A COUNTY - WIDE PUBLICATION, SERVING DONLEY COUNTY and ITS TRADE TERRITORY

1954

New Series—Volume 25 Number 39

CLARENDON, DONLEY COUNTY, TEXAS, NOVEMBER 4, 1954

A Common Paper for Common People

Light Vote Cast In Tues. Election

Only about one-third of the voters of Donley County went to the polls Tuesday to cast their ballot according to the vote that was cast in the first primary. With three small boxes still unreported Wednesday afternoon, a total of 752 ballots were cast. Of the eleven constitutional amendments to be voted on, five of them carried in Donley County. These are No. 1, 3, 4, 10 and 11. From the latest state-wide report, all eleven amendments were carrying.

In the congressional race, Walter Rogers was re-elected by a large majority with LaMaster carrying only two counties out of the 28 county district. Here in Donley County, Walter Rogers received 514 and Pete LaMaster received 181. These figures were incomplete but will be affected very little by the three small boxes still out.

The National picture revealed a landslide victory for the Democrats in the House of Representatives but the Senate majority looked like it would stay in the hands of the Republicans.

Duck Season To Open Friday, Nov. 5th

Texas duck and goose hunters should have "a pretty good" season, judging by advance indications, said the Executive Secretary of the Game and Fish Commission.

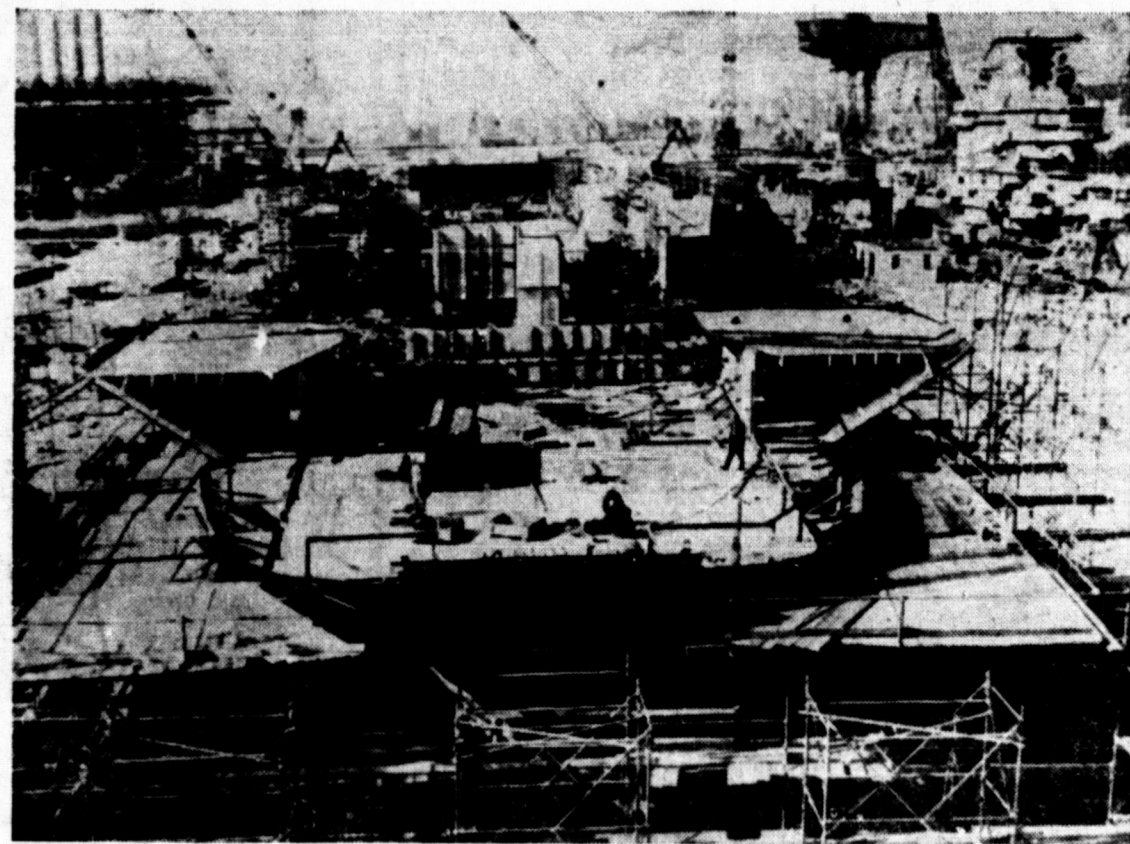

The waterfowl season opens in Texas at noon Friday, November 5th, to continue through January 3rd.

The Executive Secretary said reports from northern parts of the Central flyway indicated "a fair population of ducks and apparently some increase in geese, especially snow geese." He added that "there is no great abundance, but enough to justify the liberal Texas season of 60 days."

Regulations are practically unchanged from last year. The duck limit is five per day, or ten in possession. The goose limit is five in the aggregate per day, or five in possession.

Shooting hours, after the opening day, are from one-half hour before sunrise until sunset. Guns must be plugged for a three-shell limit.

The Executive Secretary suggested that hunters check their game wardens or read their hunting digests and, above all, to be careful with firearms and "always get permission of land-owners."

BIGGEST CARRIER . . . Bow end view of U. S. S. Saratoga being built in Brooklyn naval shipyard shows details of what will be largest ship afloat, equal of sister carrier U. S. Forrestal under construction at Newport News, Va.

Lions To Feature Pancake Supper Friday Night

The Clarendon Lions Club is featuring another of their famous pancake suppers Friday evening, Nov. 5th, at Lions Club Hall. They are asking local residents to eat pancakes for the "Texas Crippled Children."

You can eat all the pancakes you want for 50c. Serving hours will be continuous from 5:30 to 11 p. m.

General Mills will furnish the Bisquick for the Pancakes, Pet Milk Co. will furnish the milk; Armours, Pinkney, Wright, Swift, Cudahy and Amarillo Packing Companies will furnish the bacon to go along with the pancakes.

Ray Moore Named "Coach of Week"

Ray Moore, head coach of the Clarendon Bronchos, was selected the "Coach of the Week" by the High School Football Coaches of the Panhandle. The Bronchos defeated Memphis 13-7 last Friday night to earn this honor for coach Moore.

In recognition of this honor, Moore appeared on the "Sideline. Exclusive" program on KGNC-TV last night.

Future Homemakers Observe National Homemaking Week

The week beginning October 31 and ending November 6 has been set aside as National Homemaking Week and is being observed in various ways by chapters the nation over.

The Clarendon F.H.A. Chapter under the supervision of Miss Jane Christian opened their week of activities by attending in a group church services at the Methodist Church Sunday morning.

"Courtesy" has been stressed as the theme for the week with each member striving to "take more time to be courteous."

An assembly program for High School students will be presented Thursday with Jackie Estlack, chapter president, mistress of ceremonies. At this time Robert Mills, F.H.A. Beau, will be presented with an identification bracelet along with the entertaining program worked up by the girls.

Climaxing the week's activities will be a Mother-Daughter Tea from 2:00 p. m. to 4:00 p. m., Saturday, November 5th, in the Homemaking Department. It is hoped that all F.H.A. members and their mothers will be present.

Also in observance of this week, the local Chapter has declared this a "Hobo Week" and are asking to do any odd jobs you may have about your place. Proceeds from their work will be used to finance activities for the year. If you have work to do and would like to contact an F.H.A. girl, call Jackie Estlack, phone 418, Joyce Eddings, phone 188, or Harlene Smith, phone 163-M.

HIGH SCHOOL BAND TO PRESENT SWEETHEART AT BALL GAME FRIDAY NIGHT

Miss Harlene Smith, daughter of Mrs. Bert Smith, will be presented as "Sweetheart of the Band" in half-time ceremonies at the Clarendon-McLean football game Friday evening to be played in Broncho stadium.

Miss Smith, a member of the Junior class, was chosen by band members in voting last week. She became a member of the band while in Junior High School and has continued as an active member playing a snare drum. Stanley Hodges, president of the band, and Jack Matthews, vice-president, will make the presentation.

J. R. PORTER IMPROVING

J. R. Porter, local attorney, who was placed under observation last Thursday with what was first believed a heart attack, is reported doing fine at the present time. Although his condition was not considered of a serious nature, he is being required to remain in bed for awhile for a much needed rest. Visitors are being discouraged at this time.

LOCAL COUPLE INJURED IN HEAD-ON CRASH

Mr. and Mrs. M. P. Hamlin, residents of the Midway community, received painful but not serious injuries about 8 p. m. Sunday when their pick-up was struck head-on by another pick-up driven by T. J. Aishman of Panhandle near Ashtola. T. L. Aishman, father of T. J., was most seriously injured and was taken to the Groom hospital.

The accident occurred when the Aishman pick-up blew a tire and swerved into the path of the Hamlin pick-up. Both were badly damaged.

Around 100 Cars of Grain In Prospect

At the present time around eighty cars of grain from the current harvest have been purchased here by local grain buyers and about 20 more cars are in prospect before the harvest is completed. This figure is quite an increase over the crop reported last year which was around 20 cars, only a fifth of the estimated figure this year.

People of this area certainly can be thankful for the grain and cotton crop that is in evidence, for this particular area, outside of the irrigated belt, has the best crop to be found in any direction in the whole Panhandle area.

Red Mark Time Again!

If that red check mark appears at the top of this page it is a reminder that your subscription has expired or will expire this month. Please let us have your renewal before another issue of the Leader is published as we certainly don't want to take your name off our list if you want it to continue coming. The subscription price is \$2.50 in the county and \$3.00 per year outside the county. Thanks.

Wildcat Well Drilling Below 3,200

The V. W. Carpenter No. 1, wildcat deep test well being drilled 4 1/2 miles southwest of Clarendon was reported drilling below 3,200 feet. A harder formation is being encountered at the present time and drilling operations are going much slower. The well is being drilled by Rip C. Underwood Drilling Co. and the Corsica Oil Co., supported by Phillips Petroleum Co.

LELIA LAKE SCHOOLS TO REOPEN MONDAY

It was announced yesterday that the Lelia Lake schools would re-open next Monday, November 8th after being closed the past few weeks for cotton picking. Buses will run on regular schedule Monday morning.

Bronchos Defeat Cyclones 13 to 7

The Clarendon Bronchos spoiled a home-coming affair at Memphis last Friday night by defeating their old rivals, the Memphis Cyclones, 13-7, in what was described by many as the upset of the week.

It was an exciting and closely fought game from start to finish with the Bronchos displaying the finishing touch in the last minute of play. The Cyclones started the scoring, going over for their only TD in the first quarter. Their conversion was good. The Bronchos came right back and scored soon after when Martin recovered a Memphis fumble on the Bronco 45. A 41 yard pass from Bobby Johnson to Bill Hill was the play that gave the Bronchos their first start and a greater urge to win. Hill's try for extra failed leaving the score 7-6 in favor of the Cyclones.

The game rocked back and forth throughout the remainder of the game until the last minute rolled around. It all happened sort of like a dream to Bronco fans; Bobby Johnson sent the ball sailing thru the air to Ronnie Martin who tucked the pigskin in and rambled by several tacklers for the remainder of the 44 yards and the winning tally, Hill converted for the extra making it 13 to 7.

The entire Bronco squad, end to end to the fullback was playing hard, determined football all the way.

This was the first victory for the Bronchos over the Cyclones since 1949 when they upset a highly favored Cyclone eleven 20 to 6.

Special Service At Calvary Baptist Church Sunday

The Calvary Baptist Church has extended an invitation to the Clarendon High School football boys and pep squad girls to be guests of the church Sunday, November 7th for Sunday school at 10 a. m. and preaching services at 11 a. m.

A special service and message to commemorate Armistice Day will be given. The pastor, Rev. Ernest Phillips, will bring a message on the subject "Some Things That Make America Great."

"We are looking forward to having a goodly number of these fine boys and girls present in the service," Rev. Phillips stated.

DICKEY'S BUY CAFE INTERESTS HERE

An announcement is appearing in this issue of the Leader of the recent purchase of the City Cafe by Mr. and Mrs. J. C. Dickey from Mr. and Mrs. C. L. Bolding.

Mr. and Mrs. Dickey are former residents of Dalhart where Mr. Dickey was chief of police for nine years. After leaving Dalhart some five years ago they have made their home in Albuquerque, N. M. and Phoenix, Arizona. "We just couldn't get used to the mixed population and the attitude of everyone out that way, so we came back to the Panhandle where we would be among our own kind of folks," Dickey stated.

FATHER OF LOCAL LADY DIES AT HEREFORD

Funeral services were held at the Temple Baptist Church, Hereford, Texas, Friday afternoon, October 29, for E. L. Strange, father of Mrs. F. A. Fitzgerald. Earl Cantrell, pastor of the Silverton Church of Christ officiated. Burial was in West Park Cemetery, Hereford, Texas.

Mr. Strange died Wednesday night of a heart attack. Survivors include the wife, three daughters, two sons, and one brother.

SERVICE ANNOUNCED FOR PRESBYTERIAN CHURCH

Dr. Cecil H. Lang, executive secretary of the Presbytery, from Dallas, will be at the local Presbyterian Church and will be in charge of the 11 o'clock service Sunday morning.

REV. LELAND H. WATERS

First Baptist Church Will Be Hosts To Associational Brotherhood

Rev. Leland H. Waters, Field Secretary in the Department of Cooperative Missions of the Home Mission Board of the Southern Baptist Convention, will be the principal speaker at a meeting of The Panhandle Baptist Association Brotherhood, Tuesday evening, November 9th, at 7:30 at the First Baptist Church.

In his present position with the Home Mission Board, Rev. Waters is engaged in the promotion of a program designed to cope with the problem of juvenile delinquency and broken homes. In his message, Rev. Waters will review this, and other phases of the work of the Home Mission Board.

The Brotherhood extends an invitation to all who would like to hear Rev. Waters. A special invitation is extended to the members of Woman's Missionary Union in the Panhandle Baptist Association.

Refreshments will be served following the program.

7,009 Bales Cotton Ginned In County

According to a report from W. H. Monroe, office manager of the Texas Employment Commission at Childress, there had been 7,009 bales of cotton ginned in Donley County to date. This figure was derived from a survey made by that office on Monday and Tuesday of this week.

The way it looks now, Donley County has a good chance of making around 14,000 bales this year as the crop is estimated about half gathered at the present time.

POSTMASTER IMPROVING

Postmaster, J. C. Estlack, who suffered a stroke Wednesday week ago, is reported improving nicely at the present time and was able to have visitors Tues.

Bronchos To Meet McLean Tigers Here Friday Nite

The Clarendon Bronchos, with a win over the Memphis Cyclones tucked under their belts, will tangle with the top-ranked team of the district, the McLean Tigers, here Friday night at 7:30. The Tigers are reported to be the roughest and toughest outfit in the district, having hung up high, humiliating scores on practically every team they have played so far this season.

Coach Ray Moore reported yesterday that the Bronchos were ready for the Tigers in every department. "I believe the Bronchos have the stuff to stop the Tigers if they play heads-up ball all the way", he added.

The Tigers have a powerful ground attack combined with an effective aerial attack that will keep the Bronchos using various defensive patterns and if these figure out with a good percentage, the Tigers won't be able to pile up much of a lead. According to the record of past games, the Tigers would be rated some 70 or 80 points better than the Bronchos. The Cyclones found it different last Friday night and we believe the Tigers will receive some of the same treatment Friday night.

Coach Moore stated that he hadn't named a starting line-up and this probably wouldn't be decided until game time.

In half-time ceremonies, the band sweetheart, Miss Harlene Smith, will be presented.

Remember too, that the Band Parents stand will be open with plenty of good hot coffee, hot dogs, drinks, candy, etc.

Colts And Bronco B Team To Play McLean Tonight

The Clarendon Jr. High Colts and the Bronco B squad journey to McLean tonight to test their might again against McLean teams that they defeated here on a previous occasion.

The Colt game will start at 6:30 and the B game will begin following the end of the Colt game.

Coach Spann is looking for a rougher time with the McLean squad tonight as four of his regulars, Jimmy Phillely, Jerry Behrens, Chester Mann and John Payne, will not be making the trip. These four will be in the reserve lineup in case they are needed against the Tigers Friday night.

In their previous games, the Colts won 12-6 over the McLean Kittens and the B team won 26-7. These boys will appreciate your support, so go along with them tonight and let them know you are behind them 100 percent.

Donley County Leader, \$2.50 year

GOVERNOR PROCLAIMS LEGION DAYS

American Legion Days from October 20 through Veterans Day November 11 was officially proclaimed by Governor Allan Shivers who is a life member of Post No. 7. Flanking the governor, center, is State Commander E. L. "Stonewall" Jackson of Cisco, left and Culp Krueger, El Campo, state chairman of post activities and membership.

Fashioning the Memorial poppy to be presented to the public on Saturday, November 6th by the local Clarendon American Legion Auxiliary Unit, are Albert B. Cox (in chair), Robert Breeden (on bed) and James Tiley (in wheelchair). The above are hospitalized war veteran patients in the V. A. hospital at Legion, Texas, occupying their hands and minds during their long hours in the hospital.

The poppy was adopted as the American Legion official flower in its National convention in 1920. The Auxiliary adopted it as its official flower at its first National convention in 1921. It is a symbol of those who died on the battlefields during World War I, inspired by their one touch of beauty on Flanders' Fields in France. Over the period of years,

with the intervening international conflicts, it has become a memorial to all of those who have died in battle under the Stars and Stripes.

The success of the Auxiliary poppy program means occupational therapy for veterans such as the above, giving them the privilege to earn a supplemental income for their families at home; it means help to needy veterans' families in our own community; and, aid to all veterans in the V. A. hospitals through rehabilitation, and their families at home through Child Welfare. The scope of the program depends heavily on the public support.

The local Auxiliary poppy chairman is Mrs. Jack Gray and president of the Auxiliary is Mrs. Clyde Putman.

BETA SIGMA PHI MEETING

Bert Garland was hostess to eleven members of Mu Gamma Chapter No. 3942 of Beta Sigma Phi and two pledges on October 28th. After the Opening Ritual, the meeting was called to order by the President, Bert Garland. The business of the regular meeting was completed and the meeting was turned over to the Program Chairman, Dee Williams. Each member was called upon to read their own creation in the form of a two or three minute story. The stories proved very amusing and interesting. The theme of the program was "Prose".

Ann Reeves was installed as corresponding secretary. The installation was read by Bert Garland.

The following members and pledges were served coffee and witches brew by the hostess, Bert Garland: Lois Schollenbarger, Ann Reeves, Dee Williams, Edna Smith, Carolyn Ballew, Mae Naylor, Frankie Henson, Juanita Phelps, Jennie Aten, Mary Gain, Jane Bownds, Louise Lamberth. The next regular meeting will be held in the home of Freida Gray on November 11th.

Y. W. A. MEETING

The Y.W.A.'s of the Baptist Church met with Miss Betty Maddux Tuesday afternoon. A short business meeting was held.

Wanda Sibley was in charge of the very interesting program. Taking part were Evelyn Wood, Lucy Richardson, Rachel Thomas, Betty Maddux and Jo Ann Sibley. Harlene Smith sang a solo, "His Way With Thee."

The group sang one verse of "Have Thine Own Way, Lord." Lucy Richardson closed the meeting with prayer.

Refreshments were served by the hostess, Miss Maddux.

Oxley - Sullivan

Announcement has been made of the marriage of Miss Elizabeth Oxley and W. T. Sullivan. Vows were exchanged Sunday, October 31st, at Clovis, N. Mex. with the Justice of the Peace officiating.

Miss Oxley, is the daughter of Mr. and Mrs. John Oxley of Hornbeck, Louisiana. The groom's parents are Mr. and Mrs. T. A. Sullivan of Clarendon.

Attending the ceremony were Mrs. T. A. Sullivan and Sgt. Leon Underdown of Clarendon.

After a short wedding trip to Colorado, the couple will be at home in Claude where Mr. Sullivan is employed with the Highway Department. Enroute to Colorado, they visited with his sister and family, Mr. and Mrs. Doyle Brazille and children, in Amarillo.

KIL KARE KNEEDLE KLUB

The Kil Kare Klub was entertained Thursday, October 28, in the home of Mrs. G. C. Heath. The entertaining rooms were lavishly decorated with bouquets of beautiful dahlias.

The president, Mrs. Bartlett, presided at the business meeting. Three new members, Mrs. Leck Goldston, Mrs. John Bass, and Mrs. M. C. Rumpy were voted in the club. Mrs. A. O. Hefner was elected secretary-treasurer. Plans were discussed for the remaining parties of the year.

The hostess, Mrs. Heath, served delicious refreshments of pumpkin pie and whipped cream tea, and coffee to members Mesdames Harry Brumley, Homer Mulkey, E. H. Noland, S. W. Lowe, J. R. Bartlett, Frank Whitlock, R. O. Thomas, A. O. Hefner, Cap Lane, and Misses Ida and Etta Harned.

The next meeting will be with Mrs. E. H. Noland, November 11.

HOMEMAKERS CIRCLE

The Homemakers Circle observed guest day in the form of a musical tea Thursday afternoon, October 28 in Fellowship Hall of the Methodist Church.

The program chairman, Mrs. Bob Moss, directed the program beginning with Mrs. Chas. Deyhle playing "Doxology" and "Father, We Thank Thee" followed by Mrs. T. M. Caldwell, Jr. singing "For Thy Great Bounty" accompanied by Mrs. Moss.

Then a trio composed of Mrs. Bob Moss, Mrs. H. M. Breedlove, and Mrs. Don Loyd sang "Grateful Am I" and "I Shall Not Forget Again This Way." Mrs. Moss then sang "Praise to God, Immortal Praise" followed by Rebecca King playing as a violin solo "Dream of the Shepherdess." Mrs. Ray Moore closed the program with "The Lord's Prayer." All were accompanied by Miss Mantie Graves at the piano.

Hostesses, Mrs. C. M. Bennett, Mrs. J. M. Morris, Mrs. Bill Gerner, and Mrs. S. M. Fedric served refreshments of sandwiches and apple cider to guests and members.

GOLDSTON QUILTING CLUB

On Oct. 21st the Club met with Sophie Williams. One quilt was finished. Refreshments were served to 9 members: Gertrude Reid and Bertha, Katie Scoggins, Blanche Gray, Ola McBrayer, Billie Ashcraft and Fern, Nora Smith, Nina Dale, Adgar Williams, hostess Sophie Williams and Edwin. Eight members were absent. We hope to see them present next quilting which will be Nov. 11th with all day meeting at school house for Ola McBrayer. Minnie and Joy Roberson received Pollyanna gifts.

ENGLISH CLUB

The English Club met Wednesday, October 27, in the English Room. Keith Hudson, president, called the meeting to order. Phyllis Hill, secretary, read the minutes. As there was no other business the meeting adjourned for the program.

Club members enjoyed two plays by members. They were "Rummage Sale" by Otha Dean Elliott, Keith Hudson and Ruby Tackett, and "Parking For One" by Phyllis Hill, Ellen Murphy, Barbara Kennedy and Jerry Behrens. Phyllis Hill also gave a monologue, "The Lost Package."

BRIDAL SHOWER

Mrs. Jack McDonald, formerly Lazetta Ivey, was honored with a bridal shower Saturday, Oct. 30 in the home of Mrs. Gilbert Martin with Mrs. Martin as hostess. Those attending were Mesdames Ella Ivey, Dennis Lindley Marie Martin, Jim Rumpy, Jean Barns, Jess Ivey, Bonnie Hatfield, I. B. Morrow, and Misses Bonnie Lou Hatfield and Merlene Ivey. A number unable to attend sent gifts.

JR. H. D. CLUB

Members of the Jr. H. D. Club entertained their husbands with a Halloween party at Patching Club House Thursday evening, October 28. Entertaining rooms were decorated to carry out the Halloween motif.

A covered dish dinner was served buffet from a table laid with an imported cut-work cloth and centered with an arrangement of pyracantha.

Following the meal games of 42 were played with Mrs. B. L. Wren of Colorado City winning high score prize and Mrs. Ralph Decker low score.

Present were Mr. and Mrs. Charles Blackburn; Mr. and Mrs. Billy Roy Blackburn; Mr. and Mrs. Roy Crutchfield; Mr. and Mrs. Doss Finley; Mrs. Ralph Decker; Mr. and Mrs. Grady Henson; Mrs. Frank Hommel; Mr. and Mrs. Billy Jack Land; Mrs. Paul Schull and her mother, Mrs. B. L. Wren of Colorado City, Texas; Mr. and Mrs. J. H. Spier, Jr.; Mrs. Mac Spurgeon; Mr. and Mrs. Ernest Tipton; Mr. and Mrs. Bob Head; and Mr. and Mrs. Gene Putman.

1926 BOOK CLUB

The 1926 Book Club met Tuesday afternoon, November 2, at Patching Club House with Mrs. Homer Bones and Mrs. C. R. Brown hostesses.

Mrs. Clyde Hudson, president, called the meeting to order and presided over the business session. Following the acceptance of the resignation of two members, officers were elected for the coming year. Elected were Mrs. J. R. Porter, President; Mrs. Alvin Landers, Vice-President; Mrs. Reagan Bryan, Recording Secretary; Mrs. M. C. Goodner, Corresponding Secretary; Mrs. W. C. Thornberry, Treasurer; Mrs. Rayburn Smith, Parliamentarian; and Mrs. C. E. Bairfield, Federation Counselor.

The program was introduced by Mrs. W. C. Thornberry who gave an unusual and interesting Parliamentary Drill. Mrs. R. C. Bryan gave a review of a short story, "The First Morning," written by Adela Rogers St. Johns.

Attending were Mesdames C. E. Bairfield, John Gillham, R. C. Bryan, L. N. Cox, M. C. Goodner, Glen Hoggatt, Clyde Hudson, Loyd Johnson, Alvin Landers, W. J. Lewis, Jr., W. C. Thornberry, Frank White, Jr., Miss Lucile Polk and the hostesses Mrs. Homer Bones and Mrs. C. R. Brown.

LILLIE HUNDLEY CIRCLE

Lillie Hundley Circle of the Baptist Church met Wednesday afternoon, October 27 in the home of Mrs. A. T. Cole. Five members were present. Meeting was opened with prayer by Mrs. H. M. Reid followed by the devotional by Mrs. Bill Preacher. Mesdames Reid, Darden, Cole and Preacher gave the 2nd Chapter of the book, "Pilgrimage to Brazil" that we are studying.

The next meeting will be an all day quilting at the home of Mrs. H. M. Reid, Nov. 10th.

ANNUAL REBEKAH MEXICAN DINNER

Plan now to enjoy the Rebekah Mexican Dinner Saturday, November 13th at 6 p. m. at Lions Club Hall. Buy your tickets in advance at \$1 per plate. (36-5c)

PRESBYTERIAN WOMEN OF THE CHURCH

Presbyterian Women of the Church met Wednesday afternoon, October 27, at the home of Mable Mongole for their general meeting. Mrs. Melvin Cook was assisting hostess.

The meeting was opened with the Lord's Prayer followed by roll call and the reading of the minutes.

The business meeting was presided over by Mable Mongole who also gave a report of the Presbyterian meeting at Lancaster.

The program, "I Saw the Church in Latin America" was led by Mrs. Nova McClure. She was ably assisted by Mrs. Will Word and Mrs. D. F. Wadsworth. Thirteen members and one

visitor were present. —Reporter.

LES BEAUX ARTS CLUB

Les Beaux Arts Club will meet at the Patching Club House on Friday, Nov. 5th at 3:30.

THOS, KIRBY'S TO OBSERVE 50th ANNIVERSARY

Friends of Mr. and Mrs. Thos. O. Kirby are invited to attend open house given in honor of their 50th Anniversary on November 14th—2:30 to 4:30 p. m. in their home west of Jericho on Highway 66.

Mr. and Mrs. Frank Goforth of Amarillo and Mrs. Bell Smith of Fresno, Calif. were guests Sunday in the home of Mr. and Mrs. Victor Smith, Mrs. Smith remained to visit here this week.

THE LION'S TALE

By Carl Allmond

Because of too much work last week, we didn't make the "deadline". We felt like we had been pulling cotton all day.

Mrs. Bill Williams came back with us last week as pianist, and in the absence of Drennan, who took a program to Turkey, filled in with several piano numbers. New song books were available for the past two meetings, but the singing no better.

Drennan was gone again this Tuesday, so no program. Who's on his committee, and why didn't he ask them to get a program? He took a program to McLean today, and if the truth were known, he could have been putting out some poison to those football players. We might beat McLean, if we would fill the stands, and if half of McLean's players drop dead. Clarendon can play football—we saw them beat Memphis! They are sure crying down there; they thought that would be just a "warm-up game." It was—it got too hot to handle.

Does anyone have a suit of armor? We will need one, or will have to resign from the club after Tuesday. The paper-wad throwing has become the fad, and most of the time, we have been the target. We have a table where all the "out-casts" sit, and that is where the firing came from. Tuesday, we were prepared; we had an imitation fire cracker about twelve inches long and four inches in diameter. We soaked

the rope fuse in glue, and applied it in gun powder. As we finished our meal, Kid Gillham, with the advice of Big Blow Kent, Loud Mouth Hart, Windy Estlack, Silent Forrest, Smart Boy Johnson, Sly Schollenbarger, and Old Bill Patman, let go with a newspaper soaked in a gallon of water. He missed his mark, so we were alive and waiting. We lighted our fire cracker, and gently pitched out to Gillham who did a right cute little dance as he handed off to Kent. That's where the fumble occurred, and the other side recovered. Kent was ready to go, but his legs failed him—besides there wasn't any where to go, except through the wall. We understand Kent wants to sit out with the regular members next week.

Don't forget our Pancake supper Friday night, beginning at five o'clock and lasting until eleven. If you don't have a ticket, you may purchase one at the door. All you can eat with bacon, for fifty cents. At the supper, we will have, for sale, \$2.00 sacks of light bulbs, containing 6-60 watt bulbs, 4-100 watt bulbs, and 1-150 watt kitchen light. Don't forget the Pancake supper!

CLARENDON SOLDIER RECEIVES PROMOTION

FORT CAMPBELL, KY. — Sergeant Ronald C. Lamberth, son of Mr. and Mrs. G. A. Lamberth of Clarendon, Texas, was recently promoted to his present rank for his diligence and efficiency as personnel sergeant of the 407th Engineer Battalion, Fort Campbell, Kentucky.

Prior to his induction into the Army Sergeant Lamberth attended the University of Texas and was employed with the Phillips Petroleum Company. He received his basic training with the famed 11th Air Borne Division.

W. M. U. Studying Baptist Missions In Brazil

The W.M.U. of the First Baptist Church is presently engaged in a study of the development of Baptist missions in Brazil, S. A. These studies are proving interesting and inspirational to those participating in them.

In connection with these studies an interesting fact of local interest has been brought to light. This is a bit of Brazilian missions history in the form of personal letter written by a great-uncle of Mrs. Ed Barnes, and is a reply to a question asked of him by Mrs. Barnes father. The letter is quoted in part.

Rockport, Texas
January 27, 1910

Dear Robert:

Yours of 19th. received; I am glad you wrote, as I do not get news from any of you now days.

You asked who preached the first sermon in Brazil, and organized the first Baptist Church. September 10, 1871 we organized a Church with twenty three members.

October 12, 1872, the Church in conference sent a letter to the Foreign Mission Board in Richmond, Va., in regard to missionaries in Brazil. This is recorded in a book written by the Secretary, H. G. Tupper, January 1, 1880.

Yours truly,
R. Ratcliff

The facts set forth in the above letter are restated in the textbook now being studied by the W.M.U. of the First Baptist Church. Besides Mrs. Ed Barnes, Mrs. Lonnie Wood is also related to Rev. Ratcliff, pioneer missionary to Brazil. It is interesting to note that from this small beginning in 1871, there are now 174 missionaries serving the Foreign Mission Board of the Southern Baptist Convention in Brazil, and from that first Baptist Church the number has increased to 968 in 1953.

PIANO STUDENTS HAVE RECITAL

Piano students of Mrs. Page Harmon presented a very interesting music Recital last Saturday afternoon at the Presbyterian Church.

Students taking part were: Beth Johnson, Shirley Mann, Helen Bennett, Georgia Bell Harmon, Mrs. Lilly Mae Cockerell and son Curtis, Mike, Billy Neal, and Lynn Spier.

Students who were unable to take part were: Suzanne Sandifer, Mary Louise McCord, Danny Paul and Timmy Keith Ray and Douglas Bradshaw.

A lovely gift was given by Mrs. Harmon and the music students, which was presented to Mrs. Cockerell and Curtis by Billy Neal Spier.

Every one left wishing them much happiness in their new home at 708 N. Jefferson, Bowie, Texas.

VISIT IN PANHANDLE

Mrs. Page Harmon and Georgia Bell spent Saturday night with relatives in Panhandle.

Georgia Bell played with the Panhandle High School band in a Halloween parade, which started at the depot at 6 o'clock and ended at the War Memorial building where they were judged.

A Halloween Carnival was held in town with all business places donating space for the occasion.

Visiting with Mrs. D. W. Hinkle and Miss Stella Sunday were: Miss Ivy Dea, Dumas; Mr. and Mrs. Lawrence Watson, Jimmy and Lavon of McLean; Mr. and Mrs. Lloyd Reid, and Mr. and Mrs. Carl Barker; Mrs. Dilli and Mrs. Anderson.

Mrs. Paul Schull and children and Mrs. B. L. Wren of Colorado City, Texas were dinner guests Monday evening in the C. R. Lemons home at Memphis.

Mrs. Hattie Palmer and son, Jim, moved to Amarillo Saturday. Mrs. Pauline Watters and her mother, Mrs. Eva Atteberry have moved to the Goodner apartment vacated by the Palmers.

Mrs. Clyde Putman and Mrs. Arria May made a business trip to Memphis Friday afternoon.

Bronchoettes To Play First Game of Season

The Bronchoettes, Clarendon High School Basketball Girls, will play their first game of the season Thursday afternoon at 3:30 P. M., the game being played with White Deer at White Deer.

The girls look promising this year with a good number of high scorers of last year playing again this year. C. R. Brown is coaching the group.

As soon as a definite schedule has been worked out it will be published so fans will have an opportunity to keep up with the games. As always, the team will appreciate your support.

Mr. and Mrs. E. T. Hale of Daltart visited in the home of her brother and family, Mr. and Mrs. Joe Bownds and Richard, Sunday. They were enroute home after attending the showing of the New '55 Dodge in Fort Worth.

Mr. and Mrs. Glen Adkins and Mr. and Mrs. Joe Bownds were Memphis visitors Sunday afternoon.

Mr. and Mrs. Henison Hayes and baby, also a friend of Amarillo attended the Clarendon-Memphis football game in Memphis Friday evening and visited in the home of Mrs. Edna Smith and Montie here.

Mrs. Henison Hayes and baby and Mrs. O'dell LaGrone and children of Amarillo visited relatives here Wednesday.

Mr. and Mrs. Truett Behrens and Mr. and Mrs. Pete Land attended funeral services for E. L. Strange, father of Mrs. F. A. Fitzgerald, at Hereford Friday afternoon.

Mr. and Mrs. Bert Smith, Jr. and family of Gainsville visited Sunday in the Victor Smith and Bert Smith homes. Mrs. Bert Smith Jr. and children remained to visit her parents, Mr. and Mrs. Victor Smith here this week.

Mr. and Mrs. Ralph Percival and Diane Yvette of Lawton, Okla. spent the week end in the home of his parents, Mr. and Mrs. Herman Percival and Billy Joe. Also guests Saturday afternoon and Sunday morning in the Herman Percival home were Mrs. Ralph Percival's parents, Mr. and Mrs. Fay Tipton of Wichita Falls, Texas.

Mr. and Mrs. Ralph Percival and Diane Yvette spent Saturday night with his grandmother, Mrs. N. S. Percival.

Guests in the J. A. Ivey home over the week end were Mr. and Mrs. Jack McDonald and Mr. and Mrs. Bonnie Hatfield.

Mr. and Mrs. Clyde Putman were week end guests in the home of Mr. and Mrs. Joe Smith at Borger.

Mr. and Mrs. Don Creacy, Donna Kay and Danny of Amarillo visited Sunday with her mother, Mrs. Arria May.

Mr. and Mrs. Gene White of Amarillo visited homefolks Sun.

FARM NEWS

from the County ASC Committee

1955 COTTON QUOTA AND ALLOTMENT ANNOUNCED; REFERENDUM DECEMBER 14

A national marketing quota of 10 million bales (standard bales of 500 pounds gross weight) and a national acreage allotment of 18,113,208 acres for the 1955 crop of upland cotton were proclaimed October 14, by Secretary of Agriculture Ezra Taft Benson.

The Secretary also announced that a national cotton marketing quota referendum will be held on December 14, 1954. At least two-thirds of the cotton farmers voting in the referendum must approve marketing quotas before they may be effective. A referendum on marketing quotas for the 1955 crop of extra long staple cotton will be held on the same date.

The national acreage allotment, under the legislative provisions, is that acreage, based on the national average yield per planted acre for the 5 years 1949-53 inclusive, required to produce an amount of cotton equal to the national marketing quota.

The large supply of cotton available for the 1954-55 marketing year is due principally to a large carryover on August 1, 1954, resulting from the 1953 crop of 16.4 million bales, the fourth largest crop on record. In the referendum on marketing quotas for the 1954 cotton crop held last December, 94 per cent of the growers voting approved quotas.

1955 COTTON LISTING SHEETS

We are now working on the 1955 cotton listing sheets to establish 1955 cotton allotments. One major change is in effect this year for the adjusted cropland. Last year the 1954 wheat allotment was deducted from the cropland to make adjusted cropland. This year (1955) the 1954 planted acres of wheat will be deducted from the cropland to make the 1955 adjusted cropland for establishing 1955 cotton allotments.

Donley County Leader, \$2.50 year

Lions Greeter Committee Report On New Residents

Sid Stewart, chairman of the Lions Club greeter committee, released the following as new residents of Clarendon, extending to them a cordial welcome to our little city:

Mr. and Mrs. Herman Barrett from Guymon, Hayter Apt., Baptist, Underwood Drilling Co., two children, Herman Jr. 3 and Arnold Wayne 18 months.

Bronc B Squad Defeat White Deer 46-7

The Broncho B squad, coached by Joe Spann, racked up another victory last Saturday by defeating the White Deer B squad 46-7.

The B squad scored twice in the first quarter with Robert Mills going 15 yards for the first and Jimmy Philley 15 for the second. Payne passed to Cosper for the extra. The third and fourth scores came in the second period with Mills going 90 yards and Jerry Behrens ran the extra point. The fourth was on a pass from Payne to Cosper. Philley ran the extra point. The half ended 27-0.

The third period went scoreless but the Broncos started on another scoring spree in the fourth with Mills taking a pass from Payne for 30 yards. Jerry Behrens followed with a 45 yard run and Payne hit Eddie Joe Baten for the extra. Jimmy Philley romped 30 yards for the last tally. The White Deer score came early in the fourth.

JR. COLLEGE KING AND QUEEN NAMED AT PARTY

As a climax of initiation activities, Jr. College students elected their king and queen at a Halloween Masquerade party at Lions Hall last Thursday night. Miss Wanda Kennard of Lakeview, a member of the sophomore class was selected queen and Gus Orcutt of Estelline, freshman, was chosen king. They reigned over the party which was described as a very colorful and enjoyable affair.

The best dressed (in costume) boy and girl were selected with this honor going to Miss Jerlene Holland of Lelia Lake and Bill King of Samnorwood. The College Jazz Band furnished the music for the party.

Mrs. Arrie May visited last week end with her son and family, Mr. and Mrs. Bill May and children, at Albuquerque, New Mex. She accompanied Mr. and Mrs. J. B. Mulkey of Amarillo who also visited their daughter there.

Mr. and Mrs. Lee Muse visited Mr. and Mrs. Sidney Muse in Amarillo Sunday.

Mayor Issues Airgun Warning

Mayor Major B. Hudson issued a warning to youngsters and parents of youngsters in regard to misuse of air guns and throwing rocks within the City of Clarendon.

Numerous window panes have been shot out or broken out with rocks all over town. One church has received several broken panes, the county stock show and fair buildings have lost numerous window lights along with numerous houses. Also damage to cars from air gun shot and small youngsters throwing rocks as cars pass by, has been reported.

Mayor Hudson stated that parents of youngsters caught doing these things would be held responsible for their acts. "It will pay you to know where your youngster is and what he is doing," the mayor added.

JUNIOR CLASS TO HOLD BAKE SALE

The Junior Class of Clarendon High School will hold a Bake Sale beginning at 9:00 a. m. Saturday morning, November 5, at Junior's Food Market.

Homemade cakes, pies, and a variety of cookies will be offered for sale at a nominal price. Proceeds will go to the Junior class to be used in helping finance the annual Junior-Senior banquet. "Shop with us first!" was the suggestion offered by class members. Your support will be appreciated.

Mr. and Mrs. C. E. Killough returned home Monday after spending the past month at Mineral Wells. They were accompanied home by her mother, Mrs. H. Bellah of Childress.

Library Group Attends Dist. Meeting

Saturday, November 30, Mrs. Leggett took her library assistants to Dumas to the District I Teen-Age Library Assistants Conference.

The theme for the meeting, which took place in the Dumas High School, was "Anchors Aweigh to the Future."

During the morning there were several group discussions in the various rooms, the Clarendon girls leading a panel on "The Responsibilities of the Teen-Age Library Assistant." Sue Banister presided over this panel discussion with several schools from various sections of West Texas taking part.

Jackie Estlack, as parliamentarian for District I for 1953-54 attended an officers' conference and was a platform guest during the meetings, along with other outgoing officers.

After the group discussions, officers were nominated for the year 1954-55.

Following a delicious luncheon served in the Dumas High School Cafeteria, the one hundred-ninety-eight students and their sponsors heard Mrs. Luther Roberts of Borger give an address, "If You Want To Win the Battle, You Must Shoot Your Bloomin' Guns."

Mrs. Roberts' splendid talk was followed by the election of officers. Clarendon's only nominee, Glenda Borden, was elected Historian for District I.

Following the transaction of business, the meeting adjourned. The Clarendon group reached home about 6 o'clock, looking forward to attending the district meeting in Lubbock next year.

Attend Meeting In Houston

Mr. and Mrs. C. E. Bairfield returned home Sunday from Houston where they attended the 72nd session of the Grand Chapter of Texas, Order of the Eastern Star.

Mr. Bairfield was elected and installed as Associate Grand Patron of the Grand Chapter of Texas for the ensuing year.

DRIVE IT'S THE FOR TE

PLOWIN' Out the CORNERS

by Uncle Zeb

We read in Rep. Walter Rogers letter to the people that: Women influence 85% of all purchases of consumer goods. Women are beneficiaries of 80% of all life insurance. Women will inherit 70% of all the estates left by men. Women own 66% of all privately owned government bonds. Women own 50% of all privately owned stock in corporations. Women hold 65% of all the accounts

in mutual savings banks. In 1900 there were 37 million females in the United States, by 1950 this number had risen to 76 million. My, my, I already knew they were important, but these figures are surprising.

One of our real good friends gives us this bit of wisdom: "The upper crust is usually held together by a batch of dough."

Last week we read another interesting article about Miss Amelia Anthony. We notice in this article that she is in the middle of building a new dipping hall at Girlstown. This new building worth \$125,000.00 is to be finished by Thanksgiving Dinner if possible and she can use anything to go in a dining room from "Green Stamps" to be re-

deemed in silverware to pots of ivy for the windows. Anyway, we are amazed at the courage of this wonderful lady and have been since the first time we heard her talk. This, as she calls herself: "An old maid with a house full of children", in my books deserves our very best help and consideration. She is doing a wonderful work.

Someone has said: "It is always easier to find the silver lining in the other fellow's trouble."

When we question our wife's judgment, we should always remember that we thought it was tops the night she promised to take us for better or for worse.

One thing that seems sure about politics is the fact that the race so many times ends up in mud-slinging. But, we can be sure that the fellow who throws mud has to stoop pretty low down to pick it up, and when he does that he is not standing on solid ground.

We had a request this week for a membership in the Ain't Smoking Right Now Society. Just when we think that everyone has joined already that has any intention, here comes another request. Anyhow this one comes

from Ed Brown on Quail Rt. out of McLean, Texas. Back in the days when rural communities used to have debating teams Ed was my partner out in a little community near Shamrock. Such subjects as "Which came first the hen or the egg" were favorites in those days. Does anyone remember these days? If you do, in the words of Wes Izzar: "You don't have to worry about the draft any more. Anyway, best wishes Ed. We know you'll be proud you stopped smoking, after it quits hurting. The pain of quitting, that is. It's almost like pain to quit at that."

Simplified Drouth Plan Needed

Texas Dept. of Agriculture

A little reverse body english was applied to the "grab and giveaway" technique in Washington recently.

When the railroads reduced drouth hay shipment rates by 50 percent early this month, the federal government cut its aid responsibility down to one-fourth the normal freight rate. Drouth stricken stockmen received half the benefits of the cut—the government grabbed the other half.

This bold stroke caught the drouth states unaware. It happened just at a time when representatives from 15 states, including Texas, were in Washington seeking to obtain a simple and more practical plan of relief for grass-starved livestock. The plan submitted by the states was turned

down by aides of the Office of the Secretary of Agriculture and the rail cut was interpreted as an opportunity to reduce federal participation in the drouth program.

The delegates to Washington were stunned by this action. They immediately adjourned a meeting with the Federal Drouth Committee and returned to their respective states.

In the beginning, the delegates had hoped the government would dump the present program entirely as too complicated to be of any real use. Instead of paying half the actual hay freight rate up to \$10 per ton, they had proposed a federal reimbursement flat rate of \$9 per ton to eligible livestockmen. The rate was based on actual cost experience with last year's program in all 15 states.

The flat reimbursement could be applied towards the cost of hay and transportation, they pointed out. It would cut down paper work from five forms now required to only one certificate

of eligibility. The end result would be more benefit to needy livestock for less administrative cost.

But instead, half the benefits of the rail cut were wiped out!

If the government intends to spend the money it has earmarked for drouth relief, then state officials argue the program should be put on a more simple and economical basis. As it now

stands, the program is not doing the job for which it was intended.

From where I sit... by Joe Marsh

Our Town Makes Good in New York City

Couldn't place a new subscriber named Clark, but I found out who they were last week when they dropped in The Clarion's office.

"We're native New Yorkers," Mrs. Clark said, "and all our friends there are originally from other places. We always felt left out when they talked about things 'back home.'"

"That's why we 'adopted' your town and to get all the news we subscribed to The Clarion. Now we have a 'back home' to talk about—and we think it's the most wonderful town there is!"

From where I sit, just about everyone thinks his own home town is best. Picking your town comes natural. The right to do this "picking," though, is what really counts. Whether it's a favorite town, a favorite cut of meat, or even a choice of a beverage—say between beer and buttermilk, it's respecting the right to this freedom of choice that makes a good neighbor. I hope you subscribe to that!

But-Now's the time to Talk Turkey on the buy with the 3-way Bonus!

Budget-priced hit of the "hardtops" is this stunning Buick SPECIAL Riviera—priced just a few dollars above similar models of the "low-price three."

Here's the big 3-way bonus we offer in Buick today

Advanced Styling

—the very look of the new '55 cars is yours in today's Buick at a '54 price and "deal." Long, low glamor lines—sports-car snap—that trend-setting panoramic windshield—fresh, stay-new styling that means a higher resale value for you at trade-in time.

Better Buy

—a lot more automobile for your money—more room and power and ride comfort—plus traditional Buick solidity of structure—and all at prices that start right next to those of the so-called "low-price three."

Record-Making Allowance

—from the tremendous volume that has put Buick into the top 3 of the nation's best sellers. And just to keep sales soaring, we're willing to give a whole of an allowance right now to keep success rolling in high. So come in—get the car and the deal that are far too good to pass up.

Buick Sales are Soaring

so Buick "deals" are bigger than ever right now!

Be Modern—Live Electrically!

DO IT FASTER
DO IT EASIER
DO IT BETTER
DO IT ELECTRICALLY!

Running a house may not be a bed of roses. But with Reddy Kilowatt, your electric servant, ready to serve you 24 hours a day, it's easier than it used to be.

Your electric servants save you time—save you work—let you enjoy spare time for relaxing, hobbies, outside activities. Just go through your home, look at all the electrical appliances that are ready to serve you at the flick of a switch.

Then, take a look at the family budget. Amazing, isn't it, that so much convenience, so much service can be yours for so little money. No doubt about it, your electric service is still the biggest bargain in your family's budget today!

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

UNITED STATES TRUST TERRITORY OF THE PACIFIC

Some time ago, I made a few remarks in a newsletter about the Trust Territory over which this country has jurisdiction and which lies in the far Pacific Ocean. These islands are in three groups, the Marshalls, the Carolines, and the Marianas, with the

exception of Guam. Guam has been a United States possession since 1898. All of these islands together cover a space in the Pacific Ocean about the size of the United States. If all were lumped together, they would constitute a land mass less than half the size of Rhode Island. It is interesting to note that all of these islands, except Guam, have been under the control of four separate powers, to wit, Spain, Germany, Japan, and the United States. This frequent change of authority has resulted in frequent changes in policy, as far as the Micronesians are concerned. Of course, when the United States occupied these islands in World War II, and then accepted them in trust subsequent to that war, we inherited all of the problems that have been accumulating through the years. It was my pleasure to have an extended visit with Judge Edward P. Furbur, who is now serving as Chief

Justice of this territory. We had a most interesting discussion concerning these problems and what Congress must do to solve some of them. One of the toughest will be the problem of land ownership. Many people in this country think that perhaps the method of handling land ownership is complex here, but you should see what happens when you have several systems mixed together. One man might claim under the Japanese title, another under Spanish, another under German title, and another under the tribal laws. The solution is going to be very, very interesting. In fact, it could be the source from which we might find a better method of handling land titles and ownership.

THE COST OF RECLAMATION PROJECTS

The Commissioner of Reclamation recently forwarded me information on 69 federal reclamation projects, or major divisions of projects, in operation during 1953. The total acres now served by full or supplemental irrigation is 7,147,000. The 1953 harvest established a record in production of 25.7 million tons of food, fiber, forage and pasture crops. This

meant there was an increase of about 2.1 million tons over the 1952 harvest. The value of the 1953 crops from these projects totaled almost 786 million dollars. That would mean the third highest value production in reclamation history, despite some rather sharp declines in unit crop prices received by farmers. It was the eighth consecutive crop to exceed one-half billion dollars and brings the total of all harvests since 1906 from federal reclamation projects to 9.7 billion dollars. It is well to point out that this

cumulative value of all the harvests, to wit, 9.7 billion dollars, is four times the cost, as of June 30, 1953, of all plant, property and equipment of all completed and uncompleted reclamation projects. It is also more than eight times the cost of works built and operated exclusively for irrigation. There have been many complaints registered against reclamation projects, and many of them have been called socialistic and a waste of government money. Although there have been some failures in these projects,

"CRIME IN 1953"

Statistics reflect that 1953 saw 2,159,080 major crimes committed in the United States during that year. This meant that crime was up 6%, with all offenses on the rise except murder. Here is the time table of crime for 1953: 1 major crime committed every 14.6 seconds.

1 felonious homicide committed each 41.0 minutes.
1 burglary committed every 1.1 minutes.
1 robbery committed every 8.3 minutes.
1 larceny committed every 24.9 seconds.
1 aggravated assault committed every 5.7 minutes.
1 auto theft committed every 2.3 minutes.

Woodrow Wilson said the hardest job of a president was to keep his temper.

Highways and Sidelights from Your State CAPITOL

By VERN SANFORD
Texas Press Association

Antitrust Laws
Attorney General John Ben Shepperd has told the Texas Supreme Court that it hindered state efforts to enforce antitrust legislation when it ruled it had no jurisdiction in an El Paso case. The court decided in July to let the National Labor Relations Board handle the case of Truck Drivers, Chauffeurs, Warehousemen and Helpers Local No. 941

JACK E. GRAY
PUBLIC BOOKKEEPING
ACCOUNTING SYSTEMS
FINANCIAL STATEMENTS
1000 W. WASHINGTON BLDG.
PHONO 728

against Whitefield Transportation Company.

By reversing decisions of two lower state courts against the union and ruling that it did not have jurisdiction, the Supreme Court had the effect "of placing labor unions, as well as employers who conspire in restraint of trade," beyond the jurisdiction and enforcement of the state, argued Shepperd.

Minimum Wage

A state minimum wage law has been advocated as part of a legislative program adopted by the executive board of the State Federation of Labor.

The board favors setting a minimum wage of 75c an hour. It also called for 200 additional state highway patrolmen and an increase over the present \$290 a

month pay for a sixty-hour week.

Road Financing

A boost in gasoline taxes and a weight and distance levy on heavy trucks are being considered as ways of providing additional financing for Texas highways.

Pondering the ideas are members of 58 public and private organizations called together by the Texas Highway Commission at the suggestion of Governor Allan Shivers.

Texas has reached the point where added improvements must be made on roads, Shivers told the group.

Need was shown at the meeting for \$2.2 billion for necessary improvements and construction on Texas' 51,000 miles of roads. A one-cent gasoline tax-hike would bring in \$20,750,000, a discussion of ways to provide financing pointed out.

The group will meet two more times with final proposals to be submitted to the governor.

Vandalism

Vandals operating on state highways are costing taxpayers \$200,000 annually, highway department officials point out.

Enormous expenses are inflicted by destroying and damaging highway signs, littering roads and roadsides, and tearing up road-

side-park facilities, spokesmen said.

Signs are the most popular victims, either being destroyed outright, taken home for souvenirs, or scrawled on with crayon or lipstick.

Drouth Plan

A federal drouth relief program for Texas stockmen "isn't doing anyone much good," says John C. White, State Commissioner of Agriculture.

White, attending a federal drouth committee conference in Washington, said state attempts to get rules simplified only resulted in an offer of "further complications."

Negotiations will continue for a better drouth program, he stated, but added that at present he is "bitterly disappointed."

Special Observances

Texans have been called on by Governor Allan Shivers to observe November as Religion in American Life Month and Sunday, November 28, as Temperance Sunday.

Optometry Advertising

Optometrists who believe in advertising have won a fight with the Board of Examiners in Optometry which proposed banning the practice by members.

Rules adopted September 18 to

become effective October 4 were repealed by the board after severe criticism from members and outsiders over prohibition of display advertising. The regulations also forbid optometrists from doing business under trade or assumed names.

Attorney General John Ben Shepperd was named as the motivating force behind the decision by the board.

In a written statement the board accused Shepperd of refusing to represent it in a test case of the new regulations.

Shepperd in turn said he had informed them a year ago that the rules were unconstitutional. He refused to represent the board in a test case filed in the Austin

53rd District Court. The regulations had never been enforced because of restraining orders issued in Dallas and Beaumont district courts.

Truckers Protest

Texas truck operators are protesting a suggestion of the Texas Railroad Association that increased financing for Texas highways be derived from a ton-mile tax on truck freight.

Spokesmen for the Texas Motor Transportation Association, state trucking organization, vetoed the suggestion on grounds that:

The tax would necessitate an increase of truck freight rates and a reduction in service. Similar taxes in other states have been repealed as unfair, ex-

pensive, and not in the public interest.

The suggestion was made at a group meeting called by the Texas Highway Department to discuss ways of obtaining additional financing for highways.

In its first year, millions of motorists have proved the benefits of
Conoco Super Gasoline with
TCP

The Greatest Gasoline Development in 31 Years

Here are the facts proved by millions:

1. TCP boosts your car's power as much as 15% (because it neutralizes power-robbing lead deposits).
2. TCP gives you extra gas mileage (motorists report up to 3 miles more per gallon).
3. TCP is just like an engine tune-up (because it lets you enjoy your car's built-in power).
4. TCP increases spark-plug life up to 150% (because it actually fireproofs your spark plugs).
5. TCP makes it possible for you to enjoy all the extra performance of Conoco Super's higher-octane rating.

But don't take our word for it! Read what motorists, themselves, say about Conoco Super with TCP.

1 "I remember when tetraethyl lead was first put into gasoline 31 years ago. Now comes Conoco Super with TCP! It's lived up my '51 Mercury—and now I get 3 more miles to the gallon."
Mr. John T. Knudson, Traffic Officer
3089 South Fourth East, Salt Lake City, Utah

2 "Conoco Super with TCP is doing everything it's promised in giving our '53 Cadillac extra mileage, power, and performance. We won't take any other gasoline, because TCP has no substitute."
Mr. S. E. Brooks, Retired RR Engineer
107 North Third, DeWitt, New Mexico

3 "I maintain four cars and three trucks. In all of them, it's Conoco Super with TCP. I'm getting new-car performance! Starting on cold mornings is 50% better. I'm sold on Conoco Super!"
Mr. Ray B. Crowley, Wholesale Florist
Littleton, Colorado

4 "Conoco Super Gasoline with TCP does the job as no other gasoline has done before. My 1950 Chevrolet runs quietly, doesn't make knocking noises, starts right up and goes farther to the gallon."
Mrs. S. J. Crosby, Housewife
418 West 6th Street, Anaconda, Montana

5 "Conoco Super with TCP is a vitamin tonic for my '48 DeSoto. The engine starts promptly. And the mileage savings are like getting up to a gallon and a half of free gas to every tankful."
Mr. William Grabowski, Electrical Contractor
482 North Third Ave., Elgin, Illinois

Drouth Crop Losses
Texas Dept. of Agriculture

A conservative estimate of losses due to the drouth on only two major crops would amount to more than \$139 million thus far this year.

About 75 counties comprising the heart of Texas could be termed critical due to drouth conditions. This area would follow a line from Grayson County on the Red River, south to Washington County, southwest to Wilson, northwest to Midland-Odessa and a portion of the plains.

This 75 county area generally produces approximately two million bales of Texas' annual cotton crop. About 500,000 bales in this territory has been lost to the weather this year due to lack of growth or premature openings. Figuring each bale worth about \$250.00, this means a minimum loss of \$125 million in cotton alone.

Approximately 17 million bushels of Texas' average 80 million bushel grain sorghum crop is grown in this area. But the "critical area has lost about half that crop, or about 8 million bushels. Using \$1.80 per bushel as a base figure, then the drouth has cost us about \$14,400,000 in grain sorghum losses.

About three million head of cattle normally graze in this 75 county area. The grass and pastureland is 3/4 gone due to lack of moisture.

It is impossible to accurately estimate this loss resulting from pasture damage, premature marketing of cattle and depletion of foundation herds but the figure would be tremendous.

Joe Tom Naylor Helps Plan For Annual Homecoming At Wayland College

PLAINVIEW—Joe Tom Naylor, Clarendon, who is among those registered at Wayland College this fall, has helped make the increased enrollment that exceeds the goal set for the 1954-55 session by the Board of Trustees in meeting last February. The enrollment shows a six per cent increase over the fall of 1953.

Mr. Naylor, who is the son of Mr. and Mrs. Carl Naylor, Clarendon, is a sophomore. Joe is a transfer student from Clarendon

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Junior College. He was elected vice president of the sophomore class this year. He is a ministerial student.

Already he is working with groups in planning for the annual Homecoming celebration which will take place Nov. 19-20 under the sponsorship of Student Government Association. Hundreds of former students are expected back for the week-end festivities that include a Western style barbecue, a drama production and the inauguration of basketball competition for both the Pioneers and the 1954 National Champions, the Hutcherson Flying Queens of Wayland College.

Wayland College dedicated its sixth new building in six years on October 10. This is a resident hall for young women and is named Hattie Mays Ferguson for Mrs. Jim G. Ferguson, Evanston, Ill., who gave the initial \$50,000 toward its construction. The building also contains the college infirmary. Other buildings are being planned for the immediate future, according to President A. Hope Owen.

WE HOLD THE KEYS TO YOUR PROBLEMS . . .

For all monetary transactions and problems, let us be your "key" men! Use our checking and savings accounts, loan and trust departments, and safety deposit boxes. Let us serve you in many ways!

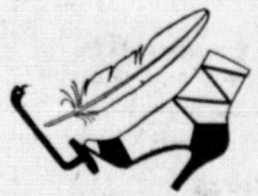

What's new with Chevrolet? everything!

Wonderful new Glide-Ride Front Suspension
New spherical joints flex freely to cushion all road shocks. New exclusive Anti-Dive Braking Control, assures "heads up" stops.

Even Air Conditioning, if you wish
Air is heated or cooled by a single unit that fits compactly into the front of the car. Requires no trunk space! (V8 models only.) And that's only one of the wonderful extra-cost options you can get!

Easier steering, stopping, clutching
The new Chevrolet steers with ball-bearing ease, thanks to new friction-cutting Ball-Race Steering. New Swing-Type Pedals pivot at the top.

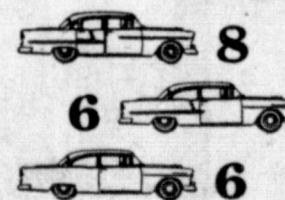

Tubeless tires as standard equipment
On all models! Proved tubeless tires give you greater protection against a blowout . . . deflate more slowly when punctured.

... and Chevrolet's got that long, low "let's go" look
It's a show car from the word go! Longer looking—and lots lower. There's plenty of glamor inside, too—plus more room for hats, hips and shoulders!

Chevrolet and General Motors have started something—a whole new age of low-cost motoring—by taking a whole new look at the low-cost car. Here are new ideas, young ideas . . . and some of tomorrow's ideas, too! And they're all rolled up in the most glamorous package that ever wore anything like a Chevrolet price tag!

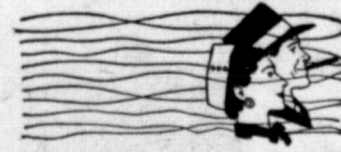

And look what you see from the driver's seat
Chevrolet's new Sweep-Sight Windshield curves around to vertical corner pillars, giving you a wide, full view. And you can see all four fenders from the driver's seat!

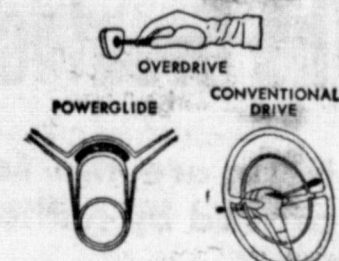

Great new V8—two new 6's
New "Turbo-Fire V8" delivers 162 h.p. with an ultra-high compression ratio of 8 to 1. You can choose from two new 6's, too—the new "Blue-Flame 136" with Powerglide (optional at extra cost) and the new "Blue-Flame 123."

New Outrigger Rear Springs
Rear springs are longer—and they're attached at the outside of the frame. This means they're spaced wider apart, outrigger-fashion, to give you greater stability in cornering. And Chevrolet's new Hotchkiss drive cushions drive-line shocks through the rear springs!

A ventilating system that really works
Chevrolet's new High-Level Ventilating System takes in cleaner air at hood-high level—away from road heat, fumes and dust.

Three drives, including Overdrive
There's Powerglide teamed with the new V8 or the new "Blue-Flame 136." New Overdrive teamed with the new V8 or the new "Blue-Flame 123." (Powerglide and Overdrive are extra-cost options.) New standard transmission, too!

The Bel Air 4-Door Sedan

This is the car that began with a great idea—the idea that a low-priced car could be built that would have the style, the performance, the comfort and convenience features, and the fine quality "feel" of high-priced cars.

This is the car that only the world's leading car builders—Chevrolet and General Motors—could have built. The Motoramic Chevrolet! Come in and see how the Motoramic Chevrolet for '55 is far more than a new model. It's more, even, than a completely new car. It's a whole new idea about cars!

Come in and meet the *motoramic* Chevrolet
—more than a new car—A NEW CONCEPT OF LOW-COST MOTORING

Clarendon Motor Company
