A Dog's Sacrifice

AND PROUD OWNER—In Denver, Billy Lynn Sigler, of Denver, less bashful in finance than he is before the camera, with the cooperation of his dog, "Sissy", who, by the way isn't rightfully named. "It seems Sissy became a mother. That's not the cause of her doleful looks, however. Billy sold the pups and bought Victory Bonds with the proceeds.

Overall Bond Quota Over Top, But Half of "E" Quota Still Needed

J. R. Porter, chairman of the Victory Loan Drive in Donley County, announced yesterday that Donley County was over the top in the overall quota for the county but that a little over \$40,000 in E Bond purchases was still needed to put the E Bond quota over.

At present, the overall amount raised is \$313,610. The quota was \$300,000. The E quota was \$80,000 of this amount and to date \$39,862.50 has been sold.

Mr. Porter points out that it is the E Bond quota which is the most important, due to the type of bond, and that Donley County will fail in this drive if this quota is not raised. The deadline for the end of the drive is December 8. So if you haven't bought your bonds yet, go down this weekend and buy all you can.

The purpose of the Victory Loan Drive is to wind up everything in order to bring our boys back home sooner from foreign soil, care for the wounded, make the peace more secure and many more mighty good reasons.

The fighting is over, but the finances of the war is still going on.

WRITE LETTERS NOW TO SANTA CLAUS

Christmas is only a short distance away now and your Leader will be ready to publish those letters to Santa pretty soon. It will be necessary for us to receive the letters between now and Dec. 10 in order to be sure that they will get in the paper some time between that date and Christmas. We must have them early, for news space is so short that we will have to put them in two or three papers in order to take care of them. The time allotted to setting the letters is also limited, so early letters will naturally be given the preference.

Have your youngsters write their letters now and address it to Santa Claus in care of your Donley County Leader as we are always happy to publish the letters so old Santa can see them.

MURL V. LYNN HAS DISCHARGE

Murl V. Lynn, son of Mr. and Mrs. F. M. Lynn of Clarendon has his honorable discharge. He served in the Medical Corps of the 58 General Hospital in England and France for 27 months. He entered the service in December, 1942. Yes, he says he is very happy to be back home.

O. D. Kerr was down from Amarillo Wednesday looking after his farm interests.

AAA Committee Elections To Be Held Dec. 8th

The schedule for AAA committee elections in Donley County was announced this week by Mr. Simmons, chairman of the county AAA committee.

Mr. Simmons announced that all elections will be held on Saturday, December 8, 1945 and the polling places will be open from 8 a. m. until 5 p. m. The communities and polling places are as follows:

Community "A" — Goldston School House.
Community "B" — Ashtola School House.
Community "C" — AAA Office.
Community "D" — Midway School House.
Community "E" — Cook's Store, Lella Lake.
Community "F" — McKnight Gin, McKnight community.
Community "G" — City Hall, Hedley.
Community "H" — Skillet school South of McLean.

In each community, farmers will elect three regular committeemen and two alternates. Elected at the same time will be delegates to a county convention, to be held later, where a county committee will be elected for the coming year.

The AAA chairman said approximately 1000 farmers are eligible to cast ballots in community elections. This number includes all farmers who are cooperating in the agricultural conservation or crop insurance program.

Discussing the role of community committeemen, Mr. Simmons pointed out that soil and water conservation will continue to loom large among AAA Program objectives. Under next year's program, funds will be allocated to each county, and committeemen will have more responsibility in helping their neighbors to round out soil-building plans for individual farms within the scope of approved practices. This is only one of the programs for which committeemen have a great responsibility.

LATSONS HAVE FAMILY REUNION AT CHILDRESS

Mr. and Mrs. O. W. Latson and Mrs. Bill Bentley and daughter Nell attended a reunion of Mr. Latson's family at Childress Thanksgiving Day. Eleven children were present for the occasion and this is the first time that all of the children had been together at one time. Mrs. Latson, mother of O. W. Latson, is 84 years old. The oldest child present was 64 and the youngest was 38 years.

It so happened that the oldest child left home before the youngest was born, and this was the first time they had had the opportunity to get together all at one time.

PFC. U. G. SWINNEY IN PHILIPPINES

Base M. San Fernando, La Union, Luzon, P. I.—Pfc. U. G. Swinney, son of Mr. and Mrs. Seth L. Swinney, Clarendon, a member of the 1489th Engineer Maintenance Company at this central Luzon Base, has recently enlisted for one year in the regular Army at Headquarters, Base M.

Inducted in March, he was sent overseas in August to replace a high-point veteran in the Philippines.

Shirley West visited relatives at Pampa the week end.

Legion Aims

By Legion Reporter

NOTICE: Don't forget to pay your 1946 dues!

American Legion Post No. 126 will meet in its regular meeting Tuesday evening, December 4th.

All veterans who have not yet joined the American Legion are again cordially requested to do so. It is the veteran's own organization which brings together all of those who answered the call for the support of a free nation so that his supporters back home and his country might go on living in a democratic and free state free from the bonds of tyranny. Every veteran is entitled to enjoy such an organization and can do so without any trouble whatsoever. He or she can become a member in a few minutes by contacting the Adjutant, Glenn Allen, and applying for membership.

Legionnaires are again informed of the district meeting at Pampa, Texas, December 1 and 2nd, where two full days of business sessions, entertainment, and memorial services will take place. All Legionnaires who wish to attend the Amarillo-Pampa football game will have time to see it on Saturday afternoon without interfering with the district Legion meeting. Any member of the American Legion in this district is entitled to attend. Registration will take place at 10 a. m. at the Legion Home at Pampa Saturday.

Clarendon Lions Club

By Edith McCrary

The meeting of the Clarendon Lions for November 27, 1945, was held in the First Christian Church. Roll call showed forty-five members present which gave a percentage of sixty-two. Minutes of the last meeting, given by Lion O. D. Lowry, were approved by the Club.

Sgt. Colie Huffman Jr., Douglas Kidd, and Paul Hollingsworth were the three guests present for the meeting.

Boss Lion Lowell called for more workers to complete the necessary tasks for getting all material needed for this week's carnival in order. He stated that due to a district convention the members of the American Legion would be unable to offer much assistance in this project. After naming several games and booths the carnival would include, he asked for suggestions and ideas from the members.

Lion Lee Bell proposed that the band be made responsible for one booth, and he also suggested that the band members sell tags for the community center project.

Volunteers to run the booths and games were called for by Boss Lion Lowell, and the necessary committees were organized. Groups to be in charge of the various booths and games were formed.

Concerning absentees, Lion Northcutt asked that the members help him in his endeavor to increase the attendance number by urging some absentees to be present for the next meeting.

There being no further business, the Club sang one verse of "America" while facing the flag and adjourned.

Mrs. Paul Hollingsworth underwent surgery at Clarendon-Clinical Hospital Saturday. She is improving and was moved to the home of her parents, Mr. and Mrs. J. A. Warren, Wednesday.

Carnival To Highlight Week-End Activities

MRS. D. M. FITZGERALD BURIED SUNDAY

Funeral services were held Sunday afternoon at the Lelia Lake Methodist church for Mrs. D. M. Fitzgerald with Rev. H. W. Hanks officiating, assisted by Rev. Vernon Willard.

Mrs. Fitzgerald passed away at the family home here last Saturday following a lengthy illness. She has been a resident of Donley County for the past 25 years. She was the wife of Rev. D. M. Fitzgerald.

She is survived by her husband, six daughters and four sons. Mrs. Lora McDaniel, Ft. Worth; Mrs. Mary Cobb, Littlefield; Mrs. Inez Minyard, Littlefield; Mrs. Eunice Land, Clarendon; Mrs. Letha Mulder, South Plains; Mrs. Lavois McGaugh, Richmond, Calif.; Philip Fitzgerald, Dallas; Dan Fitzgerald, Clarendon; Wayland, Silverton. Also 30 grand children and one great grand child. Two brothers, C. H. Holland of Clarendon and W. W. Holland of Amarillo.

Pallbearers were Lee Holland, George Bulman, Bill Scales, Winford Doherty, Earl Myers and Jess White.

Burial was in Rowe Cemetery at Hedley with Womack Funeral Home in charge of arrangements.

BROTHER OF LATE H. TYREE DIES IN KANSAS

Word was received here Sunday that Dr. Fred Tyree of Agenda, Kansas died suddenly of a heart ailment Saturday, November 24th.

Dr. Tyree was a brother of the late H. Tyree of Clarendon who passed away some 13 years ago. He is survived by his wife and two children. He died at the age of 63 and was still practicing medicine.

He visited here with Mrs. H. Tyree and Miss Neva Tyree about two weeks ago.

CLARENDON SEAMAN IN ON RESCUE

Jearl Seth Swinney, seaman first class of Clarendon, who will soon be home, served during the war with a Pacific Navy Service Force group whose personnel was credited with saving the lives of 75 survivors of a small tanker during a typhoon off Iwo Jima. He is the son of Mr. and Mrs. S. L. Swinney of Clarendon.

HARRY WOMACK BACK HOME

Harry Womack, owner of the Womack Funeral Home, is at home in Memphis with an honorable discharge after quite a stretch in the Armed Forces of Uncle Sammy.

Harry states he is glad to be home again, and contemplates enlarging and better arrangements of his business in order to give even better service in his line.

Weekend Revival At Baptist Church

DR. E. D. HEAD

Dr. E. D. Head will speak at the First Baptist Church on Friday night, Saturday morning, Saturday night, and twice on Sunday this week end.

Dr. Head is president of the Southwestern Baptist Theological Seminary at Ft. Worth, Texas. Formerly he was professor of Bible in Baylor University at Waco, and also pastor of the First Baptist Church at Houston, Texas. He has held many offices of responsibility and distinction in Baptist ranks. Dr. Head is at present the President of the Baptist General Convention of Texas.

The people of Clarendon and surrounding territory are urged to avail themselves of this unusual opportunity of hearing this able and much sought after preacher of the Gospel at the week-end revival at the First Baptist Church of Clarendon.

Your Bond of Faith With Him

By Costello

This is the big weekend to catch up on all that fun you have been missing. The Lions Club community center committee have everything in readiness for the carnival to be held this Friday night, Saturday afternoon and Saturday night—and from all accounts, it is to be bigger and better than ever.

Geo. Trout, chairman of the committee, has been out of town for the past several days buying new prizes and merchandise for the affair.

There will be such games as bingo, shooting stand, fishing pond, wheel game, milk bottle game and many others with a large group of men to help with the show who can really sling the ballyhoo.

The Band will have a ring game along with the Lions Club set-up, and it is understood that members of the band will be out selling Community Center tags throughout the week end.

All of the proceeds from the carnival with the exception of the band's concession, will go toward the proposed Community Center, and when you plan to take in this gala affair, you will not only be having a bunch of fun for yourself, but you will be supporting one of the finest proposed projects that this community has ever undertaken to put over.

The Community Center is something that has been needed here for many years and will offer some type of entertainment for both young and old.

If you have other plans for Friday or Saturday night, change them, and come on down to the building across from the Post office and the Lions Club members will do the rest - - toward showing you a wonderful time.

The Carnival will be held again next week end, Dec. 7 and 8th.

Funeral Services This Afternoon For Marty Kelley

Funeral services for Martin (Marty) Kelley were set for this afternoon at 3 p. m. at the Episcopal Church with Rev. E. W. Henshaw of Pampa officiating.

Word was received here that Marty had passed away at the Veterans Hospital at Hot Springs, South Dakota Sunday, Nov. 25th. Cause of his death is unknown at the time of this writing.

Marty, age 28, was born and raised here at Clarendon. He attended the public schools here and entered the armed service in September 1941. He remained in the service until October 1944 at which time he received his discharge. A short time later he entered a veterans hospital for medical attention and only recently entered the hospital in South Dakota where he passed away.

He is survived by two sisters, Mrs. W. B. Knorpp and Mrs. Clyde Slavin and his grandmother, Mrs. B. W. Chamberlain.

Those to perform as pallbearers are Carl Bennett, Clyde Price, Frank Derrier, Carrol Hudson, Floyd Tucker and Clarence Davis. Burial will be in Citizens Cemetery with Blackburn-Shaw-Buntin Funeral Home in charge of arrangements.

T/5 JACK YATES BACK IN STATES

T/5 Jack Yates, son of A. O. Yates, landed back in the states Nov. 14 in Virginia and arrived in Clarendon Monday of this week where he visited his father and sister, Mrs. R. Dingler. He is now at home at Plainview with his wife. He served 25 months in Europe in the Signal Corps.

LIBRARY NOTES

By Mrs. C. A. Burton

One of our new books is "There Go the Ships"—the story of the American Merchant Marine, by Robert Corse. The author says this is not fiction, but fact—the thrilling story of how these men took to our Russian allies the planes, the tanks, the explosives, the ammunition and trucks which had been promised. He says "This is the story of the merchant seamen and how we took the ships to sea through the submarines, the ice, the mines, the planes and how we brought some of them home again."

by Margaret Landon has been a best seller and a favorite by book reviewers for some time. It reads like fiction, but it is amazingly true. The king of Siam engaged an English woman to teach English to his many children. Her most important pupil was the young prince who became Siam's most progressive king, who learned from her about Abraham Lincoln, and later abolished slavery and made many reforms because of her teachings. The book grew out of records kept by this Englishwoman. The author lived for ten years in Siam—still so little changed from the days of King Mongkut.

The dog and the horse are counted man's best friends and so

stories of either are always popular. "Short Leash" by Bertrand Shurtleff is a thrilling story of two army dogs in the South Pacific.

Science has not accomplished greater wonders along any line than in medicine. There are several books in the library telling of the fact that hundreds of thousands of men who would have died in any previous war have not died in this war because of the marvelous discoveries in medicine and surgery. The latest addition to these books is "Miracles of Military Medicine" by Albert O. Maisel.

A very popular author just now is Frances Parkinson Keyes, author of "Crescent Carnival" and several other books on our shelves. To these we are adding "Lady Blanche Farm"—a story of the Connecticut which she loves.

Most of Booth Tarkington's stories are on our shelves, because Booth Tarkington, after many years, continues to be one of our most popular authors. That is why "Kate Fennigate" was one of our late purchases. It is his longest story—psychological but also humorous—a study of women.

I have given a running commentary on some of the new books that our readers may plan for what they like.

Quite a few of our friends bring us magazines—which we are glad to pass on to those who care to have them—some splendid things.

Guests in the home of Mr. and Mrs. Carl Pittman Sunday were Mr. and Mrs. L. R. Pittman and sons, Mrs. Nell Pittman and children, all of Hereford; Mr. and Mrs. Clyde Pittman, Mrs. Jack Eddings and daughter and Mr. and Mrs. U. G. Pittman of Clarendon.

Mr. and Mrs. Doss Palmer and Mr. and Mrs. J. F. Blocker attended the game between Shamrock and Perryton at Shamrock last Thursday. Shamrock won the game 14-7.

Sandra Bownds was born on Independence Day, July 4, 1935. Her father, Joe Bownds was born on Armistice Day, Nov. 11, many moons ago.

Safe, Two Ways

A. K. King had on a toy army helmet while playing baseball. He knocked the ball and ran to first base. The ball was thrown to first base, but hit his helmet and bounced off. His head was safe, and he was safe on the base, too.

G-Man

Lovell Myers was on top of a hill near his house playing with a toy gun. He would rise up and pretend to shoot at the "passers-by." One time he jumped up in time to see a highway patrolman stop not far from him. You guessed it—Lovell scrambled!

Ervin Corbell visited Lovell and Jimmie Myers Sat.

Ruthie, Lovell and Jimmie Myers spent Sunday with the Wilson children.

Pvt. Murl Holland is in Okazokie, Japan.

Frankye Nell Wilson had a good time at Wanda Jo Graham's house Sunday.

What They Did During the Holidays

Glyndol Henderson made his pockets jingle with money he made while pulling bolls.

A. K. King ate and slept and then ate some more.

Leota Marshall went to the bundle patch and chased rats.

Lovell Myers and Patsy Wallace had fresh sausage because their parents killed hogs on

Thursday. Shirley Wilson just fooled around. James King listened to the "Lone Ranger." Wanda Jo Graham washed dishes. Sandra Bownds, Jerry King, and Jaquetta Briggs ate so much it made them sick and they are absent from school today. We hope to see them back soon.

SURPRISES.

Many years ago while coming in from Oklahoma City, a bedraggled elderly fellow thumbed me for a ride. At first sight he reminded me of the Hardshell preacher, Bro. Griffin of Giles. Thinking I was riding with a home preacher we discussed many topics and I soon found out that my temporary guest had a brilliant mind and kept up with world affairs. Enjoyed Bro. Griffin's discussion until we reached Elk City. There my rider got out, thanked me profusely for the lift and gave me his card. He was none other than Alfalfa Bill Murray, and was a candidate for

the office of governor. I was astounded then, and later, when I heard he had been elected.

REPUTATIONS.

The Very Rev. Hewlett Johnson, dean of England's Canterbury Cathedral, recently returned from a stay of several months in Russia where it is said no religion is tolerated. The Reverend will tour our nation to acquaint the public with the fact that he was treated with extreme courtesy. Our folks are lied to about Russia just as their folks are lied to about us. France and England are the biggest liars when it comes to lying about the United States, with Germany, Poland and Italy close seconds. International lying is a favorite pastime these days.

MIXED DISHES.

When asking for chop suey in a Chinese restaurant in Amarillo

recently, the chink stated that they were out of that but had plenty of "chow mein." Well, this old country boy asked for a helping of chow mein. In concocting that mess, the Chinks certainly used their noodles. It should have had more varnish in it and saved the eater later misery.

Some men are so useless that they are worthless—unless they illustrate what a horrible example might be at its worst.

Scientists say that the moon constantly throws back radio waves from the earth. No wonder! Portia or soap opera?

SUGAR WASTE.

Down in Cuba they have gotten in a rut. They raise cane to make rum. Then they drink rum to raise cane. That's why we have a sugar shortage.

TWO OF AMERICA'S OLDEST SOUTHERN FAMILIES UNITED BY MARRIAGE

(Special Reporter)

The wedding of Miss Frances Wilkes Dalton and Mr. Dick Cooke, formerly of Clarendon, at the home of the bride's mother, Mrs. Roy Taylor Wilkes of Bastrop, united two of America's oldest Southern families. The Wilkes family settled in Virginia in the seventeenth century and the Cooke's came to Maryland in the 1720's.

The early morning service was beautiful in its simplicity. The ceremony was performed before the fireplace, the mantle of which was decorated with an arrangement of Peach gladiola and fern.

The bride wore an Adele Simpson suit of white gabardine with a corsage of red roses. The matron of honor, Mrs. O. L. Jamar, the bride's cousin, wore a green Fred Block suit with corsage of gardenias. Alex K. Cooke, Seaman 1/c, nephew of the groom, was the best man. The marriage ceremony was performed by the Rev. John Allen, pastor of the First Baptist Church of Bastrop.

The wedding breakfast was served in the dining room, which was decorated with white roses; the bride's aunt Owens presiding at the coffee service.

For traveling, Mrs. Cooke chose

a Fred Block suit of black and turquoise, worn with a John Frederick hat of beaver felt. Her accessories were also of black.

Mrs. Cooke's maternal grandparents, Mr. and Mrs. John Washington, were descendants of the George Washington family and inherited a rare old newspaper which was printed at the time of the first president's death. Mrs. Cooke recently presented the paper to the Texas History Collection of Baylor University.

Mrs. Cooke's great grandparents, Mr. and Mrs. Richard Taylor, were pioneers of Bastrop, having received a Spanish land grant; and the bride's aunt, Mrs. Elizabeth Wilkes Owens, still resides in the home erected with the help of Indians 108 years ago.

The bride was graduated from Baylor University and for the past few years has been connected with the attorney general's department, Austin, Texas, and was the only woman to have ever been elected reader of the Texas house of representatives.

Mr. Cooke is the son of the late Mr. and Mrs. W. H. Cooke of Clarendon. His father, together with the late Colonel Charles Goodnight, organized the first bank of Clarendon almost a decade before the turn of the century. The financial institution was the second bank established in the Panhandle of Texas. He is the

grandson of the late James Burch Cooke, confederate commander of the 7th Tennessee Regiment and one-time supreme judge of Tennessee.

Mr. Cooke attended Clarendon High School and Clarendon College. He was on the Editorial Staff of The Donley County Leader and later publisher of The Clarendon News. Since then he has been with newspapers in Amarillo, Abilene and San Antonio, and in February became connected with the International News Service, first as manager of the Austin Capitol bureau and is now assistant manager of the Southwestern Division, with headquarters in Dallas.

After a short wedding trip, Mr. and Mrs. Cooke will be at home at 4420 Potomac, Highland Park, Dallas, Texas.

FRIENDSHIP CLUB

Mrs. Pool entertained the Club at her home Tuesday afternoon. At the business meeting, which was presided over by President, Mrs. Lindsey, plans were made for a Xmas dinner and Xmas exchange with gifts.

Those present were Mesdames J. D. Stocking, Lindsey, Van Eaton, J. W. Morrison, H. Tyree, Teaf, and hostess Mrs. Pool.

The club will meet Dec. 10 at the home of Mrs. R. O. Thomas in an all day Xmas dinner.

LUNCHEON GUESTS

Ruth Ann and Rebecca Jean King entertained a few of their little friends Saturday at their home with a luncheon. Those present were Allen Homer Estlack, Gale Bryan and a cousin, Billie Burton from Hobart, Okla., Ben Watson, Ruth Ann and Rebecca Jean King.

MOTHERS CLUB

Members of the Mothers Club met Tuesday afternoon in the Club Room with Mrs. Dalton Swinney and Mrs. Everet Johnson as hostesses.

In the absence of the president, Mrs. Ray Carter, Vice-president presided at the business meeting. Mrs. Geo. W. Estlack presented the program, "Toward a Dynamic Thanksgiving."

Refreshments were served to Mesdames Ray Carter, Wilma Spier, Homer Estlack, Geo. W. Estlack, G. W. Bradshaw, Jean Tholl, and the hostesses Mrs. Dalton Swinney and Mrs. Everet Johnson.

RISENHOOVERS HONOR SON FROM OKINAWA

Mr. and Mrs. C. A. Risenhoover of Clarendon, Route 1, honored their son, who is home on leave following his return from Okinawa, with a dinner in their home last Sunday. Thirty-five guests were present to welcome the returned Navy veteran.

Among those present were Mr. and Mrs. Edwin Leibbrook, Mr. and Mrs. Raymond Houchen, all of Houston; Mr. and Mrs. Edgar Giddens of Pampa, two cousins Mrs. Cecil Evans and Mrs. Verl Whitten, both of Memphis; also present were Mr. and Mrs. Warren Polk of Lelia Lake and two sisters, Mrs. Othel Fox of Clarendon and Mrs. Charlie McDade of Lindale, Texas.

Jasper Melton Risenhoover, in whose honor the dinner was given holds the rating of M.O.M.M. 3/c. He also wears two Battle Stars

for participation in major battles on Bougainville and Emirau. He also holds the Presidential Citation Ribbon. He has twenty-four months of overseas duty to his credit. Upon termination of his leave on Dec. 20, he will report to Dallas, Texas for re-assignment or possible discharge. He also has a brother in the Navy at Little Creek, Va. He is Clay A. Risenhoover Jr., who holds the rating of F 1/c.

1926 BOOK CLUB

Mrs. Rayburn Smith and Mrs. Elba Ballew, assisted by Ada Sue and Elba Jean, were hostesses Tuesday afternoon, Nov. 20th to the Book Club. The Clubroom was beautifully decorated with colorful autumn leaves, flowers and berries.

Mrs. Joe Ritter, as program leader, very charmingly read in her own inimitable way, several selections from Texas Poets and their Poetry, depicting the story of the makers of Texas—men and women of visions and spaces in the "Song of the Forerunners" by Baker; the beauty of Texas plains in "Blue Bonnets," by Webb, "A Blue Bonnet Picture" by Harris, and "Autumn on the Texas Plains" by Swain; historical places of interest such as "The Alamo" by Thackston; descriptive "Texas Cities" by House; something of ranch life in "Cattle" by Nance, and "A Cowboy's Philosophy" by Nicolet; even familiar caprices of the elements were given in "Drought" by Hill and "Dusters" by Young. These, with

other selections, gave the listener a vivid, mental picture of the good and the bad features as well as something of the greatness of our own beloved state.

During the business session, officers for the ensuing year were elected. They were as follows:

President, Mrs. B. G. Watson; Vice President, Mrs. Frank Phelan; Recording Secretary, Mrs. Glenn Hoggatt; Corresponding Secretary, Mrs. Charles Lowry; Treasurer, Mrs. Joe Ritter; Parliamentarian, Mrs. Rolle Brumley; Federation Counselor, Mrs. Bill Bromley.

The Club voted to meet in the future at 3:30 p. m. instead of 4 o'clock.

A lovely salad course was served to the following members: Mesdames Rolle Brumley, Bill Thornberry, Frank Phelan, Frank White, Charles Lowry, Bill Bromley, Joe Ritter, Ralph Porter, Cap Morris, Lloyd Shelton, Bill Ray, A. B. Turner, Nathan Cox, Charles Bairfield and Miss Lucile Polk.

WOMANS SOCIETY OF CHRISTIAN SERVICE

The Circles of the Woman's Society of Christian Service met in the following homes in social and business meetings.

Circle No. 1 met at the home of Mrs. R. Y. King with twelve members present. Mrs. Bill Thornberry had charge of the lesson. Mrs. King served a lovely refreshment at the social hour.

Circle No. 2 met at the home of Mrs. J. C. Estlack with 8 members present and one visitor. Mrs. C.

M. Lowry gave the devotional reading the 23 Psalm, all repeating the same. Mrs. J. R. Bulls, Prayer. Mrs. U. J. Boston gave two chapters of a book on the study of Africa.

A salad plate refreshment was served to Mesdames Earl Lea, O. W. Latson, Joe Holland, U. J. Boston, C. M. Lowry, Mike Thornberry, J. R. Bulls and hostess Mrs. Estlack and invited guest Mrs. W. D. Van Eaton. Misses Ira Jean, Patricia Ann and Jacqueline Marie Estlack assisted with the serving.

New Oldsmobile On Display Here

The distinctive new Oldsmobile for 1946, attractively styled and modern to the minute, is now being displayed for the first time in dealer showrooms throughout the country.

When peak production has been reached, an even dozen smart new body styles will complete the 1946 offerings. These will offer a wide selection in three series—the "66", "76-78" and "98", on 119-inch, 125-inch and 127-inch wheelbases respectively.

The "66" Series, in the low-price field, will include the Club Sedan, Four-Door Sedan, Club Coupe, Convertible Coupe and

Station Wagon. All are powered with six-cylinder engines. The "76-78" Series in the medium-price range, will offer the Club Sedan, DeLuxe Club Sedan, Four-Door Sedan and DeLuxe Four-Door Sedan. Both six and eight cylinder motors are available in this series. The "98" Series in the medium-price field will offer three body styles—the Club Sedan, Four-Door Sedan and Convertible Coupe—each of which will be powered with Oldsmobile's eight cylinder 110-horsepower engine.

General Motors Hydra-Matic Drive, which affords fully automatic shifting through all four forward speeds and eliminates the clutch pedal, has been extensively improved during the war years and remains one of the most

important features of the new cars. Hydra-Matic Drive, of a type identical in principle with that employed in Oldsmobile, underwent rigid Army tests and proved its stamina and durability.

Of all the cars produced by Oldsmobile in its 48-year history, the 1946 models are the most colorful, literally and figuratively. With production at the factory constantly increasing, many body styles and options are scheduled to become available at an early date in a wide range of color choices. Options in solid hues include black, greens, reds, ivory, blue, beige and grays. Available in two-tone combinations will be beige-ivory, blue, grays and greens, in addition to many variations of these colors. Every possible owner preference is being anticipated.

Interiors of the new Oldsmobile are triumphs of the expert body-builder's art. Skilled Fisher Body craftsmen, using only the finest materials, have created in the new Oldsmobiles for 1946 the most appealing interior ensembles ever offered by this Division of General Motors. Beauty, convenience, durability and comfort all are

stressed in the various appointments. Throughout all series of the new Oldsmobiles, car interiors reflect good taste. Upholstery fabrics are fine in quality, long-lasting and wearing. Both front and rear seats are wide, with ample cushioning for passenger comfort. Window areas are large and afford good visibility. Instrument panels group proper dials directly before the driver's eyes, contributing both to convenience and safety.

THE CAR THAT'S REALLY NEW!

1946 OLDSMOBILE

OFFERING THE NEW GENERAL MOTORS HYDRA-MATIC DRIVE

Hydra-Matic Drive is a combination of a fluid coupling and a fully automatic transmission. Gears shift automatically through all four forward speeds, and there's not even a clutch pedal in the car!

WITH MANY NEW ADVANCEMENTS

"Look to Olds For All That's New!" Look to America's oldest motor car manufacturer for the newest, smartest thing in 1946 models—and the newest, simplest way to drive. The 1946 Oldsmobile, with General Motors' new and finer Hydra-Matic Drive, is here now—for all to come and see!

And it's truly NEW in every sense of the word. The appearance is different from any previous Oldsmobile—with newly tailored lines, smart new front-end design, and newly appointed Bodies by Fisher. The performance is new, due to smoother and livelier "Fire-Power" engines. There are many new advancements throughout

the chassis to provide greater ruggedness and reliability.

Hydra-Matic Drive is new, too. First introduced by Oldsmobile in 1939, and thoroughly battle-proved in fast Army tanks during the war, this great General Motors development has now been made even finer, smoother, and longer lasting than ever... for the new 1946 Oldsmobile.

You are invited to come in, see and inspect this great new General Motors car. Oldsmobile has been building quality automobiles for nearly fifty years. This newest Oldsmobile is by far the finest—the best-built Oldsmobile of all time.

MOOS OF THE MOMENT

BY UNCLE BOB
of the Kraft Dairy Farm Service

Heard a story about a boy who had lived all his 16 years way off from civilization. One day his dad went to town and among other things brought back a hand mirror, something the lad had never seen. He picked it up, looked in it and chortled, "Doggoned if Pa ain't brought home a wolf!"

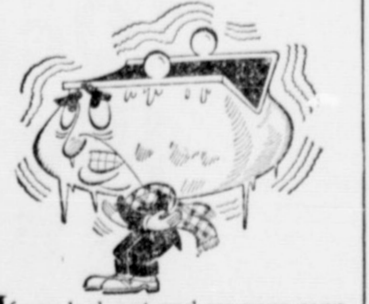

Maybe your cows don't need a haircut quite that bad, but it's an important part of your quality and sanitation program to clip the hair on flanks and udders regularly.

Part one of the quality program I talked about two weeks ago—barn sanitation. Part two is animal sanitation, and you'll find it is much easier to keep flanks and udders clean if you use clippers.

Dirt clings to long hairs, and you'll really catch Old Man Trouble where the hair's short if you give your cows a haircut occasionally during the winter.

Washing the udders with a warm chlorine solution just before each milking is the next step and is vitally important both in sanitation and in saving time in milking. The warm water and the massaging starts the milk to let down.

Clipping and this warm water massage of the udders are simple things which don't take much time and effort. Yet they are most important in helping keep your milk on a high quality level.

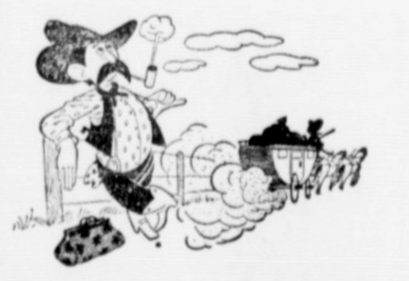

If you look out and see your cows shivering in a cold wind, listen closely and you'll hear your pocketbook's teeth chattering too. When your cows suffer from exposure to winter winds, your milk check also may suffer a slight case of shrinkage.

The feed which your cows get at this time of year serves several purposes. It produces milk, it helps maintain the cows' bodies in good condition, and it keeps them warm.

If the cows are out where they are exposed to cold winds, more of the feed must be used to keep them warm and therefore less

of it will go to produce milk. You will have to use a greater amount of costly feed to produce more milk.

A dairy cow does not have as much flesh as do beef cows, and they need more protection against rain and cold. Raincoats and red flannels so far haven't been built for cows, so a barn seems to be the right answer. An inexpensive shed which will protect them from cold winds will pay for itself in short order, by raising the level of milk in your cans.

Back in my granddad's day, folks didn't seem to get too upset if they missed the stagecoach and had to wait a week, but I know people who are in such a hurry that they get all upset if they miss a panel in a swinging door.

But saving minutes sometimes does a good job, at that. Alabama points out that minutes may be important in preventing milk from souring. If there are only 20 milk patrons on a route and the truck driver who picks up the milk can save three minutes per patron, that's an hour saved in getting milk into the plant.

This is pointed out in a leaflet telling how to make a roadside milk stand. Such stands save time and labor for the milk hauler, and this winter you may have time to build such a stand. The driver will appreciate it.

You can get a copy of the plan by writing the Extension Service, Alabama Polytechnic Institute, Auburn, Ala., and ask for the leaflet "A Roadside Milk Stand."

Also, maybe you can give the hauler a lift by running a drag over the road into your farm, or in front of the stand if it is rutty. That may save both time and trouble for him.

*NOTE: There usually is a 5c charge for pamphlets mailed to non-residents of a state; but possibly your own state has a free pamphlet on the same subject. Ask your county agent.

ROUND UP OF 1946 FARM PROGRAM

Texas farmers and ranchers will find that the 1946 Farm Program will give them more opportunity than has been the case in the past to apply the provisions of the program to fit their individual needs. B. F. Vance, state director of the Production and Marketing Administration, has predicted.

Vance cited the following features of the 1946 program as representing change from past plans:

A total of 42 soil and water conservation practices have been approved for Texas. Each county will select from these 42 practices the ones best suited to that county.

Each county will receive an allotment which can be used only to pay for these selected and approved practices.

The prior approval of the county ACA committee will be necessary for practices for which payment is to be received. In this way payments cannot be made for practices which are not adapted to a given county and which are not needed there. In addition, the total prior approvals will not exceed the money available.

Texas was allotted nineteen and a half million dollars for carrying out the 1946 farm program. Congress has not yet determined the exact amount to be spent in 1946.

The number and size of farms, acreages in cropland, pastureland, woodland, orchards and conservation needs are considered in dis-

tributing the national appropriation to the various states, Vance pointed out.

U. T. DEVER RESIGNS AS CARETAKER OF CEMETERY

U. T. Dever, caretaker of the Citizens Cemetery for the past 21 years, has resigned and has turned his special work over to Jake Holman. He was forced to give up his job due to his health, and plans to take it easy for awhile, with the exception of doing odd yard work and selling nursery stock.

Mr. Dever stated that anyone interested in the individual care of family lots, etc. at the cemetery should contact Mr. Holman as he will be available for that type of work.

Mr. Dever is to be commended for doing a mighty fine job during his 21 years as caretaker. He has been faithful in every respect and his many friends will regret his retiring.

COTTON GINNING REPORT

According to W. M. Patman, Special Agent, the Census report shows that 6224 bales of cotton were ginned in Donley County from the crop of 1945 prior to Nov. 14th as compared with 5045 bales for the crop of 1944.

CARD OF THANKS

We wish to thank our friends for their sympathy, kindness and beautiful flowers in the death of our father. May the Lord's blessings be with you always.

The Children of T. C. Wood.

Miss Della Wood was a dinner guest of Mrs. Will Jordan Sunday.

1946 Agricultural Conservation Program

The 1946 Agricultural Conservation Program in Texas will give more responsibility to farmers, working through their AAA county and community committees in recommending conservation practices to be carried out on farms, according to N. E. Dodd, Director of the Field Service Branch of the Production and Marketing Administration.

Under this plan the counties will be given an allocation of funds within which to operate their conservation programs. The local committees will sit down with individual farmers and help plan a conservation program based on the actual needs of the farms. Final approval of the plan will rest with the county committee. Past AAA programs have allocated assistance principally according to a statewide formula applicable to each farm in order to get practices carried out on a broad scale.

Mr. Dodd pointed out that the "grass roots" approach should help speed the efficient reconversion of the nation's farmland from the strain of wartime production to longer-range soil-building and water conservation.

"The end of the war with its urgent demands for all-out production sounds a note of caution for farmers to take inventory of their most important capital asset—their land," Mr. Dodd declared. "Unless we conserve the productivity of our farms, we will jeopardize the bedrock foundation for lasting post-war prosperity."

The 1946 program has been planned to provide about the same assistance will be available: (1) Application of lime, fertilizers, and other materials; (2) planting of cover crops; (3) harvesting of legume and grass; (4) erosion control and water conservation; (5) range and pasture improvements; (6) forestry practices; (7) other practices such as noxious weed control and clearing land for pasture.

Special emphasis will be on the application of lime and fertilizers to grasses and legumes. Much of the soils in the humid areas of the state have been leached of their calcium and phosphorus. Farmers have materially increased the use of these materials since they were first offered in 1936. Using these and other program practices, farmers are improving their soils, getting better crop yields and slowing erosion.

Farmers receive ACP assistance in the form of conservation materials, services purchase orders or payments. Conservation materials are purchased largely through regular trade channels including local dealers. There is need for planting more legumes, green manure, and winter cover crops of many thousands of acres of pasture and meadow which were plowed up during the war. This land must be brought into a system of cropping which will protect it against dangers of water and wind erosion. With the demand for livestock, and other farm products expected to remain at high levels for the next few years, there is a definite need for pasture and range improvement, including construction of tanks and reservoirs. The 1946 program will vary by states and by counties according to the climate, topography, type of farming, and the conservation needs. The approved practices for each county will be developed by local AAA farmer-committees, representatives of State Agricultural Colleges and Experiment Stations, and other agricultural agencies. Each county will select only the most needed practices for which assistance will be offered so as to be able to keep the program within the funds allocated to the county.

Miss Clyde Shepherd stopped over here a short time Wednesday on her way home in Memphis, for a short visit with friends. She had been visiting her brother in Amarillo. Miss Shepherd was formerly employed in the J. A. Warren office.
