will consist of a welcoming address by Uncle Bill Raines and a response by J. Claude Wells of Memphis. There will be an old fiddlers contest, a fat mans race, a square dance, a boxing contest, plenty of good singing and some mighty good string music all through the program.

It was hoped that Congressman Gene Worley would be able to be present and address the gathering shortly after the noon hour, but word has been received that he is taking a cruise on the high seas with the Naval reserve at this time.

The program for the day is being sponsored by the Hedley Lions Club with Otis Owens as chairman and any time Otis and that batch of Lions get busy down there and say they will do something - - you can't expect anything of the best and plenty of it, so there will be no dull moments - - and that isn't possible as there is too much visiting to be done by neighbors and old friends who will drive many miles just for the chance to be with the group again.

CLARENDON GIRL TO TEACH IN ARIZONA

Fannie McGowan, a graduate of Clarendon public schools, and former member of the local faculty, was chosen last April to teach one section of the fifth grade in the Miller Valley School of Prescott, Arizona. Prescott has one of the most outstanding school systems in the State of Arizona. At the present time, it has one hundred faculty members.

Fannie is a very active member of Prescott Business and Professional Women's Club, and is retiring President of the Prescott Chapter of International Toast-mistress Clubs. She represented this Club at the Southwest Regional Council which was held in Phoenix recently. The Prescott chapter sponsors a radio program promoting civic development bi-monthly. The retiring president prepared a program and conducted a fifteen minute interview over radio station KYCA Prescott, Arizona only a short time ago.

E. H. MURFF OF BRICE CLAIMED BY DEATH

Elba H. (Snooks) Murff, 34 years old, of Brice, Hall County, Texas, died in the Amarillo Veterans Hospital at 7 o'clock Wednesday morning, after an illness of three days.

Funeral services remain incomplete at N. S. Griggs & Sons Funeral Home, Amarillo.

Mr. Murff was a veteran of World War II and a member of the Methodist Church.

Survivors include the father, N. L. Murff of Brice; five brothers, Charley of Brice, Wade and Ed of Amarillo, Paul of Floydada and Jack Murff of Lufkin; and three sisters, Mrs. C. E. Mixon of Amarillo, Mrs. A. H. Rhodes of Pampa and Mrs. R. H. White of Shreveport, La.

Mrs. John Semrad and son Jimmy spent the weekend with her children at Amarillo.

GOLDSTON

By Wilma Smith

Mr. and Mrs. W. M. McBrayer and Mr. and Mrs. J. P. Jackson and family visited Mr. and Mrs. Odell McBrayer and family Sunday.

Bob Guinn and children of Groom spent Sunday in the Collier Brock home.

Mr. and Mrs. Roy Brock and family visited relatives in Pampa Sunday.

Mr. and Mrs. Emmitt Thompson and son visited Mr. and Mrs. Edgar Tally and family Sunday evening.

Mr. and Mrs. Clyde West and daughter and Mrs. Nina Cross and Mrs. Major Hudson visited Mr. and Mrs. Sam Dale Wednesday.

Mr. and Mrs. Dick Eicheberger visited in the Neely Hudson home Monday.

Relatives of Mrs. Roy Stewart visited in the Stewart home over the weekend.

Mr. and Mrs. Roy Robertson and family visited in Memphis over the weekend.

We welcome every Baptist or person of Baptist preference to come and worship with us in all of these services. Our church is air-conditioned and you will find it comfortable for these services. Each evening this week we are to have a Training Union Study Course beginning at 8:00 p. m. There will be classes for each age group from beginners through adults. The whole family can come together and study about the work of "Training for Christian Service." Along with the work in the classes will be singing, fellowship and fun at the intermission period. This will be a most profitable week for our church and we are urging EVERY member to be present each evening. We are to have Miss Clara May, State Approved Training Union worker, here to lead us in this special campaign. She is a very excellent worker and each department of the Training Union will be strengthened by her work.

COUNTY AGENT**

Here are some directions for canning peaches: Wash peaches. Dip in boiling water, then quickly in cold water, to loosen skins. Remove skins. Halve and pit fruit. Slice if desired. To prevent darkening during preparation, drop peaches into water containing 2 tablespoons each of salt and vinegar per gallon. Drain and pack cold into jar or cans to 1/2 inch of top. Add boiling syrup, leaving 1 to 2 inches in container. Steam containers: pints and No. 2 cans, 10 minutes, quarts and No. 3 cans, 15 minutes. Remove from canner, cool jars out of a draft. Cool tin cans in cold water. Label and store in cool place.

Your fresh vegetables will stay fresh longer if you'll take time to spread them out and cool them before packing for storage or shipment. Fresh vegetables are still living, growing things and give off heat. Heat causes loss of

quality, flavor and appearance. Tests show that sweet corn may lose as much as half of its natural sugar at a temperature of 60 to 85 degrees Fahrenheit—while other vegetables, such as spinach, broccoli, asparagus, peas, limas and brussels sprouts, lose flavor if held at temperatures above 40 degrees Fahrenheit. A pre-cooling period will save the natural sugar and slow up the workings of the bacteria that cause spoilage. When the vegetables are spread out loosely, more of the surface is exposed for cooling. Either air or water may be used for quick cooling, but remember that it must be moved over the fruit or vegetables at a good rate of speed as well as a low temperature to do the most good.

For the sake of your refrigerator, watch the frost line and defrost before the accumulation is a fourth of an inch thick. Thick frost slows down the cooling of foods and may send the temperature of the food-storage com-

partment up—even though the system is working harder than it does normally. If the manufacturer of your particular refrigerator says you may do so, fill the trays with hot water. This hot water defrosting is helpful to some refrigerators but not to all, so check your directions. One more reminder is: never use anything sharp to chip frost from the evaporator or to loosen ice-cube trays, for you may injure the coils that hold the freezing fluid.

P. C.—That's preventive cleaning. Spring house cleaning isn't so long past that you've forgotten what a job it was washing those windows. You can save time by brushing your screens and window sills ever so often—and dusting the window panes once in a while, too, makes the washing easier when it has to be done. So practice preventive cleaning!

With a final payment to the U. S. Treasury recently from the St. Paul Land Bank, all of the 12

land banks in the U. S. became completely owned by the farmer and ranchmen patrons.

Lightning kills about 400 in the United States every year. The best reason for knowing enough to come in out of the rain is not to keep from getting soaked but to avoid being struck by lightning.

It is good practice to harvest tomatoes early, before they are ripe to avoid sun blister. A good sign to look for is the small, pink area on the blossom end of the tomato. If harvested when this pink sign shows up, and placed inside in a cool, shady spot, the fruit will ripen in two to four days, ready to be used fresh or for canning. Tomatoes handled this way seem to ripen better on the inside than when left on the plant to mature.

Chipped or cracked dishes, or those with the glaze off them due to hard scouring, are not sanitary,

and should be destroyed.

One out of every five home accidents occurs in the kitchen—and most all of them are through carelessness. The kitchen is not the safest place in the house for children—unless they have a far corner away from the stove.

**Boll Weevil To Get
75,000 New Cars
This Year**

If boll weevils drove automobiles, the highways would be jammed. During the past twenty years, the boll weevil and his fellow cotton insects have stolen from the cotton farmer a total of two billion dollars—or the purchase price of 1,500,000 new automobiles, even at today's price level.

An additional \$100,000,000—or the equivalent of 75,000 sleek new cars—is certain to go down the weevil's gullet again in 1947, unless the farmer uses proper control measures.

With supplies of United States cotton certain to be at a low ebb by the beginning of the new marketing season, the National Cotton Council is urging farmers to use the most rigorous controls to lessen weevil damage.

The following steps are recommended by the Council:

- (1) If you have not yet ordered calcium arsenate, do so at once.
- (2) Make weekly infestation counts for weevils after squares appear.
- (3) When infestation count reveals that 10 to 25 out of 100 squares are punctured, begin dusting with 5 to 7 pounds of calcium arsenate per acre.
- (4) Apply poison efficiently and without waste, for supplies are short this year.
- (5) Use proper cultural practice on a year-round basis to keep the weevil in check.

quantities of calcium arsenate needed, frequency of dusting, proper dusting equipment for various sized farms, and the like may be obtained in every locality from County Agriculture Instructors, and State Entomologists.

Shortage Of farm machinery, labor and fertilizing are tending to hold cotton production below desired levels in every section of the Belt. Through the original Department of Agriculture acreage goal for cotton was 23,000,000, most current estimates indicate actual planting of not more than 20,000,000 acres.

It is going to be difficult enough for the farmer and the cotton industry to meet cotton requirements this year without cutting the boll weevil in for a share of the crop.

No Gags on Him!

Today it's news... tomorrow it's Texas history! And through these fingers pecking deftly and expressively at typewriter keys—the fingers of hundreds of Texas newspaper men—passes the news of the hour. No dictator warps their interpretation of the news. No gagging censorship distorts the facts presented to their readers. This is the free American way... the Texas way... that leads to full public knowledge and freedom of opinion.

Yes, the newsman conserves the truth for posterity, helps the readers conserve their right to read and think as they please. So do other groups work to conserve all those

things we cherish in Texas. So, too, does United Gas recognize its place in conserving Texas' resources.

Many Texas cities and towns receive natural gas service directly or indirectly through United Gas. Not until United and others built pipe line systems to link wells with markets did natural gas become of value to the producer or of importance to the people of Texas. This is *practical conservation*, for it gives value to this finest of fuels, stimulates industrial development, creates jobs, and benefits all the families in Texas.

UNITED GAS
... Serving the *Gulf South*

Building Good Roads For The Future

AUSTIN — The next two or three years will be the most momentous ones in the history of the road-building industry, R. J. Potts of Harlingen, newly-elected president of the Texas Good Roads Association, said today in an interview.

"The world is going to be on wheels to a greater degree than ever before," Potts declared, pointing out that a stupendous amount of preparation must be done for increased travel, in view of the fact that wartime traffic made great demands and necessitated exceptional wear upon the road system of the nation.

Road planners and builders face these two major problems, Potts stated:

1. Traffic must be handled expeditiously in congested areas by means of multilane highways that are expensive to build and maintain; and
2. Facilities must be provided

so that farmers can take their children to school and their produce to market, so that people in rural areas can comfortably remain there in the interest of continued agricultural productivity.

The two goals must be reached, Potts added, without rendering the Texas Highway Department incapable of expanding and maintaining the State and Federal primary road system.

Potts was elected president of the Association at its annual meeting in San Antonio May 23. Other officers chosen were Joe Leonard of Gainesville, first vice-president; H. B. Zachry of San Antonio, second vice-president; T. C. Jones of Fort Worth, third vice-president; E. P. Cravens of Austin, secretary-treasurer; and Ike Ashburn, executive vice-president.

New directors chosen were Frank Barney of San Angelo and Lucian Morehead of Plainview.

Potts is literally the "Mr. Good Roads of Texas" and for the past 42 years the improvement of the state's roads has been his dominant interest.

The new president of the Association began actively working to bring about good roads when he got his first job—as assistant to the city engineer of Ft. Worth in 1905.

Later, after earning his degree in civil engineering at Texas A&M College, he built streets in Houston. In 1910 he organized the division of highway engineering at A&M and became the third man in the United States to hold the title of professor of highway engineering.

In this capacity, he toured the state offering the college's assistance to county commissioners courts and good roads committees. He participated in the organization of the Texas Good Roads Association.

It was Potts who wrote the first bill designed to create a state highway department. Sponsored by the late H. B. Terrell of McLennan County, the bill passed the legislature, but was vetoed by

Governor Colquitt. Potts assisted in writing the bill which later became law and authorized establishment of the highway department.

In 1914 Potts resigned from A&M College and went into private business at Waco. Recently he moved from Waco to Harlingen to make his home.

United States. Premiums may be mailed to collections Unit, Insurance Service, VA Branch Office No. 10, 1114 Commerce Street, Dallas 2, Texas.

An oil emulsion designed to immobilize bacteria in tuberculosis wards and hospitals is being studied in an intensive "pilot" test in a Veterans Administration hospital.

The test is a follow-up of observations made by the Army and Navy in experimental studies carried on during World War II.

Blankets, bed linens and floors have been treated with a highly-refined mineral oil, trapping settling bacteria and preventing their recirculation by air currents within patients' rooms, VA said.

The oil must not be perceptible to sight or touch, or produce skin irritation through contact. It must not create a fire hazard or an additional laundering problem, VA said.

VA also is studying methods of killing trapped bacteria with

chemicals and drugs. Results so far, have been generally disappointing, it was said.

In ancient Egypt brides were required to promise their brides every year of with a certain amount of

What's the secret of all this popularity?

—SAID ELSIE, THE BORDEN COW

ELMER: "You mean my popularity? Well, I'll tell you. It's because the Borden's Single Service Container is so popular. Do you know why? Because the carton is so safe? It's mechanically sealed, you know—never used a second time! Oh, is that because the carton saves the wife a lot of bottle breaking?"

BEULAH: "And it's lighter for little kids to carry."

ELMIE: "Come, come! At this rate, we might as well just run the whole list of advantages and let people choose for themselves!"

Look at the "extras" you get with Borden's Single Service Container

- 1 NO BOTTLES TO WASH—When the carton is empty, just throw it away.
- 2 NO BOTTLES TO RETURN—No deposits to pay.
- 3 HEALTH PROTECTION—The new paper cap is mechanically formed, filled and sealed, never refilled.
- 4 EASY TO HANDLE—This carton is square shape, light in weight... and there's no big age to worry about. Children carry it in peace safely.
- 5 SAVES SPACE—You can store 6 cartons with only 4 old-fashioned round glass bottles with

The Texas Butane Dealers Association Urges You—

"GET YOUR Butane-Propane System READY FOR WINTER!"

Can your butane or propane tank serve you through the four winter months without refilling? The Texas Butane Dealers Association urges you to take stock now. If not, you may find yourself without heat in the coldest months of the year.

By doing this, your winter supply will be in your tank when you need it most. This situation is not new. The farmer has always stored grain early for winter. Housewives can summer foods for winter use. And by taking less time for your dealer's services, he can supply you and your neighbors more economically at the very time when road conditions are worst.

Hundreds of new industries developed during the war—plastics, synthetics, chemicals, etc.—have placed a tremendous demand for butane and propane all year round. On the other hand, domestic users burn four to seven times more gas in winter than in summer, but your dealer can furnish you very little more gas in cold months than in warm months. In order to balance this situation, heating gas users must plan to buy their winter supply at least four months ahead.

The Texas Butane Dealers Association urges you to drop in and see your local gas dealer as soon as possible. Consult him before you buy any system. He knows butane-propane, and will do everything he can to help you get ready for winter now.

ELECTRICITY HASN'T GONE UP

It takes a lot of dollars these days to buy most of the items covered in the family budget—food, clothing, housing, etc. Spent for electric service, your dollars actually go further than before. This is true in spite of the fact that costs of operation and maintenance have gone up and up with almost everything else, except the hire of money.

Living costs continue to increase, yet the average cost of a kilowatt hour of service to residential customers has decreased 32.6 per cent since 1933.

West Texas Utilities Company

THE TEMPLE OF TRUTH
 By the Apostle

LOGICAL.

We'll bet that even an efficiency expert cannot tell the front of his wife's hat from the back.

SUGGESTION.
 Be kind to birds. The dove brings peace and the stork brings tax exemptions.

BOASTFUL.
 Once upon a time when a Plainsman was visiting down in old Jack county, he was being shown some fine elms growing in the yard. The Plainsman remarked that "we can grow a tree to that size in West Texas in about a

year. How long has this tree been growing?" The old Jack county boy looked across the rocky landscape with a broad smile and replied, "can't say, pardner, just how long it took but that tree wasn't there yesterday!"

BUSINESS CYCLE.
 When the sales agent insults you and tells you that he does not have any—it's war time. When he just insults you—it's transition. When he merely says that he is sorry but he does not have the article — reconversion is underway. And when you tell him to go to that hot place, brother that is normal.

HIGHWAY CASTING.
 Hitch Hiker: "Hey mister, I'm going your way." The fellow in the car did not stop but yelled back "Yes but I bet I get there

first!"
 Then there was the lady hailed down by the motorcycle guy who remarked "Sister, you are going over 70 miles an hour!" She seemed peeved at the interference and excused herself by saying "You don't know a thing, mister. I haven't been on the highway an hour yet this morning."

NICETIES.
 Etiquette is the noise you don't make when you eat soup.

FACTUAL.
 Some folks call a doctor, and all that they want is an audience.

POLITICAL.
 England is so hell-bent on making socialism a success that they are willing to spend all the money in the United States rather than see it fail.

LELIA LAKE

MISCELLANEOUS SHOWER

Mrs. Dana Perdue, the former Edna Mahaffey, was the honoree at a miscellaneous shower last Friday afternoon at the Ashtola community club room. The hostesses for the occasion were Mesdames J. R. Brandon, Van Knox, Slim Henders, Bud Moore and Millard Word. There was a profusion of garden flowers in the room and on the long table which held the many lovely and useful gifts.

Elizabeth Talley of Amarillo presided at the bride's book.

The guests enjoyed accordian music by Mrs. Doyce Graham and clever poems for the bride were read by Mrs. Bud Moore.

Refreshments were served to forty-five guests. Out of town guests included Mrs. Della Mahaffey, grandmother of the bride; Mrs. John Perdue, Hudgins, mother of the groom; Mrs. Otis Naylor, Sammy Norman, Elizabeth Talley of Amarillo; Mrs. Aubrey Posey and Mrs. Ben Chamberlain of Claude; Mrs. Thomas Clayton and daughter Elaine of Memphis; Mrs. Harold Longan and daughter Marianne of Hedley; Mrs. Edith Longan and Mrs. Harley Longan, Midway; Mesdames N. L. Jones, L. L. Cornelius, C. E. Griggs, Bud Moore of Clarendon and Misses Lucile Polk and Mary Howren of Clarendon.

DUPLICATE CONTRACT BRIDGE CLUB

Mrs. W. K. Hardin was hostess to the Duplicate Contract Bridge Club on Thursday afternoon. Mrs. C. T. McMurtry was high score winner. Guests were: Mrs. McMurtry, Mrs. Floyd Lumpkin, Mrs. Sam Dyer, Mrs. Pat Slavin, Miss Mary Cooke, Mrs. Frances Cooke Forrest of El Paso and Miss Edith Shelton of Clarendon and Amarillo. Mrs. Hardin also played.

LOWE-ANDERSON

Rita Jeanette Lowe, daughter of Mr. and Mrs. Jesse H. Lowe of Lubbock and Childress, formerly of Clapendon, became the bride of Harold Anderson, son of Mr. and Mrs. J. D. Anderson of Childress, Sunday, August 17 at the home of the bride's aunt, Mr. and Mrs. Dolly Fleming of Childress, Rev. Powell officiating.

The bride wore an aqua dress with plum accessories.

Immediately following the wedding ceremony a reception was held in the Fleming home, with Mrs. Geo. Vineyard pouring coffee and Miss Opal Reed, aunt of the groom, serving.

Some fifty guests were present for the wedding and reception. Those from out of town were J. H. Lowe, father of the bride, of Lubbock; Mr. and Mrs. Geo. H. Vineyard, uncle of the bride and Mr. John Vineyard, grandfather of the bride, all of Big Springs; Mrs. W. T. Lowe, grandmother of the bride, of Clarendon; Mr. and Mrs. Vernon Vaughn of Amarillo; Mrs. Homer Horton of Wellington.

Mr. and Mrs. Anderson will be at home at 607C S. E. Childress.

SWIMMING AND PICNIC

Mrs. Jolly Johnson entertained her expression pupils who took part in the play for the Garden Club, with a swimming party and picnic at Memphis Thursday afternoon.

Those to make the trip were Mrs. Johnson, Mrs. Geo. Thompson, Mrs. A. Estlack and Jean Estlack and pupils, Shirley Brumley, Ladelle and Inelle Cox, Patricia Estlack, Jane Johnson, Ann and Betty Thompson, Sandra Shelton, Jackie Brooks.

Miss Belle Ward of Sunnyvale, Calif. is visiting her sister, Mrs. J. D. Stocking.

CONTRACT BRIDGE CLUB

The Contract Bridge Club met with Mrs. B. F. Kirtley on Friday afternoon. High score was won by Mrs. Floyd Lumpkin, with Miss Mary Cooke playing second. Three tables of members and guests were present. They were: Mrs. Sam Dyer, Mrs. Lumpkin, Miss Cooke, Miss Charlotte Molesworth, Mrs. Walter Knopp, Mrs. George Norwood, and Mrs. Forrest Sawyer, members; Mrs. U. J. Boston, Mrs. Allen Bryan, Mrs. Gordon Stewart, Mrs. Pat Slavin and Mrs. Johnnie Blocker, guests.

KAPPA SUB-DEBS

The Kappa Sub-Debs helped Jane Johnson celebrate her 16th birthday August 13th with a special meeting and slumber party. Plans were completed for Rush Week; then the girls started on their night of fun. Phonograph records, pallet, and a cool, cool breeze were enjoyed by the Kappas all night.

The Sub-Debs included in the fun making were Jaunita Carpenter, Layma Tatum, Portia Hay, Mae Morris, Louva Hunt, Donna Bryan, Jo Kidd, Nita Heath, Jo Blackwell and Sue Smith.

SCOUT BREAKFAST

Mrs. C. B. Morris entertained the Girl Scouts (who helped recently with the day camp) with a breakfast at her home Tuesday morning. The breakfast was a "come as you are" affair, with Mae Morris rounding up the girls at 6:30 o'clock.

A menu of cantaloupe, sausage, eggs, jelly and toast and coffee was served the girls.

After breakfast, plans were made for a slumber party to be held Thursday night at the home of Jean Estlack.

Those present were: hostess, Mrs. C. B. Morris, assistant leader, Mrs. Jack Brooks and Scouts, Doris Jean Wallace, Ladelle Cox, Mae Morris, Jean Estlack, Shirley Brumley and Ann Thompson.

Mr. and Mrs. A. M. Taylor and grandson Buddy Hudson, Mr. and Mrs. Homer Taylor and son Don and Bobby Bell enjoyed a 4 day fishing trip at McMurtry, Okla. They returned home Monday night.

IN MEMORY OF MRS. VIRGINIA LEE STOGNER

Thursday, August 14, 1947, 12:30 a. m., God in his infinite wisdom called Virginia Lee Stogner to be with Him in his heavenly home. Our hearts are made sad and heavy with grief over her departure. She is dead and yet so nobly had she wrestled with weariness and trials of earth pilgrimage, so unshrinking was she from life's storm, so well had she borne her part that though gone from us, she lives among us, in the golden deeds which she scattered while here.

She was a good mother, a consistent Christian and a loving companion. She will be missed as a good neighbor and in the church as a faithful attendant, in the home because of her kindly council and motherly love.

Virginia Lee Stogner was born near Sweetwater, Tennessee on Sept. 24, 1884; professed faith in Christ and united with Baptist church at the age of 17 years.

She was married to Henry W. Stogner January 11, 1903. To this union were born four children, two boys and two girls. A son "Cletus" preceded her to the glory land. Her husband was by her bedside when death came.

Funeral services were held at the First Baptist Church of Clarendon, Saturday, August 16, 10:30 A. M., conducted by her former pastor Rev. V. W. Allen, assisted by Rev. L. A. Sartain, also a nephew Lattimore Ewing. She was laid to rest in Clarendon cemetery.

Sleep our dear one, until God shall call and then we will see you again. To the family and loved ones, we will say emulate her life and be ready to meet her when God calls.

We bow in humble submission to the will of Him who is too wise to err and too good to wantonly afflict his children. We commend her consecrated life as a worthy example of Christian fortitude. I extend to the bereaved family my deep sympathy and urge them to take heart again since we are not alone in our hours of pain.

A friend,

CARD OF THANKS

We wish to take this opportunity to express our thanks and appreciation for the kindness and sympathy shown to us by our many friends in the loss of our loved one. It is more deeply appreciated than any words of thanks can ever express.

Mr. H. W. Stogner
Mr. and Mrs. Lum Tuggle
Mr. and Mrs. N. C. Stogner and Family
Jo Nell Stogner.

Roy Lee Gerner, who joined the Navy recently, left Monday for San Diego, Calif., where he will be in boot training. He is a son of Mr. and Mrs. E. H. Gerner of Lelia Lake.

Mr. and Mrs. H. C. Thomas and family and her brother and family, Mr. and Mrs. Odie Dorr of Tulsa, Okla. are at Carlsbad Caverns for a few days.

Mrs. Sarah Hicklen and Dennis Thomas who have been visiting Mr. and Mrs. R. O. Thomas and family have returned to their home at San Francisco, Calif.

Mr. and Mrs. Wayne McElroy and son returned home Saturday from a visit with her grandmother, Mrs. Mattie Lewis at Cooper, Texas and relatives at Ft. Worth.

Mrs. Alvin Birch and daughter, Mrs. Billy Ford and two children and granddaughters, Patsy and Evon of Grand Saline were guests in the Haskell Hay home the week end.

Jaunelle Stevenson returned home Saturday after a two weeks visit in the Will McDonald home at Plainview.

Arvazene Smith returned home Monday from a three weeks visit with her sister, Mrs. Harry Constantin at New Orleans.

Mr. and Mrs. Frank Hommel and 3 children left Friday on a two weeks vacation trip through Washington and California.

Mr. and Mrs. Rufus White are at home from a two weeks vacation with her parents, Mr. and Mrs. J. G. Partain at Waxahachie and a trip to Colorado.

Jerry LaGrone visited last week in Clovis, N. M., returning by Lubbock where his sister, Mrs. Fred Lynn, came home with him to visit here this week.

Mr. and Mrs. Raymond Carter and daughter Sandra of Syracuse, Kansas are visiting her mother, Mrs. J. R. Tucker.

Mr. and Mrs. Will Johnson returned home Thursday from Hot Springs, N. Mex.

Mrs. Johnny Blocker Jr. and daughter Jonna Lee are visiting relatives at Mineral Wells.

Mrs. A. C. Hallmark and children Nancy and Bruce of Dalhart are visiting her mother, Mrs. S. B. Kutch who is very ill.

The many friends of Mrs. J. T. Patman will be glad to hear that she is still improving.

OFFICES AT

Murphy-Spicer-Buntin Funeral Home

Weekly SURPLUS NEWS WAA

Red leather upholstered furniture, powered saws and dishes are listed among \$100,000 worth of general merchandise going on informal bid sale at Camp Maxey, near Paris, Texas. The surplus will be offered in 60 medium sized lots, and is described as a clearance of all available surplus property at the site, including desks, tables, scales and air compressors. Inspection and bidding will be open to the general public beginning Monday, August 25, and continuing until 3 p.m. Tuesday, August 26. All lots will be awarded to the highest bidders present at 9:30 a.m. Wednesday, August 27.

The second auction from the floor of surplus property ever staged in Texas by the WAA will be held at the Childress Army Air Field this Friday, August 22. Oral bids will be accepted on 20 lots of surplus, valued originally at \$120,000. There will be three farm tractors, a bull dozer, road roller, several air conditioning units, parachutes and air craft parts and quantity of metal goods, ovens and urns. Inspection of the property

is to be held from 9 a.m. to noon, and the floor bidding will commence promptly at 1 p.m.

Honorable discharges or other accepted proof of World War II service will be the only admission tickets needed by veterans at a sale of 480 surplus vehicles when gates at the Grand Prairie War Assets plant open at 9 a.m. Monday, August 25. To determine their order of purchase, veterans must be present for a drawing to be held at one p.m. that day. Each veteran will be limited to a purchase of one vehicle, and the sale will continue through Tuesday, Wednesday and Thursday until all have been sold to veterans, veteran dealers and buyers for non-profit institutions. Dealers must present certificates.

War Assets Administration has established a reputation for selling used laundry equipment that has given satisfaction and upon which no complaints have been received. All is useable, subject to repairs, and this type of surplus equipment has fitted into the industrial picture in a manner satisfactory both to the purchaser and to WAA. Two hundred, eighteen additional pieces are listed for sale on a sealed bid basis through Customer Service Center to all levels of trade until August 27 through the Grand Prairie office

of WAA. Listed are washers, tumblers, shirt presses garment presses, trouser presses, laundry forms, marking machines and extractors.

Indicative of an unusual trend, fixed price sales of surplus property brought almost as much as total bid sales during July in the War Assets Administration's disposal of \$16,942,399, with \$3,721,301 worth of surplus disposal of through transfer, donation and other methods. Goods at fixed prices sales were valued at \$4,447,865 whereas bid sales accounted for a total of \$4,769,194.

Veterans' News

Dental service of the Veterans administration regional office at Lubbock announced today that it would immediately authorize dental treatment, at VA expense, for World War II veterans with dental deficiencies who have been out of the service less than one year.

VA said that dental difficulties of veterans who were discharged less than one year are presumed to be service-connected, and treatment in most cases can be automatically authorized without reference to the veteran's medical service record. This saves considerable time and gives the veteran the advantage of much quicker dental care.

It was emphasized, however, that he must, in all cases, secure authorization before going to a local dentist for treatment, otherwise VA cannot pay the bill.

The veteran should indicate his choice of dentist at the time he makes application for treatment. The Veterans administration will, in

most cases, authorize treatment by a hometown dentist when the veteran does not reside conveniently to a VA dental clinic. Clinics are located in Amarillo, Lubbock and El Paso. If he has never filed a claim with the VA a certified copy of the veteran's discharge should be included with the application.

Dental car is available to all veterans whose dental deficiencies are the result of service in the armed forces. Any veteran who attributes his dental condition to his military service is privileged to make a claim for treatment.

When applications are filed later than a year after discharge, the claim must be adjudicated and rated on the basis of medical evidence as service-connected before any dental treatment can be authorized. Such claims require a longer time before authorization can be granted than those filed within one year of discharge. VA officials said.

THE AMIR VISITS THE ADMIRAL

Admiral Richard L. Conolly, USN, Commander of Naval Forces, Eastern Atlantic and the Mediterranean, receives His Highness, Amir Saud bin Abdullah bin Jelewi, Amir of Hasa Province, Saudi Arabia, and members of his Royal Family on board the cruiser USS Toledo on the occasion of the Amir's return call on the Admiral. The Toledo, Admiral Conolly's flagship during his visit to the Persian Gulf, departed later for Japan to relieve the USS Fall River as flagship of Rear Admiral A. M. Bledsoe, USN, Commander of Cruiser Division One. (Official U. S. Navy Photograph)

BROOKS DRY GOODS

ALL DISTRICT GRID STAR HAS PAINFUL FALL

Dan Whitsett, who fell in his bath tub Thursday night, painfully injuring his back, has been brought home from the Clark's Hospital at Memphis and is doing nicely stated his mother, Mrs. A. L. Whitsett. Friends will be glad to learn that this outstanding football player was not severely injured. Dan was an all-district tackle on the Broncho squad last season.

Mrs. W. C. McDonald and daughters Myrnie and Janice of Plainview are visiting relatives and friends here this week.

PLAINVIEW DEVELOPER COLLECTS MATERIAL

Over Sunday looking over the Donley County country was geologist Mr. Winfield Holbrook of Plainview. He collected abrasives and Fuller's earth in this section, taking samples at several locations.

Mr. Holbrook, general manager for the Texas Land & Development company, was accompanied by his daughter, Miss Betty. J. C. Estlack accompanied the party on the tour of this section citing them to fossil beds and various types of abrasive deposits.

Mr. Holbrook's company fosters the development of irrigation

in the Plainview section and has put down 128 wells to date.

Girls, Here Is Your Big Opportunity

MEMPHIS, TEXAS—Here is the opportunity of a life time if you are a girl 16 years of age or over, unmarried, never been married and seeking national publicity.

Memphis, "Cotton's Home Town", is staging the First Annual West Texas Cotton, Chemurgic and Ceramics Carnival, Oct. 3 & 4, 1947. One of the featured highlights is the crowning of "Miss Cotton of West Texas, 1947." She must be a resident of West Texas but not a resident of Memphis. The Memphis Queen is merely host. She can not compete for the title. But, the winner will not only be awarded the title and the handsome trophy, but an all-expense-paid vacation to a glamorous city where she will be feted with all homage due such regal recognition.

Here's how: Send name, address, age, measurements, brief historical sketch, glossy picture, and name of sponsor to Queen Chairman, P.O. Box 1080, Memphis, Texas. The more complete details provided, the better publicity for each entry. Also state whether Queen will ride on a community or city float or whether transportation in parade is to be provided by Memphis.

The quicker she entry is authenticated to Memphis officials, the quicker publicity for your Queen candidate begins. Disinterested judges of newspapers, radio and photographer representatives will judge the winner.

Sponsors should be cities of West Texas, chamber of commerce, recognized clubs or reputable firms. Sponsors should sign applications for each candidate's name submitted and the Candidate should wear an insignia of her sponsor.

No sponsor should have an agent

promotion of her future contracts. Such agents will not be recognized by Memphis officials and where agents are represented, that candidate will automatically be disqualified as a candidate. Any contracts which may be offered the winner must be signed only by the Queen and if a minor, by her parents or legal guardian only. No outsider representative will be recognized. Otherwise, runners-up will be declared winner in the contest, officials have ruled.

Queen candidates may submit pictures in either bathing suits, sports attire or in regal costumes to be determined by her sponsor. All pictures will be returned in time, after publicity cuts and mats have been made. All pictures must bear the name of the Queen, her sponsor and address, written in pencil on the reverse side of the picture. Pictures of 8 by 10, black and white glossy are desired.

There will be a broadcast and introduction of queen candidates at midnight, Oct. 2 from a Memphis theater stage. There will be the Merd Grass Ball the night of Oct. 3, when all candidates will be presented, photographed and otherwise paid homage. Coronation will be the night of Oct. 4.

All sponsors are urged to send in nominations of their candidates at once, reserve accommodations for their regal beauty, and allow the publicity committee to begin a campaign in her behalf.

Queens from all over West Texas, each a reigning beauty in her own right, will be presented. Miss Cotton of West Texas will deserve her title and earn the awards.

Harless McMahan returned Saturday night from Dallas where he had been for medical service.

Mr. and Mrs. Geo. W. Dailey and son and daughter of Albany visited his aunts, Mrs. C. A. Burton and Mrs. Summers.

Mr. and Mrs. J. B. Duckett are at home from Plainview where they had been making plans for entering Wayland College this fall.

Mrs. Rolle Brumley and mother, Mrs. J. A. Moreman were Hedley visitors Monday.

Melba Ruth and Kathleen Grady who have been attending summer school at Canyon are at home.

Mrs. Roy Draper and two children and Mrs. Robust from San Francisco, and Mrs. Katie Zackery and Mrs. Eugene Butler visited their parents, Mr. and Mrs. W. O. Butler over the weekend. Mrs. Robust returned to her home at San Francisco; the others left for Pampa for a visit.

Mr. and Mrs. J. L. Beard returned Tuesday night from their vacation at various parts in New Mexico. They visited his aunt and family, Mr. and Mrs. V. V. Jackson at Albuquerque. Jimmy Beard returned home with them.

Miss Athalee Dodson is spending her two weeks vacation in Los Angeles, Calif.

Mr. and Mrs. Russell Biberstein and children, Mike and Susan of Attica, Kansas who have been visiting her parents, Mr. and Mrs. Rayburn Smith, left Tuesday for their home. They were accompanied home by her sister, Ada Sue Smith, for a visit.

Robert Summers, who has been attending summer school at Canyon, is spending his vacation here with his mother, Mrs. R. A. Summers.

Mr. and Mrs. Dee Jordan and family of Dallas visited his sister and husband, Mr. and Mrs. Clyde Butler Friday.

Mr. and Mrs. Clyde Butler visited their daughter and family, Mr. and Mrs. Loren Rhoades at Amarillo Sunday.

Mr. and Mrs. Van Kennedy and Miss Chloe Darden returned home Thursday from a week's vacation trip in Colorado.

Mr. and Mrs. H. R. Dodson will spend the weekend visiting their son Orval at Temple. They will leave Friday.

Mr. and Mrs. J. W. Beard were dinner guests of Mr. and Mrs. J. H. Byars at Memphis Sunday evening.

Mrs. R. O. Thomas and Miss Bertha Mae spent the weekend visiting in the Morton home at Floydada.
