## More About Visiting Amarillo

(An Editorial)

People here seem to think Uranium Day in Amarillo was a poor excuse for ignoring Clarendon visitors on the same date which was Tuesday, March 15. No excuse was offered for the many times that we have been ignored or overlooked before, but they did manage to dig up the picture of our Lion Queen and print it last Friday.

Folks around here were riled up and still are. We appreciate the attitude of all those who called and visited the Leader office last week end; many expressed the desire to cancel subscriptions but we believe, after making known our attitude, items of ample news value will probably receive more consideration in the future.

A publication serving the great "Golden Spread" should serve that territory first. One place likes and appreciates publicity as well as the next. Shamrock received lots of good publicity last week of which we think they were due and should have received. We think Clarendon and other places in the Golden Spread should receive the same consideration, for it is from these places that Amarillo expects to

pull in those most thought of dollars.

Back to Uranium Day - - - we heard and read about several Amarillo business firms enjoying flourishing business on uranium equipment. That was quite a business promotion, much more than 86 visitors coming to town for a social visit.

Dollars will continue to be spent in Amarillo by residents of this area but we sincerely hope, in the interest of our own town and community, that everyone will make an effort to purchase what they can from merchants here at home, for the dollars spent here will be used in some progressive manner. We need better school facilities, paved streets, improvements in our church buildings and many other projects that mean the most to us in every day life. Dollars spent in Amarillo help to build Amarillo and takes just that much more away from us and generations to follow.

Let's not be satisfied with leaving our town or community as we found it, or worse. Let's make it something which future generations will be proud of, and a place where they will want to live and be happy. Dollars spent at home will do much toward that end.

## Meeting Called To Acquaint Parents And Others With Polio Vaccination

Saturday, March 26 at 2:30 p. m. in the Donley County Court Room there will be a very important meeting of all the mothers and fathers of the children who are enrolled in the First and Second grades in all the schools of Donley County.

The purpose of this meeting is to acquaint the parents and all interested persons as to the plans being made in Donley County and Texas for Polio Vaccination if the Salk Vaccine is licensed by the National Institute of Health. It is very important that you as parents be present for this meeting. All information concerning the Salk Polio Vaccine will be given to you at the meeting.

Everyone is invited to attend this meeting stated Ruth M. Richerson, County School Supt.

## Arson Trial Started Wednesday Afternoon

A jury was selected about 2:30 Wednesday afternoon to hear testimony in the trial of Murl (Shorty) Lynn who was charged with arson here last June. The trial was expected to get underway before Judge Luther Gribble during the afternoon and was expected to be of short duration. District Attorney Allen Harp is the prosecuting attorney and W. T. Link is the attorney for the defense.

Lynn was charged with arson in connection with the fire which caused considerable damage to the Lynn Barber Shop and the Charm Beauty Shop June 21, 1954.

## Tommy Saye Is New Weatherman

Tommy Saye is the new official weather observer for Clarendon. He received his appointment Tuesday of this week and his new job becomes official April 1st, although he has had the weather equipment for some time. He recorded his first moisture last Thursday, March 17th which amounted to .10 inch and his first cold weather which dipped to a low of 15 degrees Monday night.

Joe Goldston, who has been serving Clarendon as official weather observer for around twenty-four years, decided it was about time to turn the job over to someone else. "It's quite a job keeping up with the weather day in and day out, especially if you want to take a little jaunt now and then," Mr. Goldston stated.

DR. FRANK L. TURNER

## Spiritual Life Crusade at First Methodist Church

Rev. Ivey E. Biggs, Pastor of the First Methodist Church, announces this week that his congregation will begin a Spiritual Life Crusade Friday evening, April 29th and continue the same through Sunday, May 8, with services each morning at 7 and evening at 7:45 o'clock. He has secured the services of Dr. Frank L. Turner, General Evangelist of Fort Worth, who will bring the messages and direct the Personal Visitation.

Dr. Turner was for 15 years a pastor in Central Texas where he held important pastorates including Cisco, Ballinger and churches in Fort Worth. Clarendon people will remember him as President of McMurry College which position he held for four years. During his presidency the school was entirely freed from indebtedness and more than fifty thousand dollars added to plant property. Under his leadership, the institution enjoyed unusual progress both academically and financially.

Resigning his place at the college, he entered the field of Evangelism and was appointed a General Evangelist of the Methodist Church. Since that time, he has conducted more than 200 campaigns in 9 states and 13 Annual Conferences. These meetings have resulted in almost 3,000 conversions and additions while other thousands have reconsecrated their lives to Christ at the altar of the church. Where he has labored, there has been a great spiritual uplift to the church and community. The people of Clarendon and surrounding country are cordially invited to attend these services.

Mr. and Mrs. Charles W. Wood of Lubbock visited with Mrs. J. D. Wood and Evelyn over the week end.

## Invitation Track And Tennis Meet Here Friday

The first home track meet and tennis matches of the season will be held here tomorrow at the high school beginning at 9:30 A. M. The track meet will be held in Broncho stadium and the tennis matches will be held on the courts east of the gym.

Teams from Panhandle, Groom, Silverton, Stinnett, White Deer and Lefors, will be represented in the track meet and all towns in the district have been invited to enter teams in the tennis matches.

No admission charge will be made for either of these events and school officials are looking forward to a good attendance. Both track and tennis, which sorta died out here a few years back, are being revived again. The Clarendon teams made a good comeback showing the past two years and some quite good competitors are expected to emerge from the local teams this year.

## Grandmother Lowe Passes Away Tuesday

Funeral services for Mrs. Ann Haseltine Lowe will be held Thursday afternoon (today) at 2 p. m. at the First Baptist Church with Rev. J. E. Byers officiating. Mrs. Lowe, 87, died at her home here at 6:45 p. m. Tuesday. She had been a resident of Clarendon since 1921. She was a member of the First Baptist Church. Mrs. Lowe enjoyed and cherished a multitude of friends. She was always interested in contributing to the happiness of others.

Mrs. Lowe, the former Miss Ann Langley, was born Nov. 14, 1867, in Clark County, Ark. She was married to W. T. Lowe in Pike County, Ark., in 1883. Mr. Lowe preceded her in death here May 31, 1942.

She is survived by four sons, Sam W. and Walter I., both of Clarendon; Fred H., Dallas, and Jesse H. Lowe, Lubbock; five daughters, Mrs. Lillie Farrar, Portales; Mrs. Minnie Thomason, Jackson, Tenn.; Mrs. Ruby Bowers, Port Arthur; Mrs. Thelma Broadway, Wichita Falls; and Mrs. Mary Brown, Adrian, Texas; 29 grandchildren, 23 great-grandchildren and three great-great-grandchildren.

Grandsons of Mrs. Lowe will serve as pallbearers.

Burial will be in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Donley County Leader, \$2.50 year

REV. BYRON BRYANT

## First Baptist Church Announces Spring Revival—April 10-24

Plans have been completed for the annual spring revival for the First Baptist Church, according to a statement from the Pastor, Rev. J. E. Byers.

The revival will begin on Easter Sunday, April 10th and continue through April 24th, and is in conjunction with the simultaneous evangelistic crusade in which all Southern Baptist Churches will be engaged this spring.

The Evangelist for the Crusade in the First Baptist Church will be Rev. Byron Bryant, Pastor of the First Baptist Church, Stamford, Texas. Rev. Bryant is a very successful Pastor and Evangelist. He has held pastorates at Kermit, Texas and San Antonio, Texas, and is a very able gospel preacher.

According to the Pastor of the local Church, some very important meetings have been scheduled in preparation for this Crusade. Beginning Monday, March 21st, there will be five Cottage Prayer meetings held in five different zones in the community. These prayer meetings will continue through April 7th, and will total sixty five in all. On Friday, April 8th, at 7:30, the entire Church is planning to come together for a covered-dish supper and Church-wide Evangelistic Rally. Immediately following this program, beginning at 10 P. M., a "prayer chain" will start and continue until 9 A. M. Sunday morning, April 10th.

"We sincerely extend to everyone an invitation to attend the meetings during this evangelistic crusade," said Rev. Byers. He also pointed out that the Nursery will be open during all services for children under three years of age.

Mr. and Mrs. Jack Ballew may pick up their free movie tickets at the Leader office.

## MUSICAL AND NEGRO MINSTREL AT LELIA LAKE TONIGHT

### Break In Gas Main Near Memphis Interrupts Service In Clarendon

Clarendon residents were cooking without gas, if they were cooking at all, for the most part of Sunday, March 20th. This situation came about Sunday morning when a grader, working on a terrace near Memphis, severed the Lone Star Gas Company's main line which supplies Hedley, Lelia Lake and Clarendon.

Henry Tatum, manager of the local gas office, reported that the Lone Star Gas Co. repair crew went to work on the break within a short time after it happened. The big job was on this end of the line where Mr. Tatum and his crew had to cut-off all meters here and at Hedley before the pressure was turned on again. After this was completed and the gas was turned on again in the main line, Mr. Tatum and his crew retraced their steps again to restore service, help light furnaces, etc., which amounted to a long hard day. All this had to be done to avoid possible injury to person or property. "Safety and Service is our main thought to our customers and we want everyone to know we appreciate your patience and cooperation when something of this nature, beyond our control, occurs," Mr. Tatum stated.

### SPECIAL SERVICES AT LELIA LAKE BAPTIST CHURCH

Rev. R. R. Holton, representative of the United Texas Drys will speak at the morning service 11 a. m. Sunday, March 27 at the Lelia Lake Baptist Church. Rev. Vic Allen, former pastor of the Lelia Lake church, will speak and show films which he took in the Holy Land at the Sunday evening service which will begin at 8 p. m. The public is cordially invited to attend both of these special services.

### HIGH SCHOOL GIRLS PLACE SECOND IN VOLLEY BALL

The Clarendon High School girls placed second in Volley Ball competition at the District tournament at McLean last Saturday.

They defeated Shamrock in the first game and White Deer next. They lost in the finals to the Panhandle team which placed first in the district.

Mr. and Mrs. Wm. J. Lewis, Jr. are in Dallas this week attending the Texas and Southwestern Cattle Raisers Association.

The Junior-Senior classes of the Lelia Lake Schools are presenting a combination Musical-Negro Minstrel tonight at the Lelia Lake school building at 8 p. m.

Twenty songs, western, popular and negro spiritual type will be presented in addition to the negro minstrel. These two classes will be assisted in the program by Miss Thelma Moss, Donley County music instructor. Admission will be 25 and 50 cents.

The program will be presented for the benefit of the annual junior-senior trip to be taken following graduation. The two classes will appreciate your attendance at the program.

## More New Names To Appear On School Election Ballot

Another candidate, Bud Hermsmeier, has announced his candidacy in the trustee election here Saturday, April 2nd. This brings the total of candidates to three for the two trustee places on the board of the Clarendon Independent School District. The other candidates are Dr. J. Gordon Stewart, for re-election, and Bob Moss, another new candidate.

In the county board trustee election which will be along with the local election, county board trustees will be elected for precinct 2 and 3 and also county board member at large. George Ballman, precinct 1, and Edwin Eanes, precinct 4 are hold-overs on the county board. A petition bearing the name of John Heat for county trustee Precinct 2 was filed with the county superintendent this week, and R. E. Drennan, whose term expires, has stated that he will not run for re-election. Another petition was filed also bearing the name of Mike McCully for trustee at large. The present board member at large, W. A. Poovey, is running for re-election. W. W. Riggins has announced for county trustee in Precinct 3; Quinn Aten, retiring member of Precinct 3 is offering for re-election also. These two names will appear on the Lelia Lake school ballot and the others mentioned above will be voted on here along with the regular trustee election.

## Deadline Near For New Car Tags

Thursday, March 31st is the deadline for purchasing new license plates as new tags must be on all vehicles April 1st if such is operated on a public road of any kind. This means that there will certainly be a mad rush at the tax office in the court house as only about one-third of the usual registrations have been made to date. It also takes more time to fill out necessary papers than it did several years ago.

Tax office officials are reminding everyone to bring their car title and old license receipt along with them. This will eliminate delay and speed up registration operations. They pointed out also that only expiring title transfers will be handled during the last few days unless title papers can be left at the office and worked out during any possible lull periods. If you don't want to be caught in a long line, it will be best to go by the next day or so and purchase your new tags and not wait until next week.

Through Tuesday of this week only 717 car tags had been purchased, 300 farm tags and less than 100 commercial.

## REV. ENNIS TO PREACH AT PRESBYTERIAN CHURCH SUNDAY

Rev. Ennis, assistant pastor of the 10th Street Methodist Church, Amarillo, will conduct the morning worship services at the Presbyterian Church here Sunday, March 27th. All members are urged to be present and visitors are always welcome.

## No Ports Needed by Army Supply Men - Any Beach Will Do!

LE VERDON, France—Scenes reminiscent of the Normandy landings more than a decade ago are being re-enacted here. Without benefit of port or dock facilities, American soldiers battle winds, rough waters and low fogs to unload vital cargo destined for troops in Germany. The goods are moved from ship to amphibious landing craft and then to waiting trucks on the beaches.

Chief purpose of the monthly operation is to prepare Transportation Corps units of the Army's Communication Zone to cope with unloading operations in event normal port facilities are not available. Loss of port facilities anywhere in Europe, Army officials say, would cause only a momentary slow-up in movement of supplies to American units in Germany.

## GARDEN CLUB

The Garden Club met Thursday afternoon, March 17 at Patching Club House with Mrs. M. C. Rumpy, president, presiding at the business session and roll call. The club rooms were decorated throughout with spring flowers. Mrs. C. D. McDowell and Mrs. John Goldston were hostesses. Mrs. J. H. Howze opened the program giving "Legends of Many Texas Wild Flowers" written by Nancy Rickey Ranson. She also read several poems. Mrs. Frank Phelan, Jr. sang a solo, "Home On The Range," which was enjoyed by everyone.

The dining table was laid with a beautiful lace cloth, hand-made by Mrs. McDowell, and was centered with an arrangement of violets and shamrock leaves. Refreshments of individual cakes, lime punch and mints were served with Mrs. Joe Goldston presiding at the crystal service.

Attending were Mesdames J. H. Howze, A. L. Chase, Bill Greene Sr., Joe Goldston, W. W. Taylor, Joe McMurtry, Frank Phelan, Frank White, Jr., O. C. Watson, Lena Antrobus, Pete Kunz, Frank Phelan, Jr., Lee Holland, M. C. Rumpy, one visitor, little Miss Mary Jo Moss, and the hostesses, Mrs. McDowell and Mrs. John Goldston.

## SOPHOMORE CLASS

The Sophomore Class met Tuesday morning. The meeting was called to order by the vice-president, Donald Mills. It was decided to have a party in the near future. The following committees were appointed: Entertainment — Margaret Grubbs, Steve Reynolds, Chester Mann, Jimmy Carter and Roland Hill; Food — John Payne, Joyce Hall, Elaine Hopkins, and James Graham. Both of these committees will serve as a decorating committee. —Reporter.

## MIDWAY CLUB

The Midway Club met March 15th with Lillie Carmichael as hostess. Thirteen members were present: Bobbie Dishman, Lucille Eanes, Nora Goldston, Marjuria Hensley, Loyd Hillis, Delia King, Nell Land, Ellen Moreland, Ida Pickering, Allie Quattlebaum, Leona Scott, and Eddie Williams enjoyed the day and the delicious noon day meal. Two quilts were finished.

It was decided to quilt at Mrs. Quattlebaum's for the public on March 29th. Bring a sack lunch this day. Our next regular meeting will be at Bobbie Dishman's April 5th. Hope to see you there.

Sorry Louise Riley is ill and was unable to be with us. Wish her a speedy recovery; missed you so Louise. —Reporter.

## GOLDSTON QUILTING CLUB

The Club met Thursday, March 17th with Gertrude Reid in all day meeting. Two quilts were worked on and one finished.

A lovely lunch and refreshments were served to 12 ladies.

Those present were Joy Roberson, Nora Smith, Adgar Williams, Nora Jackson, Geraldine Jackson, Sallie Hatley, Katie Scoggins, Ola Bradshaw, Bertha Reid, Belle Davis, Willie Putman and Gertrude and Bert Reid hostesses. Nina Dale received Pollyanna.

Next quilting will be for May Pearl McDonald in the home of Carrie Morgan Thursday, March 24th. —Reporter.

## ENGAGEMENT ANNOUNCED

Mrs. J. D. Wood of Clarendon is announcing the engagement and approaching marriage of her daughter, Evelyn Jean, to Jiggs Mann, son of Mr. and Mrs. Gilbert Mann. The wedding will take place on April 8 in the First Baptist Church. —Reporter.

## RUBINSTEIN CLUB

The Rubinstein Club met at 4:30 March 16th for regular meeting in Lilly Larsen Studio. President, Janiece Christal presided. All members sang "The Federation Hymn." Shirley Wiedman led Club Collect. All members gave Club Pledge in unison. Marcia McMurtry directed singing of our state song, "Texas Our Texas", accompanied at piano by Janiece Christal.

Roll call was answered by each giving a title of a composition written by Edward McDowell.

Recording secretary read the minutes which were approved. Mrs. Bill Todd directed program Edward McDowell.

Introduction — Shirley Wiedman. McDowell's Ancestors — Connie McMurtry.

First Piano Lessons — Marcia McMurtry. Visit to Grandparents — Bonnie Ellen Rodgers.

McDowell Colony — Beth Gillham. Comments by Lawrence Gilman — Janiece Christal.

Life Story of McDowell — Mrs. Bill Todd. Piano Solo, "Shadow Dance", by McDowell, played by Janiece Christal.

After adjournment, Miss Jewell Ellis served refreshments.

## ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met for a St. Patrick's Party Thursday, March 17, in the club room.

A short business meeting was led by the president, Mary Lou Harrelson and Viola Graham gave the opening prayer.

Several Irish games were played by the group with Ruby J. Hardin leading the games. Mary Lou Harrelson gave a short history on St. Patrick's life.

The next meeting will be April 7th with Vena Hudson leader and Sue Rhoades hostess. Everyone remember to wear a home-made Easter hat as this will be our Easter program.

Refreshments of chicken sandwiches, fruit jello and whipped cream, green clover cookies and green punch was served by the hostesses Ruby J. Hardin and Lena Mae Graham to 18 members, 2 visitors and 7 children. —Reporter.

## LAFF OF THE WEEK

"No... Freddie cannot come out and play!"

## 7-A ENGLISH CLUB

The 7-A English Club met Monday, March 21 in English Club room. President, Pat Owens, called the meeting to order; Secretary Ann Elliott read the minutes of last meeting.

New officers were elected: Maggie Morrow, president; Lowell Hall, vice president; Jacquie Bell, Secretary; Judy Johnson, Reporter. —Reporter.

## 7-B ENGLISH CLASS

The 7-B English Class met in Mrs. White's room on March 21, 1955 at 9:30 A. M. Wayne Mann was elected president; George Mayes was elected vice president; Don Hudgins was elected secretary, and Jerry Allen was elected reporter. We discussed what we would do for next week. —Reporter.

Dinner guests in the home of Mrs. N. L. Jones Sunday were Mr. and Mrs. Raymond McKee and James Raymond of Houston; Jim McKee of Dallas; Mr. and Mrs. Joe Humphrey and family of Pasadena, Texas; Mr. and Mrs. Geo. McKee, Mr. and Mrs. John Jones, Mrs. Jean Hester, and Mr. and Mrs. John Hester and family, all of Clarendon.

Sgt. and Mrs. Ronnie Lamberth and children arrived Wednesday to visit in the home of his parents Mr. and Mrs. G. A. Lamberth and family. Sgt. Lamberth has been stationed at Ft. Campbell, Kentucky and is enroute to Monterey, Calif., where he will attend school studying the Chinese language.

Mr. and Mrs. Clyde Wilson and Pat of Indio, Calif. were called to Amarillo to be with his brother, Floyd Wilson, who is a patient in Underwood Clinic in Amarillo. They arrived Friday night coming to Clarendon Saturday. While here they are visiting in the home of Mr. and Mrs. Billy Roy Blackman and family.

Mr. and Mrs. R. C. Hill and Bill and Miss LaTrelle Riddle went to Ralls, Texas Sunday where they attended a birthday dinner honoring an aunt, Mrs. Maude Sadlin of Levelland. The dinner was held in the Noble Grant home.

Dinner guests in the home of Mr. and Mrs. Carrol Lewis and Wayne Sunday were Mr. and Mrs. Joe Brown and Mr. and Mrs. Gordon Moore and son of Amarillo, Mr. and Mrs. Leland Lewis and boys of Groom, Mrs. E. L. Lewis, and Mrs. Carol Lane Phillips and girls.

Mr. and Mrs. Dwayne Hudson of Amarillo are the proud parents of a boy, born March 16 at an Amarillo hospital. He weighed 6 lbs. 2 oz. and was named John Neely. The grandparents are Mr. and Mrs. Neely Hudson of Clarendon and Mr. and Mrs. J. L. Glasgow of Amarillo.

Mrs. Will Johnson who underwent surgery at Northwest Texas Hospital to correct a gall bladder ailment was moved to the home of her sister, Mrs. Russell Clark of Amarillo, Friday of the past week. She hopes to be able to return home the last of the present week.

Mr. and Mrs. Ben Daniels of Fort Worth announce the arrival of a son, March 11. The young man weighed 7 lbs. and has been named William Kent. He is a grandson of Mr. and Mrs. Will Johnson of Clarendon.

Mr. and Mrs. Raymond McKee and James Raymond of Houston, also Jim McKee of Dallas spent the week end with their parents, Mr. and Mrs. George McKee and other relatives.

Mr. and Mrs. Joe Brown and Mr. and Mrs. Gordon Moore and son of Amarillo visited relatives here over the week end.

Mr. and Mrs. J. H. Hurn and Mr. and Mrs. L. N. Cox visited Sunday with Mr. and Mrs. Joe Dilli at Lubbock.

Free tickets to the Mulkey Theatre are waiting at the Leader office for Mr. and Mrs. H. L. Riley.

### Parent - Teacher Talk

The Sims P.T.A. held their regular meeting on March 17, 1955 in the Junior High School Auditorium. Mrs. T. M. Caldwell, President called the meeting to order then turned the program over to the fourth grades. These students with the aid of their teachers put on a very good program about "The Old West Comes to Life." The program was enjoyed very much.

Mrs. Caldwell then asked Mr. Newton Richardson to take over. Mr. Richardson explained that the Cafeteria received every year a \$500.00 donation from the West Texas Gin and that the P.T.A. wished to express in a small way their thanks to Mr. Basil Smith who is manager of the Gin.

The Nominating Committee made their report for nomination for the officers of the coming year and Mrs. Lawrence Neece presented the list and recommended that the entire list be accepted. The vote was taken and accepted for:

Mrs. T. M. Caldwell, President; Mrs. Bob Moss, Vice-President; Mrs. M. G. Helton, Treasurer; Mrs. N. R. Hutton, Secretary;

### Political Announcements

Announcements in this column are subject to the City Election, Tuesday, April 5, 1955. All announcement fees must be paid in advance.

For Mayor:  
MAJOR B. HUDSON  
H. T. BURTON

SAAR PROTEST . . . West German police curb Bonn demonstrators against Paris agreement providing for re-armament, end of occupation and neutral Saar valley.

Mrs. C. E. Deyhle, Historian; Mrs. Lawrence Neece, Parliamentarian; Mrs. L. E. Yankie, Finance; Mrs. Earl Barker, Membership; Mrs. P. R. Slavin, Social; Mrs. Chas. Blackburn, Cafeteria; Mrs. Dick Vallance, Character and Spiritual; Mrs. Frank Phelan Sr., Civil Defense; Mrs. D. F. Cook, Legislative.

Mrs. J. N. Weaver told what the Girl Scouts in Clarendon were doing and had the girls both Brownies and Girl Scouts to sing some of their songs. Then she appealed to the mothers to help the Girl Scouts by becoming

leaders because there is such a need.

Mr. J. B. Melton then said the Boy Scouts were having the same trouble in finding leaders and the boys of Clarendon need Boy Scouting.

Mr. Homer Estlack made his talk for the School Board. Mr. Estlack told how members of the School Board were elected, also he gave four points that he believes it takes to be member of the School Board. It was also explained as much as time permitted where the taxes for the School District were being used. We just seem to have too many good things in our program and the time is gone.

Mrs. Mary Rhode's room won the room count this meeting.

We wish to thank all interested people that visited the school during the Public School Week.

Devil's Island is off the coast of South America.

Sacramento, California was formerly called Sutter's Fort.

The Constitution requires that the census be taken every ten years.

The sugar content of the blood increases under stress of strong emotion.

### NOTICE

Notice is hereby given that the Board of Commissioners of the City of Clarendon will receive bids for a tractor of a crawler type with tracks, such tractor to be large enough to move and load one and one-fourth yards of dirt, with a H.D. 10 Allis-Chalmers tractor and Ford tractor with loader to be traded in, such bids to be received at the City Hall of the City of Clarendon, in Donley County, Texas, up to 5:00 o'clock p. m., April 25, 1955.

The Board of Commissioners of the City of Clarendon reserves the right to reject any and all bids.

The City of Clarendon  
By Major B. Hudson,  
Mayor.

### YOUNG PEOPLE ATTEND WORLD MISSION CONFERENCE

The first World Mission Conference for Texas Baptists opened in Fort Worth Monday with several young people of the Clarendon Baptist Church attending. Discussions concerning mission work were held in four of the Fort Worth Churches, each church taking into consideration a different field. General sessions were held in Will Rogers Coliseum. The conference was opened with a Youth Rally, the speaker being Baker James Cauthen. Sessions were closed Wednesday night.

Attending from Clarendon were Harlene Smith, Lucy Richardson, Joyce Eddings, Lloyd Risley, and Rev. and Mrs. J. E. Byers.

### RECEIVES INJURY IN CAR WRECK

Mr. and Mrs. R. L. Anderson of the J. A. Ranch and Mr. and Mrs. R. L. Anderson, Jr. and family of Glacier, Texas were called to Canadian Sunday morning when Mrs. Anderson, Jr.'s mother received critical injury in a car wreck. Mr. and Mrs. Davis of Stratford were enroute to their home from Glacier when the car went out of control and overturned. Mrs. Davis was taken to a Canadian Hospital where she is not expected to recover. Two of the young Anderson children accompanied their grandparents home.

Mr. and Mrs. J. H. Helton spent Sunday in Amarillo where they visited in the home of Mr. and Mrs. Forest Helton.

Mr. and Mrs. Johnny Johnson have free movie tickets to the Mulkey Theatre at the Leader office.

### Will Sand Storms Come This Spring?

John White, Commissioner Texas Dept. of Agriculture

It is a standard joke that you can see a lot of Texas if you just stand in one spot and watch the land go by.

This has been particularly true the past two years. Many an East and South Texas housewife hurriedly removed her wish from the line to save it from a coating of West Texas dust last spring. On occasion, even the red and white soils of Kansas and Nebraska cast a pall over the Texas sun.

Yet, the re-occurring dust storms are nothing to joke about. They are physical proof of the tragic destruction and loss of precious soil.

What are the prospects for 1955? A recent study by the Department of Agriculture indicates the wind erosion conditions still exist in West Texas and six other midwestern states. Drouth has held sway over this region for four years or more. Last spring the most widespread and severe soil blowing since 1938 was experienced. As a general rule, conditions have not much improved since last year. In some places, moisture and crop conditions have deteriorated still further.

This doesn't mean that dust storms and wind erosion will be worse when the usual high winds of March and April come. It depends on the force and persistence of the spring winds—and on the amount of rain that may yet fall. Fortunately, some rain has been received in parts of West Texas and the South Plains, but more is needed.

More than 4 million acres of land in the seven-state area were damaged by wind erosion this

winter. If above-normal winds come to the region this spring as they did last year, farmers probably will have a serious dust problem.

If the sand comes, it will again point up the need for adequate conservation practices. The government in the past has provided cooperative funds to encourage permanent improvements that will protect the soil in "blowing" areas. Protected land is the only sure solution to the annual problem.

Evidences of cancer have been found in early Egyptian mummies.

Dinosaurs existed about 50 million years before man appeared on earth.

The gardenia is named for Dr. Alexander Garden of Charleston, North Carolina.

Donley County Leader, \$2.50 year

We Deliver

# Thanks FOR YOUR Patience and Cooperation

We wish to thank our customers in this area that were without natural gas Sunday, March 20th due to the break in the Lone Star Gas Co. main feeder line, for their patience and cooperation while the pressure was off.

Gas to this area is supplied by the Lone Star Gas Co. and their main line at the northwest edge of Memphis was severed by a grader working on a terrace. The repair was made to the line in a reasonably short time, but to avoid possible danger to life and property, everyone had to be notified or meters cut off before pressure could be restored. This took considerable time and we do want everyone to know that we appreciated your patience and cooperation. Service and safety to our customers is our main thought.

Adventurer." This is a 1954 edition from the Sear's Club. Their books are not always the current year editions. It may not be the type of book you desire, as quite a few of Ernest Haycox's novels are not books that are enjoyable. "The Second Happiest Day" by John Phillips is a book given us by Mrs. Alfred McMurtry. Phillips is John P. Marquard Jr. While the book is a 1953 edition we have not had it on our shelves before.

There are several memorial books ordered and some children's books. All orders seem longer than usual in transit. Quite a few of the girls' books will have to be replaced as some are lost and others badly worn. Children's books are very expensive. The last Hader book I recently ordered is \$3.00. The Hader editions are lovely stories, and so gorgeously illustrated. No child's book by the known writers is less than two dollars. The Golden Books are still published in the cheap bindings as well as the expensive bindings. The Library has some interesting material for adults, too.

TO THE PEOPLE OF THE 18TH DISTRICT

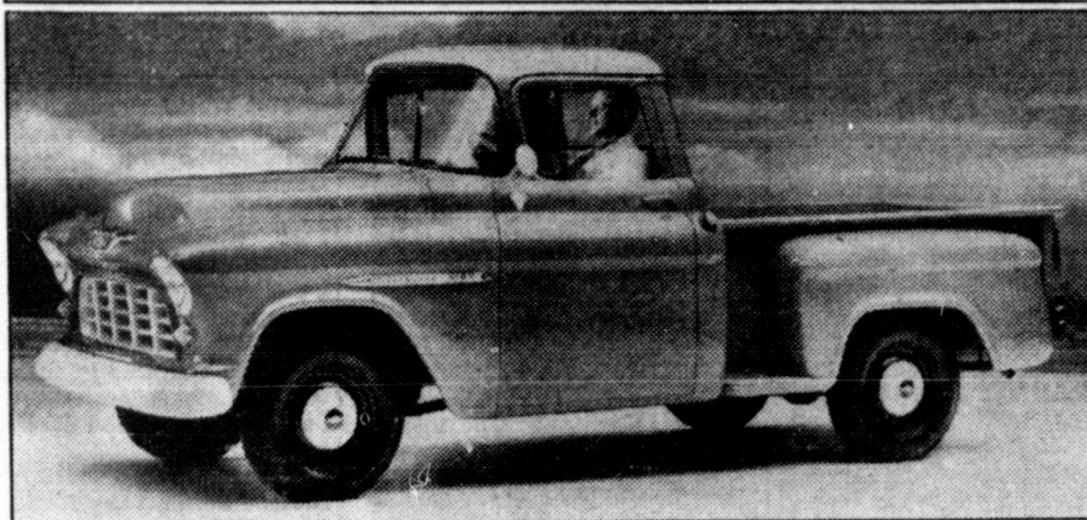

By Congressman Walter Rogers

VOICE IN THE WILDERNESS

The continued trend toward federal control makes those of us who have constantly fought centralized government feel that ours may be a "voice in the wilderness". However, there is a hard and unyielding group in the Congress who will continue this fight until the bitter end or until success crowns our efforts. Our

ranks have been thinned to some extent during the last few years, but the true test will probably come during this session of Congress if some of the legislation now pending is brought to the floor for a vote. I shall not attempt to explain any of these bills, because the space available for this newsletter is wholly inadequate to touch the surface. I do warn the people to watch with a wary eye pieces of legislation that are represented to you as being very beneficial for your particular group or interests. What is happening is simply this. The obvious concessions to be gained by a particular group are pointed out and blown up by propagandists for the purpose of selling the bill of goods. In the merchandising business it can be called "puffing one's wares". This puff-

NEW CHEVROLET PICKUPS IN TWO SIZES

Chevrolet's ever-popular light pickup trucks incorporated in the 1955 line. Two pickups are promise to win even greater favor this year. A offered in the light-duty series, one featuring a long list of improvements that range from added 78-inch length box, the other a 90-inch length. driver convenience to beauty of design has been Pickups are among 75 models on 15 wheelbases.

ing is done by the lobbyist representing the group and being paid for his services. He knows what his group wants and moves forward to get it. But, he fails to tell the people the price that is being paid. The Constitution of this country recognized that the success of the Democratic form of government depended upon the government being close to the people. Our forefathers recognized that a centralized government in Washington could not be close to the people because of the great diversity of economic pursuits available to people in a land so richly endowed as ours. They realized that if this land was governed from a central point, whether it be Washington, New York or Denver, it could not be a democratic form of government but must be an iron hand government of either monopoly or statism, either of which would make economic slaves of the people. Yet various groups who are seeking legislative favors are daily asking for the passage of laws that actually circumvent the intents and purposes of the Constitution and would move this country and our people into that central federal control that you and I know must lead to socialism. Do not misunderstand me. I am not talking about any one particular group, because I can

show you proposed legislation from many groups, rich, poor and intermediate, who are deeply sincere in what they are asking for, but who obviously fail to realize the price they are offering to pay. Let us all remember that with every right there is a responsibility. When you are told that you will gain certain things, never fail to ask about the price you are paying.

RUSSIAN RIFLES

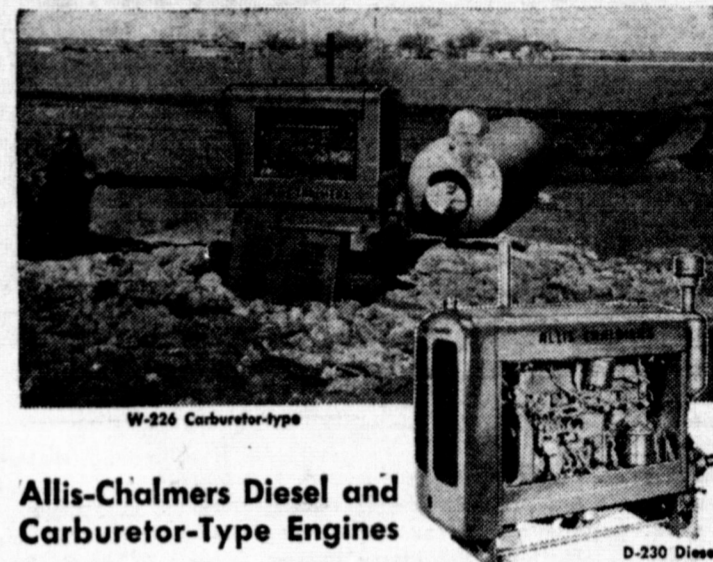

My good friend, J. C. Phillips, of Borger who is one of the best communist watchers in this country, sent me an advertisement the other day which offered Russian army rifles for sale. I immediately conferred with the Department of Justice and the Treasury Department concerning these firearms. I recently received a communication from the Alcohol and Tobacco Tax Division of the U. S. Treasury Department, who has jurisdiction of this particular situation, concerning the importation of Russian army rifles. This communication disclosed that the Pasadena Firearms Company of 927 E. Colorado Street, Pasadena, California, imported 1,000 Moisin rifles (Russian), caliber 7.62 m.m., from Spain under U. S. Import Permit No. 541, dated June 18, 1954. These guns were a portion of the rifles captured from the rebels in

the Spanish Revolution and were offered to United States arms dealers for several years. The Department advised me that this company is owned by Mr. Alvin D. Gettler. The advertisement furnished me by Mr. J. C. Phillips had been placed in the magazine by the Golden State Arms Corporation. The Treasury Department advised me that this company had obtained the firearms which it had offered for sale in December of 1954 from the Pasadena Arms Company. The Golden State Arms Corporation

was also owned by Mr. Alvin D. Gettler. The letter concluded that the Treasury Department had found no violation by the Golden State Arms Corporation. I have some other information on Russian Army rifles that is very interesting and that I am going to run down. It seems that there are quite a few of these in this country.

From where I sit... by Joe Marsh

Finally Talked Herself Out

A certain talkative young lady almost spent a night locked in "Doc" White's drugstore.

She entered Doc's store about 11 P.M., going directly to the pay phone. At eleven-thirty Doc went home—not having seen a customer for a half hour. Around midnight he got a call from the store... she had finally run out of conversation (and money) and found the front door locked tight.

Doc vowed he'd leave her there to teach her a lesson. But Mrs. W. spoke up: "Now you go turn her loose. It's hard to cut a good

conversation short — something only a woman understands!"

From where I sit, however, plenty of men are as hard to pry away from a telephone as any female. Some people are just naturally long-winded, while others are the silent type—just as some of us like coffee and others prefer a glass of beer. The important thing is to be considerate... before friends start giving us the "busy signal."

Joe Marsh

## Caribbean TV

Television is catching up with the Caribbean Islands. High on Marquesa Mountain, 12 miles south of San Juan, P. R., a hurricane-proof tower and transmitter have been erected. Microwave links the tower to studios of WKAQ-TV Telemundo in San Juan.

More than \$700,000 worth of television equipment has been purchased from International General Electric, S. A., for the new station, whose 100-kilowatt signal covers not only Puerto Rico but the Virgin and other islands of the Caribbean.

Besides live shows a number of the most popular U. S. shows are aired, those used in English including "I Love Lucy," "Studio One" and "Victory at Sea." Spanish sound tracks have been dubbed onto "The Cisco Kid," "My Favorite Story" and "The Unexpected." Boxing bouts from the United States are shown a week later, with a Spanish-speaking announcer.

The optimist sees things as they should be—not as they are.

Judging a man's future by his past is always a poor policy.

Better be late than disintegrate.

Mr. and Mrs. Bill Weatherly may call for their free movie tickets to the Mulkey Theatre at the Leader office.

**NEEDLE FOR SOLDIERS** who are slow to get the point? No, this wicked looking instrument is not for inoculations. It's a training aid used to help teach medical technicians at the U.S. Army Hospital, Fort Leonard Wood, Mo. The giant hypodermic syringe, guaranteed painless, is held by Colonel Frank Miller while Colonel A. R. Driesbach, hospital commanding officer, examines the business end.

**THE LION'S TALE**

By Carl Allmond

**NOW WE ARE MAD!**

About five o'clock last Thursday afternoon, Al Hall, The Amarillo Daily News Regional writer, called us to ask if we could supply him with a list of names of all those Lions who attended the luncheon in Amarillo last Tuesday. Having just returned from our vacation, and not knowing the temperament of the Lions who attended, we assured him we could get the list. After calling an officer of the local club for the list, we soon discovered that the trip was history and a late report in the Amarillo paper could not heal the "wounded pride" of the Lions. We called Mr. Hall and explained our situation—we could not get the list. We also told him that, since we were not present at the Amarillo luncheon, our pride was more or less intact. We asked him to convey our apologies to Mr. Izzard for having invited him to attend as our guest writer for "The Lion's Tale," published in the Donley County Leader. We can assure Mr. Izzard that, had it been possible, we would have been in Amarillo, to do our own reporting, regardless of our admiration for him and his ability to write. We tried and failed to get the meeting postponed until our return.

It so happens that we have a 100% attendance record over a period of seven or eight years in the local club. The board of directors agreed that if a member could not attend, he could invite a guest in his place. We invited three guests, of which Mr. Izzard was one. In checking, we find that none of our guests were present. Unless we attend another club meeting or a committee meeting, our perfect attendance record will be broken.

If this uranium epidemic and our absence justify Mr. Izzard's inability to attend, it's satisfactory with us. We plan to continue reading "From A to Izzard," and to make Amarillo our headquarters, when outside of Clarendon. We will take the blame for the unfortunate situation, and do our utmost to further the pleasant relationship with Amarillo and The Amarillo News. This, provided Mr. Izzard will retract his state-

ment, "Clarendon Coca-Cola Magnate, Carl Allmond". We have spent years trying to impress our associates that we are the hardest-working man in town; this myth has been exploded by Wes Izzard.

New members introduced by Boss Lion McCully Tuesday are as follows: Glenn Adkins, B. B. Osborn, Kenneth Strickland, and Forrest Sawyer. Visitors were Clyde Wilson of California, Stanley Bob of Amarillo, Henry Gates Steen, Assistant Attorney General of Austin, Bob Nabors, Assistant District Engineer, State Highway Department of Childress, and Tom Manning, Frederick, Okla.

John Gillham was in charge of the program. Mr. Gillham and his students from Lelia Lake were advertising the Junior-Senior class Negro Minstrel. Sue Beth Hill, Janiece Christal, Marilee Smith, Thelma Moss, Billy Ray Johnston, Dale Ayers, and Boyd White presented varied musical numbers and skits taken from the minstrel.

**SCHOOL CAFETERIA MENU**

**FARM NEWS**

from the County ASC Committee

**WIND EROSION CONTROL PRACTICE**

We have received word that the "Wind Erosion Control Practice" is in effect again. You may make application at this office for CHISELING on the contour or not on the contour. Payment can be made for LISTING ON THE CONTOUR only at the present time. The payment for these two practices is 90¢ per acre.

If you intend to carry out either or both of these practices, please come to this office and

make application by March 31, 1955 so that you will receive assistance.

If you have already listed or chiseled your land, payment cannot be earned unless the operation is repeated.

This is a WIND EROSION CONTROL PRACTICE, so be sure to take advantage of it and help save our valuable top soil.

If you intend to carry out any regular ACP practice during the month of April be sure to come by the office and make a request for assistance any time from now until April 1st, so that you will be given due consideration prior to the time when you plan to carry out the practice.

Mr. L. D. Aten, Jr., our County Performance Supervisor, is at the Dickens County ASC Office this week to lend them a helping hand and will not be back in this office until March 28th.

**COTTON PREMEASUREMENT**

April 15th is the deadline for making application to have your cotton acreage premeasured. The charge for this service is \$7.00 per farm plus \$2.00 for each additional plot after the first one. If you desire this service you must make application at this office and pay your fee at the time you apply.

# PLOWIN' Out the CORNERS

*By Uncle Zeb*

Someone sent us the following slogan taken from a sign in a certain place of business; "We Buy F.O.B., We Pay C.O.D.; We Serve P.D.Q.; So We Cannot live on I.O.U."

The following little poem was handed to us by our good friend Cecil Hubbard. It was written by his mother, Mrs. Ruth Hubbard who writes very beautiful poetry mostly just to express her feelings toward her family. This little short poem was sort of thrown

in with a long one written especially to Cecil. We thought this must surely express the deep thoughts of many a mother. It goes:  
If I could have my fondest dreams  
And my dearest wishes then,  
I'd want to be just what I am  
Just an humble mother of men.

Many of you read our story in the March issue of Southwestern Crop & Stock, at least we hope someone did, about the new organization known as the United Peace Officers of America and their dedication to the tremendous task of building a \$200,000. school building for Boys Ranch. We have already secured our membership and received our own beautiful membership card for our billfold. Anyone donating one dollar or more can become a member for one year in this fine organization started by the "Cops" to help the boys that have perhaps at some time in their life

had a little brush with a peace officer. If you are not a peace officer you can send in your contribution to Judge Clarence Williams of Panhandle and he will send you a card making you an Honorary member. If you wish send it to us and we will forward on to the Secretary.

If we would soften a sorrow?  
Tell it to a friend.  
If we would increase a joy;  
Share it with others.  
If we would solve a worry;  
We should do something about it.

John Newton Baker once said:  
"You can always measure the size of a man by the size of the things that make him mad."

Someone else has said that:  
"Before we decide to make a living out of our wits, we should always be sure we have the necessary equipment."

We heard this too; "An optimist is a fellow who takes the cold water that is thrown on his ideas, heats it with the fire of his enthusiasm, makes steam and then pushes ahead."

We are afraid that the follow-

ing might be true; "Reputation is like a bubble, if we blow it too much it is likely to burst."

Doubt sees the obstacles—faith sees the way.  
Doubt sees the darkest night—faith sees the day.  
Doubt dreads to take a step—faith soars on high.  
Doubt questions—Who Believes—faith answers—"I".

By PRICE DANIEL  
U. S. Senator

The big debate in Washington this week has been about taxes. It arose over the bill to extend present corporate and excise tax rates for another year as recommended by the President. Everyone realized the necessity for this extension, but the House added a tax reduction amendment effective January 1, 1956, in the form

**DR. H. R. BECK**  
DENTIST  
Goldston Bldg.  
Clarendon, Texas Phone 45

of a \$20 tax credit for each taxpayer and dependent. Democrats in the Senate supported a similar type of tax credit but with a "balance the budget" feature added.

The Administration cried "politics" at the Democratic effort to provide now for future tax relief. It is true that "politics" has been at the root of this fight, but it has not been all on the Democratic side. The Republicans clearly indicated that they would offer some type of attractive tax reduction proposal next year just before the elections. That is one of the main reasons that the House Democrats decided to sponsor their type of tax reduction now even though it would not be effective until next year.

**The President's Mistake**  
If President Eisenhower had stayed firmly behind his campaign pledge to balance the budget and stop deficit financing, the present tax fight would have been avoided. A great majority of the Democrats in Congress would have agreed that no further tax cuts should be made until the budget is balanced. However, the President made the mistake of recommending tax cuts and adjustments especially attractive for corporations and business interests last year in spite of an unbalanced budget, and then again this year, in his "state of the Union" address, the President said maybe we could cut taxes more next year. He seemed half joking, or at least amused, as he leaned over the rostrum and predicted an election year tax cut.

It is the writer's opinion that both political parties are making a mistake in thinking that small tax cuts are more attractive to the voters of this country than a balanced budget. Our mail indicates that most citizens, including those with low incomes, think that they will be served best by stopping the inflation caused by deficit financing, and most of them think we should stop piling up additional debts for our children and grandchildren to pay.

**Deficit Financing**  
Long before coming to Congress, your Senator has opposed deficit financing by both State and Federal Governments. It was a pleasure to have a part in passing the "pay as you go" amendment in Texas which has kept a balanced budget in our State most of the time since its adoption. Except for the 10% tax reduction which went into effect automatically this year, I have opposed other tax reductions until the Federal budget is balanced.

Our national debt exceeds the total national debts of all other nations combined, and it has been my view that we should not increase this debt short of total war. Any present tax reduction or new government expense will be made on borrowed money to be repaid some day with interest by ourselves, our children or their

children. The reason for the recent members of Congress who wholly justified, but think they should come out of increased deficit financing, but only after the budget is balanced. That is why Senate Democrats provided for balancing the budget as part of our future tax reduction proposal.

**New Texas Appointments**  
Last week two more Texans were appointed to highly important posts in Washington. Dillon Anderson, who was reared in McKinney and has practiced law in Houston with Baker, Botts, Andrews and Sheppard, has become a member of the staff of President Eisenhower. He will be Special Assistant to the President for National Security Affairs.

Weldon Jones of Farmersville, Texas, has been nominated by the President to become a member of the United States Tariff Commission. He attended Baylor and the University of Texas and has been in government service for many years, part of which was in the Philippine Islands where he served as Acting High Commissioner on several occasions.

## SEE THEM FRIDAY! New Chevrolet

It's the largest and finest fleet of trucks ever built by the nation's No. 1 truck builder. Whatever your task or trade, there's a new Chevrolet truck to make or save you money on the job. Come and look 'em over!

Now Chevrolet introduces "Work Styling"—an exclusive development in truck design. Plus new engines—new capacities—new Overdrive and Power Steering—new features and advantages throughout!

Here's what happens when America's leading truck builder pulls out all the stops! Here are trucks that are new from the drawing board out!

New styling in trucks  
Fleet, functional styling that fits your job! For the first time in any truck line, two distinctly different styling treat-

ments are offered—one in light- and medium-duty models, another in heavy-duty. Your handsome new Chevrolet truck will be a profitable advertisement-on-wheels for you and your business!

A new outlook for the driver  
Truck driving was never like this! The new Flite-Ride cab is everything a

driver could wish for, from its big Sweep-Sight windshield to its concealed Safety Step that keeps clear of mud or snow! The new instrument panel and controls are the last word in truck driving convenience!

Six new "high-voltage" engines  
With a new 12-volt electrical system for quicker, surer cold-weather starting and increased generator capacity! Plus more efficient cooling and lubrication systems, an improved fuel system, and completely redesigned engine mountings.

And much more that's new  
Like the smoother, load-steady ride... new High-Level ventilation... tubeless tires, standard on 1/2-ton models... Power Brakes\* for all models, standard in 2-ton models... new 18,000 lb. max. G.V.W. in 2-ton models. And there's a new choice of transmissions, including new Overdrive\* and Hydra-Matic\*. New Power Steering\* for all models. Come in and see the newest things in trucks!

\*Optional at extra cost. Overdrive available on 1/2-ton models, Hydra-Matic on 1/2-, 3/4- and 1-ton models.

### YOUR 1954 Income Tax Credit For Retirement Income

Under the new law for 1954, a taxpayer may qualify for a retirement income credit if he received earned income in excess of \$600 in each of any ten calendar years - not necessarily consecutive - before the beginning of the taxable year.

If qualified, a taxpayer is entitled to a credit for retirement income he is now receiving. If taxpayer's deceased husband (or wife) would qualify for this credit if living, the taxpayer may claim the credit even though he did not meet the ten-year earning test. If a husband and wife both qualify and each has retirement income, each one is entitled to the credit.

The credit for 1954 is 20 per-

cent of the retirement income (as defined below) with a maximum limit of \$240 for each qualified individual.

"RETIREMENT INCOME" - Retirement income, for the purposes of this credit means:

(a) In the case of an individual who has attained the age of 65 before the close of the taxable year, taxable income from—

1. Pensions and Annuities (including those from a system established by the United States for members of the Armed Forces).
2. Interest.
3. Gross receipts from rents.
4. Dividends (net after dividend exclusion).

(b) In the case of an individual who has not attained the age of 65 before the close of the taxable year, taxable income from—

1. Pensions and annuities under a public retirement system (one established by the Federal Government, a State, County, City, etc., but not including one established by the United States for members of the Armed Forces).

Computing the retirement income (as defined above) does not always determine the amount of retirement income to be used in computing the 20 percent retirement income credit, as retirement income is limited. It is the lesser of:

(A) The actual retirement income received during the year, or

(B) Earned income received during the taxable year which exceeds \$900. If you received a salary of \$1,125 you must deduct \$225. If you are 75 or over by the close of the taxable year, this \$900 rule does not apply and no deduction need be made for earned income.

(2) Amounts received during the taxable year as a pension or annuity under the Social Security or Railroad Retirement Acts.

(3) Amounts received as a pension or annuity and not included in income unless such amounts come within the following exceptions:

(a) Amounts which represent or are considered a return of cost,

(b) Amounts received for injury or sickness,

(c) amounts received under an accident or health insurance policy,

(d) amounts received under a life insurance policy by reason of death of the insured,

(e) amounts paid by or on behalf of an employer to the estate or beneficiaries of an employee by reason of death of the employee,

(f) amounts received by beneficiaries of an employee's trust.

The retirement income credit for 1954 is 20 percent of the retirement income as defined and limited above with a maximum limit of \$240 for each individual. Also, the credit may not exceed the tax as shown in Item 7, page 1, of Form 1040, reduced by the dividend received credit.

On the 1954 income tax return, Form 1040, a Schedule K has been provided to compute the retirement income credit. This schedule contains an error in that it differs from the law in regard to

the method of limiting the amount of retirement income used in computing the credit. Schedule K will produce an incorrect result for a taxpayer having retirement income of less than \$1200, if such taxpayer also received excluded pension or annuity income or if he was less than 75 years of age and received compensation for personal services in excess of \$900.

Any taxpayer who has retirement income of less than \$1200 (shown on Line 1, Schedule K) should complete Schedule K as follows:

(1) Although Line 2 of the schedule states "Enter here amount shown in Line 1 or \$1200, whichever is lesser," the taxpayer should enter \$1200 in Line 2 in all cases.

(2) Although Line 5 states "Balance (Line 2 minus Line 4)," the taxpayer should enter such balance or the amount shown in Line 1, whichever is the lesser.

All other taxpayers having retirement income should complete Schedule K line by line to determine their retirement income credit.

said. "These figures prove conclusively that traffic accidents don't happen, they are caused—and that they are often caused by willful disobedience or carelessness."

Mr. Roaper made this statement as he urged all drivers to cooperate with the know and obey traffic laws program which is being sponsored in Texas this month by the Texas Safety Association, the Texas Department of Public Safety, and the National Safety Council.

"We need the support of the whole state in building greater respect for law," Mr. Roaper said. "The law enforcement agencies can't do the job alone."

Mr. Roaper pointed out that the time to stop an accident is before it happens. He said that in order to do this, drivers must know the law.

"A driver who doesn't know the law, even though he means well, can foul up traffic pretty badly," Mr. Roaper said. "And that goes for pedestrians, too."

Mr. Roaper advised pedestrians to know traffic laws, not only to know what is expected of them, but also so they will know what to expect from motorists.

"The recklessness of pedestrians and motorists is aggravating the traffic accident problem," Mr. Roaper said. "Until each citizen accepts his responsibility to walk and drive carefully we can't hope to cut down on traffic accidents."

### Wildlife Conservation American Game Birds

We have heard this question asked many times: What can be done to increase the bird life on a farm or ranch? The answer is simple; every farmer and rancher can provide food, water, and cover for our feathered friends. Every time a swamp, meadow, or pasture is burned, a heavy toll of birds is taken. As conservationists, let's plant native shrubbery and vines along fence rows so as to provide travel lanes, nesting places, and escape covers wherever birds thrive. Farmers can use their land wisely so that it will provide hunting, fishing, and trapping; but these things cannot be achieved if we do not have

the cooperation in establishing wildlife on this continent as it was when our forefathers first landed.

Most game birds feed upon insects, wild fruits, waste grain, nuts, or green plants from late spring to fall. However, winter is the critical season; there are no insects, wild fruits are gone, and snow and ice cover waste grain. Different kinds of wildlife require different kinds of cover. Cover provides three important essentials; concealing nests and young, providing shade from the hot sun, and providing shelter from rains. Of course, the most important essential of cover is to allow the birds to escape from their enemies, the predators. Only a few of these can be provided by man; food, cover, and water. Predators, parasites, and diseases cannot be controlled altogether by man, but we can do our part by protecting and conserving wildlife.

### Traffic Accidents Don't Happen, They Are Caused

"Traffic law violators are accident makers!"

Mr. R. B. Roaper, Chief Safety Engineer, Humble Oil & Refining Company, Houston, and President, Texas Safety Association, made this statement today and he backed it up with some convincing statistics.

"National Safety Council records show that in 1953, 82 percent of the fatal accidents involved violations of traffic laws by one or more drivers," Mr. Roaper

## Looks like Buick's Biggest Year

It's been happening week after week.

More people coming in every day to see, sit in, sample and select the '55 Buick of their choice. More people than ever before in our history.

That's why you see so many new Buicks on the road today. And that's why—to meet this unprecedented popularity—Buick production has been boosted to the highest levels of all time.

#### Buick Sales Are Soaring

The simple measure of it all is this: Buick is so "hot" an automobile that it now outsells all other cars in the United States except two of the best-known smaller cars. And for reasons sound, substantial and thrilling.

Buick styling, you see, was never so crisp, clean, distinctive. Buick horsepower was never so high—Buick interiors never so rich—Buick's great ride never so satin-smooth and steady.

But there's something else, too—something vastly different and exciting.

Never before was there any motoring thrill like the

thrill you get from Buick's spectacular new Variable Pitch Dynaflow.\*

It lets you do what a pilot does—switch the pitch of your driving propellers—one way for gas saving in cruising—another way for instantaneous acceleration and getaway.

Your propellers are inside the Dynaflow unit, spinning in oil. You change their pitch merely by pressure on the gas pedal. You get action that was never in any earth-bound vehicle before.

No wonder we're writing up orders and selling Buicks at a rate that's making this the biggest year in Buick history.

And no wonder—when you see our price tags—that more and more people can afford the price of a new Buick.

For all the way up the line—from the budget-priced SPECIAL to the custom-built ROADMASTER—each Buick is a stand-out buy in its field.

Why not come in for a visit this week and get a down-to-earth look at the hottest Buick in history?

\*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

How Much Is a Penny Worth?

It all depends on how you look at it. These are all American pennies. Worth, at face value, only one cent. But to a coin collector, some of these pennies are worth many times more. To him, their real value is high.

The real value of the pennies you spend for electric service is high, too. Think what you get for them in terms of comfort, convenience and easier living.

Electric service is always there to help with the housework, the cooking, the laundry and dishwashing. It will warm the baby's bottle late at night or help Dad shave in the morning.

When you count all the things your electric service does for you, don't you agree that you get more for the electric pennies than for the money you spend for anything else in your family budget?

By VERN SANFORD

**Texas Press Association**  
AUSTIN—Ex-Land Commissioner Bascom Giles continues to make headlines as investigation of the veterans' land program expands in an ever-widening circle. Giles, former chairman of the Veterans Land Board, was indicted at San Antonio on a charge that he accepted a bribe of \$30,000 from real estate and cattle-men C. B. Wynn and Arthur McKenzie. They too were indicted. Giles made bond of \$50,000; Wynn and Arthur McKenzie bonds were \$2,500 each.

Earlier, Giles and L. V. Ruffin and C. B. Sheffield were indicted by the Travis County grand jury on conspiracy to defraud the state of \$82,500. Giles made bond of \$60,000 in the Travis cases.

In San Antonio, Giles was reported as saying that when he comes to trial he will have plenty to say.

"I welcome an opportunity to stand trial on this case so that the full facts can be developed," Giles stated. "There's certainly another side to this whole story, and I'll tell it to the proper authorities at the proper time."

Governor Shivers has released a letter to investigators offering to testify publicly. He said, "The public is entitled to have the facts and to have them now—without a smokescreen of veiled threats, rumors and insinuations."

Attorney General John Ben Shepperd already has appeared before every grand jury investigating block land sales, and before both houses of the Legislature. He has stated publicly that he would testify at any time.

A full investigation of every phase of land office operations since Giles took office as commissioner on Jan. 1, 1939 was

called for by Rep. D. B. Hardeman of Denison. He introduced a bill in the House appropriating \$500,000 for the special investigation.

Meanwhile Shepperd filed a civil suit for the state, against Giles, for recovery of \$171,428 assertedly paid out in two block land deals with Ruffin and Sheffield.

A special grand jury to continue land investigations was empaneled at Austin, on request of District Attorney Les Procter. The State has provided Procter legal aid.

State police arrested B. R. Sheffield of Brady, jointly indicted with Giles. Conspiracy to commit theft of \$83,500 in state money was the basis of the indictment. Sheffield was released after posting \$110,800 in bonds.

Senator Gus Strauss of Hallettsville appeared voluntarily before the Senate investigating committee to testify that he had been employed as attorney in five veterans' land transactions, and had received "normal" fees for his services.

Congressman John J. Bell of Cuero, who introduced the original Veterans' Land Bill while a member of the Texas Senate, stated that he had received legal fees in connection with land transactions. He volunteered to testify in DeWitt County as well as before the investigating committees of the Texas Senate and House.

#### Co-Op Hassle

Lt. Gov. Ben Ramsey and Atty. Gen. John Ben Shepperd are on opposite sides of what promises to be a long and involved legal tussle over rural electrification.

Ramsey is attorney for the co-ops. Shepperd has filed a suit to determine the authority of an

REA to serve residents of Gilmer, Texas.

#### Tax Bills Pending

Deadline for introduction of new bill in the Legislature arrived at midnight Friday. It found a wide variety of "Big" tax bills out of which the House may choose its selection of \$35 million in new money for general purposes—and a possible \$45 million for highways.

Administration-sponsored were the Murphy two-cent gasoline tax increase and the Kirklin one-cent cigarette tax increase. Neither has been set for committee hearing.

Heard by committee and sent to sub-committee was Rep. Jerry Sadler's \$3.30 per barrel beer tax.

Other top tax bills included:  
1. A bill by Rep. Curtis Ford to apply the chain store tax to

filling stations.

2. Rep. Jerry Sadler's \$160 million-a-year one-cent processing tax on gasoline and condensates.

3. A constitutional amendment by Rep. Robert Patten, to raise a billion dollar permanent school fund surplus by added taxes, one-fourth to one-cent on gas one to five cents on oil, and increases on other natural resources.

4. A constitutional amendment by Rep. Jerry Sadler and Rep. M. O. Bell to require statewide voter approval of any new tax before it becomes effective.

5. Rep. C. D. Kirknam's proposal for a "road use" tax on trucks.

About one-half of the weight of the human body is made up of muscle.

## SUPERIOR SERVICE

without service problems!

## DEMPSTER

### DEEP WELL JET PUMP

You'll have no maintenance headaches when you've got a Dempster Deep Well Jetmaster water system! Why? The Jetmaster's simple long-lived balanced construction and installation features are the finest in the vertical pump field. Install it in a pit over the well or inside the house where there is no danger from frost or freezing. Jetmaster means years of satisfactory service without expensive upkeep.

See this quality pump today at our showrooms. You'll be amazed at how economically a Dempster pump can bring you the comforts and conveniences of running water.

THOMPSON BROS.  
HARDWARE & FARM EQUIPMENT

## WE WILL SELL AT PUBLIC AUCTION TO THE HIGHEST BIDDER ON Tues., March 29 - 10:30 a.m. THE FOLLOWING DESCRIBED ARTICLES at the J. R. Dale farm 7 miles north of Clarendon on Jericho Hi-way

- 1—AC Combine
- 2—4 Wheel Trailers
- 1—Two Wheel Trailer
- 1—2-Row Godevil pickup type
- 1—Grain Drill
- 1—John Deere Mower
- 1—6 ft. Land Terracer
- 1—2 bottom AC Breaking Plow
- 2—Rotary Hoes
- 1—2 row Shop Made Bollie Machine.
- 1—1 row John Deere Cotton Stripper.
- 1—2 row John Deere Stalk Cutter.
- 1—1 row John Deere Row Binder.
- 1—6 ft. John Deere One-way Plow.
- 1—10 inch John Deere Feed Mill
- 1—3 section Harrow
- 1—3 row Knife Attachment
- 1—2 row Knife Attachment
- 1—300 gal. Gas Storge Tank and Hose.
- 2—AC Crust Breakers
- 1—Electric Fence Charger, new
- 1—12 ft. Auger Grain Loader with electric motor.
- 1—Good Feed Mill Belt
- 4,000 Cane and African Millet Bundles.
- 20,000 lbs. Thrashed Maize and Kaffir.
- 125 bushels Delta and Lone Star Cotton Seed.
- 28 Head of Shoats
- Jersey Cow with young calf
- Jersey cow with 5 mos. old calf
- Jersey cow to freshen about April 3rd.
- Jersey Springer Heifer
- One Metal Hog Feeder
- 6 Metal Hog Troughs
- 1—Hay Rake
- 1½ Rolls 3 foot Net Wire
- 1 Mile of Smooth Wire
- 85 steel rod Posts
- 2—550 x 16 Tractor Tires, practically new.
- 1 Blacksmith Forge, Anvil and Vise.
- 12 lb. Sledge Hammer
- 1 set practically new Block and Tackle with 120 ft. of good Rope.
- 1 set Pipe Holders
- 2—24 inch Pipe Wrenches
- 1—4 lid bachelor stove and drum
- 3—Ducking Tarps
- 1 pair Wire Stretchers
- 1—Electric DeLevale Cream Separator.
- 3—5 gal. Cream Cans
- 1 Bench Grinder and motor and some shop equipment.
- 1 Air Tank with Compressor and hose.
- 2 Scissor Jacks and 1 Truck Jack
- 1 pair Bolt Cutters
- Numerous Assortment of Wrenches.
- 1—500 capacity Butane Chick Brooder.
- 6 empty Drums
- Several Grain Scoops and Forks
- 1 set of quilting frames with stands.
- 100 White Leghorn Hens. Large type.
- 50—6 to 28 inch Sweeps
- 3 Grease Guns
- 1—4 ft. Fresno
- 1—AC De-header
- 1—Well Slush Bucket
- 1—20 gallon Wash Pot
- 1—Land Measuring Steel Tape

An Unusual amount of Miscellaneous articles too numerous to list. LUNCH WILL BE SERVED ON THE GROUNDS.
