Local F. F. A. Youths Make Good Showing At Houston

T. H. Seay, local Ag instructor, reported that his boys made a very good showing at the Houston stock show last week, especially considering the number of animals that were entered in the show.

The Lakeview scramble calf placed 23rd out of 160 calves and was sold for 49 cents per pound. Buster Bain's lamb entry in the fat fine wool class placed 7th and Glen Reid's lamb placed 14th and sold for 51 cents per pound. Bains lamb was brought back to be shown at the Amarillo show.

Out of the four pigs shown by the local youths, three of them placed with Glen Sanders showing the champion Chester White which sold at 43 cents and his Heavy Hampshire placed 4th and brought 30 cents. Lavon McBrayers Light Hampshire placed 6th and brought 30 cents and the pig that didn't place and shown by Lawrence Taylor sold for 30 cents.

Vernon Goldston, Bob Clifford and Loyd Mays participated in the calf scramble and Goldston and Clifford each caught calves which they will feed and take back to the show next year.

The local chapter received a last years scramble calf as a gift from Clayton & Anderson that weighed 780 pounds and is to be fed for the Dallas Fair this fall.

Those taking in the show with Mr. Seay were Lawrence Taylor, Buster Bain, Bob Clifford, Vernon Goldston and Loyd Mays.

Famous Passion Play Film, 'Golgotha' To Be Shown At Methodist Church Thursday Night, Feb. 19th at 7:30

Many hundreds of people will attend the First Methodist Church on Thursday night, February 19, at 7:30 o'clock, to see the very beautiful motion picture film of the "Life of Christ", and the "Passion Play", entitled "Golgotha", depicting the story of Jesus, from the Triumphal Entry to the Ascension, which is based upon the world-famous Freiburg and Oberammergau "Passion Plays" of Europe, and which was actually filmed in Europe, at a cost of a half-million dollars. It is being brought here by the National Bureau for Religious and Educational Films.

The film has dialogue and narrative, in English, together with a very appropriate musical score, reproducing some of the world's choicest orchestral, organ, and choral music by famous composers, blending in with the magnificent scenes, which portray, in authentic and historic fashion, the

THE WORLD DAY OF PRAYER which is to be used throughout the world, February 13th. This prayer is also for daily use during 1948.

A Prayer

FATHER OF ALL MANKIND, we come in deep humility, giving Thee our thanks and praise. Here and now we confess our sins. Forgive us our mistakes and transgressions. Grant us faith to look with fearless eyes beyond the chaos of our world and time, knowing that out of this shall rise, lifted by Thy grace, Peace with Justice and a Time of Brotherhood.

VOUCHSAFE unto us the will to work together. Create within us the unselfish purpose of Thy Son who gave His life for all peoples, and may our deeds reflect the mind of Christ. Remove from us greed and suspicion. Lift us above pettiness and destroy the hate that is the great destroyer.

THROUGHOUT the earth may that which we profess come alive in human relations. May we serve Thee better and love Thee more, that Thy kingdom may come on earth as it is in Heaven, through Jesus Christ Thy Son, our Lord. AMEN.

Friday, February 13th, all people are privileged to unite in prayer for a better world. Let us join the countless thousands who raise their voices in prayer and their thoughts in spiritual meditation. All people are invited to attend this worship at the Christian Church at 2:30 p. m. If unable to attend, will you not become a part of the world service by reading this World Day Prayer. There will be a meeting with the colored people Friday night at 7:45. Open invitation to all people.

CONSTABLE IN HOSPITAL FROM AUTO WRECK

Unable to escape a California car Saturday near Hedley, Constable Tom Roberts became involved in a crash that sent him to a local hospital. His principal injury is said to have been to his abdomen where a major surgery some years ago was damaged. It is said that a surgeon consumed some five hours in starting the constable back on the road to normalcy.

Mr. Roberts has a large number of friends who will be glad to learn that he is slowly gaining his normal strength back at this time.

F. J. HOMMEL MOVES OFFICE TO NEW LOCATION

F. J. Hommel announced this week the removal of his Magnolia Wholesale office to the Holland Service Station building. Mr. Hommel sold his service station interests the first of the month to Clyde Wilson. He stated that at the present time he would handle only the wholesale Magnolia business and would also engage in the hauling business.

ATTENDS CONFERENCE OF COUNTY AGENTS

County Agent H. M. Breedlove attended a district conference of county agents in Childress on the eleventh of this month. Mr. J. A. Scofield, district agent for the Extension Service was in charge of the meeting. The agriculture outlook for 1948 was discussed and presented to the agents by specialists and also other matters pertaining to new types or improved farming methods was also under discussion. Mr. Scofield also discussed methods of operation for agents in their counties to be of most benefit in serving the people in the county in agricultural problems.

Life, Crucifixion, and Resurrection of Jesus. The film was produced in France, and has won the profound admiration and approval of thousands of the largest Churches in the United States, having been exhibited to more than one million people during the past few years, many times to overflowing audiences.

MRS. W. W. CRAWFORD BURIED HERE SATURDAY

Funeral services were held Saturday afternoon at the First Baptist Church for Mrs. Lyda Eunice Crawford with Rev. L. A. Sartain officiating.

Mrs. Crawford, age 60, passed away at her home here Thursday night after a quite lengthy illness. She had been a resident of Clarendon for the past 45 years and was a member of the First Baptist Church.

Mrs. Crawford was one of a family of 6 children of Rev. and Mrs. G. A. Oller. Rev. Oller was an old-time circuit rider for the Baptist church and Mrs. Crawford united with this church in childhood. In 1889 the family moved to Wheeler county while deer and antelope were plentiful and Mrs. Crawford often said Indian arrow-heads could be picked up by the bucket full. She lived the usual pioneer life, was a good housewife and an excellent marksman with a rifle. When her mother died she cared for the other children of the family. In 1903 the family moved to Donley county and in January, 1908 she was married to Wm. W. Crawford of Hedley.

She is survived by her husband, W. W. Crawford, two daughters, Mrs. Nina Gates of Dallas and Mrs. Maude Carpenter of Sweetwater; two brothers, J. O. Oller of Phoenix, Arizona and Floyd Oller of Arlington, Texas. Pallbearers were Jimmie Waters, Bill Weatherly, Frank Whitlock, Pete Kunz, Joe Goldston and Dusty Taylor.

Interment was in Citizens Cemetery with the Murphy-Spicer-Buntin Funeral Home in charge of arrangements.

Oil Well Making Slow Progress

The Honolulu Ozier No. 1 is still grinding away and at the latest report was just a little below the mile mark. Another test was made during the week which brought the total of tests to 15 but the company geologist reported finding salt water on each occasion. Several trouble items and the cold weather has slowed down the drilling during the past week as only about 300 feet has been drilled.

The small hole was drilled to around 1200 feet and the small rotary rig was removed after cementing casing. It was understood that cable tools would be used to deepen the well to the point desired for testing. It was not known when this rig would be moved in to finish the job, the geologist reported.

Nothing definite has been learned in regard to the new location which has been rumored to start soon, but the starting of the potential core test well is believed to be within the near future.

STREET MARKERS HAVE BEEN SET ON SECOND STREET

The street marking committee of the Lions Club announced yesterday that the new street markers which will be placed all over town in the near future, have been set on Second street and the committee plans to make the rounds and have markers set on third street by the end of next week.

The committee is asking that everyone have their three dollars ready when some of the committee comes around for your donation and the entire town can be marked within a short time. "We're putting out the effort and all we ask is just a little bit of cooperation," one of the committee stated.

NOTICE

At 11:30 this morning the gas situation was described as critical and a round of all business firms was being made asking them to close from 1 p. m. today until 1 p. m. Friday and that this was the only way possible to relieve the situation. Business firms are asked to cut their gas off when they leave their business places.

CARL BEST OF FORT WORTH TO LEAD SINGING SUNDAY AT FIRST BAPTIST CHURCH

"We are to have in our church Sunday, Mr. Carl Best of Fort Worth to lead us in our music and to sing for us," Rev. L. A. Sartain, local pastor, announced yesterday. "Mr. Best is coming to us in view of being called as Music and Educational Director of our church. He comes highly recommended to us having sung the solo part in the "Messiah" last fall when it was presented at Cleburne, and also conducted a series of musical programs sponsored by the Southwestern Baptist Theological Seminary on a radio network. We especially urge every member of our church to be present to meet him and hear him sing at both services in our church.

LOCAL INDEPENDENTS DEFEAT HEDLEY LIONS

In a close basketball game Monday night between the Hedley Lions and the Clarendon Independents, the latter came out the victor by a small margin of three points. The final score was 25-23.

Gilson took the position of high point man for the Lions with a total of eight points.

F. G. Crofford and Gene Putman sacked a total of seven points each for the Clarendon team.

The Independents have entered an "All-Star" Tournament at Wellington and the games will start Tuesday of next week. All members of the team would like for the people to come out and see the games.

SCHOOL OF EVANGELISM AT BAPTIST CHURCH

Beginning next Monday evening at 7:00 p. m. the local Baptist Church is to have a school of Evangelism taught by Rev. A. E. Hughes, pastor of the First Baptist Church, Snyder, Oklahoma.

REV. A. E. HUGHES

He is a man outstanding in the field of personal evangelism and, "We are glad that we have him coming to our church to lead us in this training," stated Rev. L. A. Sartain, local pastor.

The Training is sponsored by the Training Union of the church and there will also be other classes for the different age groups. Everyone who is interested in the work of winning souls is urged to attend. People of other denominations are welcomed to come.

JUNIOR COLLEGE TEAM REMAINS UNDEFEATED

The College basketball team kept their record unblemished Tuesday night after scoring an overwhelming victory over the Memphis Independents. The score was 75 to 17. Harp was the high point man with 16 and Lovell was second with 12.

The High School boys were not quite so fortunate but played a good close game losing to the Memphis high school cagers 23 to 32. Jenkins was the high point scorer for the locals.

Mr. J. I. Spurgeon visited his daughter, Mrs. Bob Hudson at Ft. Worth last week and also was at the Fat Stock Show.

A slow moving blizzard finally decided to come to life late Tuesday and blew in with all the characteristics that are known to go along with these spells. The temperature dropped from a fairly mild 50 degrees Tuesday afternoon to a low of 6 degrees by 8 a. m. Wednesday morning. Light snow flurries accompanied the wind in this particular vicinity but was much heavier all around us, causing road blocks to be formed in the northern Panhandle.

Here in Clarendon, the weather was felt most due to the low gas pressure. All schools were turned out at noon Wednesday and were ordered to remain closed today and possibly tomorrow if the spell doesn't relax quite a bit.

Business firms were asked Wednesday afternoon to take a business holiday to conserve the fuel so that sections of the residential district would have enough gas to know they had a stove lit. A number of firms were expected to close today and possibly tomorrow in view of this fact.

Mayor Cap Morris has asked that we print the following request which is in no degree mandatory. "In the future when the gas pressure drops like it has this time, all business firms that are in a position to close, are asked to close up and everyone in the residential district are asked to burn as few fires as possible to keep warm. Close off part of the house and concentrate your heat in one or two rooms. By taking these means, everyone in town should have enough heat to keep fairly comfortable. As it has been, a number have had to go to bed as the gas would not even stay lit."

The temperature relaxed just a little Wednesday night and dropped to 9 degrees. The forecast is for continued cold through Friday with intermittent snow flurries.

We have had no reports in regard to stock losses, but at the least, the cold blowing wind has done them no good.

From where I sit... by Joe Marsh

Will's Proud of His Big Ears

Will Dudley's mighty proud of his big ears! Best crop of corn he's grown since '38. And Will, like so many other farmers, has plenty of reason to be proud of what he raises.

The farmer has always been a keystone in our economic life, and the key to our national well-being. But from where I sit, he's more important now than ever. He's not only feeding America—but friends of America overseas—building good will for this country at a time when friendship for democracy is most important.

And farmers have willingly shouldered that responsibility. Will spends extra hours in his cornfield... comes home tired to a temperate glass of beer and early bed, to be ready for the next day's work.

From where I sit, America can be mighty grateful for her five million farmers... for their productivity, hard work, and temperate living—of which Will's moderate glass of beer is proof!

A LETTER FROM A VETERAN:

Dear Vets: I wish to call your attention to this letter.

This is a veterans of World War II chain letter for a U. S. Government bonus.

Write to your Senator or Congressman requesting a Bonus; tell why you think we deserve a Bonus and sign your name and rate or rank. Also give your service number, whether still active or discharged. And if either then write two more letters to two other veterans requesting them to do the same.

There is no money involved except the three cents to mail the letters.

Don't delay and don't break this chain. Remember this is election year. Our government has plenty of money for everyone except us veterans.

Veterans' News

Veterans are not required to pay attorneys or agents for representing them in monetary claims against the Veterans Administration, VA said in answer to numerous recent inquiries.

Fees for such services, VA said, are payable only by the agency itself and are deducted from the monetary benefit due the veteran at the time the claim is allowed.

Fees are fixed by statute at \$10 for an original claim and \$2 for a claim to obtain increased benefits.

Any agent or attorney who charges or attempts to charge any veteran for such services is subject to penal provisions of the law in addition to loss of his accreditation, VA said.

Veterans going to school under the provisions of the G-I Bill cannot transfer to another institution without prior approval from Veterans Administration and still expect VA to pay tuition and subsistence, VA said.

Veterans who plan transfers and still wish to receive educational benefits of the G-I Bill must contact their appropriate VA Regional Office or VA training officer to obtain approval for the change and to insure their continuance on the subsistence rolls.

VA emphasized that in most cases there is no objection to veterans changing schools. In order to prevent delays in payment of

subsistence allowances and to eliminate unnecessary paper work, VA must be notified in advance of any contemplated change.

What happened to the Pot-Bellied Stove?

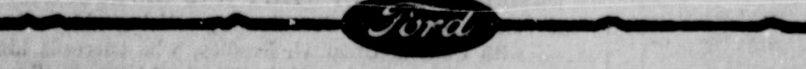

NOT SO LONG AGO, servicing cars was simple. Most folks fixed their own with a screwdriver or pliers. And when they did come in for service, there was no hurry—everything was nice and informal. You might just sit near the pot-bellied stove and talk with the mechanic while he fixed the car.

Well, the pot-bellied stove is gone—so is the old-fashioned car. But it has meant lots of changes for the better. We've replaced the old plier-and-screwdriver service with up-to-date Special Ford Equipment... our mechanics are highly skilled specialists, these days... our methods are better and faster... our Genuine Ford Parts are easier to install, fit better, and last longer, to save you lots of money.

Yes, it's been a good change. But one thing we've tried not to change is the old "personal touch". Next time you bring your Ford in, notice that even though our mechanics do things in a hurry, they still take time to be courteous, and thoughtful. We think you'll agree our service today is far better, faster, more satisfactory, and just as friendly.

STARTLING.
In a Florida weekly last week appeared a news item: "A bolt of lightning struck a lady and tore off her clothing and shocked three men working nearby."

INVENTORY.
The man who takes up your time in useless conversation recognizes no debt, yet it is the only debt he can never repay.

FAMILY AFFAIR.
The lady who wore the bridal veil on Sunday woke up wearing her husband's bride on Monday

and has been lead around by him ever since.

GOOD OLE DAYS.
Remember the good old days when mama was the family doctor and stuck to her two remedies—baking soda for ills above the belt, and castor oil for those below the belt?

ADVICE.
Old Ben Franklin it was who said: "Young man, instead of giving yourself a pat on the back, give yourself a shove."

INHUMANITY.
The husband rushed to a telephone to call a doctor for his wife who appeared to be very ill. When he returned to his home he found her crying and asking for money. This relieved the old boy

who met the doctor at the door and informed him that "she's alright now .doctor. Perfectly normal!"

ANNOUNCEMENT.
The more horse sense a woman has, the less she nags.

OKAISM.
The hardest thing about doing nothing is that when you become tired of that kind of life, you can't stop to take a rest.

Next week a "guest columnist" will likely have his say in this column. If he comes through, by way of introduction it may be of interest to know that he is a veteran of two wars, takes an interest in politics and lives in old Donley county. Whatever he says, will be his idea since he has promised not to infringe upon the libel law. He wants to get it off his chest and he can have at it. It ought to be plenty interesting.

Lewis Underdown who has been in the Northwest Texas Hospital for an appendectomy, is up and recovering nicely at this time.

LADIES AUXILIARY TO THE VETERANS OF FOREIGN WARS NEEDS YOU!!

A Ladies Auxiliary to the Veterans of Foreign Wars was organized some two months ago. We have had a good attendance at every meeting, but not as many are coming as should be. We are sure the weather has kept so many from being present.

Our Auxiliary has a Charter of fifteen members. Are you a mother, wife, daughter, or sister of a Veteran of Foreign Wars? If so, you are eligible to become a member of this wonderful organization. We who are members already, find it very interesting to work and we are proud to be wearing the pin that entitles us to have a part in the future years of these fine young men. If you are eligible, we urge you to be present at our next meeting which is to be February 18, at 7:30 p. m. in the Club Room. We meet the first and third Wednesday nights of every month in the Club Room at 7:30 p. m. Please be present and help make this Auxiliary one we can all be proud of and one our Veterans will be

also.
Following is a list of our officers for the coming year. We will be glad to give you any information concerning this organization. We hope to have Vada Lee Humphrey, President of District No. 9 with us in a few more weeks, so come and help us get a real Auxiliary organized before she comes again.

E. V. HOUDASHELL BURIED WEDNESDAY AFTERNOON

Funeral services were held Wednesday afternoon at the First Baptist church for E. V. Houdashell with Rev. L. A. Sartain officiating.

Mr. Houdashell, age 43, was found dead on an Amarillo street Monday. He apparently suffered a stroke and died before he was noticed. He had been a resident of Clarendon for the past 22 years.

He is survived by his wife and one son, Ray Houdashell of Childress; one sister, Mrs. Bertha Bramblett of Pampa and five brothers, Frank of Clarendon, Ernest of Hedley, Howard of Bellevue, N. M., Henry of Amarillo and his parents, Mr. and Mrs. W. T. Houdashell of Clarendon.

Pallbearers were Curtis Ragsdale, Lonnie Taylor, Homer Bones, Joe Hall, Jack Adkins and Virgil Maxey.

Burial was in Citizens Cemetery with the Murphy-Spicer-Buntin Funeral Home in charge of arrangements.

Mr. and Mrs. Billie Jack Land visited in the home of Mr. and Mrs. Pete Land Sunday.

WHAT IS YOUR T. L. Q. ?

A call to arms was issued today by W. J. Elliott, Chief of the Texas Highway Patrol.

The arms referred to are the kind you stick through car windows to signal your intentions to other drivers.

"Hand signals are a means of self-preservation when you are driving an automobile, as well as a courtesy to the other fellow," Chief Elliott said.

He emphasized hand signals as one of the important laws designed to make motoring safer, and appealed for better voluntary observance of the regulation in cooperation with a nationwide "Learn and Obey Traffic Laws" program during February.

Captain Polk Ivy of the Amarillo District offered these hand signalling tips:

1. Give signals far enough in advance to allow the other driver to adjust himself—at least 100 feet.
2. Hand signals do not justify you in making an unexpected or illegal maneuver. For example, to make a left turn, be in the left lane before you reach the corner.
3. Get both hands back on the wheel before starting to turn.
4. Hand signals are not uniform throughout the country. A safe rule is to be prepared for anything when another driver holds out his hand.

Mr. and Mrs. Roy Ledbetter and family of Dalhart and Mr. and Mrs. Roy Harris and family of Stratford spent the weekend with their uncle and family, Mr. and Mrs. Clyde Barker.

Mr. and Mrs. Frank Bourland attended the funeral of Mr. William Bailey at Wellington Tues.

Mrs. Victor Smith and Mr. and Mrs. Bert Smith Jr. took her grandson Vickie Lynn to Wichita Falls to join his father, Mr. de Flaming Saturday, also spent the weekend with her daughter, Mr. and Mrs. Otis Rolls and family.

Mrs. N. S. Percival received a telegram Tuesday from her daughter, Mrs. Helen Bianchi that her daughter is very ill with Bronchial pneumonia.

CHARLES WELLBORN
Atlanta, January 21 — "Youth's Great Investment" is the subject of "The Baptist Hour" for February 15, with Charles Wellborn of Fort Worth, Texas as speaker, it was announced today by the Radio Commission of the Southern Baptist Convention, Atlanta, S. F. Lowe, Director. Heard over Station KGNC at 7:30. "The Baptist Hour" is considering "Church, Youth and the Home" in February, under the general theme, "Divine Light For Daily Living."

Mr. Wellborn, a first year student at Southwestern Baptist Seminary, Fort Worth, was formerly a teacher of Political Science at Baylor University, Waco, Texas, and has been with the Department of Student Work in Texas Youth Revivals the past two years, having spoken in 15 major city-wide revivals.

A feature of the February 15 program will be the seventh favorite hymn, as determined by a poll among six and a half million Southern Baptists, and other interested listeners.

Mrs. J. I. Spurgeon will leave Friday for Allen, Texas to visit her mother, Mrs. Norris for two weeks visit.

Mr. and Mrs. Roy Edlin of Amarillo spent the weekend with her parents, Mr. and Mrs. Clyde Gilbert.

Mr. and Mrs. Charles Summers and son Howard of Amarillo visited his mother, Mrs. R. A. Summers.

Mr. and Mrs. Mike Stricklin and son Pat from Cisco visited relatives here last week.

Mrs. Harwood Beville of Amarillo visited relatives and friends in Clarendon Monday.

Mrs. Fred Madison and Mrs. Kate Bush and their father, Mr. Hugh Brown of Amarillo attended the funeral of Mrs. W. W. Crawford, Saturday.

NOTICE

There has been some trash and refuse dumped on and near to county public roads. Art. 696a of the Texas Penal Code provides that it is unlawful to dump such trash and refuse within 300 yards of a public highway. A violation of the above-mentioned article, subjects the offender to a fine of from \$10 to \$200. Violations will be prosecuted in this county.

County Attorney,
Donley County.

HOW TEXAS INDUSTRIES PUT NATURE'S RESOURCES TO USE FOR THE BENEFIT OF MANKIND

IF Cotton HAD A SQUEAL...

Pork packers take pride in saving "everything but the squeal." The cotton industry, too, is making valuable by-products of everything produced in the field. The wonders of chemistry have given new values to the cotton seed and the stalk, and new promise to the fruits of Texas soil.

This is adding worth to Nature's resources... putting them to work for mankind. This is practical conservation.

It's the same way with natural gas, for gas would be worthless if it remained unused in the ground. It takes companies like United Gas—gathering, processing, transporting it... making it available for use—to give it value. A natural resource thus conserved furthers industrial development, creates jobs, benefits every family in Texas.

COTTON

Texas is cotton capital of the nation, producing 1,650,000 bales on six million acres. Texas cotton farmers received over 278 million dollars for their lint and more than 49 million dollars for their seed in one recent year. Yes, and thousands of other Texans earn their living in the handling or processing of cotton. This is Free Enterprise at work—private capital and private citizens working together to bring prosperity to Texas and all her people.

NATURAL GAS serves more... costs less than ever before.

UNITED GAS

It's a-MAZE-ing!

Husbands, please note! The average housewife performs 70 different tasks in her normal day's work! (Frankly, most women will think that figure is far too low, but it comes from the U. S. Government's Office of Education!)

Yes, home-making is a big job—but the housewife is spared one task... you don't have to shop and wait days for the delivery of electric service.

Dependable, time-and-labor-saving, Reddy Kilowatt, your electric servant, is always ready to help a housewife skip through her maze of tasks. Electric service saves her steps, lightens her work, gives her more leisure, makes life healthier and happier for her and all her family!

And it costs so little! In an era of sky-high prices, a kilowatt hour of electric service costs that same average housewife 17% LESS than it did ten years ago!

Good Sport for Women

Shooting is a woman's sport, says pretty Dot Lind, feminine half of the "Shooting Linds," America's No. 1 exhibition shooters. Women, she adds, have more patience than men, and will take time to acquire skill through practice. By starting with a .22-caliber rifle women can easily graduate to heavier rifles and shotguns, according to Dot. The 120-pound Western-Winchester crackshot is master of 10 sporting arms.

the years best example of all-around publishing achievement—went to Oxford University Press for the D. C. Somervell one-volume abridgement of Arnold J. Toynbee's "A Study of History." The reviews of this history are extravagant in their praise.

Margery Sharp has delivered the manuscript for a new novel called "The Foolish Gentlewoman" to Little Brown. Her other books have been successes.

Pearl Buck has a new novel called "Peony," a story about a Chinese village in the early nineteenth century. It is to be a Literary Guild book for June.

Thornton Wilde's first book, "The Cabala," (we have it) was not popular. The publisher of "The Budge of San Luis Rey" brought out a limited first edition—but they went like wildfire. Now he has a new novel, "The Ides of March."

More than two million surplus texts of the Armed Forces Institute program will be distributed next year by the Library of Congress to veterans attending schools throughout the country.

A \$5,000 bequest was recently willed the St. Louis Public Library by the widow of Frederick M. Crunden, St. Louis librarian from 1877 to 1909. The will suggested that the money be used for a special collection of juvenile books on American History and lives of historic Americans.

Chicago Public Library is the sole possessor of a collection of five thousand books in hand-copied braille, the work of volunteer women. They have spent twenty-five years on the work. These volumes which are available in no other library, are loaned to blind readers all over the world. Three volumes were recently returned from a Malayan borrower.

John Gunther whose "Inside U. S. A.," as well as the other "Inside Books," has written a 20,000 word memoir about his late son, Johnny, in which he tells of the boy's struggle against death. It will be called "Death, Be Not Proud." Gunther has not decided whether he will have a public printing or not.

The first shipment of books for the children and teachers of Japan purchased from funds contributed by the U. S. Education Mission to Japan has reached its destination. The bulk of the material was selected by the staff of the center for Instructional materials from the University of Chicago.

The governor of Missouri recently signed a bill appropriating \$212,000 for state aid for public libraries. He evidently agreed with this quotation from an address at the San Francisco meeting—"It is impossible for a disinterested group to guide the financial future of a very much interested group and do it with any degree of intelligence. There

them. Set standards of verity and should be a cooperative system of financing which would minimize the influence of local ignorance and short-sightedness." This too, from San Francisco in a discussion of the type of books to be purchased for the average library, especially for younger readers: "Literary style is fine, but only a percentage of books should be chosen for that alone, for only a few will appreciate minimum literary requirements;

use common sense in applying the latter. Have a good reason for every title, and then do not apologize for it. Turn loose your collection to your young people—and your older ones—and watch the growth in interest."

Mr. and Mrs. Floyd Crofford, Mrs. F. G. Crofford, Mrs. Guy Sibley were in Amarillo Monday on business.

CITY-COUNTY LIBRARY NOTES

By Mrs. C. A. Burton
(Librarian Emerita)

Not only the South but all the nation suffered a loss in the death of John Lomox recently—John Lomox, collector of folk songs and folk lore. He plumbed into every nook and cranny of the land, bringing out the old songs. He uncovered the source of 10,000 American folk songs, and he loved doing it—a real service to his country.

MRS. JOLLY JOHNSON TO PRESENT PUPILS IN RECITAL, FEB. 23

Mrs. Jolly Johnson will present her younger pupils in a recital at the College Auditorium on Monday evening, February 23rd at 7:30 o'clock. The public is cordially invited to attend.

Abilene Christian College, Abilene, Texas, opening its 1948 spring semester Feb. 2, has enrolled a total of 1505 students from 37 states, making the largest enrollment of any spring semester in the college's history. Included among the students is Troy Allen Moffett, son of Mr. and Mrs. John W. Moffett of Clarendon.

This week we are going to look for some letters from Donley County. Be sure to include some information about your community or town, so we can write one whole column about the county sending in the most letters.

Several of my readers have asked me to comment on the following paragraph from Old Tack's Column of last Friday: "If we were wind-marooned in Claude we could have equally as much fun as we are having here in Honolulu today. We journeyed four or five thousand miles for this," end quote. Frankly, I didn't get too upset over the statement because, anyone that would leave the promised land called the Panhandle, and travel to that remote place called Honolulu in search of anything, could not expect to be anything but bored. Furthermore, anyone that has already thrown in the towel, given up, in the cattle business (refer to our column of two weeks ago) would not enjoy being marooned in a town like Claude or Clarendon or Canadian or Vega or Goodnight with folks that don't know the meaning of the word "Give-up", and when the worst comes to the worst, don't even use a towel. I wouldn't have said so much, except that people that vacation in Honolulu don't usually read this column.

One person asked me how I managed to stay in character all the time. Actually, it is easy; I just act natural.

Open letter to my favorite candidate for Governor in 1950: Dear Lewis, Thanks for the Buck-eye, and for the kind words about us. Also, please send me another Buckeye for one of my friends. He has the utmost of faith in it bringing Good Luck, and says that he will keep it in his pocket both day and night. Also, I think it will help him politically.

I understand George Young has a special treat for his listeners on Panhandle Mainstreet next Sunday morning. Be sure and listen anyway. I like pie with my coffee, George.

Most of us have known someone that worked hard but never seemed to get anywhere. Sometimes we can be so busy climbing the tree, that we fail to grasp the apples as we pass by.

I really believe some people can tell a lie so convincing that they sometimes believe it themselves.

Usually, a man that works hard dreams of the time when he can rest from his labors, a man that

is up early and late writes and dreams of the time when he can stay in bed. Don't you think that this is true? Anyway, my pride has been wounded, my feelings hurt. The other morning Uncle Ezra told about a man that wore out sixty seven pair trousers in four years, and only one pair shoes. My telephone rang immediately and someone wanted to know if he was talking about me. I feel so terrible about it that I can't say anymore. Maybe they were joking, but, why should they think of me?

If you love your country, and your freedom, and want to keep

them, don't fail to read "Main-spring". You may be surprised, as I was, at what is the main-spring of our world progress.

Mama has given me orders to get busy on the Spring yard work. Anytime I do, I will get poetic again. Let me know whether you want me to use them in the column.

As you know by now I didn't have a thing on my mind this week. Thanks for reading this far, and don't forget to send a card on the second birthday of Plowin' Out The Corners, coming soon.

HONOR STUDENT
Mr. Ross Darby received word from Cameron College at Lawton, Okla. stating that his son Harold Darby was an honor student for the first semester. Harold is carrying six subjects and received four A's and two B's.

Mrs. Marv B. Kemp and daughter and husband, Mr. and Mrs. Harold Darby of Lawton, Okla. spent the weekend with her mother, Mrs. W. H. Corbin and sisters, Misses Nell and Ruth. Mrs. Kemp's many friends will be interested to know that she is recovering nicely from a serious cranial operation.
