## New County Judge Takes Oath of Office

Pictured at left is County and District Clerk, P. C. Messer, administering oath of office to R. E. Drennan who became County Judge of Donley County in ceremonies held at the court house Saturday morning. Judge Drennan was appointed to fill the unexpired term of Jack Gray who resigned to take a job in Lubbock.

## Annual Red Cross Drive To Get Underway Next Week

According to a report by Jr. Spier, Fund Drive Chairman, the annual Red Cross Fund drive will get underway next week. The goal for Donley County in this drive is \$1,187.00 and we hope to get the drive completed within a week or ten days after the big push begins, Spier stated.

Most everyone knows how this Red Cross money is used, to help when disaster strikes. Our own county was on the receiving end of such a disaster relief fund last year when the tornadoes struck west and north of town. We understand that on this particular occasion, approximately three times as much as our present quota, was spent to help our own local people get re-established.

Spier stated that anyone wishing to contribute to the Red Cross before contacted, may leave or mail their money at Kelly Chamberlain's Insurance office or should you be missed when the drive gets underway, you may leave it there as the help of everyone will be needed to raise the quota 100 percent.

## Services Held Tuesday For Gene Moss

Graveside services for Willie G. (Gene) Moss, 37, were conducted Tuesday morning at Rowe Cemetery at Hedley with J. C. Stepp officiating.

Mr. Moss died Saturday in Dallas where he had made his home for several years. He was raised in Donley County and made his home at Hedley prior to joining the famous Stamps-Baxter quartet. He sang first tenor with this group for several years prior to his death and had acquired a multitude of friends and admirers near and far.

He is survived by his wife, Muriel of Dallas; one son, Homer Gene Moss of Dallas; his mother, Mrs. W. H. Moss of Hedley; one brother, Clarence Moss of Hedley; three sisters, Mrs. Roy Beaver of Amarillo, Mrs. Arthur Shields and Mrs. Don Springer, both of Hedley.

Pallbearers were C. D. Walker, Lawrence and Clarence DeBord, W. W. Farris, Leonard Baggett and P. C. Messer.

## P. T. A. Science Fair Set For Friday

Everyone is reminded of the P.T.A. sponsored science fair which is to take place tomorrow, Friday, March 7th at the gym in the Elizabeth Stevens Ward school. Judging will take place Thursday and ribbons will be awarded the winners Friday. Winners of the fair will compete at Amarillo. Everyone is invited to attend the fair and see the displays.

## Bob Moss To Have Grand Opening Saturday

Bob Moss, owner of Bob Moss Pharmacy, is holding a big grand opening event for the firm Saturday, March 8th, climaxing a complete remodeling job that has embraced several months. The finished product is certainly a credit to our little city and shows that Bob has belief in our town and the future of this community.

With the completion of the remodeling job, the store now has twice the floor space and a new arrangement of departments. All new fixtures have been installed throughout affording a better display of merchandise and greater shopping ease for customers. A complete new front was included in the plans with large plate glass windows and a new entrance with swinging glass doors.

The prescription department was enlarged and according to Mr. Moss, has one of the most complete stocks of drugs in the entire Panhandle. "We plan to maintain a complete stock of merchandise whereby any one in this area will not have to go away from home to purchase what they need," Mr. Moss stated.

Mr. Moss joined this business in 1950 when he formed a partnership with Frank Blair. He purchased Mr. Blair's interest in the drug store in 1951 and then purchased the Goldston and Brumley Jewelry business in 1952. He purchased the entire Goldston building effective the first of this year giving him control of the entire setup.

## Clarendon F. F. A. Livestock Judging Team Sweeps Pampa Contest

The Clarendon Future Farmer Livestock judging team composed of Carl Talley, Bobby Longan, and Sammy Wells won top honors in the Annual Top of Texas Livestock Judging Contest held at Pampa Tuesday. Milton Mann and Pat Roberson were alternates on the team. Forty-six teams from over the entire Panhandle were entered in the event. A silver loving cup was awarded the winning Clarendon team.

Sammy Wells was high point individual in the judging of cattle and third high in the entire contest. Bobby Longan was second high individual in the entire contest. Panhandle placed second, Muleshoe third, Hereford fourth, White Deer fifth, Canadian sixth, Friendship seventh, Monterey of Lubbock eighth, Silverton ninth, and Spur tenth.

## Dub Tyler Opens New Jewelry Store Here

E. W. (Dub) Tyler is announcing in this issue of the Leader, the opening of Tyler Jewelry in the south side of the City Gas Co. building.

## School Chief To Attend San Francisco Meeting

The superintendent of the Clarendon School System, W. W. Pinkerton, has announced that he will leave Friday night of this week for San Francisco where he will attend the American Association of School Administrators Conference on Education. The conference will begin on Sunday afternoon and end at noon next Tuesday. Pinkerton will travel by air and will return to Clarendon next Wednesday.

## CHAS. G. SPEED ANNOUNCES FOR CITY COMMISSIONER

The Leader has been authorized to announce the candidacy of Chas. G. Speed for City Commissioner. In making his announcement, Mr. Speed stated, "I have been a resident of Clarendon for over 50 years and my one main desire is to make it a better place to live. I will appreciate the support of every voter."

## Donley 4-H Club Boys Make Good Showing At Houston Stock Show

Donley County 4-H Club boys made a good showing at the big Houston Fat Stock Show says County Agent H. M. Breedlove. Nine steers were showed and the highest placing steer was owned by Troy Harrison, an Angus steer that placed fourth in his class. Gene Floyd placed tenth with his Hereford and Chuck Cosper placed ninth with his Angus. The other steers placed up and down the line.

The 4-H and F.F.A. combined their steers to show the county group and won second best county display at the entire show. There were approximately six hundred steers at the show. The steers sold for forty cents per pound.

Breedlove says that his 4-H Club feeders now have sixteen steers on feed for another year and in the next month all steers will be on feed for the coming year. He expects around thirty steers on feed for the coming year.

## Three In Race For School Trustee

Mr. Bob Moss and Dr. J. Gordon Stewart, trustees of the local Clarendon Consolidated Independent School District, have announced that they will seek re-election in the forth coming election. A third candidate, T. M. Caldwell Jr., filed for a place on the ballot Tuesday afternoon. He is seeking a place on the board for the first time.

The election will be held on the first Saturday in April, same date being April 5. Two trustees will be elected to serve three year terms.

Mr. Moss is completing his first three year term of office. Dr. Stewart has served on the local board for the past six years.

## Junior Class To Sponsor Volley Ball Tourney

The Junior Class is sponsoring a Volley Ball tournament March 10, 11 and 12th in the high school gym. At the present time ten teams have entered the tournament which should make it a very competitive affair. The entry fee is \$10 and you still have until Friday of this week to enter a team in the tournament. If interested contact John Richardson. Trophies will be given the winners.

Admission to the games will be 15c for students and 25c for adults and the games will begin around 6 o'clock each evening.

## Egg Grading School To Be Held March 11th At Court House

Egg producers will get a chance to receive information on how to grade eggs and all that they will have to do to comply with the new egg law to sell graded eggs says County Agent H. M. Breedlove. A meeting will be held at the court house on March 11th at 2:00 P. M. to explain the law and show how to grade eggs. Breedlove says that a representative of the state department will be present to conduct the school.

Egg producers who do not wish to claim a grade on eggs and sell ungraded eggs will not need a license, but any producer wishing to sell graded eggs must have a license. All egg producers are urged to attend this meeting. The meeting will be held in the district court room in Clarendon.

## Sweet Potato Meeting Called For March 13

County Agent H. M. Breedlove is urging that all persons in Donley County interested in producing sweet potatoes on a commercial basis to attend a meeting on March 13th at 7:30 P. M. at the Court House in Clarendon.

## First Baptist Church To Have Revival

Revival services will begin Sunday, March 9 and continue through Sunday, March 16. The Sunday services will be at 11:00 a. m. and 7:30 p. m. The week day services will be at 10:00 a. m. and 7:30 p. m., except no services on Saturday morning.

The evangelist will be Glen Norman, pastor, Trinity Baptist Church, Amarillo. The story of Glen Norman is a story of a young man who entered the University of Texas as an atheist to study law and make for himself a big name in that great profession—but who, through strange providences, came face to face with God. In that meeting his doubts and unbeliefs were dissolved; he became convinced of his call to preach, and in the first wielding great power to move the souls of men.

## Hedley Seniors To Present Play March 7

As a climax to Public School Week the Senior Class of Hedley High School will present "Spooky Tavern" Friday night, March 7th at 7:30 in the Hedley high school auditorium. Director of the play is coach Don Haskin.

Seniors in the cast are David Boliver, Jean Sanders, Kathleen Spaulding, Judy Winn, Barbara Ward, Lina Jenkins, Pearly Butler, Bob Sharp, Merl and Burl Owens and Louis Beavers.

Following the play, an open house will be held at which time some of the achievements of the school will be displayed. Refreshments will be served also.

Residents of the Hedley district are urged to visit their school this week and also attend the play and open house Friday night.

## Carl Talley Shows Grand Champion Barrow At Houston Fat Stock Show

For the third consecutive year, a member of the Clarendon Future Farmer Chapter exhibited the grand champion barrow at the Houston Fat Stock Show when Carl Talley's middleweight Berkshire barrow was selected as the top pig in the giant show there. The champion sold to the Pearl Brewing Company of Houston for \$1600, a new record price. The local F.F.A. members exhibited thirty of the top eighty pigs in the sale; these top eighty pigs averaged seventy cents per pound to their youthful owners. Sixty-five of the eighty-three pigs shown by the local group placed in the money awards and sold in the auction sale. 860 pigs from over 150 schools and 4-H Clubs participated in the show, the largest club show in the southwest.

## REV. GLEN NORMAN

Ten head of Angus steers were exhibited by the Clarendon youths. Milton Mann, Bobby Longan, James Mahaffey, Don Hudgins, Sammy Wells, Dennis Bradshaw, and James McAnear exhibited these steers. Six of the steers placed in the money awards and were sold in the sale with each bringing 40 cents per pound. Seven of the steers were shown with the Donley County 4-H Club steers to form a county group and win second place in this division. Longan, Wells, Bradshaw, and McAnear cared for the calves the entire week, and Mahaffey and Hudgins were at the event on show day to help exhibit the calves. David Hudgins, Chuck Longan, and James McAnear were dads who helped fit and care for the calves show day and the day before.

## TO HAVE GRAND OPENING SATURDAY

Picture above is the new Bob Moss Pharmacy after undergoing a three months remodeling job. The business which has a complete "new look" both inside and out, will have its grand opening Saturday March 8th.

## Mrs. J. A. Sowell Dies Tuesday Night

Mrs. Margaret Catherine Sowell, 79, a resident of Clarendon for 48 years, died at the home of a daughter, Mrs. V. C. Morris in Amarillo Tuesday night. Funeral services are pending at this time with Murphy Funeral Home.

### New Advisor On State FHA Committee

State Director, Walter T. McKay, of the Farmers Home Administration at his office in Dallas today announced the appointment of James H. Bradley as a new member of the agency's 5-member state advisory committee. He succeeds John H. Head of Richardson whose term expired December 31, 1957.

Mr. Bradley is primarily engaged in farming and lives in Hereford, Texas. He is known throughout the State as a prominent agricultural leader and is highly qualified to assist the State Director and his staff in adapting the agency's credit policies to meet the needs of Texas farmers and ranchers.

Mr. Bradley has been in the farming business in Deaf Smith County since 1940, and has a variety of other business interests.

The other members of the committee are Joe L. Culbertson of Hamlin, Mrs. Walter Judge of Mineola, Frank M. Montague, Sr. of Bandera, and L. L. Kinnebrew of Harlingen. John E. Hutchison, Director of Extension Service for Texas, is an ex-officio member and meets with the state committee in an advisory capacity.

The Farmers Home Administration has 141 county offices serving farm families throughout Texas. The agency's loans and farm management service help eligible family-type farmers establish themselves in sound systems of farming. With loans, farmers operate, buy, enlarge, or improve their farms.

In addition to making loans from appropriated funds, the agency also insures many real estate and farm improvement loans advanced by local banks and other private lenders. County Supervisors discuss farm plans, adjustments and financing with all applicants. In these discussions they are often able to show applicants how they can arrange their farming operations and credit needs so as to qualify for credit from private or cooperative lending institutions.

### GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The past week I was ill and in the hospital so did not make a report.

We have some "Joyous News". Mrs. W. C. Stewart of Dallas gave us a copy of "Who's Who in Texas". Yes, we actually possess a copy for our Library. Friends are wonderful and they don't forget to help us out of difficulties after they move away. This gift will be quite an asset for our reference work.

You recall that Mrs. McDaniel of Fort Worth sent us the price of a year's subscription to the National Geographic magazine before Christmas.

A new novel added to our shelves is "The Lady and the Deep Blue Sea," by Garland Roark. This book has been a best seller for several months. It is a book our readers will enjoy reading. Roark is a Texan who was born at Groesbeck, Texas. His wife is a writer, too and helps in research work for his book material. She also teaches. This information was acquired from our copy of "Who's Who In Texas."

This is the month for Texas Library Association to meet in Fort Worth. It extends from March 26 to and thru the 29th. The large Libraries and all those supported by endowments and state and county are so different from ours that I never attend their meetings but am a member of TLA and receive the Texas Library Journal, also make an annual report.

A book review is being sponsored by the Garden Guild this month in Amarillo. It is "Old Herbaceous", and was reviewed by a member of our local Garden Club several years ago. A copy is in our section of the Garden Club book shelf.

Valhalla, in Norse mythology, was the heaven of heroes.

Cairo, Egypt is called the "Mother of the World."

### "National Save Your Vision Week" March 2 - 8

#### THE CHILD WITH DEFICIENT EYESIGHT

By James R. Gregg, O. D.

Director of Education,  
California Optometric  
Association

Three clues should tell if your child's vision is not up to the demands of schoolwork in the next few months. Don't be fooled by 20/20 vision because it takes a lot more than that to learn from the printed page.

Here are the signs to watch for as your child goes back to school and his study load increases:

Alice had eyes which never looked just right. They were red and watery. Her lids swelled up, she rubbed them a lot. Young eyes should not look inflamed or

"strained". Mild infections are sometimes the cause, but it can very well be from eyes straining to see for learning.

Betty's bad behavior was the clue to her visual problem. She was irritable, disobeyed, seemed to lack interest in school. Behavior is the most important clue to the child who doesn't see properly, and heading the list is poor achievement—any child not getting along in school as he should might have vision to blame.

Outward behavior signs like losing place when reading, unusual posture, twisting book around to see, stumbling over words, or just plain dislike for the job should never be ignored. Consultation with the teacher is called for to see if she has observed anything which might also indicate a visual problem.

Connie complained her eyes hurt when she read. "She just wants to get out of it," explained her father. But, youngsters want to read if they can. Complaints

are important—headaches, tiredness, nausea, dizziness, blurred vision can occur at any age. Prevention depends upon early care and when the first complaints arise is none too early to start.

Oh, yes, the three clues to visual problems of children—

1. Abnormal appearance of the eyes.
2. Unusual behavior of most any type.
3. Complaints of discomfort from any seeing task.

CLARENDON, TEXAS

One of our favorite friends and also a regular reader of this column sends us the following as a comment and a correction to the

little poem we used some time back. Thank you Mrs. J. It goes; I am fully aware That my youth is all spent; That my Get Up and Go Has Got up and Went.

It is said that when we take off on the journey to the land beyond that we can't take our money with us. At the above someone remarked that it was nice to have some around for the embarkation.

You can't buy smiles in a bottle. You can't buy happiness in a pill. You can't buy peace of mind, you must work for it, and you must live for it in such a way

that it can come and live with you.

You can't get rid of kindness by giving it to others. It just keeps on being with us like ivy on wall. It stays, it returns, it binds us together as nothing else in the world will do.

Women could never be successful as men; after all now where would they turn for advice?

Last month we mentioned our idea for the government setting up a Department of Truth. We know that the whole thing is a bit fantastic. Perhaps it wouldn't work at all. But, the need is greater right now for folks to have some way of knowing the difference between the true facts and the false than at any time in all our history.

Foro instance we read a news item, perhaps something regarding our economic condition in America today. First we have to shake all the politics out and find out who is writing what and why before we know how much confidence to put in it. Anyone can quote a bunch of figures and if we don't watch out prove just about what they want to. So we have to watch for this angle.

Especially, over the radio and on TV we hear day after day about the merits of this and that which we know to be harmful to our youth. Night after night testimonials are fed to our boys and girls that tend to convince them that its the thing to do. It

just doesn't seem right that for the sake of what we sometimes call freedom we would allow evil harmful and hurtful things to be impressed so deeply into the minds of our children until they accept them as the acceptable. Then have to suffer the sad results later.

Somehow, it seems that we should find a way to make only that which is true and can be proven be allowed to come into our homes and influence our children. Things that destroy health, happiness and even human life should not be allowed to advertise, unless they be made to tell the whole truth.

HEDLEY NEWS

Mrs. Paul Duncan

Gene Moss Passes Away

Our community was saddened Saturday morning when word came that Gene Moss of Dallas, formerly of Hedley, had passed away. He had been quite sick but was reported better.

Funeral services were held in Dallas Monday morning. The body was brought to Hedley where graveside services were held Tuesday morning. Gene grew to manhood here. He was a fine Christian gentleman. He was an outstanding gospel singer, having been with the well known Stamps Quartet. He was loved by all who knew him.

Surviving are his wife and son of Dallas, his mother, Mrs. Walter

## 1926 BOOK CLUB ENTERTAINS GUESTS WITH TEA

Approximately fifty members of the 1926 Book Club and their guests enjoyed a delightful Japanese tea at Patching Club House Tuesday afternoon, March 4th. Entertaining rooms were authentically decorated with silk wall hangings, statues, figurines, and several lovely Chinese treasures.

Mrs. Otis Naylor, president presided at the tea table. She wore a very colorful Japanese costume. The highly polished table was centered with a beautiful arrangement of yellow jonquils and fans. Tea was poured from an imported Japanese tea pot.

Mrs. Gene Moore, accompanied at the piano by Mrs. John Bass, sang "Japanese Love Song" by Clayton Thomas. She also wore a colorful costume. This robe and the one worn by Mrs. Naylor were a part of a wedding ensemble sent from the East by J. P. Rhode to his mother, Mrs. Eva Rhode and was of fine red silk.

Weldon Day presented a group of slides taken in color of scenes in Japan and Korea. The slides were most interesting having been taken by Mr. Day and his brother, June Day, while they were serving with the U. S. forces in that area.

Guests for the tea party were senior high school girls, college girls, Mrs. H. M. Breedlove, Mrs. John Bass, and Mrs. Joe Dilli.

Hostesses for the afternoon were members of the social committee which included Mrs. E. S. Ballew, Mrs. W. C. Thornberry, Mrs. J. R. Porter, Mrs. Frank Phelan, Sr., and Mrs. Gene Moore. All were charmingly attired in authentic costume. —Reporter.

## PATHFINDER

Pathfinder met at Patching Club House Friday afternoon, February 28, with Mrs. C. T. McMurtry and Mrs. Bess Stricklin hostesses.

Mrs. C. T. McMurtry called the house to order and Mrs. C. E. Bairfield led in the reading in unison of Club Collect.

The program for the afternoon was "Noted Texans of Yesterday and Today." Mrs. A. T. Cole presented the part "Texans of Yesterday," beginning with the early days in the state. Among those playing an important role was Colonel Goodnight. Mrs. Clyde Hudson gave an account of "Texans of Today." Concluding the program Mrs. Dick Shelton sang "God's Cathedral." The accompaniment was played by Mrs. Millard Word.

Refreshments were served to two guests: Mrs. Dwayne Naylor and Mrs. Millard Word; and to members: Mesdames C. E. Bairfield, A. T. Cole, L. N. Cox, Bill Greene, Clyde Hudson, Ernest Hunt, C. T. McMurtry, C. B. Morris, Heckle Stark, Dick Shelton, Bess Stricklin and Miss Mable Mongole. —Reporter.

## GOOD NEIGHBORS CLUB

The Good Neighbors Club met in the home of Lida Warren February 28, for an all day meeting.

A covered dish lunch was served at the noon hour. One quilt was finished. The next meeting will be with Louise White, March 14. —Reporter.

## FUTURE HOMEMAKERS MEET

The Clarendon Chapter of the Future Homemakers of America met Monday night, March 3, in a call meeting to work out plans for National FHA week. Beth Gillham presided over the meeting and the following plans were completed:

1. To attend church in a body Sunday, March 23; 2. to present an assembly program; 3. to wear to school one day, something that the girls have made themselves; 4. to exhibit in store windows down town some of the things they have made in class; 5. to sponsor a family night program; 6. to plant red roses either at school or in the city park.

The girls voted to continue the present system of buying FHA sweaters for every girl who has passed three solid subjects, been in FHA two years, who has a junior degree and who has attended two thirds of the regular scheduled meetings.

Following the business meeting the life story of Madam Curie was presented by Lynette Howard, Darlene Glisson, Peggy Jackson, Carolyn Taylor, Judy Blair, Pauline Mills and Charlene White. This skit explained how the Curies discovered radium and why they did not become rich from the discovery.

Fifty-three members and three guest were present for the meeting. —Reporter.

## JR. H. D. CLUB

The Junior Home Demonstration Club met at Patching Club House Thursday afternoon, February 27. Noma Lewis and Harlene Phillips were hostesses.

Each member brought a gift and these were sold at \$1 each, the money going to the club treasury. There was also a grab bag with an opportunity to grab selling at 10c. Each member also brought a picture of herself prior to the age of 16 and this provided a lot of entertainment for the group.

Refreshments were served to Gladys Blackburn, Nora Decker, Leona Henson, Gladys Hommel, Noma Lewis, Mildred McClellan, Polly Schull, Letha Smith, Eddith Spivey, Lucille Swinney, Ona Tatum, Cula Jo Trout, Bernice Adams, Clara Finley, Patsy Reid, and Harlene Phillips. —Reporter.

## SOCIAL AT CHAMBERLAIN COMMUNITY CENTER FEBRUARY 21st

There was a large number of friends and neighbors who enjoyed the social at the Chamberlain Community Center, Feb. 21st. Mr. and Mrs. Richard Dingler, our newly weds, were showered with a beautiful set of china. After the social hour refreshments were enjoyed. The next social will be Friday, March 7th. This will be a "hot-dog supper". Bring weiners and buns and we will have supper beginning about 7:30. Everyone come and enjoy an evening of fellowship. All our county candidates are invited too. Velma Heathington and Mary Mann are hostesses.

To all the members of the Chamberlain Community Center: Please fill out the "Family Report for the Rural Neighborhood Progress Contest", and give it to Mrs. Alford Ivey as soon as possible. This contest ends March 31, and we need the reports soon. —Reporter.

## Fifty-Eight Future Homemakers Attend Area I Meeting In Amarillo

"F.H.A.—Yesterday, Today and Tomorrow" was the theme of the Area I meeting of the Future Homemakers of America when they met in Amarillo Saturday, March 1st. Fifty-eight Future Homemakers of Clarendon attended the meeting.

Miss Robin Sumner, Area I president of Amarillo high school presided at the morning session. Presentation of colors was given by the Amarillo high R.O.T.C. Welcome was extended by Mayor John R. Armstrong. The Sharon Singers, Area I choir, made up of one soprano and one alto voice from each chapter in Area I, directed by Ralph Benningfield of Levelland, sang two selections.

The House of delegates met in the regular session this year so all members might know how Area officers are elected. Sharon Smith was voting delegate for the local chapter and Miss Sandra Pinkerton was a candidate for Area Treasurer. Talent numbers featuring the Japanese theme were judged in the afternoon session to represent Area I at the State convention in San Antonio in April. New officers to serve for the coming year were installed at the closing session.

Following the meeting, 38 of the local girls enjoyed a "Shopping Spree" in downtown Amarillo. They returned home quite weary but all are looking forward to the meeting next year when it convenes at Lubbock.

Mr. and Mrs. Kenneth Sams of Brownfield announce the arrival of Kendra Lee, February 27th. The little lady weighed 6 lbs. 10 oz. She is the granddaughter of Mr. and Mrs. A. D. Estlack of Clarendon and Mr. and Mrs. W. H. Sams of Shamrock. —AM

**Howard County JC Nips Bulldogs 88 to 85**

The Clarendon Junior College Bulldogs lost to Howard County Junior College in the first round of the Region V Tournament at Amarillo on Monday night by a score of 88 to 85. A spirited rally by the Bulldogs fell short in the closing minutes of the game. The Bulldogs were 16 points behind with five and one half minutes to play and were closing the gap fast when time ran out.

The tall and fast Howard County team took a quick lead and were in front all the way, one time as much as 18 points in the last half. The Bulldogs could not seem to get started until the final few minutes of the game. Dennis Love led the Bulldog scorers with 17 points. Steve Jarnigan, who could not buy a basket the first 35 minutes of the game, got hot in the last five minutes and made 16 points. He fouled out with a minute and a half to go. Layne Cushmanberry got 14 points, Billy Schneider 13, Don Johnson 12, Jimmy Adams 5, Bub Eldridge 6, and Loyd Stephens 2. The Bulldogs were behind 46 to 33 at the half.

**Ross Knowles Is Cook DeLuxe According To 4-H Club Boys**

Donley County 4-H Club Boys had one of the best cooks they have ever had on the trip to Houston. Ross Knowles made the trip with county agent H. M. Breedlove and the boys and did all the cooking. Ross, with his good nature kept the boys in high spirits all the time and it was the good food that really did the job. The cost per boy for the food for the entire ten days was a little under ten dollars per boy.

Ross says he never saw such a big city, but Clarendon suits him the best. The boys presented Ross with a beautiful jacket for his cooking chores and he has a standing invitation to cook at all shows for the 4-H Club members.

Mr. and Mrs. Grimsley of Hedley visited the W. C. Scott's Sunday afternoon.

**John Gillham Attends Land Bank Stockholders Meeting In Houston**

Mr. John Gillham of Clarendon has just returned from Houston where he represented the NELA of Donley County at the Annual Stockholders' Meeting of The Federal Land Bank of Houston.

Mr. Gillham said one of the purposes of the meeting was to get a report on the condition and operations of the bank. He was impressed by the strong financial condition of the bank, and pleased with the progress which it and national farm loan associations in Texas have made in cutting operating expenses. Some changes were necessary to off-set the increased cost of money which the bank has had to pay on the bonds which it sells to secure the funds to make loans.

Of special interest to national farm loan association members, as well as all farm and ranch owners, was an announcement which Mr. Sterling C. Evans, President of the Bank, made at the meeting. It was that the bank had reduced the interest rate to 5% for new loans, and voluntarily cut the interest to 5% on loans which were closed at a higher rate. Also it will now close additional loans. This is a new practice and enables a borrower with a 4% Land Bank loan of \$1,000 or more to get an additional loan at 5% on the new money and leave his old 4% loan undisturbed.

Officers and directors of the local association, other than Mr. Gillham, are: C. B. Morris, F. J. Hommel, T. W. Bain, C. L. Harris.

**HOUSEHOLD SUPPLY ANNOUNCES WINNERS**

Bill Todd announced the following winners in the Truck Load Sale free gift drawing last Saturday. Monte Wolford and Mrs. L. M. Putman were winners of the Record Albums and Mrs. Doss Finley won the Clock Radio.

Mrs. R. C. Rogers and son, Carroll, of Amarillo spent the week end with her mother, Mrs. Robert Davis. Other visitors in the Davis home Sunday were Mr. and Mrs. Clyde Davis and children and Mr. and Mrs. Maurice Risley.

**P-TA Officers Nominated For 19th District**

The nominating committee of the 19th District of the Texas Congress of Parents and Teachers submits the following nominees for office for the 1958-1961 term of office. Voting will take place at the District Conference in Shamrock April 12th.

The slate is as follows: For District President, Mrs. Jesse Cannon, Childress, currently serving as yearbook and publicity book chairman; Vice President, Mrs. Charles Mock, Childress; Vice President, Mrs. Guy Hazlett, Borger; Vice President, Mrs. Lawrence Neece, Clarendon; Vice President, Mrs. Raymond Ziegler, Shamrock; Corresponding Secretary, Mrs. James Lewis, currently serving as district vice president; Recording Secretary, Mrs. W. C. Harter, Borger. The four Vice Presidents are elected for extension work over specific counties in the district.

Members of the nominating committee are as follows: Chairman, Mrs. C. J. Jackson, Borger; Mrs. Jack Foster, Pampa; Mrs. Chester Tindall, Shamrock; and Mrs. Jesse Cannon, Childress; Mrs. J. M. Hart, Gruver.

Dr. Byron F. Todd and wife of El Monte, California visited Friday thru Sunday with his mother, Mrs. A. P. Todd and other relatives. Dr. Todd is pastor of the First Southern Baptist Church there. He stopped over here on his return home after attending a directors meeting of the Baptist Seminary in Dallas.

Junior Spier went home Sunday from the local hospital. He was hospitalized to check a hemorrhage of the nose brought about by a sinus infection. He is improving satisfactorily.

Mrs. Leeroy Todd and daughter Linda Sue have returned to the states from a three year stay in Bermuda. Mrs. Todd is the daughter of Mr. and Mrs. I. E. Wilkerson of Martin. S/Sgt. Todd, son of Mr. and Mrs. Roy Todd of Verden, Okla. is a member of the Air Corps.

**THE LIONS DEN OF The Roar of the Lions**  
By the Liontamer

The Tuesday luncheon meeting of the Clarendon Lions Club profited by their cooperation with the current local revival, which is in progress this week. Good attendance was reported and everyone present was benefitted by the timely subject presented by Rev. J. Alvis Cooley, of Rotan, Texas.

In his speech to the club he pointed out the four cardinal qualities and living forces which when embodied in the life of the individual, charts a noble course and presents a living force for good and God.

"Think clearly without confusion; Act with Honest motives; Love fellowman sincerely, and seek God and Heaven." These living principles from a verse by Van Dyke were developed in simple but forceful language by Rev. Cooley, and was an inspiration to those who were privileged to hear him.

The Club was honored to host the following guests and hope they will avail themselves of any opportunity that presents itself, to again meet with us. Clyde Douglas of Dallas, a former member of the Clarendon Lions Club, guest of W. M. Patman. J. R. Roper, a lion from Lubbock, guest of Bill Williams, and Gene Moore of Lelia Lake, a new member of the Clarendon High School and College Faculty, farmer, and church worker, guest of Oliver J. Abel.

Mr. and Mrs. Weldon Lovelady and children of Amarillo visited Sunday with Mr. and Mrs. Carroll Lewis and Mr. and Mrs. Gordon Moore and son.

**Capt. Ennis Taylor Assigned To NATO Forces**

### DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Farmers and ranchers of the  
Donley Soil Conservation District  
are urged to plant some type of  
cover crop or soil improving crop  
this spring. Technicians with the  
Soil Conservation Service say that  
these crops can benefit the area  
in a number of ways.

The use of cowpeas as a cover  
and soil improving crop is in-  
creasing in popularity in the area,  
especially since we have acreage  
controls.

Among the more important  
benefits to be obtained from  
these crops are: coverage of the  
soil to help prevent erosion, im-  
proved tillage of the soil, increase  
of water intake into soil, increase  
of yields of crops that follow.

Some of the smaller seeded var-  
ieties of cowpeas can be inter-  
seeded along with grain sorghums  
which will be beneficial to the  
grain sorghums.

Cowpeas can be planted on al-  
most any type of soil in the Dis-  
trict. Planting rates vary from 6  
pounds interplanted with sorgh-  
ums, 12 pounds in normal rows,  
to 25 pounds in drills. The seed  
should be planted from 1 1/2 to 2 1/2  
inches deep and from May  
through July. Seed should be  
inoculated with the proper inocu-  
lant prior to planting.

Several varieties of cowpeas  
are being sold on the market to-  
day, the most common being the  
black-eyed pea. Black-eyed peas  
can be planted with a regular  
corn plate, while the smaller  
seeded varieties such as Brab-  
hams, Chinese Red, New Era and  
Iron Clay can be planted with a  
milo plate.

For additional information on  
cover crops, contact the local  
Soil Conservation Service Office.

### Clearing Up a Few Points In The Egg Law

Texas Department of Agriculture  
John C. White, Commissioner

The Texas Egg Law has been in  
effect since February 17th, and  
already the Texas Department of  
Agriculture is being flooded with  
questions concerning its various  
points.

Greatest concern seems to be  
whether ungraded eggs can now  
be sold in the state. Yes! Un-  
graded eggs can still be sold, but  
they must be clearly marked  
"Ungraded" on the package or  
carton.

Just because eggs have not  
been graded, it does not mean  
that the eggs are of poor quality.  
On the contrary, a display of un-  
graded eggs may contain a mix-  
ture of all egg grades. However,  
the eggs must be of edible quality  
or they cannot be offered for sale.

Another point causing some  
confusion is the fact that certain  
descriptive terms cannot be printed  
on egg cartons or used in ad-  
vertising.

Any eggs below the quality of  
Grade A must not be labeled as  
"fresh", "selected", "henery",  
"newlaid", "infertile", "cage", or  
other words of similar import.  
These terms are confusing and  
sometimes mislead the consumer  
on eggs of lower quality. Unless  
some bans were placed on de-  
scriptive phrases for eggs under  
Grade A, then "fancy phrases"  
might be used to camouflage the  
true condition or quality of the  
product.

And finally, retail egg sellers  
do not have to renew their license  
from the Texas Department of  
Agriculture each year. The re-  
tailer's license is good indefinitely  
until it is recalled, cancelled or  
revoked.

For other segments of the in-  
dustry however, licenses run only  
from Sept. 1 through Aug. 31 of  
the following year. Those requir-  
ed to have a license include:  
dealers, wholesalers, processors  
and brokers.

THE WEATHER IN  
WASHINGTON

Snow and zero temperatures  
kept the nation's capital virtual-

ly paralyzed all last week. It was  
the first time I had seen the  
Potomac River completely frozen  
over. Mother Nature dumped 12  
inches of snow and then pushed  
the temperature down to zero.  
The result was utter confusion,  
insofar as traffic was concerned,  
until people realized they could  
not make their cars go. They  
were left by the roadside, many  
in the middle of the street, and  
quite a few in the ditch. About  
three thousand people were  
stranded at a horse race track  
about 20 miles over in Maryland.  
The snow came so suddenly, they  
were trapped before they realized  
what had happened. There were  
a large number of traffic acci-  
dents and quite a few deaths and  
injuries. The stock of automobile  
tire chains and snow shovels  
 dwindled to nothing the first af-  
ternoon. I was a little disturbed  
about not being able to get tire  
chains, but didn't worry too much  
about a snow shooovel. I had been  
reading many reports about peo-  
ple having heart attacks from  
shoveling snow, so this was a  
good excuse not to do too much  
work on the sidewalks and drive-  
way.

Word went out over the radio  
and television that, in view of  
the condition of the streets and  
the weather, only essential gov-  
ernment employees would be re-  
quired to report for duty. One  
columnist, who has a rather sharp  
pen, investigated to find out who  
came to work. He discovered that  
the President was not in the  
White House and several Cabinet  
Officers were missing. However,  
the Secretary of State flew back  
in from some foreign country and  
was on duty. After checking in  
several of the government build-  
ings, he finally concluded that  
about the only ones who consid-  
ered themselves essential were  
the elevator operators and the  
janitors. I am proud to say that  
our office was fully staffed and  
operating during the entire time.  
It just goes to show that a little  
snow never bothered anyone  
from the Panhandle of Texas.

### PROPOSED CONSTITUTIONAL AMENDMENT

One item that keeps cropping  
up in the news around Washing-  
ton is the continuing attempt to  
create a means by which a living  
President could be succeeded by  
a Vice-President because of dis-  
ability. The Attorney General re-  
cently testified in behalf of a  
Constitutional amendment which  
would authorize a President to  
declare in writing his disability  
to discharge the duties of his of-  
fice and thereby permit the Vice-  
President to take over as Acting  
President. If the President would  
not declare himself unable to  
serve, then the Vice-President,  
with the consent of a majority of  
the Cabinet, could declare the  
President disabled and take over  
as Acting President. This is  
known as the Administration  
Plan, and it also provides for the  
President to take back the pow-  
ers of his office whenever he de-  
clares in writing he is able. Pro-  
vision is also made to cover a  
situation where the President and  
Vice-President disagree on the  
President's ability to perform his  
duties. It is provided that in such  
a situation, the question would  
be turned over to the Congress  
for decision under procedure fol-  
lowed in impeachment proceed-  
ings.

This proposal is in keeping  
with the philosophy expounded  
by a former Attorney General.  
The same Attorney General who

took the position that a Vice-  
President now has the Constitu-  
tional authority to decide when  
the President is disabled and to  
step in temporarily as Acting  
President. A recent news story  
identified the present Attorney  
General as following this same  
philosophy. In my opinion, it is a  
very dangerous philosophy and  
one that could constitute the most  
serious threat to our form of gov-  
ernment since it was founded.  
These proposals have appeared to  
me to be the creatures of the  
minds of a small but willful group  
of men bent on gaining power.  
The subtle manner in which they  
have been presented to the people  
in the past few weeks indicates to  
me that it will not be long before  
a propaganda campaign will be  
launched in an effort to sell this  
bill of goods to the American people.  
It is my hope and prayer that the  
people will not be misled by such  
advertising campaign, but will  
weigh the matter with great care  
and eventually strike down any  
attempt to alter the Constitution  
regarding this subject matter.  
Our country has grown strong  
under a form of government that  
has allowed man to make the  
greatest advances in civilization  
in the shortest period of time in  
the history of the world. Our ex-  
periences of the past have not  
required such drastic action con-  
cerning the highest office in this  
land as is proposed in this Con-  
stitutional amendment. Should  
the time ever come that the phys-  
ical condition of a President  
should require some affirmative  
action to replace him, the power  
to exercise such action should re-  
main with the people through  
their duly elected Representa-  
tives and should not be handed  
over to a small group of men ap-  
pointed by the President.

America's only car with a hideaway hardtop—the Ford Skyliner  
shown here with the fabulous new 4-passenger Thunderbird

**It's like getting back 15¢ on every gas dollar!**

Here's the biggest savings story of the  
year! And here's why.

It all starts with Ford's new dream of a  
drive called Cruise-O-Matic... the newest,  
most versatile, most automatic of them all!  
Two new driving ranges let you choose your  
starts for the road conditions that exist. For  
example, in most of the driving you'll do,  
you can take off lively as a spring lamb if  
you wish. And on snow, ice or any slippery  
road surface, with the extra driving range  
you can get sure-footed starts that are  
steady and silky-smooth.

Now, team this all-new automatic with  
Ford's new Thunderbird-powered V-8

(with up to 300 hp) and you get as much  
as 15% better gas mileage, too! That's be-  
cause a special gas-saving rear axle ratio  
is used to give you all the savings of "built-  
in" overdrive economy.

And based on factory suggested retail  
delivered prices, a Cruise-O-Matic Ford is  
priced lowest of the low-price three with  
comparable equipment.

So, with Thunderbird go... down-to-  
earth gas savings... plus Ford's tradition-  
ally low prices and high resale return...  
you have the best reasons in the world to  
make yourself a deal on a beautiful new  
Cruise-O-Matic Ford!

### Comets To Meet Queens At Plainview Friday Nite

The Clarendon Comets and the Wayland Flying Queens will renew their rivalry again at Plainview Friday night in their final warm-up before the National AAU Tournament at St. Joseph, Missouri.

A Clarendon team has never been able to beat the fabulous Queens, although they have played some pretty close games. The Queens seem stronger than ever this year and are headed for their fifth straight national championship and a win over the Comets Friday night would send them to the tournament with 129 consecutive wins over a five year period.

The Queens have a veteran team led by All-American Kay Gams and a cinch All-American this year in tall Carolyn Miller. Another three-year All-American, Martha Washington, joined the Queens at mid-term this year from Nashville Business College.

The Comets are all young and inexperienced, but make up for a lot of experience with their fire and determination. The Comets are paced by sophomore Kathryn Edwards and Mary Mann along with freshmen Nancy Chaloner, Janice Martin, Myrlene Nichols, and Linda Lindsey. Another sophomore, Myrna Carney, plays a lot as do freshmen Virginia Sellers and Martha Watson. Coach Travis feels that the girls are coming along fast and will give a good account of themselves in the national tournament.

### Funeral Services Held In California For Former Resident

Funeral services were held at Oxnard, California February 22 for Jimmie A. Mears, former Clarendon resident, who died in an auto accident at Oxnard, Wednesday, February 20th. Burial was in Ivy Lawn Cemetery at Oxnard.

Jimmie 23, son of B. R. (Bill) Mears of Clarendon and Mrs. Gladys Brown of Oxnard, was born in Clarendon in 1934. He attended school here, Dimmitt, and Ventura College in Calif., and was a veteran of the Korean conflict.

He is survived by his wife Beverly, his father, B. R. Mears, Clarendon; his mother, Mrs. Gladys Brown of Oxnard; a sister, Robbie Nell Mears, Oxnard; two half brothers and two half sisters. Attending services from here were Mr. and Mrs. B. R. Mears, who returned home last week.

### RETURN TO STATES

M/Sgt. and Mrs. John F. Just and family are visiting her parents, Mr. and Mrs. T. A. Nelson at Ashita prior to moving to White Sands Proving Grounds, N. M., the middle of this month.

Sgt. Just and family recently returned to the states after serving a three year tour of duty in Germany. Just, who is making the Army a career, is a former employee of the Leader office. He has served 14 years with the Armed Forces.

### Clarendon F. F. A. Members Set Record In Premium Earnings

Members of the Clarendon Future Farmer Chapter set a new record for the local group this spring when the youths in the group won a total of \$5,060 in premium and special awards at the Donley County, the Amarillo, Fort Worth, El Paso, and Houston Fat Stock Shows. This represents an average of approximately \$80 premium money won per boy. One of the youths won over three hundred dollars and several won as much as two hundred.

Calves, pigs, and lambs are all represented in the winnings. Donley County winnings amounted to \$350; Amarillo winnings on lambs, pigs, and calves amounted to \$910; the big show was Fort Worth with a total of \$2,950 (this included \$400 from a feed company and \$675 from the American Cyanamid Co.); the premiums at El Paso amounted to only \$250 (the premiums are small but the sales are good); and \$600 in awards in the calf and pig divisions at the Houston Show.

Calves and pigs sold at Amarillo grossed a total of \$2,657, lambs a total of \$342. Pigs sold at Fort Worth grossed \$10,320; calves and pigs sold at El Paso grossed a total of \$5,950, and pigs and calves sold at Houston will gross over \$13,000 for a total of over \$31,000 in gross income by the local youths from sale of livestock. The net income for the seventy members of the chapter for their spring shows has been estimated at almost \$14,000.

### Locals Making Citizen Study of Schools

Donley County citizens are joining in the most widespread citizen study ever made of Texas public schools, with a view to recommending improvements to the 1959 state Legislature.

The study, which has to be both thorough and speedy because county reports are needed by May 1, is an outgrowth of the Legislature's move to examine operations of the Gilmer-Aikin Law since its adoption in 1949.

Each one of the state's 254 counties has a special committee which will report by May to the Hale-Aikin Committee of 24, a state-wide group which will consolidate the county reports and draft recommendations to the 1959 Legislature. Deadline on this is Oct. 1. The Texas Education Agency is lending manpower and material assistance in order to get the job done on time.

In common with the other counties, the Donley County committee under the chairmanship of Homer Estlack is concentrating its efforts in the areas of curriculum, teacher supply, classroom shortages and finance. Out of these studies improvements in the Gilmer-Aikin Law will be sought, and a widespread citizen knowledge of school problems at the local level is expected to result also.

State Senator A. S. Aikin, Jr., a sponsor of the school legislative and study movements, has called for the widest possible citizen participation in the current study.

### Queens Defeat Comets Here Saturday Night

The Wayland Flying Queens kept rolling along here last weekend as they took consecutive wins number 126 and 127. Friday night, they easily defeated Cisco Junior College 73 to 19 and Saturday night they had to work harder but still defeated the Clarendon Comets, 59 to 39. The Queens-Comets game climaxed a two-night four team Women's AAU Tournament. Besides the Queens, Comets and Cisco, Weatherford Junior College participated in the tourney.

Friday night, the Queens and Cisco opened the tournament and the Comets played Weatherford in the second game. The Comets had little trouble with the Weatherford girls, winning 57 to 34. Mary Mann led the Comet scorers with 17 points.

Saturday night Weatherford stopped Cisco 40 to 35 in the opener and the Queens and Comets got together for the championship in the second game. The taller and more experienced Queens took an early lead and were never behind. The Comets made a game of it for most of the first half, trailing only 10 to 7 at the end of the first quarter. They pulled to within one point of the Queens, 18 to 17, with three minutes to go in the first half, but the Queens made seven quick points to leave the floor at half-time with a 25 to 17 lead. The third quarter intermission saw the Queens with a 46 to 27 lead. The Comets fought the national champions on even terms the last quarter.

The Comets played a great game, hustling all the way, and actually played a much better game than the score indicates. Mary Mann was high scorer for the Comets with ten points followed by Janice Martin with eight, Myrlene Nichols seven, Kathryn Edwards six, Myrna Carney and Nancy Chaloner three each and Martha Watson two. Virginia Sellers and Linda Lindsey played, but did not score. Carla Lowery was high for the Queens with 18 points.

In the free throw contest, Mary Mann of the Comets defeated Judy Bugher of the Queens in the final round for the championship. Each girl shot 50 times and Miss Mann made 46 and Miss Bugher made 43. In the tournament, Miss Mann shot three rounds of 50 times each, and made a total of 136 out of a possible 150.

### AT HOME

Friends will be glad to learn that Gordon Moore was able to be moved home Tuesday of last week. He is reported to be improving satisfactorily from a wreck in which he was critically injured some weeks ago.
