First Indian Fight

The first Indian fight occurred in 1858 in the Swinden Valley, now known as the Capps-Lucas Pecan Orchard. J. S. Harris, M. J. Cogging A. E. Adams, George Isaacs and two other men happened to be at the Chandler home at the time. Very poorly armed, they went out to attack the Indians, but the Indians were too strong for them, he they were forced to beat a hasty retreat. The Indians took their loves and went in the direction of

Delaware Creek, and when about seven miles out ran into Captain Conner, W. L. Williams and a man Conner, w. L. williams are ramed Holman, of the Ranger service. Holman was badly wounded by the first fire, and Williams dismounted and killed one of the In-COMANCHE, May 13-(Sp.)-W.

dians, but the Indians succeeded in getting away with their horses. From time to time the Indians ave a great deal of trouble in R. (Bill) Shipp, Priddy ginman, was acquitted of a charge of fail-

Women's SHOES

Black! White! Kid! Sandals! Ties! Sizes 4 to 8.

More than 6,000,000 people bought shoes at Ward's last year. We buy more and buy for less. Sell more and sell for less. That's why you save. We're one of the biggest distributors of shoes in the world.

Yes Sir! These Shoes Wear! They Fit! They Cost Less!

Champions for quality, leather, comfort and price! Moccasin toe, tan and smoke calf blucher; black and white calf grain leather oxford or dress oxford in black calf grain with creased toe. All have the famous Goodyear welt construction.

May Shoe Sale! Oxfords for **Growing Girls and Misses!**

Great news for growing girls and misses! Smoked elk leather oxford with fawn trimming, with smart perforated toe that is comfortable and cool for Summer! Goodyear welt construction, full leather lining assures added wear! Rubber sole and heel. One of our many May Sale values! Sizes 11 1-2

Boys' Sports Oxfords

Special for May Shoe Sale!

If he's a "roughie" he can be as rough as he likes in these two tone sports oxfords with sturdy Goodyear stitchdown construction. They'll stand a t-r-e-m-e-n-d-o-u-s amount of rough and tumble wear! One of the many reasons mothers come to Ward's for their children's shoes, Sizes 1 to 6.

ALL SILK!

Ward's Meadowlark Hose!

No wonder half a million thrifty women stopped paying extravagant prices-and insisted on Meadowlarks! Chiffons have luxurious picot tops and a dull lustre extremely flattering to the legs. Service weights have reinforced lisle top and foot for extra wear. 3 pairs \$1.4!

A Different Land "Like all of those who have been here a long time, Mr. Steffens comments on the past beauties of Brown and adjacent counties.

"This county isn't like it was then," he said. "Why, in those days man could ride all over the country and never see a weed. There was no underbrush in those days either, the land was covered with majestic trees, and tall, waving grass. The grass, everywhere, was three feet high. It made a man feel like he just had to get him some land and become a cattle king. Longhorns

"Those were the real days of the cattle industry; they were the days inkling of it appeared in any longhorns run loose until he was ready to round them up, and take them up the trail to Kansas City or Chicago.

"Times were good. Except for the depressing year of 1883, I can't re-
