Car-Track Crash Claims Five Lives Near Amarillo Early Sunday Morning

Clarendon residents received a terrible shock early Sunday morning when it was learned here that four people had died instantly, and three had been hospitalized due to a car-cattle truck crash 7 miles east of Amarillo on highway 287 about 1:20 Sunday morning.

Those killed instantly were W. S. Carlile, Jr., 21 years old, and Doris Marie McKee, 19 years old of Clarendon; Madeline Osteen, 23 years old of Claude and Cooter T. Young, 31 years old of Amarillo.

Seriously injured was Jack Simmons, 27 years old of Hedley and Lamar Aten, 23 years old of Lelia Lake, and less seriously injured was Forrest W. Lodsdon, 20 years old, Hollis, Okla.

The fifth victim of the crash, Jack Simmons, passed away at St. Anthony's Hospital in Amarillo Tuesday night at 11:05 p. m. Aten, who received lacerations and bruises from head to foot, is reported doing nicely and probably will be brought home this week some time.

Young and Lodsdon were in the cattle truck and the five young people were all occupants of the 1946 Mercury owned by Jack Simmons.

According to officers who investigated the accident, this was just another one of those things that just happen. One officer reported that "The truck was traveling west on the highway, the Simmons car was traveling south on a lateral road which leads from the Airport and joins with 287; the misleading factor which could have been the possible cause of the accident was another car approaching the highway from the south. The lights from this car could have blinded the driver of the Simmons car or led him to believe that the highway intersection was beyond the car and also believe the truck was approaching from a side road. The impact was too great to indicate any belief that the turn-off onto the highway was anywhere near, as the car could not have possibly made a turn at this point."

The car plowed into the truck just behind the truck's cab. The truck overturned. The car was completely demolished. It was reported that the brakes on both the car and truck were locked.

There are always a number of "ifs" and "ands" - - - but boiled down to one point - - - Clarendon has lost three fine young people, and this opens our eyes to the realization that most anything

Clarendon Will Be Host To Flyers With Breakfast Here Sunday Morning

The local airport personnel, Donley County Aviation Club and citizens of Clarendon in general will be hosts Sunday morning to a large number of pilots from all over the country when they gather here for the invitation air breakfast which begins at 7 a. m.

Everyone in town is invited to come out and get their fill of bacon and eggs and watch probably 150 to 200 planes come in at the local field. If you were out for the last breakfast you know what a thrilling sight it will be and those of you who were not there should be out there Sunday morning as this will probably be the last breakfast here this year. Local residents are urged to be out at the field at 7 o'clock as the serving will start at that time and you will be finished eating in time to watch the planes as they glide in.

We understand there will be

can happen, any hour, any minute or any second.

SERVICES HELD MONDAY FOR DORIS MCKEE

Funeral services were held Monday afternoon at the Methodist church for Miss Doris Marie McKee with Rev. S. W. Hayne officiating.

Miss McKee, age 19, was raised in Donley county, and up until a short time before her death, was employed as a nurse at the local hospital. She was a member of the Methodist church.

Survivors include her parents, Mr. and Mrs. George O. McKee, three brothers, Harold McKee of Borger, Raymond and Jim McKee of Clarendon; a grandmother, Mrs. N. L. Jones of Clarendon and a number of uncles and aunts.

Pallbearers were James Wesley Palmer, Hubert Bradshaw, Woody Spencer, Joe Lovell, Henry Wilson and G. W. Estlack.

Burial was in Citizens Cemetery under the direction of Murphy-Spicer Funeral Home.

rites Tuesday Morning For W. S. Carlile, Jr.

Last rites for W. S. Carlile, Jr. were held Tuesday morning at 10 o'clock at the First Baptist church with Rev. L. A. Sartain officiating.

W. S., age 21, was born and raised here and received his schooling in the Clarendon public schools where he took part in practically all types of sports and other activities.

Survivors include his mother, Mrs. Beulah Carlile; three sisters, Mrs. Dale Hill and Mrs. Hershel Heath of Clarendon, and Mrs. Hilory Conner, Providence, R.I.; and a brother John P. Carlile of Clarendon.

Pallbearers were Max Keys, Clyde Neal, Babbie Parker, Calvin Merchant, Harold Smith and Burel Bones. Honorary pallbearers were Carrol Hudson, Douglas Lowe, Price Whitlock, Clarence Cornell, George Watson, James W. Palmer, Curtis Thompson, Carl Bennett Jr., Bert Smith Jr., Wayne Lowe, Troy Wiley and W. V. York.

Interment was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

SERVICES FOR JACK SIMMONS THIS AFTERNOON

Last rites for Jack R. Simmons, fifth victim of the highway accident near Amarillo Sunday morning, were set for this afternoon at 3 p. m. at the local Church of Christ. M. C. Cuthbertson, minis-

lots of entertainment all the way around with Ho Riley and the Rhythm Buddies, featuring Roy Lee Brown on the Piano, furnishing lots of good string music. The breakfast will be broadcast over KAMQ again this time, going on the air sometime between 7:30 and 7:45.

It was announced this morning that George Young, KAMQ news commentator, would be the guest of honor for the occasion and would be on hand to add more life to the entire affair.

Make your plans to come on out and help greet the many visitors arriving by air. You will have plenty time to watch the planes and get back to town in time for Sunday school. The proceeds from the breakfast will be used to help defray the expenses of the new Pilots lounge and community building at the Airport.

ter of the Central Church of Christ, Amarillo, and W. T. Hines, minister of the local church, will conduct the service.

Jack died about 11 o'clock Tuesday night without ever regaining consciousness after the wreck. He was born and raised in Donley county and was a graduate of Clarendon High School and attended the Jr. College here. He was business manager of the local hospital prior to its closing recently. He was an Air Force veteran.

He is survived by his parents, Mr. and Mrs. N. R. Simmons; a sister, Mrs. Alvin Mace, Farwell; and a nephew, Jimmy Mace, Farwell.

Pallbearers will be Ray Holland, Bill Gerner, Dr. W. L. Welsh, Johnny Leathers, Willard Knox and Bob Williams.

Burial will be in Citizens Cemetery with the Womack Funeral Home in charge of arrangements.

Perry Campbell Gins First Bale Of Cotton

Perry Campbell, whose farm is located about 8 miles south of town, brought in the first bale of cotton for the year Monday morning. E. B. Bryson who farms about a half mile northeast of town was a close second with his bale being ginned about 30 minutes later than Campbell's.

Mr. Campbell ginned with the Paymaster Gin No. 1. His bale weighed 451 lbs. Mr. Bryson ginned with the E. F. "Bert" Smith Gin Co. His bale weighed 472 pounds. Neither bale was sold but samples were taken and sent to the government for classification.

Local merchants and individuals contributed to a bonus fund and the total of \$174 was divided, 60 and 40 percent between the two men with Campbell receiving \$104 and Bryson receiving \$70.

According to Bert Smith, the two bales came in about a week ahead of the average ginning dates in the past. "If this dry weather hangs on there will be plenty of boll pulling within the next few days," he stated.

HUDSON & TAYLOR FINISH STORE REMODELING

Several weeks ago Dusty Taylor and Willard Hudson decided to completely re-model their store throughout although it meant lots of money and effort to do the job. Today, they have the job finished and are inviting the public to come by and see what they have done.

All new display counters, shelving and everything else has been replaced with new material and the store has been divided into departments displaying their many different lines of merchandise.

This act of re-modeling and the finished product are certainly a credit to Clarendon, and Mr. Taylor and Mr. Hudson are to be complimented on the progress the business has made since they opened some five years ago.

CLUB ROOM BOARD TO ELECT OFFICERS

An announcement has been made to the effect that the Club Room Board has called a meeting of representatives of organizations using the club rooms for the purpose of electing new officers. Presidents and vice presidents of such organizations are requested to attend the meeting. It will be held Monday, Sept. 6 at 4:30 p. m.

Boy's Ranch Rodeo Set For Sunday, Sept. 5th

The biggest day of the year, for the boys at BOY'S RANCH, is next Sunday, September 5th. That's the day of their third Annual Rodeo and Barbecue, and every boy, both young and old, has been looking forward to it for a long, long time. It means a chance to show off the Ranch to everyone, and they all have a tremendous pride in it. They also have a chance to do a little showing off themselves.

Leonard Stroud, the former World's Champion trick roping and rider, has been coaching the older boys, and they have been practicing hard to put on a real good show. In fact, the Rodeo, this year, promises to be the best yet.

John Snider will cook up one of his famous Barbecues, and from what we can learn, there will be plenty of good food for everyone.

For those who drive to the Ranch, tickets are \$1.75 for the Rodeo and Barbecue. For those who take the special train from Amarillo, tickets are \$3.75, and that includes round-trip train fare.

The special guests of honor will be six or eight of the Old Timers that used to live at Old Tascosa when it was a town. They'll probably be mighty surprised to see the big change that's come over the place since they left, years ago.

Mark next Sunday, Sept. 5th with a red pencil on your calendar. That's the day of the BOY'S RANCH third Annual Rodeo and Barbecue at Old Tascosa, located 40 miles north-west of Amarillo on the North bank of the Canadian River. Barbecue time is 12:00 o'clock, and the Rodeo starts promptly at 3:00 P. M.

Over 1,625 Votes Cast In Second Primary

A very representative group of voters went to the polls in Donley County to vote for their favorite candidates in the run-off election. There were approximately 1,625 votes cast in the county in the Senatorial race with former governor Coke Stevenson leading the ticket with 978 votes to Lyndon Johnson's 644.

In the commissioner races J. R. Bulls was re-elected as commissioner of Precinct 2 with 444 votes to Cecil Thomas' 352; In Precinct No. 1 Richard Cannon led with 115 and F. C. Crofford received 96; in Precinct No. 3 F. M. Murray received 343 votes and Henry Moore received 266.

In the Senatorial race over the entire state it appears at this time that Coke Stevenson has won the race with a very close approximate 200 votes, and it is possible that the decision could be reversed when the official count is made.

LEE CLEMENTS CHARGED IN CATTLE THEFT

Sheriff Guy Wright reported Monday that Lee Clements, local youth, had been arrested here Saturday night and charged with cattle theft. The theft was in connection with the loss of 9 head of cows owned by T. J. Clements, dairyman at Wheeler.

It was reported that the cattle were rounded up in a pen, loaded into a truck and hauled to Texhoma where they were sold at auction for \$930. The sale was reported to have been on August 14; the cattle were not reported stolen until several days later.

Mr. and Mrs. J. E. Burch and Jesse of Dimmitt were visiting Mr. and Mrs. Guy Wright and family and other friends, and attended the Porter-Lowe wedding last week.

Broncs To Meet Kress-Kangaroos Here Friday Night In First Game

TONS OF RUBBISH MOVED IN SECOND CLEAN-UP DRIVE

The second or continued Clean-up drive held last Friday was somewhat relaxed compared to the one held on August 13th but was quite successful any way. There were a number of trucks in operation but not enough men to man all the trucks available.

Many points that were missed during the first drive were cleaned up and as a whole the two drives combined were very successful and if everyone will make an effort in the future to keep their own premises clean our chances of an outbreak of polio and other diseases will be less probable.

City Commission Expresses Thanks For Clean-up Campaign

We wish hereby to express our thanks and appreciation to every committeeman, truck owner, driver, and those who manned the scoops and forks, also the sprayers, mowers and those who helped with them. It was a job needing to be done, so thanks a million times for your hearty cooperation and a job well done.

Irrigation Test Well Being Drilled On Morris Farm

Drilling was started Monday on the first of four irrigation test wells to be drilled in different sections of the county by the Donley County Irrigation Company composed of local merchants and individuals.

The well is being drilled on the C. B. Morris farm two miles east of Ashtola. The location for the well was made by Carmon G. Rhode, soil conservation supervisor, and the drilling is being done under the supervision of H. H. Haskel of Pampa.

The well site was located whereby 80 acres of land to the east and 90 acres to the west can be irrigated if the well supplies sufficient water.

Three other wells are to be drilled; one on the J. R. Gillham farm six miles west of Clarendon; one on the E. S. Ballew farm, five miles northeast of town and another on the Baker farm in the Goldston community.

SHOOTING QUAIL MAY PROVE COSTLY

Sheriff Guy Wright reported this morning that charges had been filed against one negro from Amarillo and charges may possibly be charged against four others for shooting quail out of season.

He wishes to remind all hunters that this is dove season only and that shooting quail may draw a fine from \$25 to \$200 for each bird. All land is posted under the state law and every hunter should receive permission before entering upon any private property to hunt.

LAST OF STREET MARKERS BEING MANUFACTURED THIS WEEK

Joe Jones, Lions Club chairman in charge of the street markers, reported yesterday that the last of the street markers for north and south streets were in the process of being manufactured and probably would be placed some time next week completing the project. "Those of you who haven't already donated to this project are requested to leave your money with Rayburn Smith, The Leader Office or him self," Jones stated.

WILLIAM C. HIGDON SUCCUMBS AT GROOM

Funeral services were conducted this morning at 10 o'clock for William Clarence Higdon, 65, former long-time resident of Clarendon. Mr. Higdon died in a Groom hospital after a long illness. He has resided in Groom for the past three years.

He is survived by his wife; five sons, Rev. Buren Higdon of Trent, Texas; Eulen H. of Portland, Oregon; Willard of Pampa; Billy and Vance of Groom; also two daughters, Betty and Sally of Groom; his father, H. A. Higdon of Buna Vista, Tennessee; five grandchildren and several brothers.

Mr. Higdon is well known throughout Donley County, having lived here many years. He was a member and deacon of the Baptist Church.

Funeral services were conducted at the Groom Baptist Church by the Rev. Carl Stringer and Rev. C. R. Rearick. Burial was in the Groom Cemetery with Murphy-Spicer Funeral Home in charge of arrangements.

Donley County Show Board To Meet Saturday

The Donley County Show board will meet in the office of county agent H. M. Breedlove this Saturday at one thirty P. M. and make the final plans for the county fair, horse show and races. Mr. C. L. Lewis, president of the board is urging that all members of the board be present as this is a very important meeting, and all members are needed to help work out the details of the show.

The county fair, horse show and races will be held on October 1st and 2nd. Immediately following the county fair, Breedlove will take the county exhibit to the Tri-State Fair at Amarillo.

The fair this year should be a big one with all communities in the county taking part. Breedlove said, "We have a big crop and this will give farmers a chance to show off their agriculture exhibits."

Mrs. Ann Mauldin of Terrell, Texas visited last week with her brother, Mr. and Mrs. L. L. Cornelius.

REVIVAL MEETING STARTS MONDAY AT LELIA LAKE CHURCH OF CHRIST

A revival meeting will start this next Monday, Sept. 6th at the Lelia Lake Church of Christ with Gray Carter, Minister of the

GRAY CARTER
Memphis Church of Christ doing the preaching.

There will be two services daily with the morning service at 10 a. m. and the evening service beginning at 7:45 p. m. The meeting will continue through Sunday Sept. 12th.

The public is cordially invited to attend any and all services.

An inspired and confident Broncho squad will gallop out on the field Friday night for their first engagement of the year with the Kress Kangaroos. The time of the game is 8 p. m. on the local field.

The Bronchos are looking mighty good and have put in lots of time working together as teams and have their timing down to a pretty fine point. They have studied and run their plays enough whereby they should be able to turn loose the fire works against the Kangaroos who are rated as a good, strong opponent. In fact, it is understood that Kress won their district title last year and have three all district men back on the team again this year. They have a heavy line and a fairly light backfield.

The Broncho line is somewhat lighter than the Kress line but they will be in there accounting for every ounce of weight they carry and the Broncho backfield is about the same as their opponents with the exception that we are looking for them to be on the top side when the scoring is done.

Coaches Clinton and Jones are very well pleased with the progress of the entire team and state that every effort will be made to win this game and keep on winning through the season if possible.

Last Friday night the coaches took the boys over for a scrimmage session with the Phillips Blackhawks and showed themselves well, although there were no kick-offs or scores run. The coaches reported that every boy who had a part in the scrimmage never slackened one bit and made the Phillips boys fall plenty hard. The coach at Phillips has over 70 boys to pick from and we have only around 35 boys.

Officials for the game Friday night will be four of the very best in this entire area. They are: Stina Cain, Corky Cornelius, Bill Teel and Hack Folsom.

Season tickets for this game and the remaining four home games have been going pretty good but the sales are still short of expectancy, so the young ladies who have been selling them will probably be around to see if you have already bought before game time Friday night.

The probable starting line-up for the Bronchos Friday night are: Tomny Heatherly, RE; Bob Clifford, RT; Travis Mulanax, RG; Gene White, C; Odell LaGrone, LG; Ralph Hill, LT; Wayburn Wilson, LE; Jimmie Jenkins, Q; Gene Bulman, LH; Duane Littlefield, RH; and Rex Bradford, F; The co-captains for this game will be Wayburn Wilson and Gene Bulman. A new policy is being used this year in this regard; co-captains are chosen for each game by the squad as a whole and will possibly vary from week to week. At the end of the season the team will choose their captain and co-captain for the entire year.

The probable starting line-up for the Kangaroos will be: Billy Walker, le; Bill Bolling, lt; Roy Tomsue, lg; Austin Boles, c; Aaron Stark, rg; Carl Mason, rt; Edwin Stark, re; Dwight Glenn, Q; Dempsey Alexander, lh; Eddie Young, rh; and Bill Freeman, fb. Don't forget to be out at the ball park at 8 p. m. to see the kick-off and just see what the 1948 Bronchos look like - - and I don't think you will be disappointed.

Mr. and Mrs. A. L. Chase are at home from the Northwest Texas Hospital where they spent from Thursday to Monday for medical treatment and check-up.

Mr. and Mrs. Dick Vallance and children and Reta Foster visited Sunday at Hollis, Okla.

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt

Most of the school age group have completed their three months membership to the Library and are "Checking Out" until next summer except for these materials.

One of my younger reading friends gave "Alice in Wonderland" and "Thru The Looking Glass" by Lewis Carroll to the Library. The bindings of these two copies are beautiful. He also gave a copy of "Mother West Winds' Animal Friends" by Burgess.

Other generous friends contributed "The Queen's Physician" by Edgar Maas, and "Come A Cavalier" by Frances Parkinson Keys. These are both best sellers

and excellent reading material. Again when the Library's friend read her book of the month—"The Golden Hawk" by Frank Yerby, she placed it on our reading shelves. This author wrote "The Foxes of Harrow" that has been read quite extensively. "The Golden Hawk" gives us a flaming tale of buccaneers, pirates, Spaniards grandies, and beautiful women. It is full of adventures, love, intrigue, and revenge. It is written with vigor and color.

A recent purchase is "No Highway" by Nevil Shute. This writer's name is familiar to the reading public. His latest book previous to this was "Chequer Board". In "No Highway" Nevil Shute has interpreted the heroes of aviation with great clarity, and suspense. His narrative is deeply sympathetic and as compassionate as it is revealing.

A friend in Washington, D. C. has the monthly list of selected books for the Public Library of the District of Columbia mailed to me each month. These divisions are usually subject sections under art, Biography, Business, Medicine, Literature, Religion, etc. It is quite interesting to secure this information and learn what marvelous opportunities our national capital's libraries offer.

The Garden Club was very cooperative and thoughtful with a cash donation last week. This will be used for some Garden Club material and children's books. Mrs. Eva Hunt gave a check that I'll use as the Hunt memorial fund and secure a list of books for girls to dedicate to his memory as both Mr. Hunt and Mrs. Hunt have been friends of the Library since living here. Gifts of this type can be of great influence and pleasure to our readers.

Girl Scouts Go To Carlsbad

By a Scout Leader

Early in the morning of August 17, nearly every member of the Girl Scouts troops 3 and 4 awoke with excitement and happiness pulsating through their veins. Their dream of the summer was about to be realized. Everything was in readiness for their wonderful trip. Mr. Edd Speed had fixed his pick-up with seats and a cover over it. The Girl Scouts had decorated it with their emblems and the name of their beloved home town, "Carlsbad or Bust" in large letters. Eight girls and a sponsor and a driver rode here. Then, Judge R. Y. King, Mrs. Richard Vallance, and her father, Mr. Dennis of Memphis, Mr. and Mrs. George Schollenberger, Mrs. Bobbit and Mrs. Allred, and Mr. and Mrs. J. C. Gibbs took the rest of the girls in their cars.

At 6:15 A. M., 22 happy Girl Scouts and 13 others started on their trip. We went south by Lubbock and at noon we went to the park in Brownfield, Texas and had a delicious picnic lunch. While there we saw a building under construction which bore the sign, "Future Home of Girl Scouts"—made us wonder!

About 5 o'clock in the afternoon, we reached the camp where reservations for us had been made. We found it to be a wonderful place with lots of shade trees, nice cabins and best of all a free swimming pool. Everyone quickly made ready for a swim. Then, out for supper and a hurried ride to the cavern to see the bats come out. Then back to camp and finally all became quiet for a

good nights sleep before our trip through the cavern.

The next morning we arose early and had our breakfast and went back for the trip through the cavern. When the officials saw us in our uniforms, they contacted our sponsors and made arrangements for us to go through with the least of trouble and expense. As for the trip through the cavern those who have been through realize it is impossible to describe and to those who have not been through, "Well, you will just have to go and see". Anyway, it made us realize that every hot dog and every box of popcorn that we had sold and all the work we had done had been worth while

We came out of the Cavern and went in to the town of Carlsbad for souvenirs and back to camp for supper and another swim. Everyone hated to go to bed because it meant tomorrow we must start back home. But, finally, after serenading the entire village with "The Eyes of Texas" and

other popular songs, all became quiet more.

The next morning after a hearty breakfast, we started home by the way of Clovis. We stopped at Roswell and shopped awhile and then on to Clovis for lunch and on home. We had, had a wonderful time, advertised our town and our organization and felt we had really learned something and are hoping to go some where next summer.

The Girl Scouts making the trip were: Ruth Anne and Rebecca King, Della Allen, Vanetta McClellan, Martha Nichols, Judy Bolton, Kay Schollenberger, and Genevieve Smith.

Annette Thomas, Biffie Blair, Betty Anne Speed, Bettye Joyce Sullivan, Jeanie Pittman, Shirley Moree, Mary Semrad, Cherrie Vallance, Norma Ann Bobbit, June Star Allied, Doris Crawford, Willetta Riney, Gayle Bryan, and Patsy Emmons.

This is Our Policy... on DELIVERIES, TRADE-INS FINANCING, ACCESSORIES

When an automobile manufacturer produces a car so obviously ahead of the times as the Futuramic Oldsmobile, it's only natural that demand for that product should reach record-breaking proportions. Add to this today's pent-up need for automotive transportation—plus continuing shortages of steel and other critical materials—and you'll see why we, as Oldsmobile dealers, have a real problem on our hands. We value the good will of all our customers. We would like to provide

all our customers with new Oldsmobile cars. But unfortunately, this can't be done overnight. That is why we are taking this opportunity to reaffirm publicly our POLICIES ON NEW CAR DELIVERIES, as listed in the box at right. We believe that under present circumstances these policies constitute a sound basis for "fair play" to everybody. And we hope that, on this basis, we may continue to serve you and merit your patronage for Oldsmobile and for ourselves.

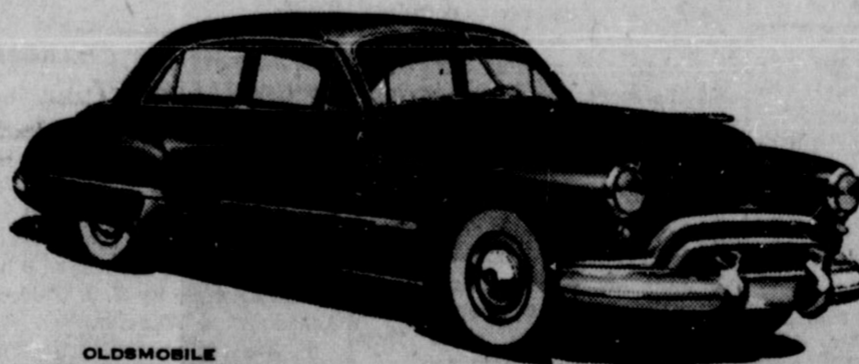

OUR PLEDGE TO THE PUBLIC

DELIVERIES—We will deliver all new Oldsmobiles at the earliest possible date consistent with production.

TRADE-INS—We will take your order and deliver your car without requiring a trade-in. However, we have many valued used car customers we would like to supply, and we will give you a fair and reasonable allowance on your present car.

FINANCING—You may pay cash for your new Oldsmobile or finance it wherever you wish. We will be glad to furnish low cost finance and insurance terms if you so desire.

ACCESSORIES—All cars are delivered with accessories as ordered, and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders.

Veterans' News

Direct benefits to veterans of all wars in the Southwestern Area of Texas, Louisiana and Mississippi during the fiscal year ending June 30, 1948, amounted to \$498,509,000, the Veterans Administration reports.

VA's Dallas Branch Office, which supervises the tri-state area veterans' program, said it issued 6,582,371 checks during the fiscal year for benefits ranging from education to disabilities.

Largest amount reported was \$225,903,000 in subsistence to

World War II veterans going to school or taking on-the-job training. Schools and educational institutions training the veterans received \$85,854,000 for tuition and other fees.

Next largest amount disbursed by VA to Southwestern veterans was \$111,459,000 for disability compensation or pensions. These payments were to veterans of all wars.

Death pension checks mailed to beneficiaries or dependents of deceased veterans amounted to \$28,994,000 while another \$20,370,000 was received during the year by GI insurance beneficiaries of veterans in the tri-state area.

An estimated 1,400,000 veterans of all wars are residents of Texas, Louisiana and Mississippi.

More than 1,400,000 World War II veterans in the United States obtained GI loans for homes, farms and businesses by August 1, the Veterans Administration says. Ninety percent, or 1,266,000, bought or built homes; 47,000 purchased farms and farm equipment, and 97,000 went into business.

LABOR DAY—IN A FREE COUNTRY

HERE IN AMERICA WE CELEBRATE THE RIGHT OF THE INDIVIDUAL TO DETERMINE WHAT WORK HE WILL DO— HIS OPPORTUNITY FOR ADVANCEMENT IN PROPORTION TO THE EFFORT HE PUTS FORTH—HIS RIGHT TO ENJOY THE FRUITS OF HIS LABOR AND USE THEM AS HE SEES FIT.

ALONG WITH THESE RIGHTS, WE RECOGNIZE THE RESPONSIBILITY OF THE INDIVIDUAL TO PROVIDE NOT ONLY FOR HIS FAMILY'S CURRENT LIVING NEEDS, BUT ALSO FOR THEIR FUTURE SECURITY THROUGH HIS OWN INITIATIVE. THE EXERCISE OF THESE RIGHTS AND RESPONSIBILITIES BUILDS THE SELF-RELIANCE AND DIGNITY OF THE INDIVIDUAL— THE STRENGTH OF OUR DEMOCRACY.

JIMMY DURANTE TO APPEAR AT STATE FAIR

DALLAS—The inimitable Jimmy Durante, longtime favorite of radio, screen, and the stage, will headline the 1948 Auditorium Show for the sixty-third annual State Fair of Texas, Oct. 9-24.

The comedian will share honors in an elaborate revue-type stage show with Harry James and his Music Makers and a host of Broadway and Hollywood entertainers.

For Maestro James it will mark a return to the home state where he began playing in orchestras in Beaumont when only fifteen years old. Early in his career before he became the nation's No. 1

horn-tooter, James won a statewide contest and soon was playing band engagements in Dallas and Galveston.

He was with Ben Pollack's Band, then joined Benny Goodman's Orchestra with whom he played for three years. In 1939 the trumpeter organized his own band. His recording of "You Made Me Love You" catapulted him to fame via the jukebox route.

Other entertainment attractions booked for the annual sixteen-day exposition in Dallas include the "Flying L" Rodeo with Jimmy Wakely, the cowboy star of many a horse opera, and the all-new third edition of "Ice Cycles

of 1948."

Total premium for the 1948 Livestock and Junior Livestock shows at the 1948 State Fair of Texas, Dallas, Oct. 9-24, will be \$62,291.

be compensated during orientation training.

Applicants other than veterans must be between 18 and 40 and in good health, particularly with regard to hearing, vision and speech.

Applicants should send, Federal Application Form 57, obtainable at post offices and state employment offices, to the C.A.A. Aeronautical Center, P. O. Box 1082, Oklahoma City 1, Okla.

Several weeks of orientation training will be given to the appointees at the C.A.A. Aeronautical Center in Oklahoma City before they travel to point of assignment in Alaska. Salary is paid while training. They will be expected to remain in government service in Alaska for at least 12 months following their appointment.

STATE FAIR TO FEATURE AUTOMOBILE SHOW

The largest automobile show ever held in the South will be a feature of the 1946 State Fair of Texas, Dallas, Oct. 9-24, J. Bruton Orand, chairman of the Automobile committee of the Fair, has announced.

Latest model passenger cars, trucks, and other equipment will be shown and demonstrated.

Special factory demonstration equipment—cut-away models of vehicles, engines, and other functional units—will be shown, along with allied equipment and supplies, tires and accessories.

The State Fair's exhibit of

Famous Painting for State Fair Exhibit

THE TORNADO—John Steuart Curry's famous oil, has been acquired for the Dallas Museum of Fine Arts' exhibit of "Famous Paintings by Famous Americans" at the 1946 State Fair of Texas, Oct. 9-24. The exhibit will include Grant Wood's "American Gothic." A collection of paintings by contemporary Mexican artists, including Diego Rivera, David Siqueiros, Rufino Tamayo, and Joe Clemente Orozco, also will be exhibited.

American and European cars will occupy over half of the 84,000 square feet of floor space in the new \$800,000 Automobile, Aviation and Recreation Building, which has just been completed,

replacing the structure destroyed by fire several years ago.

Many a man thinks he has an open mind when it is merely only vacant.

Health Notes

AUSTIN—Dr. Geo. W. Cox, State Health Officer, urges the parents of all children who will respond to the school bell for the first time in September to be sure the child is physically ready for school duties.

"First and foremost is the need for vaccination against smallpox. Parents and physicians should see that children are vaccinated before they are one year of age; however if not done previously, at school age vaccination becomes absolutely necessary," Dr. Cox said. "If your child has not been vaccinated, have it done immediately so that the scar will be completely healed before school opens."

Immunization against diphtheria is also highly desirable, Dr. Cox believes. This disease, which causes serious illness and deaths among young children can be prevented with toxoid. The child who has never been protected should be given this safeguard against a dreaded disease. Even though he may have been immunized as a baby, doctors and health officers usually recommend an additional dose of toxoid to strengthen immunity before entrance into school.

"In addition, before you send your child to school you are urged to take him to your family

physician and dentist for a thorough examination," Dr. Cox adds. "You will want to know that he is in good physical condition and can compete with the other children on equal terms. If the check-up reveals any weakness or defect there will be time to build up his general health and correct dental defects before school opens. Don't let your child start his school life with any avoidable handicap."

Palomino Show Set For State Fair

With a \$2,000 premium list, the 1946 Palomino Horse Show of the State Fair of Texas will open simultaneously with the sixty-third annual exposition Oct. 9 and will run through Oct. 15.

Hughie Long of Cresson, Texas, and Cecil W. Crow of Dallas will

serve as judges, Scott Moore, superintendent of the horse show, announced. Halter classes will be judged Oct. 10 and performance classes will be held Oct. 11.

Deadline for entries in the show is Sept. 27. All horses must be registered or subject to registration with the Palomino Horse Breeders of America. The State Fair of Texas' Palomino Horse Show is sponsored by the Texas Palomino Exhibitors Association, Inc., under the direct supervision of the Fair's Livestock Department.

The greatest automobile show ever staged in the South will be the feature of the new \$800,000 Automobile, Aviation and Recreation Building at the 1946 State Fair of Texas, Dallas, Oct. 9-24.

Bring on the
MATERIAL
We're ready for it!

"Bring on the material, we're ready for it," says Reddy Kilowatt and his fellow workers. "We are pushing the work on our Company's \$18,000,000 construction program to supply more and better electric service to more and more West Texas homes, farms, and industries."

Yes, Reddy, thanks to the West Texas Utilities Company's policy of anticipating future needs, most of the material you need to keep the construction program rolling is on hand or scheduled for delivery as needed. In fact, much of the material to be used in this construction program was ordered nearly two years ago! However, due to the continuing critical shortages of heavy electrical equipment and wire, deliveries are just now being made on materials ordered as early as September, 1946.

Eighteen million dollars! Each of those dollars, Reddy, is a vote of confidence in the growth and development of West Texas.

MISS HELEN PORTER BECOMES BRIDE OF WILLIAM J. LOWE

An arch of huckleberry, flanked by baskets of white gladioli and tiered candelabra, formed the decorative setting for the marriage of Helen Porter, daughter of Mr. and Mrs. John Ralph Porter, to William James Lowe, son of Mr. and Mrs. Sam Lowe, on Thursday evening in the First Methodist Church.

Dr. Stanley W. Hayne, pastor, read the formal single-ring service. Mrs. Rayburn Smith, organist, played "Liebestraum" as a nuptial prelude and the traditional wedding marches. Introducing the ceremony, Mrs. Howard Martin, violinist, played "Traumeri," "I Love You Truly" and "O Promise Me."

Mrs. Raymond G. Johnson, matron-of-honor, was attired in a lilac taffeta gown, styled with a full skirt, fitted bodice and wide bertha. She carried an arm bouquet of yellow gladioli.

The bridesmaids, Miss Carolyn Blair of Houston, Miss Joyce Pape of Gonzales, Miss Louise Westmoreland of Amarillo, Mrs. Charles Seeds of Amarillo, Mrs. Charles Stuckman of Lafayette, Ind., sister of the bride, and Mrs. Burrell Rhea of Austin, sister of the bride, wore dresses in pale yellow and lime green, fashioned identical to that of the matron of honor. They carried colonial bouquets of lilac, yellow and lime green.

S. W. Lowe was his son's best man. William M. Porter, brother of the bride, and Don Landers, Burrell Rhea of Austin, Lowell Stuckman of Lafayette, Ind., and Bill Andis of Amarillo.

Entering on the arm of her father, who gave her in marriage, the bride was attractive in a white satin gown, designed with a sweetheart neckline, fitted bodice and full skirt terminating in a graceful train. Her veil was of heirloom Belgian lace and fell from a tiara of seed pearls, loaned to the bride by Emily Gentry Ryan. She carried a bridal bouquet of white roses.

Mrs. Porter, mother of the bride, was gowned in light gray taffeta with a corsage of pink roses. Mrs. Lowe, mother of the bridegroom, wore an elephant gray crepe dress with a red rose corsage.

The home of the bridegroom's parents was the scene for a reception following the ceremony. Draped with a lime green or-

gandy cloth, the center table was centered with a tiered wedding cake encircled with fern and flowers in pastel shades. On either side were tables draped with yellow organdy cloths which held punch bowls. The serving was in the garden. Mrs. W. B. McSpadden, aunt of the bride, cut the wedding cake and was assisted by Mrs. Benton Moreman of Groom, and Mrs. Roy Broadway of Wichita Falls. Those pouring punch were Mesdames B. G. Watson of Chillicothe, O. W. Elliott, J. L. McMurry, and C. C. Powell, aunt of the bride.

The receiving line was in the house. The guests registered and then viewed the bride's gifts. The party was composed of Miss Lallande Witherspoon of Plainview, Mesdames Max Rhea of Lubbock, Pat Bagwell of Claude, Claude Hearn and Harice Green.

For the wedding trip to New Mexico and Colorado, the bride traveled in a navy gabardine suit accented with navy and white accessories. Her corsage was of white roses. The couple is to be at home Sept. 15th in Austin.

Mrs. Lowe was graduated from Clarendon High School and Clarendon Junior College. She received her bachelor of Journalism degree from the University of Texas, where she was a member of Alpha Gamma Delta Sorority, Cap and Gown, Panhandle Club, Co-ed Assembly and Wesley Foundation. For the past year, she has been society editor on the Gonzales Daily Inquirer.

Mr. Lowe was graduated from Clarendon High School and the Clarendon Junior College. He received his B.B.A. degree from the University of Texas and is now a senior in the Law School of the University of Texas. He is a member of Mica, Hogg Debating Society and the Panhandle Club.

Out-of-town guests attending the wedding were Mr. and Mrs. W. B. McSpadden of Greenville, Tenn., Mr. and Mrs. J. V. Glenn, Vera Belle and Jeff of Portales, N. M., Mr. and Mrs. W. P. Powell of Amarillo, Mrs. Grace Post of Amarillo, Mr. and Mrs. Robert Linder of Amarillo; Mr. and Mrs. Craig Porter of Colorado City; Mr. and Mrs. Ralph Andis and Bill of Amarillo; Mr. and Mrs. V. A. Swank and Bobby of Amarillo; C. A. Rife of Wichita Falls; Mr. and Mrs. Clinton Henry, Mr. and Mrs. H. M. Lane, Miss Lelia Clifford, Mr. and Mrs. Drew Wilkerson and Claire, all of Pampa; Mr. Joe Cluck of Middlewater; Mr. and Mrs. Benton Moreman of Groom; Mr. and Mrs. Roy Broadway and Jerry of Wichita Falls; Miss Mary Evelyn Williams of

Wichita Falls; Miss Elon Aiken of Dallas; Mrs. B. G. Watson of Chillicothe; Mr. and Mrs. Howard Martin of Dallas; Mr. and Mrs. Zed Doshier of Amarillo; Mr. and Mrs. Forrest Doshier of Claude; Mrs. A. W. Howard and Gloria of Memphis; Mr. and Mrs. Sam Cauthen of A&M, College Station; Mrs. G. G. CLARENDON LADIES ATTEND BOOK REVIEW AND COFFEE IN AMARILLO

Mrs. Ralph Randall and Mrs. R. Fred Surratt of Panhandle and Mrs. Fred H. Hagaman of Conway were hostesses Friday morning August 20th at a book review in the Blue Room of the Amarillo Hotel.

Mrs. J. Frank Ford of Lubbock introduced Mrs. Roscoe Bates of Dallas, a noted Texas reviewer, who in her usual charming manner, reviewed "House Divided" by Ben Ames Williams, a historical novel of the Civil War period dealing with the family background and life of one of America's most famous presidents, Abraham Lincoln.

Following the review refreshments were served from a beautifully decorated table to guests from various West Texas towns.

Those attending from Clarendon were Mesdames Carl Bennett, Frank Phelan Sr., Rolfe Brumley, Bill Thornberry, Frank White, Jim McMurry, Charlie McMurry, William Lewis, Robert Boston, Claude Moore and Miss Lucile Polk.

TERRY'S ENTERTAIN WITH PICNIC

Mr. and Mrs. Joe Terry entertained the Clarendon H. D. Club members and their families at their home Friday evening with a lawn picnic supper at 7 o'clock. The table was laden with fried chicken and all the good things that go with it, including coffee made ranch style by Mr. Terry, was served picnic style to Messrs. and Mesdames G. A. Anderson, Clyde Butler, Red Bryson, J. C. Estlack, Claude Darden, H. B. Hill, D. F. Wadsworth, Henry Williams, O. C. Watson, M. C. Rampy and Mesdames Lena Antrobus, Bertha Benson, Laura Taylor, Clyde Butler and guests, Miss Elon Aikins of Dallas, Mrs. Hearne and Barcus Antrobus and daughter and the hosts, Mr. and Mrs. Terry.

After the supper a social hour was enjoyed visiting and pleasant conversation.

ANNOUNCEMENT

Mr. and Mrs. A. H. Moore announce the engagement and approaching marriage of their daughter, Jacqueline, to Doyle Walls of Floydada, Texas.

The ceremony is scheduled for Oct. 10 at the First Baptist Church in Clarendon.

LUNCHEON GIVEN FOR BRIDE-ELECT

A luncheon was given Miss Helen Porter, bride-elect of Bill Lowe, Tuesday, August 24, by Mrs. E. P. Shelton and Mrs. Inez Croto of Magnolia, Ark., in the Shelton home.

Mrs. L. R. Stuckman of Lafayette, Ind. served congealed cheese salad to the guests and Mrs. W. B. McSpadden of Greenville, Tenn. poured coffee from a silver service. Hot rolls and pickles were also served. The centerpiece was of lilac colored dahlias in a crystal bowl.

In the receiving line were Miss Porter, Mrs. J. R. Porter, Mrs. S. W. Lowe and the hostess. Miss Porter wore a navy blue linen suit with white accessories. Her corsage was of yellow gladioli.

Mr. and Mrs. A. W. Simpson left Tuesday morning to visit their son Mr. and Mrs. G. H. Simpson and family at Joliet, Ill. They plan to visit places of interest around Chicago and return via Kentucky, Tennessee and Miss. where Mr. Simpson was raised. They plan to return about the middle of September.

GOLDSTON QUILTING CLUB

The Quilting Club met with Mrs. Mode Hatley August 25th. Members present were Etta Reynolds, Gertrude Brock, Burlie Goldston, Blanche Gray, Flossie Reynolds, Sarah Peggram, Nora Smith. Visitors were Mrs. Bones of Clarendon and Mable Dean Brock and the hostess Sallie Hatley. Two quilts were finished. Mrs. Peggram will be the hostess Sept. 8th.

RUSH WEEK ACTIVITIES OF KAPPA SUB-DEB CLUB

The annual Rush Week activities of the Kappa Sub-Deb Club began Sunday morning, August 22, with the members and rushees attending preaching services at the Presbyterian Church.

Monday evening, the members and their dates and the rushees and their dates attended a watermelon feast held in the home of Mr. and Mrs. Horace Green of Ashtola. A few outside games and the watermelons were enjoyed by all.

Very early Tuesday morning, rushees and members were awakened from their slumbering to attend a "come-as-you-are" breakfast. Orange juice, bacon, eggs,

toast, jelly, cinnamon rolls, coffee and hot chocolate were served to the girls in the home of Mae Morris.

Tuesday evening, the rushees were the guests of the Sub-Debs at a basket-burger supper, and a movie afterwards.

In honor of the rushees and their mothers, a tea was given in the home of Anne Thompson on Wednesday afternoon. Several piano selections were played by Juanita Carpenter. An original poem was read by Patsy Blair. The president, Mae Morris, read the history of the club. Lunch and cake were served to the guests from a beautifully decorated table carrying out the Kappa colors.

Thursday night, the home of Louva Hunt was the scene of much festivity. Here, the members and rushees gathered for a slumber party. Doughnuts, served by the hostess, along with the usual mid-night snack, added to the enjoyment of the slumberless night.

A dance, given in the home of Mae Morris on Friday evening, concluded the rush week activities. For those who enjoyed dancing, there was dancing in the living-room and on the porch. For those who preferred other activities, tables were set up in the front yard for various games. Later, in the evening, punch and cookies were served from a table with a centerpiece of red carnations forming the letter "K" with white streamers with the words

"Sub Deb" in red letters.

Saturday afternoon, a called business meeting was held in the home of Jane Johnson. Refreshments of dainty sandwiches, cake, and iced-tea were served from a lovely, decorated table carrying out the Kappa theme. Later, the rushees were presented with their pledge ribbons.

Rushees attending the week's activities were: Fanchon Allred, Mildred Allen, Nell Bentley, Shirley Brumley, Nancy Bennett, Mafy Edna Elmore, Alice McCrahy, Jo Ann Ritter, Jo Anne Sibbey, and Jeanette Stogner.

CARD OF THANKS

Words can never begin to express our gratitude for the many kindnesses and sympathy extended by our friends and neighbors during our bereavement and the loss of our beloved daughter and sister. We would also like to thank the city for spraying the fresh graded street before funeral time. May God's richest blessings be with you always.

AIR PARCEL POST SERVICE TO BE INAUGURATED SEPTEMBER FIRST

With the inauguration of nation-wide air parcel post September 1, the United States can boast of the most modern and expeditious delivery service in the world, according to Postmaster J. C. Estlack.

The new highly specialized airborne service, enacted into law by the 80th Congress, will afford patrons of more than 42,000 post offices in America and its possessions unexcelled shipping facilities. Transit time will be reduced to a fraction of that required by other modes of transportation.

Postmaster J. C. Estlack pointed out that air parcel post packages will receive the same particular consideration shown air mail in routing. In addition, identical doorstep delivery will be given to air parcel post as is afforded other forms of mail, making the airborne mail service unique in every respect.

He added that distinct air parcel post stickers, printed in red, white and blue and bearing the likeness of a winged package with the earth's globe underneath, will soon be available without cost at the Clarendon Post Office to apply to outgoing packages.

"With a scheduled plane taking off or landing within the United States on an average of every seven seconds around the clock, and an overseas-bound plane leaving our borders every 30 minutes, we stand ready to give our patrons the fastest parcel post service offered anywhere," Postmaster J. C. Estlack said.

While international air parcel post service has been available from the United States and its possessions for several months, domestic airborne service is being launched for the first time in history.

JACK JOHNSON SPENDING AUGUST WITH PARENTS

Jack Johnson is spending the month of August with his parents, Mr. and Mrs. J. M. Johnson and Jane. Jack, who is a naval R.O.T.C. midshipman, has returned from a two months Atlantic cruise aboard the heavy cruiser the U.S.S. Columbus. Seven hundred twenty-five R.O.T.C.'s left the Columbus on July 31, at Norfolk, Virginia to depart for their respective homes to spend a six weeks vacation, before the opening of their colleges in September. Universities represented by the group were Columbia, Harvard, Holy Cross, Mississippi, Oklahoma, Penn State, South Carolina, Texas, Tulane, Missouri, and Vanderbilt.

Under the sponsorship of Dean Notwotny of Texas University, who sailed on the cruiser as an observer, the midshipmen from the Texas unit were organized into a club. This unit is composed of boys from a number of states who are attending Texas University. Jack was honored by his election as president of the Texas Club and another West Texas boy, Jimmie House of Brownfield, was vice-president. Highlight of the Club's activity for the summer was a dinner at Hotel Avenida Palace in Lisbon, Portugal.

Mrs. Faye Scoggins and Mrs. Mattie Tyree left Thursday for Glendale, Arizona where Mrs. Scoggins will teach the coming year.

Store Feed Now For Lean Years Advises County Agent

The feed crop in Donley County this year will be one of the largest in the past ten years. Now is the time to start thinking about storing some feed for the lean years that are sure to follow this good year.

County agent H. M. Breedlove thinks that this year would be one of the best years that we have had in a long time for farmers to store some feed in a trench silo and seal it up and leave it there until we have one of those years when the feed crop is short.

Feed can be run through a silage cutter and put in a trench silo and left in the ground for a long period of time. One of the longest periods that silage has been left in a silo before opening is twelve years and the feed was just as good as the year the silo was filled.

A trench silo is economical to dig and the feed is easy to get out of the silo, and Breedlove is urging all farmers to give this method of preserving feed a serious thought. All farmers and ranchers who want to put in a trench silo as insurance for plenty of feed against years of short feed crops are urged to call by the county agent's office and talk it over with Breedlove.

Donley County Farm News

We have here a bulletin from College Station and it states that the present price of grain sorghums is from seventy to fifty cents cheaper on the market than the government loan rate on grain this time. There have been a good many producers in the office the last few days asking about storage on the farm and the requirements on the granaries. There are six requirements for granaries that are to be used for storing grains that are to be put in the loan, they are: 1. the granary must hold the wheat or grain without loss of quantity; 2. protect the grain against weather conditions which may cause deterioration in quality; 3. afford reasonable protection against thieves, rodents, birds, poultry and insects; 4. permit effective fumigation for destruction of insects; 5. provide reasonable safety from fire and wind; 6. require forcible breaking in order to be entered after sealing. We hope this will answer some of your questions concerning storage of your grain this year as it is estimated that one out of every five bushels of grain produced will not have proper storage available.

Park Chamberlain has used six tons of 20% superphosphate to his pasture grass and says he is going to use that much more. It would be a good idea to keep an eye on this grass; it should be one of the best. I had the opportunity to attend the field trip sponsored by the Soil Conservation Service Tuesday of last week and we visited several farms where we could see the results of the money that we have been spending for you producers. Another interesting sight was a demonstration of dusting crops with an airplane. Rainbow Dusting Company of Las Animas, Colorado did the dusting, with a local man Mr. Matt Taylor, who has been working with them this summer, doing the flying. Mr. Taylor was flying a Stearman plane with a 300 horse power engine. The chemical mixture was 5% pyrethrin, dusted from an altitude of five to six feet. The purpose of this was to kill worms and bugs on feed. Claud Moore was the man whose feed was dusted and Mr. Moore is well pleased with the results obtained. The crowd watching were all impressed with the speed that insects can be eliminated in case they were to strike this county suddenly.

With AAA assistance Guy Sibley plans to plow forty acres of his land about sixteen inches deep and then seed twenty acres of it in rye, and the other twenty acres in wheat. That is a plot of land that I want to see next spring. This practice, or maybe it is a combination of practices, should prevent any kind of erosion that might occur in this county.

One more thing is an article I noticed last week which stated that years ago the soil on American farms was nine inches deep on the average, and now the average is only six inches deep. We know what caused that and we know what to do about it, but what are we going to do? There are six inches between us and poverty.

Mr. and Mrs. W. H. Gibbons Jr. and children of Houston and Mrs. John S. Young and children of Dallas returned to their homes last weekend after spending the past six weeks here.

SPRINKLES RETURN FROM VACATION

Mr. and Mrs. A. F. Sprinkles returned Monday from a two weeks vacation and fishing trip in New Mexico. They went by way of Cimmaron, Eagle Nest, Taos, Santa Fe and then up the Pecos river. They met their old friend "Daddy" Mallette who has a cabin in the Rio La Junta canyon at Tres Ritos. Mr. Sprinkles caught his limit of mountain trout every day and Daddy Mallette, though

88 years old, still likes to fish. They all enjoyed their visit and fish fry together.

Also making the trip was their collie dog, Laddie, who stayed right along with Mrs. Sprinkles except when there was a squirrel to chase. They plan to go back next year where "Jack Frost" spends the summer.

Mr. and Mrs. M. E. Counterman and daughter of Happy visited her sister and family, Mr. and Mrs. William Payne Sunday.

Draft Board Lists Deferment Clauses

If a man has a wife, or wife and children, he will be deferred from peacetime draft if he maintains a bona fide relationship with them in his home, the president has ordered.

The President also has ruled that a man who has persons dependent upon him for support is exempt from training and service. Dependents are defined as a wife, child, parent, grandparent, brother or sister, a person 18 years of age (or older if the person is physically or mentally handicapped); in short, anyone who depends on the draft-age man for a living or financial help.

If the facts are presented to his local board, a high school student who has been ordered to report for induction will be deferred until his graduation, or until he is 20 years old, or until he ceases to pass his courses satisfactorily, whichever is the earlier.

Induction of a college student can be postponed if at the time he is ordered to report for induction he is satisfactorily pursuing a full-time course of instruction. His induction can be postponed until the end of his school year if he continues to pass his courses.

A sole surviving son of a family can not be inducted, if one or more sons of a family were killed in action or died in line of duty while serving in the armed forces of the United States, or subsequently died as a result of injuries received or disease incurred during such service.

Rev. and Mrs. Paul D. Hanna and two sons Paul Jr. and Jamie from South Falfurrias are visiting Mr. and Mrs. J. H. Howze this week.

If we could look for the good in the hearts of men. And judge not, nor condemn them because of their sin. But could love them because God in his all wise plan, Hath made them, and likewise us, From the self-same clay.

Everyone that tried the Lazy Daisy cake recipe last week, please drop us a card telling us how it turned out, especially if it turned out good.

Please excuse the short column this week, as early in the morning I am leaving on a short trip; hunting for a cool place in Colorado. I don't want to go away again, as I always get into trouble with my trips. Can't keep from bragging on the places I visit and that gets me into trouble with the folks at home. Anyway, this time I don't intend to like any place as well as the Panhandle. I'm tired of being in the dog-house with my friends.

Did I think this one up, or is it an old one? Anyway, "It takes a strong argument to put over a weak point."

Did you listen to Uncle Jay last Saturday morning? I was never so bored in my life. Spending fifteen minutes talking about his favorite candidate when he could have been trying to sell my Caterpillar. I'm disappointed with the whole world. Anyway, he is in the dog-house with the girls at the court house for telling off on them for not being on the job. Anyway, if I need any help to "tie him up", if he ever comes back down here, I won't have any trouble getting the help.

I am writing this ahead of time and all the election returns are not in but, at the 1st count, Mr. Gerner's guess looked pretty good.

Finally got around to a little visit with Perry Wolf. I was ashamed that I waited so long. Few people around town have been any nicer to visit the sick, than has Perry. Many are the shaves and hair-cuts that he has given to people that were sick, and what is any nicer when you are in the sick-bed. Anyway, thanks Perry for the nice little visit we had, and thanks and thanks from all of us for the many little kindnesses that you have done for all of us.

Missed the Donley County Farm News column in the paper last week; it was good. Wish I could remember the little poem Mrs. Bud Bagwell was quoting the other night. Maybe she will send it in to the column. It fit my feelings to a T. Anyway, I'm already homesick for the Panhandle.

Sixty-Four Have Registered For Draft
