## Donley Fair Activities To Begin Friday

### Annual Fall Flower Show To Be Held Friday And Saturday At Fair Grounds

The Les Beaux Arts Club annual Fall Flower Show will be held this year in conjunction with the Donley County Fair and Horse Show this Friday and Saturday at the county fair buildings in southeast Clarendon.

This is the one opportunity of the year whereby residents of this area can easily see what beautiful flowers are actually grown by flower lovers in this area. The public is invited to attend and also to enter flowers for the exhibit.

The club president is Mrs. W. J. Lewis Jr. and the committee in charge is Mrs. J. D. Swift, Mrs. J. W. Evans, Mrs. W. W. Taylor and Mrs. Frank White Jr.

### Bronchos To Play Eagles At Canyon Friday Night

The Clarendon Bronchos will take to the road again this week and journey to Canyon where they will meet the Canyon High School Eagles at Buffalo stadium Friday evening at 8 p. m.

This is expected to be a quite evenly matched game with the Bronchos holding a very good chance to win, barring any unforeseen casualties. The Bronchos will be hampered somewhat with two regulars on the sidelines due to injuries received in last week's game with McLean. Bradford and Wilson both will be out for several weeks due to their injuries. Bradford received a dislocated wrist and Wilson received a sprained neck and has been hospitalized since the game up until this morning when he was brought home and reported doing very well. Risenhoover who has been out for several weeks will be able to see action again this week at an end position.

The co-captains for the game will be Bulman and Travis Mulanax and the probable starting lineup for the line, starting with right end will be as follows: Heatherly, Sullivan, Christie, White, Travis Mulanax, Tatum and Leon Mulanax. In the backfield will be Jenkins as Quarterback, Littlefield as left half, Carlile at right half and Bulman in the fullback position.

Remember that the game will be played at Buffalo stadium, so if you can make arrangements, be sure to go along and give the Bronchos all the moral support that you can.

Saturday night, the entire Bronco squad will go over to Phillips to see the game between Phillips and Shamrock. This will give the Bronchos some idea of what to prepare for when they meet the Irishmen later on in the season.

### LAST RITES HELD WEDNESDAY FOR WOODROW DEVENPORT

Last rites on American soil were held Wednesday afternoon at the First Methodist Church for Pfc. Woodrow Devenport with Rev. S. W. Hayne officiating. Military rites were conducted at

the cemetery with the local V.F.W. Post in charge.

Pfc. Devenport was killed in action in Germany, November 26, 1944 and was temporarily interred in U. S. Military Cemetery near Limey, France. He was educated in the Clarendon schools and entered the service in January, 1942.

Survivors include his mother, Mrs. Mattie Devenport, 4 sisters, Mrs. Annie Thompson, Sayre, Okla., Mrs. May Wilkinson, Clarendon, Mrs. Lois Moree, Dalhart, and Mrs. Lola Cloyde, Dalhart; 5 brothers, Ralph and Ira of Clarendon, Clarence of Hillsboro, Charles of Canyon and J. D. of Wilson, Okla.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

### Aviation Club To Sponsor Dance October 9th

At their regular scheduled meeting last Tuesday, Sept. 28, members of the Donley County Aviation Club voted to sponsor a public dance for the opening of their newly acquired club house and recreation lounge. Saturday night, October 9th was the date set and 9 p. m. the hour.

The club house is located on the Municipal Airport about half way down the parking ramp. The building itself is a surplus Army medical unit complete with hardwood floors, etc.

The music for the dance will feature all the very latest pieces from boogie to waltzes and nearly any request for nearly any type of music will be fulfilled. Coca-Cola, coffee and doughnuts will be available and admission will be 75c per couple and 50c a stag.

Special attractions are being planned which will be announced in next weeks paper. A cordial invitation is extended to the dancing public to come out and enjoy themselves.

### McLean Defeats Clarendon In First Conference Tilt

The McLean Tigers defeated the Clarendon Bronchos here Friday night 19-0, in the Bronchos' first conference tilt of the season. The Tigers scored in the first, second, and third quarters, but were held by Clarendon in the fourth.

In the second quarter, it looked like the Bronchos might score against their strong opposition. Jimmie Jenkins completed a pass to Gene Bulman for a gain of some 20 yards; Duane Littlefield ran the ball 31 yds. in the following play to bring the total gain to better than fifty yards and deep into Tiger territory. However, a second pass attempt brought them bad luck when it was intercepted by McLean's Johnny Griffith.

The Bronchos were out-scored, but far from out-fought. Although they played an almost entirely defensive game, they repeatedly held the onslaught of the fast and clever McLean backfield.

Three Clarendon players were injured during the game. Rex Bradford was taken to a Groom hospital with a broken wrist which will keep him off the gridiron for some time; Wayburn Wilson's neck was injured which will keep him from playing also for quite some time; Odell LaGrone suffered sprains that will no doubt keep him from playing in the near future.

### Thursday, October 7, Is Clarendon Day At Tri-State Fair

Thursday, October 7 is Clarendon Day at the Tri-State Fair. The citizens of Clarendon and Donley County are especially urged to visit the fair on this day. The schools will be closed so that students might all go on one day. "We hope that the people of Clarendon and Donley County will take advantage of this day to visit the Fair," stated Rex B. Baxter, Manager of the Tri-State Fair, Amarillo.

The featured attraction this year will be the nationally known radio show "Ladies Be Seated" starring Tom Moore and Aunt Jemima. Tickets may be purchased in Clarendon at the Chamber of Commerce.

Of especial interest to the livestock people of this area is the recent announcement about the herd of cattle from the famous King Ranch. This is the Santa Gertrude breed, the only American breed of cattle, will be at the Fair.

Basically, one of the most important features of the Fair will be the State Wheat Contest.

The FFA and 4-H Club boys of this area will vie for honors of the wheat kings of Texas.

Today and tomorrow are the big days at Clarendon. The Donley County Fair with its watermelons, horses, and what have you. Anyway, I hope I can attend all of these shows.

As if in answer to my thoughts about the Fair at Clarendon, with its watermelons, etc., down out of the sky came a little yellow plane with a couple of the nicest ones that I have ever eaten. Vine ripened, sweet, and luscious (I am borrowing this word from Uncle Jay's description of some of these (See PLOWIN' OUT, back page)

### TWO FIFTEEN YEAR OLD YOUTHS STEAL CAR HERE

Due to the hour, quick action of the owner and the sheriff's department, a 1942 Ford coupe was recovered near Memphis within a short time after the vehicle was stolen here last Saturday noon by two Houston youths. The car belonged to Johnnie Johnson.

To start out with, the Houston youths, Roy Dean and C. W. Wise Jr., started their spree last Thursday. They hitch-hiked from Houston to Crockett, Texas where they stole 2 motor bikes at the school. They used these until they arrived at Grapevine Friday noon where they stole a 1948 pick-up loaded with a hog. They drove out of town a few miles and sold the hog for 14 dollars and then drove on to Amarillo where they turned around and back tracked to Clarendon where they decided an automobile would be better for their purposes and stole the 1942 Ford belonging to Johnson which he had parked at the side of his house only a few minutes before. The Sheriff's department was alerted and the boys were picked up this side of Memphis a short time later by deputy Truett Behrens. They abandoned the pick-up near Lelia Lake where they drained all the gas out and put it in the automobile.

The sheriff from Crockett picked the youths up here Tuesday morning and returned them to Crockett where they will be billed on several accounts.

Sheriff Guy Wright is warning all auto and truck owners to take their keys out of the vehicle when leaving it for only a few minutes as such incidents as the above are happening more and more each day.

### LOCAL MEN ON RADIO PROGRAM SUNDAY AFTERNOON

A program featuring Home-town Editors over the Panhandle which is broadcast each Sunday afternoon at 1:30 p. m. over station KAMQ, Amarillo, will be devoted to the interest of Clarendon and Donley County this coming Sunday with county agent, Flip Breedlove and G. W. Estlack, appearing on the program.

### Horse Show And Races To Highlight Fair Program

The Donley County Fair, Horse show and races will be held in Clarendon this Friday and Saturday, October 1st and 2nd, at the fair grounds located on the Brice highway.

In connection with the fair will also be the annual Flower Show for Donley county, sponsored by the Les Beaux Arts Club. Flowers will be put on display at the fair grounds Friday morning and everyone in the entire county is invited to bring flowers in to the show by nine o'clock the morning of the first. The members in charge of the flower show are Mrs. W. J. Lewis, president; members are Mrs. J. D. Swift, Mrs. J. W. Evans, Mrs. Frank White Jr., and Mrs. Walter Taylor. Anyone wanting information about the displaying of flowers is urged to contact one of the members of this committee. This promises to be one of the largest flower shows ever held in Donley county, and every one is urged to enter flowers in this show.

Community agriculture exhibits from the following communities have been pledged to show at the fair: Ashtola, Martin, Lelia Lake, Goldston, Midway, Hedley, Windy Valley, Chamberlain, Naylor, Sunnyview, Giles, McKnight and Bray. The community exhibits will be on display by nine o'clock the morning of the first and will remain on display both days of the fair. All communities will arrange displays on Thursday afternoon of the 30th.

Mr. V. E. Hafner will judge the community exhibits and \$25.00 will be given for first prize; \$10.00 second and \$7.50 for third prize. All other exhibits will receive five dollars each whether they place or not.

Three home economic classes have entered exhibits and they are from Hedley, Lelia Lake and Clarendon. Prizes will be given as follows: First \$15.00 and Second \$10.00. There will also be two club exhibits by club boys from Hedley and Clarendon.

Swine will be judged on Saturday morning at nine o'clock. Sears, Roebuck swine program will be judged at this time. All boys will have their swine in the pens at the fair grounds by nine o'clock in the morning. Swine by club boys other than Sears pigs will be judged separately.

The horse show will be held the afternoon of October 1st at 2 p. m. at the roping grounds. The judges will be Cy Courtney of Matador, judging the Quarter horses, and Babe Jones of El Reno, Oklahoma, judging the Thoroughbreds. There will be a charge at the gates of fifty cents and twenty five cents admission. There will be an entry charge of two dollars for each horse entered in the show. Four hundred dollars will be given in prizes at the horse show.

The two breeds of Quarter horses and Thoroughbreds will be judged separately and a champion of each breed selected.

A contest for children will be held in connection with the horse

show of riding barrels.

The classes and premiums as follows are for each breed of quarter horses and Thoroughbreds, and they will be judged separately and not compete against each other. The Quarter horses will be judged and then the Thoroughbreds, and the following is premiums for each breed:

1. Filly Colts, foaled during 1948; 1st \$8.00, 2nd \$7.00, 3rd \$5.00
2. Filly colts, foaled during 1947; 1st \$8.00, 2nd \$7.00, 3rd \$5.00
3. Filly colts, foaled during 1946; 1st \$8.00, 2nd \$7.00, 3rd \$5.00
4. Brood mare class: 3 years old or older; 1st \$8.00, 2nd \$7.00, 3rd \$5.00
5. Stud foals, foaled during 1948; 1st \$8.00, 2nd \$7.00, 3rd \$5.00
6. Stud or gelding, foaled during 1947; 1st \$8.00, 2nd \$7.00, 3rd \$5.00
7. Stud or geldings, oaled during 1946; 1st \$8.00, 2nd \$7.00, 3rd \$5.00

9. Geldings, 3 years old or older; 1st \$8.00, 2nd \$7.00, 3rd \$5.00.
10. Sire and 3 gets, or mare and 3 foals; 1st \$8.00, 2nd \$7.00, 3rd \$5.00.

All of the above classes will be shown at the halter at 2 p. m. the afternoon of the first at the Roping grounds and this horse show is open to all counties.

The races will be held the afternoon of the Second of October at 2 p. m. at the Clarendon Air Port. Admission will be seventy-five cents for adults and thirty-five cents for children. Five races will be run before matched races are run.

The Donley county fair will give twenty-five dollars to each race and an entrance fee of ten dollars per race will be charged each horse. This money will all be put together and split sixty-four between the first two horses in each race. There will be no charge for the kid pony race, and twenty-five dollars and ten dollars will be given the first two horses.

Races are as follows:  
1st race—2 year olds: 220 yds. (open to all counties).  
2nd race—3 year olds or older: 330 yds. (open to all counties).

3rd race—Kid pony race: 200 yds. (open to all counties).

4th race—Donley county open race for cow horses, ridden with stock saddles: 220 yds. (Donley county entries only).

5th race—Relay race: 400 yds. (open to all counties, 3 horses to team, one rider; he will change horses and saddles when he completes each 400 yds.)

Match races will follow the scheduled races, and no premium will be given.

The poultry show will be held both days of the fair, and all poultry must be in the pens at the fair grounds by Friday the First at 9 a. m. Poultry will be put in the respective classes when it is brought to the fair grounds. All breeds can be shown in either pens of three or individuals. One dollar will be given for first place in each class and fifty cents for second place. Breeds will be judged separately.

The poultry show is open to every one, and every one in the county and town are urged to bring poultry to the show and help it be one of the largest poultry shows ever held in Clarendon.

Mr. C. L. Lewis, president of the show; H. M. Breedlove, secretary and manager and Johnny Leathers, treasurer, speak for the entire show board in urging every one to attend the fair, see the agriculture exhibits, flower show, poultry, swine, merchants exhibits, horse show and the races.

### BISHOP WILL VISIT EPISCOPAL CHURCH SUNDAY

The Rt. Rev. George H. Quarterman, Bishop of the District of North Texas, will make his annual visitation to the Episcopal Church in Clarendon. The Rite of Confirmation will be administered.

After the service the members of the Church will hold their monthly luncheon at the home of Mrs. W. H. Patrick. All are welcome to both the service and the luncheon.

Joe Herron of Borger visited in the Johnny Beard home Tuesday.

## Adair Hospital Taken Over By County

### SERVICES MONDAY FOR PIONEER LADY

Funeral services were held Monday afternoon at the First Baptist Church for Mrs. Annie E. Silvey Sims with Rev. L. A. Sartain officiating.

Mrs. Sims, age 86 years, passed away at her home here Saturday afternoon following a quite lengthy illness. She had been a resident of Clarendon for the past 46 years and was a member of the First Baptist church.

Survivors include her husband, William B. Sims, two daughters, Mrs. Eva Draffin of Clarendon and Mrs. A. O. Walker of Amarillo. One son, William Arthur Sims of Ft. Worth, three grandchildren and one great-grandchild.

Pallbearers were O. C. Watson, R. R. Dawkins, A. W. Simpson, Crockett Taylor, Joe Goldston, and Sam Lowe.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

At a meeting Tuesday morning it was revealed that the Adair Hospital Corporation had bought the contract and hospital equipment in the Adair hospital from Dr. Keith S. Lowell and had leased the hospital and equipment to the county.

The commissioners court has been petitioned to call an election for a maintenance tax to operate the hospital. The tax is estimated to be around nine cents on the one hundred dollar valuation. The election will be called for the same date of the general election November 2nd, which will avoid the expense of a called election.

Under the new set-up, the hospital will be operated as a county wide institution with an open staff of doctors.

It was pointed out to the writer that this is something that Donley county has been needing for a long time as at the present time anyone needing to go to a hospital has to go out of town for this service causing a greater expense and possible loss of life.

## First Dollar Day To Be Held Next Wednesday

The first trades day in the form of Dollar Day will be held in Clarendon next Wednesday, October 6th. There will be bargains of all kinds offered by local merchants on this date and it will be the opportune time for residents in this area to come to town and enjoy shopping for most any item they have in mind and save considerable money. Items offered in many of the dollar day ads in this issue of the Leader range from a few cents to a few dollars but noting the regular price, there are substantial savings all the way around.

The Dollar Day program was agreed upon last week by over 70 merchants who are sponsoring the program in conjunction with the Retail Merchants committee of the Chamber of Commerce.

These local merchants participating in the new Dollar Day program are inviting the buying public in this trade area to come in and actually see how much they can save by trading right here in Clarendon.

Another program was set up this week that will work right along with the Dollar Day, but will be held every week instead

of just one week or one day out of each month. It will be in the form of a regular trades day with a treasure chest which is very attractive and will be explained by the Chamber of Commerce secretary when the material for the program arrives within the next two or three weeks.

The big feature right now is the first Dollar Day, so don't forget the date, next Wednesday, October 6th, so you can take advantage of the many bargains offered by practically all merchants in Clarendon.

**Outstanding Events To Great State Fair Visitors, Oct. 9-24**

The thirty million dollar, sixty third State Fair of Texas, which Lone Star Staters proudly call "The Show Window of the Southwest," will get under way next week with probably more fanfare

than ever attended any previous state fair. Dates are Oct. 9-24.

Officials say this is the largest fair, and the most costly to produce, they have ever attempted. It has required more people to put it together. More than 2,000,000 are expected to attend. Last year's attendance was 1,763,921.

Governor Beauford Jester will formally open the Fair and dedicate the new \$800,000 Automobile, Aviation and Recreation Building.

Topping the list of opening day attractions will be the Texas-Oklahoma football classic. This will be the "coming out" party for the renovated Cotton Bowl, just rebuilt and enlarged at a cost of \$1,280,000.

Almost as popular with Fair visitors will be the hilarious Jimmy Durante-Harry James

show in the Auditorium, the new "Ice Cycles" show, the "Flying L" Rodeo, Million Dollar Midway, and the most colorful array of displays ever seen in the Fair's huge exhibit halls. These will include shows devoted to automobiles, aviation, electrical industry, petroleum, foods, textiles, culinary and antiques, agriculture, livestock and poultry.

Opening day is traditionally Press and Radio Day in honor of Texas newspapers and radio men.

Formal opening of the Fair will be preceded by a mile-long parade through downtown Dallas.

Despite its enormous size, the State Fair of Texas has managed to retain some of the flavor of the old country fairs. Advance interest in the 1948 show of pickles, preserves, jams and jellies, textiles and antiques has amazed even Fair officials.

On Oct. 16 the rural youth of Texas, 60,000 strong, will take over the Fair, breaking all previous records for gatherings of 4-H Club members, Future Farmers and Future Homemakers.

Another outstanding event will be participation on Oct. 24 of twenty school bands and some 2,500 young Texas musicians in a Band Festival and massed concert in the Cotton Bowl.

Theme of the 1948 State Fair is "Everybody's Going," and the Fair's new singing commercial tells the world that —

"All Texas is rarin' to go— To see the country's biggest Fair, It's everyone's show!"

**EPISCOPAL FAMILIES SPONSORING RADIO PROGRAMS**

"Great Scenes From Great Plays", an entirely new departure in religious radio programs, sponsored by the Episcopal families of Clarendon, will be broadcast for the first time on Friday evening, October 1, from 7:00 to 7:30 p. m. over Station KVAL, Amarillo and every Friday evening thereafter.

"Cyrano de Bergerac", Edmond Rostand's timeless drama of self-denial, starring the beloved veteran actor Walter Hampden, who created the part of the daring, poet and philosopher Cyrano in more than 1,000 stage performances, will be the first "Great Play" to be broadcast coast-to-coast over 500 stations of the Mutual Broadcasting System. This unusual radio series is produced by the National Council of the Protestant Episcopal Church with the cooperation of the 800 members of the Episcopal Actors' Guild. Mr. Hampden will act as host for all subsequent programs.

Mr. and Mrs. T. J. Allen of Los Angeles, Calif. are visiting his parent, Mr. and Mrs. Dick Allen and his sister, Mrs. W. C. Larimer. They are enroute home from Washington, D. C. where Mr. Allen conducted business in securing a patent on certain mechanical products.

**Health Notes**

AUSTIN—An interesting sidelight on public health in Texas was revealed in the morbidity report of the Texas State Department of Health for the weekend ending August 28th, which showed a total of 2 cases of smallpox for this year, while in the same period there were 588 cases of diphtheria.

Commenting on these comparative figures, Dr. Geo. W. Cox, State Health Officer stated that diphtheria is as readily controlled by immunization as is smallpox, but that apparently the public has failed to recognize this fact, or to act upon it.

"Smallpox, which is highly contagious, is no longer considered a major health problem in Texas", Dr. Cox said, "and this is due to widespread vaccination against the disease. Diphtheria, equally

contagious, can also be reduced to the point where a single case is a rarity, but only when parents awake to the fact that every child should be immunized in infancy. The baby's doctor will recommend when this should be done, and if all children were given this protection, there would be none susceptible to contract this killing disease.

Ordinarily the immunity provided by diphtheria toxoid lasts a child until he is of school age, however a Schick test should be given before the child enters school. If needed, an additional shot of toxoid should be administered.

"When all children are routinely immunized against this dreaded disease, it can be virtually eliminated as the health hazard that it now is, to the boys and girls of Texas," Dr. Cox declared.

## PATHFINDER CLUB

Introducing the year's activities, the Pathfinder Club was entertained at a dinner on Friday evening in the Club Room. Mesdames Pete Kunz, W. H. Patrick and Curtis Mears were hostesses. The invocation was given by Mrs. A. T. Cole. Accompanied by Mrs. R. C. Bolton, the club chorus composed of Mesdames Allmond, Holland, Howze, Hurst, J. L. McMurry and Powell, sang "A Prayer" and "Lullaby Moon" by Brown. Mrs. C. E. Bairfield very graciously discussed the highlights of the previous year in the history of the Club.

Mrs. Ernest Hunt, retiring president, using as a theme "Carry On" addressed the club and expressed her appreciation to members and officers for the past year, and at the close introduced the new president Mrs. O. W. Elliott. Mrs. Elliott presented the other officers for the new year. The business session was in charge of the new president.

Climaxing the evening's entertainment, Mesdames J. L. McMurry and Elliott gave two piano duets, "A Waltz by Straus and Gallop by Litz."

Roses, dahlias and lace vines in silver bowls featured the decorative theme. A very appetizing menu was served by the girls of the High School Home Economics class. Manuscript folders with menu and program marked the

places of those attending.

Covers were laid for Mesdames Lena Antrobus, Carl Allmond, C. E. Bairfield, R. C. Bolton, U. J. Boston, A. T. Cole, L. N. Cox, Ed Dishman, J. W. Davidson, O. W. Elliott, Marguerite Goodner, Billie Greene, Lee Holland, J. H. Howze, Ernest Hunt, Basil Hurst, R. Y. King, Pete Kunz, O. D. Lowry, S. W. Lowe, C. T. McMurry, J. L. McMurry, Curtis Mears, C. B. Morris, J. T. Patman, W. H. Patrick, J. R. Porter, Simmons Powell, Paul Shelton, J. G. Stewart and Miss Ruth Richerson.

# The 1949 KAISER...

here today!

## MORE THAN 103 NEW FEATURES AND ARRANGEMENTS

There's big excitement in our show-rooms these days, folks! It's all because of the 1949 KAISER, on display at our dealership now. And frankly—we're just as excited as any of our visitors. We didn't see where big improvements could be made in a car already proved years ahead by more than a quarter

million owners in more than two billion miles of driving—but they've added 103 new features and refinements for '49 to the other fully-proved Kaiser-Frazer values! You'll have to see these cars to know what we're talking about.

Come in today and let us show you!

**"Lubri-tection!"**\*

And That's What Smart Motorists  
 Are Saying Again and Again To Get—  
**Phillips 66 Premium Motor Oil!**

What's all the excitement? Mister, here's a brand new word that says everything about what a great motor oil will do for you!

You see, you get both lubrication and protection from Phillips 66 Premium. You get the fine, basic lubricating qualities that come from high quality crude, expertly refined. And you also get an oil which has been improved with additives and inhibitors to help relieve your motor of sludge formation and other harmful deposits.

That's a lot to get from one motor oil—but that's what you get when you say "Lubri-tection"! So switch to Phillips 66 Premium Motor Oil today!

When a woman marries, she should go to the nearest social security office or post office to have her married name entered on her social security card. She should do this whether she stops working or intends to work under her married name. When an employer substitutes a woman's married name for her maiden name on his social security tax returns, he should make sure she has registered the change with the Social Security Administration.

beauty queens). Anyway, thanks and thanks to Willard Knox, of Lelia Lake for the treats. Somehow it all warms us up inside to have someone be so nice to us. And makes us all the more want to try to be worthy of our friends.

Had a letter this week from our friend George Young, and George was a little put out with us, and I don't blame him. Anyway, he sent us some material for our column and we didn't even say Thank You. I don't know what could have happened, but we never did get the letter. George didn't keep a copy so all was lost. Anyway, George says he will forgive me this once, and invites us to visit him at his new job with KAMQ, and we will. He says "If we like more music and less Soap Operas, to tune him in", and invites us to listen to his "Home Town Editor Speaks" program on Sunday afternoon. Thanks a lot George for thinking about us.

Thanks again to my Uncle, and to George, for helping me out with something to write about this week, and I hope more and more of you will write in. It is just about all the pay that I get, and is probably more than I deserve.

If too many people are down on us, we probably ought to get up.

## Rev. W. E. Hamilton To Attend Ohio Meet

Rev. W. E. Hamilton of Clarendon, Superintendent of the Clarendon District of the Methodist Church, will be among the 800 leaders of that denomination who will attend a nation-wide conference in Columbus, Ohio, Oct. 4-5, when the new quadrennial plan of Methodism will be officially launched.

Known as "The Advance for Christ and His Church," the four-year program will have two major objectives — a world-wide preaching and teaching mission to

deepen the understanding and devotion of the church's eight and a half million members and an over-all increase in giving that will undergird the church's missionary enterprises and overseas relief.

Because of their strategic position as leaders in the church, the 571 district superintendents have been officially called together by Bishop William C. Martin of Dallas, Texas, chairman of the Advance. Sharing with the superintendents in the conference will be

the bishops, editors of church papers, board secretaries and other representatives.

Bishop Martin will give the keynote address at the two-day assembly, which will also have on its program more than a score of the church's top-flight clergy and laymen. Bishop James C. Baker of Los Angeles, Calif. president of the council of Bishops, will preside at the opening session Monday morning and Bishop Hazon G. Werner of Columbus, official host to the gathering, will lead the opening devotions.

Presenting the plan's two main goals will be the vice-chairmen of the Advance: Bishop G. Bromley Oxnam, New York City, and Bishop Costen J. Harrell of Charlotte, N. C. Bishop Richard C. Raines of Indianapolis, Ind., is scheduled to give the final address.

From where I sit... by Joe Marsh

### Your Most Important Right

Now that the bandstand has been painted, and the park re-landscaped, we have about the nicest village green in the county.

And it's all because, at the last town election, folks got out and voted—85 per cent of them! That way, they passed the amendment calling for park improvements—over those opposing it.

Reminds you again how important the right to vote is in this country. And it's a right we can retain only by exercising it! ... like all the other individual liber-

ties—from freedom to enjoy a glass of beer or ale, to a woman's right to vote along with men.

Folks can thank themselves that on summer evenings they'll be able to listen to band concerts in a well-kept park... enjoying a bottle of beer or soda pop (whichever they prefer). Because from where I sit, that's a freedom they've earned by exercising a still more important freedom: Voting!

## Aviation Show To Be Featured At 1948 State Fair of Texas

One of the most popular shows at the 1948 State Fair of Texas will be the Aviation Show, the first of its kind ever to be held in the Fair's new \$800,000 Automobile, Aviation and Recreation Building, Alphonso Ragland Jr., chairman of the Fair's aviation committee, has predicted.

Three aviation organizations will be pioneering the State Fair Aviation Show, Oct. 9-24, with elaborate exhibits ranging from tiny models to gleaming demonstration aircraft. Chance Vought, Mustang Aviation and TexAir Aviation will claim "firsts" as demonstrators in the new "Show Window of the Southwest," the

Fair's 84,000 sq. ft. Automobile, Aviation and Recreation Building.

Chance Vought will feature a graphic display for Fair visitors showing highlights in aircraft production during the many years the firm has been in production as well as some radical new aeronautical developments now being carried out by the company.

An animated model of an aircraft carrier will be shown with tiny Vought F6U Pirates, speedy Navy jet fighters soon to be produced by the company in Dallas, taking off and landing.

The carrier model will be flanked by plexiglas show cases containing other models of the most famous Vought airplanes. Included will be a model of the VE-7, a World War I training plane built in 1917; an O2U-1, first Navy "Corsair" fighter; and an

SBU scout bomber, first Vought 200-m.p.h. aircraft.

This display will also include models of the SB2U Vindicator which was used by both the United States and British navies in the early stages of World War II, an OS2U Kingfisher, Navy observation scout plane, the F4U-5 Corsair, latest version of Navy and Marine Corps carrier based fighter-bombers, and finally, the F6U-1 Chance jet propelled fighter soon to be produced in Texas.

TexAir Aviation will feature a Stinson Flying Station Wagon in its exhibit. This 165-h. p., four passenger aircraft is one of the nation's newest developments in civilian type aircraft.

Included in this exhibit will be a 144 sq. ft. model of Red Bird airport, Dallas, home of TexAir. Complete with hangars and runways, the model airport has a miniature field lighting system and tiny model planes parked on the ramps.

Mustang Aviation will display a Cessna Model 195, a four passenger, 300-h.p. aircraft. Steps will lead up to the cabin, enabling visitors to inspect it closely.

## Forty Millionth Customer Connected To Power Line

ABILENE—The 40-millionth customer of the electric industry came on the power line sometime between September 8 and September 15, Ernest R. Acker, President of the Edison Electric Institute, advised Price Campbell, President West Texas Utilities Company, here today.

In commenting on what he termed the extraordinary post-war growth of customer demand for electric service, Mr. Campbell pointed out that the demand for electric service in West Texas for cooking, cooling, water heating, lighting and many additional uses in industries and stores is an all time high.

"In keeping with its policy of anticipating future need," Mr. Campbell said, "the West Texas Utilities Company is now engaged in an \$18,000,000 construction program to build new facilities and to enlarge and improve existing ones. Much of the material for this program, which has been underway for many months, was ordered as early as September, 1946."

During the working-day hour A special demonstration will show how the Cessna landing gear absorbs the shock and impact of landing.

The Aviation Show of the State Fair of Texas will be an annual event. Erection of the new Automobile, Aviation and Recreation Building this year was planned to provide adequate exhibit space to Texas industry on a year around basis.

Measuring 750 ft. long, 113 ft. wide and 35 ft. high, the Automobile, Aviation and Recreation Building will play an increasingly important part in future years as the home of the greatest Aviation Shows in the Southwest.

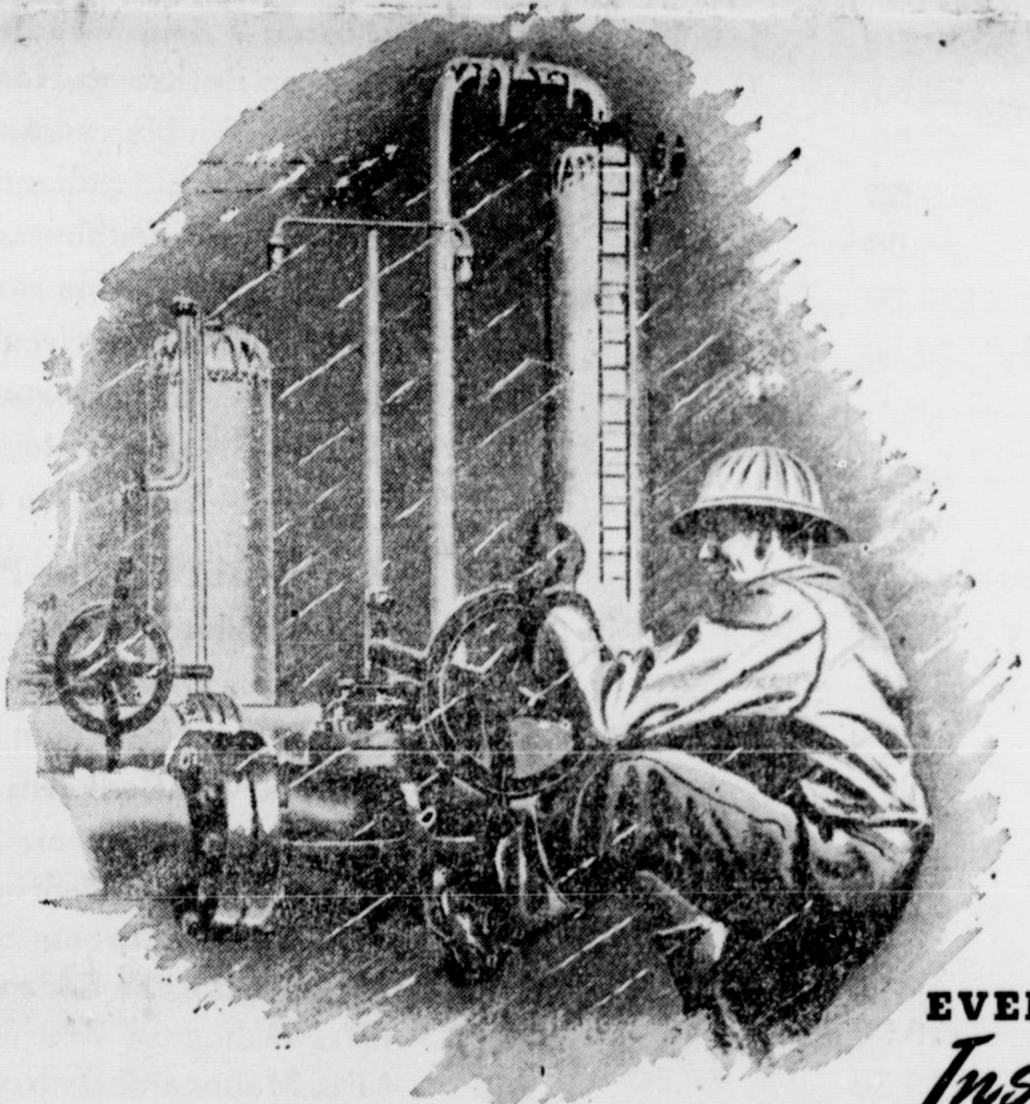

in which the 40-millionth became a customer approximately 1200 other new customers were connected at that rate. Since V-J Day, three years ago, the electric industry has added more than 6 million customers. "The first six months of 1948 have seen 1,123,000 new customers added to power lines. Of this number, 1,015,000 are rural and urban residential users," Mr. Acker pointed out in his message.

"About 86 per cent of the total of 40,000,000 customers are residential and rural consumers. Commercial customers, including such business enterprises as the smaller stores, shops, filling stations, theatres, and hotels, make up about 13 per cent of the total. The remaining 1 per cent includes large industrial plants, electrified railways and railroads, street and highway lighting, and government authorities.

"Of a total of 39,750,000 family dwellings occupied in the United States at the end of 1947, according to a U. S. census estimate, about 97 per cent now have electricity available, and 94 per cent are actually taking service," Mr. Acker said. "Although saturation in this field seems near at hand, new construction of homes and continued population growth will provide continuous increases in the number of customers during the coming years."

Of the 40,000,000 customers taking electric service, about 32,000,000 or over 82 per cent of the total, are customers of the business-managed electric companies. The remaining 7,100,000, about 18 per cent, are customers of government agencies of various types: REA cooperatives, state projects and power districts serve only 2.6 million customers. Federal projects, such as TVA and Bonneville, serve a very small number of ultimate customers, mostly large industrial users.

## EVER SEE AN ICE STORM Inside A PIPE LINE?

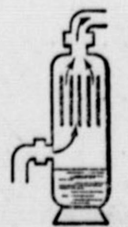

High pressure natural gas pipe lines may be subject to miniature ice storms when outside temperatures drop to 40 or 50 degrees. If permitted to continue, the ice would ultimately choke off the flow of gas through the line. That's because particles of water mixed with certain petroleum vapors in high pressure pipe lines will freeze at temperatures far above the normal freezing point of 32 degrees.

Nearly all natural gas contains moisture as it leaves the well, so it is necessary to install such facilities as heaters, separators and dehydrators to remove the liquids and vapors before the gas is placed in pipe lines for movement to market.

This is one of many functions of the United Gas organization—all of which have the ultimate purpose of assuring a dependable supply of natural gas for our customers.

A heater must be installed at each high pressure well to prevent freezing of moisture contained in the gas.

The wet gas passes into a separator where it expands and drops its free liquids.

Water vapors are removed in a dehydrator, which contains materials that soak up the vapors like a sponge.

### "Ice Cycles of 1948" To Be At State Fair

With a cast full of figure skating champions, "Ice Cycles of 1948" for the third consecutive year will begin its tour of the nation at the 1948 State Fair of Texas, Oct. 9-24.

Annually, since the first post-war State Fair in 1946, the spec-

tafular ice revue has played at the State Fair as the first engagement on its itinerary of the country. The 16-day Fair run is the longest which "Ice Cycles" plays anywhere in the nation.

Robin Lee, five times United States figure skating champion and former Olympic Games skater, will be featured in "Ice Cycles" opening ballet production, "Pageant of Medieval Days."

Margaret Field, former Pacific Coast figure skating champion, will be spotlighted in "Poetry in

Plastic," production number in which settings and costumes are made of colorful Hollywood-created plastics.

Jane Zeiser, former midwest figure skating champion, will have the lead in "Oriental Fantasy," the eye-filling stroo-light production sequence.

Backing up these ice stars in these production numbers will be the "Ice Cycles," 32 of the most beautiful precision skating girls on ice today.

Howard Sullivan and Leo Loeb, topnotch comedians of the frozen surfaces, will cavort as Walt Disney's lovable "Dumbo." Other comedy highlights will be this pair's trip to Central Park, Sullivan's take-off on "Sis Hopkins," and Arthur Nelles' moments of hilarious fun atop skyscraper blades.

The third, all-new edition of "Ice Cycles of 1948" is produced by the famous "Ice-Capades" and "Ice Follies."

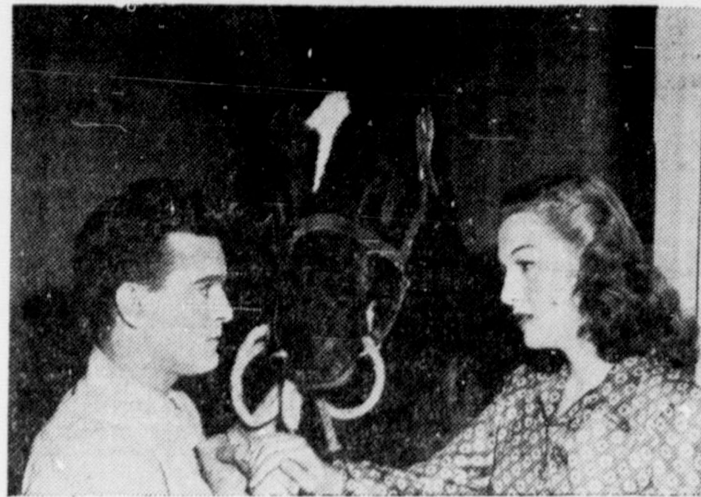

The WAA will arrange leases on the basis of one cent per square foot of storage space per month, with one month's rental in advance. It was emphasized that the arrangements are made in full cooperation with standard requirements of the Commodity Credit Corporation.

Leasing of the South Plains Airfield near Lubbock for grain storage is also progressing rapidly, it was reported.

Leasing of approximately half a million square feet of grain storage space at the Pantex Ordnance Works near Amarillo was begun this week following a conference between government representatives and grain men held last Friday at the office of Congressman Gene Worley.

First lease to be processed was that of the Fraser Milling Company of Hereford for one of the larger Pantex structures containing 66,950 square feet. Fraser is scheduled to begin rental of the space October 1, according to the Grand Prairie regional office of War Assets Administration.

Duncan D. Myers, in charge of the WAA's emergency grain storage program for the southwest region, said a survey of the available facilities at Pantex area showed that approximately 220 of the former ammunition igloos will be suitable for storage by individual growers. A number of the warehouses and other main storage buildings containing more than 250,000 square feet are still available for leasing to bonded warehousemen, agricultural coop-

The igloos and several of the larger buildings, Myers said, have concrete floors and walls of a construction suitable for long term storage.

#### CITY-COUNTY LIBRARY NOTES

By May L. Prewitt

So many new books have been added to the Library recently, that our shelf of "Recent Editions" compares very favorably with the New York Times list and

that of Chicago Tribune Book Section which gives "the analysis based on reports from leading book sellers of 22 cities." These book supplements list weekly 16 general titles and 16 fiction titles in order of sales. Cooperation of the clubs and Library patrons have been a wonderful help in securing this material.

Since the last report the following books have been received:

Fiction: "The Plague"—Camus; "The Cleft Rock"—Hobart; "Cry, The Beloved Country"—Paton; "Always With Me"—Nichols; "Annie Jordan"—Post.

Non-Fiction: "The Spier Ranch"—Holden; "The Earth Is Ours"—Teal; "Nehru On Gandhi"—Nehru; "Panorama of American Literature"—Witham; "These Live On"—Dennis; "Taos & Its Artists"—Luhan.

This last listed should be of exceptional interest locally as so many of our citizens visit Taos annually and know several of these artists personally. This edition was purchased from the "Burton Memorial Fund" which has totaled \$25.00 and several

books. "These Live On" by Dennis was dedicated to the memory of Walton Tucker by the Tom Tuckers. It is a collection of the best of "True Stories" unveiling the Power and Presence of God in World War II.

Only a few of the books ordered for the juvenile readers have been received, but fortunately the teen agers are busy with themes, and sport activities, and

the younger children are not sufficiently adjusted to their school work to seek pleasure in reading material. If the general co-operation manifested at present continues the Co-City Library should prove in usefulness and pleasure for the entire citizenship—"Books are embalmed minds"—Bovee. Another, "Books wind into the heart," Hazlitt.

## Only the GAS Refrigerator STAYS SILENT LASTS LONGER

More and more Texas families say the Gas Refrigerator is their first choice. Because this modern refrigerator is different, simpler. It operates with no moving parts at all. There's nothing in its freezing system that can wear or cause noise. A tiny gas flame does the work. It operates anywhere, on any kind of gas.

So Servel stays silent, lasts longer. And its silent, worry-free performance is guaranteed for ten years. (Many of the over 2,000,000 Servel-owning families still enjoy theirs after 18 and 20 years.)

There's every new feature you're looking for in the beautiful new models. A big frozen food compartment, plenty of ice cubes, moist and dry cold for fresh foods. Come see the refrigerator that's Texas' growing favorite today.
