Bronchos To Open Season Friday Nite Against Rattlers At Stinnett

Football season is here! The Clarendon Bronchos will blast the field off the new season Friday night at Stinnett where they meet the powerful Rattlers of Stinnett High School. Game time will be at 8 p. m. Head Coach Tom Jinks and his assistant, Roy Young, will field a light squad of inexperienced Bronchos against the team that went all the way to the Class A State Championship last year. The Bronchos fell to Stinnett in the first round play-off last year by a score of 33 to 6. Although the Rattlers lost their entire starting backfield from last years team, they return their starting team from tackle to tackle and will fill the remaining spots with experienced boys who played a lot of football last year.

Coach Jinks has announced his probable starting line-up as follows: Don Taylor and either Milton Mann or Jimmy Johnson at ends; Ted Weatherly and Monty Mann at tackles; Keith Hudson and either Milton Mann or Dennis Bradshaw at guards; John Richerson, center; Jerry Behrens at quarterback; Richard Vallance and either Carl Evans or Dewey Wilson at halfbacks, and John Tom Morrow at fullback. Of this group, only Behrens and Richerson were starters last year. Behrens was the regular fullback last year but has been switched to quarterback this year. Four others, Hudson, Monty Mann, Morrow and Vallance lettered last year. All the other boys participated on the B squad.

Lack of experience and depth are the two big problems to the years squad, according to Coach Jinks. "The starting eleven may do pretty well, but after that the squad thins down in a hurry," stated the coach.

After this week's game, the Bronchos will return home to face the powerful White Deer Bucks at Broncho Stadium next Friday night, Sept. 13.

ALL COMMITTEES IN FULL SWING PREPARING FOR COUNTY FAIR

All committees are in full swing working on the County Fair and Horse Show to be held in Clarendon on September 13-14, says county agent H. M. Breedlove.

All exhibits will be set up on the twelfth of September so that they will be in place for the opening day of the fair on the thirteenth. The different departments of the fair are: Community Agriculture exhibits; Poultry; Home Economics Department for the three home economics departments in the schools of the county; Flower Show, sponsored by Les Beaux Arts Club; Horse Show, to be held on Saturday afternoon of the fourteenth; Home-made Cake department; Merchants department and the boys swine show which will be held just preceding the Dallas Fair in October.

Breedlove will set up a county exhibit at the Tri-State Fair in Amarillo on the fifteenth from commodities shown in the Donley County Fair.

All committees have been contacted and every one is urged to start early on the morning of the twelfth to set up their exhibits so the building can be cleaned and every thing ready for the opening day of the fair. Merchants will be allotted space for setting up their booths and there is no charge for the space. We urge more exhibits in this department and space will be given for all who request it, Breedlove said.

The Les Beaux Arts Club, Clarendon and Hedley Garden Clubs are working to make the Flower Show at the Fair outstanding. The recent rainfall should make flowers at their best. Arrangements for special occasions and holidays will be featured

Graveside Services Will Be Held Friday For Mark Taylor

Graveside services for Mark W. Taylor, 42, of Houston, will be held Friday afternoon Sept. 6th at 3 p. m. in Citizens Cemetery here with the local American Legion Post in charge.

Mr. Taylor died at his home in Houston Monday. He had been a resident of Houston 3 years following his retirement from the Air Corps. He had served 20 years with the armed services. He was a native of Clarendon and made his home here until entering the service.

Survivors include his wife, Mickey; two sons, Eddie and Jack, all of the Houston home; his parents, Mr. and Mrs. June W. Taylor of Clarendon; four sisters, Mrs. June Bray, Mesa, Arizona; Mrs. Madalyn Kelly and Mrs. Annie Mae Eaton of Borger; Mrs. Jean Range, Shamrock; four brothers, Capt. Ennis Taylor of Washington, D. C., Alfred and Ed. both of Clarendon, and Robert, stationed with the Air Force in England.

Revival To Begin Sept. 6th At Martin Baptist Church

A revival has been scheduled to begin Friday, Sept. 6th at the Martin Baptist Church and will continue thru Sept. 15th with Rev. J. Porter Arnold of New Mexico as the visiting evangelist. Services will be held at 10 a. m. and 7:30 p. m.

Rev. H. O. Walker, new pastor of the Martin church, is extending a cordial welcome to everyone to come and enjoy these services.

School Faculty Now Complete

The Clarendon Junior College and Public School faculty is now complete with the appointment of Mr. Weldon E. Day for the college mathematics position. Mr. Day will replace Mr. J. C. Stepp who resigned recently.

Mr. Day is well qualified for the college mathematics position. He holds a bachelor's degree from West Texas State College and is currently working toward the master's degree at the University of California at Los Angeles. He attended Clarendon High School, graduating in 1947, and attended Clarendon Junior College from 1947 until 1949.

Ministerial Alliance Elects New Officers

The Donley County Ministerial Alliance met in the Methodist Church August 26th with the president, Rev. Conrad Ryan, directing the meeting. Bro. Royce E. Wood, minister of the First Christian Church was elected president and Harry Skaggs, director of music of the First Baptist Church, was elected secretary-treasurer to succeed Paul Wright, who has moved away.

The alliance would like to invite all the ministers of churches in Donley County to be members of the Alliance. Plans were made for the Union Thanksgiving service and details will be announced at a later date.

Those attending were: Royce Wood, Minister, First Christian Church; Rev. Conrad Ryan, pastor, First Methodist Church; Gene Moore, Assistant to the pastor; Rev. J. A. McDonald, pastor, Lelia Lake Methodist Church; Rev. W. F. Vanderburg, pastor, First Baptist Church; and Harry Skaggs, musical director, First Baptist Church.

News Copy Needed Early - Please!

Due to an overflow of news coming in much later than it should, a large number of news items had to be left out this week. We make our last press run Wednesday afternoon which consists of four pages. The other pages are printed Monday and Tuesday, therefore our space is limited to only last minute happenings Tuesday and Wednesday morning. Please let us have your news items in the week if none will be left out.

Pep Squad Holds Organization Meeting

C.H.S. Cheer leaders, Paula Vanderburg, Beth Lamberth, Joann Bennett, Sharon Smith and Glenda Wilson returned from Dallas where they attended the annual Southern Methodist University Cheer Leaders School, bringing with them enough enthusiasm and pep to organize a 50 member pep squad. Tuesday night at the end of the first regular school day.

At the organization meeting Tuesday night, held at the Canteen, officers were elected for the school year; Pat Spurgeon, president; Beth Gillham, vice-president; Phyllis Hill, secretary; Elaine Behrens, treasurer; Robbie Lou Johnson, Sgt. at Arms.

Mr. Abel accompanied the Cheer leaders to Dallas and served as counselor for the boys dormitory during the past week. He and Jack Sims, the new freshman-Sophomore English teacher have been assigned as co-sponsors for the Pep Club, by Mr. Vaughan for the 1957-58 school year.

Mr. Sims met with the Club Tuesday night for the first time and left the meeting at the close with a distinct feeling that the steam generated in this first session leaves no doubt about the progress for the remainder of this season. In his acceptance speech before the club he declared his pleasure and honor at being assigned to sponsor such a wonderful group of youngsters.

BRONCHO MOTHERS TO HOLD OPEN HOUSE

The Broncho Mothers Club is sponsoring an open house at the new Field House located in Broncho Stadium this coming Sunday, September 8th. The open house will be from 3 to 5 p. m. and the public is invited to come and inspect this new installation.

Mr. and Mrs. O. C. Watson attended a family reunion of the Watson family held in the home of Mrs. J. E. Watson at Hobart, Okla. Sunday and Monday.

Revival Preparation Made By First Baptist

The First Baptist Church, Clarendon, is making final preparation for their coming Revival. Tom K. Simms will be with the church beginning Sunday, September 8th through Sunday, September 15th. The church is looking forward to this outstanding sculptor and artist bringing the news of Christ to them in an unique manner. Combined with Harry Skaggs, music director, to make a team that will attract attention in our community. Bro. Van stated that if there were any who had never found complete satisfaction of inner spiritual peace, these days will be a challenge to you to come and give God a chance to speak His message of hope to you.

The church has been in prayer during this week for their individual spiritual needs. This was done that they might be close enough to their Lord that they might show daily growth spiritually.

Everyone who loves the gospel message of God's salvation will want to be present at every service. Those who have never known spiritual hope will want to be regular in attendance at these services.

The services will be at 7:30 each evening and 10:00 each morning except Saturday.

James Howze Receives Teaching Fellowship Appointment

The University of Michigan has awarded a teaching fellowship to James D. Howze to a teaching fellowship in that institution's school of architecture and design.

Jim, who is the son of Mr. and Mrs. J. H. Howze of this city, received his B.A. degree at Austin College in Sherman, Texas. His advanced training and graduate study have been secured at The Art Center School in Los Angeles and at the University of Michigan where he is currently completing training for a Master's degree in design.

Although Jim has held an illustrator's position for the government and worked for advertising agencies in Oklahoma and Michigan; his ultimate goal is in the direction of serious painting and teaching. He plans to leave for Ann Arbor on Monday to resume study and teach a freshman drawing course.

Public Schools Enroll 642

A total of 642 students registered at Clarendon's Public Schools on Monday of this week. The Elementary school (grades 1-5) enrolled 263; the Junior High (grades 5-8) enrolled 149, and the Senior High School enrolled 181. The North Ward Colored school registered 49.

By Grades, in the white schools, the Elementary school registered 61 in the first grade; 58 in the second; 37 in the third; 44 in the fourth and 63 in the fifth. The Junior High had 40 in the sixth; 43 in the seventh and 66 in the eighth. The Senior High School enrolled 52 freshmen, 52 sophomores, 39 juniors and 38 seniors. This total enrollment represents a decrease of 15 students under the beginning enrollment of 657 students last fall.

FFA Members Enter Stock In Fall Fairs

Members of the Clarendon F.F.A. and a number of adult farmers of Donley County who cooperate with the F.F.A. in their swine production program have made entries in the Amarillo Tri-State Fair, the Heart of Texas Fair at Waco, the State Fair of Texas at Dallas, and the Texas State Barrow Show at Waco. J. D. Duggins will exhibit his Berkshire in the Amarillo and Dallas open breeding classes, as will Milton Mann his spotted Poland Chinas, James Mahaffey his durocs, and H. L. Riley will probably exhibit one or more Hampshires at each of the shows.

Carl and Howard Talley, Bobby and Gary Longan, James and Gary Mahaffey, Pat Roberson, Harold Lindley, James McAnear, Don Hudgins, Dennis Bradshaw, Wayne Mann, Milton Mann, and Ronnie Tyra will exhibit their barrows at each of the four shows. All of the barrows will be exhibited at only the Donley County Fall Pig Show at Clarendon on October 12 and at Dallas the following week, and the larger barrows will be exhibited at the Amarillo and Waco Shows.

Welcome Moisture Covers County

Rain in very beneficial amounts fell over the county last Wednesday night and showers continued through the week end. The moisture came in time to do a lot of good but would have been more valuable a couple or three weeks earlier.

Amounts of the last two weeks in August with a total of 3.62 being reported by Ben Lovell. 1.62 of this amount fell last Wednesday night. At the same time Willard Knox reported 1.55 at Lelia Lake and J. C. Ashcraft reported 2.40 at Goldston with other gauges in the area showing as much as 3.10 inches.

Around two inches was received south and east of town and the official report for Clarendon was 2.36 Wednesday night to bring the August total to 2.55. Showers Sunday started September off with .36 inch. The high temperature for August was 101 on the 28th and 29th; the low high was 83 on the 5th and the minimum low was 61 on the 18th. The high for September so far was 93 degrees on the 3rd and the low was 60 Tuesday night.

Open House At Country Club Saturday Nite

Saturday evening, Sept. 7th, the Clarendon Country Club will hold another open house for the members and their guests.

Bingo will begin at 7:30 to be followed by dancing. Swimming can be enjoyed at any time during the afternoon and evening. All club members are reminded to bring a picnic supper if desired and enjoy the evening at the club. Members may bring as many guests as they wish.

LITTERBUG NOTICE

The City of Clarendon is spending a good deal of the tax payers money and putting in a lot of time trying to keep the City Park so that the citizens may have a nice place to enjoy.

There are some people who seem to delight in messing up the tables and the grounds with watermelon rinds and other refuse, so that no body can use it after them. We have two trash barrels to put refuse in and the City Commission would appreciate it very much if every one will try to help us to keep it clean. Please don't be a LITTERBUG.

Student Handbooks Issued To High School Students

For the first time in the history of Clarendon High School, the students will have a Student Handbook this year. These handbooks were issued to the students as they enrolled on Monday of this week.

The handbook is a general outline of policies of the school. It includes requirements for graduation, subject placement of courses, a brief description of each course, school bus policies, and other general policies which affect the students and teachers.

Students were encouraged to take this booklet home for their parents to read so that parents may help students plan their high school courses and also that parents may know the policies of the school.

Dusters Rained Out; To Try Again Sunday

The second game of the Caprock League Series was rained out here last Sunday afternoon, so the game will be played Sunday afternoon in Duster Park (weather permitting) at 3 o'clock. Rain began falling during the first inning and the field became too slick to continue.

A large number of fans were beginning to arrive about the same time of the shower to help the Dusters win this second game so they could stay in the series and have an opportunity to win the 2 out of 3 game series. Amarillo won the first game 8-7 in a 12 inning battle two weeks ago. Plan to give the Dusters your support Sunday afternoon.

The seven cities of the Greenbelt Municipal and Industrial Water Association voted overwhelmingly for confirmation of the Greenbelt Municipal Water Authority in elections held Saturday, a report from Association Secretary C. L. Johnson of Hedley, disclosed.

In only two of the towns involved was there any noticeable opposition to the Authority indicated in the vote and it was light. At Paducah the count was 279 for the confirmation and 23 against. Childress which had a light vote, had 12 opposed to the formation of the Authority as compared to 307 for it.

Quannah's vote was 152 for to 7 against; Wellington had 182 for and 2 against; Memphis voters were unanimous with 141 for the Authority. Clarendon and Hedley had a good turn-out of voters. We had a total of 185 for to 5 against while Hedley had 142 for and 2 against.

Passing of the confirmation election is the first step toward the possible construction of a dam across the Salt Fork of the Red River near Hedley. Confirmation of the Authority will make possible a complete study of the dam site, the quality and quantity of the water available and all other study necessary.

If it is found feasible to construct a dam at the location, the next step would be the voting of revenue bonds for construction of the dam which has been estimated to cost approximately \$6 1/2 million. Final step would be the voting of water purchase contracts.

Confirmation of the Authority does not bind any city in the district to vote revenue bonds or water purchase contracts. Voters could reject one or both of those issues and would be dropped from the Authority.

J. R. Gillham, local F.F.A. Adviser and Bob Clifford, graduate Animal Husbandry Student at Texas Tech, returned last week from a two week's trip into Iowa and Illinois for the purpose of securing calves and pigs for the local F.F.A. Chapter members to feed for the 1958 spring shows. The two men attended the Illinois and Iowa State Fairs, ten county shows, three regional shows, looked at the cattle in over twenty commercial feedlots, and visited over thirty of the top swine breeding farms in the cornbelt states.

The Carr Brothers, Dean Snyder, C. T. Keene, and Son, Duncan and Smylie, Einfeld and Hogan, and Jepsen Hampshire Farms were visited and arrangements were made to secure barrows for the spring shows from each of the breeders. Top duroc, Berkshire, spotted Poland China, yorkshire, chester white, and Poland China breeders in the two states were visited. Gillham inspected the boar testing station at Ames, Iowa, and attended the tested boar sale at Nevada, Iowa. The two Clarendon men made the trip to secure and make arrangements for securing calves, barrows, and swine breeding stock for the local youths so they may be able to compete in a creditable manner at the leading southwest stock shows. The grand champion boar of a recent National Barrow Show at Austin, Minnesota, was brought back to add to the top breeding stock in Donley County.

The calves secured on the trip will be shown at Fort Worth and Houston Shows. Letters have been received from the secretaries of each of these shows stating that the steers secured by the local youths would be eligible to show in each of these shows.

Highlights and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association
AUSTIN—Things will be a bit different here and there, beginning this week. Aug. 22 is the effective date for most of the hundreds of new laws passed by the 1957 Legislature.

JOE GOLDSTON
Optometrist

Scores of new laws will affect what you can and can't do from now on. Examples:

1. Manufacture, sale or use of dangerous fireworks are prohibited.
2. News reporters cannot be barred from precinct, county or state political conventions.
3. Parents will be liable for property destruction by their minor children.
4. Garages must report cars left over 30 days.
5. Dangerous substances, such as poisons, must be labeled.
6. Tuition fees at state colleges, beginning this fall, will be doubled.
7. Voters will have to return to the "scratch" method of marking ballots. No more putting an "x" before the name of the person to be voted for.
8. In future special elections for U. S. Senate or Congressman-at-Large posts, runoff will have to be held unless one man gets a ma-

majority vote in the first primary. 9. No more combination banking-insurance companies, such as the late U. S. Trust and Guaranty, can be organized.

10. License plates will cost 10 per cent more from now on to provide more money to buy right of way for roads.

NEW AGENCIES TOO

Five new state agencies also enter the scene. Foremost is the new independent securities commission which will supervise both insurance and general securities issues. It combines functions formerly divided between the Secretary of State's office and Insurance Commission.

An adult parole division under the Pardons and Paroles board will set up the state's first paid staff to keep tabs on adults paroled from the penitentiary. It has been long sought as a means of returning more prisoners to useful citizenship.

A Tax Study Commission will oversee an analysis of the state's entire tax structure by the Texas Research League. Could eventually lead to a shifting of tax burdens—new taxes for some, less for others.

Other new agencies are the Texas Council on Migrant Labor and the Texas Historical Survey Commission.

CROPS IMPROVE

Picture looks brighter than expected for Texas' 1957 crops, says the U. S. Dept. of Agriculture.

USDA estimates the state's cotton crop for this year at 3,775,000

bales. It's 4 per cent better than last year and about average for the past 10 years.

Other official crop estimates: wheat, 35 million bushels, a million more than originally expected; corn, 39.2 million bushels, 43 per cent above last year; hay, 2 million tons, second largest crop on record; peanuts, 205 million tons, a 233 per cent increase over last year.

FLU EPIDEMIC SEEN

Texas "almost certainly" will have an epidemic of Asiatic flu this fall and winter, say state health officials.

Basis for this prediction is the laboratory samples of virus obtained from Texas patients by the State Health Department. It's a highly communicable strain, says the department's director, Dr. Henry A. Holle. He advised people to be vaccinated as soon as possible.

But availability of vaccine still is a question mark. Production is being rushed and some cities are setting up priority schedules. Workers performing essential services, such as doctors, nurses, policemen and firemen, will get preference.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

EXAMINING BUREAUCRACY

A special subcommittee of the House Committee on Interstate and Foreign Commerce has been set up during this session of Congress for the purpose of investigating six regulatory com-

missions. These commissions are as follows:

1. Interstate Commerce Commission, created in 1887.
2. Federal Trade Commission, created in 1914.
3. Federal Power Commission, created in 1930.
4. Federal Communications Commission, created in 1934.
5. Securities and Exchange Commission created in 1934.
6. Civil Aeronautics Board, created in 1938.

These were originally authorized by the Congress as independent regulatory agencies, and although they may appear unrelated in name and in specific purpose, it is pointed out they are very closely related under the common theme of regulatory authority. Two have jurisdiction over carriers (railroads, busses, trucks water carriers pipelines) and are under the Interstate Commerce Commission; air carriers are under the Civil Aeronautics Board.

Two of these agencies regulate utilities—electrical and gas being under the Federal Power Commission; broadcasting, telephone and telegraph are under the Federal Communications Commission.

One agency regulates financial activities, such as security exchanges, security issues and holding companies. This is the Security and Exchange Commission.

One agency regulates a special field in industry. It is the Federal Trade Commission which has jurisdiction over trade practices with reference to whether or not they are fair or unfair.

The Subcommittee is called the Legislative Oversight Committee.

and it has a tremendous job to do. These agencies were intended to be arms of the Congress rather than subject to the dictates of the Executive Branch of this government. In other words, they were supposed to be independent agencies to carry out in a fair, unbiased and unprejudiced manner the intent of the Congress in regulatory laws. Regulation, itself, has always been abhorrent to the American, although it is readily recognized that the complexity of our economy requires certain limited regulations in various fields. Under the circumstances, it is of vital importance that the powers vested in these agencies and bureaus be exercised with the greatest of care to insure fairness and equity to all which may fall within their jurisdiction.

Many have felt that some, if not all, of these agencies have

been dominated by the Executive Branch of the government and have fallen into a pattern of yielding to political expediency rather than adhering to the basic concepts upon which they were created. Whether or not such suspicions are true is a question to be answered by the Committee on Legislative Oversight. What the people want is the truth, the whole truth and nothing but the truth on the subject.

The width of United States ships is determined by the Panama Canal, and the height by the Brooklyn Bridge.

about us. We have so many little do-dads and extras, gimmicks, and what have you that add to our comforts in life, but they also add to our cost of living. Take your grocery bill next time that you buy groceries and take from it the things that your mother and dad never bought and see what you have left.

We're not talking against this spending. Don't mis-understand us. It is part of our new way of life and it is so tied in with our economic set-up that we would be afraid for all of us to suddenly try and stop our rate of spending. Hidden in everything we buy is someone's pay check. Not too well hidden sometimes but always there is a large tax. Our government is spending in the same proportion we are and it has to have the tax. In fact, we shudder to think what would happen if we stopped government spending. Think for a moment if payrolls should be cut in half. If one percent of the interest rate controls inflation what would happen if just the one item of installment buying was suddenly stopped. It's something to think about. We have both ourselves and our government head over heels in debt, and looks like we must try and spend our way out.

All that you have to do to entertain certain folks is to sit and listen to them. If you think this sounds easy just try it out on someone. Honestly, if you're like myself before long you are just busting for him to entertain us

by "Just listening to us for a spell."

Sometimes we would do a much better job of preaching just by holding our tongue. Some of the finest examples we have known were lived, not told to us. It's so easy to want to be like our favorite person that we watch day after day and feel that he makes the right decisions and does right at the right time. By the same token if someone is always giving out advice and we can see things just as bad showing through the windows we soon lose interest in the one we are following.

Read the following someplace; "Women can keep a secret just as well as men but sometimes it takes more of them to do it."

We hear a lot of discussion on the above subject and it makes us wonder. Do men gossip just as much as women? I mean honestly. For the best answer we will give a small prize. We, being the sole judge of which is the best. Write us what you think and if we think that you are thinking the things we think are pretty good thinking on the subject we will send you some little token which we think you would think was good thinking on the part of our thinker.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Cover crop planting time is here. The planting of a cover crop to protect his land through the blow season is one of the most important things the operator of a sandy-land farm can do—if he is interested in keeping his farm at home. Through the years rye has proven the most dependable, winter grown protection for the soil and there has been very few years when a stand and growth were not obtained if planted before October 1st.

Where irrigation is available, or if favorable moisture conditions develop, planting a mixture of Hairy vetch and rye, or Austrian winter peas and rye will likely prove more beneficial to the soil than rye planted alone.

More and more farmers are realizing the need to plant soil improving crops which will replace the organic matter used from the soil over many years of cropping. One of these whose Conservation Plan with the District includes cover cropping and

Conservation Crop Rotation is B. T. Spear from the Martin Community. Mr. Spear drilled an irrigation well and is now one of the District's irrigation farmers. This has delayed him somewhat in establishing his Conservation Plan, but will allow him to do a better job as time goes on. This fall Mr. Spear plans to drill rye (or perhaps a rye-legume mixture) cover crop on land from which he will harvest cane. He may also drill rye in his cotton land following harvest. Next year he plans to plant a strip crop pattern of 4 rows cotton—one blank—2 rows of guar, or other legume—blank row—4 rows of cotton. Hall Hardin has followed this strip crop pattern on much of his land the past two years and is convinced that it is profitable. Also this allows the farmer to plant early a legume-rye mixture

in the 4 rows left out and thus obtain more growth. Then after the cotton is harvested, the cotton strips can be planted. The following year these strips can be rotated and thus establish a good crop rotation pattern.
 Cost sharing on both rye seeding and legume seeding is available through the ASC office. For more detailed information, con-

tact the Soil Conservation Office in Clarendon the Donley Soil Conservation District.

Knox-Wallace Nuptials Solemnized In Church Ceremony

In a double-ring ceremony at 6:00 o'clock Saturday evening, August 3, in the First Baptist Church, Miss Patricia Ann Knox of Lubbock, daughter of Mr. and Mrs. Van B. Knox, Clarendon, Texas, became the bride of Mr. Glenn Franklin Wallace of Lubbock, son of Mr. and Mrs. L. L. Wallace, also of Clarendon.

The Rev. Frank O. Baugh of Shawnee, Oklahoma read the service. Baskets of white gladioli, flanked by candelabra and backed by emerald palms, decorated the altar. Candles were lighted by Terry Moore, nephew of the bride, and Loran Wayne Biggs, cousin of the bridegroom.

Mrs. Bill Williams, organist, played traditional nuptial selections and accompanied Miss Nedra Hodge, who sang "The Lord's Prayer," and "Whither Thou Goest."

Maid of honor was Miss Beth Finch and bridesmaids were Mrs. L. P. Moore, Merkel, Texas, sister of the bride, and Mrs. Robert Mills, Mary Jeanette Baugh, niece of the bride, was a junior bridesmaid. They wore ballerina length dresses of pastel blue satin and carried nosegays of white gladioli.

Flower girls were Becky Baugh and Ginger Denny, nieces of the bride. Miss Frances Wallace, sister of the bridegroom, registered

the guests at the wedding.

Montye Smith of Amarillo was best man and groomsmen were Foster Parker of Lubbock, and Jerald Bell of Sundown. Serving as ushers were Bobby Twaddell of Austin and Richard Latham of Brownfield. Ringbearer was Knox Denny, nephew of the bride.

Given in marriage by her father, the bride was attired in a gown of white French lace and pleated tulle over net and satin, designed with a high neckline framed with a small collar embroidered with iridescent sequins and seed pearls. The fitted bodice had a yoke enhanced with applied lace and long tapered sleeves. Tiers of scalloped lace and pleated tulle formed the billowing skirt, which was topped by a cut-away skirt of lace and terminating in a graceful train. Her finger-tip veil of tulle was attached to a scalloped lace cap studded with sequins and pearls. She carried a colonial bouquet of white roses.

Mrs. Knox, mother of the bride, wore a soldier blue crepe dress with navy accessories. Mrs. Wallace, the groom's mother, chose a gray dress of imported cotton and silk with black accessories. Mrs. D. W. Tomlinson, the bride's godmother, wore royal blue with white accessories. All three wore corsages of white roses.

Following the ceremony, the bridal party was honored at a reception in the church parlor. Garlands of plumose fern and white roses decorated the serving table. Assisting with the house-party were Mesdames L. N. Cox, P. C. Messer, C. B. Morris, Bert Smith, and Elbon Naylor. Presiding at the table were Misses Margaret Cushing and Harlene Smith. Mrs. Williams played piano selections during the receiving hours.

After a wedding trip to Colorado Springs, Colo., the couple will be at home September 9, at 1004 Ave. X, Lubbock, Texas. For traveling the bride chose a blue taffeta princess dress trimmed with white lace, and blue and white accessories.

MRS. GLENN FRANKLIN WALLACE

Mrs. Wallace was graduated from Clarendon High School. She is a freshman at Texas Technological College, Lubbock. The bridegroom, also a graduate of Clarendon High School, attended Clarendon Junior College, and is a senior student at Texas Tech.

Among the out-of-town guests attending the wedding were Mr. and Mrs. A. A. Holland, Mrs. J. P. Reynolds, Mrs. Frank Bird, Mr. and Mrs. E. T. Naylor, and Bill Naylor, all of Amarillo; Mr. and Mrs. Ted Tomlinson, Mrs. D. W. Tomlinson, and Mr. and Mrs.

Foster Parker of Lubbock; Mr. and Mrs. J. L. Naylor and Ben. Mrs. Jim Biggs and Loran Wayne of Panhandle; Mr. and Mrs. Alva Simmons, Hedley; Mr. and Mrs. L. P. Moore and children, Merkel, Texas; Mrs. Otis Denny and children of Santa Cruz, N. Mex.; Rev. and Mrs. Frank Baugh and children of Shawnee, Okla.

Shower Fetes Bride-Elect

A miscellaneous shower honoring Miss Harlene Smith, bride-elect of Clifton Phillips, was given at Patching Club House Thursday afternoon, August 29. Receiving hours were from 4:00 p. m. to 5:30 p. m. Garden flowers decorated the entertaining rooms. A bouquet of white, purple, and orchid asters marked the mantle.

Guests were greeted by Mrs. C. Huffman and presented to the honoree, her mother, Mrs. Bert Smith, and the groom-elect's mother, Mrs. Stella Phillips. Alternating at the registrar were Misses Nedra Hodge and Nadine Murphy. Misses Beth Gillham and Dianne Moore provided the musical background for the afternoon.

Refreshments were served from a table laid with a white linen cloth. Centering the table was a miniature bird cage with two purple lovebirds surrounded by white carnations, purple and orchid asters and English ivy. Individual cages decorated with orchid rosettes were served by Misses Edna Beth Finch and Joyce Eddings. Miss Ellen Murphy dispensed the tinted punch from the crystal service.

Miss Smith received many lovely and useful gifts.

Hostesses for the courtesy were Mesdames G. W. Estlack, F. O. Hodge, A. D. Estlack, Edna Smith, C. Huffman, L. L. Wallace, George Thompson, Harold Graham, Doyce Graham, W. F. Vanderburg, W. H. Skelton, Homer Estlack, Hall Hardin, J. R. Allen, Pete Darnell, Grady Henson, and Misses Edgar Mae and Mabel Mongole.

Recent visitors in the home of Mr. and Mrs. Gene Hester were Mr. and Mrs. Raymond Rutherford of San Antonio, Mr. and Mrs. Rogers Hester and family and Mr. and Mrs. John Hester and family of Amarillo.

CLUB HOUSE BOARD MEETS

The Patching Club House Board met September 2nd for the election of officers. Officers elected were as follows: Mrs. Frankie Henson, President; Mrs. John Goldston, Vice-president; Mrs. Tommye Saye, Secretary; and Mrs. Jack Gray, Treasurer.

The board is made up of all the presidents and vice-presidents of the clubs that are members of the club house.

The treasurers report for the year showed an account of \$449; \$366.30 income for the year; expense of \$591.55; with a present bank account of \$223.75.

The accomplishments of the board for the year were paving the walk on street in front and up to the Club House at a cost of \$215.19; the purchasing of 4 card

tables, 15 silver knives, 4 silver serving spoons to replenish the silver; paid the insurance for a three year period at \$260; and miscellaneous things for the upkeep of the Club House.

Mr. and Mrs. George Benson donated \$100 on the paving project. Mrs. Benson, who was the out-going president, made a gift of a large spotlight floor lamp to the club. \$591.55 was spent on these and yard work, utilities and upkeep of the club rooms.

Mr. McMurtry, the one man on the permanent board had charge of the paving. He gave freely his time and knowledge, for which every member thanks him.

GABIE BETTS BURTON
LIBRARY NOTES
By May L. Prewitt

The Library Guild book for the month is, "The Moon By Night" by Lady Joy Packer. The setting is in Africa. She has written several novels but we do not possess any of them.

"The Turn of the Tide" is a history of the war years based on the diaries of Field-Marshal Lord Allenbrook, Chief of Imperial General Staff. This is a book of more than 600 pages. It was dedicated to Mrs. Joe Goldston's memory.

An adventure book, "Elmer Keith's Big Game Hunting," by Elmer Keith himself is well illustrated. These books of adventure are given to the Library by a patron of the book club that issues only this type of book. We are happy to receive them.

Our other features are the September issues of the periodicals. They are very interesting in appearance.

Our funds have been, and now, are below up keep expenses. Two friends have contributed \$5.00 each. This has been helpful. Our Library does not have any income to speak of and donations from clubs and friends have not been as was in the past. We have to have supplies and reading material to maintain a Library.

HEDLEY NEWS
Mrs. Paul Duncan

First Baptist Church

The First Baptist Church in a called conference Sunday night voted for the building committee to go ahead with plans that were submitted to the church. The new building will have masonry walls with color crete veneer on out side. The inside will be finished with Gothic type structure in natural wood colors. It will be air conditioned and heated from a central unit. The contractors are bringing in bids. We hope to see some activity in the church vicinity in the near future.

FARM NEWS

from the County ASC Committee

COTTON

Our cotton farms have all been measured, and we wish to express our thanks to all producers for their help in any way to our crop reporters.

WOOL PROGRAM

Farmers are reminded again to file their sales receipts on 1957 wool and lamb sales. Any wool sold from May 1, 1957 through April 30, 1957 is eligible for payment under the 1957 program.

SOIL BANK

Crops that make up the Soil Bank Base are cotton, peanuts, wheat, oats, grain sorghums barley and rye harvested. These crops grown in 1956 and 1957 will be used in establishing the Soil Bank Base.

WHEAT ACREAGE RESERVE

We are now setting up Base Acreages. The signing of Wheat Acreage Reserve Contracts is from August 26, to October 4, 1957. The program will be on "first come, first serve" basis, and a producer may place his entire allotment in the reserve so long as funds are available.

WINTER LEGUMES

Austrian Winter Peas or Hairy Vetch planted in the fall for winter protection from wind erosion is one of the practices offered under regular ACP. A good stand and growth must be obtained in sufficient time to protect the area in the fall and winter, and a nurse crop of rye is recommended when seeding sandy cropland.

GRAIN SORGHUM LOANS

Loans are available in Donley County to farmers for eligible grain sorghums produced in the County and stored in an approved warehouse. The support price for 1957 grain sorghum produced in Donley County is \$1.73 per hundred.

Mr. and Mrs. S. T. Jones and family of Roscoe, Texas visited a few days last week with Mr. and Mrs. F. E. Caraway, Mr. and Mrs. D. S. Smith and other relatives. Mr. Jones is a nephew of Mrs. Caraway and Mrs. Smith.

Elder and Mrs. Joe Spradlin and son of Lamesa visited the latter part of last week with his parents, Mr. and Mrs. Sam Spradlin. Spradlin is pastor of the Glendale church there.

Mr. and Mrs. Jim McKee of San Antonio visited Sunday evening in the home of Mr. and Mrs. G. W. Estlack.

Bronchos To Open Season Friday Nite Against Rattlers At Stinnett

Football season is here! The Clarendon Bronchos will blast the lid off the new season Friday night at Stinnett where they meet the powerful Rattlers of Stinnett High School. Game time will be at 8 p. m. Head Coach Tom Jinks and his assistant, Roy Young, will field a light squad of inexperienced Bronchos against the team that went all the way to the Class A State Championship last year. The Bronchos fell to Stinnett in the first round play-off last year by a score of 33 to 6. Although the Rattlers lost their entire starting backfield from last years team, they return their starting team from tackle to tackle and will fill the remaining spots with experienced boys who played a lot of football last year.

Coach Jinks has announced his probable starting line-up as follows: Don Taylor and either Milton Mann or Jimmy Johnson at ends; Ted Weatherly and Monty Mann at tackles; Keith Hudson and either Milton Mann or Dennis Bradshaw at guards; John Richerson, center; Jerry Behrens at quarterback; Richard Vallance and either Carl Evans or Dewey Wilson at halfbacks, and John Tom Morrow at fullback. Of this group, only Behrens and Richerson were starters last year. Behrens was the regular fullback last year but has been switched to quarterback this year. Four others, Hudson, Monty Mann, Morrow and Vallance lettered last year. All the other boys participated on the B squad.

Lack of experience and depth are the two big problems to this years squad, according to Coach Jinks. "The starting eleven may do pretty well, but after that the squad thins down in a hurry," stated the coach.

After this week's game, the Bronchos will return home to face the powerful White Deer Bucks at Broncho Stadium next Friday night, Sept. 13.

Graveside Services Will Be Held Friday For Mark Taylor

Graveside services for Mark W. Taylor, 42, of Houston, will be held Friday afternoon Sept. 6th at 3 p. m. in Citizens Cemetery here with the local American Legion Post in charge.

Mr. Taylor died at his home in Houston Monday. He had been a resident of Houston 3 years following his retirement from the Air Corps. He had served 20 years with the armed services. He was a native of Clarendon and made his home here until entering the service.

Survivors include his wife, Mickey; two sons, Eddie and Jack, all of the Houston home; his parents, Mr. and Mrs. June W. Taylor of Clarendon; four sisters, Mrs. June Bray, Mesa, Arizona; Mrs. Madalyn Kelly and Mrs. Jean Range, Shamrock; four brothers, Capt. Ennis Taylor of Washington, D. C., Alfred and Ed, both of Clarendon, and Robert, stationed with the Air Force in England.

Revival To Begin Sept. 6th At Martin Baptist Church

A revival has been scheduled to begin Friday, Sept. 6th at the Martin Baptist Church and will continue thru Sept. 15th with Rev. Porter Arnold of New Mexico as the visiting evangelist. Services will be held at 10 a. m. and 7:30 p. m.

Rev. H. O. Walker, new pastor of the Martin church, is extending a cordial welcome to everyone to come and enjoy these services.

Ministerial Alliance Elects New Officers

The Donley County Ministerial Alliance met in the Methodist Church August 26th with the president, Rev. Conrad Ryan, directing the meeting. Bro. Royce E. Wood, minister of the First Christian Church was elected president and Harry Skaggs, director of music of the First Baptist Church, was elected secretary-treasurer to succeed Paul Wright, who has moved away.

The alliance would like to invite all the ministers of churches in Donley County to be members of the Alliance. Plans were made for the Union Thanksgiving service and details will be announced at a later date.

Those attending were: Royce Wood, Minister, First Christian Church; Rev. Conrad Ryan, pastor, First Methodist Church; Gene Moore, Assistant to the pastor; Rev. J. A. McDonald, pastor, Lelia Lake Methodist Church; Rev. W. F. Vanderburg, pastor, First Baptist Church; and Harry Skaggs, musical director First Baptist Church.

News Copy Needed Early - Please!

Due to an overflow of news coming in much later than it should, a large number of news items had to be left out this week. We make our last press run Wednesday afternoon which consists of four pages. The other pages are printed Monday and Tuesday, therefore our space is limited to only last minute happenings Tuesday and Wednesday morning. Please let us have your news items early in the week so none will be left out.

Pep Squad Holds Organization Meeting

C.H.S. Cheer leaders, Paula Vanderburg, Beth Lamberth, Joann Bennett, Sharon Smith and Glenda Wilson returned from Dallas where they attended the annual Southern Methodist University Cheer Leaders School, bringing with them enough enthusiasm and pep to organize a 50 member pep squad Tuesday night at the end of the first regular school day.

At the organization meeting Tuesday night, held at the Canteen, officers were elected for the school year; Pat Spurgeon, president; Beth Gillham, vice-president; Phyllis Hill, secretary; Elaine Behrens, treasurer; Robbie Lou Johnson, Sgt. at Arms.

Mr. Abel accompanied the Cheer leaders to Dallas and served as counsellor for the boys dormitory during the past week. He and Jack Sims, the new freshman-Sophomore English teacher have been assigned as co-sponsors for the Pep Club, by Mr. Vaughan for the 1957-58 school year.

Mr. Sims met with the Club Tuesday night for the first time and left the meeting at the close with a distinct feeling that the steam generated in this first session leaves no doubt about the progress for the remainder of this season. In his acceptance speech before the club he declared his pleasure and honor at being assigned to sponsor such a wonderful group of youngsters.

BRONCHO MOTHERS TO HOLD OPEN HOUSE

The Broncho Mothers Club is sponsoring an open house at the new Field House located in Broncho Stadium this coming Sunday, September 8th. The open house will be from 3 to 5 p. m. and the public is invited to come and inspect this new installation.

Mr. and Mrs. O. C. Watson attended a family reunion of the Watson family held in the home of Mrs. J. E. Watson at Hobart, Okla. Sunday and Monday.

Revival Preparation Made By First Baptist

The First Baptist Church, Clarendon, is making final preparation for their coming Revival. Tom K. Simms will be with the church beginning Sunday, September 8th through Sunday, September 15th. The church is looking forward to this outstanding sculptor and artist bringing the news of Christ to them in a unique manner. Combined with Harry Skaggs, music director, to make a team that will attract attention in our community. Bro. Van stated that if there were any who had never found complete satisfaction of inner spiritual peace, these days will be a challenge to you to come and give God a chance to speak His message of hope to you.

The church has been in prayer during this week for their individual spiritual needs. This was done that they might be close enough to their Lord that they might show daily growth spiritually.

Everyone who loves the gospel message of God's salvation will want to be present at every service. Those who have never known spiritual hope will want to be regular in attendance at these services.

The services will be at 7:30 each evening and 10:00 each morning except Saturday.

James Howze Receives Teaching Fellowship Appointment

The University of Michigan has confirmed the appointment of James D. Howze to a teaching fellowship in that institution's school of architecture and design.

Jim, who is the son of Mr. and Mrs. J. H. Howze of this city, received his B. A. degree at Austin College in Sherman, Texas. His advanced training and graduate study have been secured at The Art Center School in Los Angeles and at the University of Michigan where he is currently completing training for a Master's degree in design.

Although Jim has held an illustrator's position for the government and worked for advertising agencies in Oklahoma and Michigan; his ultimate goal is in the direction of serious painting and teaching. He plans to leave for Ann Arbor on Monday to resume study and teach a freshman drawing course.

Public Schools Enroll 642

A total of 642 students registered at Clarendon's Public Schools on Monday of this week. The Elementary school (grades 1-5) enrolled 263; the Junior High (grades 5-8) enrolled 149, and the Senior High School enrolled 181. The North Ward Colored school registered 49.

By Grades, in the white schools, the Elementary school registered 61 in the first grade; 58 in the second; 37 in the third; 44 in the fourth and 63 in the fifth. The Junior High had 40 in the sixth; 43 in the seventh and 66 in the eighth. The Senior High School enrolled 52 freshmen, 52 sophomores, 39 juniors and 38 seniors. This total enrollment represents a decrease of 15 students under the beginning enrollment of 657 students last fall.

Riley will probably exhibit one or more Hampshires at each of the shows.

Carl and Howard Talley, Bobby and Gary Longan, James and Gary Mahaffey, Pat Roberson, Harold Lindley, James McAnear, Don Huggins, Dennis Bradshaw, Wayne Mann, Milton Mann, and Ronnie Tyra will exhibit their barrows at each of the fairs. All of the barrows will be exhibited at only the Donley County Fall Pig Show at Clarendon on October 12 and at Dallas the following week, and the larger barrows will be exhibited at the Amarillo and Waco Shows.

Welcome Moisture Covers County

Rain in very beneficial amounts fell over the county last Wednesday night and showers continued through the week end. The moisture came in time to do a lot of good but would have been more valuable a couple or three weeks earlier.

Ashtola received the largest amounts the last two weeks in August with a total of 3.62 being reported by Ben Lovell. 1.62 of this amount fell last Wednesday night. At the same time Willard Knox reported 1.54 at Lelia Lake and J. C. Ashcraft reported 2.40 at Goldston with other gauges in the area showing as much as 3.10 inches.

Around two inches was received south and east of town and the official report for Clarendon was 2.36 Wednesday night to bring the August total to 2.55. Showers Sunday started September off with .36 inch. The high temperature for August was 101 on the 28th and 29th; the low high was 83 on the 5th and the minimum low was 61 on the 18th. The high for September so far was 93 degrees on the 3rd and the low was 60 Tuesday night.

Open House At Country Club Saturday Nite

Saturday evening, Sept. 7th, the Clarendon Country Club will hold another open house for the members and their guests.

Bingo will begin at 7:30 to be followed by dancing. Swimming can be enjoyed at any time during the afternoon and evening. All club members are reminded to bring a picnic supper if desired and enjoy the evening at the club. Members may bring as many guests as they wish.

LITTERBUG NOTICE

The City of Clarendon is spending a good deal of the tax payers money and putting in a lot of time trying to keep the City Park so that the citizens may have a nice place to enjoy.

There are some people who seem to delight in messing up the tables and the grounds with watermelon rinds and other refuse, so that no body can use it after them. We have two trash barrels to put refuse in and the City Commission would appreciate it very much if every one will try to help us to keep it clean. Please don't be a LITTERBUG.

Student Handbooks Issued To High School Students

For the first time in the history of Clarendon High School, the students will have a Student Handbook this year. These handbooks were issued to the students as they enrolled on Monday of this week.

The handbook is a general outline of policies of the school. It includes requirements for graduation, subject placement of courses, a brief description of each course, school bus policies, and other general policies which affect the students and teachers. Students were encouraged to take this booklet home for their parents to read so that parents may help students plan their high school courses and also that parents may know the policies of the school.

Dusters Rained Out; To Try Again Sunday

The second game of the Caprock League Series was rained out here last Sunday afternoon, so the game will be played Sunday afternoon in Duster Park (weather permitting) at 3 o'clock. Rain began falling during the first inning and the field became too slick to continue.

A large number of fans were beginning to arrive about the same time of the shower to help the Dusters win this second game so they could stay in the series and have an opportunity to win the 2 out of 3 game series. Amarillo won the first game 8-7 in a 12 inning battle two weeks ago. Plan to give the Dusters your support Sunday afternoon.

The seven cities of the Greenbelt Municipal and Industrial Water Association voted overwhelming for confirmation of the Greenbelt Municipal Water Authority in elections held Saturday, a report from Association Secretary C. L. Johnson of Hedley, disclosed.

In only two of the towns involved was there any noticeable opposition to the Authority indicated in the vote and it was light. At Paducah the count was 279 for the confirmation and 23 against. Childress which had a light vote, had 12 opposed to the formation of the Authority as compared to 307 for it.

Quannah's vote was 152 for to 7 against; Wellington had 182 for and 2 against; Memphis voters were unanimous with 141 for the Authority. Clarendon and Hedley had a good turnout of voters. We had a total of 185 for to 5 against while Hedley had 142 for and 2 against.

Passing of the confirmation election is the first step toward the possible construction of a dam across the Salt Fork of the Red River near Hedley. Confirmation of the Authority will make possible a complete study of the dam site, the quality and quantity of the water available and all other study necessary.

If it is found feasible to construct a dam at the location, the next step would be the voting of revenue bonds for construction of the dam which has been estimated to cost approximately \$6 1/2 million. Final step would be the voting of water purchase contracts.

Confirmation of the Authority does not bind any city in the district to vote revenue bonds or water purchase contracts. Voters could reject one or both of those issues and would be dropped from the Authority.

J. R. Gillham, local F.F.A. Advisor and Bob Clifford, graduate Animal Husbandry Student at Texas Tech, returned last week from a two week's trip into Iowa and Illinois for the purpose of securing calves and pigs for the local F.F.A. Chapter members to feed for the 1958 spring shows. The two men attended the Illinois and Iowa State Fairs, ten county shows, three regional shows, looked at the cattle in over twenty commercial feedlots, and visited over thirty of the top swine breeding farms in the cornbelt states.

The Carr Brothers, Dean Snyder, C. T. Keene, and Son, Duncan and Smylie, Einfeldt and Hogan, and Jepsen Hampshire Farms were visited and arrangements were made to secure barrows for the spring shows from each of the breeders. Top duroc, Berkshire, spotted Poland China, Yorkshire, Chester white, and Poland China breeders in the two states were visited. Gillham inspected the boar testing station at Ames, Iowa, and attended the tested boar sale at Nevada, Iowa. The two Clarendon men made the trip to secure and make arrangements for securing calves, barrows, and swine breeding stock for the local youths so they may be able to compete in a creditable manner at the leading southwest stock shows. The grand champion boar of a recent National Barrow Show at Austin, Minnesota, was brought back to add to the top breeding stock in Donley County.

The calves secured on the trip will be shown at Fort Worth and Houston Shows. Letters have been received from the secretaries of each of these shows stating that the steers secured by the local youths would be eligible to show in each of these shows.

SOCIAL SECURITY INFORMATION

More than 100 thousand disabled workers have been notified that they received their first checks during August. John R. Sanderson, Manager of the Social Security Office in Amarillo announced today. Most of the checks were delivered August 3, the remainder will be mailed shortly thereafter.

Social security benefit checks for any month are ordinarily delivered on the third of the following month. Because of the large number of disability applications, Sanderson said, it was impossible to get checks out on August 3rd to all those entitled to disability benefits for the month of July.

Those disabled workers whose applications can be approved in the near future will receive their first checks in coming months.

All disabled workers eligible under the law, and whose applications are filed before the end of December 1957, will get benefit payments for the months of July through December of this year. Claimants filing after December 1957 will not receive benefits for any time before the month of application Sanderson added.

To qualify for disability insurance benefits a person must be between 50 and 65 years of age and have a long-lasting disability that prevents him from engaging in substantial activity. The law also provides that disabled persons of any age who meet the disability and work requirements may apply to have their social security records "frozen." When a worker's record is frozen, his own and his family's future benefit rights are protected Mr. Sanderson said.

AUSTIN—Things will be a bit different here and there, beginning this week. Aug. 22 is the effective date for most of the hundreds of new laws passed by the 1957 Legislature.

Scores of new laws will affect what you can and can't do from now on. Examples:

1. Manufacture, sale or use of dangerous fireworks are prohibited.
2. News reporters cannot be barred from precinct, county or state political conventions.
3. Parents will be liable for property destruction by their minor children.
4. Garages must report cars left over 30 days.
5. Dangerous substances, such as poisons, must be labeled.
6. Tuition fees at state colleges, beginning this fall, will be doubled.
7. Voters will have to return to the "scratch" method of marking ballots. No more putting an "x" before the name of the person to be voted for.
8. In future special elections for U. S. Senate or Congressman-at-Large posts, runoffs will have to be held unless one man gets a ma-

majority vote in the first primary. 9. No more combination banking-insurance companies, such as the late U. S. Trust and Guaranty, can be organized.

10. License plates will cost 10 per cent more from now on to provide more money to buy right of way for roads.

NEW AGENCIES TOO

Five new state agencies also enter the scene. Foremost is the new independent securities commission which will supervise both insurance and general securities issues. It combines functions formerly divided between the Secretary of State's office and Insurance Commission.

An adult parole division under the Pardons and Paroles board will set up the state's first paid staff to keep tabs on adults paroled from the penitentiary. It has been long sought as a means of returning more prisoners to useful citizenship.

A Tax Study Commission will oversee an analysis of the state's entire tax structure by the Texas Research League. Could eventually lead to a shifting of tax burdens—new taxes for some, less for others.

Other new agencies are the Texas Council on Migrant Labor and the Texas Historical Survey Commission.

CROPS IMPROVE

Picture looks brighter than expected for Texas' 1957 crops, says the U. S. Dept. of Agriculture.

USDA estimates the state's cotton crop for this year at 3,775,000

bales. It's 4 per cent better than last year and about average for the past 10 years.

Other official crop estimates: wheat, 35 million bushels, a million more than originally expected; corn, 39.2 million bushels, 43 per cent above last year; hay, 2 million tons, second largest crop on record; peanuts, 205 million tons, a 233 per cent increase over last year.

FLU EPIDEMIC SEEN

Texas "almost certainly" will have an epidemic of Asiatic flu this fall and winter, say state health officials.

Basis for this prediction is the laboratory samples of virus obtained from Texas patients by the State Health Department. It's a highly communicable strain, says the department's director, Dr. Henry A. Holle. He advised people to be vaccinated as soon as possible.

But availability of vaccine still is a question mark. Production is being rushed and some cities are setting up priority schedules. Workers performing essential services, such as doctors, nurses, policemen and firemen, will get preference.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

EXAMINING BUREAUCRACY

A special subcommittee of the House Committee on Interstate and Foreign Commerce has been set up during this session of Congress for the purpose of investigating six regulatory com-

missions. These commissions are as follows:

1. Interstate Commerce Commission, created in 1887.
2. Federal Trade Commission, created in 1914.
3. Federal Power Commission, created in 1930.
4. Federal Communications Commission, created in 1934.
5. Securities and Exchange Commission, created in 1934.
6. Civil Aeronautics Board, created in 1938.

These were originally authorized by the Congress as independent regulatory agencies, and although they may appear unrelated in name and in specific purpose, it is pointed out they are very closely related under the common theme of regulatory authority. Two have jurisdiction over carriers (railroads, busses, trucks water carriers pipelines) and are under the Interstate Commerce Commission; air carriers are under the Civil Aeronautics Board.

Two of these agencies regulate utilities—electrical and gas being under the Federal Power Commission; broadcasting, telephone and telegraph are under the Federal Communications Commission.

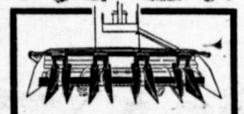

One agency regulates financial activities, such as security exchanges, security issues and holding companies. This is the Security and Exchange Commission.

One agency regulates a special field in industry. It is the Federal Trade Commission which has jurisdiction over trade practices with reference to whether or not they are fair or unfair.

The Subcommittee is called the Legislative Oversight Committee.

and it has a tremendous job to do. These agencies were intended to be arms of the Congress rather than subject to the dictates of the Executive Branch of this government. In other words, they were supposed to be independent agencies to carry out in a fair, unbiased and unprejudiced manner the intent of the Congress in regulatory laws. Regulation, itself, has always been abhorrent to the American, although it is readily recognized that the complexity of our economy requires certain limited regulations in various fields. Under the circumstances, it is of vital importance that the powers vested in these agencies and bureaus be exercised with the greatest of care to insure fairness and equity to all which may fall within their jurisdiction.

Many have felt that some, if not all, of these agencies have

been dominated by the Executive Branch of the government and have fallen into a pattern of yielding to political expediency rather than adhering to the basic concepts upon which they were created. Whether or not such suspicions are true is a question to be answered by the Committee on Legislative Oversight. What the people want is the truth, the whole truth and nothing but the truth on the subject.

about us. We have so many little do-dads and extras, gimmicks, and what have you that add to our comforts in life, but they also add to our cost of living. Take your grocery bill next time that you buy groceries and take from it the things that your mother and dad never bought and see what you have left.

We're not talking against this spending. Don't mis-understand us. It is part of our new way of life and it is so tied in with our economic set-up that we would be afraid for all of us to suddenly try and stop our rate of spending. Hidden in everything we buy is someone's pay check. Not too well hidden sometimes but always there is a large tax. Our government is spending in the same proportion we are and it has to have the tax. In fact, we shudder to think what would happen if we stopped government spending. Think for a moment if payrolls should be cut in half. If one percent of the interest rate controls inflation what would happen if just the one item of installment buying was suddenly stopped. It's something to think about. We have both ourselves and our government head over heels in debt, and looks like we must try and spend our way out.

All that you have to do to entertain certain folks is to sit and listen to them. If you think this sounds easy just try it out on someone. Honestly, if you're like myself before long you are just busting for him to entertain us

by “Just listening to us for a spell.”

Sometimes we would do a much better job of preaching just by holding our tongue. Some of the finest examples we have known were lived, not told to us. It's so easy to want to be like our favorite person that we watch day after day and feel that he makes the right decisions and does right at the right time. By the same token if someone is always giving out advice and we can see things just as bad showing through the windows we soon lose interest in the one we are following.

Read the following someplace; “Women can keep a secret just as well as men but sometimes it takes more of them to do it.”

We hear a lot of discussion on the above subject and it makes us wonder. Do men gossip just as much as women? I mean honestly. For the best answer we will give a small prize. We, being the sole judge of which is the best. Write us what you think and if we think that you are thinking the things we think are pretty good thinking on the subject we will send you some little token which we think you would think was good thinking on the part of our thinker.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Cover crop planting time is here. The planting of a cover crop to protect his land through the blow season is one of the most important things the operator of a sandy-land farm can do—if he is interested in keeping his farm at home. Through the years rye has proven the most dependable, winter grown protection for the soil and there has been very few years when a stand and growth were not obtained if planted before October 1st.

Where irrigation is available, or if favorable moisture conditions develop, planting a mixture of Hairy vetch and rye, or Austrian winter peas and rye will likely prove more beneficial to the soil than rye planted alone.

More and more farmers are realizing the need to plant soil improving crops which will replace the organic matter used from the soil over many years of cropping. One of these whose Conservation Plan with the District includes cover cropping and

Conservation Crop Rotation is B. T. Spear from the Martin Community. Mr. Spear drilled an irrigation well and is now one of the District's irrigation farmers. This has delayed him somewhat in establishing his Conservation Plan, but will allow him to do a better job as time goes on. This fall Mr. Spear plans to drill rye (or perhaps a rye-legume mixture) cover crop on land from which he will harvest cane. He may also drill rye in his cotton land following harvest. Next year he plans to plant a strip crop pattern of 4 rows cotton—one blank—2 rows of guar, or other legume—blank row—4 rows of cotton. Hail Hardin has followed this strip crop pattern on much of his land the past two years and is convinced that it is profitable. Also this allows the farmer to plant early a legume-rye mixture

in the 4 rows left out and thus obtain more growth. Then after the cotton is harvested, the cotton strips can be planted. The following year these strips can be rotated and thus establish a good crop rotation pattern.

Cost sharing on both rye seeding and legume seeding is available through the ASC office. For more detailed information, con-

tact the Soil Conservation Service Office in Clarendon, assisting the Donley Soil Conservation District.

First words spoken over the telephone were, “Watson, come here; I want you,” spoken by Alexander Graham Bell to his assistant.

This calling Card may be the most important introduction in your whole life.

No man feels that disaster will ever strike him. It is human nature to say "It can't happen to me". How wrong this statement can be --- in the next 24 hours you may be involved in an automobile accident --- lose your house by fire, or be struck by sudden illness in the family! The terrific back-breaking cost of any of these tragedies can put you in debt for the rest of your life. But "Think of it"! A little, low cost insurance can safeguard your future. Let us show you how!

Knox-Wallace Nuptials Solemnized In Church Ceremony

In a double-ring ceremony at 6:00 o'clock Saturday evening, August 31, in the First Baptist Church, Miss Patricia Ann Knox of Lubbock, daughter of Mr. and Mrs. Van S. Knox, Clarendon, Texas, became the bride of Mr. Glenn Franklin Wallace of Lubbock, son of Mr. and Mrs. L. L. Wallace, also of Clarendon.

The Rev. Frank O. Baugh of Shawnee, Oklahoma read the service. Baskets of white gladioli, flanked by candelabra and backed by emerald palms, decorated the altar. Candles were lighted by Terry Moore, nephew of the bride, and Loran Wayne Biggs, cousin of the bridegroom.

Mrs. Bill Williams, organist, played traditional nuptial selections and accompanied Miss Nedra Hodge, who sang "The Lord's Prayer," and "Whither Thou Goest."

Maid of honor was Miss Beth Finch and bridesmaids were Mrs. L. P. Moore, Merkel, Texas, sister of the bride, and Mrs. Robert Mills. Mary Jeanette Baugh, niece of the bride, was a junior bridesmaid. They wore ballerina length dresses of pastel blue satin and carried nosegays of white gladiolus.

Flower girls were Becky Baugh and Ginger Denny, nieces of the bride. Miss Frances Wallace, sister of the bridegroom, registered

the guests at the wedding. Montye Smith of Amarillo was best man and groomsmen were Foster Parker of Lubbock, and Jerald Bell of Sundown. Serving as ushers were Bobby Twaddell of Austin and Richard Lathem of Brownfield. Ringbearer was Knox Denny, nephew of the bride.

Given in marriage by her father, the bride was attired in a gown of white French lace and pleated tulle over net and satin, designed with a high neckline framed with a small collar embroidered with iridescent sequins and seed pearls. The fitted bodice had a yoke enhanced with appliqued lace and long tapered sleeves. Tiers of scalloped lace and pleated tulle formed the billowing skirt, which was topped by a cut-away skirt of lace and terminating in a graceful train. Her finger-tip veil of tulle was attached to a scalloped lace cap studded with sequins and pearls. She carried a colonial bouquet of white roses.

Mrs. Knox, mother of the bride, wore a soldier blue crepe dress with navy accessories. Mrs. Wallace, the groom's mother, chose a gray dress of imported cotton and silk with black accessories. Mrs. D. W. Tomlinson, the bride's godmother, wore royal blue with white accessories. All three wore corsages of white roses.

Following the ceremony, the bridal party was honored at a reception in the church parlor. Garlands of plumose fern and white roses decorated the serving table. Assisting with the houseparty were Mesdames L. N. Cox, P. C. Messer, C. B. Morris, Bert Smith, and Elbon Naylor. Presiding at the table were Misses Margaret Cushing and Harlene Smith. Mrs. Williams played piano selections during the receiving hours.

After a wedding trip to Colorado Springs, Colo., the couple will be at home September 9, at 1004 Ave. X, Lubbock, Texas. For traveling the bride chose a blue taffeta princess dress trimmed with white lace, and blue and white accessories.

MRS. GLENN FRANKLIN WALLACE

Mrs. Wallace was graduated from Clarendon High School. She is a freshman at Texas Technological College, Lubbock. The bridegroom, also a graduate of Clarendon High School, attended Clarendon Junior College, and is a senior student at Texas Tech.

Among the out-of-town guests attending the wedding were Mr. and Mrs. A. A. Holland, Mrs. J. P. Reynolds, Mrs. Frank Bird, Mr. and Mrs. E. T. Naylor, and Bill Naylor, all of Amarillo; Mr. and Mrs. Ted Tomlinson, Mrs. D. W. Tomlinson, and Mr. and Mrs.

Foster Parker of Lubbock; Mr. and Mrs. J. L. Naylor and Ben. Mrs. Jim Biggs and Loran Wayne of Panhandle; Mr. and Mrs. Alva Simmons, Hedley; Mr. and Mrs. L. P. Moore and children, Merkel, Texas; Mrs. Otis Denny and children of Santa Cruz, N. Mex.; Rev. and Mrs. Frank Baugh and children of Shawnee, Okla.

BETROTHAL ANNOUNCED

Mr. and Mrs. Bill Click, Hobbs, New Mexico, announce the engagement and approaching marriage of their daughter, Charlotte, to Mr. Rex Harris, Dallas, Texas, son of Rev. and Mrs. Watson Harris of Clarendon.

The wedding is planned for September 7th.

Shower Fetes Bride-Elect

A miscellaneous shower honoring Miss Harlene Smith, bride-elect of Clifton Phillips, was given at Patching Club House Thursday afternoon, August 29. Receiving hours were from 4:00 p. m. to 5:30 p. m. Garden flowers decorated the entertaining rooms. A bouquet of white, purple, and orchid asters marked the mantle.

Guests were greeted by Mrs. C. Huffman and presented to the honoree, her mother, Mrs. Bert Smith, and the groom-elect's mother, Mrs. Stella Phillips. Alternating at the registrar were Misses Nedra Hodge and Nadine Murphy, Misses Beth Gillham and Dianne Moore provided the musical background for the afternoon.

Refreshments were served from a table laid with a white linen cloth. Centering the table was a miniature bird cage with two purple lovebirds surrounded by white carnations, purple and orchid asters and English ivy. Individual cakes decorated with orchid rosettes were served by Misses Edna Beth Finch and Joyce Eddings. Miss Ellen Murphy dispensed the tinted punch from the crystal service.

Miss Smith received many lovely and useful gifts.

Hostesses for the courtesies were Mesdames G. W. Estlack, F. O. Hodge, A. D. Estlack, Edna Smith, C. Huffman, L. L. Wallace, George Thompson, Harold Graham, Doyce Graham, W. F. Vanderburg, W. H. Skelton, Homer Estlack, Hall Hardin, J. R. Allen, Pete Darnell, Grady Henson, and Misses Edgar Mae and Mabel Mongole.

Recent visitors in the home of Mr. and Mrs. Gene Hester were Mr. and Mrs. Raymond Rutherford of San Antonio, Mr. and Mrs. Rogers Hester and family and Mr. and Mrs. John Hester and family of Amarillo.

CLUB HOUSE BOARD MEETS

The Patching Club House Board met September 2nd for the election of officers. Officers elected were as follows: Mrs. Frankie Henson, President; Mrs. John Goldston, Vice-president; Mrs. Tommie Saye, Secretary; and Mrs. Jack Gray, Treasurer.

The board is made up of all the presidents and vice-presidents of the clubs that are members of the club house.

The treasurers report for the year showed an account of \$449; \$366.30 income for the year; expense of \$591.55; with a present bank account of \$223.75.

The accomplishments of the board for the year were paving the walk on street in front and up to the Club House at a cost of \$215.19; the purchasing of 4 card

tables, 15 silver knives, 4 silver serving spoons to replenish the silver; paid the insurance for a three year period at \$260; and miscellaneous things for the upkeep of the Club House.

Mr. and Mrs. George Benson donated \$100 on the paving project. Mrs. Benson, who was the out-going president, made a gift of a large spotlight floor lamp to the club. \$591.55 was spent on these and yard work, utilities and upkeep of the club rooms.

Mr. McMurtry, the one man on the permanent board had charge of the paving. He gave freely his time and knowledge, for which every member thanks him.

GABIE BETTS BURTON
LIBRARY NOTES

By May L. Prewitt

The Library Guild book for the month is, "The Moon By Night" by Lady Joy Packer. The setting is in Africa. She has written several novels but we do not possess any of them.

"The Turn of the Tide" is a history of the war years based on the diaries of Field-Marshal Lord Allenby, Chief of Imperial General Staff. This is a book of more than 600 pages. It was dedicated to Mrs. Joe Goldston's memory.

An adventure book, "Elmer Keith's Big Game Hunting," by Elmer Keith himself is well illustrated. These books of adventure are given to the Library by a patron of the book club that issues only this type of book. We are happy to receive them.

Our other features are the September issues of the periodicals. They are very interesting in appearance.

Our funds have been, and now, are below our keep expenses. Two friends have contributed \$5.00 each. This has been helpful. Our Library does not have any income to speak of and donations from clubs and friends have not been as was in the past. We have to have supplies and reading material to maintain a Library.

HEDLEY NEWS

Mrs. Paul Duncan

First Baptist Church

The First Baptist Church in a called conference Sunday night voted for the building committee to go ahead with plans that were submitted to the church. The new building will have masonry walls with color crete veneer on outside. The inside will be finished with Gothic type structure in natural wood colors. It will be air conditioned and heated from a central unit. The contractors are bringing in bids. We hope to see some activity in the church vicinity in the near future.

FARM NEWS

from the County ASC Committee

COTTON

Our cotton farms have all been measured, and we wish to express our thanks to all producers for their help in any way to our crop reporters.

WOOL PROGRAM

Farmers are reminded again to file their sales receipts on 1957 wool and lamb sales. Any wool sold from May 1, 1957 through April 30, 1957 is eligible for payment under the 1957 program.

SOIL BANK

Crops that make up the Soil Bank Base are cotton, peanuts, wheat, oats, grain sorghums barley and rye harvested. These crops grown in 1956 and 1957 will be used in establishing the Soil Bank Base.

WHEAT ACREAGE RESERVE

We are now setting up Wheat Acreage. The signing of Wheat Acreage Reserve Contracts is from August 26, to October 4, 1957. The program will be on "first come, first serve" basis, and a producer may place his entire allotment in the reserve so long as funds are available.

WINTER LEGUMES

Austrian Winter Peas or Hairy Vetch planted in the fall for winter protection from wind erosion is one of the practices offered under regular ACP. A good stand and growth must be obtained in sufficient time to protect the area in the fall and winter, and a nurse crop of rye is recommended when seeding sandy cropland.

GRAIN SORGHUM LOANS

Loans are available in Donley County to farmers for eligible grain sorghums produced in the County and stored in an approved warehouse. The support price for 1957 grain sorghum produced in Donley County is \$1.73 per hundred.

Mr. and Mrs. S. T. Jones and family of Roscoe, Texas visited a few days last week with Mr. and Mrs. F. E. Caraway, Mr. and Mrs. D. S. Smith and other relatives. Mr. Jones is a nephew of Mrs. Caraway and Mrs. Smith.

Elder and Mrs. Joe Spradlin and son of Lamesa visited the latter part of last week with his parents, Mr. and Mrs. Sam Spradlin. Spradlin is pastor of the Glendale church there.

Mr. and Mrs. Jim McKee of San Antonio visited Sunday evening in the home of Mr. and Mrs. G. W. Estlack.

Patsy Hill of Dodge City, Kan. has been a guest in the home of Mr. and Mrs. R. C. Hill the past two weeks.

Lelia Lake School Reunion To Be Annual Affair

About one hundred guests registered at the Lelia Lake school Saturday evening when the ex-students and ex-teachers gathered for a reunion. They voted to make it an annual affair, the Saturday evening before Labor Day each year.

After a welcome address by J. H. Spires and group singing, the following officers were elected: R. E. Drennan, president; Mrs. Wilma Batson, vice-president; Mrs. Rachel Butler, secretary, and Mrs. Elba Ballew, treasurer.

Many introductions were made and a member of the class of 1903, Elba Ballew, was present. After the business meeting, Mr. and Mrs. Gene Moore, accompanied by Mrs. Marilyn Hill, sang two numbers.

Students and teachers came from Cohoma, Austin, Tulia, Amarillo, Anton, Hedley, Lubbock, Hale Center and many other places.
