Donley County Vocational School Opens Office At City Hall

Office for the Donley County Vocational School for Veterans has been opened at the City Hall this week. J. R. Gillham will serve as coordinator of the county vocational school program and Mrs. Dona Lane will serve as office secretary for the program.

Three courses in agriculture are being offered at Hedley and Clarendon at this time and according to Gillham at least one other agricultural class will probably be organized by September. Any veteran actively engaged in farming for himself may enroll in the program whether he owns or leases a place or lives with his parents and farms. Each veteran attends the class 42 hours per month and draws subsistence from \$65 per month upward depending on whether or not he is single, married, or disabled, and how many are dependent upon his income.

Claude Moore, Frank Cannon, O. D. Lowry, and Gillham are serving as instructors in the agriculture classes.

Starting July 1st, a course in distributive education will be offered. This course deals with the business fields of retailing, wholesaling, service selling, and finance. Any veteran actively engaged in the business of selling products or service is eligible to enroll in this course which meets an average of 12 hours per week. The subsistence drawn from the veterans administration is the same as in any other training.

Courses will be offered in various trades and industries as there is a demand for them. Indications are that courses in woodwork, mechanics, welding, and metal work will be most in demand. A modern shop with all necessary and a qualified instructor will be provided for veterans wishing to enroll in this type of work. There is no requirement as to type of employment or that the veteran be employed to enroll in this type of work. The hours vary from 12 for part time courses to 25 hours per week for full time courses.

Any veteran, white or colored, is eligible to enroll in the courses at any time they are available and veterans interested in enrolling now or at a future date should contact the county vocational school office at the City Hall.

The Donley County Vocational School is operated by the Donley County School Board under the direction of the State Board for Vocational Education.

Wheat Beginning To Come In

Bill Rowe, manager of The Clarendon Grain Company, announced yesterday that approximately three and one-half cars of wheat had been received at the local elevator from Donley county wheat and from the Brice section.

He said it had started to really come in Tuesday when the weather put another stop to the cutting. The wheat has been testing 60 to 62 with 14 or below moisture content, and the golden grain has been bringing \$1.85 per bushel and with approximately 5,000 bushels already in, the total revenue to farmers would be around \$55,000 for only the starting of a pretty fair crop.

Mr. Rowe stated that if everything worked out as it should they would be able to care for the wheat that comes in here. The elevator has a 6 car capacity which is 9,000 bushels and they average loading two cars a day which should handle the load here unless everyone tries to come in all at the same time, he added.

Vil Gunter of Groom is visiting Lloyd Hunt this week.

Paul M. Fulks of Wolfe City, newly-elected president of the Texas Press Association, is shown at left receiving from Walter Humphrey of Fort Worth, retiring president, the golden diamond-studded key to the Texas Treasure Chest at the State Fair of Texas upon his election by the press group last week in Amarillo. The golden key, which is being passed down from presi-

SIM RHODES SERVICES HELD SATURDAY

Funeral services were held Saturday afternoon at the Methodist church for Sim Dusty Rhodes with Rev. S. W. Hayne officiating.

Mr. Rhodes, age 33, passed away about 5 p. m. Thursday afternoon following a quite lengthy illness. He has been associated with the ranching business for a long number of years and was employed by the Waggoner Estate near Vernon when stricken with illness. Sim, although quite young and living in a modern age, had the friendly character of the older time ranchers.

He went out of his way to make friends and always lent his assistance when needed. He was born in New Mexico in 1914 and moved to Donley county 17 years ago, since which time he has had the pleasure of a wide acquaintance of friends all over Donley county and adjoining communities. He is survived by his wife and one son, Grady Rhodes; his parents, Mr. and Mrs. W. M. Rhodes of McLean; one sister, Mrs. Dorothy Bogard, Bula, Texas; two brothers, Avis Rhodes of Alameda and Andy Rhodes of Borger.

Pallbearers were Bud Long, Joe Ritter, Snooks Sparks, Reefer Blackwell, Lloyd Johnson and Eral Albright.

Honorary pallbearers were Guy Wright, Billie Lewis, Bill Beverly, Gordon Billingslea, Clarence Piery and Frank Derrick.

Burial was in Citizens Cemetery with funeral arrangements under the direction of Murphy-Spicer-Buntin Funeral Home.

MORE RAIN HAMPERS FARMERS THIS WEEK

A hard blowing rain that fell here again Tuesday night hampered farmers with their current planting problems and did further damage to wheat and other young crops coming through the ground. Just what damage done to the ground just planted can be told in a few days.

The official weather station at the Depot registered .34 inch here in Clarendon.

Kirkland Ball Nine Trim Dodgers, 6-3

An eighth inning rally gave Kirkland a 6-3 victory over Clarendon in a Red River Valley fixture at Childress Sunday.

Going into the last half of the eighth inning trailing 2-3, John Pelly's boys pushed across four runs to win the game. Kirkland drew first blood in the third inning when C. Moore opened with a sharp single, then Pettyjohn singled to right and B. Harper singled to left. Cliff Jones belted to center to score Moore and Pelly also filed to center. Pettyjohn should have scored on the catch but failed to hold his base and Bill Harper was trapped on the base line and put out to retire the side.

Clarendon took the lead in the sixth when D. Harper fumbled G. Putman's grounder with two out. B. J. Mooring singled and C. Putman singled to right to score Putman and B. J. Mooring.

Clarendon added another in the seventh when D. Harper again fumbled a grounder by Spier and dropped a fly ball by S. Nobles. Bill Mooring's single scored Spier.

Kirkland edged close with one run in the seventh when D. Harper opened with a double and scored on C. Harper's single.

Needing a run to tie up the game Kirkland worked two walks off pitcher Howerton in the eighth. Both B. Harper and Jones were issued passes and were sacrificed along by Pelly. Trooper hit a long sacrifice fly to right field to score B. Harper; D. Harper singled scoring Jones; C. Harper singled and both men scored on Marion Ticer's single to right field.

Jones was effective on the mound for Kirkland allowing five hits, no bases on ball, and striking out nine men.

In the absence of their star pitcher Lee Head, Clarendon used W. B. Howerton on the mound. He allowed 11 hits, struck out two and walked three men.

The Dodgers will meet the boys from Quanah on the local field this Sunday at 3 p. m. and there's a possible chance that we can beat them. All players are asked to be out in plenty of time to get warmed up good.

It has also been announced that there will be a game here the afternoon of the 4th at 4 p. m. between the Junior Club and the Goldstein team.

LEAGUE STANDING

Team	W	L	Pct.
Mobeetie	8	1	.888

Mr. Ida Couch had for guests this week her grand daughter and husband, Mr. and Mrs. Roy Carlile of North Hollywood, Calif. Mrs. Carlile is the daughter of W. A. Couch.

JOSH O'NEAL TO PLAY FOR DANCES 3rd & 4th

William Greene has announced that he has engaged Josh O'Neal and his colored Gentlemen of Swing for the two main nights of the celebration here next week July 3rd & 4th.

This is the first engagement in Clarendon for this band but it is understood that they are fully qualified to put out plenty of hot music; the kind that is welcome to both young and old during a celebration such as the one next week.

First Part of Playground Equipment Nearly Installed

Work on installing the new playground equipment at the City Park was held up the first of the week due to several reasons but the writer was informed this morning that the pole to support the larger Merry-go-round had been set in concrete and that the job would be completed on this piece of equipment by Friday and that the remainder of the slides, swings, etc. would probably be set some time next week in time for the celebration gathering here.

DAIRY FARMERS SALUTED—June is dairy month in Texas by official proclamation of Gov. Beauford H. Jester. The proclamation is a tribute to 335,000 dairy farmers in Texas who own 1,400,000 milk cows, valued at \$150,000,000 and which produced four and one-half billion pounds of milk in 1946 with a net value of \$100,000,000. During the past 25 years Texas has advanced from twentieth to eighth place in value of dairy products.

With Gov. Jester, seated, when the proclamation was issued were, left to right, Henry Moeller of San Antonio, state chairman for dairy month; Mayor Wendell Mayas of Brownwood; Mayor R. J. Kroeger of Harlingen; milk producer Hardy N. Hay of Route 2, Waco; State Health Officer Dr. George W. Cox of Austin; Bryan Blacklock, of Marshall, president of Texas Dairy Products Institute; and milk producer H. S. Barton of Buda.

Celebration & Rodeo Gaining Enthusiasm

LEADER TO BE PUBLISHED DAY EARLY NEXT WEEK

Due to the advertising of the July 3rd & 4th celebration here next Thursday and Friday, the Leader will be published a day early on Wednesday, July 2nd so it will have plenty of time to reach subscribers in this area before the events start taking place. All rural writers and others turning in news are requested to turn their copy in a day early and not later than early Tuesday morning. All advertising copy carries the same request as this will be a larger paper, carrying the usual welcome ads for visitors and friends to the celebration. If you want an ad in this edition, it is best that you speak for it Saturday and not later than Monday in order to be sure of getting the space you desire.

MEN'S CHORUS WILL SING SUNDAY

The Men's Chorus will sing in a Mission Program at the Colored Baptist church across the track this Sunday afternoon at 4:30. The men are asked to meet at the First Baptist church at 3 p. m. for a last minute practice. This will be a good program and everyone is invited to come out and hear these men sing.

FIRST GROUP MAKES BOOSTER TRIP TODAY

A very lively and representative group met early this morning south of the court house and left out around 9 a. m. for points East to advertise the July 3rd & 4th celebration here next week.

The towns to be visited by the group today are Lelia Lake, Hedley, Memphis, Childress, Wellington, Shamrock, McLean and Alameda.

Another group will meet tomorrow morning at the same meeting place and will go west, visiting Claude, Panhandle, Borger, Pampa, Lefors and possibly Groom. If you didn't get to make the trip today, be sure to be down there and go with the boosters in the morning, for the larger the group, the larger the crowd to be expected for the celebration.

LEON C. GUICE TO PREACH AT BAPTIST CHURCH THIS SUNDAY

It has been announced that Rev. Leon C. Guice of Plainview will be the visiting preacher at the local Baptist church this coming Sunday at both morning and evening services.

Rev. Guice is the pastor of the College Heights Baptist Church of Plainview.

Everyone is cordially invited to come out and hear him speak.

BUSINESS FIRMS TO BE ASKED TO CLOSE AFTERNOON OF 4th

SERVICES HELD FOR O. P. HOMMEL

Funeral services were held Friday afternoon at the Methodist Church at McLean for Oliver P. Hommel with Rev. H. A. Longino, pastor, officiating.

Mr. Hommel, age 91, burned to death in his home near Alameda early last Thursday morning. He had been a resident of Donley county for nearly 50 years and resided most of that time near Alameda, moving there from Clay county. He was a native of Tennessee.

Survivors include three sons, Frank Hommel of Clarendon, C. G. Hommel of Dallas, and W. O. Hommel of Alameda; four daughters, Mrs. Maggie Kennedy, McLean; Miss Alice Hommel, Dallas; Mrs. Laura Barnes, Ponca City, Okla.; and Mrs. Annie Smith, Wichita Falls.

Burial was in the Hillcrest Cemetery at McLean under the direction of Womack Funeral Home.

Mr. and Mrs. Clede Jones of Canyon are visiting his sister, Mr. and Mrs. Park Chamberlain this week.

The Rodeo Committee, composed of representatives of the American Legion, V.F.W., and Roping Club, has reported that they will circulate a petition asking all business firms, with the exception of cafes, to close at 1 p. m. for the remainder of the day on the 4th of July.

They pointed out that this would give the business men and employees an opportunity to get out for awhile to enjoy the celebration, and by staying open prior to this time would give the visitors a place to rest and visit with their friends while they are not taking in some part of the celebration program.

A number of firms are voluntarily taking the entire day and all others that wish to do so can use their own discretion as the above request is for the benefit of all business firms as a whole, and a pattern to go by, they added.

Ashtola Methodist Congregation Merge With Clarendon Church

BOB CAT CAUGHT BY DOGS NEAR JERICHO

Johnnie and Phillip, sons of Mr. and Mrs. Frank Hermesmeier of Jericho were on the main street yesterday proudly displaying a female Bobcat which they caught with their dogs Wednesday morning in the breaks south of the Hermesmeier ranch home. They stated that the dogs made fast work of the big cat after they caught it and that the big cat could certainly scream.

This is the first big cat to be reported caught in this manner in quite some time as the majority of the small number left in this country stay in the more thinly settled territory.

These boys and their dogs have quite a name for running Coyotes and have a pretty fair number of catches to their credit along with the big cat they caught yesterday.

Mr. and Mrs. Anderson who spent the weekend with her parents, Mr. and Mrs. Walter Champlin returned to their home at Skellytown Monday.

The time is nearly upon us for the big annual celebration and everyone seems to be getting ready for all events during the two day affair.

Jack Brooks reports that the parking tickets for the Rodeo sessions are going fast and those who want to be sure of a space should see him right away.

William Greene reports that he has everything in readiness for the dances on both nights and has engaged Josh O'Neal and his colored gentlemen of Swing for both engagements. This band is reported to be quite popular and have plenty of "umph" to their music.

Everyone is urged to take part in the parade which starts promptly at one o'clock the afternoon of the 4th only. The parade will make-up and start from the vacant lot south of the Ft. Worth & Denver Depot.

A prize will be given for the oldest mounted couple, the youngest mounted couple and the most original entry whether mounted or on wheels. All contestants will be required to ride in the parade and let's all cooperate to make it a colorful event, stated Joe McMurtry, who is in charge of the event. Anyone wishing further information should contact him.

There will be four Rodeo performances. The first being the afternoon of the 3rd; night of the 3rd and afternoon and night of the 4th. All contestants for the Rodeo events are required to pay their entry fees by 11 o'clock on each day of the rodeo, or if you want to be eligible for the saddle to be given away, you must pay your entry fees for both days on the morning of the 3rd. Lloyd Johnson is in charge of taking the entries and will be located at the County Agent's office on both days, the 3rd & 4th.

In addition to prize money, etc., there will be a large number of individual prizes given by local merchants such as hats, shirts, boots, etc. Cap Morris and Pete Kunz are in charge of the special premiums committee and if you wish to donate something and haven't been contacted, just see either of these men and they will fix you up.

According to advance information, a large entry is expected for the rodeo events and a larger than usual crowd is expected for the entire celebration.

Mrs. Clint Martin and children who have been at Shamrock the past month returned home Tuesday night.

At a regular Church Conference of the Ashtola congregation of the Methodist Church, called by the District Superintendent, the Rev. W. E. Hamilton, Sunday, July 20 at 3:30 p. m., it was decided that the Ashtola congregation unite in a body with the congregation of the Methodist Church in Clarendon. It was also decided that the Union Sunday School at Ashtola should receive the support and encouragement of the Church in Clarendon, and that every effort possible be made to preserve the spiritual interests of that community.

This move is the result of the many removals from the Ashtola community and because of the fact that they have been without regular pastoral supervision for several years.

A special reception service for this group will be held at the Methodist Church in Clarendon Sunday evening, July 27, at eight o'clock. This service is to be followed by a social hour in the Fellowship Hall of the Church to which all members of both congregations are cordially invited.

LIBRARY NOTES

By Mrs. C. A. Burton

A few more new books for our summer reading. First, let me tell you of "Mrs. Mike" by Benedict and Nancy Freedman. It is described as being first and foremost a love story. The level of sheer entertainment is said to be extraordinary high. There is an acceptance of the hardness, the chances, the essential goodness of life as told in this story that rings very true, and the dual author-

ship of the book gives both the male and female characters an added authenticity. Benedict and Nancy Freedman are 27 and 26 years old respectively. Both have written much for radio—have written five plays and a number of short stories. Their literary criteria are simplicity, freshness and drama.

"Gentleman's Agreement" by Laura Z. Hobson is leading the best sellers today. It is what we might term a "race question" story—a Jewish story. One critic has said of it, "It succeeds as a

striking idea, one that permits the Gentle to see the Jew vividly as a personality identical with himself, with his own hopes and fears and loves and sensativity.

The winner of the Doubleday \$20,000 prize award is "Black Fountains" by Oswald Wynd, and it is described as a startling novel of modern Japan. Oswald Wynd was born in Tokyo on America's Independence Day 1913 of Scottish parents with American connections and learnings. His two sisters are American citizens and his brother a Canadian. He was educated at the American school in Japan until he was 18, then had a year at the Atlantic City High School in 1932, then to Edinburgh University; was a Japanese prisoner for eighteen months; wrote "Black Fountains" while in prison camps and preserved his manuscripts by writing diaries for confiscation which the Japs carried off in great triumph. He is unmarried and now living in Edinburgh, Scotland. He hopes to return to the Far East as a roving correspondent and hopes to add spoken Mandarin and Malay to his knowledge of the Japanese language. It is described as a fine, heroic love story of a race of men who love tradition so much because they are afraid.

Another race problem story is "The Quarry" by Mildred Walker.

Two strikingly beautiful books for the tiny wee folks are "Everybody Likes Butch" by Bernice Bryant and "Captain Joe" by Margaret Friskey.

"Juliette Low" by Mildred Mastin Pace is a story of the founding of the Girl Scouts in the U. S.

We told you not long ago of a splendid collection of dog stories. To that list we are adding "Pat—the Story of a Seeing Eye Dog" by Col. S. P. Meek.

And last on our list of new books this week is "Adopted Jane", a thrillingly interesting story of a little teen-age girl whose entire life had been spent in an orphanage until she was adopted into a real home.

A book which sounds interesting to people in this part of the world is "Taos and Its Artists" by Mabel Dodge Luhan.

During the 26 years since its

original publication Sinclair Lewis' "Main Street" has sold just over 600,000 copies. Now his "Kingsblood Royal" has started out with a printing of 740,000 copies.

ASHTOLA

Mrs. Keith Swinburne

Mr. and Mrs. J. R. Brandon visited her parents at Amarillo Sunday.

Mrs. C. B. Harp returned home Saturday evening from a Ft. Worth hospital.

Joe Tom Lovell, Homer Hardin and Billy Lee Ramsay of Phillips left Monday to make the wheat harvest at Groom. James Reed Lovell left Tuesday to work at the elevator at Sunday.

Weekly SURPLUS NEWS WAA

A pre-Fourth of July offering

for the benefit of World War II veterans will be made at the Red River Arsenal when 450 trailers, trucks, sedans and jeeps are put on the market by the War Assets Administration. Inspection of the vehicles may be made Friday, June 27, and Monday, June 30, with sales during July 1 and 2.

Sales will be limited to one vehicle to a veteran, and order of purchase is to be determined by a drawing held at gate three of the arsenal at 9 a. m., July 1. Admission qualifications will be discharge papers or accepted proof of honorable World War II service. WAA location sales of

Veterans News

Widows and near relations of World War II veterans living in 57 foreign countries and seven

officials declared that veterans attending the sale will be able to inspect, complete purchase and drive their vehicle home before the holiday.

The Amvets want preservation of veterans rights in acquiring war surplus as aggressively opposed to those who want to scrap all priorities, according to Ray Sawyer, national Amvet commander who conferred at Grand Prairie with zone and regional War Assets Administration officials recently. After looking over the Grand Prairie WAA plant and visiting a veterans' sale in the warehouse, the Amvet chief said he was well pleased with reports on WAA's handling of surplus in Texas. "You're doing a good job. Don't let criticism get you down," he said on leaving.

Seven to eight million dollars worth of surplus government owned paints, clear and pigmented lacquers, enamels and related products are being offered at low fixed prices on a national sale through War Assets Administration. These products generally are best suited for use as production or maintenance finishes in the industrial field, it was said. Information on the paints and lacquers is available through the Customer Service Center of the Grand Prairie WAA office.

Five surplus army chapels at the Amarillo Army air field are being offered for use as shrines or for religious purposes through the War Assets Administration's regional office at Grand Prairie, Texas. They are placed on the market together with their "presently contained fixtures" subject to removal from the area. Priority purchasers have until July 3 to place bids and the general public until July 23.

United States territories and possessions are receiving monthly National Service Life Insurance payments totaling nearly \$700,000 VA reported this week.

Although veterans today may select any person, firm, or legal entity as a beneficiary, nearly all of the 7,003 living beneficiaries abroad were receiving payments on policies which matured more than nine months ago—when the selection was limited to wives and near relatives.

More than half the beneficiaries—or 4,067—reside in the Philippine Islands. They receive \$561,000 a month. Another 856 live in Puerto Rico, 472 in Hawaii and 458 in Canada. England has more beneficiaries than any other nation in the Eastern hemisphere, or 146. Ireland is a close second with 134.

Veterans must secure authorization from the Veterans Administration before going to a local dentist for dental treatment at government expense, VA officials have warned.

Unless prior authorization has

been granted, VA can not pay for this treatment.

To secure authorization for out-patient dental treatment, veterans must establish their dental defects as service-connected. This necessitates the filing of a claim.

VA pointed out that most dental conditions are assumed to be service-connected if application for treatment is made within one year after discharge. In many of these cases, VA can authorize out-patient treatment prior to adjudication and rating of the claim.

Where applications are filed later than a year after discharge, the claim must be adjudicated and rated as service-connected before any dental treatment can be authorized by VA Regional Offices.

Where VA dental clinics are not feasibly available, treatment by private dentists on a fee basis may be authorized by VA in Texas, Louisiana and Mississippi.

Eight out of every ten students

studying abroad under the GI Bill are enrolled in educational institutions in five countries, according to the Veterans Administration.

The five countries are Canada, Mexico, Switzerland, France and England.

American Agriculture At The Crossroads

EDITORS NOTE—The following concludes the speech made by Congressman Eugene Worley during the debate on the Agricultural Appropriation Bill.

MR. CHAIRMAN:

But I am going to pass over all of those features and mention simply the protection farmers are given under the so-called Steagall Amendment, which assures price support for major agricultural commodities at 90 percent of parity or higher until January 1, 1949. Thus, American agriculture is protected by a floor under prices. We all know why this measure was adopted. It was adopted because the Democratic Party was determined that American farmers should not again be the forgotten men they were after the other World War. It was adopted because looming very big in the minds of the President and the Congress was the memory of the terrible collapse of farm prices in 1920 and 1921. In less than a year, at that time, farm prices plummeted down more than 40 percent.

That is not happening this time. Well, there is the record. There are the facts. As has been said: "The farmer and the farmer's

family can measure for themselves the vast difference between the desperation which was theirs - - and the recovery which is theirs." Surely the record—in peace and war alike—is good.

And today the people of this nation are enjoying the greatest abundance of the products of the farm they have ever known.

Let me again cite the record. With fewer farms and with 10 percent fewer workers than in 1914, with shortages of machinery and materials, without plowing up the parks and plains, American agriculture during World War Two stepped up production more than one-third, sent up to one-fourth of its products off to war, and at the same time fed civilians 10 percent better than in peacetime.

Not only that, but year by year and every year—beginning not in 1942 or in 1940 but away back in 1917 and going right through the war—American agriculture set new production records every year. Every year a new record. Every year more food than the year before. Meat production jumped by about one-half over the 1935-39 average, and egg production by about three-fifths.

Commercial truck crops increased by about two-fifths. Output of some of the war-valuable vegetable oil crops, such as soybeans and flaxseed, tripled or more than tripled.

And how was it done? Not by putting on three shifts. First, there wasn't labor available and, second, it wouldn't have made much difference anyway, because three shifts can't make the land produce and the sun and rain work any faster.

It was done by long hours, by hard work, by technological improvement—and by a legislative program that helped the farmer go all-out.

It was possible only because agriculture had been snatched from the near death of the early 1930's and restored to the vitality and good health of the 1940's.

Now that's a long story about agricultural progress and prosperity. It's a story that should be of great interest to our Republican colleagues because it's the picture of the sound, healthy agricultural situation which they, as members of the dominant party, are inheriting as we begin this year 1947. Will they keep it that way during their tenure of office? It can't be done by trusting to luck and ignoring the farmer's problems as they have done many times in the past.

There are many problems to be decided about the future—such problems as making full use of the farmers' remarkable increase in productive capacity. Inevitably, there must be readjustment from a wartime to a peacetime production pattern. In times past, the inability to change pace, to shift gears has been agriculture's biggest handicap. In the last 14 years, however, farmers have learned much about the necessity for making production fit demand

—something that industry has long recognized. They have built up the machinery to make that adjustment through the legislative programs and particularly through the national production goals. Thus, during the war the goals helped farmers produce the tremendous quantities of meat, wheat, corn, cotton, eggs, and other strategic foods that a fighting nation requires. Now with the return of peace the goals are helping agriculture emphasize such production as is most needed.

To make the goal mechanism work, there obviously must be unified action. There must be leadership. In the case of depressed markets, there must be income protection. All these requirements can be provided only by a continuation of full-fledged co-operation between farmers and Government.

Another outstanding problem—a continuing problem and one which farmers have already made a good start in solving—is that of soil and water waste which in the first onethird of this century made almost a million acres a year unfit for further cultivation.

The conservation job is well underway, but there still is a big job ahead. The task of applying the basic soil and water saving measures will take years and—in the interests of the whole American people—there must be no slackening of the work.

And then there is the problem of regaining adequate foreign trade in farm commodities. By means of the World Bank and various international agreements, the Government is endeavoring to help agriculture build up international commerce. The Food and Agriculture Organization of the United Nations is another phase of the world-wide effort to make agriculture strong and prosperous so that hunger may eventually be banished from the earth along with the great threat to peace that hunger inevitably

carries with it. The whole marketing picture needs to be examined and in some ways revamped. The recent Democratic Congress took a big step in this direction with the Agricultural Research and Marketing Act, authorizing widespread research to discover new uses for farm products, new markets for old products, new methods in making distribution of farm commodities not only more efficient but also more profitable.

But the most fundamental factor in the maintenance of a prosperous and healthy agriculture is the continuance of a full employment, full production economy.

This is the most elementary economics. The income of the 25 million farm people must come primarily from the spending of the 115 million city, town, and village people. The amount of food money in the city-earner's pocket is one of the measuring sticks of the farmer's prosperity. In a full employment economy where the wage level is good, much of our new-found agricultural productivity can and will be absorbed.

During the depression a large proportion of city, town, and village people could not buy anywhere near the amount of food they wanted. Millions were seriously undernourished. The effects of their malnutrition were evident not only in lowered health standards, but in reduced farm income.

Try this Easy Way to... CLEAN DENTAL PLATES

At last, a scientific way to clean dental plates and bridges **REALLY** clean. Just put your plate in a glass of water. Add a little quick acting Kleanite. With magic-like speed, discoloration, stains and denture odor vanish—the original clean brightness returns! It's easy, economical. Ask your druggist for Kleanite today.

KLEANITE the Brushless Way
Get KLEANITE today at Rexall, Norwood and all good druggists.

Here is a challenge that should call forth the best that is in us. This great nation is capable of producing enough food to provide its people with a good diet. The importance of good diet to national health and strength is a fact we cannot afford to ignore. It remains for all of us to make sure that the American people have the means of purchasing the food which farmers are so capable of producing.

We have made great progress toward the goals of security, opportunity, and prosperity. What ever lies beyond the veil that hides the future from our eyes, this much at least is assured: Never in all American history has agriculture been so well prepared to adjust its operations to demand. Never has it been better able to plan a wise use of the land to provide continuous, abundant, profitable production for the needs of the whole people.

That, I am sure, is the conclusion that even the Republican Party must draw after a good

look at the Democratic For the welfare of agriculture and of the nation, I sincerely hope Republican Party will their inheritance of a prosperous agriculture to be frittered away.

Nothing is more than to keep agriculture the backbone of the nation, straight and strong today American Agriculture at the crossroads. It is strong and healthy or into the shabby doldrums of the early '30s. The legislative ability of the Major cannot be alibied or if the bill which we are in today—which we are slashes or eliminates surpluses which have been tantamount to American is any indication of which the Republican follow, then the outlook culture is indeed bleak.

From where I sit... by Joe N

Crazy Hat Wins Refrigerator

One of those "Breakfast in the morning" radio shows came to Capitol City last week, and Sarrah Carey won first prize for wearing the craziest hat in the audience. It was a full-sized refrigerator! (The prize, not the hat.) "Glad them hats of hers paid off at last," says Ed, treating the whole thing like a joke. But you could see he was proud of Sarrah. From where I sit, there's another thing Ed can be proud of: the way he's put up with those hats of Sarrah's, with never a criticism; just

as she's put up with Ed the other little freedom. They've got that home now, stocked with we're going over tonight toast—not just to Sarrahing first prize... but to married couple, who've live with one another's in tastes—whether it's hats or beer!

Where Do Managers Come From?

A DOZEN MEN operate turret lathes. A dozen clerks stand behind hardware counters. A dozen stevedores hoist dockyard freight. Sooner or later, one operator, clerk, stevedore is going to reach out and do the work more competently than those alongside him. This is a real beginning. But it is not enough for a man who hopes to manage. A manager must have demonstrated that he can take orders, before he gives orders. He must know how to impart information. He must have character, courage, and the ability to administer. If he has all these, he is ready to go on up. Some managers stay on the first, eighth,

tenth steps, and do an important job. They are the foremen, superintendents, department heads, buyers. Some still keep going. The most farsighted and imaginative climb to the top. This constant movement of men upward is one reason why American business has an ever-fresh point of view. Someone is always bringing a new idea on up with him. Neither the men and women in industry nor the money in industry can be effective without good business-management. Nothing else is so important to the workers' welfare, the investors' welfare or the public welfare.

THE TEMPLE OF TRUTH

By the Agents
DUMB STUFF.

The hardest tumble a man can take is to fall over his own bluff.

CAVE MAN STUFF.
I came, I saw, I conked her.

EDUCATIONAL.
If you know your ABC's, Always Be Careful.

HARD TO HANDLE.
Of all things new, the Dallas-Ft. Worth area has had a drought on this spring. With floods here there and everywhere except on that spot on the Trinity. The Methodists produced a sprinkle with

a revival two weeks ago. Then when the deep water Baptists opened up, they had a flood the past week. Now all the non-Baptists are sore at the revival crowd that made it rain because they over did the affair and produced damaging floods along the Trinity in and around both Ft. Worth and Dallas. That just goes to show that some folks are never satisfied.

CONFESSION.
Some rare ideas creep into a newspaper writer's line of product. He must make the "table groan" at the feast, and again, the folks never tried to find him unless they "beat" the brush of the country.

OUR WEAKLY POME.
They're picking up pieces
With dishpan and rake—

He grabbed a rayon knee
But should have set the brake.

FAST AGE.
In 1932 your dollar went farther, but in 1947 it goes many times faster.

HISTORICAL.
Then there was a time when girls who could accept rings from strange men was limited to the telephone operators.

QUERY.
If weather had been created unchangeable, what would a lot of folks find to grumble about?

ENCOURAGEMENT.
West Texas never does things by halves. Stop and think about that and recall that our section can promise more and give less, and promise less and give more than any section of the Globe. That is why our farmer friends should plan for a bumper crop this season. I believe it was in 1926 that farmers, or many of them, dusted in feed crops and harvested the best crop in years even if it did not rain that spring

until July 28th.

GOLDSTON

By Wilma Smith

Mrs. Oma Morehead of Anodarko, Okla. spent the past few days visiting her brother, Mr. and Mrs. Virgil Littlefield.

Weldon Talley spent Saturday night and Sunday with Eugene Aldrich.

Mrs. Houston McDonald and Harold spent Friday and Friday night in Wichita Falls. Mrs. Lowell Christopher and son returned home with them Saturday.

Mr. and Mrs. Doc Ford and sons, Glenda Philley, Wanda and Dorothy Davis and Jerry McBrayer spent Sunday visiting in Lella Lake.

Mrs. Collier Brock and family visited Mr. and Mrs. Bob Guinn and family of Groom Sunday.

Those to visit in the Virgil Littlefield home Sunday were Mr. and Mrs. Loyd Littlefield and family, Mr. and Mrs. Jim Littlefield and family, Mr. and Mrs. Bill Littlefield and family, Mrs. Alberta Ratliffe, Mrs. Marjorie

Birillo and son, Mrs. Oma Morehead and Mr. and Mrs. Roy Stewart and son.

Mr. and Mrs. Aldrich visited Mr. and Mrs. Edgar Talley and family Sunday.

Marjorie Brock spent Sunday with Wilma Smith.

Mr. and Mrs. Jeff Addudell and children of Memphis and Mrs. Major Hudson visited in the Sam Dale home Sunday.

Mr. and Mrs. Walter Goldston and Mrs. H. C. Smith visited Mr. and Mrs. Dick Eichelberger Sunday evening.

Mr. and Mrs. Houston McDonald and family visited her parents Mr. and Mrs. Morgan Sunday.

Lynn Douglas Spier spent part of last week with his uncle and family, Mr. and Mrs. Leonard Putman.

Mr. and Mrs. Alec Hatley from California visited the first part of last week with Mr. and Mrs. Mode Hatley.

A sister of Mrs. Mode Hatley is visiting them at this time.

Bob Morgan spent last week with Mr. and Mrs. Sam Dale and Lucille.

Mr. and Mrs. Herman Brame and son and her father of California and Mrs. R. A. Brame and Mrs. Thomas Clayton visited Mr. and Mrs. Sam Dale Wednesday.

LELIA LAKE

Mrs. H. R. King

Mrs. Mattie Fox and Mr. and Mrs. Bob Fox of Buffalo Springs and Leroy Fox of Wichita Falls spent the weekend with Mr. and Mrs. Earl Fox and family.

MOSS-TRAYLOR

Wedding vows were exchanged by Miss Jessie Louise Moss, daughter of Mr. and Mrs. Arnie Moss of Clarendon and Jimmy Traylor, son of Mrs. Homer Traylor of Abilene, Saturday, June 14, in the parsonage of Rev. Leon M. Hill in Amarillo.

The bride was dressed in white and wore a corsage of Talisman roses.

Mrs. Traylor is a graduate of Turkey High School and Amarillo Business College and has been employed by the Bureau of Reclamation for the past year.

Mr. Traylor is a graduate of Bradshaw High School and is at present employed in Amarillo.

The couple will live in Amarillo until September when they plan to make their home in Denver, Colorado.

BIRTHDAY PARTY

Mrs. W. H. Patrick and Mrs. Harold Bugbee entertained with a party celebrating her granddaughter, Margaret Marsh on her 9th birthday. A large birthday cake with lighted candles was the center of a fancy table decorated in the rainbow colors. Refreshments were served and gifts admired.

Those present were Sandra Shelton, Tom Ann and Ted Bugby of Goodnight, Dorothy Joe Knorpp of Amarillo, Doris Knorpp, Karen Slvin and Walter Knorpp Jr., Wesley Knorpp, Mr. and Mrs. Tom Bugby, Mr. and Mrs. Pete Long, Mrs. Patrick and Mrs. Katherine Bugby.

LADIES AUXILIARY OF THE PRESBYTERIAN CHURCH

The Ladies Auxiliary of the Presbyterian Church met in the basement of the church with Mrs. Geo. Green, Mrs. Millard Word & Mrs. John McMahan as hostesses. The business meeting was in charge of Mrs. Ed Dishman. Mrs. Park Chamberlain was program leader on home missions. She was assisted by Mrs. J. H. Howze, Mrs. Millard Word and Miss Jaunelle Stevenson.

Refreshments were served to 18 members and three guests.

MARTIN

By Mrs. J. H. Helton

We had a nice crowd out to Sunday school and church Sunday. Bro. Harold Ayers preached.

Billy Jack Jordan ate dinner Sunday in the Carl Pittman home. Mrs. A. J. Sibley spent Tuesday night in the Guy Sibley home.

Mrs. Cora Patterson of Pampa spent the week with Mrs. Talley, her sister and other relatives.

Mr. and Mrs. Alva Vaughn and boys of Lubbock spent the week end with her father, Mr. and Mrs. W. F. Barker.

Mr. and Mrs. Fred Smith and Carol ate Sunday dinner in the Pink Marshall home at Ashtola. Oma Eckert spent Sunday afternoon in the J. H. Helton home.

Mrs. Ray Robertson and children visited from Thursday over Sunday with their parents, Mr. and Mrs. William Jordan.

Those to eat dinner in the Fred Smith and Eckert home Thursday were Mr. and Mrs. J. H. Helton, Franky, Francis, Freeman, Mrs. Pearl Helton of Shoshone, Ida, Mrs. Alma Wilson and Viron of Muleshoe.

Mrs. Cannon, Frank, Jack Sutton, Jackie Harvey of Borger, Mr. and Mrs. T. C. Crofford, Mr. and Mrs. F. G. Crofford spent Father's Day with Mr. Crofford's father, Mr. T. C. Crofford at McLean and attended church at Kelton where Bro. Roberts is pastor.

Margie Nell Crofford, Mrs. Cannon and Frank went to Amarillo Saturday night.

Mrs. Miles Robertson, Dick, Dona and Mary of Denver, Colo. visited in the William Jordan home.

Edwin Tucker and Johnnie Eastern spent Friday night in the Crofford home.

Mrs. Cannon, Mr. and Mrs. F. G. Crofford, Margie Nell Crofford, Edwin Tucker, Johnnie Eastern motored to Pampa Saturday morning and put on a program over F.D.A.

Mr. and Mrs. L. D. Weddon of Amarillo took supper Sunday night with Mr. and Mrs. F. G. Crofford.

Mrs. Pearl Helton of Shoshone, Idaho, Mrs. Alma Wilson and Viron of Muleshoe visited Wednesday till Friday morning with their brother, J. H. Helton and sister, Oma Eckert.

Attend Eastern Star School

Those attending the Eastern Star school of instructions at Wellington Monday were Rev. and Mrs. W. B. Forrester, Mr. and Mrs. Cap Morris, Mr. and Mrs. W. J. Williams, Mr. and Mrs. Chas. Bairfield and Mesdames Bynum, J. L. Butler, Hinton, Leck Goldston, Regan Bryan, Heckle Stark, Ernest Hunt, A. J. Garland, J. R. Brandon, Clyde Hudson, Eva Rhode, Lema Mulkey, Van Kennedy, Oscar Thomas, Mildred Ritter, Claude Darden and Miss Chloe Clauden.

CARD OF THANKS

We wish to thank our many friends for their kindness, sympathy and beautiful floral offering in the death of our loved one. May God's richest blessings be with each of you always.

C. G. Hommel, Alice Hommel, W. O. Hommel and family, F. J. Hommel and family, Mrs. Maggie Kennedy and family, Mrs. Laura Barnes and family and Mrs. Annie Smith and family.

Mr. and Mrs. Alvin Landers and children and his father, Mr. W. L. Landers and sister, Mr. and Mrs. C. B. Dooley visited relatives in Tulia Sunday.

After a few days visit with her parents, Mr. and Mrs. W. L. Landers, Mr. and Mrs. C. B. Dooley left for their home at Ponca City, Okla. Wednesday.

Mr. and Mrs. Frank Whitlock and daughter, Mrs. Geo. Garrison visited their sons, Mr. and Mrs. Clarence Whitlock and Mr. and Mrs. Price Whitlock in Lubbock this week.

Mrs. David Johnson of Amarillo and Mrs. M. E. Thornton of Waxahachie, Texas visited Mrs. Land and Mrs. Sanford Tuesday.

Mr. and Mrs. Lynn of Lubbock and Mr. and Mrs. Kenneth Reed of Amarillo visited the weekend with their parents, Mr. and Mrs. C. C. LaGrone.

Mr. and Mrs. Eugene Estlack and three children, Rochelle, Joe and David of Austin are here visiting his parents, Mr. and Mrs. J. C. Estlack and her grandmother, Mrs. Monica Harvey, and also other relatives.

Veterans' News

Disabled veterans eligible for free automobiles must submit their applications to the Veterans Administration sufficiently prior to June 30 to permit processing them before the deadline, VA warned this week.

While the veteran has up to two years after that date in which to effect delivery of the vehicle, VA is not permitted to enter any obligation against the appropriation after midnight, June 30, under present legislation.

Nearly 23,000 disabled veterans of World War II have filed applications for vehicles through May 31 under the law which provides a \$1,600 conveyance for those who in service lost, or lost the use, of one or both legs at or above the ankle.

Of this number, 16,062 applications were approved and nearly 13,000 sales agreements were certified for payment as of the same date.

More than two and a quarter billion dollars has been spent to provide education and on-the-job training for veterans of World War II.

This was revealed today when VA reported cumulative expenditures of \$2,263,000,000 by May 1

for education and training under the Servicemen's Readjustment Act and the Vocational Rehabilitation Act.

The number of veterans claiming readjustment allowances for unemployment dropped over 35 percent in the past three months, effecting a savings of nearly \$8,000,000 a week over the rate of expenditure for February of this year, VA announced today.

The 728 claims filed during the last full week in May represent the smallest number received in any week since January, 1946, when, in the wake of widespread demobilization of the armed forces, the number began to climb toward the all-time peak of nearly 1,800,000 reached in April of that year.

More than 300,000 veterans have exhausted all of their readjustment allowance rights, having drawn the entire 52 weekly payments of \$20 each specified by law.

Mr. and Mrs. S. C. Bell had for weekend guests their children, Mr. and Mrs. Golden Holland and three sons, Mrs. Beatrice Long and two children of Amarillo.

Mrs. Ben Howard and her daughter and Billy Ray Bell of Sunray, Mr. and Mrs. Kenneth Bell of Borger, Billy Ray Bell and Annetta Howard remained for a visit this week.

Mrs. Geo. Garrison of Escondido, Calif. is visiting her parents, Mr. and Mrs. Frank Whitlock.

Miss Anna Moores and Miss Lelia Clifford returned home Tuesday night from a two weeks vacation trip at Mesa Verde, Colo., Salt Lake City, Bryce National Park and Mt. Zion Park, Utah. They returned by way of Grand Canyon and Albuquerque, N. M. They ran into the big snow storm at Bryce Park.

Mrs. Mary K. Blanton and daughter, Mrs. John Oakes and her son Johnny of Amarillo visited her daughter and family, Mr. and Mrs. Frank White Jr. the first of this week. Mrs. Oakes and son returned home Tuesday and were accompanied home by Frank White III, and Mrs. Blanton remained for a week's visit.

The many friends of Mrs. C. A. Burton will be glad to know that she is steadily, but slowly, improving from her recent illness. Her sister, Mrs. Garrison will remain with her indefinitely.

Mrs. Francis Forest and Mrs. Helen Carr of El Paso are visiting their sister, Miss Mary Cooke and other relatives.

Mrs. Ben Veazey and her grandson Benny Veazey visited her mother, Mrs. Silvers the weekend.

Mr. and Mrs. John B. Gordon and son Johnnie are now making their home in Clarendon. Mr. Gordon plans to go to school here this coming fall. They are former residents of Amarillo.

We Deliver

Edward F. Rooney, contract miner at the Potts Colliery of The Philadelphia and Reading Coal and Iron Company where outstanding records in the purchase of United States Savings Bonds are being made, is shown in the above picture with his wife and three children at their home in Ashland, Pennsylvania. Rooney is in a large measure responsible for the outstanding payroll savings established by the Potts employees.

At last, at last, it's here. That harvest we looked for so long, that good crop that comes once in a life-time. The first day you cut enough to pay your outstanding bills, the next day enough to pay the Bank. If the weather man will just be good, another day will buy some things for the little woman, and then maybe we can have a new tractor with the next two days. Then maybe a car or a little money left in the bank. Anyway if we can get to harvest it we will all be alright, maybe we had better save a little for next year.

Who is this guy Taft, that his name seems to be on all the new bills, that are being cooked up in Washington? Somehow I liked those names we used to hear bet-

ter. I just can't help from being afraid this new party is going to cross us up some time.

Kinda funny they just suddenly decided the freight rates on Panhandle wheat was too high, and that it will take twenty days for the order to go into effect. Looks like they could have found it out a little sooner. Seems like Eleanor told them about it several years ago, when she shipped her dog to Texas and then shipped it back over the same road.

With some people there are only two ways, their own way, and the wrong way of doing things.

If all of our neighbors and friends and relatives had a disposition just like our own, wonder how we would get along with them.

Mrs. J. T. Warren of Amarillo is visiting in the R. T. Brown home this week.

Mrs. Geo. T. Cope who has been visiting her sister, Mrs. Jim Headrick, left for her home at Ft. Worth Saturday.

Mrs. Henry Jones who has been visiting her aunt and family, Mr. and Mrs. Geo. Norwood left for her home at Dallas Tuesday night.

At the school of instructions of the Eastern Star at Wellington Monday, the Clarendon Chapter put on Initiations for Dr. and Mrs. Forrester, minister of the First Christian church here. All the officers and some of the members of the Eastern Star were there.

Mrs. W. D. Kidd is at home after a visit at Henrietta, Wichita Falls and Electra.

Mrs. L. L. Wallace has returned home from a visit with Mrs. J. H. Wallace at Greenville and Mrs. P. Waddell at Dallas.

Attention Cotton Growers

Cotton is going to be worth lots of money this fall.

NOW is the time to protect it from HAIL.

While it's young and tender it can be easily damaged and it costs no more to insure now than later on.

Just as soon as it's up to a full stand is the time to take out a policy.

See us at once about this needed protection. We write only in old line Stock Companies—prompt adjustments—prompt payment of losses.

J. T. PATMAN & SONS, Agents

1. Hold Your U. S. War Bonds

Don't let anyone talk you into cashing them. Be wary of "get-rich-quick" schemes. Extravagant promises are a poor substitute for the safety and guaranteed return of your War Bonds.

2. Buy U. S. Savings Bonds

They are identical with Series "E" War Bonds and both are the world's best investments - - - backed by the full resources of the United States Government - - - returning \$4 at maturity for every \$3 you invest.

HELP FIGHT INFLATION BY BUYING U. S. SAVINGS BONDS—BY DOING SO YOU ARE ALSO HELPING YOURSELF.

See us about buying or selling any kind of U. S. Government Bonds.

OUR DEMOCRACY —by Mat

IN THE EARLY DAYS OF OUR COUNTRY, THE ENERGIES OF OUR PEOPLE—WITH THE EXCEPTION OF A FEW WHO WENT INTO THE PROFESSIONS—WERE REQUIRED TO PRODUCE THE NECESSITIES OF LIVING.

DOCTORS, NURSES BUILDING SOUND BODIES	WRITERS, EDITORS EDUCATING PUBLIC OPINION	LIBRARIANS GUIDING THOUGHTS OF CHILDREN
TEACHERS DEVELOPING FUTURE CITIZENS	LIFE INSURANCE AGENTS PLANNING FAMILY SECURITY	MINISTERS GUARDING SPIRITUAL VALUES

TODAY, WITH PRODUCTION IMPLEMENTED BY MACHINES, MANY OF OUR YOUNG PEOPLE WHEN THEY FINISH SCHOOL, HAVE THE OPPORTUNITY OF ENTERING THE SERVICE PROFESSIONS WHICH CONTRIBUTE SO MUCH TO THE MENTAL, PHYSICAL AND SPIRITUAL VALUES OF OUR EVER-GROWING DEMOCRACY.

will fill existing vacancies and 20 will be additional personnel authorized by the recent Legislature. "These are career service jobs," Garrison said, emphasizing that both recruitment and promotion in the Department of Public Safety are based strictly on merit. Salaries range from \$100 a month with room and board during the 4-week training period in Austin to \$208.72 after training and probation have been completed. Examiners work a six day week, receive two weeks annual vacation with pay, and are entitled to benefits under the new State retirement act. Applicants must have at least a high school education or its equivalent, be not less than 21 nor more than 35 years old, be not less than five feet eight inches in height, weigh not less than two nor more than three pounds for each inch of height, be in excellent physical condition, and have a reputation for character and uprightness of conduct that will stand the intensive investigation that is made of those who are tentatively accepted on the

basis of written tests. Competitive examinations to fill these positions will be held at various points in Texas "sometime in July," Garrison said. He urged those interested and qualified to write him, at Post Office Box 1164 in Austin, requesting application forms.

The Rev. and Mrs. W. Warrin Fry are attending The Young People's Conference of the District of North Texas, Episcopal Church at Ceta Glen. Mr. Fry is in charge of singing & recreation. Mrs. Fry is in charge of swimming classes and life saving.

The story is told of a public speaker who, after talking for two hours, remarked, "I shall not keep you much longer. I am afraid I have spoken at rather great length and I must apologize for not having a watch with me." A little boy on the front seat remarked "there's a calendar behind you, mister."

Mr. and Mrs. Frank Walthour and small son David and Mr. and Mrs. Allen Neal and Cleta Fern Phillips, all of Pampa, spent the week end in the J. E. Hunt home.

Mrs. S. Dilli spent the weekend with Mr. and Mrs. Larkin Johnston.

Mrs. Joe Hall received a message that her daughter in Louisiana was very low.

Mr. and Mrs. Scaff visited friends in the country last Sun. Mrs. Hays spent the weekend at Memphis.

Those visiting in the G. R. Grant home last Sunday were Mrs. S. Dilli, Mr. and Mrs. Geo. Gray and little daughter, Mr. and Mrs. George Dilli and two sons and wife, Mr. and Mrs. Clyde Hudson, Mrs. Warren Bray and son Bill, Mrs. Wyatt and Mrs. G. A. Anderson.

Mrs. Robert Lynn Reid and son Robert of El Paso are guests of Mr. and Mrs. J. Headrick this week.

COUNTY AGENTS TO ATTEND RANGE SCHOOL

Four county agents from the Panhandle of Texas will attend a range school at Sonora, Experiment station from June 30, 1947 to July 17, 1947. H. M. Breedlove, county agent for Donley county is one of the agents who will attend this range school. The four agents will assemble at Amarillo Sunday morning and leave by car for Sonora.

Agents attending are H. M. Breedlove, Donley county; Hugh

Clearman, Deaf Smith county; Marvin Sims, Dallham county and E. L. Dysart of Hartley county.

These agents will receive all the latest information on planting of grasses and types of grasses adapted to this area; also the eradication of mesquite, sage brush and other types of brushes that are harmful to ranges.

The school will last for three weeks and is put on by the A&M College of Texas for the benefit of county agents.

TB TESTING OF CATTLE IN DONLEY COUNTY ENDS THIS WEEK

Testing of cattle in Donley county for TB by Dr. C. T. Caraway of the Texas livestock sanitary commission will come to a close this week. Mr. Caraway, working out of the county agent's office, has pronounced the county in good shape in regard to the TB test and this was a spot test of various herds in the county.

Breedlove, county agent, says that Dr. Caraway has been called to Old Mexico to work on the foot and mouth disease that has caused so much trouble in the past year. It will probably be three years before we are able to get this service again but at that time other herds not tested this time will be eligible for this service, the county agent stated. Mr. Caraway will report to Mexico City in the next two weeks to start his work.

FIDDLERS REQUESTED TO REGISTER NOW

All fiddlers who expect to enter the VFW celebration contest in Clarendon July 3rd and 4th, are urged to register their names with the chairman of the contest committee at once.

J. C. Estlack will conduct the contest as he did last year. See him and make sure that your name is on the list right now.

The fiddlers are to have a big say in who shall judge the contest. They will be asked to get together and decide who shall make up the three judges that will award the prize money.

BELLS ATTEND BELL CO. REUNION LAST WEEK

Mr. and Mrs. S. C. Bell and son Eugene attended the Bell County Reunion at Buffalo Gap last week. There were approximately 200 old timers in attendance for the occasion which is held annually. Mr. Bell reported a very enjoyable affair and stated that all in attendance were required to rise and recognize themselves, giving all their past history. He was a resident of Bell county prior to 1904 at which time he moved away.

XIT Reunion In Dalhart July 24-26

DALHART—Except for a memorial service speaker, all major program planks for the 11th Annual XIT Reunion in Dalhart July 24-26 are ready, according to Chairman Allyn D. Finch of the General XIT Committee.

The Memorial Service Thursday night, July 24, at 8 p. m. will pay tribute to all pioneers who helped build the Old West and lay foundations for the New. It will be in the First Baptist church auditorium, largest in town, with other churches cooperating. Finch has told Memorial Chairman A. C. Hallmark to get the very best speaker available.

The Reunion—biggest celebration in the West based on the history of a ranch—will resume Friday morning at 11:00 with the Annual XIT Parade, headed by Dr. G. E. Ewbank, marshal for many years.

The salty Beutler Brothers broncs, Brahma bulls and other stock, of Elk City, Oklahoma, will be used for the two professional rodeo performances—at 7:30 Friday and Saturday evenings. The XIT Reunion dances will be held, after the rodeo performances, in the Dalhart Officers Club. A big name orchestra is being sought.

The Committee has again secured rides only from the Brodbeck and Schroeder Carnival. The rides, especially for the kiddoes will be set up in some convenient downtown location.

TWO DONLEY MEN APPOINTED TO LIONS POSITIONS

Lions Club District Governor John McLean of Hereford, Texas has appointed Odos Caraway as Deputy District Governor over region 8 and 11, which includes the towns of Hedley, Memphis, Lakeview, Quail, Clareudon, Estelline, Matador, Paducah, Turkey and Childress.

Charles Raines of Hedley was appointed as zone chairman covering the following localities: Hedley, Memphis, Lakeview, Quail, Clarendon and Estelline.

E. F. BRYAN FAMILY REUNION AT AMARILLO

The children of the late E. F. Bryan gathered at the Glenn L. Casey ranch near Amarillo last Sunday for a family reunion and get-together.

Those in attendance were Mr. and Mrs. Allen Bryan and sons of Clarendon; Mr. and Mrs. Glenn L. Casey and sons of Amarillo; Mrs. Floyd Keener and son of Vernon; Mrs. Edythe Bentley, Loveland, Florida; Dr. and Mrs. Harry C. Bryan and daughter, Colorado Springs; Mrs. Hollye Guiberson and daughter Mrs. William J. Davis of Amarillo.

SPEND VACATION IN WESTERN COLORADO

Mr. and Mrs. Dewey Hendrix have just recently returned from a 16-day vacation in Western Colorado near Delta. They visited his 84 year old mother, his sister Winifred, and his brother, Mr. and Mrs. Sam Hendrix and three small daughters. While there, Mr. and Mrs. Hendrix together with Mr. and Mrs. Sam Hendrix and children motored to Grand Junction to visit Mrs. Dewey Hendrix's cousin, Mr. and Mrs. W. M. (Cheery) Nelson and his two daughters, Leta and Mrs. Hubert White. She had not seen Mr. Nelson in about 15 years.

"There was no fishing done," stated Mr. Hendrix. "Colorado is a beautiful country but Texas plains are better."

Mrs. J. T. Warren of Amarillo is visiting relatives and friends in Clarendon this week.

MANLEY BRYAN ATTENDING NATIONAL FRATERNITY MEET

Manley Bryan left Tuesday night by plane for Wawasee, Indiana to attend the National convention of Phi Kappa Tau Fraternity. He is a delegate from Psi Chapter at the University of Colorado. He plans to return home the first of next week.

Donley County Leader \$2.50 yr. in County.

No "Back-Breaking Pushing" with the SUPERIOR COMBINATION SAW and TRACTOR—It P.U.S.H.-E.S. Itself!

Put It to Work on YOUR Farm—TODAY!

The SUPERIOR Combination Saw & Tractor does more hard jobs on the farm—efficiently and economically—than any other implement. It fells and bucks trees—saws logs and pulpwood—clears underbrush—cuts stumps level with the ground—loads itself—plows—cultivates all row crops—mows lawns, tall grass, weeds and hay—and is very handy for cleaning barnyards, grading, filling and leveling. It does all these jobs (and more) without back-breaking effort, for it "pushes itself"—all you do is steer it!

- ★ CLEARS LAND
- ★ FELLS TREES
- ★ SAWS LOGS & PULPWOOD
- ★ PLOWS AND CULTIVATES
- ★ MOWS GRASS

Quality-built for years of service, guaranteed against defects in materials and workmanship. Available with 7.2 H.P. Novo or 6.1 H.P. Wisconsin air-cooled gasoline engine. Standard wheels, 6.00 x 16 traction tread tires. Precision machined gears.
