### JUNIORS LEADING IN INTRAMURAL BASKETBALL

The Clarendon high school juniors are leading the field in the intramural basketball meet being held this week at the local gym and will go into the final game next Wednesday at noon with the team that emerges victorious in the games being played today.

The results to date: Seniors defeated 7 & 8th grade 35-16; Juniors beat Sophs 48-27; College beat Freshmen 20-8; Juniors beat Seniors 42-27; Sophs beat 7 & 8th grade 35-5; Juniors beat College 39-24. Today at noon the Sophs were scheduled to play the Freshmen and at 2:30 the seniors are to play the winner. The winner of the last game will meet the Juniors for the championship next Wednesday at noon.

### Notes from - - - CITY HALL

In less than a month we will have an election that is important to everyone of you. We have three candidates in the City Commission race: L. L. Wallace, E. J. Chenaunt and Edwin Baley. We will also have two issues to be voted on: one is to have trash and garbage collection at 50c per residence, the other is to give the city commission authority to sell on bid basis the corner lot across from DuLaney Farm Supply. We would certainly appreciate everyone coming out and voting.

There is another matter that is becoming serious. It is the shooting of street lights and electric meters. Last month alone it cost the electric company and indirectly you, \$300 for damage done by air rifles. There is an ordinance and has been for years, banning air rifles in the city limits. We have not enforced and hope we do not have to enforce such an ordinance. So here's the proposition you parents check on your boys and assure them if the damage continues that you will be fined, and as you should know by now, that means anyone whose child is caught shooting lights or light meters.

## Local Boxers To Meet Wellington Team Here Wednesday, March 15th

The local boxing team will be hosts to the boys from Wellington here at the local gym next Wednesday night at 8 p. m. It should be a very good boxing event as the locals were defeated by Wellington 9-7 in their last engagement and the Clarendon boys will make every effort to step out in the lead when they meet them on home ground. Reserved tickets for the event will go on sale Monday at the Donley Hotel and it will be a good idea to buy your tickets early as the better seats will probably go fast.

The probable contenders from Wellington are Gary Phillips, Billy Branch, Don Scott, Ray Francis, Dennis Holliman, Clavin Hutt, Gene Beard, Jimmy Graves, Donald Heitt, Bobby Thomas, Billy Wauer, Carroll Duncan and Jessie Burkhalter.

Those that will probably match the above are Don Moore, Weldon Talley, Jim Carter, Gordon Moore, Clyde Morgan, Gerald Mulanax, Jerry Moore, Sidney Muse, Billy Adams, Ray Brown, Claude Moffett, Theo Risenhoover and Glen Sanders.

The Clarendon team is boxing the Panhandle boys at Panhandle tonight and they will appreciate as many fans as can go along with them.

## Schools Will Dismiss Friday, March 10th For Teachers Meet

AMARILLO—More than twenty-five hundred teachers and school administrators from 26 counties of the Panhandle are expected in Amarillo Friday, March 10th, for the annual Northwest Texas Conference for Education, sponsored by District IX, Texas State Teachers Association. Schools will be dismissed for the day in order that teachers, principals, and superintendents may attend the conference which is built around the theme, "Education for More Complete Living."

Presiding over this meeting of Panhandle educators will be J. Irvin Kimmins of Phillips, president of District IX, TSTA. Other officers are Dr. Ruth Lowes of WTSC, Canyon, vice-president; Mrs. Thomas H. Haynie of Amarillo, secretary; Morris H. Jones of Goodnight, treasurer; and E. T. Evans of Amarillo, membership chairman. Joe A. Gibson of Childress is past president.

Other members of the district executive committee are Mrs. Lois Sublett of Borger and Miss Ruth M. Richerson of Clarendon. District IX members of the TSTA state executive committee are Walter Travis of Dumas, Hueylyn Laycock of Pampa, and E. A. Wooten of Canyon.

Prominent educators who will address the sessions will be Supt. Warren T. White of Dallas, president of the American Association of School Administrators; Dr. Henry J. Otto, professor of elementary curriculum and administration at the University of Texas; Dr. Royal B. Emree, Jr., assistant director of testing and guidance bureau at the University of Texas; Dr. Martin L. Cole, dean of Eastern New Mexico University at Portales; Dr. Neal Miller Cross, chairman of the division of the humanities, Colorado State College of Education at Greeley; and Dr. K. E. Perry, chairman of the division of arts, Colorado State College of Education, Greeley.

## Country Club Members To Meet Tuesday Night

A meeting of the members of the Clarendon Country Club has been called for Tuesday night, March 14 at 8:00 o'clock at the Lion's Hall. This meeting is called for the purpose of presenting the cost of construction of the new swimming pool and for the cost of the new lake.

Also at that time if the requisite membership has not been obtained, it will be voted whether or not the members want to go ahead with the present number to organize the Club.

The close of the membership drive has been set for Friday, March 10. So far there are approximately 75 members. If you want to join please give your check for the membership to Bud Knorrp at the Donley County State Bank. Do not hesitate longer than March 10, for the requisite number must be obtained by that date.

## School Census Now Being Taken

The annual school census is now being taken and it is to the interest of this school district to have the name of every student that will be eligible for school next year as the state apportionment is based on the number of students.

Supt. H. T. Burton is reminding all parents who have no children now in school and will have a youngster that will have attained his 6th birthday by Sept. 1, 1950 to please report to himself, Mr. Lowry or Mr. Drennan. The census includes all youngsters mentioned above and all other students including those who will not be 18 before Sept. 1, 1950 whether in school or not.

This census has to be reported by the end of this month, so please do not delay in making your report, he added.

## Annual Firemans Ball Friday, March 17th

The Clarendon Volunteer Fireman's Ball (St. Patrick's Day Dance) will be held here Friday night, March 17th at the Clarendon Opera House beginning at 8 p. m. This dance date was inaugurated as an annual affair last year at which time the local fire department raised enough money to buy a new resuscitator which has been used 13 times since its purchase and was very beneficial on each occasion.

This year the department is raising money to buy other much needed equipment and are urging everyone whether they like to dance or not to buy tickets. Every volunteer fireman has a bunch of the tickets so no one should have any trouble getting their needs taken care of.

Rip Ramsey and his string band from Amarillo will furnish the music and this band is noted for their ability to play the type of music you like to dance to and like to hear.

## Intermural Fight Night Date Set For March 28th

An Intermural fight night date has been set for March 28th at the local gymnasium. The purpose is to raise money to buy the girls basketball team some jackets in reward for their efforts during the past season.

The fights will be open to anyone. If you are 40 and have someone that will put the gloves on with you in the ring it will be just fine. At any rate the promoters are figuring on a very good card for the occasion with plenty of action. The boxers will start weighing in at 4 p. m. and pairings will be made until 8 p. m. Further announcements on added attractions will be made during the next two weeks.

## Legion Sponsoring Hillbilly Jamboree

The local American Legion is sponsoring a Hillbilly Jamboree direct from Nashville, Tenn. here Saturday night at the Clarendon Opera House.

Featured for the evening will be Johnny Johnson and his all string hillbilly dance band; a floor show featuring such famous hillbilly characters as Mary Lou & Scotty from Blue Ridge, Carolina Sunshine Girls, Toby, the hillbilly's funniest comedian, Jean McDonald, world champion fiddler, Peggy Gail as vocalist and Mrs Tom Mix will be with the show in person.

The admission will be \$1 per person for show and dance.

## MOTHERS CLUB TO HOLD BAKE SALE SATURDAY

A bake sale sponsored by the Mother's Study Club, will be held Saturday, March 11th beginning at 9:30 at the Pastime Theatre building. Lovely cakes and pies will be on sale relieving you of that week end baking problem. Proceeds from this sale will be used toward the club's part in helping re-decorate the Patching Club House.

Members are reminded to turn in their \$1 assessed by the club room board for use of the club house.

## WATER MEETING TONIGHT AT QUANAH

W. S. Whaley, manager of the Chamber of Commerce, has been informed that a water meeting would be held tonight at Quanah or the purpose of organizing a Water Conservation Association for the territory that is affected by the watershed of Salt Fork of Red river. Mr. Whaley, Cap Morris and others plan to attend the meeting. This new move has come up after the dam possibilities on Prairie Dog Fork of Red river had been declared useless due to non usable water in the river.

J. M. Fowler left Sunday for Mineral Wells where he has work.

## Three Candidates File For City Commission

City politics warmed up a bit right at the last minute with three candidates filing for a position on the ballot within two days of the deadline which was last Saturday night. L. L. Wallace and Edwin Baley both announced last Friday and E. J. Chenaunt pitched his hat in the race Saturday morning.

The present commissioners, B. N. (Bob) Head and Claude Moore stated some time ago that neither would announce for reelection. Both men declared that their own personal business responsibilities required more of their time and they could not give the time to the office that is really required.

The city election will come up the first Tuesday in April which will be April 4th.

Another election which will come up in April also will be the school trustee election on April 1st. To date there have been no official commitments from any of the three retiring trustees or any new candidates but it has been understood that two of the old members would seek reelection and two or more new candidates would file their intentions before the deadline which will be 10 days before election date.

## District Judge Grants Permanent Injunction In Sale Of School Property

According to the District court records Judge Luther Gribble on January 10th ordered the district Clerk to issue a temporary order restraining the Clarendon Independent School trustees from conveying or deeding blocks 158 and 181 (football stadium) to the Donley County Amusement Association, Inc. And at a hearing on February 3rd, Judge Gribble ordered a temporary injunction pertaining to the same matter stated above pending final hearing of the case which the court set for Thursday, March 2, 1950. At this hearing Judge Gribble issued a permanent injunction, which will be final unless the judgment is appealed within 20 days.

The court records revealed the above as a result of a suit filed by W. H. Cooke and Mary S. Cooke as plaintiffs against the trustees of the Clarendon Independent School District and the Donley County Amusement Association, Inc.

F. A. White and daughter Mrs. Dorothy Williams of Amarillo left Wednesday morning for a visit at Abilene and other points in that vicinity. They plan to be gone about a week.

## Everything All Set For Air Age Program Monday and Tuesday

### SERVICES AT CLAUDE TODAY FOR FORMER RESIDENT

Funeral services were set for 2 p. m. this afternoon at the Claude Baptist church for Robert Harrison Lynch, former Clarendon resident who died at Tucumcari, N. M. Tuesday, Rev. J. D. McDaniel will officiate.

Mr. Lynch worked as a druggist here some twenty-five years ago and was married to Cassey Liesberg, daughter of Mrs. O. D. Liesberg.

He is survived by his wife Mrs. Cassey Lynch, Tucumcari; a daughter, Mrs. Bobbie Barker, McLean, six sisters, two brothers and four grandchildren.

Burial will be in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

## Highly Competitive Show At Amarillo Trims Local Placings

A larger and more competitive group of animals in every division at the Amarillo Fat Stock show trimmed down the winning bracket for Donley County entries in the show.

In the calf show in the 850 lb. class and over, Don Thornberry's calf placed ninth and Truett Koen's calf placed 19th. In the class 850 lbs. and under, Ronald Thomas' calf placed 26th.

In the Fat Lambs (fine wool class) Buster Bain's lambs took 1st and 2nd places.

In the swine department: Hampshire, pen of three pigs, Joe Ballew 4th, Claude Debord 6th, Berkshires lightweight, Royce Morris 3rd, Nelson Christie 5th & 6th; Pen of three pigs, Royce Morris 2nd, Dred Christie 3rd.

Reserve champion litter (hampshires) Claude Debord.

In the commercial calf sale Monday Eugene Auldridge topped the sale with \$40.50 a hundred for his 640 pound calf. Bain Brothers paid a total of \$529.20 for the animal. Other local calves selling in this sale brought good prices.

## LELIA CHURCH LADIES TO HOLD BAKE SALE HERE SATURDAY

The Ladies of the Methodist Church of Lelia Lake will hold a bake sale here at the Clarendon Electric Saturday afternoon March 11th. The ladies stated they would appreciate everyone coming by and getting their Sunday cakes and pies from their selection.

## Red Cross Drive To Start Monday

The annual Red Cross drive will start in Donley County this coming Monday to raise a quota of \$1534. The drive has been completely organized with the exception of solicitation in the residential part of Clarendon and the following chairman and committeemen have been appointed to push the drive over into high gear and raise the quota as quickly as possible.

Emmett O. Simmons, General Chairman; Carl Allmond, Fund Chairman; Lee Bell, Publicity chairman. Business chairman, H. T. Burton and his committee is composed of Bert Smith, Carroll Knorrp and Ray Noblitt.

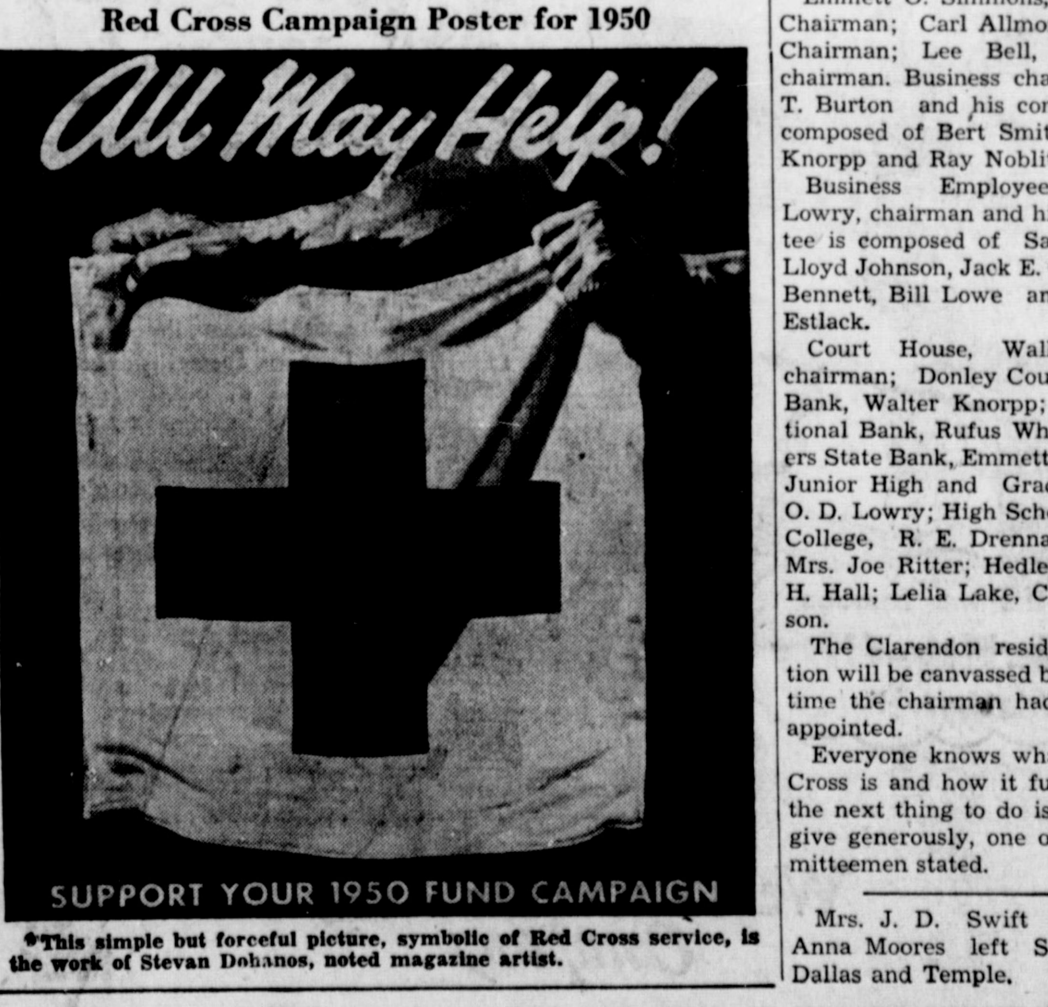

Business Employees: Chas. Lowry, chairman and his committee is composed of Sam Lowry, Lloyd Johnson, Jack E. Gray, Carl Bennett, Bill Lowe and Homer Estlack.

Court House, Walker Lane chairman; Donley County State Bank, Walter Knorrp; First National Bank, Rufus White; Farmers State Bank, Emmett Simmons; Junior High and Grade schools, O. D. Lowry; High School and Jr. College, R. E. Drennan; Rural, Mrs. Joe Ritter; Hedley, Mrs. H. H. Hall; Lelia Lake, Craig Johnson.

The Clarendon residential section will be canvassed but at press time the chairman had not been appointed.

Everyone knows what the Red Cross is and how it functions, so the next thing to do is give and give generously, one of the committeemen stated.

Mrs. J. D. Swift and Miss Anna Moores left Sunday for Dallas and Temple.

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt

The list of new books received are a miscellaneous collection. First is "Lots of Land" a or the fascinating story of the public domain of Texas.

Land Office of Texas, and the book written by Curtis Bishop. "All the explorers and adventurers sought El Dorado (the gilded man)—explorer, empresario, settler, foreigner, cattleman, speculator, oilman. Only the oilman, however, found the fabulous riches that the others dreamed about. He found El Dorado in the depths of the earth in a black liquid that for a time seemed to be everywhere."

There is a new book or rather a recent reprint, added to the garden shelf. "Every Day In My Garden" by F. Hodfield Farthing. There has been nine reprints of this garden book since 1929, so it is likely worth your time.

A book just purchased is "American Glass" by Mary Harrod Northend. This is the story of American glass making—one of America's very first industries, established in Colonial days in the face of almost insurmountable difficulties—is told with enthusiasm by an authority on early America.

For the children there is a clever and informative copy of "Barney"—a baby bear true story—a former Yellowstone Park naturalist and his wife kidnapped and raised this little bear. The book is profusely illustrated with photographs that show each stage in the development of a black bear from the time he was two weeks old until he was grown.

The magazine shelf becomes quite depleted when magazines are kept over time. I guess we are going to have to stress promptness. Better Homes & Gardens has 3,000,000 subscribers, and the news stands seldom have a copy after the first day they arrive.

Most of our material is shelved now and we are anxious for patrons.

## CHAMBERLAIN CLUB

The Chamberlain Club met with Mrs. Frank Reid Thursday, March 2nd, and spent the afternoon quilting.

Delicious refreshments were served to the following members: Mesdames Willie Hott, Mary Mann, Ruby Blackman, Magdalen Ivey, Ola Williams, Laura Ivey, Elois Talley, Susie Blackman, Emma Jean Harrison, John Heathington, Corinne Harrison, and hostess Gertrude Reid. Mrs. H. M. Reid visited with us.

Several Polly-anna gifts were received, and plans for our monthly party made. The party will be held at the Chamberlain School House Friday, March 24th. —Reporter

## KAPPA MEETING

The Kappa Sub-Deb Club met in the home of Nell Bentley Wednesday afternoon with Sandra Bownds serving as co-hostess.

An entertaining program, "They've Revived the Music Box," was given by Doris Jean Wallace. Music boxes of different types were played, after the program.

Delicious refreshments were served to the following members: Doris Jean Wallace, Ann Thompson, Jo Anne Sibley, Ra Nelle Nichols, Dorris Knorpp, Lois Marie Hommel, Mary Edna Elmore, Shirley Brunley, Joyce Hall, Patsy Blair, Sandra Bownds, Nell Bentley, Nancy Bennett, Mary Lou Barker, June Star Allred, and Mrs. Rufus White.

## CLUB ROOM BOARD SPONSORS SUPPER

In spite of several conflicting meetings, an excellent picture show, and a misunderstanding as to date, 30 people gathered at Patching House, Monday evening for a covered dish supper, sponsored by the Club Room Board.

The guests served themselves from a well laden buffet, supplied in part with food sent by people who were scheduled for other meetings.

After second and third servings of food, everyone felt equal to interting into games of progressive 42. At the end of the contest there was some doubt in the minds of the men, as to the ability of women in adding up scores. How-

ever, when a careful male auditing was finished, Mrs. Frank Phelan Sr.'s claim to high score was verified.

Both men and women in attendance were surprised and pleased at the spaciousness gained by the removal of two partitions, and could visualize what an excellent club headquarters Patching House is going to make when the work is finished.

As an evidence of interest and appreciation, as well as the money itself, the Club Board treasurer was glad to find a nice silver offering left in a plate. Part of the money came from some who could not be there.

## CLUB ROOM BOARD MEETING

A Club Room Board meeting was held in Patching House at 4 p. m. Monday. In the absence of the president, Mrs. Lee Holland presided. There were eleven women present.

Reports of progress being made by planning, investigating and purchasing committees were given, as well as a treasurer's report. Rules were read and approved.

A letter was read from an individual donor who is making a gift to the Pathfinder Club in memory of his wife. The money is to be used on the Club House.

The chairman of the purchasing committee announced that one merchant had offered a ten per cent discount on any thing bought from him for the Club House.

The Club Board is grateful to both these kindly generous men who are truly progressive Clarendon citizens.

## 1926 BOOK CLUB

Mrs. Rayburn Smith and Mrs. O. D. Lowry were hostesses to the 1926 Book Club Tuesday afternoon at Patching Club House. Spring flowers were used throughout the entertaining rooms.

As the Texas Day program, Mrs. B. C. Antrobus gave an interesting review of "Hound Dog Man" by the Texas author, Fred Gipson.

Refreshments of strawberry shortcake and coffee were served to Mesdames B. C. Antrobus, E. S. Ballew, C. W. Bennett, Homer Bones, Rolle S. Brumley, W. E. Clifford, M. C. Goodner, W. J. Lewis, Jr., Jolly Johnson, Alvin Landers, C. M. Lowry, C. B. Morris, Frank Phelan, Sr., W. A. Riney, Frank White, Jr., J. R. Gillham, L. N. Cox, W. E. Ray, Miss Lucile Polk and to guests Miss Loyd Richardson and Mrs. Betty Hendrix.

## ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met in the club room March 2nd at 2:30 with the president in the chair. Prayer by Lillie Knox. Roll call was answered with Why I am proud I am a Texan. Johnnie Poovey, hostess and program leader, led an interesting program on Texas; song, Eyes of Texas, by all; Texas under 6 flags by Florence Evans; Texas Woman Governor, Laura Mahaffey; Texas Presidents, Sue Rhodes; Things Texas leads in and Texas Brags, Vena Hudson; Census in Texas, Viola Graham. Several received Polly Anna gifts.

Refreshments were served to 13 members.

On March 16, Dora Brandon will be leader and hostess. Subject: Arrangements for the County Fair. Come everyone. —Club Reporter

## JR. BEAUX ART CLUB

The Jr. Beaux Art Club met in the home of Doris Jean Wallace on March 2nd. The program was on English Arts. June Selmon gave a talk on "Lawrence"; Gladylene Emmons gave a talk on "Sir Henry Raeburn" and Bobby Emmons gave a talk on "Romney." Lovely refreshments were served by the hostess, Doris Jean Wallace.

Those present were Ladelle Cox, Mae Morris, Patsy Blair, Bobby Emmons, Neal Davis, Mary Louise Cannon, Ann Thompson, Va Lois Stafford, Gladylene Emmons, June Selmon, Scharlean Pyeatt, Arvazene Smith, Ira Jean Estlack, Miss Polk and Miss Howren.

## CUE AND CURTAIN CLUB

The Cue and Curtain Club met Monday March 6, 1950 in the home of Alice McCrary.

After a very short business meeting Sem Patterson gave a clever speech on "Conversation." Three guests from the Footlights Club gave cute readings. Tommy Lane and Iva Jean McAnear gave "Sparkling Peggy Jane"; Jackie Estlack gave "Star Gazing" and Jackie and Iva Jean gave "Two Old Maids from Lynn", which were enjoyed by everyone.

The hostess and her mother served lovely refreshments to four guests Iva Jean McAnear, Jackie Estlack, Tommy Lane, Ralph Nichols, and the following members: Sam Patterson, Doris Wallace, Willetta Riney, Geraldine Durham, Tommy Gattis, Mary Ann Landers, Patsy Estlack, Inelle Cox, Joe Dilli, Ladelle Cox, Dorris Knorpp, Mrs. Johnson, Mary Elmore, Mae Morris, and Ramona Rhea. —Reporter

## SURPRISE BIRTHDAY LUNCHEON

Mrs. Bert Smith Sr. was complimented with a surprise birthday luncheon Wednesday, March 1st at the Donley Hotel. Long stem red American Beauty roses were used for table decoration; also lovely gifts were placed on the table which Mrs. Smith opened and admired.

Those present were the hostess, Mrs. Bert Smith Jr. and Roger Wayne, Mrs. Colie Huffman, Mrs. Basil Smith and the honoree, Mrs. Bert Smith Sr. and Don and Harlene Smith.

## PATHFINDER CLUB

The Pathfinder club meeting place has been changed and the club will meet at the Methodist Church Friday afternoon at 4 p.m.

Rev. and Mrs. Bond of Hedley visited Mr. and Mrs. U. T. Fowler Sunday.

Mr. and Mrs. D. F. Wadsworth visited in Hartley Monday.

## CITIZENS CEMETERY TRUSTEES MAKING APPEAL FOR DONORS

The Trustees of the Citizens Cemetery Association are mailing letters to all Lot owners and other interested folks for the up-keep of the Cemetery during this year. The Trustees urge all that are interested in a well kept Cemetery to make their donations as soon as convenient and as liberal as possible. The Cemetery has grown almost double in size during the past ten years and now requires three men to keep it as it should be kept.

Mail or hand your checks to W. W. Taylor at the First National Bank or to A. L. Chase or Odos Caraway, Trustees in charge.

### SOCIAL SECURITY NEWS

"Changing economic conditions, with the labor market tightening and some prices declining, are making the public more aware of the value of social security," John R. Sanderson, manager of the

Amarillo social security office said today.

"People want to know what they are going to get for the money they have been paying and what protection they have," he said.

During the three-month period ending February 28th, Sanderson said the social security office in Amarillo answered 2650 inquiries about old-age and survivors insurance.

Emphasizing the purpose behind this Federal program, Sanderson explained it is designed to of financial protection when regular income stops due to retirement after age 65 or when the worker dies at any age. "Benefits are in no sense charity," he pointed out. "They are paid as a matter of right, the same as private insurance payments."

Mr. and Mrs. John Semrad and Mary and Jimmy spent the week end at Amarillo visiting their children.

### FARM NEWS

From the County PMA Committee

#### MEETING OF COUNTY AND COMMUNITY COMMITTEEMEN:

On Monday of this week the County and Community Committeemen met at the County Office with Mildred M. Ritter, Administrative Officer to discuss the price they should set for Pre-measurement of cotton acreage in Donley County. They also reviewed all requests that had been made by farmers to have their farms combined or sub-divided. All of those in the County who had made such a request have been notified.

#### ALLOTMENTS ESTABLISHED FOR FARMS:

We'd like to remind everyone in the County that all Cotton Allotments established for 1950 were established FOR THE FARM and not THE FARMER. The only way that a cotton allotment can be moved from one farm to another is to have your farms combined or sub-divided.

#### PRIOR APPROVALS:

We have told everyone time and again that a farmer must

have a PRIOR APPROVAL, issued from this office, before he can earn assistance from this office. Lately, we have had quite a few producers coming to the office asking for an approval after they have carried out a practice, and this cannot be done. Please try to remember that you must have a prior approval before you carry out a practice. Failure to get one from this office will result in your having to carry out the practice without earning assistance.

#### MEETING AT CHILDRESS:

Mrs. Ritter, Douglas Lowe, Mrs. Crofford, and the County Committee went to Childress this week to attend a meeting in order to prepare for pre-measurement of all the cotton acreage in Donley County. We will have all the information for you in next week's news article and in the newsletter that we plan to mail out to all the producers in the county.

#### BUDGET REPORT:

At the present time we are still out of money. However, we hope that we can start issuing approvals next week. We have a long waiting list, but we will try to give assistance to everyone that has asked for it. As we told you several news articles ago, we have

asked for additional money from the State Office, but we do not yet know if we will receive it or not.

#### DEEP PLOWING AND SUBSOILING:

We sent out notices the last two weeks in February for all those having approvals to deep plow sandy cropland and subsoil to have the practice completed and the approval turned in by March 1st. The results were pretty good, but we still have a few stragglers. If you have not yet turned in your approval, please try to do so immediately, or come to the office and ask for an extension on these practices.

#### AGRICULTURE SHORTS:

This windy weather we have been having should be a good reminder to all of you to do something about keeping your land from blowing. We'd like to quote part of an article we received from the State Office. "We may not be able to stop the wind from blowing, but we can do much to keep our soil from blowing away with it. The continued use of some of our lands for the growing of cultivated crops has changed the composition of the soil. The humus has been worked out by plowing and cultivating, the sandy soils have become broken down and more finely pulverized. In this condition the land is easily carried away by the wind. One of the first steps in correcting this breakdown is to get the land back into sod. While some soil must be kept in permanent sod, much of it requires only a sod crop in rotation with cultivated crops to restore organic matter and humus. Crop residues — stubble, straw, vines, and leaves also hold the soil and keep it from blowing away." Why don't you try some of these soil saving practices. Come

by the PMA office and let us help you—this is your office, use it.

#### Wheat Farmers Meeting at V.F.W. Hall at Groom March 15th

We feel sure that we can get the co-operation of a great majority of the Texas wheat farmers interested in a research and marketing program, if we can get an opportunity to explain its progress and possibilities to them.

Most everyone will agree that something should be done, and we are all inclined to dismiss it from our minds, and trust to luck or something of the sort that it is not going to be as bad as it looks like it might.

Mother nature seems to be taking care of the situation pretty well at the present time, but we are all hoping for plenty of moisture so that we can raise another bumper crop, that we have no earthly use for. Uncle Sam has a support loan price on it though, and we are reasonably sure we are going to get that.

We all know that the government is not going to be able to hold up at this much longer. Possibly we can do something about it.

There will be men at this meeting who can tell you about the progress that has been made, and the plans that have been discussed for the future such as:

An alcohol plant.

Other crops that might be substituted.

Wheat being imported, milled and sold on Lend Lease Program, and others.

We will appreciate the attendance of the Managers if every El-

vator in Gray and Donley Counties, as we hope to have their co-operation in collecting the ¼¢ per bushel for this program.

As one farmer to another I would say "Let's attend this meeting in Groom and find out what it is all about", and get in there and get the ball to rolling.

We can, and we are going to do something about it before it is too late.

Other States in the wheat area are already organized and started.

The State of Washington produces about 10% of the wheat, and does about 80% of the talking in the Legislation.

Holly Wood, President

Lee Shaller, Vice-President

Donley County Farm Bureau.

#### Hospital Notes

Mr. and Mrs. R. C. Burns and son John left Saturday for Austin on a business trip and also visiting with relatives.

#### St. Mary's Church, Restoration Fund Tops \$1500

The fund to restore historic St. Mary's church in Clarendon and make of it a shrine to Our Lady of the Panhandle went over the \$1,500 mark this week.

A big boost came from J. W. Schwaller of Amarillo, who sent in a check for \$100. Four other contributions came in to raise the total to \$1,510. Mary F. Schlofman of Dalhart donated \$10, the sisters of St. Joseph's hospital, Wellington, gave \$10, S. P. Clark of Midland sent in \$5, and J. N. Berres of Groom mailed a check for \$5.

The project to restore St. Mary's church and dedicate it to Our Lady of the Panhandle is being directed by Father Richard Vaughan of Price College, Amarillo.

Slowly but surely the fund has grown to sizeable proportions.

A plan to convert the oldest parish church in the Panhandle in Clarendon into a shrine is being put into operation. The shrine will be dedicated to Our Blessed Mother and will honor the early pioneers who brought the Catholic faith to the plains.

It will take more than \$2,000 to make the old church a fitting place for a shrine.

Doris Knorpp, Patsy Estlack, Inelle Cox, Mary Edna Elmore, Vernon Goldston and Jerry English enjoyed a picnic supper at Lake McClellan Sunday afternoon.

Mr. and Mrs. F. A. Fitzgerald and daughter Mary Lou and son Gary Lynn and Barbara Faye Estlack spent the week end with Mrs. Fitzgerald's parents, Mr. and Mrs. E. Strange at Hereford.

## AMERICAN LEGION NEWS

By Commander Mike McCully  
Clark-Brock Post 126,  
The American Legion

EDITOR'S NOTE — Commander Mike McCully discusses the Hoover Commission Plan to transfer

veteran hospital construction to the Department of the Interior in this fourth article of his series in which he presents the views of The American Legion on the proposal to drastically re-shuffle the handling of veteran affairs.

### HOSPITAL CONSTRUCTION

The present government hospitals for veterans in the United States are the finest in the world because they were built under the direction of the Veterans Administration

which is a specialist in veteran affairs.

Proper hospital construction requires a close working relationship between those who construct and those who design to meet medical requirements as well as with those who will be responsible for maintenance and the building of additions and betterments. This relationship now exists in the Veterans Administration.

The Hoover Commission now

proposes to transfer the hospital construction functions to the Department of the Interior. This is a department created in the frontier period to open up and to promote new Western territory. It has to do with reclamation projects, irrigation, boring tunnels through mountains, building dams, maintaining national parks and such other varied jobs.

The effect of the Hoover Plan would be that the Department of the Interior, utterly unfamiliar with medical needs, would build all future hospitals for the VA. But its interest in a hospital would cease once a new building was completed. The VA would then be required to maintain an engineering and architectural staff to plan and supervise the betterment and repair of the hospitals. The Department of the Interior would maintain a similar staff to perform similar functions in the building of new hospitals. All this duplication would be done in the name of economy and efficiency!

### Task Force Indictment

Although the Hoover Commission proposes to turn over the VA hospital construction to the Department of the Interior, the Commission in another report itself scored that department for its apparent inability to properly estimate the cost of proposed construction. On page 6 of its Report on the Department of the Inter-

ior, it charged that the Department was guilty of inadequate evaluation and underestimation on such vast jobs as the Colorado-Big Thompson Project in which its estimate was \$44,000,000 and actual cost was \$131,800,000. It estimated \$6,300,000 as the cost of the Hungry Horse Project in Montana which actually cost the taxpayers \$93,500,000.

The Hoover Task Force which made a study of the Department of the Interior, was even more critical. Here is a startling quotation by this Task Force:

"Some of the current arrangements between engineering agencies and services, including especially the Bureau of Reclamation and the Army Engineers, smack of collusion rather than cooperation and of neat devices to avoid competition in getting into the Congressional pork barrel."

The Hoover Commission also failed to tell the whole story when it commented on the medical activities of the Veterans Administration and inferred that VA Hospitals now cost from \$20,000 to \$51,000 per bed as compared with an estimated cost of \$16,000 per bed in private hospitals. The Hoover Commission did not see fit to explain that included in the VA Hospital bed cost is also the cost of quarters for nurses and attendants, of a chapel, of a recreation hall, of large administration offices and of complete therapy facilities of all kinds. Very few, if any, private hospitals have these things. If you deduct the costs of these extras, then the VA Hospital per bed cost is not out of line with the cost of a bed in a private hospital.

My next article will take up the Hoover Plan to set up a special new corporation to take over the handling of all government insurance matters.

### Improved Premium Grade Gasoline

HOUSTON—An improved premium grade gasoline meeting the requirements of the latest high compression automobile motors is being made available at Gulf Oil outlets throughout Texas today, according to M. Farnsworth, Division General Manager.

Working closely with automotive engineers, Gulf's research staff has developed the new gasoline during the last three years, Mr. Farnsworth said.

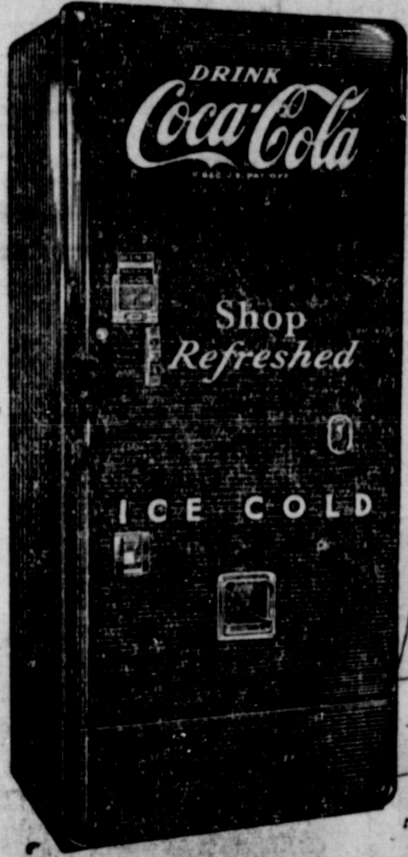

Half page advertisements announcing the new anti-knock fuel will be carried during March and April in the leading daily newspapers and in several hundred weeklies and small dailies. The advertising campaign is by far the most extensive, involves the use of more newspapers and the expenditure of more money than any other Gulf sales promotion

program released in Texas since World War II.

The campaign is indicative, according to Farnsworth, of two things: first, the determination of the country's leading petroleum products suppliers to provide fuels that will fully meet the requirements of the high compression motors developed since the war; and second, the keen competition for retail customer business that is becoming increasingly evident under the present supply and demand situation.

Gulf distributors throughout the state, and dealers in every area where Gulf products are sold, have been invited to supplement the overall Company program with localized promotions of their own.

"Now I lay me down to sleep"

All over the Gulf South tonight little girls and boys will go to sleep in homes equipped with adequate, vented, automatic natural gas heating. Gas will have the house warm in the morning, too, keep the water hot, cook the family breakfast. Natural gas does all the big jobs in the home—quickly, efficiently and at such low cost.

### Natural Gas—Dependable, Economical

Natural gas is a dependable, economical fuel that serves most where it's used most. It's a source of income, too, for many, many thousands of workers in commerce and industry, for royalty owners and stockholders throughout the Gulf South, many of whom probably live in your own community.

### SOLD YOUR SADDLE?

WESTERNERS have left the impress of their insight and vigor on practically every phase of American life. It is amazing how many of our current activities are described in terms of the range. Take, for example, the man who abandons his responsibility to himself and his fellowmen.

A cowboy who "sells his saddle" gives up his whole reason for existence. He is brother to the carpenter who sells his kit of tools—or to Esau, who sold his birthright for a mess of pottage.

If you wish "security," work it out for yourself. No real red-blooded American wants to "sell his saddle" and be regimented by dictatorial Federal employees. That is exactly what would happen to you, your Doctor, Druggist, Hospitals and all health services—IF you allow COMPULSORY health insurance to become a law of this land, under the guise of "social security."

VOLUNTARY, inexpensive pre-paid Medical plans are NOW available to 100,000,000 Americans. Ask your Doctor.

### PLANS FOR ANNUAL SPRING MUSICAL MADE

Preparation for the annual spring Musical was begun Monday, February 27, 1950. The program will consist of a variety of songs: western, popular, semi-classical, and hillbilly.

In previous years this program has been about two hours long. It is felt that there is a considerable amount of talent to be shown in this program. The date has not been set, but it will be announced in this column.

### ARDATH MONK, BILLY HILL CHOSEN SCHOOL FAVORITES

The boy and girl favorites of Lelia Lake High School are Ardath Monk and Billy Hill.

The favorite's pictures will appear in the Lelia Lake 1950 Annual. The students chose Ardath and Billy by secret ballot to fit the following qualifications: scholarship, leadership, participation in school activities, committees, athletics, personality and sportsmanship.

### TAILORED SUITS MADE BY HOME EC. GIRLS

The Lelia Lake Home Economics class is finishing its sewing projects Friday. The majority of the class is making tailored suits.

Favorite styles this year seem to be tight-fitting skirts and loose boxy jackets. Colors worked with are green, blue, pink, and gray. Some of the materials are corduroy, wool, and pinpoint.

### Health Notes

AUSTIN—There is hardly anyone who hasn't caught cold at one time or another and besides making you feel miserable they steal your time and money, declares, Dr. Geo. W. Cox, State Health Officer. They fool you too, because the early signs are often the same as those of more serious illnesses.

Long continued colds may pave the way for an attack of pneumonia, tuberculosis, or a chronic infection of the nose, throat, ears or sinuses. Do your best to keep from catching cold. If you do catch one, take care of it promptly by going to bed, keep warm and dry, drink plenty of citrus juices and water. If the cold is

severe, consult your physician.

Another enemy is pneumonia, an acute infection of the lungs. Virus pneumonia is the most common of all pneumonias today. It may occur at any age, and usually appears in local outbreaks instead of far reaching epidemics. In any case of pneumonia, good medical care and nursing play a great role in recovery.

Lobar pneumonia is caused by

a bacteria, not a virus, and is very contagious. A generation ago one out of every four who had this disease died. Today thanks to the "miracle drugs" many are saved. It is most common in late winter and early spring.

The most frequent victims of broncho-pneumonia are the aged, the invalid and the baby.

**E. T. Burk Announces For Congress**

Mr. E. T. Burk, for twenty years owner and operator of the Amarillo Furniture Company in Amarillo, has announced his candidacy for the Congressional post currently filled by Eugene Worley of Shamrock.

Mr. Burk said he would be a candidate in the Democratic primary in July and also in any

special election to fill the unexpired term of Mr. Worley who has not indicated when he may resign to accept an appointment offered by President Truman.

Mr. Burk, who is a native of Arkansas, came to Texas by way of Missouri and Oklahoma, has retired from the furniture business after enjoying many years of successful business operation.

Read somewhere that most people complained because they didn't get everything that they prayed for, and not only that but they wanted it brought to them.

I worked out a deal with another one of my Brother-in-laws whereby we could take another trip. This time to see a brother-in-law in Albuquerque. On the way back after we had visited all the scenic points in that part of New Mexico he explained that he had never felt so free to travel be-

fore. Finally it soaked in on me; according to the trade I was supposed to do all the fillin' up. I doubt that I could ever eat this Brother-in-law at Albuquerque "Out of house and home." Actually, he raises beans by the hundred dollars worth—Brother-in-laws, anyway.

Anyhow we visited the ski-areas in the mountain. You should have seen Mama coming down the mountain; not on skis either, or her two feet.

The 24th and 25th are still big nights coming up for a lot of folks at Claude. Watch for the announcements to come later.

Maybe the wheat crop got discouraged looking at all the new elevators being built.

Albuquerque is beautiful, especially at night—beautiful neon and other lights seemingly trying to be seen over the mountains that close in the town and valley. The Albuquerqueans pride themselves on building an unusual or coroful place of business; giving it a different or new and beautiful name, and the success that they achieve is remarkable. Instead of trying to get rid of the traffic on 66 they do everything they can to try to get you to stop. Anyhow, such color and such beauty is worth anyone's trip. I didn't even feel like fussin' about my 2% tax on every purchase.

First choice for 2 reasons!

1. Deeper soil penetration — greater pull. Goodyear's open center tread has straight deep-biting lugs. They cut cleanly into the soil, penetrate full depth, full length. Straight bars closer together at the shoulders wedge the soil for firmer grip — don't "plow out" soil at the sides.
2. Balanced straight lug tread design — longer wear. Goodyear open center lugs are all straight, all equal in size and spacing. That's why every lug works equally, pulls fully, wears more evenly.

**OLD PATHS**  
By DOYLE WILLIAMS  
Minister of Christ

We have learned how to reason from premises to conclusions, but in Paul's letter to the Galatian brethren there is no room for reason. When Paul most solemnly testifies that such as had turned back to the law and been circumcised had "fallen from grace," it must simply be accepted as true, or the truth of the statement denied. Surely, these were once in grace—in the favor of God—in Christ for it would be the merest tittle to talk about persons falling from positions which they never occupied. This being true, it follows that every person who thus falls diminishes the number of the elect, and increases the number of the reprobate; hence the whole theory of unconditional election and reprobation is untrue.

But it is not only true that Christians, God's elect, may fall as individuals, but it is also true that congregations composing the "Church of God" at certain places may fall. In proof of this position we would refer the reader to the Asiatic churches, only a few extracts from which we have here room to make. After approving many good traits of character in the church at Ephesus, God said to them: "Nevertheless I have somewhat against thee; because thou hast left thy first love. Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of its place, except thou repent." Rev. 2: 4, 5. Here was a church which had many elegant traits of character, yet it had left its first love, so that it had to repent and do its first works or have its candlestick quickly removed. Certainly, this had reference to the removal of the church as a body.

To the church of the Laodiceans he said: "I know thy works, that thou art neither hot nor cold; I would that thou wert cold or hot. So then because thou art lukewarm, and neither cold nor hot, I will spew thee out of my mouth. Because thou sayest, 'I am rich,

and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked; I counsel thee to buy of me gold tried in the fire,

that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see." Rev 3: 15, 18.

Here was a church which God said he would spew out of his mouth, then gives it such counsel as would enable it to reinstate itself in his favor by reformation and obedience.

How could any one fail to see, by such testimony from the Holy Volume, that one can fall from the favor of God, and unless reinstate upon God's conditions will be lost.

**50,000 Miles - No Wear!**

**1. Proved by Punishing Road Test!** For 70 days, six brand-new cars roared over searing highways along the Mexican border . . . putting sensational new Conoco Super Motor Oil to one of the cruelest tests ever devised. After 50,000 miles of continuous driving, engines showed no wear of any consequence . . . in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts. Original factory polishing marks were still visible on piston rings!

**2. New-Car Mileage!** Test engineers were astounded at the remarkable record of economy. Gasoline mileage for the last 5,000 miles of the run was as good as for the first 5,000 miles . . . actually there was an average difference for the fleet of only 4/100 of a mile per gallon. This punishing test . . . equal to 5 years' normal mileage . . . proved that Conoco Super Motor Oil—with proper crankcase drains and regular care—can keep your new car new.
