Donley Fair, Horse Show & Races Promise Biggest Event In Years

Friday and Saturday of next week, the First and Second of October, will be fair days in Donley County. These are the two days that the horse show, races and Donley county agriculture fair will be held in Clarendon at the fair grounds located on the Brice highway. C. L. Lewis, president of the show board and H. M. Breedlove, county agent, say that arrangements are now complete for the fair.

The horse show will be held on the afternoon of the First of October at 2 p. m. at the roping club grounds. The show is open to all counties and an entrance fee of two dollars per head is required to enter a horse in the show. There will be two classes of horses, Quarter horses and Thoroughbreds. Admission for the horse show is fifty and twenty-five cents. Two hundred dollars will be given in premium monies on the horse show. Mr. Joe McMurtry and Harry Brumley are the superintendents of the horse show.

Also at the same time and place of the horse show a barrel race will be held for both boys and girls in separate events. The age limit for entrants will be 14 years of age.

The races will be held on the afternoon of the Second of October at 2 p. m., and four purse races will be run. There will be matched races after the purse races. These races are open to all counties. Admission to the races is seventy-five and thirty-five cents. Pat Slavin is superintendent of the races.

The Donley county fair will last two days and agriculture exhibits will be on display both days at the fair grounds.

Communities and leader that are sponsoring the community exhibits are as follows: Ashtola, Ladies Club and Mrs. Doyce Graham is chairman; Martin, Ladies Club and Mrs. Floyd Crofford is chairman; Lelia Lake, Luther Butler; Goldston, Wilson Grey; Midway, Harley Longan; Hedley, L. E. Grove; Huggins, Mrs. Delton Koen; Windy Valley, Harvey Shaw; Naylor, Edd Mooring; Sunnyview, Roscoe Land.

The premium money for the

community agriculture exhibits is \$25.00 for first place, \$15.00 second place, \$10.00 third place and then five dollars for all other booths.

Three home economic classes have turned in for exhibits: Hedley, Lelia Lake and Clarendon. The premium money for this class will be \$15.00 first place, and \$10.00 second place.

The Hedley and Clarendon FFA boys will have exhibits and will receive five dollars for each exhibit.

The Hog show will be held in connection with the fair on the morning of the Second of October at nine o'clock. 4-H club Sears Roebuck hogs and FFA boys will show hogs at this time.

The poultry show will be held both days of the fair and will be under the supervision of Frank White Jr. All poultry must be in the barns by nine o'clock the morning of the first of October. There will be classes for all breeds of poultry; pens are available for all exhibitors at the show grounds. Mr. White is asking that all persons just bring the poultry you wish to enter in the show to the show grounds at the time stated and they will be placed in their respective classes and put in pens. Premium money will be given for the placings. Mr. White says that there is good poultry in Donley county. You do not have to be asked to bring in poultry to the show; just bring them in and they will be entered in competition.

H. M. Breedlove, county agent, stated that all agriculture exhibits will be put in place on Thursday afternoon on the 30th of September as judging will be on the morning of the First of October. You are asked to contact the chairman in your community to help him gather commodities to put on the community exhibit. Merchants in Donley county wanting space for a display should contact the county agent. One building will be available for merchants. For any information you might need contact county agent Breedlove or the superintendent of the different departments of the fair.

MODEL PLANE CONTEST AT WELLINGTON SEPTEMBER 26

Wellington's Model Airplane Club will hold a model plane contest at Marian Airpark, Sunday, Sept. 26. The contest will be open to any VFW sponsored club and to other enthusiasts who live in any town located within an 80 mile radius of Wellington.

There will be eight events with 1st, 2nd and 3rd prizes for each event. AMA rules will apply to the contest and those wishing details are invited to contact Bill Lewis, Wellington, Texas.

The contests will start at 9 o'clock in the morning and run through the day. This is the first contest of the recently formed Wellington VFW Model Airplane Club.

DRIVE FOR CLOTHING SUCCESSFUL

Mrs. Allan Jeffries announced Monday that the request for clothing which appeared in this paper last week, brought a most successful response. The two colored families that were in need of the clothing have been taken care of and amply provided with the things in which they were in need. Mrs. Jeffries stated that she wished to take this means of expressing her sincerest appreciation to the people who responded to her call for aid for these needy families.

Broncs Win Over Chillicothe, 13-12

In an exciting game which became neck and neck near the end, the Bronchos defeated the Chillicothe Eagles there Friday night 13-12. With a fighting spirit more obvious than ever, the Bronchos spoiled every Eagle onslaught in the first half of the game, and came off the field at the half-time with a 6-0 score in their favor. They earned the score in the second quarter when Gene Bulman blocked a kick from the Eagles' penetration zone. Heatherly rushed through the weakening Eagle line, recovered the ball, and ran it down to the Eagle two-yard line before he was brought down. A short pass from Jenkins to Wilson over the line was good for the touchdown. The conversion kick was wide.

The third quarter again brought the Bronchos into pay dirt. Jenkins completed two passes consecutively to Tommy Heatherly for a gain of 27 yards to place them near the Eagle goal line once more. A handoff from Jenkins to Bulman, who ran the ball over, was successful. Jenkins' kick for conversion was good, and the score stood 13-0.

However, all that glitters is not gold. The one-sided score evidently aroused the fight in the Eagle line-up, because they came back in the fourth quarter to score twice against a seemingly steadily weakening Broncho line. They made two touchdowns by completion of passes. Names of the Eagle players involved in the scoring were unobtainable. Due to the confusion the Eagle colors of red and white would have caused mixed with the Bronchos' Maroon and White, the Eagle team wore white jerseys which bore faded numbers that were soon soiled beyond recognition. The programs provided carried no numbers, and the public address system was drowned out by the cheering spectators.

If either conversion attempt had been successful on the part of the Chillicothe squad, the score would have balanced. However, both attempts were foiled by the determined Broncho line to give the Bronchos their second victory of the season with one defeat.

I searched the countryside about For one thing, we couldn't live without. I saw both gold and silver there. Precious diamonds and mansions fair. But thieves, I thought, all this could take, Or lashing winds the walls could break. Then, To Be Loved, there seemed no doubt Was worst of all, to live without.

Dr. J. A. Hill uses the following quote from Booker T. Washington, in his column Hill-Top Views. "I will allow no man to drag me so low as to make me hate him". Anyway, I take my hat off to Dr. Hill in his new venture into newspaper writing, and don't miss reading his "Straight from the heart" column.

I doubt if we should ever again poke fun at the states of Georgia, Mississippi and Louisiana, with their Talmadges, Bilbos and Longs. At least, not after all that we have heard about the recent Senate race. Do we still have laws? Do we still have people to enforce them? If we had corruption on one side and not on the other, why can't we know the truth about it? If not, why can't everybody "Put up, or Shut up"? Do "We the people" have to be kept in the dark, confused, bewildered, led like dumb driven sheep to our own slaughter. We need to pray to God, that he would send us a handful of leaders for our Country, and I am convinced it would do no good to pray to our political party for such. Anyway, I am disgusted, and with that I'll Shut Up.

Enjoyed my visit in Clarendon Saturday afternoon. I am ever grateful for the new friends that I have found down that way, through our little column.

After we have visited with someone, we should take stock and see whether we left them in a better frame of mind or not.

If our honor is for sale, the price is too high. If our friendship can be bought, it is not worth it.

People who fawn upon us, usually yawn after us.

People who look up to too few people, are apt to look down on too many.

FARM NEWS

The farmers in town are getting more, more scarce as the grain harvest and boll pulling gets under way. I have noticed a great deal of feed cut and bundled over the county and several groups pulling bolls. We have not had a good report yet, however, on the yield of the crops.

I have just finished a conversation with Mr. Matt Taylor who has been experimenting with defoliating cotton in Donley county. According to the estimates made by Mr. Taylor and Claude Moore the defoliation pays its own expense. Mr. Taylor states that the cost of harvesting defoliated cotton, including defoliation expense is about \$4.00 per acre. That of course, is with the Mechanical harvester. The advantages he points out are: a cheaper harvest, cleaner cotton, and a higher grade. The defoliant also tends to open the bolls more rapidly and makes one pulling a rule more often than an exception to the rule. The cost of pulling by hand is estimated at \$45.00 per bale this (See FARM NEWS, back page)

PROMOTION DAY AT FIRST BAPTIST CHURCH SUNDAY, SEPT. 26

Next Sunday is Promotion Day in all the departments of work at the First Baptist Church. "This is a time of remembering what has been accomplished in the past year and looking forward to the coming year in the work of our church," stated L. A. Sartain, local pastor. "Attendance goals have been set for the grand occasion. For the Sunday School we have 300 as our goal. For the Training Union we have 100 as a goal. We urge every member of our church to be present for this day. Visitors are welcome."

CHANGE MADE IN MOVIE PLAYING ARRANGEMENT

Lee Bell, manager of the Mulkey Theatre, announced Tuesday that a new playing arrangement of movies would go into effect October 1st.

Bargain day movies will be shown on Wednesday instead of Tuesday, he said. One picture will run through Sunday, Monday, and Tuesday, one on Wednesday, one through Thursday and Friday, and the last on Saturday, Mr. Bell stated. Forthcoming shows are shown on the back page of the Leader.

REGISTRATION ENDS HERE LAST SATURDAY

So far as is now known, eligibles for selective service registration will go to Pampa to register. No arrangements have as yet been made in Clarendon. A total of 297 registered at the local post office, postmaster J. C. Estlack informed the Leader.

Four Regular Holidays To Be Observed By Local Merchants

FOURTH GRADE ROOM MOTHERS TO HOLD CAKE SALE

The room mothers for Mrs. Jim Headrick's fourth grade class will hold a cake sale at the Clarendon Furniture Co. Saturday morning beginning at 9:30. Plan to buy one of the fine cakes that will be offered for sale and enjoy a free week end from doing your own baking.

Weldon Warren and sisters, Mrs. A. T. Mandril and Miss Evalyn Warren went to Borger Tuesday to visit their brother J. A. Warren, Jr. and family. Weldon remained there where he will be employed in the future.

DONLEY TO HAVE EXHIBIT AT TRI-STATE FAIR

Donley county will have a county agriculture exhibit at the Tri-State Fair in October, it was announced this morning by county agent H. M. Breedlove.

Immediately following the Donley county fair to be held in Clarendon October 1st and 2nd, Breedlove will leave for Amarillo to set up the Donley county display. Many farm commodities that will be shown on the display at Amarillo will be taken from the community exhibits after the Donley county fair.

Breedlove is asking that any person having outstanding farm commodities that would like to have them go to the fair to contact him. "We have plenty of ear stuff to take to the fair, but what is needed is such stuff as ten ears of popcorn, cushaw, pie pumpkin, field pumpkin, one gallon of all kinds of dried beans and peas," Breedlove said. "All these commodities will be returned to the owner after the fair."

Just contact the county agent if you have some product that you think would be good to have on the county display.

LEGION TO SPONSOR HALLOWEEN DANCE

The American Legion will hold its annual Halloween dance on Thursday night, October 28th. Bobby Burns and his orchestra will furnish the music. The dance will be held at the Opera House. The Legion will furnish free refreshments of coffee and cookies. Tickets will go on sale in the next week, so be sure to get your ticket when contacted by a Legionnaire.

What is expected to be the top football game in district 3A, will be played here Friday night when the local Broncho squad meets the McLean Tigers in the first conference game of the season for both teams.

According to all available dope, etc., the Tigers will enter the gridiron as the favored team, but no real point of comparison can be drawn as neither team has played the same opponent so far this season. The Tigers ran over the Bronchos rough shod last year and a number of their best players will be with the squad Friday night to attempt a repeat performance if possible.

After seeing the Bronchos throw up an iron clad defense against Chillicothe last Friday night in the first half, all I can say is that if they will put in 60 minutes against the Tigers like they did down there, the McLean boys will go home with their first defeat of the season regardless of their reported speed and deception on the playing field. The Bronchos may have some difficulty at first due to the fact that the Tigers operate from a single wing formation, and so far the Bronchos' opponents have all used the T formation.

Coaches Clinton and Jones report that the boys have put in some mighty hard practice hours this week and show steady improvement which will probably have its telling effects in the game Friday night.

The Bronchos are still hampered with injuries with Risenhoover still out and Tommy Leek, a new addition to the list, with a twisted knee.

The co-captains elected by the squad for this week's game are Duane Littlefield and Tommy Heatherly. The probable starting line-up for the Bronchos will be as follows, starting with the right end:

Heatherly, Sullivan, Christie, White, LaGrone, Tatum and Wilson. In the backfield will be Jenkins at Q, Littlefield LH, Rex Bradford RH and Gene Bulman in the fullback position.

One of the largest crowds of the season is expected for the game and if you haven't already made your plans to see it, better do so now and be right along with the other Clarendon fans that will be boosting the Bronchos to win from start to finish. The game time is 8 p. m. at the local gridiron.

P. T. A. MEMBERSHIP DRIVE NOW UNDERWAY

The annual Parent Teachers Association membership drive is now underway with youngsters from the 6th grade down participating in the contest drive. The boy and girl in each room getting the most memberships will receive free show tickets, so when one of these youngsters come around, have your 35c ready and join up with this worthy organization.

PANHANDLE BAPTIST ASSOCIATION MEETS AT TURKEY, SEPT. 30

The Panhandle Baptist Association meets with the First Baptist Church at Turkey, Thursday, Sept. 30 at 10:00 a. m. This Association includes the Baptist churches in Donley and Hall counties, and is perhaps the most important denominational meeting of the year for Baptists.

Outstanding speakers of the occasion are Dr. David M. Gardner, Editor of the "Baptist Standard", Dallas, and Dr. J. W. Marshall, President of Wayland College, Plainview, Texas. The Annual Sermon will be brought by Rev. C. R. Tension, pastor First Baptist Church, Memphis, and the Missionary Sermon by Rev. L. A. Sartain of Clarendon. Many others are included in the reports and messages of the day.

A Preview of The 1948 Tri-State Fair

The Tri-State Fair which will be held in Amarillo October 4 to 9, inclusive, will experience its most successful year.

The Directors have been more than generous in their efforts to make the Fair outstanding.

To open the 1948 Fair there will be a parade at 10:30 o'clock Monday morning, October 4.

This will be an unusual Parade, since the entries will be typical of those that you will see at the Fair.

For the first time in history the people of the area will have an opportunity to witness a live radio broadcast. This popular ABC network show will be broadcast twice daily from the Sports Arena on the Fair Grounds.

Again the All-Girl Rodeo will perform - true western style, Monday, Tuesday, and Wednesday

day afternoons, and Thursday night are the times for the rodeo performances.

A High Diving Mule act, with the mule making 30-foot dives twice daily is one of the free attractions.

We have professional clowns for the kiddies and grown-ups. Sheb Wooley and his "Calumet Indians" will furnish "Western Hit Tunes" throughout the Fair.

Attractive commercial exhibits will grace the Merchants Building. The finest display of merchandise in the southwest.

For the kiddies we have the biggest Rabbit Show ever staged in this section of the country.

The Midway will feature Bill Hames 40-car Carnival. The only railroad show owned in the State of Texas. Thrills and spills will be there for you.

A complete cattle show will add much to the Fair—Herefords, Jerseys, Gurnseys, Shorthorns, Holsteins, and other breeds will be on exhibition. The only American breed of cattle - The Famous Santa Gertrudes herd from the

King Ranch will be at the Fair. There will be two horse shows, Palomino and Quarter Horse. The Palomino sale scheduled for Saturday will be of interest to many.

The Textile Department will be highlighted by a Crochet Contest. The winner at the Tri-State Fair will compete for the National Championship.

The Culinary Department will be quite capable of teasing your appetite.

The Art and Textile Departments will be jammed to capacity.

Hobbies and educational exhibits will help to round out the picture.

A Queen will be chosen to represent the Panhandle of Texas at the Royal American Stock Show to be held in Kansas City. This Queen will reign supreme during the week of the Tri-State Fair.

We would like to have one or more entries from every community in the Panhandle. Any interested person should contact Mason King of the Globe News Publishing Company.

To conclude this eventful Exposition the Fair Association is sponsoring a huge Square Dance on Saturday night, October 9, in the Sports Arena. The program

will be under the direction of "Uncle Jay" of radio fame, and Lewis Nordyke, who aspires to be the next Governor of Texas.

Our Policy on PONTIAC Deliveries and Prices

Despite the fact that Pontiac has built over a half-million cars since the resumption of production after the war, demand still exceeds supply. In the face of this production record, those who place orders now will still experience some delay in delivery. If you are among the many people who feel that Pontiac represents an outstanding value—and wish to order a Pontiac for future delivery—you will be interested in the following policy on retail distribution which we, as Pontiac dealers, will observe:
ORDERS FILLED BY PRIORITY: A definite proportion of the cars we receive from the factory is set aside for preferential delivery to users whose work is in the public welfare and to others with certain occupational requirements. Otherwise, all orders will be filled on the basis of the time when they are received.
YOU SPECIFY ACCESSORIES: While most of our customers order their cars equipped with accessories, we do not force accessories as a condition of sale. You specify what accessories you want when ordering your car, and these are the ones (and the only ones) it will carry when delivered. Some items may be lacking due to current shortages; but none will be added.
REGARDING TRADE-INS: Naturally, if you have a car to trade, we would like to have it in order to take care of our regular used car customers. Our appraisals are fair, based on current conditions. But if you do not have a car to turn in, we still want your order and will accept it for delivery based on the conditions outlined above.
YOU PAY ONLY OUR ADVERTISED PRICE: Due to changing economic conditions, we cannot, when you place your order, tell you exactly how much the car will cost when delivered in the future. But, at the time of delivery you will be charged only our advertised price on your model—which will be shown in a published list of local prices.
WE WANT YOUR ORDER: And the sooner you place it, the sooner you will get delivery. So if you want a Pontiac, order it now.
WE WILL ESTIMATE DELIVERY DATE: Due to conditions beyond our control, we cannot give you an exact date of delivery. But based on anticipated future shipments from the factory, we will, when you place your order, give you an honest estimate of when you may expect your car. Such estimates will be reviewed any time on request.
Since this is our "home town", our business and its future is based on our good relations with the people of this community. We are most happy that so many people here—as all over the country—have made Pontiac their number one choice as a new car.
Nothing pleases us more than to turn over the keys of a new Pontiac to one of the many people whose orders we have, because we know they have chosen well—for Pontiac is always a thoroughly good car, and a thoroughly good value, this year, next year, any year.

DISGUSTED.
The crowd in the doctor's waiting room waited, and waited, and waited. Every seat was taken. A mumble of conversation occasionally was heard. Finally, an old man stood up wearily and remarked, "Danged if I put up with this any longer. I'll just go home and die a natural death."

EXPLANATION.
The average newspaper follows copy. If the person handing in copy spells a word incorrectly, it is not the fault of the newspaper. Folks who write copy for a newspaper always "know" more than the newspaper crew. That's why the newspaper follows copy.

TOUGH GOING.
A few years ago, paper like this you are looking at right now, was sold for forty dollars a ton. Now the price is \$182.26 a ton and going up steadily.

COMPENSATION.
It's a strange experience to attend the funeral of a veteran killed several years ago over seas in combat. Putting the body of a patriot back into his native earth gives one a sense of mingled grief, pride and wonder. I can't help but think some war profiteer should be compelled to attend each of such burials. Take the profit out of war and there would be no more wars. God may forgive us for our sins of ignorance, but how can we forgive ourselves for our stupidity and barbarism in this so-called civilized age?

Range Improvement Field Day, Saturday October 9, 1948

Southern Great Plains Field Station, Woodward, Okla.

The Twelfth Annual Range Improvement Field Day will be held on Saturday, October 9, at the Southern Great Plains Field Station, Woodward, Okla., and on the station's experimental range near Fort Supply. Farmers, stockmen, and the general public of the Southern Great Plains Region are cordially invited to attend this educational program and range tour, according to an announcement by D. A. Savage, Superintendent and Senior Agronomist at the station.

Highlighted throughout the day will be inspections and discussions of grassland improvement through breeding, reseeding, brush control, and grazing management on native range and reseeded pastures. R. Leland Ross, Manager of the N. W. Oklahoma Cattlemen's Association, will be program chairman.

Morning Program
Starting at 9:00 a. m. at the Field Station headquarters one mile southwest of Woodward (at the south end of 18th St.), the spotlight will be on recent developments in (1) windbreak and

ornamental tree plantings, (2) sorghum varieties and culture, (3) breeding of improved grasses, and (4) growing and harvesting grass seed as a commercial crop.

A 20-mile tour through the station to the experimental range north of Fort Supply will afford inspection of (1) tree plantings, extensive grass breeding nurseries, and sorghum fields on the station, (2) three fields of sand lovegrass grown by stockmen for seed production, (3) several ranch pastures airplane-sprayed with 2,4-D for sagebrush control in spring of 1948, (4) a mowed pasture showing outstanding improvement from the practice, and (5) reseeded pastures sown in 1940, 1942, and 1946. Also to be seen on this tour are some of the region's outstanding cattle herds, including Hal Cooper's T.O. Herefords and Arley Hudson's Angus cattle.

Stops will be made on the experimental range to study six reseeded pastures now being grazed experimentally by yearling Hereford steers. Here will be discussed the latest information on choice of grasses for reseeding, their grazing values and reseeding methods.

Final feature of the morning tour will be an inspection of results obtained from extensive airplane applications of 2,4-D for brush control on the Easterwood Ranch west of the experimental range. Every spraying treatment is labeled for convenient inspection, showing the formula, volume, and rate applied.

Noon Hour Program and Chuck Wagon Feed

A free lunch will be served at noon in a shady grove on the experimental range. This will include three fat steers barbecued on the spot by Clay Potts of the Oklahoma A&M College, the Southwest's premier barbecuer.

The noon-hour program will feature brief talks on livestock problems and range forage production by nationally known authorities. R. J. Kleberg of the famous King Ranch in Texas has been invited to appear on this program. Others include E. Hawkins of the Oklahoma Agricultural Experiment Station, T. C. Byerly of the Bureau of Animal Industry, and O. S. Aamodt of the Forage Division, Bureau of Plant

Industry. Radio broadcasts of the day's proceedings will be made by the KSIW Station at Woodward and Edd Lemons, the WKY Farm Reporter from Okla. City.

Afternoon Cattle Inspection

The afternoon program will include inspection of 30 lots of yearling Hereford steers which have been grazed on different grasses and under different systems of management for the past year. Steers wintered on 1 pound of cottonseed cake will be compared with those wintered on 2 pounds of cake and with others wintered on 1 pound of cake and 1 pound of grain. Cattle fed 1 pound of cake in late summer are compared with straight grass cattle. Cattle grazed on native sandy range from which the sagebrush has been largely removed by mowing will be shown next to cattle similarly handled on non-mowed range. Demonstrations will be made of cattle-spraying equipment, both new and old. Pastures grazed heavily, moderately, and lightly for the past seven years will be inspected; also pastures mowed in 1941 and 1942 for sagebrush control and grazed experimentally since that time. Cattle from various systems of deferred and rotational grazing will be compared with continuously grazed cattle.

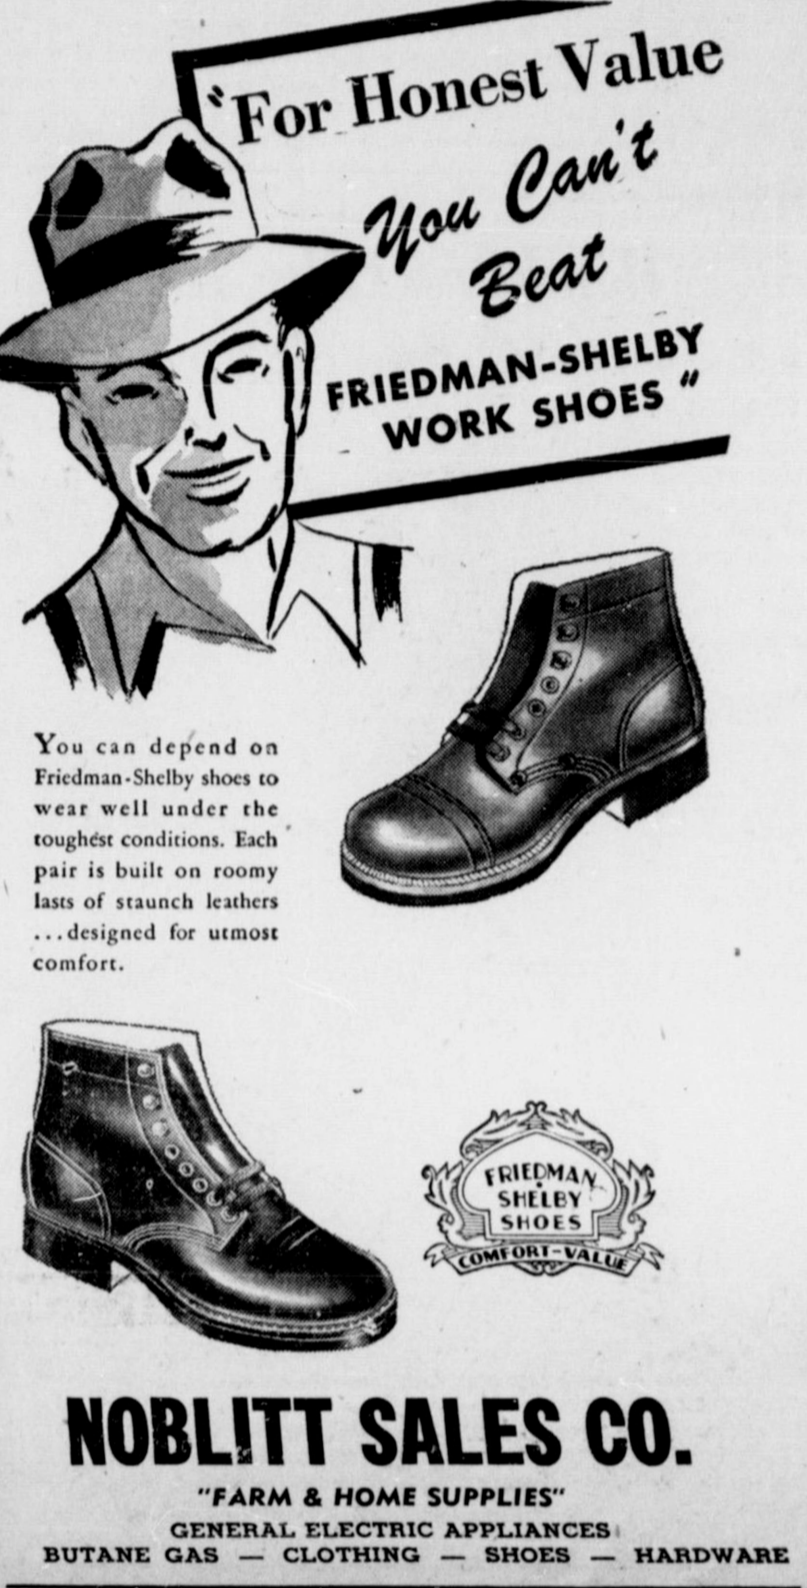

Old-age and survivors insurance benefits are paid as a matter of right for which the wage earner has paid, and should not be confused with welfare or charity grants. You are earning these insurance benefits. Become familiar with the facts about your Federal insurance—facts which may mean money to you at age 65 or to your survivors in the event of your death.

Every employer in business and industry must keep a record of each worker's social security account number and report to the Bureau of Internal Revenue the wages paid each calendar quarter.

From where I sit... by Joe Marsh

Nicest Compliment I've Had

One of the nicest comments I've received about this column was from an editor in the Middle West I called on. And while I don't like to give myself orchids, I think it illustrates a point.

"Joe," he said, "it so happens I don't agree with everything you say, but I always like to run your column. Because it gets down to earth and talks about the right to disagree. And it only asks for tolerance towards the other person's point of view."

He went on to explain, by way of illustration, that he never had happened to have a taste for ale or beer. But that when I spoke of the right to enjoy a moderate beverage like beer, well, he was right there with me!

And from where I sit, that's the important thing: not whether you share another person's tastes or point of view—but whether you recognize his right to exercise a free choice in a free land.

Young Texans Get Magazine Awards

Dorothy Faye Terrell, 15 year-old Plainview girl was named winner of a \$100 award today by The Progressive Farmer magazine in announcing the results of its "Favorite American" contest. The \$100 prize represented the top award for entries made by hundreds of rural boys and girls in Texas and Oklahoma.

Dorothy named Kate Smith as her favorite American, supporting

her choice with the statement, "Kate Smith stands for those things in life that are good, pure and spiritual."

Individual achievement, club leadership and the soundness of reasons supporting the contestants' choice for "Favorite American" were other factors upon which the awards were based.

Grand prizes of all-expense trips to interview their favorite Americans were awarded the two top winners in the Southwide contest which drew thousands of

entries from rural boys and girls in the fourteen Southern states. Seventeen year-old Opal Faulkner of Pine Park, Georgia, top winner for girls, meets her favorite American, Mrs. Eleanor Roosevelt, at Hyde Park today. With her will be Glen McDaniel, 17, Tuckerman, Arkansas, who joined thousands of Southern youth in naming General Dwight D. Eisenhower as his favorite American. The two will see General Eisenhower on Thursday. Accompanying the trip winners will be Earline Gandy, Associate Youngfolks Editor of The Progressive Farmer.

In addition to the top winners, ten \$10 prizes were awarded for each of the five editions of the magazine, including awards to the following Texas and Oklahoma young people:

- Alvin G. Davis, Rt. 3, Post, Texas; Howard Altenhof, Rt. 2, New Braunfels, Texas; Doris Marie Prater, Rt. 2, Lubbock, Texas; Wayne Kroutel, Rt. 6, Glencoe, Okla.; George C. Keith, Box 746, Whiteface, Texas; Dick Andrews, Rt. 1, McLean, Texas; Franklin Delano Smith, Rt. 1, Monroe, Okla.; Jonnie Lou Smastrla, Rt. 1, Axtell, Texas; Evelyn Sander, Rt. 4, Brenham, Texas; La Wanda Shaddid, Box 4, McLean, Texas.

Business firms which cash checks for individuals are taking chances when they accept social security cards for identification. The cards are of value only in maintaining wage records to determine the amount of retirement and family insurance which workers earn.

Annual Convention United Texas Drvs October 28-29

The thirteenth Annual Convention of the United Texas Drvs will be held at the First Baptist Church, Dallas, Texas, October 28-29, 1948. Dr. W. R. White, President of Baylor University, also President of United Texas Drvs will preside at all general sessions. The Convention theme will be "God Citizenship and Beverage Alcohol".

The purpose of the Convention is to encourage total abstinence, strengthen united dry organizations in each precinct and each of the 254 counties in the state, to aid in the enforcement of present laws and encourage the enactment of better laws. The Convention will also magnify local option elections and will offer to assist precinct, county, and district dry leaders in a movement to dry up the state.

When the Convention meets in Dallas, it will be celebrating the fifth anniversary of Dr. Walter H. McKenzie, the Executive Secretary. An appreciation dinner will be given for him Thursday evening at 6:00. Rev. John M. Shuler is chairman of the committee to complete plans for the dinner and the program.

Youth People from every section of Texas will attend this great Convention. Thursday night has been designated as Youth Night. Youth will preside, direct music, and make many of the speeches. Bo Baker, Jackie Robinson, Charles Welborn and other young People will appear on the program. Dr. Roy L. Smith of Chicago, an outstanding Methodist leader of the world, will bring a closing message on Youth Night.

Dr. Walter H. McKenzie, the

Executive Secretary of United Texas Drvs says, "Five Thousand people should attend the Convention from within a radius of one hundred miles of Dallas. Many of these will drive to and from the Convention. Thousands of others from every section of the Lone Star State should attend this great Convention."

Pastors, Laymen, young people, boys and girls, men and women from every section of Texas, who are sympathetic with the five-fold program of the United Texas Drvs are invited and even urged to attend the great Convention in Dallas.

Mr. and Mrs. T. J. Allen of Los Angeles are here visiting his parents, Mr. and Mrs. G. E. Allen west of town.

Mr. and Mrs. Geo. M. Wright of Akron, Ohio spent the weekend here visiting Mr. and Mrs. J. T. Patman and Miss Mantle Graves. Mr. and Mrs. Wright will leave soon for India, he being a representative of the Goodyear Tire & Rubber Co.

Major Henry R. Johnston To Attend Air Command School
Major Henry R. Johnston of Baltimore, Md. has arrived at Maxwell Air Force Base, Alabama, to attend the Air Command and Staff School of The Air University. He is the son of Mr. Robert H. Johnston of Clarendon, Texas.

The new class of the Air Command and Staff School, which will run for five and one-half months, started Monday, July 19. It is the second highest school of The Air University and is for officers who have six to eleven years' commissioned service.

Major Johnston came to The Air University from Westover AF Base, Mass., where he was a Squadron Commander. During the last war he was with the Air Transport Command in India, England, Africa, Australia, New

Guinea, Iceland, Arabia and Iran, and was awarded the Air Medal. Maj. Gen. Robert W. Harper is commanding general of The Air University. The commandant of the Air Command and Staff School is Maj. Gen. Earl W. Barnes.

Two different social security account numbers might lessen and could never increase benefit payments. If you have more than one card return the extra one to the nearest field office of the Social Security Administration. So all your credits can be transferred to one account.

SURPRISE PARTY FOR RATTAN TWINS

The home of Mr. and Mrs. M. L. Rattan was the setting for a surprise birthday party for their twin daughters, Anness and Bernese, on Thursday night, Sept. 16. The party was planned by Mrs. Rattan and Ruth Roberts. It was a hurried affair, as Mrs. Rattan had just returned from a two weeks vacation in Dallas, but was a big success. Mrs. Harry Brumley baked a beautiful birthday cake for the party. It was frosted in white, decorated with eighteen candles and circled by twelve pink roses. Home made ice cream was served with the cake. Those attending were Mr. and Mrs. Frank Blair, Mr. and Mrs. Rolle Brumley, Mr. and Mrs. Joe Goldston, Mr. and Mrs. Andrew Robertson, Mr. and Mrs. Ford Martin, Charlie Bennett, Ruth Roberts, Lania Vee Tatum, Jimmy Bullock, Juanita Carpenter,

James Moore, Bobbie Emmons, Melvin King, Beaty Hillman, Patsy Blair, John Miller Morris, Portia Hay, Danna Ray Howerton, Louva Hunt, Bill Armstrong, Joan May, Dorothy Wood, Judy Riley, J. T. Moreland of Lakeview, and Mr. and Mrs. Noel Jones of Amarillo. Many wonderful gifts were received and admired by all. Everyone reported a wonderful time.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. Tom Murphy announce the engagement and approaching marriage of their daughter Alma Louise to Mr. George L. Hunsaker, son of Mr. and Mrs. J. H. Hunsaker of Mountain Grove, Mo. The wedding will take place at the family home here October 12th.

KAPPA SUB-DEB CLUB

The Sub-Debs met in the home of their sponsor, Mrs. Rufus White, on Wednesday afternoon, September 15. New and old business was discussed. A Sub-Deb article was given by Shirley Brumley. The meeting was adjourned and refreshments were served to the following members and pledges: Jane Johnson, Patsy Blair, Alma Murphy, Pat Pittman, Mae Morris, Doris Wallace, Lois Hommel, Anne Thompson, Juanita Carpenter, Louva Hunt, Jo Ann Davis, Sybil Head, Layma Tatum, Portia Hay and Mrs. Rufus White, Nell Bentley, Shirley Brumley, Nancy Bennett, Alice McCrary, Mary Edna Elmore, Jo Ann Ritter and Jo Anne Sibley.

F. H. A. CLUB

The F.H.A. Club met Wednesday, Sept. 22 in the Home Ec. room. There was a luncheon and afterwards the business meeting in which they discussed the Dallas Fair and decided that fifteen girls from Clarendon can go. They also voted to organize a "Baby Sitting" club and closed with a very nice talk on Parliamentary rules by Miss Romona Rhea.

Mrs. W. R. Franklin of Wayside spent the weekend with her sister and family, Mr. and Mrs. Will Payne.

CLARENDON H. D. CLUB

This Club met at the home of Mrs. Geo. Green Friday afternoon. The roll call was answered by "my pet peeve." The meeting was opened by the club singing America led by Mrs. Watson. Mrs. Estlack read the club collect. Mrs. Anderson, president, presided over the business meeting. Quilt piecing and visiting were the main features of the afternoon.

The hostess, Mrs. Green, served a lovely plate refreshment to Mesdames Lena Antrobus, G. A. Anderson, Red Bryson, A. L. Chase, J. C. Estlack, Claude Darden, Will Payne, H. B. Hill, O. C. Watson, M. C. Rumpy and the hostess, Mrs. Green.

F. H. A. CLUB

The F.H.A. Club met Thursday at noon in the Home Economics rooms. There was first a picnic style lunch and afterwards a business meeting in which they elected new officers for the year. They were as follows:

President, Ladelle Cox; Vice-Pres., Dorris Knorpp; Sec.-Treas., Mary Edna Elmore; Reporter, Doris Louise Smith; Historian, Jeannine Waldrop; Parliamentarian, Romona Rhea.

Special Call Meeting

The F.H.A. Club had special call meeting Sept. 15 at the Home Ec room at lunch and had an informal lunch and afterwards discussed the trip to the Dallas Fair. Also appointed a "Year Book" committee as follows: chairman, Dorris Knorpp; helpers, Ladelle Cox, Mary Edna Elmore.

1926 BOOK CLUB

The 1926 Book Club presented Johnny Linn of KGNC, Amarillo, in a review of Loula Grace Erdman's latest novel, "Lonely Passage."

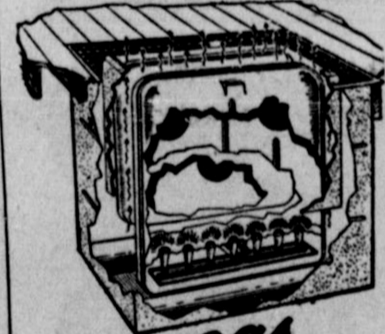

The members of the social committee served as hostesses. They were Mesdames Fred Buntin, Frank Phelan, Sr., C. E. Bairfield, Alvin Landers, and Rayburn Smith. These ladies served punch and cookies from a lace covered table decorated in clematis.

About one hundred ladies listened spellbound to Mr. Linn's delightful review of Miss Erdman's book.

The occasion of the reunion in the W. D. Shelton home Sunday, Sept. 19, was in honor of the birthday anniversaries of W. D. Shelton and Mrs. Sam Robertson, his youngest daughter.

Attractively decorated cakes were furnished by Mrs. L. E. Moreman and Sandra Shelton.

Attending were Mr. and Mrs. W. D. Shelton, Mr. and Mrs. L. E. Moreman, Mr. and Mrs. L. T. Shelton, Douglas and Sandra, Mrs. Sam Robertson, Sammy D., Mr. and Mrs. Dick Shelton, Stephen, Mr. and Mrs. R. E. Moreman, Rickey and Danny, Mr. and Mrs. Joe Paul Pfeiffer.

Mrs. McIlhins left Wednesday for Post where she will stay with her daughter, Mrs. Laclay for an indefinite time.

Health Notes

AUSTIN, Texas — Comparing morbidity reports from ten Texas Counties where there are no full-time local health units, with those from ten other Counties where these units afford efficient health protection, reveals a startling difference in the incidence of communicable diseases, according to a survey released by Dr. Geo. W. Cox, State Health Officer.

Using as a basis of comparison the common childhood disease of whooping cough, Dr. Cox said that this survey showed that the Counties where local health units availed themselves of biologics from the State Health Department were able to hold this communicable disease to a desirable minimum.

"For instance", Dr. Cox said, "take these figures for comparison. In these Counties where there are no health units and therefore where no biologics from the State Health Department were used, the following rates of incidence apply, per 100,000 population: Gaines and Floyd, above 1000; Hale, Dallam, Castro and Cottle above 300; Carson above 400; Bailey and Hartley above 600; and Lipscomb above 750 cases."

By way of contrast to these high rates of incidence, Dr. Cox pointed out that in a representative group of Counties where full-time health units made use of the biologics available from the State Health Department, the following

much lower rates prevailed: Bell, Wichita, Bastrop and Hidalgo, less than 300; Travis less than 200; Smith and El Paso less than 150; Bexar, Dallas and Tarrant less than 100 cases per 100,000 population.

"It is plain to be seen" Dr. Cox said, "that the counties receiving the benefit of a full-time health protection, enjoy a much lower incidence of disease and the resulting lessened danger of death. Public health protection can be had for every citizen of Texas, but only when sufficient funds are appropriated to make possible a full-time local health unit in every one of our 254 Counties", Dr. Cox declared.

Mr. and Mrs. Clyde Butler had for dinner guests Sunday, Mr. and Mrs. Alton Scoggins and daughter and his mother, Mrs. Scoggins, J. B. Cope and Mr. and Mrs. Glen Butler and son Chester, all of Claude, Mr. and Mrs. Earl Butler and son Kenneth, Mr. and Mrs. J. W. Butler and children of Borger, Miss Ida Lee Cope of Amarillo.

Veterans News

Thousands of veterans who contracted malaria overseas during World War II have been cured, the Veterans Administration reports.

Within the next few years, the problem of relapse from war-acquired malaria will be an in-

significant one, VA added. The rate of cures is indicated by VA statistics. During June, 1947, approximately 130,000 veterans were receiving compensation for malaria incurred in service. Nine months later, in March, 1948, this number had dropped to 32,000. It is still declining.

The number of relapses also has declined—from approximately 500,000 cases infected during the war to less than 10,000 at present.

The parasite eventually "burns itself out" in human bodies in from one to three years, although

some cases are known to have remained infected for as long as 20 years. Use of the drugs chloroquine, pamaquine (plasmochin), and the more recently synthesized 8-amino quinolines, such as pentaquine and sopentaquine, have given splendid results, VA said.

Nearly 5,000,000 veteransholders of National Service Life Insurance have not yet converted their term policies to permanent forms of insurance.

The term policies in force represent more than \$31 billion

More than half of the veterans holding converted NSLI policies have selected 20-payment life plans. These number 832,190, or 55 percent of the 1,512,150 permanent NSLI policies in force on June 30.

Permanent NSLI policies amounted to more than \$6.50 billion worth of insurance.

State Fair of Texas In Final Stages Of Preparation

Stimulated by the greatest expansion program undertaken in years, the 1948 State Fair of Texas is in the final stages of preparation for its sixty-third season, Oct. 9-24.

Some 2,000,000 State Fair visitors will discover the "new look" on the 187-acre exposition where over \$3,000,000 has been spent on new buildings and improvements. These include the new \$800,000 Automobile, Aviation and Recreation Building and the \$1,280,000 reconstruction job on the Cotton Bowl.

Utilizing all the skills that weave the glitter and the hard business, the agricultural triumphs and concession offerings into one splendid mass of excitement, officials are preparing for the people of the Southwest an exposition which is bigger and better than anything hitherto presented by the State Fair of Texas.

The layman will see an entirely new-type Agriculture Show that is easy to understand and fascinating to behold because it will present living exhibits of all the major crops of Texas in various phases of growth and maturity.

The Fair's 1948 Livestock Show will feature more breeds of cattle than ever brought together before for a major show, including two national shows, the National Brahman and the National Milk-Shorthorn Shows, Oct. 13-22.

A mammoth exhibit of new automobiles and an equally impressive Farm Implement Show will be other highlights.

Sixty thousand 4-H Club boys and girls, Future Farmers and Future Homemakers will be guests of the State Fair Oct. 16. Rural Youth Day, the largest gathering of Rural Youth ever to assemble at one time in one place.

Nine colorful games will be played in the Cotton Bowl, including the University of Texas-University of Oklahoma on Opening Day, and SMU-Santa Clara on Oct. 23.

Heading the entertainment field at the Fair will be Jimmy

Durante and Harry James in the Auditorium; the "Flying L" Rodeo, starring Jimmy Wakely, cowboy star of screen, stage, and radio; the third all-new edition of "Ice Cycles of 1948," and Ferraro, "the psychic horse with the college education."

Mrs. Julia Cooke Smith and Alex Cooke and his son Alex Jr. were recent Clarendon guests. Mrs. Smith is on the clerical staff of St. Anthony's Hospital, Amarillo. Cooke is secretary-treasurer of The Homer G. Maxey Wholesale Co. of Lubbock and Wichita Falls.

Mrs. W. D. Martin returned home Wednesday afternoon after a few days visit with her sister, Mrs. Stewart at Ft. Worth. She went with her daughter and husband, Mr. and Mrs. Puett of Amarillo. They attended a convention at Dallas.

Mrs. F. E. Williams of Amarillo spent the weekend visiting her brother and family, Mr. and Mrs. D. F. Wadsworth.

Mr. and Mrs. H. L. Pierce of Hedley visited Sunday with their daughter and family, Mr. and Mrs. Truett Behrens.

Mr. and Mrs. O. C. Watson and Mrs. Lena Antrobus left Tuesday morning for a visit with relatives at Ft. Worth and Dallas.

Mrs. Lola K. O'Neal of Ft. Worth spent last week end with Mr. and Mrs. C. E. Killough after vacationing for the past month in Colorado.

Mrs. E. P. Shelton returned home Wednesday night after a few days visit in Dallas.

Mrs. Sally Haley who has been in the hospital at Amarillo, seriously ill, is able to be moved to the home of her daughter, Miss Thyra Haley.

Mrs. Lola Barns received word from her son Bert that the Navy had turned him down because of his eyes. He is attending the University at Albuquerque.

Arline Dozier of Amarillo was brought home Monday on account of illness.

Ray Palmer returned home Monday from Dallas where he had been for a week of medical treatment.

Mr. and Mrs. Geo. Harold McKee of Borger visited his parents, Mr. and Mrs. Geo. McKee the weekend.

Mr. and Mrs. Russell Beberstein from Attica, Kansas are visiting her parents, Mr. and Mrs. Rayburn Smith.

Mr. and Mrs. Lee Shelly who visited her parents, Mr. and Mrs. John Rhodes and family, returned to their home at Olney Sunday.

All of the people acting foolish aren't acting.

We've Expanded . . . To Give You Still More Efficient FORD SERVICE

We've been working for months . . . remodeling, expanding, installing new equipment, getting all set to give you the prompt, skillful service your Ford should always have.

Now we're ready . . . and we'd like to have you come see our bigger, better service department for yourself . . .

. . . and to meet our new Service Manager

MR. L. D. GAMBLIN

12 years experience as service manager with Walter Irvin, Inc. at Amarillo.

You'll See More Space, Less Crowding, More Efficiency

when you bring your Ford "back home" to our Service Department. Special Ford Equipment is installed here to do a faster, surer job. It's modern equipment: the "last word" in its field. Our parts department is well stocked with Genuine Ford Parts, too . . . the kind that are made right to fit right and last longer.

You'll Find Plenty of Ford-Trained Mechanics, Too

Our mechanics know Fords from "A" to "Z." They've been trained in Ford service methods . . . they use special tools . . . they do the job faster and more efficiently, whatever the job may be. That's another good reason to bring your Ford "back home" to us. And incidentally, we have enough mechanics and enough parts so that we can give you prompt service on practically every job.

Pay us a visit. We're proud of our expanded quarters . . . and you're always welcome.

RETIRED RAILROADER NOW HAILS RETONGA

Found Prompt Relief from Muscular Aches and Pains. Tormenting Distress of Acid Indigestion, Bloating and Constipation. Glad He Gave Retonga A Trial.

"I am very grateful to Retonga for the way I feel today," happily states Mr. W. M. Jones, respected citizen and home owner of 1013 So. 17th St., Waco, Texas. A member of the Brotherhood of R. R. Trainmen, Local No. 710, Mr. Jones was a railroader for 30 years.

"I don't see how anyone could have suffered more than I did and live to tell about it," continues Mr. Jones. "I was forced to live on soft food, eggs, milk and broths. Tormenting distress from acid indigestion, gas and bloating followed every meal. I had to use strong purgatives nearly every day. Every muscle in my body seemed to ache and pain and I

CHILDREN VISIT PARENTS Mr. and Mrs. J. A. Warren enjoyed having all their children home over the weekend, except one daughter. Besides those residing here in Clarendon, and who were visitors, were Mr. and Mrs. Tommy Mandril of Raton, N. M.; Mr. and Mrs. Wayne Tiller and children, Pamela and Derryl of Muleshoe; Mr. and Mrs. J. A. Warren Jr. of Borger; Mrs. Lilla Moore, and Mr. and Mrs. Russell Cork of Amarillo. Mrs. Cork is a granddaughter of the Warrens. Mr. Mandril returned home Sunday, Mrs. Mandril remaining over for the week.

Mr. Bob "Hog" Williams of Amarillo visited friends in Clarendon Tuesday. He is said to have shipped more hogs out of Donley county than any other single man during the long years of residence here until he moved away in the late 20's.

John Butler, movie king of Claude, visited relatives and friends here Monday.

seldom got a good night's sleep. I was off in weight and felt so weakened and run-down that I could hardly walk across the room.

"Retonga brought me such prompt relief that I regret not knowing about it sooner. I eat three hearty meals a day now without suffering afterwards, and I have regained much of my weight and strength. I sleep good, have left off strong laxatives, and no longer suffer those throbbing muscular aches and pains. I feel so much better that I will always be thankful to Retonga."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to give you gratifying relief, your money will be refunded. You can get Retonga at Rexall Drug Store. —Adv.

ONE FLAG IN A TROUBLED WORLD

Even in these days of strife and tumult there flies one flag that is the same the world over. It is the flag of an army militantly fighting for peace in 97 countries.
The blue, red and yellow banner of The Salvation Army will be 70 years old September 26, and it is most fitting that we pay tribute to this ensign of an international army whose motto is "Marching forward to a better world with heart to God and hand to man."
This tri-color is the flag of love, hope and mercy for men of all races, creeds and colors, and during its seventy years it has gained

the bloodless victory of truth and mercy—the victory that men and women who believe and who are willing to abandon their own devices for the plan of God can find peace in our world.
In the early days this flag was attacked, insulted and ridiculed, but the more it suffered, the greater became its spiritual strength, until the ridicule turned to respect and the insults became tributes to the devotion and self-sacrifice of the men and women who marched beneath it.

This is the flag that flies over a Displaced Persons camp in Berlin, Germany, where refugees of 42 nations are represented. This is the flag which will fly over the Texas Capitol in Austin September 26, the day which Governor Beauford H. Jester has designated "Salvation Army Flag Day" in recognition of valiant service in Texas at all times where human need arises.
This is the global flag of hope for peace in a troubled world. We salute this flag — this prophetic guidon of The Salvation Army.

Mr. and Mrs. A. W. Simpson returned home Thursday from a three weeks visit with relatives. They went to see Mr. and Mrs. Harrison Simpson and son Gordon at Joliet, Ill., then on to Mr. Simpson's old home at Sardin, Miss., which he had not seen for 46 years. They visited relatives on down through Kansas and Okla. They report a lovely trip all the way round.

Mr. and Mrs. Wayne Tiller and J. A. Warren were business visitors in Amarillo Saturday.

Mr. and Mrs. C. L. Kirk announce the birth of their first great grand child, a daughter born to Mr. and Mrs. B. J. Jenkins of Dallas Tuesday, Sept. 21st. Mrs. Jenkins will be remembered here as Jeanine Day, daughter of Mr. and Mrs. Hubert P. Day.

Mr. J. H. Howze and son Jimmy were in Amarillo Saturday for medical treatment for Jimmy. They also visited Mr. McDowell and Mr. and Mrs. J. E. Mongole at the St. Anthony hospital. They were resting very well.

FARM NEWS

(Continued from Front page) year. Mr. Taylor points out that all of the advantages still apply to this method of harvesting.

Pat Hinton was in the office the other day and informed us that he was planning to build more terraces on his place with AAA assistance, and he is also planning to double the size of the terraces which he now has, at his own expense. Pat states that the cost of the enlargement will pay for itself in a year or two by making the terraces more easily farmed and lessening the chances of breakage. He adds also that he will have good terraces when they have paid for themselves and when they will make him money.

Mr. Minick got the car of Austrian winter peas he had ordered from Martin-Lane Company of Vernon. There were 201 sacks of Peas in the shipment and filled orders of 19 farmers in this county. All but 20 sacks of these peas will have an application of 20% Superphosphate, and all of them are being inoculated with nitrogen.

We still lack a little bit having enough orders for rye to complete a load. I thought possibly last week that the load would be completed by the time the paper went to press. Guess there wasn't as much shortage of rye seed as there seemed to be at the beginning of the program.

Mr. and Mrs. A. O. Hott have returned home from Houston where they visited their daughter, Mr. and Mrs. G. G. Gregory and new grandbaby Kathleen and their son James Earl. They also visited their son Mr. and Mrs. Wilfred Hott at Bryan.

DR. ARNOLD T. OHRN TO SPEAK ON BAPTIST HOUR

Atlanta, Sept. 22 — "Religious Tensions in Europe" will be the subject of The Baptist Hour for September 26, with Dr. Arnold T. Ohrn, Executive Secretary of the Baptist World Alliance as speaker, it was announced today by the Radio Commission of the Southern Baptist Convention, Atlanta, S. F. Lowe, Director.

Heard over Station KGNC at 7:30, the Baptist Hour series "Christ Is Lord" will also feature Dr. Ohrn as speaker on October 3rd. His subject then will be "The Christian Message for the World Crisis."

Formerly president of the Baptist Theological Seminary, Oslo, Norway, and past president of the Baptist Union of Norway, Dr. Ohrn has recently come to Washington, D. C. to assume his new duties as Executive Secretary of the Baptist World Alliance.

Speakers for the remaining weeks of The Baptist Hour will be W. Maxey Jarman and Dr. James L. Sullivan, both of Nashville, Tenn.

Mr. and Mrs. J. R. Cowan and daughter Kathlyn visited the first of this week with homefolks. They returned to their home at Borger Tuesday.
