CLARENDON, DONLEY COUNTY, TEXAS, NOVEMBER 7, 1957

A Common Paper for Common People

**NEW HOME FOR THE RED RAIDERS** — Here is an architect's conception of the expanded and re-modeled Clifford B. and Audrey Jones Stadium Texas Tech football teams will play in beginning in 1960, the first year of Tech participation in Southwest Conference football title play.

When completed the Stadium will, in conformity to Southwest Conference standards, seat 55,000 persons. Details on the expansion plan will be announced at half time of Texas Tech's homecoming game with the University of Tulsa in Lubbock, Nov. 9, 1957.

### Services Held Sunday For Daniel Heckman

Funeral services for Daniel Heckman were held Sunday afternoon in the College Auditorium with R. H. Chambers and H. D. Shields officiating.

Mr. Heckman, 68, died at the home of a friend in Tulsa last Wednesday morning. He was an undenominational evangelist and native of Donley County.

Survivors are one sister, Mrs. Mary Cross of Silvertown and one brother, Henry Heckman of Denver, Colo.

Pallbearers were Lowell Heckman, Cecil Heckman, Ray Heckman, Lawrence Heckman, Melvin Heckman and George Martin.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

### Legion Dance Slated For Saturday Night

The Legion is sponsoring another dance Saturday night at the Legion Hall with Emmett Allen and his Sunset Ramblers furnishing the music. Admission will be \$1 per person and the dance will begin at 9 p. m.

Use Leader Classifieds for Quick Results.

### Donley County Will Be In TB Free Area For Next Six Years

Donley County will be in a TB free area as far as livestock is concerned for another six years, says county agent H. M. Breedlove. Twenty six hundred head of cattle were tested in Donley County by Federal Veterinarian Dr. Allison and his helper Jack Moreman. No cattle were found in the county to have TB; this included both range and dairy cattle. Dr. Allison has submitted all necessary papers to both the state department and to Washington to be signed giving Donley County the right to be in a TB free area for the next six years.

### Box Supper At Lelia Lake Nov. 8

The Lelia Lake student council is sponsoring a box supper November 8th at 7 p. m. in the Lelia Lake gym. An evening of entertainment has been planned that you will not want to miss.

Ladies are asked to bring the boxes and the men are reminded to bring the cold cash. Cokes and coffee will be for sale.

### Lions Broom, Mop Sale Again Today

Due to bad weather, members of the local Lions Club were unable to make a house to house canvass Monday night to sell the various items manufactured by Texas Blind workmen, but will have a truck parked by the Bob Moss Pharmacy today (Thursday) so those who have not had an opportunity to buy, may make their purchases.

The items offered for sale such as ironing board covers and pad combinations, corn brooms, mops, brushes, door mats, etc. are of the highest quality and are made by Texas Blind workmen in Blind Shops or Light-houses which are non-profit organizations with the money going back into the shops to help train other blind persons for useful occupation.

When you drive by this truck today, stop for a minute and look over the items for sale. You will be getting full value for your dollar and be helping a very worthy cause at the same time.

### Conference 2-A Standing

After last week's games the standing of the District 2-A teams are as follows:

Team	Won	Lost
Clarendon	2	1
Lefors	2	1
Canadian	1	1
Memphis	1	1
McLean	0	2

Remaining games:  
Nov. 8—Clarendon at Memphis  
Canadian at McLean  
Nov. 15—Memphis at Canadian  
Lefors at McLean

Some of the conference rules which may need clarifying are as follows:

In the event two teams tie for the district championship, the team that beat the team will represent the district in bi-district play. In the case of a three way tie, officials of the schools involved will flip a coin and the odd man will represent the district. One thing that has been misunderstood is in the case of a tie game. When two teams play a tie game, each team will be awarded a half game won and a half game lost. In the event that two teams tie for the championship and these two teams played a tie game, then the team with the most 20-yard penetrations will represent the district in bi-district play. In case the penetrations are tied, then first downs will determine the team to advance, and in case both penetrations and first downs are tied, then officials of the schools will flip a coin to see who goes into bi-district play.

### All Three Amendments Carry Over State

Water-conscious Texans splashed to the polls through widespread rain Tuesday and approved a 200 million dollar water bond measure and two other amendments, retirement fund and pensions fund, in incomplete returns. All three carried by a good majority in Donley County also.

A total of 204 votes were cast in Donley County which was a small figure considering the total poll tax receipts but was considered a pretty fair number considering the weather.

Amendment No. 1 received 137 votes for with 57 against; No. 2 received 190 for with 12 against and No. 3 received 188 for and 13 against. 111 of the total votes were cast here in town which indicates that the weather had a lot to do with the number going to the polls.

Another issue of interest nearby was defeated in Gray County. Voters of that county defeated both parts of a \$750,000 bond issue proposed to improve Lake McClellan and surrounding park area and entrance roads to the lake. The vote was 404 for to 1,088 against the \$500,000 issue to finance repairs to the lake spillway and improvements to the park and 395 for to 1,117 against the proposal to spend \$250,000 to improve two roads to the lake.

### Scooter Driver Licenses Can Be Had By Youths

A brighter outlook appeared this week for scooter operators when Johnnie Martin, safety officer of the Texas Department of Public Safety, said that a special scooter operator's license was available to boys between the ages of 14 and 16. Martin and Sheriff Bill Corpell met with a group of young scooter owners at the Jr. High School last Thursday afternoon at which time Patrolman Martin explained more about scooter operation.

Scooter operator's license are available provided scooters do not exceed a brake horsepower of five. Most scooters come under this heading.

As is the case with automobile driver's licenses, applicant must take written test, the sign test and the actual driving test. The license examiner follows along behind the scooter operator in the state car and grades the youth, Patrolman Martin stated.

State and local officers are more concerned in preventing injury or loss of life. For the safety of your own child, if he owns and operates a scooter, they are suggesting that all abide by the law. If a child, without a driver's license, is involved in an accident, it's just too bad. He is subject to the same treatment as an older person who drives an auto without a driver's license.

### Flu Epidemic Shows Decrease In Schools

The Flu epidemic in the local schools hit its peak Monday of this week with 28% of the total enrollment absent but according to a late check with Supt. W. W. Pinkerton Wednesday, this percentage had dropped to 21%. Part of this percentage could be attributed to the inability of busses to run on some of the country roads, he added.

The epidemic took the largest toll of teachers Monday also with six being unable to hold their classes. Only one teacher was still out Wednesday. The weather has made it harder to cope with the flu and colds with lots of people suffering set-backs and some are suffering pneumonia.

Price Whitlock of Esccondido, Calif., Mrs. J. L. Whitlock of Shreveport, La., and Mr. and Mrs. Frank Whitlock visited in the home of Mr. and Mrs. George Garrison in Amarillo Wednesday night.

### Cotton Producers Advised To Save Good Planting Seed

Good cotton planting seed with high germination may be scarce next spring. H. M. Breedlove, County Agent, said the situation which has developed is due to late plantings last spring and the wet weather which has hit all sections of the cotton belt during the harvest season. The situation, he added, is even worse in the eastern part of the cotton belt and seed of certain varieties are almost certain to be in short supply.

Breedlove advised cotton growers to save and carefully store any good quality seed of known varieties. This, he said, is one of those seasons when planting seed even with a low moisture content can't be placed in storage and forgotten about until next spring. A continuous check on stored seed is suggested.

Here are Breedlove's suggestions for handling seed. Check seed closely for damage before storing and store those with high germination (80 percent is very good) and low free fatty acid content. Seed saved for bulk storage, he said, should contain less than 12 percent moisture unless good drying and cooling facilities are available. Small quantities of seed should be turned and sacked.

Large quantities of bulk stored seed, he said, should be cured by aeration to maintain quality. A portable fan and duct system can be used to draw air through the seed. He warned that a moisture content of 13.6 percent is the critical point beyond which storage may quickly become disastrous. Every effort, he said, should be made to bring the moisture content down to 10 or 11 percent on seed in storage. Drawing air through the seed must be done during daylight hours and only in fair weather and preferably between 10 a. m. and 4 p. m., he said.

A germination test should be run on the seed before planting as an aid in determining how much seed to plant, he said. No germination test should be made until the seed have been in storage for at least 30 days which is the normal rest period of freshly ginned seed.

### Two Car Dealers Show New Cars Today

Two more local car dealers will feature their new 1958 models today. Estlack Machinery Co. will feature the 1958 Oldsmobile for viewing and Palmer Motor Co. will feature their new car line along with their new '58 trucks.

These dealers are inviting the public to come by and see the many new improvements that have been made over previous models.

### Union Thanksgiving Choir Practice November 12th

Union Thanksgiving Choir Practice will be held on Tuesday, November 12, at 7:30 P. M. at the First Christian Church. All choir members of all churches are urged to attend. This will be in preparation for the Union Thanksgiving Services that will be held on Wednesday, November 27, at 7:30 P. M. at the First Christian Church.

Mr. and Mrs. P. E. Dunlap of Amarillo spent the weekend here with their son-in-law and daughter, Mr. and Mrs. Harold Shirk, also visited in the J. A. Warren home. They were on their way to Florida for an extended vacation. Mr. and Mrs. J. A. Warren of Borger, also visited the Shirks and the J. A. Warrens Sunday. Mrs. Warren, Jr. and Mrs. Shirk are sisters. Mr. and Mrs. Shirk moved here recently from Amarillo. He is parts manager for Palmer Motor Company.

### BRONCS JOURNEY TO MEMPHIS FOR BIG GAME FRIDAY NIGHT

#### Crops Receive Additional Damage As Rain Continues

Prospects for an above average crop in Donley County dwindled some more this past week as wet, sippy weather moved in and took the place of much needed sunshine. Farmers were able to get in their fields the latter part of last week but time was too short to get much out before bad weather set in again.

The additional moisture on top of the hard freeze has lowered the grade on cotton and a large number of farmers that were planning to pull their white cotton are going to wait and use a machine. This will mean an all-around lower grade but will eliminate some of the gathering cost. The sun is going to have to come out again and do a good job or the feed crop is going to suffer greater loss also. The only group that is enjoying the moisture is the wheat farmer and the rancher with only grass land.

The total moisture reported by the local weather observer this week was 1.11 inches. Ashtola received 1.41; Hedley 1.50; Country Club 1.25 and Lelia Lake .88. This brings our yearly moisture total to over 28 inches.

### FM Road In North Part Of County Approved

The Texas Highway Commission has taken the first step to inaugurate a new two-year Farm-to-Market Road Program for Texas, Marshall Formby, Chairman of the Texas Highway Commission stated today. Money for this program is derived from the fund established by Senate Bill 287, Fifty-first Legislature.

Palmer Massey, District Engineer of the Texas Highway Department at Childress has stated that the following farm-to-market road in this area is scheduled for work under this program:

From US Highway 66 at Aland, south to road intersection, a distance of approximately 5.9 miles.

It was announced that work will begin on these projects just as soon as final planning is completed and right of way secured. Resident Engineer C. B. Hudson will be in charge of the work in this area.

Leader—Local rate, \$3.00 a year

The Clarendon High School Bronchos will ring the curtain down on their regular football season Friday night when they meet the scrapping Memphis Cyclones at Memphis Friday night. The game is due to get underway at 7:30. Clarendon drew its open date on the last date of the season. All other conference teams have two games remaining.

This game is a "must" for both teams in order to stay in the running for the district championship. Right now, the district is in a four-way tie between Clarendon, Lefors, Canadian and Memphis. Each team has lost one district game. Clarendon must beat Memphis and then pull for Memphis to beat Canadian in order for the Bronchos to represent the district in the play-offs. Should this happen and if Lefors defeats McLean, the Bronchos and Lefors would end the season in a tie for first place and since Clarendon beat Lefors, the Bronchos would represent the district in bi-district play. Should Clarendon and Canadian tie for the championship, the Wildcats would represent the district since they beat Clarendon.

If the district ends in a three-way tie, which is very possible, the teams concerned would flip a coin and the odd man would go into the play-offs. This could happen should both Clarendon and Canadian beat Memphis and if both Lefors and Canadian beat McLean.

Barring further flu cases this week, the Broncho squad should be in top physical condition for the Memphis game. Monty Mann was out of the Canadian game and Darrell Lettew, James McAnear and Dennis Bradshaw were just getting over it and had missed several workouts.

### HOSPITAL NOTES

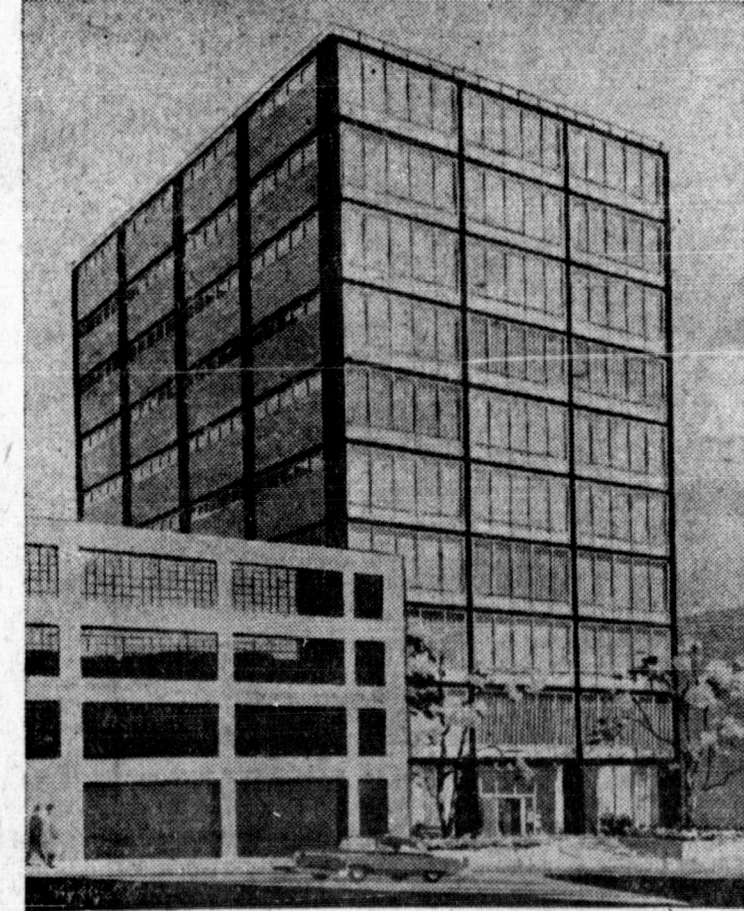

**Patients as of Wednesday, November 6th:**

V. L. Watts, Mrs. V. L. Watts, Mrs. W. J. Richerson, Mrs. Herbert Shields, Mrs. Ed Dishman, Mrs. C. A. Pitts, Mrs. Troy Broome.

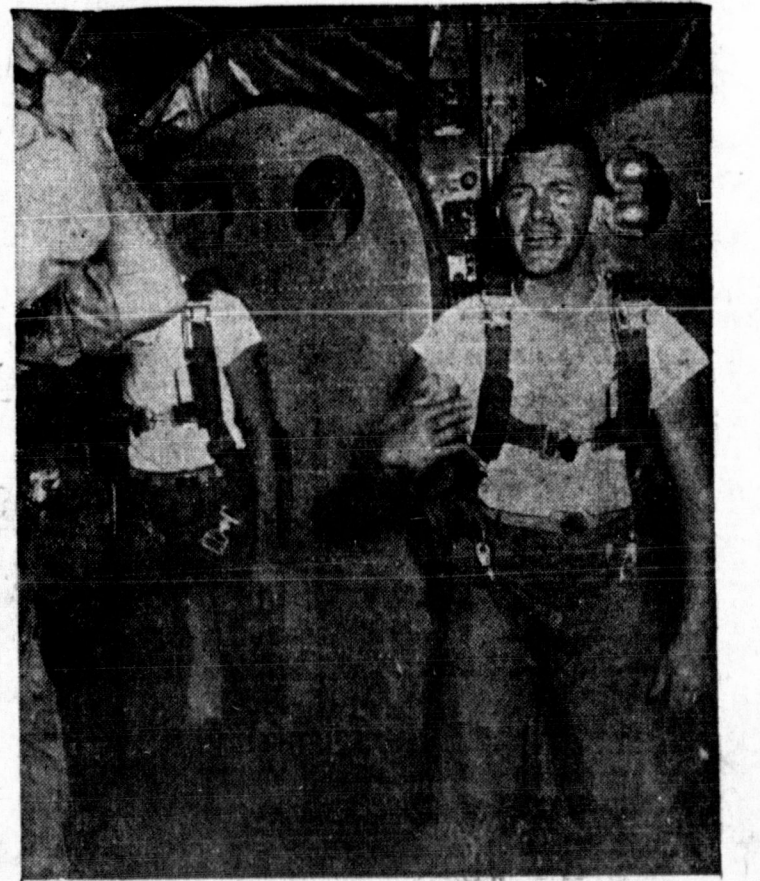

**Dismissals:**

Mrs. Charles Blackburn, Marie Blackburn, Nancy Stephens, J. L. Walker, Paul Wiggins, Edgar Wiggins, Mrs. Cap Morris, Jewel Moonie, Mrs. Roscoe Land, Betty Gordon, Mrs. Homer Estlack, Bob Clark, Marvin Bramblett, J. O. Adams and Bob Anderson.

### INSTITUTE IS SYMBOL OF HOPE

With construction started this year on the Institute for Muscular Disease, Muscular Dystrophy Association of America, Inc., is adding a mighty arsenal for the medical fight against this progressively crippling disease. Architect's drawing shows completed structure which is being made possible through contributions to the November March for Muscular Dystrophy.

**TENSE MOMENT**—Sergeant First Class William D. Waugh of Plains, Pa., a jumpmaster with the 82d Airborne Division, Fort Bragg, N.C., has sole responsibility for the safe landing of the 40 paratroopers in this "Flying Boxcar." Hooked up and with equipment checked, they are about to get the "Go!" order.

HUGHINS NEWS

Mrs. Carl Barker

Mr. and Mrs. Carol Molder and family of Dumas spent a few days with his parents, Mr. and Mrs. C. T. Molder.

Mr. and Mrs. Garth Carter and family of Dumas spent Saturday with his parents, Mr. and Mrs. A. C. Carter.

Mrs. Della Barker left Saturday for Downey, Calif. to visit for quite awhile with her children.

Mr. and Mrs. John Heathington visited his mother last week. Mrs. Meyer is visiting her sister, Mrs. N. B. Rhoades at Vernon.

Mr. and Mrs. Goble Barker of Hedley had lunch with Mr. and Mrs. Carl Barker Monday.

Guests of Mr. and Mrs. C. T. Bates the week end were Mr. and Mrs. Hilery Williams and children of Big Spring.

Guests of Mr. and Mrs. W. O. Elliott Sunday were Mr. and Mrs. Garrett Foster, Mr. and Mrs. Ira Self and Wanda Elliott.

Mr. and Mrs. D. T. Smallwood spent Sunday afternoon with their daughter, Mrs. J. G. McAnear and family.

Mr. and Mrs. A. O. Hott had lunch with Mr. and Mrs. W. D. Higgins Sunday.

Mrs. Ira Self spent Friday afternoon with Mrs. Harvey Shaw. Mrs. Cap Anderson and Mrs. Meyer shopped in Memphis Monday. Several families in the community are sick with the flu.

Mr. and Mrs. Dennis Lindley and family were among the 46 to eat dinner with Mr. and Mrs. Major Hudson Sunday and help celebrate Mr. J. R. Dale's 86th birthday.

Mrs. Elliott and Mrs. Allee spent Wednesday afternoon with Mrs. John Perdue.

Mr. and Mrs. Sidney Harp and baby of Abilene spent the week end with his parents, Mr. and S. M. Harp. Mrs. Sidney Harp and baby remained for a longer stay.

Mr. and Mrs. Carl Barker visited Mr. and Mrs. A. O. Hott Friday night.

Mrs. Kenneth Johnson and baby spent the week end with her parents, Mr. and Mrs. Wallace Roney.

Mrs. Wallace Roney, Mrs. Kenneth Johnson, Mrs. A. C. Carter, Mrs. Donald Ballew shopped in Amarillo Monday.

We are happy our grandson, Doyce Graham, who is in Dr. Goodall's hospital is better at this writing and will be able to go home Tuesday. Bro. Ryan, Mr. and Mrs. John White, Mr. and Mrs. Bill Mooring and Mr. and Mrs. Carl Barker visited with him Monday.

HEDLEY NEWS

Mrs. Paul Duncan

Our community has been hit by the flu epidemic the past 10 days. Most every home has sick folks with flu.

Harvest is well under way when weather permits. Crops are average in this section of the Panhandle.

Mr. and Mrs. Garland Blaylock and children, Mr. and Mrs. Wilton McDaniel and family of Ft. Worth visited their parents a few days last week, the Dave McDaniels.

Mrs. Henry Nivens is doing fine after major surgery in a Memphis hospital last Tuesday.

Mrs. Malcolm Glass was able to come home from Goodall Hospital Monday. She is doing nicely.

Mrs. J. W. McPherson is some better. She is still in a Pampa hospital.

Mrs. Edwin Ayers and Mike of Kauffman returned home Sunday after a two weeks visit with her father and brother, F. G. Watt and son.

Mr. and Mrs. Paul Duncan visited Mr. C. C. Carter in North-west Hospital in Amarillo Friday. Sorry to report Mr. Carter will have to have another operation Monday.

Mr. and Mrs. Edgar Beach and Mrs. Jessie Beach are in Glenrose for Mr. Beach's health. He is not showing too much improvement.

Mr. and Mrs. Charley Darnell left last week for Glenrose for Mr. Darnell to receive medical attention.

Mrs. Bess Kittle of Denver is visiting her mother, Grandmother Cassidy and sister, Mrs. Harve Wilson.

Due to flu epidemic Hedley school has been dismissed another week. School has been dismissed 3 weeks for pupils to help harvest crops. The weather has hindered quite a lot with work.

Mrs. Bess Kittle of Denver is visiting her mother, Grandmother Cassidy and sister, Mrs. Harve Wilson.

Mrs. Bess Kittle of Denver is visiting her mother, Grandmother Cassidy and sister, Mrs. Harve Wilson.

It has been some time since the citizens of Hedley have had an ambulance service of our own. Now in conjunction with, and under the auspices of the Hedley Volunteer Fire Department, we have added a fully equipped Volunteer Ambulance Service for the benefit of the community. It is furnished by the Fire Dept.

free of charge. This service is not to be understood to be in competition with any other ambulance service in this area.

Miss Hazel Coursey returned last Wednesday from Lubbock where she has been visiting while school was out for cotton picking.

Visitors in the J. Miller home last week were Mrs. A. M. Wiseman, Dr. and Mrs. Everett Hatton and son Phil of Albuquerque, Mrs. Chas. Cason and Debbie of Wellington, Mrs. Raymond Welsh and Lane of Canyon.

Since every one has the flu the news is scarce this week. See you next week.

How about subscribing for The Donley County Leader. See your reporter. Thanks.

LELIA LAKE NEWS

Mrs. J. R. Batson

Mr. and Mrs. J. H. Spires returned last Tuesday from a trip to Austin and a visit with their son at El Paso.

Dale Ayers of Canyon spent the weekend with his parents, Mr. and Mrs. C. C. Ayers.

Carol Stepp, a student at WTSC in Canyon, visited friends here Sunday.

Mr. and Mrs. Fred Hutson and children spent last weekend in Bonham visiting his parents.

C. C. Carter is still in North-west Texas Hospital in Amarillo. He was to undergo surgery again Monday.

Mr. and Mrs. J. R. Williams had business in Canyon and Amarillo Saturday.

W. R. Slagle of Amarillo visited Mr. and Mrs. Jim Rampsy Sunday.

Mr. and Mrs. Louie Rogers of California visited Mr. and Mrs. Charlie Heath last week.

Mr. and Mrs. Newell Shields and daughters visited relatives in Quail Sunday.

Mr. and Mrs. Bill Mooring and sons visited relatives in Amarillo Sunday.

Mr. and Mrs. Claude Thomas of Amarillo spent Saturday night and Sunday with her parents, Mr. and Mrs. Jim Rampsy.

Mrs. Loyd Webb of Amarillo left Sunday after a short visit with Mr. and Mrs. Joe Robert Leathers.

Mr. and Mrs. Cordell Buchanan and son of California visited Mr. and Mrs. Lacy Noble last week.

Mr. and Mrs. Frank Byrd and Mrs. Bessie Reynolds all of Amarillo visited Mr. and Mrs. Ferral Floyd Sunday evening.

Mrs. Carl Clayton of Memphis visited relatives here Sunday.

Mr. and Mrs. Billy Hill and Pam and Mr. and Mrs. Bobby Hill and children, all of Amarillo spent the weekend here with their parents.

AT BRITISH RANGE NEAR BERLIN—During a mutual firepower demonstration, soldiers of the U.S. Sixth Infantry and British South Lancashire Regiments interchanged firing of each other's weapons. Sergeant Clyde Jones first explains the jeep-mounted machine gun.

JUST ARRIVED!

All-new '58 DODGE Power Giants

4-WAY LEADERS OF THE LOW-PRICED 3!

Here—for you to drive now—are the first trucks ever built that lead the low-priced three all four ways! Styling, power, payload, economy—Dodge for '58 is definitely way out front.

New economy-engineered V-8's and Sixes give super performance, more miles per gallon (on regular gas). New Full-Traction Drive makes "getting stuck" in mud, snow or sand almost impossible.

Check the 4-way leader before you buy—and get your Dodge dealer's special 40th-anniversary deal!

Drive a DODGE Power Giant today!

1 FIRST IN STYLING! All-new design! Sleek, yet rugged. Deluxe chrome grille and trim... modern twin headlights for safer night driving... sweeping, future-inspired lines... sparkling new colors and two-tone combinations.

2 FIRST IN POWER! New Super-Torque '58 Power Giant V-8's deliver whopping 204 to 234 horsepower. Extra power cuts trip time, lets you pass more safely, reduces engine strain, assures long engine life.

3 FIRST IN PAYLOAD! Advanced Dodge construction is extra strong, but without an ounce of load-robbing excess "fat". Lets you haul as much as 1/4 more, thus cut down on trips, on time, on gas, on tire wear.

4 FIRST IN ECONOMY! Most advanced of all short-stroke V-8 truck engines. Exclusive Power-Dome combustion puts extra miles into every gallon, ends power-stealing carbon deposits, slashes maintenance costs.

Now at Household Supply Co.

RCA VICTOR TV That fits into a corner

IT SAVES SPACE! New "Corner-Corner" TV fits in new places! TV that really helps decorate.

IT'S DELUXE! Features illuminated "Front Window" VHF channel indicator, 3-speaker Panasonic Sound.

The Norman Deluxe. 24 1/2" sq. in. viewable "Mirror-Image" picture. In genuine black veneer and mahogany. 21D842 Series.

New from RCA Victor! Corner TV that saves valuable floor space. In performance—the Deluxe "Magic Monitor" chassis gives TV's finest reception. See the Norman Deluxe today!

The Standard New Power Tuning and Speed Change Control in complete VHF 24 1/2" sq. in. viewable model VHF only. 21B842 Series.

The Conqueror Deluxe. 32 1/2" sq. in. viewable area. Autotune optional or fixed auto-tuned (patented). 24D842 Series.

For UHF—UHF/VHF tuner optional, extra, at low cost. (Not available on 21B842 Series.) Ask about the RCA Victor Factory Service Contract exclusively for RCA Victor set owners.

Those present were Mr. and Mrs. Milton Cannon of Cleburne, Linnie Cauthen, Hulda Wilson of Memphis, Mr. and Mrs. Sam Cannon, Mr. and Mrs. Joe Cannon and son of Vernon, Mr. and Mrs. Jim Cannon and family of Channing, Mr. and Mrs. Loyd Moreland, Mr. and Mrs. Carl Peabody, Mrs. Fred Roper and girls of Timperal, Texas, Mr. and Mrs. Geo. Bulman, Mr. and Mrs.

20-Pound Secret Weapon Is 1958 Auto Feature

FEATURED as optional equipment on a majority of America's 1958 motor cars is a device automobile manufacturers are calling their "Twenty-Pound Secret Weapon." By no means a glamor baby, it can't be seen when one looks at the sleek profile of any of the 1958 models; its operation requires no effort on the part of the driver; it makes no noise. In fact, as you drive one of the new cars you won't even know it's there—until you need it.

The new device is what is known as a "locking differential." Completely automatic, its function is to transfer the power to the rear wheel having the better traction when adverse driving conditions such as those typified by snow, ice, and/or mud are encountered.

This is the direct opposite of what has been happening with automobiles ever since the drive-shaft replaced the old chain drive and the differential was adopted to transfer engine power to the rear wheels. Until now all the power went to the wheel with the least traction.

Any motorist who has ever been immobilized on snow or ice at a curb, or who has ever had the unfortunate experience of getting a rear wheel bogged down in sticky mud or heavy sand (and who hasn't?) will immediately recognize the increased driver convenience the new locking differential has brought to motoring.

When ice or snow is encountered at a curb, with the old-style differential the curb wheel frequently spins and the vehicle is stuck, unable to be moved either forward or backward.

Positive Action Under the same conditions, the locking differential applies many times the driving force of the curb wheel to the wheel on the street and the car proceeds normally, either forward or backward as desired. The same action takes place when one of the wheels is "stuck in the mud," or bogged down in sand. It keeps the maximum amount of power directed to the wheel with the best traction.

LEADER CLASSIFIEDS GET RESULTS

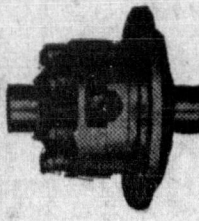

In addition to promoting convenience, the new locking differential which was developed by Dana Corporation, of Toledo, Ohio, a pioneer in the automotive field, reduces the hazards of high speed driving under certain circumstances.

On turns it permits the outer wheel to rotate faster than the inner wheel, but applies the major driving force to the inside rear wheel greatly increasing car stability and improving cornering. With old-style differentials increased power to the inner wheel is absent on turns and the car frequently becomes unstable sometimes goes completely out of control.

Prevents Swerve Even the worst bumps do not adversely affect wheel action with the new locking differential. The wheel jolted into the air does not spin again momentum, hence there is no sudden wheel stoppage to cause a dangerous swerve when the wheel returns to the pavement.

Car stability is also assured on patches of snow, ice, loose gravel, oil slick, etc. Automatic transference of power to the driving wheel with the greater traction again virtually eliminates the chance for dangerous skids and swerves.

Different car manufacturers have adopted different names for the unit on their cars. But call it what you will, the locking differential represents probably the greatest advance in motoring convenience and safety since the automatic transmission was introduced. Some say it is the answer to the most needed automobile improvement since the electric self-starter.

Secret Weapon

PERFECT ALIBI

BAY CITY, Tex.—He wouldn't think of an alibi, but a speeder who failed to appear in Bay City traffic court explained in a letter that the Angleton sheriff wouldn't let him.

The man wrote: "I can't come over and appeal my case because I am locked up on a charge of assault to murder and the sheriff won't let me out to come. I guess I'll just have to plead guilty and pay you when I get out of jail."

USEFUL THEFT

HOUSTON—Thieves may find themselves outfitted in what they stole from Mrs. Leone Hurlburt.

Mrs. Hurlburt dumped a package into her car and went off to continue shopping. The package was gone when she returned.

Appropriately enough, the package contained ten yards of black and white prison stripe material. "If they catch the thief, he can wear it," Mrs. Hurlburt said.

Want a Fast, Clean, Fall Harvest?

Sure you do when a year's work... and profit... ripens, and waits in your field. Sorghum... beans... seed crops? Regardless of seed size or crop condition you can depend on an ALL-CROP HARVESTER.

WIDE-FLOW feeding assures better shelling... reduces slugging... takes less power.

RUBBER-ON-RUBBER shelling is gentle, but thorough.

AIR BLAST separation and SAW-TOOTH wind valves assure better cleaning from heavy beans to tiny grass seed.

See us... we'll show you why your dollars go further in the 6-foot field with a BIG-BIN 66 ALL-CROP Harvester. You can't afford to settle for less.

ALL-Crop is an Allis-Chalmers trademark.

WHY MOTHERS GET GRAY

ENNIS — "Anything can happen," said Mr. and Mrs. H. A. Docteur of Ennis as they told about their daughter, Barbara, breaking her arm by sitting on it. Barbara, a seven-year-old second grader, said she was trying to arrange her multi-ruffled petticoat at home when she "just flopped" in a chair with her arm under her.

## Denton - Pittman Nuptials Solemnized

Miss Ruby Jewell Denton, daughter of Mrs. Ruby Denton of Groom, and Keith Pittman, son of Mr. and Mrs. Carl Pittman of Clarendon, exchanged wedding vows in a double-ring ceremony in the Groom Methodist Church, Saturday afternoon, October 26, at four o'clock. The pastor, Rev. C. R. Hankins, read the service. Bouquets of white gladioli decked the altar. Miss Nancy Helton, organist, played traditional wedding selections preceding the ceremony. Miss Joyce Eddings, cousin of the groom, and Miss Marjorie Bural sang "Walk Hand In Hand," and "Whither Thou Goest."

Maid of honor was Miss Frances Denton, sister of the bride. She wore a dress of powder blue brocaded taffeta. Misses Jo Ann Shaffer and Pat O'Neal were bridesmaids. The ring-bearer was little Miss Sue Ann Bates. They all wore blue taffeta dresses and wristlets of white feathered carnations.

The bride given in marriage by her grandfather, Mr. J. W. Angel, wore a white brocaded satin, sheath, street length dress with a white satin hat. She carried a white Bible topped with a nosegay of white feathered carnations and centered with a white orchid. For something old she wore a small gold pin which was given to her great-grandmother sixty-five years ago. Donald Smith was best man.

and Jimmy Gattis and Owen Johnson were groomsmen. Jerry Behrens, Carl Evans, and Claude DeBord were ushers. Mrs. Denton, mother of the bride, wore a brown suit with black accessories, and Mrs. Pittman, mother of the groom, wore a beige dress with brown and beige accessories. Both wore corsages of pink carnations. Miss Linda Homer presided at the guest register.

A reception was held in Fellowship Hall of the Church following the ceremony. The table was covered with a lace tablecloth with appointments of crystal and silver. The bell-shaped wedding cake of white decorated with small blue bells and surrounded with white chrysanthemums was served by Miss Mary Margaret Fields. Punch was ladeled by Miss Rose Helen Fields. Also helping with the serving were Mrs. Moreman, Mrs. Harrell, and Miss Beulah Shockley.

For the wedding trip to New Mexico and Juarez the bride chose a black tweed suit with red and black accessories. Her corsage was a white orchid. The bride is a senior at Groom High School while the groom graduated from Clarendon High School last spring. He is now serving in the U. S. Navy. After a five week school at Norman, Okla., he will be stationed at Jacksonville, Florida, where Mrs. Pittman will join him.

**MYSTIC WEAVERS CLUB**  
The Mystic Weavers Club of Lelia Lake met recently with Mrs. N. R. Simmons. The work of the day was quilting. Eight members enjoyed the covered dish lunch. The next meeting will be Nov. 13th with Mrs. Guy Cox. —Reporter.

## WE'RE IN THIS TOGETHER, PAL

Comedian Jerry Lewis and 1957 Muscular Dystrophy Child Debbie Dixon talk over plans for the nationwide March for Muscular Dystrophy to raise funds for increased research, patient services and clinical care. Chosen by Muscular Dystrophy Associations of America, Inc., Debbie, of Arlington, Texas, symbolizes the more than 200,000 Americans, most of them children, who are victims of the crippling, fatal disease. Lewis is national MDA chairman.

**1926 BOOK CLUB**  
The 1926 Book Club met at Patching Club House Tuesday afternoon, November 5, with the president, Miss Lucile Polk, presiding.

A very interesting program was presented by Mrs. J. R. Brandon who gave a review of "The Bridge of Andou" by James A. Michener. This is a heroic story of revolt by Hungarian people that made clear to the world the true face of communism. The hostesses, Mrs. C. M. Lowry and Miss Inez Blankenship, served cake and coffee, carrying out the patriotic theme of November 11. Thirteen members were present. —Reporter.

**HUDGINS QUILTING CLUB**  
The Quilting Club met with Belle Smallwood as hostess. One quilt was finished. Refreshments were served to one guest, Frankie McAnear and members Pauline Koontz, Pearl Self, Roxie Cosper, Martiel Webb, Cora Elliott and hostess Belle Smallwood. We are going to have our Christmas party Dec. 12th. This will be our last meeting until January. —Reporter.

**WIN ONE S. S. CLASS**  
The Methodist Win One Sunday School Class held its monthly social meeting on Monday afternoon at the home of Mrs. J. P. Pool. The meeting was opened with a devotional given by Mrs. G. D. Hillis. This was followed by a business session. Refreshments in Thanksgiving style, including pumpkin pie, were served by the hostesses, Mrs. Pool and Mrs. William Payne, to the members present: Mesdames C. C. Powell, Jno. Goldston, Ella McDowell, W. W. Taylor, J. R. Bartlett, Bertha Benson, Frank Bourland, Jim McMurry, Eva Rhode, G. D. Hillis, W. M. Pickering, R. Y. King, Austin Rhoades, C. R. Cross, B. L. Knowles, and Misses Emma Sheffield, Katherine Ross, Mary H. Howren.

**M. Y. F. MEETING**  
Meeting was held Nov. 3rd. There were 7 present. John Bob Butler called the meeting to order. We discussed old and new business. The M.Y.F. is having a Thanksgiving dinner and the church service on the last Sunday of this month. —Reporter.

## LES BEAUX ARTS CLUB

Les Beaux Arts Club met at Patching Club House Friday afternoon, November 1st with Mrs. Carroll Knorpp and Mrs. Frank White, Jr. hostesses.

Entertaining rooms were decorated with fall arrangements, one of fruit and leaves, and another a dry arrangement using foliage from the field and pasture combination with two large copper candles.

Members met in semi-circle for the program, "Artistry in Cooking," demonstrated by Mrs. Forest Sawyer and Mrs. John Bass. The food thus prepared was served the group. Mrs. Sawyer prepared an Italian casserole dish, La Sagna. After baking the casserole was placed in a colorful Italian basket for serving with hot, buttered garlic bread and Italian pickle relish. Mrs. John Bass' Angel Food Cake was a perfection, light and golden brown.

The table was attractively laid with a green cloth and an arrangement of pyracantha berries, red crepe myrtle leaves and yellow ash leaves flanked by two, seven branched, brass candelabra with moss green and gunmetal tapers. Nineteen members attended. —Reporter.

## MISS NEDRA HODGE HONORED WITH TEA

The Y.W.A. of the First Baptist Church were the hostesses for a tea given in honor of Miss Nedra Hodge, bride-elect of Chuck Cosper. The tea was held in the home of Rev. and Mrs. W. F. Vanderburg. The "White Bible" ceremony was given by Miss Joyce Eddings, Mrs. Glenna Cash, and Rev. W. F. Vanderburg. Misses Paulo Jo Vanderburg and Phyllis Hill sang "Bless this House." A white Bible was presented to the honoree with "Nedra and Chuck" inscribed in gold on the front cover. Closing prayer was offered by Rev. Vanderburg.

The serving table carried out the Y.W.A. colors of Green and White as did the other room decorations. Mrs. Glenna Cash, the Y.W.A. Counselor, poured punch and Miss Pat Schull served cake. —Reporter.

## M.Y.F. HALLOWEEN PARTY

The M.Y.F. had a very nice Halloween party Oct. 30th. Those who came were Lacy Lee Noble, Jo Dishman, Marie Richey, Carolyn Cartner, Jean Fox, Johnnie Wade, Keith Dishman, James A. MacDonald, Jerry Don White, Oleta Dart, Lynn Holland, Ike Noble, Juanita Dart, Donnie Tomlinson, Mrs. Miller, Mrs. Mooring, Donnie and David Mooring and Mack and Connie Miller. The hostesses were Mrs. Thurman, Mrs. Noble and Mrs. McDonald. We had the party at Mrs. Noble's house. We played games and had refreshments. It was the nicest party we've had all year. —Reporter.

## GOLDSTON QUILTING CLUB

Bonnie Davis was hostess to the Quilting Club October 31st. Members present were Minnie Robertson, Joy Robertson, Sallie Hatley, Billie Ashcraft and Fern, Blanche Graya, Mazie Eichelberger, Adgar Williams, Nora Smith, and Ola McBrayer. Delicious cookies and punch were served. A quilt was finished. Ola McBrayer will be the next hostess Nov. 14th. Everyone is urged to be present that can as we want to plan a meeting in December. —Reporter.

## MIDWAY CLUB

Club met with Ellen Moreland as hostess Nov. 5th. A delicious dinner was served to 10 members. One member came in the afternoon. One quilt was worked on. Next club day will meet with Lucille Luttrell Nov. 19th. The club will have a 42 party at the club house Friday night Nov. 8th. Time 7:00 o'clock. All members try and come. —Reporter.

## ENGAGEMENT ANNOUNCED

Mr. and Mrs. A. H. Ramsey of 612 Russell St. of Amarillo, announce the engagement and approaching marriage of their daughter Ann Ramsey to Billy Scott, son of Mr. and Mrs. W. C. Scott of Lelia Lake. The ceremony will be read on November 22, 1957. LEADER CLASSIFIEDS GET RESULTS

## CHAMBERLAIN COMMUNITY CENTER SOCIAL

There was a large attendance at the social Friday night at the Chamberlain Community Center. After playing "42" pie and coffee were enjoyed very much.

Our Thanksgiving Supper will be November 22nd. Everyone is invited to come. We plan on having, if possible, Cotton John and his film "Seven Lean Years." We may have other state visitors if they can come. Flip Breedlove is helping us secure help for our program after the supper. Everyone come and bring a well filled basket. —Reporter.

## MUSIC STUDENTS ENTERTAINED

Mrs. Harmon entertained a group of her music students from pre-school to 3rd grade with a musical party at the music studio last Friday afternoon at 2:30.

A musical march with Mike Spier and Lanita Fedric at the piano and Carol Chamberlain and Sarah Nell Windom, as leaders, created lots of fun. The musical doughnut game was played with Helen Bennett and Trey Chamberlain as winners in the contest. Later, sandwiches, cookies and candy were served.

## CHAMBERLAIN CLUB

The Chamberlain Club will not meet this week as scheduled due to bad weather.

## SILVER ANNIVERSARY TEA

A tea will be given in the home of Mr. and Mrs. Loyd Bullock, Vigo Park, Texas on Sunday, November 17th, open house 2:30 to 5:00 p. m. observing their Silver Anniversary. Friends and relatives are invited to attend.

Recent visitors in the Charlie Dozier home were Mr. and Mrs. Ferris Dozier and children of Denver, Colo., Mr. and Mrs. Jay Bowles and Kay of Happy, and Mrs. Jess Sparks of Stinnett.

## People, Spots In The News

**CONCEPTION** by a news photographer of how outer space will look when satellite race gets in full swing is actually just a shot of raindrops on a car's bumper.

**MARLON** Brando shown with his "surprise" bride. There was some question whether her name was Anna Kashfi or Joanna O'Callaghan.

**HOLLYWOOD** beauty Debra Paget shows off another kind of beauty popular with movie set, glamorous, new dinnerware of melamine, hardest of plastics.

## Doctors Appeal For Hiring of Congestive Heart Patients

**NEW YORK** — Top specialists report hope is already a reality for the unsung heart victims of the "congestive" type. These patients tend to accumulate salt and water in their bodies which puts an added burden on the heart.

Medical advances have made it possible for many of them to lead nearly normal lives with work and fun. That is if the rest of us, especially businessmen and doctors, would realize it.

So say Dr. Leonard J. Goldwater of Columbia University's School of Public Health and Administrative Medicine in New York and Dr. John M. Evans of the George Washington University Hospital in Washington. They appeal on behalf of congestive heart failure patients in the medical journal Industrial Medicine and Surgery.

It is popular knowledge that cardiacs can be given jobs without further injury to their hearts. But far too little attention has been paid to congestives, the doctors point out. They call for studies of the work potential of congestives.

They submit to other doctors that advances in diagnosis and drugs have made it possible for a great many congestives to be employed. Recently developed organomercurial diuretic preparations that increase excretion of salt and water and can be taken by mouth are cited as examples. Now injections are often unnecessary to keep the patient from waterlogging. Many patients continue on dietary restrictions and diuretic tablets such as an agent called Neohydrin.

One case they give as an example is a man who has continued to pursue his regular work as an active airport mechanic. So far he has continued for more than five years under a therapeutic plan that includes digitalis and the diuretics.

Another case is a traveling social worker. She too has carried on with a satisfactory life.

The doctors believe the public has learned a lot during the past ten years about heart disease and the hope for victims today. But they see the need now for more understanding of congestive heart failure patients.

Mr. and Mrs. Chester Talley were in Phillips over the weekend visiting with relatives.

Mr. and Mrs. Theron Holland and boys of Amarillo visited Sunday afternoon in the C. W. Martin home.

## SCHOOL MENU

## VACATION IN CALIFORNIA

Mrs. C. W. Martin and her mother, Mrs. L. C. Beavers of Elk City, Okla. returned home Sunday after a vacation in California. While away they visited a brother and son, Mr. and Mrs. Virgil Beavers at Barstow, Calif., also two of Mrs. Martin's sons and their families: Mr. and Mrs. Garland Holland at Yermo, and Mr. and Mrs. Harold Holland and Vickie Sue at Pacoima, Calif. While there they visited the camp where Harold is based.

Among others visited were an uncle, Jess Keith at Fresno, a niece at Chawchillo and a niece at La Puente; then a visit with Mr. Martin's daughter and husband, Mr. and Mrs. Johnny Watkins at Torrance, Calif. They enjoyed a trip to Yosemite National Park and fishing at Huntington Beach. Enroute home they visited in Amarillo.

Mrs. Oma Ickert of Lancaster, Calif., and Mrs. Tom Turnbow of Paradise Valley, Calif., spent from Wednesday to Friday in the J. H. Helton home.

Mr. and Mrs. Jim Juett and Billie Jene Jackson spent Sunday with Mr. and Mrs. W. A. Jackson and son.

Sue Talley of Canyon spent the week end with her parents, Mr. and Mrs. Edgar Talley and boys.

Shortage of Horses faces many Texas ranchers who are trying to rebuild beef herds depleted by the prolonged drought. Prices are high for good saddle horses with young mounts bringing around \$250 as against pre-drought prices of \$50 to \$75 a head.

Texas Turkey Production will set a new record this season with producers raising an estimated six percent more than 1956's record yield. Total U. S. production is expected to be slightly behind Texas with an overall five percent increase over last year.

Distressing note is that live turkey prices are and will likely remain below last year's levels. However, experts are predicting a price rise after Thanksgiving and before Christmas when there will be less storage costs.

### GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The boys of our junior readers have felt neglected recently, but sports books are the best we can give them. We have Curtis Bishop's "Hero at Half Back," and "Half-Time Hero", also "Rocky Malone" by William Heuman. For the little fellows we have "Range Rider" by Felix Sutton.

We have Paul Horgan's "Give Me Possession." This book was recommended to us, and I hope it proves to be good reading.

"The Girl in the Blue Pinafore" by Sara Ware Bassett is a novel given in memory of Mrs. Thornberry. This is a selection from "The Christian Herald's Family Book Shelf Section." That is a sufficient recommendation of its wholesomeness.

C. W. Anderson's "Afraid To Ride" is for fifth and sixth, or likely fourth grade. His drawings of horses are excellent, and his horse stories are fascinating.

Our Literary Guild selection for this month is "When The Bough Breaks" by Otis Carney. It is a modern edition that deals with big business and suburban living.

We have received as a memorial "My Own Story" by Bernard M. Baruck. This was given in

memory of Mr. Britt, the grandfather of Mrs. T. M. Caldwell. It was given by a relative of Mr. Britt's and the Caldwell's. This is an excellent biography and has been a best seller.

There is an abundance of interesting reading here if you desire to read.

Test a '58 Studebaker with Twin Traction for sure-footed power in mud, sand, ice or snow.

**Clarendon Bronchos Lose Heartbreaker To Canadian Wildcats, 12 to 6**

Time ran out on the Clarendon Bronchos at Canadian last Friday night and the Wildcats walked off the field with a 12 to 6 decision over the Bronchos in an important District 2-A game. The Bronchos were on the Wildcat five yard line when the clock ran out.

The Wildcats controlled the ball through most of the game with their grinding ground game. They rolled up 19 first downs and 205 yards rushing to 9 first downs and 147 yards rushing for the Bronchos. Canadian completed three of seven passes for 57 yards while Clarendon completed three of eight for 47 yards. The Bronchos scored three 20-yard penetrations and the Wildcats scored two.

The Wildcats drew first blood in the game midway of the second quarter when their quarterback Kenny Abraham passed to Roy Sessions for the score. The play covered 35 yards. The attempted kick failed. The Bronchos came back and scored late in the same period when Carl Evans broke through the Wildcat line and raced 41 yards for the score. Evan's attempted kick for the extra point was wide.

Canadian scored their last touchdown late in the fourth quarter when Abraham climaxed an 82 yard drive by going over from the one-yard line.

After Canadian's last touchdown the Bronchos advanced the ball down to the Wildcat five-yard line as time ran out. The Bronchos also had one touchdown called back early in the first quarter. Evans made a beautiful run of 58 yards on the Bronchos' first play from scrimmage and was caught on the Wildcat 18 yard line. Two plays later Richard Vallance went over only to have the play called back because of a penalty. Evans was the leading ground gainer for Clarendon with 127 yards in ten carries.

Mr. and Mrs. Price Whitlock and Mrs. J. G. Harbinson left Sunday morning for their respective homes in Escondido and Sacramento, Calif. after a visit with relatives and friends here. They were joined in Amarillo by Mr. and Mrs. Charles Soderberg and girls who also returned to Escondido.

Born to Mr. and Mrs. Bruce Getys of Campbell, Calif., a son, Oct. 30th.; weight 8 lbs. 2 oz. The grandparents are Mr. and Mrs. B. W. Getys of Santa Cruz, Calif. and Mr. and Mrs. Cecil Thomas of Saquel, Calif.

# PLOWIN' Out the CORNERS

*by Uncle Zeb*

Someone laid the following on our desk.

God made the world and rested hence,

He made man then and rested thence,

Then He made woman at man's expense,

And neither God nor man has rested since.

The above would be good for a chuckle but we could never agree with the writer. We like to pick on our women folks a bit, but where in the world would we be without them. Of course, in the first place we just wouldn't

## Olds is All New from Head to Taillamps

Oldsmobile for 1958 offers a completely restyled body, featuring the new "mobile look." This distinctive and tasteful styling in the "98" Holiday coupe harmoniously employs horizontal trim to emphasize its long, flowing lines and low silhouette. The ultra-modern thin line roof sweeps rearwards to the top of the enlarged single-piece rear window. The redesigned front end is distinguished by new four-beam headlamps, recessed

style grille with narrow aluminum louvers, and lower sleek hood line. Dominant in Oldsmobile's 1958 styling are striking twin blades that sweep down the rear fender crown. Choice of three Rocket engines with improved economy is offered in the 1958 Oldsmobile, which has a smoother Jetaway Hydra-Matic transmission and New-Matic Ride, a new concept of air suspension, available as a desirable option.

be at all.

In the second place most of us would be more restless and less rested if we didn't have that little woman to wait on us and to see after us.

Actually, we honestly feel that when the All-Wise God took from man that little rib and gave him instead a help-meet to be with him all this earthly life that short of the gift of life eternal this was God's greatest gift to man. Personally, we think the women are mighty wonderful.

This we read someplace: "If you have been wise and successful I congratulate you; unless you are unable to forget how successful you have been, then I pity you."

It is the truth for sure that much as we admire heroes in this day and many folks say that America is a hero worshipping nation; we all soon lose patience with the fellow who is always reminding us of his accomplishments. This is a good trait in our people, because so long as we feel this way no one ego mad sign-

painter can lead us astray, as happened a few years ago in Germany.

The era of the late Franklin D. Roosevelt taught us many things, and as is usually the case with changes perhaps some were for our good and some perhaps turned out for our bad. One thing that he talked with us about on almost every fireside chat over the radio was this thing we call fear.

And in this field he must of helped all of us a lot. It is true that the worst thing about fear is

ust fear itself. Most of the things we normally fear never happen to us.

Our definition of fear would be something likened unto a pile of uncertainties. Imaginations created by these uncertain things build up and grow in our thoughts and become huge and devouring monsters.

One of the greatest creators of these imaginary uncertainties is sometimes the little hidden guilts in our own life. When we have nothing to hide then we never have so much to fear. This would not always be true.

Many times severe hardships which we knew in the past, perhaps in those terrible thirties, will tend to make us fear for our security. Not long ago we talked with a person who had every financial reason to feel secure but because of the hardships back when they were first married this person lived in constant fear of being short on the very necessities of life.

So, fear of life, fear of death, fear of life after death, all these but most of all just fear itself stalks in the shadows of most of our lives. To conquer fear is to find the victorious life.

their families do not understand the survivors benefits provided in the social security law. Consequently, families may lose benefits in the event of the death of the worker.

The law now permits widows to draw monthly benefits at age 62. Widows who are younger may draw monthly benefits if they have in their care a child of the deceased worker who is entitled to benefits. Sanderson said most people know that a child of a deceased worker is entitled to benefits until age 18. Many people, however, are not aware that a disabled son or daughter over 18 may now qualify for a child's benefit if the disability began before age 18.

Under certain circumstances a widower who was dependent on his wife may qualify for monthly benefits. Dependent parents may qualify if the worker was not survived by a spouse or a child entitled to monthly benefits.

Mr. Sanderson pointed out that in almost every case a lump-sum death benefit can be paid to survivors. This payment is in addition to any monthly benefits the family may get. He emphasized that benefits are not paid automatically; families must make application for them.

The social security office recommends that every worker find out what payments may be due his family in the event of his death. Workers need this information to plan effectively for the financial security of their families. Your social security office has a booklet entitled "Your Social Security" which provides this information. You may write or telephone your social security office for a copy.

Mr. Curtis M. Watts, Field representative of the Amarillo Social Security office will be in Clarendon Tuesday, November 12 at 9:30 a. m. at the Courthouse.

# Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD  
Texas Press Association  
AUSTIN—It's time for a show-

down, says the Senate investigating committee.

Our Texas Legislature has gotten a black eye, the committee feels, and it wants to find out why. Said the committee's chairman, Sen. Charles Herring of Austin, "There's been a tendency on the part of the public to blame the Legislature for everything that happens."

He attributed this to: (1) Acts of a few lawmakers who discredited the entire branch, (2) loose and irresponsible talk and (3) a tendency of other state agencies to blame the Legislature in an attempt to cover up their own shortcomings and "even dereliction of duty."

Herring promised a three-prong attack against these sources of discredit. Grand juries and the legislators themselves have already done "able work" in the first area, said Herring.

In its "loose talk" attack the committee called on the carpenter Riggs Shepperd of Hondo, manager of the Medina Electric Co-operatives, Inc. Riggs said The Texas Co-Op magazine misquoted him in saying he's been "told to see old so-and-so and he'll get your bill introduced for \$500." He said a national magazine article on alleged corruption in Texas triggered his remark.

In the third phase of its operation, presumably designed to show that state agencies have fallen down on their jobs, the committee began by subpoenaing three insurance executives.

First on the stand was Largent Parks, president of Preferred Life of Dallas. Parks was closely questioned about State Insurance Board charges that he owes the insurance firm some \$194,000. Senate committee questioning emphasized that Parks' firm had been given a routine examination last March and another special examination in June, but that the report had never been made public.

Also subpoenaed were Pierce Brooks and Lester Hall of National Bankers Life in Dallas.

### FEDERAL FORCE DENOUNCED

Despite difficulties among themselves, pro-segregation representatives pushed through a strongly worded resolution against enforced integration.

By a vote of 112 to 24, House members criticized President Eisenhower's action at Little Rock. It did not, said the resolution, "reflect constitutional government deriving its powers from

the consent of the governed." Further, it asked the President not to send troops to Texas to enforce "modern sociological concepts" or interfere with "the constitutional right of the State of Texas to provide, operate, and discipline the public schools of Texas."

Difficulty came with Rep. Joe Pool's efforts to push through a demand-to-the-governor resolution. Pool's proposal would call on Gov. Price Daniel to say at once when he will open the legislature for segregation bills. It was shunted aside for a week.

Many East Texans joined in the postponement move, thus indicating they had faith in the governor's intentions.

### MARRIAGE OF MANY

Lobby control proposals are going through the "agonizing reappraisal" stage.

Eight widely varying bills—four in the House, four in Senate, were sent off to subcommittees. Each sub-group is to make a four-way marriage of the proposed bills in the hope of arriving at something that will be acceptable to all.

Some points of difference: whether "controls" should apply only during sessions or year-around, only in Austin or anywhere in state, whether public officials should be exempted, church spokesmen, etc. Each author contends the rival bills have "loopholes."

A new proposal by Sen. Henry B. Gonzales of San Antonio is that the law should provide for a special enforcement agency. It would be a "disclosure board" to which information on who is lobbying for whom and how much is being spent would be filed.

### SCHOOL DAYS

Every month Electricity helps you wash and dry enough clothes to outfit a P.T.A. meeting

The more...  
The merrier...

If you take advantage of your home laundry as much as the average homemaker, you wash and dry enough clothing in a month's time to dress 60 people or more! And think of all your household linens besides! That's the kind of help electricity gives us which we're likely to take for granted.

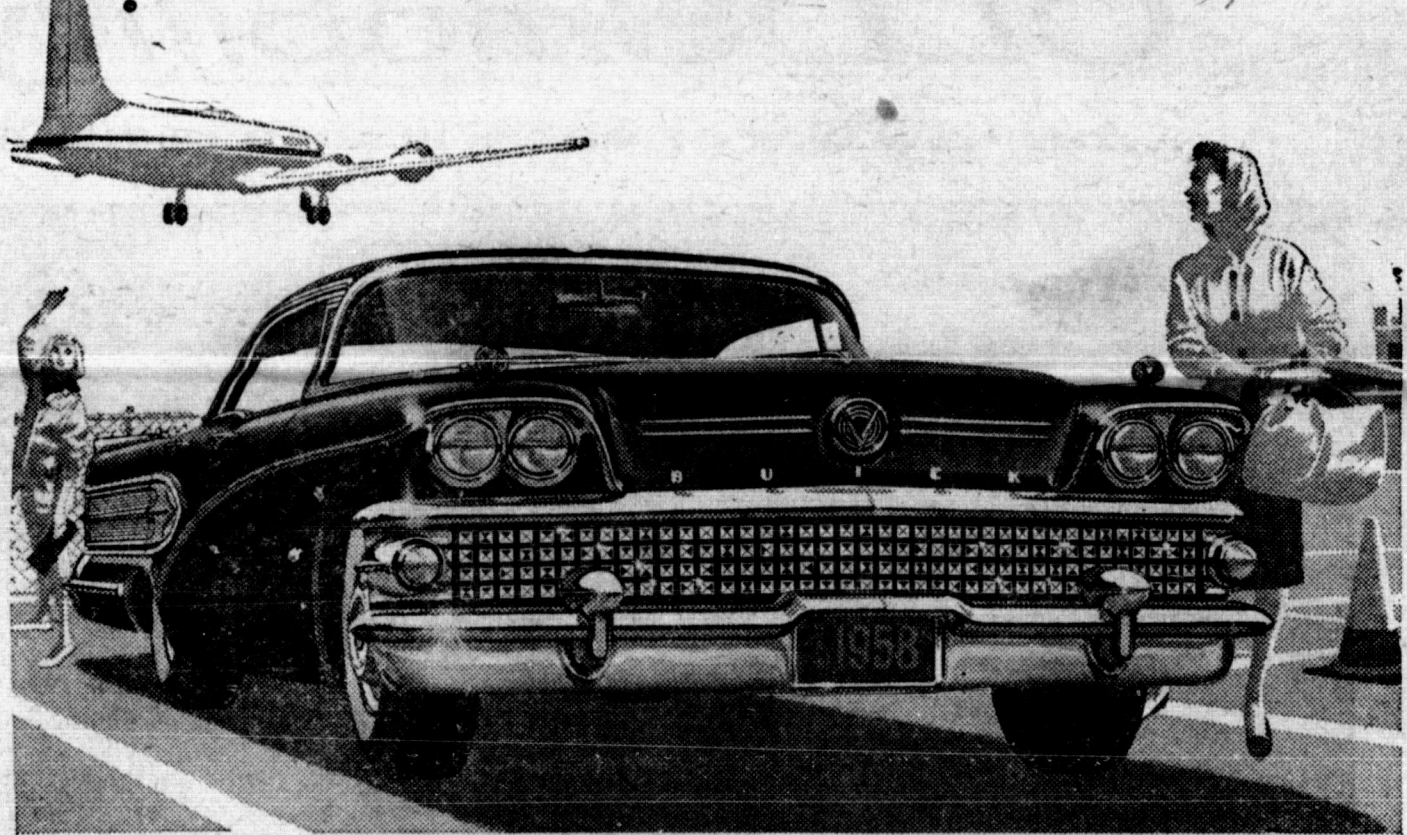

What else do you use that helps so much to do so many things — yet costs so little?

West Texas Utilities  
Company

Electricity costs so little — you can afford to use a lot of it!

IT'S A FACT—In homes served by WTU the average cost of a kilowatt hour of electric service is 20% LESS than it was 10 years ago.

# B-58 BUICK

When better automobiles are built Buick will build them

Born of more Aircraft Principles than any other car yet built

HERE — coming to you from the freshest blueprints in years — is a car built to make your driving as modern as your thinking.

This one's built with more aviation principles throughout than any car before.

There's a greater use of airweight aluminum in its form and structure—in its engine—in its styling—even in its quick-cooling brakes.

There's an air-borne feeling of flight in its performance with Buick's B-12000 engine and with Flight Pitch Dynaflo\* that can switch the pitch a million ways.

And everywhere you go — you travel in new

skyway comfort with Buick's Miracle Ride plus Air-Poise Suspension.\*

So this is a car of truly exciting ideas for 1958 — the Air Born B-58 Buick. And you should see it and drive it at your Buick dealer's soon. Come on in today.

### NEVER SO MUCH SO NEW

- \* Fresh bold styling with the Dynastar Grille.
- \* The Miracle Ride plus Buick Air-Poise Suspension.\*
- \* Flight Pitch Dynaflo\* with the instant flexibility of a million switches of pitch.
- \* B-12000 Engine with 12,000 pounds of thrust behind every piston's power stroke.
- \* Air-Cooled Aluminum Brakes\* with smoother, surer control and longer life.
- \* "Velvet Wall" Sound Silencing.
- \* All built to exacting quality standards.

SEE IT NOW

\*Flight Pitch Dynaflo standard on LIMITED and ROADMASTER 75, optional at extra cost on other Series. Air-Poise Suspension optional at extra cost on all Series. Aluminum Brakes standard on all Series except the SPECIAL.

### WATER BILLS PASS

Both houses of the Legislature passed a statewide water planning bill during the last minutes before adjourning on last weekend. The bills differed quite radically in details, but in general would probably have about the same effect.

A joint Senate-House conference committee will now have to be appointed to adjust the differences in the two bills and report back to the respective houses.

### HOUSE BILL FAVORS UNDERGROUND WATER

The House water bill was particularly favorable to underground water development. As

passed it would appropriate above \$100,000.00 for study and research of underground water. This, I think, will be of particular value to our area. Development of our underground water resources would, of course, be of great benefit to the farmers of our area if more irrigation could be developed.

The Senate Bill did not have this particular provision, but I hope that the conference committee will leave this underground water study provision in the bill.

**LOBBY BILL DISCUSSED**  
The proposed Lobby Registration Act is being hotly debated and discussed. It appears likely that this bill will also have to go

to a joint conference committee. It is very difficult to write a Lobby Bill which will be effective and stringent, and yet at the same time not prohibit the home folks from petitioning their legislators.

All people, of course, love a constitutional right to petition their governmental representatives. I don't want the people of the district to have this right impaired. Some few people (under the guise of being for a Lobby Bill) would like to make all the home folks register under the Act also.

I hope that we may finally get a Lobby Bill which will provide stiff penalties for the wrongdoers—but not restrict the ordinary citizens from working for or against legislation.

When tnsi special session is over, I'll try to write a summary of the new laws passed.

COVER to help maintain our moisture by preventing evaporation. Cover to help keep our soils from crusting and blowing after each rain this winter and spring. COVER to help catch and hold

any snow we might get this winter. Cover to add organic materials to our soils.

CONSERVATION PAYS—  
—IT DON'T COST.

## TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

FREE OR FEE

In a recent newsletter I reported some of the statistics and information concerning the communication media which has had considerable impact on the American scene. I refer to the television industry which has become so much a part of our daily lives.

One aspect of this giant industry which is receiving studied attention in all quarters is subscription television, or pay TV. Expressions are heard on all sides relative to the merits or demerits of initiating a nation wide system whereby the television viewer can put a coin in a slot in his own living room to see a program of his choice. Those who favor the initiation of subscription television contend it will make possible better and more elaborate programs. This group also maintains that pay TV will be a small facet of the program—

## FRED'S ELECTRIC SHOP

WIRING - LIGHTING  
Motor and Appliance Repairing  
LICENSED & BONDED  
Located 3 blocks East of  
Clarendon Hotel  
Phone 127

ming in the over-all industry, and will supplement the vast around-the-clock system of today.

On the other hand, those opposed to pay TV advance the theory that the greatness of the American communications system has been achieved by virtue of its availability to anyone who possessed a television or radio receiver, and that the entire cost of transmitting should continue to be borne by advertisers, net works and local stations.

The Federal Communications Commission has recently announced a program of limited trial subscription television in certain cities throughout the United States and is currently receiving applications with the assurance that no action will be taken on the applications prior to March, 1958. The controversy surrounding subscription television undoubtedly will be brought to the Congress early in the next session since the FCC was established and its laws perfected through the legislative process.

### FEED GRAINS EXPORTS

It is interesting to note the disposition of some of our grain sorghum crops under the Agricultural Trade Development and Assistance Act which was enacted

in 1954 and extended in the last session of Congress. You will recall this is the program where certain commodities are exported and sold in foreign countries in exchange for the local currency in that country rather than United States dollars. Since the beginning of the program through September 30, 1957, some 88,140,480 bushels of feed grains have been marketed in foreign countries. Of this amount 5,795,000 bushels were grain sorghums. These figures are estimates and there doubtless will be measurable disposition of grain sorghums in the balance of fiscal 1958. The aggregate value of feed grains marketed in foreign countries through September 30th was 113.2 million dollars.

The optimist sees things as they should be—not as they are.

Truth has only to change hands a few times to become fiction.

### No Deep Slump Or Depression; New Boom Coming, Kiplinger Says

#### Moderate Rate of Business Growth Will Lead To New Boom In 60's

WASHINGTON—Current fears of a serious recession are not warranted, according to a special report by the Kiplinger organization, released today. A period of "normal progress" for the next

five or six years is predicted by the Washington business reporting firm.

Any letdown or slump will be temporary, the editors say, a pause—not a deep slump or depression.

Then, in five or six years, a new boom will set off "the greatest era of economic growth this country has ever known". Underlying the new boom are these facts:

**Population:** Extra high birth rates in the '40's and '50's will produce a population bulge in the '60's and '70's of young men and women marrying or ready to marry. Marriages make homes, homes make business.

**New Products, New Ideas:** Technical, scientific and mechanical developments of the past few years are being rushed into use producing a crop of new products.

**Government Policy:** Both parties and all political groups are bullish, committed to full employment and an economy going at full speed, with the government an active partner.

**More Inflation** The bad news is that more inflation will accompany the boom, according to the Kiplinger report. Prices will go higher—in ten years, 15 per cent higher, in 25 years, 50 per cent higher.

Behind the inflation are three major forces, pushing hard: **Wages rising faster than productivity:**

A continuous push for higher wages can be expected, causing higher prices and then demand for more wages to cover increased living costs.

**World-wide pressure on prices:** Demand for goods everywhere else in the world is greater than the supply. Prices are going up in all countries and they affect our economy, too.

**Government spending:** No matter what men of either party say the pressure is to expand public spending, so deficits may plague budgets in the future. Public pressure continues to be for big spending, regardless of

inflation that comes in its wake. Not all states and localities will share equally in the growth of the next 25 years, the Kiplinger report points out. The biggest single area of growth is the "heartland" area from Pittsburgh to Chicago.

Next in growth comes the Atlantic seaboard, New York to Baltimore. Then spectacular California, heading toward beating New York as number one state in population. Then Texas, then Florida, which is gaining at the highest rate of any large state.

**Business Gains Spotlights** The new boom of the '60's will

bring an upsurge in housing, accompanied by further suburban growth, increased land prices, more luxury homes.

New businesses will increase. All the talk about small business being doomed is "a lot of bunk", according to the editors.

Service lines will grow fast; retailing, repair, maintenance, banking, real estate, insurance, as well as recreation, travel and vacation, connected businesses.

**No Tax Relief—Incomes Up** Along with the boom and inflation will come a steep rise in incomes, until family spending doubles its present level in the

'80's. Even with discounts for inflation and higher prices, there will be more family spending.

Lower income groups will decrease in number, as families move up the income scale—more middle and upper income families. And there will be increasing numbers of rich families of varying grades, a continuation of past and present trends.

Taxes will not decrease. Though federal taxes may be cut, state and local taxes will rise at a faster rate, so total tax bill will stay high.

**No Big War** Total defense spending will gradually decline, perhaps to 30 billions instead of present 40 billions. First small steps toward disarmament may take five to 10 years, but total disarmament is not in the picture.

As for war, the Kiplinger organization forecasts there will be no big war. Small wars may threaten and come and go but no

world wide conflict is likely, the report concludes.

#### REAL REALISM

MIDLAND—A Midland Community Theatre play rehearsal became a little too realistic. The cast was rehearsing the forthcoming production of "Detective Story." Hugh Broyles, a Midland school teacher, was playing the part of a prisoner handcuffed to a chair.

Time came to free him. The key was missing. The wrong handcuffs had been used.

Broyles was taken, chair and all, to Midland police headquarters where Officer Vernon Conn succeeded in picking the lock.

**SWEEPING STYLING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE.** The Fairlane 500 Town Victoria (right) and Fairlane Club Victoria (left) share with all new Fords such dramatic styling changes as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, slip stream roof, sculptured inverted V-trunk lid and twin safety taillights. Engineering and design advances include new engines, new Cruise-O-Matic transmission and optional Ford-Aire suspension. The new Ford car line will be on display at Ford dealerships on November 7.

Proved and approved around the world and now it's here for you... the 58 FORD

One look tells you... there's nothing newer in the world!

**New deep-sculptured styling**

**New Interceptor V-8 power**

**New Cruise-O-Matic Drive**

**New Ford-Aire Suspension**

**New Magic-Circle Steering**

*The 58 Ford is the newest car in the world—the only car ever to meet a world-wide test and win world-wide approval before its public premiere.*

Here's a car so new, so beautiful it made eyes pop from Paris to Pakistan... a car so rugged it proved its mettle in a road test around the entire world! What's more, it did it on surprisingly little gas—thanks to new Precision Fuel Induction. Come in and let us show you the world's most beautiful new bargain!

**You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction.** There's nothing newer than these engines that give you up to 300 hp. Smoother power! From less gas! One secret is Precision Fuel Induction, a wonderful new carburetion, fuel feeding, and combustion system.

**You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8.** New D1 position, used for all normal driving, lets you move smoothly, automatically—with just a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

**You'll ride on a cloud instead of a spring with Ford-Aire Suspension.** Four air pillows literally soak up the bumps! And Ford's new air suspension releases the car every time someone steps inside or luggage is loaded. An extra cost option, you get all this at traditionally low Ford prices!

**You'll steer with a feather touch with Ford's new Magic-Circle Steering.** Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering mechanism are virtually friction-free—give you the closest thing yet to power steering! Come in and try it!

Come in today... Action Test America's only world-proved car!
