A Common Paper for Common People

129 Students Enrolled In Clarendon Junior College This School Year

According to a check of the rolls last week there are 129 students now enrolled in Clarendon Jr. College. This is the largest enrollment in the history of the Jr. College and it is 65% higher than last year, stated H. W. Truitt, President. This larger enrollment was brought about by publicity of the college and what it offers to the prospective student along with the opportunity of saving a considerable amount of money.

Another thing that helped the enrollment was the athletic department of the college. Clarendon is now one of the few colleges offering girls basketball along with the boys team. The Bulldogs have built up quite a reputation in the boys Jr. College competition and this new girls team will bear watching this year as we have some of the best players in the state coming out for the local team.

Clarendon people are proud to have these out of town students with us. They, along with our own local students, bring added life to our community. Their ambitions toward higher learning creates a thinking and a situation that is good for any town.

The College freshmen have been having quite a time of it this week with their initiation program in progress. This initiation started Monday with the freshmen dressing up as various characters and the main part of the initiation was climaxed Wednesday with a chapel program, parade, mixer and party-dance at the Canteen.

The following is a list of the students enrolled in Clarendon Jr. College and the town or locality they are from:

Hedley
Don Cope, president of student body; Mary Lou Adamson; Johnny Brumley, basketball; Donald Kennedy, Norman Kennedy; Jack Moreman; Jane Mosley, girls quartet; Donald Rieken.

Lelia Lake
Tomnie Beck; Jerlene Holland; A. K. King, basketball; Earl Shields, basketball; Carol Stepp, basketball; Cavin Webb; Sue Wesson; Wilsey White, basketball.

Wellington
Sonja Atkinson, girls quartet; Billy Ray Alexander, basketball; Russell A. Allen.

Memphis
Rayford Hutcherson, basketball; Paul Hancock; Don Kinard, basketball; Leota Wines.

Silverton
Jim Baird, basketball; Fate Breedlove, basketball; Janice Grabbe, basketball; Joe Howard, basketball; Patricia Patton, basketball; Tommy Strange, basketball; Betty Nan Tomlin; Janet Turner; Jack Williamson, basketball.

Samnorwood
Shirley Jean Brown, basketball; E. W. Bryan; George Cunningham, basketball; Peggy Garner; Wayne Johnson; W. H. King; Troy Ledbetter; James Massey; Janis Oldham, basketball; Joyce

Offutt; Bobby Roberts.

Lakeview
Mrs. M. L. Burks; Irene Hughes; Wanda Kinard, basketball; Cherry Orcutt, basketball; Gus Orcutt, basketball; Dee Ellen Rodrigues.

Canadian
Artis Cain; J. T. Hill; Dick Malcolm; Jack Matthews; Jack Pendergraft, basketball; Raymond Ramirez, basketball.

Dodson
John Fitzgerald; Josephine Warrick.

Amarillo
Donald Cherry; Jerry Cash; Hubert Kidd.

Goodnight
Marion Garland, basketball; Billy McDowell; Doris Newberry; Floy Sutton.

Shamrock
Nolan Price; Elizabeth Rachel Thomas.

Quail
Jasper Peeples, basketball; Charles Wright.

Kirkland
Gene Harris, basketball; Robert Pickrel, basketball.

Clyde
Jean Farmer, basketball; Joe Farmer, basketball.

Brice
Shirley, Martin; Glenn Sanders.

Claude
Shirley Beth Brown, basketball; Lorene Welch, basketball.

Dale
Dale Bradey, McLean; Jerry Buck, Vega; Vineta Davis, basketball; Erick, Okla.; Stan Hodges, Pampa; Barbara Head, basketball; Roby, Texas; Kenneth Kilgore, Coleman; Sue Pritchard, basketball; Estelline; Dianne Templeton, basketball; Nicoma, Park, Okla.; Wayland Newman, basketball, Mobeetie.

Clarendon
Barbara Bannister; Janice Benson; Ray Benton; Billy Neal Bogard; Billy Bradshaw; Mary Lynn Briggs; Mable Dean Brock; Shirley Bulman, girls quartet; Sherman Cosper, basketball; Jack Clifford; Harold Clampitt; Robert Cash; Joe B. Carmichael; Chas. E. Evans; Eva Farr; Bob Garton, basketball; Mary Ida Gattis; Wendell Gresham; Ray Heckman; Marilyn Hill; Haskell Hay; Billy R. Hill; Perry Jordan; Rebecca King; Ruth Ann King; Truett Koen; Jimmy Lamberth; Roberta Lindley; Ruby Mann; Genella Mooring; Carl Morgan; Gene McBrayer; Tookie McClellan; Bill Porter; El Ray Pycatt; Don Robinson; Bertha Reid; Wanda Sibley; Broadus Spivey; Cliff Stogner; Bobby Smith; Evelyn Jean Wood; David Lane; Joan Hermes-meyer.

BAND PARENTS TO MEET

All parents of Band students are invited to attend a meeting of Band Parents at the Band Hall, Monday evening, October 18, at 7:30.

Mrs. Odell LaGrone and children who have been visiting the past ten days with her parents, Mr. and Mrs. Geo. Thompson, returned to their home in Amarillo Sunday.

Visitor To Speak On Civil Defense At P.-T. A. October 21

Hugh Anderson of Borger, Texas, an authority on Civil Defense, will be a guest of the Sims P.-T. A. at their regular meeting here at the Jr. High auditorium Thursday, October 21st. Mr. Anderson will show the group how to set up a Civil Defense Program.

All local organizations are to have representatives present for the program and it has been pointed out that the meeting will be open to everyone as this is something that all should be interested in and an effective program of this nature will be of benefit to everyone.

In addition to the above program, everyone is reminded that the annual Halloween Carnival will be held at the Elizabeth Stevens Ward and the Jr. High building the night of October 30th.

SCHOOL CAFETERIA MENU

October 18-22nd

MONDAY
Barbecue beef, green beans, cream potatoes, lettuce and tomato salad, hot rolls, milk, honey and butter.

THURSDAY
Weiners, sauerkraut, blackeye peas, whole grain corn, bread, milk and cake.

FRIDAY
Meat loaf, English peas, scalloped potatoes, tossed salad, bread, milk and peach pie.

FATHER OF LOCAL LADY DIES AT MEMPHIS

Funeral services were held Monday afternoon at the First Baptist Church in Memphis for J. A. Gregory, father of Mrs. O. L. McBrayer of Clarendon. Rev. Ernest Phillips officiated and burial was in Citizens Cemetery, Clarendon.

Mr. Gregory had been a resident of Hall county for 49 years. Other survivors include two sons, 10 grandchildren, and one great-grandchild.

Location For Deep Test Well Announced

It was announced this past week that drilling operations would probably be started within the next week or ten days on another deep test for Donley County 4 1/2 miles southwest of Clarendon on land owned by V. W. Carpenter. It is in the center of a big block taken some time ago by the Phillips Petroleum Co. after a seismograph survey of the area.

It will be drilled on a Phillips farm-out by Rip C. Underwood and the Corsica Oil Co. of Corsicana, and will be known as the No. 1 V. W. Carpenter. The drilling location is 330 feet from the south and west line of Sec. 5, block A-G. Proposed depth is 6,500 feet or granite. The block was assembled by Allen Bryan, former Clarendon resident. Bryan has sold leases to Burdell Oil Co., Phillips and the Sun Oil Co. in this area.

The water well for this new operation is being drilled this week.

Poor Support—What Do You Think?

G. W. Bradshaw called something to our attention yesterday that seems to be a mis-fit in Clarendon. The Clarendon Dusters baseball club, winners of the Caprock League pennant this year, have been forced to go to the bank and borrow \$110 to pay off their indebtedness accrued during the baseball season for balls, bats and other equipment absolutely necessary for the club to play. There just wasn't enough support throughout the season for them to break even. Players making up the Duster club paid all their own traveling expenses with some of the players driving up to 200 miles in order to complete the team.

If any of you baseball fans want to help these boys pay off this indebtedness just mail or hand whatever contribution you wish to make to G. W. Bradshaw or leave it here at the Donley County Leader office.

Mr. and Mrs. Duane Hearn of Hutchinson, Kansas visited their parents, Rev. and Mrs. Ernest Phillips and Mr. and Mrs. C. C. Hearn here over the week end.

Services Held Tues. For Howard Greer

Funeral services for Howard Dean Greer, age 44, were held Tuesday afternoon in the Hedley Baptist Church with Rev. Will Jones officiating.

Greer was killed Saturday afternoon when the car in which he was riding was in collision with a farm trailer near Hedley. His wife and one grandson were injured in the wreck and are in a Memphis hospital. Another grandson, also a passenger in the car, was uninjured. The grandsons were Billy Dean and Layman Skaggs. Sheriff Truett Behrens said the accident occurred when a livestock trailer loaded with hogs pulled loose from a pickup truck driven by Richard Wayne Stotts of Giles and swung into the path of Greer's car.

Mr. Greer was born Dec. 20, 1910 at Loco in Collingsworth County. He had spent the most of his life living in Donley County. He had been a resident of Amarillo the past six years and was employed at Amarillo Air Force Base. He was a member of the Hedley Baptist Church, the Hedley American Legion and was a veteran of World War II. He was married to Miss Jim Anna Spalding, May 14, 1930.

Survivors in addition to the widow include one daughter, Mrs. Harry Skaggs, Memphis; one brother, Willie Greer, Rush Springs, Okla.; one half-brother, Grady Greer, Marlow, Okla.; three sisters, Mrs. John Singleton, Mrs. Bonnie Loudermilk and Mrs. Velma Overall, all of California; and two grandsons.

The Hedley American Legion post conducted graveside services at Rowe Cemetery, Hedley.

11th Grade Being Added To North Ward

Supt. H. W. Truitt announced this week that the eleventh grade had been added to the North Ward school. With a combination of classes and a smaller enrollment, the present teaching staff can handle the extra grade, he added. Any parents having children eligible for the 11th grade at the North Ward school are asked to contact school officials at the North Ward school right away.

Bennie Darnell will undergo further surgery on his hand the last of this week. He is a patient at the Santa Fe Hospital in Albuquerque, N. Mex.

Three Football Games Top Calendar This Week End On Local Gridiron

ROBERT W. MARSHALL

Revival Planned By First Christian Church

Robert W. Marshall, minister of First Christian Church, today announced plans for a revival meeting to be held in The Church starting October 29 and continuing nightly at 7:30 P. M. through November 7th. Sunday morning services will be at 10:50 A. M.

Miss Sharlee Watts, nationally known Song Evangelist, of Huntington, W. Va. will conduct the song services as well as to add a great spiritual uplift to the services with her outstanding solo work. Miss Watts has dedicated her life to helping others find salvation through the inspiration of Gospel music.

We of First Christian Church are happy to give our friends and neighbors an opportunity to hear this outstanding song evangelist, Mr. Marshall said. A series of twelve Christ Centered messages will be presented by Mr. Marshall and preparations are being made to accommodate the largest attendance in the history of The Church.

Every resident of Clarendon and Donley County is invited to attend this soul stirring meeting and hear the truths of God's word.

A nursery will be provided for the care of the little folks so bring them and come on. Transportation also will be provided for all who desire it by calling Mr. Marshall at phone 366.

Remember the date and make your plans now to attend this meeting.

Panthers Defeat Broncs 33-6

The Panhandle Panthers went wild with their passing attack in the last three quarters of the game at Panhandle last Friday night to wind the game up with a 33-6 win over the Broncs. This was the first conference game of the season for both teams.

To Clarendon fans it was a good game in the first quarter with the Broncs leading 6-0 after pushing over from the 1 yard line but soon after the second quarter got underway the Panthers took over and it was a game for the Panhandle fans from there on. The Panthers scored two in the second, two in the third and one in the fourth. The Broncs were playing minus three regulars, Bill Noblet, Bobby Phillely and Howard Hensley.

Billy Goodman Opens Furniture Business

Billy Goodman, a long time Donley County resident, who has been connected with the furniture business for several years, is announcing in this issue of the Leader the opening of a new furniture business in Clarendon to be known as Goodman Furniture. The business is located in the building formerly occupied by Clarendon Electric. Mr. Goodman stated that he would handle a full line of furniture and appliances.

Footballs will be in the air here tonight and tomorrow night as three separate games are scheduled for the two nights.

In a double-header affair, the first game will start at 6:30 tonight (Thursday) with the Jr. High Colts and the McLean Kittens battling for winning honors in the Jr. High bracket and the second game will start at approximately 8 o'clock or shortly after the Jr. High game is finished. This battle will be between the Clarendon and McLean B teams. The last B game for the Broncs was with Memphis two weeks ago and it was a good game from start to finish with the Broncs winning 18-0. Very little is known about the McLean team, but they usually come up with lots of power. Both the Colts and the B Squad will appreciate your support and encouragement.

The game Friday night at 7:30 will be between Clarendon and White Deer. This will be the second conference game of the season for the Broncs. Both teams received defeats by their opponents last week, so one or the other should stage a good comeback this week. Local fans are expecting it to be the Broncs. The Broncs were defeated 33-6 by Panhandle and White Deer was defeated 20-6 by Canadian.

Coach Joe Spann reported the first of the week that several position changes had been made in both the line and backfield. The probable starting line-up will be as follows starting at left end: Glenn Wallace, Delma Graham, Claude DeBord, Don Landers, Bill Hicks, Howard Hensley and Bobby Cosper. Bobby Wilson was moved from his line position to fullback, and Max Johnson was shifted from full to right half with Bobby Phillely in his left half position and Bobby Johnson at quarterback. Cosper and Hicks, both backfield reserves, moved into the line.

Remember to go to the game with a good appetite as the Band Parents' stand will be open with plenty of eats and drinks.

New School Policy Announced

Kenneth Vaughn, principal of the High School, announced yesterday that a new policy had been started in regard to students leaving school for various reasons during school hours. In the future no students will be allowed to leave school for any reason other than school functions unless accompanied by their parents.

This new policy was started in an effort to cut down on the absenteeism which in turn governs the number of teachers in our local school system. Heretofore, passes have been issued allowing students to leave school for various reasons and in most cases deemed justifiable, but some students have mis-used this liberty to the point whereby something had to be done, and to correct this trouble, Vaughn stated.

We want to do everything we can in the interest of our students and our school and with the full cooperation of all parents we can carry out this new policy to the best interests of everyone concerned.

Sheriff Issues Warning Regarding Hot Checks

That time of the year is here again when you can expect more hot check artists than usual. Sheriff Truett Behrens is reminding everyone to have proper identification of person giving checks or endorsing checks before receiving same. If you follow this rule, you stand a chance to save both worry and money, he stated.

It is also the time of year when more home robberies are committed in both the rural and city areas. Take every precaution you can, he added.

Don't Forget Free Chest X-Ray Next Week—October 19th Thru 22nd

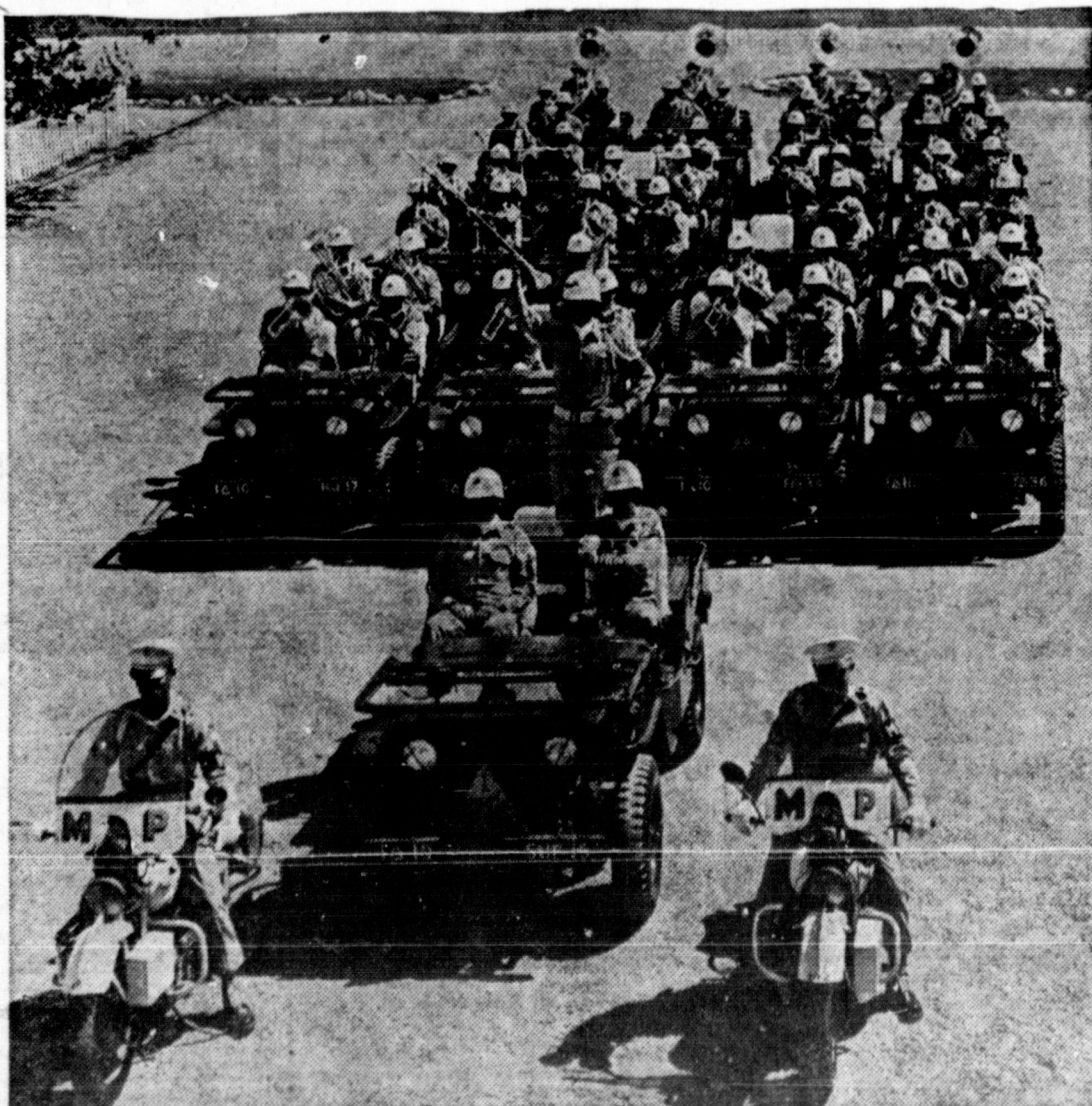

The State Health Department's mobile X-ray unit will be here next Tuesday thru Friday, October 19-22nd for the purpose of taking free chest X-rays of all county residents over 15 years of age as a public service to help eliminate and control tuberculosis and other chest ailments. The unit will be set up at the Estlack Machinery Co. The hours of operation will be from 1 to 6 p. m. on the 19th; 9 a. m. to 6 p. m. on the 20th and 21st and from 9 a. m. to 1 p. m. on the 22nd.

Everyone over 15 years of age should take time off for this free chest X-ray as it will only take a few minutes of your time and you will know the condition of your chest after receiving the report from Austin. It's always a

good feeling to know that your chest is OK and if you should receive a report back that you have some type of chest condition, chances are that it has been detected in time to correct the ailment.

The chest X-rays take only a few minutes, there is no pain, and the individual is x-rayed fully clothed. All information given is confidential and so are the results of the x-rays.

Remember too, that this will be the only stop the Mobile Unit will make in Donley County this year and the length of the time the unit will be here will allow everyone time to take advantage of this free health protective service.

NOBODY WALKS in a tank outfit—not even the band. Musically in high gear, the First Armored Division's unique jeep-mounted band parades at Fort Hood, Texas. First Army unit of its kind, its members' uniforms compete with its music for attention. Headdress, gloves, scarves, shoulder fourragers and shoe laces are bright yellow, the traditional color worn by dashing cavalymen.

Leathers, Mr. and Mrs. Rice Batson, Mr. and Mrs. Gene Moore and the hosts, Mr. and Mrs. Seago.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

Some of our magazines are publishing some clever stories now that are more interesting than our late books. Hartzell Spence has a story in the last Red Book in defense of the Youth Movement in our churches.
Few patrons came to the Library this week so our attention has been given to straightening up the shelves which are quite full. It is becoming difficult to shelve our new arrivals of books.
Berta and Elmer Hader have out a new book for children. It is "Wish on the Moon." You recall their home is "Willow Hill", and Mr. and Mrs. McGinty who keep the gardens share their happiness at Willow Hill. C. W. Anderson who writes horse stories for the small children has published "The Crooked Colt." This little colt was born with crippled legs, but he eventually out grows his deformities and becomes normal. Former stories written by Anderson are the "Blaze" and "Linda" stories. There are so few books advertised for our teen age boys, and they are avid readers,

HARLAN POWELL

Harlan Powell was installed as president of the Texas Society for Crippled Children in Fort Worth, October 2, at the 17th annual meeting of the Society. Mr. Powell succeeds H. L. McGurk of Fort Worth as the leading official of the Easter Seal organization. His term of office is for one year.
Mr. Powell has been active in crippled children's work for many years and has served as

treasurer and chairman of the legislative committee for the Society. In addition, he has been a member of the Rotary Club of Dallas since 1927 and is chairman of that organization's Youth Activity committee.

Graduated from Sam Houston State College in Huntsville, Mr. Powell was county superintendent of schools in Bosque County, where he was born, from 1916 to 1920. He has been in the public seating business for over 30 years and is now president of the American Seating Company of Texas in Dallas.

The Texas Society is a state wide non-profit organization with a program of treatment and rehabilitation for Texas' crippled children. There are 96 county and city societies affiliated with them carrying out this program thru

treatment centers and special academic classes.

Mr. Powell stated at his installation that the rehabilitation of the crippled child is vital in order that he might grow into a self-sustaining adult who can take active part in his community life.

"I will do everything I can to see that a fuller program of rehabilitation is carried out while I am president of the Society," he said.

The organization, also known as the Easter Seal Society, receives its operating money from proceeds of the Easter Seal Appeal held each spring, and from individual donations.

Georgia is the largest state east of the Mississippi River.

WCS OF THE METHODIST CHURCH

The Women's Society of Christian Service met at the Methodist Church Wednesday, October 6, for the regular business session. Following the opening song, "Take the Name of Jesus With You," minutes were read and approved. Communications were read and disposed of and a treasurer's report given. A report was made on the Rummage Sale and workers were appointed for Saturday, October 9th. Reports were also heard from the secretaries of departments.

Mrs. C. E. Bairfield announced the sub-district meeting to be held in Memphis, Texas, Wednesday, October 13.

Circles reported 40 members present, 106 visits to the sick and shut-ins, 49 trays, and 23 flowers. The devotional and report of the 4th Assembly held in Milwaukee, May 25, "Peace, Missions, and World Church," was given by Mrs. C. E. Bairfield and was closed with the opening prayer given at the Assembly.

Meeting was closed with the WCSB Benediction. —Reporter.

YWA'S MEET

The YWA's of the Baptist Church met Tuesday afternoon in the home of Harlene Smith. Two new members, Jo Ellen and Glenna Dingle, were welcomed into the organization. Study of the YWA manual provided the program of the afternoon. Wanda Sibley closed the meeting with prayer.

Present were Evelyn Wood, Betty Maddux, Lucy Richardson, Rachel Thomas, Wanda Sibley, Jo Ellen and Glenna Dingle, and the hostess, Harlene Smith.

The next meeting will be with the Sunbeams in the Colored Church.

PATHFINDER

The Pathfinder Club observed Guest Day the afternoon of Oct. 8th at the Patching Club House.

The president, Mrs. Lee Holland, called the house to order and introduced Mrs. Clyde Hudson, who reviewed the book "Forty Plus and Fancy Free," by Emily Kimbrough. Mrs. Hudson's delightful interpretation of this humorous adventure story brought many chuckles from the audience.

Following the review the members and guests were invited into the dining room where the table was laid with an exquisite cloth of Italian cut-work. The centerpiece was a huge bowl of dahlias complemented by a pair of crystal pheasants.

Mrs. Holland presided at the tea service. Delicious hot spiced tea, pressed cookies and nuts were served to approximately sixty-five members and guests.

The hostesses for the afternoon were Mrs. J. L. McMurtry, Mrs. I. E. Biggs, Mrs. Carl Allmond and Miss Mable Mongole.

The next meeting will be October 22nd when we will have a glance at Julius Caesar by William Shakespeare. —Reporter.

MARTIN QUILTING CLUB

The Club met Thursday at the school house with Annie and Margaret Waldrop. Two quilts were finished. A delicious lunch was served at noon to members Lois Stevenson, Glennis Harmonson, Melba Risley, Flossie Reynolds, Lizzie Morrow, Eunice Land, Montie Kidd, Gwen Hill, Blanch Higgins, Lela Bulman, Margaret Waldrop, Annie Waldrop, and one visitor Pearl Terry.

The next quilting will be with Lizzie Morrow at the schoolhouse October 21. —Reporter.

Donley County Leader, \$2.50 year

FHA NEWS

Future Homemakers met October 12th in the Home Ec. Department. Jackie Estlack, president, called the meeting to order. Everyone sang the club song and repeated the creed. Donna Townsend, secretary called roll and read the minutes of the last meeting. Thirty-five and our sponsor, Miss June Christian, were present.

Motion was made by Joyce Eddings and carried to elect a Sgt.-at-Arms and Otho Dean Elliott was elected. Charlotte Wilson made the motion that Harlene Smith be elected pianist by acclamation. This motion carried.

Donna Townsend, secretary, is moving away and we are really sorry that she is leaving. This created a vacancy in the office of secretary. Margaret Cushing was elected to fill this office. Club mothers were elected: Mrs. J. G. McAnear, Mrs. Will Chamberlain, and Mrs. Pete Borden. There being no further business, the group adjourned.—Reporter.

ASHTOLA NEEDLE CLUB

Ashtola Needle Club met at the club room Thursday at 2:30 for their regular meeting.

The business meeting was called to order by the president. Guests from the Goodnight club were greeted and introduced. Mrs. Mirza Crain gave a charming response. Mrs. Ed Mahaffey from Lelia Lake and Mrs. Warren Bray from Little Rock, Ark. were also present.

Mrs. Clyde Hudson gave a splendid review of Emily Kimbrough's book "Forty Odd and Fancy Free."

The hostesses, Mrs. Hubert Rhoades and Mrs. Warren Hardin served hot spiced punch and cake to the 22 members and guests.

SOPHOMORE CLASS MEETS

The Sophomore Class of Clarendon High School met Tuesday morning. Opening the meeting the class president read the rules for class meetings for 1954-55. The class took as its project this year, the painting of busses when we have out-of-town football games, and paint the town when games are here.

Class pictures were passed out before adjournment.—Reporter.

MIDWAY QUILTING CLUB

The Club met in the home of Louise Riley, October 5th, where one quilt was almost finished and another quilted on. There were 10 members to enjoy the covered dish lunch, Eula Butler, Lucille Eanes, Marjouria Hensley, Nell Land, Ida Pickering, Pearl Terry, Katie Bell Wells, Eddie Williams, Bobby Dishman, and the hostess Louise Riley and son Jimmie. Those to come in the afternoon were Sarah Shaller, Allie Quattlebaum, Loyd Hillis and granddaughter, little Miss Jo Ann of Dimmitt, who is here visiting.

Held election of officers for the coming year. Elected were Lloyd Hillis, President; Louise Riley, Vice President; Katie Bell Wells, Secretary and Treasurer, and Marjouria Hensley, reporter.

Sorry Mrs. H. R. King is still ill; missed her and all the absent members. Next meeting will be with Nell Land, Oct. 19th.

LIBRARY CLUB

The Library Club met Friday, October 8, in the Library of Clarendon High School. The following officers were elected: President, Sue Bannister; Vice-President, Norma Tolbert; Secretary, Glenda Borden; Reporter, Catherine Dingle.

Other members are Evelyn Chamberlain, Betty Richards, Barbara McAnear, Joan Lane, Marjorie Green and Elizabeth Smith.

A meeting will be held Wednesday to add more members to the club roll. Barbara McAnear has been chosen to act as voting delegate at the TALA meeting to be held in Dumas, October 30. —Reporter.

SIMS P. T. A.

The Sims P.T.A. Executive Committee met Thursday, October 7, in the school Cafeteria. The program for the Halloween Carnival was discussed and the menu for that night was passed on.

The installation of candy machines was passed on and approved. These machines will be used instead of selling candy across the counter. The Cafeteria is feeding more Students than ever and the women do not have the time to sell the candy.

MOTHERS STUDY CLUB

Mothers Study Club met at Patching Club House Tuesday afternoon, October 12, with Ann Hommel and Lois Moore hostesses.

The meeting was opened with Lois Moore reading the Mother's Prayer. Carol Phillips, president, presided at the business session. Four new members were voted on the club roll—Barbara Hill, Clarice Choate, Joan Grady, and Melba Vaughn.

An interesting program was presented by Delene Tyler entitled "Heart to Heart" and "You and Your Unborn Child."

Refreshments were served to Nelda Jones, Delene Tyler, Pat Martin, Jean Moore, Carol Phillips, Joan Gerner, Ann Bennett, Melba Vaughn, Jean Chilton and eleven children by the hostesses, Ann Hommel and Lois Moore.

H. D. CLUB

The Senior Home Demonstration Club will entertain members of the Junior H. D. Club at a luncheon served at the noon hour Friday, October 15, at Patching Club House. All members are urged to be present.

ASHTOLA NEWS

Mrs. Doyce Graham

Miss Juanita Moore of Denver, Colo., Mrs. C. R. Moore of Bowie, Mr. and Mrs. George Johnson and Mr. and Mrs. H. A. Graham visited in the Vance Gray home Saturday night.

PLOWIN' Out the CORNERS

Uncle Zeb

Seems like we have been on the go for the last week; one day we were over in the area of Shamrock. Farmers that we talked with seemed a bit blue. The cotton promised so much early and then went to the bad so fast when the dry weather stayed on and on.

Later we attended the field day at Bushland. Here the government keeps experiment after experiment going on, both on crops and on pasture trying to find more profitable ways of doing things. It's all pretty helpful too. A lot can be learned from plots worked out along the actual conditions we face here on the plains. It's a lot cheaper to go see the results of these little experiments than to spend ten or fifteen years experimenting with our own farm.

One of the highlights of the day was a speech by Potter county farmer J. R. Hogge. His sense of humor and knowledge of the problems facing the farmer makes him a good choice for any farm gathering. Talking to the 200 to 300 farmers and county agents and other agricultural workers in one of the barns that was cold and damp as the rain peppered down outside he remarked:

"This is the first time I ever addressed an audience with their coats and hats on ready to leave at any time. Also, this is the first time that I remember having such heavenly accompaniment to

one of my talks," referring to the rain. He urged the farmers to get busy and come up with a workable plan for our marketing problem. "If we don't find the answer ourselves then the politicians will find one for us and we may not like it. The man close to the problem ought to have the answer and know the solution better than someone a thousand miles away." Anyway, it was a good lively talk on a very timely problem.

Then we attended the Hedley Cotton Festival. This being the third such show that the folks of this community have put on, and we sure believe it is getting better all the time. It looks like Clifford Johnson, Carl Morris, Bob Harris, Bill Scales, and many others have done themselves something to be proud of in the celebration. Keep it up fellows. It ought to catch on nationwide and we believe it will. Every town needs one celebration each year to bring the folks together, so why shouldn't the folks who make their living from cotton have a Cotton Festival???

Then we drove all the way back to the Fairview Community that night for a good feast. It was well worth the drive. This community already one of the winners in the statewide Rural Neighborhood Contest for last year is back in the competition again this year. From the looks of the improvements to the kitchen and play rooms there is plenty of improvements being made. Anyhow, to George Wilmoth, the new president, and to all the fine friendly folks we all say, We hope you win again. But, whether you win another prize or not you will always win by helping promote the kind of community spirit that has made Fairview one of the favorites in this area. So good

Luck.

In keeping with the way we sort of felt run-down we include this poem.

IF ONLY WE COULD
When people's cars get old and worn, and then begin to toddle, They go somewhere and trade them in, and get the latest model.

Now I have very often thought that when my joints get achy, And when my hair has turned all grey, and knees are rather shaky;

And when the onward march of time, has left me rather feeble How nice 't would be to find a firm that deals in worn out people.

How nice 't would be when feet give out, or we have damaged livers, If we could buy some new spare parts just like we do our flivvers.

Or when my form gets bent with age and gets to looking shoddy, How nice 't would be to trade it in and get a brand new body.

LITTLE GIRL IS BITTEN BY WIDOW SPIDER

Late Sunday afternoon Linda, small daughter of Mr. and Mrs. Charles Longan playfully pulled on an old rubber boot while playing with other children. When she felt a pain on her toe, the boot was dispensed with. Shortly afterwards, she began to vomit and developed a fever. Her parents rushed her to the office of Dr. J. Gordon Stewart for medical attention. She is said to be recovering slowly at the present time from a Black Widow Spider bite.

TO SAIL IN OCTOBER

CAMP PENDLETON—Marine SSgt. George P. Thompson, son of Mrs. P. O. Thompson of Clarendon, Texas, is scheduled to sail the middle of October for duty in the Far East after spending four weeks in the staging regiment at this Marine Corps Base.

The staging regiment handles the last minute details in getting men ready for foreign duty. A Marine's few weeks in staging are filled with clothing and equipment inspections, refresher courses on weapons and physical conditioning.

LET'S GET TOGETHER ON THIS!

YOU ARE ABOUT TO HIRE A CONGRESSMAN!

YOU WANT: 100% support for the administration you elected two years ago. Intelligent treatment of your problems by a man whose background qualifies him to understand them. Active and alert representation by a member of the Eisenhower team, whose voice will be HEARD in Washington.

I, "PETE" LaMASTER, am applying for the job!

BEFORE YOU SUPPORT ANY CANDIDATE YOU'LL WANT TO KNOW HIS BACKGROUND, HIS RECORD, HIS CONVICTIONS.

NAME: LeRoy "Pete" LaMaster

DESCRIPTION: Age 36; resident of Perryton, Texas; native Texan; attend Baptist Church; married to Carolyn Conley of Perryton;

EDUCATION: Perryton High School; John Tarleton Agricultural College; Texas Tech.; Bachelor of Science Degree in Agriculture from Texas College of Arts and Industries in Kingsville;

EXPERIENCE: Asst. Supervisor with Farm Security Administration; during more than three years in Navy spent twenty months aboard ship in Pacific; Since 1946 a farmer and stockman on farm near Perryton; eighteen months in South America studying the people and governments there.

POLITICAL CONVICTIONS: Born a Democrat, like most natives of the Texas Panhandle. Now I have come to the conclusion that my political views are not entirely in keeping with those of the Democratic Party, as it has been controlled by the radical left wing element and big city machines. My convictions more closely conform to those of the EISENHOWER ADMINISTRATION. I believe I can render a greater service to you folks in this District as a Republican representative.

For The SUPPORT PRESIDENT EISENHOWER NEEDS - AND THE 100% REPRESENTATION THAT YOU WANT ELECT

FARM NEWS

from the County ASC Committee

1954 ACP PROGRAM

A number of you have received tentative approvals for carrying out soil building practices in 1954 which you have not used yet. Since the year is nearly over and we want to use all funds allocated the county; please review your present needs and if you do not anticipate carrying the practice out before December 31, turn your approval in so that someone else may take advantage of the

program.

1955 COTTON ALLOTMENT

On Wednesday October 13, 1954 the County and Community Committees met in the Donley County ASC Office to discuss and decide which method they would use to apportion the 1955 cotton allotment to farms in Donley County.

ATTENTION CENTERED ON CONSERVING DIVERTED ACRES

The elimination of the "total allotment" requirement for eligibility for price support on 1955 crops does not affect the availability of funds for encouraging conservation practices on land taken out of basic crops.

To be eligible for ACP assistance in 1955 the Agricultural Act of 1954 provides that farmers must comply with all basic crop acreage allotments established for their farms.

The additional ACP funds will be used to encourage farmers to carry out recommended conservation practices on the diverted acres. The fact that the Secretary of Agriculture has eliminated the "total allotment" requirement of the 1955 adjustment program and has removed the original restriction on crop planting on diverted acres does not affect the need for conserving these acres.

Specifications for practices for

the 1955 ACP are now being prepared, including practices that will apply to land diverted from allotment crops.

THE LION'S TALE

By Carl Allmond

Every member was a little more friendly Tuesday, after our successful anniversary banquet. We especially appreciate the presence of such a large number of guests. We hope you liked what you saw and heard! The Lions Club is a service organization, and we anticipate even greater accomplishments for our community.

If this gets out, don't quote us. A few days ago, the phone rang like it always does when it is long distance calling. Brother-in-law Frank calling from Hedley—"Carl, get Shine Martin and come to Bill Johnson's filling station; my car is dead, not getting gas to the carburetor." No questions asked—we took off for Hedley. Shine took the gas line from the carburetor, and Frank stepped on the starter. Sure enough no gas coming up. Naturally Shine thought the fuel pump was not working, so he goes to the gas tank to blow up some gas. The line was clear, nothing but air. Shine says, "Frank, I don't believe you have any gas." Unquote. We decided he could walk fifteen steps for his own gas. We also decided Frank diagnosed the case perfectly—"not getting any gas to the carburetor." We believe it; he wasn't.

No song books Tuesday, so Sid Stewart sang a solo. That's what it amounted to, until four ole boys did sing "The Eyes of Texas."

Lion Truitt was back Tuesday, for his first regular meeting since

his misfortune. Sure glad that guy is up and back!

Carrol Hudson has decided he will be permanent, so he joined the club Tuesday. We will be glad when he can lead us in that song, "Cross Over the Bridge." Things are looking up now; the directors have every thing ironed out.

The minutes of the last directors' meeting were read, for the first time in several months.

Cudd won the goose for next week. We are sure the out going goose-tender was glad to deliver same, since Cudd wasn't there to receive the "prize package."

L. I. Stevens of Shawnee, Okla. and Dr. Emmitt Smith of WTSC. Canyon were introduced as guests.

Drennan was fooled on his program—he was using us as guinea pigs, but those girls were good. Shirley Bulman, Jane Mosley, Ruby Mann, and Sonja Atkinson sang three numbers, accompanied by Marilyn Hill. Jane Mosley and Marilyn Hill closed the program with a piano duet.

CLARENDON, TEXAS

Trighlights and Sidelights at your State CAPITOL

By VERN SANFORD
Texas Press Association
AUSTIN — Secretary of State C. E. Fulgham has certified names for the state's November election ballot with two contests arising over who'll be on the fall marker sheets.
Not certified by Fulgham was Gerald Weatherly of Rio Grande

City. Attempting to file as an independent candidate for district attorney in the Duval-Jim Wells-Starr County empire of Boss George Parr, Weatherly was turned down by Fulgham, who said his petition for a place on the ballot contained numerous inaccuracies.
Other contest was between

Eugene C. Williams and Adrian Spears for the Democratic nominee for judge of the Thirty-seventh District Court in Bexar County. It is due for a quick hearing by the Supreme Court.
Williams was certified by Fulgham, but a San Antonio court later ordered Williams' name off the ballot in favor of Spears. Spears was the choice of a Bexar County district delegation that failed to get seated at the state Mineral Wells convention.

Insurance
Who is the Liquidator for the State Board of Insurance Commissioners responsible to — the state or the courts that appoint him?
Attorney General John Ben Shepperd answered the question and also poked some light into a current insurance feud by ruling that the state employs the Liquidator.

Renne Allred, chief counsel for Liquidator J. D. Wheeler, had refused to vacate his post upon an order from the Board. Allred claimed that he was responsible to the courts which appointed him as counsel.
Shepperd's ruling was expected to have some bearing on the controversy which has already seen the Insurance Board halt Allred's \$1,000 per month salary.

Water Conservation
Two plans calling for state financing of water conservation dams in Texas are due to be presented to the legislature in January.

Rep. Harold B. Parish of Portland announced he will sponsor a constitutional amendment calling for a state bond issue and a state tax to finance building of dams by local governments.

Sen. Dorsey B. Hardeman of San Angelo said he will recommend a constitutional amendment aimed at the same purpose.

LeRoy "Pete" LaMaster gets a demonstration on tea sipping from Bobby Lawrence, two year old son of Rev. and Mrs. Kyle Lawrence. The Lawrences and the LaMasters met in April, 1953 at Manaus, Brazil, 1,000 miles up the Amazon river — and the Lawrences recently paid a return visit to the LaMasters in Perryton, Texas. Bobby was born in Brazil and has a full two-year command of the Portuguese language.

Employment
Texas' employees will total record numbers by mid-October if expectations hold true, the Texas Employment Commission reports.
Estimates of employment, were based on non-farm work, most stable index, according to the TEC.

We're out to make a Record
—and how can we miss with a hit like this?

WE'RE shooting for the biggest October in Buick history and we're willing to go all out to make it. Right now, Buick is outselling every other car in the nation—regardless of price class—except two of the so-called "low-priced three."

So you know that it has the combination of horsepower—room—comfort—performance—and styling too good to miss.

And it isn't hard for you to figure out that Buick dealers must be offering the kind of prices and trade-ins that the public goes for—because you can't make record sales these days unless you have everything it takes to make a winning combination.

Come in and see us, and you'll know what we mean.

Here's the big 3-Way Bonus we offer in Buick today

- 1. Advanced Styling** — the very look of tomorrow, with long, low glamor lines, sports-car snap, and that trend-setting panoramic windshield that most other cars won't have till 1955 or later.
- 2. Better Buy** — a lot more automobile for your money — more room and power and ride comfort and solidity of structure — plus the higher resale value of a car that will still be fresh and new-looking well into the future.
- 3. Top Allowance** — from the tremendous volume that has put Buick into the top 3 of the nation's best sellers. So you get the benefit of our soaring success in the form of a higher trade-in allowance on your present car. Come in and check!

This New Buick Special V8
2-Door, 6-Passenger Sedan
actually costs less than some models of the "low-price three"
Come in and check the price!

Buick Sales are Soaring
—so Buick deals are bigger than ever right now!

workers caring for 24,000 patients and pupils in Texas state hospitals has come from James A. Bethea, director of the hospital and special school system.

The taxpayer furnishes most of the necessities, he pointed out, but extras like television sets and friendly visitors must come from the outside.

Consumer Spending
Consumers' spending over the state in August averaged above seasonal expectations with some goods establishing definite sales jumps.

The Bureau of Business Research at the University of Texas also noted that sales of older automobiles had improved while new car sales continued slow.

Expenditures for vacations and travel swung to new heights, the Bureau said.

Garden Clubs
A "don't be a litterbug" campaign

to keep highways and roadside parks clean has drawn a commendation for the Texas Garden Clubs from the Texas Highway Commission.

In adopting a resolution commending the organization for the cleanliness drive, the Department stated that "expressions of praise from tourists and motorists" for attractive state road-sides resulted from the club effort.

Prison System
Costs of maintaining the Texas Prison System increased slightly during last year because of a 500-inmate boost in population, State Auditor C. H. Cavness has reported.

However, he noted that the average daily cost per inmate was cut from \$1.20 to 70 cents during the year.

NOTICE OF HEARING TO APPROPRIATE PUBLIC WATERS OF THE STATE OF TEXAS
No. 1859

Notice is hereby given, to whom concerned, that CHARLES E. BAIRFIELD, the postoffice address of whom is Clarendon, Texas, on the 27th day of September, 1954, filed his application in the office of the Board of Water Engineers for the State of Texas,

in which he applies for a permit to appropriate of the unappropriated waters of the State of Texas, from Troublesome Canyon, a tributary of Prairie Dog Town Fork of the Red River in Donley County, Texas, not to exceed 45 acre feet of water per annum, for the irrigation of not to exceed 89.8 acres of land out of Sections 41 and 42, Block G-4, E. L. & R. R. Ry. Co. Survey in Donley County, Texas, more fully described in said application; water to be diverted by means of a portable

pumping plant. The proposed pumping plant is located at a point which bears North 12° 21' West, 2280 feet from the Southeast corner of Section 41, Block G-4, E. L. & R. R. Ry. Co. Survey on the South bank of Troublesome Canyon in Donley County, Texas, and is distant in a Southwesterly direction from Clarendon, Texas, about 6 miles.

A hearing on the application of the said Charles E. Bairfield will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on MONDAY, NOVEMBER 8, 1954, beginning at ten o'clock A. M., at which time and place all parties interested may appear and be heard. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper.

Given under and by virtue of an order of the Board of Water Engineers for the State of Texas, at the office of the said Board at Austin, Texas, this 27th day of September, 1954.

Missionaries From Brazil Return LaMaster Hospitality

Kyle and Dot Lawrence drove to Perryton, Texas, from Memphis, Tennessee, recently to thank Pete and Carolyn LaMaster for a hot bath.

The bath was more than fifteen months ago and the location 1,000 miles from the Amazon river. At the time the Lawrences, who are independent Baptist missionaries, were carrying on their work in the city of Manaus, Amazonas, Brazil. The LaMasters happened to be in Manaus on part of their tour of South America.

Manaus, a city of some 120,000 was caught in a severe water shortage and a "hot bath" was even more than a luxury. Such an event was simply out of the question except to those who were fortunate enough to be in the one hotel that had its own

water system. Pete and Carolyn were guests in that hotel. They had heard about the Lawrences from other missionary friends and were told to look them up when they visited Manaus.

Two other members of the Lawrence family were also guests of the LaMasters. They are Bobby, a son, age two, and Dorcas Ann, a daughter, age seven months. On the trip from Memphis young Bobby had been taught to greet Pete with "Howdy, Congressman Pete," and with this greeting he immediately won a favorable spot with LeRoy "Pete" LaMaster, who is currently campaigning for a seat in Congress to represent this district.

Rev. and Mrs. Lawrence will return to Macapa, Amapa, Brazil, in November, when they will continue their religious work with the Brazilians of that area. Kyle's background for missionary service comes from 16 years as a Baptist pastor, including three years spent as a chaplain in the European theatre with an air

transport command. From the Army, Kyle attended Southwestern Baptist Theological Seminary at Fort Worth and was graduated with a B.D. degree. He met Dot in an Eastern Tennessee hospital where he had gone to speak to the nurses. Dot flew to Rio de Janeiro, Brazil, and they were married in August, 1951.

Kyle and Dot work with the Baptist Missionary Board and in Manaus their duties include several agricultural projects, work with an orphanage and lepers. Dot set up a medical center in her living room and she was busy as many hours a day as her health would permit.

The Lawrences think that Manaus is in the center of one of the last great frontiers in the

world. Both believe that the country will continue to grow until it rivals the valley of California for both production and population. Manaus has few days of more than 100 degree heat. The nights are cool even though the altitude is only 250 feet. Rainfall for six months (November thru May) averages about 200 inches and the dry cycle of June to November is "dry."

Bobby, the friend of "Congressman Pete", was born in Brazil, and on his 21st birthday he must decide which country he will claim for citizenship.

— sure, the LaMasters had a hot bath waiting for the Lawrences on their arrival in Perryton. After all, that's how their acquaintance started.

OIL IS AT YOUR SERVICE

- In oil-producing states, schools are substantially supported by oil industry taxes.
- Detergents and a hundred other items of daily use are derived from petroleum hydrocarbons.
- Synthetic fabrics are made from petroleum hydrocarbons.
- Petroleum fuels the machines of national defense.
- Oil and natural gas supply power for industries.
- Cars burn gasoline, use tires of synthetic rubber.
- Homes are heated by oil or gas-burning furnaces.
- Natural gas is the fuel for millions of kitchen stoves.
- Printing inks, paints and plastics are petroleum derivatives.
- Oil powers the U.S. transportation system.

We Have Only One Purpose...

TO SERVE YOU...

PERSONAL LOANS

WHEN YOU BORROW: WE GIVE QUICK ACTION

The best reasons to get any loan from us are the quick action, low cost, long range terms and dignified service we offer you always.

The Donley County State Bank
Member Federal Deposit Insurance Corporation
FOUNDED 1906
CLARENDON, TEXAS

The products of the petroleum industry are literally everywhere. Every hour of the day, oil or natural gas serves you and virtually every other American. Oil is indispensable to our way of life; it makes the United States a better, safer country to live in.

You may wake in the morning in a room warmed by a furnace burning fuel oil or natural gas.

You drive to work, and your car burns gasoline, uses petroleum oils and greases for lubricants, rolls on tires of synthetic rubber which had their beginning in an oil refinery.

The plant where you work may depend on oil or natural gas as the source of its power. The oil and gas industry supplies 65% of the nation's energy requirements.

Meanwhile, if you live in Texas, your children are attending schools to the support of which the oil industry pays heavy production and ad valorem taxes. And your U. S. Army, Navy and Air Force plan the national defense with confidence that the oil industry has developed the proven reserves that can fuel their machines of war. Oil also supplies munitions—TNT for instance.

Finally, the lady of the house may prepare dinner on a stove fueled with natural gas, and you may go to bed in pajamas laundered with a petroleum detergent, after reading a newspaper printed with ink made from oil, in a room decorated with a paint manufactured from petroleum.

... And that's only a beginning.

The products of the petroleum industry, oil and natural gas, head the list of our most useful resources. A progressive, competitive oil industry, encouraged in the future as in the past, will undertake the further development that will keep them there.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 5.363 miles of Gr. Strs., Flex. Base & Asp. Conc. Pvt. from SH 70 to Rockledge on Highway No. U. S. 86, covered by FI 547 (17), in Gray & Donley County, will be received at the Highway Department, Austin, until 9:00 A. M., Oct. 19, 1954, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions here-in are intended to be in conflict with the provisions of said Acts. In accordance with the pro-

visions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of G. K. Reading, Resident Engineer - Pampa, Texas, and Texas Highway Department, Austin. Usual rights reserved. (35-2c)

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

September 30, 1954
CRITICAL MATERIALS

On several occasions I have referred to the practices in this country of advertising our insufficiencies as well as over-advertising our sufficiencies. It has been my opinion that much of the information concerning the welfare and safety of this nation should not be divulged. The American people are all primarily concerned with the facts, but they all realize that when this information is broadcast it falls on the waiting ears of our potential

enemies. Recently a report was issued on a study of the accessibility of critical materials to the United States in time of war. The report pointed out that testimony would indicate that the vital securities of this nation has been in serious jeopardy, because we have been dependent for many of our essential raw materials on sources in far off lands. That many of these lands were under the control of governments that were under the guns of potential enemies, or were in a class of timid neutrals.

The report was issued concerning 77 raw materials declared by the Secretary of Defense as essential and indispensable in waging modern warfare, which raw materials had heretofore been acquired by imports from abroad. It was the general context of the report that the Western Hemisphere can become completely sufficient in the production of necessary critical materials in time of war, and that this nation could materially increase its own economic production of strategic and critical materials by strengthening its laws regulating foreign trade. It was pointed out that expert testimony made it crystal clear that there were more known commercial reserves of critical materials in the United States than ever before in the history of this nation. That the conclusion heretofore reached that the known reserves of petroleum, tungsten, manganese, zinc, lead and other minerals would be virtually depleted within twelve years, was a fallacy and a mistake.

I sincerely hope that the information contained in this report is exactly correct; however, I doubt the advisability of giving information of this sort to those enemies of this country who are so anxious to get information of this kind. I want the stock-piles of critical materials to be wholly sufficient to meet our needs whatever they might be. I would also prefer that information concerning them be so confined that the best interest of this country would be served.

LEASING PUBLIC LANDS IN ALASKA

I have been receiving a number of communications concerning public lands in Alaska. For

the information of everyone who might be interested, there are grazing leases being issued in Alaska now. The information as to which lands are available can not be obtained in Washington. These lands are under the jurisdiction of the Area Administrator at Anchorage. The information

about the land and also the forms for making the applications can be obtained from:

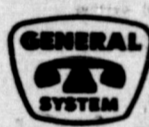

Mr. Lowell M. Puckett,
Area Administrator,
Bureau of Land Management,
Department of Interior,
P. O. Box 480,
Anchorage, Alaska.

First Public Hunt Planned

AUSTIN — Texas' first free public big game hunt was authorized by the Game and Fish Commission meeting in Austin. The Executive Secretary of the Commission said the shoot will involve only 100 head of deer which will be taken, one to a hunter, by permit on the Kerr (County) Wildlife Management Area. He said it is significant that the comparatively new wildlife demonstration program already is yielding its first harvest of big game. Deer hunting in Texas traditionally is provided on a land ownership - game management basis because of the unavailability of public lands. The Commission has established experimental - demonstration areas in key regions as a major phase of its wildlife restoration

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *easy* but *gentle* relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail order to Box 280, New York 18, N. Y.

program. Game management technicians recommended the Kerr County harvest, which will be limited to fifty bucks and fifty does, because the big game population now exceeds the carrying capacity of the tract. Technicians consider it sound conservation policy to harvest excess population since overstocking invariably results in dieoff.

The Commission discussed the proposed expansion of both the Black Gap Wildlife Management Area in Brewster County and the Gene Howe Wildlife Management Area in Hemphill County.

The Commission renewed its one-year old experimental antlerless deer harvest program which now covers Gillespie, Mason and Llano Counties. The dates were set for December 4 through 12 inclusive, with the stipulation that the regular buck deer season for the particular areas permitting antlerless deer shooting, will be suspended for the special twelve-day period. This was done at the request of both ranchers and hunters.

The Commission voted to increase the cost of coastal shell

from seven cents to ten cents per cubic yard with the exception of fine shell which will be increased to eight cents per cubic yard.

The Commission also voted to publish an official state bird book, as requested by groups and individuals. It will be distributed at cost.

A survey was approved on marsh land along the coast suitable for possible purchase for a duck and goose refuge and on brush land in the Falcon Dam area suitable for permanent nesting for whitewing doves.

The Commission changed harvest regulations for the Panhandle to increase the quail limit from six per day and twelve in possession to ten per day and twenty in possession. Wildlife Biologist A. S. Jackson of Canadian said improved habitat conditions had buoyed the quail population enough to justify the increase. The daily shooting period for wild turkey in that area was shortened to sunset instead of half an hour after sunset. The Panhandle pheasant season was closed for this fall.
