## Tax Rate And Bond Assumption Election To Be Held May 31

A petition was filed this week calling for an election May 31st in regard to the Chamberlain School District which is now a part of the Clarendon Independent School District. Voters of the entire Clarendon School district are eligible to vote on the question of setting tax rates and assuming the bonded indebtedness of the Chamberlain district.

The main point of the election is to equalize the tax rate which will effect the entire district. School officials report this a very important election and are urging everyone to come out and vote. The only voting place will be the school tax office in the Farmers State Bank Building. The polls will open at 8 a. m. and close at 7 p. m.

## Game Commissioners To Meet Here With Sportsmen, June 5

Game and fish laws for the Panhandle, under the new bill giving the Game, Fish & Oyster Commission regulatory authority, will be discussed in a meeting of sportsmen and land-owners here June 5th at the District Court room in the court house at 8 p. m.

All sportsmen and land-owners are urged to attend, says Jim Maggard, game warden, who arranged the meeting here and numerous other towns over the Panhandle.

Numerous problems confronting the Panhandle in regard to fishing and hunting will be discussed and everyone is requested to be present with their recommendations for this particular area. A movement has already been started to place restrictions on trotlines in Panhandle lakes, increases on bag limit on some varieties of fish and changes in the seasons for hunting dove and quail. Several sportsmen and land-owners in Donley county have been discussing a possible closed season on quail in Donley county. These are just a few of the ideas that will be discussed, so if you are interested in the future of the game and fish in this area be sure to be at this meeting.

## CLASS OF INSTRUCTION IN THE ART OF CERAMICS MAY BE ORGANIZED HERE

It is quite likely that a class of instruction in the art of Ceramics will be organized in Clarendon in the near future. At least 3 competent and experienced teachers are available or will be soon, and they are anxious to start a class if it can be arranged to suit those who would like to have it.

All those interested should get in touch with Mrs. Ed Speed or Miss Carrie Davis, as there is a minimum number necessary before plans can be completed.

## MUNITIONS BLAST KILLS 26

SOUTH AMBOY, N. J.—Twenty-six persons were killed, 400 injured and property loss of perhaps \$20,000,000 caused when twelve freight cars of munitions exploded while being loaded onto four barges on the waterfront here. Photo shows one of the barges afire after the blast. Mines and shells purchased by the Pakistan government comprised the shipment.

**Do We Remember?**

**D**ID YOU SAY, or did you think that the crash of guns, the rattle and crackle of small arms, the deadly thudding of grenades, the swish of iridescent water against the sides of blacked out ships, the scream of dive bombers, the shrill insistence of boatswain whistles, the trilling whirr of rockets, the blunt crash of bombs, the shrieks of dying men, are all in the past?

Most folks think that those days are layered over with the press of current events and the pressure of day to day living in peace and what goes for security these days.

Yes, most folks think the hell and horror of war is over. Most people are glad that the stink and the mud and the terror is all part of history now.

But it isn't—not at all.

THOSE THINGS live today almost as fresh and terribly terrifying as they were five, six or seven years ago. Those things happen again every night and tear the soul with as cruel slashes as they did on the beaches of a thousand islands, in the hedgerows, mountain passes and deserts of the fronts all around the globe.

The hurt and the memory of the hard still lingers. In the minds of the men whose bodies and minds were torn in the holocaust the recollection never grows dim.

Those thousands who have spent every day since then in hospitals have had to live close to it. They have not had the grace and goodness of civilian life to spread a thin veneer of insulation over scars and burns of those days.

OH, I KNOW HOW easy it is to forget things which are painful to remember—unless such have been branded so deeply that conscious thought is never free from the ugly recollection.

Thus it comes as a shock, a hurting shock to hear that more than fifty two thousand disabled American veterans have been in the hospitals for an entire year without a single visitor.

The gray walls, the gray corridors, the gray bathrobes, the gray ceilings and the gray faces of the patients in the veteran's hospitals are easy to forget. So easy to put out of mind in the rush and color and goodness of life in these United States.

But we must not forget. We must not forget so soon. We promised a lot of times that we wouldn't forget them. Now it is time to pay the debt—and it is a real debt.

IT IS THE TIME NOW when the veteran who has been awarded a compensation payment under the law is looked upon as a tax liability and moves are under way in both houses of congress to effect some economies in this part of governmental expense.

This, too, is further evidence that we are forgetting.

Good to relate is the fact that the Disabled American Veterans (the DAV) are organized in order to help each other. No other program or project is on their agenda. The idealism of the organization is not left to walk on clouds. It is practical and hard headed in its approach to the problems of the disabled veteran. Of course there are some mistakes made, but they are few and hundreds of worthy, needy and honest veterans are honestly helped.

So it behooves us who are fortunate to remember—to remember that the war isn't over—that it won't be over—that it comes back again and again, into the lives of those that hurt in body and mind.

Fifty two thousand completely forgotten disabled American veterans is a national disgrace. Add to that figure those other hundreds of thousands who still bear the burden of war with a tiny money payment as compensation.

THAT'S ALL FOR TODAY.—Don't forget those who can't forget.

—A. M. Hazlett, "Sounding Off", Posh Valley Democrat, Posh Valley, Oklahoma, winner of Disabled American Veterans annual newspaper column award.

## Goldston Loses Close One To St. Francis

The ball game last Sunday had another sad ending as the St. Francis team emerged victorious over the Goldston club 12 to 10. The locals were doing extra well with the bat and had 15 hits to their credit with three home runs. Skinny Putman, Duane Littlefield and John Richey each knocked home runs and Gene Putman hit a three bagger. St. Francis had only 5 hits to their credit but wound up with the winning score. Roy Stewart started on the mound but was relieved in the second by Eddie Reynolds who went the rest of the game.

The next game will be with Panhandle at Panhandle next Sunday.

## FOUR LOCALS RECEIVE DEGREES AT TECH

Texas Technological College at Lubbock held its 24th annual commencement exercises at 8 p. m. May 22nd in Jones stadium for 1,011 students scheduled to receive bachelors or masters degrees.

Among this group were four from Clarendon. They are Robertson I. Ward, BS in Agriculture; Robert Semrad, BS in Petroleum Geology; Elise Norwood Semrad, BS in Education; Boyce Dabney Edens, BBA.

## Memphis Boosters To Be Here Friday

The Leader has been notified that a delegation of Memphis citizens will arrive here at 9:20 Friday (tomorrow morning) to advertise the Hall County Rodeo that will be held in Memphis Thursday, Friday and Saturday, June 1st, 2nd and 3rd.

## LEGION CONVENTION IN AMARILLO THIS WEEK END

The Fifth Division of the American Legion is holding its annual convention in Amarillo this week end, May 27 and 28. A large number of Clarendon Legionnaires are planning to attend the meeting and hear Gen. Ernest O. Thompson dedicate the new \$100,000 home of Hanson Post of the American Legion in Amarillo. We have been informed that there will be fun and business for everyone of the Legion, Auxiliary and Forty and Eight.

All towns in the 16th, 17th, 18th, 19th and 21st Congressional Districts compose the Fifth Division and the largest crowd ever is expected for this occasion.

## TRAIN SCHEDULE CHANGED

Effective Sunday, May 28th, FWDCRY Trains Nos. 7 and 8 will have diesel power, cutting running time of about 1 hour and 15 minutes between Clarendon and Dallas.

Train No. 8 North bound will arrive in Clarendon 6:18 A. M. instead of 7:31 A. M., and train No. 7 South bound will arrive in Clarendon 10:35 A. M. instead of 11:13 A. M.

No change in schedules of trains Nos. 1 and 2 which run at night.

## BLUSTERY CLOUDS ADD .92 INCH MOISTURE

Blustery type clouds during the past week have produced almost another inch of moisture with the official amount being reported as .92 inch by the official weather station at the airport. .25 inch was reported for the 20th, .18 inch for the 22nd and .49 inch for the 23rd. Considerable wind accompanied the moisture and some hail fell with the downpour Tues.

The moisture was welcome in most instances but some farmers reported the possibility of having to do some extra planting.

## School Badly In Need of Money

The school tax office issued an urgent request yesterday for much needed money to finish out the current school year. They are making their plea to those whose taxes are now delinquent. It will be appreciated if you will pay your taxes up to date or pay at least a part of the amount. There's enough money still out on the delinquent tax roll to ease our situation considerably if it will just come in, it was stated.

Mrs. Martie Weiss and Jannie went to Waco to be with her mother Mrs. Sparks who is ill.

## Visiting Air Pilots To Be Feted Here Sunday

### WEAR A POPPY

On Saturday, May 27, all of us will be asked to wear a little red poppy on our coats or dresses. The day will be Poppy Day, when, once each year, we of America pay tribute, by wearing their memorial flower, the poppy to those who gave their lives in America's service during the World Wars. And as we receive our poppy from the women of the American Legion Auxiliary, who will distribute the flowers on the streets that day, we will be aiding the wars' living victims by the contribution we make for the flower.

The poppies which we will wear on Poppy Day are not, of course, natural flowers from the battlefields. They are flowers which have even greater significance than any nature could produce. They have been grown in hospitals and workrooms where war's suffering still is going on. They have bloomed under the hands of men disabled in war—the comrades of those in whose honor they will be worn. Their petals are only paper and their stems wire, yet into them has been breathed the spirit of patriotic sacrifice, the spirit of those days when life itself was not too much to give for America.

The disabled veterans who make the poppies derive double benefit from the work. First, it gives them employment—their only chance to help support themselves and families. With strength and health gone, they cannot do regular work, but they can make poppies. Even in their hospital beds they can do this work, earning money for each flower they make. Second, the work is of real value in aiding their recovery, occupying hands and minds, breaking the tedium of long illness, and restoring spirits crushed by hopelessness.

The money which is dropped into the coin boxes in exchange for the poppies goes entirely to the welfare activities of the American Legion and the American Legion Auxiliary, supporting the work which these two great service organizations do for the disabled veterans, the families of the disabled and the families left in need by the death of veterans. Every penny is made to serve, and because of the close understanding and sympathy existing between the Legion and Auxiliary men and women and those whom they are aiding, every penny is made to serve doubly in a cause of highest worth.

Understanding the meaning of the poppy and the uses to which the poppy funds are put, can any of us be deaf to the appeal of Poppy Day? Can any of us fail to greet the Auxiliary poppy workers with a welcome smile, fail to put on the poppy of remembrance for the dead and show that we remember the living by contributing as liberally as our means will permit?—American Legion Auxiliary.

### MUMPS SPOIL TRIP FOR ONE SENIOR

Everything was going fine for the group of seniors and their sponsors that left Sunday morning for a weeks stay in Colorado until Sunday night when the group arrived at Cannon City and it was found that one class member, Jimmy Jenkins, had a good case of the mumps. The remainder of the group journeyed on their original route after Jimmy was placed in the Cannon City hospital. Mrs. Marguerite Goodner remained there with him. Jimmy's father, E. I. Jenkins was called from his vacation in Dallas to be with his son, and a phone call from Mr. Jenkins at Cannon City yesterday revealed that Jimmy was quite sick but probably would be able to make the trip home this week end.

### BERYL CLINTON RESIGNS COACH JOB

It was announced this week that Coach Beryl Clinton had resigned his position here as head coach. Clinton has been director of Clarendon High School's athletic department for the past two years. At the present time Coach Clinton is working in Canyon. Mrs. Clinton stated Wednesday that Coach Clinton had been offered a coaching position at Horace Mann Junior High School in Amarillo and all indications at the present time pointed toward his acceptance.

The local school board has been interviewing several applicants for the coaching job here since Clinton announced his resignation, but no hiring has been done to date.

### POOL SELLS GROCERY INTERESTS HERE

Jack Pool, owner of Jack's Grocery on East 3rd street, announced this week that he had sold his grocery interests to Frank Tyler of Amarillo. Mr. Tyler, brother of Grady and Dub Tyler, local jewelry store owners, took over management of the business the first of this week. He has been in the grocery business for the past two years and is well acquainted with modern grocery merchandising. He was born and raised at Claude.

Mr. Tyler's mother, Mrs. E. W. Tyler and his aunt, Miss Alice Tyler plan to move here with him within the next two weeks.

### CLAUDE FIRST GRADERS VISIT CLARENDON

Thirty-four members of the Claude first grade took their annual train ride to Clarendon Tuesday, May 23rd.

Accompanying the group was Superintendent John Morris and several room mothers.

The group arrived in Clarendon at 11:30 and were taken to the City Park where lunch was served by several of the mothers. The Chamber of Commerce and the Lions Club furnished ice cream and pop to the group. After lunch and a play period the youngsters returned to Claude with many memories of their first train ride.

Mr. and Mrs. Joe Carlile and her son Jolly Rodgers from Denver, Mr. and Mrs. Fee Fellows, Mr. and Mrs. Roy Gollighugh and daughter Fay, Mr. and Mrs. L. D. Carlile and daughter Leota and son Mr. and Mrs. Dale Carlile and baby Terry Lee all of Amarillo visited Mr. and Mrs. U. T. Fowler Sunday.

Plans are almost complete for the big invitation air pilot breakfast at the airport Sunday, May 28th. This is expected to be the largest gathering of flyers to ever be held at the local airport, and the sponsors, the Donley County Aviation Club, have made arrangements to feed all the visitors, arriving by airplane, free. All other visitors will be charged only 50 cents a plate for all the eggs, bacon, toast, jelly and coffee they can eat. As many local residents as possible are urged to come out and enjoy the entire affair. They will start serving breakfast at 8 a. m. and those going out to the field early can finish their breakfast in plenty of time to be free to watch the planes come in and land.

Invitations have been sent out to around sixty airports over the Panhandle, western Oklahoma and eastern New Mexico, and according to reports at this time, around 200 airplanes are expected to visit the local field and enjoy Clarendon's hospitality.

It has been understood that Tommy Higgs, popular organist from station KLYN at Amarillo, will be on hand with a very entertaining program and will also broadcast the entire event.

If you have never watched a large group of planes coming in to one field in droves, it will be well worth your time to go out there and see them Sunday morning as well as enjoy a first class breakfast. You will have plenty of time to attend the breakfast and get back to town in time for Sunday school and church.

If you don't have the opportunity to attend the breakfast turn your radio dial to 940 as KLYN, Amarillo will broadcast the affair, interviewing pilots and other visitors from 8:30 until 9:30.

### JIMMIE HOWZE IS MEMBER OF CHOIR TO TOUR EAST

Jimmie Howze, son of Mr. and Mrs. J. H. Howze, is one of a group of Austin College A Cappella Choir students who will leave May 28 for a tour in the East.

They will sing first at the Presbyterian General Assembly in Massanetta Springs, Virginia, then in Washington, D. C., Philadelphia, Penn., and intervening towns on the way to New York. In New York City, they will give three church concerts and a broadcast over the N.B.C. network.

The trip will take about three weeks by chartered bus, giving the students the opportunity of seeing the country and visiting many historical places.

### CHINA CAPTIVES BACK HOME

LONG BEACH, Calif.—Navy Chief Wm. C. Smith of Long Beach, left, and Marine Sgt. Elmer C. Bender, at right, are welcomed home after being held 19 months by northern China communists. Smith was greeted at Los Alamitos naval air station by his wife, Ruby, and two children, Michael, 3, and Patrick, 17 months. (Sgt. Bender is from Chicago.)

*Gaily Printed Skirts*  
 Sweeping skirts in gaily printed cotton swing the Summer vote for Carole King. The prints, designed especially for us...in styles designed especially to compliment the trim junior figure!

\$8.95

Bright mammoth butterflies against a block-printed background...a fashion favorite for juniors' days and nights. They'll love the extravagant fullness of the circle skirt...the adjustable waistline...the form deep pockets at either side.

Style No. 1564

Style No. 1565

Style No. 1563

Huge sun flowers catch all eyes as they circle round this fabulously full skirt. Its bold, bright colors and spatter background give it a wonderful "hand painted" look...its adjustable waistline snaps over to form pockets.

Huge designs against an all over background of dark print make a dramatic combination in this "heart-stealer" for juniors. A bright design highlights each gore of this fabulously full skirt and is repeated in a wide border at hemline. A morning to midnight favorite...in junior sizes 9-15.

Life-like bouquets of multi-colored flowers against a spatter background...make this a sure charmer. A wonderfully full circle skirt with an adjustable waistline, that snaps over to form deep pockets. "Fit perfect" adjustable for any...and every waistline.

ADJUSTABLE  
 To fit any waistline

\* adjustable waistband snaps to your own size in front  
 \* then ties attractively in back to fit you perfectly  
 (On 1564-1565-1566)

Those to attend were: Mr. and Mrs. Albert Sanders and Gene, Mr. and Mrs. Billy Von Sanders and daughter, all of Amarillo; Mrs. Earl Tollett and Jeffrey of Wellington; Mr. and Mrs. Melton Foster and daughter of Hedley; Mr. and Mrs. Lester Myers, the hosts, Mr. and Mrs. Earl Myers and Glenn.

**CARD OF THANKS**

Thanks to friends who sent lovely flowers, cards, kind words and prayers during my recent illness. I appreciate them more than words can express.

Mrs. Clyde Gilbert

Walker Lane was in Amarillo on business Saturday.

**Gabie Betts Burton**  
Library Notes  
By May L. Prewitt

Recently the New York Times Book Review discussed Faith Baldwin who at the age of 57 turns out from two to four novels a year. She looks about forty, receives an enormous quantity of fan mail, and pays a high income tax. She states "It would be nice, if you could keep the tax and give the government what's left over." Some one said the other day she reported more than seventy novels to her credit. That is when she was interviewed by the "Welcome Travels" that this statement was made. We desire to purchase some of her recent editions soon.

"South Pole Husky" by Charles S. Strong was given to the Library in memory of Mrs. Ralph Porter. It is a 1950 Junior book and against the authentic back-

ground, this is a tale of outstanding achievement. The heroic part the huskies play in it is one that will appeal to both young and old who love adventure and cherish brave, devoted dogs. This book was placed here by the King twins, Ruth and Rebecca. Life of "Timothy Dwight Hobart" by L. F. Sheffy was a memorial and "Rudyard Kipling" by Hilton Brown also. These were each given in memory of Jennie Dale Porter—the first by the Frank White Jr. family, and the latter by Mr. and Mrs. Jim Morris of Memphis, Texas. Each of these books are helpful assets to our Library shelves. We also acquired a devotional edition—"Springs in the Valley" by Mrs. Conman. The daily readings and poems make this a worthwhile addition to our scriptural shelf.

The children are enjoying our books, but we can't supply all the demands as we haven't enough books. I notice some of our neighbor Librarians have stocked with supplementary readers. Probably we are all lacking material for the first three grades.

Mr. and Mrs. Albert Graves of White Deer visited Mrs. J. T. Patman and Miss Mantie Graves the week end.

Miss Carrie Davis and Miss Mantie Graves were guests of Mrs. E. D. Landreth at Amarillo Sunday.

**OFFERS TO PAY FRIENDS IF HADACOL DOESN'T HELP**

HADACOL HELPS SUFFERERS OF VITAMIN B<sub>1</sub>, B<sub>2</sub>, NIACIN AND IRON DEFICIENCIES

Mrs. Wallace tells her granddaughter, Maynell Wallace, over the phone how HADACOL brought relief to her.

Mrs. Belle Wallace, 449 Formwalt St., S. W., Atlanta, Ga., is so grateful to HADACOL for the blessings it has brought her that she has recommended HADACOL to a number of her friends. She told them she would pay for their bottles of HADACOL if it didn't help them. She explains with a smile that she hasn't had to pay any of her friends, because HADACOL has helped them.

Mrs. Wallace, who is 74 years old, has five children, seven grand-children and two great-grandchildren. She was suffering from a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron, which HADACOL contains.

Mrs. Wallace said: "I couldn't sleep or eat until I started taking HADACOL. I'd lie awake and toss and turn until the small hours of the morning. I was highly nervous. I couldn't even thread a needle. But, since I've been taking HADACOL, my nerves are as steady as can be. I couldn't eat because when I did my stomach would puff and bloat and fill with gas. I am on the 7th bottle of HADACOL and my stomach is so much better.

**Appetite Good**

"I have a good appetite and my stomach does not bloat or fill with gas. I sleep like a log. I have recommended HADACOL to a number of friends and have told them that if it didn't help them, too, I'd pay for it, but I didn't have to because HADACOL did help them. HADACOL has done me more good than anything I have ever taken."

**You'll Feel Great . . .**

. . . with the first few bottles you take, or your money back. There is only one HADACOL and it is sold on a strict money-back guarantee. So give this remarkable HADACOL medicine a chance to help you. It's never too late to start taking HADACOL. Many who despaired of improvement found that HADACOL was almost like a miracle for them. Remember that HADACOL is amazingly different and amazingly effective because it treats the real cause of deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron. Make up your mind to take HADACOL regularly. Refuse substitutes. Insist on the genuine. You can't lose a cent, because it's sold on a strict money-back guarantee. Only \$1.25 for Trial size, Large Family or Hospital size, \$3.50.

## Ira Jean Estlack Complimented With Bridal Shower

Miss Ira Jean Estlack, bride-elect of Billy Chilton, was honored with a bridal shower at the home of Mrs. C. W. (Bill) Lane, Saturday, May 20th from 3 til 5 o'clock.

The entertaining rooms were artistically decorated in pink and blue flowers, chosen colors of the bride.

The centerpiece was a miniature replica of the future ranch home of the bride and groom with flowers arranged as the garden of the home. In the garden were miniature figures representing a cowboy lassoing a bride.

Refreshments of punch and individual cakes were served. The pink and blue color scheme was carried out in favors and refreshments.

Mrs. C. W. Lane, Ira Jean Estlack, Mrs. Alfred Estlack and Mrs. James L. Chilton composed the receiving line.

Miss Laura Ann Thompson presided at the punch bowl the first hour and Miss Patricia Estlack, the second hour.

Mrs. Dorothea Kelly of Amarillo presided at the Bride's Book where approximately sixty guests registered during the afternoon. Several sent gifts who were unable to attend.

Hostesses, other than Mrs. Lane, were Mesdames Olin Bain, Allen Bryan, Geo. Thompson, Dick Vallance, Geo. W. Estlack, Homer Estlack, U. Z. Patterson, Frank Thomas, Alvin Landers, Frank Hommel.

### ANNOUNCEMENT

Mr. and Mrs. D. F. Smith announce the approaching marriage of their daughter, Wilma Dee, to C. Woodley Richerson of Phillips, Texas, June 11, 1950.

### ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met at 2:30, May 19 with Lillie Knox and Nona Hinders as hostesses.

Several ladies spent much time last week cleaning and re-decorating the club room, which helped the looks of the room very much. The tables were covered with lace cloths and beautiful bouquet of flowers.

Mrs. Mary Crain of Goodnight very ably reviewed the book, "Especially Father" by Gladys Tabor, which was enjoyed by all.

This being guest, day the following ladies were present: Miss Mary Miller and Mesdames C. R. Cross, A. M. Crain, W. M. Crain, Loyd Reid, Steve Donald, Fred Patching, L. S. Newberry, C. R. Davis, Milton Davis, Herb Davis, all of Goodnight; Mrs. Charles Catoe of El Paso; Mrs. Nora Lee Mooring and son of Lelia Lake; Mrs. Billie Jean Moore and baby of Clarendon; Mrs. Hazel Brandon of Clarendon; Mrs. Lopez Hauck of Clarendon; Mesdames Josephine Barker, Watt Hardin Harold Graham and Homer Smith of Ashtola.

Members present were Joella Harp, Ima Wallace, Mary Belle DeBord, Nonie Hinders, Billie Ruth Barbee, Florence Evans, Sue Rhoades, Vena Hudson, Elizabeth Graham, Viola Graham, Johnnie Poovey, Dora Brandon, Laura Mahaffey, Charlotte Word and hostess Lillie Knox.

Several gifts were received by the members. Mrs. Crain received gifts from the hostesses and the Club.

The next meeting will be June 1st when we will have a recipe exchange. Bring your paper and favorite recipe. Dora Brandon will be hostess.

—Reporter

### IRA JEAN ESTLACK HONORED WITH KITCHEN SHOWER

Honoring Ira Jean Estlack, bride-elect of Billy Chilton, Ann Thompson entertained with a Coke party and kitchen shower at her home Sunday afternoon.

Guests registered on a wooden rolling pin tied in the bride's chosen colors of pink and blue and a unique corsage, fashioned of measuring spoons and chore girl was presented the honoree. Refreshments were served to fifteen guests.

### GRANDMA ROBERSON HONORED WITH FAMILY REUNION

Grandma Roberson was honored Sunday, May 21 with a family get-together. All her children were present except a son and daughter.

Those present were Mr. and Mrs. Frank Roberson of Colorado Springs; Mr. and Mrs. Tom Roberson of Amarillo; Mr. and Mrs. Roy Roberson and Pat of Goldston community; Mr. and Mrs. Walter Roberson of Dodson; Mr. and Mrs. Marion Roberson of Quitaque; Miss Minnie Mae Roberson of Quitaque; Mr. and Mrs. Henry Norrid and children of Amarillo; Mrs. H. J. Pettit of McLean, Mr. Carl Pettit of Alanreed, Mrs. Venia Irvn of Wellington; Mr. and Mrs. Charlie Sullivan of Amarillo; Mrs. Al Covington and babies; Mrs. Gwan Wilkinson and children; Mr. and Mrs. Linord Dozier all of Clarendon; and Minnie Roberson, Mary Correll and Hollis Correll.

Those visiting in the evening were Mr. and Mrs. Ned Grimsley of Hedley and Mrs. Mearl Chenuit of Amarillo.

Mrs. Bobbie Beard, Lama V Tatum and Portia Hay of Amarillo attended the shower for Ira Jean Estlack Saturday afternoon at the home of Mrs. C. W. Lane.

## TREATY COMMITTEE MEETS

WASHINGTON, D. C.—Pictured above are the members of the standing group of the North Atlantic Treaty organization as they met in the Pentagon. Left to right, Lt. Gen. Paul Ely of France; Gen. Omar Bradley, chairman and U. S. representative; Lord Tedder of Britain; and Lt. Gen. Willis D. Crittenger, deputy U. S. representative.

### MOTHER'S DAY SURPRISE

Mrs. A. D. Blanton's Mother's Day surprise began on Wednesday when her son, H. A. Blanton, wife and two sons came in from Dallas. Others who came were a daughter, Mr. and Mrs. Davis of Goodnight; a grandson, Mr. and Mrs. Milton Davis and son of Goodnight; a son, Mr. and Mrs. Ray Blanton and son and daughter from Summers, Ark.; a grandson, Mr. and Mrs. Arthur Blanton and two daughters from Muskogee, Okla.; a son, Mr. and Mrs. Grooms Blanton and two daughters from Dill City, Okla.; a

grandson, Mr. and Mrs. G. R. Blanton of Dill City, Okla.; a granddaughter, Mr. and Mrs. Rex Ringo and son from Dill City, Okla. Sunday morning, a son, Mr. and Mrs. Acie Blanton came from Baton Rouge, La.

The one daughter who could not come, Mrs. Jewel Smelcer of Odessa, Texas, sent beautiful gladiolus. Many roses and lovely gifts were given to Mrs. Blanton.

Mrs. Dorothy Kelly and son Rickey of Amarillo visited the week end with her sister and family, Mr. and Mrs. Bill Lane.

### MISCELLANEOUS BRIDAL SHOWER

Ann Thompson and Ira Jean Estlack entertained with a bridal shower honoring Mrs. James Moore of La Junta, Colo. Sunday afternoon in the home of Mr. and Mrs. Geo. Thompson.

Garden flowers were used in room decorations. Refreshments of Cokes and snacks, artistically arranged on a serving tray, were served to some 25 guests of High School and College.

Many beautiful and useful gifts were received by the honoree. Mrs. Moore was formerly Lois Marie Hommel of this city before her marriage in November at Clayton, N. M., and whose wedding was recently revealed when she left to join her husband who is employed in La Junta, Colo.

### ANN THOMPSON HONORED WITH KITCHEN SHOWER

The home of Mrs. Homer Estlack was the scene Saturday morning for a Coke party and kitchen shower, honoring Ann Thompson, bride-elect of Chauncey Hommel. Ira Jean Estlack was hostess for the occasion.

Guests registered on a table mat and the hostess presented the honoree an adorable kitchen corsage.

Approximately twenty guests called during the morning.

Mrs. W. D. Martin and Mrs. Griswell were dinner guests Wednesday of Mr. and Mrs. Chester Martin.

### HISTORY REPEATS ITSELF

As was written "Friday, May 16, 1947 was a memorable day to classmates, made more memorable by a slumber party in recognition of their departure from Elizabeth Stevens School". In accord this year, May 19, was remembered by a slumber party in recognition of departure from Jr. Hi by the same class mates.

Symbolic curfew sounded and the following girls met in the home of Sandra Shelton: Inelle Cox, Betty Jane Thompson, Patsy Estlack, Mary Ann Landers, Glenda Sue Davis and Shirley Morris.

Mr. and Mrs. Burl Rhea and baby William Porter of Austin came Friday for a few weeks visit. Burl returned to Austin Sunday.

 "My Little Boy"—Ladelle Cox  
 "Two Glasses"—Wilcox  
 "The Fall of Christ"—Woods Mae Morris

Interested friends are cordially invited.

**DRILL TO DEFEND FORMOSA**

FORMOSA—Chinese Nationalist army recruits are shown being instructed in machine gun operation in preparation for all-out defense of Formosa against the coming assault by Chinese communist troops.

Mr. C. D. McDowell was in Northwest Texas hospital at Amarillo last week for an operation. She is doing nicely and able to be moved to her son's home, Mr. and Mrs. Harley McDowell.

Mrs. J. Gordon Stewart and sons Larry and Dennis and Mable Mongole drove to Dallas Wednesday morning. Mrs. Stewart will visit her mother, Mrs. Easterling. Mable will attend the Presbyterian Women's executive board meeting.

Mr. and Mrs. J. B. Duckett and children from Plainview visited her parents, Mr. and Mrs. H. M. Reid.

Mr. and Mrs. L. L. Cornelius are at Lubbock attending the graduation exercises of their granddaughter, Cleo Hall, also visiting his son, Roy Cornelius and daughter, Mrs. Hall.

**Zany Wildlife Issues Being Settled In Texas**

AUSTIN — The fate of South Texas famous "beer-drinking bobcat" has not been determined but some other zany wildlife issues have been settled around the Lone Star State according to unofficial reports to the Game, Fish and Oyster Commission.

For example, a harrassed census taker resorted to fishing conversation to placate an irate citizen. He reported to his Fort Worth superiors that the successful strategy developed just as the householder's door was about to be slammed in his face—for the last time.

A Cold Spring resident went fishing in the San Jacinto River and came home with a huge bobcat he shot between bites. A South Texas report, strictly unconfirmed, told about another Texan bagging a bobcat on a fishing tackle. It seems the feline impaled itself on a stringer to which one fish was secured.

Down in Medina County in South Texas, they are working the pest eradication system overtime. Jack rabbits, which abound in unwanted quantities, are being used to bait traps for buzzards which are overly plentiful, according to the local authorities.

The women folks rallied behind the eradication program in the Athens, Texas area. Two fishermen saw a wolf attack a cow and her young calf. While one stood guard, the other raced to the ranchhouse for a shotgun. The lassie missed her shot but the beast fled and Bossie and offspring were spared further danger.

Dallas reported considerable consternation at its public aquarium when some Western African flying fish escaped and crash landed on a concrete floor. But snakes whooped up the more general state-wide attention. Some ranch hands in the Borger area used up their afternoon tea period to raid a rattlesnake tenement and kill 21 of the estimated

100 they flushed. A copperhead snake made itself more available at Hearne. A clerk found it coiled on the keys of an adding machine. After calm was restored, the reptile was dispatched.

The returns have not all come in on the bear bobcat from the Kingsville area. This creature even had a name since he was mascot at an oil camp. Workers said it lapped up its suds with great enthusiasm and that sober or not, the cat handled the assorted dogs when and if they felt like fighting. The camp offered \$50 reward but last reports were that the beast was getting its beer elsewhere.

Mr. and Mrs. J. W. Butler and children of Borger, Mr. and Mrs. J. R. Cowan and children of Borger and Mr. and Mrs. Glen Butler and Chester of Claude were dinner guests of Mr. and Mrs. Clyde Butler Sunday.

Mrs. Mollie Grey was taken to the Northwest Texas Hospital at Amarillo Friday and is very ill.

Mrs. Maurine Lackey is visiting with her mother while on vacation.

Mr. and Mrs. Sam Dyer were accompanied by Joyce Smith Sunday when they went to Panhandle to attend the funeral of Mrs. Dyer's sister, Mrs. C. E. Cleek.

Jesse Harvey of Phillips visited his mother, Mrs. Monica Harvey, Sunday.

Mr. Will Johnson spent the week end in Amarillo visiting her sister, Mrs. Anna Sparks.

**60,000 TROOPS IN AIR-GROUND MOCK WARFARE**

EXERCISE SWARMER, a large scale military maneuver set up in North Carolina by direction of the Joint Chiefs of Staff, has proven a test of the feasibility of airhead operation such as was used to break the Berlin blockade. It put in more than 30,000 troops and 26,000 tons of supplies, maintained entirely by air.

In this first combined Air-Ground tactical exercise, commanded by Lieut. Gen. Lauris Norstad, USAF, the evaluation of inflicted casualties, destruction of equipment and strategic isolation of opposing groups, determined, in the final analysis, the value of sustained airlift invasion. To the umpires, of which there are many and varied, fell the job of evaluation. The group was headed by Chief Umpire Brig. Gen. Gerald J. Higgins, USA.

EXERCISE SWARMER is the largest demonstration of airborne warfare ever held in peacetime. The troops, more than 60,000 in number, including supporting strength, have come from every Army jurisdiction in the United States. Realism, just short of the shooting war variety, was injected into the maneuvers. An "Aggressor" force, complete with spies, a propaganda mill and a uniform all its own, was set up to harass assembling troops and actual combat conditions were simulated.

Mr. and Mrs. Bobby Beard of Amarillo spent the weekend with home folks.

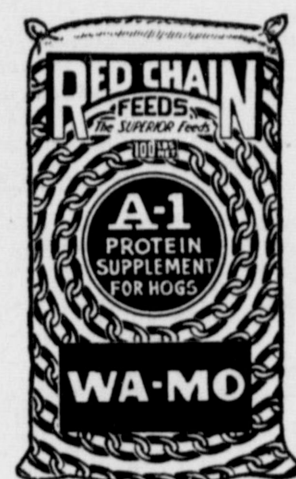

Mr. Cal Merchant is visiting relatives and friends at Ruidoso, New Mexico.

Mr. and Mrs. John Gray and Patsy of Pampa visited his mother Mrs. Fred Gray and brother, Mr. and Mrs. Jack Gray Sunday.

Doing something to protect and improve our forests is more important than mourning about what the past has done to them.

**HERE'S GOOD NEWS --**

for all hog producers

Recently Mr. Joe Edmondson of San Saba, Texas conducted a hog-feeding test, using Wa-Mo and two other commercial hog feed supplements for comparative results. The hogs that were fed on Wa-Mo and the same grain ration as the other hogs showed faster gains, on less feed and at less cost per pound of grain than was the result on either of the other commercial supplements.

Ask your Red Chain dealer for a complete chart showing the comparative results of the three supplements.

Feed Wa-Mo With Your Own Grain

## Veterans' News

**AUSTIN**—Although the entire \$25,000,000 principal of the Veterans' Land Program was committed by March 18, Land Commissioner Bascom Giles stated today that additional applications are still being accepted "under certain conditions."

"Where both seller and veteran understand that we cannot guarantee there will be money available to complete the purchase," said Giles, "we are putting the application on file."

The \$25,000,000 fund is a revolving one and thus additional purchases can be made from time to time as veterans make their semi-annual payments, Giles pointed out. Some veterans are also retiring their indebtedness at a faster rate than their contract demands. One tract in Dickens County has already been paid for in full.

"Also," Giles explained, "every withdrawal enables us to process one of the applications accepted on this conditional basis. We will act upon these new applications, if and when money is available, in the order they are received."

The down payments accompanying a "conditional" application will be deposited in the State Treasury, Giles said, and will be returned if the transaction is not completed.

No application has been accepted since March 18 except this "conditional basis," Giles stated.

 Just a few dollars more than the lowest-priced cars!  
**BLOCKER MOTOR COMPANY, Clarendon, Texas**

In 1880, the federal census showed there were 1,607 persons living in the 26 counties now generally designated as The Panhandle of Texas. The above map shows how these 1,607 persons were distributed over The Panhandle. It was drawn by Ernest Archam-

beau, Amarillo insurance man whose hobby is historical research. The map was processed for publication by Jerry Malin, writer of the Amarillo Daily News column, Panhandle People. Malin picked out the following

as some of the most interesting highlights shown by Archambeau's research: The four persons living in Swisher County listed "mustang hunting" as their occupation. In Hutchinson County one man named his chief occupation "re-cuperating health."

In the Fort Elliott list a soldier was listed as having no occupation and under "remarks" was written, "Insane." Among the odd occupations was "adolz maker," and Malin has been trying for months to find out what that means. A brick mason noted his occupation and then added, "Unemployed for one year." Not a single person listed his occupation as "Cowboy," but there were hundreds who named "herding cattle" as their occupation. There was one miner, and several "gamblers." Out of the entire population there was only one teacher, A. F. McKenzie of Hemphill County. The only doctor in The Panhandle, according to the census rolls, was S. M. Cummings who

lived in Tascosa. Of course, the army had some doctors at Fort Elliott, but all the military personnel were listed as "soldiers." Only 31 children were listed as attending school "during the past 12 months." There were three lawyers, all living in Mobeetie. The nearest railroad shipping point was at Dodge City, Kansas. During that year of 1880 The Panhandle was new land, and new people came trekking in chiefly from the midwest, Colorado and Western states. Only a small percentage came from other Southern states. There were no public roads, no public schools, and law enforcement was primarily a local matter. Wheeler County, as may be seen on the map, had the largest population. However, out of the 512 listed as living in Wheeler County, 296 were soldiers stationed at Fort Elliott. By races, 1,198 were Anglo, 358 were Spanish, and 51 were negro. Since 1880 was 70 years ago, there are some persons still living who were enumerated then. Malin is interested in knowing the name of anyone now living in The Panhandle who was listed on the first census rolls in 1880. In contrast to the horde of census enumerators employed this year to take the 1950 census there were only seven employed in 1880.

Take a look at the map, a good look. You'll notice the population centers were near running water. That is significant. It tells us today that making a life in The Panhandle in those days was mostly a matter of survival. What a far cry for those of us living in The Panhandle today! While we perhaps can't begin to really understand the hardships, the heartaches and the struggles of the pioneers, we can at least look about us and ask, "Why is the Panhandle a great and wonderful place to live in today?" The physical aspects of the country are the same now as they were in 1880. The credit for our prosperity today must go to the pioneers, to that hardy and rugged band of 1,607 souls who fought loneliness and odds with a spirit we could well do to revive today in our comparatively

easy security in order to leave the coming generations as a great heritage as the pioneers of 1880 left to us.

## FARM NEWS

From the County PMA Committee

### MEETING OF COUNTY AND COMMUNITY COMMITTEEMEN:

There will be a meeting of all County and Community Committeemen, here at the PMA office, on Friday, May 26, 1950 at 1:30 p. m. The meeting will be to discuss cotton measurement and the 1951 ACP program. We would like for everyone to be here as it is a very important meeting.

### CARRYING OUT PRACTICES:

S. M. Fedric has an approval for growing a cover crop of Guar; Roy Ferris and Cecil Ayers are controlling bindweed by spraying it with 2, 4-D; George M. Johnson, A. E. Ranson, and T. B. Delshaw have approvals for the construction of diversion terraces. Those recently issued approvals for Strip Cropping are: Don Tomlinson, L. L. Moreland, Leo Duffer, D. E. Stevenson, Joe Adams, J. E. Kidd, Marvin Jones, and Howard R. King. Those having approvals for crop residue management are Ernest Lamb, Arthur Brown, Wilson H. Gray, Roy Clark, Dick Eichelberger, Lacy Noble, L. D. Littlefield, Walter K. Fraser, and Cecil Ayers.

### 1951 WHEAT ALLOTMENTS:

We figure the wheat growers will really be interested in this! A 1951 wheat acreage allotment shall be established for each farm on which wheat was seeded in one or more of the years 1948, 1949, and 1950. The word "wheat was seeded" as used in the preceding sentence mean: 1. Seeded wheat, 2. Volunteer acreage which reached maturity, 3. Seeded wheat mixtures in which the grain other than wheat failed to

reach maturity and the wheat was permitted to reach maturity. **GUEST SPEAKER:**

On Monday night of this week Mr. Carl Hinton of Commodity Credit Corporation spoke to all the Veteran's Agricultural Classes, and other interested persons, on the subject of Price Support. His talk was very interesting, and it helped to give everyone a better picture of our price support problems. A very nice crowd attended.

### COTTON MEASUREMENT:

We expect to get started measuring the cotton in the county in the near future. With around 800 farms in the county, that have cotton planted on them, this will be a big job. If there is anyone interested in being a reporter or chairman for around eight weeks, please come to the county office and see us.

### RETURN CHAINS:

With our cotton measurement coming up, we really need our chains. Nearly all of the supply we had in the office have been taken out into the county. If you do have a chain out, and do not need it, we would appreciate it if you would return them to the office so that we may put them to good use.

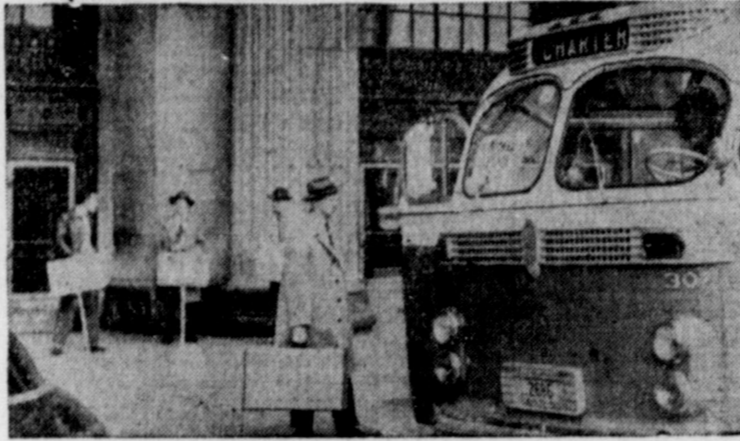

**COMMITTEEMEN! DON'T FORGET THE MEETING FRIDAY AFTERNOON, HERE AT THE OFFICE, AT 1:30 P. M.!**

Mrs. Ritter, the boss lady, is out of the office this week taking a much needed rest!

You must have a Prior Approval before carrying out Practices!

This is your office and we are your employees! You are welcome at any time!

## RAILROAD FIREMEN STRIKE

CLEVELAND, O.—Pickets of striking railroad firemen watch in background as passengers board a railway bus at Union Terminal. Five of the nation's major railroads have been hit by the walkout of 18,000 firemen who demand two firemen on diesel locomotives, and other concessions.

### Three New Grain Sorghums Available End of This Year

Three new grain sorghums varieties have been developed by plant breeders of the Texas A&M College Experiment station and released to certified seed growers for seed production. H. M. Breedlove, county agent for Donley county, announced today that he had been notified of this by the Experiment station. Seed will be available at the end of this year from certified growers for farmers.

Combine Kaffir-60 is one of the new varieties; the stalk is juicy and stands up well on the stalk. The heads are very heavy and the seed have black specks, testing 60 pounds to the bushel. The variety blooms in 60 days from June first planting or about a

week earlier than Black-Hull Kaiffr or Plainsman. This is a cross of double dwarf kaffir and Texas Black-Hull.

Redbine-60 and Redbine-66 are new varieties of red seeded grain sorghum and are similar except in their maturity. Redbine-60 blooms in 60 days, a little earlier than Martin; Redbine-66 blooms in 66 days, a few days earlier than Plainsman. Both have dry head stems and can be combined before frost if desired. The heads are well extended so that few leaves load down the shaker when combining. The new varieties have a better turn out than Martin or Plainsman and Redbine-60 test 57 pounds per bushel and Redbine 66 test 60 pounds per bushel.

Breedlove says that as soon as seed is available that he intends to make orders for Donley county and put this new varieties in production in the county.

## The Lion's Roar

By O. D. Lowry

The Lions Club held its regular meeting at the club hall Tuesday, May 23. In addition to the regular members there were eight guests and visitors present for this meeting.

Lion Allmond of the committee on nominations for officers for next year made the following report:

President, O. D. Lowry; 1st Vice President, W. Carroll Knorpp; 2nd Vice President, W. A. Riney; 3rd Vice President, Van Kennedy, Frank Phelan Jr., M. McCully; Secy., Sam Lowry; Treasurer, Rayburn Smith; Lion Tamer, Howard Stewart; Tail Twister, Lloyd Johnson; Direc-

tors, Rufus White, Bill Lowe. There were no nominations from the floor. The club elected Lion Carl Allmond to be presented to the district governor as a candidate for Deputy District Governor. The program consisted of a cornet solo by Navarre Bain and a baritone solo by Cliff Stogner. Mrs. Page Harmon accompanied the soloists. At the conclusion of the program the club faced the flag, sang one verse of America, and adjourned.

Mr. and Mrs. Frank Hommel and daughter Geraldine and Don and Jack Moore, motored to La Junta, Colo. Sunday to take Mr. and Mrs. James-Moore, Don and Jack Moore remained for a two weeks visit.

## Attention Cotton Growers

When Cotton is young and tender, Hail will damage it very easily.

Just as soon as it's up to a good stand is the time to insure it.

Looks like it's going to be a good price this year and it's the smart thing to have it insured.

See us at once and get this needed protection.

### FORMER RESIDENT KILLED IN AUTO WRECK

Funeral services have been set for 3 p. m. today at the Plainview Church of Christ for Bennett Haley, former Clarendon resident, who died early Tuesday in an auto wreck near Taloga, Okla. Burial will be in the Plainview cemetery.

Mr. Haley, age 34 years, was a resident of Amarillo and had been employed by the Plains Machinery company the past four years. He was raised here at Clarendon and attended the local schools.

He is survived by his wife, Mrs. Frances Haley of Amarillo; a son, William Haley; a daughter, Charlotte Haley; his mother, Mrs. W. T. Haley of Plainview; and four sisters, Mrs. Ernest Davis of Plainview; Mrs. Bob Hill and Mrs. Buster Wilson, both of Silvertown, and Mrs. Jack Green of Washington state.

### Pioneer Lady Buried Here Wednesday

Funeral services were held Wednesday afternoon at the N. S. Griggs & Sons Chapel in Amarillo for Mrs. Mary Jane Davis with Rev. Leon Hill officiating. Burial was in Citizens cemetery, Clarendon.

Mrs. Davis, age 84 years, died in Claude Tuesday morning. Her home was in Goodnight. She had been a resident of Goodnight and Clarendon for 43 years, having moved to Clarendon on Valentine's Day in 1907 from Knoxville, Tenn.

Surviving relatives include five daughters, Mrs. J. J. Ray, Mrs. L. H. Ellis, Mrs. Joe Chambers and Mrs. C. C. Gilbert, all of Amarillo, and Mrs. J. D. Matthews of Fellows, Calif., and a brother, Robert Hamilton of Tule Lake, Calif.

A Common Paper for Common People

## PLOWIN' Out the CORNERS

by Uncle Zeb

Last week I included a joke for the Ornerery Department that was supposed to be a real hit; according to the person who told it to me. Anyway, one of the papers so mixed it up in setting it that even Chas. Reed didn't get the point. The others left it out altogether. I was so disgusted

that I almost refused to pick up my free newspapers which is my weekly pay. Now I don't even get the point.

I was partly kidding last week when I remarked that if our children ever had the privilege of seeing television we would have to look toward Lubbock or Pampa as Amarillo claimed the cost was prohibitive. Maybe Lubbock will install a station now just to televise how the Friendly City folks look when they become the second sister in size in West Texas. Just so we get one; what do we care who is able to pay for it.

The other day we was taking dinner with the Floyd Massie's.

Mama insisted that in order to help defray the cost of my lunch that I should take a basket of her home grown strawberries along. Mama says: "Now tell her if she is going to keep them very long so spread them out, as they are very ripe." Says I: "I ain't aimin' for her to keep them very long." I'm glad she kept them long enough to whip up some cream and short cake to go with them. I can't understand why Floyd keeps skinny with a cook such as he has. I told him maybe he ought to quit smoking and he informed me that he never did. Guess that's not his trouble.

Oscar Kerley sends in the following poem clipped from the

Oregon Labor Press called The Monkey's Disgrace:

Three monkeys sat in a cocoanut tree

Discussing things as they're said to be.

Said one to the other, "Now listen, you two;

Here's a certain rumor that can't be true

That man descended from our noble race.

The very idea is a disgrace.

No monkey ever deserted his wife.

Starved her babies and ruined her life;

And you never knew a mother monk

To leave her babies with others to bunk

And pass them on from one to another

Till they scarcely knew who was their mother.

And another thing you'll never see;

A monk build a fence around a cocoanut tree

And let the cocoanuts go to waste

forbidding all other monks to taste.

Why if I put a fence around a tree

Starvation will force you to steal from me.

Here's another thing a monk won't do;

Get out at night and get on a stew.

Or use a gun or club or knife To take some other monkey's life.

Yes, man descended, the ornery cuss

But, brother, he didn't descend from us.

Thanks Oscar for reading our column and for sending us the poem.

(Crowded out last week) Joke for Ornerery Dept.

Colored Girl: "Man, is yuh de law 'round here?"

Deputy: "Sure am."

Colored Girl: "Well, Law Me!"

FARM BUREAU INSURANCE

## Texas Panhandle To Have New Regulatory Program For Game and Fish

AUSTIN—The machinery has been set in motion to shape the new Game, Fish and Oyster Commission regulatory power program for the Texas Panhandle. The Executive Secretary announced today the dates and places for conferences between the public and wildlife management personnel in the 28 counties affected by the regulatory authority act passed by the special legislative session. The law becomes effective September 1, 1950.

Twenty-two meetings, some of them comprising more than one county, have been set for the period beginning May 23 and ending June 23. On the basis of information obtained through these conferences and on the data obtained by Game Department personnel, the hunting and fishing season and bag limits under the new arrangement will be set at the July meeting of the Commission.

Now, hunting and fishing regulations in Texas are determined by the state legislature, except for the area west of the Pecos. The responsibility for regulating hunting and fishing seasons and bag limits for that area was made the Game, Fish and Oyster Commission's by the legislature in 1944.

Key factors in determining the Panhandle seasons and limits will be: 1. Status of the various game species found in this area; 2. desires of the landowners and sportsmen; and 3. regulations

which can be enforced.

After the program has been installed, game wardens in the affected areas will make constant studies to show the fluctuations in game and fish population. The wardens will prepare estimates on the number of hunters and fishermen and on the amount of game and fish harvested in his district. This actions blends the Commission's authority under the new act to pursue a continuous program of investigating game conditions, habits, economic value, environment and other aspects of game management.

In order to supplement the warden's activity in this program, specially trained game technicians will make detailed studies of the different game and fish species in various sections of the Panhandle. Their work will be not only to help determine the fluctuation in game and fish population but also to determine the reasons so corrective measures can be taken.

Game Supervisor J. H. Maggard of Amarillo announces that a meeting will be held in Clarendon on June 5th in the court house.

Fits close to building below eye-level!

Now, you can enjoy cool, cool summer comfort at new low prices! Paramount, long recognized as the leading manufacturer of quality coolers, has developed a complete new series of improved air coolers . . . at prices you never dreamed possible. With Paramount coolers there's no complicated installation problem . . . in fact most installations can be made in thirty minutes or less. Using the exclusive Paramount window mounting adaptor, it is no longer necessary to mar your home and obstruct the view with unsightly, cumbersome, costly platforms. Yes, this summer you can install a Paramount Air Cooler and laugh at the heat.

**West Texas Utilities Company**

The sensational Deluxe Window Adapter adds simplicity and beauty to your home.

MINIMUM DISTANCE REQUIRED FOR PASSING

Speed Of Passing And Oncoming Cars = 60 M.P.H.  
Speed Of Car Passed = 50 M.P.H.

Be Sure The Roadway Ahead Is Clear For A Sufficient Distance Before You Cross The Center Line To Pass Another Car.

### Highway Department Operations - Traffic Safety -

(Article No. 1)

#### CENTER LINES

The Texas Highway Department is pulling no punches in an all out war on rural traffic accidents that exacted a toll of 1,395 lives, left an estimated 24,926 injured and maimed, and resulted in an estimated economic loss of \$43,710,600 during the year 1949. Taking note of this tremendous

toll of human lives and property, a safety-conscious Highway Commission has decreed that every possible measure within the power of the Highway Department be applied to make Texas highways as safe as possible for all who use them. The decree of the Highway Commission was not an idle one; it was backed by an appropriation of \$500,000 for center lines,

lane lines, and barrier lines for no-passing zones during the year 1950 alone. This sum will be applied on some 25,000 miles on the State Highway System on which the center lane lines are marked and about 23,000 miles on which the barrier stripes for no-passing zones are marked. These lines are just one of many weapons the Highway Department is employing in the battle for traffic safety.

Have you as a motorist ever thought of the meaning a center line on a pavement should convey to you? It should tell you that the right-hand half of the road is yours; it should tell you that it was not put there as a challenge to your driving skill to keep one wheel on it; and it should tell you that when you cross it to overtake and pass another car that you should be sure the other half of the road ahead of you is clear.

Failure to observe the simple but important meaning of the center line can result in a tragic end for you. Last year (1949) on rural highways there were 3,625 accidents caused by thoughtless drivers who were on the wrong side of the road, and they were not even in the act of passing another car—just driving on the wrong side of the road for no good reason whatever. These needless "on-the-wrong-side-of-the-road" accidents cost the lives of 253 people; maimed and injured 2,316 others; and caused property damage of \$7,927,400. Take a good look at that center line when you drive and think what it can mean to you.

And what happened to those who made a mistake in passing another car when the road way

ahead was not clear? These mistakes cost the lives of 46 people; maimed and injured 462 others and added more thousands of dollars to the toll of property damage. It is not too hard for the average motorist to make a mistake in judgment on the distance ahead a roadway must be clear to him to overtake and pass the car ahead of him.

Take a look at the sketch show-

ing the distance required for a car traveling 60 m.p.h. to overtake and pass a car traveling 50 m.p.h. when there is a car traveling toward him at 60 m.p.h. in the opposite lane—2,360 feet or 6 1/2 city blocks! If the car in the sketch had failed to complete his overtaking and passing maneuver safely and had met the opposing car head-on at 60 m.p.h., the energy developed by the collision would be as great as though one car had been driven off the top of a 21 story building. Head-on collisions are deadly!

Respect that center line and stay on your side of the road; cross that single center line to pass another car only when you are sure that the roadway is clear far enough ahead for you to do so safely, but don't ever cross that double center line unless directed to do so by an officer.

#### CANCER DRIVE CONTINUES UNTIL "JOB COMPLETED"

COLLEGE STATION — The fight against cancer is one which we cannot afford to lose by default, Gibb Gilchrist, Chancellor of the Texas A&M College System and Chairman of the 1950 Texas Cancer Crusade, told Texas cancer control workers, as he urged them to continue their county drives "until we have completed our job."

"Most county cancer drives are far from complete," the state

chairman said. "Because of prior fund-raising campaigns, many are just now getting underway."

He called for an extension of the 1950 Crusade until the \$500,000 statewide goal is accomplished. By May 5 only \$215,087 had been reported by 84 counties. There were still 123 counties to be heard from.

Mr. Gilchrist pointed out that American Cancer Society volunteers are doing an excellent job

this year of getting the facts about cancer into a majority of Texas homes. He explained that the Crusade has two purposes: to educate the public to be alert for cancer and to accept contributions with which to continue cancer Society programs of research, education and service.

## THE CHRYSLERS ARE COMING

Now Chrysler's rolling at top production . . . new, new beautiful cars are being shipped as fast as possible. And they're coming in a rainbow of colors—in all kinds of smart body styles, from long, low and lovely sedans . . . sleek convertibles . . . to America's most beautiful hard top convertible, the Chrysler Newport.

Once again we're ready to demonstrate how great engineering . . . great comfort . . . great performance . . . great safety make the greatest possible

difference in the value you get for your money! And you'll find a car priced just right for your pocketbook—for Chryslers come in a wide range of prices from the sensationally modest priced Royal and Windsor models up through the luxurious New Yorkers and Saratogas to the glorious Crown Imperials.

Come see the most beautiful Chryslers of all time. Drive them! Compare them! And you'll be doubly glad you waited!

**HEATH MOTOR CO. 205 - Sully St.,**

**OLD PATHS**

By **DOYLE WILLIAMS**  
Minister  
Church  
of Christ

God has revealed three ways in the Testament by which we can know that we are scriptural: namely, by direct command, by example, and necessary inference.

For an example: If I want to know whether a thing is scriptural by example I look for that example in the New Testament. Did

the early Christians have a time to come together and worship? "Upon the first day of the week the disciples came together to break bread." Here is the Bible example of when they came together, and what they came together for. They came together upon the first day of the week for the purpose to break bread, and for us to follow this divine example is to be scriptural, and also scriptural in the purpose that we assemble for, that is, to break bread. There are many people that assemble on the first day of the week, but I fear they assemble for many things beside break bread, and when they do this they become unscriptural in their purpose of coming together. Not only must we come together to be scriptural, but we must come together for the purpose that God

has appointed. Many people when the first day of the week comes around if the preacher is not going to be present they stay at home, and think they have been well pleasing unto the Lord, but the early disciples did not come together to hear preaching, but to show the Lord's death. And we must follow this example to be scriptural. Another thing opens up just here; and that is, that we can not stay at home and be scriptural; we must assemble, we must come together. This will do away with the idea that I can stay at home and be a Christian; he must assemble on the first day of the week with the saints of God there to show the Lord's death till he comes again. Acts 20: 7. Heb 10: 25. I Cor II: 26.

This is no denial of the importance of preaching, but to show that our primary purpose of coming together on Sunday is not to preach, but to show the Lord's death.

Not only can we be scriptural by following the examples set forth in the New Testament, but we are scriptural in following direct commands. The Lord has given us the direct command to go teach, and told us what to teach; that teaching must be the word of God, for he says, "Preach the word, be instant in season, and out of season, reprove, rebuke, and exhort."

To be scriptural we must not only obey the divine command to preach, but we must preach the thing that is commanded to

be preached; the word of God. We must preach the Word by exhortation, by reproof, and by rebuking. To do this is to be scriptural in teaching; and the means that we use, and also the way the means are to be used. There are many I fear that are preachers (In claim) that preach things that are not and can not be found in the Word of God, hence, they are not being scriptural in what they teach. All is so, that they are preaching, but they are not preaching the Word of God, but their own think so's and opinions. And if the blind lead the blind they will all fall into the ditch!

**Hall County Rodeo**  
June 1st - 3rd

MEMPHIS — Clarendon has been invited to send its riding club and a girl sponsor to the second annual Hall County Rodeo which will be held in Memphis June 1-3.

T. B. Rogers, president of the Hall County Rodeo Association, made this announcement while pointing out that this year's show promises to be one of the largest held in the Panhandle.

Three prizes will be given to the winners in the Girl Sponsor Contest, Rogers said. First prize will be a \$75 Savings Bond. A \$25 bond will be given for second place and third place will receive \$10 cash.

Hollis, Oklahoma, Vernon, Shamrock and McLean have already indicated that they will send a girl sponsor, according to the association president.

"These girls will be featured at each of the three performances of the rodeo and in the big parade which will be held June 1," he said.

He pointed out that each city invited can send one girl to compete in the contest. It is strictly for amateurs, and no professional riders will be allowed to enter this event.

"The riding clubs present will also play a big part in the rodeo activities as they will be seen in the parade and in the Grand Entry at the show," Rogers stated.

He said that facilities for the riders and their animals are being arranged to insure them a pleasant stay in Memphis. Mrs. Boyd Rogers, a prominent leader in rodeo and horse show activities, will be in charge of the Girl Sponsor Contest.

The rodeo will be RCA approved and will be staged by Buettler Brothers of Elk City, Oklahoma. Prize money will total \$1,500.

This year's show is to feature five events: saddle bronc riding, bareback bronc riding, bull-dogging, calf roping and bull riding.

Rogers said the Association is already receiving many applications from the Southwest's top performers. He said the show is open to all cowboys of this area—

both professional and amateur. There will be night performances only.

Hoyt Hefner will furnish the laughs at each performance as the clown and Cecil Carnish will do the specialty acts. Both are top men in their profession.

Cyclone Stadium — site of the rodeo—has a seating capacity of 3,000. Rogers said 500 of these seats are being reserved. The reserved seats are on the East side of the stadium and the remainder on both the East and West sides will be sold at general admission.

Price for reserved seats is \$2.00. Adult general admission is \$1.50 and admission for children under 12 years of age is 50 cents. These prices are for each of the three performances.

Rogers said persons from out-of-town could reserve seats by writing: T. B. Rogers, Hall County Rodeo Association, Memphis, Texas, and state the number of seats they desire and the night they plan to come. Seats will be held at the ticket window for those desiring them or will be mailed directly to the person.

Rogers said.

HERE'S THE BUICK SPECIAL 4-door Sedan, de luxe finish. The same body type is available on SUPER Series.

**"YOU HARDLY KNOW THE ROAD IS THERE!"**

YOU won't be the first to say that—not by a long shot.

One of the first things you notice, when you step from another make of car into Buick, is the wonderful difference in the Buick ride.

There are good technical reasons, if they interest you...

Soft coil springs all around, the gentlest type of spring man knows how to make.

A stout torque-tube, acting like

the husky keel of a battleship to steady the whole carriage.

Low-pressure tires on wide, Safety-Ride rims, that stop heel-over and sway on curves.

Firm, sure, quick-acting shock absorbers, promptly snubbing the after-bounce of the bigger bumps.

The important thing is what these all add up to.

Freedom at last from jounce and jiggle. A level, floating, road-free passage over almost any kind of road, with even the

worst of them tamed and gentled as never before.

Add Fireball power to all this—the roominess of wide, deep seats—the lightness of Buick controls and the liquid silkiness of Dynaflo Drive—and you have a car just too good to miss.

Come try one, won't you? Your Buick dealer will be delighted to demonstrate without obligation—delighted to show you that if you can afford a new car, you probably can afford a Buick.

\*Standard on ROADMASTER, optional at extra cost on SPECIAL and SUPER models.

**ONLY BUICK HAS Dynaflo—**  
AND WITH IT GOES: HIGHER-COMPRESSION Fireball valve-in-head power in three engines. THE TOIL OF DOCTORS and Scientists, free and unhampered, has built American health to the highest level in the world.

Almost all the millions of Americans are honest people, who want improvements and progress in medical care. Your own Doctor, and 125,000 more like him, are daily working step by step toward that end. They are primarily interested in the quality of medical care that saves lives.

Focus the spotlight of your good judgment on the advantages of voluntary selection of your own physician; voluntary selection of the kind of prepaid medical and hospital care that fits your needs, for less than Federal deductions would cost.

Turn that spotlight of honest commonsense on the invariable consequences of Compulsory Health Insurance—lowered quality of health and medical care.

SEEK BETTER HEALTH THE VOLUNTARY AMERICAN WAY

neth Wilkinson, T. J. Carter, Romaine Anderson.

### COMMENCEMENT WEEK BEGINS AT LELIA, MAY 28

Baccalaureate services to be held Sunday, May 28, will mark the beginning of Commencement Week at Lelia Lake Independent School.

This service will be held in honor of the senior and eighth grade classes at the school gymnasium at 8 p. m. The speaker for the evening has not been announced. A choral group, composed of non-graduating students, will sing three numbers. They are "Awakening Chorus," "Fairest Lord Jesus," and "The Lord's Prayer."

Eighth grade graduation exercises will be Wednesday, May 31, at 8 p. m. in the gymnasium. The seventh grade class will furnish the music during the program.

Senior graduation will be June 2. Announcements of the speakers will be made later.

### GIRLS DRAW HOUSES AND FIXTURES TO SCALE

The Lelia Lake Home Economics II. class is making a notebook on home furnishings. The average house that is to go in this notebook is from five to seven rooms. Each girl has decided upon an imaginary family, and the house is planned for the family. Rugs, wallpaper, lamps, and all other accessories will be selected for each room.

The house plans are drawn to scale and then each room is drawn to scale. Furniture will be drawn and placed in the best arrangements. Pictures will be shown of each individual piece of furniture to show the design, color, and texture. Color schemes will be planned and shown for each room.

### JUNIOR TEAM TIES HIGH SCHOOL GIRLS

The Lelia Lake basketball team of '49-'50 played the seventh and eighth grades in a game Tuesday noon.

The high school team consisted of: Bobbie Seago, Shirley Aten, Marilyn Butler, Mary Dodson, Romaine Anderson, Pat Carter, Faye Painter and Joanne Christal. Bobbie Seago was high point player on the high school team.

The players for the grade school team were: Janell Fox, Rowena Ivey, Onita Rumpy, Jane Ruth Hill, Sue Beth Seago, Bobbie Richey and honored by having a high school senior on their team. She was Ardath Monk who was also high point player

### THE DONLEY COUNTY LEADER

on their team.

Both teams played a good game and as the game came to an end the score was 22 and 22.

Gaynell Scott attended a concert Saturday night at Amarillo.

Joanne Christal spent Friday night with Sandra Shelton of Clarendon.

Jaquetta Briggs spent Sunday evening with relatives in Memphis.

Bobbie Nell Seago spent Wednesday night with Shirley Aten.

Romaine Anderson spent the week end with Shirley Aten.

Shirley Aten spent Monday night with Romaine Anderson.

Shirley Aten spent Tuesday night with Bobbie Nell Seago.

Marilyn Butler spent the week end with Bobbie Seago.

Patsy Carter spent Monday night with Mary Dodson.

Martha Jo Painter spent the week end with relatives in Well-

ington.

Woodie Vardeman returned from Brownwood after a week's visit with relatives.

Carolyn Alexander spent Monday night with Patsy Moss.

### SENIORS HONORED WITH FINAL BANQUET

Lelia Lake juniors honored the seniors with a banquet Thursday night, May 11.

The room was beautifully decorated with bouquets of pink and yellow roses. In the middle of the table was a very large bouquet of roses with little nosegays tapering from each place setting. The program was lace doilies tied with blue and pink ribbon. The place cards were pink rose baskets full of mints.

The menu consisted of chicken and dressing, green beans, new potatoes, sliced tomatoes, hot rolls, ice tea, and home made ice cream with fresh strawberries.

The entertaining program began with Keith Reed giving the welcome address and Billy Hill gave the response. After the dinner was served Kenneth Wilkinson read the class prophecy, then

Billie Jean Pool read the senior will. Next, a very appropriate poem titled, "Don't Quit, Fight Just One More Round," was read by Bobbie Nell Seago. Craig Johnson made the final speech. After the speech everyone sang "Auld Lang Syne."

The honored seniors were: Billie Jean Pool, Billy White, T. J. Carter, Bobby Hill, Lee Roy Jackson, and Billy Hill.

The juniors were: Martha Jo Painter, Bobbie Nell Seago, Shirley Aten, Ralph Ayers, Keith Reed, Benny Darnell, and Kenneth Wilkinson.

Members of the faculty present were: Mr. Craig Johnson, Mrs. Craig Johnson, Mrs. Bill Lowe, and Mr. Bill Lowe of Clarendon.

### BASKETBALL GETS SPRING TRYOUTS

The junior and senior boys teams of Lelia Lake have been practicing basketball from twelve thirty until one every day. Prospects of the 1950-51 team are looking good. The school is losing three players of this year's team.

The prospects for next years team are: Clarence Armstrong, Kenneth Wilkinson, Ralph Ayers, Wilcey White, Harold Gerner, Terry Monk, James King, Arthur Shields, Billy Scott, Robert Murphy, Benny Darnell, Keith Reed, Carl Sossaman, Johnny Hedgecoke, Benny Hill, A. K. King, Earl Shields, Eddie Floyd, Cavin Webb, Troy Guy, Ray Brogdon and Jimmie McDaniels.

### DCSB "The Friendly Bank"

## Good Bank Credit is A Priceless Possession

Men and women of fine character and an unblemished credit record secure loans for many purposes promptly at this bank. In fact, the character of the borrower is more important to us than his financial standing. We welcome inquiries about loans, large and small, from persons of high standing whether they are regular patrons of this bank or not.

From where I sit... by Joe Marsh

### Why "Moose" Changed His Mind

Last week, parents were calling Moose Jackson on the phone—and his were hooting at him in the streets. All because Moose fenced in his field near the depot, where the kids like to play ball.

Moose got sore the way folks acted—refused to budge. Then Doc Shriman, who likes to play center-field himself sometimes, decided to "use a little psychology."

Over a friendly glass of beer at Andy's Garden Tavern, Doc says, "Sorry this came up, Moose. We were thinking of asking you to umpire—what with your professional

experience and all." (Moose used to play a little semi-pro ball.)

That did it! Next day Moose put up a stile over his fence. In return, the kids promised not to cause any damage. From where I sit, when you try to understand the other fellow's point of view—like his personal preference for beer or coffee—and then take into consideration the will of the majority, why, things seem to go better all around.

## "Now I know how she does it"

You may have wondered how modern housewives do the housework, care for the children, cook meals and still have time for relaxation. The answer—time-saving conveniences... the kind made possible by dependable natural gas service. No other fuel serves so well, so quickly and efficiently at such low cost.

### Natural Gas Service Is Permanent

The huge sums of money invested by companies in the gas industry in locating, producing, processing and delivering natural gas have resulted in the world's finest fuel service. Gas customers in the Gulf South are assured a continued service, for their burners are linked with the world's largest and most productive natural gas fields.

## UNITED GAS SERVING THE Gulf South
