CLARENDON, DONLEY COUNTY, TEXAS, OCTOBER 11, 1945

A Common Paper for Common People

An Emergency Appeal From Our Millions In Service

Yes, the war is over - - but not the work of several million G. I.'s! Ask any soldier what "Occupation Duty" means—and he'll tell you it may be the most important job in the army right now, but one of the dreariest ones. He'll tell you the novelty wears off soon, being in a strange country among strange people. That the Main Drag in Tokyo or Berlin can't compare with Main Street any where at Home.

There are millions of boys thousands of miles from home who'd give anything to listen to an American song, hear American jokes, or talk to an American girl again.

That's why the U.S.O. cannot and must not quit. Your dollars must keep it going. For if ever those boys need a lift and a laugh, they need it now.

At a meeting of the County Committee at Hedley on October 9th, the following quotas were set up for the Communities in our County:

District	Quota
Ashtola	\$124.00
Bairfield	45.00
Bray	40.00
Chamberlain	65.00
Clarendon	925.00
Fairview	53.00
Giles	46.00
Glenwood	40.00
Goldston	80.00
Hedley	300.00
Hudgins	56.00
Jericho	65.00
Lelia Lake	180.00
Martin	110.00
Midway	33.00
McKnight	65.00
Skillet	35.00
Smith	35.00
Sunnyview	45.00
Watkins	20.00
Whitefish	48.00
Windy Valley	65.00

The total quota for Donley County is \$5,475.00. A large part of every dollar collected by this local Community Campaign goes to support the U.S.O.

U.S.O. Camp Shows entertain the troops in transit—at debarkation and separation centers. U.S.O. Clubs and lounges in the States, Alaska, Hawaii, the Philippines, and many other bases, give the boys "a home away from home." Some 500 U.S.O. Clubs are located near military hospitals—and special Camp Shows tour the wards—to keep the wounded on the sunny side.

The need is greater than ever. So try to give more than ever, won't you? Show the boys YOU haven't forgotten them.

GIVE GENEROUSLY IN VICTORY—TO YOUR COMMUNITY WAR FUND REPRESENTING THE NATIONAL WAR FUND. DON'T WAIT TO BE CONTACTED. MAKE YOUR DONATIONS EARLY.

SGT. ELDON C. HOLLAND RECEIVES DISCHARGE

Randolph Field, Texas—Staff Sergeant Eldon C. Holland, Route 1, Hedley, was honorably discharged here recently after serving 35 months with the Army Air Forces.

Sergeant Holland's tour of duty included 12 months in the Southwest Pacific where he was engineer-gunner on a B-24 bomber. His decorations include the Asiatic-Pacific ribbon with two battle stars, the Air Medal with three oak leaf clusters and the Philippine Liberation ribbon with one star. Before reporting here, he was stationed at the Oklahoma City Air Technical Service Command, model maintenance and supply depot of the AAF.

Sgt. Holland is a son of Mr. and Mrs. W. C. Holland.

Mr. and Mrs. John Russell Beville of Texarkana spent Monday night in the G. W. Estlack home. Johnnie has recently received his discharge from the service. He spent 12 months with the 103rd Inf. in Germany and Austria.

LOUIS ROGERS PROMOTED TO SERGEANT

Louis Rogers, husband of Mrs. Pauline Rogers of Lelia Lake, has been promoted from Pvt. First Class to Sergeant in the famed 32nd (Red Arrow) Infantry Division.

Sgt. Rogers has been in action with Company B of the 32nd's crack 128th Infantry, now in its 41st month of overseas duty.

Arriving on Luzon, Sgt. Rogers participated in one of the bloodiest campaigns in U. S. Army history, the battle for historic Villa Verde Trail, where Red Arrow Infantrymen fought above the clouds to capture the strategic entrance into the rich Cagayan Valley. During this action, Sgt. Rogers was wounded, and has received the Purple Heart.

Fully recovered from his wounds, Sgt. Rogers holds in addition to the Purple Heart the Combat Infantryman Badge and the Philippine Liberation Medal.

Sgt. Rogers is the son of Mrs. Rosa Rogers of Cooper, Texas.

D. W. CLAMPITT CELEBRATES 92nd BIRTHDAY TODAY

Today, October 11th is the 92nd birthday of D. W. Clampitt, retired carpenter and local resident for many years. Mr. Clampitt may not be the oldest resident here but he and Mrs. Clampitt believe they are the oldest couple here keeping house by themselves. Mrs. Clampitt was 89 in July and they were married 61 years ago last March 12th.

The Leader force takes this opportunity to join his many friends in congratulating him on his birthday and wish him many more.

SGT. CLYDE PUTMAN TELEGRAMS PARENTS

Sgt. Clyde Putman sent a telegram to his parents stating that he had landed back in the States, and at the present time was in a camp in Washington. He also stated that he would be home soon. He has been in the South Pacific area.

Paul Hollingsworth, after some 10 years in the Armed Forces, arrived here Saturday with an honorable discharge. After a few days visit here with his wife, and her parents, Mr. and Mrs. J. A. Warren, they will be at home in Amarillo.

Official Vote On Soil Conservation District Given

County Agent, Charles O. Reed, has received official results of Soil Conservation District election in Donley County, Sept. 29th.

Only resident farm and ranch landowners were eligible to vote in this special election.

In favor of District 172
Against District 40

Total 212

Voting boxes were set up at Ashtola, Clarendon, Lelia Lake, Hedley, Jericho, Whitefish, and Skillet. Although rain made the rural roads muddy, approximately 50% of the landowners expressed their desire on creation of Soil Conservation District.

The County will be divided into 5 divisions according to type of land and farming. Each of the 5 divisions will elect supervisor that is a resident farm or ranch owner to run district.

These supervisors will work out a Soil and Water Conservation plan of work required for Donley County. The Soil Conservation Service can be requested to furnish technical aid and assistance to co-operators.

MISS LOIS REYNOLDS RECENTLY HONORED

One of the unusual organizations on the campus of Abilene Christian College, Abilene, Texas, is the CSO, or Campus Service Organization. Professed purpose of this organization is to recognize service of girls beyond the line of duty in the fields of art, music, science, athletics, home economics and journalism. Candidates for membership must have a recommendation from the head of one of these departments, and must serve a six weeks probation period, during which time they must sponsor a service project.

Recently honored by election to membership in this organization is Lois Reynolds, daughter of Mr. and Mrs. James B. Reynolds of Lelia Lake.

Miss Reynolds, a 1944 graduate of Lelia Lake high school, is majoring in Phys. Ed. She is taking active part in athletics and the Gata Social Club.

Jack Shelley visits JAP HOMETOWN

Mr. and Mrs. Guy Shelley have received word from their son, Jack, who is Radioman on the USS Lexington, that he had been ashore in Japan. He said the civilian people there were very poor and the houses mostly just shacks. There are a few nice homes, but not many. The people will trade most anything for an American cigarette. It was at Yokosuka, a large Naval Base, where Jack went ashore.

Jack took his radio, scheduled at Pearl Harbor. Out of a class of 70, Jack made fourth from top, or finished fourth top man. He was assigned to the Lexington June 4th and was in the 3rd Fleet when they hit Japan on the 10th of July and was in Tokyo Bay until the 3rd Fleet started home. He is now in the 5th Fleet. Jack hopes to get home in a few months.

AAA FARM NEWS

40-Hour Week
The Donley County ACA Office will operate on a 40-hour week and will be closed on Saturday afternoons and Monday mornings. The convenience of the Producers was considered in selecting the time to close the office.

Dairy Production Payments
Dairy Production payments for the July, August and September period are being made now at the county ACA office. The rates for this period are: 55c per hundred weight on whole milk sold, and 13c per pound on butterfat. All evidence for sales made during the three months July, August and September should be brought to the county office during the months of October or November.

Cotton Crop Insurance
All the Insured Producers in the county have been notified of the amount of Premium they owe. These premiums are due now and are being accepted at the county office. The premiums are based on the price of cotton on August 31, 1945 which was 2275c for this area. If the premiums are paid on or before October 31st no interest will be charged. Interest, at the rate of 1/2% of 1% per month will be added to any premium paid after the 31st of October. Interest for three months will be automatically added if payment is not made on or before October 31, 1945 because a part of a month will be considered a whole month.

Beef Production Payments
Beef Production Payments can be made for any eligible beef sold or slaughtered during the months of July, August and September. All evidence of sales or of slaughtering should be brought to the county office before the last of November.

Legion Airs

By Legion Reporter

The following has been mailed to every P.O. Box in Donley County:
Aubyn E. Clark Post No. 126
Dear Friends:

Since the declaration of war approximately 1060 men and women of Donley County have been in the armed services of the United States Government. Now since hostilities have ceased it is natural that all persons are thinking of a proper and fitting memorial for this patriotic service by these men and women. To this end the American Legion Posts of Hedley and Clarendon, after much discussion and investigation, have decided the best possible memorial will be a place where these men and women and their families and friends can meet, visit and relax as well as enjoy themselves. With this thought in view, the Johnson's 93 acre tract of land west of Lelia Lake has been selected as a suitable site for such Memorial.

Please refer to the Donley County Leader under date of October 4, 1945 and there you will find the Articles of the Memorial Association, from which you will see that the general public will participate in the pleasures by the plans therein offered.

The next meeting of the American Legion in the Legion Hall at Clarendon Tuesday, Oct. 16, 1945, 7:30 p. m., will be a general get-together of everyone who is in favor of this plan and you are most cordially invited to be present. This will be the "Kick-off" on the drive to raise the money for this worthy Memorial.

This is one plan that can and will unite Donley County as it probably has never been united before.

We of the Legion are looking forward to seeing you and/or all members of your family at the above mentioned time and place.

Sincerely yours,
Glenn E. Allen
Adjutant

Four members of the local post met with the Hedley Post Tuesday night and presented the Articles of the Memorial to that Post. It was accepted by that post as was written.

LOCAL BAKERY UNDER NEW MANAGEMENT

The bakery, formerly operated by Earl Hill, has been reopened under the management of Jim Robertson, who recently was an employee of a bakery in Amarillo.

As soon as a sufficient amount of scarce ingredients is obtained, the bakery will resume full operation, with a complete line of pies, cakes, bread, doughnuts, cookies and other pastries.

Mr. and Mrs. Robertson are former residents here and are well known. Mr. Robertson stated this morning that he invites everyone to visit his shop and look over his fine selection.

Mrs. J. C. Talley went to Pampa Friday where she spent several days with her daughter, Mrs. Vestal Mosley and family and her sister, Mrs. Cora Patterson.

JACK SEMRAD SERVING ON USS KILLEN

ON THE USS KILLEN OFF JAPAN (Delayed)—Jack Semrad, fireman, first class, of Clarendon is serving on this destroyer which is participating in the occupation of Japan with the Northern Pacific Force. She is helping enforce the peace in Honshu and Hokkaido.

The Killen, now commanded by Cdr. J. L. Semmes, USN, Memphis, Tenn., saw action at Leyte, the Battle of Surigao Straits and Borneo. She was attacked by seven Jap planes in Leyte Gulf last November and struck down four before she was struck by a 500-pound bomb, which killed 17 and wounded six of the crew.

Jack is a son of Mr. and Mrs. John Semrad of Clarendon.

T/SGT. GAIL ADAMS HAS DISCHARGE

T/Sgt. Gail Adams is back home after 34 months of overseas duty. He received his discharge at San Antonio the past week after six years of Army duty.

Sgt. Adams holds the ETO Theater Ribbon with 8 battle stars, the Presidential Citation with Oak Leaf Cluster. He first landed in North Africa and followed advancing armies through to Germany. He was a member of the famed 17th Bomb Squadron. He will make his home in Clarendon.

HARLESS McMAHAN RECEIVES DISCHARGE

Harless C. McMahan, former city employee and cotton ginner, received his discharge from the Ft. Sill separation point Oct. 3rd and is now at home here.

McMahan has been in the service in the States for the past 31 months as a general clerk. He enlisted for service March 2, 1943 at Lubbock.

Rev. John Ellis is attending to business at Dallas this week.

Schedule For Canning Center Is Changed

A new schedule has been arranged for the Clarendon Canning center according to J. R. Gillham, local supervisor of the project.

Mrs. Myrtle Lindsey will continue to act as instructor in charge of the center which will operate from 1:30 to 7:30 p. m. on Fridays, and from 8 a. m. to 5 p. m. on Saturdays. The new schedule will start October 19th.

This change in the canning center schedule was necessary in order that both the canning center and the school lunch room project sponsored by the P.T.A. could use the same rooms.

Mrs. Lindsey has asked that all persons desiring to can hominy to try to make arrangements to do so on Saturdays, due to the long hours required for this type of canning.

SCHOOL BUS DRIVERS ASK PUBLIC TO OBSERVE TRAFFIC REGULATIONS

School bus drivers are asking the public in a nice way to observe traffic regulations concerning school buses or otherwise violators will be turned in and a heavy fine may be the result. School buses unloading or taking on school children should not be passed at high speed. This rule should be observed as the violator is liable to a heavy penalty.

Car drivers should observe the right-of-way rules and not subject bus drivers to throw on their brakes suddenly as this is very unpleasant for the little fellows riding in the bus and could be injurious in certain instances.

J. H. DUCKETT SUCCESSFUL WITH NEW CROP

In 1928, J. H. Duckett moved to Clarendon from Hall county and has been engaged in crop farming since that time trying all various types of feeds, cotton, etc. He bought a farm at Lelia Lake in 1943 and in the spring of this year decided on a different crop. He ordered a hive of bees and he reports a very successful crop of honey that carries a very delicious flavor. The only complaint against his new crop venture is his neighbors who claim that his bees stay busy in their alfalfa fields and flower beds.

All J. H. needs to do now is pass the honey around and we can manage to get the hot biscuits.

MRS. ELGIN WARREN KILLED IN PLANE CRASH

Mrs. Elgin Risley Warren was killed at Fritch last Sunday in a plane crash. She is the former Elgin Risley, daughter of Mr. and Mrs. Charlie Risley, formerly of Clarendon. She was reared and educated here and well and favorably known by all the younger set. Her husband at the time was employed in Ft. Worth. The pilot of the plane died also, a few days after the accident.

E. J. WISE PURCHASES APARTMENT HOUSE

Mr. and Mrs. E. J. Wise have moved back to Clarendon from Amarillo to make their home. Mr. Wise has purchased the apartment house just south of Hemmel's Texaco station from O. W. Latson and will manage the affairs there.

OLD TIMER VISITING IN CLARENDON

George M. Bugbee, one of the Panhandle's true pioneers, and for a long time a Clarendon resident, arrived here from his California home Tuesday for his regular annual visit, attending business matters and meeting his many old friends, which means all of Clarendon citizens who are among the old timers.

PIE SUPPER AT GOLDSTON SCHOOL FRIDAY NIGHT

The Leader office has been informed that there would be an old fashioned pie supper at the Goldston School house Friday night, October 12th. Everyone is invited to come out and enjoy this community get together. The proceeds from the affair is to be used to buy school supplies.

White Deer Bucks Defeat Broncs 6-0

The Broncs were the victims again here Friday night when the nearly seven foot boy from White Deer leaped up in the fourth quarter and snagged a pass to give them a 6-0 lead which the Broncs were unable to break in the few remaining minutes of the game.

The Bucks outplayed the Broncs during the first quarter of the game but after that the tide started turning in the Broncs' favor with the locals driving within the 10 yard line two different times, with bad breaks and the lack of punch holding them back from the goal line.

The entire Bronc team fought hard throughout the game and really put on the pressure with their passes. They passed 30 times and completed 10 of them for over 150 yards.

This was the third game for the Broncs, and their first non-conference game which did not count on their district standing.

Last week's results of other conference teams were Wellington 60, McLean 0; Memphis 0, Shamrock 18; Lakeview 14, Wheeler 0; Lefors 6, Panhandle 6.

Broncs To Visit McLean Tigers Friday Night

The Clarendon Broncs will journey to McLean this Friday night to tangle with the McLean Tigers in the third conference game of the season.

The Broncs have been working hard this week ironing out kinks and otherwise, in preparation for the game and are picked to win the game this week. McLean took a terrible beating from the Wellington Skyrocks last week to the tune of 60-0, and their condition and morale both are expected to be fairly low.

The Tigers have a pretty fair ball team and it is sometimes the weak ones that do the pushing around and the Broncs are not getting too cocky over this fact, and are preparing for the game as if it were the toughest of the season.

The Broncs will be in there with full strength with the exception of one or two players. Bulman suffered another injury to his hip in last week's game and will not be able to get in the game this week.

The starting lineup for the Broncs this week will probably be the same as last week with the exception of Bulman.

Make your plans to go along with the Broncs this week and let them know you are behind them. They may lose some of their games but they are putting out the greatest effort to win in every game. Your backing can help a lot. The game is scheduled to start at 7:30, and is at the McLean stadium.

LT. LED JAY HOME AFTER 27 MONTHS OVERSEAS

Lt. Led Jay, son of Mr. and Mrs. Andrew Jay of this city, arrived home Tuesday night after being overseas for the past 27 months.

Lt. Jay served with a Quartermaster Trucking Company with the 7th Army and was in England, France and Germany. He has been in the service for the past six years and has been in charge of colored troops for the past 34 months.

He has signed up for additional time in the service but states that he is happy to be back home for a visit again. He has a 45 day furlough and will report to Ft. Sam Houston November 25th.

LIBRARY NOTES

By Mrs. C. A. Burton

Out of print books are coming back and quite often in beautiful editions. So many books were reported out of print during the war. Another noticeable trend is the production of so many books for children, most of them beautifully illustrated.

Both in fiction and non-fiction are many books designed to acquaint us with the rest of the world, particularly about Japan, China and Russia.

David Russell, poet laureate of Texas, and professor of speech at S.M.U. is to talk on his new book, "Sing With Me Now," at Sanger's one day this week. This is the first time a man has been chosen as Texas poet laureate.

An instance of reprinting an out-of-print book now is Edward Bellamy's famous Utopian novel, "Looking Backward." It is now available at a very moderate price. It was first published in 1888 and has been successful ever since.

James Street is the latest addition to the list of speakers for the Southwest Book Fair. His new book, "The Gauntlet," has a Texas setting and is the November choice of the Literary Guild.

The author of "The Power House," Alex Comfort, is also a poet, "The Song of Lazarus," is a physician by profession, in full

time practice, is only twenty-five years old, and has written three plays, three novels, and four volumes of verse.

Sgt. Josiah E. Greene won the MacMillan Centenary Fiction award of \$2,500 with his "Not in Our Stars"—which is described as a hard-hitting and dramatic story about a growing metropolitan dairy farm. Sgt. Greene is stationed at Lowry Field, Denver in the Army Air Forces. He served overseas for six months in 1944. He dreams of an eventual home on a Connecticut hilltop and says the \$2500 will be used for the cornerstone of that home.

Bernard Baruch's autobiography is up to date, but he will not permit its publication now. This venerable financier served his nation well in two wars—but does not want to release his autobiography until his years of usefulness are over.

Hervey Allen, author of "Anthony Adverse," is writing another long novel which is to be called "The Disinherited"—from his ranch at Coconut Grove in Florida—and he is also editing the Rivers of America series in his spare time.

Harry Edward Blair who is attending school at A&M spent the week end visiting his parents, Mr. and Mrs. Harry Blair.

Mr. and Mrs. Harry Blair and daughters Delene and Biffie Dee were shopping in Amarillo Tues-

MIDWAY
Mrs. Joha Goldston

The Midway school children had quite a thrill one morning last week as the bus passed the Will Chamberlain home. They saw a B-24 land. The plane landed for directions to the air port. After receiving directions and taking off, they returned and asked Mr. Chamberlain to accompany them as a guide as it was a very foggy morning. So Mr. Chamberlain had the thrill of a plane ride.

Mrs. Marguerite Langford of Calif. arrived here Saturday. She is staying at her home on her farm.

Cpl. and Mrs. Dan Keller and Dan Jr. were guest in the Goldston home over the week end. They visited in the Chamberlain home and at the Rowe Ranch Sunday afternoon. This was Cpl. Keller's first visit to Texas. He returned to San Antonio the 15th for further orders.

Mrs. Elizabeth Evisizer of Amarillo spent the week end in the Longan home. Mrs. Longan returned home with her to visit S 1/2 and Mrs. Harley Longan over Monday.

visited at Dallas, two days last week. Pvt. J. L. Stone was home over Sat. and Sunday from Sheppard Field.

Mr. and Mrs. Huet Swinney and daughters visited his sister in Pvt. and Mrs. J. T. Stone visit Amarillo over the week end.

in the Longan home Sat. morning.

S 1/2 Harley Longan returned to Calif. Thursday.

Mr. and Mrs. Ben Chamberlain and Parary spent Sat. night with Mrs. Chamberlain.

Buck Mooring of Groom spent Saturday night with his brother, Ed Mooring.

Those to visit in the Ed Mooring home Sunday eve were Mrs. Scott and daughter Irene and son, Roy Stewart and Ida of Goldston, Joe Stewart, Hugh and Peggy of Pampa.

Tom Mooring and family of McLean took dinner with his brother, Ed Mooring. Mrs. Scott and daughter and son visited Mr. and Mrs. Hefner Sunday eve.

LELIA LAKE WHIRLWIND

Gulf Show
Last Wednesday finally came for all of the eager children that had been waiting to see the Gulf show. They reported they enjoyed seeing the pictures "Alaska" and "Tomorrow's Harvest" very much. One could tell by their broad smiles and bright eyes that they enjoyed drawing time and refreshment time.

We wish to thank Mr. Powell of Clarendon and his associates of Houston for giving us a most enjoyable evening. We extend a special invitation for them to come back to see us.

Brother Home
Lester Joyner, our bus driver, has been in East Texas visiting his brother who was a prisoner in Japan for 3 years.

When the kindly old lady complimented the young man for holding the door open for her, a rare courtesy in this age, she asked him just where he learned to be so polite. The old farm-raised boy replied: "I learned it from

Pioneer Ranch Couple Celebrate 50th Wedding Anniversary

Mr. and Mrs. C. D. McDowell, pioneer ranch couple celebrated their 50th wedding anniversary at their hill-top home in West Clar-end Saturday.

A pit barbecue was given and their many friends were served with baby beef, bread, brown beans, salad, cake and coffee from large tables in the back yard.

It was such a gathering as one might expect at the golden jubilee of a pioneer pair whose domestic paths had stretched far inland from the wide and wild frontier of half-century ago.

Old trail drivers and early day ranchmen gathered in the shade of trees to re-tell the tales of long ago. Indoors a short program was rendered. Mrs. E. D. Landreth accompanied by Mrs. Millard Word sang "I Love You Truly" enjoining with "Silver Threads Among the Gold." and Mrs. Tom Campbell, Wellington accompanied by Miss Tommie Anne Campbell responded with "When You and I were Young Maggie," and Jimmie Dean Howze played a piano solo.

The McDowells grew up on adjoining ranges in Childress and Collingsworth counties. Separated by only twelve miles of tall grass the couple met at a picnic near Loco community in the early '90's. "It was love at first sight", so after three years of romance the two were wed and set out for themselves.

After ranching together for five years near Childress the McDowells moved to Moore County and ranched in the brakes near

Mill Iron Ranch To Hold Third Annual Sale of Registered Hereford Bulls On Thursday, November 1st

Wellington, Texas, Oct. 11—The Mill Iron Ranch will hold its third annual sale of registered Hereford bulls at the Cottonwood headquarters on Thursday, November 1, Lafayette M. Hughes announced this week.

In announcing the sale, Mr. Hughes said: "With but few exceptions all of our Mill Iron bull calves since 1937 have been sold to neighbors and friends within a radius of approximately 150 miles. These same neighbors and friends will have the first opportunity to buy this year's bull calf crop, which is the best we have yet produced."

Phenomenal results have been obtained by commercial cattlemen who have been using these bulls as herd sires for the past eight years. Herds of mixed breeds have been improved in a few short years to such an extent that it is difficult to tell them from a pure bred herd. One buyer, who had a herd of Jerseys, reported that the first cross resulted in a crop of white faced, heavy set calves that fed out remarkably well.

Twice this fall individual cattlemen offered to buy the entire bull calf crop of 1945; but the offers were turned down because Mr. Hughes wanted to stay with his original plan of placing his bulls with commercial cattlemen adjoining the Mill Iron Ranches.

This crop has a 33 1/2 per cent cut, which cut is going through feed lots to packers for further proof that Mill Iron breeding is a key to high meat quality. Only the top two thirds will be offered for sale this year.

However, the majority of the bulls have gone to commercial cattlemen who used them to improve the quality of their Hereford herds. The results can be seen on scores of ranches in the Southeastern part of the Panhandle. The Mill Iron bulls have been used to produce herds of a high quality and remarkable uniformity.

The sale will be held as usual at the Cottonwood headquarters located two miles south and 10 east of Wellington.

Austin (Polly) O'Neil, manager of the Mill Iron says that for weeks inquiries have been coming in from commercial cattlemen and owners of registered herds asking the Wellington office the date of the next sale. The majority of these come from cattlemen who have been using Mill Iron bulls.

Typical of these from owners of registered herds is a letter from Jack Casement of West-plains, Colorado. In part he says, "I have intended to drop you a line all summer to tell you what a fine calf the one we got from your herd bull, one that is not nearly up to the caliber of the cows he is with, which is, of course, slow suicide. And I certainly do not know where I could remedy the situation better than with the help of Mill Iron."

FIFTY YEARS AGO . . .

At the turn of the century most Americans were kindling their streetlights and kerosene lamps by torch or match. The polishing of lamp chimneys and trimming of wicks were grimy household chores.

In the homes of a few rich people electricity was being installed. Since it was very expensive, very new and extremely hard to obtain, electricity was ultra smart and most fashionable—fashions, you know, are things that are scarce and in keeping with the prevailing customs. Judged by these standards, use of electric service is old fashioned—it hasn't skyrocketed like other necessities, it's readily available to the smallest home at pre-war levels and there has been an ample supply.

Operating costs, as in other businesses, have advanced progressively in the electrical industry—taxes have been on a tremendous upsurge—only the most careful direction and private initiative, advancement in methods could the electrical industry continue to supply its services at decreasing costs.

Sound and practical business management under governmental regulation as distinguished from government ownership tax-subsidized political operation are your guarantee that as new electrical comforts are available, adequate power at a reasonable total cost will prevail.

DEAD CALM IN A HURRICANE ? YES
NO

In the very midst of a hurricane you'd be safe! Its center is sort of "hollow" . . . calm. All weather packs surprises, you bet—especially Winter weather. Yet you can bet on having your aging car face it safely, with the engine's insides under guard of OIL-PLATING!
Changing to Conoco Nth motor oil is all it takes for an OIL-PLATED engine—fortified throughout with lubricant bonded to metal direct, by the magnet-like action of Conoco Nth oil's added ingredient! OIL-PLATED metal defies corrosion and other wear. Surfaces kept OIL-PLATED during long cold waits have protective lubricant ready in advance to minimize starting wear. And always—the less wear, the less reason for carbon, sludge, and breakdown. You bet you want Conoco Nth oil for Winter. Change today.

Donley County NFLA Elects Director At Annual Stockholders Meeting

R. W. Moore of Clarendon was elected to the board of directors of the Donley County National Farm Loan Association at the organization's annual meeting held in the Pastime Theatre at Clarendon Wednesday, October 3, 1945. Mr. Moore was re-elected after having served as a director for the past 9 years. Other directors of the association are: Chas. H. Bugbee, J. B. Masterson, C. B. Morris and A. T. Simmons.

In his report, President Bugbee reviewed progress that farmers in this area have made in liquidating their loans as a result of recent good crops and prevailing good prices.

L. Smith reported: an increasing interest among farmers and ranchers in the type of loan the Federal Land Bank has to offer as evidenced by a number of loans now being closed by the Association. He asked that all members contact their friends who are interested in dependable, co-operative credit to buy or improve their farms.

A financial statement of the Association appears in this issue of the Leader.

Dean Moore of Wichita Falls is visiting his sister and family, Mr. and Mrs. Johnny Beard.

Handicapped Veterans Being Employed

In connection with "National Employ the Physically Handicapped Week," October 7-13, 1945, as proclaimed by the President, the Tenth U. S. Civil Service Region (comprising the States of Texas, Louisiana and Mississippi) announced that 3,232 placements of physically handicapped persons were made in the Tenth Region during the period October 1, 1942, to July 1, 1945, 570 of this number being handicapped veterans. During the month of July, 1945, 104 physically handicapped veterans were placed in Federal positions in the Tenth Region.

The Tenth Region further announced that more than 10,000 physically impaired veterans had been placed in Federal field establishments throughout the United States since July 1, 1945.

The Civil Service Commission has, for the past three years, been engaged in a positive program designed to bring about the maximum use of persons with physical handicaps.

CLEAN AS A HOUND'S TOOTH!

That's Phillips 66

THE HONEST OIL—FROM DEEP IN THE HEART OF OKLAHOMA!

Brother, if you want a clean, sweet, protective oil for your car—lay your dough down for Phillips!

It's clean because it starts clean, and we refine it cleaner. Yessir, we've got a grudge against sludge—and the greatest cause of engine gunk and muck is an oil that isn't as clean as it ought to be.

And the greatest thing about Phillips 66 is—all its God-given lubricating qualities are unimpaired.

We don't claim the credit for this wonderful oil. We just had enough sense to recognize a great job by Mother Nature—to take it out of the ground—and not to fool with it too much!

So when you change your oil every two months (as you should if you want to keep a car under you) just tell that man—"Fill 'er full o' Phillips!"

You won't find a more honest, natural lubricating oil in America!

"Fill 'er Full o' Phillips!"

Reception Centers Open

Practically all reception centers operated for the benefit of migratory farm laborers in Texas now are complete, and a number of them are in operation, the farm labor office of the A&M College Extension Service has announced. As workers pass immigration stations or other designated points in South Texas they are given copies of a booklet printed in both Spanish and English "Reception Centers for Migratory Farm Workers" which describe the centers. Usually they are located near strategic highways and offer parking space, sanitary facilities including showers and toilets. In some instances gas cook stoves are available for workers. Usually the centers are near cafes and grocery stores. Currently 15,000 to 20,000 migratory workers are being placed each week by Texas county agricultural agents, according to C.

Hohn state farm labor supervisor.

Even though the cotton crop is late, pickers or pullers now are needed in practically every part of the state. Pickers are in demand in the Blacklands and Grand Prairies and in the Trans-Pecos area, including Pecos, Ward, and Reeves counties. Cotton in the Rolling Plains is opening. Donley County has requested 500 boll pullers immediately. Centers for migratory workers are located as far south as Corpus Christi, as far East as Wharton and Navasota, as far West as San Angelo and as far North as Shamrock and Panhandle.

NEW ENLISTMENTS AND RE-ENLISTMENTS BEING OFFERED ADVANTAGES

Men discharged under the "point system" who have intentions to reenlist in the U. S. Regular Army are reminded that they have only until 20 October 1945 to reenlist and retain their temporary grade.

The army is offering many advantages to new enlistments and re-enlistments alike. Some of these advantages are:

1. Good pay and allowances.
2. Higher ratings in the post war army.
3. Technical schools and training.
4. Enlistees may select the theater or arm or service in which they wish to serve—Europe, Middle Pacific, Pacific, China, Caribbean Defense Command, African Middle East Theatre and Alaskan Department.

The U. S. Recruiting Station is located in the Post Office Building in Amarillo.
