Bronchos To Play Chillicothe Eagles There—Friday Nite

The Bronchos will journey to Chillicothe Friday night for their third game of the season which will also be their third non conference game.

In tangling with the Eagles, the Bronchos will start the game with one loss and one win behind them and a strong determination to make it another win. The Eagles are a strong outfit and the Bronchos will probably have their hands full during the entire 60 minutes.

Coaches Clinton and Jones have been putting the boys through this week in preparation for the game and report that all the boys are in good shape for this tussle. Gene White, 230 lb. center, will be back in the line-up but Risenhoover will still be out due to his injured arm.

A sizeable crowd is expected to go along for the game to give the Bronchos all the moral support possible and an attempt was made to charter a special bus to carry fans to the game, but there were no buses available on such short notice.

Tri-State Fair Group To Visit Clarendon September 25th

A "prevue" of the Tri-State Fair will be given Clarendon residents when a touring group of Amarillo businessmen visit here September 25th at 3:20 p. m.

The Fair's Reception and Goodwill Committee is making an area-wide swing through the Panhandle-Plains to personally invite Amarillo's neighbors to the annual exposition. Fair dates are October 4 to 9, inclusive.

The trip will be made in a specially-chartered bus, carrying 25 of the Fair boosters. Jay Taylor, Fair President, will head the delegation.

Sam Elkins, for years a wholesale druggist in Amarillo, is Chairman of the Reception and Goodwill Committee.

While in Clarendon, a public demonstration will be held at some down-town point. A crew of six speakers will tell of the attractions of this year's Fair.

"It's the biggest and best ever," President Taylor, an Amarillo cattleman, proclaims. To back up his statement, here are some of the special attractions:

The famous ABC network radio program, "Ladies Be Seated", which will feature both afternoon and evening sessions during the Fair.

The All Girl Rodeo, first launched by the Fair last year and expanded for the 1948 program.

A group of Junior Chamber of Commerce boys will be on hand to boost ticket sales for "Ladies Be Seated" and "The All Girl Rodeo."

Professional clowns and fun-makers who will roam the Fair Grounds for the entire week.

A high-diving mule, who has more horsensense than the law allows.

The big midway attraction, the Bill Hames Carnival.

Crowning of the "1948 FFA Wheat King" and the "1948 4-H Wheat King" pushing the Fair's wheat department into big-time competition.

In addition to the special attractions, the regular departments also promise larger and expanded programs this year.

"We're going to better the old pre-war Fair", Mr. Taylor asserted. "There'll really be plenty to see, plenty to do!"

BAND PARENTS MEETING

There will be a Band Parents meeting Monday evening, Sept. 20th at 8 p. m. in the band room. All parents of children in either the band or orchestra are urged to be present.

Trout Car Found; Boys Ranch Trio Captured

A Buick sedan, stolen Monday night and owned by George Trout, was found in Pampa Tuesday morning in the possession of three youngsters, ages 12 and 13, who had run away from Boys Ranch. One of the boys is believed to be the one who stole an airplane in Oklahoma some time ago and flew it across the state.

The three young bandits stole a 1936 model Chevrolet in Amarillo last Sunday night and drove it to Lelia Lake. There they left their car, entered the home of Quinn Aten, and took food and a few pieces of silverware. They later dumped the loot in a creek near the Aten home. Returning to Clarendon they took Trout's car, which was parked directly in front of his house, on Monday night, and presumably headed for Pampa.

In Pampa, the boys burglarized the Deluxe Service Station, and carried away with them some three or four hundred dollars worth of cash and goods. They were arrested shortly after. Two were found atop a Pampa building; the third was picked up soon after.

The Trout car, sheriff Guy Wright stated, was apparently undamaged. However, it will be held in Pampa pending further examination.

Cal Farley was called to Pampa today to return the youngsters to the Ranch. As to what shall be done with the boys has yet been undecided.

FOOTBALL SQUAD TREATED TO STEAK DINNER & SHOW

The Clarendon Bronchos were honored Tuesday night to a free show presented by Lee Bell and Mrs. H. Mulkey, followed by a steak dinner given by Jimmie Coin, owner and manager of Jimmie's Cafe. To top it all off, G. W. Bradshaw was present with a generous supply of Borden's ice cream.

Approximately thirty-five boys and the two coaches, Beryl Clinton and Max Jones, attended the show and supper.

If the size of a steak, such as the boys ate, casts any reflection on their ability as football players, the squad should go a long way this season. They were certainly big ones.

Mr. Cleveland Hayter from Calif. is here visiting his brother, Mr. W. T. Hayter.

PLOWIN' Out the CORNERS

It seems, that every time I get a thought that I think is good, either Lewis Nordyke or the Greeks thought of it first.

A Teachers early morning prayer; Oh Lord, give me strength to make the day. And enough left for the P.T.A.

If a drunkard could be forced to stay sober, and look after another drunk for three days, he would probably never take another drink for the rest of his life.

With apologies to the Greeks, to all political forecasters, and to the ghosts of Kipling, I submit the following poem to Uncle Jay's afternoon Sofa Program.

At Twenty-One we joked about The time our hair would all fall out.

And should it turn a dapple-gray We said we'd like it just that way.

At Forty-Two, it's different then And as we watch it growing thin; And see the snow upon the roof. Ah, Twenty-One you're such a goof.

Could we but turn time in reverse; Instead of going from bad to worse, Could laugh and joke, and just make fun Of all the worries of Twenty-One.

One of my Uncles writes that: "Professional Politicians are not like pigs because, a pig knows when he has had enough."

A quote from the book "No Trumpet Before Him": "She don't look like she got nothing on her mind except her own importance" - - -

Sometimes we are accused of trying to do some wrong, then actually we are trying to keep from it.

Truth and rumor can be a lot like the Cat-O-Nine-Tails. First we have the truth and then comes rumor with its Nine Tales. The only thing, a little truth, with the addition on nine little tales can sometimes be more cruel.

Mr. A. P. Todd spent the week end at Dallas visiting relatives.

Bronchos Defeat Claude Mustangs Here Friday Nite

The Clarendon Bronchos won their first game of the season Friday night over the Claude Mustangs by a score of 18-6, under cool, clear skies and before a large crowd of fans.

The Bronchos out-maneuvered and out-played their opponents throughout the game, with the exception of a short period in the third quarter when the Mustangs' B. Rutherford gained yardage play after play, eventually to score.

The ball was rooked back and forth in the first quarter as it appeared that the two teams might be pretty well matched. However, the second quarter began to reveal the teams' strong points as well as their weaknesses. A rushing Mustang line toward Jimmie Jenkins, who had backed up for a pass near the center of the field, culminated in two plays which brought the Bronchos their first score of the game. Seeing that his chances of completing his pass were gone when three Mustangs rushed him, Jenkins darted around left end to pick up a gain of some eight yards, with the help of well-run interference and team coordination. In the play that followed, Jenkins handed the ball off to his fullback, Rex Bradford, who drove through a large hole in the line to run the ball almost 45 yards to the goal. Again the well-planned teamwork and coordination of the Broncho line attributed to the score. A kick for conversion was wide.

Gene Bulman kicked off to the Claude Mustangs. Driving the ball end over end deep into Mustang territory, it bounced untouched into the end zone. Rushing down the field to cover the ball over ten yards behind the goal line, Duane Littlefield brought the Bronchos' second score of the game. There was no conversion.

The Mustangs recovered in the third period. A series of plays run by Mustang back B. Rutherford took them deep into Broncho territory. The completion of a pass from D. Jones to D. Smith brought them close to the Broncho goal. Rutherford carried it over for the score; no conversion.

A long pass thrown by Jimmie Jenkins on the Mustang 30 yd. line to Gene Bulman in the end zone cinched the game for the Bronchos, to bring the score 18-6.

Claude has a good ball squad, one that is well trained. The Bronchos are to be highly commended for their victory over this team. The score is self-explanatory, however. It is the hope of every fan in Clarendon and the surrounding communities that they continue to play as hard and as well in the forthcoming games as they did in this one. With citizens' cooperation and support to their team and its two determined coaches, there is really no reason why it shouldn't.

BRYANT IS NEW KAISER-FRAZER DEALER

In an announcement advertisement in the Leader this week, O. L. Bryant, local Sinclair Service Station operator, announces the opening of the Bryant Motor Company in the same building which will feature the new Kaiser-Frazer automobiles.

Mr. Bryant stated that he would have the new 1949 models on his show room floor Monday, September 20th and invites the public to come in and look them over.

Mr. Bryant's place of business is located across the street south of the City Hall in the same building with his service station business.

Mr. and Mrs. Johnny Beard and small daughter left Tuesday afternoon on week vacation trip to Dallas and Ft. Smith, Ark.

SERVICES HELD MONDAY FOR J. F. CANNON

Funeral services were held Monday afternoon at the First Baptist Church here for James F. Cannon with Rev. L. A. Cartain officiating, assisted by Rev. C. R. Tennison of Memphis.

Mr. Cannon, age 93, passed away Sunday afternoon in Clark Hospital at Memphis after a short illness. Mr. Cannon moved to Texas at the age of 9 and moved to Clarendon in 1918.

Survivors include five sons: J. M. Cannon of Blum; Sam Cannon of Vernon; Richard Cannon of Clarendon; Jim Cannon of Channing, and Joe Cannon of Odell; and five daughters, Mrs. Hulda Wilson of Memphis; Mrs. Lennie Cauthen of Memphis; Mrs. Josie Peabody of Ft. Stockton; Mrs. Lela Bulman and Mrs. Allen Moreland, both of Clarendon; 32 grandchildren and 22 great grandchildren. Also two sisters, Mrs. Hulda Crone, age 101, of Mineola; Mrs. Eliza Lechner, age 92, of Tucumcari, N. M. and two brothers, John Cannon, age 89 of Lubbock and Tom Cannon, age 86, of Rule, Texas.

Grandsons of Mr. Cannon were the active pallbearers.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

SECOND WATER TEST WELL BEING DRILLED

The second of four water test wells to be drilled in the vicinity of Clarendon was started this week on the John Gillham farm about 5 miles west of town. The hole was down to 85 feet Wednesday where red clay was encountered. Coarse gravel was encountered before this depth was attained.

The well on Cap Morris' place near Ashtola was completed last week with 100 feet of water sand in the 170 foot hole. This is a very good indication of a good producing irrigation well, but since only a 7 inch hole was drilled, nothing definite can be learned until a larger hole is drilled and a pump is used.

CALLING ALL MODELERS

If you want to be a member of the Clarendon Model Club (The Flying Fools) be in front of the High School gym at 8 o'clock next Tuesday, Sept. 21st. Everybody from 6 to 106 come. This is the first meeting. Officers will be elected and a permanent meeting date and time will be set.

ASKS FOR CLOTHING FOR NEEDY FAMILIES

Mrs. Allen Jeffries issued an appeal to the people of Clarendon to give clothing that might not be in use, to two particular colored families of Clarendon. The head of one of the families is an ex-GI and a victim of Tuberculosis. The men are unable to work. The families have children who will be unable to attend school unless such help is rendered, Mrs. Jeffries said. Anyone who would give clothing to these families, she stated, are asked to call her. She will be glad to pick them up, she said.

Visitors in the Doyle Phillips and grandma Drake's home over the weekend were Mrs. Ella McDuff of Okla-union and her son Mr. and Mrs. Marvin McDuff of Amarillo. The McDuff's and Drakes were neighbors years ago at Oklaunion.

E. E. Ferris of Anadarko, Okla. is visiting his sisters, Mrs. T. Jones, Miss Cora Ferris, Mr. and Mrs. A. F. Sprinkles and his brother, A. M. Ferris and family.

Many of the details of the Donley county fair and horse show and races have been completed this past week following committee meetings in the office of county agent H. M. Breedlove.

The agriculture exhibits of the fair will be on display both the 1st and 2nd of October. All community agriculture exhibits must be in place by nine o'clock in the morning of the first of October and remain in place until six o'clock on the evening of the second of October. Mr. L. E. Grove of Hedley is superintendent of the agriculture exhibits.

Prizes for the community exhibits will be as follows: 1st, \$25.00; 2nd, \$10.00; 3rd, \$7.50 and then five dollars for all other community exhibits. There will also be exhibits by the home economics classes over the county and other organizations. Mr. Grove and county agent H. M. Breedlove are asking that all communities start work on their exhibits. It is up to the community as to what agriculture commodities they wish to display on their booth. Booths will be judged on variety of commodities, quality of commodities and arrangement and neatness. Feed should be shown in ten heads to each variety; this is also true for corn. Beans, peas and other thrashed grain should be shown in one gallon lots; this is merely an example to show about what it takes to make a good exhibit. The committee will contact many people in the communities this coming week to assist in preparing the community exhibits. The agriculture displays will be held in the new show buildings located on the Brice highway.

The horse show will be held on the afternoon of the first of October and will be held at 2 p. m. at the Roping grounds. The entrance fee for all entries will be \$2.00 each and there will be a charge at the gate of fifty cents for adults and twenty-five cents for children. This horse show is open to all counties in the state or adjoining states. Good judges are being secured for the judging, both the quarter horses and the thoroughbreds. The classes and premium monies for the horse show are as follows:

The following classes and premium money are for both Quarter horses and Thoroughbreds. The two breeds to be judged separately and a champion of each breed is to be named. These two breeds will not compete against each other.

1. Filly colts, foaled during 1948; 1st \$8.00, 2nd \$7.00, 3rd \$5.00

2. Filly colts, foaled during 1947; 1st \$8.00, 2nd \$7.00, 3rd \$5.00

3. Filly colts, foaled during 1946; 1st \$8.00, 2nd \$7.00, 3rd \$5.00

4. Brood mare class, 3 years old or older; 1st \$8.00, 2nd \$7.00, 3rd \$5.00.

5. Stud foals, foaled during 1948; 1st \$8.00, 2nd \$7.00, 3rd \$5.00

6. Stud or geldings, foaled during 1947; 1st \$8.00, 2nd \$7.00, 3rd \$5.00.

7. Stud or geldings, foaled during 1946; 1st \$8.00, 2nd \$7.00, 3rd \$5.00.

8. Stallions, 3 years old or older; 1st \$8.00, 2nd \$7.00, 3rd \$5.00.

9. Geldings, 3 years old or older; 1st \$8.00, 2nd \$7.00, 3rd \$5.00.

10. Sire and 3 gets, or mare and 3 foals; 1st \$8.00, 2nd \$7.00, 3rd \$5.00.

All of the above classes will be shown at the halter. There will be added attractions at the horse show for children and also added attractions or performances by adults; these details are being worked out and will be announced next week. Mr. Joe McMurtry and Harry Brumley are the superintendents of the horse show.

The poultry show will be held both days of the fair at the show buildings located on the Brice highway and is for Donley county entrants. Mr. Frank White Jr. is superintendent of this department and he and his committee are working out the classes and breeds to be shown at this time and will be announced next week. The poultry will be on display at nine o'clock on the morning of the first of October and remain on display until six o'clock the evening of the second of October. Good display pens will be available for all entries.

The club boys Sears-Roebuck foundation swine show will be held on the morning of the 2nd of October at 9:00 a. m. and the judging will be at that time. Prize money is offered by Sears-Roebuck Company and will be announced next week. Open swine show will also be held at this time for all club boys in the county, both 4-H and FFA, and the premium money will be announced next week. Superintendent of this department is E. S. Ballew, registered Hampshire swine breeder of Donley county.

The races will be held the afternoon of the second of October at 2:00 p. m. and are purely for entertainment. Superintendent of this department is Pat Slavin. Admission is seventy-five cents for adults and thirty-five cents for children. Four purse races will be run as follows:

(open to all counties)
1st Race—2 year olds . 220 yds
2nd race — 3 year olds and over 330 yds
3rd race—kid pony race, 200 yds.

4th race—Donley county open race to all cow horses, 220 yds (Donley county entries only)

Following the above scheduled races, matched races will be run by individuals.

The location of the races will be announced next week. Mr. Slavin and his committee are now arranging for the race track. Starting gates will be provided for the races.

Remember the dates of the Donley county fair and horse show and races, October 1st and 2nd. This will be two days of good entertainment, and a chance for the farmers to show off their agriculture exhibits; ranchers to show off their horses; club boys to show swine; poultrymen to exhibit poultry, and all persons will show the speed of their horses.

If any one needs additional information they can contact the heads of the various departments of the show or call by the county agent's office.

GIRL SCOUTS

By a Scout Leader

The Girl Scouts of troop 3 and 4 are selling subscriptions to the Holland's Magazine. You can get Holland's 3 years for \$2.00 or 1 year for \$1.00. You will get a good magazine and help the Scouts at the same time as they get half the money.

We are hoping to have a room for Scout meetings in which we can work and play, and are trying to raise money to furnish the rooms. So help the girls if you can.

COLTS TO PLAY ELIZABETH NIXON JRS. NEXT THURSDAY

Coach Marvin Rampy announced yesterday that the Jr. High Colts would play the Elizabeth Nixon Juniors of Amarillo here next Thursday afternoon Sept. 23rd at 3 p. m. on the high school gridiron. The Amarillo boys were due to come this week, but the game was called off until next week and the Boys Ranch team agreed to come down and play the Colts today.

26 boys are reporting regularly for the Colt squad.

After the game this afternoon, the boys from Boys Ranch will visit Jimmie's Cafe where Doss Palmer and Jimmie Coin will give the boys a free supper.

Governor Beauford Jester looks over a copy of the October issue of the Leader, the first of three issues of the magazine to be devoted principally to Texas. Scores of articles and photographs will give Texas the most extensive treatment ever accorded any state by a national magazine.

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt
The past ten days additions to the Library shelves are as follows:

- Bates—"The Fields of Paradise"—a gift—fiction with Old Mexico setting.
Barkins—"The Doctor Has A Baby"—gift—clever and amusing non-fiction.
Carnegie—"How to Stop Worrying and Start Living"—gift—non-fiction.
Carr—"Old Mother Mexico"—gift—non-fiction.
Diamant—"Days of Ophelia"—fiction, gift.
Davies—"Behind the Spanish Barricades"—non fiction—gift.
Irvin—"Young Bess"—non-fiction—gift.
Mason—"The Cair Garter Murders"—mystery—gift.
Papini—"Life of Christ"—gift.

- Queen—"Calamity Town"—mystery—gift.
Betty Smith—"Tomorrow Will Be Better"—fiction—purchase.
Stillwell—"The Stillwell Papers"—non-fiction—purchased from Hunt Memorial fund.
West—"The Friendly Persuasion"—fiction—gift.
These have been gifts from several friends who are interested in the progress of the Library, and there was \$5.00 added to the Burton Memorial fund this week by a very dear friend of Mrs. Burton's. This fund is never used for fiction but for reference material and the reading material for the boys and girls.
The list of books placed in the Library this week will visualize to the general public the interest manifested in its advancement. Several small cash donations given recently are being used for the purchase of small children's books.
Within the next few months the non-fiction shelves and children's

corner will be arranged to be more convenient. Mending, rearranging, and general routine, beside the "pencil pushing records" requires a vast amount of time, and delays the progress desired.

The readers please observe that Betty Smith's "Tomorrow Will Be Better" is ready for those who enjoyed "A Tree Grows In Brooklyn." This writer has a quick feeling for pathos, and for absurdity; also a talent for discovering thru fervent insight, the quality of simple, true drama in ordinary lives.

Our public leaders interested in the juvenile movement for the Youth of America's betterment, will enjoy reading the story of the rehabilitation of youngsters who have gotten off on the wrong foot as told in "The Bell Ringers" by Vern Swartsfager who is the curate of St. Margaret's Cathedral of Dallas.

The three generous friends who contribute their "Book of the Month" editions when fiction, are certainly helpful. It is quite praise worthy to pass this new material with attractive bindings, and fascinating entertainment to be enjoyed by the public. There has been co-operation from all the Clubs—two of our new books this week were from the Book Club. We have plans for a new shelf and a magazine rack to be added next month, and while the door sign has been constructed I have not had time to add the paint so it can be lettered.

Large Crowd Attends Boy's Ranch Rodeo And Barbecue

The Third Annual Rodeo and Barbecue at Boy's Ranch, last Sunday, was what could be classified as a tremendous success. Over 4,000 people were served at the Barbecue tables, and about 5,000 people were in attendance. If we are to believe John Snider, the Barbecue King, he had 10 or 15 head of cattle (he wasn't sure), enough onions and apricots to feed an army, a full week's production of a bakery, and just about every bean in the state of

Texas. That may be stretching things a bit, but there was plenty of good chow for all. According to the license plates on some of the cars, there were fourteen different states represented there, besides Texas. The "Furriners" got a real Texas welcome.

The special guests of honor were several old timers who lived at Tascosa or in Amarillo when both towns still had growing pains. Included in these old timers were Colonel Jack Potter, who came to this country in 1832, Joe Romero who beat the Colonel here by six years, Mr. and Mrs. Mel Armstrong, Mrs. Mims,

George Hayden, Mr. R. D. Leeper, Jess Morris, and of course, Mr. and Mrs. Snider. Some of these folks could recall the day when Amarillo had a population of only 200. Other guests of the Ranch were 37 children from the Presbyterian Children's Home. And a Cub Scout troop, all the way from Crane, Texas, arrived by bus, especially for the Rodeo.

The Boy's Ranch boys put on a show that would do credit to any professionals, and there was plenty of applause and cheers from the crowd for each boy. The hard work and practice, under Leonard Stroud, paid off in one of the finest Rodeos ever seen in this part of the country.

Hank Decker, ranch superintendent, spoke for every boy at the ranch in thanking everyone who helped make this event such a big success. Now more improvements can be made, and more deserving boys given help.

Life might be one grand, sweet song if every one of us could sing.

No, honey, you would hardly say a skunk is a cat with a fluid drive.

A yawn may be bad manners when company is present, but one must admit that it's an honest opinion.

OUR WEAKLY POME.

When our tourist neighbors get back home they tell of seeing so many other Panhandle people in other states. Has it come to this? It seems that the world is getting so small. There's no place to go. To get away from it all.

Cooperation pays. The banana never gets skinned until it gets away from the bunch.

The only difference between you and other people is that their money looks bigger and their troubles look smaller.

SUGGESTION.

When a very aged black mammy was asked her secret of long life, the kindly old face loomed into smiles and she advised: "Well, when Ah walks, Ah walks slow; when Ah sits, Ah sits loose, and when Ah worries, Ah sleeps."

We've never been able to figure out—"When a doctor gets sick and another doctor doctors him, does the doctor doing the doctoring have to doctor the doctor the way the doctor being doctor'd wants to be doctor'd, or does the doctor doing the doctoring of the doctor doctor in his own way?"

We're getting closer to the time when America will be famous for articles made in America.

Schemes rarely take the place of good, hard work in the lives of those who succeed.

Great Unity Growing Among The World's Christian Churches

AMSTERDAM, Holland — An impression of great unity among the world's Christian churches represented here at the first assembly of the newly organized World Council of Churches, is growing on Bishop Williams C. Martin of Dallas, Texas.

Following eight years in charge of the Kansas-Nebraska Area, Bishop Martin was assigned last June to the Dallas Area.

One of the five bishops of The Methodist Church on the denomination's official delegation of twelve, Bishop Martin said, in an interview, "The conviction which keeps enforcing itself upon my mind is that the Church needs to give far greater emphasis to a unity which already exists. This is not a unity of form or organi-

zation but of spirit and of witness."

Despite the fact that there are 144 separate communions of Christian believers here from 44 countries, representing great divergencies both in theology and practice, Bishop Martin agrees with the sentiment, "The realm which we hold in common is far larger than that in which we differ." The Bishop feels that the differences between religious groups have had too much advertising and the extent of the area on which the faiths of Christendom agree is too little realized.

"Across the barriers of race and color and language and culture we have come together here with one faith and one purpose. There will be a new day for our confused and discordant world when a sufficient number of people have been brought into a sense of the universal and deathless Kingdom of Christ" Bishop Martin said.

Bishop Martin is serving in the section preparing a report on "The Witness of the Church to God's Design." In answer to the general theme of the Assembly, "Man's Disorder and God's Design", Bishop Martin feels that more evangelism and more missionary endeavor is the continuing obligation of the Church.

"With whatever differences of method various parts of the world may require, these activities must go forward without halting."

"Participation in this World Council is a privilege that can never be forgotten" Bishop Martin said. His afternoon committee assignment relates to the future policies of this ecumenical organization.

Bishop and Mrs. Martin spent a week in England, prior to coming to Amsterdam, where they were honored by representatives of British Methodism. They were entertained in the home of the director and medical counselor of 44 Methodist Children's Homes of the United Kingdom.

The Jubilee of Queen Wilhelmina and the enthronement of Princess Juliana have given Amsterdam a festive appearance and mood since their arrival for the World Council here. The new Queen attended an afternoon's session of heavy theological lectures and seemed to evince a genuine interest in proceedings. She holds an earned doctor of laws degree from the University of Leyden, Bishop Martin learned. The Bishop and Mrs. Martin attended a reception of the Government in the Queen's Palace here, and witnessed the Jubilee pageant on the Queen's birthday attended by more than 60,000 in the Amsterdam stadium.

Following Amsterdam Bishop and Mrs. Martin will spend several days in Paris where they will visit Professor Pierre Maury of the Protestant faculty of Theology of Paris. They will sail from Cherbourg the middle of September.

From where I sit... by Joe Marsh

"Farming" Versus "Ranching"

Talked to some editors who run my column in their papers—in states where there's mostly cattle and sheep raising—about the differences there might be between farming and ranching.

And they told me: "Joe, there's no real difference between cattlemen and farmers. We make our living from the land like your folks do; we have the same 4-H Clubs and Granges; the same problems of prices and marketing.

"When it comes to recreation, we have the same liking to get to-

gether now and then for a barbecue and a friendly glass of beer."

And from where I sit, that about sums it up. Ranchers may have different names for things or grow different crops. But all over America folks who work the land share those common traits of hard work, sober moderation, and good fellowship, whether they're growing cattle for beef, or barley for good American beer and ale.

Fight For West Texas Water Rights Will Be Stressed In Series Of Project Clinics

ABILENE — A fight for West Texas water rights will be carried directly into all of the 132 counties of the West Texas Chamber of Commerce territory in a series of project clinics authorized this week by members of the executive committee.

At the same time the committee set the date for the 31st annual West Texas Chamber of Commerce convention to be held in Abilene, Monday, November 8.

Project clinics have been set for the following towns:

- Tahoka, Tuesday, Sept. 28;
- Tahoka, Tuesday, Sept. 29th;
- PANHANDLE, Wednesday, Sept. 29th;
- Quanah, Thursday, Sept. 30 and Decatur, Friday, Oct. 1st.
- Monahans, Tuesday, Oct. 5; Del Rio, Wednesday, Oct. 6; Step-

henville, Thursday, Oct. 7 and Breckenridge, Friday, Oct. 8.

These project clinics will replace the regular annual referendum meetings, which have been held in the past and will be in the towns selected by directors at last year's meetings.

"Due to the long range character of the work program adopted at last year's referendum and to the necessity of acting upon committee reports in pursuance of that program, your Executive Board believes that in this year's annual proceedings the energies of the organization should be devoted to acting on committee reports and to carrying out objectives already adopted by previous referendums and annual conventions," the executive board, which was presided over by President C. P. Dodson, announced.

In the program as outlined by Manager D. A. Bandeen the project clinics also will receive presentations of industrial reports

made by committees of three major West Texas railroads, the Santa Fe, Texas & Pacific and Burlington. These reports will cover surveys now being completed by the respective committees and will represent approximately \$40,000 of factual information.

Already for distribution is the Grain Sorghum report from the WTCC-Burlington industrial committee which was prepared by engineers of the Texas Electric Service. This report deals with factual information on the production and utilization of grain sorghums and will be a handbook for local WTCC directors in an effort at industrialization of this leading West Texas crop.

It was announced the cotton report now being prepared under the WTCC-Santa Fe committee is nearing completion and likewise will be ready for distribution at the project clinics. This is an analysis of the cotton manufacturing potentialities of West Texas. It is being prepared by Mark Wood at Texas Tech.

Another important project to be reported is that of the WTCC-T&P industrial committee, which has under way an economic analysis of the West Texas area served by the T&P. Dr. Sidney L. Miller is preparing this analysis and he has already made three

independent reports which include livestock feeding, leather goods potentialities and water needs of the area.

The group also gave its support to the eight constitutional amendments to be voted on at the general election Nov. 2nd. Members said they found nothing political in the amendments and that each represented good government and would merit support.

War II Veterans Still Can Reinstate Service Life Insurance

World War II veterans still can reinstate their National Service Life Insurance, the Veterans Administration says.

Some veterans are under the impression they can no longer obtain this government insurance. World War II veterans who can pass a physical examination may reinstate their lapsed insurance at any time.

The deadline for reinstating NSLI without a physical examination was July 31, 1948, VA explained. Prior to the deadline, a veteran could reinstate lapsed insurance by certifying that his health was as good as it was when the policy lapsed.

This deadline confused some veterans who feel that they cannot reinstate lapsed insurance since the deadline passed. That is not correct, VA said.

Veterans may reinstate their insurance at any time by passing a physical examination. If the policy has lapsed less than three

months, it still can be reinstated without taking the physical examination.

The average age of World War II women veterans is slightly higher than that of their male fellow-veterans, VA reports. The feminine average is an even 30 years, while the average age of the men is 29 years and 9½ months.

The number of veterans of all wars reached 18,744,000 on May 1, 1948, VA says. Of these, 14,887,000 served in World War II. The remainder were veterans of World War I and other wars.

When the nation's population of veterans and members of their families reaches its expected peak of 60,000,000 in 1955, VA predicts that the number of veterans of all

wars will be 17,200,000, and the number of persons in their families, 42,900,000.

DECKER-BAKER

Mr. and Mrs. Ralph H. Decker announce the marriage of their daughter Betty Jean to Hayden Weldon Baker, son of Mr. and Mrs. M. L. Baker of Hedley, Sunday evening, Sept. 5th. Rev. Beltz Baptist minister of Lefors, performed the ceremony.

The bride wore a light blue crepe dress with white accessories. Mrs. Baker is attending High School and Jr. College. Mr. Baker graduated from Hedley High School in 1946. He is employed by the Fort Worth & Denver Railroad as station agent at Lefors. The couple will make their home in Clarendon.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Frank Lyle wish to announce the engagement and forthcoming marriage of their

granddaughter, Miss Eva Lee Lyle, to Eugene Swinney, son of Mr. and Mrs. Seth Swinney. The wedding will be in October.

GARDEN CLUB

Mr. and Mrs. Edwin Eanes showed their collection of colored slides to the Garden Club members and their guests at the Club room Tuesday morning. Scenes in San Antonio, Washington, D. C. and of the Colorado mountains were shown, also ones of the Fourth of July Parade in Clarendon. Several flower scenes from the Eanes' home were included. The brilliance of the coloring in these pictures was especially fine. The members are grateful to the Eanes' for showing their interesting hobby.

Mrs. Joe Goldston was leader for the meeting. Hostesses were Mesdames, Howze, Hayne, Wat-

son, Antrobus, J. L. McMurtry, and John Goldston. Refreshments of punch and dainty cookies were served to thirty five members and guests. The next meeting of the club will be October 12th with Mrs. Chase and Mrs. Will Johnson as hostesses. Mrs. J. L. McMurtry, the leader, and the program will be "Flower Arrangements".

KILL KARE KNEEDLE CLUB

Mrs. Gene Noland entertained the members and guests of this club at her home Thursday afternoon. Garden flowers were used to decorate the guests rooms.

The usual work was enjoyed until refreshments of punch and cake were served from a lace covered table made beautiful by green tapers and ivy around the punch bowl. Guests were Mesdames A. T. Cole, Ernest Hunt, Claude Moore, John McClellan, William Lewis Jr., and club members, Mesdames H. C. Brumley, Ed Speed, H. Mulkey, S. W. Lowe, J. R. Bartlett, R. R. Dawkins, and Misses Ida and Etta Harned and hostess, Mrs. Noland. Mrs. Noland was assisted in serving by Mrs. Claude Moore, Mrs. McClellan and Mrs. William Lewis Jr.

OSNER WARREN CIRCLE

This circle met with Mrs. Lola Barns Sept. 8 at her home. At the business meeting Mrs. Barns was elected chairman; Mrs. Lee Patton, Sec.-Treas., and Mrs. A. T. Cole, reporter, and teacher, Mrs. A. P. Todd.

Next meeting will be Sept. 22nd at the home of Mrs. R. W. Moore. Refreshments were served to Mesdames Genoah Dozier, Hodges, Nichols, Sibley, Lonnie Wood, Simpson, R. W. Moore, Williams, Todd and hostess, Mrs. Barns.

MARTIN QUILTING CLUB

KAPPA SUB-DEB CLUB

Wednesday afternoon, Sept. 8, the club met in the home of Mrs. Arvis Davis. Business was discussed. Three of the pledges, Nancy Bennett, Alice McCrary, and Mary Edna Elmore gave a very clever and entertaining program in the form of a skit.

Iced watermelon, cut to form a "K", was served to the following members and pledges: Jean Ballew, Sybil Head, Doris Wallace, Mrs. Rufus White, Mae Morris, Layma Tatum, Lois Hommel, Anne Thompson, Portia Hay, Patsy Blair, Louva Hunt, Jane Johnson, Juanita Carpenter, the hostess, Mrs. Arvis Davis, and Nell Bentley, Jo Anne Sibley, Nancy Bennett, Fanchon Alfred, Alice McCrary, Mary E. Elmore, Shirley Brumley, and Jo Ann Ritter.

V. F. W. PARTY

Members of the V.F.W. and V.F.W. Auxiliary were entertained with a "Tacky Party" last Thursday night at the home of Mr. and Mrs. Herman Parson.

Everyone came dressed tacky, and there were games and refreshments typical of the occasion. Prizes for the best costumes were won by Helen Land and Herman Parson. Floyd Lewis was the winner of the Bubble Gum contest.

Those reporting a very enjoyable evening were Mr. and Mrs. Carl Lewis, Mr. and Mrs. M. C. Rampy, Mr. and Mrs. B. J. Land, Athalee Dodson, Lois Underdown,

Jean Bell, Floyd Lewis, Max Rampy, Maurice Risley, Ray Rampy, and Mr. and Mrs. Herman Parson and Gary.

T.E.L. CLASS MEETS IN QUILTING

Tuesday, Sept. 14, was work day for the T.E.L. Class of the Baptist Church. They met at the church to quilt.

A covered dish luncheon was served at the noon hour to two guests, Mrs. Edd Barns Jr., and Mrs. Don Martin of Amarillo, and to members of the class, Mesdames C. B. Owens, Lola Barns, A. H. Moore, Carl Naylor, R. C. Bingham, H. A. Hodges, C. L. Goin, D. M. Cook, Frank Barton, R. W. Moore, Claud Darden, E. E. Houdashell, Clyde Butler, and W. J. Williams.

We urge all members of the class to be in Sunday school and to come and enjoy the fellowship of the class at our business and social meetings.

Six and Two's Eight

Editors Note: The following story was based on an actual case, as given to Uncle Zeb by Mr. Farley. — It was written with the intentions of helping this worthwhile Panhandle institution and other papers are invited to use it.—Claude News.

Six children would be a lot of responsibility to any mother, but if the oldest, still a child, had two of her own, the problem would become complicated in a hurry. If both husbands were absent from

the picture and the words to the song, "Must I Go Bound, While He Goes Free", were brought home to us, it would seem impossible.

It is easy for us to say, "Oh, well, she made her bed and now must lie in it", and all such things. It is easy to say, "Like mother, like daughter", etc., but suppose we forget the past, call it a sad mistake, and look for a moment at her present plight and her future hopes.

Without complaining to local authorities before now, she has been living in an otherwise empty farm house, driving a battered down-car back and forth to work

in town for twenty-five dollars of Uncle Sam's inflated cabbage per week. At night she minded the small children, including the ones belonging to her daughter, while the daughter worked half the night in a cafe for another fifteen.

Then the car broke down, and the dealer wanted his payments, and the rancher needed the house for extra help.

Then, and not until then, did she bring her problem to the Boys Ranch Officials. Admitting that she had made a lot of mistakes, and conceding that she would probably make some of the same ones again, you will have to hand it to her that she did have a lot of "spunk". That she had reached "the end of her rope", so to speak.

Anyway, this is an actual, true to life case from the life of someone in our midst, overlooked by local people because she had held on as long as possible without complaining.

It is also one case in the busy day of the officials of Boys Ranch.

The people who are directing the changing over of a small cattle ranch to a more important Ranch, growing boys into important men in the community.

It is also another reason why Cal Farley, the president, has refused to abandon this work. Why Hank Decker has refused an attractive offer to play professional basketball. Why Bullet Gray, famous football player, stays on; Mrs. Thompson keeps on looking after the little ones; Leonard Stroud keeps teaching the boys to rope and ride like a champion, and, above all, it must continue to be our reason for helping out with the things that we have.

Three of the above mentioned eight, have a home, a chance to be adopted by a lonely, wealthy couple, if they wish. A chance to go to school, to learn trades, and to grow into healthy men.

We have a chance to feel better, if we have had a part in this work.

New Weapons For Farmers in Bout Against Weevil

Farmers have available in 1948 more weapons to fight the boll weevil and other cotton insects than ever before.

Long and careful studies by state experiments and the federal government have now proved conclusively the values of benzene hexachloride, chlorinated camphene, and DDT. Chlordane is in the final experimental stages. Calcium arsenate continues to be recommended in most areas.

Unquestionably the cotton farmer has poisons available which will help him cut to a new low the portion of his crop eaten by the boll weevil and his buddies.

The National Cotton Council recommends that farmers in areas where severe infestation seems likely keep on hand sufficient poison for at least one application.

The proper poison for local use will vary with the different sections of the Belt and with the particular insect damaging the crop. Complete information on recommended insecticides is available from every county agent and regional agriculture teacher in the cotton states.

Mr. and Mrs. A. H. Moore and Jacqueline Moore and Jack and L. P. Moore were dinner guests of Mr. and Mrs. Dwight Blair Sunday.

Mr. and Mrs. Frank Whitlock were Amarillo visitors Tuesday.

RETONGA GREATEST EVENT OF HIS LIFE

Could Hardly Bear Aches And Pains in Muscles And Hips. Also Suffered Tortures from Bloating And Constipation. Feels Fine Now and Hails Retonga

"I felt better the very first day that I started taking Retonga," gratefully states Mr. Robert H. Ely, widely-known resident of 2806 Rannels St., Fort Worth, Texas.

"I suffered torment from aches and pains in my muscles and hips," continues Mr. Ely. "In fact, it reached the point where I could hardly get along, even with the aid of crutches. I dreaded for night to come, for I knew that I would be lucky if I got just a few cat-naps. After nearly every meal I would have that full, bloated feeling in my stomach. I had to use strong laxatives continually and I lost so much weight

I was beginning to look like a skeleton.

"The relief Retonga brought me was one of the greatest events of my life. Within a short while the aches and pains let up and I began to go as I pleased. I sleep good, eat heartily without bad after effects, no longer use strong laxatives, and I have regained 15 pounds. My friends all ask me what I have been doing to look so much better and only one word gives them the answer — Retonga."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to give you gratifying relief, your money will be refunded. You can get Retonga at Rexall Drug Store.—Adv.

FARM NEWS

It seems as though we are seeing smiles around town since the nice rain last week. I wonder if the loud complaining in this column last week had anything to do with the rain coming so soon? Maybe that is the answer to the drought cure.

If you happen to see Raymond Farr within the next few days, take a good look at him because it may be the last look at him be-

fore next spring. Raymond plans to plow 500 or more acres at least 12 inches and up to 18 inches deep. That should keep him busy all winter. Raymond plans to use his AAA assistance for this practice which will be \$750.00 for the 500 acres.

Wallace Raney says that Carmen Rhode thinks that his side oats gramma is the best in the country. Wallace has 18 acres that is well filled with seed. Most of the grass in Donley county has nice heads but the seed isn't filled out as it should be. Wallace

will be well paid for his time if he decides to harvest the seed from this acreage.

I had the opportunity of hearing Mr. Ward Taylor, AAA district field officer for this district, explain the details of grain sorghum loans and price supports to Frank Cannon's and Maurice Rialley's Veterans classes last week. I am sure all of the Vets and the instructors as well enjoyed Mr. Taylor's talk, and learned a lot they didn't know about Commodity Credit and the Price Support Program.

Gordon Mann went to Thalia after a load of Rye seed last

Monday. John Gillham bought this load but Gordon tells us that there is still rye seed down there and he wants to go after another load. This is re-cleaned abruiser rye and the price is \$2.25 per bushel. Gordon will do the hauling for 19¢ per bushel. If anyone needs rye seed let Gordon know and he will get it for you.

Hayward Warner has an earthen dam which was constructed recently and believe me it is a large one. I helped check it. It will hold twenty two feet of water when it is full. Probably will make a good swimming pool next summer, if you can find it. R. A. Beverly did the construction work on this dam and it looks good too.

We have some bad news for the potato feeders; there are no more. We called Hereford Monday and there will be no more potatoes for stock feed this year. Several of our producers found that they were good feed and if there are more to be had next year I am sure that more Donley County farmers will want them than those who did this time.

Mr. and Mrs. Hubert Brown have moved to Estelline where he will work for the Mill Iron ranch.

SERVICES TODAY FOR DOCTOR'S MOTHER

Mrs. Rachel Harris, 76 yrs. old, mother of Dr. E. Kenneth Harris of Clarendon died Friday night en route to a hospital in Wichita, Kansas, after she had collapsed on a plane taking her to Cleveland.

Mrs. Harris had been visiting her son here and was en route home, accompanied by Miss Helen Alice Jackson of Long Island, N. Y., fiancée of Dr. Harris. She had lived most of her life in Cleveland. Funeral services were set for today there, but we have not received any details of the arrangements.

Mr. and Mrs. Will Johnson have returned home from a weeks visit with their daughter, Mrs. Mable Daniels at Ft. Worth. Mrs. Daniels accompanied them home for a visit.

Carroll Brumley has gone to Las Cruces, N. M. to re-enter New Mexico A&M. He was accompanied by a former Wentworth friend, of Norman, Okla., who is also entering the A&M.

Mr. and Mrs. Leslie Wallace of Memphis visited in the Doyle Phillips home last Wednesday.

Mr. and Mrs. Doyle Phillips had their two daughters, Mr. and Mrs. Bill Brigman and Mr. and Mrs. Clyde McCrary and niece, Mr. and Mrs. Bill Cornell for dinner Wednesday.

Mr. and Mrs. Tom Connally of Amarillo visited in the Henry Williams home Sunday. They were en route to Dallas.

Mr. and Mrs. Harry Blair and Biffie and Mrs. Buster Emmons and Patsy were shopping in Amarillo Monday.

Mr. and Mrs. Luke Skelton and son Bobbie of Amarillo enjoyed the football game here Friday evening.

Dr. and Mrs. George Shadid and Mr. and Mrs. Johnny Beard returned home Tuesday morning from a vacation trip in the Colorado mountains.
