DONLEY COUNTY FAIR - - FRIDAY AND SATURDAY

Club Ladies' City Paving Project Moving Along At Rapid Pace

Five blocks of paving have been signed and paid for just one week after opening subscriptions for paving. Parts of thirteen additional blocks have been paid with gaps being filled and new blocks added each day. Cooperation between neighbors, club women collectors, and officials of the City and School Board have made this work progress with a minimum of confusion and delay.

As more workers come in to help contact property owners on their blocks, Clarendon paving moves along at greater speed. People interested in paving in their neighborhood are urged to contact Mrs. Lloyd Benson, Mrs. Frank Phelan, Jr., Mrs. J. D. Swift, or Mrs. H. T. Bell. As the paving program grows, these ladies will help coordinate and continue the movement.

The following information will help answer some of the questions concerning the paving program:

1. Checks made the City of Clarendon for the thirty-foot center strip at ninety cents per foot for each property owner, will be cashed before work is begun on the block.
 2. Should cold weather stop the paving, all checks not cashed will be returned. Any check cashed for which work is not completed, will be repaid by the City.
 3. Collections for the paving from the edge of the center thirty foot strip to existing curbs or property line will begin as soon as measurements for a center line is made in each street. All payments for edge paving must be in early in order for the contractor to lay out the street and surface it at one time.
 4. Paving is available in any part of town so long as property owners arrange for payment of the thirty feet of center paving. Side paving is encouraged in order to preserve the center of the street and prevent erosion in the ditches. This side or edge paving is not compulsory for each property owner in the block—one may choose to pave the ditch, his neighbor may elect to pave only the center thirty feet and leave a gap in the ditch.
 5. It is preferable that any paving connect with existing paved streets, but this is not an absolute necessity. There may be cases where isolated blocks will be paved.
 6. The City will pave any intersection that is crossed; that is two blocks paved in line, or any intersection that is turned; that is two blocks paved at right angles.
- The advantages of paving in Clarendon run from street dust control to car maintenance and from riding comfort to water erosion. Help yourself, help your neighbor get paving in Clarendon by contacting the ladies who are coordinating the paving project. Now is the time to act.

BAND PARENTS TO HOLD MEETING

Parents of all Band Students are urged to attend the first regular meeting for the current school year. Mrs. Paul Schull, president, has announced that the meeting will be held at the Band Hall, Monday evening, September 19th at 8:00 p. m., and has suggested that it is an ideal time to make the acquaintance of the new Band Director, Mr. Whitaker.

Other officers for the year are L. L. Wallace, vice-president, and W. W. Sandifer, secretary-treasurer. Enrollment in the High School Band has reached beyond the fifty mark. With this fine enrollment, let's build attendance at the Band Parents Meetings!

Mr. and Mrs. Geo. McCleskey of Lubbock have been visiting friends here.

Hedley Gins First Bale of Cotton

Homer A. Durham brought in the first bale of cotton for 1955, Saturday, Sept. 10. Field weight of the cotton was 1750 pounds and the finished bale weighed 472 pounds. It was ginned free by the Paymaster Gin at Hedley.

The Hedley Booster Club bid 40 cents on the 472 pound bale of cotton. Congratulations Mr. Durham on this first bale of cotton.

CUB SCOUT MEETING MON., SEPT. 19th

A Cub Scout meeting has been called for Monday, Sept. 19th at 7:30 p. m. in the City Hall for the purpose of reorganizing Cub Pack No. 37. All boys eight thru 10 years old are invited to attend. Each boy must be accompanied by one or both of his parents. Jake Ross, Area Cub Adviser of Borger, will be here to help with the reorganization of the Pack.

SERVICES HELD FOR BROTHER OF LOCAL PASTOR

Graveside services were held at the Wellington Cemetery last Friday for W. P. Phillips with Rev. Ernest Phillips, pastor of the Calvary Baptist Church, officiating.

Mr. Phillips, 63, died in Los Angeles, Calif. Sept. 5th. He was a brother of Rev. Ernest Phillips and was a long time resident of Wellington prior to moving to Calif.

Survivors include four brothers: Rev. Ernest Phillips, Oscar of Amarillo, Arthur of White Deer, and George Phillips of Pampa; two sisters, Mrs. Maggie Crenshaw, Los Angeles and Mrs. Brooksie Tomlin, Pampa.

Burial was in the Wellington Cemetery with arrangements under the direction of Murphy Funeral Home.

Bronchos Defeat Stormies 20-0

The Bronchos were victors in their season opener here last Friday night by a score of 20-0 over the Amarillo Stormies. This was considered an upset by the Amarillo dopsters.

As a whole the Bronchos played a better defensive game than offense but the scoring department did right well and would have showed up even better if penalties had not figured in.

The Bronchos first tally came late in the first quarter after a rash of fumbles by both teams. Payne hit Robert Mills with a 19 yard pass for the 6 points and repeated with a pass to Philley for the extra. The next addition to the score came in the second period when Mills broke thru the Stormie line and raced 45 yards to pay dirt. Mills skirted left end for the extra point. The third tally was made in the fourth period with Mills turning on the speed and racing 30 yards for the counter. Mills try for the extra was blocked. A short time before, Philley raced 45 yards for pay dirt but the tally was nullified by a penalty.

The big Amarillo boys had difficulty making any sort of yardage thru the Bronco line and the only way they picked up any amount of yardage was on recovery of fumbles. If the Bronco line continues to improve over the ability they displayed last Friday night, the Bronco backs will be able to do some nice traveling as fans had the opportunity of seeing some good blocking and broken field running. The Bronco spirit, as a whole, is more like it should be.

Hedley Church of Christ Revival To Begin Sept. 19th

A Revival will begin Monday, Sept. 19th and will continue thru Wednesday, Sept. 28th at the Hedley Church of Christ. Bro. Claude B. Holcomb of Corsicana will be the evangelist and Carol Stepp of Lelia Lake will be the Song Leader. Services will be held twice daily at 10 a. m. and 7:30 p. m. Everyone is cordially invited.

Services Held Tues. For C. R. Piercy

Funeral services were held Tuesday afternoon at the First Methodist Church for Clarence Rankin Piercy with Rev. Paul Wright and Rev. I. E. Biggs officiating.

Mr. Piercy, 63, passed away in an Amarillo hospital Sunday evening following a short illness. He was a prominent cattleman and long time resident of this area. Mr. Piercy was associated with the JA Ranch for 30 years prior to moving to town and later moving to Goodnight.

Mr. Piercy was a member of the Masonic Lodge and the Presbyterian Church.

Survivors include his wife, Mrs. Cora Piercy, Goodnight; two daughters, Mrs. John F. Tholl, Hampton, Va., and Mrs. H. S. Richardson, Odessa; one sister, Mrs. G. H. Stewart, Mansfield, Texas; two brothers, Van H. Piercy, Belton, Texas and W. M. Piercy, Wauchula, Florida.

Pallbearers were Fred Patching, Nolie Simmons, Harold Beckett, Clyde Hudson, Joe Ritter, Bob Baird, Bill Beverly and Neely Hudson.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

BAKE SALE SLATED FOR SATURDAY

Members of the Senior Class will hold a Bake Sale Saturday, September 17, at Junior's Food Market. All of the usual fine cakes and pies will be for sale, being ready by 8:00 A. M. Rather than rushing around the kitchen on that busy week end, you are invited to shop early at Junior's for your cake or pastry. Proceeds will go to the Senior Class.

Schools To Visit Tri-State Fair Sept. 22nd

Supt. W. W. Pinkerton announced this week that the local schools would turn out Thursday, September 22nd for all those desiring to take in the Tri-State Fair. He made this announcement so parents and others could make their plans whereby there would be less absenteeism on other days during the week.

Clarendon F. F. A. Chapter Prepares Exhibit For Fair

Members of the Clarendon F.F.A. Chapter are preparing an educational booth for the F.F.A. Division of the Tri-State Fair. The exhibit will be on display in the F.F.A. Division of the fair throughout the entire week.

The local exhibit will feature the better living and better farming through the use of L-P Gas. Pictures illustrating the many uses of L-P Gas in home conveniences and in connection with better farming practices form the main theme of the exhibit.

Chapter members and Adviser J. R. Gillham will prepare the exhibit Saturday night following the conclusion of the Donley County Fair.

CITY HALL NOTES

The watermelon season is causing some difficulties in the Trash & Garbage department of the City, so we are asking for cooperation of local residents to ease the situation and improve sanitary conditions. Please place your rines bottom side up by the side of your trash barrel instead of dumping into the barrel which will make handling much easier and cause less insect breeding and rotting. Also when you place brush in your barrel, please see that it is broken up enough whereby it will not bind against the barrel sides where it is difficult to empty a barrel. Your cooperation will be appreciated.

Mayor H. T. Burton.

Donley County Leader, \$2.50 year

\$42,500 Telephone Company Project Underway

A \$42,500 project involving the complete rebuilding and rehabilitation of telephone poles, wire and cable in all sections of Clarendon is now underway, H. E. (Tony) Craig, district manager for General Telephone Company of the Southwest, announced today.

It is the largest overhaul of such telephone facilities here in 35 years. Craig said the project would involve rerouting of poles and cables in some parts of town. Where old poles and cable are now located on the streets, many will be rebuilt down the alleys.

In some sections, open wire will be replaced with cable. Poles and cable that have been in service for a number of years will be completely replaced.

Craig said the project will be completed sometime next March. In addition to replacing existing facilities, General will provide additional cable facilities sufficiently expandable to handle Clarendon's estimated growth for the next five to ten years.

"When the project is completed, Clarendon subscribers will find their service definitely improved," Craig stated. "By replacing so much cable and so many poles, we're going to be able to prevent a lot of trouble before it begins which will mean fewer service interruptions here."

"This needed project is another step in the Company's program to provide the best possible service at the lowest possible cost to its subscribers," he concluded.

GRAVESIDE SERVICES FRIDAY FOR JOSEPH GORSUCH

Graveside services will be held at Citizens Cemetery here Friday morning at 10 o'clock for Joseph Gorsuch with J. I. Brimberry, Minister of the Christian Church, officiating.

Mr. Gorsuch, husband of Ruth Haning Gorsuch, passed away in Kansas City Tuesday morning. His home was at St. Louis, Mo. Mrs. Gorsuch is a sister of Mrs. W. L. Clappitt of Clarendon.

Burial will be in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Everything All Set For County-Wide Flower Show & Quarter Horse Show

Large Registration Expected Here For Legion Convention

The local post of the American Legion will play host to the 18th District convention Saturday and Sunday, September 24th and 25th. The 18th District is composed of 26 counties and 44 American Legion posts in the Panhandle Area.

The main speaker is expected to draw a registration of some 500 Legionnaires and Auxiliary members, stated the local Post Commander Pat Slavin and Auxiliary President Ruth Richerson.

A well rounded out program of entertainment has been planned for the two days. Registration will begin on Saturday morning at 10:00 A. M. at the American Legion Hall with Willard Skelton in charge. The Auxiliary will conduct a workshop from 2:00 till 3:00 P. M., followed by a parade featuring the Clarendon High School Band and the colored drum and bugle corps. The local post will begin serving a dinner at 6:00 P. M. in the Lions Club Hall followed by a dance at 9:00 P. M. played for by the Sandie Swingsters. The morning program will begin at 9:30 A. M. with Vice Department Commander Paul Spillman. The principal speaker will be Land Commissioner J. Earl Rudder, and his subject, "The Veterans Land Program", should prove very interesting. The morning session is open to the public and everyone is urged to attend. The morning session will adjourn at 10:50 A. M. so that everyone may attend the church of their choice.

The business session will get underway at 2:00 P. M. Among other business to come before the convention will be the election of a District Commander and a District Vice-Commander.

Local citizens are urged to give the visiting legionnaires and their wives a warm welcome and make their visit a pleasant one.

County Agent H. M. Breedlove has reported that everything is shaping up for one of the best county fairs in the history of Donley County. Those in charge of community exhibits have been hustling around gathering up their exhibit material as well as all others that will be participating in the fair. All departments of the fair will be held in the Fair Building or at the Rodeo Grounds where the Fair building is located.

Exhibits and entries in every department of the fair is to be in place by Friday morning, opening day of the fair. All community exhibits, Home Making exhibits, poultry show, Flower show and Home-made cake department, will all be judged on Friday. The Boys Swine show, the Horse Show and Sheep Show will be judged on Saturday.

Remember, our county fair starts tomorrow, Friday, Sept. 16th and all exhibits will remain intact both Friday and Saturday. Bring your family and invite your friends to visit the "Biggest Little Fair in the World."

Local Firemen Attend Convention Tuesday

The local fire department was well represented at the 43rd annual Panhandle Firemen's Convention at Amarillo Tuesday. C. W. Bennett, local fire chief, was elected 1st vice-president and Basil Smith was elected assistant secretary of the association. The group voted to raise money to buy a fire truck for Boys Ranch. Anyone wishing to contribute may send it to the local fire department.

Those from Clarendon attending were Mr. and Mrs. C. W. Bennett, Mr. and Mrs. C. M. Bennett, Mr. and Mrs. Basil Smith, Mr. and Mrs. Lloyd McCord, Mr. and Mrs. G. W. Bradshaw, Mr. and Mrs. Tommy Saye, Bill Gerner, Cecil Thomas, Bill Cornell, Barcus Antrobus, and Mr. and Mrs. Ray Briggs.

Bronchos To Play Claude Mustangs Here Friday Night—8 O'clock

WORK COMPLETED ON HEDLEY ELEVATOR

J. L. Chessire, manager of the Kimbell Milling Co. elevator at Hedley, announced this week that the elevator has been completely rebuilt, doubling its capacity which will now handle 400,000 pounds.

All new machinery has been installed and the elevator is now equipped to load a box car every 40 minutes, Mr. Chessire stated.

F. F. A. Members Plan Large Project Exhibits For Fall Fairs

Approximately twenty-five members of the Clarendon FFA chapter will exhibit poultry, pigs, and lambs at the Donley County, the Tri-State, and the Texas State Fairs. Over sixty top Duroc, Poland China, Yorkshire, Chester White, Hampshire, Berkshire, and Spotted Poland China barrows, and five lambs will be shown in the local show. Twenty-five barrows will be exhibited at the Tri-State Fair; and sixty-five barrows and breeding hogs will be exhibited at the State Fair at Dallas.

The local show will be held Friday and Saturday, September 16th and 17th; the Tri-State Fair from September 19 to 24, and the Dallas Fair is scheduled for October 7-23.

The Claude Mustangs will be the next opponent of the Bronchos when the two teams meet here Friday evening in Broncho stadium at 8 o'clock.

This is expected to be another tough game for the Bronchos as the Mustangs upset the dope bucket last Friday night by defeating Stratford and they have proven in the past that they can muster plenty of opposition when they come down to tangle with the Bronchos.

The Bronchos trounced the Amarillo Stormies last Friday night and have the makings of a winning team with some more experience behind them. They appreciated the nice crowd of supporters out for the game last Friday night and will be in there this Friday night to do their best to win over the Mustangs. Your support means a lot to those boys on the playing field, so make your plans to be out Friday night at 8 o'clock.

Coach Ray Moore released the following probable starting lineup for the Bronchos beginning at left end: C. Evans, K. Evans, B. Hanks, J. Carter, C. DeBord, C. Mann, Doyce Graham, Backfield: R. Mills at r. J. Behrens at full, J. Philley at lb, and J. Payne as quarterback.

The probable starters for Claude, beginning at left end: C. Bryant, B. Crow, C. Cobb, V. Dunn, F. Reck, E. Robinson, E. Stephenson, Backfield: W. Goin, r. B. Byard, lb; P. Rutherford, full; J. Wood, qb.

MYSTERY FARM NO. 20—Can you identify this farm home? If you think you can and get your guess in to the Leader office by Monday morning you may win a free subscription or free movie ticket. Names of those correctly identifying the Leader Mystery Farm are placed in a box. The first name drawn wins a free subscription for one year to the Leader; the second will receive a movie pass to the Mulkey Theatre good for two people; the next three names will receive a movie ticket for one. Only one subscription will be given per family but you may guess each week and be eligible for the movie tickets. Everyone has an equal chance this way. You do not have to buy anything or be obligated in any manner to participate. Call or come by the Leader office only with your guess any time during office hours.

LELIA LAKE NEWS

Mrs. H. R. King

The family of A. J. Harp of Clarendon had a reunion in Thompson Park in Amarillo last Sunday. Those present were the honoree A. J. Harp and Mr. and Mrs. Lynn Leathers of Clarendon, Mr. and Mrs. Finis Harp, Mr. and Mrs. Clyde Phillips, Mr. and Mrs. Andy Harp and children Judy and Jeff, Mr. and Mrs. Bill Harp and children, Mr. and Mrs. Kenneth Mahoney and children, Linda, Larry, and Raymond Harp, all of Amarillo, Mr. and Mrs. Jess Harp and son of Pueblo, Colo., Mr. and Mrs. Aubrey Brock of Bovina, Mr. and Mrs. Ernie Harp of Los Angeles, Calif., and Mr. and Mrs. Kinch Leathers of Lelia Lake.

Mr. and Mrs. Murphy Brock spent Wednesday with friends in Goldston.

Mr. and Mrs. James King and

Pamela of Amarillo spent the weekend with her parents, Mr. and Mrs. Cecil Mills.

Mr. and Mrs. B. Chenault of Amarillo spent last Sunday night and Monday with Mr. and Mrs. Ellis Chenault.

Mr. and Mrs. Ernie Harp of Los Angeles spent the weekend in the home of Mr. and Mrs. Kinch Leathers.

Mr. and Mrs. Dub Smith and children spent the weekend with his parents in Tell.

Mr. and Mrs. Bill Mooring and boys spent the week end with relatives in Lubbock.

Mr. and Mrs. Glenn Williams were Amarillo visitors Friday.

Mr. and Mrs. Roy Brock of Clarendon and their son of California visited Mr. and Mrs. Murphy Brock Thursday.

Mrs. Nelson Seago, Mrs. Earl Myers and Mrs. Rice Batson shopped in Amarillo Saturday.

J. P. Mabry of Valiant, Okla. spent Friday night with Mr. and Mrs. H. R. King and other relatives.

Mr. and Mrs. Holly Wood visited relatives in Amarillo Saturday.

Mr. and Mrs. Newton of Paducah spent the weekend with Mr. and Mrs. Clyde Gilbert and children.

Mrs. C. C. Carter spent the weekend with her brother and family in Quanah.

Mrs. Richard Finch and children spent last week visiting relatives in Lubbock, Muleshoe, Ropesville, and Portales.

Mr. and Mrs. Herman Mooring and children and Mr. and Mrs. Bonnie Mooring and boys, all of Amarillo visited Mr. and Mrs. Bill Mooring Sunday evening.

Will Mace left Thursday to visit relatives in Farwell.

Mr. and Mrs. Glenn Williams attended an REA banquet in Wellington Saturday evening.

Mr. and Mrs. Murphy Brock spent Friday night and Saturday with relatives and friends in Borger.

Mrs. Bertha Gorman, Mrs. E. H. Boyett, and Mrs. Jim Thomas, all of Fort Worth, spent several days in the home of Mr. and Mrs. Newell Shields and children. Mrs. Shields is their niece.

Mr. and Mrs. Ralph Perry of Adrian visited Mr. and Mrs. J. C. Stepp Monday evening. The ladies are sisters.

Mr. and Mrs. Jimmy Longley and boys of Amarillo visited her parents, Mr. and Mrs. J. H. Bowling Sunday.

John Stavenhagen of Tucumcari, New Mex. and James Stavenhagen, formerly of Fort Ord, Calif. visited friends here Tuesday. James Stavenhagen will soon report to Camp Chaffee, Arkansas.

Mr. and Mrs. J. H. Bowling are the proud parents of a new daughter, Lavonda Gail. They returned home from a Memphis

hospital Wednesday. We were sorry to hear of the death of Mrs. J. W. Webb's father in Dimmitt, Sunday morning. Mr. and Mrs. Webb and Cavin were at his bedside.

Mr. and Mrs. J. R. Leathers and children took Mrs. Moore to her home in Amarillo Sunday, after she visited several days in the Leathers home.

Miss Onita Rampy of Amarillo spent the weekend with her parents, Mr. and Mrs. J. F. Rampy.

Mr. and Mrs. Jim Warner and children of Amarillo visited Mr. and Mrs. J. F. Rampy Sunday.

Mr. and Mrs. Elmer Dishman, Jo and Keith returned Monday from a week end visit with relatives in Amarillo.

Mr. and Mrs. Nipp, Mrs. Cecil Wood and Gerald Jones made a business trip to Dallas last week.

Mrs. Moody Hamil was honored Friday evening when a number of friends gathered in her home and surprised her with a birthday party. She received many lovely gifts. A beautiful birthday cake was served with punch to a number of friends and relatives.

MYSTERY FARM NO. 19

Thirty eight persons identified this farm home as the Lloyd Risley place 2 1/2 miles west of Clarendon. Mrs. Risley came in to make positive identification and receive the free picture.

Mr. Risley purchased this 763 acre farm in 1942 from the Bugbee Land Co. 465 acres are under cultivation with 298 in

pasture. Mr. and Mrs. Risley made their home here about 7 years prior to moving to the 120 acre farm, also owned by Risley, Clarendon on the north. Mr. Risley raises cotton, sorghums, wheat and beef cattle. He also operates the Risley Implement Co. here in town.

Mr. Risley married Melba Johnston in 1935. He is a native

of Donley County and Mrs. Risley moved here with her parents in 1926 from Marlow, Okla. Lloyd is a Mason and both are members of the Eastern Star. They have four children, Lloyd Virgil 16, Martha Jo 12, Leane 7, and Jim 3, all at home. The Risley's are members of the First Baptist Church.

Special Bulletin

Texas Employment Commission

We have been advised by the Mississippi Employment Security Commission and the Pink Boll Worm Board at Greenville, Mississippi, that Texas workers are going to Mississippi without money or job offers and are seeking to cross the bridge into Mississippi. In nearly every instance they have found pink bollworms in both cotton sacks and trucks. In most instances neither the workers nor the crew leaders have money to pay for the fumigation and as a result, the workers are being denied admission to the State of Mississippi. Surplus workers are now in

Mississippi and workers intending to go there from other states should clear with their local employment office. In case workers do go to Mississippi they should be able to pay the fumigation charges.—Cotton Control Station, P. O. Box 1098, Telephone PO-6416, Lubbock, Texas.

Mrs. Arria May enjoyed having all of her children together for the first time in six years. Here for the week end were Mr. and Mrs. Bill May and children of Albuquerque, Mr. and Mrs. Jack May of Pecos, Mr. and Mrs. Don Creacy and children of Amarillo, and Mr. and Mrs. Art Britten and boys of Groom.

Mr. and Mrs. John Nanny of Lubbock were week end guests in the home of Mrs. Eva Attebury and Mrs. Pauline Watters.

Mrs. Pauline Watters, Mrs. Jennie Smith, and Mrs. Ruby Bromley attended the Beauty Clinic and School in Amarillo Sunday and Monday.

Turkey Hopes Gain Support

AUSTIN — Unpredictability of wildlife production because of its relationship to weather conditions is signified by recent late hatch reports on wild turkey, according to the Executive Secretary of the Game and Fish Commission.

Earlier this year wildlife technicians reported conditions favorable for a good hatch on the state's main turkey range in the Hill Country. At least spring moisture conditions were deemed adequate but growth of cover came too late to help and the prospects did not materialize. Then good July range revived the land and there has been a substantial late hatch. The young birds will be too late for the 1955 harvest but help the outlook for seed stock next year.

A typical report on the late development came from Wildlife Biologist Bob Ramsey:

"When turkey first tried to nest back in May and June, there was little or no ground cover in the Hill Country. As a result, their first attempt to raise a brood of young failed, due largely to predation and lack of escape cover. Then late rains and an abundant growth of weeds and grass followed.

"When heretofore unsuccessful hens saw all that good ground cover, they started nesting all over again. Result: a late hatch of poults that promise to help restock much of the Hill Country with this scarce commodity. One landowner on or about August 3,

DOTTED DREAM

PATHFINDER

Members of Pathfinder met at Patching Club House Friday evening at 7:30 for a dinner and their first meeting of the year.

After a delicious dinner served by women of the Lelia Lake Methodist Church, the group was entertained by Mrs. Charlotte Word, who played two piano selections, one being her own composition, a beautiful waltz.

In the business session the gavel was given by the out-going president, Mrs. Lee Holland, to the new president, Mrs. Frank Phelan, Jr. Mrs. Phelan told of the work Pathfinder members have done and plan to do in connection with the paving project being sponsored by the women of the Clarendon Clubs.

Mrs. Heckle Stark read a history of the past year's accomplishments of Pathfinder. Mrs. Bob Word and Miss Naomi Allison were elected to membership.

One guest, Mrs. Word, and the following members were present: Misses Ruth Richerson, Mabel Mongole; Mesdames Fred Patching, Jr., J. Gordon Stewart, J. L. McMurtry, Pete Kunz, C. E. Deyle, William S. Greene, Charles Seeds, Carl Allmond, L. N. Cox, Lena Antrobus, A. T. Cole, Ed Dishman, J. T. Patman, W. H. Patrick, Jack Ballou, C. T. McMurtry, John Bass, Simmons Powell, C. E. Bairfield, George Benson, H. T. Burton, Frank Phelan, Jr., Heckle Stark, Lee Holland, W. F. Lowe, Forrest Sawyer, Clyde Hudson, T. M. Caldwell, Olean B. Leggett, Ernest Hunt and Bill Greene.

The next meeting will be held on September 23, the theme being "Appreciation of Americanism." —Reporter.

HEDLEY BRIDE HONORED

A bridal shower honoring Miss Anna Belle Bailey was given Wednesday afternoon, Sept. 7, in the home of Mrs. J. S. Hinds. Assisting hostesses were Mesdames Leon Reeves, Alfred Spaulding, Fred Watt, Ross Springer, Henry Moore, C. L. Johnson, J. B. Masterson and Walter Pierce.

The house was decorated with garden flowers in pink and gold. The table arrangement carried out the brides colors of pink and gold. Mrs. Reeves served while Nancy Lou Hinds played soft piano music.

Guests were registered by Miss Eula Curd of Amarillo, aunt of the honoree. Many useful gifts were on display. Congratulations and best wishes were extended by a large number of friends. Anna Bell, in her charming manner, expressed her appreciation. —A guest.

MIDWAY CLUB

The Midway Club met in the home of Delia King, Sept. 6th, our first meeting since we adjourned for the summer.

Those to enjoy the day and covered dish lunch were Ellen Moreland, Nell Land, Marjorie Hensley, Loyd Hillis, Katie Bell Wells and her new son, and Allie Quattlebaum, Josie Simmons, Eula Butler, Pearl Terry, Lucille Eanes, Louise Riley, Bobbie Dishman, Eddie Williams, Nora Goldston, Ida Pickering, Leona Scott, Eva Algren and the hostess Delia King.

One quilt was finished. Next meeting will be with Nell Land Sept. 20th. —Reporter.

LES BEAUX ARTS CLUB

Les Beaux Arts Club held its first meeting of the new club year at Patching Club House, Sept. 2nd, 9:30 A. M. with a Southern Breakfast.

Hostesses were Mesdames J. D. Swift, Lee Bell, John Blocker, Ruth Kennedy, and Miss Kathryn Ross.

As a project for Les Beaux Arts Club it was voted on unanimously to buy one of Harold Bugbee's paintings for the Club House.

During the Donley County Fair this club is sponsoring a Flower Show, Sept. 16 & 17th, to be assisted by Clarendon Garden Club and Hedley Garden Club. All persons living in Donley County are invited to exhibit.

Members attending the Breakfast were Mesdames Allensworth, John Bass, Lee Bell, Lloyd Benson, George Benson, Saye, John Blocker, John Head, Pete Kunz, Carroll Knorpp, Emmett Simmons, Wm. Lewis Jr., J. D. Swift, Ruth Kennedy, Bill Thornberry, J. H. Patrick, Frank Phelan Jr., Walter Taylor, Homer Bones, C. T. McMurtry, Misses Kathryn Ross, Howzen and Anna Moores. —Reporter.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The Woman's Society of Christian Service met Sept. 7th in the Fellowship Hall of the Methodist Church for the regular business meeting, which opened with the group singing "We've A Story To Tell." Invocation — Mrs. Victor Smith.

After reading of the minutes of previous meeting, report of treasurer, and secretaries of departments, Mrs. John Bass announced the showing of a film on Missionary work in Africa, Sept. 14th, 3:30 at Methodist Church.

Mrs. W. C. Thornberry, leader of the program read Psalms 117, prayer for the church; then gave "The Changeless Gospel in a Revolutionary World." "The Effect of a Revolutionary Age On Christian Missions," Mrs. Lee Muse. "How The Missionary Program is Being Adjusted," Mrs. W. C. Thornberry.

Session closed with W.S.C.S. Benediction. —Reporter.

MU GAMMA CHAPTER

Members of Mu Gamma Chapter of Beta Sigma Phi met in the home of Jennie Aten on September 8th for the first meeting for the new year of 1955-56.

The meeting was called to order by the President, Jane Bownds. After the regular business meeting was completed, the raffle was held and won by Juanita Phelps.

Further plans were made for the Area Council Meeting to be held in Amarillo on October 2, 1955. Each member must attend in order for this Chapter to keep permanently the Traveling Trophy presented to them in Borger in 1953 and in Plainview in 1954. Three years attendance will give Mu Gamma the right to keep the beautiful trophy permanently.

Coffee, Cokes and brownies were served to the following: Kay Bain, Carolyn Bailew, Jane Bownds, Freida Gray, Frankie Henson, Juanita Phelps, Lois Schollenbarger, Edna Smith and the hostess Jennie Aten.

Next regular meeting will be with Kay Bain on September 22, 1955. —Reporter.

F.F.A. HAS PICNIC AT COUNTRY CLUB

Approximately fifty members of the Clarendon F.F.A. attended a picnic at the Clarendon Country Club, Wednesday, September 7th. The group gathered at the club at 4:30 P. M., and a goodly portion of the members enjoyed a swim in the club pool.

Cake and home made ice cream were served at 6 P. M. The ice cream was made by chapter members and all of the group really enjoyed the pineapple, banana, peach, strawberry and vanilla cream. It was rumored that "Philly, Swinney, Littlefield, and a number of others ate a few helpings too much, but all were back in class Thursday.

BAILEY—RECKLING

Miss Anna Bell Bailey of Hedley became the bride of Geary M. Reckling of Clinton, Ill. on Friday, Sept. 9 at 8 o'clock in the First Baptist Church, Amarillo.

The couple will make their home in Amarillo after he receives his discharge from the Armed Services. —Reporter.

HARMONY CLASS

Mrs. Rayburn Smith, assisted by Mrs. John Gillham, entertained the Harmony Class of the Methodist Church in the Smith home Thursday afternoon. Meeting was opened with the Lord's Prayer in unison led by Mrs. Forrest Sawyer.

Mrs. Walter Hutchins, class president, presided over the lengthy business session. Following roll call and the reading of the minutes, a report was heard from the nominating committee. The following officers were elected: President, Mrs. H. T. Warner; 1st Vice-president, Mrs. O. C. Watson; 2nd Vice, Mrs. M. R. Allensworth; 3rd Vice, Mrs. Dalton Howard; Secretary - Treasurer, Mrs. Victor Smith.

The devotional for the afternoon was entitled "Youth and Worship" and was ably given by Mrs. Frank White, Jr.

Refreshments of a fruit drink and cookies were served to Mesdames M. R. Allensworth, Carl Barker, Wilson Gray, Homer Bones, Bill Ray, O. C. Watson, Forrest Sawyer, Frank White, Jr., Victor Smith, H. T. Warner, and Walter Hutchins by the hostesses Mrs. Rayburn Smith and Mrs. John Gillham.

HEDLEY "42" CLUB

Mrs. J. B. Masterson entertained the Forty-Two Club and other guests with an 8 o'clock breakfast in her home Friday morning.

During the breakfast hour, Mrs. A. W. Harris, of Clarendon, demonstrated the Stanley-Home Products, making a very delightful hour.

After breakfast and the demonstration, games of Forty-Two were played. Those present were Mesdames John Tate, J. M. Baker, Oscar Moore, Henry Moore, L. D. Moore and Lura Dell, A. B. Spalding, C. F. Taylor, Hurlie Moreman, Ross Springer, G. E. Kinslow, W. A. Pierce, Milt Mosley, A. W. Harris and the hostess Mrs. J. B. Masterson.

H. D. CLUB NOTICE

The Senior H. D. Club will meet Friday afternoon, September 16, at 3 o'clock at Patching Club House. Mrs. M. C. Rampy will be hostess.

F. H. A. NEWS

Future Homemakers held their first meeting of the year in the Homemaking Department Monday evening, September 12. Glenda Borden, president, called the meeting to order. Motion was made by Harlene Smith that meetings be held the second Monday of the month and this motion carried. Jeanie McAnear made the motion that meetings begin at 7:00 p. m., motion carried.

A project committee was appointed with Pat Knox serving as chairman. Assisting her will be Barbara Darnell and Dianne Moore. Beth Gillham was appointed chairman of the finance committee. Otha Dean Elliott and Ottie Leek will serve with her on this committee.

Plans were discussed concerning an exhibit at the County Fair. It was decided that the local chapter would concentrate on Civil Defense for their booth and Jackie Estlack was made chairman of the exhibit. Working with her will be Pat Schull, Stella Tip-ton and Pat Knox. Mention was also made of the State Fair.

The question of degrees was taken up. Miss Christian urged girls to begin work on their Junior Degree so that they might be eligible to work toward their Chapter Degree and later their State Degree.

There being no further business the group adjourned. —Reporter.

NEEDLE CLUB

The Needle Club met Thursday 8th in the home of Mrs. Henry Mann as hostess. The afternoon was spent visiting, crocheting and tating. Lovely refreshments were served to Mrs. Ross Darby, Mrs. Amel Carter, Mrs. Ethel Mann, Mrs. Oren Hott and hostess, Mrs. Henry Mann.

Next club meeting will meet Oct. 13th in the home of Mrs. Ethel Mann as hostess. —Reporter.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. W. H. Wilson announce the engagement and approaching marriage of their daughter, Charlotte, to Bobby Lynn Johnson, son of Mr. and Mrs. Evert Johnson of this city. The wedding date has been set for Sunday, September 18th.

HEDLEY CLUB NEWS

The Sodalitis Club began their new club year recently with the President's dinner in the Owl Cafe. Hostesses were Mesdames Sue Weatherly and Ida Lou Dickson.

After a bountiful dinner the meeting was called to order for the Presidents message by Joy Stewart and the presentation of year books by Sue Weatherly. The theme for the year will be "Better Grounds for Better Living". Constitution and by-laws were read by Odell Moore. We hope in this club year our club will accomplish much good.

Those present were Mesdames Jacque Jewett, Betty Leathers, Jo Ann Martin, Odell Moore, Betty Morgan, Delores Ray, Margaret Saunders, Rexie Word, Geraldine Wiggins, Joy Stewart, Mildred Shaw and two new members, Charlene Wells and Mary Ruth White; also Mrs. Verda Hall, honorary member, and the hostesses. —Reporter.

JR. H. D. CLUB

The Jr. H. D. Club met at Patching Club House Thursday, Sept. 9th, for a covered dish luncheon. Hostesses were Mesdames Ona Tatum, Leona Henson, Oma Bentley, Helen Land, Ruby Fitzgerald, and Wilma Spier.

Lunch was served buffet style from a table laid with a white cloth and centered with a large bouquet of delphiniums. Smaller tables were likewise laid with white cloths and decorated with marigolds.

The business session was presided over by the president, Ona Tatum.

Attending were Mesdames Emma Ayers, Nora Decker, Clara Finley, Leona Henson, Noma Lewis, Polly Schull, Wilma Spier, Stella Spurgeon, Ona Tatum, Edith Spivey, Mary Bell DeBord, Thelma Behrens, Oma Bentley, and Ruby Fitzgerald. —Reporter.

GARDEN CLUB TO MEET

Members of the Garden Club will meet Thursday afternoon, September 15, at Patching Club House. Hostesses will be Mrs. Lee Holland and Mrs. Frank Phelan, Jr. Meeting time has been set for 4 o'clock.

CJC FRESHMAN CLASS

The Freshman class of Clarendon Junior College held a class meeting September 12 to elect officers for the coming year. Elected were: President, Boyd White; Vice-President, Rosalind Raney; Secretary-Treasurer, Sue Hill; Reporter, Sue Talley; Canteen Representatives, Barbara Holub and Don Landers. —Reporter.

AN APPRECIATION

An appreciation to our many friends that sent flowers, cards and telegrams to us in our serious illness while I was in the hospital and especially to Shorty Thompson, Bill Gerner and A. R. Henson who gave their precious blood that I might live. May God bless you all, is our prayer.

Chas. Speed & family.

ATTEND REUNION

Mr. and Mrs. W. H. Strawn accompanied Mrs. John Scoggan, Johnny Bill, Mary Sue and Carolyn Bishop, all of Amarillo, to Tulia Sunday where they attended an all day reunion of old friends and neighbors. Mrs. Strawn reported a very enjoyable day with lots of food and fellowship.

Mr. and Mrs. R. C. Hill and Billy and Mrs. Hill's mother, Mrs. D. L. Conner of Amarillo and Larry Robinson spent last week in Durango, Colo. with Mrs. Hill's sister, Mrs. A. F. Enyart and family and her brother, W. R. Robinson and family. Rob reported poor fishing luck.

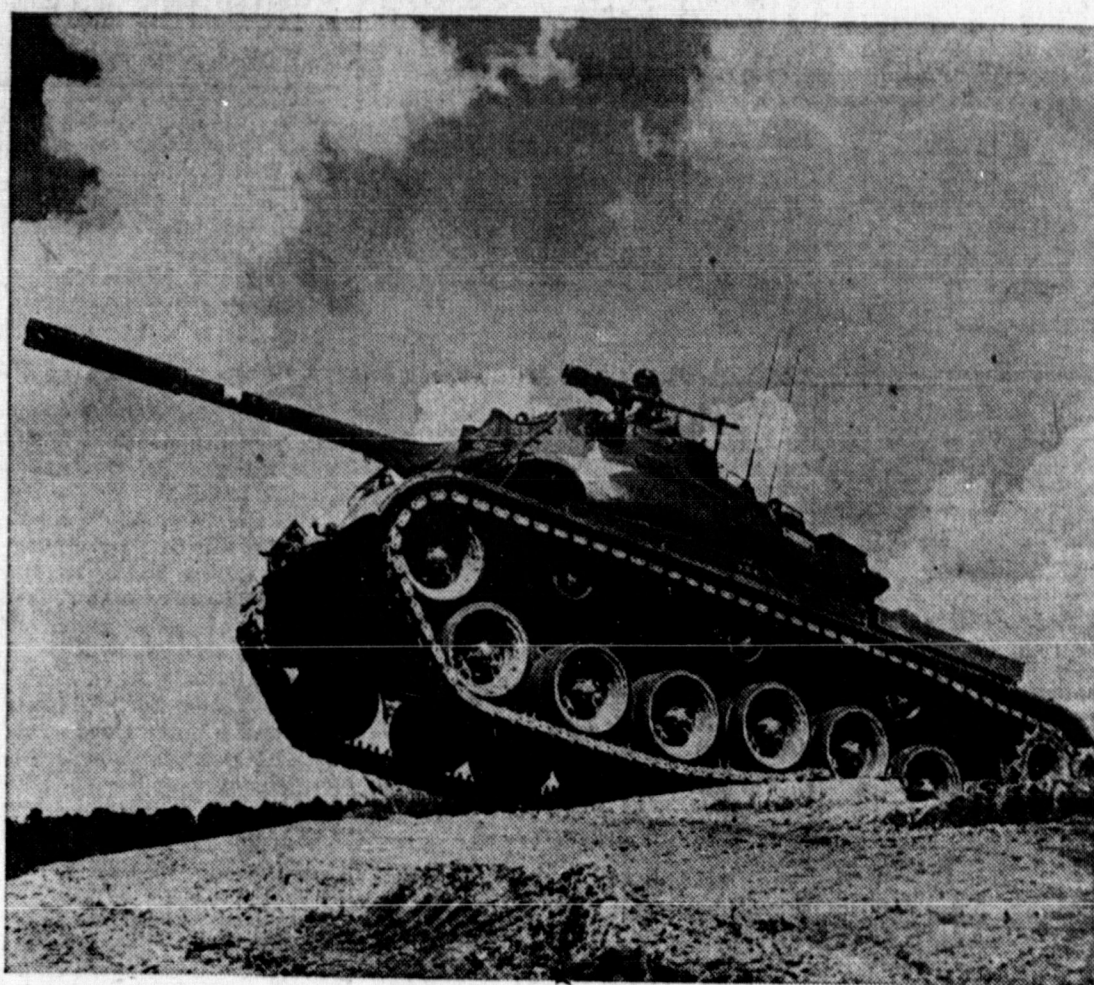

Hill Family Reunion

The Hill family reunion was held at the home of Mr. and Mrs. R. C. Hill and Billy over the Labor Day week end. Seventy-nine registered for the occasion.

Those present were Mr. and Mrs. W. R. Hill, Pat and Faye, and Delores Lawson, Dodge City, Kansas; Mr. and Mrs. A. W. Hill, Altus, Okla.; Mr. and Mrs. John Cox, John Jr. and Debbie, Denver City; Mrs. Mary Cox and J. R. Brownfield; Mr. and Mrs. Dale Miller, Mark and Rickey, Roswell; Mr. and Mrs. Joe Hader, Eddie and Dianne, Center, Texas; Mr. and Mrs. R. L. Anderson Jr., Roberta, Eva, Ray Lee and Butch, Glazier, Texas; Ernest Hermesmeier, Groom; Mr. and Mrs. R. L. Anderson Sr. and mother Annie, Palo Duro; Mr. and Mrs. H. C. Hill, Ray and Jim, Mr. and Mrs. Leon Riley, Mr. and Mrs. J. D. Riley, Janice, Jim and Vickie, Mr. and Mrs. J. C. Evans, Lou and Gene, J. M. Hill, Florene Giles and Miss Peggie Pittman, all of Amarillo; Mr. and Mrs. R. R. Riley, Mr. and Mrs. L. L. Waldrop, Mr. and Mrs. Raymond Waldrop, Bobby, Tommy and Beth, Mr. and Mrs. Fred Riley, Bonnie and Tommy, Mr. and Mrs. Fred Riley Jr., Mr. and Mrs. John Heathington, Nellie Jon and Tam Hodnett, Miss Judy McKee, Laymon Garland, and Bill Hardin, all of Clarendon.

Mr. and Mrs. Harold Usrey of Worland, Wyoming are the parents of a son, born September 1, weighing 4 lbs., 12 oz. and named Kyle Bernard. Grandparents are Mr. and Mrs. O. L. Usrey of Lelia Lake.

Mr. and Mrs. W. T. Sullivan of Claude and Mrs. Tom Sullivan left Friday morning to visit relatives in Pennsylvania.

MOBILE STRIKING POWER—Poised for attack, this M-47 tank of the combat training command, Fort Benning, Ga., implies all the power, effectiveness and mobility of U.S. Army armored units in event of atomic warfare. This particular tank is known to its crew at the 714th Tank Battalion as "Atrocity"—a fitting name, they think, for a tough-skinned warrior whose sole beauty is performance.

Panhandle Baptist Ass'n To Meet At Estelline Sept. 21

A. C. Wimpee, Brotherhood Department, Texas Baptist Convention, Dallas, Texas, will be the main speaker at the Panhandle Baptist Association Meeting which will be held at Estelline at 8 p. m. Sept. 21. A five point program including Education, Inspiration, Orientation, Motivation and Indoctrination, will be presented. This program includes music, movie films, slides, film strips and other object lessons. In the past two school terms Mr. Wimpee has spoken to over 500,000 students and teachers. He has been in every county in Texas, and every state in the Union.

The Goat Game: Texas' Big Money Maker

John White, Commissioner Texas Dept. of Agriculture

Some of the most interesting and vital work in the Texas Department of Agriculture is accomplished out of the capitol building in Austin and over the various parts of the state.

I had such a gratifying experience recently when departmental work took me to Kerrville for a conclave of one of our least recognized but most successful agricultural industries in Texas—the International Angora Goat Show and Auction.

Let me say right here that if you haven't been to a Texas goat auction, you've missed some real excitement. There's nothing more true-Texan than this industry.

Goats are a big business in our state. The industry actually originated here, and Texas today raises 95 per cent of the nation's commercial supply.

Why goats? Well, as you may or may not know, mohair—the clipping from the goat's back—is a big money product with a good demand on the market. Mohair is now bringing 85 to 95 cents a pound, somewhat below the peak of a few years ago, but still a real money-maker.

Also, the cost of raising these hollow-horned creatures is relatively low. In the Edwards Plateau and Rio Grande Plain of

Southwest Texas where most Texas goats are concentrated, the brush affords ample browsing range. And goats are not averse to crowded conditions. Several can do well on the space required for a single cow.

But back to the Angoras—"queens" of the goat fleet. Two prize Angoras at the Kerrville show brought \$1,000 each—a lot of money for a small animal.

Those goat raisers showed me a phase of the livestock industry which I had thought was gone forever—real old-time stock trading. I stood around and watched with amazement as they swapped their animals just like youngsters trade marbles.

There were some three or four thousand people at the show, and all of them swelling with enthusiasm over their business. And well they might be! Because goat raisers, socially placed at the bottom of the livestock scale, are economically at the top alongside the sheep industry. The glamorous (and of course vital) cattle industry isn't paying off as well these days. A lot of cattle raisers are running sheep and goats to make up money losses in cattle.

And besides that, the queen of the industry, "Miss Angora" Nancy Hunt of Leakey is proof enough the goat raisers know what they're about.

Personally, I think the livestock industry ought to erect a monument to goats. They're certainly keeping a lot of heads above the water.

Cpl. Wilson Lane returned to his base at Ft. Benning, Go. Wednesday morning after a visit with homefolks. His wife, the former Shirley Aten, will remain here until Wilson completes his service.

NFLA To Hold Annual Stockholders' Meeting Sept. 21

Plans are being announced by the Directors of the Donley County National Farm Loan Association of its Annual Stockholders' Meeting to be held in the Lions Hall in Clarendon on Wednesday, September 21, at 7:30 o'clock P. M.

Mr. F. J. Hommel, President, states that the business of the meeting will include a report by Secretary-Treasurer Rayburn L. Smith on the finances and the loans closed for the year. Three directors will be elected this year.

Another of Flip Breedlove's chicken barbecues will be enjoyed by members and their guests. Members are invited to bring as many guests as they wish; the only requirement is that they furnish a half chicken for each person present. Chickens are to be left at either Moreman's Locker in Hedley or the Consumer Frozen Food Locker in Clarendon not later than Tuesday evening, September 20th.

Entertainment will include music and some prizes will be given away. Every member is urged to take a part in the operation of his cooperative source of agricultural credit by attending this meeting.

Mr. Stella Jones of Amarillo visited Friday and Saturday nights in the home of her daughter and family, Mr. and Mrs. C. A. Wright and children.

Mr. Nita Heatherly is a surgical patient in Goodall Hospital, Memphis.

FOR SALE—35 acres irrigated feed for silage. Feed located at Ashtola and Martin. Contact Hall Hardin. (32-p)

UT Library Wants "History-Old" Newspapers

AUSTIN—That old newspaper in the attic—the one grandma saved because it contained a paragraph about grandpa's election as sergeant-at-arms of his lodge—could have lasting value in a permanent depository at the University of Texas.

Dr. H. Bailey Carroll, history professor and Texas State Historical Association director, says these "fugitive items" could help history students and other scholars reconstruct the life that has gone on in a community. Your copy of the old newspaper might very well be the only one in existence.

"The University's Newspaper Collection is already the greatest in the state," Dr. Carroll pointed out. "It could be tremendously increased in value."

Newspapers are a major source of local history, and local communities will be richer for having the yellowed old copies in a depository, where they can be preserved properly and where their contents can be dispersed. Such facilities are provided at the University.

Dr. Carroll urged citizens who are keeping old newspapers merely as "antiquarian curiosities" to send them to the Texas State Historical Association, University of Texas, Austin 12. The Association will place them in the Newspaper Collection, a unit of the University library.

RECOVERS FROM CAR INJURIES

Mr. and Mrs. C. B. Morris returned home Monday night from Wichita Falls where they had been called some two weeks ago when their son, Carl Morris, was seriously injured in a car accident. Carl remains a patient in Wichita Falls General Hospital but it is hoped that he will be able to be transferred to his home by the end of the week. He is reported improving satisfactorily.

Cliff Stogner and Joe Lynn Ballew were among those to enroll at WTSC in Canyon this week.

PROPERTY OF LOCALS DAMAGED BY FIRE IN AMARILLO

Mr. and Mrs. J. A. Warren went to Amarillo Saturday afternoon upon receiving a call that their duplex there was on fire.

The north side was badly damaged and the contents a total loss. Adjusters were on the job immediately and the repairing of the damage began Monday. They hope to have it ready for occupancy again in about two weeks. Two families occupied the duplex but none were at home at the time, so the origin of the fire is unknown. The loss is covered by insurance.

Guests in the home of Mrs. John Goldston over the weekend were Miss Janice McKenzie, Jim La Mar and Bobby Lee. Mr. and Mrs. Gene Chamberlain and Mike of Memphis were dinner guests Sunday.

Mr. and Mrs. George Taylor of Pampa were week end guests of Mrs. L. L. Taylor.

GOLDSTON NEWS

Mrs. Roy Roberson

Mr. and Mrs. Clyde Pegram and girls of Pampa visited Sunday with Mr. and Mrs. C. A. Callahan. Mr. and Mrs. Wesley Hatley and Mrs. Tubbs from Brownwood spent Saturday and Sunday with Mr. and Mrs. M. W. Hatley. Mr. and Mrs. Calvin Ashcraft and Fern spent Saturday night with Mr. and Mrs. James Ashcraft and boys. Mr. and Mrs. Calvin Ashcraft and Fern visited Tuesday night with Mr. and Mrs. Bud Philley and family. Mr. and Mrs. W. A. Jackson and Jimmy of Memphis and Mr. and Mrs. M. W. Hatley visited Monday night with Mr. and Mrs. Calvin Ashcraft and Fern. Mrs. Roy Roberson returned home Tuesday after visiting in London, Tenn. and Ft. Worth. Will you excuse me for not leaving the Goldston news in the last two weeks as I have been

away for that time and I want to say that I surely regret of the loss of another old timer and a good neighbor and friend from our community, Uncle Dick Eichelberger as known by all, and the family has my sympathy and may God bless each of them is my prayer.—reporter. Mr. and Mrs. Roy Roberson and Minnie took dinner Wednesday with Mrs. Leonard Dozier of Clarendon. Mr. Jim Townson of London, Tenn. and Mrs. Lenard Dozier of Clarendon spent Tuesday night with Mr. and Mrs. Roy Roberson, Pat and Minnie. Mrs. A. O. Hott took dinner Tuesday with the Roy Robersons and Mr. Hott visited in the afternoon. Mr. Bill Littlefield is spending this week with Mr. and Mrs. V. Littlefield. 4-H'ers Eliminate "Accident Havens"

How many hazards can you find?*

SAFETY, a crop to be harvested on every farm and in every home, is receiving special attention from more than one-half million 4-H Club members taking part in the 1955 National 4-H Safety Program.

As a part of their 4-H Club work, members in all 48 states are correcting hazards such as those seen in the above drawing. They are attempting to reduce the Nation's annual farm toll of 14,500 lives, 1,250,000 injuries, and an economic loss of about a billion dollars.

4-H'ers, working as individuals or in groups through their local clubs, conduct surveys to locate hazards, then correct the unsafe conditions. They give demonstrations on hundreds of topics pertaining to farm, home and highway safety. Members present talks before group meetings and over radio and television; put displays in store windows; and build booths at fairs.

To assist the Cooperative Extension Service in conducting the 4-H Safety Program, General Motors has just published a new "4-H Safety Handbook for Local Leaders," which provides how-to-do-it ideas for carrying out successful safety programs. Copies of the manual will be distributed to volunteer 4-H leaders through County Extension Offices.

In addition, GM provides incentives in the National 4-H Safety Awards program which is arranged by the National Committee on Boys and Girls Club Work. Medals are made available to four county winners; an all-expense trip to the National 4-H Club Congress in Chicago is given to the state winner; and \$300 college scholarships are presented to eight national winners.

*In the drawing, there are more than 45 accident hazards or unsafe practices shown. Don't let them occur on your farm or in your home.

NEPHEW OF LOCAL RESIDENT DIES

Mrs. L. L. Taylor has received word of the death of a nephew, W. W. Campbell, at Denton, Texas. Mr. Campbell died Thursday, September 8, following a heart attack. Burial was Saturday in Denton. He was 69 years old and is survived by his wife and three children.

Another nephew of Mrs. Taylor, Fred Chaney of Cleburn, Texas was buried Thursday, Sep-

tember 1, a week preceding the death of Mr. Campbell. He is survived by his wife, three sons, and one daughter.

Mr. Campbell lived in Clarendon years ago and engineered the first paving in Clarendon.

Mr. and Mrs. Jim Hayes, Mr. and Mrs. Joe Boyd and son Joe Dal of Lawton, Okla. visited in the W. H. Strawn home recently. Mrs. Strawn and Mrs. Hayes are sisters.

FARM NEWS

from the County ASC Committee

FARMERS MUST PAY FOR CHECKING EXCESS WHEAT

A change has been made in the policy regarding checking the disposition of excess wheat for 1956. If a farmer overplants his allotment and elects to dispose of the excess wheat by the specified time in order to adjust the wheat acreage to the allotment, he will be required to pay the County ASC office the estimated cost of measuring the adjusted acreage.

DISPOSING OF EXCESS COTTON ACREAGE

All cotton farmers who had excess cotton acreage that has not been reported as destroyed are reminded that ALL excess cotton must be destroyed and checked before any cotton is harvested from the farm or the farmer will not be given credit for destroying the excess.

The marketing penalty on excess cotton is 17.7 cents per pound. None of the cotton harvested from an overplanted farm is eligible for price support. No marketing card can be issued to a producer who has excess cotton until the penalty is paid.

NEW ACP PRACTICE

Application of cotton burs to cropland for the control of wind erosion is a new ACP practice that has been added to our county handbook recently. This practice is applicable only to cropland which is subject to wind erosion. Burs must be distributed evenly over the land and must be applied at not less than one ton per acre. Heavier applications are recommended. Federal cost-share for this practice is \$2.00 per ton, not to exceed \$6.00 per acre.

Janice Benson, Ronnie Martin, Glenn Wallace, and Frank White III are attending Texas Tech at Lubbock this coming year.

Mr. and Mrs. Roger Hester of Amarillo announce the arrival of a daughter, Patricia Lynn, September 4th. The young lady is the granddaughter of Mr. and Mrs. Jean Hester of Clarendon and Mr. and Mrs. C. A. Risenhoover of Hugo, Okla.

John Payne To Head Clarendon F. F. A.

Members of the Clarendon F.F.A. have selected John Payne as president of their chapter for the 1955-1956 School Year. Doyce Graham was selected as vice president; W. T. Elliott as secretary; Harold Holland as Treasurer; Jimmy Philleary as reporter, and Steve Reynolds as farm sentinel.

Keith Schollenbarger was elected president of the Greenhand unit of the local chapter. The Greenhand unit is composed of the first year students. Jimmy Graham was selected greenhand vice-president. Other greenhand officers elected were Carl Talley, Secretary; Milton Mann, Treasurer; Richard Vallance, reporter, and Jerald Anderson as farm sentinel.

These officers will preside at the regular monthly business meetings and will lead the group in formulating the chapter program of work for the year.

38 Identify Mystery Farm No. 19

Thirty-eight persons identified the Leader Mystery Farm of the Air No. 19 last week. John White drew out for the free subscription; Barbara Cosper drew out for the two free movie tickets to the Mulkey Theatre and each of the following drew out for one movie ticket each: Mrs. Raymond Waldrop, Mrs. Bill Mooring, and Mrs. Cleo Farr.

Others correctly identifying the Mystery Farm were Mrs. Buck Roberts, Clyde Barker, Bill Adams, Mrs. W. C. Neighbors, Mildred Ritter, Mrs. J. H. Helton, Mrs. J. C. Ashcraft, Ruth King, Mrs. Virgil Siddle, Mrs. L. L. Waldrop, Martha Jo Risley, Tom Shadle, Mrs. E. H. Gerner, Mrs. J. W. Sullivan, M. C. Rumpy, Glenn Hilton, Mrs. Lois Putman, Jimmy Graham, Mrs. Robert Davis, Nettie Sims, Flip Breedlove, Roy Mayberry, Charlie Duff, Jack Eddings, Bill Gerner, Shelby Bell, Mrs. Willard Marshall, Mrs. Bob Garton, Mrs. Carl Barker, Mrs. W. F. Barker, Mrs. Melvin Rumpy, Bob Garton, and Fred Allen King.

First Baptist Revival a Success

The Revival of the past week at the First Baptist Church, Clarendon has done something for the church and for the community, so stated their pastor, Bro. Van. The church, he said, had been warmed into a very close fellowship, and had taken on a greater vision. He also said that the following were received into the fellowship of the church either by a letter from some other Southern Baptist Church, or upon their profession of faith in Christ: Mr. and Mrs. R. D. Finley, Mr. and Mrs. Henry Mann and daughter Francis, Margaret Sue McCord, Kenny Schull, Mr. and Mrs. Lois Putman and daughters Ola Mae, Brenda Gay and Trula, Dennis Bradshaw, Jerry Tidrow, Mrs. R. H. Vincent and sons Robert and Andrew, and daughter Patsy, Mr. and Mrs. Lynn Leathers, Mrs. Frank Reid, Miss Floyd Sutton, Mr. and Mrs. Glen Reid, Miss

Nora Jackson, Mr. and Mrs. James Ashcraft, Mr. C. A. Turner, Mr. R. R. Dingler and daughters Jo Ellen and Katherine, Donald Hudgens, Dianne Templeton, Miss Martha Mullins, Miss Jane Mosley, and Mr. and Mrs. Pete Darnell and daughter Barbara.

Bro. Van announced that the sermon topics for this coming Sunday would be "Being Better Acquainted" for the morning services, and for the evening "Too Good For God."

Mr. and Mrs. W. T. Sullivan of Claude and Mrs. J. I. Spurgeon returned home Thursday morning after visiting in Louisiana. The Sullivans visited her people at Leeville while Mrs. Spurgeon visited a daughter and family, Mr. and Mrs. J. L. Hopkins and children at Crowley.

Joe Estlack has returned to his home in Austin after spending the past several days visiting in the Homer Estlack home and with other relatives.

1878 A COUNTY - WIDE PUBLICATION, SERVING DONLEY COUNTY and ITS TRADE TERRITORY 1955
 New Series—Volume 26 Number 32 CLARENDON, DONLEY COUNTY, TEXAS, SEPTEMBER 15, 1955 A Common Paper for Common People

Not long ago we were traveling on the highway through Santa Rosa, New Mexico. We had heard so much about the speeding and cop situation along this road that we were on the alert pro and con to see just what the score was. It was true that just about every where one looked we would see a patrol car, and you wouldn't have to wait very long to see some motorist being given a ticket. We kept Mama's eyes glued to the speedometer while we watched the cops, and even though we kept Old Betsy at her best which was about fifty nine and one half we expected to hear the siren just about any minute.

Anyway, we pulled into a station in town and sort of relaxed a bit and began asking a few questions and in a way I guess it sounded like we were complaining about the abundance of cops. It didn't take us long to get wised up to the local situation and the demands that went up all the way to the Governor for something to be done to stop the killing on that stretch of the road. According to this station owner 21 deaths had resulted from traffic accidents in the previous 22 days one just the 25 miles directly west of town. Whole families wiped out in one blow by folks in a hurry to get to the end of their trip. Speed and haste seemed in this case to be the greatest cause of death so cops from all around were sent in by the Governor to stop both the speeder and the slaughter.

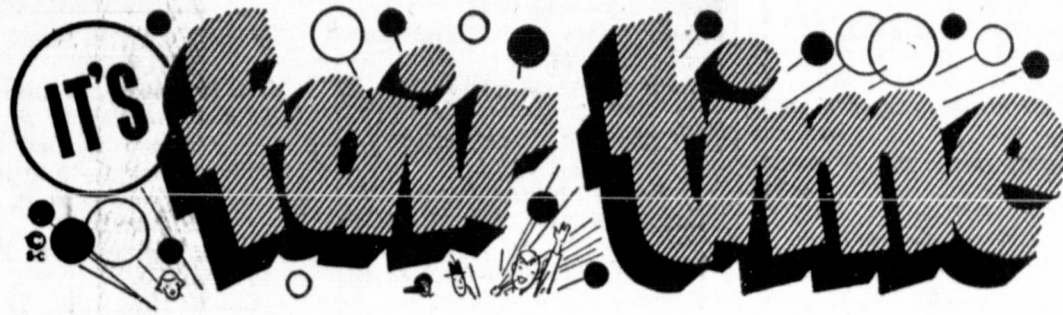

After this lecture we felt almost like asking for a job helping slow us all down. We just don't think about what might be behind the other fellows actions many times. When we knew the facts we couldn't blame the folks one bit for slowing all of us down a bit. Too, the scenery looks more beautiful at 55, and we won't be nearly so tired when the drive is over if we take our time. Just Try it.

We read the following in the Texas Tax Journal; a publication dedicated to the interests of the Taxpayer, they believe. Anyhow, there is some pretty good thoughts brought out in the little story; The Life of The Pig. "The pig originally rustled for his food and shelter in the wilds. Then he was seduced with "Free" meals to fatten him, and his life and freedom were forfeited for his board and room. The wild pig had a future, but only one end awaits his "Cared for" brother. Man has a brain to choose freedom, but history is a sad record of results under socialism to which he has often succumbed. This course has led to servitude and subjugation. Many found lost freedom the price of false security.

There is no short-cut to a fruitful life. Man can delegate a few duties to the government, but if he is to maintain his liberty he must not submit to government for subsistence." End of quote.

I guess we could think up a lot of arguments on both sides of the life of the pig. The wild pig brother lived longer no doubt but he was known far and wide for his skinny no account carcass. The younger "Cared for" brother lives like a king while he sojourns here. He goes to the fair and comes home (sometimes) all bedecked with blue ribbons. Oh well, what do you think? I wonder what the pig would think, if he had a thinker. Someone will say that folks who act like this pig don't have a thinker either. So, before we get all bogged down in the mud we better pull out of this subject. See ya' at the government feed trough.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

The election for district supervisor in zone 2 will be held this coming October 4th.

The Donley Soil Conservation District, like all other Soil Conservation Districts in Texas, is divided into five zones. A supervisor is elected from one of the five zones each year to serve for a period of five years. Zone 2 of the Donley District consists of the northwest corner of the District, extending as far south as highway 287 and as far east as highway 70. All residents of the Donley District (Donley County) who own land in zone 2 are entitled to vote in this election. Judge J. R. Porter represents this zone on the Board of supervisors at present, and has been chairman since its organization. It is his place on the Board that is to be filled at the election—either by his reelection or the election of someone to take his place.

To better acquaint the people with the organization and duties of the Donley Soil Conservation District, a night meeting, complete with program and refreshments is planned for October 4, 1955 in the Goldston School building. More details on this later.

Some curiosity has been expressed as to what John Knorpp, a cooperater with the Donley Soil Conservation District, has planted on the west side of his irrigated farm on highway 287. For some time after it was planted, John said people were asking him when he was going to plant that piece of land. Now that they can see that has planted it, they want to know what is growing there. For the information of all, John is trying something new in this District, and that is growing grass for seed production. John had some hard luck with his first planting last spring and had it washed out after it was up to a good stand by the same rain that got his cotton. Although losing the earlier planting has probably cost him a seed crop this year, he will have the grass off to an early start next

spring and should harvest a good seed crop next fall. The grass planted is Blackwell Switchgrass, and the present price of the seed is about \$1.30 per pound. John was assisted in choosing and planting this grass by Soil Conservation technicians assisting the Donley District to get soil conservation and improvement measures on the land.

Farmers Cautioned On Child Labor During School Hours

ALBUQUERQUE—Farm youngsters under 16 years of age are expected to be in school when the fall term opens in this community in September.

Field Office Supervisor Harry B. Nunn of the Department of Labor's Wage-Hour Division here says the child-labor provisions of the Federal Fair Labor Standards Act generally prohibit the employment of children under 16 years of age in agriculture, during hours when the local school is in session.

So children under 16 cannot legally be employed for farm work, such as cotton picking, etc., during local school hours if the farm products concerned go into interstate or foreign commerce.

Farmers are responsible under the Federal law if they hire under-age children to do farm work during school hours. And the law applies equally to local resident children and to migratory children.

He said "school hours" means those hours when school actually is in session for the school district where the child under 16 is currently living.

The law, he said, sets no minimum age for employing minors on farms before or after school hours, or during school holidays or vacations.

SCIENCE IN YOUR LIFE

ARTHRITIS AND RHEUMATISM AFFLICT 10 MILLION
SCIENTISTS DEVELOP POTENT NEW DRUG
EARLY CARE PREVENTS CRIPPLING
REHABILITATION RESTORES SELF-SUFFICIENCY

Arthritis Target
 Women appear to be prime targets for the great crippler, arthritis. Statistics show that for every man, three women fall prey to this disease. Rheumatoid arthritis is the malady's formal name. Along with allied conditions, in one way or another, the disease has afflicted more than 10 million people in the U.S. and completely crippled some 200,000 others.

The secretary, housewife and young mother are most susceptible. Arthritis is insidious. Its symptoms at first are usually mild. Gradually they worsen, until one day you wake with an arm or leg that is completely useless.

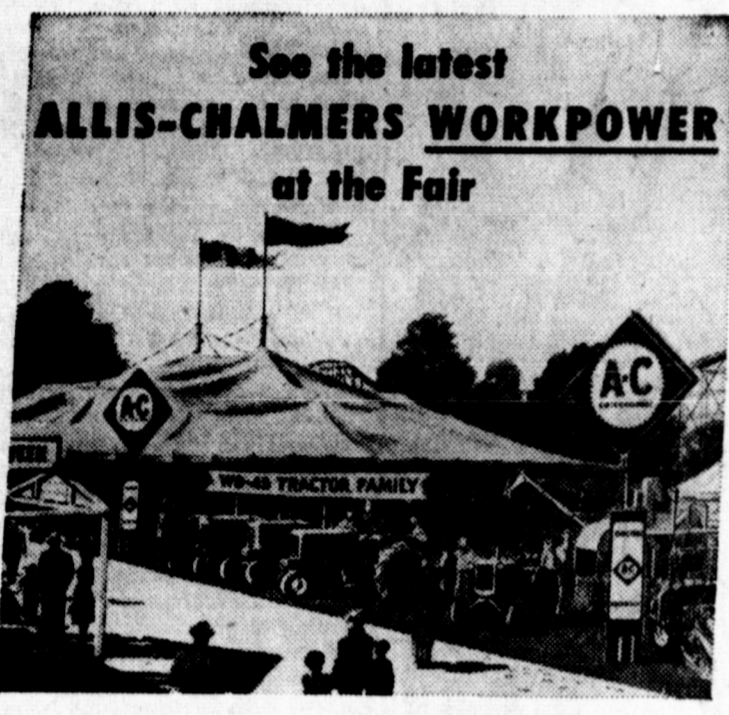

What causes arthritis? Scientists have not yet found an answer. Nor have they yet found a complete cure.

They do have available a number of chemicals to control the symptoms of rheumatoid arthritis in many patients. These drugs, administered by the physician, can lift the hopelessly crippled arthritic victim out of the wheelchair and back into normal life.

Among the medicines which have proven effective in some patients are aspirin, gold compounds, and the much-heralded hormones, cortisone and hydrocortisone. However, these drugs are not fully effective and the hormones, in particular, sometimes create unpleasant side effects in some patients and thus force their abandonment.

Recently, a new synthetic hormone called Sterane has been placed in the hands of physicians. Sterane appears to be far more potent than cortisone or hydrocortisone and offers promise of reducing the side effects noted with the other hormones.

With advancing research and rehabilitation, many arthritic patients will be given a new lease on life.

AUSTIN— Many Texas public schools are holding integration plans in abeyance pending action by the State Supreme Court.

But there is no indication the high court will rush to consider the Big Spring test case ahead of its normal schedule.

District court there ruled invalid that part of Texas law which requires public schools to be segregated. Appeal is being made by the Texas Citizens Council in an effort to prevent payment of state money to non-segregated schools.

Both sides had expressed hope for an early decision before the Supreme Court's October term.

Meanwhile, towns such as Waco and Laredo, which had planned to begin desegregation this fall, backed off rather than

take a "legal risk." Others, like San Antonio, decided to go ahead, but reserved the right to review the policy in the light of new state-level decisions.

Charter Request Studied
Application of the anti-integration Texas Citizens Council for a state charter bumped into a delay in the Secretary of State's office.

Sec. of State A. M. Muldrow, questioned whether the council's organization is for a "lawful purpose" in view of the Supreme Court decision outlawing segregation.

Muldrow said he might ask the attorney general's department for a ruling.

White Distrusts Red Visitors
State Agriculture Commissioner John C. White took a dim view of the visiting Russian farm delegation.

Farming methods are America's greatest strength, White said, but Russia's weakest. "We might as well sell them guns," he declared.

In Washington officials were undecided whether the Texans who sold some 65 head of Santa Gertrudis cattle to the visitors would be allowed to export them to Russia.

Touring Soviets expressed a

desire to buy farm machinery seen in other parts of the country, but the Texas cattle deal was the only actual purchase. At present there is only a trickle of trade between the two countries.

State, Commerce and Foreign Agriculture officials pondered the decision, suggested that public opinion would be a strong factor.

Record Employment Expected
Harvest and reopening of schools are expected to bring Texas new employment records during September.

Public school cafeteria workers will add thousands to the payrolls, said the Texas Employment Commission. A continued rise is forecast through the fall.

A new high in the average paycheck was hit in July, according to TEC. Holiday overtime plus wage increases brought the boost.

Druggists Receive Vaccine
Texas druggists are having their first experience in dispensing Salk polio vaccine.

State Health Department officials reported 50,000 doses sent to Texas last week by Wyeth Laboratories of Pennsylvania. Of these, 42,000 go to drug stores, 8,000 to the Health Department for public agencies.

Some stores had already received vaccine; others were still

awaiting their shipments.

Patients have been asked to contact their doctors who will buy through the retail outlets.

Texas free immunization program for first and second grade school children is expected to be completed by Oct. 1. Eli Lilly Company of Indiana sent 144,603 more shots to Texas for that purpose.

Health Department statistics showed polio coming to its seasonal slackening-off period. Only 80 new cases were reported last week, compared to 98 the week before. Totals for the year is now 1195.

Business Peak Passed
Texas business expansion has apparently passed a peak, but no severe decline is expected.

Crest of the current rise was in March, the University of Texas Bureau of Business Research reported. In July the business index dropped two per cent from June.

Three factors, the UT economists believe, bar the possibility of

a major recession. They are population growth, the rising standard of living and the high proportion of new investment being made in Texas.

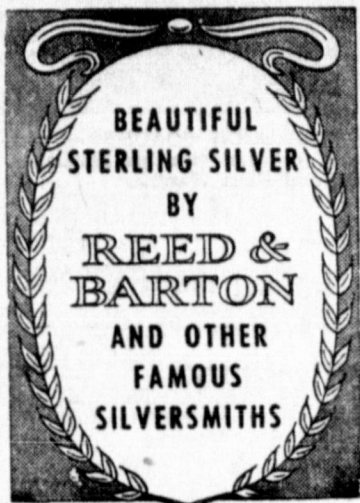

Retail sales, already at record levels, are expected to soar further, making this the largest sales year.

Building boomed also, with a January-July total almost one-third greater than for 1954. A two per cent drop in construction during July was considered "seasonal."

REVISION OF TEXAS SEED LAWS

Prospects are somewhat brighter now towards curtailing any further spread of two of Texas' primary crop-destroying noxious weeds.

The Texas Legislature in its recent session passed a measure making it unlawful to offer for sale any seed containing traces of nut grass or field bindweed.

Although nutgrass has been present in East Texas fields for many years, its spread across the state has been alarming in the past 20 years. Field bindweed, virtually unknown in Texas 20 years ago, has crept into the state through interstate seed sales from Oklahoma and New Mexico.

The new seed provisions, amending the Texas Seed Act, also cut down the permissive presence of many other weeds in commercial seeds. These noxious weeds are divided into two groups: "primary" and "secondary".

"Secondary" noxious weeds in excess of 200 weed seed per pound are prohibited from sale.

This means that presence in commercial seed of more than 100 seeds-per-pound of dodder,

curled dock, blueweed, Canada thistle, or Johnson grass—all primary weeds—makes such seed unsalable. However, crops containing Johnson grass in excessive quantities may be sold when labeled "Pasture Mixture."

Secondary noxious weeds, or weeds that can be controlled by good cultural practice in spite of their objectionability, include such familiar species as Russian thistle, Bermuda grass, wild oats, wild onion and garlic, wild carrot, wild mustard, goat grass, puncturevine (goat head), cocklebur, and wild radish.

These new seed law provisions, now in effect, also provide that seed offered for sale must be tested every nine months, instead of once a year as required by previous statutes.

A 48-gun salute is fired at noon on July 4th at every army post to commemorate the Declaration of Independence.

Sen. Lyndon Johnson Invites Letters From His Many Friends

Senator Lyndon B. Johnson will maintain a senatorial office in Austin as well as Washington between now and the convening of the next session of Congress, he announced this week.

Senator Johnson, now convalescing at his ranch near Johnson City from the heart attack he suffered on July 2, will be unable to follow his usual custom of traveling over the State during the congressional recess.

"The doctors limit the number of visitors I can see," the Senator said. "But I would like to have all the letters my friends want to write. All will be answered."

Heading his Austin office, in the Federal Building, are Jack Hight of San Angelo, one of the Senator's major assistants, and Glynn Stegall, long-time member of the staff from Graham.

In the Washington office during this period will be Walter Jenkins, Senator Johnson's top assistant since 1938; Arthur Perry, formerly an aide to Senators Sheppard and Connally; and Booth Mooney, formerly of Dallas.

"With this setup," Johnson said, "I believe I can handle every request of a Texan during the recess quickly and efficiently. I hope no Texan will hold back any request or suggestion he wants to make simply because I must take it a little easy until I am fully recovered."

SOCIAL SECURITY NEWS

You can earn more money in 1955 and still keep your social security checks under the liberalized retirement test, according to John R. Sanderson, Manager of the Amarillo Social Security District Office.

"You can earn as much as \$1200 during 1955, either in wages or in net earnings from a business, without losing any benefit payments. If you make more than \$1200, you will lose a month's payment for each \$80 over \$1200, but you will not lose a check for any month in which you earn less than \$80 in wages or don't operate your business," he added.

"Beginning in 1955, the retirement test will apply to all wages or business earnings, whether subject to social security or not," cautioned Sanderson.

"Placing the retirement test on an annual basis will be particularly helpful to seasonal workers. If, for instance, you were to work each year for the four months of June through September at \$300 a month, you would have your social security benefits suspended for those months under the former restrictions, but under those coming into effect, you would not lose any monthly payments," he concluded.

Breeding Beef Cattle For Unfavorable Environments

AUSTIN—Cattlemen from the U. S., Latin America, Australia and Africa are ordering copies of a new University of Texas Press publication, "Breeding Beef Cattle for Unfavorable Environments."

The book publishes a symposium presented at the King Ranch centennial conference, an international gathering of scientists and cattle breeders held at the ranch headquarters in October, 1953. Editor is Albert O. Rhoad,

research consultant and geneticist for the King Ranch.

Part One of the symposium discusses the problems of environment: effects of climate upon animal health and reproduction, relationship of soil fertility and animal nutrition to production, and improvement of range grasses in semi-arid regions. Part Two emphasizes the necessity of adapting cattle to the environment, rather than attempting to maintain a completely artificial environment for animals that are not able to adjust profitably to natural conditions of the area.

Distinguished scientists from many parts of the world report

on breed improvement in their countries: the crossing of the native Afrikaner and the Hereford in South Africa, the crossing of the Gyr and the zebu and other Indian breeds in Brazil, and development of the famous Santa Gertrudis breed in the U. S., a cross between Brahman and Shorthorn breeds.

The book also includes a summary of the 100-year history of the King Ranch.

Some people are afraid that they won't hold out until their money is gone. But most of us are afraid that the money won't hold out until we are gone.

 3. Arrangement featuring one color in matching container.
 4. Composition of flowering material in combination with fruit and or vegetables.
 5. Miniature arrangements, not over 3 inches high in groups of 3 or 4 arrangements staged together.
 6. Arrangements in Novelty containers.
 7. Arrangements in Natural containers, example: sea shells, drift wood.
 8. Arrangements for special occasions: Birthdays, Christmas, Thanksgiving, Easter, 4th of July, Weddings, etc.
 9. Dormant arrangements: Material can be painted or left in natural state.
 10. Wild Flowers arrangements.
 11. Shadow Boxes
 12. Children's Arrangements
 13. Men's Arrangements
 14. Professional Arrangements
 15. House Plants
 You may bring your own accessories, tables, table cloths, candles, figurines, etc.

Study of Brush Control Methods Made By SFRE

SAN ANTONIO — A study of brush control methods to check encroaching brush—long a major problem on the Rio Grande plains—has been made by Southwest Foundation for Research and Education and results show that "root plow" and "root plow and rake" methods are best for eliminating all types of brush.

Southwest Foundation conducted its experiments with the Duval County Ranch Co. on land owned by W. H. McDugald and assisted by supervisors of the Aqua Poquita Soil Conservation District.

Dr. C. L. Shrewsbury, associate director of Southwest Foundation, said that area selected for the experiment had uniform soil, slopes, erosion conditions, grass cover and brush. The area was fenced so that livestock could be shut out.

Seven popular methods of mechanical control of brush were tested along with chemical tests of herbicides on two plots. A total of 1,364 acres was divided into nine sections and used for the experiments.

Methods of control tested were chaining one way; chaining two ways; chaining two ways and raking; root-plowing; root-plowing and raking; roller cutting; tree-doing; and chemical testing

with two herbicides. "The root-plow and rake method removed 95.4 percent of the brush," said Dr. Shrewsbury. "Root-plowing alone was 91 percent effective, and chaining one way was shown to be the least efficient with only 15.8 percent removal."

Southwest Foundation scientists have also analyzed the economic aspects of brush control methods. Detailed analysis of the research findings are available upon request to Southwest Foundation for Research and Education, 8500 Culebra Road, San Antonio.

"Maintaining a growth of desirable grasses after the brush is removed is very important in

preventing its return," Dr. Shrewsbury said. "Grasses also maintain a permeable soil so that annual rainfall can be conserved in the soil for plant use."
 Many ranchers are seeding with buffelgrass and blue panic after root plowing, Dr. Shrewsbury said. Airplane seeding is becoming quite common and various root-plow seeders have been developed so that root-plow and seeding can be done in one operation.

The first settlers of Memphis, Tenn., were the Chickasaw Indians.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

TOP O' TEXAS CAN'T BE BEAT

The above is the testimonial of the Rogers children. I have known it for a long time, but I wanted to get it confirmed thru the eyes of a child. Our children had not been home in two years. Last year the adjournment of Congress came just about the time of a serious polio epidemic, and we had to forego the trip home. Two years is a long time in a child's life. Mrs. Rogers and I wondered if there would be much of a change. There wasn't. The minute we set foot on Panhandle soil, business began to pick up. Friends began to gather and before we knew it the kids had scattered like a covey of quail. The good time they had was so well expressed by the statement of the eight year old, when he said to me, "Daddy, there just

isn't any other place like Texas, is there?" My reply was that there isn't any other place like Texas and there isn't any other place in Texas like the Panhandle. It is so different when you walk along the street and everybody speaks whether they ever knew you before or not. That is one of the things that I can't get used to back East. Apparently you are not supposed to speak to anyone there unless you have been properly introduced. I don't always obey this rule, and you would be surprised at the number of people who return the greeting and then watch you for a block down the street trying to think where in the world they have met you.

Needless to say, the kids are really dragging their feet on the way back to Washington and already talking about the things they have planned for next summer.

FISCAL POLICY

There has been much talk recently about the possibility of a tax cut next year and about starting a government economy drive.

This comes as somewhat of a surprise. I thought that we were supposed to be engaged in an economy drive all the time. That is the way I have tried to vote, and I might add that if the group that I voted with on all money measures had prevailed, we would have had a balanced budget several years ago. Very little has been said in recent months about the public debt. The record shows that on August 22nd, the gross public debt was \$276,849,729.623.45. This is approximately two billion, 200 thousand more than it was at this time last year. According to a report of the Joint Committee on the Economic Report by the Council of Economic Advisers, the debt is again approaching the all time high it reached in November of 1954, when it was \$278,900,000,000, the largest it had ever been in the history of the United States. Since that time, it has dropped to \$274,100,000,000.00, in March of 1955, when tax collections were at their height, but immediately started up after that, and is now almost 277 billion dollars. The authorization to borrow money was increased from 275 billion to 281 billion. I voted against this proposal because it does not present a true picture of the fiscal situation in this country. Actually, borrowing money to balance the budget is not balancing the budget. It is merely creating more obligations with more interest to pay.

PANHANDLE HELIUM
Many people having read about the proposed expansion of the helium facilities in the Panhandle, have asked me what helium

mable anesthetics to minimize the risk of operating-room explosions. There are many other uses for the gas and many more are being discovered each year.

HEALTH NOTES

Texas State Dept. of Health

AUSTIN—Every school should have a definite school health program. Situations such as, the kind of drinking water, arrangements for the school lunch, the lighting, seating, ventilation and cleanliness of the schoolroom, and the personal practices of the teachers and children are the bases of the school health program, said Dr. Henry A. Holle, Commissioner of health.

Every school has tremendous opportunities to promote the health of its pupils and of its community. From early childhood to early manhood and womanhood, most children are enrolled in schools and are under the supervision of school staffs for a substantial part of the day for approximately half the days of the year. The conditions under which they live in school, the help which they are given in solving their health problems, the ideals of individual and commun-

ity health which they are taught and the information and understanding that they acquire of themselves are factors which operate to develop attitudes and behavior conducive to healthy, happy and successful living.

Schools alone however cannot enable children to attain all the desirable goals of individual and community health. Considering the magnitude and multitude of the diverse and continuing efforts that must be made to satisfy the health needs of children, it is fortunate that many people and groups, in addition to schools, are greatly interested in promoting health. Parents have a prime responsibility.

Physicians, dentists, nurses, health officers, social and welfare workers and their official organizations, such as medical, dental and nursing societies, health departments and voluntary health agencies are all rightly concerned with health activities in their communities.

Mormons, headed by Brigham Young, founded Salt Lake City in July, 1847.

Most married couples patch up their old quarrels until they are as good as new ones.

other respiratory diseases. It is being mixed with certain flamm-

is being used for other than a lifting gas for airships and balloons. Of course, it is still being used for that purpose in connection with submarine warfare, but there are a number of other uses. Helium-shielded arc welding made it possible to join magnesium airplane parts safely and effectively. The process is being used now on aluminum, stainless steel and titanium. These processes are the heaviest consumers of helium. Use of a helium furnace atmosphere plays an important part in the production of the new metals titanium and zirconium. Both of these metals, if melted in air, would pick up enough nitrogen to destroy their ductility, and no method is known for removing this impurity. Helium is being used as a mixture with oxygen to relieve the discomfort of asthma and

Tri-State Fair and Fat Stock Show Opens In Amarillo September 19th

Citizens of the Golden Spread area may be justifiably proud of their region's most extravagant and spectacular Tri-State Fair for 1955 when the annual exposition opens in Amarillo Monday, Sept. 19th to continue through Saturday, Sept. 24.

Bigger, better, more exciting than ever before is the promise fair officials have proclaimed for the 31st week-long program of amusements, livestock, poultry, home economics, culinary, textile, arts, rabbit shows and similar events designed to please everybody.

Holiday on Ice, the world's most fabulous, breath-taking ice spectacle, will present eight indoor performances in spacious Fair Park Coliseum, Monday through Saturday nights, with matinees on Friday and Saturday afternoons.

Two featured free acts will be presented twice daily on the fair grounds. Bill Atterbury's Sky Kings, who perform on sway poles 100 feet above the ground, are certain to please every fair patron, regardless of age. This death-defying act has never before been seen in this section.

Jack Andrews, his trained mule and Brahma bull, are being returned as another free act by popular demand after an absence of two years.

New and old-time favorites are among the more than 20 rides and scores of gaudy carnival attractions to be seen on this year's Tri-State Fair midway set-up by Bill Hames Greater Shows, the southwest's largest railroad show.

Another first for this year's Tri-State Fair will be the Shetland Pony Show. The remarkable interest that almost all persons have in these small animals is expected to be reflected in this added attraction.

The thousands of persons throughout the Tri-State area who like to sing just for the fun of it will welcome the news that this year's fair again will feature a Country Singing Convention. This second annual event will be held only on Saturday afternoon, Sept. 24

in the Sports Arena, beginning at 1 o'clock. There will be no charge to the Sports Arena for either participants or listeners.

Visitors to this year's fair will see major improvements in their exposition grounds and facilities, with increased parking room inside the fair plant. Among improvements is a \$125,000 addition to Fair Park Coliseum, slated for completion in time for the fair.

The 1955 Tri-State Fair will open with a gigantic parade along Amarillo's Polk Street at 11 o'clock Monday morning, Sept. 19th. More than 200 visiting high school bands from communities throughout the Golden Spread region will join with Amarillo Air Force Band, the Shrine Drum & Bugle Corps, and the Shrine's Circus Band, to provide music for the initial spectacle.

Davy Crockett has a unit reserved for this year's parade, which will also feature 1000 uniformed troops from AAFB, and hundreds of Army, Marine, Navy, ROTC, National Guard and other military reserve units.

Numerous cities however, will not send organized delegations, headed by their high school bands, to the fair until later in the week.

Advance entries in the livestock, swine, poultry, rabbit, women's home demonstration club and county exhibits are at an all-time high in advance of the fair's opening. Attendance this year is expected to keep pace with all previous fairs, which annually set new records.

INCLUDED IN PLEDGE LIST

NORMAN—A record total of 1077 fraternity and sorority pledges were announced by the 40 fraternities and sororities of The University of Oklahoma at the week-end. Included in the pledge list was Bill Noblet, son of Mr. and Mrs. W. W. Noblet, Clarendon, who pledged SIGMA ALPHA EPSILON fraternity.

The Donley County Leader, \$2.50 a year.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

There are several new books to be announced. "The Prophet" by Kahlil Gibran, which is known as Gibran's masterpiece, was given by Mrs. Lee Holland in memory of her sister, Mrs. Otis McCall. This book has been reprinted fifty-eight times, and new plates were reset and printed the editions of 1953. Our copy is from the edition of May 1955. The book consists of a series of essays on Life.

Mr. Jerome Stocking of Stocking's Drug Store, gave us "Wah-to-Yah," a book by Lewis H. Garrard. The introduction is by A. B. Guthrie Jr. Lewis H. Garrard was a member of a caravan expedition under the command of the famous trader of the Taos Trail Days, Ceran St. Urain. It is excellently written and a very interesting account of his caravan experiences and historical incidents of 1847. This book is volume five in the Western Frontier Library. We are quite grateful for the gift.

We now have Mr. Will Clower's first book—"What Price Fortune"—It tells the story of communist infiltration on an island—a mysterious American Major—a shipwreck on a barren island—a rocky sanctuary where a woman and her child live without hope in constant fear—you will need read this book by a former Clarendon citizen.

This week Miss Lula Budd gave "Up The Trail from Texas" by J. Frank Dobie in memory of Mrs. N. S. Percival. You will all enjoy this book as much as you have all the others of his we have here. Mrs. Geraldine Pratt Harbinger of Sacramento, Calif. gave "Stories of the Texas Rangers" by B. Robert Lockey, and "The Great Roundup" by Lewis Nordyk, and illustrated by Mr. H. Bugbee—both were given in memory of Mrs. N. S. Percival. Both books are excellent reading, and exciting enough to entertain you now that the evenings are longer. We are very grateful for these editions.

Quite a few paper backs have

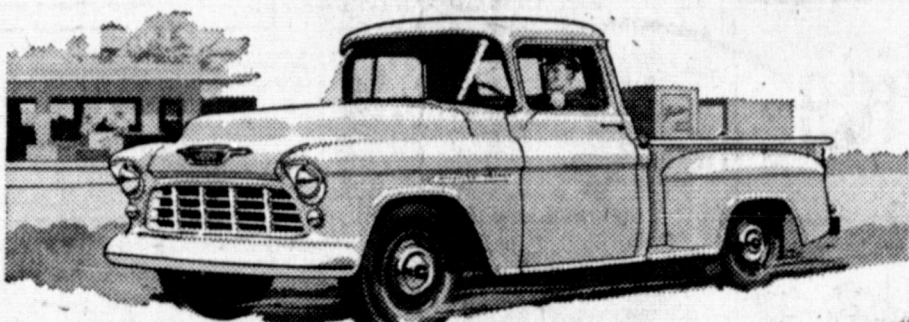

been contributed recently—westerns, books that have been best sellers, and prize stories of O.

Henry. Perhaps I've announced "The Man In the Gray Flannel Suit"

by Sloan Wilson. Its popularity is noted in all the best seller lists.

when the evenings are longer, and television becomes monotonous.
