STRIKE STOPS PITTSBURGH MILK

PITTSBURGH, PA.—The milk strike in the Pittsburgh area which began June 8 involves 3,200 AFL workers in 67 dairy firms, where the men are demanding shorter hours and higher pay. This photo shows burgess Ted Stephens of nearby Milkingsburg handing out free milk in his "emergency milk depot" to children under the age of three.

Goldston Club Loses Another Close One

The Goldston Baseball club came up on the short end again last Sunday in the game with Claude at the latter's own field, but not until after a hit and run affair all the way through that kept the locals on the winning side part of the time. The final score was 21 to 18 in favor of Claude.

Putnam started on the mound and was relieved by Reynolds and Blackman. Eddie Reynolds and Jr. Spier each swatted out home runs for the locals but such scoring was not quite enough to bring them out in the lead. The local team felt pretty good even though they lost the game, for Claude is one of the top teams in the district.

Goldston will play another top team this next Sunday at Hedley. It has been reported that Hedley, Panhandle and Claude are at the top of the bracket in the Caprock League. The locals will be out to do their best in this game and will appreciate local fans going along and giving them a boost.

4-H CLUB TO MEET FRIDAY NIGHT

The Clarendon 4-H Club will meet this Friday night, June 23rd at 8 p. m. at the county fair buildings at Clarendon. H. M. Breedlove, county agent, is urging that all club members be present. Picture slides of Donley County will be shown and a good program has been arranged.

Donley County Leader, \$2.50 yr. in Con-

SENATOR G. C. MORRIS VISITS CLARENDON

Senator G. C. Morris of Greenville, Texas was a Clarendon visitor last Friday in the interest of his campaign for the office of Lieutenant Governor. Morris stated that he was making every effort to visit every community and meet everyone before the July primary.

Hail Destroys Crops West of Ashtola

The first hail damage of any consequence this year was reported Tuesday night as an aftermath of the storm cloud which blew into this area about 8 o'clock. Reports coming in to the Leader office revealed that several farmers along the west county line were hardest hit and crops were completely wiped out. Some of the places hit were the farms of Lloyd Reid, Clyde Hudson, A. J. Garland, Herb Davis, McAnear and on across the river to the S. J. Ranch. The hail was accompanied by a regular cloud burst and strong wind. The rain fall was estimated at from two to four inches. Dr. M. H. Rhoades reported some hail but not much damage to his crop. His place is located about a mile east of the total damage area. Ashtola proper received rain in varying amounts from one-fourth inch upward. Here in town the report was .34 inch. This brings the yearly total here to 5.18 inches.

Donley County Leader, \$2.50 year

RUMORS ARE FLYING AGAIN

It sounds better all the time -- and if our information is not too far fetched we probably will be able to announce new oil test well drilling locations in Donley County within the near future. Rumors have it that one location will be made probably within the next few days and that another well will definitely be drilled. The exact location and starting time could not be learned.

Our local Abstracters are beginning to enjoy a breathing spell since the leasing spree is just about over and practically all of Donley land has been leased to date. Several blocks have been made up and this increases the possibility of maybe two or three test wells.

The Petty Exploration Company has a seismograph crew working out of Clarendon at the present time and naturally we have several new families to welcome to our fair city. It could not be learned what company or companies they were charting for.

At any rate as long as they keep trying we can have hopes of eventually striking oil or gas somewhere in the county -- and remember, Rumors can become a reality very easily.

Cong. Ben Guill Has Been Appointed To House Agriculture Committee

WASHINGTON, D. C., June 20.—Congressman Ben Guill of Pampa was appointed today to the House Agriculture Committee. The following is his statement on the appointment: "I am gratified to announce that I have been assigned to the Agriculture Committee. It is the assignment I hoped for when I first came to Washington because I believe that as a member of the powerful Committee on Agriculture I can best serve the interest of the people of the Panhandle. It usually takes several years for a Congressman to get such an assignment. I was able to get the appointment within six weeks because a Republican member of the committee resigned especially to make room for me. That's the kind of inter-party cooperation that the Panhandle and Texas have been needing for a long time. There are five Democratic congressmen from Texas who are interested in an assignment to the committee. Since appointments are made on the basis of seniority, a freshman Democratic congressman from the Panhandle has absolutely no chance of being assigned to this all-important committee. With this appointment the Panhandle, which traditionally has had a representative on the Agriculture Committee, now has a chance of having a voice for years to come. For the first time in history, Texas will have Bi-partisan representation on the committee with bargaining power with both the majority and minority members. I will work closely with Bob Poage of Waco, the senior Texas representative on the committee and, between us, I believe we can further the interests of the farmers and livestock men of Texas as a whole and of the Panhandle in particular."

Hospital Notes

Medical: Mrs. F. H. Hardy, Lonnie Jefferson.
Medical Dismissed: Mrs. W. H. Martin, Emma Shoels.
Surgical: Mrs. W. V. Bain, Mrs. G. D. Moore, Mrs. Roy McKee, Mrs. D. L. Hickey, Mrs. J. M. Kennedy.
Surgical Dismissed: Perry Johnson, Mrs. Lee Leek.

Mrs. La Vern Goldston and children of McLean visited Mrs. John Goldston Saturday afternoon.

Farm Bureau Queen Contest Started

The Donley County Farm Bureau is sponsoring another queen contest for Donley County. In fact the contest is now in progress with five contestants. The Bureau was divided up in five contest committees and each have chosen a candidate to represent their respective community. The contest will close around the first of September at which time a grand prize will be awarded the winner. Information is indefinite at this time whether there will be a state contest but should there be one, our county winner will compete on down the line. Mr. Holly Wood, president of the county organization stated.

The contestants are: Juanelle Davis, Ashtola; Joan Ray Moreman, Hedley; Alice McCrary, Midway; Jo Ann Ritter, Clarendon and Shirley Aten of Lelia Lake.

Each week for the next five issues the five candidates will be introduced through the Leader columns and this week it is our happy privilege to introduce Miss Shirley Aten.

SHIRLEY ATEN

Shirley Aten, daughter of Mr. and Mrs. Quinn L. Aten of Lelia Lake has been chosen as a representative of the Farm Bureau Queen contest from the Lelia Lake community.

She was born in a farm home one and one-half mile south of Lelia Lake. She has lived in Lelia Lake all of her life and is an only child. She is 16 years of age and a senior in the Lelia Lake High School. She is a niece of the typical American family, Mr. and Mrs. D. E. Leathers. "Shirley's grandfather, the late Mr. C. G. Aten was born in Peoria, Ill. in 1868 and lived there until he was seven years old. The family moved to Round Rock, Texas where he met Mattie Jo Kennedy who became his wife. They later moved to the well known XIT Ranch on the plains of west Texas and it was here that he served several years with the Texas Rangers and had many narrow escapes and harrow experiences. Mrs. Aten often spoke of the year that she spent on the ranch without seeing another woman. When she saw the first woman they embraced and kissed as if they had known each other for years.

Incidentally, the name Aten came from Ireland where the name was pronounced "Auton". The Atens moved from Ireland to Holland, then to America.

ENJOY WASHINGTON TOUR

Jimnie Howze returned to Clarendon Monday after an extended A Cappella Choir tour in the South and East. While in Washington, D. C. the choir was pleased to have lunch in the Speaker's dining room with Speaker Sam Rayburn and Senators Tom Connally and Lyndon Johnson. Speaker Rayburn's chauffeur acted as guide in showing the young people around the city. Mr. Rayburn, whose home is in near by Gainesville, had been in Sherman as one of the speakers at the Austin College commencement the latter part of May.

Donley County Leader, \$2.50 year

Twenty-Six Candidates File Here

Twenty-six candidates filed with the county Democratic Committee here by Saturday night and the committee drew for places on the ballot Monday of this week for each of the candidates. They also set the filing fee for each candidate and this amount is to be paid by Saturday night of this week or the candidate's name will not appear on the ballot.

Those to file with County Democratic Chairman Wm. (Bill) Patman were as follows: Congressman 18th Congressional District—J. Blake Timmons, Walter Rogers, Le Roy LaMaster and Altavene Clark; State Board of Education—A. R. Bivins; Associate Justice of Court of Civil Appeals—W. N. Stokes and Herbert C. Martin; Representative 122nd Legislative District—Granger McIlhany; District Attorney—Allan Harp and W. M. Tucker; County Judge—W. J. Williams; District & County Clerk—Walker Lane; Sheriff-Tax Assessor-Collector—Bert Smith and Guy Wright; County Treasurer—Mrs. A. G. Lane and Mrs. Tom Crabtree; County Attorney—R. Y. King; Commissioners—Precinct 1, Richard Cannon; Precinct 2, Neal Bogard, J. R. Bulls; Precinct 3, F. M. Murray; Precinct 4, George Preston. Justice of the Peace Precinct No. 2, G. A. Anderson; Precinct 3, Frank Kendall; Constable precinct 2, C. Huffman and Erskine Butler.

GIRL SCOUT FILM IS ADDED ATTRACTION AT MULKEY

One of the year's most important short subjects, "Women of Tomorrow," will be the added attraction at the Mulkey Theatre Friday. The value of this two-reel film, produced by Warner Bros. in cooperation with the Girl Scouts of the United States of America, lies in its portrayal of the character building methods of the Girl Scout organization. In picturesque print by Technicolor sequences, the camera captures all phases of the scouting program for the varied-age groups which participate in it.

This added feature is being sponsored here by Girl Scout troop No. 4, and the young ladies have been selling tickets for the past two weeks. The admission charge will be 9 and 35 cents. The main feature to be shown at the same time is "Red Hot and Blue" featuring Betty Hutton and Victor Mature.

New Legion Officers Take Over Duties Tuesday Night

The Clark-Brock Post of the American Legion held their annual picnic get-together and installation of new officers Tuesday night with the retiring commander M. M. McCully handing the gavel over to the new Commander Jack Gray.

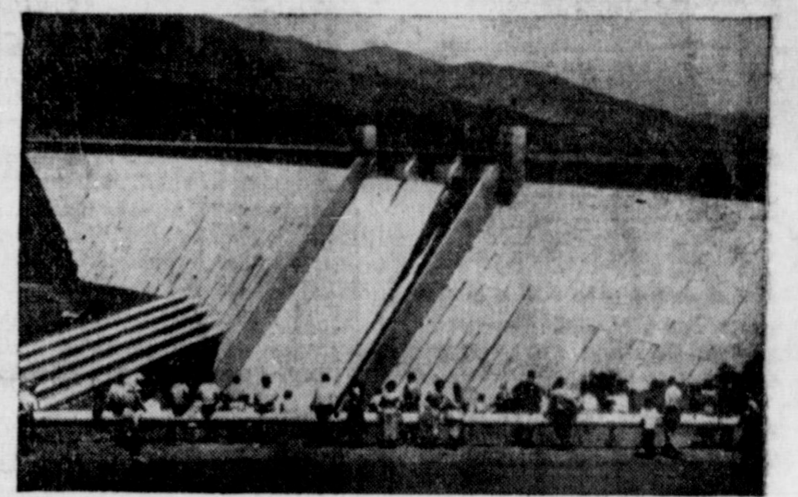

The group met at the Legion Hall for the installation of officers and then went out to the river for their annual feed which was barely completed before the group was forced to retreat back to town due to the rain which started falling shortly after 8 o'clock.

The following officers were installed and will carry on the work of the organization for the next year:

Commander, Jack Gray; 1st vice commander, W. W. Sandifer; 2nd vice commander, R. M. Chunn; 3rd vice commander, Rayburn Smith; Adjutant, Robt. L. Hutson; Chaplain, A. R. Casey; Historian, H. T. Burton; Service officer, B. C. Antrobus; Sgt. at Arms, H. H. Thompson; Executive committee, L. E. Thompson, J. R. Porter, H. M. Breedlove.

Mr. W. E. Hodges returned home this week after a two weeks stay in the hospital at Groom.

SHASTA DAM OPENS

REDDING, CALIF.—Water poured over the Shasta Dam spillway for the first time, following dedication ceremonies of the second largest structure of its kind in the world. Shasta Dam is the key unit of the Central Valley Project, designed to bring cheap water to a million acres of fertile California land.

Conservation And Soil Building Tour Set For June 28

CANDIDATE RALLY AND BOX SUPPER AT GOLDSTON JUNE 30

The Leader has been asked to announce that a Candidate Rally and box supper will be held at the Goldston School House Friday, June 30th at 8 p. m. This affair, one of the first for candidates in this area, is being held in order that candidates might become better acquainted with the residents of the community and to raise money for the community fund. The public is cordially invited to attend and enjoy the evening's entertainment and speaking. Numerous nice boxes will be on hand for fast bidders.

Fewer Bumps On Highway 287

Highway 287 is getting a face lifting. Construction crews are making rapid progress in re-topping this popular highway through Clarendon. The stretch east of Clarendon has been completed and they started working on the west approach to Clarendon Tuesday morning. The loose gravel is kinda aggravating, especially when a car passes you traveling at a fast rate of speed. Signs have been set up at each end of the construction zone asking everyone to slow down to prevent injury to headlights, windshields and paint. One traveling man reported early this week that it was advisable to keep your arm inside the car while driving as a small piece of gravel can make a nasty cut or bruise when turned loose from a car traveling 60 to 80 miles an hour. The new topping is nice and will certainly be much more enjoyable to travel on in the future.

Farmers and ranchers will have a chance to look over conservation and soil building methods and brush control work being done by their neighbors on June 28th. H. M. Breedlove, county agent, is in charge of a tour of the Donley County soil conservation district on that date.

The tour will start at nine o'clock in the morning from the office of the county agent and stop for dinner one hour in Clarendon. The afternoon will be devoted to a trip to the JA Ranch to view a one section plot that was sprayed with 2-4-5-T three weeks ago. This plot is located on the road just in front of the headquarters. The entire tour should be over by three o'clock in the afternoon. The afternoon part of the tour will leave from in front of the county agent's office at one o'clock.

Some of the work to be seen by the group on the tour will be trashy tillage on wheat land, weed spraying, grass plantings (both old and new), sage brush control and mesquite control, checking of a terrace for payment specifications under the PMA program and seeing a home and explanation of buying program of the Farm Home Administration.

Those to be on the program will be Mr. James Gouley of the Farm Home Administration, Carman Rhode of SCS, Quentin Williams of SCS, Mrs. Joe Ritter of PMA and H. M. Breedlove, county agent of Extension Service in charge of the tour. Every one is urged to attend the educational tour and possibly you can get some ideas from your neighbors that will help you in the future.

Mr. Hodges is improving this week. He is at home.

FLASH FLOOD HITS OHIO

CROOKSVILLE, OHIO—Six towns in southeastern Ohio were inundated by a flash flood which caused loss of one life and damage of more than 1 1/2 million dollars. Photo shows airview of Crooksville, where the water exploded a pottery kiln and destroyed the plant of Acme Pottery Co. Thousands of residents of the area were forced to flee their homes.

Joyous confidence and eager anticipation both shine in the eyes of 8-year-old Virginia Lee Brown, Berger, Texas, polio patient in the out-patient clinic of the Texas Scottish Rite Hospital for Crippled Children in Dallas. L. R. German, brace maker (left) has assured Virginia that she will soon walk again. Her father, T. A. Brown, (right) lends a helping hand in fitting the specially made braces. Many children, polio victims and others, get the best possible medical care and attention at the Scottish Rite Hospital. The charity hospital, now serving humanity for 27 consecutive years, is supported by contributions from kind-hearted Texans all over the state.

BLWIN' Out the CORNERS by Uncle Zeb

Last week I visited with the Brother-in-law that gave me the beans. It is getting harder and harder for me to distinguish between them for the readers. Both have new cars, neither have any appendix, and both worry about how much I eat. Anyway, his wife, or Mama's sister was in the hospital for a bit of major surgery, and we were out to be with her for a few days. The Brother-in-law had hospital insurance to take care of most of the cost of the operation, so his major complaint was that he had no insurance to cover kin-folks who ate him out of house and home. Anyhow she was doing fine when we

left and if he makes a good crop of beans he will soon forget about my grocery bill.

While we were with these folks who by the way live in Albuquerque, New Mexico, a number of things happened that seemed to me might be of interest to some of you. One morning while we were there the neighbors phone rang and the following conversation took place.

"Hello, is this the man that washes?"
 "No."
 "Well, you nasty thing, you!"
 And with that the caller hung up the receiver.

Passed through Morarity, New Mexico. It has some dozen business buildings, and probably thirty or forty houses, and believe it or not has no filling stations that we could find. But before you sell your present business and go out there to put one in, please go look for yourself; there might be a reason. We drove through there looking for

the Sam Smith's but failed to find them. We didn't have time to search out the countryside which was where they must have been. Everyone that we talked to had been there forty years or more.

My sister-in-law was in the St. Joseph's hospital. It is a Catholic supported institution but is open to everyone. Seventy-five percent of the nurses are Spanish as is likewise the case with the patients. However a large percent of the population of Albuquerque is Spanish. According to the patients the Spanish nurses are just as kind or more so than anyone else; they are a kind hearted people and in most cases happy and carefree even though they are emotional and tenderhearted. All in all the service given was above the average for this age of overcrowded conditions in hospitals.

I enjoyed getting acquainted with all these folks; the head nurse that almost gave me a "shot" with her needle because she thought I was about to talk to the patient too much; a little student nurse waited on our

folks that wasn't much taller than a sack of my brother-in-laws beans; she was so cute and kind. I promised to send her a Texas cowboy if I could find one not so tall. I told her most of them was about six feet four. She was probably about four feet six. Then there was the lady in the hospital drug who kept me supplied in chewing gum and magazines, and the nice Doctor who removed the offending parts from my sister's construction. They were all so nice to all of us and we have a better feeling toward all humanity after this experience.

Just next door to our folks lives one of the very friendliest persons that we have met in a long time. She is Mrs. Emma Evans. Her husband is a retired railroad man and she does sewing for a clothes factory. Last fall at the age of 64 she loaded her car with most everything, except the husband and took off on a trip alone that carried her 6580 miles. She visited in 22 states, had two flats, and was gone from home 64

days. She collected pictures and wrote a diary of her trip. She was so kind to let us read it. Some of the experiences will thrill you. She came along thru Claude and Clarendon, staying all night with some friends at Hedley. On some occasions as she slept in her car near someone's house they would be suspicious of her travelling alone. But after they heard her story they would welcome her friendship and she still hears from many of her travel friends along the way.

Mr. and Mrs. Dick Eichelberger visited Mr. and Mrs. Edgar Talley and children awhile Friday night.

Harold McDonald spent Saturday night and Sunday with Eugene Auldridge.

Mrs. Ledbetter and Linda and Mrs. Lonny Ledbetter of Oklahoma spent Wednesday afternoon with Mrs. Hatley.

Gene McBrayer visited Sunday with Weldon Talley.

Mr. and Mrs. W. H. McDonald and children, Mr. and Mrs. Clarence Moss and children, Mr. R. L. Moss of Clarendon and Kenneth Jackson visited awhile Friday night with Mr. and Mrs. Wilson Gray.

Kathleen and Susie Yankee spent Sunday with Mr. and Mrs. Wilson Gray.

Bobby Phillely is staying with Mr. and Mrs. Doc Ford of Claude.

Mr. and Mrs. George McCracken from Alanreed, Mr. and Mrs. Price Webb and family from Huddins, Mrs. Lorene McAnear and family from Goodnight, C. E. Reynolds and Imogene McAnear all visited with Mr. and Mrs. R. O. Reynolds Sunday.

Sunday school will start at 10:00 next Sunday. Everybody try to be there.

Mr. and Mrs. Roy Stewart went to Cisco last Saturday for medical treatment.

Bobby Blanks from Amarillo spent Saturday night with Lyvonne McBrayer.

Those to visit with Mr. and Mrs. Doc Ford in Claude Sunday were Mr. and Mrs. Clarence Reynolds, Mr. and Mrs. Bill Littlefield and family, Mr. and Mrs.

Eddie Reynolds and son, Mr. J. F. Jackson and family, and Mr. and Mrs. Bud Phillely and family.

Sue Talley visited Sunday afternoon with Carolyn McDonald. Steve Reynolds spent Saturday night with Kenneth Webb at Huddins.

Mr. and Mrs. J. L. Christopher and son visited awhile Sunday afternoon with Mr. and Mrs. W. H. McDonald and children.

Garry Warren spent Sunday with Mr. and Mrs. Wilson Gray. Bobby Blanks from Amarillo visited Mr. and Mrs. Walter Goldston over the weekend.

Mrs. Clyde Butler and her small granddaughter Katherine Cowan returned home Monday night after a weeks visit at Dallas with her brothers, Mr. and Mrs. Hugh Jordan and family and Mr. and Mrs. Dee Jordan and family and at Ft. Worth with her sister, Mrs. Fay Hearne and friends and other relatives at Weatherford with Mr. and Mrs. Bert Freeman, and she also visited Dr. Oscar and Mrs. Jenkins while at Dallas.

Mr. and Mrs. Johny Beard and small daughter from Amarillo visited home folks on Father's Day week end.

Mr. and Mrs. Alfred Estlack, Patsy, Barbara and Danalene spent the week end with their daughter, Mr. and Mrs. Billy Chilton at Romero.

Mr. and Mrs. Frank Bourland visited Mrs. Van Eaton Sunday afternoon.

GOLDSTON

Carolyn McDonald

Mrs. Raymond Farr and children and Mr. and Mrs. Wilson Gray had dinner at McClellan Lake Sunday.

Lucille Dale spent Wednesday night with Mrs. Hudson of Clarendon.

Edward Ledbetter visited Monday night and Tuesday with Bob McDonald.

Mr. and Mrs. Bill Burn and son from Littlefield and Mr. and Mrs. John Hatley from Brice visited Sunday in the Mode Hatley home.

Mr. and Mrs. Edgar Talley and children spent Sunday afternoon with Mr. and Mrs. Tims in Windy Valley.

Mr. and Mrs. Clarence Moss and children and Mr. R. L. Moss of Clarendon visited Mr. and Mrs. J. D. Moss at Borger Sunday.

Mr. and Mrs. O. L. McBrayer visited J. C. McBrayer and Luke McBrayer in Dumas over the weekend.

C. T. Williams of Amarillo will preach here at Goldston next Sunday morning and Sunday night.

MARGIE NELL CROFFORD HONORED WITH BRIDAL SHOWER

Miss Margie Nell Crofford was honored with a bridal shower Wednesday afternoon, June 14, at the home of Mrs. Richard Cannon. Hostesses were Mrs. Richard Cannon and Mrs. Walter Morrow. The reception table was laid with a lace cloth, centered with an arrangement of spring flowers. Mrs. Frank Cannon presided at the punch bowl serving lime ale and Jo Ann Sibley served the angel cake. Mayrene Phillips presided at the bride's book.

Those attending were Mesdames Lamar Aten, Ivan Tucker, Floyd Crofford, Vanna Smith, Ernest Phillips, Frank Cannon, Lawrence Whiddon, Ben Kyser, Gilbert Mann, Charlie Hearn and Shirley, O. T. Hill, Guy Sibley, D. E. Stevenson, Raymond Waldrop, W. D. Higgins, Chester Talley, Jack Eddings and Joyce, J. E. Kidd, Lena Smith, John Helton, W. L. Jordan, and Misses Juanelle Stevenson, Anna Faye Tucker, Charlotte Whiddon, Jo Ann Sibley, Mayrene Phillips, Francis Helton.

Those sending gifts to the shower were Mrs. Carl Saye, Mrs. George Bulman, Mr. and Mrs. H. A. Williams of Okla. City, Mr. and Mrs. George Bulman Jr., Mrs. Joe Ritter, Mrs. M. C. Goodner, Mr. and Mrs. J. C. Whiddon of Amarillo, Mrs. A. Pittman, Mr. and Mrs. Lynn Payne, Mrs. Ben Lovell, Mrs. Buck Roberts and Joveda, Mr. and Mrs. Jack Royal of Amarillo, Mrs. Robert Davis and Mary Neal.

CARD OF THANKS

Words can not express our feelings for the cards and beautiful flowers from our friends. Mr. and Mrs. W. E. Hodges

ANNOUNCE ENGAGEMENT AND APPROACHING MARRIAGE

At a luncheon given Saturday by her mother, the engagement and approaching marriage of Miss Patsy Marie Blair and Mr. John Miller Morris, both of Clarendon, was announced in the presence of twenty guests.

The dining table was centered with a miniature bride and groom preparing to enter their gayly decorated honeymoon airplane, labeled "Just Married" and "Honeymoon Express". Place cards featured wedding emblems, and the favors were pastel tulle bags of rice. Shasta daisies were used throughout the house and each guest's place was marked by one.

At the conclusion of the luncheon, a motor was heard overhead. A model airplane, the handiwork of the groom-to-be, zoomed across the front lawn and scattered multi-colored handbills bearing this announcement: Notice—July 16, 1950—Four o'clock—A big affair at the Methodist Church—To the tune of Mendelssohn's Wedding March, Miss Patsy Blair agrees to say "I Do" and John Miller Morris will say it, too.

Each guest was then given a card and requested to write three ways on "How to Manage a Husband". These were read and presented to the future bride.

The bride-elect is the daughter of Mr. and Mrs. Frank Blair, and the bride-groom elect is the son of Mr. and Mrs. C. B. Morris.

Mr. and Mrs. E. J. Evans and granddaughter Barbara Kyle; Leon, Nelson and Nancy Lee Williams all of Amarillo spent Sunday in the home of Mr. and Mrs. John Jones.

T. E. L. CLASS

The T.E.L. Sunday School class of the First Baptist Church met in the home of Mrs. Claude Darden Tuesday, June 20. The day was spent in piecing quilts and visiting. A lovely covered dish luncheon was served at the noon hour.

The class is glad to report the signs are being put up on each side of town on the highway.

Those visiting were Mrs. Phelps, Mrs. Butler and Mrs. Ray. Members were Mesdames Owens, Naylor, Williams, Rampy, Ray, Simpson, Bingham and hostess, Mrs. Claude Darden.

The Class will meet July 11. —Reporter

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met June 15 with 17 members and 1 visitor present. Delene Beverly was hostess with Nora Henders co-hostess. Meeting was opened with prayer by Nona Henders. Minutes were read and approved as read. Roll call was answered with, "An Outstanding Incident of my Father," by each. The meeting time was changed from 2:30 to 3 o'clock until Sept. We urge all who haven't turned in their quilt blocks for the Boys Ranch quilts to do so, as soon as is convenient. Polly Anna gifts were exchanged and Polly Annas revealed, then Polly Anna names were drawn for the next six months. Jo Harp will bake the next cake.

The Fathers Day program consisted of the following subjects: Fathers Day and how it started by Viola Graham; Life of the party, Naomi Green; Housewives Complain, Johnie Poovey; All America Dads, Viola Graham. —Reporter

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met Wednesday, June 14th with Blanch Gray. Two quilts were finished and a quilt top almost finished.

Quests present were Mrs. Allen from Amarillo, Gertrude Brock, Kathleen Yankie, Mable Elmore and Mrs. David Jay. Members present were Oddie Moss, Edna Hudson, Ruth Littlefield, Joy Roberson, Connie Talley, May Pearl McDonald, Charlene Reynolds, Nina Dale, Lucille Dale, Etta Reynolds, Sarah Pegram, Nora Jackson, Ola McBrayer, Patsy Jackson, Edith Jackson, Flossie Reynolds, Geraldine Jackson, Nora Smith and the hostess Blanch Gray.

The club will meet Wednesday June 28 with Charlene Reynolds. —Club Reporter

NEEDLE CLUB

The needle club met June 15 with Mrs. Carl Barker. The evening was spent crocheting and painting with textile paints. Lovely refreshments were served by the hostess, Mrs. Carl Barker.

Those present were Mesdames Gilbert Mann, Oren Hott, Harvey Shaw, Ira Self, Henry Mann and the hostess, Mrs. Carl Barker.

Visitors were Mrs. Williams, Miss Williams and Mary Lou Barker. Next meeting will meet July 20 with Mrs. Henry Mann. —Reporter

GABIE BETTS BURTON SUNDAY SCHOOL CLASS

This Class met Tuesday in social meeting at the home of Mrs. Edwin Baley. Thirteen members were present and one visitor. The hostess, Mrs. Baley, served a lovely plate refreshment at the close of the meeting.

Mr. and Mrs. J. L. Hopkins and Mrs. Agnes Kennison from Park Barre, La. are guests of Mr. and Mrs. A. J. Hicks.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met Wednesday, June 7 with Nina Dale. A nice covered dish lunch was served at the noon hour.

Two quilts were finished and a half quilt pieced. Guests present were Mrs. Roy Stewart, Gail and Garry and Mrs. Davis.

Members present were Etta Reynolds, Charlene Reynolds, Joy Roberson, Blanch Gray, Nora Jackson, Mazie Eichelberger, Patsy Jackson, Geraldine Jackson, Edith Jackson, Flossie Reynolds, Edna Hudson, Melba Moore, May Pearl McDonald, Ruth Littlefield, Ola McBrayer, Carolyn McBrayer, Oddie Moss, Lucille Dale and the hostess Nina Dale. —Club Reporter

CLARENDON H. D. CLUB

The H. D. Club met in the home of Mrs. J. C. Estlack on Friday, June 16th with a covered dish luncheon and the piecing of a quilt. The president, Mrs. Rampy, presided over a short business session after which the remainder of the afternoon was spent in conversation, and working on quilt.

Those spending the day were Mesdames A. L. Chase, A. W. Simpson, Henry Williams, G. A. Anderson, Joe Terry. Those who came in the afternoon were Mesdames M. C. Rampy, Bertha Benson, William Payne. Visitors were Mrs. S. H. Manning of Ft. Worth and the hostess Mrs. J. C. Estlack. Donley County Leader, \$2.50

The next meeting will be a picnic in the yard of Mrs. Joe Terry in July.

HARMONY CLASS

The Harmony Class of the Methodist Church held its regular business and social meeting Thursday, June 8th at the home of Mrs. Doyce Graham. Thelma Bennett brought the devotional. A pleasant hour was then spent in visiting. Mrs. Carl Barker was co-hostess.

Members present were Mesdames Charles Bairfield, Victor Smith, Hamilton, John English, Dee Lowry, Cox, Watson, Homer Bones, C. B. Morris, Bennett and Barker. Guests were Mesdames Hubert Rhoades, J. M. Graham and Mary Lou Barker.

MARRIAGE ANNOUNCEMENT

Mrs. Cleo Hall announces the marriage of her daughter, Cleo Cornelius, to Floyd Hendrix on Saturday, June 17, 1950 at Lubbock. Cleo is the granddaughter of Mr. and Mrs. L. L. Cornelius, and went to school in Clarendon.

Luncheon guests in the Van Knox home Wednesday were Rev. and Mrs. L. A. Sartain and son Bob, Mrs. L. P. Moore and son and the Daily Vacation Bible school workers as follows: Louise Crawford of Houston, Bobby Whitworth of Munday, Aiko Taero of Ft. Worth, Gerry Biles of San Antonio, and Helen Jean Bond of Abilene.

Those enjoying dinner with Mr. and Mrs. Doc Ford and boys Sunday were Mr. and Mrs. Clarence Reynolds, Mr. and Mrs. Eddie Reynolds and Lynn, Mr. and Mrs.

Bill Littlefield, Doyle Ray and Kenneth, Mr. and Mrs. Bud Philley, Bobby, Johnnie, Jimmy and Kay, Mr. J. F. Jackson, Nora Jackson, Edith Jackson, Kenneth Jackson, Geraldine Jackson, Patsy Jackson, Glen Reid, Mr. & Mrs. Acie Putman and children, Mr. and Mrs. Leonard Putman, L. M.

Putman, Katie Ray, Riley Ray, Johnnie Ray, Betty Higdon, Mr. and Mrs. Murphy Brock and Mr. and Mrs. John Lemons, Linda, Gail, Billie and Johnnie.

Mrs. R. L. Bedwell of Long Beach, Calif., Mrs. Hulda Wilson (nee Hulda Cannon) of Memphis visited Mrs. Joe Terry Sunday. They all were nurses at the Adair Hospital 28 years ago. They also visited Mrs. Frank Whitlock and Mrs. Mary Dozier while here.

MARTIN

Mrs. J. H. Helton

There was a large crowd out Sunday morning and evening. We had several visitors for both services and wish to invite each and everyone of them back.

Barbara Hill of Amarillo is visiting her aunt and uncle, Mr. and Mrs. O. T. Hill this week.

Those visiting in the C. C. Hearn home Sunday were Mr. and Mrs. George Bethel and Mrs. Benny Carter and son, all of Borger, Mr. and Mrs. Johnson Simpson and son of Roswell, N. M., Mr. and Mrs. Chester Gregory of Lefors, Mr. and Mrs. Eugene Swinney, Mr. and Mrs. Frank Lyle, Mr. and Mrs. Loyd McCord and children, all of Clarendon, Mr. and Mrs. O. D. Hearn of Groom, Mr. and Mrs. W. L. Jordan.

Mr. and Mrs. F. C. Crofford, Margie, Mr. and Mrs. F. G. Crofford, Billy Mix Phillips and Mrs. Smith all motored to Amarillo Park and enjoyed a picnic at the park with relatives Sunday.

Mr. and Mrs. George Bulman Sr., Mr. and Mrs. B. J. Land and Monty, Mr. and Mrs. George Bulman Jr., all ate dinner with Mr. and Mrs. Tick Barbee at Ashtola Sunday.

Wanda Sibley spent her vacation last week visiting relatives in Amarillo.

Mr. and Mrs. E. A. of Dallas visited in the Guy Sibley home over the weekend.

Those visiting the Loyd Risley's last week were her brother and family, Mr. and Mrs. Maon Johnston and Roy Witt all of El Paso. The Johnston children Doris and Robert stayed to visit the Risleys awhile longer.

Those visiting in the A. Pitt-

man home Sunday were Mr. and Mrs. Ray Pittman, Mr. and Mrs. Phillips and Alice Ruth all of Amarillo.

Betty Sullivan visited Frances Helton Tuesday night, Gene Bulman and Jerry English spent Saturday night and Sunday with Gene White.

Mr. and Mrs. Guy Sibley and Joanne spent Sunday in Amarillo visiting relatives. Wanda returned home with them, and Jerry Sibley came down for a visit with them.

Mrs. Walter Morrow and Mrs. Richard Cannon gave a bridal shower for Margie Croford last Wednesday afternoon. Many lovely gifts were received. Cake and punch was served to the guests.

MIDWAY

Mrs. John Goldston

Mrs. A. B. Stevens and children came over from Plainview Thursday to bring Mrs. J. C. Longan and daughter of Pampa home after a visit at Plainview. They spent the night in the Longan home and Mrs. Edith Longan accompanied them to Pampa where they visited over Friday.

Mrs. J. C. Longan had also visited her brother, Dempsey Roberson at Plainview, formerly of Midway.

Mr. and Mrs. Bill Harris, a nephew visited with Mrs. Edith Longan over the weekend. They were enroute from Arizona to Avon, Conn., where Mr. Harris is a chemist. Their last visit here had been 20 years ago.

Mr. and Mrs. Charles Longan visited in the Longan home Sunday.

Mr. and Mrs. G. G. Miller of Hot Springs, N. M. is visiting his brother, Mr. and Mrs. D. Smith.

A niece, Mrs. Albrecht of Herington, Kansas is also visiting in the Smith home this week.

Mr. and Mrs. Bill Moreland of Wichita Falls spent the weekend in the Moreland home.

Mr. and Mrs. Al Word and children visited her parents, Mr. and Mrs. Loyd Moreland Saturday evening.

Mr. and Mrs. C. W. Richerson of Phillips spent the weekend with her parents, the D. Smiths.

Mr. and Mrs. C. E. Lindsey, Mr. and Mrs. F. E. Caraway and Mr. and Mrs. E. J. Chenault of Clarendon were all guests of the ladies' sister, Mrs. D. Smith Monday evening.

Those visiting in the Doc Ford home at Claude Sunday were Mr. and Mrs. Clarence Reynolds, Mr. and Mrs. Bud Philey and family, Mr. and Mrs. Leonard Putman, Mr. and Mrs. John Lemons and family, Mr. Jim Jackson and family, the Ray boys and girl, Mr. and Mrs. Acie Putman and family, Mr. and Mrs. Eddie Reynolds and baby, Mr. and Mrs. Murphy Brock and Mr. and Mrs. Bill Littlefield and boys. All took a covered dish and enjoyed a nice lunch; then all went to the ball game at Claude.

Mr. and Mrs. W. A. Grant Jr. and son W. A. Grant III of New Orleans, La. came in Sunday for a visit with his father, W. A. Grant of Amarillo and his grandparents, Mr. and Mrs. G. R. Grant of Clarendon.

Mrs. Charlie Harp of Goodnight visited with Mrs. N. L. Jones Monday.

Mr. and Mrs. Zoro Hudson and children of Lefors were visiting relatives and friends here last Sunday.

Mrs. Lena Dill, Miss Mavis Hudson and Mr. and Mrs. G. R. Grant took dinner with Mr. and Mrs. Clyde Hudson of Goodnight last Sunday.

Mrs. Frank Elmore of Quanah came last Friday for a visit with her children.

Mr. Dub Scott and his sister, Mrs. Shorty Flowers are visiting in Calif. this week. He will bring his son Butch back for a visit.

Mr. John Semrad from Amarillo spent Sunday with Mrs. Semrad, Mary and Jimmy.

Mrs. Arvis Davis and Johnnie Lorraine Johnson were shopping in Amarillo Saturday.

Mrs. Ernest Hunt had a major operation at Pampa hospital last week and is doing nicely.

Mrs. L. L. Wood underwent an operation at Groom Friday and is doing fine.

Mr. and Mrs. Marvin Land spent the weekend with his mother Mrs. W. A. Land. Mrs. Land accompanied them home for a visit.

SOCIAL SECURITY NEWS

"Check your Social Security number on your pay envelope or pay check stub. Make sure that the number agrees with the number on your social security card."

This advice was given workers by J. R. Sanderson, manager of the Amarillo office of the Social Security Administration. Sanderson pointed out that most em-

ployers conscientiously try to report each worker's social security number correctly, but it is only human to make mistakes occasionally.

"When a worker has social security taxes deducted from his pay he is paying premiums on an insurance policy. This insurance helps to provide financial security in the worker's old age after retirement. It also provides insurance payments to eligible survivors if a worker dies," Sanderson said.

"Eligibility for benefits hinges on the length of time a worker has been employed in jobs covered by social security. The amount of benefits payable depends on the total wages credited to his account. It is to the worker's advantage to have credit on his wage record for all wages earned. If his wages are reported under the wrong social security number," Sanderson concluded, "he may not be credited with those wages. Later on, he and his family may lose benefits which should be theirs."

A representative from this office will be in Clarendon on Tuesday, June 27, at 9:15 a. m. in the Department of Public Welfare office, Court House building.

365-Day Christmas Tree
Christmas trees are a year round fixture in the oil industry. "Christmas Tree" is the name given to the assembly of pipes, throttles and valves which control the flow of oil or gas at the well-head.

Library Notes
By May L. Prewitt
There has been an average of 74 books per day issued the past week, so you can understand why we complain weekly in regard to an insufficient number of children's books. These little people are restless and also eager to test their reading skill. Co-operation has been generous this week. The

Clint Martin children gave ten or twelve popular books. Then we received quite a few current periodicals that resulted in our magazine rack comparing favorably with the news stands—Atlantic Monthly, Saturday Review of Literature, Holiday, American, Look, and various others.
For adults we have "The Golden Salamander" by Victor Canning. It is a modern novel of high adventure, full of suspense and action and romance. The setting is in North Africa. The book was a gift. Another gift is "The Bolinoars" by Marguerite F. Boyless. Several pocket editions were given us, too. These are quite popular as they are convenient to hold, but come apart readily, and are to be replaced. Reading does not necessitate too much effort these warm days.

WALTER ROGERS MAKES STATEMENT ON TIDELANDS DECISION

Walter Rogers, Candidate for Congress for the 18th Congressional District, when asked for his reaction to the Tidelands and Segregation Decisions of the Supreme Court, replied:

"The tremendous impact of the recent Tidelands and Segregation Decisions by the Supreme Court of the United States on the people of Texas, as well as on the other Southern States, should serve to place us on immediate guard to at least soften the repercussions that can result in the future. I do not think that the Tidelands have been lost, but immediate action by Congress is indispensable in our fight to save them. Unless this is forthcoming without delay, the brunt of the impact will be absorbed by our school children. It is a battle that must be fought with brains, and not heated talk. Had we used that weapon in the beginning, our position at this time would be considerably stronger. We must not lose sight of the fact that now is the time to build our defenses against further encroachments contrary to our constitutions. Let us be prepared to give up the rest of our public domain, we should heed the warning sounded by those decisions and prepare ourselves for the battles to come."

Lions Founder Endorses Independence Drive

Examining a reproduction of the Liberty Bell at the Treasury in Washington, Melvin E. Jones, founder and Secretary General of Lions, International, says: "The Liberty Bell symbol and the Independence theme of the 1950 Savings Bonds campaign have a particular significance to Lions, since our own slogan is 'Liberty—Intelligence—Our Nation's Safety'. As in past Savings Bonds campaigns, the Lions may be counted upon to do their full share."

Mr. Bob McGowan is home from a visit in Arizona.

FARM NEWS
From the County PMA Committee

COTTON MEASUREMENT:

At the present time we have crews in every community except Community E (around Lelia Lake) and Community H (around Alanreed). These two crews expect to get started next week. We know that every producer in the county is anxious to know if he is overplanted, and we will work as fast as possible to get each farm record sheet complete and a notice sent to the producer.

Don't forget, June 26, 1950, is the last day to file an application for a "New Grower Wheat Allotment for 1951."

COUNTY WHEAT ALLOTMENT:

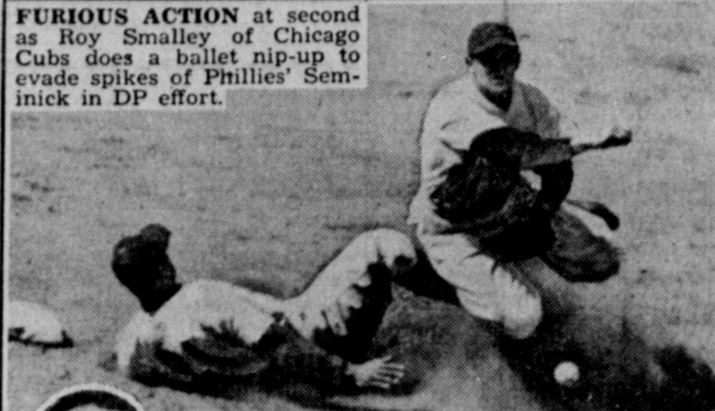

We have received our Wheat Listing Sheets from the State Office and are working on them. However, we have not received the County allotment, but we expect it in a few days, and we will put the news in the paper.

If you have a chain out of the office, use it as quickly as possible so that you may return it to us. We need them!

Miss Mary Sue Scales, of Hedley, started to work the 14th of this month. Mary Sue's duties will consist of doing the map and planimeter work for the cotton measuring crews.

We have had several inquiries as to the "whereabouts" of the 1949 ACP checks. To date we have only had four transmittals sent back to the county. We sent in 13 transmittals of farms to be

mers or chain flails. The machine pulverizes the stalks in the row into fine mulch material and does the same with the weeds between the rows. The mulch on the ground helps prevent splash erosion between the time the cultivated crop is harvested and the time some other crop grows up to cover and protect the ground.

Egg prices received by farmers this spring have been the lowest in six years.

This is your office—Use it!

H. M. BREEDLOVE RETURNS FROM EXTENSION WORKERS CONFERENCE

H. M. Breedlove, county agent for Dohley County, has just returned from College Station, Texas, where he attended the state conference of Extension Workers at the A&M College of Texas. The entire week was devoted to getting up to date information from experiment station heads and specialists on the latest methods and developments in farming and ranching. Breedlove reports that new developments happen so fast from the experiment stations that county agents must have first hand information to keep the farmers and ranchers informed on new developments. Breedlove is urging that every one attend the tour of the soil conservation district on June 28, and some of the new developments, especially in brush control can be seen by every one.

Those visiting Father's Day with Mr. and Mrs. Austin Rhoades were their children, Mr. and Mrs. Loran Rhoades and Leon of Amarillo, Mr. and Mrs. Hubert Rhoades and Mary Sue of Ash-tola, Mr. and Mrs. Skeet Brown and children Charlotte, Bettie and Wayne of Alanreed, Mr. and Mrs. Harold Green of Borger, Charlotte and Bettie Brown accompanied Mr. and Mrs. Green home for a weeks visit in their home and also to visit other relatives.

Bobby Blanks of Amarillo visited Sunday with Vernon Goldston.

General Practice

Office in Latsen Bldg.

Ground Floor

Office Phone 238

Residence Phone 253

USE T-4-L FOR ATHLETE'S FOOT BECAUSE—

It has greater PENETRATING Power. With 90% undiluted alcohol base, it carries the active medication DEEPLY, to kill the germ on contact. Get happy relief IN ONE HOUR or your 40c back at any drug store. Today at Stocking's Drug Store Wilson's Drug in Hedley

for you, Mr. and Mrs. Motorist, even though there is no message or symbol on it. You have only a split second at high speeds to read a written message or grasp the meaning of a symbol on a traffic sign. If you fail, you may be courting disaster. Is it not logical then that meaning should be assigned to shapes and colors of a sign as added assurance of your glance recognition? Wouldn't knowledge of both be added insurance for your safety?

From the shape and color of the sign, it is possible for you to tell whether it is a REGULATORY sign intended to inform you of a law or regulation enacted to promote safety and convenience upon the streets and highways, whether it is a WARNING sign erected to tell you of a hazardous condition either on or beside the road, or whether it is a GUIDE or DIRECTIONAL sign to lead you to your destination.

This is the first in a series of four articles designed to make Mr. and Mrs. Average Driver more familiar with traffic control signs, which when properly understood and obeyed, make our highways a safer place to be. This

is the story of the REGULATORY sign.

It is important enough to repeat that the REGULATORY sign is used to inform you of certain laws and regulations enacted to promote safety and convenience on streets and highways. A violation of these rules is a misdemeanor.

Generally, the REGULATORY sign is rectangular in shape, and it is mounted with the longer side up. The letters and border are black, and the background is white with only the following exceptions: (1) Night Speed signs which have white letters on a black background; (2) Parking signs which have red or green letters on a white background; and (3) Stop signs which are so important as to merit a full description.

The Stop sign is the outstanding exception to the usual shape and color combination of the REGULATORY sign group, and it needs no explanation to most motorists. It is the only standard sign which has an octagonal (eight-sided) shape, and it usually has black letters and border on a yellow background.

Unless they are illuminated by a fixed source of light, the REGULATORY signs are always reflectorized to improve night visibility by using reflector buttons to outline the message or symbol or by covering the entire back-

ground with a reflective material.

Remember the shape and colors of REGULATORY signs. Remember, too, that they inform you of laws or regulations that have been enacted for your safety and convenience. If you disregard them, you are not only endangering the life and property of others who use the highways, but also threatening the lives and property of yourself and loved ones who may be with you.

Shivers Asks Hard Work of Economy Group

Responding to the call of Gov. Allan Shivers to work for the preservation in Texas of "a sound government and a sound economy", several hundred members of the Texas Economy Commission met in Austin last week to set up their permanent organization and to start work.

Former Senator John Redditt, Lufkin was elected chairman; Mrs. Charley Ward, Louise, vice-chairman; John Ben Shepperd, Gladewater, secretary, and E. P. Cravens, Austin, treasurer. Membership of the Commission was appointed last March by

Governor Shivers.

The Governor, principal speaker at the Austin meeting, expressed himself as deeply concerned that the people of Texas be fully informed about their State Government.

"There is a definite job to be done, and we are here to tackle it," he declared. "We must preserve a sound government and a sound economy, for our own interests and to encourage new business and industry to come to Texas. To that end it is necessary that we find a way to stop the trend toward bigger and bigger State spending, without depriving our people of essential services."

"To determine our limits and define our goals, we need to bring to bear all the intelligence, the courage, the unselfishness, the good will and the sound business judgment that we have in this State."

The Economy Commission adopted an eight-point program of objectives, embracing the suggestions in Governor Shivers' address, with the overall goal being stated as "maximum government efficiency at minimum cost."

Ocean waves have been known to go as high as 80 feet.

OLD FATHS

By DOYLE WILLIAMS
Minister
Church
of Christ

Josh: 1-21. When the Israelites had crossed the river Jordan into the land of Canaan, they camped near the river. God had given them the land, yet they must, by God's help drive out the inhabitants. The city of Jericho stood first in their way. It is a mistaken idea, to suppose as some do, that, because God gives us a thing, we have nothing to do to gain possession of the gift. "And Jehovah

said unto Joshua, See, I have given into thy hand Jericho, and the king thereof, and the mighty men o valor." He had given him the city, yet he told him how to get it. They were to march around the city once each day for six days, and on the seventh day seven times; The priest were then to blow their trumpets, and the people were to give a shout unto God; the walls would then all down and every man was to go up straight before and take possession of the city. Then, and not till then, might they have what God had given them. God gave this people the city of Jericho, and told them how or with what means they might possess it. He did not tell them not to use as means in taking the city; Guns, Dynamite, butcher-knives, etc., but they all knew that when God told what to use that excluded every other way and means. He

did not tell them not to run around the walls, but when he told them to march, they knew that running was forbidden. 2 Kings: 5: 1-19 Naaman was captain of the armies of Syria, but he was a victim of leprosy. But after being informed by his Jewish maid that there was a prophet in the country of Samaria that could cure his leprosy, he immediately made his way to that country, and to the king, but the king realizing his inability to cure the man of his leprosy, immediately became angry, and accused the king of Syria of seeking a pretext for war. But about this time the king of Israel sent word and said, "wherefore hast thou rent thy clothes? let him come now to me." And when Naaman had arrived at the house of the prophet Elisha, he said, "Go and wash in the Jordan seven times, and thy flesh shall come again unto thee, and thou shalt be clean." Here we find another example

NO FAIR WEATHER CHURCHMEN HERE—U. S. Army chaplains held services regularly for the troops during "Exercise Sweetbriar," joint United States-Canadian Army and Air Force maneuvers along the Alaska-Yukon border deep in the Arctic zone. Buried in the snow is this quonset chapel at Camp McCrae near Whitehorse, Alaska.

are excluded; and it doesn't matter how reasonable or unreasonable those means might seem to man. There are many to day that have their own idea as to how God is to save them, and are waiting, quite willing to be saved, so soon as God adopts their method of saving. But Naaman's faith moved him to obey God's commands, and use the means that God commanded to be used, his "Flesh became as a little child. No friends, we can not set aside God's means of obeying his commands and be saved.

Plans are being made to accommodate around 500 ranchers and farmers, Dean Stangel said.

Mileage Marathon

An oil company research expert recently squeezed about 150 miles per gallon out of a regular-grade gasoline. He rearranged the gear ratio of his car, buffed the tires smooth for better road action, disconnected the fan, reworked the engine and then, in a "mileage marathon," coasted whenever possible. He drove about 16 miles per hour. The word "petroleum" is derived from the Latin words "petra" meaning "a rock" and "oleum" meaning "oil."

Aberdeen-Angus Breeders Plan Field Day July 19th

LUBBOCK — A field day for Aberdeen-Angus breeders and West Texas cattle men will be held at Texas Technological College July 19, Dean of Agriculture W. L. Stangel has announced.

Dean Stangel said Tech would play host to the visitors while the actual field day will be under the direction of A. C. Cheser, Littlefield cattle man.

Poorly stocked forest land in East Texas increased to one and a half million acres between 1935 and 1945. Virgin timber declined to about 150,000 acres during the same period.

Seventy-two percent of the earth's surface is water.

It's got more GO!

Chrysler first introduced high-compression power! Chrysler still leads the parade in all that high-compression power can do for you! Come let Chrysler's Spitfire High-Compression Engine show you the difference! In traffic it's flexible and speedy! With plenty of power for the toughest hill! With a combination of advantages no other engine can offer... from automatic gear-shifting that gives you full control... to waterproof ignition that prevents stalling in rain or high water! But... Chrysler power is only one of the built-in values all the way through the car! Come see beauty that has no equal for "come-on"! Drive! Compare! Relax! And we're sure you'll buy Chrysler from now on!

The Beautiful CHRYSLER with Fluid Drive

HEATH MOTOR CO. 205 - Sully St.,

- Advantages of Chrysler's High Compression Spitfire Engine!
- Advantages of Chrysler's Fluid Drive
- Chrysler's Advantages in Comfort and Safety

- Waterproof Ignition—prevents stalling in rain or high water! Lubricated Cylinder Walls—chemical protection for increased life. Floating Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean!
- Automatic Gear Shifting—with full control of your car! Better traction—safer on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.
- Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops, less pedal pressure. Cyclebonded linings for double the wear. Electrically Operated Windshield Wiper—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds.

"ENEMY" LANDING PARTY—U. S. "assault" troops in "Exercise Portrex" communicate with landing craft by means of walkie-talkie while they struggle through the white sand of Puerto Rican beach.

Whereabouts of Rare Historic Rifle Wanted

Brand new 30-30 sporting rifles suitable for deer, black bear, coyotes and the like are awaiting twenty persons who are the unsuspecting owners of one of America's rarest and least known variety of what has been described as the most famous rifle of the early West. The rifle for which a nationwide dragnet is now out is the "One of One Thousand" variety of the lever action Winchester 73.

Any readers of this paper who qualify will receive a new rifle with the compliments of Universal Pictures and The Leader.

Since the publication of an article in the May issue of the official journal of the National Rifle Association of America started the search, Universal

Pictures, which made its new Jimmy Stewart movie "Winchester 73" about one of these guns, has announced that the first twenty persons who satisfactorily report their ownership of one of these rare rifles will receive a brand new Model 94 deer rifle. The Model 94 is a modern descendant of the Model 73.

How many of the "One of One Thousand" rifles still survive after some 75 years since they were produced is not known. They were only made from 1875 thru 1881. There may not be many. If any are found, it is possible that some as yet unknown chapters in American history will be revealed.

The first news that Universal would give a new gun for word about the old ones was announced by Bobby Benson, youthful gun lover and cowboy star on his "B Bar B Riders" radio program

broadcast over more than 400 stations of the Mutual network.

The conditions under which the rifles will be awarded follow:

The rifle must be a Model 1873 Winchester and have the words "One of One Thousand" engraved on the top of the barrel just ahead of the receiver. The present owner must supply a photograph of the engraved words "One of One Thousand" and a notarized letter stating his ownership, serial number of the rifle and such facts regarding the previous ownership or history if known. Precedence to determine the first twenty reported will be determined by the postmark of the letter which should be addressed to "Winchester 73 Department, Universal Pictures Co., Inc., 445 Park Avenue, New York 22, New York".

Only 124 of the "One of One Thousand" Model 73 rifle were produced. One of them was loaned by Winchester to Universal-International to play the leading role in the movie "Winchester 73". The rifle actually is the hero. Winchester also made two duplicates for standby use should the original be damaged or lost in production. The stand-bys were never used.

The present search is for the whereabouts of the other 123 "One of One Thousand" rifles. While only 124 were made of this variety, a total of 720,610 Model 73's were produced by Winchester from 1873 to 1924 when that model was discontinued.

Known as "the gun that won

the West," the Model 73 has been used throughout the West and in many other parts of the world. The equally famous 44-40 ammunition which it fired was also used in the Colt six-shooter. At various times this ammunition was used as money and such cartridges are included in the world-famous currency collection of 80,000 items owned by the Chase National Bank in New York.

Another famous Model 73 is making news this year when one once used by Buffalo Bill will be presented to the Buffalo Bill Museum in Cody, Wyoming on July 4th. This rifle is owned by Colonel Walter F. Siegmund, an executive of Winchester, who will

give the gun to the Cody Museum during the Frontier Days Celebration. It will be received by Mary Jester Allen, niece of William Frederick Cody.

More Gasoline From Less Crude

Oil refining processes have been advanced by petroleum engineers to the point where today's 20-gallon tankful of automobile gasoline can be obtained from one 42-gallon barrel of crude oil. That same tankful 30 years ago would have required two barrels of crude, while in 1910 refineries had to process four and one-half barrels of oil to squeeze out 20 gallons of gasoline. On top of that, today's gasoline is an infinitely better fuel.

YOUR MASSEY-HARRIS DEALER

HUSKY, Dependable Power

THE POWER
AND ECONOMY
LEADER OF THE
3-4 PLOW CLASS

THE MASSEY-HARRIS 3-4 PLOW "44"

Here's a 4-cylinder husky that's built for more than just average conditions... a tough, versatile, dependable tractor, the "44" walks away with the most stubborn 3-4 plow jobs on your farm. It's out on a tough field job that you really get to know the "44." That you really discover its lugging ability and economy. You take heavy plowing and discing jobs in stride... plant, cultivate, haul seemingly with no effort.

And you do it on less fuel!

There are more acres of work in every tank of gas with the "44." More furrows plowed, more rows planted, more dollars and cents savings in every operation. See us soon for complete details on the Massey-Harris 3-4 Plow "44." Get the power and economy leader for your farm.

"Hello daddy, supper's ready"

Yes, Daddy can be sure his meals are ready—and piping hot—when the fuel which cooks them is fast, efficient, dependable natural gas. Even though mother and the children spent the day away from home, he can count on gas to cook his meals, heat or air-condition his home, heat his bath water, keep perishable foods refrigerated, even dry the family wash... all for just a few pennies a day.

Natural Gas Service Is Truly A Public Service

Thousands of stockholders, some of whom probably live in your community, are the owners of the natural gas industry. Thousands of wage-earning employees, your friends and neighbors, operate the gas industry. The gas companies, like other businesses, pay taxes which help support the essential functions of government. The natural gas industry is a good example of the way American business has worked to bring the advantages of a great natural resource to a maximum number of people.

**ALTON BRAZELL
Future Farmer To
Tour Great Britain**

Alton Brazell, Lubbock, Texas, has been selected to represent the Future Farmers of America in the British Isles this summer. Alton has served as National Vice-President, State Vice-President, President of the Lubbock Future Farmer Alumni Association, and has recently been elected secretary of the State Future Farmer Alumni Association. He

TEAMWORK PAYS OFF WITH "SUNKEN" SUBS—Training exercises in the search for "enemy" submarines involve the use of surface vessels, airplanes and blimps employing the latest detection devices. (Official Department of Defense Photo)

is an Anderson-Clayton scholarship winner. He received the American Farmer Degree in October, 1948.

At a banquet early in 1949, Alton was credited with having traveled more at his own expense to promote vocational agriculture

than any other person in Texas during the past three years. He has put a lot into the organization since his initiation as a Greenhand in 1943. This was confirmed once and for all with the selection of Brazell as National Vice-President representing the Southern Region for 1948-49. During this time he spent a total of 162 days in the interest of F.F.A., and traveled 56,000 miles.

Alton will leave from Chicago on June 12, by air. His plane will land in London. While there he will be the guest of the National Federation of Young Farmers' Clubs of Great Britain. All of his expenses to London will be paid by the Future Farmers of America. While there, his expenses will be paid by the host. He will go to

Paris for a brief visit before the return trip home, and will return by air direct from Paris on September 4, landing in New York.

The major purpose of this international exchange is to promote a better understanding between our countries.

**Tech Has Big Plans
For Small Business**

LUBBOCK — Texas Tech's division of business administration is preparing for the day when it can say to West Texas business and industry, "How can we help you?"

That's the long-range program. More immediate is the expanding departmental set-up, which will get under way next fall with the creation of the department of management.

Dr. Freddie L. Mize says the new department will stress general management and office management during the 1950-51 school terms. Formerly, management has been joined with economics in a single department. During the past academic year the number of management majors outnumbered economics students six to one and pointed out the need for a "divorce" of the two sections.

William M. Fox, native Texan now studying on the Ph.D. degree at Ohio university, will join the Tech faculty this fall. Fox, Dr.

HOLDING AN "ENEMY" BEACHHEAD—Members of the 10th Field Artillery hit the dirt in a simulated landing at U. S. Naval amphibious base in training for "Exercise Portrox," joint Armed Forces amphibious-airborne maneuvers in the Caribbean. Artillerymen defended themselves with light firearms while field guns are being brought ashore.

Mize and two other Tech faculty members will launch the new departmental program.

"We plan to offer a personnel management major for graduates this fall, and will add a traffic management major in 1951-52," Dr. Mize adds. A procurement

and inventory major and public utilities major also will be added later.

"In all these courses we will emphasize the role of the small business in this region," Dr. Mize says.

**X Crossings should be Seen
and not Felt**

WHEN the sign says "Stop, Look and Listen," the prudent driver does. But after that what? Must you still move forward at a cautious crawl or pay toll in jar, jitter and jounce?

Not, good sir, when you're at a Buick's wheel. You step on the throttle, move easily, swiftly forward. Your wheels dance—your tires drum-roll over rail and plank. But four gentle coil springs, one on each wheel, are working their magic—and you hear rather than feel the rough spot you have crossed.

That, of course, is only one kind of rough going you can meet in your travels. It's only one kind of discomfort your Buick's built to master.

For beside gentle coil springing, every Buick rides on soft, low-pressure tires. Every one is steadied by a rigid torque-tube. Every one boasts a rigid weaveproof frame—soft, sure shock absorbers—even special engine mountings to minimize vibration.

They can have the special added smoothness of Dynaflo Drive,* cushioning power-thrust in spinning oil.

So rough spots seem to level out

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

at your coming. Boulevards take on a new smoothness. You know what riding comfort is—why the Buick ride is called matchless.

So how about it?

Come climb into a Buick and see for yourself what we mean. You'll get a style-thrill and a power-thrill along with your ride-thrill—and a story on price that eliminates your last excuse for not traveling in the Buick manner!

Only BUICK has Dynaflo—and with it goes HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) * **NEW-PATTERN STYLING**, with MULTI-GUARD fenders, taper-through fenders, "double bubble" taillights • **WIDE-ANGLE VISIBILITY**, close-up road view both forward and back • **TRAFFIC-HANDY SIZE**, less over-all length for easier parking and garaging, short turning radius • **EXTRA-WIDE SEATS** cradled between the axles • **SOFT BUICK RIDE**, from all-coil springing, Safety-Ride fims, low-pressure tires, ride-steadying torque-tube • **WIDE ARRAY OF MODELS** with Body by Fisher.
