Essay Winners Meet President Truman

WASHINGTON, D. C. — President Truman greets Blevyn Hathcock, 18, Oakboro, N. C. (center) and Buster McLain, 18, of Crawford, Ala., winners of an essay contest sponsored by a Southern Agriculture Magazine. The president discussed farming with them.

Notes from - - - CITY HALL

We wish to thank publicly so that everyone may know, that the names listed below are the men and firms that contributed and did the work on the city-wide cleanup.

G. W. Anderson, Mike McCully, R. E. Drennan, W. V. Adams, Virgil S. Adams, Ray A. Stewart, Virgil Siddle, Lois Putman, Olin Bain, L. L. Wallace, Sayles Dozier, Carl Allmond, Clyde Putman, Edwin Baley, A. E. Baxter, A. D. Estlack, Lee Bell, Ed Thomas, John H. Wood, H. T. Burton, Pete Kunz, Jimmie Jenkins, George Thompson, Douglas Wadsworth, Melvin King, Alva Dever, Rayburn Smith, R. C. Eingham, Bob Head, Hugh Eldridge, Shine Martin, J. W. Murphy, F. A. Fitzgerald, Wm. Payne, Mammie Walker, G. C. Heath, Geo. Schollenbarger, Jerry Price.

These men really worked on cleaning up. We ran into things that were very much a detriment to the health of this city. As this is the last clean up campaign that we expect to ever have, won't you good citizens please try and keep your premises sanitary.

We are starting a truck to pick up garbage and trash July 1st. It will start at approximately 5 a.m. in the business area, so will all business concerns please have your trash out where it can be picked up at that time. We will also start picking up trash and garbage in the residential areas once a week. To those of you who do not want the city truck to pick up your trash, please notify the City Hall.

Within the next few days we are going to spray the town by aerial spray. We sprayed last year with a fogging machine but this year it will be by airplane.

Mrs. W. T. Lowe was joined by her family at Portales, N. M. over the weekend when a family reunion was held. There were forty-seven present.

Dr. Middlecoff Wins Golf Title And Kiss

CHICAGO, ILL.—Mrs. Edith Middlecoff plants a big kiss on the cheek of her husband, Dr. Gary Middlecoff, the Memphis dentist, after he was presented the National Open Golf trophy by Fielding Wallace, USGA president from August, Ga. Middlecoff's 286 was one stroke better than the 287 fired by Clayton Heaffner, of Charlotte, N. C.

Donley County Farm Bureau Queen Contest

Your local Farm Bureau Federation is sponsoring a QUEEN contest. The purpose of this contest is to give the young ladies in the rural areas of Donley County more recognition. This is an honest-to-goodness Queen contest—not a bathing beauty contest. They are to be judged on grace, poise, personality, charm and all the other qualities that go to make up winsome American womanhood.

There are 13 districts in the state of which we are District 1. Each of our 22 counties in the Panhandle are eligible to send one queen contestant to the District Meet to be held in Wellington on Sept. 10th and Amarillo on Sept. 12th. Then the lucky winner will have the honor of entering the State Contest to be held in the Baker Hotel in Dallas. The State contest is to determine the District Queens and the selection of State Queens and Maid-of-honor. The winner of the State Farm Bureau Queen and matron escort will be allowed \$400.00 toward expense to the National American Farm Bureau Federation convention to be held in Chicago, Illinois, December 5-8.

The main purpose of this contest is to better acquaint the ranch ladies and young people with the principle of the Farm Bureau Organization. To be eligible the girl selected to compete must be a daughter or sister of a member of the Farm Bureau and within the age limits of 16-22 years and unmarried.

Below are girls whose names have been entered: Billie Jean Pool, Lelia Lake; Naomi Mooring, Clarendon; Sarah Rains, Hedley; Marjorie Crawford, Martin; Kathryn Usery, Lelia Lake; Eva June Brock, Goldston; Margie Brock, Martin, and Elba Jean Ballew, Clarendon.

Others who would like to participate in this contest should contact Mrs. Ed Mooring, Clarendon; Naylor Route; Mrs. Earl Myers, Lelia Lake or Mrs. Charles Rains, Hedley.

It will be announced later in the Leader as to the exact date of our Queen contest and where it will be held. This is a wonderful opportunity to send one of our neighbor girls to the American Farm Bureau Convention in Chicago; also there will be a prize to the winner of our county Queen contest which will be announced later.

Has the Atomic Bomb Changed the Weather Of The Panhandle?

Has the atomic bomb caused a change in the weather of our plains country?

That is the question to be discussed when "The Hometown Editor Speaks" on KAMQ-1010—Amarillo, Sunday June 26 at 1:30 p. m.

Holding forth on his theory that atomic experiments in New Mexico have created violent weather conditions in the Texas Panhandle will be Dr. O. H. Lloyd, pioneer Vega resident and cooperative weather observer there.

He will be introduced by M. O. Wallis, editor and publisher of The Vega Enterprise.

H. C. Winburn, chief meteorologist at the United States weather bureau station at Amarillo, will discuss the theory with Dr. Lloyd.

Another long-time Vega resident, Jess Giles, tells how he came to Oldham county fifty years ago from his native Tennessee when he is heard on the same program, Sunday afternoon at 1:30 o'clock from KAMQ-1010—Amarillo.

W. F. Durham Buys McCrary Grocery

It was announced this week that W. F. Durham of Brice had purchased the interests of Forrest McCrary in the McCrary Grocery & Market here. Mr. Durham took over the management of the store Monday. The name of the business has been changed to Durham Grocery.

Mr. Durham has been a resident of Donley and Hall counties since 1914. He operated a grocery store at Antelope in 1929 and also a business of this nature in East Texas before moving out here.

Mr. and Mrs. Durham have four children: Geraldine, Shirlene, Billy and Pete.

Mr. Durham announced that Mr. McCrary would remain with him in the store for an indefinite time. He invites the people of this area to come in and get acquainted.

Texas Will Have Vote On Ten Amendments

The voters of Texas will be given the opportunity to vote on ten amendments to the present state constitution this fall. The first publication of these appears in this issue of your Donley County Leader.

The amendment calculated to increase the payments of old age pensions does not appear on the list as was expected. Thousands of the needy still cling to the hope that such a vote will have the consideration of the Austin law-making bodies before adjournment.

A proposal just barely skimmed under the wire Thursday for the September 24 election. It would allow the legislature to authorize creation of county-city health units to be supported by a tax of not more than 20 cents on each \$100 assessed valuations if the people of the affected areas consented.

Publication must begin at least 90 days before the election. Weekly newspapers of this week had to have the amendments by Monday to comply with the law.

- 1. Repeal the poll tax as a prerequisite to voting in Texas.
2. Authorize the legislature to provide for the creation of rural fire prevention districts. Fire equipment would be bought by taxes and bonds.
3. Allow women to serve on juries.
4. Allow a defendant, his counsel, or a relative to waive trial by jury in lunacy cases.
5. Let the legislature authorize a state-wide retirement system for county officials and employees, at county option.
6. Let the legislature permit creation of county hospital districts and authorize the legislature to levy taxes for hospital purposes.
7. Authorize the legislature to give counties of 75,000 or more the option of giving civil service to their officers and employees.
8. Allow a district judge in a district of more than one county to enter orders returnable in any of the counties he has jurisdiction over without having to go into the county to do it.
9. Provide for annual sessions of the legislature starting on the second Tuesday of January, and increase pay of legislators to \$3,600 per annum.

GIVES RULES TO BATTLE POLIO

With polio now striking hard in Texas, the National Foundation for Infantile Paralysis today listed five health rules which can help to prevent the spread of the disease. They are:
1. Avoid crowds.
2. Avoid over-fatigue caused by strenuous play or exercise.
3. Avoid swimming in polluted water.
4. Avoid sudden chilling. Remove wet shoes and clothing.
5. Keep food from flies and other insects. Garbage should be covered, burned or buried.

Revival Begins July 3rd at First Baptist Church

The First Baptist Church announces a summer revival July 3-17 with Rev. E. T. Miller of El Paso as Evangelist and Mr. Raymond Bowlin of Amarillo as singer. An extensive visitation and prayer program has been planned and is being carried on.

REV. E. T. MILLER

"Each evening next week we will meet together for a brief message on prayer by the pastor and then we will pray for an hour or so," stated Rev. L. A. Sartain, local pastor.

"We are fortunate to have Dr. Miller with us. He was pastor at Memphis in years past and is known by many people here. He is a consecrated man of God and will bless all who come to hear him. We extend a Christian welcome to every one in Clarendon and round about to attend the services which will be at 10 a. m. and 8:30 p. m."

Ladies Day at Hedley Baseball Game This Sunday

Next Sunday, June 26, will be ladies day at Hedley. All ladies will be admitted free to the baseball game with Goldston there, starting at 3 p. m.

This is the second meeting of these two Donley County teams in league play, Hedley taking an early season victory 12 to 1, but the Goldston boys have improved quite a bit lately and this should be a mighty good game.

ATTENDING CHRISTIAN SERVICE CAMP

Those attending Julian Bivins Christian Service Camp this week are Minister Thomas A. Gray, Mrs. Gray, Gary and Thomas Gray, Kay Schollenbarger, Joe Anna Hibler, Leedy, Okla., Doris Crawford, Betty Jo Lyle, Dumas, Billy Edens, Harold Lee Clampitt, Lloyd Martin, Betty Joyce Sullivan, Jean and Keith Pittman.

Mr. and Mrs. George Schollenbarger, Mrs. Carl Pittman, Mr. Gray, and Mr. Clampitt took the young people to camp Sunday afternoon.

LEGAL NOTICES MUST BE PUBLISHED

With Gov. Jester signing the Mandatory Publication Law June 8th, all officials must have legal notices so classed by Texas statutes, published in a newspaper having the most general circulation in the county provided that such publication has been published for one year prior to the date required for publication.

The failure to publish or cause to be published by the proper official entails a penalty of removal from office, or loss of salary for neglect of duty.

The bill was sponsored by Sen. James E. Taylor of Kerens in the Senate, and by Rep. Phillip I. Willis of Kaufman in the House of the Texas Legislature, and covers all state, county, city and school district legal notices.

FATHER OF LOCAL MAN BURIED AT MEMPHIS

Funeral services were held Tuesday afternoon at Memphis for John Walter Henson, age 69 years, who died at the home of a daughter, Mrs. C. C. Campbell, at Portales Sunday. Five sons and five daughters survive him, among which is Jim Henson of Clarendon.

New Owners Of Funeral Home Announced

In an advertisement in this issue of the Leader it is being announced that Keith Bain and Ray Burns have recently purchased the Womack Funeral Home. The firm name of the business will be known in the future as the Burns-Bain Funeral Home.

Keith Bain has been with the Womack Funeral Home for several years, managing the business at Hedley prior to coming to Clarendon a short time ago. Mr. Burns joined the employ of the firm last fall, moving here from Austin.

Turn to their advertisement on page two for full particulars concerning this new business transaction.

Watch For The Red Pencil Mark

That time has come again when a number of your subscriptions have expired or will be expiring within the next week or so. We are reminding you this week with the usual red pencil mark that your time on the Leader is up. Pay up promptly so your name will not be cut off our list.

You can check the expiration date on your paper by looking at the figures to the right of your name which has been placed at the top left hand corner of this page. The first figure denotes the month and the last figure is the year.

If your subscription reads 5-49 or a previous date, it means that it expired in May or prior to that time and your name will be taken off this week end. If you want the Leader to keep coming, be sure to come in before next Thursday. If you live within Donley County the subscription price is \$2.50; if you live outside the county the price is \$3.00 per year.

Remember, the Red Mark is just a reminder and not a bill as we want to keep our subscription list within the postal regulations which calls for all subscriptions to be paid in advance.

CITY-COUNTY LIBRARY NOTES
 By May L. Prewitt

While several new books for the younger readers have been received, the little people number fifteen readers with an average of four books each week. This is sixty books for the lower grades per week, and the shelves are not sufficiently supplied. We have all the little Golden books, and many others. This week we added "The Big Brown Bear," "Bongo," (A Walt Disney taken from show "Fun and Fancy Free") "Busy Tunny," "A Name for Kitty," "Our Puppy" and the replacement of "The Shy Little Kitten."

For the next group is "Horses I've Known" by Will James. The Gordon Bains gave this in memory of Pat Allen. The teen age girls will enjoy Grace Livingston Hill's "Bright Arrows."

A friend of the Library donated six or eight lovely new books this week. Three were duplicates so we can readily use those with an "exchange" library. In the collection was a recent Texas Almanac, and "The Texas Reader" which has been desired for some time.

The magazines for boys, girls and children are very popular. Jimmy Dick Lowry gave a stack of "Open Road for Boys" and they have been greatly enjoyed.

We have ceased to watch for the "best sellers" for fiction as

funds are depleted and grownups do not read too much thru the summer. One each month is the extent of our purchasing. But the latest fiction acquired is "The Flames of Time" by Baynard Kendrick. This is a historical novel based on the development of Florida to statehood. Then we have the life of Nathaniel Hawthorne. He was not only a man of letters, but a man of decided political views. Mr. Doren, in writing this biography, moves the narrative forward in a way that presents the literary works as events in the life of Hawthorne, which produces a tense interest thru out the narrative.

NEW OWNERS

RAY BURNS

"It is our desire and pledge to the people of this and surrounding communities to serve them at all times in an honorable and dignified manner. Your faith in us is a sacred trust that we will always cherish."

KEITH BAIN

"We are young enough to serve you untiringly; old enough to serve you professionally."

CLARENDON'S MOST SPACIOUS FUNERAL HOME IS NOW UNDER NEW OWNERSHIP

Keith Bain, a native of Donley County, and Ray Burns who became one of us last September are the new owner of Clarendon's most Beautiful Funeral Home; formerly known as the Womack Funeral Home. The firm name will now be the "BURNS-BAIN FUNERAL HOME."

Keith was born and reared in Hedley and has been associated with the Womack Funeral Homes in Hedley, Clarendon and Memphis since 1940 with the exception of the time spent in the Army Air Force. He graduated from the Hedley High School in 1940 and was married to Miss Lavelle Peters of Hedley. They have one son, Ronald, age two. The Bains make their home in the Funeral Home Apartment, better enabling them to serve the public. Mr. Bain's experience makes him fully realize the needs and desires of the people in our section of the country.

Mr. Burns, a native of Austin, was associated with one of Texas' largest Insurance Companies there for a number of years. He and his wife Esther, along with their three children, Kenneth, Eleanor, and John Clinton, moved to Clarendon in September, 1948. Mr. Burns' wide experience in the Insurance field along with his knowledge of the Funeral profession gives him an opportunity to serve well the people of the Panhandle.

A 24-hour professional ambulance service will be available and for your convenience the telephone number "94" has been retained.

We cordially invite each of you to come in and see us, become acquainted with our procedures and learn the information we must have in order to better serve you. A number of our friends, in order to save the heartache and worry in time of sorrow, have already been in and made a prearranged funeral. We offer this service to everyone wishing to eliminate this burden and worry for their loved ones.

Everyone having a Womack Burial Policy, may rest assured that each policy will be serviced at full value, with all the competence in seeing the last tribute approach perfection by skilful and dignified personal attention that truly reflects a fine service.

Mr. Bain and Mr. Burns are controlling managers of this large association. This again is a service to you; in dealing with home folks. We also offer an additional \$100.00 to \$500.00 Funeral Benefit Policy which may be obtained at a very nominal cost and gives you maximum protection. These payments can be made at the same time and place as your other payments.

Ten Million Dollars—Just For Mud

This year, the United States oil industry will spend more than ten million dollars for mud. This is a special kind of mud, mixed to just the right consistency. It is essential in drilling the 35,000 new oil wells planned by the industry for 1949. Forced down through the drill pipes under heavy pressure, the mud flushes out the cuttings and at the same time plasters up the sides of the shaft, preventing them from caving in.
In the never-ending search for oil, wells are being drilled deeper all the time. Today, they average 3,500 feet and the world's deepest producer, in California, goes down as far as 14,505 feet—nearly three miles deep!
At depths like that, drilling bits are subjected to terrific heat—temperatures run as high as 380 degrees—and circulating mud is necessary to lubricate and cool them.

GARDEN CLUB

The Garden Club met in the home of Mrs. Joe Goldston with Mrs. R. R. Dawkins as co-hostess, Tuesday, June 14.

The entertaining rooms were attractively decorated with roses and white sweetpeas.

The program was especially interesting. Mrs. F. L. Goldston gave a treatise on "Roses for Our Homes," which was very instructive to all rose lovers. Mrs. Rayburn Smith gave an informational talk on "Budding and Grafting." Mrs. R. O. Thomas was welcomed as a new member.

The hostesses served a dainty refreshment plate to seventeen members and to guests, Mesdames English, Carl Allmond, J. D. Swift, Billie Greene, Frank Blair, Bill Ray and Eva Draffin.

After the club adjourned, the members enjoyed seeing Mrs. Goldston's lovely garden with its profusion of Day lily blossoms

and her attractive cooking nook—rock fireplace and concrete table and benches.

CARL BARKER HONORED ON BIRTHDAY

The family of Carl Barker met for a reunion at Lake McClellan Sunday for an all day picnic. The occasion was his 52nd birthday.

Those to attend were Mr. and Mrs. Bill Mooring and David, Mrs. Doyce Graham, Doyce, Jr., and Jimmy, Mr. and Mrs. Earl Barker, Lynn, Schellon and Carla, Don and Mary Barker, all of Clarendon, Drusilla Foster, Mr. and Mrs. D. W. Tomlinson and Douglas of Phillips and Mr. and Mrs. Carl Barker.

CLARENDON H. D. CLUB

The Clarendon H. D. Club will meet Friday, June 24 at the home of Mrs. C. D. McDowell at 2:30 p. m. Mrs. Henry Williams will be assistant hostess.

TCU's FAVORITE FRESHMEN

Chosen by their freshman classmates at TCU to represent the class in the "Favorites" section of the 1949 Horned Frog, TCU yearbook, are, left to right, Miss Susanna Landers, Menard; Amelia Douglas, Electra; and Suzanne Toler. Hamlin.

Patrick-McNaghten

First Presbyterian Church of Amarillo was the scene Saturday evening for the marriage of Miss Elgin Patrick, 1601 Jackson, daughter of Mr. and Mrs. William Henry Patrick of Clarendon, to John Robert McNaghten, 820 Palo Duro, son of Mr. and Mrs. Edwin W. McNaghten of Hutchinson, Kan.

Dr. Francis W. Pritchard, pastor, read the impressive single-ring service at 8 o'clock in the sanctuary of the church. Baskets of white gladioli and pink peonies backed by a cathedral arrangement of candelabra bearing lighted tapers, featured the decorative setting at the altar.

Mrs. J. Francis Brown, organist, played Tanhauser's "Evening Star" as a nuptial prelude and Mrs. Howard Boxwell sang Grieg's "I Love Thee" and "Because" by D'Hardelot. The traditional processional and recessional marches were used.

Attending her sister as matron-of-honor, Mrs. Harold D. Bugbee was attired in a gown of orchid marquisette. She carried a cascade bouquet of pink roses.

William J. Lee was best man and ushers were C. J. Humphrey, T. J. Cussen and Raymond C. Davidson of Hutchinson, Kan.

Given in marriage by her cousin, Thomas E. Bugbee, the bride was attractive in a gown of pink marquisette, styled with a basque bodice and full skirt. She wore matching mitts and a picture hat of pink horsehair braid. Her cascade bridal bouquet was of white roses, gardenias and stephanotis.

Mrs. Patrick, mother of the bride, wore a beige lace dress with an orchid corsage, and Mrs. McNaghten, mother of the bridegroom, wore a gray lace dress with a camellia corsage.

Following the ceremony, the bridal party was feted at a reception in the Coral Room of the Capitol Hotel. Draped with a lace cloth, the bride's table was centered with a bouquet of pink and white roses flanked by silver candelabra. Flowers also centered the wedding ring cake.

Mrs. Thomas E. Bugbee and Mrs. William L. Lee presided at the punch bowl and Miss Jo Anne McNaghten, cousin of the bridegroom, secured names for the guest register. In the receiving line were the bride and bridegroom, Mr. and Mrs. Patrick and Mr. and Mrs. McNaghten.

For the wedding trip to Santa Fe, N. M., the bride chose a dark blue sheer suit accented with white accessories and a gardenia corsage. The couple is to be at home June 25 at 1601 Jackson.

Mrs. McNaghten, granddaughter of the late Thomas Bugbee, pioneer cattleman, was graduated from Clarendon High School and Long Beach Junior College, Long Beach, Calif. Mr. McNaghten was graduated from the University of Kansas, Lawrence, where he was a member of Phi Kappa Si Fraternity. He is vice-president of Memorial Park Cemetery.

Out-of-town guests attending the wedding included Mr. and Mrs. E. W. McNaghten, Mr. and Mrs. J. C. McNaghten, Miss Jo Anne McNaghten and Mr. and Mrs. Raymond C. Davidson of Hutchinson, Kan., Mrs. H. G. Officer of Tulsa, Okla., Mrs. George T. Cook of Pebble Beach, Calif., Mr. and Mrs. James D. Carey of Tucson, Ariz., and Mr. and Mrs. Dick Marsh of Oklahoma City.

Mr. and Mrs. Grant Goode and family of Fort Worth and James and Caroline Cullers of Bryson spent the weekend in the D. W. Hinkle home.

MISS RUTH PATMAN HONORED WITH SPINSTER SUPPER

Miss Ruth Patman, bride-elect of Bob Word, was honored with a Spinster Supper at the home of Miss Mantie Graves Saturday evening with Miss Graves as hostess. The guests were all school chums of Miss Patman.

A delicious salad and ice course was served to the following: Kathleen Grady Cardinal, Edith McCrary Cooke, Klyda Wilson Blackman, Alma Murphy Hunsaker, Mary Ann Bromley Riley, Melba Ruth Grady, Ruth Patman and the hostess Miss Graves.

RONALD KEITH BAIN HONORED WITH LAWN PARTY

A lawn party, honoring Ronald Keith Bain on his 2nd birthday, was given by his mother, Mrs. Keith Bain on Tuesday afternoon, June 21st. Many nice gifts were received and refreshments of cake, ice cream and punch was served to little friends and their mothers.

Those attending were: Sharon Blair, Beverly and LaRue Jones, Linda Phillips, Clydia and Lynnia Jenkins, Charles Vaughn, Jackie McElroy and John Clinton Burns.

Out of town guests included Judie and Sandra Sanders, Rusty Baker, Jimmie Willett and Bobbie and Billie Wiggins.

Mesdames attending were: Ivan Jones, Juanita Vaughn, Norma Ann Bobbitt, Wayne McElroy, Dwight Blair, Roy Clyde Jenkins, Basil Smith, Ray Burns, Walter Bill Wiggins, R. Milton Saunders, James Willett, Warren Baker, and the hostess, Mrs. Keith Bain and Ronald.

Mr. and Mrs. Chas. McMurtry, Mrs. Pat Slavin, Mr. and Mrs. J. L. McMurtry, Mr. and Mrs. Lloyd Shelton and Mr. Allen Jeffries attended the Cattle Raisers meeting and barbecue at the Kristers Ranch Friday.

Mr. and Mrs. W. N. Martin of Amarillo and son and wife, Mr. and Mrs. Bill Martin of San Francisco visited her mother, Mrs. D. W. Clappitt.

1912 NEEDLE CLUB

Mrs. A. L. Chase entertained the Needle Club at her home Thursday afternoon. Visiting and talking were enjoyed by the ladies for a few hours.

The hostess, Mrs. Chase, served a delicious refreshment plate to guests, Mrs. Birney, Mrs. Geo. Ryan and Miss Mary Howren; club members, Mesdames A. A. Mayes, Sella Gentry, Glasco, J. T. Patman, J. T. Sims and the hostess, Mrs. Chase.

Mrs. W. H. Price and daughter Shirley of Astoria, Ill. and Mrs. J. A. Patman and son Tom of Hume, Mo. are visiting in the home of Mr. and Mrs. J. T. Patman and also will attend the wedding of their cousin, Ruth Patman.

Mrs. W. C. McDonald and daughters Myrne and Janice of Plainview are visiting in the Jeffries home this week.

R. M. Chunn visited his sister, Mrs. J. M. Perdue and daughter at Abilene over the week end.

Belgian Government To Participate In State Fair of Texas

Participation by the Belgian Government in the 1949 State Fair of Texas has been assured by cable from Brussels, authorizing contract for 1600 square feet of space in the General Exhibits Building, David A. McMinn, State Fair manager of sales and promotions, has announced.

Strong possibility of additional foreign exhibits from Britain, France and Holland indicate that the 1949 Fair will be the first truly international fair in Texas since the Pan-American in 1937, McMinn said. Representatives of all these governments have been in Dallas recently, conferring with McMinn and Ray L. Miller of the U. S. Department of Commerce, regarding the opportunities offered to foreign exhibitors in Texas.

The formal request for exhibit space for the Belgians came from Luc Van Bellinghen, representative of the Belgian Ministry of Economic Affairs, who visited the State Fair late in April.

Accompanying Van Bellinghen on his Dallas visit was Charles Leonard, Consul General of Belgium, New Orleans.

"Our participation in the State Fair of Texas shows that we recognize the importance of Dallas as a trading center; the value of the State Fair as an instrument of penetration into the Southwestern market; the wonderful opportunities which the State Fair offers the Belgian exhibit, as well as the beautiful, impressive surroundings in which our exhibit will unfold itself," Leonard said.

The Belgian exhibit at the Fair will show baby carriages, handsome period desks, original hand-made ceramic pieces, rich blankets, mirrors, objects d'art, world-famed Belgian laces, hand-carved shotguns, fine linens, rugs, draperies and upholstering materials—petit point, damasks and brocades—treated glass pieces, gloves, fine rabbit skins, picture frames and mouldings, and other quality products by Belgian manufacturers.

THE PROOF OF THE PIE IS IN THE Heating

Modern bakeries and restaurants all over the Gulf South rely on natural gas to fuel their ovens. Natural gas provides clean heat which may be applied directly in such operations as baking, food dehydration, rice-drying and canning. Direct application means accurate control and maximum efficiency—which are two excellent reasons for using natural gas in all such processes. Delivery of low-cost natural gas to commercial and small industrial plants is one of many functions of the companies which make up the natural gas industry...all of which have the ultimate purpose of assuring a continued dependable supply of natural gas to their customers.

Natural gas provides instant heat, with no waiting for "warm-up". It's clean, extremely flexible, perfectly controllable.

A turn of a valve provides all the fuel required to do the job. No need for costly storage facilities. It's always there, ready to serve.

Savings effected by natural gas consumers are important factors in a profitable operation.

IF IT'S Power YOU WANT

Make it a Massey-Harris
 Tough spots disappear when you put a Massey-Harris tractor to work on your place. There's more power in Massey-Harris... more downright lugging ability at the drawbar... more capacity on belt work... more reserve, stamina, dependability. It's the result of high compression in the engine, straightline design in the transmission. High compression takes the laziness out of an engine... makes it peppy, more alive, more responsive. A straight line transmission delivers that power smoothly, efficiently... you get full power on every belt and field operation.
 There's a Massey-Harris tractor for your farm... 6 great models... 5 power sizes... each the power and economy leader in its class.

Model "31"—Full 2-pow. power, 162 cubic inch, 4 cylinder engine, 3 speeds forward
 Model "44"—3-pow power, 260 cubic inch, 4 cylinder engine, 5 speeds forward
 Model "55"—4-5-pow power, 382 cubic inch, 4 cylinder engine, 4 speeds forward
 Model "44 1/2"—3-pow power, 276 cubic inch, 4 cylinder engine, 5 speeds forward

Here's that extra power you need to make those stubborn 2-pow jobs say "uncle." It's the new Massey-Harris Model "22"... with a bigger, huskier, 4 cylinder engine, smooth, quick-acting brakes, new grille styling... more power, more economy, more top notch field performance. Plus... a new hydraulic control—Depth-matic System that holds implements to their work regardless of field conditions. Come in and get the facts.

Waddy Week Will Begin June 30th At Amarillo

Amarillo's Waddy Week Celebration will get off to a rip-roaring start this year with a downtown parade by the famous Will Rogers Range Riders, according to information received from J. M. (Red) Simpson, general chairman. The parade will begin at 10 a. m. Thursday, June 30. The entire celebration will last

through July 4 and will feature entertainment galore. The Light Crust Doughboys, famous southwestern music makers, will play for a western dance at the Nat on Thursday night June 30 and at the fairgrounds Sports Arena on the nights of July 1 and 2.

Beutler Bros., of Elk City, Oklahoma, have been engaged to produce an outstanding rodeo to be held at the fair grounds on the evenings of July 1 and 2 and the afternoons of July 3 and 4. The 1949 Beutler Bros. production is entirely new and different with a cast of the nation's foremost wild west arena performers.

On July 2 a spectacular street parade is scheduled to begin at 3 p. m. in which visiting delegations from surrounding communities will participate. Bands, floats, cowboys and cowgirls will pass in review down gala-decorated Polk Street.

On Monday July 4, in the morning, the Range Riders will join in the festivities planned by San Jacinto Kiwanis Club which will include a barbecue for the benefit of the Youth Center. Advance ticket sale for the Waddy Week rodeos and dances commenced June 15.

Another Way We Could Twist The Mississippi

An Editorial taken from the TIMES-HERALD Washington's Independent Newspaper

Last February the Times-Herald first proposed a diversion of the waters of the Mississippi river, to prevent the floods which any day now will start lapping against the levees, and to irrigate the dry prairies of the southwest.

Reaction, as we expected, was sharp and sharply divided. Some people said we were nuts. Some people also said the Wright brothers and Henry Ford and the atom scientists were nuts, for tackling "impossible" problems. Other people showed great interest in the project. Among these interested ones were Interior department officials, congressmen, and a great many private citizens.

We received many suggestions as to how to do the job.

Charles Eli Sexton, a Missourian who has farmed, surveyed, built ships — and sounded the Mississippi for the Army engineers — has one idea. Many years ago he became interested in the problem of Old Man River's ever-increasing waste and destruction. Recently he has devoted all of his time to study of the possibilities of turning some of those muddy waters to man's benefit.

He believes this can be done. Without overmuch effort, considering things we have already done such as TVA and Boulder Dam, without overmuch expense, when one thinks of the almost instant returns that will begin flowing in from this investment in irrigation.

His plan calls for contour canals. Canals which follow the slope of the land, just like the plow furrows on a modern farm follow the slope of the fields.

A whole contour canal system, starting in the high plains of Wyoming, a mile up, and winding down the east side of the Rockies to Texas, and the Gulf. Such a

canal system would keep about a fifth of the water which now rolls uselessly and dangerously past New Orleans from ever entering the Mississippi.

It would use this water to irrigate an area larger than the State of Texas, turning land that is now sand and scrub into arable farms, providing work and food for millions of people.

As the accompanying map shows, it would bring life to a broad strip of territory reaching north nearly to Canada and south almost to Mexico.

Exactly how would this system be constructed? Simply, says Mr. Sexton, start in Wyoming at a point just west of the Black hills, 5,200 feet above sea level, and wind a main ditch down the eastern slopes of the foothills of the Rockies. Wherever the canal strikes a stream, run it up stream until crossing can be made behind a low dam.

This makes possible control of volume of these streams, valuable for irrigation of their lower valleys.

Between rivers dig subsidiary canals, winding from the main canal along the crests of the watersheds a hundred or more miles eastward, providing water for areas now dry. These canals would fill thousands of pounds or sinkholes, providing storage and also practically eliminating floods in the flat lands below.

The big canal would thus curve south, dropping only a few inches per mile, through Wyoming, Colorado, Oklahoma and west Texas to the Nueces all the way to Corpus Christi and the Gulf.

In addition to irrigating its mil-

lions of acres, spreading a blanket of vegetation that would halt erosion from the dust bowl north to the badlands, and preventing floods, the contour canal would provide easy navigation from Corpus Christi to the Arkansas river and lock navigation from there all the way up to the Black Hills.

Later he proposes other such contour systems could be laid down along other slopes. Altogether they would be aimed at diverting 4/5 of the water from the Mississippi before it reached the river.

What are the objections to this plan?

State politics, of course. The minute you mention water out that way, the locals lift up first their ears and then their voices. Water is life there—they realize that, but it would be hard to make them realize that planned distribution of water would ultimately benefit everyone.

The cost would be tremendous, Mr. Sexton admits. Maybe as much as we send to Europe in six months. But he argues that money soon would turn into work, for laborers and farmers and shippers, work and green land and food.

Federal Power commission engineers have approved the Sexton

plan's basic recommendations. We offer it here today as one of many proposals made because diversion of the Mississippi is a matter which concerns every person in the United States. Some day it must come. We want to see it done in the best way.

Donley County ACA Farm News

SPECIAL NOTICE TO NEW WHEAT GROWERS

If you have not seeded wheat in the years 1947, 1948, or 1949 but wish to seed wheat in 1950 you must request in writing a 1950 wheat acreage allotment. This request must be submitted to the County Committee before September 1, 1949.

The first producers to make application for a farm storage wheat loan were David W. Clampitt and Charlie Hearn.

NOTE

There is a large crop of wheat this year and combines are cutting in this section, with more ready as the grain ripens. Some are taking advantage of the Government Loan Program. After all, the price they obtain is about 37 cents per bushel above the prevailing local market. If the market exceeds the loan figure at any time between now and April 30, 1950, the producer may sell his grain and pay off the loan. After April 30, 1950 the grain becomes the property of the Government. Either way the producer is the one who gets the most benefit.

CAUTION

Be sure your grain is dry when placed in storage.

M. G. Armstrong and Walter O. Simmens are improving their livestock water supply by constructing earthen dams on their farms.

LeRoy Widener and Lonnie Widener are eliminating mesquites with the assistance of the Agriculture Conservation Program, on their places north of Memphis.

Prior Approvals for terraces on wheat land will be issued soon to the following producers: S. M. Lowe, M. G. Helton, Claude Moore, Nat Bradley, Les Duerson, Roy Robertson, G. T. Knight, W. H. Read, and Alton DeBord. The Agriculture Conservation Program is your Program—use it.

Mrs. A. L. Thornberry, Mrs. W. C. Thornberry and Don have returned home from an 18 day trip in the northeast. They visited friends and relatives at Wichita Kansas, LaFayette, Ind. and Portsmouth, Ohio. Mrs. W. C. Thornberry and Don went on to Washington, D. C. where they visited friends.

Mrs. Harry Moore and Mrs. Barbara Cork, daughter and granddaughter, respectively, of Mr. and Mrs. J. A. Warren visited here a short time Sunday afternoon.

SENATE JOINT RESOLUTION NO. 1

Proposing an amendment to Section 2 of Article VI of the Constitution, repealing the provision making the payment of a poll tax a qualification of an elector; requiring the Legislature to pass a general registration law for voters; providing for the necessary election, proclamation and publication by the Governor, and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 2, Article VI of the Constitution of the State of Texas be and the same is amended hereby so as to read hereafter as follows:

"Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one (21) years, and who shall be a citizen of the United States, and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that before offering to vote at any election a voter shall have registered as an elector before the first day of February next preceding such election. This provision shall be self-enacting. The Legislature shall pass a general registration law requiring registration of voters at a time not later than the first day of February for each election to be held for that calendar year, and the Legislature shall have power to prescribe a registration fee. The Legislature may authorize absentee voting."

"Sec. 3. HOUSE JOINT RESOLUTION NO. 22

Proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law; providing for election, proclamation and submission to qualified electors of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 7, Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have been a practicing lawyer or a Judge of a Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary.

"The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding.

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment."

"Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on September 24, 1949, at which time all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law"; and

"AGAINST the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Singing School To Start July 3 at Hedley Church of Christ

Beginning July 3, with a singing at 3:00 p. m., there will be a Singing School conducted at the Church of Christ in Hedley by Bro. Ira Y. Rice, Sr., of Norman, Oklahoma. Bro. Rice has had many years of experience in this type of work. He conducted a similar school for the church in Clarendon last year and will do so again this year, immediately following the one in Hedley.

There will be two services daily; one at 10:00 each morning, primarily for the young people but open to all, and one each evening at 8:00.

The public is cordially invited and urged to attend these services. The school is being conducted for the benefit of the entire community and not just for the church. So come and bring the whole family and all your friends and neighbors.

To avoid confusion and chaos in the world, and in all pursuits of life we must have recognized standards of authority. If I ask a dry goods clerk for a yard of

cloth, I expect her to use a standard measurement. When I buy a pound of sugar I make sure it is weighed. If the clothing merchant or the grocer would defy the accepted standards of weights and measures and ask their clerks to "go by their feelings" (that is "guess") in cutting the cloth and sacking the sugar the public would not stand for it long. Confusion would result. The same would be said concerning standard time. Suppose every one let his feelings guide him. How do you suppose the bus and train schedules would operate? Serious wrecks have been caused by

watches deviating from standard. We can all see the wisdom in standards to direct our physical life. Examples would be multiplied. But when it comes to the most important matter, the spiritual phase of man's being, many will argue that "our feelings should guide us." As to salvation from sin they say, "we can't all see alike. Just so we are sincere and feel we are saved that is all that matters." Suppose the merchant adopted that rule: "Just so the clerk feels they are measuring and weighing properly." We might reply, "The clerk may be sincere and yet not be right in guessing at a yard or a pound."

Feelings are deceptive even though we are sincere and honest. A falsehood will have the same effect upon us as truth, regardless of how honest we are. Our primitive mother Eve could have felt that she was doing the right thing, in obeying the devil, but the result was according to the truth of God. In obedience to the devil's lye she plunged the world into sin, and the result of that disobedience is still bringing sorrow upon us today. Feelings is a result

of something, and not the cause. Good feelings is the result of glad tidings, and bad feelings is the result of sad tidings. We are not a child of God just because we feel that we are; because feelings is no evidence of pardon. We feel that we are children of God when we have done what God said to become one. The feeling follows our knowledge of obedience, otherwise we are allowing our feelings to deceive us. You are a child of God because you have done what the standard measurement of God (the Bible) said for you to do. (Adv.)

WHEN TO STOP ADVERTISING ---

When every man has become so thoroughly a creature of habit that he will certainly buy this year where he bought last year. When younger, and fresher, and spunkier concerns in your line cease starting up and using the newspapers to tell people how much better they can serve them than you can.

When nobody else thinks "it pays to advertise." When population ceases to multiply and the generations that crowd on after you; and never heard of you, cease to exist.

When you have convinced everybody whose life will touch yours, that you have better goods and lower prices than they can ever get anywhere outside of your store.

When you perceive it to be the

Who'll be First with the Last Word?

White sidewall tires, as illustrated, available at extra cost.

ACT QUICKLY—and in your neighborhood it might be you.

For there's no doubt that this exciting new Riviera model—styled and executed by Buick—is the very last word in new body types.

It has, as you see, the swift and racy lines of a Convertible, made even more distinctive by a bold new sweep of chromium along its fenders.

But the top is solid—a single sheet of stout steel, neatly finished off inside with chromium bows. And a broad rear window curves gracefully around, giving really abundant rearward vision.

Push-button controls drop all windows out of sight at a touch, leaving not even a doorpost to block your outlook. And the interior trim is

the richest yet—a really stunning creation inside as well as out.

As pictured here the Riviera is now in production on the Buick ROADMASTER chassis—which means 150-hp Fireball power, the silken luxury of Dynaflo Drive, and the matchless levelness of the Buick "dream ride." That means "the last word" in brilliant performance as well as in luxurious dress and styling.

Production on this high-styled road star is limited, as you might expect.

To be "first with the last word," therefore, it is wise to see your Buick dealer soon about getting your order in.

More Old Sayings from Mr. Chamberlain's Collection. What would have happened to our column during harvest without this help?

If marriages are made in Heaven, some have few friends there. It is a good horse that never stumbles...And a good wife that never grumbles.

While the tall woman is stooping, the short woman hath swept the floor.

He who has no bread to spare, should not keep a dog.

He who has but one coat should not lend it.

Wise men make proverbs and fools repeat them.

A neighbor lady to Mama's sister says that she never attends church unless she feels church minded. Anyway, she asked her pastor which he thought was the worst; for a person to go fishing on Sunday, or go to church and wish they had gone fishing...I wonder myself.

I never spoke with God,
Nor visited in heaven;
Yet certain am I of the spot
As if the chart were given.
—Emily Dickinson

My little niece, Nelda, is trying to help me with the column. Out of both my headers she is the only one who felt sorry for me, at least enough to help. Anyway, her mother told her she ought to help with the dishes and learn how because she would be married some day and have to do them. "Oh no I won't mother, I am going to be a teacher like you are and make my husband do all the dish-washing."

Now I lay me down to sleep,
I pray the Lord my soul to keep;

If I should die before I awake
I pray the Lord my soul to take.
—from the New England Primer
1777 edition.

By the time you swear you're his,
Shivering and sighing,
And he vows his passion is
Infinite, undying—
Lady, make a note of this;
One of you is lying.

Finally, I am down to the bottom of the page; maybe next week we will be thru with harvest, and I won't have so much trouble thinking of something to write.

'Top o' Texas' Rodeo And Horse Show At Pampa, August 3-6

Cowboys and Cowgirls in the "Top o' Texas" area are shining up their boots and getting their horses in trim for the colorful Top o' Texas Rodeo and Horse Show which will be held in Pampa, August 3-4-5 & 6th. All rodeo performances will be held at night in the Association's newly decorated rodeo arena.

\$5,000.00 in cash prizes will be at stake when cowboys and cow-

girls from Texas, Oklahoma and New Mexico will be vying for honors. This year's show as in the past is an all amateur performance bringing together real cowboys and cowgirls of the "Top o' Texas" area.

The very colorful Hardin-Simmons University Cowboy Band of Abilene, Texas, which has become a vital part of the Top o' Texas Show, will return to furnish music for all rodeo performances.

An official American Quarter Horse Show will be held on August 3-4 & 5 with the judging to take place on August 4th at 10:00 p. m. A Palomino Show will also be carried in connection with the five-day fiesta with judging to take place August 3rd at 1 p. m.

As an added attraction appealing to young cowboys and cowgirls from 5 to 16 years of age, the Kid Pony miniature rodeo will be held on Tuesday night, August 2nd, prior to the big show on Wednesday. Leo M. Fry is Chairman of the Kid Pony show and miniature rodeo and an entry list of 250 boys and girls is expected from a wide area.

Outstanding added attractions are now being arranged for including Buddy Heaton, Hugoton, Kansas, who will return for his

second year as rodeo clown. O. W. Hampton, Chairman of the Special Attractions Committee, is lining up some of the best special attractions to be found in the southwest.

Local hotels are already taking reservations for Pampa's biggest party of the year.

A three-day booster trip headed by L. G. Langston will visit all neighboring towns within a radius of 100 miles from Pampa, July 26-28 & 30.

An outstanding array of entertainment is being arranged for to

insure an outstanding show in connection with the booster trip. The Rotary, Lions and Kiwanis Clubs and Chamber of Commerce are cooperating with the rodeo in sponsoring these booster trips.

GOLD PRODUCTION IN TEXAS TOPS 1947

Millions in silver have been taken from the silver mine near Presidio during the past fifty years. After silver became cheap, the mines were closed down. Mining in the Big Bend Country is

again active. The Bureau of Mines in Washington reports that in 1948, gold valued at \$1995, silver valued at \$2774 and copper valued at \$80,880 was produced in the counties of Culberson, Hudspeth and Presidio counties in Texas.

The gold and silver comes from a chalky limestone, and some shafts are over 400 feet in depth, and extend on a level some three miles from that level.
