Love Lets Lada off Lightly

BERLIN, Germany—Edward J. Lada, the ex-Paratrooper from Newark, N. J., who cracked the soviet blockade to "do the right thing" by his German sweetheart, Ruth Riecki, and their two-year-old daughter Nancy, was given a seven-month prison sentence and fined \$70 by a U. S. Government Military Court here. This photo shows the happy trio, Lada his daughter and her mother as T/Sgt. Matthew Skarber, a stockade guard looks on.

Hospital To Open Tues., March 1st

The newly appointed hospital board of directors composed of Clyde Slavin, Chairman; Bill Todd, Sec.-Treas., W. E. Hodges, Earl Hodnett, W. M. Pickering and A. T. Simmons were in session at the County Judge's office yesterday to select a manager and personnel for the county operated hospital.

It was announced that some sixty applicants were interviewed, and the following were selected: Robert Hutson, Business Manager; Mrs. Margaret Naylor, Supt. of Nurses; Mrs. Roy Brinson, Mrs. Roy Beverly, Mrs. Bob Hill and Mrs. Olin Bain, nurses aids. Cooks and janitors had not been fully decided upon at time of adjournment yesterday.

Mr. Slavin reported that Mr. Hutson's experience record included positions of assistant business manager of the hospital at Borger and Ft. Worth, and that he was also a laboratory and X-ray technician. Mrs. Naylor is a graduate nurse and needs very little introduction as she has been with the hospital here during the past several years.

The hospital board appointed by the commissioners court will turn the operation of the hospital over to Mr. Hutson and will meet only once a month in an advisory capacity. The hospital will be an open staff institution which will

allow any physician, with a state license who signs the by-laws of the hospital, to use the hospital. The hospital will be operated as a county institution but this does not mean that it will be a free service hospital. You will be welcome to use it but pay for services received as you would at any other hospital, Mr. Slavin stated.

The election authorizing the commissioners court to lease the hospital as a county institution was held Nov. 2, 1948. The vote was 1,295 for, and 226 against. It is the plans of the new manager to have everything in shape for the hospital to open next Tuesday morning, March 1.

MRS. BRYAN TO PRESENT PUPILS IN RECITAL

Mrs. Allen J. Bryan will present a number of her piano students in a recital to be held at the College auditorium Friday night at 7:30. The public is invited.

Those playing: Betty Thompson, Alice McCrary, Mary Edna Elmore, Nell Bentley, Fanchon Alford, Joanne Christal, Janeice Christal, Shirley Brumley, Lois Marie Hommel, Ira Jean Estlack, Dorris Jean Wallace, Bobbie Nell Seago, Janice Benson, Joan Sibley and LaVerne Morris.

Youth Center Executive Board Nears Completion

In a meeting of the General Council Board composed of representatives from the many clubs and organizations of Clarendon and Donley County, held Tuesday night at the Youth Center, six adult representatives were elected to serve on the Executive Council Board. The executive council board is made up of 15 members, six adults and nine young people to be elected by the different classes of the schools.

This Board's duties are to plan and supervise the activities of the Youth Center.

Adult representatives elected to serve on the Executive Council Board were R. E. Drennan, Beryl Clinton, Warrin Fry, George Thompson, Mrs. Willard Hudson and Mrs. Claude Moore.

The Executive Council is to meet when the different classes have elected their representatives to the Council for the election of officers and the setting up of the working program.

In the meeting of the General Council Board with twenty in attendance, Mrs. Cap Morris was elected Chairman, Mrs. E. S. Ballew vice-chairman, and Mrs. J. C. Gibbs, secretary-treasurer. All meetings are open to the general public and those people interested in the youth of our community.

Pioneer Resident Passes Away

Funeral services for William B. Sims, 93 years old, were held at the First Baptist Church Tuesday afternoon at 3:30 o'clock. Rev. L. A. Sartain, local pastor was in charge of the service.

Mr. Sims was born at Versailles, Missouri July 22, 1856 and was married to Annie Silvey, sister of the late W. R. Silvey, September 1887.

Mr. Sims moved his family to Donley County 47 years ago and settled on a farm near Lelia Lake when that region was a wide open prairie country. Public spirited and progressive, Mr. Sims was one of the founders of the Lelia Lake Baptist Church. He also helped build and finance the Lelia Lake public school and served on its board of trustees several years.

Always interested in higher education, Mr. Sims removed his family from Lelia Lake to Clarendon where he educated his children in the local High School and the old Clarendon College. He was a life-long member of the Baptist Church and a 32nd degree Mason.

Pallbearers were Sam Lowe, O. C. Watson, A. W. Simpson, Crockett Taylor, R. R. Dawkins and Joe Goldston.

Surviving children include Mrs. Eva Draffen, Clarendon; W. A. Sims, Fort Worth and Mrs. A. O. Walker, Lubbock. Grandchildren are Dr. Jack Draffen, professor of chemical engineering, University of Texas; Jack Sims, Minneapolis, Minn. and Mrs. Ann Marie Whitbeck, Oklahoma City. One great grandchild, Frank James Whitbeck, Oklahoma City.

Burial was in Citizens Cemetery with funeral arrangements under the direction of Murphy-Spicer Funeral Home.

DONLEY COUNTY STATE BANK NAMED DEPOSITORY

Judge W. J. Williams announced yesterday that the Donley County State Bank had been named the depository of all county and school funds. The depository accounts were awarded by the commissioners court after opening sealed bids which had been turned into the court by local banking firms.

Donley County Leader, \$2.50 year

March of Dimes Contributions Still Needed

Although all contributions have not been accounted for, it is estimated that the March of Dimes quota will be reached when all proceeds are turned in.

Little Miss Betty Jean Wilkison, who is seven years old and in the second grade at school, made a very great contribution to this worthy cause by delegating herself a personal representative. She was responsible for the collection of \$8.16.

Although the March of Dimes dance did not show too great a profit in itself, many of those in attendance were reminded to mail their donations so the committee felt that it was more than successful.

It is hoped that a complete report will be available for next week's paper.

Next Wednesday Is Bargain Day

Time for those Dollar Day Bargains has rolled around again with the big day coming up this next Wednesday, March 2nd. Local merchants are looking forward to one of the best events of this nature due to the warming up of the weather and are changing a number of items listed in their ads this week to go along with the season.

Turn to the dollar day ads in this issue of the Leader and note the number of items listed that are really bargains. Your local merchants are offering these specials in order to show everyone that you can buy wanted merchandise right here at home at a lower price and receive higher quality goods. It is also a method to acquaint their customers with the various other lines of merchandise they have to offer any time you shop their stores. Check the ads over and don't forget next Wednesday is the day you can save, not only pennies, but dollars.

Appreciation day will be on the same day and this event is getting bigger and better each week with a much stronger attraction.

Youth Revival Begins Sunday

A Youth Revival for all the young people in Clarendon and vicinity will be held at the First Baptist Church here from February 27th through March 6th. A youth rally will be held Saturday night in preparation for the revival. This rally and the Sunday service will be conducted by Sam Choy, a Wayland College student from Korea, and the singing will be led by Wilbert Long. The services will begin at 7:30 each evening.

A prayer meeting has been held at the College here each morning for the past two weeks in preparation for the Youth Revival. Adults are also invited to attend this revival.

V. F. W. TO GIVE AWAY NEW PLYMOUTH APRIL 27

It has been announced by the Veterans of Foreign Wars organization that due to a change in plans they were going to give away a new 1949 Plymouth instead of the model car previously announced. The date the new Plymouth is to be given away has been changed from March 30th to April 27th. The reason for the date extension was on account of the weather. All tickets already delivered will apply on the New Plymouth as well as the new tickets that have been printed. The New Plymouth was purchased from Heath Motor Co.

Mrs. Joe Terry was called to Lubbock Tuesday due to the illness of her sister Mrs. Jim Frye.

Donley Fat Stock Show All Set For Friday

The Heat's On In Washington

WASHINGTON, D. C.—Louise Russell, (L) of Hollywood, Calif. and Delores Zabaski of Mt. Washington, Pa., enjoy the record-breaking 77 degree day near the Jefferson Memorial.

Services Friday For Mrs. Marvin Land

Funeral services have been set for 3 p. m. Friday afternoon at the First Baptist Church for Mrs. Mable Claude Land, wife of Marvin Land, with Rev. Patillo, pastor of the Tucumcari, N. M. Baptist church officiating, assisted by Rev. L. A. Sartain.

Mrs. Land, age 42 years, passed away at an Amarillo hospital Wednesday afternoon after a short illness. She had been a resident of Clarendon for several years prior to moving to Tucumcari 12 years ago. She was a member of the Tucumcari Baptist Church.

Survivors include her husband, Marvin Land, Tucumcari; two sons, Billy Marvin Land, Carlsbad, and Tommie Milton Land, Tucumcari; one grandson, Billy Jack Land of Carlsbad. Also her mother, Mrs. T. M. Gore, Horatio, Ark.; five sisters, Mrs. Bert Tallman, Horatio; Mrs. Harry Howlett, DeQueen, Ark.; Mrs. Hugh Martin, Baytown; Mrs. Jake Thomas, Shreveport; one brother, G. P. Gore, Houston.

Burial will be in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

Donley County Leader, \$2.50 year

MAYBURN TROUT CRITICALLY ILL

The condition of Mayburn Trout was reported still critical late last night. Mr. Trout underwent an appendectomy Sunday night at the Groom hospital where it was found that his appendix had ruptured several days before. Mr. Trout lives on the old Van Eaton place in Spade Flat and is a son-in-law of M. L. Putman.

Attacks of this nature seemed to be a predominating factor as another of Mr. Putman's son-in-laws, Bob Williams, underwent an appendectomy at the Groom hospital Tuesday afternoon. He was reported getting along nicely.

JANUARY GRADUATES

Mr. and Mrs. Jack T. Lackey were January graduates of The University of Texas. Each received a Bachelor of Fine Arts degree in Radio Broadcasting.

Mr. Lackey is now enrolled at Southwestern Baptist Theological Seminary in Fort Worth where he is studying religious radio broadcasting. Mrs. Lackey is employed for the remainder of this term as a substitute teacher in the Fort Worth Public Schools.

Clifford E. Mayo of San Diego, Calif. is visiting his parents, Mr. and Mrs. J. T. Mayo.

Indonesian Children Wolf Their Rations

JOKJAKARTA AREA, Indonesia—This picture was taken by Col. Hubert F. Julian, known as the Black Eagle, who made a trip to Indonesia with the agreement of the Dutch Government. He travelled at will and visited with the imprisoned Republican leaders. This photo shows children wolfing their rations of rice and beans provided by Dutch Agencies.

The Show Board met in the office of county agent H. M. Breedlove on Saturday of this past week and set the following premium list for the Donley County Fat Stock Show to be held in Clarendon on Friday, Feb. 25th, (this Friday).

All livestock is to be in the barns by nine o'clock in the morning and will leave for Amarillo at five o'clock in the afternoon. The board also voted to have the annual dairy show in connection with the fall fair and horse show and to have the fall fair for three days instead of two days as in the past.

Mr. T. R. Seay and L. E. Grove have their FFA boys all ready and Breedlove has his 4-H Club Boys in top shape to show their fat calves, sheep and swine. L. M. Hargrave of Texas Tech will be the man to place the animals according to their rating in the show ring. The premium list is as follows:

Hereford Calves
Heavy calves—1st \$15.00, 2nd \$10.00, 3rd \$7.50; (\$5.00 to other calves).

Light calves—1st \$15.00, 2nd \$10.00, 3rd \$7.50; (\$5.00 to other calves).

Grand Champion calf—\$25.00 plus \$25.00 donated by American Legion.

Reserve Champion calf—\$5.00.

Swine
Hampshire—225 lbs. and over, 1st \$5.00, 2nd \$4.00, 3rd \$3.00, 4th \$1.00, 5th \$1.00.

Hampshire—under 225 lbs., 1st \$5.00, 2nd \$4.00, 3rd \$3.00, 4th \$1.00, 5th \$1.00.

Durocs—225 lbs. and over, 1st \$5.00, 2nd \$4.00, 3rd \$3.00, 4th \$1.00, 5th \$1.00.

Durocs—under 225 lbs., 1st \$5.00, 2nd \$4.00, 3rd \$3.00, 4th \$1.00, 5th \$1.00.

Berkshire and cross breeds—225 lbs and over, 1st \$5.00, 2nd \$4.00, 3rd \$3.00, 4th \$1.00, 5th \$1.00.

Berkshire and cross breeds—under 225 lbs., 1st \$5.00, 2nd \$4.00, 3rd \$3.00, 4th \$1.00, 5th \$1.00.

Same premium for any breed not listed on this list.

Grand Champion barrow \$10.00 plus \$15.00 given by E. S. Ballew.

Reserve Champion barrow, \$5.00.

Sheep
Fine wool lambs—1st \$10.00, 2nd \$7.50, 3rd \$5.00.

Mutton lambs—1st \$10.00, 2nd \$7.50, 3rd \$5.00.

Grand champion lamb—\$10.00.

Reserve champion lamb—\$5.00.

Bill Porter will sell his registered Hereford yearling bull at the Clarendon show. The bull is out of his father's registered herd.

Mr. C. L. Lewis is president of the show board and requests that all livestock be in the barns on time. The show will be held in Clarendon in the new show barns on the Brice highway. E. S. Ballew and D. E. Leathers are superintendents of the show and will assist in getting the stock in place in the barns.

Mr. Grove, Seay, and Breedlove are asking that all people in the county come to the show this one day and back the boys and look over their feeding demonstrations. The premium list was donated by merchants, and business men of Clarendon, Hedley and all over Donley County.

Mr. and Mrs. Doss Palmer are at home from a trip at Temple and Mineral Wells, and visited his brother and family, Mr. and Mrs. J. E. Morris at Hamlin.

Mr. and Mrs. Jack Murff and Jerry and Mr. and Mrs. Claude Mixon of Amarillo visited Mrs. Murff's sister and family, Mr. and Mrs. Alfred Estlack Sunday.

STRONG WORDS FROM U. S. MINISTER TO HUNGARY

PARIS—Selden Chapin, U. S. Minister to Hungary (L) as he was interviewed by reporters on his arrival in Paris from Hungary on way to Washington. Mr. Chapin termed the trial of Cardinal Mindszenty a "travesty of justice" and said that Hungary is under the "total domination of a group of Moscow trained Communists whose sole aim is allegiance to the Kremlin."

Mr. and Mrs. J. L. Butler and Mr. and Mrs. J. E. White made a trip to Wichita Falls Monday.

Mr. and Mrs. Earl Myers visited Mrs. Earl Tollett in Goodall's Hospital at Memphis Monday. Mrs. Tollett underwent a major operation recently.

Mr. and Mrs. Quinn Aten and Shirley and Mrs. Moody Hamil spent Sunday in Lockney as guests of Mr. and Mrs. Mike Mooney.

Mrs. E. J. Wise visited her daughter Ruby Lee in Amarillo Wed.

Meeting of Stockholders of The Federal Land Bank Of Houston Attended By Donley Men

Mr. Van S. Knox, as delegate for the Donley County National Farm Loan Association, attended a two day meeting of the Stockholders of the Federal Land Bank in Houston February 18th and 19th. He was accompanied by Mr. Rayburn L. Smith, secretary-treasurer of the Association.

They report an attendance of more than 300 delegates and visitors representing the 142 National Farm Loan Associations in Texas. This method of bringing the stockholders together was pioneered by the Houston Bank in 1946. Since that time a number of the other eleven Federal Land Bank Districts have adopted the idea and it is thought that eventually all will hold such meetings annually.

President Sterling C. Evans reported that 1948 marked a turning point in the trend of the bank's lending operations since 1935. Continually since that period the loan volume had declined. Beginning about August 1948 the situation changed and there was an increase in the amount of loans outstanding. For the year the bank closed 2,623 loans for a total of \$12,927,592.00, the largest volume for any year since 1935.

Mr. Knox reports that a number of outstanding bankers and newspaper men who are vitally interested in agriculture, spoke to the delegates and visitors. They were unanimous in giving much credit to the Federal Land Bank System for pioneering the long term low rate of interest that is now enjoyed by farmers and ranchers of the nation. He stated the tone of the meeting was optimistic and that he believed delegates from all over Texas would go back to their home communities inspired to work harder for their Associations.

MARTIN

By Mrs. J. H. Helton

Mr. and Mrs. R. C. Wakefield, Gerald and Janet spent most of last week visiting in Gainesville. Mr. and Mrs. W. A. Whittenburg and children of Wheeler, Mr. and Mrs. C. T. Clement and children of Hollis, Okla. visited Mr. and Mrs. T. J. Clement and family Sunday.

Mr. and Mrs. Huett and children visited Mr. and Mrs. Othel Elliott Sunday afternoon.

Mr. and Mrs. T. B. Nelson and children spent Saturday and Sunday in Amarillo with Mr. and Mrs. Lester Joyner.

Bro. Stricklin preached both Sunday and Sunday night. Mr. and Mrs. J. H. Helton and Frances visited Sunday in the Fred Helton home at Canyon.

Bro. Stricklin visited over the week end in the Geo. Bulman home.

THE TEMPLE OF TRUTH
By the Apostle

INGENUITY.

Now it is said that citrus fruit growers in the Magic Valley are sticking the fruit on the ends of bear grass blades and selling them as popsicles.

THE TEST.

The fellow who will admit he is all wrong, when he IS wrong, is usually right.

COMPARISON.

Before the "New Look," you

could see that a girl was knocked, now you have to listen.

HISTORICAL.

Samson was the first to demonstrate the pulling power of advertising. He took two columns and brought down the house.

NUISANCES.

Sneezing in other people's faces is a good way to lose friends and influenza people.

HOMESPUN STUFF.

The two girls wore a linsey-woolsey, and the boys who courted at prayer meetings are now great grandparents.

HAPPY DAYS.

The real college cheer, after all is said and done, is the day the check arrives from home.

LIKE LILLIES.

He toils not. Neither does he spin. He lost his job and the finance company took over his car.

HASH HOUSE STUFF.

Waiters often accumulate a wonderful amount of slang to describe an order to the cook. Re-

cently a man came into a "dirty spoon" as the fired waiter would term it, and asked for a cup of coffee, doughnuts and some grid-dle cakes. The waiter promptly pranced back to the window and passed it on to the cook as: "Cylinder oil, couple-a-non skids, and batch of blow-out patches." Sometimes I've believed what she said.

HUDGINS

Mrs. Carl Barker

Mr. and Mrs. J. W. Shields and family spent Saturday with their daughter at Memphis.

Mr. and Mrs. Ben Talley and baby spent Sunday with Mr. J. L. Talley of Chamberlain.

Haskel Foster left Sunday for New York where he will finish his training with the air force.

Mr. and Mrs. Price Webb and family spent Sunday at Spade Flat with her sister.

Mr. and Mrs. Koontz and family spent Sunday at Claude with his sister.

Mr. and Mrs. George Self visited Mr. and Mrs. John Perdue Thursday.

Mr. and Mrs. Barker spent the week end at Phillips with Mr. and Mrs. B. W. Tomlinson.

Mrs. James Marvin Clark of Lubbock is visiting home folks this week.

OLD PATHS
By DOYLE WILLIAMS
Minister Church of Christ

We are told the word Bible is the anglicized form of the word Biblos, Book. The word Bible does not appear in the text of the Holy Scripture. Among the terms employed by the sacred writers to designate the collection of books we call "the Bible" are these, The Scriptures, The Holy Scriptures, The Word, The Word of Truth, The Law and the Prophets, and The Old and New Testament. The Jews called the Old Testament "The Law, The Prophets, The Writings."

The Bible is the one book inspired of God. For 1900 years no

other book has ever made such claim; as being inspired of God. It makes the only claim, of being the mind of God, revealed to man. Telling him of his origin, his state of being, and his destiny. Many fallible theories have been purposed, as to man's origin, much speculation as to his destiny, but to no avail. They only leave the honest mind in a grand state of confusion. Devil infested theories; blurr the mind with superstition; destroys the trust in God's word, and leaves man without hope in this world, or the world to come.

Dear reader; Brace yourself against the theories and speculations of men, and receive into the heart, (The Mind) the Word of God, believe it with all of your Soul, Mind, and Strength. Obey it with all of thy might, for its warnings are true, its promises are sure and steadfast. (Adv.)

CARD OF THANKS

The family of W. B. Sims wish to express their sincere thanks to our many friends for their aid and sympathy during the passing of our loved father and for the many beautiful flowers. May God's richest blessings be with you.

The Sims Family

Something To Remember

If you want to fatten a chicken, feed it Corn, wheat, Kaffir or Milo, but if you want Eggs, and lots of them, feed Chic-O-Line, or Wes-Tex, 18 or 20% Protein Egg Mash, a Tried and Proven feed that brings results—new low prices that will interest you, and make the old hens cackle.

Why experiment? Feed the feed that has stood the test for years. Just a cold blooded business proposition, and remember we give Green Stamps on all Cash feed sales -- ask for them.

Your feed grinding and mixing appreciated.

Tractor overhaul
BY FACTORY-TRAINED MECHANICS

Now is the time to have your tractor overhauled. Spring will soon be here. Avoid the last minute rush. An overhaul in our shop will give your tractor new engine performance again; full power for hard pulls, enable it to save fuel and do more work in less time.

LOW-COST A-C MOTOR KIT REPOWERS YOUR TRACTOR ENGINE

Engine parts made in the same factory and to the same specifications as the original parts. Motor kit contains pistons, rings, cylinder liners—complete set in one package, protected against damage.

Don't guess about the parts that go into your engine. Restore your tractor efficiency at low cost with the Allis-Chalmers Motor Kit.

MARTIN QUILTING CLUB

Martin Quilting Club met at the home of Mrs. Geo. Bulman, 18 members being present and two visitors. Members present were Lizzy Morrow, Ruby Jordan, Helen Land, Fanny Wilson, Blanche Higgins, Billie Ruth Barbee, Ruby Fitzgerald, Lois Stevenson, Anna Waldrop, Margaret Waldrop, Bessie Helton, Lois Sibley, Gracie Crofford, Yvonne Barker, Della Barker, Eunice Land, and hostess Lela Bulman. Visitors were Mrs. Joe Green and Mrs. J. F. White.

Those receiving Pollyanna gifts were Anna Waldrop and Ruby Fitzgerald. Blanche Higgins received a Valentine gift.

Next quilting will be at the home of Fannie Wilson Feb. 24th. Plan to be present.

Reporter.

THE 8-FOOTLIGHTS

The 8-Footlights club met Tuesday, February 22nd in the home of Gene Elmore. A George Washington program was presented. Gene Elmore read, "That Blamed Old Cherry Tree" and Tommy Lane read "The Truth at Last." Lovely refreshments carrying out the patriotic theme were served by Mrs. Elmore to the members and one guest, Jerry Elmore.

GOLDSTON QUILTING CLUB

The club met with the Jackson girls Feb. 17 with members present: Edna Hudson, Gertrude Brock, Nina Dale, Blanche Gray, Etta Reynolds, Billie Ashcraft, Joy Roberson, Nora Smith, Sallie Hatley, Ola McBrayer, Connie Talley, Francis Ford, Lela Hinton, Charlene Reynolds, Ruth Littlefield, Vena Brock, Misses Carolyn McBrayer, Daphne Roberson, and the hostesses, Nora, Edith Lee and Geraldine Jackson, and for visitors, Mr. Pat Rob-

erson and Odell McBrayer. We drew for quiltings and Pollyannas for this year. Delicious covered dish luncheon was served at the noon hour. Two quilts were finished. Joy Roberson will be hostess, March 3rd. —Club Reporter.

CUE AND CURTAIN CLUB

Ladelle Cox was hostess to the Cue and Curtain Club Monday night, Feb. 21st.

Mrs. Johnson read a very interesting manuscript that she had written on "Listening and its two Dimensions." Jackie Brooks gave an amusing reading, "Tony the Fish Peddler."

Delicious refreshments, which carried out the George Washington motif, were served to the twenty members present.

MIDWAY CLUB

The Midway Club met with Mrs. Eula Butler on Feb. 17. A covered dish luncheon was served. The club quilt was finished and started another one for the hostess.

Members present were Roxie Williams, Terry, Quattlebaum, Eddie Williams, Butler, Thomas, Scott, Mooring, Luttrell, Eanes. One guest, Mrs. Blackwell, Mrs. Terry's mother was present.

The next meeting will be March 3rd with Mrs. Mooring, and will be our Pollyanna day.

ASHTOLA NEEDLE CLUB

Ashtola Needle Club met Feb. 17th with president in chair. Meeting was opened with a prayer by Lora Mahaffey.

Roll call was answered by some saying of George Washington.

Voted to meet at one o'clock March 3rd to quilt the quilt. All members be present. Hostesses at that time will be Ruby White

and Mrs. Lovell.

A reading on George Washington's life was given by Viola Graham, and Mrs. Word gave a very interesting talk of her visit to Mount Vernon.

The children in Mrs. Biddy's room played two pieces on their rhythm band, and was very good and enjoyed by all. Games were played the remainder of the afternoon.

Those to enjoy the delicious refreshments were Dora Brandon, Poovey, Wallace, Word, White, Graham, Mahaffey, Beverly, Rhoades, Knox, DeBord and the visitors, Mrs. H. E. Talleon and Mrs. Billie Jean Moore. —Club Reporter.

HONORED WITH SHOWER

Mr. and Mrs. Lester Myers, who were recently married, were honored Friday evening when the Lelia Lake faculty entertained with a shower. Mrs. Geneva Hinton and Mrs. Bonnie Mooring presided at the bride's book. Many lovely gifts were presented to the bride and groom and were displayed on a lace covered table. The guests enjoyed games of forty-two and a musical program by W. N. Pool, Mrs. Pauline Roberts of Amarillo, Mrs. J. L. Butler, Sam Roberts and Rice Batson. Refreshments were served by the teachers from a beautifully appointed table. About seventy five guests attended.

"THE LORD IS MY KEEPER" IS WORLD DAY OF PRAYER THEME

The World Day of Prayer, sponsored by the United Council of Church Women, will be presented at 3 p. m. Friday, March 4 at the Episcopal Church.

Last year 71 countries participated in the World Day of Prayer, and this year many more will swell the list. Why should we have a world day of prayer? We should observe prayer because it is unifying, inspiring and challenging. It brings courage, as it demands action and never before has the world needed Divine Guidance more than now; and it is through the petition of thousands of people that we feel the answer for help for the millions of people whose only help is from

God. It is suggested that all Christians everywhere spend at least 15 minutes each day in prayer, meditation, and Bible study; for world needs, national needs and personal needs. Let each of us realize the importance of prayer and especially the wide outstretch of the world day of prayer.

The plan for the service this year originated in China; it has a spiritual depth that resounds today's needs in this torn world. Thousands of other small groups around the world are meeting for prayer and fellowship. May we not be a unified force in our community, lifting our voices up as one people in behalf of the world at large! The theme of the program is "The Lord Is My Keeper." The offerings will be used for the American Indians, Home and Foreign Missions, and for the newly uprooted Americans. The United States government has ceased to supply funds for the education of foreign students. The United Church Council believes that the exchange of students is an excellent method of furthering both understanding and fellowship between nations. A portion of the offering will also be spent to assist these students.

A cordial invitation is extended to all church women and all those who desire to mingle their prayers with members of the church council. Let us realize the rare privilege of the day as well as the extreme importance of it.

More details for the March 4th program will be available in next week's paper. —Reporter.

KAPPA SUB-DEB CLUB

The Sub-Debs met Wednesday evening, Feb. 16 in the home of their sponsor, Mrs. Rufus White. The meeting was called to order by the president. The secretary called the roll and read the minutes of the previous meeting. Business was discussed. Louva Hunt gave a very interesting program on the peculiarities of George Washington. The meeting was adjourned and delicious refreshments, carrying out the Washington motif, were served. Those present were Nancy Bennett, Jo Anne Sibley, Layma Tatum, Fanchon Allred, Doris Wallace, Nell Bentley, Mary Edna Elmore, Shirley Brumley, Jo Ritter, Portia Hay, Juanita Carpenter, Alice McCrary, Anne Thompson, Lois Hommel, Jane Johnson, Mae Morris, Louva Hunt and the hostess Mrs. Rufus White.

MOTHERS STUDY CLUB

The Mothers Study Club entertained Tuesday evening with a dinner honoring their husbands. The club room was beautifully decorated with the club flowers, sweetpeas, and in club colors of green and white. The small tables were appointed with fern and red cherries.

After a delicious dinner the members and their guests enjoyed games of "42".

SURPRISE BIRTHDAY PARTY

Mrs. J. C. Estlack was honored with a surprise birthday party Tuesday afternoon. The ladies of the Clarendon H. D. Club surprised Mrs. Estlack at her home by all meeting with her in a group. Each lady brought a pretty and useful gift. The afternoon was spent in piecing on the club quilt and visiting and having a good time.

Delicious refreshments of cake, coffee and tea were furnished and served by Mrs. Wadsworth, Mrs. Geo. Green, assisted by Mrs. Alfred Estlack to the honoree, Mrs. Estlack and to Mesdames Lena Antrobus, O. C. Watson, E. Bryson, Claude Darden, Laura Taylor, H. B. Hill, A. L. Chase, Geo. Green, D. F. Wadsworth, Greer Cottingham and Mrs. Alfred Estlack and baby Danalene.

CLARENDON H. D. CLUB

Mrs. Lena Antrobus and Mrs. O. C. Watson entertained the Club at the home of Mrs. Lena Antrobus Friday afternoon. Mrs. Rampy, president, presided at the business meeting. Mrs. Antrobus read the Club Collect. The club sang "America" with Mrs. Watson at the piano. Mrs. Watson had charge of the program, a song contest, which was interesting and enjoyed by the ladies.

A delicious plate refreshment was served to guest, Mrs. Mattie Hudson and to club members, Mesdames G. A. Anderson, Bertha Benson, Bryson, Clyde But-

ler, Claude Darden, A. L. Chase, J. C. Estlack, Geo. Green, C. D. McDowell, Greer Cottingham, Laura Taylor, D. F. Wadsworth, William Payne, Joe Terry, A. W. Simpson, M. C. Rampy, Henry Williams, and hostesses, Mrs. Antrobus and Mrs. Watson.

Mr. and Mrs. W. A. Marshall visited their son Bill and family at Berger Sunday.

Donley County Farm News

The farmers meetings that were held by Mr. Breedlove to explain the 1949 Agricultural Conservation Program were a success. Nearly 200 farmers in the County have now been over the program and asked any question that was not clear to them. This number includes the member of the Veterans Farm Classes at Hedley and Clarendon. C. P. Hamilton, Committeeman from Community "H" should be able to answer any questions by the farmers in his Community since he attended three of these meetings. Nearly 50% of the farmers in the Skillet district attended the meeting at the Skillet School house. Clarendon had the most present, at the meeting in the court house with an attendance of 40 farmers.

R. A. Beverly, local contractor, has agreed to get the equipment and do some deep plowing in Donley County if there are enough farmers interested. Mr. Beverly states that he can plow up to 24 inches deep with the equipment he plans to buy. Mr.

How To Relieve Bronchitis

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. **CREOMULSION** for Coughs, Chest Colds, Bronchitis

Beverly would charge \$8.00 per acre for this work. The AAA payment for this work would be \$3.00 per acre. If any of the farmers are interested they should contact this office or Mr. R. A. Beverly.

Farming time is here. A few of the farmers were planning to start listing last Monday. With the weather we had, however, we are sure most of them desire to put it off for a few days.

The Lion's Roar

By O. D. Lowry

The Lions Club held its regular meeting Tuesday, February 22 in the Club Hall. Percentage of attendance was 78. Guests for this meeting were: Barney Roberts, Tom Roberts, Frank Phelan Sr., Frank Canon, Charles Garner, Fred Billingsley, and Mr. Whit-

sell. The applications for membership of Barney Roberts and Tom Roberts were approved by unanimous vote of the club. Welcome to our club Lions Barney and Tom.

Lion Patman reported on the progress of the fund raising project stating that some of the club members were rather slow in responding to this appeal.

It was announced that the Buddy System would be put into practice to stimulate attendance. Each Lion will be required to report on his buddy if he is absent. The Tailtwister is likely to question the validity of a few excuses.

Lion Max Jones was in charge of the program which was presented by a group of students from Childress High School. Thanks to Lion Jones for a very nice program.

Lions, the club is still striving for one 90% attendance week.

Rev. Wallock Dies As "The Lawton Story" Nears Completion

LAWTON, Okla.—The late Rev. Mark Wallock, founder and motivating genius behind the Wichita Mountain pageant, basis of "The Lawton Story," new Hallmark film that world premieres here on April 1, died peacefully—his dreams come true.

Even as he slipped away, his friends and co-workers were re-dedicating themselves to carry on his work and "The Lawton Story" was being completed in Hollywood studios.

Mr. Wallock, who dreamed that millions someday would see his pageant of the life of Christ, learned in his last hour on earth that the film would be shown throughout the world. For Hallmark, after its American presentation of the religious film, will show "The Lawton Story" to the world.

Other dreams of the little pastor of the hills was a Christ of the Wichitas statue, as large as the famed Christ of the Andes, overlooking the Holy City, site of the pageant, and a monument to the men who died in two wars for their country.

These dreams will come true because earnings from "The Lawton Story" will continue for 20 years and the pageant participants in every dollar earned from part of the film's presentation.

Mail order sale of tickets for the world premiere is proceeding at such a rate that a record attendance is expected, according to Reece L. Russell, secretary of the pageant board.

However, tickets are still avail-

able by mail, Mr. Russell said. They may be obtained by writing direct to Mr. Russell here, enclosing check or money. The remaining seats in the three Lawton and Ft. Sill theatres are being sold at the popular price of \$5 each.

Mr. Russell pointed out that payments for tickets to the premiere actually are donations to the pageant. Therefore, the amount paid is deductible from income tax. "Invitations," instead of tickets, will be mailed to persons attending the premiere.

President Truman, the governors of Oklahoma, Texas and Georgia, senators and congressmen are among the important personages invited to the premiere. In addition, there will be two plane-loads of movie stars who will appear in person at all theatres during the evening.

Mrs. Dorothy Kelly and son Richard visited her sister and family, Mr. and Mrs. Bill Lane Sunday.

Mr. and Mrs. John Humphrey and daughter Kathleen visited his mother, Mrs. Eva Humphrey and her mother, Mrs. N. L. Jones. Mrs. Jones has been very ill but is much better now.

Mr. and Mrs. Carl Pittman attended the dedication services by Rev. Bolton at the New Christian Church at Amarillo Sunday.

Mr. and Mrs. Bert Smith Jr. announce the arrival of a son, Roger Wayne, Feb. 17th in St. Anthony Hospital in Amarillo. The young fellow weighed 9 lbs. and 3/4 oz. Mother and babe are doing nicely.

Mr. and Mrs. Eugene Clifton of Dumas visited their uncle and aunt, Mr. and Mrs. Horace B. Hill, Sunday.

Mr. and Mrs. E. J. Wise and Winfred Wise and family spent the week end with Donald Wise and family at Albuquerque, N. M.

Boyd Hatley of Fresno, Calif. is visiting his sister and family, Mr. and Mrs. Clyde Barker.

Mrs. Ethel Moss and son Loyd and her grandsons Jay and Jerry Moss of Borger visited her mother, Mrs. W. D. Martin, Sunday.

Mr. and Mrs. L. N. Cox and Inelle visited her sister and family, Mr. and Mrs. Van Zandt at Mobeetie.

In expanding and improving their facilities to make more steel, companies of the industry have already spent \$1,407,000,000 since the war ended and will lay out an additional \$627,000,000 this year, bringing the total to post-war expenditures to more than two billion dollars.

There once was a woman

There once was a woman who lived in a shoe, She had so many children, and so much to do, Till she learned to keep house by the system of touch, And found electricity helped very much!

Yes, in this shoe, a cottage for two, or a mansion on the avenue—keeping house by touch is an adventure in living.

Touch a button, twist a dial, flip a switch, and Reddy Kilowatt is at your service, ready to bring ease and comfort and entertainment to your home.

And for only a few pennies a day! What other item in your family budget gives you so much living value—for such little cost!

HEALTH NOTES

With the present incidence of chickenpox almost twice as high as records indicate for a seven year median, Dr. Geo. W. Cox, State Health Officer, issued a statement today declaring, "It is a great mistake to treat even light cases of childhood diseases such as chickenpox, measles, mumps, scarlet fever or whooping cough as though they did not amount to much. That sort of treatment makes it possible for these diseases to spread and cause serious outbreaks among children and the resulting lowered resistance makes them easy victims to other

forms of infection. "Some of the most serious epidemics of chickenpox which we have had, have been traced to mild cases—that is, to cases so light that a doctor was not called. In some instances the children have continued to go to school and to associate and play with other children. In others, after they have been kept at home for a few days, they have returned to school and have scattered these germs around among their schoolmates. Eventually a group of cases—sometimes very serious ones—have developed from the carelessly-handled mild case. The result was another epidemic that could have been prevented."

The State Health Officer said that the family doctor is the best judge of the seriousness of such childhood diseases, and suffering and anxiety will be avoided if the child showing symptoms of illness is put to bed and a doctor's advice sought and followed.

Mr. and Mrs. J. C. Drennan of Altus, Okla. visited Friday night and Saturday with his daughter and family, Mr. and Mrs. Homer Estlack. Allen Homer accompanied them home to spend Saturday night and Sunday.

Texas Collections At Baylor

Did you ever think that Sam Houston's piano and Santa Anna's sash could ever exist peacefully in the same room?

Shades of ole Hickory but they do! The room is part of the Baylor University Texas Collection, which houses one of the largest aggregations of Lone Star history, folk lore and relics in the State. Outside of the several

thousand books, pamphlets and documents dealing with every phase of Texas' "culture," relics reminiscent of Texas under the six flags are housed in this collection. The Steinway piano that belonged to Texas' first president, the hand carved walking stick of the famed Indian chief, Geronimo, the sash worn by Santa Anna at San Jacinto, are but a few of the historical items depicting the culture of the old Republic of Texas.

FLYING DISCS!

PLOWIN' Out the CORNERS
by Uncle Zeb

Such a large crowd out for the Farm Bureau Meeting at Claude the other night, and thanks to the Amarillo Times for such good coverage of the meeting.

Been so busy mailing out membership cards in the Ain't Smoking Right Now Society that I almost didn't find time to write anything this week. If you are eligible to become a member, send for your membership card. One lady asked for membership, it is alright with me as it is with the other members, and I won't print their names unless they wish.

If you get a letter from your Senator or Representative we should answer it and give him the information he wants. He may want to cast his vote by the response of his mail.

From Random Thoughts and the pen of Annie Dyer Nunn of Amarillo:

Indian Prayer — Great Spirit, help me never to judge another until I have walked two weeks in his moccasins." Such a very good idea.

Last week I read that both Uncle Jay and Lewis Nordyke were members of the Poetry Society of Texas, and I was not,

POSTAL SAVINGS ATTRACT MANY CUSTOMERS

Uncle Sam is banker for hundreds of thousands of his children through his postal savings division in first and second class post offices. The rate of interest paid depositors is 2 percent. The deposit, or any portion of it, may be withdrawn at any time.

The outstanding principal to the credit of postal-savings depositors as of January 1, 1949 was \$3,379,129,983. The huge sum is owned by 4,111,373 individuals.

The greatest number of depositors are to be found in the east in the congested factory towns where they find 2 percent attractive. In this section, no large number is attracted by the interest rate. There are 28 depositors listed in the postal-savings of the Clarendon post office with a total of \$26,361.00 on deposit.

Mr. and Mrs. J. R. Cowan, Katherine and Jeffery Roy of Borger visited Mrs. Cowan and the Clyde Butler homes Sunday.

so I started in to find out why. Even wrote to the state president David Russell at Dallas, Texas. Anyway, I found out the reason: finally got to the bottom of the trouble, and now my name will be right along side of theirs, and my pocket book is a little flatter. However, I am glad I joined up and if any of my readers want to join, I will send you the complete information.

Quote from Mrs. Eugene Worley: "I think one of the reasons I never cared for animals is that I liked people so much more." I liked this reason, and instead of running around Washington with a poodle dog on a string, she has three small children to keep her busy. Thanks Ann.

" - Let all else, if need be, cease; But, Lord of Life, I pray on me bestow The gift of Friends to share the way I go. —Clark.

Do it that very moment, Don't put it off, don't wait. There's no use doing a kindness if you do it a day too late. —Kingsley.

Local Boxers Defeated By Wellington

What was acclaimed by fans as the best boxing match of the season was held here last Thursday night between the locals and the team from Wellington. There was plenty of action all the way through with more heavier fighters appearing on the program. Wellington won the meet 10 to 6, but on several occasions the decisions were very close.

The results were as follows with the Clarendon fighter named first.
65 lb. — Gordon Moore dec. Gary Phillips.
80 lb. — Weldon Talley was dec. by Bobby Davis.
80 lb. — Bill Dale Hill dec. Truman Judd.
75 lb. — Don Moore was dec. by Ronald Coleman.
85 lb. — Tommy Blasingame was dec. by Dewaine Bowen.
95 lb. — Gerald Mulanax dec. J. E. Bell.
100 lb. — Bill Porter was dec. by Jimmy Thompson.
115 lb. — Leon Mulanax was dec. by Gene Baird.
120 lb. — Leland McBrayer was dec. by Don Heitt.
119 lb. — Jerry Moore dec. Stanley Hennard.
118 lb. — Joe Shadle was dec. by Don Baird.
127 lb. — Ray Dean Brown dec. Dale Lumpkin.
140 lb. — Rex Bradford dec. Burl Brun.
147 lb. — Fred Molesworth was dec. by George McGill.
222 lb. — Bob Clifford was dec. by Garland Turner.
175 lb. — Sidney Muse was dec. by Bob Phillips.
130 lb. — Ray Morris was dec. by Claude King of Amarillo in an exhibition bout.

Miss Nell Hill spent Saturday night with her parents, Mr. and Mrs. H. B. Hill. She was accompanied by Mr. C. E. Southerland of Dallas and who was a guest in the Hill home.

Mr. and Mrs. Guy Wadsworth of Lubbock and their daughter and husband, Mr. and Mrs. H. N. Munroe of Panhandle visited his brother and family, Mr. and Mrs. D. F. Wadsworth.

Do You Want Dictatorship Over Public Health?

NO one likes dictatorship or monopoly.

But that is exactly what the State Medical Association is trying to establish in Austin at our State Capitol.

It would be a dictatorship over public health more absolute than anything conceived by Hitler or Mussolini.

The bill that would bring about this dictatorship is Senate Bill 63, the so-called Basic Science Bill.

It would give the State Medical Association a death grip on the healing arts.

IF this bill passes you will no longer be able to go to a chiropractor in Texas, or to a naturopath, because there would be none. Eventually, it is probable you would be unable to go to any type of doctor, except a member of the State Medical Association—the dictatorship would be that strong.

You wouldn't think this could happen in Texas. But it will unless you EXPRESS YOUR OPPOSITION TO S. B. 63 by writing to your representative and senator. (Adv. sponsored by the Committee for Health Freedom of Texas, W. Early Jackson, of Austin, Chairman, and paid for by Dr. M. H. Henexson of Clarendon.)

Move To Conserve Our Natural Gas

The Legislature should give all-out consideration to the resolution by Rep. W. R. Chambers of Brown County relating to the conservation of Texas natural gas. The resolution very sensibly recognizes both current emergency and long-time aspects of the situation.

The Federal Power Commission has been granting practically all applications for pipelines to export Texas natural gas to other states. And the applications are coming in endless succession. To meet this immediate situation the resolution directs the Railroad Commission of Texas to appear at hearings in opposition to the granting of further applications. Members of the Railroad Commission have been divided in their attitude. Legislative admonition would have a healthful effect.

The deeper problem is the lack of definite information as to the exhaustibility of Texas reserves, the relative powers of national and state regulatory bodies, avoidable waste of gas reserves through "flaring" gas in oil-gas fields and the legal angles on restriction of interest commerce. To meet this situation, the Chambers resolution demands of the Railroad Commission a complete report on the situation involving gas reserves, production and waste. Without such information a wise and consistent state policy is not possible.

Through the haze produced by conflicting testimony, the following is evident: Texas' greatest industrial asset—natural gas—is being piped out of the state at such an increasing rate that supplies will be exhausted in the not distant future. In the much nearer future the supply will be reduced to a point where the market price will be pushed above the level of use as an industrial fuel.

Exports to states without a substitute fuel is justifiable. But much of the present export is to the great coal fields of the North and Middle West. Some of the authorities of these states console us Texans by telling us that, when they have exhausted our cheap natural gas supplies, they will manufacture gas from their coal and use the same pipes to ship it to us—at ten times the price they are now paying for our gas. — The Dallas Morning News, (Wed., February 9, 1949.)

University of Texas Exes To Meet At Childress, March 2

University of Texas exes of this area will head D. B. Jack Holland, dean of men of the University of Texas, when they (and their wives or husbands) meet March 2nd at Hotel Childress in Childress for the traditional get-together and dinner at 7:30 p.m.

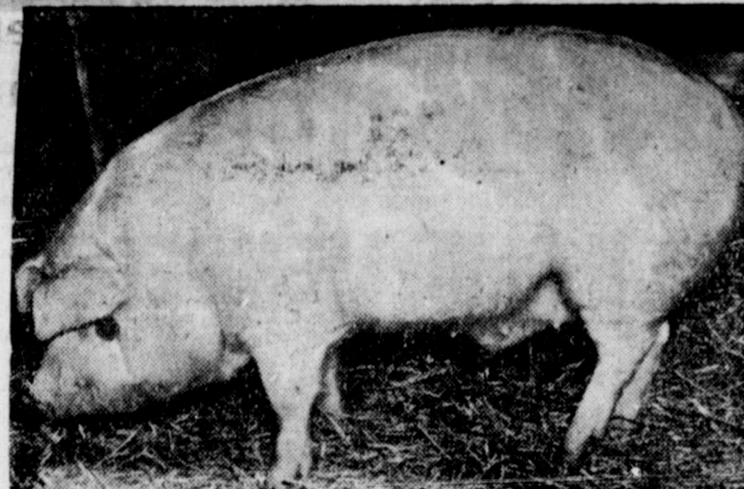

An institution of the University celebrated the world over on March 2nd wherever Texas exes live, this reunion will be the first in this area in 20 years. Prior to that time, exes from Donley, Hall, Childress and Collingsworth counties met annually rotating the meeting place. This year exes everywhere who can find it convenient to come to Childress are urged to do so. It is hoped that this will be the first of a series of such annual meetings.

Childress exes sponsoring the affair extend a cordial invitation to all exes. Tickets are \$2.25 each for a fried chicken dinner and the opportunity to hear news of the University first hand.

In Clarendon tickets are available at the Leader office; in Wellington at the Leader office; in Memphis at the Democrat office; in Paducah at the Post; in Quanah at the Tribune-Chief; or they may be secured by sending check to John Herren or Kenneth Fink, Childress. Reservations must be made on or before Feb. 28.

Three Major Bills Backed By V.F.W.

AUSTIN — Three major bills backed by the Veterans of Foreign Wars have been introduced in the 81st Congress, according to S. A. Childress, Waco, Texas commander of the VFW.

Congressman James E. Van Zandt, three times commander in chief of the VFW, has introduced a bill for a uniform pension plan to cover veterans of all wars. His bill asks for \$43.20 monthly for a World War I veteran when he reaches age 62, and upon reaching age 65 he would be presumed to be permanently and totally disabled and would receive \$90 monthly. This is the pension now received by Spanish-American War veterans who have attained the age of 65.

For partially disabled World War I veterans who have not reached age 62 the following schedule of pensions would be set up: 25 percent disability, \$32; 50 percent disability, \$50; 75 percent disability, \$72; and 100 percent disability, \$90. Veterans who are totally disabled and who require regular aid and attendance would be paid \$120 monthly under provisions of the bill.

Rep. Edith Nourse Rogers, Mass., has introduced a bill calling for a reduction in income limitations in order to make allowance for the increased spiral in living costs. At present a veteran or his dependent who is receiving a pension cannot earn more than \$1,000 annually if single, or \$2,500 if he has a family. Mrs. Rogers' bill would raise these amounts to \$2,000 income for single and \$3,000 for married veterans or their dependents.

Rep. John Rankin, Miss., has introduced a bill calling for a 25 percent increase in pensions and compensations, which are held to be inadequate under present living conditions.

All three of these bills are based on mandates of the 49th annual convention of the VFW, held in St. Louis last September, and recently approved by the VFW's national legislative committee.

NEW BUILDINGS FOR BAYLOR

Construction of new office space for the accounting office was completed recently at Baylor University, Waco, Texas. Work continues on new buildings for the geology and psychology departments.

What was previously storage space in the basement of Pat Neff Hall has been converted since Christmas into modern offices for the accounting office.

The new buildings being constructed on the corner of Fifth and Dutton streets will house the geology and psychology departments. These four previous barracks obtained from the government are being joined together to form a single building with 10,000 feet of floor space.

KINZINGER ART EXHIBIT DISCUSSED BY PUPIL

Dr. Edmund Kinzinger, chairman of Baylor University's art department, was honored by an art exhibit in the University Union Building recently. The exhibit was the first of a series, and presented 26 paintings by Dr. Kinzinger. Mrs. Watson Arnold, pupil of Dr. Kinzinger, discussed the artist's work.

Included in the exhibit were "Peasant Girl on Steps," which won first award at an exhibit in Austin in 1943, and "Return from the Market," which won first award at a Ft. Worth exhibit in 1941.

In her discussion of Dr. Kinzinger's work, Mrs. Arnold presented the artist as a pioneer of modern art in Texas. She mentioned three phases of Kinzinger's art—abstract, study of round forms, and finally an interest in portraying the Mexican people. She stated further that Kinzinger has "an excellent background," and that he is technically and intuitively a capable painter.

BILL ROWE, Mgr.

The Lull In Inflation

By Thomas I. Parkinson
 (CPS Correspondent)

During the last quarter of 1948 our post-war inflation showed some signs of slackening. Certainly, the prices of some commodities decreased a little compared with midsummer prices, and others rose only slightly. There appeared to be definite buyer resistance, though the final figures showed larger than expected retail trade during the holiday season.

These developments fitted nicely into the thinking of public officials and economists who have been warning that deflation is more to be feared than inflation. We have heard frequently from both sources that "the peak of the inflation is passed", and that therefore we must avoid fiscal and monetary policies that might bring about a recession.

The curious part of current emphasis on deflationary trends is that it ignores the real nature and cause of inflation. Inflation did not begin with high prices; inflation began with the great in-

crease in our money supply which made available to the people of this country at the end of the war more than \$150 billion of spendable money. That huge money supply was increased despite some reduction in the public debt until it passed \$170 billion at the beginning of 1948.

During the early part of 1948 a Treasury surplus and the voluntary efforts of the bankers to restrain expansion of bank credit reduced that total money supply by \$3 or \$4 billion. But during the last months of the year the trend was again upward. While final figures are not yet available it is probable that the total money supply at the end of 1948 will again be in the neighborhood of \$170 billion.

This means that while prices were being held or reduced during the last quarter of the year the total money supply and the total of personal incomes were again climbing upward. In other words, the inflation of the money supply has been and is continuing.

The situation with respect to prices and the lull in wage demands only illustrates what by now should be plain to all. Everybody who gives any consideration

to the subject knows that inflation depends on two main factors—first, an increased or inflated money supply and second, a rapid turnover of that money supply. Nobody in authority seems to want to decrease the supply of money. The monetary authorities and most commentators appear content to urge the people to avoid inflationary use of the money available to them. The result has been that the people have become cautious, price-conscious, and hopeful of lower prices in the near future.

This, we believe, accounts for the present lull. Those who interpret the situation as proof that inflation has run its course or that the peak of the inflation is passed may be expressing only pious wishes and also may be taking grave responsibility for the action of those who are influenced by their interpretation.

Meanwhile, emphasis on the continued inflation of the money supply is discouraged by the threat that it is deflation that we have to fear, not inflation. Nevertheless, the huge money supply remains with us; it is not being reduced and there is no probability that it will be reduced in the foreseeable future. It is much more likely to rise as Federal expenditures increase and the defense and foreign aid programs expand.

We again emphasize our belief that the inflationary trend in this country has developed to the point where the monetary problem must be tackled, because we cannot rely on the continued restraint of inflationary spending or Government controls on prices and allotments.

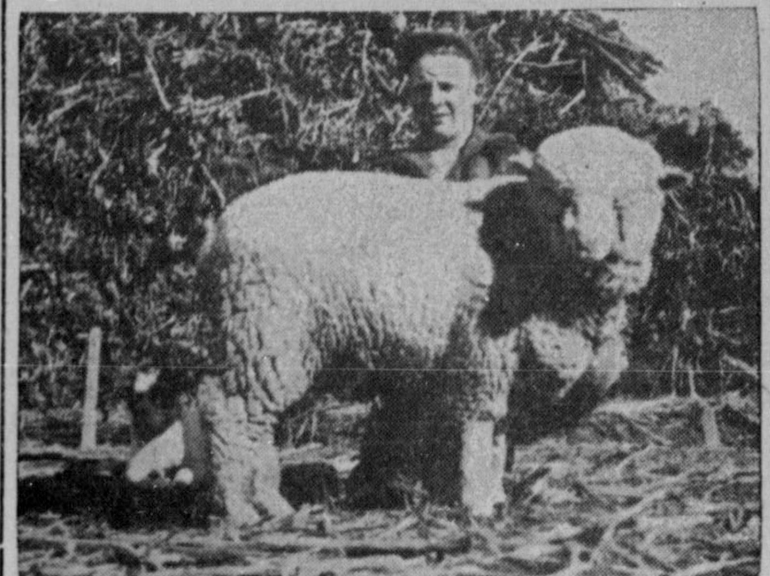

The monetary sources of inflation—the purchase of gold and support of Government bonds—so obviously are in need of modification that it is difficult to be-

lieve they could be persistently ignored in current Government proposals, in current annual bank reports, and in the more or less academic discussions of economists.

We admit that the campaign to urge our people to avoid infla-

tionary use of our huge money supply is showing results in current caution. But we fear that this will be followed by another wave of spending, and that the brake now applied will be useless unless sound monetary policies are adopted.

From where I sit... by Joe Marsh

How's Your Listening Time?

Buck Howell and I were in Balesville last week. Dropped in at Bob's diner where some friends were sitting around talking about whether to sell hogs now or wait.

Buck plunges right into the discussion. He's lecturing away when suddenly they all stand up and start stomping their feet like it was an Indian war dance.

I'm flabbergasted. But Buck only looked sheepish and explains, "Guess I was talking again, when I should of been listening. When a person's talking time gets out

line with his listening time around here, the gang reminds him by standing up and stomping."

From where I sit, that's a good system. Everyone has a right to his opinions—but others have a right to theirs, too—whether it's deciding between to sell or not to sell, apple pie or cherry pie, or a glass of mellow beer or cider. Life's more interesting that way, and hang it if you don't sometimes learn something!

Veterans News

World War II veterans receiving education or training under the GI Bill are urged by the Veterans Administration to include the name and address of their school or training establishment in all correspondence with VA.

This information should be included in addition to the clearly legible, complete name and address of the veteran and the extremely important claim number.

Student-veterans and job-trainees who follow this advice will expedite any action on their case by VA and avoid delays often caused by lack of sufficient information contained in correspondence from veterans.

Veterans Administration has conducted a training program for corrective therapists at the Winter VA hospital in Topeka, Kansas, to broaden their understanding of the needs and problems of neuropsychiatric patients. The course—the sixth given for

corrective therapy personnel in VA hospitals—was a joint program of the Division of Physical Medicine Rehabilitation of VA's Department of Medicine and Surgery, and the Division of Adjunctive Therapy of the Institute of Psychological Medicine.

Training programs previously were conducted at VA general medical and surgical hospitals in Richmond, Virginia; Hines, Illinois, and Los Angeles, Calif. Two previous courses also were held at the Topeka hospital.

Future training programs are planned for the Topeka VA hospital and for other general medical and surgical hospitals, to keep corrective personnel informed of the latest developments in their field.

QUESTIONS and ANSWERS

Q—My husband, a World War II veteran, holds a bad conduct discharge. Is he entitled to benefits under the GI Bill?

A—Since your husband holds neither an honorable nor a dishonorable discharge from the armed services, it will be necessary for him to ask his nearest VA office for a decision as to whether he was discharged under conditions other than dishonorable. He also may apply to the

Army or Navy, for revision of discharge.

Q—Is my aunt, the daughter of a Civil War veteran, eligible for pension? She and her mother were dependent on the veteran at the time of his death. The widow received a pension until her death, leaving her daughter, aged 75.

A—Unless your aunt was permanently helpless by reason of physical or mental disability prior to having reached the age of 16, she could not now qualify for pension based on her father's service.

Q—Is there any time limit to the duration of a business loan?

A—Yes. A non-real estate business loan must be repaid in 10 years or less; real estate loans may run up to 25 years.

Q—Am I eligible for a GI loan to buy a share in a going business in another city?

A—You are eligible if you devote your personal labor or supervise the business either on a full-time or part-time basis.

The first commercial Bessemer steel in America was made at Wyandotte, Michigan, in an experimental 2½ ton converter, at a plant owned by Captain E. B. Ward.

PROFESSOR'S PUDDLE JUMPER

In spite of its two-year-old battery and burned-out lights, one Baylor University professor's car is in much better shape than he imagined.

The car, termed "puddle-jumper" by its owner, Dr. Irvin T. Shultz, acting chairman of the

psychology department, was reported lost recently. Two days later word was received from Dallas police that the car had been found.

Dr. Shultz was taken aback, "I didn't know the car could go that far."

7,000 Horses POWER UNITED GAS COMPRESSORS

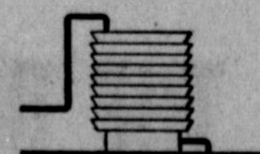

It takes a lot of horsepower to move natural gas through the 6,000 miles of pipe lines that form the United Gas transmission system. Sometimes the gas is under sufficient pressure when it leaves the wells to carry it to its destination 50 or 100 miles away. More often, however, it must pass through a compressor station, where it gets a boost along the lines to cities, towns and industries where it can be used. Operation of compressor stations at key points in the system is one of many important functions of the United Gas organization . . . all of which have the ultimate purpose of assuring a continued dependable supply of gas for our customers.

Field compressors are used to draw low-pressure gas from remote locations in a gas or oil field to a central gathering point.

Main line compressors step up the movement of gas along transmission lines, and are frequently installed at intervals of 50 to 75 miles.

Cooling towers are employed to supply engine cooling water and to cool the compressed gas. Temperature of the gas increases as much as 120 degrees, for example, when the pressure is increased from 250 to 500 pounds per square inch.

Serving the *Gulf South*

CITY-COUNTY LIBRARY NOTES
By May L. Prewitt

The reading public is evidently studying seed catalogues, or busy in some way, as not quite as many books have been issued the past week. We have had a few minutes to peek into the fascinating book catalogues. The temptation offered diminished the Library funds as usual.

Our children's corner is a well patronized section of the Library, so a few new books are ordered each month for their shelves. This week the new copies are "Where Are You Going?" written and illustrated by Charlotte Steiner—a story of Tummy and his dog as they pass thru the front door to go forth on a day's adventure. Next is "Monkey Face" by Helen and Alf Evers, and our young readers are familiar with their books of "Cry Baby Calf," "Copy Kitten," and others.

FOOD... through the ages...

Then comes a cleverly told story of the lamb, "Frisky at the Fair," by Nancy Raymond. Last a beautiful copy of Janie Walker's "My Bible Book." You will marvel at the unusualness of this in expensive book for little folks. For the Junior readers we have Walter Farley's "Island Stallion," which is a Literary Guild selection. Walter Farley wrote the Black Stallion series that have been very popular reading. "Mary Wakefield," by Mazo de la Roche is an exciting, heart-

warming story that was published in January and listed near the top of the best seller list. The mature readers and girls too will enjoy this edition. The new Webster's International Dictionary has been ordered—It will be the first up to date unabridged edition the Library has possessed. This "antique" with its loose pages and patched up binding is an 1895 issue. The reading interest produced by our magazine rack is a complete success. So many have do-

nated copies of the current and best magazines. Several have given a complete file of the Post, Good House Keeping and Journal. The Colliers is on the rack new every week. Mr. Norwood certainly gave us a useful piece of furniture when he sent us the magazine stand. We have a place for your read pocket book editions. One friend has donated 40 of these—a miscellaneous collection. Our best western writers and so many of the others are now having reprints of these convenient size books. Come read with us—"No matter what his rank or position may be, the lover of books is the richest and happiest of the children of men."—Langford.

Sunday. The two young daughters of Mr. and Mrs. Crawford have been ill this past week. Mrs. Harold Longan and children spent Sunday in the Harley Longan home. Betsy Chamberlain was ill this past week. Mr. and Mrs. Quattlebaum visited Sunday afternoon with Mr. and Mrs. Edwin Eanes and Mr. Pickering. Mr. and Mrs. Nance have moved to New Mexico. The first steel made in an arc electric furnace in the United States was tapped at Syracuse, New York in 1904.

CHEVROLET

is the most Beautiful BUY of all

The most Beautiful BUY for Stylin.

Look at this exciting new Chevrolet from any point of view—inside and outside, front, side and rear—and you'll agree it's the smartest-looking automobile of this new year. For it alone, of all low-priced cars, brings you the distinguished beauty and luxury of Body by Fisher—the body featured on highest-priced cars.

The most Beautiful BUY for Comfort

Settle into the deep, soft, form-fitting seats. Notice the extra-generous head, leg and elbowroom of the Super-Size Interior. Ride in this "car that breathes"—with an advanced heating* and ventilating system that inhales outside air and exhales stale air—giving comfort beyond compare! *(Heater and defroster units optional at extra cost.)

The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design

Most sensational of all the advancements in this thrilling new Chevrolet for 1949 is the entirely new kind of driving and riding ease which it introduces into the low-priced field. New Center-Point Design—including Center-Point Steering, Center-Point Seating, lower Center of Gravity and Center-Point Rear Suspension—brings you driving and riding results heretofore found only in more expensive cars. The difference is so great—and so pleasing—that it's no exaggeration to say it is proving a revelation to all who drive or ride in this car. Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

The most Beautiful BUY for Performance

What thrills you'll have when you drive this car! It's the only low-priced car with a Valve-in-Head engine—the engine which more and more makers of higher-priced cars are adopting—because it gives a much finer combination of performance, economy and dependability. And Chevrolet's world's champion Valve-in-Head engine holds all records for miles served and owners satisfied.

The most Beautiful BUY for Safety

Yes, you and your family will enjoy maximum safety, for Chevrolet brings you fivefold safety protection found only in this one low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisteel Body-Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Unitized Knee-Action Ride.

FAT STOCK SHOW

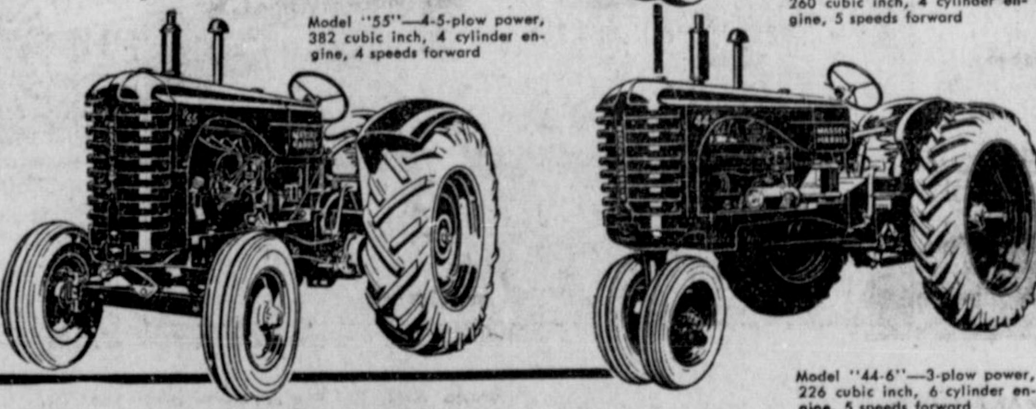

IF IT'S *Power* YOU WANT

Make it a Massey-Harris

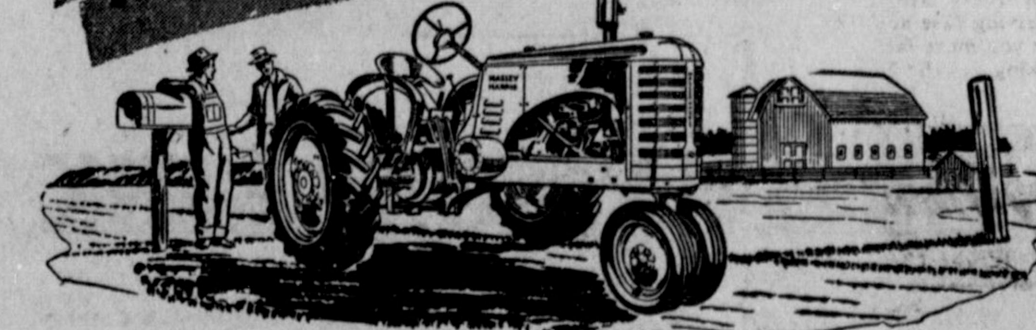

Tough spots disappear when you put a Massey-Harris tractor to work on your place. There's more power in Massey-Harris... more downright lugging ability at the drawbar... more capacity on belt work... more reserve, stamina, dependability. It's the result of high compression in the engine, straightline design in the transmission. High compression takes the laziness out of an engine... makes it peppy, more alive, more responsive. A straight line transmission delivers that power smoothly, efficiently... you get full power on every belt and field operation.

There's a Massey-Harris tractor for your farm... 8 great models... 5 power sizes... each the power and economy leader in its class.

and the new 2-PLow MODEL '22'

Here's that extra power you need to make those stubborn 2-plow jobs say "uncle." It's the new Massey-Harris Model "22"... with a bigger, huskier, 4 cylinder engine, smooth, quick-acting brakes, new grille styling... more power, more economy, more top notch field performance. Plus... a new hydraulic control—Depth-o-matic System that holds implements to their work regardless of field conditions. Come in and get the facts.

Veterans Taking On-Farm Training Must Submit Reports

West Texas veterans taking institutional on-farm training under the GI Bill must submit reports of their 1948 earnings to the Veterans Administration Regional Office at Lubbock by March 1, 1949, in order to continue receiving subsistence allowances, Robert W. Sisson, VA Regional Manager, said today.

Failure to submit the reports before the deadline may result in suspension of subsistence payments until such time as the reports reach VA.

The reports—covering income from productive labor only, for the calendar year 1948—will be used by VA as the basis for adjusting each veteran's subsistence for the current year, 1949.

Under the law, subsistence allowance will be reduced if a veteran's monthly income from productive labor plus his subsistence allowance exceeds \$210 a month if he has no dependents, \$270 if he has one dependent, or \$290 if he has more than one dependent.

The annual earnings report is based upon farm accounting records kept by the veteran farm-trainee as a part of his course of instruction.

In the case of a veteran operating a farm for himself under the training program, income from productive labor is computed by deducting from his yearly net farm income, (1) the interest on his capital investments and (2) an amount for unpaid family labor, and by adding an estimated value for family living furnished by the farm.

Strange and Interesting Facts

THE ONLY SWEAT GLANDS A COW HAS ARE IN HER NOSE . . . -MAC-

His net farm income is derived from the difference between inventories at the beginning and end of the year and from a detailed account of all receipts and expenditures in connection with his farm business.

Veteran-trainees received necessary VA Forms (Form No. 7-1922) early this year. As a part of their course of training they receive assistance from their instructors in closing their books for the past year, and in transferring data to the VA Form.

The VA Regional Manager stated that on December 31, 1948,

a total of 4,426 veterans in the West Texas VA Region were enrolled in institutional on-farm training courses under the GI Bill; of this number 729 were disabled veterans.

In the year 1899 the household mechanical refrigerator machine was patented. Over 4,530,000 refrigerators of all types were made in 1948.

There are more than 3,200 fasteners, including nuts, bolts, screws and rivets, in a typical passenger automobile.

We Thought So . . .

AUSTIN—Women are always changing their minds.

Everyone has always thought so and now a University of Texas Testing and Guidance Bureau study proves it is true in one area anyway.

The Bureau, which handles all of the University's student testing, asked 109 male and 150 female freshmen in 1946 to list their vocational choices.

In 1948 the same students were

again asked the same question, and more than half of the women had changed their minds. Only 41 per cent of the women indicated the same preference when asked the second time, whereas 65 per cent of the men were still firm in their original choices.

A shift toward social service occupations, including religious work and teaching, was exhibited by a number of students who had changed their preference, the tests indicated.

Building Permits In Many Texas Cities Decrease In 1948

AUSTIN—Texas building permits fell 12 per cent from November to December, the University of Texas Bureau of Business Research reported.

Building permits in 54 Texas cities totaled \$26,971,401 in December, lagging 9 percent from December 1947.

After adjustment for seasonal variation, the Bureau's index of building permits dropped 33 per cent from November to 417 per cent of the prewar (1935-39) base period.

Decreases from November were turned in by 28 Texas cities. Building permits dropped 86 per cent from the previous month in Borger; 83 per cent in Pampa; 82 per cent in Jacksonville; 81 per cent in Corsicana; 79 per cent in

Greenville; and 71 per cent in Brownsville.

On the other hand, building permits were more than double the November level in Lamesa, Paris, Denison, Lufkin, Nacogdoches, Tyler, Kenedy, Texas City, and Victoria.

During the 12-month period, building permits fell sharply in Texas City, Greenville, Corsicana, Brownsville, Galveston, and Borger. Declines from December 1947 ranged from 2 per cent in El Paso to 94 per cent in Texas City.

Counter to the downward movement, outstanding gains over the year were registered by a number of Texas cities. Paris stepped up building permits almost twelve fold, for the best record in the State. Permits more than tripled the December 1947 level in Denison, Lufkin, Childress, Gladewater, Del Rio, Midland, and McAllen.

Continuing to lead the State since July, Houston's building permits totaled \$7,886,950 in December. Permits totaled \$2,658,083 in Fort Worth; \$2,568,606 in San Antonio; and \$2,496,568 in Dallas.

Texas Postal Receipts Show Increase

AUSTIN — Texas postal receipts climbed 44 per cent from November to December, the University of Texas Bureau of Business Research reported.

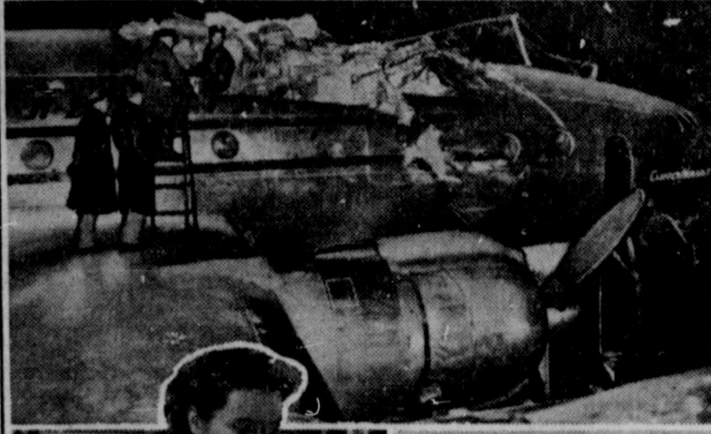

December receipts of 57 Texas cities totaled \$4,735,362, or 13 per cent above a year earlier.

After adjustment for seasonal variation, the Bureau's index of postal receipts rose 4 per cent from November to 273 per cent of the prewar (1935-39) base period.

November to December gains ranged from 24 per cent in El Paso to 104 per cent in Corsicana.

People, Spots In The News

PLANE LUCKY—This transatlantic Constellation landed miraculously without injury to any of 33 persons aboard though a light two-seat plane plummeted onto it in mid-air and embedded itself in roof! Both passengers in light plane died.

PULPIT PUNCH is newest "weapon" of Vince Foster, spectacular young welterweight boxer from Omaha, Neb., shown telling Moody Bible Institute audience in Chicago how he found God. He'll keep on punching in ring, too, he says.

GUINEA PIGS really are used! These, plenty plump on canned-food diet, figure in nationwide research program on canned-food nutrients sponsored by canners association and Can Manufacturers Institute.

NATURE AND MAN combine to produce artistic effect in this night snow scene in New York's Central Park, with skyscraper background highlighting nature's handiwork.

Other sizable increases over November were recorded by Sweetwater and Lockhart, 99 per cent; Childress, 97 per cent; Cleburne, 87 per cent; Pampa, 85 per cent; and Orange, 83 per cent.

In comparison with December 1947, Lockhart turned in the best

record in the State, bettering year-earlier receipts by 33 per cent. Midland tallied a 28 per cent gain; Snyder, 24 per cent; Denton, 23 per cent; Tyler, 19 per cent; Greenville, 17 per cent; and Big Spring and Cleburne, 16 per cent.

On the other hand, six Texas

cities registered decreases from a year earlier. Del Rio's receipts were off 10 per cent; Nacogdoches, 8 per cent; Gladewater, 4 per cent; Orange, 2 per cent; New Braunfels, 1 per cent; and Lamesa recorded a fractional decline during the 12-month period.

Leading the State in December, postal receipts in Dallas totaled \$1,148,861. Houston's receipts

registered \$841,510; Fort Worth, \$488,180; and San Antonio, \$471,775.

America's first successful iron-making establishment, a blast furnace, was built near Lynn, Massachusetts, and named the "Saugus Works."

Donley County Leader, \$2.50 year

 Mr. and Mrs. Greer and Tommy Dean Swindle visited in the R. T. Swindle home Sunday.
 L. M. Putman spent Friday nite

New Front End Styling of Dodge Coronet

The attractive front-end styling of the new Dodge Coronet features a new grille with larger rectangular openings and a single heavy horizontal bar across the center. The grille, of stainless steel construction, is finished in chrome for additional sparkle. Improved sealed-beam headlights are located 3/4 inches higher with 5/8 inches more span between lights to provide superior road illumination.

Attention High School Seniors:
 AUSTIN — The University of Texas Teacher Placement Service can give you a tip on a good vocational field to enter.
 Director Hob Gray says the greatest demand for teachers right now is in the field of library science, and he would recommend it as a study course with excellent employment possibilities.
 There is a shortage of trained library personnel, partially because there are few schools of library science in this part of the country, Dr. Gray says. (The University of Texas re-opened its

Library School this fall.)
 In addition to a standing demand for high school librarians, Dr. Gray says the placement service has many calls for elementary education teachers (grades one to seven); and teachers of high school mathematics, science, commercial subjects, and health and physical education for women.
 Supply has just about caught up with demand in the area of high school English and social studies teachers, he says.
 Pickling machines began to replace hand labor in tin plate works in 1874.

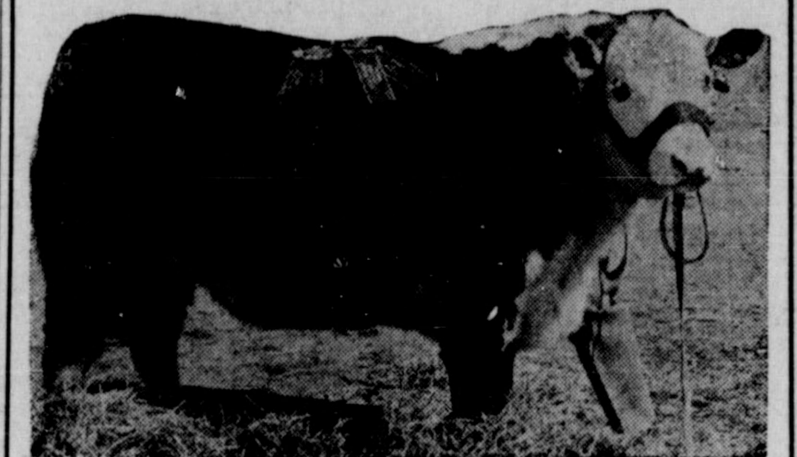

BRANDED
for what it is!

MANN'S Malted Milk BREAD

with Johnny Bill and Phillip Hermesmyer of Jericho.

 The O. L. McBrayer's entertained with a party Friday night. All enjoyed it very much.

Congratulations F.F.A. and 4-H BOYS

ON THEIR FAT STOCK SHOW FRIDAY, FEBRUARY 25th

Goldston & Brumley JEWELERS

DODGE TO INTRODUCE NEW KIND OF CAR BUILT FOR TODAY'S BIGGER TALLER AMERICANS

DONLEY MOTOR COMPANY requests - the honor of your presence at their showing of The New DODGE on Friday the 25th day of February, 1949

INTERNATIONAL HARVESTER BUILDING

SEE HOW DODGE DOES IT! Coming Feb. 25th

LOWER ON THE OUTSIDE . . . Higher on the Inside . . . SHORTER ON THE OUTSIDE . . . Longer on the Inside
NARROWER ON THE OUTSIDE . . . Wider on the Inside

DODGE SAID "NO" TO THIS . . . repairing dented or torn fenders is sure to be costly when fenders are formed right into great masses of sheet metal. Now look below and see why Dodge owners don't have this worry.

DOWN GO REPAIR COSTS! No costly-repair, massive sheet metal fender sections in new Dodge. Fender unit is bolted (not welded) to body; easily removed, repaired and even replaced, if necessary, at reasonable cost.

"NECK-CRICKING" CONTOURS ARE ALREADY OLD-FASHIONED, says Dodge. How can today's bigger, taller Americans be comfortable in a car where it's even hard to lean back or sit up straight?

DODGE ROOMINESS IS ROOM ALL AROUND . . . The new Dodge, shorter, narrower and lower, gives you more elbow room . . . leg room . . . head room . . . that today's bigger Americans will WELCOME!

TIRING? YES! Doctors agree that people can't go for long periods "sitting on their spines" without becoming tired, irritable. Dodge did something about this, too!

AH-HI RELAXING! Dodge "knee level" seats, shown above, put the entire body in a natural position . . . with full leg support for restful, all-day comfort.

"BODY-CRAMPING ROOF LINES MUST GO," said Dodge! Army physical exams revealed that our wartime generation was bigger, taller and more active. A car with more interior space—not less—is the goal Dodge engineers achieved.

DODGE STARTED WITH A SPACIOUS INTERIOR—and practically built the rest of the car around it! Here is room to "room around in"—plenty of room to let the human body take positions that are natural and therefore comfortable.

DODGE ROOMINESS IS ROOM ALL AROUND . . . The new Dodge, shorter, narrower and lower, gives you more elbow room . . . leg room . . . head room . . . that today's bigger Americans will WELCOME!
