Rodeo & Dance To Highlight Week-End Entertainment

The rodeo, sponsored by the American Legion, will begin tomorrow afternoon at 2:30 p. m. sharp. Big prize money awaits the winner in steer riding, bronc riding, calf roping, and ribbon roping, and a good hat for the best average in calf and ribbon roping. Contestants are urged to have their entries made at the office of the County Agent not later than 12:00 noon each day.

There is no need to fear of getting hungry or thirsty while watching the show. The American Legion will be selling plenty of cold drinks, hot-dogs, and sandwiches on the grounds. There will also be cold drinks and sandwiches for sale on Main Street throughout both days. Admission will be \$1 for adults and 50c for children, tax included.

After you see the rodeo, you are invited to attend a big dance to be held in the gymnasium of the South Ward School which is sponsored by the Legion. Admission will be 50c per person. Bring the family and neighbors, dancers, and non-dancers. Refreshments will be available there also. A string band will provide plenty of good music. A dance will also follow the rodeo performance on Saturday. Friday night, it will begin at 10:00 p. m., allowing everyone to see the ball game before the dance, and on Saturday night, it will begin at 9 o'clock and continue until ??? Come one—come all. A good time is guaranteed.

SGT. ROBERT SUMMERS AT BROOKE HOSPITAL

Sgt. Robert B. Summers, of Clarendon was among recent arrivals at Brooke Copvalescent Hospital, Brooke Hospital Center, Fort Sam Houston, Texas, where he is a patient.

Sgt. Summers, son of Mrs. Agnes B. Summers, Clarendon, served overseas four months as assistant squad leader with Company "G", 342nd Infantry Regiment, 86th Division, in the European Theater of Operations. He saw combat in the Ruer, and in central Germany, where he was wounded by a sniper. He holds the Combat Infantryman Badge, the Purple Heart, and the European Theater of Operations ribbon. He returned to the United States June 8, 1945.

SGT. WELDON WARREN TRANSFERRED

Sgt. Weldon Warren, who has served at the Frederick, Okla. Air Base since its inception, being in the Personnel and Pay Roll Department, was transferred by plane last Thursday to Randolph Field, Texas. He is doing the same class of work there in the Separation Center, he advises, and will probably be there permanently.

Mr. and Mrs. Stevens and daughter Carolyn of Wichita Falls visited the week end with her mother, Mrs. E. M. Ozier.

S/SGT. R. A. BEVERLY HOME FOR FIRST TIME IN THREE YEARS

S/SGT. R. A. Beverly Jr., son of Mr. and Mrs. Roy Beverly, arrived home Saturday, Sept. 22nd after spending 26 months in the Southwest Pacific. Sgt. Beverly was with the 339th Air Corps and was on Caledonia, Fiji and Guadalcanal during that length of time.

This is R. A.'s first time home in over three years and he has been in the service for three years and 10 months. He is on a 45 day furlough and on the 10th of November he is due to report at Ft. Sam Houston at San Antonio for his discharge. He is well and very happy to be home again.

SHERIFF ISSUES WARNING REGARDING CARS, TIRES AND HOT CHECKS

Hot check artists, car and tire thieves are beginning to become more active in neighboring towns, stated Sheriff Guy Wright, and it will be a wise idea for all car owners to take their keys from their cars when they leave them and also put their auto in the garage at night if possible; also know or identify any stranger giving a check, for you might be the loser, he added.

According to the sheriff, we have not had any trouble lately with the above mentioned, but he is issuing this warning for your own benefit before something does happen that you might be able to avoid.

J. FRED SMITH, JR. EXPANDING AIRPLANE TRAINING HERE

J. Fred Smith Jr. is enlarging his set up for civilian training at the local airport by purchasing more equipment as it becomes available. He has purchased a PT-19 army primary trainer to be used in advanced training and has a new Aerona Champion bought that is due to be delivered within the next few weeks. At the present time he has two Cubs that he is using for trainers. He is also making plans to build a new hangar that will house three small ships and a work shop on the field.

Smith has approximately 35 students from Clarendon and surrounding towns that are learning to fly at the present time.

BOBBIE H. SMITH AT PEARL HARBOR

U. S. NAVAL HOSPITAL, PEARL HARBOR, T. H. — The guns are silent but the job of caring for casualties of the Pacific War must go on in naval hospitals like this one.

Bobbie H. Smith, pharmacist's mate third class, USNR, of Clarendon, is one of the men helping at this vital job. His parents, Mr. and Mrs. Paul Smith, make their home at Clarendon.

A long motor cavalcade consisting mostly of Legion members plus the High School Band left here Saturday morning about 9 a. m. and visited neighboring towns to advertise the rodeo, dance, and other events to take place this weekend under the sponsorship of the American Legion. The procession visited Claude, Panhandle, White Deer, Pampa, Lefors, McLean, Shamrock, Wellington and Memphis before it wound up back here late Saturday afternoon. At Pampa, the group was met at the city limits by the mayor, city manager, the Secretary of the Chamber of Commerce, the owner of Radio Station KPDM, Chief of Police, and the Highway Patrol, which escorted them through the city to the City Hall. There the band played a few numbers, the mayor issued a welcome address which was followed by a few words from Legionnaire Clifford Davis. Then the band marched through town to KPDM where a fifteen-minute broadcast had already been arranged to help the Legion advertise its activities here this weekend. Broadcasts were interrupted every fifteen minutes following that to announce the purpose of the cavalcade and give its location as it proceeded to other towns. Immediately after the broadcast, the entire group was taken to a cafe for a splendid meal which was waiting for them with the compliments of the city. The Legion can never express just how grateful it is to the City of Pampa for the hospitality showed them upon its visit.

LAURA DREW IS KILLED IN AUTO CRASH

Hundreds of relatives and friends paid tribute to Miss Laura Drew the 18th when funeral services were held at the Methodist church in Shamrock.

Miss Laura V. Drew, graduate of our Municipal Junior College of Clarendon, was killed near Melrose, N. M. the 15th.

Three of the four persons involved in the crash were killed outright, and Mrs. Grace Perkins, roommate of Miss Drew, was critically injured. The crash happened as Miss Drew and Mrs. Perkins were returning to their home at Shamrock from Fields, N. M. where they were teaching school. The car driven by Miss Drew topped the hill and was met in a head-on collision by another car.

Miss Laura V. Drew, daughter of Mr. Jesse K. Drew of Shamrock, was one of the most popular young ladies ever to attend college here where she was a leader in church, social and other activities for the betterment of the student body.

DENNIS E. ANDERSON HERE AFTER 30 MOS. OVERSEAS

Dennis Anderson, son of Mr. and Mrs. Will Anderson and brother of Bud Anderson, arrived home last week end for a visit after spending 30 months overseas. He had been in the service four years and fought in North Africa, Sicily, Italy and France and never received an injury until six weeks ago when he received an injury in a truck accident and was hospitalized for a short time.

MARVIN L. KING SERVING ON FAMOUS "HAMMERING HANK"

One of the most famous of all destroyer-minelayers is the 'Hammering Hank', so named by Marines on Iwo Jima because of the gallant and courageous support it gave them with its guns when they invaded that island. It maintained that name throughout the war and came out with one of the highest records of any destroyer in the fleet.

Typical as the "Hammering Hank" is of our fleet, so too are the men who man her. Of these, Marvin L. King, F 2/c, Engineer, of Clarendon, is a good example. Serving as a clipper, on twin 40 mm. guns, King had a good share in making the USS Henry A. Wiley's splendid record.

He is the son of Mr. and Mrs. M. E. King of Clarendon and was connected with the OK Rubber Welding Co. before he joined the Navy.

GRAPEVINE PRODUCES SECOND CROP

T. F. Brown, farmer in the Naylor community, has something to brag about in grapevines. He has a concord vine that has been out since 1918 and has made two crops in one year two different times during that period. He stated that this year's first crop ripened in August and the second crop now growing is well developed and should be ripening before very long. We have a bunch of the grapes here at the Leader office for proof just in case of doubt. If you have anything to match this, just let us know.

JOHN GILHAM STATES FALL PIG SHOW AND SALE WILL BE AT MAYFIELD SALES ARENA FRIDAY MORNING AT 10 O'CLOCK. CHARLIE FRANZ OF TURKEY WILL JUDGE BOYS PIG SHOW.

The American Legion is sponsoring the Rodeo Friday and Saturday afternoons and dances Friday and Saturday nights.

Boll Pulling Set At \$1.35 In Thirty-Nine Counties

Charles Reed, County Agent, reports that 150 cotton farmers met at the Court House Friday to discuss ceiling prices on pulling bolls with Mr. Austin, Farm Wage Supervisor, Childress, Texas.

The group voted to elect AAA Community Committeemen as ceiling price committee on boll pulling.

"I received notice today from reliable sources that Federal Investigators will be in Donley County this week checking up on violations of ceiling prices on boll pulling," the County Agent said.

CEILING PRICES

\$1.35 per 100 lbs. pulled cotton, \$2.25 per 100 lbs. for picking.

25c per 100 lbs. to one man for weighing and hauling less than 10 miles to gin.

30c per 100 lbs. to one man to weigh and haul cotton over 10 miles to gin.

PENALTIES FOR CONVICTION

\$1,000.00 maximum fine, and no farm operating expenses will be allowed on income tax return.

Cotton farmers and labor paying or accepting more than ceiling prices are subject to investigation and conviction by Federal Court procedure.

PERMITS

To pay over ceiling prices will

be handled by your local AAA Community Committeemen. This is a Federal Regulation applying to 39 counties in this area.

N.F.L.A. TO HOLD ANNUAL STOCKHOLDERS' MEETING WEDNESDAY, OCT. 3

With official notices to its 205 members already sent out, the Donley County National Farm Loan Association is completing arrangements for its annual stockholders' meeting in Clarendon, Wednesday, October 3, at the Pastime Theatre. Mr. Rayburn L. Smith, Secretary-Treasurer, said that the meeting will start at 2:30 p. m., with President C. H. Bugbee in charge.

Aside from the report on, the association's operations and plans for the coming year, the program will include: A sound film entitled, "The Land to Have and to Hold."

One director will be elected to fill term expiring this year.

Directors of the association are: C. H. Bugbee, J. B. Masterson, C. B. Morris, Alva T. Simmons, R. W. Moore.

—On Pay Day, Buy Bonds—

Saturday Is Voting Day For Soil-Water Conservation

Charles Reed, County Agent, reports that owners of farm and ranch land in Donley County will have free vote Saturday, September 29th to determine whether the majority of voting landowners desire Soil Conservation District for Donley County.

Voting boxes will be set up at: Clarendon—Rayburn Smith Office; Cliff Davis, judge.

Ashtola—Post Office Building; W. A. Poovey, judge.

Lella Lake — Cook's Grocery; Carroll Lewis, judge.

Jericho—Post Office Building; Mrs. Reeves, judge.

Hedley — Moreman's Grocery;

Red Doherty, judge.

Skillet School; Chas. Weaver, judge.

Whitefish School; F. R. Crisp, judge.

All residents of Donley County farm and ranch landowners (men and women) and heirs, over 21 years of age are urged to vote. No poll tax is required.

The purpose of the Soil Conservation Service is voluntary cooperation of the landowners and tenants to set up a Donley County Soil Conservation program to save and build up our farm and ranch land. The District program

cannot vote taxes, levy bonds or force anyone to carry out Soil and Water Conservation Practices.

This program does not cost the individual, County or State anything.

With trained Soil Conservation experts and office in Donley County more aid can be furnished farms and ranches to carry out more complete soil conserving and soil building practices.

Mr. and Mrs. Cobb and son Jack of Littlefield were here over the week end visiting her parents, Rev. and Mrs. Fitzgerald.

Payne Opens White Auto Store Here

William Payne, former resident of the J. A. Ranch, has opened a White's Auto Store here in the building next door to the Rundell & Estlack Machinery Co.

The building has been remodeled on the inside and complete new fixtures will handle the assortment of merchandise which will include auto parts and accessories, toys, tires, bicycle parts, paints and some furniture, and all other items that are popular in stores of this type.

Mr. Payne, owner of the new business, has been associated with this sort of business for the past fourteen years with the exception of the past 2 years of which he spent in the Cactus Ordnance plant at Dumas. His past experience covers the wholesale end of the business but his store here will cover a much wider variety of merchandise than just auto parts and accessories. His stock is not quite complete at the present but Mr. Payne states that merchandise is coming in every day and that his stock will cover most all items before long.

Mr. Payne is acquainted with a number of the old timers here as he lived on the J. A. Ranch from 1891 to 1910.

The Leader force joins with all others in welcoming Mr. and Mrs. Payne and the new store to Clarendon and know they will enjoy making our little city their future home.

CHURCH COUNCIL WILL MEET OCT. 6

The Church Council will meet at 3:30 on Oct. 6 at the Methodist Church in a Silver Tea—to which all the women of the town are invited—not only invited but urged to come.

Mrs. U. J. Boston will review the book, "Who Walk Alone"—and the offering will be for the Lepet work.

Bronchos To Play Lefors Pirates On Local Field Friday Night

E. L. LEWIS BUYS CLARENDON HOME

E. L. Lewis, prominent Lella Lake farmer for some 30 years, has sold his interests there and has purchased the Stallings home near the College from V. Littlefield. They will occupy the new home soon.

C. L. BRIGGS BUYS CAFE HERE

C. L. Briggs, former partner in the cafe in the Carpenter building, assumed full ownership, having bought the interest of Mrs. Peggy Clanton, former partner, and will operate same under the trade name of Smokey's Cafe.

SGT. W. E. GOODMAN NOW IN ITALY

15th AAF IN ITALY—Sergeant William E. Goodman of Clarendon has been assigned to the occupational forces as a member of Headquarters Squadron, 528th Air Service Group, stationed near Foggia, Italy. His wife, Mrs. Johnnie Ivan Goodman, resides at Box 469, Clarendon.

Sgt. Goodman was sent overseas on July 28, 1944, and participated in the Rome-Arno campaign. Prior to entering the service on Oct. 19, 1942 at Lubbock, he was engaged in farming.

Mr. and Mrs. Pete Kuntz were in Amarillo Wednesday.

Singing Convention Set For Saturday & Sunday

LELLA LAKE GIN BURNS MONDAY EVENING

The Lella Lake Gin caught fire about 7:30 Monday evening and burned to the ground, leaving only the office building and scales. The fire was said to have started in the cotton house and spread over the entire structure within a very short time.

The Gin was owned by Clayton and Anderson, Inc. and Joe Johnston of Lella Lake was the manager.

CHESTER TALLEY, JR. HOME ON FURLOUGH

Chester Talley, Jr. is home on furlough visiting his parents here and relatives in Amarillo, after some two years service in the Southwest Pacific area. He evidently has been where the OPA is not operating, for he is well-fed and in splendid health.

The Clarendon Bronchos will take on their second foe here Friday night when they meet the Lefors Pirates in what has been figured as one of the hardest games of the season.

The locals were scheduled to enter the game as the underdogs a week ago and it appears moreover this week on account of two starting players having injuries and three key players who will not likely see any action due to their misinterpretation of training regulations.

The boys have been working hard on new plays the past two weeks and have been shifted around some to fill the vacancies caused by the above mentioned.

The starting lineup for the backfield will probably be Harp, Blackman, Bullman and Mayo. Bullman is nursing an injury received in the Lakeview game but will start the game if nothing happens between now and then.

The starters for the line will probably be Underdown and Doug Lowe at ends, Whitsell and Harrison as tackles, Jiggs Mann and Wayne Lowe as guards and Lynn Leathers at the center position.

The Bronchos won their first game over the Lakeview Eagles 13-7 which sounds pretty good, but the bad news is that Lefors trimmed the Shamrock Irishmen last week end by three touchdowns, and they may be pretty hard for the Bronchos to hold down after pulling that stunt last week. At any rate, though, the boys say they are going to be in there all the way Friday night, and that there is always a good chance of winning the game.

These boys who are training hard day in and day out (and some nights pitched in) deserve your support, so come out to the game and let them know you are behind them whether they win or lose.

LIBRARY NOTES

By Mrs. C. A. Burton

Several gift books have come. Mrs. J. T. Patman brought two girls' books for her granddaughter who usually enjoys our library when she visits here. We are very much in earnest about these gift books—and they need not be in memory of a dead loved one—honor them while alive. "Give flowers to the living." If you would like for me to suggest some books I'd like, just ask me. I'm full of suggestions—so many lovely books I'm longing for. Alice Tisdale Hobart has a new

story, "The Peacock Sheds His Tail"—a story of Mexico. For some years her stories were of China—the trilogy beginning with "Oil For the Lamps of China." Then came her story of California and her grapes—"The Cup and the Sword"—and now this story of Mexico. It is a story of conflict of opposed traditions, of Mexico struggling toward her salvation.

The non-fiction winner of the Macmillan Centenary Award in England is "Lower Deck" by Lt. John Davies, R.N.V.R.

"Not In Our Stars" by Josiah E. Green won \$2,500 publisher's prize for its author who grew up

in Dututh and is now a Sergeant in the Air Corps. It is a story of dairy barns, a processing plant—of a rather drab country community, ut it must possess merit to have won this prize which is awarded by book publishers who see unusual merit in a book overlooked by the critics.

"The Late George Apley" by Marquand has been sold to Twentieth Century Fox for \$200,000. The book is on our shelves.

The daughter of Lin Yutang, the noted Chinese author, will return to this country next month. She is a captain in the Chinese army.

Not many of our readers have read our copy of Pierre Van Passen's "Days of Our Years." Perhaps this statement will arouse more interest in it. The Dutch edition of it was burned by the Nazis, and punishment was threatened to any one found in possession of a copy. Van Passen's mother was arrested and died in a concentration camp. After the liberation of Holland, the mayor of Gorcum, the birthplace of Van Passen, placed a bronze plaque on the house where the author was born. Van Passen's forthcoming book is to be "Earth Could Be Fair."

Harry Hopkins will make more than \$100,000 from the two books he is writing, one of which is "Sixty Million Jobs."

"The Chapin Sisters" by Fynette Rowe is the winner of the Avery Hopwood Fiction Award.

Mr. and Mrs. W. A. Land are visiting their son and family at Tucumcari, N. M. this week.

Mr. and Mrs. John Rhodes are visiting their daughter and family. Mr. and Mrs. Glen Riley at Belen, N. M.

Cpl. O. D. Anderson of Fort Bragg, N. C. came in Sun. night on a 15 day furlough to visit his wife and new son and other relatives.

Born to Cpl. and Mrs. O. D. Anderson, a 7 lb. boy, Thursday, named Michael Dale.

Dairy Short Course at A&M College Oct. 8-9th

Reconversion plans within the Texas dairy industry are expected to be laid upon facts and ideas presented at the third Dairy Fieldman's Short Course to be held Oct. 8-9 at the Texas A&M College.

A. V. Moore, A&M's professor of dairy manufactures and director of the short course, said the program for the dairy industry for 1946 is somewhat like that for 1944 and 1945. One difference, Moore explained, is that total production gets less attention this year, while efficiency and quality are reemphasized.

Subsidies, labor, marketing and sanitation are topics slated to be stressed on the business program for the short course. Talks have been promised by outstanding authorities in the industry who will bring out the best that is known on these subjects, Moore said.

The short course will include a banquet which will be held in the College dining hall at 7 p. m. Oct. 8th.

The eight-point program adopted for 1946 by the Dairy Industry Committee and the U. S. Department of Agriculture, includes the following goals: feed every cow for economical production; save milk dollars by improving grasslands; retain feeding values by improving hay making and silos; keep production records for better herd management; breed for improved hegd replacements; protect quality of milk and cream by cleanliness and cooling reduce labor costs by improved layouts, equipment and methods; and maintain herd health for quality and efficiency.

Dairy fieldmen will be welcomed officially to the Texas A&M College by Chas. N. Shepardson, dean of Agriculture and former head of the Dairy Husbandry Department.

Professor Moore will preside at the opening session on Oct. 8, with E. R. Eudaly of Universal

Mills and former Texas A&M Extension dairyman, handling the program that afternoon.

Presiding at the business meeting Oct. 9 will be Dr. I. W. Rupel, recently named head of the Texas A&M Department of Dairy Husbandry.

Film strips will be shown during the short course through cooperation of the International Harvester Company, National Dairy Products Corporation, and the Ralston Purina Company, Moore said.

Thirty individuals, including twenty from various divisions of the Texas A&M College system, are listed in the group which will stage the short course.

Other dairy fieldmen's short courses held at the Texas A&M College were given in September 1943 and January 1945.

THE TEMPLE OF TRUTH
By the Apostle

Itching for something won't get unless we scratch.

Everyday the world turns over on some one who has been sitting on top of it.

From a financial standpoint a Global war proves the old theory that the earth is really flat.

Down in Bellevue my old friend G. Z. Wright sells drugs and hardware. The combination is not a bad idea. If you have no fluid remedy for a patron, hit him over the bean with a monkey wrench and he won't know but what he got well.

Among the new ideas coming soon is said to be a power-driven tooth brush. Now I wonder if you have to grab the handles and walk behind it, or merely jump on and ride.

After Clyde Alredson caught a monkey-face owl near Dalhart last week, the metropolis of the dust bowl went on vacation wondering what kind of a "whozit" had been captured. In case there is a market for them, the owls may be had by the hundreds from the canyons on the east side of the high plains, including Salt Fork in old Donley.

A reader of this column in the service sends me the following with request to publish:
"When bugles sound their final notes
And bombs explode no more"

And we return to what we did before we went to war;
The sudden shift of status'
On the ladder of success,
Will make some worthy gentlemen

Feel like an awful mess.
Just think of some poor captain,
Minus all his silver bars,
Standing up behind some counter
Selling peanuts and cigars.
And think of all the majors,
When this oak leaf's far behind
And the uniform they're wearing
Is the Western Union kind.
Jerking sodas isn't easy
When your eagle's on the shelf;
'Tis a bitter pill to swallow,
'Tis a matter for despair;
Being messengers and clerks
again
A mighty cross to bear.
So be kind to working people
That you meet where'er you go.
For the guy who's washing dishes
May have been your old C. O."

**Maj. Al Baggett
Awarded Bronze
Star Medal**

CANYON—Major Al Baggett, West Texas State College director of athletics now stationed in Italy, has been awarded the Bronze Star medal for his work in North Africa and Italy. He has been in charge of the Special Service athletic program in the Mediterranean theater. His return to the campus by the end of this year is expected.

Major Baggett's citation is as follows:
" . . . for meritorious achievement in connection with military operations in North Africa and Italy from 14 November 1943 to 12 May 1945. As officer in charge of the Athletic Branch of the Mediterranean Theater Special Service Section, Major Baggett, by his devotion to duty, good judgment and technical ability was of outstanding assistance in developing a Theater wide athletic program for All United States Army forces. He served as secretary of the Allied Sports Commission in the superior performance of his duties with that group greatly contributed to its success in fostering wholesome Allied sports competitions and better understanding between Allied personnel. As commandant of the Theater Sports School in Rome he was responsible for the organization and conduct for a program to train athletic personnel to better fit them to administer, coach and officiate in the expanded athletic program during redeployment, thereby contribut-

ing materially to the welfare and morale of the entire command."

RATIONING AT A GLANCE

By Peppy Blocker

Members of the local Office of Price Administration wish to take this opportunity to thank those of you who have worked so faithfully with the different panels throughout the duration and to ask you to please not resign until the job is completed. Remember, it was FOLLOWING the last war that the inflation bubble burst. Right now is one of the most critical times. We want to abolish price control just as soon as production rings supply and demand reasonably in balance. Price controls will be dropped as soon as the threat of ruinous inflation and collapse is ended.

There's an old Chinese proverb that says "You fool me once—shame on you. You fool me twice—shame on me." Let's all work together and not let inflation fool us this time as it did after the last war, or the shame will be on us. Anyone having two or three hours a week to give to the local ration work should call Miss Donnell at 327.

Col. and Mrs. W. F. Frey visited in the Leck Goldston home last week. They also went on a vacation trip to Colorado. Col. Frey has just returned from Europe where he has been for the past 3 years. Mrs. Frey is the former Margaret Goldston.

COOL AS A CUCUMBER!

Give your Engine Phillips 66

THE HONEST OIL—FROM DEEP IN THE EARTH—WITH A NATURAL AROMA!

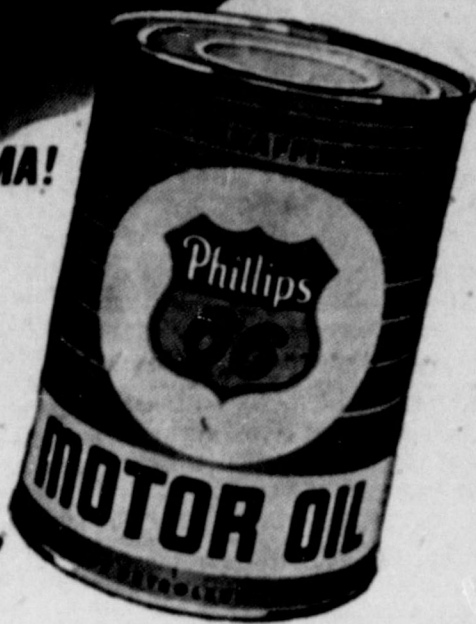

No sir, a quart of oil won't make your car young again. But the right quart of oil can keep it from running hot, smoky, and expensive.

What's the right oil? Well, we don't like to boast, but we'll bet you all the tea in China that there isn't a better, more natural oil than Phillips 66!

You see, we're just smart enough to know a good thing when we see it—and just wise enough to leave it alone! We

take that wonderful Phillips 66 from deep down in the earth... give it that special Phillips refining... and bring it to you with all its God-given lubricating qualities unimpaired!

Why not have a smooth, sweet-running "cool-as-a-cucumber" engine? Stop where you see the Orange-and-Black "66" sign and treat your car to a quart. You won't find a more honest, natural lubricating oil in America!

"Fill'er Full o' Phillips!"

LELIA LAKE WHIRLWIND

Why did Carol Lane keep calling number twelve Friday night at the Junior party? "We Wonder."

Why did Billie Ruth get sick Friday night. We wonder if it could have been the grape pop, ha ha.

Lester went to Clarendon for a good reason Friday night. Eh kids? We wonder who Carol Lane fought with after the party and

why. What about that Fancher? Who's beating Joe Albert's time with Bernese? Of course it couldn't be Haskell.

It seems like the styles are changing at Lelia Lake High. The freshman girls seem to like to wear their daddy's overalls and shoes. How about that Freshmen?

Pretty pink sweaters seem to attract two senior boys. Could it be because who they are on

Does a certain teacher get aggravated at a certain freshman girl? We wonder who it could be.

Did any one study their history Monday morning? If so, why all the outlining?

We were sorry to hear about

Fred getting his back hurt at the gin. Let's hope it doesn't happen again.

New Idea We have read about several postwar ideas, but nothing like this. James King was swinging. Perched up on his shoulders was little brown eyed Harold Holland enjoying himself very much.

Tongue Twister Ervin Corbell, a fourth grader, made up a tongue twister. See if you can say it fast? "Thirty thousand thorns were thrust through my thumb."

Confused The fifth graders were studying the New England states and their capitals. Allen Ray was asked to give the capital of Rhode Island which is "Providence." He had this confused with "Concord" the capital of New Hampshire.

New Haircut Doyce Graham Jr. took matters in his own hands. He decided that he needed a new G. I. haircut so he took his little school scissors and started whacking.

DO DEWDROPS DROP?

YES NO

Ye poet sings of "falling dew." He means warm air kissing cooler grass and flowers—leaving moisture. It didn't drop from heaven. Same process causes frost . . . and another cold-weather truth is this: a Winter change now to Conoco Nth motor oil will fortify your precious car's engine with internal OIL-PLATING.

WERE all hearing a lot about ceilings these days. It's suddenly become one of the most popular words in the English language.

Ceiling prices are an old story to business-managed electric companies. And they're constantly working and planning to make the price of electricity still lower.

Maybe you wonder how this has been accomplished: this reduction in the price of electricity in the face of rising costs for almost everything else.

Capt. R. Acord In 'Believe It or Not' News Recently

The following is an article taken from a magazine, concerning a local youth who visited here last Thursday night and was raised around Clarendon.

5th Region Air Department of Commerce, Civil Aeronautics Administration Kansas City, Mo.—A "Believe It or Not" landing that could have been lifted from "Smiling Jack" or "Perry and the Pirates" highlighted the activities here recently. It was one of those things that just don't happen but tower personnel and ranking officers of the base watched wide-eyed the morning of July 25 as an army pilot performed the super landing in a TB-26. The tower was advised at 0830 that a B-26, erstwhile widower-maker of the Army's aircraft, was proceeding WU to YX for a crash landing. At 1000 the ailing B-26 entered the traffic pattern, advising the main gear was down but the nose gear wouldn't budge. Pilot, Capt. Randall K. Acord, attached to the Cold Weather Testing Detachment, Proving Ground Command, Watertown S. D. (recently Alaska) circled the field for 20 minutes making more vain efforts to lower the nose gear. Knowing further attempts to lower the gear would be useless, Capt. Acord said he had loaded everything detachable into the tail including the crew and was bringing 'er in. The 26 turned final and the pilot cut the fans over the end of the runway. The landing—a great job—a perfect stall. The Medium Bomber rolled down the runway and all waited for the nose to lower to the runway. The ship slowed—came to a full stop, poised with the grace and perfect balance of a tight rope walker, then the tail settled gently to the runway. Men of the crash crew were advised to blitz out to hold the tail down and a dozen men grabbed, anchoring the 26. Details on the accident report covering this amazing two point landing show very minor damage to the tailskid. Unofficially the tower is recommending this airplane

driver for a "HP" (Hot Pilot) rating.

SERVICES HELD FRIDAY FOR C. E. GRIGGS

Funeral services were held Friday afternoon at the Methodist Church for C. E. Griggs with Rev. H. W. Hanks officiating.

Mr. Griggs died from a sudden heart attack Wednesday, Sept. 19 on his farm south of town. He has been a resident of Clarendon for a long number of years. He was a member of the Methodist Church here and was highly commended for his service to his church.

He is survived by his wife and three daughters: Mrs. Fred Buffington of Ohio; Mrs. Virgil Drew of Seymour and Mrs. Curtis Gallaway of Hot Springs, N. M.

Pallbearers were M. R. Allensworth, Marshall Morris, Van Kennedy, J. R. Porter, W. W. Taylor and Gilmer Ayers.

Burial was in Citizens Cemetery with funeral arrangements under the direction of Blackburn-Shaw-Buntin Funeral Home.

ROSS HARWOOD BEVILLE IS CHIEF ENGINEER FOR WASHINGTON STATION

Ross Beville, graduate of Clarendon High School, Clarendon Jr. College, and Hardin-Simmons University at Abilene, says that so long as he has to live in the East he would rather live in Washington than anywhere else. He and his wife and a daughter LaFon, and a son, Harwood III, have lived in Washington at 404 Lincoln avenue the past two and one-half years.

Beville is the son of Mr. and Mrs. Harwood Beville 3020-A West Tenth Amarillo, and former residents of Clarendon. He is the chief engineer of WWDC and the new network of the Associated Broadcasting Co.

Mr. Beville has really advanced in his profession during the last few years, and has the lead article as author in "Electronics" magazine for July.

Lt. Robert J. Hoey and wife from Dypherville, Ark. have been visiting her mother, Mrs. Floyd Benson. Lt. Hoey left Tuesday and Mrs. Hoey will stay with her mother until he is stationed.

FAMILY REUNION SUNDAY AT LONGAN HOME

B. Stephens and Rhetta Ann, and Mr. and Mrs. C. E. Beach of Plainview, all relatives of the honoree.

Friends of the family present included Mrs. Ben Andis, Misses Louise and Ray Bell of Amarillo, Mr. and Mrs. Clyde Bowman of Lubock; Bobbie Jiggs Mosley, Mr. and Mrs. R. P. Wilson, Mrs. "Snooks" Andis and children, Laticia, Ethel Lee, Robert Ben and Corky, Jeff and J. J. Lawson, Mrs. Mary Sue Longan and children, Pat, Harley Dean and Mary Ann came in the afternoon.

BURLINGTON LINES MAKE CHANGE IN TRAIN TIME

On Monday, Oct. 1st, the first postwar adjustment reducing railroad travel time between the Texas Panhandle and Fort Worth and Dallas will be made by Burlington Lines, it was announced today by Robt. L. Hoyt, general passenger agent, Fort Worth.

The Gulf Coast Special's running time will be reduced 45 minutes between Texline and Fort Worth. On the new schedule this train will leave Clarendon at 12:29 p. m., instead of 12:47 p. m., and arrive Fort Worth at 8:50 p. m. and Dallas, 10:10 p. m., 45 minutes earlier than at the present time. Comparable changes will be made at intermediate points, and better connections will be provided with other railroads' trains for all points beyond Fort Worth and Dallas.

"This adjustment is only a forerunner of many planned by Burlington Lines toward improving travel accommodations as rapidly as conditions will permit," Hoyt said.
