## Annual P.T.A. Halloween Carnival Saturday Night, October 30th

A gala evening of FOOD, FUN, and FANTASY is in store for you when you attend the P. T. A. Halloween Carnival Saturday evening, October 30th, beginning at 6:30 P. M.

The evening's entertainment will begin with a delicious supper served in the cafeteria in the Junior High building. All food will be home cooked.

Concessions are being prepared by each grade in the Elizabeth Stevens and Junior High buildings and you are invited to spend your time and money indulging in each.

Woo Lady Luck with Mrs. Johnson's Grab Bag and test your erudition on the bean-guessing jar in Mrs. Hendrick's room. All Isaac Waltons are cordially invited to test their skill at the Third grade Fishing Pond presided over by Madmes. Sandifer and Guy. Select a new and "becoming" chapeau at Madame Rhode's fourth grade salon. By this time you will need to rest your feet, and Miss Mongole's fourth grade room will afford you this rest with a delightful movie. Just in case you haven't finished preparations for your Sunday dinner, Miss Blankenship's room will take care of this with an auction of delicious home made cakes. Mrs. Weaver and Mrs. Todd will see that you have ample opportunity to sate your appetite for popcorn balls, candy, snow cones and such. Budding Nimrods will have opportunity to test their skill with the sixth grade's Dark Throw, presided over by Mrs. Gillham, and the eighth grade's Target Shoot ably directed by Mrs. Hoggatt. To make all feel at home at this time of year, Mrs. Kennedy's sixth grade will provide some cotton to be picked for interesting prizes. Mr. Brown invites you to come and gather round the old cracker barrel in his Country Store for a chat and an opportunity to purchase the wares he will have for sale there. And that old carnival stand-by—without which no carnival would be a carnival—the Doll Throw will be sponsored by the seventh grade with that capable barker, Newton Richardson, to call the balls.

Funds derived from this entertainment will be used to further the work of the Parent-Teacher Association in its effort to provide for the welfare of the children and youth of this community. We hope all friends and patrons of the school will be on hand to participate in the evening's fun.

### ATTENDS FLORIST CONVENTION

Mrs. Dasie Watson, florist of Vernon, Texas, was a guest Monday night in the home of Mr. and Mrs. E. J. Chenault. She and Mrs. Chenault attended the West Texas-New Mexico Floral Convention held in Hotel Herring, Amarillo, Tuesday.

### Meeting Today Regarding Civil Defense Program For Clarendon

"It is an ill wind that blows no good"—Canada has admitted that the lack of an adequate Civil Defense program increased the cost of lives from hurricane Hazel. Though the probability of Clarendon eve, having a hurricane is slight, there are numerous disasters that may happen any day. Are you ready to do all in your power to protect your children and loved ones?

The Clarendon P.T.A. is offering us the opportunity of a Civil Defense Program by presenting Mr. Hugh Anderson, head of the Civil Defense Program of Borger, Texas, on Thursday, October 21, at 3:00 p. m. at the Junior High School. Mr. Anderson will acquaint us with a Civil Defense program suitable to this vicinity. You owe it to yourself and your loved ones to attend this program and be ready should any disaster come our way.

Let's remember the tragedy that was faced in Waco, Texas when a tornado took so many lives. There was no C.D. program which raised the cost of lives so greatly. The P.T.A. extends a personal invitation to every citizen in Donley County to hear Mr. Anderson whether you have children in school or not. —Reporter.

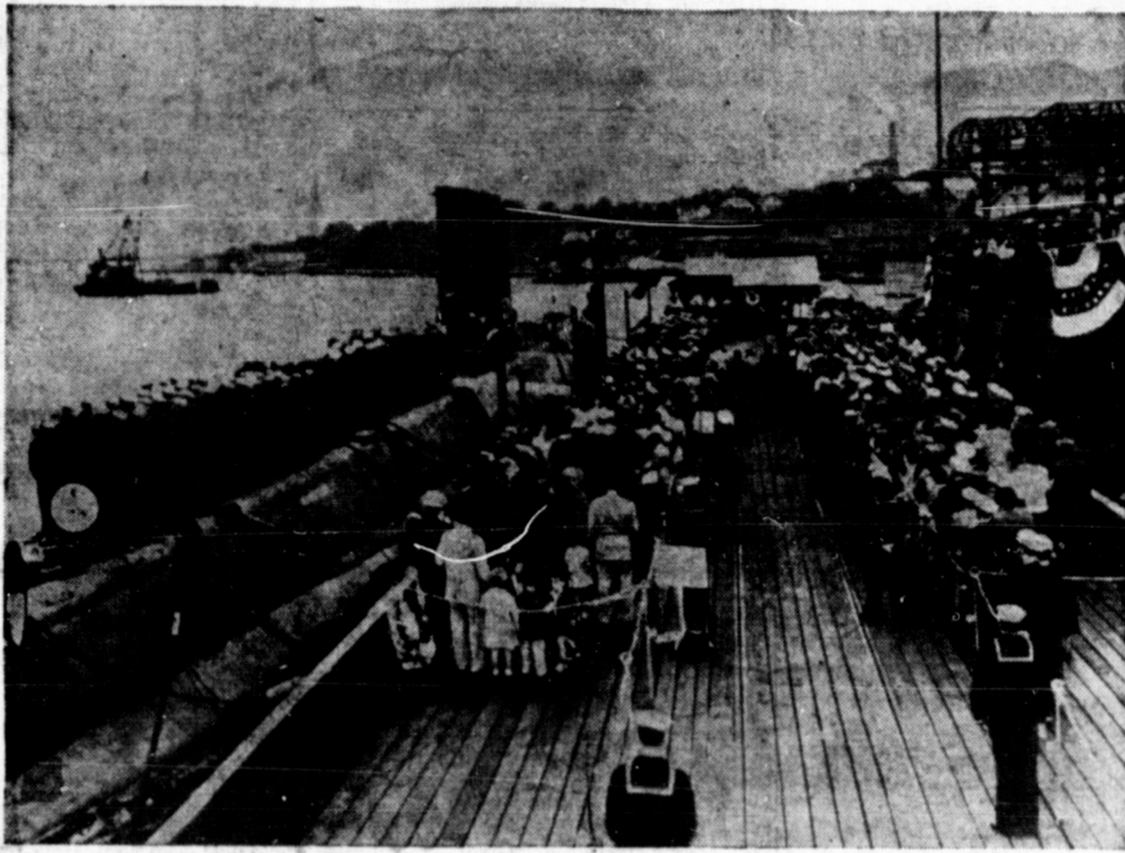

### B Team To Play Memphis Tonight At Memphis

The Broncho B Team will journey to Memphis tonight for a second encounter with the Memphis B squad which they defeated 18-0 in their first meeting. Game time will be 7:30 at Cyclone stadium.

This will be their third game of the season and they have a clean record to date with the win over Memphis and a 26 to 7 win over McLean here last Thursday night. This B Team, coached by Joe Spann, has been showing lots of spirit and they will appreciate your making the trip to Memphis with them tonight. These boys will be the main backbone of the Bronc squad next year and all the support and encouragement you can give them will help a lot.

### BAKE SALE SET FOR SATURDAY

The Kappa Sub Debs are sponsoring a Bake Sale Saturday, October 23, at Junior's Food Market. All of the usual home-cooked goodies will be on sale—cakes, pies, cookies, etc., at a nominal price. You are invited to choose your week end bakery needs from their foods. The sale begins at 9:00 a. m.

FIRST ATOM SUB . . . Photo shows ceremony at Groton, Conn., as sub Nautilus, first nuclear-powered vessel, was formally turned over to U. S. navy, when skipper, Adm. Jerauld Wright, warned we must maintain naval supremacy over communists.

### Colts & B Team Win Double-Header Over McLean Last Thurs.

Both the Jr. High Colts and the Broncho B Team were victorious in their games with the two teams of the same classification from McLean here last Thursday evening. The Colts led off with a 12 to 6 win, and the B-Team followed with a 28 to 7 margin. The winning score for the Colts came on the last play of the game and time ran out as the play was being run. John Tom Morrow intercepted a McLean pass and raced 50 yards to put the Colts out in front 12-6.

The McLean Kittens scored the first touchdown of the game in the first quarter. Running from a single wing formation with double reverses, they kept the Colts guessing as to where the ball was going and led in first downs during the first half.

Late in the second quarter Jimmy Johnson took a pitchout pass from Swinney and went almost the entire distance of the field to even up the score. Morrow's interception put the finishing touch to the game.

In the B Team game, it looked like the Broncs were headed for trouble when those big boys from McLean came out on the field, but their defensive power and their offensive ability proved to be much better than the heavier opposition and they came out on top 26-7.

The Bronc's first score came in the first quarter with Mills plunging over from the two. The next was made in the second quarter with Jimmy Phillee going 49 yards on a pass play to the 1 yard line and going over on the next play, Payne passed to Cosper for the extra, and the Broncs led 13-0 at half time. Phillee got the third quarter started in good fashion by breaking thru the line and racing 66 yards for the counter, and the extra point was good on a pass. Their final tally came toward the end of the third period with Mills going around right end for 15 yards. McLean's lone score was made in the fourth quarter.

### WORK ON WATER MAINS TO BEGIN SOON

Orville Housden, city water superintendent, announced this week that work would be started within the near future on repairing and replacing water valves on the city's cast iron main line. The majority of valves which were designed to cut off a small area at a time are frozen up and will not close which necessitates cutting off the entire supply to the city.

The exact day and hour the water will be cut off, will be published in the Leader so no one will be inconvenienced any more than necessary. Watch for this announcement within the near future, Housden stated.

### Oil Well Rig Due Any Day Now

According to the last report, the drilling rig to be used on the deep test well location 4 1/2 miles southwest of town, will probably be moved in toward the end of this week. It has been understood that the death of a worker, Jesse Edwards Jr. of Stinnett, delayed operations at the rigs last location near Perryton, which delayed the moving of the rig here. Some of the drilling crew have already moved here to start the new well.

This deep test well will be drilled on the V. W. Carpenter place by Rip C. Underwood Drilling Co. and the Corsica Oil Co., supported by Phillips Petroleum Co. Proposed depth is 6,500 feet or granite.

### Services Friday For Jessie Lee Usrey

Funeral services will be held Friday morning at 10 o'clock at the Hedley Church of Christ for Jessie Lee Usrey with Wallace Riffle and J. C. Stepp officiating.

Jessie Lee, age 13, died at his home in Amarillo Tuesday afternoon following an illness of several weeks. A native of Donley County, he attended the Lelia Lake schools prior to moving to Modesto, Calif. and to Amarillo. He was a member of the Church of Christ.

Survivors include his parents, Dorman E. Usrey of Amarillo and Mrs. Pauline Dean, Modesto, Calif., two brothers, Charles Ray and Bobby Glenn Usrey, and one sister, LeNora Ruth Usrey, Modesto; his grandparents, Mr. and Mrs. A. L. Usrey, Lelia Lake, and Mr. and Mrs. R. R. Riley, Clarendon.

Pallbearers will be Roy Crutchfield, Bob Banister, Fred Riley, Ed Yates, Leon Riley and J. D. Riley. Burial will be in Citizens Cemetery with the Murphy-Funeral Home in charge of arrangements.

### BAZAAR SPONSORED BY GOODNIGHT HOMEMAKER CLUB OCTOBER 26th

Everyone is invited to the Bazaar which will be held at the Goodnight Community Hall, Tuesday evening, October 26 at 7:30. This is an annual Bazaar that is held each year by the Goodnight Homemaker Club.

"Our Gifts will be auctioned off to the highest bidder. Everyone is invited to come; there will be fun, entertainment and refreshments for all," stated Mary Harlan, reporter for the club.

Mrs. Bell Smith of Fresno, Calif. and Mr. and Mrs. Frank Goforth of Amarillo were week end guests in the home of Mr. and Mrs. Victor Smith.

### White Deer Bucks Defeat Broncs 28-12

A change in tactics and costly errors were termed by Coach Ray Moore as the deciding factors in the ball game here last Friday night between the Broncs and the White Deer Bucks. The game finished up with the Bucks on the long end of the score which was 28 to 12.

Another thing that hampered the Broncs was the fact that White Deer maintained possession of the ball the majority of the game. This was brought about through their well planned on-side kick plays which netted them the ball on four different occasions. The Bucks didn't have the best team on the field by any means but made and capitalized on their possession most of the time.

The Broncs lost part of their spark early in the first quarter when a White Deer punt was blocked on the 10 yard line and they were unable to score at this point.

The first quarter went scoreless but the second quarter was quite different with the Bucks pushing over two td's and making their extra points, and the Broncs also scored their first counter with Max Johnson going 37 yards on a pass play. The Bucks came back early in the third period to stretch their lead another 7 points. Both teams scored again late in the fourth period. The Bronc tally came on the tail end of an 80 yard march from the Bronc 20 when Bobby Johnson carried over from the 2 yard line.

### Services Held Tues. For J. C. McCrary

Funeral services were held Tuesday afternoon at the First Baptist Church for Jesse Columbus McCrary with Rev. Ed Byers officiating.

Mr. McCrary, age 66, retired farmer, died at his home here Sunday afternoon following a short illness. He had been a resident of Donley County 33 years, moving here from Hunt County.

Survivors include the widow, Mrs. Dora Lee McCrary, Clarendon; two daughters, Mrs. C. F. Garman, Clarendon, and Mrs. O. J. Melton, Seminole, Texas; four sons, J. W., O. C. and J. E., all of Clarendon, and C. W. Berthoud, Colo.; one sister, Mrs. Dave Mitchell, Royce City, Texas; three brothers, S. F. of Syracuse, Kansas, H. E. of Stephenville and E. B. of Colcord, Okla.; and 19 grandchildren.

Pallbearers were I. J. Moore, Frank Lyle, Wade Roach, Oscar Wilkinson, R. O. Thomas and Carl Bennett.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

## BRONCS TO PLAY GRUVER HERE FRIDAY NIGHT—TIME 7:30

### HERSHEL HEATH IS NEW OLIVER DEALER

Announcement is being made in this issue of the Leader of the appointment of Hershel Heath, owner of the AAA Motor Co., as the Oliver Tractor and Implement Dealer for this territory. Mr. Heath will operate the Oliver agency along with his present business arrangement and will maintain a complete parts and service department. At the present time he has one of the new Oliver 55 tractors on display in his show room.

### Dairy Specialist To Speak Here Oct. 29

Dairymen in Donley County will get a chance to hear Mr. R. E. Burleson, Extension Dairy Specialist from the Texas A&M College at 1:00 P. M. Friday, October 29th. The meeting will be held in the office of county agent H. M. Breedlove in Clarendon.

Breedlove is urging that every one interested in dairying to be present and discuss dairy problems with this specialist from the A&M College. Rations and feeding of the dairy herd will be discussed along with culling and selecting of dairy cows for replacement in the herd. Much interest has been shown in Donley County in the dairy business and during these dry years feeding has become a problem and still stay on the profit side of the books.

The more efficient we can become in feeding and care of the dairy herd then the more chance we have for profit in the business, Breedlove said.

Mr. Burleson will discuss the dairy business from all angles and answer any questions that any one might wish to ask. Remember the date and time and try to be present.

### Still Time For Your Free Chest X-Ray

The State Health Department's mobile chest X-ray unit is still in operation here and will be until 1 p. m. tomorrow (Friday, October 22nd). According to the last check a goodly number of county residents have been in to take advantage of this free service but not near as many as had been anticipated. This service is absolutely free and everyone over 15 years of age certainly should take advantage of this opportunity. There's nothing to be afraid of and it will take only a very few minutes of your time.

The X-ray unit is located at the Estlack Machinery Co. The unit will be in operation from 9 a. m. to 6 p. m. today and from 9 a. m. to 1 p. m. tomorrow. Don't be included with those who will say, "I forgot." Go on down right now.

The next conference foe of the Broncs will be the team from Gruver. The game will be played here Friday night beginning at 7:30. This will be the first meeting of these two teams as Gruver joined this conference this year. Another special event for the evening will be the crowning of the Football Queen. Miss Sue Talley, daughter of Mr. and Mrs. Edgar Talley, has been chosen for this honor and her attendants will be Carol Lane, Margaret Cushing and Charlotte Wilson. This ceremony will take place at half-time with the band, pep squad and the entire Broncho squad participating.

According to the dope bucket, the Broncs should take this game without too much trouble but you never can tell just what might happen. The Gruver boys had an open date last Friday and have been resting up and recuperating from the bashing they received from the McLean Tigers the previous week.

The Broncs are all reported in good shape with the exception of Delma Graham who received a leg injury in practice Monday. Coach Moore stated that the starting line-up for the Broncs was undecided at the present time and that several changes was possible by game time.

Don't forget, the Band Parents stand will be open with hot dogs, hot coffee, cold drinks, candy, etc.

### Services Today For W. O. Maxey

Funeral services have been set for 2 p. m. this afternoon at the First Baptist Church for William Oscar Maxey with Rev. Ed Byers officiating.

Mr. Maxey, 54, who had been working in Hereford only a short time was found dead in his room at a rooming house in Hereford Tuesday morning. Deaf Smith County coroner Andy Thomas pronounced death due to natural causes.

Mr. Maxey had been a resident of Donley County a long number of years. He was a member of the Baptist Church and the Moose Lodge.

Survivors include his wife Mrs. Doris Maxey, Clarendon; a son, Richard Maxey, Clarendon; two daughters, Mrs. Tommy Heatherly, Amarillo and Mrs. Bill Johnston, Phillips; his mother, Mrs. I. A. Maxey, Clarendon; two sisters, Misses Beaulah and Elizabeth Maxey, Clarendon; four brothers, Virgil, Ralph, Clarence and James Maxey, all of Clarendon; and four grandchildren.

Pallbearers will be G. W. Bradshaw, G. A. Lamberth, Eddie Forest, Tom Oatis, Basil Smith and B. L. Graham.

Burial will be in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Four little boys at Texas Scottish Rite Hospital for Crippled Children get a personal introduction to a real live movie star. The star above is Major, member of a famous team of German Shepherd dogs, shown with Trainer Billie Watkins of Hollywood. Patients at Scottish Rite get ringside seats and special previews of the best shows in town.

Antlerless Deer Hunt Scheduled

AUSTIN—The Executive Secretary of the Game and Fish Commission said technicians are cooperating with landowners in four Texas counties to plan details for the forthcoming harvest of antlerless deer to reduce big game over-population in selected areas.

The Commission, at its recent Austin meeting, set the date as December 4-12 for the second annual antlerless deer hunt in Mason and Gillespie Counties, and for the first hunt in Llano and Kerr Counties.

The eight-day shoot, designed for areas where herd losses resulted from uncontrolled surpluses, may be held exclusive of the regular buck season in the counties affected.

This provision, however, is subject to approval of the County Commissioners in the four counties. The Commissioners were empowered under the state law legalizing the antlerless deer harvest, to have the final authority.

The Commission recommended buck hunting be suspended in the affected counties during the special antlerless deer hunts on the advice of the ranchers and landowners. These persons, owning or controlling the hunted areas, have broad individual rights, based on the original de-

cision as to whether they want antlerless deer taken. Technicians report ranchers and landowners have cooperated to systematically reduce over-population of deer particularly in the areas where the drought has cut into available food supplies.

The Executive Secretary said the major reasons for separating the antlerless deer hunt from the regular buck deer season was that not all ranches were opened to taing of antlerless deer and that shooting antlerless deer often-times scattered bucks into areas where bucks only were being taken, with resultant herd losses to ranchers cooperating in the special shoots.

Also he said the dates of December 4 through 12 were chosen because they come during a lull in the big game season and thus would provide a minimum of conflict with the buck hunters.

The Commission felt that holding the antlerless shoot during the slack period would help maintain a steadier flow of hunters into the affected communities.

The Executive Secretary said the bulk of the buck deer are taken within the first ten days of the regular season opening November 16 and that major activity of the buck hunters is not resumed until the Christmas holidays.

For the benefit of the trophy seekers, he pointed out that the big "grand-daddy" bucks usually are not taken until near the end of the season which closes on December 31. So the special season would cause no conflict there.

## Delta Kappa Gamma Regional Meeting Held Oct. 16

Gamma Xi Chapter was hostess to the regional meeting of Delta Kappa Gamma, a fraternity for women educators, Saturday, October 16, at Dumas, Texas. Headquarters for the convention was the Senior High School building. Registration for delegates began at 8:30 followed by a coffee in the homemaking department honoring delegates and distinguished visitors.

The program theme for the meeting was The Voice of Delta Kappa Gamma. Mrs. Mattie Belle MoMan of Odessa and Miss Alma Hall of Amarillo, regional directors, were in charge of the meeting. Mrs. Mattie Ruth Nowlin of Plainview was also a platform guest.

The following program was given: Report from the National Convention in Boston, Miss Jewell Foster, Gamma Xi Chapter, The Voice of Delta Kappa Gamma is Heard Through its Selected Members, Beta Delta Chapter, Parpa, Delta Kappa Gamma Speaks in Behalf of Scholarships, narrator Miss Zady Belle Walker, President of Gamma Kappa Chapter and assisted by Clarendon and Memphis members, The Voice of Delta Kappa Gamma is Raised in Legislative Affairs, Pi Chapters, Amarillo, and The Voice of Delta Kappa Gamma Lives in Future Teachers, Gamma Iota Chapter, Tulia.

Featured speaker on the program was Miss Eula Lee Carter of Fort Worth, State Honorary Founder, State President for four years, and State Executive Secretary for many years. Miss Carter gave the keynote address at the luncheon in the high school cafeteria on The Voice of Delta Kappa

Gamma, urging women teachers to more effective leadership, to greater enthusiasm in teaching, and to equal preparation with men teachers.

The Delta Kappa Gamma Society is celebrating its silver anniversary this year. It was founded May 11, 1929 in Austin, Texas by Dr. Annie Webb Blanton together with eleven of her friends and associates. At the time of Dr. Blanton's death in 1945 the society boasted a membership of 22,909 members in forty-eight states and the District of Columbia. Today the organization has a membership of 50,000 women. A new \$150,000 Headquarters building in Austin will be under construction soon and is to be completed sometime in 1956.

Those attending this most inspirational conference from Clarendon were Mesdames Marguerite Goodner, Velma Weaver, Misses Mary Howren, Ruth Richardson, Edgar Mae Mongole, and Lucile Polk.

### MARY GAIN HOSTESS TO MU GAMMA

The home of Mary Gain was the scene of the 45th regular meeting of Texas Mu Gamma Chapter No. 3942 of Beta Sigma Phi, on October 14th.

After a short business meeting, Dee Williams presented a most interesting program entitled "Prose."

The raffell was won by Edna Smith, prospective pledge.

Refreshments were served by the hostess Mary Gain to the following: Edna Smith, Jennie Aten, Jane Bownds, Bert Garland, Frankie Henson, Juanita Phelps, Lois Schollenbarger, Dee Williams, Mae Naylor and the sponsor, Mrs. C. B. Morris.

The next meeting will be held on October 28th in the home of Freida Gray. —Reporter.

### KIL KARE KNEEDLE KLUB

The Kil Kare Klub convened in the home of Misses Ida and Etta Harned the afternoon of October 14. The entertaining rooms were artistically decorated with numerous bouquets of beautiful dahlias and pyracantha.

An interesting program was enjoyed. Mrs. Homer Mulkey gave the history and aims of the Club. Mrs. E. H. Noland conducted a "Know Your Neighbor" contest. Concluding, Miss Mary Howren rendered several beautiful piano solos.

Refreshments of cake, punch, mint roses and salted nuts were served from the covered dining table centered with a large bouquet of pink dahlias. Mrs. G. C. Heath ladeled punch while Mrs. A. O. Hefner served cake.

Those present were invited guests Mesdames Clyde Butler, Johnny Johnson, John Bass, Stanley Carlile, Leck Goldston, Kirk Doshier, Roy Beverly, Ernest Hunt, Miss Mary Howren and Betty and Becky Hudson; also members Mesdames W. H. Noland, A. O. Hefner, Cap Lane, Major Hudson, Homer Mulkey, G. C. Heath, Harry Brumley, R. O. Thomas, J. R. Bartlett, Sam Lowe, Ed Speed of Amarillo, C. R. Piercy of Goodnight, and the hostesses Misses Ida and Etta Harned.

The next meeting will be announced later.

The serving table was centered with a birthday cake surrounded with Halloween party prizes, flanked on either side by crystal candelabra bearing orange candles. The Halloween motif was carried out in plates, cups, napkins and individual Halloween candles were lighted at each plate. Supper was eaten by candlelight.

After supper the children opened the many gifts and then played games until 7:30 at which time they attended the Mulkey Theatre.

Those present were Janet Kay Goodman, Pamela Hicks, Barry, Freddy and Cynthia Gray, Dolia Vallance, Linda Palmer, Theresa Phillips, Monty and Steve Land, Terry Moore, Pat and Mike Chilton, Marsha Kay Maxey, Pat Perkins, Phil Hart and Dana Estlack. Those assisting Mrs. Estlack with the children were Mrs. Bill Chilton, Mrs. Jack Gray and Mrs. Billy J. Land.

The Senior Home Demonstration Club entertained members of the Junior H. D. Club at a luncheon, Friday, October 15, at Patching Club House. Bouquets of dahlias decorated the entertaining rooms and tables. The luncheon was served buffet style.

A short program was presented and was enjoyed by all. The Choral Club sang several numbers and Mrs. Lena Antrobus read her poem which won first place at the Federated Club Convention. Thirteen guests and 12 members were present.

Following the luncheon, senior members held their regular business meeting with the president, Mrs. W. L. Jordan, presiding. Mrs. Claude Darden read the Club Collect.

The next meeting will be held the third Friday in November with Mrs. Claude Darden hostess.

### BIRTHDAY PARTY

Danalee, daughter of Mr. and Mrs. Alfred Estlack, celebrated her 6th birthday with a party at the home of her parents at 6 o'clock Friday evening, Oct. 15th. Dana's birthday was Oct. 14.

The guests gathered at the Estlack home at 6 p. m. They were served sandwiches, potato chips, Kool-aid and birthday cake.

### RECORD PARTY ON THE 19th

Members of Texas Mu Gamma Chapter No. 3942 of Beta Sigma Phi enjoyed a "Record" Party on the 19th in the home of Jane Bownds.

Each guest came dressed as their favorite record. There was a great selection of the favorites. As each member or guest arrived the group tried their wits at guessing the identity of the record. Mary Gain baffled the party with the getup as "The Lady is a Tramp", which she finally had to relate to the group.

After each one had been guessed the group enjoyed games of Canasta.

Coffee, salad and cake were served to the following: Lois Schollenbarger, "Mule Train"; Frankie Henson, "Backward Turn Backward"; Jane Bownds, "Dude Cowboy"; Jennie Aten, "Candy Kisses"; Juanita Phelps, "Buttons and Bows"; Anne Reeves, "My Heart Belongs to Daddy"; Freida Gray, "Three O'Clock in the Morning"; Bert Garland, "The Kid With The Rip In His Pants", and the two guests, Edna Smith and Ann Hommel.

### LIBRARY CLUB MEETS

The Clarendon unit of T.A.L.A. met Wednesday taking in the following new members: Joyce Crutchfield, Edna Beth Finch, Lugenia Hubbard, Carol McAbee, Jeanie McAneer, Patsy Schull, Elizabeth Smith, Nelda Tims, Stella Tipton, and Norma Tolbert.

We voted to meet twice a month. The president appointed committee chairman: Sue Banister, Constitution; Lugenia Hubbard, Hobbies; Barbara McAneer, Bulletin board; Jackie Estlack, entertainment; Elizabeth Smith, program.

Jackie Estlack is the District T.A.L.A. parliamentarian. The club has been asked to take part in the District T.A.L.A. meeting to be held in Dumas, October 30. We will furnish a musical number and a skit. Our Club has also been asked to lead a panel discussion on the "Responsibilities of the Student Librarians" at the meeting.

Mrs. Olean Leggett, our sponsor, hopes to be able to take the entire club membership to the Dumas meeting. —Reporter.

### 1926 BOOK CLUB

The 1926 Book Club observed Guest Day October 19th, at Patching Club House with Mrs. Alvin Landers, Mrs. Homer Parsons, Mrs. Curtis Mears, Mrs. Frank White Jr., and Miss Lucile Polk hostesses for the occasion. Mrs. W. J. Lewis, Jr., registered the guests.

Mrs. Clyde Hudson, club president, presented Mrs. Joe Ritter, who gave a most delightful review of Margaret Echart's "The Unbelieving Wife."

During the social hour, refreshments were served from a beautifully appointed table, covered with a chartreuse cloth and featuring bronze and yellow mums in black wrought iron containers, and orange candles in wrought iron candelabra. Mrs. Clyde Hudson, in witches costume, served punch to about sixty-five members and guests.

Mrs. A. T. Cole gave a report of the year's work and accomplishments. The report was good and members were proud of their activities.

Present were Mesdames A. T. Cole, Claude Darden, H. M. Reid, C. N. Brewer, and Bill Preacher. The next meeting will be with Mrs. Cole, October 27. —Reporter.

Mrs. J. R. Porter entertained with a 12:00 o'clock luncheon at her home Tuesday, October 19, honoring Mrs. Ray E. Winters of Encinitas, Calif. Mrs. Winters is a former Clarendon resident. The meal was served buffet with guests seated at quartet tables.

Enjoying the renewing of acquaintance and visiting were Mesdames Ray E. Winters, Nathan Cox, Fred Buntin, Clyde Hudson, Will Chamberlain, Homer Bones, Charlie Bairfield, Victor Smith, Emma Ayers, Marguerite Goodner, Misses Lucile Polk, Mantie Graves, and the hostess, Mrs. J. R. Porter.

### PRESBYTERIAN WOMEN OF THE CHURCH

Presbyterian Women of the Church met Wednesday afternoon, October 13, in the home of Mrs. Carroll Knorpp for their regular Circle meeting. Mrs. Charles Blackburn was assisting hostess.

Mrs. Lee Shaller presided at the business session. The program for the afternoon was in charge of Mrs. G. L. Green. She was assisted by Mrs. Thad Rodgers, Mrs. Lee Shaller, Mrs. Lee Bell and Mrs. D. F. Wadsworth. The "Talk About" was given by Mrs. Wm. A. Cockerell.

The meeting was closed with prayer. Seventeen members were present.

The Freshman Class of Clarendon High School met October 19, in the study hall. Beth Gillham called the meeting to order. Minutes of the previous meeting were read and approved and a treasurer's report given.

Keith Hudson and Dianne Moore were elected Canteen representatives. Phyllis Hill made a motion that all freshmen remind everyone to take care of the shrubbery around the building.

This motion carried. Members were reminded of class dues. One new member, Ruby Tacket, was welcomed into the class. Meeting adjourned. —Reporter.

The W.M.U. of the Calvary Baptist Church met Wednesday evening of last week and organized a Girl's Auxiliary. There are eleven members and they are looking forward to accomplishing great things in Christian Service.

Mrs. Mary Myers is the very efficient leader for the girls. Their meeting time will be each Wednesday evening at 7:30, and they are inviting any intermediate girl to meet with them. —Reporter.

Mrs. J. R. Porter entertained with a 12:00 o'clock luncheon at her home Tuesday, October 19, honoring Mrs. Ray E. Winters of Encinitas, Calif. Mrs. Winters is a former Clarendon resident. The meal was served buffet with guests seated at quartet tables.

Enjoying the renewing of acquaintance and visiting were Mesdames Ray E. Winters, Nathan Cox, Fred Buntin, Clyde Hudson, Will Chamberlain, Homer Bones, Charlie Bairfield, Victor Smith, Emma Ayers, Marguerite Goodner, Misses Lucile Polk, Mantie Graves, and the hostess, Mrs. J. R. Porter.

**Cotton Price Outlook**

Texas Dept. of Agriculture

Cotton growing is always a gamble. But if the Texas farmer can afford to gamble a little more than usual this fall, then he may find the odds for getting a good price are better now than anytime since 1950.

Drouth and limited cotton acreages have cut 1954 production prospects down below the amount expected to be used by domestic and export consumers. As a result, cotton farmers may find they have a "sellers market" for the first time in four years. This could be especially true of better grade cotton.

Domestic and export demand for cotton is expected to exceed the predicted 1954 crop by nearly 2 million bales. Total U. S. production is forecast at about 11,832,000 bales. Consumption is predicted at 13,700,000 bales. If this holds true, then textile mills may have to buy from Commodity Credit Corporation reserves to meet their needs.

A farmer with a new crop of cotton has a more desirable product than this stored surplus. Furthermore, the interest and storage charges on CCC reserves should tend to make manufacturers seek out the new crop first.

The spread between this year's crop and the expected demand may become even wider. Texas production on Sept. 1, was estimated at 3,375,000 bales compared to 4,317,000 last year. But the drouth is deteriorating dry land cotton rapidly and this figure is already out of date. There is no accurate way of estimating just how much less the crop will be.

In such a situation, cotton prices could ordinarily be expected to firm up to between 38 and 40 cents before the year is out. The dollar wise farmer, then, should seek out the very best market for his cotton and not be over anxious to sell too quickly unless it is really necessary.

**New FORD THUNDERBIRD**

A personal car of distinction  
...with Trigger-Torque performance

You'll be delighted at the wealth of conveniences the Thunderbird offers. Two tops are available; a disappearing fabric top . . . and an easy-to-lift-on hard top. The extra-wide vinyl upholstered seat is foam-rubber-cushioned . . . power-operated 4 ways. Windows roll up . . . by power, if you like. There is a tachometer . . . and a clock with a sweep second hand. There is a telescoping steering wheel. And you can have power steering and power brakes.

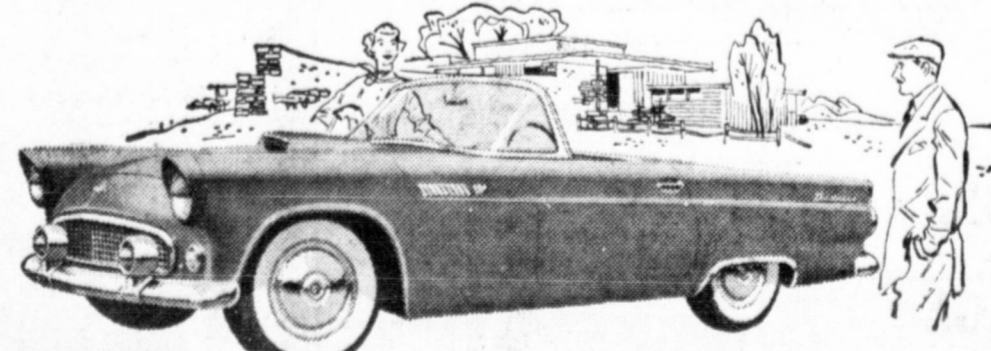

Something totally fresh is here—a bewitching new all-steel beauty that sets the styling keynote for other Ford cars to come.

But, styling gives the merest hint of what the Thunderbird has to offer. In traffic and on the open road the Thunderbird's Trigger-Torque performance is literally a revelation. Here is hair-trigger response . . . fleet, liquid agility . . . backed by a reserve of swift, sure power to meet safety's every demand. Trigger-Torque performance stems from Ford's new Thunderbird Special V-8—a high-torque engine with 4-barrel carburetor, dual exhausts, wide-opening valves and Ford's famous low-

friction design. And you can have the Thunderbird with the transmission of your choice—Conventional, Overdrive, or new Speed-Trigger Fordomatic.

Ford's Ball-Joint Front Suspension not only velvet-cushions your ride, it also allows the Thunderbird to handle with utmost ease—to corner with greatest stability.

But, more important, the Thunderbird is the product of the same advanced engineering . . . the same manufacturing skills that have made Ford products so dependable, so value-full and so desirable to so many.

the Senate. The Washington papers are mainly filled with international and local news. The national items that usually dominate the front page are noticeably missing. The District courts are in session and some trials are furnishing the major local news. One trial involves a former police officer alleged to have been mixed up in Washington's dope peddling racket. Over in Baltimore, they are trying a Washington resident for income tax evasion, and the facts in the case seem to be centering around major gambling and race horse activity.

The Supreme Court convened on Monday, October 4th, for its fall session. 133 applicants for admission to practice before the Supreme Court were admitted. This number included two Amarillo attorneys, namely, John H. Merchant and J. O. Fitzjarrald.

Chief Justice Warren and the other members of the Court appeared to be ready to go to work on a heavy docket. No doubt but that some of the decisions this fall will have some world-wide significance.

Even the tourist activities have almost ceased. I was over at the House Chamber the other day with some of my good constituents, and found that the bullet hole in the roof of the Chamber that was put there by the Puerto Rican woman, has been repaired. Too bad it was much easier to repair than the damage she did to the physical bodies of some of the Members.

October 6th is one of the important days in my family. It is my good wife's birthday. We celebrated by having lunch at the Mayflower. This hotel is almost like an international cross-roads.

It's difficult to go through without seeing someone you know from somewhere. For instance, Georgia's United States Senator Dick Russell, Boston's Mr. Welch of Senate hearing fame, Pampa's Ruby Lee Hughes, and Mrs. Eisenhower's sister. They were all in the lobby at the same time.

We finished the birthday celebration that night, when the children had a "Happy Birthday" cake. Everyone had a good time, and the cake had to be cut into so many pieces that there wasn't enough to make anybody sick. We know pretty well how to handle birthdays; we have one about every week.

**THE FOREIGN SITUATION**  
The gloom that seemed to engulf so many of our government departments when EDC failed of ratification in France has turned into sunshine since the London

pact has been agreed upon. They feel that great forward progress has been made, and there is anticipation of greater things to come. There are still many obstacles to overcome and great difficulties that will be encountered. Let us hope that it is the beginning of a unified Europe that will be the surest guarantee of peace.

**REPRINTS**  
The U. S. Treasury Building is having its face lifted. That is, the outside is being washed down, or rubbed down, or sand blasted, or whatever is necessary to clean it off. One wag, standing on the street corner watching these activities, was heard to remark: "It looks like the Treasury is getting cleaned both inside and out."

**SMALL WORLD**  
A few days ago I extended an invitation to Commissioner Seaborn L. Digby, of the Federal

Power Commission, to address a group of gas producers and royalty owners in Amarillo. Mr. Digby had to regret the invitation because of the tremendous amount of work now pending in the FPC offices. However, in his letter of regret to me, he mentioned the fact that his wife was the sister of Mrs. S. D. Stennis, of Pampa. Mrs. Stennis is the widow of the late Judge Stennis, who was a brother of Senator John Stennis of Mississippi. Hampton Stennis, a son of Judge and Mrs. Stennis, is employed by the Globe-Times Publishing Co. in Amarillo. I wish that Commissioner Digby could have made the trip to Amarillo and taken his wife along. I know they would have enjoyed the visit as much as the people in the District would have enjoyed having them. Perhaps they can come later.

**THE LION'S TALE**  
By Carl Allmond

Another new member was voted into the club Tuesday. Welcome Durwood Skelton! How many greeted him as a new member? We forgot too. Think nothing of it Durwood; it has happened to most of us.

According to Bill Lowe, chairman of the Community Betterment Committee, things are about to start popping from now on. Bill announced Nov. 5th as the date for our annual Pancake supper. This affair is getting bigger and better every year. Wouldn't it be something if so many people came that every Lion would be kept busy waiting tables and washing dishes? Don't forget, this is one of those "all-you-can-eat for fifty cents" affairs.

In the same breath, Bill announced our Home Talent show, set for Nov. 8th. Keep in mind that all the money the Clarendon Lion's Club takes in goes for some worthy cause. The main reason we are not doing anything worthy right now is, we are out of money. That's the reason we

want everyone to attend this supper and talent show. Bill also announced a sponsored meeting by the P.T.A., concerning Civil Defense, and how it can be organized here in Clarendon. This comes under George Schollenbarger's committee, and he was so advised.

Boss Lion McCully announced the arrival of the Chest X-Ray in Clarendon, and asked each member to go by Estlack Machinery to be X-Rayed.

Bill Williams was honored with the goose-care job for the coming week.

Do you remember when George Green was Express Agent here in Clarendon, and a Dutchman had ordered a couple of geese? The Dutchman went to the station, after receiving notice from George that the geese had arrived—walked in, and said "You got-geese"? George got pretty mad, until the Dutchman explained that all he wanted were the geese.

We are reaping benefits from our Junior College talent; we had four more students on our program Tuesday. Bob Garton, Gus Orcutt, and Jerry Buck as engineer, gave us a couple of Eng-

mime numbers. Miss Betty Nan Tomlin closed the program with a reading, given in Swedish dialect.

**FARM NEWS**  
from the County ASC Committee

**GRAIN SORGHUM LOANS**

We are beginning to make a few grain sorghum loans at the present time. The grain sorghum loan rate for Donley County is \$2.21 per hundred weight. The loans that have been made are netting from \$2.03 to \$2.04 per cwt. The difference in the net price depends on the time the grain goes into storage. The storage charges become one cent less each ten days, thereby increasing your net loan rate one cent.

It will be necessary for you to secure a lien waiver prior to making the loan if there are any liens against the crop. Under the laws of Texas, the landlord has a lien on his tenants crops unless the tenant has a cash lease.

**COTTON MARKETING CARDS**

We still have a few cotton marketing cards in the office ready for delivery; if you have not called for your marketing card, please do so at the earliest date. You may ask a neighbor to pick your card up if he will, or you may call or write and the card will promptly be mailed to you.

**CROSS COMPLIANCE EFFECTIVE IN 1955**

If an allotment crop is overplanted in 1955, no crop from that farm will be eligible to receive price support. Also any producer with an interest in any overplanted allotment crop would not be eligible for ACP assistance on any farm in the United States. This is different from 1954 and all producers who are considering over-planting and harvesting the over-planted crop should check with us on this matter.

Mr. and Mrs. O. C. Watson left the first of the week to attend the State Fair and visit in Dallas. They were accompanied as far as Ft. Worth by her mother, Mrs. Lena Antrobus, who visited relatives there.

**Drawing Planned On Deer Harvest**

AUSTIN—The Assistant Executive Secretary of the Game and Fish Commission said details of Texas' first free public lands deer hunt this fall cannot be announced for the time being.

One of the principal reasons, he said, is that it has not been determined yet whether one hundred or fifty head of white-tails will be harvested.

The Commission, at its recent meeting in Austin, decided that fifty bucks and fifty antlerless deer should be taken to control the big game population on the Kerr Wildlife Management Area in Kerr County.

The Commission has partial authority to regulate hunting in Kerr, Gillespie, Llano and Mason Counties under recent state legislation but its decisions are subject to approval or disapproval of local county commissioners.

Thus final plans, including the date, cannot be made for the Kerr area shoot until the Kerr county commissioners act on whether both bucks and does may be taken.

The Kerr area comprises 6,493 acres and now has an estimated deer population of 650, about one deer per 9.7 acres. The area is on the north fork of the Guadalupe River about thirty miles west of Kerrville.

The Assistant Executive Secretary said the limited hunt had to be placed on a permit basis, similar to the drawings for antelope licenses, to fairly handle the harvest.

The shoot will be supervised by Commission personnel so that the hunting will be confined to the pastures opened up for the harvest, and to reduce ordinary hazards. The legal shooting period

will be spread over sufficient time to avoid congestion. Permits will be on an individual basis without regard to group arrangements permitted under the antelope permit system.

The Kerr area, scene of the historic hunt, is one of several wildlife management areas created in key Texas regions. Thus it becomes the first to attain a game population surplus deemed to be greater than the area acreage can support.

Two primary purposes of the management area program are:

1. To provide facilities for research and adequately controlled experimental management;
  2. To demonstrate to private land owners the feasibility of tested management practices.
- This is considered vital since Texas, traditionally lacking state lands for public hunting, maintains its big game resources mainly on a land owner-ship-game management basis.
- Hunter harvest, therefore, is a by-product of special interest.

Guests thru the week end in the home of Mr. and Mrs. M. C. Rampy were Mr. and Mrs. T. W. Stansbury of Bakersfield, Calif.; Mr. and Mrs. Ed Kirkendoll and Mr. and Mrs. Durwood Kirken-doll and Kay of Wichita Falls; Mr. and Mrs. Max Rampy and family of Lubbock; Mr. and Mrs. Ray Rampy of Lubbock; Mr. and Mrs. C. C. Alexander and children of Silverton, and Miss Geraldine Rampy of White Deer.

Dinner guests in the home of Mrs. Emma Ayers Sunday were Mr. and Mrs. Ray E. Winters of Encinitas, Calif., Mrs. Addirene DuBose of Amarillo, Mrs. Cordia Thompson, and Miss Athalee Dodson. Mrs. Winters will be remembered here as Fannie Perry Wilson.

**SCHOOL CAFETERIA MENU**

Beginning January 1955, the new law makes it possible for all beneficiaries on the social security rolls to earn up to \$1,200 a year without losing benefits for any months. The earnings test for both the employed and the self-employed recipients of old age and survivors insurance benefits is the same.

After 1954, both employed and self-employed men and women who are receiving their social security payments may make as much as \$400 in three months without losing benefits for that year. (Under the old law a semi-retired worker who took a seasonal job which paid him \$400 in three months would have lost benefits for those three months.)

Or a beneficiary could work throughout the year at a part-time job and make \$105 a month. He would lose benefits for only one month in the entire year. (Under the old law the employed person would have lost benefits for the entire year.) For every \$80 over \$1,200 earned by the self-employed or the employed beneficiary, he will lose one month's benefit check. He will not lose a benefit in any month in which he has not earned more than \$80 or rendered substantial services.

The new earnings limit applies to all jobs. After 1954, when a

beneficiary exceeds his \$1,200 in a year, he reports this to his nearest social security office. If he fails to report his earnings in excess of \$1,200 in a year, he may be penalized by losing additional benefits for the year. Under the new law, benefit payments will be suspended any days over seven during which the beneficiary is employed or self-employed outside of the United States in work not under social security.

# PLOWIN' Out the CORNERS

Hi Uncle Zeb

Several of you have in the past written many letters to the shut-ins that we have mentioned in this column. In all we have heard from around fifty folks from all over the United States who are either wholly or partly confined to their beds. The other day we had about the very finest letter one could hope to receive from a 46 year old man whose address is Shelby, Miss. Since 1932 he has had arthritis. The disease was at its worst by 1943. Before that

time he was a teacher in Duke University part time and was working on his Ph.D.

His thrilling story goes something like this: A little neighbor girl 3½ years old came over to play around his bed during the day. They became good friends. He mended her toys and made things for her. This helped to keep his fingers from becoming altogether useless. One day she brought in some pecans to be cracked. With the pecans she brought an acorn to try and fool her friend. From the pecan, the acorn, and some pipe cleaners he hit on the idea of making her a doll. She selected the paint for the acorn head and soon the doll was finished. Folks saw the doll and wanted one. This all led to a store wanting to handle them. Soon these dolls made by Coggy Bullock, known as "Coggy Dolls" were famous.

spired by the Memphis, Tenn. Cotton Carnival, he began making jewelry along that line for the Queen to wear. His fame grew. He was invited to attend the celebration. Stories such as this one of Coggy's coming to us from folks who are handicapped thrill us all the way to our heart. If you wish write to him. Just Coggy Bullock, Shelby, Miss.

"A shady life never produces a sunny disposition."

"Truth is not only stranger than fiction, but it is usually more interesting", or so they say. Anyway, a little bit of truth put through the mills of gossip for a few repetitions can come out with many strange endings. But mostly it always comes out to the everlasting damage and injury of some person that does not deserve it.

On and on his story goes. In-

For our Scrap Book suggestion we will include the following little poem called:

**TAKE TIME**  
Take time to live, for that is what time is for;  
Killing time is suicide.  
Take time to work; it is the price of success.  
Take time to think; it is the source of power.  
Take time to play; it is the foundation of wisdom.  
Take time to be friendly; it is the road to happiness.  
Take time to dream; it is hitching your wagon to a star.  
Take time to look around; it is too short a day to be selfish.  
Take time to laugh; it is the music of the soul.  
Take time to play with children; it is the joy of joys.  
Take time to be courteous; it is the mark of a gentleman.

"The man who tries to dodge his duties, usually finds the detour rougher than the main road."

## LeRoy LaMaster Campaigning To Be On "Ike's" Team

"I'm campaigning for two things: Support for President Eisenhower's program, and a 'do-something' Congressman for the 18th Congressional district," said Congressional Candidate LeRoy "Pete" LaMaster, speaking before a group of precinct workers in Amarillo this week.

LaMaster, a farmer and stockman from Perryton, said the two issues went hand-in-hand.

"First," he said, "President Eisenhower must have a favorable Congress during the next two years. It's only natural to expect the left-wingers to try to get back in the White House in '56 . . . and they'll do everything they can to wreck Ike's program in the meantime."

"And then," said LaMaster, "to get any real representation in this District, we need to send a man to Washington who'll be on Ike's team—a man who can make your voice heard — after all, that's what you expect of a Representative."

LaMaster named a few of the problems he said needed attention. "The Canadian River Dam Project needs to be carried through to a successful conclu-

sion," he said. "And, too, it's time the farmers had representation in Washington." He pointed out that there were over 200 lawyers in the House of Representatives and only about 25 farmers.

Another matter of importance, according to LaMaster was the Natural Gas issue — not only from the standpoint of elimination of regulating gas prices at the wellhead — but the need for a clear cut ruling that the farmer

be permitted to use the natural gas for irrigation purposes.

"I pledge myself to support the Eisenhower program, just as far as I can, and still keep the best interests of the people in my district uppermost," he said.

Gold coins were taken out of circulation in the U. S. in 1933.

Here's the

# 3-Way Bonus

that's sweeping Buick to record sales in October!

**Record-making allowance in October**

One look at the national sales figures tells you this: Buick is outselling every other car in America — regardless of price class — except two of the "low-priced three." And just to keep sales soaring — we're willing to give a whole of an allowance this month — to keep success rolling in high. So come in — get a car and a deal that are too good to miss.

**Higher resale value**

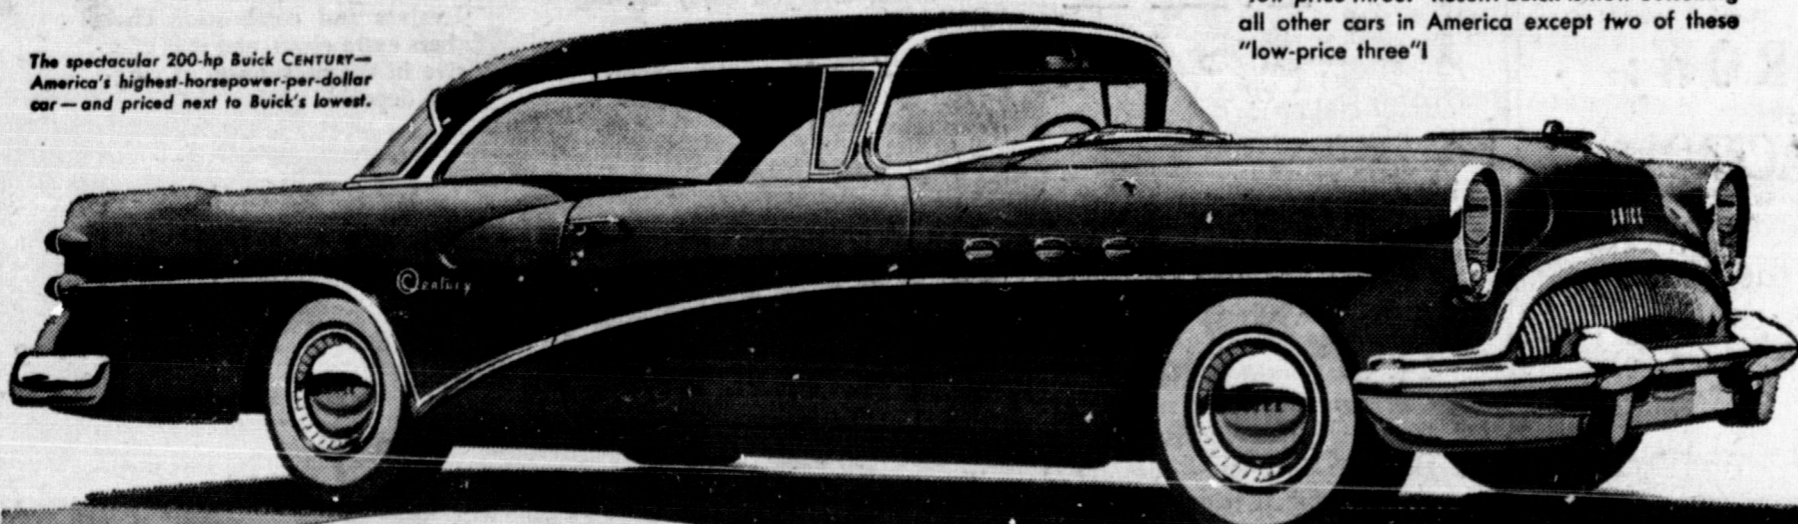

Year after year, Buicks have always carried a high resale value. But the 1954 Buick has an even bigger edge in its year-ahead styling. It will still be fresh and new-looking when other '55 models come out. So the new Buick you buy today will keep you plenty of dollars ahead when you trade it in.

**Tomorrow's styling today**

You can see it on every new Buick on the road — glamorous new-day styling keyed by that broad panoramic windshield that most other cars won't have till 1955 or later. And with this advanced styling, you get Buick's record-high V8 power, luxurious room and comfort, that famed Million Dollar Ride — and all for prices that start just a few dollars above those of the so-called "low-price three." Result: Buick is now outselling all other cars in America except two of these "low-price three!"

The spectacular 200-hp Buick Century — America's highest horsepower per dollar car — and priced next to Buick's lowest.

**Buick Sales are Soaring**

**GABIE BETTS BURTON LIBRARY NOTES**

By May L. Prewitt

Several have asked me to replace two worn out books of Zane Gray's — "Raiders of Spanish Peaks" and "The Last Trail." They have been out of print; but we found them listed with "reprints" this week. We purchased a re-print of Grace Livingston Hill's too—"Matched Pearls."

Our recent edition is "Bride of the Conqueror" by Hartzell Spence. The time is 1546; the place Peru. It is a continuously exciting and superbly vivid novel of adventure. Hartzell Spence is the son of a Methodist minister, and you recall his "Get Thee Behind Me," "Vain Shadow" and "One Foot In Heaven."

We are devoting all our spare time to cleaning book shelves and placing the books orderly. The college students have not used the Library for their theme work

as much as usual. Perhaps their hours were convenient for the High School and College Library. We do not have periodical clippings as we are limited in time,

space, and periodicals. Recently we enrolled in a book club, so we will have access to recent editions for your winter reading.

# Trimmings and Sides State CAPITOL

By VERN SANFORD  
Texas Press Association

AUSTIN—Governor Allan Shivers has lashed both Republican and Democratic national parties for refusal to let the South take a full share of determining party policy.

Shivers' criticism, delivered in a speech at a testimonial dinner for Louisiana Governor Robert Kennon at New Orleans, singled out no particular party as major culprit.

For too long the South as a region has been "insulted and degraded by national parties and their leaders," he said.

However, he served notice on the Democratic party that it must get in the middle of the road to win southern favor.

Shivers appealed to people in all forty-eight states to join in defending "the last great safeguard of individual liberty" through supporting local self-government over powerful central government.

#### Smitty's Not-So-Silent Partner

"Dropped" into Smitty's gas station last week and met his new partner who turned out to be a real talker.

"What'll it be?" asked Smitty. Before I had a chance to answer I heard a strange voice "Fill her up!" "Fill her up!" And there was Smitty's partner — one of those parakeets perched next to the gas pump.

"Took me a month," Smitty said, "but I finally taught him to say those magic words. It's sure paid off — he's had a good influence on my customers."

From where I sit, Smitty's bird may be good for business — and may get him a few laughs. But when people act like parakeets, they're not so funny. For instance, those who keep insisting over and over again that their neighbors shouldn't have a glass of temperate beer with their supper now and then. They're simply repeating their own ideas, without any regard for the rights of others.

### Tomorrow's Tractor... Today! Powerful WD-45

Tractor power and conveniences — outstanding now, way ahead for years to come — that's the Allis-Chalmers WD-45!

The moment you put this big tractor to work on your farm, you'll discover an ease of farming you've never known before.

SNAP-COUPLER and Power-Shift wheels reduce get-ready time to less than five minutes. Cover more acres... faster! The WD-45 with POWER-CRATER engine handles its 3-bottom plow in third gear under most field conditions. If going gets tough, mounted implement weight is automatically shifted to tractor's drive wheels — reduces slippage, keeps you moving. That's Traction Booster in action.

You'll find tomorrow's features and conveniences in the WD-45 unmatched in any tractor at any price. Let us demonstrate.

SNAP-COUPLER and POWER-CRATER are Allis-Chalmers trademarks.

**On Ballot**  
Gerald Weatherly of Rio Grande City, refused a place on the November 2nd ballot by Secretary of State C. E. Fulgham, has seen the decision reversed by the Supreme Court.

A writ of mandamus ordering that his name be certified for placing on the ballot was granted Weatherly by the Court.

He will oppose Sam H. Burris of Alice for District Attorney in the turbulent Seventy-ninth district covering South Texas' Geo. Parr famous Duval County.

Fulgham had rejected Weatherly's application "because so many of the 560 signatures on petitions were invalid that not enough remained for Weatherly to qualify."

**Industrial Activity**  
Texas' industrial business is picking up while farm income is declining.

Dr. John R. Stockton, director of the University of Texas Bureau of Business Research, said the low farm income was due to months of continuous drought faced by farmers and ranchers.

However, he reported that the "high level of Texas business has been maintained by expanding industrial activity."

The Bureau's business index for the state showed a 2 per cent decline in August from July.

August totals were 7 per cent better than August, 1953, Dr. Stockton said.

**DWI Law**  
Texas' motorists now face a tougher penalty for driving while intoxicated.

A Court of Criminal Appeals ruling has labeled unconstitutional the part of law that let a presiding judge, at his own discretion, commute a jail sentence handed out in DWI cases.

Minimum punishment now is a mandatory three-day jail sentence and a fine for DWI convictions.

**Gas Firms**  
A five-year old suit against ten oil companies for anti-trust violation has been ordered for trial by the Supreme Court.

Charges were made against the firms in 1949 by former Attorney General Price Daniel. Daniel alleged that the ten companies violated Texas antitrust statutes by upping wholesale gas prices several times after federal price controls expired in 1946.

Defendants are Arkansas Fuel Oil Company, Cities Service Oil Company, Continental Oil Company, Gulf Oil Corporation, Humble Oil and Refining Company, Magnolia Petroleum Company, Sinclair Refining Company, Phillips Petroleum Company, Standard Oil Company and the Texas

Company.

**Toll Roads**  
Prospects of Texas' first two toll roads have faded from view with a Supreme Court decision that the highways, to be built and owned by private firms, would be taxable.

Attorneys for the Texas Turnpike Company which had planned a toll road from Dallas to Houston, and the Sam Houston Turnpike Corporation, planning a Dallas to San Antonio route, told the court the projects could not be realized without tax-exemptions.

State Insurance Commission Chairman Garland A. Smith charged that efforts are being made to turn the "Texas insurance industry into a "national scapegoat."

Smith said he was alarmed at the number of letters his office has received in the last few months from Washington political office holders who are laying plans for insurance investigation or advocating central control of the industry.

Many of the groups have continuously singled out Texas for unfair and untrue criticism, he reported.
