## School Trustee Election Saturday—April 5th

All voters in the Clarendon Consolidated Independent School District are reminded to go to the polls Saturday and cast their ballot in the school trustee election. Two candidates will be elected from a field of four. They are Mr. Bob Moss, seeking a second term of office, Dr. J. Gordon Stewart, seeking a third term, and Mr. T. M. "Red" Caldwell, Jr., and Mr. B. L. "Mutt" Graham. The two candidates elected will serve for a term of three years. The election will be held at the school tax office. Polls will be open from 8:00 A. M. to 7:00 P. M. Election officials will be Mrs. Naomi Phelan, Mrs. Charles Lowry and Mrs. Emma Powell. Don't forget the date and the place. This Saturday, April 5, at the School Tax Office.

## Two Youths Receive Suspended Sentences

Two local youths were tried in County Court before Judge R. E. Drennan Wednesday on charges of theft under fifty dollars. Each were charged with theft of two tires. Douglas Allee was given a 12 month suspended sentence with numerous provisions and Jimmie Johnson was given a six month suspended sentence with numerous provisions also.

## Local School Cafeteria Receives Donation From West Texas Gin

Mr. Basil Smith, manager of the West Texas Gin, presented the local Clarendon School Cafeteria with a check in the amount of \$323.84 this past week. This is an annual donation that Mr. Smith has been making to the Cafeteria for the past number of years. During the ginning season the green boies are thrown aside and ginned at the end of the season. Money received from the sale of these boies has been donated to the Cafeteria. The local school board, school authorities and the cafeteria employees deeply appreciate this nice gesture and would like to thank Mr. Smith and the West Texas Gin and the local farmers for making this donation possible. The cafeteria is always in need of money and can readily use these donations.

## New Country Club Officers Named

The Board of Directors for the Clarendon Country Club met March 27, and new officers were elected for the coming year. ## Red Cross Drive Extended

Jr. Spier, Fund Drive Chairman for the Red Cross, announced this week that the current drive had been extended due to the fact that the quota here had not been raised. We still need every contribution we can get to put us over the top with our quota, he added. If you have not contributed to the drive, please mail your check or leave your money at the Chamberlain Insurance office, he concluded.

## Present Commissioners Re-elected In City Election Tuesday

A large number of voters turned out Tuesday for the City Commissioner election and the incumbents, Oscar H. Thomas and W. M. Pickering were re-elected by an overwhelming majority. W. M. Pickering lead the ticket with 245 votes, Oscar Thomas received 242, Chas. G. Speed 78 and John Sneed received 25. It gives our public officials an even greater desire to accomplish all they can when they receive a vote of confidence as Mr. Pickering and Mr. Thomas received Tuesday. Under their guidance along with Mayor H. T. Burton, they have made numerous accomplishments for which Clarendon residents are quite proud.

## FARM NEWS from the County ASC Committee

### ACP PROGRAM

We are accepting applications for the second period on the 1958 ACP Program now. If you are interested in making application for practices contained in our 1958 ACP Handbook in order to improve your soil such as terracing, grass seeding, water ways or other improving, please contact this office.

### AUTOMATIC PRESERVATION OF ACREAGE HISTORY

Under present regulations, the 1958 history acreage for cotton is automatically equal to the farm allotment even though the acreage is not planted, or is not under an Acreage Reserve Agreement, except on new farm allotments.

### FINAL DATE FOR APPLYING FOR CONSERVATION RESERVE

April 15th is the final date for applying for Conservation Reserve (5 years or 10 years, if payment is to be earned in 1958.

### SALE DATE OF WOOL

Wool growers who expect to apply for payments under the incentive payment program for wool should be sure that a clear record is established as to whether the wool was sold before or after April 1, 1958.

### STORM CELLAR GOOD INSURANCE

If you were to see the destructive, black funnel of a tornado rushing directly toward your home where would you and your family go for protection and safety? Many of us never realize the value of a safe place, just as we never miss the water until the well goes dry. Why not construct a storm cellar before a tornado strikes to remind you that you need one. It can be constructed easily without any special skills and only a few special tools. Instructions on constructing a satisfactory storm cellar is contained in a Texas Agricultural Extension Service leaflet L-388 "The Disaster Cellar". It may be obtained from local County Agents or the Agricultural Information Office, College Station, Texas.

## "Miracle In Manhattan" To Be Shown April 8th At First Baptist Church

"Miracle In Manhattan", the unusual documentary film account of Billy Graham's New York Crusade will have a premier showing at First Baptist Church on April 8th at 8:00 p. m. Jinx Falkenburg and Tex McCrary report the sixteen-week coverage of Mr. Graham's largest Crusade for Christianity. This popular "Mr. and Mrs. New York" team head their own N.B.C. television program emanating daily from the Waldorf-Astoria Hotel. They "set the stage" with a photographic tour of Manhattan, followed by the excitement of the Crusade's Opening Night in Madison Square Garden. Successive meetings in Brooklyn, Central Park, Forest Hills, Harlem and Wall Street's financial district emphasize Greater New York City's spiritual interest in the Crusade. In the gigantic sports arena of Madison Square Garden where men like Rocky Graziano and Joe Louis once punched their opponents into unconsciousness, the film offers a "front row" perspective of the Graham team in "spiritual combat". The arena becomes a Cathedral and the dynamic preaching of the evangelist is augmented by the singing of George Beverly Shea and the music of the massive choir under the direction of Cliff Barrows. High moments in "Miracle In Manhattan" include the overflow crowd that jammed Yankee Stadium, breaking every attendance record in 34 years of the park's colorful history; a brief appearance by Vice President, Richard M. Nixon; a glimpse of Ethel Waters singing with the Crusade Choir; and the final service held at 42nd Street and Broadway, silhouetted against the glittering lights of Times Square. Nearly two million persons attended Madison Square Garden during the 16 weeks of Crusade activity, making this "spiritual campaign" the largest sustained effort for evangelism in the history of the Church. "Miracle In Manhattan" is released by World Wide Pictures, Hollywood, the organization which produces and distributes all of the Billy Graham Films. The doors to First Baptist Church will be open early. All seats are on a "first-come" basis, with no admission charge.

BRO. ANTHONY THIBODEAUX

## Revival at First Christian Church Begins Easter Sunday Night at 7:30

First Christian Church wishes to invite everybody in Clarendon and in this community to attend their revival services which will begin Easter Sunday night and will continue nightly at 7:30 through April 13th.

Bro. Anthony Thibodeaux, minister of First Christian Church of Wellington, Texas will be bringing scriptural messages on the following subjects: "Three Things in Hell We Need in Clarendon", "The Way God Sees Things", "Coming Home to the Father", "Four Reasons I Am A Christian", "The Man Who Was Afraid of His Wife", and "The Power of the Penitent Tear". "Our speaker assures us these will be messages that will stir our souls," stated Royce E. Wood, minister of the First Christian Church.

There will be special messages in song and chalk art each night with particular recognition for the following things: Monday will be family night, Tuesday will be Ladies night, Wednesday will be a pie night, Thursday will be mens night, Friday will be youth night and Saturday will be Bible School Teachers night.

Bro. Royce Wood sincerely feels that this revival will afford an excellent opportunity to all the people in Clarendon and this community to enjoy a great spiritual feast.

## Mrs. L. E. Dudley Rings The Bell For Better Schools

Tuesday evening in the College Auditorium Mrs. L. E. Dudley of Abilene, Texas, a member of the Hale-Aikin State Committee of 24, which was authorized by House concurrent resolution 105 of the 55th legislature of Texas to make a grass roots study of the school problems of the Public Schools of Texas very convincingly presented these problems to an awakened and interested group of people from three counties of our area who are aware of the present pressing needs for the progress of our schools.

Mrs. Dudley spoke on Our Responsibility, defining it as, our response to the ability God has given us, and labeling the acceptance of our responsibilities as the best means of having better citizens, in a better community, and governed by better laws to insure our peace and prosperity. She pointed out that the U. S. is engaged in a cold war for survival, that education has long been the Guardian Angel of Democracy, and that good schools just don't happen but are the result of the cooperation of the people who make up a community. It was also pointed out in Mrs. Dudley's speech that the real question of today is not whether we can occupy outer space, the moon or any other location, but can man

## Additional \$250 Million Appropriated For 1958 Cotton Acreage Reserve Program

Congress has appropriated an additional \$250 million for the 1958 Acreage Reserve Program. Congress authorized that farmers who attempted to sign a Cotton Acreage Reserve Agreement or to register on the waiting list before the closing date should be given an opportunity to file agreements if funds are available.

In order to file an agreement two basic conditions must be met. The producer must be able to clearly establish that he took positive action in an attempt to file an agreement or register on the waiting list before the closing date. Funds must be available after having covered all agreements that were timely filed and all requests to participate that were properly registered by the applicable closing date. Regulations are being amended as necessary to carry out this intent of the Congress. A certification on Form CSS-847 must be completed and signed at the ASC Office before April 18, 1958.

## Nazarene Revival April 21 - 27

The Church of the Nazarene will hold a revival beginning April 21st thru April 27th, so announces the Rev. Mrs. Hanna, the pastor. Rev. Bill Hanna of Hamlin, Texas will be the evangelist. Mr. Hanna is a graduate of Pasadena College Pasadena, California and the Nazarene Seminary in Kansas City, Missouri. He has taken graduate work at Hardin Simmons University of Abilene. Rev. Hanna held youth revivals in California during his college years and pastored a Methodist church during his Seminary years. He has been pastoring in Hamlin two years and has been very successful and blessed in the work of the church there. Mrs. Hanna says she is sure the people of Clarendon will enjoy Mr. Hanna's enthusiastic and helpful messages. The music of the revival will be sponsored by different churches of the Amarillo zone. Mr. Hanna's wife, Nova will be at the piano.

## Lelia Lake Blue Birds Win District 12-B Volleyball Tourney

The Lelia Lake Blue Birds won by a wide margin over the Hedley Owls in the final game of the district 12 B volleyball tournament at Claude. The Blue Birds won the first two sets of the game giving them the championship. They won over Groom and Quail as they made their way to the top. They won the first sets of both games. a Dog's Life. BLIND CHILDREN AND THEIR DOGS. Friskies Research Kennels. You couldn't find sixteen healthier, happier, better-fed or better groomed dogs than those kenneled in a handsome red brick building at the New York Institute for the Education of the Blind, the oldest institute of its type in the Western Hemisphere. This group of purebred dogs plays a starring role in the animal husbandry course offered by the school. Their young masters and mistresses, though totally blind, blind and spastic, or partially blind, master every aspect of dog care and handling under the kind and gentle tutoring of director of training, Louis V. Ciccia, a true dog-lover and professional trainer. Walk into the bright, spotless and airy kennel room on an early afternoon and you may find a twelve-year-old boy weighing the dog's food. He's accurate to the fraction of an ounce. You may hear a running conversation between a frisky poodle and his master who is busily brushing the mats out of his pet's coat, collected over the weekend when the pair went home to the country. In the kennel library of books in braille, two girls are boning up on dog care. Out on the lawn you'll find Mr. Ciccia conducting a class. With a leash tied to his wrist he's jerking it to and fro to demonstrate to a young girl, who's holding the other end of the leash, the pulling antics of a pup. When the child learns to be gentle enough with the leash so that she won't harm or scare the puppy, she can have one of her own of the breed she chooses if her parents give their consent. Whether or not the youngsters graduating from the school go on working with dogs, as many do in kennels and shows, they take their dog home. The loneliness that would be theirs when their friends go off to play ball or dance is missing, for they have a constant friend and companion to care for and love.

LIBRARY NOTES**

By May L. Prewitt

We received J. Edgar Hoover's "Master of Deceit, The Story of Communism in America and How to Fight It." It is a gift from "The Dorothy H. and Lewis Rosenstiel Foundation." The Library is grateful for the gift as we have read so many articles in regard to the book. It is a \$5.00 edition. "Books-Bookmen" in the Fort Worth Star-Telegram states, "The best thing the American people can do right now is for everybody to take a day or so off and read 'Masters of Deceit.' Mr. Hoover who has done so much for his country as head of the F.B.I. now has done us the greatest service of all: He seeks to inform us." Immediately after I filed the book a sophomore saw the copy and took it to read. I really have

some clever readers from some of the High School students. Then Mr. Hoover states, "If we open our eyes, inform ourselves, and work together we can keep our country free."

Have you read Max Shulman's "Rally Around The Flag Boy"? It will encourage some hearty laughs. It is described as "a wonderful funny novel about Love and Missiles."

We have "Victoria & Albert" by Evelyn Anthony who wrote "Anne Boleyn" and "Far Flies The Eagle." It will give you both information and pleasure.

We received a Memorial Gift this week that will help our Library wonderfully. I was terribly discouraged for the summer reading of our boys and girls. A special book shelf will be arranged for books from this fund and the collection will be added to over a period of time. It is with a prayer of deep gratitude that this gift was received as we can select twenty-five or thirty useful and entertaining books.

**DONLEY COUNTY  
SOIL CONSERVATION  
DISTRICT NEWS**

Deferred grazing, the practice of postponing grazing of grassland during all or part of the growing season, has been receiving wide application throughout the Donley County Soil Conservation District. Some of the district cooperators that have been deferring their grasslands are C. C. Ayers, W. V. Bain, and C. G. Rhode, all of the Hedley community, and W. V. Doneghy, Lelia Lake community.

Benefits derived from deferred grazing vary with the purpose for which the practice is applied. Deferment may be used to improve or maintain the vigor of the stand, to insure seed production, to accumulate forage for winter use, to improve soil condition and to facilitate management of livestock.

The deferment system used should be consistent with the design of the overall ranch program. The length of the deferment period varying with the size and system of operation. Deferment is often associated with other conservation practices such as range seeding, brush control, and rotation grazing. It should not be thought of as a necessary evil, but

as a system of grazing that will enhance the production of saleable livestock through increased forage production. Forage that is left on the ground at the end of the growing season is not wasted as it supplies good winter grazing, especially if a mineral supplement is furnished. No single pasture should be deferred to the extent that other pastures are seriously damaged. Check with your local SCS technicians if additional information is needed for setting up or improving your system of grazing.

**Motor Vehicle  
Inspection  
Deadline  
April 15**

Roughly, 1 out of 5 Texas autos have not been inspected as required by State law and there remains but 10 more working days prior to the inspection deadline on April 15.

Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety, said today that some 700,000 motor vehicles must still pass through the inspection lines prior to that date if their owners are to avoid being handed tickets for violation of the Motor Vehicle Inspection Law. Enforcement will begin April 16, he said.

"It is still possible," said Garrison, "for the State's 4500 licensed inspection stations to handle the last minute rush provided that motorists take their cars immediately in order that there will be no delayed period between the handling of one vehicle and the next."

The Public Safety Director pointed out that every minute of the inspection stations' time will be at a premium between now and midnight April 15, and that waiting lines will be in store for those who wait as the deadline draws nearer.

**Motorcides Down  
Says TDPS**

The Texas Department of Public Safety today announced a three percent reduction in motorcides for 1957 in comparison with 1956.

In a preliminary release of statistics on traffic accidents and traffic deaths for last year, Col. Homer Garrison, Jr., Director of the Texas DPS, said the Texas death rate was reduced from 6.5 deaths per one-hundred million miles in 1956 to 6.0 motorcides per one-hundred million miles of driving in 1957. The actual count of deaths was 72 less than a year ago.

Texas had 2,539 motorcides in 1957, while in 1956 a total of 2,611 persons were killed.

Garrison said the reduction in traffic deaths was recorded in spite of increased driving on our streets and highways. He said Texas motorists drove "six percent more miles last year, in comparison with 1956, for an estimated total of 42 1/2 billion vehicle miles. This is the greatest driving mileage in our history, meaning that our highways were safer than ever before.

"But even so, property damage climbed to greater amounts. Our statistician, N. K. Woerner, places the economic loss from traffic accidents during 1957 at \$277,550,000. Only careful obedience to our traffic laws and careful driving attitudes on the part of Texas motorists will reduce this figure and save lives in the future."

**Federal Land Bank  
Reduces Interest Rate**

At the recent stockholders meeting of The Federal Land Bank of Houston held in Houston, Sterling C. Evans, President of the bank, announced a reduction of 1/2 of 1% in the interest rate charged on new loans.

In addition to lowering the interest rate on new loans to 5% the bank voluntarily reduced the interest charges to Land Bank borrowers whose loans carry an interest rate in excess of 5%. This action of reducing the interest rate on loans already made is virtually unprecedented outside the Land Bank System. It is the second time the Houston bank has been able to reduce the interest on loans in force.

Of special interest to borrowers who already have Land Bank loans was Mr. Evans' further announcement that the bank will now close additional loans. This is a new practice and enables a borrower with a 4% Land Bank loan of \$1,000 or more to get an additional loan at 5% on the new money and leave his old 4% loan undisturbed.

The Federal Land Bank makes its loans through national farm loan associations. It has over 200 million dollars of loans in force and obtains funds to make loans through the sale of bonds to the investing public. This reduction in interest rates will mean substantial savings each year to thousands of farm and ranch owners in Texas.

**TAX-MAN SAM SEZ:**

About one-third of the taxpayers stay so tied up with other affairs that they never get around to filing their income tax return until April 14 or 15. These folks cost themselves money in most cases. You need to carefully read the tax instructions. You may need to read the 35c booklet "Your Federal Income Tax—1958" and, in a few cases you will need to see a good tax practitioner on some problems. This takes time. You also need to take time checking your records. You can save money if you figure your tax by the several different methods to which you are entitled to use. You always take the method that will cost you the least. It is my horseback opinion that if you haven't filed your tax return, it is time for you to saddle up and start riding.

**BLOWING OUT THE CORNERS**  
*Uncle Zeb*

We like the following expression which we quote from a good friend of ours:  
"Be good to everybody, because everybody is having a hard time."

We hear it said:  
"Ulcers are caused not so much by wheat we eat as what's eating you."

Maybe I am just a Worry Bird, but I worry a lot about all of us who are living here in the middle of the twentieth century. What on earth is going to come of us if we don't slow down enough to

find time to get hold of something solid and steady. Most folks get up in the morning an hour late and several dollars short as a result of what they did the night before. The alarm clock gets them dizzily off to the business of the day with a gulped down breakfast. All through the day we hurry and scurry from problems to coffee and from worry to more smoking. We feel nervous and tied up most of the time which gives the ulcers a good place to work. All this we all know but what can we do?

Seems like we can't slow down. Most of our social lives are filled to the brim. Our civic and church responsibilities are in most cases pretty well crowded in on us. Business-wise we all have our problems. Because we are under all this strain we drink more coffee, and some folks go stronger than that. If we smoke we double up on that. All the stress, strain and bad habits sort of gang up on us. We need to slow down.

"We're a 'goin' too fast."  
Yes, we need to slow down. We need to spend more time out on the creek bank waiting for a fish to bite and almost hoping he won't. We need to read more good books, and especially the Good Book, and to just sit quietly and think part of the time. We need to slow down long enough to give us time to figure the real values in life. To find out which is the more important. To know the things that will improve our physical and spiritual life and give us a reserve for the storms which will hit along the way. More time with our families, in which we just get acquainted with each other and with their problems. We need to find our spiritual anchor and learn how to use it during our times of rough seas.

Now I have told you about our needs, and about our problems. What I need is for you to tell me how I can accomplish all this. It is a serious problem. We still have the same physically geared body that our folks had in the horse and buggy days, but we have to wind our physical motors up to the 100 mile per hour rate of modern day doings. Maybe we can't succeed all the way, but we can help our own lives to be better by trying just as best we can. Write me what you think about this subject.

"There isn't much to see in a small town but there is usually more to hear."  
"Horse sense is what keeps horses from betting on people."

**Your Opinions, Please**

This is No. 3 of a series of questions asked the citizens of Texas in the Hale-Aikin statewide study of the Texas public schools. If you cannot attend the county committee meetings in person, you are invited to write your own answers, clip out this questionnaire, and send it to the Study Chairman for your County, Mr. Homer Estlack, Clarendon, Texas.

Despite the widespread attention given in Texas to the recruitment of teachers, some areas still have need for qualified teachers. Please check in the following blanks those proposals which you believe should receive more attention in your county:

Recruit liberal arts graduates who lack one or more required courses in teacher education.  
Yes  No

Work in the high schools and colleges to increase the interest of students in teaching as a career.  
Yes  No

Make better utilization of present teaching staffs by providing teacher helpers or clerical assistance to perform routine tasks.  
Yes  No

Achieve some type of school organization which would enable teachers of small classes to be more fully utilized.  
Yes  No

Make it possible for qualified laymen, as part-time teachers, to conduct one or more classes in their special fields.  
Yes  No

Employ certified teachers (e.g. mothers available only half a day) or less than full-time basis.  
Yes  No

**Farm And Ranch Pond Survey**

Important new information, including results of a farm pond survey just completed in Texas, was released today by H. N. Smith, State Conservationist, Soil Conservation Service.

Smith stated that the survey was made in response to questions raised during the recent drought concerning the effect of conservation measures on water supply. Municipal and industrial users of water were greatly interested in the outcome of the survey.

Farm ponds were singled out for the study, because some had felt that they might have more effect on water yield than any other single practice. When the survey was begun, little definite information was available as to the number of ponds, their location, or the real effect they might have on water supply.

Information gathered included total number of farms and ranch ponds by major watersheds, surface area, drainage area, capacity, and depth. Any pond built by a farmer or rancher primarily for livestock water was considered as a farm or ranch pond. From these data, such information as the percent of total land area draining through ponds, the total surface area by watersheds and for the state, the total capacity, and other items could be compiled.

The information was gathered on a representative sampling basis. In addition to its being expanded on a major river watershed basis, it also can be calculated on a land resource area basis, thus increasing its usefulness to water use planners.

The survey revealed that for the state as a whole there are almost 342,000 farm ponds. When filled to capacity, these ponds had an original total storage of approximately 932,000 acre-feet. When the survey was made, an estimated 100,000 acre-feet of the original capacity had been filled by sediment. The total surface area of the ponds was about 248,000 acres, and the total drainage area 12,737,000 acres. The average pond capacity when full was 2.72 acre-feet, the average surface area 0.72 acre-feet, the average maximum depth 10.57 feet, and the average drainage area per pond 37.25 acres.

The total area draining through ponds comprises only 7.55 percent of the land area of Texas. This varied from a low of 0.44 percent in the Coast Prairie Resource Area to a high of 26.26 percent in the Reddish Prairie Resource Area of Northern Central Texas.

Smith stated that in many areas of the state, farm ponds are the major source of usable livestock water available to the farmer or rancher, and they play a vital role in the management of livestock grazing resources.

**FISHING LICENSE NEEDED**

AUSTIN—With fishing picking up on every lake and stream in Texas, many fishermen will be grabbing equipment and heading out. A license is required for all fishing except fishing in your own home County with an ordinary pole and line, trotline, or throw line with no reeling device attached. Those under 17 years of age and those over 65 years of age are exempt from all licenses unless fishing for commercial purposes.

Fish swim upstream because it is easier to obtain food than by swimming downstream.

**Crankcase Crisis!**

It seems this nice old lady drove into a Phillips 66 Station to fill up with Flite-Fuel. When the attendant checked the dipstick, he found she had only about a quart of oil left in her car. When he pointed this out, she replied: "Fine . . . as soon as I use that up, I'll put in some more!"

Of course the Phillips Dealer explained that she needed five quarts of oil for adequate lubrication!

Now that spring is here, it's time to think about the oil in your crankcase. If you are still using "winter grade" oil, it's time to change it. But why use two, when one will do? Better switch to Phillips 66 Trop-Artic® which gives you the effects of 10w, 20 and 30 grade oils. Compared to old-fashioned oils Trop-Artic Motor Oil can actually double engine life. Drive in today for your spring change-over. \*A trademark

## McAneer - Harmon Nuptials Solemnized

In a single ring service read March 24th in the home of Dr. Carl Bates, pastor of the First Baptist Church, Amarillo, Miss Barbara McAneer, 1604 Tyler St., Amarillo, Texas became the bride of David Ralph Harmon, Clarendon, Texas.

For her wedding, the bride chose a street length, sheath dress of soft blue complemented by white accessories.

Mrs. Harmon is the daughter of Mr. and Mrs. A. S. McAneer of Goodnight. She attended Goodnight and Clarendon schools and is a graduate of Clarendon Junior College. Since graduation she has been employed at Montgomery Ward in Amarillo where she works in the catalog department.

Mr. Harmon is the son of Mr. and Mrs. Page Harmon of Clarendon. He attended Clarendon schools and is also a graduate of Clarendon Junior College. He is now attending West Texas State College in Canyon and plans to continue his studies.

The couple was honored with a wedding dinner in the home of the bride's parents at Goodnight following the ceremony.

## SOCIAL AT CHAMBERLAIN COMMUNITY CENTER

Everyone present enjoyed the social at the Chamberlain Community Center, March 21. Mrs. Ira Self and Mrs. Harvey Shaw were hostesses. The next social will be April 4th and we will have cake and drinks for refreshments. Everyone come and enjoy an evening of fun. Mrs. Bob Williams and Mrs. Lee Muse will be hostesses. —Reporter.

## Stogner - Green

Miss Jeanette Stogner, daughter of Mrs. Winnie Wester of Canyon, became the bride of Gene W. Green, son of Mr. and Mrs. Walter Green of Clarendon, in a double ring ceremony in the Temple Baptist Church at Amarillo on March 24th. The ceremony was performed by Rev. Walker.

They were attended by Mr. and Mrs. John Hester of Amarillo. After a short wedding trip through New Mexico, the newlyweds are at home at 1500 A West 11th St. in Amarillo. Mr. Green is employed by the Texas Liquor Control Board and is stationed in the Amarillo District.

## Franks - McBrayer

Miss Katy June Franks, daughter of Mr. and Mrs. Arthur E. Franks, Kennedale, Texas, became the bride of Darvin Gene McBrayer, son of Mr. and Mrs. O. L. McBrayer of Clarendon, recently in the Kennedale Bible Baptist Church. Rev. H. M. Corey officiated.

Miss Gaye Preston, cousin of the bride, was maid of honor and Billy K. Paschall of Fort Worth was best man. Candles were lighted by Leon Ellis.

The bride was given in marriage by her father. She wore a street-length dress of blue with white accessories. She carried a white Bible topped with a white orchid.

The couple are making their home at 3408 Ave. L. Kennedale, Texas. The bridegroom was graduated from Clarendon High School and Clarendon Junior College. The bride attended Kennedale High School. —Reporter.

## Pathfinder Presents Art Program

One of the most enjoyable programs of the year was presented when Pathfinder met Friday afternoon, March 28, at Patching Club House. Miss Ruth Richerson, program chairman, chose as her subject "Art" and art in many forms was exhibited.

Mrs. C. T. McMurtry called the meeting to order and in a short business session programs for the coming year were approved as was a small change in the club constitution. Members and their guests were then free to view the exhibits.

Beautiful paintings were displayed in oils, watercolors, and avocative art, casine, pastels and tempera as media. Pictures in black and white were striking in contrast to those in color. Ceramics, china painting, wood craft, hand made flowers, and costume jewelry also had their place in the exhibit and were truly works of art. Thirty people exhibited sixty-five creations. All of these people represented local talent from Donley County and included Ashtola, Lelia Lake, and Hedley as well as Clarendon.

Mrs. Bill J. Greene decorated the hall with a very artistic arrangement of Gesneriads, a variety of African violets in a large basket.

The hostesses, Mrs. Bill J. Greene, Mrs. Wm. S. Greene, Mrs. E. J. Walker, and Miss Gladys Burnham prepared a most attractive refreshment table. The centerpiece for the highly polished table carried out the Easter theme with African violets interspersed with gaily colored Easter eggs of styrafoam arranged in a round, flat basket. Refreshments of Easter egg mints, "bunnie" shaped cookies, coffee and tea were served. Mrs. C. T. McMurtry presided at the silver service.

Approximately sixty-five members and guests attended. —Reporter.

Mr. and Mrs. Benny Edens and boys of Spearman are visiting this week with her parents, Mr. and Mrs. A. D. Estlack and other relatives. —Reporter.

## BETA SIGMA PHI-MU GAMMA

Mu Gamma of Beta Sigma Phi met at Patching Club House Thursday evening, March 27 with Ruth Hudson and Juanita Phelps hostesses. President Lois Schollenbarger conducted the business meeting.

The program, "Nature's Landscapes," was presented by Mrs. C. E. Bairfield. Mrs. Bairfield displayed many lovely pictures which she herself had painted and others painted by townspeople. Included in the group were oils, watercolors, and paintings in black and white: the old Murphy homeplace as portrayed by Mrs. Lewis Foxhall; the City Park as well as the new grain elevator by Mrs. Frank White, Jr.; three lovely landscapes by Miss Ruth Richerson; watercolors and photos of scenic Colorado, a painting of Bear Lake in Colorado, a vase of flowers, other landscapes, and a very beautiful Cathedral done in black and white by Mrs. Bairfield. The program was most enjoyable.

Present were one guest: Mrs. C. E. Bairfield, and members Katherine Cain, Juanita Phelps, Evelyn Mann, Ann Hommel, Frankie Henson, Lois Schollenbarger, Marilyn Simpson, Lena Morris, Beth Bennett, Jo Ellen Pfeiffer, Melba Ruth Vaughan, Mary Neal Risley, Jane Bownds, Joan Davis, Bert Garland, Betty Leathers, Jean Williams, Lee Tyler, and Evelyn Yeates. —Reporter.

### Annual Band Banquet Held Friday Night

Friday night, March 28th, was a big night for the members of the band. We had our annual banquet. It was a very nice banquet, each member was allowed to bring a date. The girls were busy getting their hair fixed Friday afternoon and the boys were brushing up on their Sunday manners.

The band mothers spent lots of time and work on the banquet to make it one of the nicest ones we have ever had.

Sandra Pinkerton, band president, was mistress of ceremonies. Guests were Mr. and Mrs. W. H. Edgett, Mr. and Mrs. Kenneth Vaughan, Mr. and Mrs. W. W. Pinkerton, Mr. and Mrs. Bill Williams, Rev. and Mrs. Royce Wood, Mr. and Mrs. Stina Cain, Mrs. Dollie Cook, Sharon Smith, and Richard Vallance.

Mrs. Cook gave the Welcome; Judy Thompson gave the Response; and Mr. Edgett spoke a few words commenting on the band work. Band members presented Mr. and Mrs. Edgett with two chairs for the football season. Mr. Edgett remarked, in voicing his thanks, "Now I won't have any reason for getting tired at the football games" and Mrs. Edgett's remark was "They're even upholstered." Connie McMurry, band sweetheart for 1957-58, was recognized.

As the program, Sandra, Andrea, and Mrs. W. W. Pinkerton sang "Catch a Falling Star," and "Sugartime."

After the banquet the members went to the Canteen for more frolic and fun. —Reporter.

Mr. and Mrs. Tommy Phillips, Dianne and Mike of Pampa, Mr. and Mrs. Billy Phillips, Maria Gail and Bradley of Amarillo spent last Saturday and Sunday with their parents, Rev. and Mrs. Ernest Phillips, and attended services at Calvary Baptist Church on Sunday.

Mr. and Mrs. R. S. Brumley of Miller, Mo., Mrs. Harry Brumley, and Joe Goldston visited Sunday with Mr. and Mrs. Raymond Welch and Cindy in Pampa.

### BIRTHDAY PARTY

A birthday party honoring Bobby Cockerham on his second birthday was given in the home of Jo Ann Edens Tuesday afternoon, April 1. Easter rabbits, easter eggs and balloons were given as favors. Refreshments of cake and punch were served.

Helping Bobby celebrate were Danny and Tommy Hill, Shirley, Susie and Peanut Edens, David and James Owens, Pamela and Gary Jones, Bobby Edens, Donnie Putman, Bobby Kidd, Deborah and Patrick Wayne Robertson, Pat Moore, Patricia and Wayne Baker, Jr. —Reporter.

### MISCELLANEOUS SHOWER

A miscellaneous shower honoring Mr. and Mrs. L. M. Putman, Jr. who recently lost their home in fire was given in the home of Mr. Steve Edens Friday, March 28th. Assisting Mrs. Edens as hostess was Mrs. Randall Choate.

The refreshment table was laid with a chartreuse cloth and centered with and arrangement of pink carnations. Coffee and cookies were served with Mrs. Edens presiding at the coffee service. Thirty eight guests registered in the guest book presided over by Mrs. Joe Shadle.

The honorees received many lovely and useful gifts. —Reporter.

### THANKS VOTERS

In this way, I wish to thank my many friends who re-elected me as City Commissioner. Your vote and cooperation is greatly appreciated.

W. M. Pickering.

Mr. and Mrs. Alvin Landers took their grandchildren home and visited Mr. and Mrs. Tommy Gattis at Earth, Texas Sunday.

Mr. and Mrs. William J. Lewis Jr. and Frank Derrick left Monday for a week at Phoenix, Ariz.

### CARD OF THANKS

Our heartfelt thanks to all who extended comforting sympathy, prepared food and helped in our recent sorrow. For the beautiful floral offerings and other kindnesses, we are deeply grateful.

The family of Mrs. O. O. Hill.

MISS BETH LAMBERTH

### Beth Lamberth To Receive State Degree In F. H. A.

Beth Lamberth, daughter of Mr. and Mrs. G. A. Lamberth, will receive her State Degree in F.H.A. at the State Meeting in San Antonio, April 25. She will be the second girl in her Chapter to receive this recognition for outstanding service. She is a Junior in Clarendon High School.

Beth has been an active member in the F.H.A., basketball squad, pep squad, annual staff, and school paper staff for the past three years. She was a cheer leader this year. She is also Junior class treasurer and has served as reporter for F.H.A., attended two State F.H.A. meetings and three area meetings.

Her goals for this degree included making draperies for the Superintendent's office, making new curtains and bedspread and repainting her bedroom, helping to make the Texas flag that flies at Clarendon High School; she designed and made a formal and one other special occasion dress and labeled 15 packages for the World Clothing Drive.

The State Degree is the highest degree of achievement in F.H.A. This is an outstanding record of achievement for only three years of F.H.A. work.

### THOMAS THANKS VOTERS

I wish to thank the voters of Clarendon for the nice turnout for the election Tuesday and for the large vote of confidence extended me at that time. With your continued cooperation we hope to make many more improvements for our little city. Thanks again.

Oscar H. Thomas.

### F.H.A. Week Termed Huge Success

"Live and Radiate F.H.A." is the theme of the State F.H.A. meeting in San Antonio April 18-19th. It was also the theme of the local F.H.A. girls as they celebrated National F.H.A. during the past week, March 23-28th.

On Sunday, March 23, thirty-five of the girls attended Sunday school and church services at the Quail Church of Christ. This is the home church of Mrs. Fred Bourland, F.H.A. Sponsor. Following the church services they enjoyed a "pot-luck" dinner in Mrs. Bourland's home.

Monday, March 24, was project day down town. Exhibits were placed in the windows of the buildings owned by Parker-Perkins, Heath's Furniture, Greene Dry Goods, and George's Dry Cleaners. Miss Sandra Pinkerton was in charge of arrangements for this day.

"Family Night" was a big success on Tuesday night when a volley ball tournament was arranged for the fun of the whole family. Freshmen girls had to play in the finals against Junior-Senior Dads. The Dads were victorious. Cakes, sandwiches and candy were served to approximately 100 people. The parents who participated enjoyed it so much that they want to do it again in spite of sore muscles.

Wanda Ryan and Sherry Montgomery made tags for each girl to wear on Wednesday when each girl wore something to school that she had made.

Thursday was "the election day." Previous to the meeting each girl who desired to run for an office turned in their request to a nominating committee. They also made a two minute campaign speech before the group to explain to the group why they would like to be elected. New officers include: President, Sharon Smith; vice-president, Pat Spurgeon; Corresponding Secretary, Sandra Pinkerton; Recording Secretary, Elaine Behrens; Treasurer, Carole Woods; Parliamentarian, Sherry Montgomery; Reporter, Robbie Lou Johnson; Historian, Pat Owens; Sargent-at-arms, Ann Elliott; Pianist, Georgia Bell Harmon; Song Leader, Jean Welch.

Beth Gillham was voted F.H.A. Girl of the Year. These officers will be installed in May. Sharon Smith and Jackie McClellan were announced winners to represent the Clarendon Chapter at the State F.H.A. meeting. Jackie will go as voting delegate.

Sharon Smith was Mistress of Ceremonies at the F.H.A. Assembly program Friday afternoon. This was a variety program in which the Freshmen girls modeled the skirts they had just completed. Two devotionals were given to explain the purposes of the organization. Highlighting the program was a skit giving the modern version of "Little Red Riding Hood." The closing skit showed how hard a co-ed has to work to get a diamond these days.

All through the busy week F.H.A. girls and high school teachers wore a tag designed by Robbie Johnson proclaiming National F.H.A. Week. Barbara Kooztz displayed a "Tree of Homemaking" on the bulletin board at the principal's office showing the girls and those interested the many phases of Homemaking if they choose this for a career.

This was a special week in Clarendon for the "Future Homemakers of America," but they really radiate F.H.A. every week. All seventy-seven of the local members are active and participating in every state, local or national project that girls all over the United States work toward. They are already taking places of leadership in the community as a result of training received in F.H.A. They "Live and Radiate F.H.A." every day of the year.

Nicky Susan and Ronnie Lamberth of Lampasas are visiting their grandparents, Mr. and Mrs. G. A. Lamberth and family for two weeks while Mr. and Mrs. Ronnie Lamberth are in Kansas City where Mr. Lamberth is attending a school for Metropolitan Insurance.

CARD OF THANKS  
It is hard to just say "I thank you" to all of the friends and neighbors that have been more than kind and generous. Our loss could have been so much greater, but friends couldn't have been better. Thank you from the bottom of our hearts and may Gods richest blessings be with all of you.

Jr. Norma and Donnie Putman

### Locals Attend Rogers Appreciation Dinner

An estimated 600 persons attended an Appreciation Dinner honoring State Senator Andy Rogers of Childress Monday night in Tulia. Others joined the group for the program which followed in Tulia High School auditorium.

The group included not only rank-and-file citizens from the 16-county 30th Senatorial District but visitors from outside the district.

District Attorney John Stapleton of Floydada was master of ceremonies. Dr. Harlan Harris, pastor of the Plainview First Baptist Church, gave the invocation, and L. H. Lookingbill, VFW Commander of the 13th District, Department of Texas, led the pledge of allegiance.

Testimonials to Senator Rogers were given by representatives of many organizations and groups from over the district. Mayor Joe Coven of Dimmitt, insurance man and Democratic Committeeman from the 30th District, praised the senator for his work in fighting corruption in Austin, particularly in connection with the insurance investigations.

Mayor Jimmy Willson of Floydada, general chairman of the banquet, thanked those who helped make the appreciation dinner a success. Telegrams of congratulations were received from friends of Senator Rogers from many parts of Texas.

Mayor Willson pointed out some of the important appointments given to citizens of the 30th district since Senator Rogers had been in Austin. They included a member of the State Highway Commission, member of the State Planning Board; member Board of Water Engineers; member of State Egg Board; member of the State Dental Board; Public Safety Commissioner; and two members of the board of regents of Texas State Colleges.

Senator Rogers has not announced for re-election. Those attending the dinner from here were Bill Todd, Ruth Richerson, Ellen Bryan, Oliver Abel and a group from Hedley headed by Clifford Johnson.

Mr. and Mrs. W. E. Hodges visited Mr. and Mrs. Marvin Hodges at Groom Wednesday last. Marvin Hodges has been a patient in the hospital but is able to be at home now and is reported to be improving nicely at this time.

BID NOTICE  
The County of Donley is now accepting sealed bids to be opened April 14th at 10 o'clock, for one truck with the following specifications:  
Two ton with 12 ft. smooth steel flat bed, 2 speed axle, double cylinder hydraulic hoist, heater, 10 ply tires. 6 cylinder 1953 model Ford truck with dump bed as trade-in.  
By order of the Commissioners Court, Donley County, Clarendon, Texas. (9-2c)

Mr. and Mrs. Lloyd McCord and family returned home early Wednesday morning from Houston where they attended funeral services for his aunt, Mrs. Van McCullough.

### THE LIONS DEN

### The Roar of the Lions

By the Liontamer

The Clarendon Lions Club met for their weekly luncheon meeting Tuesday at noon for another hour of fine food, friendly fellowship and future planning.

The Club hosted the guest of Clyde I. Price Jr., Bob Baker Insurance adjuster from Amarillo, and Powell Combs, the guest of Roy Bartlett. We are glad to have these out of town guests and encourage the members to the extension of more and more hospitality to our friends and neighbors when they are in Clarendon.

The luncheon meeting presented the opportunity and stage for honoring two of the members of the club who had earned distinction for their contribution of time, talents and many days and hours of work in planning and executing the plans and policies of the club in the past. Carl Allmond was presented with an appropriate certificate and chevron for ten years of membership, and John Gillham was honored by the same presentation for 20 years of membership in the Lions Club program.

Other business of the meeting was the report of the nominating committee, who had prepared a ballot for the election of officers for another year. This proposal of the nominating committee plus those who were added to the list by nominations from the floor of the meeting were as follows:

- President—J. H. Spier Jr.
- 1st V. Pres.—Bill Todd
- 2nd V. Pres.—Bob Moss
- 3rd V. Pres.—C. A. Pitts, L. L. Wallace, Chas. E. Deyhle.
- Secretary—A. R. Henson
- Treasurer—Joe Bownds
- Lion Tamer—Oliver J. Abel
- Tailtwister—John Gillham, Bill Williams, Carl Allmond.

Board of Directors — Clyde I. Price Jr., Alfred Estlack, Billy Goodman. (two of the three to be elected).

The election of the officers will be held April 15th at the Clubs regular weekly luncheon meeting and every member is urged to be present and participate in the election.

Mr. and Mrs. R. S. Brumley of Miller, Mo. are visiting his mother, Mrs. Harry Brumley and Joe Goldston.

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

**AUSTIN** — New names, New faces. But same old problems plague the state insurance liquidation division.

Next Legislature undoubtedly will step in and try to assign authority and responsibility more definitely—possibly overhaul the whole system.

Latest chapter in the division's history of criss-crossed efforts is the appointment of a new general counsel to the liquidator. He is Cecil C. Rotsch, former assistant attorney general.

Significant aspect of this is that Rotsch was appointed by Insurance Commissioner William A. Harrison. Whether the State Insurance Board, which Harrison represents, or judges of the receivership courts have the right to appoint attorneys for liquidation has been at issue for some years.

Last year Austin District Judge Charles O. Betts appointed Renne Allred Jr. counsel for receivership cases pending in his court.

This prompted the Insurance Board to institute a suit to get a Supreme Court ruling. But the high court's opinion didn't help. It said the Board was given authority to name the liquidator's attorney, but that the courts could step in and name one, too.

Which is just about what has happened with both Allred and

Rotsch named by different persons to serve in apparently the same capacity.

**FEE STUDY SET**

Most interesting aspect of the liquidation study is the amount of money involved.

Senate investigating committee was told that liquidation attorney Renne Allred had received in 10½ months \$22,350 in fees and \$4,311.08 in expenses. Allred has been in charge of winding up the affairs of several large bankrupt firms, including ICT and US Trust and Guaranty.

Liquidation attorneys, unlike regular state employees, are not paid straight salaries, but receive fees taken from the assets of companies they handle.

Former State Liquidator J. D. Wheeler told the Senate panel that during his 3½ years in the post, the office collected \$4,938,927 with an administrative cost of \$2,102,590.

Senate committee asked for a list of attorney's fees paid out during the past two years. They said the list would be made public.

**US TRUST PAYMENTS**

One of the most celebrated bankruptcy cases in recent years has begun to unwind.

Dist. Judge Charles O. Betts has ordered the state liquidator to pay out \$2,181,464 recovered

from the assets of US Trust and Guaranty Co. This represents some 31 per cent of the \$7,300,000 in claims made by creditors, mostly holders of US Trust "investment certificates."

Action was made possible after the Supreme Court made final its ruling that certificate holders had no priority in claims.

**DOWN AGAIN**

No miracle is yet in sight for the ailing Texas oil industry.

Railroad Commission cut the statewide allowable for April to 2,444,571 barrels a day. It's 120,203 barrels a day less than March. Eight producing days will be allowed, one less than March.

Commission set this lowest-in-history producing schedule after hearing most major oil buyers say they could forego no substantial increase in demand for oil this year. Commission operates on the philosophy that oil should not be produced unless someone is willing to buy it.

Meanwhile, Texas officials seeking action to reduce importing of foreign oil, received some hope of help in Washington. Prospects is for reduction of import quotas in line with lessened U. S. demand.

**MORE GROWTH SEEN**

Recession or no, Texas' rate of industrial expansion exceeds the national average and possibly will gain steam and set a new record in 1959.

So says the University of Texas Bureau of Business Research in a survey of the state's major industries.

Cited as areas of expansion were chemicals, plastics, aircraft and missiles, electronics, construction materials, metal fabrication, apparel, food processing and furniture.

**MORE NEW BUSINESSES**

In the same vein the Texas Em-

ployment Commission reported an increase in new firms launched in Texas during February.

Begun last month were 103 new businesses employing 1,273 persons. In January, 62 new firms employing 910 persons.

## TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

**THE AMERICAN FARMER**

The spotlight is again upon the American farmer. The reason being that several elements in the Nation's Capital have undertaken in the past several years to completely destroy the welfare of the agricultural segment of our economy. Their efforts have been toward making a whipping boy out of the American farmer and making him appear, in the eyes of the city dwellers, as an economic scoundrel who is receiving subsidies and causing high taxes and high prices.

The country is now beginning to reap the fruits of these false and, in many cases, malicious charges and practices against the American farmer. The propaganda speakers have been able to sell their bill of goods to the city dwellers and make them believe that the American farmer is living off the fat of the land, receiving subsidies from the tax coffers, receiving high prices for his products, and escaping a number of taxes. This is not the first time in our history that this has happened. It has happened several times, and everytime it occurs our country pays the same identical price, to wit, a recessionary period that, on several occasions, has evolved into a first-

class depression. We must not let this happen again. The entire question was fully debated in the Congress last week. The Administration had indicated that it intended to reduce farm price supports to a lower level than 1957 supports. The resolution before the House simply provided that the Administration could not reduce price supports or acreage allotments until Congress had the opportunity to make appropriate changes in the price support and acreage allotment laws. The need for this resolution was based upon the uncontroversial facts that farm income has been steadily declining with the cost of living steadily increasing. The complete falsity of the argument that farm price supports are causing high prices in the market is reflected by the fact that in 1948 wheat was \$2.81 a bushel, yet the average price of a one-pound loaf of bread was slightly under 14c. Yet in 1957, with wheat at \$2.00 a bushel, the average price of a loaf of bread was almost 19c. In other words, the price of a bushel of wheat was reduced almost one-third, yet the consumer was required to pay almost one-third more for a loaf of bread. It might be pointed out here that the farmer gets only about two and three-fourth cents out of the 19c loaf of bread. This example could be used in almost all farm commodities.

The record will also show that every year from 1952 to 1956 farm income went down and income from interests and dividends went up, as well as the cost of living index.

Much more could be said on the subject, but the cold, bare truth is, whether you like the farmer or not, you cannot drive the agricultural people off the land and into the metropolitan areas without doing violence to the economy of this country. Statistics can be produced to prove or disprove anything, but the facts of life remain the same whether it be 1958 or 1930. Our present economic troubles can be cured, but in order to provide the proper remedy, we must get to the source of the difficulty. Stabilize agriculture, and it will do more to correct the economic situation than any other thing that could be done.

**OIL IMPORTS**

Governor Price Daniel appeared before the Ways and Means Committee of the House of Representatives last week in support of legislation imposing mandatory limitations on imports of foreign crude oil and products. He made an excellent statement, pointing up the problem well, and supporting his position with an outstanding array of information and figures. The plight of the independent oil producer is very much akin to that of the American farmer. Both are being required to borrow money and to buy equipment, goods and wares of all kinds on a highly protected market, while at the same time, they are being required to compete in the sale of their own products with foreign markets where the standard of living is far, far below that in the U. S., and where the cost of production is equally below that in the U. S. The Governor, in his closing remarks, made a statement that should be weighed well by all, including those against whom these remarks were directed. I quote the exact words that were contained in Governor Daniel's statement:

"Today foreign imports are determining the amount of production to be permitted from domestic wells, and five large American owned companies and one foreign firm control over 90 percent of the oil imported into this country. They and their desire for big profits should not be permitted to destroy the conservation, economy and security of our nation."
