### Bronchos Lose To Stinnett Rattlers In Bi-District Game 33 to 6

The Clarendon Bronchos put up a valiant fight last Friday night in their bi-district game at Pampa with the Stinnett Rattlers but were unable to cope with the deception, blocking and speed of the Rattlers.

Actually the game was closer fought than the score indicated as the majority of the Rattler scoring came on sensational runs with excellent downfield blocking.

Stinnett scored their first tally early in the first quarter but didn't score again until about mid-way of the second quarter. A screen-pass play shortly before the half added another. They scored again early in the third period but didn't make much more progress until early in the fourth when Hicks grabbed a punt and raced 85 yards for the final tally.

The Bronchos lone tally followed the long run by Hicks. John Payne shot a beautiful pass right down the middle of the field 42 yards to Jimmy Philley who took the ball and raced 18 yards to pay-dirt. Donald Adams' extra point attempt failed.

The game was played in Harvester stadium at Pampa in near freezing weather which made it difficult for the boys to put forth their best. The game was witnessed by around 3,000 fans who were chilled to the bone by the time the final whistle sounded.

The Stinnett Rattlers will meet the Farwell Steers this week in their march toward the state finals. Farwell defeated Hale Center 27-14 Friday afternoon at Plainview to keep them in the running.

#### SOMETHING HAS HAPPENED TO JIM!

Most everyone in Clarendon is acquainted with "Jim"; that's Tunny Kent's famous bird dog. Kent reported Monday that something had happened to Jim and he wanted his bumsom pal back. He is offering a reward for information regarding his whereabouts. Kent thinks possibly that someone has borrowed Jim for the quail season, so any kind of lead will be appreciated.

### Coach Clapp Announces Basketball Schedule

Coach Kenneth Clapp, starting his first year as coach of the Clarendon High School Basketball Teams, has completed his schedule for the year. Clapp assisted Tom Jinks in football this year and will be head coach of both the boys and girls basketball teams. His girls have been working out for several weeks and have played three games; one with Hedley and two with Lelia Lake. The boys started workouts this week following elimination from the football play-offs last Friday night.

Coach Clapp is expecting strong teams in both the boys and girls divisions. Only two starters from last year's strong girls' team are returning this year but a host of young girls are coming along nicely as replacements. Returnees from last year's team are Joan Bennett and Glenda Borden who started most of the games along with a top reserve in Barbara Darnell. The other girls on the squad did not see much action last year but their spirit and hustle will make up for a lot of experience.

Four of last year's starting boys' team are returning this year along with all the members of the second five. John Payne, Jerry Behrens, Eddie Joe Baten, and Keith Schollenbarger from last year's starting five are on hand again this year and with such reserves as John Tom Morrow, Richard Vallance, Doyce Graham, Robert Mills and Jimmy Philley. With this array of talent, Coach Clapp expects to field a strong team. The season schedule:

- Nov. 30—At Claude
- Dec. 4—Quitaque here
- Dec. 6, 7, 8—McLean Tourney
- Dec. 11—At Groom
- Dec. 14—Claude here
- Dec. 18—Quitaque here
- Jan. 3, 4, 5—Lefors Tournament
- \*Jan. 8—Lefors here
- \*Jan. 11—At McLean
- \*Jan. 15—Canadian here
- \*Jan. 19—At Memphis
- \*Jan. 25—Lefors here
- \*Jan. 29—McLean here
- \*Feb. 1—At Canadian
- \*Feb. 5—Memphis here
- \*Feb. 8—Groom here.
- \*District 2-A Conference Games.

### THANKSGIVING PROCLAMATION

The American People in this year of 1956 have abundant reason to give thanks for the blessings that a Divine Providence has bestowed on this favored land.

Thanksgiving is one of the most revered of our national and state holidays, and its observance is traditional among our people.

For almost a century Thanksgiving has been a national holiday, set aside to express our humble gratitude to God for the bounty of the harvest and for the heritage of freedom that is ours.

The 52nd Texas Legislature approved legislation which specifically designated the last Thursday in November as the date of the Thanksgiving observance in this state.

Now, therefore, I, as mayor of the City of Clarendon, do hereby designate Thursday, November 29, 1956 as Thanksgiving Day in Clarendon, and call upon all our people to join in giving thanks to God for the many blessings that we enjoy.

H. T. BURTON, Mayor.

### Services Held Friday For John Hermesmeyer

Funeral services for John H. Hermesmeyer were held Friday morning in St. Mary's Catholic Church in Groom with the Rev. John Corcoran officiating. Rosary services were said at the family home in Jericho Thursday evening.

Mr. Hermesmeyer, 76, passed away last Thursday morning at Inez's Rest Home here following a lengthy illness. He had been a prominent farmer and settler for 49 years. He was born Oct. 4, 1880 in Palmyra, Mo., and came to Donley County in February, 1907. He served four terms as Donley County Commissioner, from 1934 to 1942.

Survivors include a brother, Frank of Jericho; two sisters, Sister Mary M. Fernanda of Dubuque, Iowa, and Mrs. John Reagan of Dallas; and a number of nephews and nieces.

Nephews of Mr. Hermesmeyer served as pallbearers. They were Charles Hermesmeyer, Jim Hermesmeyer, Lawrence Hermesmeyer, Ray Hermesmeyer, R. J. Britten, Steve J. Kline.

Burial was in the Groom Catholic Cemetery with the Murphy Funeral Home in charge of arrangements.

Mr and Mrs. A. O. Hefner enjoyed Thanksgiving dinner in the home of Mr. and Mrs. M. L. Rattan at Ashtola last Thursday.

### Methodist Convocation Nov. 29 - Dec. 2nd At Fort Worth

This is a convocation of Adult Church School Workers to meet at Fort Worth November 29 - December 2, at First Methodist Church.

The purpose is to bring together under competent leadership, the workers with adults in the local churches of the Dallas - Fort Worth area; to strengthen the program of Christian education for adults in these churches; to help leaders of adults catch a new vision of their work; to acquire new skills in working with adults; to enable leaders of adults to guide their groups into more responsible Christian living in all areas of life; to start a fellowship among leaders of adults that will continue in local churches, sub-districts, and districts throughout the years to come.

Feature speakers are: Bishop William C. Martin, Bishop Richard C. Rains, Dr. Gaston Foote, Dr. M. Leo Rippey, Dr. Dwight E. Loder.

Those attending from the Clarendon Methodist Church are: Mr. S. M. Fedrie, Mrs. John Bass, Mrs. Homer Bones and Mrs. Judson Cook.

### New Farm To Market Roads In Prospect

The Texas Highway Commission has taken the first step to inaugurate a new two-year Farm-to-Market Road Program for Texas. E. H. Thornton, Jr., Chairman of the Highway Commission, stated that the funds for this 1957 and 1958 program are derived from federal-aid highway funds, matched with state highway funds on a dollar-for-dollar basis.

Palmer Massey, District Engineer of the Texas Highway Department at Childress, has stated that a Farm-to-Market Road from FM 1260 at 1.3 miles north of US 287, east to road intersection, a distance of approximately six miles is scheduled for work under this program.

It was announced that work will begin on this project as soon as final planning is completed and necessary right of way secured. Resident Engineer C. B. Hudson will be in charge of the work in this area.

Mrs. Regan Bryan who underwent major surgery Saturday in the Wellington hospital is reported as doing fine at this time.

Leader—Local rate, \$3.00 a year.

GEO. S. WILKINS

### Gospel Meeting To Begin November 26 At Church of Christ

A Gospel Meeting will begin Monday, November 26th and will continue through Wednesday night, Dec. 5th at the local Church of Christ. Geo. S. Wilkins of Hammon, Okla. will be the visiting evangelist and Elmer Chenault will be the song leader. Services will be held at 10 a. m. and 7 p. m. daily and Inspirational Gospel Singing will be a highlight of all services. The public is cordially invited to attend any or all of these services.

### Quail Season To Open Saturday

Hunters from near and far will be covering the countryside this week end as the 1956 quail season opens officially Saturday, December 1st. With the season opening on a week end, a larger number of hunters are expected in the field than usual for the first two days.

Hunters are reminded that it might prove costly to hunt on any land without proper permission. The bag limit is ten birds per day and it will be wise to stay within that limit as we understand deputized wardens as well as the regular game wardens will be doing considerable checking in this area. If you just take your bag limit, you will have more birds to hunt the remainder of the season.

### Bulldogs To Meet Lamar Jr. College Here Saturday Night—7:30

#### Nine Bronchos Gain All-Conference Honors

Nine members of Coach Tom Jinks' Broncho football team gained all-conference honors this year on the first, second and honorable mention teams. Eddie Joe Baten, Keith Pittman, John Payne and Jimmy Philley were placed on the first team with Chester Mann, Claude DeBord and Richard Vallance being placed on the second team. Donald Mills and Jerry Behrens gained honorable mention. All are seniors except Vallance, Mills and Behrens.

The All-Conference first team is as follows: Ends, Eddie Joe Baten, Clarendon, and Campbell Morris, Memphis; Tackles, Keith Pittman, Clarendon, and Paul Wilson, Memphis; Guards, Dudley Gillespie, Memphis, and Mike Nichols, Lefors; Center, Larry Schaeff, Canadian; Quarterback, John Payne, Clarendon; Halfbacks, Jimmy Philley, Clarendon, and Charles Crockett, McLean; and Fullback, Johnny Grist, Canadian.

Second Team: Ends, Mike Montgomery, Memphis, and Winfred Cates, Lefors; Tackles, Chester Mann, Clarendon, and Preston Morgan, McLean; Guards, Claude DeBord, Clarendon, and Ray Hupp, McLean; Center, Don Longhofer, Canadian; Quarterback, Kenneth Abraham, Canadian; Halfbacks, Richard Vallance, Clarendon, and Doyle Long, Memphis, and fullback, Howard Bradfield, Lefors.

Honorable Mention: Ends, Donald Mills, Clarendon, and Phil Watters, Canadian; Tackles, Geo. Hartsell, Memphis, and Johnny Anders, McLean; Guards, Harold Varnold, Canadian, and James Waddill, Memphis; center, Wayne Maxon, Lefors; Quarterback, Joe Young, Memphis; Halfbacks, David Woods, McLean, and Dale Krebbiel, Canadian, and Fullback, Jerry Behrens, Clarendon.

Of the 33 players picked on the three teams, Clarendon placed nine, Memphis eight, Canadian seven, McLean five, and Lefors four.

Mr. and Mrs. Jim Chilton of Pampa visited in Clarendon the past Wednesday.

The Clarendon Junior College Bulldogs will open their home basketball schedule Saturday night, December 1st, against the Lamar Junior College of Lamar, Colorado. There will be only one game which will begin at 7:30.

Local fans will get their first look at a practically new Bulldog team this year. Under the direction of Coach Buddy Travis, the Bulldogs have been working hard since the opening of school and should be in excellent physical condition for this game. This will be their second game of the young season, the first was a 76 to 70 victory over the Wayland College Freshmen in a game played at Silverton on Nov. 13.

The strength of the visitors is unknown at this time. Last year the Bulldogs defeated Lamar two games.

Coach Travis is undecided on his probable starting line-up for Saturday night's game. The two forward positions seem to be pretty well settled, with Boyd White and Steve Jarrigan; center will be either Jay Wilson or Norman Killough, and the starting guards will be picked from the following four boys: Billy Schneider, Jimmy Adams, Layne Cushingberry and Buzz Bailey. Other boys who will probably see some service include James Lanier, Kenneth Newman, John Cartwright, Erith Hawkins, and Don Johnson.

### It's Time For Those Santa Letters Again

Christmas is just around the corner and time for all you youngsters to write those Santa letters and mail or bring them to the Leader office if you want them printed so Santa will be sure to see them.

Due to the extra setting time on the Linotype, we would appreciate receiving as many letters as possible right away. The deadline for getting the letters in is December 8th. Those received by this date will positively be published. Those received after that date will be published only if space permits, and usually as Christmas draws near, our space is limited.

Leader—Local rate, \$3.00 a year.

BLOOD "EXPANDERS" and albumin—a plasma derivative—stored in the Federal Civil Defense Administration's stockpiles would be indispensable after a large attack to supplement limited supplies of whole blood for millions of casualties in first aid stations such as above. For example, 5,000,000 casualties would require an estimated 7,500,000 pints of whole blood, 2,000,000 bottles of albumin and 5,500,000 bottles of blood "expanders" during the first three weeks after attack. By mid-1957, FCDA expects to have enough blood derivatives and plasma volume "expanders" stored to provide for 4½ million casualties. (American Red Cross Photo)

WATER FILTRATION units in the Federal Civil Defense Administration warehouse at Seneca, Ill., await use in a possible future disaster. These units are located sufficient distance from expected nuclear blast-eyes, and to the west—usually upwind—from target cities to lessen the chances of blast damage and fallout. (FCDA Photo)

Mr. and Mrs. Price Webb and Sandra visited Mrs. R. M. Webb Sunday afternoon.

**Three Dual Carburetors Combined By Olds In New Engine Installation**

MESA, Arizona — Oldsmobile demonstrated a unique multiple carburetor installation on a 1957 "Rocket" engine at the General Motors Desert Proving Ground near here today.

The installation incorporates three medium-size, two-barrel carburetors instead of a single large four-barrel carburetor. It is combined with 10 to 1 compression ratio and develops 300 horsepower. The special engine set-up utilizes 100-octane gasoline now available in many parts of the country.

The three dual carburetors will be offered as optional equipment at extra cost early next year.

"This installation of three two-barrel carburetors is novel because at all normal cruising speeds the engine is running on one two-barrel carburetor," explained J. F. Wolfram, Oldsmobile general manager and vice president of GM.

"The two additional carburetors do not begin to function until the throttle is opened more than three-quarters. This should result in more economical driving because the driver will be less frequently inclined to dip into his full reserve horsepower."

"For many years the public has been demanding both outstanding performance and fuel economy," Wolfram continued. "These goals generally are not compatible unless the driver is careful to use the reserve power only when he needs it. The combination of three dual carburetors gives the driver a greater opportunity of driving in a more economical manner. This is particularly true in the type of driving generally experienced on modern freeways and turnpikes where frequent acceleration is not needed. Yet this installation offers all the reserve performance the driver can use when he needs it by opening the throttle more than three-quarters."

"This multiple carburetor installation is particularly pleasing to drive because it gives the car a feeling of alertness over the entire speed range," Wolfram said. "It is especially effective at the lower car speeds as the Jetaway

Hydra-Matic transmission shifts into third gear when the driver desires increased acceleration.

"This engine with the three-carburetor combination takes full advantage of the 100-octane fuel now offered," Wolfram explained. "The increased thermal and volumetric efficiency of the engine with this special equipment brings more reserve power over the entire speed range of the car."

"We believe that this multiple carburetor installation is another step in Oldsmobile's program of economy when you want it and power when you need it."

## M. Y. F. SOUTHEAST ASIA PARTY

On Monday night, November 26, 1956 in the Will Chamberlain home, the M. Y. F. had a Southeast Asia Party at 6:00.

When everyone arrived we all sat on mats made of newspapers, on the floor. Everyone sang a few stunts songs, and then we had a program directed by our leaders.

Mrs. McDonald's group gave a report on the different religions. Jerry Don White and Judy Castner reported on the Buddha Religion. The Islam Religion was given by William Chamberlain. Elizabeth Chamberlain gave a report on the Roman Catholic Church.

Mrs. Thurman's group gave a report on the customs of the different countries. Ike Nobles gave a report on the customs of Indonesia. The Philippine customs were given by Rod Seago. Larry Lynn Thurman reported on the customs of Burma.

Mrs. Mace's group reported on the churches work in the different countries. Jessie Lee White gave a report on the work in Burma. Paul White reported on the churches work in Indonesia. Evelyn Chamberlain gave the report on the churches work in Malaya.

After the program, Mrs. McDonald showed the group some chop sticks, bowls made of china, and some Chinese spoons from China.

Everyone enjoyed eating curry, hot tea, beans, pickled okra, rice, and ambrosia on placements made by Betsy Chamberlain. Every one had name cards made from walnut shells and flags from the different countries also made by Betsy.

After everyone ate we enjoyed a devotional by Peggy McDonald. The Devotional Center had a cross, a white candle lit and an

open Bible. The devotion was by a missionary from South America who is teaching in a Latin American school in South Texas now.

Those enjoying a good time were Mr. and Mrs. Bill Mace, Mr. and Mrs. J. A. McDonald, Mrs. A. K. Thurman, Mr. and Mrs. Will Chamberlain, Rod Seago, Jean Fox, Ike Nobles, Lacy Lee White, Alvie Neal White, Judy Castner, Carolyn Castner, Mr. Castner, Glynn Myers, Mrs. Earl Myers, Betsy Chamberlain, William Chamberlain, Evelyn Chamberlain, Jerry Don White, Larry Lynn Thurman. —Reporter.

## M. Y. F. REPORT

The Lejia Lake Methodist Youth Fellowship met at 6:00 at the church. Jessie Lee White called the meeting to order and Betsy Chamberlain gave the opening prayer.

We decided to pack the box of clothes for Robstown, Texas, Monday night at the Southeastern Asia Party.

Jessie Lee White read "Mercy Drops" from "Day After Tomorrow," and then we sang "In Christ There is No East or West" led by Jessie Lee White.

The meeting was dismissed with the M. Y. F. Benediction.

The members present were Jessie Lee White, Jean Fox, William Chamberlain, Elizabeth Chamberlain, Evelyn Chamberlain, Larry Thurman, Jerry Don White, Alvie Neal White, Rod Seago, John Bob Butler, Lacy Lee Nobles, Ike Nobles, Judy Castner, Carolyn Castner, Mrs. Mace, Mrs. Chamberlain, Mrs. Thurman, and one guest Kay Landers from Muleshoe, Texas. —Reporter.

It took 1,000 artists three years to make the movie "Snow White and the Seven Dwarfs."

## Bennett - Reynolds Vows Exchanged

In a candlelight service Friday eve, Nov. 23 at the Martin Baptist Church Miss Dortha Bennett, daughter of Mr. and Mrs. J. W. Sullivan became the bride of Mr. Steve Reynolds, son of Mr. and Mrs. Clarence Reynolds, Rev. John Stout, pastor, read the simple ring service.

Vows were exchanged before an altar decorated with blue tapers in wrought iron candleabra, greenery and baskets of white chrysanthemums. Pews were marked with white satin ribbons. Candles were lighted by Ross Hill, and Johnny Davis who also served as ushers.

Mrs. John Bass, pianist, played a nuptial prelude including "Always," "I Love You Truly," "Melody of Love." Traditional wedding marches were used.

Miss Joann Bennett, sister of the bride, was attired in a dress of pale blue cotton satin and attended the bride as maid of honor. Her corsage was white carnations.

Mr. Bobby Cole attended the groom as best man. The bride escorted to the altar and given in marriage by her step-father, wore a two-piece dress of white faille. It was fashioned with a scoop neckline and the skirt was full with unpressed pleats. The fitted jacket was trimmed with seed pearls.

After a short wedding trip the couple will make their home at Clarendon where he is engaged in farming. The bride is attending school in Clarendon where she will graduate next spring.

A reception was held after the ceremony for the guests. Miss Barbara McAnear, Mrs. Joan Roehr, Mrs. Jackie Spear served. Miss Otha Dean Elliott registered the guests. —Reporter.

## CHAMBERLAIN CLUB

The next club meeting will be at the Community Center Dec. 6th with an all day meeting planned. Bring your sack lunch. Quilting is the theme of the day. Hostess will be Mrs. H. A. Harrison Jr. —Reporter.

MEDICAL STOCKPILE in the Federal Civil Defense Administration warehouse in Marshall, Mich., is typical of the 33 stores of bulk medical supplies in the United States. Each medical stockpile, located 50 to 100 miles from major target cities, is determined by the size of the adjacent target. (FCDA Photo)

## GOOD NEIGHBORS CLUB

The Good Neighbors Club met in the home of Mrs. Tom Sullivan for a covered dish luncheon and an all day quilting Friday, November 23rd.

Present were one visitor, Mrs. Carrie Johnson; members Ruby Jordan, Maggie Easterling, Bessie Helton, Rosa Bingham, Eula Butler, Emma Davis, Mava Anderson, Nova Barker, Carrah Mixon, Florence Harp, and the hostess Daisie Sullivan. Each member brought a gift for the hospital. Mrs. Butler and Mrs. Barker presented the gift.

Plans were made for our Christmas party to be December 14th in the home of Nova Barker. —Reporter.

## MARTIN QUILTING CLUB

Martin Quilting Club met Nov. 15th with Eunice Land. Ten members and eleven visitors were present. One quilt was finished.

Members present were Jonnie Stout, Dorothy Sullivan, Lela Bulman, Linnie Cauthen, Lois Stevenson, Blanch Higgins, Annie Waldrop, Margaret Waldrop, Veda Elliott, Eunice Land; visitors Melba Risley, Jo Jinks, Helen Land, Beth Waldrop, Linda Stout, Jim Risley, Jan Jinks, Steve Land, Minnie Cannon, Bro. John Stout, and Pete Land.

Dec. 6th will be our Christmas party. Everyone come and bring a gift. —Reporter.

## CHAMBERLAIN COMMUNITY

The Chamberlain Community Center had their Thanksgiving dinner Saturday night, Nov. 24. There were several out. Also we had several visitors.

Games of 42 and Canasta were enjoyed by all. Every one seemed to have a big time. Baked turkey, chicken and all the trimmings, that goes with it was the meal of the evening.

We hope every one will come back.

Next meeting will be Dec. 8th. —Reporter.

Guests the previous week end in the John W. Semrad home were Mr. and Mrs. A. J. Semrad, Enid, Okla., brother and sister of Mr. and Mrs. John Semrad; Mr. and Mrs. B. F. Dorman and Cathy of Amarillo; Mr. and Mrs. C. Dorman and family of Hedley; Mrs. Jack Semrad and Beth of Amarillo; Mrs. Robert Semrad and children of West Columbia, Texas. Mrs. Robert Semrad is leaving Dec. 1st to join her husband in Jalipitan, Vera Cruz, Mexico where Mr. Semrad is assistant Superintendent of the Pan American Sulphur Company.

More than 150 Navy transport and mapping planes are being equipped with automatic flight controls. The altitude controller is so accurate that it can detect a change of 5 feet at an altitude of 40,000 feet. —Reporter.

## APPLE - STUFFED SAUSAGE BALLS

This recipe is a delicious new twist to the old fashioned favorite—baked apples. Instead of stuffing apples for baking, the apples do the stuffing. This recipe combines sausage and apples whose flavors do so much for each other!

Wedges of baking apples are pressed into sausage-rice balls. The balls are set on a rack in a baking pan over hot water. They're beautifully browned when done! If desired, a gravy can be made from the drippings. This main dish is as good as can be and makes eight nice-sized servings from a pound of sausage.

**M E N U**  
APPLE - STUFFED SAUSAGE BALLS  
Pan Gravy  
Buttered Green Beans  
Pear and Cottage Cheese Salad  
Lemon-Pudding with Whipped Cream

**INGREDIENTS:**  
½ cup uncooked white rice  
1½ cups water  
1 teaspoon salt  
¼ cup milk  
2 eggs, beaten  
1 lb. bulk pork sausage meat  
¼ teaspoon powdered sage  
3 medium to small baking apples  
2 cups water  
2 tablespoons all-purpose flour  
2 tablespoons water

**METHOD:** Put the rice, 1½ cups water and salt in a 2-quart saucepan. Bring to a vigorous boil. Turn the heat down low. Cover with a lid and simmer over this low heat 14 minutes. Remove the saucepan from the heat but leave the lid on 10 minutes.

After the rice cooks, stir in the milk, eggs, sausage and sage. Mix thoroughly. Cool. Cover and chill in the refrigerator until cold and firm.

Divide the mixture into 8 parts using about ½ cup for each. Roll into balls. Cut each apple into 4 parts. Cut out seeds and core. Cut each part into 4 or 5 wedges. The widest part of the wedge should be slightly less than ½ inch wide. You need 6 wedges for each sausage ball.

Press 6 apple wedges into each sausage ball. Be sure there is sausage between each wedge. Press

together firmly. It's a good idea to tie kitchen string around the balls so apple slices will stay in place during the cooking. Tear off 8 pieces of aluminum foil about 2" x 2". Place a foil square under each sausage ball. Place balls with foil on a rack in or over a shallow baking pan. Pour the two cups of water into the pan. Bake, uncovered, in a preheated 350°F. oven 1¼ hours or until the sausage in the center is done.

Remove from the oven. Place on a platter to keep hot and put back in the oven if desired. Cut string and remove before serving.

If desired make a gravy from the drippings. Add the 2 tablespoons of water to the flour. Mix to form a paste. Stir in some of the drippings. Return to the baking pan. Stir and cook over a direct heat until the gravy begins to thicken. Add about ½ cup water or more for a thinner gravy. Salt and pepper to taste. Serve with the sausage-apple balls.

This recipe makes 8 servings.

Mr. and Mrs. Cecil Thomas will leave this week end for Santa Cruz, Calif., where they will spend Christmas with their daughter and her father who has been quite ill. They plan to remain for a few months visit and return to Clarendon in the Spring.

## CARD OF THANKS

The family of John Hermesmeier wish to express their sincere appreciation for the many kindnesses shown during the illness and death of our loved one. Our thanks especially to Miss Inez Skinner and her staff for the wonderful care they rendered him during his long illness. The Frank Hermesmeier Family.

## AMBIDEXTROUS

Although we aren't conscious of the fact, most of us are "right-eyed" or "left-eyed" just as we are right-handed or left-handed. Figures show that in 60 per cent of the people, the right eye dominates the vision, while the left eye takes over in 25 per cent of the cases studied. The remaining 15 per cent alternate.

## SO MUCH TO BE TRULY THANKFUL FOR!

... In bountiful America, the land of plenty, where freedom and opportunity waits for everyone. Let us pause to count our blessings on this Thanksgiving Day and give our heartfelt thanks for our great democracy.

Many years ago a group of pioneers came to America. Overjoyed with the abundance they found and the wonderful feeling of freedom, they set aside a day for giving thanks --- Thanksgiving Day. In keeping with this fine tradition, we add our sincere thanks for the many opportunities you have given us to be of service.

ACTUAL FLOOD at Yuba City, Calif., brought these 1,500 gallon-per-minute pumps out of the Federal Civil Defense Administration's stockpile at Santa Rosa, Calif., to pump out large sections of the city which were inundated when the Shanghai Bend levee of the Feather River broke under heavy pounding. The engineering stockpile at Santa Rosa is one of 24 across the nation containing equipment valuable in any emergency. (PCDA Photo)

### Methodist Leaders To Plan "Grass Roots" Strategy At Meeting

What should be the Methodist Church's evangelistic strategy for the next 20 years? Some 400 Methodist leaders will discuss that question in a national meeting at Purdue University, Lafayette, Ind., November 29 - December 5. They will try to develop a long-range plan for Methodism in seeking new persons "for Christ and the Church."

The conference will be the first annual meeting of the church's newly organized Council of Evangelism.

Six Methodist bishops are among the speakers scheduled for the meeting. They are: W. Angie Smith, Oklahoma City, Okla., President of the Methodist General Board of Evangelism; W. Earl Ledden, Syracuse, N. Y.,

president of the church's Council of Bishops; Richard C. Rains, Indianapolis; Roy H. Short, Nashville; Hazen G. Werner, Columbus, Ohio; and Paul N. Garber, Richmond, Va.

Other major speakers include the Rev. Dr. Maldwyn Edwards, Birmingham, England; the Rev. Dr. Alan Walker, Melbourne, Australia; the Rev. Dr. George A. Fallon, Lakewood, Ohio, president of the Council of Evangelism; and Dr. Harry Denman, general secretary of the Methodist General Board of Evangelism, Nashville.

The meeting will be attended by ministers, laymen and youth. Included will be members of the Council of Evangelism, chairman and secretaries of boards of evangelism for Methodist annual conferences, district secretaries of evangelism, and others.

Primary purposes of the Council of Evangelism are to enlist the interest and support of laymen in evangelism, and to supplement

especially at the "grass roots," or local church level, the work of the Methodist General Board of Evangelism.

The council was organized last year at Stillwater, Okla. Membership is open to persons from every sphere of the church's life.

The North West Texas Conference will be represented by about eleven delegates. Rev. Conrad Ryan will attend as Secretary of the Conference Board of Evangelism. Those going with him in his car are Rev. John English, Dist. secretary of the Lubbock District, Rev. Horace Brooks, Dist. Secretary of the Childress District and Rev. J. Alvis Cooley, Dist. Secretary of the Stamford District.

Mr. and Mrs. Floyd Lewis, Don and Dona of Amarillo, Mr. and Mrs. Lewis Underdown and son Mike of El Paso, Mrs. H. Wayne Carroll and Lorna Dee Underdown of Lubbock had Thanksgiving dinner with their parents, Mr. and Mrs. C. E. Underdown.

### Water Rights Are Extended

An 18-month extension of water rights on the Salt Fork of the Red River has been granted to the Greenbelt Municipal and Industrial Water Assn., Dr. S. H. Townsend of Childress, president, reported this week.

He was notified of the approval of an extension request by the State Board of Water Engineers. Current rights expired this month.

The extension was granted to enable the association to continue its study of the quality and quantity of water, Townsend said.

Tentative plans for the construction of a multi-million dollar dam across the river north of Hedley have been discussed. Towns involved in the association are Hedley, Clarendon, Memphis, Quanah, Childress, Paducah and Wellington.

### Local Business Firms To Close Thursday

Since Thanksgiving is one of the four holidays observed by local business firms and it also being a National holiday, Clarendon Business Firms will be closed all day Thursday with the exception of some eating places and service stations. Do your shopping today, Wednesday, so no one will be inconvenienced.

There are over 800 Navy schools, specializing in a multitude of subjects aimed at the education of the modern sailor.

## FARM NEWS

from the County ASC Committee

### LAST DAY FOR SIGNING 1956 CONSERVATION RESERVE CONTRACTS NOV. 30, 1956

Friday, November 30, is the last day to sign a 1956 Conservation Reserve Contract. If you have land from which no crop was harvested or grazed since January 1, 1956, it may be eligible to put in the Conservation Reserve. This part of the Soil Bank Program is the long range part of the program which is under a contract for either 3, 5 or 10 years. If you place acreage in this program, it must be planted to permanent grass, and it cannot be grazed or harvested for the period of the contract. We will be glad to give you all the details of the program if you will call at the Donley County ASC office.

**1957 COTTON ALLOTMENTS**  
1957 cotton allotments will probably be mailed to all farm operators in Donley County by December 3, 1956. If you receive

an allotment notice for a farm that you will not operate in 1957, please return the notice and furnish the name of the 1957 operator, if known.

### EMERGENCY FEED PROGRAM

Farmers and ranchers are reminded that applications for assistance under the Drought Emergency Feed Program must be filed with the FHA committee by December 3, 1956. This assistance will be based on a supply of feed grains sufficient to carry eligible livestock to and including December 31, 1956.

### 1957 COTTON REFERENDUM

The referendum on marketing quotas for the 1957 crop of cotton will be held on Tuesday, December 11, 1956. At least two-thirds of those voting must approve the quotas if they are to continue in effect. Whether growers approve or disapprove the quotas, the 1957 cotton acreage allotments will remain in effect as a condition of eligibility for price support.

**"TEXAS" THANKSGIVING**  
The office will be closed November 29 in observance of the State Thanksgiving Holiday. Happy Thanksgiving, again!!

### Flying Queens Defeat CJC Comets, 42-30

The Clarendon Junior College Comets were defeated by the Wayland College Flying Queens by a score of 42 to 30 Saturday night at Plainview. It was Homecoming for Wayland College and the game was witnessed by a sellout crowd in the Plainview High School Gymnasium.

Superior experience and poise paid off for the three-time National Champion Queens who extended their consecutive game winning streak to 76 games. The young Comets of Coach Buddy Travis were noticeably jittery and made mistakes that will be corrected in later games. The Comets showed a lot of spirit and hustle.

Jean Crawford, sophomore forward, paced the Clarendon scoring attack with 16 points, followed by Susie Jones with 8, Pat Vincent and Claudette Green made two each, and Marjorie Irlbeck and Genell King made one each. Lola Duhon and Katherine Edwards were outstanding on defense along with Pat Vincent who repeatedly stole the ball away from the taller Queens.

Kay Williams, sophomore from Panhandle, stole the glory from some of her more publicized teammates, as she lead the Queens to their victory with 17 points. Carolyn Miller and Rita Alexander each made five points for the victorious Queens.

The Queens started three All-American girls from last year's team in Kay Garms, Cookie Barron and Rita Alexander. Another All-American on their squad who saw some service was Louise Short who gained the honor while playing for Clarendon during the 1954-55 season.

Coach Travis and the Comets are looking forward to their next game with the Queens which will be played in the Clarendon Gymnasium on Saturday night, December 8th. The Comets are determined to stop the Queen's long winning streak this year and this first meeting at Clarendon could be the time.

### CARD OF THANKS

We wish to thank every one for all the nice things you did for us while Boy was so sick. May God bless each of you.

# PLOWIN' Out the CORNERS

Dear Uncle Zeb,  
Just received my copy of Crop & Stock and read your interesting column. I always read it first. I certainly did enjoy the discussion on the "Sooner State" business. The lady from Oklahoma wrote a very interesting letter.

of Plainview which we use in part.

Speaking of using jokes in your column here are some of my favorite ones on Texas. A Texan was attending a funeral in the mountains of Kentucky, where it was the custom for folks to rise

and eulogize the deceased after the minister had completed the rites. This time after several had risen to speak and then there was a few minutes silence the Texan arose; "Sir", he said, "if everyone is through saying things about the deceased I would like to say a few words about Texas. It was said that on a certain road leading west toward Texas there was a large sign in the forks of the road which said: "Texas Just Ahead." All who could read took this fork and came to Texas and the others went to Arkansas. In

the early days the penalty for stealing horses in Texas was hanging. In Arkansas it was only a fine. A man from Arkansas inquired from a Texan as to the reason for this; "I don't know," replied the Texan, unless we just got better horses in Texas."

Well, guess that will be enough of that, hope I don't start a feud with the Arkies. - - - I got ahead of the frost and have 18 qts. of Chow Chow. I must bring this letter to a close and get back to work.

Best Wishes to you and Mama. Mrs. Ray Smith.

Now wasn't that a nice letter, and we sure are glad that Mrs. Smith knew those jokes about Texas and Arkansas instead of us, cause we had the most fun down there last year and we wouldn't want to start a feud. We love Texas, Arkansas, Oklahoma, and New Mexico, and Colorado, and all the rest just a whole lot.

Most of you will remember Uncle Bob, the Sage of Washburn in days gone by. We used to quote from this Scotchman so very often. Anyway, Uncle Bob passed away a few months back and his son George moved back to California. This week we received a nice letter from George who has lately married a lady from out that way. George sends us a very cute poem written by Ethel Long who methinks must be the lucky lady. It is called;

### BE A BOOSTER

Do you know there's lots of people  
Settin' round in every town,  
Growlin' like a broody chicken,  
Knockin' every good thing down?  
Don't be that kind of cattle,  
'Cause they 'aint no use on earth,  
You just be a Booster rooster,  
Crow and boost for all you're worth.

If your town needs boostin', boost her  
Don't hold back and wait to see  
If some other fellow's willin'—  
Sail right in, this country's free.  
No one's got a mortgage on it,  
It's just yours as much as his,  
If your town is shy on boosters,  
You get in the boostin' biz.

If things just don't seem to suit you,  
And the world seems kinder wrong,  
What's the matter with a boostin' just to help the things along?  
'Cause if things should stop a goin'  
We'd be in a sorry plight;  
You just keep that horn a blowin'  
—Boost her up with all your

**BEDTIME STORY**—Thanksgiving or all year round the world over, the Army is a family affair, with its dependent children becoming cosmopolites at an early age. At the Tokyo Army Hospital, Private First Class Dorothy M. McBane of Saxapahaw, N.C., WAC medical technician in the pediatrics ward, interests her patients.

but this mix-up on Thanksgiving just about takes the cake. Mama and Papa getting their time off on the fourth Thursday and having a nice-enjoyable vacation and one week later Junior gets 'out of school and takes his weekend jaunt along with his baby sister. Now listen folks let's compromise, let's get together on this. Me, I'm willing to take them both with pay and with bigger and more luscious dinners. But for the life of me, I can't seem to want to change tradition and get away from the last Thursday in November. Seems kinda like having the 4th of July on my birthday, or having Christmas on St. Patrick's Day. But somehow we must get together before next year. By the way, I hope no one has messed with Christmas because my socks and shirts and ties are done frizzled and frizzled out on me already.

Leader—Local rate, \$3.00 a year.

## TWO GIRLS, A CHEVY AND A RECORD!

A meaningful achievement in automobile performance

Most automobile performance records are pretty difficult to relate to the kind of day-in, day-out driving most of us do. Running at safe and legal speeds, a '57 Chevrolet recently chalked up an important new coast-to-coast record on the road. And the way it set this record is even more important than the record itself!

A new '57 Chevrolet recently proved it has the qualities most people look for in a car—and proved it on the roads you travel. It set a new record of less than 57 hours for the run from New York to Los Angeles (certified by NASCAR). It was a strictly stock, V8-powered Chevy. It was driven by two young ladies.

When you consider that all the driving was done by 98-pound Betty Skelton and her friend Caroline Russ, the true significance of this record run becomes apparent. It's a tribute to Chevrolet's great-hearted V8 engine and solid road-worthiness that it could travel day and night for 2,913 miles at safe and legal speeds—and better the existing record for the trip by more than three hours. And when a pair of young ladies step into a car and drive it round the clock to a new transcontinental record, you know that car is easy to drive. Come try a Chevy.

### TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

#### TENSION ON THE WORLD FRONT

Since Nassar seized the Suez Canal, tension on the world front has developed so speedily that it has been almost impossible to follow. Each day brings more news indicating the possibility of an outright break that cannot be healed. England and France played the game so fast and loose that they took action without telling their No. 1 ally what they were

going to do. I say No. 1 ally because we are the country that has pulled the chestnuts of France and England out of the fire in two world wars and protected both countries in the police action known as the Korean War, in less than 50 years. Our own President told the American people in a nation wide broadcast that this country was not consulted about that action of moving into the Suez area by either France or England, and was not advised that those countries were intending to take that step. As I pointed out in a previous newsletter, it is difficult for me to understand what our Intelligence Agents were doing when France and England were deciding upon this move. But actually that is beside the point. England and France took affirmative action that could well have triggered a third world war within half a century, when they failed to obtain the consent of this country to that action. No one doubts but that if their action had triggered the third world war this country would have been called upon to shoulder the burden of furnishing most of the men, most of the machines and substantially all of

the food and fiber to put the fire out. England now tells us that she and France acted without prior notice to this country because Russia was fixing to move into the Middle East and it was necessary for France and England to beat her to the draw. This may be true, and if it is, certainly a move that would block such action by Russia without instigating a war, would certainly be in order. But it must also be remembered that such intention on the part of Russia would be of as much, if not more, importance to this country than any other place in the world. Therefore, England and France could not possibly justify their failure to notify this country of such a serious threat on the part of Russia, except on the ground that they did not trust this country to make the right decision under such circumstances, or else they were suspicious of the security measures of this country and were afraid that information would leak to the Russians. Neither of these reasons would, in my opinion, have any support whatever on the basis of soundness. It would seem to me

that both England and France should apologize for their actions. If not their thoughts, and openly admit that they were mistaken when they failed to confer at length with this country on these moves. Much as Russia would like it, the Western alliance is not going to crumble even though England and France might engage in some petty practices. It would not be the first time for either of them. This country will not permit itself to take some foolish action simply for the purpose of reprimanding one or two of its allies. England and France know this very well. They also know that this country is not going to permit itself to be badgered into another useless war simply to save the face of someone who acted hastily. It is high time that both of these countries began conducting themselves as full grown nations and stop acting like spoiled children. If they are going to accept all the benefits and good that this country has provided for them in the past and can provide for them in the future, it would seem to be in good order for them to give us the benefit of any knowledge they might gain as to the intentions of those countries that are allies to neither of us.

As the matter now stands there is a definite possibility of war which could become a likely probability overnight unless the matter is handled with the greatest discretion. The Suez Canal is blocked, the Middle East oil deliveries to Europe are measurably curtailed, they could be substantially cut off by damage to pipeline facilities. Russia has committed one of the most heinous crimes against mankind in the history of the world by creating the unprecedented blood bath in Hungary, and all of these matters are now before the UN for some action. To say that the world situation is tense would be to indulge in a masterpiece of understatement. It is tense in the Middle East, it is tense in Europe and it is tense in the Far East; only because of these several areas is it tense in the United States. This tension must be relaxed without armed conflict. God forbid that the sons and daughters of American mothers will be called to foreign soil to again fight where so many have died before them in vain.

Only with the permission of Congress may an officer in the U. S. Government accept a title of nobility or order of honor from another country.

### U. S. TREASURY DEPARTMENT INTERNAL REVENUE SERVICE

Federal income tax forms for the preparation of 1956 returns will be available about December 3rd in reasonable quantities to accountants, attorneys and other professional personnel, Mr. James Z. Pearce, (Administrative Officer) of the Amarillo office of the Internal Revenue Service, said today. The Internal Revenue Service has provided order blanks to the 3500 North Texas tax practitioners who have, in most cases, already submitted orders. These orders are being packaged and shipped starting December 3rd.

Individual taxpayers on record will receive their forms and instruction booklets through the mails on the same schedule as

last year, during late December or early January, Mr. Pearce said.

There are very few changes in the form other than minor revisions for clarity and simplification. The instruction booklet which accompanies it has been changed, however, to provide a line-by-line series of explanations, keyed to the arrangement of the form and its sequence of entries.

New type-faces have been used in both form and booklet, Mr. Pearce said, and should, with the simplified treatment and explanations, make preparation of a return much easier than in past years.

The Internal Revenue Service will sponsor the printing of 185 million copies of Form 1040. Taxpayers were advised to begin study of the tax instructions as soon as possible since a good understanding of the tax instructions will mean money in the taxpayer's pocket when he files his tax return.

You know I'm called to undertake  
To live this life I have at stake,  
God wants that I exert each trial  
To make this life a life worthwhile  
The talent God has given me  
Though small as it may seem to be,  
It isn't mine to hide away,  
It's only mine to use, display.

MURPHY FUNERAL HOME

styled for modern farming-

built to save you the BIG money!

We've got the trucks that are designed, styled and built for today's modern truck needs.

They're styled for today, with smart new colors, including bright two-tone combinations. Styled for functional good looks. Built for surprisingly relaxing comfort. Designed for extra safety, with greatest look-ahead visibility of any leading make.

And for all their style, they still feature the famous INTERNATIONAL dependability and long life that save

you the BIG money—the long range operating and maintenance costs.

The pickup and the combination stock-rack-and-grain model you see here, are just two from the world's most complete line of farm trucks—to give you a choice that lets you pick the right truck for your job.

How long has it been since you drove an INTERNATIONAL? Come on in and see what we mean! And take advantage of our Individualized Truck Payment Plan. See you soon?

ASK ABOUT OUR

A truly American Tradition...

TO GIVE THANKS FOR OUR BLESSINGS!

Since 1621, when the first settlers paused to give thanks for their blessings. Thanksgiving Day has been an American tradition. On this Thanksgiving day we give thanks for the good fortune of being citizens of a mighty

Democracy... for the peace, prosperity and freedoms it offers us. We offer a prayer that it will continue to be here through the years for ourselves and our children to live in and enjoy. Let us count our blessings everyday!

# Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD  
Texas Press Association

AUSTIN—Texas' 56th Legislature will have much of its work cut out for it by Jan. 8.

State agencies and public and semi-public groups by the score are busy drawing up desired changes in state laws. Almost every day brings one or more public appeals pinpointing some proposed enactment as vital to state progress.

Some want certain laws liberalized. Others want them tightened. Many departments of State Government seek new or increased appropriations.

### Examples in the news: STATE BOARD OF EDUCATION

—wants \$50,000 a year for the next two fiscal years for education and rehabilitation of mentally retarded.

### BOARD FOR STATE HOSPITALS AND SPECIAL SCHOOLS

—wants the state cigarette tax providing \$5,000,000 a year for its

building program continued two more years. Contingent on this, it asks \$11,000,000 for building improvements in the next biennium.

### TEXAS PRISON BOARD

—wants some \$5,500,000 for new building and staff needs resulting from an 80 per cent jump in prison population.

### TEXAS LAW ENFORCEMENT CONFERENCE

—wants 29 law changes aimed at updating criminal detectoin and trial procedures. Typical items: set up a statewide file of fingerprints of convicted felons, allow drugging driving convictions upon scientific blood tests, provide public defenders for defendants without funds, etc.

### TEXAS JUNIOR CHAMBER OF COMMERCE

—wants to institute annual legislative sessions with annual and more substantial salaries.

### TEXAS CONGRESS OF PARENTS AND TEACHERS

—wants a 10-point program involving improvement of the school system and teacher salaries, strengthening of laws concerning juveniles, banning of common law marriages, sale of narcotics to children and sale of fireworks.

### COSTLY CHANGE

At an approximate cost of \$1.00 per vote, Texans have approved a

plan to aid the permanently disabled.

It was the third time in history the Legislature had fumbled its calendar in settling a constitutional amendment election. Eight amendments were taken care of with the general election. But the ninth, by error, was dated for a week later.

Confused or short of funds, nine counties held no election. Another held it a week early. In all, some 200,000 straggled to the polls. Estimated cost: \$200,000.

Under the amendment, qualified persons will receive \$58 a month, \$20 from the state, balance from federal funds.

### NAACP SEEKS MOVE

Next encounter between the state and the NAACP will be in Tyler district court Dec. 3. NAACP will then seek to have the site of future hearings changed from Tyler to Dallas or Austin. Last month in Tyler Dist. Judge Otis T. Dunagan granted a temporary injunction against operation of the NAACP in Texas. Defendants gave oral notice of appeal.

Since, the organization abandoned appeal efforts and asked for a full trial on merits. If it loses this, the injunction becomes permanent.

Atty. Gen. John Ben Shepperd said his staff already is at work preparing and that he "earnestly hopes" the trial can be completed in December. Shepperd will be succeeded by Will Wilson on Jan. 1.

OIL BOOST OKAYED

Texas' December oil allowable will be 3,442,592 barrels daily—an increase of 75,503 barrels a day.

A 16-day producing pattern was set by the Railroad Commission, compared to 15 days in November.

Several major companies had urged 17 to 19 producing days because of disruption of supply lines from the Middle East. But representatives of Texas Independent Producers and Royalty Owners contended crisis needs could be met with surplus oil in above-ground storage.

In announcing the 16-day pattern, Comm. Chmn. William Murray said the commission could issue a half-month emergency order later if necessary.

### STATE WINS TIDELAND

State Supreme Court added to Texas' public domain in a case setting the boundary between tidal and landholder's property. "Highest tide of the year," not "average high tide," determines the dividing line between tideland and coast land, ruled the court.

In the test case Texas gained 4,986 acres of mud flats along Laguna Madre north of Port Isabel.

Eventual result, said Atty. Gen. John Ben Shepperd, will be the

gaining of hundreds of thousands of acres and millions of dollars for the permanent school fund.

Tidelands, according to law, belong to the state. Income is earmarked for education.

The average amount of paint required to maintain a Navy destroyer is 270 gallons of paint every 60 to 70 days. You could paint 3,000 houses with the amount of paint used on a new Navy carrier.

Nowadays, the Seven Seas have come to mean the seas of the world, and this year the USS RASHER (SR 269) dipped water from the Gulf of Siam and the South China Sea and forwarded it for the traditional Ring Dance ceremony.

Despite the difficult transition to a peace-time economy, our national income and output are at record highs with individual income, left after payment of taxes, at the highest it has ever been.

The highest of praise for its economic soundness is being given to the Eisenhower policy of channeling private savings into private home investments to avoid opening the inflationary flood-gates of Government credit.

## From where I sit... by Joe Marsh

### The Kid's Learned to "Take Charge"

I was down at Buck Benson's store the other day when a fellow came in with a six-year-old boy—obviously his son.

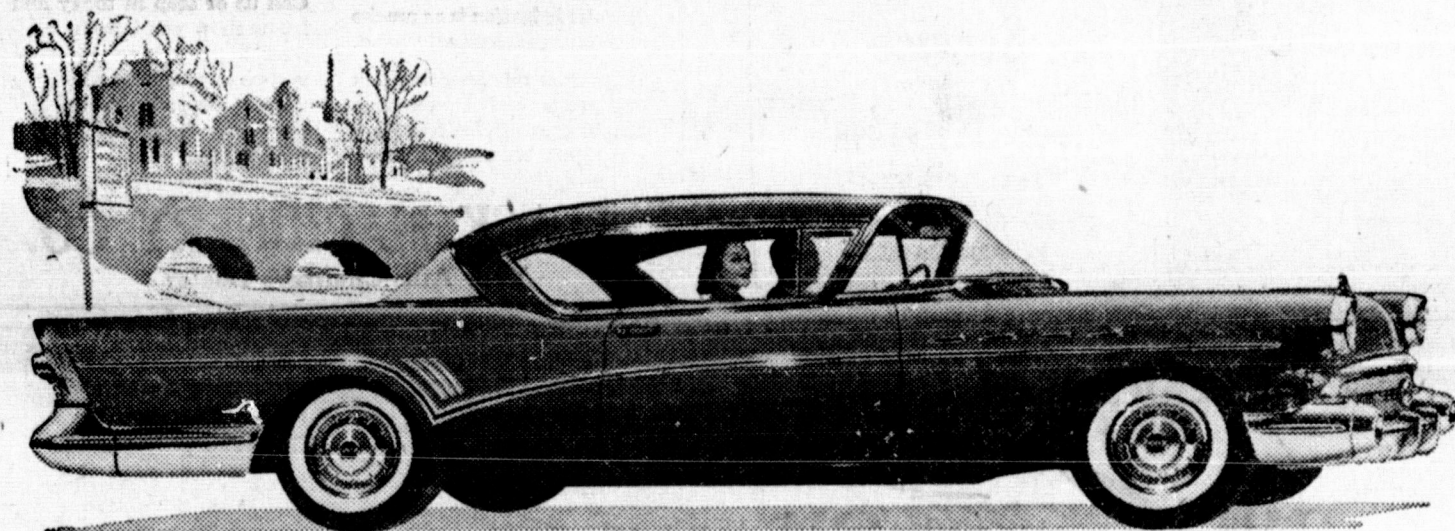

While the fellow was looking over some stuff on the counter, Buck handed a free peppermint stick to the boy, who promptly tore off the wrapper and went to work on it.

The father seemed quite put out about his son's lack of manners and held up his hand to stop him. "What do we say when Mr. Benson gives us something?" he demanded. "Charge it," replied

the kid without hesitation. From where I sit, children aren't the only ones who "repeat things" without knowing what they're talking about. For instance, I'm convinced that many of those who speak out against the old American custom of enjoying a glass of beer after work are just parroting what they've heard others say. It's better to get the facts—then make up our own minds—and permit our neighbors to do the same.

Joe Marsh

# For '57 Styled long and low —with lots of GO!

(Try the instant response of Buick's New Dynaflo\*)

We'll admit it quite frankly. "New" is a word that's used a lot. But seldom has it meant so much that's fresh and different and better-than-before—as here in the newest Buick yet.

Take the new styling, because that's so obvious even at a glance. To get it so sweepingly low, the engineers started right from the bottom, with a brand-new type of chassis construction.

It's an ingenious "nested" chassis that reduced car height as much as 3.4 inches, giving new lowness and raciness to the styling—without reducing road clearance below or room inside.

It's a massive I-beam, X-frame chassis that's stronger and sturdier—and permits a new low center of gravity that gives this Buick far surer, far safer roadability.

That's the picture on style and beauty and rugged brawn in every '57 Buick.

But no such picture can give you the feel

of this automobile's new instant go. Only when you take the wheel can you appreciate the new era of motoring pleasure and ease and safety brought about by Buick's new power-pitch response.

It's instant response—response set off by the hair-trigger action of a new 364-cubic-inch V8 engine and the full-range flexibility of a new Variable Pitch Dynaflo.

It's response so eager, this Buick seems to anticipate your every command. Power flashes to the rear wheels so quickly and smoothly in "Drive," that the need for "Low" has virtually been eliminated. Even Dynaflo's famous switch of the pitch is seldom needed.

Come try it. Come see and feel the tremendous difference the newest Buick yet can make in your driving enjoyment.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

# THANKSGIVING DAY Greetings

## IT JUST ISN'T ENOUGH TO SAY "THANKS"

For all the blessings bestowed upon this great nation of ours! For the many privileges we enjoy in our land - - - or, for the luck of being Americans.

We pause for Thanksgiving on this day that represents the true heritage of this country to show our appreciation for our way of life! Our prayer - - to be tolerant, just and charitable to all! In this spirit, we say thanks to our many friends.

### Public Cooperation On 1956 "Mail Early For Christmas" Campaign Stressed By Postmaster

Pointing up the need for your cooperation on his 1956 "Mail Early For Christmas" campaign, Postmaster Ray Moore says if you will follow these three simple rules, all of your gifts can be delivered before Christmas Day:

1. Wrap them securely.
2. Address them correctly.
3. and Mail them early.

Amplifying these rules, the Postmaster said, "Avoid the risk of mailing poorly wrapped packages. Use corrugated mailing cartons, plenty of heavy brown

JOE GOLDSTON  
Optometrist

wrapping paper, and be sure that every package is tied with strong cord. Cartons containing several gift packages should be stuffed with tissue or old newspapers to cushion the shocks." He also reminds us that size and weight limitations for Parcel Post packages vary according to place of mailing and destination, and advises us to secure Pamphlet No. 2 at the Post Office, telling all about Packaging and Wrapping Parcels for Mailing, and Pamphlet No. 3, giving complete details on Domestic Postage Rates and Fees.

Speaking about correct addressing of Christmas gifts and cards, the Postmaster said: "Be sure your Christmas mailing list is up to date and that you have the complete name, address, zone number, city and state for everyone on your list. Send all your Christmas cards by First-Class mail, because they will be processed and delivered quicker, and they'll be forwarded, or returned, if it becomes necessary." Only Christmas cards sent First-Class mail may carry written messages,

a custom everyone enjoys. Moreover, Christmas card envelopes smaller than 2 3/4" by 4" or larger than 9" by 12" require hand cancellation, and must carry First-Class postage.

### HEALTH NOTES

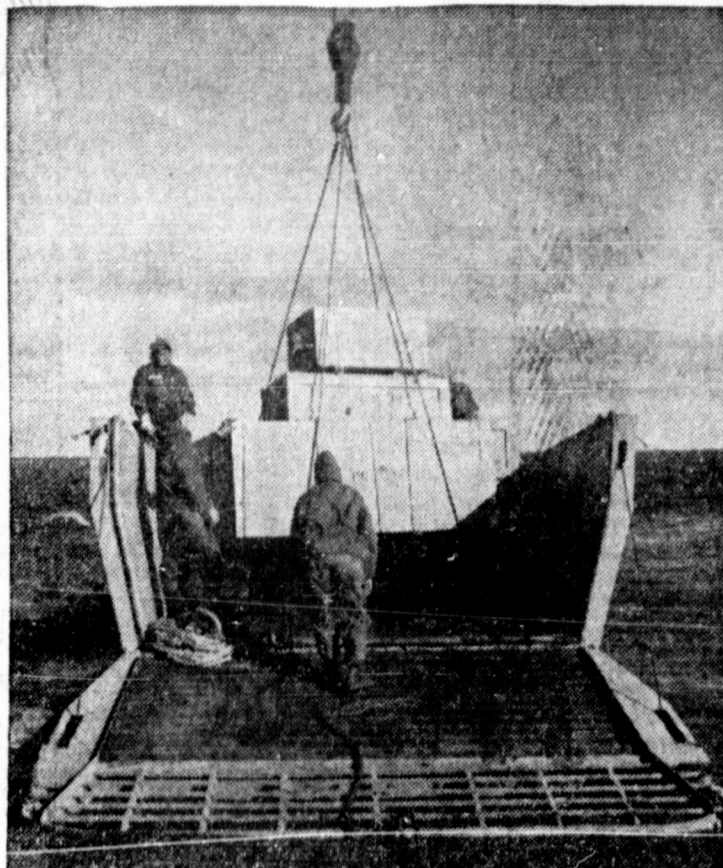

Texas State Dept. of Health

AUSTIN — Must a child born out of wedlock carry the stigma of illegitimacy on his birth record all his life, even though his parents later marry each other?

No. A new birth record can be issued on which the child is shown to be legitimate.

What about the birth record of an adopted child? There are legal means by which a new record of birth can be filed showing the adoptive parents to be the natural parents.

These and many other complications of vital statistics—facts of life and death so confidential that discarded correspondence must be specially burned—will be aired during a 2-day conference

ATOP THE CONTINENT—These Army Transportation Corps soldiers left the summer warmth of Fort Eustis, Va., to beat the closing in of the ice packs hovering a few thousand yards off the shore of northern Alaska. Using an LCM (Landing Craft Mechanized), they are supplying the DEW Line radar outposts.

on vital records and public health statistics December 6-7 at the State Department of Health.

If you happen to be a "nosologist" they will be expecting you at the December meeting. Nosologists are cause-of-death coders. State Registrar W. D. Carroll said they will meet simultaneously with other vital statisticians from

throughout the state. Carroll and his staff will discuss with them each point in the international system of death coding, the method established by international agreement to standardize death records and permit comparisons for world-wide study.

"The problems facing registration officials are as varied as the personalities of the 8 million

EDWIN EANES

Texans they try to keep tabs on," Carroll said.

One of the most important items to be considered will be the necessity for requiring complete documentation before amending a birth certificate.

A recent case involved a youth who made application for his birth record to enter air cadet training. When the certificate was issued his middle name was listed as "Roger" instead of "Robert," the name he had been using all his life.

Before the amended record could be issued he had to furnish documentary evidence in the form of a baptismal record showing early use of "Robert" as a middle name.

"Without such documentation," Carroll said, "birth records lose some of their value as evidence." The statisticians will also talk about ways of handling delayed

birth certificates, methods by which Texas parents who adopt children born in other states or foreign lands can get birth records for them, and revisions in certain standard forms.

And they will be schooled in problems associated with invalid claims to citizenship through fraudulent birth certificates, and briefed in proposed changes in Texas' vital statistics laws.

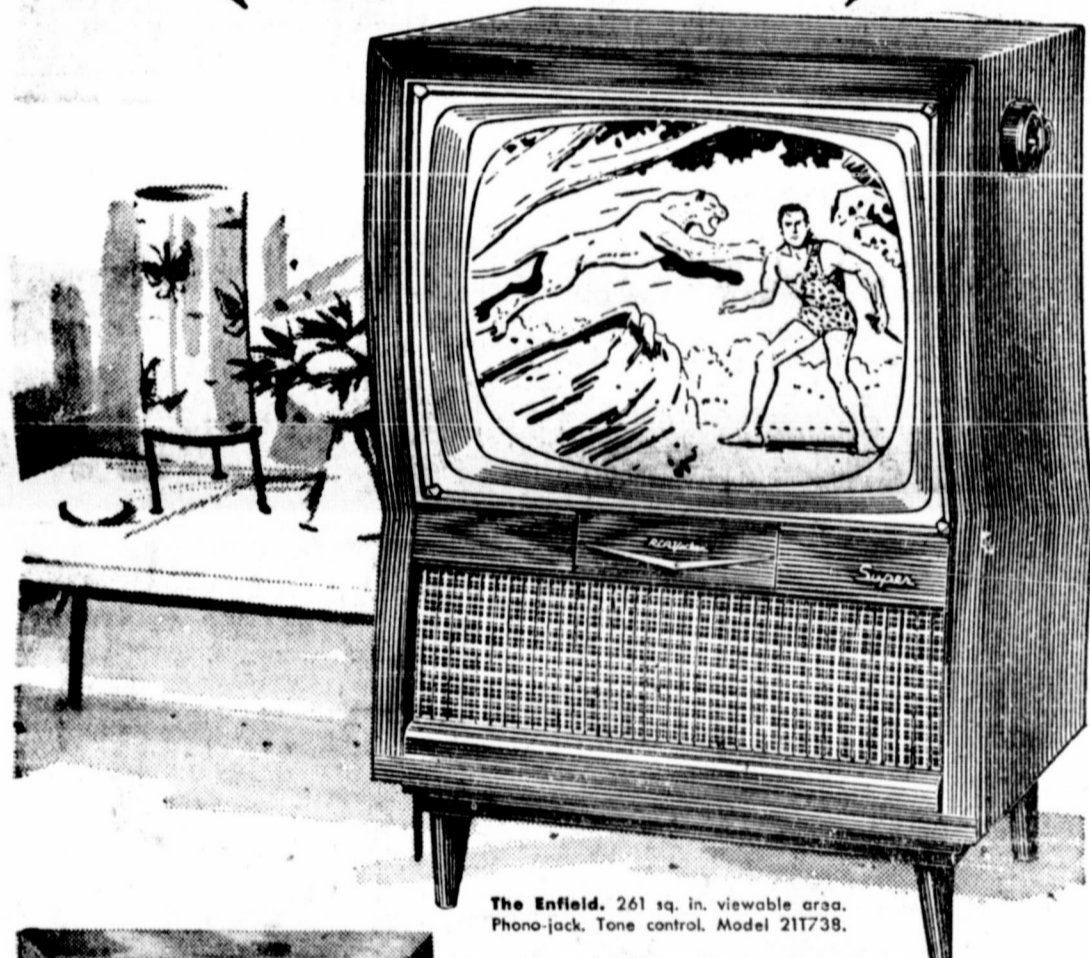

Invitations to attend the workshop will be tendered to local registration officials and to other persons whose work gives them an interest in vital statistics.
