## Investigation of Crash Is Awaiting Berkes' Recovery

DALLAS, Texas, April 19.—(UP)—Department of Commerce inspectors waited today for recovery of Jack Berkes, local flying instructor, to complete their investigation of a plane crash here last week which has resulted in death of James W. McCartney, Brownwood attorney. Berkes, as instructor, occupied the front cockpit of the dual control plane with McCartney, but because of the crash, it has not been determined whether he or the student was piloting. The instructor has been able to recall only hazily the events immediately preceding the fall. Spectators reported the plane had been starting to take off before it began falling from an altitude of about 300 feet. Both men were equipped with parachutes but apparently had no opportunity to jump.

## Pilot Killed at Eastland Sunday Was Known Here

Bill Hussey, 26, Eastland pilot, who with J. W. Penn, 30, of Cisco, was killed in a plane crash at Eastland Sunday afternoon, was well known by aviation enthusiasts here. He was a former flying partner of Bill Garrett, local pilot, and was here in a plane Sunday before last. He had visited Brownwood Municipal Airport from time to time. The plane in which the two were flying was once owned by Stuart Young, who formerly was here in the aviation business, and was quartered for several months at the local airport. Hussey and Penn were killed instantly. Hussey either jumped or was thrown from the plane before it struck the ground as his body was found several feet away with both legs broken. Penn was virtually decapitated by a cylinder of the motor which was broken loose by the impact of the crash and hurled in his direction. The plane fell in a field near the airport. The plane was owned by Stuart Young, who formerly was here in the aviation business, and was quartered for several months at the local airport.

## Rabbit Drive at Bangs Postponed; To Be Held Apr. 26

The rabbit drive, sponsored by Brownwood Lions Club, to have been held Wednesday at Bangs has been postponed one week. The drive will be held Wednesday, April 26. The postponement was announced at the weekly luncheon of the club today, and was made on account of the fact that the weather was unfavorable. The drive will be held some time Wednesday. The program of the club next Tuesday will be in charge of optometrists who will be here attending the Texas Optometric Association. Dr. Thomas McBurnie, Brooklyn, N. Y., president of the American Optometric Association, will be the principal speaker at the luncheon. Dr. Mollie Armstrong, convention chairman, was a guest of the club today. Plans for the luncheon program. Larry Schurman was initiated as a member of the club and was required among other things to display his ability as a salesman. He was given several articles to sell to the Lions and made a good job of it. Rev. C. E. Moore, Lockhart, former pastor of the First Christian Church here, was a guest.

## Griffin Reports Progress in Work in Western Field

P. Griffin, former county agent of Brown county, was here today after spending two weeks at his new location at Big Spring. Griffin is making a survey of the counties of Howard, Midland, Martin, relative to county agent being established there. He is making satisfactory progress has been made thus far. He has established an office in the court house at Big Spring. Griffin has been holding classes of boys in the schools of the counties preliminary to the formation of 4-H Clubs. The meetings will be held now and are required to hold all his time at Big Spring. The schools will close for the summer vacation soon. ## Full of Ticks

Three-year-old Bill Jorgensen, above, swallowed his mother's wrist watch. Then he called her, pointing to his heart and said, "I'm ticking." X-rays located the watch, and doctors hope to avoid an operation.

## MRS. LUCAS TO HEAD COUNCIL

Mrs. H. G. Lucas was elected chairman of the board of directors of Brownwood Community Council recently organized welfare association, at a meeting of the directors at the Chamber of Commerce rooms Monday night. Miss Carrie Reaves was elected recording secretary. Each group in the organization elected a chairman and these chairmen together with Mrs. Lucas make up the executive committee. James C. White was elected chairman of the Child Welfare division; Gus J. Rosenberg was made chairman of the Medical Relief division; Mrs. Ruby Ables was named chairman of Boys and Girls Activities, and James L. White automatically became chairman of the Relief Bureau division since he is chairman of the advisory council of Brownwood Employment Bureau for Relief.

## Report on Expenditures

Report of expenditures showed that the Bureau spent about \$2,800 in March, around \$200 less than was spent in February. Needs of the people being assisted by the organization are about the same but expenditures have been reduced by lowering of wages from \$1.50 to \$1 per day and by cutting down on dry goods and medicine expenses. Expenditures of the Bureau have been around \$3,000 each month for January, February and March. Expenditure for dry goods was reduced from \$200 in February to \$50 in March and drug expenditures were reduced from \$228 to \$100. The Bureau issued 1,460 work orders in March and issued food to 434 families for the first two weeks in April. The garden committee of the Bureau reported that 18 acres have been planted in corn and four acres in small vegetables. Forty-five acres at Brown County Fair grounds are ready for planting in beans and peas. Application for Reconstruction Finance Corporation funds for May and June has been made.

## Befriending Man Costs Traveling Salesman \$78.00

A case of "biting the hand that is feeding you" was reported to city police this morning by a young traveling salesman. The salesman was befriending a man lost \$78. In Mason yesterday, the salesman picked up a man he had known for some time. He bought the man's lunch in Mason and brought him on to Brownwood with him. Last night he bought the supper and he and his companion went to a picture show. After the show he took the man to his hotel with him to spend the night. This morning he awoke about 5:30 o'clock to find that the man he had helped was gone and with him \$78 also was gone. The report was made to police and officers in surrounding cities have been notified to be on the lookout. The missing man has been charged in justice court with theft over \$50, a felony. A warrant for his arrest has been issued.

## General Closing in Observance of San Jacinto Day

The post office will be closed tomorrow afternoon in observance of San Jacinto Day. Announcement was made yesterday that stores and banks would be closed for the holiday and that all city schools would be dismissed. Postmaster J. D. Stewart said the service windows at the office will be closed at 12 o'clock noon, but that the rural carriers would make their routes as usual and there will be one complete city delivery.

## County Club Women Oppose Drastic Cut in A.-M. Service Appropriation

Several members of Brown county home demonstration clubs are going to Austin today to attend the hearing on state appropriation for A. & M. College and the Extension Service. The county council of Brown county clubs in a meeting here Saturday afternoon adopted resolutions protesting a drastic cut in the Extension Service and the salaries of home demonstration agents and farm agents. Copies of the resolutions were forwarded to members of the appropriations committee and the Senator and Representatives from this district. Among those who are to attend the hearing are representatives of Brown county home demonstration clubs are Mrs. Roy Mathews, Bangs, president of the county council; Mrs. Earl Byrd, Indian Creek, county secretary; Miss Otie Willison, Dulin and Mrs. Oscar Boenick, Salt Branch. The resolution as adopted is as follows: To the honorable Legislature of the State of Texas: We, the Brown County Council of Brown County Home Demonstrations Clubs urge you to give representatives of the Texas Home Demonstration Association, the Texas Agricultural Workers' Association a hearing before you pass a bill which will cut the appropriation for the support of the A. & M. College of Texas as much as 41 per cent. Such a cut in this appropriation would necessarily affect the extension service, a type of work which has been carried on with farm and ranch people. We as farm homemakers feel that to limit or render less efficient, and in some cases discontinue, the extension service would be false economy. Great Farm Relief Agency. The extension service has been and is, one of the greatest farm relief agencies that could be given the Texas farm home in that it provides and points the way to self sufficiency. We feel that if you study the achievements of Home Demonstration Club members and of members of the Boys and Girls 4-H Clubs of Texas that they alone will be sufficient argument to prove the value of the extension service. In our county (Brown) the cost of the extension service (county farm agent and county home demonstration agent) is about 6 cents per farm family. Last year in this county alone over two million cans of food products valued at \$43,425.27 were canned by the women of this county through our work. This is only one phase of the work. The cost is very insignificant. There is no comparison with the value in return. It seems that saving so little by cutting the extension service would cost us more as citizens and farmers than it would save us as tax payers. We also understand that the county farm agents are to be cut 50 per cent and the county home demonstration agents 64 per cent. We cannot understand why there should be such a discrimination in cuts. The county home demonstration agents are no less efficient, they work just as hard, and their work is just as important as that of the county farm agent. We cannot believe this is a fair procedure. The club members of extension service are only asking for an equal recognition, and a cut in proportion with that of the farm agents and other educational workers. Again we, as home demonstration club women, wish to say that we feel that to destroy the extension service, or curtail it at this strategic time would be a tragedy.

## CITY DUE TO OBSERVE SAN JACINTO DAY

Brownwood will observe San Jacinto Day Friday, April 21. The stores will be closed throughout the day, the banks will be closed and all city schools will observe the holiday. San Jacinto Day is one of the five days in the year observed as a holiday by members of Brownwood Merchants Association, according to Elmer Hays, secretary. All the stores are being asked to close. Superintendent E. J. Woodward said this afternoon all schools in the city will dismiss Thursday afternoon and will not resume work until Monday morning. The Bulletin will issue a paper as usual.

## GIRL KILLED BY TORNADO NEAR DENTON

DENTON, Texas, April 20.—(AP)—Edna Ferguson, 18, was killed and her parents reported injured seriously by a tornado that struck near Denton, Texas, here Saturday. The Fairfield community was demolished by a strong wind. The twister struck suddenly and apparently covered an area one mile long and a quarter of a mile wide. Two Oklahoma Cities Killed. OKLAHOMA CITY, April 20.—(AP)—A tornado's toll in two little southern Oklahoma farm settlements totaled two dead and at least sixteen injured today with a score of homes crushed. A third death may have been a direct result of the storm. Tornado winds dipped into a farming community along the Little Washita river near Chickasha last night. Northwestern Oklahoma received damaging hail and sand storms.

## Plea Is Made to The Legislature By Farm Women

Brown county was represented by three members of the Brown county home demonstration council, Mrs. Roy Mathews of Bangs, chairman of the county; Mrs. Earl Byrd of Indian Creek, secretary, and Miss Otie Willison of Dulin, assistant secretary, at the hearing before the Texas Legislature Tuesday afternoon on appropriations for the Extension Service of A. & M. College. More than 1,000 farmers and farm women attended the hearing and apparently were successful in convincing the Legislature that the appropriation should not be cut more than 25 per cent, according to state press reports. The farmers and farm women told the Legislature they were willing to have the appropriation cut 25 per cent in line with other economies, but did not want it cut over fifty per cent as had been proposed. Members of the council returning from the hearing said of the 112 counties in Texas that have farm agents or home demonstration agents, 97 were represented. The local representatives expressed thanks to the Chamber of Commerce and President Gus Rosenberg for furnishing their transportation to the hearing. Jack Shelton, formerly of Brownwood and now of Luling, president of the Agricultural Workers Association, took a prominent part in presenting the farmers' case to the Legislature.

## Legion Meeting to Draw Many Visitors From Other Towns

A large number of Legionnaires and Auxiliary members from all the surrounding towns, as well as local members and the general public, are expected to attend here Friday night by Carl Nesbit of Mineola, State American Legion Commander. Commander Nesbit will be the principal speaker on a program to be given by the local Legion and Auxiliary at Memorial Hall at 7:30 o'clock. Mrs. J. W. Trapp of Daniel Baker College, also will be a speaker on the program. Misses Marguerite Wilson and Louise McDaniel will sing, accompanied at the piano by Mrs. W. D. McCulley. Members of Legion posts at Comanche, Rising Star, Santa Anna, Cross Plains, Coleman, Brady, Goldthwaite and San Saba have been invited to attend the meeting. Adjutant Orville H. Turner said today many visitors from these posts are expected. He also emphasized the fact that the public is invited to attend the meeting. M. J. Benefield of Brady, district committeeman, also will be here.

## Texas and Mexico Exchange Former Condemned Youths

EL PASO, Texas, April 20.—(AP)—Climaxing one of the strangest murder cases in border history, William Jefferson Meers, an American youth once sentenced to death for the shooting of a Juarez waiter, was exchanged at the international bridge here today for Jose Carrasco, serving a life sentence in Texas. Pardoned by the governor of Chihuahua in accordance with an exchange agreement, Mexican officials took Meers to the middle of the bridge where they met Texas officers with Carrasco whose pardon was signed by Former Governor Sterling.

## PECAN MEETING HERE JULY 27

The next meeting of the West Texas Pecan Growers Association will be held in Brownwood July 27. More than 100 pecan men of this section and visitors attended a meeting of the association in Ballinger Saturday, heard a number of addresses, witnessed demonstrations and elected new officers and directors. Brownwood is the permanent meeting place for the summer session. Among people from the Brownwood section attending the Ballinger session were Mr. and Mrs. J. T. McDonald, C. E. Nickels of the experiment station here, discussed insect control and remedies. J. H. Burkett of Clyde outlined the development of the pecan industry in Texas. Mrs. Lura Hollingsworth, Rannels county home demonstration agent, gave a demonstration in the canning of pecans. Dr. S. W. Blasing, Texas A. & M. College, discussed the case bearers and how to exterminate them. J. L. Roney, San Angelo, gave a budding and grafting demonstration.

## Barbecue for Visitors

The Ballinger Chamber of Commerce was host to a barbecue for the visitors at Ballinger City Park at noon. An entertainment program also was furnished. Mr. McDonald said today the attendance was more than up to expectations and that as a whole the meeting was very interesting. Plans, he said, will start immediately for the meeting here. Mr. Lucas, president of the National Pecan Marketing Association, was scheduled to talk on marketing at the meeting, but has not returned from a trip to Washington, D. C. He is expected to be back in a week or ten days.

## Hotel Reservations Are Being Made for Optometrist Meet

Hotel reservations for the Texas Optometric Association convention to be held in Brownwood Sunday, Monday and Tuesday are coming in every day, according to report from Dr. Mollie Armstrong, convention chairman. Three or four hundred optometrists from every part of the state are expected to be here for the meeting. Delegations of optometrists from all the immediately surrounding cities will be here. All optometrists of this district are joint hosts to the convention with Dr. Armstrong and Dr. R. A. Ellis, local optometrists. According to an Abilene paper among the Abilene delegates will be Dr. O. B. Stanley, Dr. John Dresner and Mrs. Dessen W. C. Fisher and daughter, Miss Winnifred Fisher. The convention will open with a public meeting at Hotel Brownwood, convention headquarters, Sunday night. The public is invited to attend.

## Statement Shows City on Cash Basis Entire Fiscal Year

### MRS. A. P. JONES IS DEAD; A RESIDENT OF BROWNWOOD 30 YEARS

Mrs. Ross Lane Luster Jones, wife of the late A. P. Jones, passed away at her home, 201 East Anderson Street, at 8 o'clock Tuesday night, after a five months illness. Mrs. Jones was well known and loved by many friends in this section and was widely known throughout the state and other states for her collection of pitchers, which numbered 1,600. People from many states came to Brownwood to view this collection during the past several years. Had Mrs. Jones lived until Monday, April 24, she would have been 69 years of age. She was born in Hunt county, Texas, April 24, 1864, the daughter of Mr. and Mrs. C. C. Lane. At the age of one year she moved with her parents to Jefferson, Texas, where she lived until 1885 when she was married to Berry Luster of Carthage, Tennessee. To this union were born four children, one daughter and three sons, three of whom died in childhood, one, Mrs. Nell Ross Spratt of Brownwood, survives.

## Financial Statement

Figures shown in the sheet include: Cash on hand March 31, 1932 was \$78,461.18 and cash on hand March 31, 1933, was \$93,547.15. There was \$15,085.97 more cash on hand at the end of the preceding year. A total of \$6,000 was paid in outstanding bonds, reducing the amount of bonds from \$539,500 to \$533,500. Outstanding warrants were paid in the amount of \$8,500, reducing the total of outstanding warrants from \$367,800 to \$359,300. In the twelve months \$10,669.47 was paid on notes payable, reducing the total amount of notes payable from \$18,807.01 to \$7,137.54. In addition to this, the amount in sinking funds was increased \$33,047.50 including the purchase of \$10,000 worth of City of Brownwood bonds which were placed in the sinking fund. The tax assessed for 1933 was reduced around 20 per cent from \$222,661.19 assessed the previous year to \$198,941.96, a reduction of \$23,719.23 assessed taxation.

## Declares Record Unusual

Mr. Thomason in commenting on the report, said he had been auditing city books for ten years and never before did he audit a set of books for a city before that did not show some outside money borrowed. It also must be taken into consideration, he pointed out that the city has operated on a cash basis in spite of having funds tied up in restricted accounts in a former closing of its depository and also having its depository close during the year.

## Schools of Brown County Receive Around \$13,000

An additional payment of state school apportionment totaling more than \$13,000 has been received by Brown county schools, and Brownwood and Bangs Independent districts. The county schools received \$6,304. Brownwood schools received \$6,318 and Bangs received something like \$6,000. This represents another \$2 per capita payment and makes a total of \$7 per capita paid thus far this year of the total \$16 apportionment. This leaves \$9 per capita yet to be paid to the schools or a total of almost \$6,000. In a statement to the press recently L. A. Woods, State Superintendent, said the total \$16 per capita will be paid as soon as possible and that it absolutely will be paid sooner or later. It is possible that the most of the \$9 per capita yet to be paid will be paid by the end of the school year, August 31, 1933. Woods stated. In another statement made from Big Spring recently, Superintendent Woods said \$7.50 per capita is all that is in sight at present for the 1933-34 term.

## Treatment Given Four for Burns at Local Hospital

Mrs. A. E. Bean of Zephyr rural route, her six or eight year old daughter and a young man named White, were treated in Medical Arts Clinic late Saturday afternoon for severe burns suffered at the Bean home when a can of hot meat exploded. The family was canning beef and it is believed let one of the cans boil too dry. Mrs. Bean suffered severe burns about her face and the others also had face burns. Mrs. Bean's arms and shoulders also were burned. After treatment, they returned home. The small son of Mr. and Mrs. C. H. Bennie, 1012 Avenue A, also was treated at the clinic this morning for a severe burn on his back. The eight or nine year old boy was standing too near a stove while dressing this morning and his clothing caught fire. His parents extinguished the blaze, but not before the boy's back had been burned.

## SHE WAS CHOICY

SALT LAKE CITY—A certain fashionably dressed woman, who exchanged some shoes in the shoe department of a downtown store, was suspiciously choicy. "My mother bought these, but she died before she could wear them and I would like to exchange them for some in my own size," she explained to the clerk. Shortly after she had left the store, with the new shoes, police revealed that the shoes had been part of the loot stolen from the house of Harry S. Bondle.

REARLS HAS STARTED FOR A TRIFLE to be given by the senior class of Brownwood High School on the evening of May 12th. Mrs. C. W. Shearer is director.

# CROONING RUDY ASKS NEW ROLE

NEW YORK—Rudy Vallee, the man who made crooning an American pastime, doesn't intend to sing a note in his next motion picture. The megaphone manipulator explained his viewpoint while doing a specialty number for "International House" at a New York studio recently.

"It isn't that I have any desire to play Hamlet," he chuckled, "but I'm convinced that the public gets enough of my singing over the air. I also notice that on the stage I get the most applause when I drop out of character—imitate Maurice Chevalier, or sing 'Kitty from Kansas City' for instance."

"Therefore, before I agree to make another feature picture I will insist that it have a powerful story, and that I play a straight dramatic part with no singing—a part similar to those which Douglas Fairbanks, Jr. and Lee Tracy have had in recent months.

"If I can't swing such a role I'll be the first one to admit it. And if I can do it, I won't object to singing in other productions. But just for once I want to try to get the fans to say: 'Gee, Vallee was swell, but he didn't sing a note.'"

## ROOKIE PROVES METTLE

LOS ANGELES—Patrolman G. H. Bohmfalk, recent addition to the police department, proved himself a hero and a capable officer. Bohmfalk saved several school children by throwing himself in front of a speeding car and bowling the children out of the way. He then commanded a second car and sped after the reckless driver. The chase lasted until Irving W. Cowles, the reckless one, turned his car over three times and fatally injured himself.

## HARD TO CONVINCE

"Professor, a man wishes to speak to you."  
"Tell him I am out."  
"I did, but he would not go."  
"Send him in to me and I will tell him myself.—All for Alla."

# NOTED FLIER IS CONVICTED

LAREDO, Texas, April 19—Jack Leon Echols, San Antonio, former aviator-explorer of Mayan ruins in Yucatan and pioneer mapper of Latin-American air routes, was sentenced to 13 months imprisonment Tuesday when he pleaded guilty in federal court here to charge of smuggling liquor from Mexico in a plane.

He was the second noted aviator to be sentenced on such a charge in Texas within the month. William T. Ponder, Fort Worth, ranked as America's second greatest war ace, was given a prison term and a fine at San Antonio a few days ago.

Robert E. Deace and Alva Heywood, both of Beeville, Texas, and alleged accomplices of Echols in a plan to receive, transport and conceal the liquor, were given suspended sentences of 13 months each.

It was alleged Echols was the pilot of a liquor-laden plane seized in McMullen county last June 5 after federal customs agents had chased it in another ship for 250 miles north from the Mexican border. The pilot escaped in rugged hill country after landing the liquor ship.

Echols, once a pilot for Carnegie Institution expedition to Yucatan and author of newspaper articles about Mayan ruins he helped explore, was captured only a few weeks ago when he "thumbed" a ride on the highway near Seguin with U. S. Marshall George Bottsford, who recognized him as the man wanted in connection with the plane chase.

## SHOULD BE SURE

KNOXVILLE, Tenn.—Mr. and Mrs. Reynolds just can't live with each other, and it isn't for want of trying. Just recently Judge Grimm gave Mrs. Grace Howard Reynolds her fourth divorce from Raleigh R. Reynolds. Reynolds seems to be making sure that this one will "take" because his lawyer, G. C. Seymour, said that he has moved to another city.

# 20,000 YEARS In SING SING

Warden Lawes, who is the author of the sensational book from which the picture was made, supervised the script in the first place to make sure it was an accurate and authoritative picture of prison conditions. Many of the scenes were "shot" at the prison itself and these he supervised personally.

The picture is a highly melodramatic portrayal of the human side of prison life, and blends thrills, pathos and romances. It features Spencer Tracy, famous for his portrayal of prison characters. He is supported by an unusually strong cast which includes Betty Davis, Arthur Byron, Lyle Talbot, Grant Mitchell, Warren Hymer, Louis Calhern, Edward J. McNamara and Sheila Terry.

This First National Picture "Twenty Thousand Years in Sing Sing" is scheduled for two days run at the Lyric this Friday and Saturday, April 21 and 22.

Mrs. A. P. Jones, who died last night, is here seen as she appeared a few months before her last illness with her collection of pitchers, for several years widely known throughout this section of the state. Many people visited her home to see this collection and many will recall with pleasant recollections the unusual array of pitchers and the owner who with such care and completeness had perfected this very interesting collection. A short time before her death Mrs. Jones gave these pitchers to her granddaughter, Miss Elinor Spratt.

# WHEAT, COTTON PRICES CLIMB

By The Associated Press  
Stock and commodity prices leaped forward today, coincident with the slump of the American dollar in terms of other currencies.  
At Chicago, wheat rose more than one cent to nearly three cents. On the New York exchange prices surged up from a dollar to more than three dollars per share. The volume of business overwhelmed quotation facilities.  
Cotton at New York rose about one dollar a bale.

# MANY ATTEND TWIN PARTY

Over thirty pairs of twins had registered at The Bulletin office early this afternoon for the twin party by The Brownwood Bulletin and the Lyric Theatre at the Lyric at 3:45.  
They ranged in ages from babes in arms to around 65 years.  
A. N. Davenport of Bangs, route 1, attended the twin show. He is not a twin himself, but is the father and grandfather of twins. There are two sets of twins in his immediate family, a daughter and son, both of whom live near Bangs, and two sons, 23 years of age, who live at home with their father. He also has two granddaughters, Alma Ray and Clona Fay Thuey, twelve years of age, with whom he attended the show.  
The registrations brought out many interesting stories of twins in other families also.

# LARGE CROWD IS COMING TO DISTRICT MEET

Hundreds of school students of nine Central Texas counties will be in Brownwood at Howard Payne College tomorrow and Saturday for the annual District No. 13 Inter-scholastic League meet. A large number of coaches, visitors, league officials and visitors also will be in attendance.  
The contestants will represent 90 schools in the nine counties and are winners in the events of the county meets.  
Dr. Thomas H. Taylor, president of Howard Payne and director general of the meet, said today more interest has been shown in this year's meet than usual and the attendance is expected to be unusually large.  
The meet opens at 10 o'clock at the college auditorium with exercises and announcements.  
The complete program follows:  
Friday:  
10:00 a. m.—Opening exercises and announcements—College auditorium.  
10:30 a. m.—Senior declamations auditorium—Supt. W. G. Barrett in charge.  
Junior declamations—First Baptist church, Supt. D. A. Newton in charge.  
Boys' debates—First Christian church, Principal J. T. Runkle in charge.  
Girls' debates—First Methodist church, Prof. G. A. Brooks in charge.  
Tennis contests begin—Howard Payne courts, Prof. T. R. Havins in charge.  
Three R contests—Room 33 Howard Payne Main Building, Prof. Raymond Miller in charge.  
Essays graded—President's office Supt. S. N. Dobie in charge.  
1:30 p. m.—Morning contests continued to conclusion.  
7:30 p. m.—Boys and girls extemporaneous speaking contests—First Baptist church, Prof. Raymond Miller in charge.  
Saturday:  
9:30 a. m.—Howard Payne track—Preliminaries, in 100 yard, 220 yard, 120 high hurdles, 220 low hurdles, pole vault, high jump and javelin.  
2:30 p. m.—Finals in track and field events—Howard Payne park.  
The league is composed of the following counties: Brown, Coleman, Comanche, Hamilton, McCulloch, Menard, Mason, Mills and San Saba. Ninety schools from these nine counties will have students participating in the various contests.  
First, second and third places in all contests will receive medals from Howard Payne College. Winners in the district will go to the state meet in May. Room assignments have been furnished for coaches and contestants for Friday night.  
All events will be free for the public except for senior track Saturday afternoon. A small admission will be charged for this event to be held to defray expenses of the meet.

# Former Maid of Mad Empress Dies

SPRINGFIELD, Mo., April 19—Mrs. Katie Heide Kentling, in her youth maid in waiting to the mad Empress Carlotta and last survivor of the court of the ill-fated Emperor Maximilian of Mexico, died here early Tuesday at the age of 96.  
Mrs. Kentling was born Katie Schetz in Budapest. When 17 she married William Heide, private bandmaster to Archduke Maximilian of Austria and accompanied him to Mexico as one of four maids in waiting to the glamorous Empress Carlotta.  
They parted in 1866 when the empress sailed from Vera Cruz in a futile effort to secure additional European aid for Maximilian's tottering empire. Though the empress lost her reason as the result of her husband's downfall and death, she remembered Mrs. Kentling and corresponded with her until her own death in Belgium in 1927.  
When the Mexican Republic army captured Mexico City in June, 1867, the royal bandmaster and his bride fled in a group of court followers who bridged their way past the sentinels. After being robbed repeatedly during their flight the party arrived destitute at St. Louis in the autumn.

# Looney Ward Wins Championship In Playground Ball

Looney ward school's boys playground ball team won the city ward school championship in a play-off game with Coggin ward school this week. The Looney boys defeated Coggin boys by a score of 6 to 4. Coggin ward's girls team won the ward school championship in the girls' division by defeating Looney ward school.  
The final games to determine the Junior city championships will be played Monday afternoon. The Looney boys team will play a junior team from Senior High school at Looney school grounds at 4 p. m. The Coggin girls will play the Junior High school team for the girls' championship at Coggin ward grounds at 4 p. m. The public is invited to attend these games.  
The ward school championships were determined after a double round robin had been played—that is, every team played every other team twice. In the boys division Looney and Coggin were tied when the round robin was completed and had to have a play-off game. It was in this game that Looney beat Coggin 6 to 4.  
For three weeks the series of playground ball games had been in progress and C. F. Wesper, principal of Junior High, who is director of baseball in the city league meet, says a great deal of interest was displayed. Large crowds attended many of the games.  
Mrs. Ruby Ables is coach of the Looney boys team and Mrs. E. B. Grady, Jr., coached the Looney girls team. Miss Golden Jones coached the Coggin boys and Mrs. Herman Hughes coached the Coggin girls.

# INCREASE IS RECORDED IN SCHOLASTIC CENSUS AT RICHLAND SPRINGS

RICHLAND SPRINGS, Texas, April 19—(Sp.)—The scholastic census of the Richland Springs Consolidate Independent School District shows an increase of fifteen scholars over last year. The territory shows an increase of eleven and the richland springs territory shows an increase of four.  
The census record over the last eight years indicates a continuous growth of population, both in the town of Richland Springs and in the section of the district outside the town. People are naturally drawn to live where there are good school facilities.  
The census record is as follows: (this year's census is tentative)  
1925, 217; 1927, 225, increase of 13; 1928, 228, increase of 3; 1929, 255, increase of 27; 1930, 272, increase of 17; 1931, 303, increase of 31; 1932, 362, increase of 59; 1933, 377, increase of 16. Total increase over period 165.  
A study of this growth shows that the increase from 1926 to 1930 was a rapid growth within the previous bounds of the district, an increase of sixty. The increase of 31 in 1931 was due to the enumeration of six year old children and due to some land transfer. The increase of 59 in 1932 was due to Hall consolidation. The increase this year was natural increase.  
During this period of time the school has become affiliated, has built a new building, added equipment, increased efficiency—and yet has made a large decrease in tax assessments during that period of time, on rural valuations, and no increase was made on valuations of the Hall district. Farm and ranch valuations are approximately on the assessed county valuation.

# Plan Enroll Texans For Conservation Work in Few Days

AUSTIN, Tex., April 19.—Enrollment for unemployed or jobs in Texas is President Roosevelt's emergency conservation work program will begin in a few days, it was announced last night.  
Applications for enrollment are expected to begin within a day or two, Lawrence Westbrook, director of the Texas Relief Commission, said. Announcement of the exact date will be made as soon as authority is received from Washington, D. C., he said.  
The reclamation work in Texas will comprise some 120 projects and will furnish employment to about 24,000 men. Plans were completed today for ten units of flood control and river improvement work to furnish employment to about 7,800. Other projects are being worked out.  
Westbrook announced that application for positions must be made through local county relief headquarters which have charge of distribution of Reconstruction Finance Corporation funds.  
Governor Miriam A. Ferguson issued a statement last night endorsing the program. She approved the selection of the Texas Relief Commission by the United States Secretary of Labor to carry out the program in this state.

# Roof Garden to Be Place of Annual Oratory Banquet

The roof garden of Hotel Brownwood has been secured for the annual banquet of the Central Texas School of Oratory and a pleasing menu of turkey and all the trimmings has been arranged, according to J. Fred McLaughlin, head of the school. He and his students are delighted with the arrangements and are looking forward to the most successful banquet ever held by the Alumni Association and student body. The time of the banquet is 8 o'clock Saturday night.  
An unusual and interesting program has been completed. The program will include announcement of the postmaster, talks by members of the Alumni, entertainment numbers by students and crowning of a queen and enactment of a court scene.  
New officers of the association will be elected at the business session. The star Alpha Orionis sends the most heat to the earth of all the stars.
