LOCAL CROPS SUFFER BIG LOSS FROM WIND, HAIL AND RAIN

The Donley County cotton crop will definitely be very short this year as wind, dirt, hail and rain took a big toll in acreage this past week. First, the cotton was heavily damaged by blowing dirt and static electricity, then came the rain and hail that put the finishing touch to thousands of acres. The heaviest damage by hail was west of Ashtola and southwest of Clarendon. A number of farmers had replanted their cotton after the big blow and a whole lot of it was so small the heavy rain covered it up. Farmers that are able to get into their fields are busy putting their cotton land in feed with hopes that it will have time to make, barring further weather destruction.

Rain reported here for July was .21 on the 2nd; 1.91 on the 3rd; .54 on the 4th; 1.43 on the 5th and .31 on the 6th for a total of 4.40. Mrs. Hatley at the Country Club reported .15 on the 2nd; 2.15 on the 3rd; 1.30 on the 5th and 1.48 on the 6th for a total of 5.08. Mrs. Willard Knox at Lelia Lake reported a total of 4.65 for the spell and a total of 19 inches for the year so far. Ben Lovell's gauge at Ashtola caught a total of 5.95 for the period July 2nd thru the 6th.

Girl Scouts Troop II To Fine Jay Walkers

The Girl Scouts of Troop II will be on the alert Saturday, July 12, from 9 a. m. to 5 p. m. for "Jay Walkers." This is a drive by the girls to raise money for their organization. The girls will wear badges as identification.

This troop is made up of twenty local girls ages 10-14. They are sponsored by the Lions Club. Mrs. Clyde Gilbreth and Mrs. F. W. Bourland are the leaders. Mrs. Velma Weaver, Mr. Bill Williams, Mr. Jack Davis and Mrs. H. A. Green make up the troop advisory committee.

This troop was organized May 3rd. The troop has met regularly since that time and they are working to complete their Tenderfoot requirements.

If you "Jay Walk" Saturday be prepared to meet up with one of these girls and pay your fine.

County Agent Warns Farmers To Watch For Cotton Insects

Cotton farmers should be on the constant watch for cotton insects says County Agent H. M. Breedlove with recent rains and the weather turning warm again there might be a hatch of leaf worms worth watching. Sprays to use for the control of grasshoppers, thrips and fleahoppers at this early stage of cotton growth is aldrin at the rate of one quart per acre or toxaphene at the rate of one quart per acre. The above poisons in water as a spray with about forty pounds of pressure and do not apply when the temperature is over seventy five degrees or the wind above twelve miles per hour. Breedlove said that when the cotton reaches its late season growth and other insects make their appearance then other types of poisons will be used. This is merely a warning to keep an open eye on your cotton and do not let the insect get the jump on you. To date very few insects other than the grasshopper has made their appearance in local cotton fields.

Little League To Play Phillips Here Tonight

Waylan Newman, one of the Little League Managers, announced yesterday that a game had been set between the local Little League team and the Little League team from Phillips, Texas tonight at the Little League Park which is located near Jr. High School. The game will begin at 7:30 p. m.

At present we have two Little League teams here but the players for the game tonight will be selected from both teams to muster the greater strength in an effort to cope with the high rated Phillips team.

Everyone is invited to come out and see these young fellows play tonight in their new suits. If you haven't watched them play, you have really been missing some real entertainment as these Little Leaguers really hustle.

Dr. John Paul Schulze Joins Hospital Staff Here

Dr. John Paul Schulze has joined the staff of Adair Hospital, and will be associated in practice with Dr. George W. Smith and Dr. J. William Jones.

He has already moved his family to Clarendon and they are residing in the Hayter place at the corner of 6th and Carhart streets. Dr. and Mrs. Schulze have three children, Cynthia, Paula, and John.

Dr. Schulze is a native of Cotulla, Texas. He is a graduate of Southwestern University at Georgetown and his M. D. degree was awarded by University of Texas, Southwestern Medical School. Dr. Schulze formerly served on the house staff of Methodist Hospital in Dallas. For the past two years he has served as a flight surgeon in the Air Force.

Services Held Sunday For Parks Mitcham

Funeral services for Parks Mitcham, 90, retired Hall County farmer, were held Sunday at the Spicer Funeral Chapel at Memphis with Rev. David W. Binkley, pastor of the Methodist Church officiating. Burial was in Fairview Cemetery at Memphis with arrangements under the direction of Spicer Funeral Home.

Mr. Mitcham, who had made his home here the past 3 years with a daughter, Mrs. Ermine Blair, died at the Blair home July 3rd. He was born July 3, 1868 in Georgia.

Survivors are one son, Robert Mitcham of Memphis; four daughters, Mrs. Bertha Terry of Yakima, Wash., Mrs. Frankie Vawter of Los Angeles, Calif., Mrs. Demia Easley of Gardena, Calif., and Mrs. Ermine Blair of Clarendon; 16 grandchildren and 31 great grandchildren.

Pallbearers were Leonard Wilson, M. A. Trussell, G. W. Bradshaw, Buster Emmons, Clyde Butler, and A. H. Moore.

First Christian Church Bible School Set For August 4-8

Royce E. Wood, Minister would like to give this early invitation to all the boys and girls in this community to mark August 4th through the 8th on their calendars. This is the week First Christian Church will be holding their yearly Vacation Bible School. The theme this year is "We Worship the Lord". The school will be in session each morning from 8:30 to 11:00. The time will be filled with Bible Study, Handicraft, Recreation and Refreshment. Mrs. John Hon will again direct the School this year. Make plans now to attend every morning, he added.

Old Timers Enjoy Annual Gathering

We had a large number of Old Timers to register and according to the visiting and other indications, they all had a wonderful time here the fourth, stated Ernest Kent, who was in charge of this portion of the program.

He reported that Mrs. Lena Antrobus took the honors for being the oldest person in attendance; W. W. Taylor had lived in Donley County the most number of years and Mrs. M. L. Putman had the largest family. Mrs. Frances Cooke Forrest of El Paso was registered as coming the greatest distance.

FIDDLERS SPLIT PRIZE MONEY

Ernest Kent reported that only two fiddlers entered the Old Fiddlers Contest here the fourth so the prize money was split between them. The fiddlers that furnished the fine music and had a large audience on main street late in the afternoon were Ray David and Jack Pritchard.

Mrs. C. G. Speed is reported improving satisfactorily following a light stroke Friday.

Guest Speaker

DR. CARL BATES

Amarillo Pastor To Speak For First Baptist

Featured speaker for the Loyalty Dinner, July 10, will be Dr. Carl Bates, pastor of the First Baptist Church, Amarillo, Texas. T. Weldon Goar will lead the congregational singing. Both men are well known and loved in this area. Dr. Bates is familiar to all because of the services conducted from the First Baptist Church, Amarillo, each Sunday morning over a television station from Amarillo. Bro. Goar is well known due to his long and fruitful service while in our community as the Music and Educational Director of the local First Baptist Church.

It looks now as if more than 300 will be on hand at 7:30 tonight for First Baptist's largest congregational dinner at the American Legion Hall. This is in addition to 90 children eight and under for the children's party and nurseries at the church.

It is to be remembered that families of the church and Sunday school members, as well as the members themselves, are invited.

Three things will impress those attending the dinner. First, attractiveness. The tables will be beautifully decorated, and the budget promotion committee has set the big report boards to form a backdrop for the speaker's table.

Second, the food. A caterer is to serve the best. None of our ladies will serve or clear the tables.

Third, the fellowship. We are praying this will be a high spiritual hour. The testimonies, special music, Dr. Bates message—all will sound a spiritual note and give stewardship its rightful place at the heart of our Christian faith. —Publicity Com.

Only 22 Votes Cast In School Election Monday

A total of 22 votes were cast in the Clarendon Consolidated Independent School District Bond Assumption election held here Monday. The issue carried with 21 votes cast in favor of the issue and one vote against.

The election was called following the consolidation of the Clarendon and Ashtola districts.

SISTER OF LOCAL MAN DIES AT TEMPLE

Funeral services were held Monday for Mrs. C. E. Skelton, 73, sister of L. H. Skelton of this city and mother of Democratic National Committeeman for Texas, Byron Skelton. Mrs. Skelton died Sunday in a Temple hospital. She was a native of Bell County and had lived in Temple since 1933.

Mr. and Mrs. Skelton were called to Temple the latter part of last week due to her illness and remained there for services.

Breedlove Expresses Thanks To Helpers And Donors

Approximately seven thousand people were fed on the Fourth of July says County Agent H. M. Breedlove, who was in charge of the barbecuing and feeding program. Breedlove says that he wishes to thank all people who helped in any way with the barbecuing and feeding of the crowd. The captains of the feeding lines did a wonderful job in feeding the crowd and Mr. Drennan did his usual good job in directing people to the feeding lines. Breedlove especially thanks his crew of men who helped barbecue and stayed in the rain all night to get the meat cooked. We all had a big time, rain and all, he added. This was one of the biggest crowds ever fed in Donley County. The ranchers and business men furnished the meat and business firms and individuals furnished the trimmings. The bread was donated by Meads Bread Co., Fresh Bread Co. and Cook Book Bread Co. They do this each year and we owe a big thanks to these companies. Gunn Bros. donated the beans and have also done this for the past few years. J. B. Melton and his crew did his usual fine job with the beans and peaches.

Dusters To Play Umbarger Sunday

The Clarendon Dusters will journey to Umbarger this coming Sunday for their next ball game, weather permitting. The Dusters lost to Umbarger 7-5 in their first game which was a 12 inning affair. They hope to be on the other side of the score card this time. Their game with Nazareth which was supposed to be played here last Sunday was postponed until a later date. Duster park was under water. In fact practically all playing fields in the league were too wet for play.

Thousands of Visitors Attend Annual Celebration Here July Fourth

President of Association Expresses Appreciation

After the last of clod of mud had settled, Bob Head, president of the Outdoor Entertainment Association, stated that he had one of the best working groups to ever put on a celebration here. He expressed his appreciation for all the free labor donated at the Rodeo which included the men in the arena, at the gates, parking cars, etc.; also all those who assisted Breedlove and Melton with the cooking and serving and all other chores that went along with putting on a real celebration.

The work was doubly hard this year on account of the weather but these folks stayed in there and finished their jobs in grand style, Head added.

He expressed appreciation also to the donors of beef and other food, the saddles, luggage, buckles, levi's, P. A. System, etc.

In order that we may clear up the business end of our celebration, would all who have bills of any nature against the Association, please get them in right away. Mail them to K. D. Vaughan, Secretary, Clarendon, Texas.

Lee Ellen Bell Named Rodeo Queen

Miss Lee Ellen Bell, daughter of Mr. and Mrs. Lee Bell, received the most votes in the Queen contest and other than the honor, received a three piece set of ladies luggage. Her total vote was 4,939. Next in line was Linda Hardin with 4,849 votes. She received two pieces of ladies luggage. Third place winner was Beth Lamberth with 3,545 votes and she received one piece of luggage.

Other contestants were Ann Word, Vicki McAnear, Jo Ann Wood, Ellen Murphy, Jackie McClellan, Wilma Mann, and Betty Graham.

Parade Winners Announced

One of the largest crowds ever witnessed here was on hand for the western parade that moved south on main street at one o'clock the afternoon of the Fourth. Sidewalks were jam-packed along main street and also along Sully street.

Winners of the Chamber of Commerce Float Contest were: Beta Sigma Phi—Mu Gamma Sorority, 1st; the Brownie Troop, 2nd, and the Girl Scout float third.

Clarendon was filled to the brim again last Friday, July 4th when visitors from all parts of the Panhandle gathered here for the annual celebration.

Everyone could tell the crowd was here when the time came for the serving of the free barbecue. It was estimated that seven thousand were served during the noon hour. Flip Breedlove and his crew did an excellent job with the barbecuing even though they had to work thru a down-pour of rain a big portion of the night before the meat was taken off the pits. J. B. Melton and his helpers did an excellent job with the beans and peaches.

Following the barbecue, thousands lined main street to see the western parade.

The first performance of the Rodeo was rained out Thursday night but a big crowd was on hand for the afternoon performance July 4th. Another good crowd was present for the night show also which was interrupted by several downpours of rain.

More rain Saturday morning cancelled out an added performance Saturday afternoon and a free performance was given Saturday night. The last performance was held Sunday afternoon. This performance was compulsory as the full number of performances had to be run off to be able to declare winners in the various events.

Services Set Today For J. K. Morton

Funeral Services for James Kelsey Morton have been set for 11 a. m. this morning at Blackburn-Shaw Funeral Chapel in Amarillo with Rev. Mack A. McCoy and Rev. Kennedy officiating. Graveside services will be held here at 3 o'clock with burial in Citizens Cemetery.

Mr. Morton, 79, a retired lumberman, died Tuesday in Amarillo. He had been a resident of Amarillo 11 years. Prior to that time he had been a resident of Donley County 41 years and was manager of the Foxworth-Galbraith Lumber Co. at Lelia Lake and Clarendon for 30 years.

Survivors include his wife, Mrs. J. K. Morton of Amarillo; two sons, Claude Morton of Amarillo and James Morton of Kansas; one daughter, Mrs. Wilton Grounds of Clovis, N. M.; one brother, W. W. Morton of Versailles, Mo.; six grandchildren and five great-grandchildren.

Pallbearers will be Bob Morton, Neal and David Grounds, Kenneth Brown, Jerry and Forrest Morton.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

THE FARM BILL

The Agriculture Committee of the House of Representatives last week voted out an omnibus farm bill that undertook to solve some of the dilemmas which have plagued the agricultural segment of our economy. It was a highly controversial measure. In fact, during the committee hearings all of the Republicans, except one, walked out of the hearing room at one point in protest to the measure. Nevertheless, the bill was voted out with approval and was sent to the Rules Committee.

The Rules Committee is sometimes called the Legislative Traffic Cop Committee. This Committee passes upon the manner in which legislation is to be presented to the House, the length of debate and other procedural matters. The controversy concerning the farm bill was, of course, renewed in the Rules Committee; however, it was voted out of the Rules Committee by a resolution authorizing the House to debate the measure for 5 hours. This Resolution was subject to debate, and the question was whether or not the House would adopt the Resolution and thereby clear the way for consideration of the farm

bill. Tempers ran high, and there was much oratory. The matter was approached on a partisan basis, and it soon developed that the vote would be along Party lines. When the time came to vote on the Resolution, it appeared that it would be very close. Had the Resolution been adopted, we could have considered the farm bill and it probably would have passed. However, the Republican Members of Congress, almost without exception, voted against the Resolution, which was a vote against the farm bill. There was a split in the Democratic Party. A number of the Representatives from the big cities forsook the farm bloc and voted against the Resolution. This, of course, swung the pendulum against the farmers, and the result was that we lost the Resolution by approximately 40 votes.

Mr. Benson, the Secretary of Agriculture, had attacked the bill as an "economic monstrosity" and had stated that if the bill was taken up and considered by the House, it would probably ruin his trip to Russia this year. Admitted, there were some rough spots

in the bill. These rough spots could have been cured by amendments, and the indications were that such amendments would be offered and adopted. The matter that concerned me was why so many Members did not want to debate the bill. It could have been debated and those who were not satisfied could have voted against it on final passage.

However, what happened was that we were cut off from even presenting the agricultural side of the picture. To me, this was not in keeping with what should have been done.

Let us hope that legislation

One of our more recent thrills was when we got to visit with the 25 foreign students when recently this group visited in the Fairview Community. They were guests of the Fairview Rural Neighborhood Group and the Newton Harrell Ranch. This was

a wonderful example of World cooperation in action and these visitors from foreign lands could not have picked a more wonderful place to visit than with this community and with Mr. and Mrs. Newton Harrell and their friendly and genial son Ed along with his gracious and charming wife. We loved the wonderful afternoon so very much. Thanks to all of you.

We also enjoyed the 4th of July. What with so many good things happening to us. First, a holiday. I guess everyone likes that. Then, my brotherinlaw who used to send me BEANS for the winter months came by. He stayed all night with me the quickest

that we have ever seen happen. They arrived at 3:15 A. M. and left soon after a late breakfast. How could I complain over a short visit like that; only he didn't bring me any beans. After that a good and wonderful visit with the folks around Clarendon and incidentally we enjoyed a good serving of their free barbecue. We met several new friends who have been regular readers of our column for several years. This always gives us a thrill. Keep inviting us back, will you please. Winding up the day with a visit with our children and witnessing the big Globe News fire works display. Even though we got scared of the rain and ran, this show is something, especially for

we youngsters. Do it again please Mr. King and others.

"Success comes in CANS, but failures always comes in CAN-TS."

Would you like to write to a person who is shut-in? If so drop us a line and we will send you a name that would seem to make a good pen pal. If you would like to receive a real blessing try to give away a bit of cheer and happiness to some one who is sick or crippled. It will amaze you how very very many times they have much more to give right back to you. Somehow we believe that God reserved some of His kindest and most loving and wonderful hearts to give to those who have to bear some physical handicap through life. June was shut-in month and we hope you visited someone during this month.

Recently the alcohol advertising bill promoted by Senator Langer came up for a hearing in the U. S. Senate. Many church leaders testified and many Christians wrote letters. I hope that you did. If we could just stop the lies from being fed to our young folks we would be making a wonderful gain. But we have one hope that is not so dim and that is that our young people are too smart for this propaganda. Anyway, if you are under 21 and have resolved in your heart never to believe the lies in the liquor ads please drop us a letter giving us your name and address. We think that your letters would be helpful to we adults. Tell us if we could use your letter if we thought it might be helpful. Will you do this please?

Notice of Election

Whereas the petition for the organization of the Hall and Donley Counties Water Control and Improvement District No. One, was on May 26, 1958 duly granted by the State Board of Water Engineers; and

Whereas the directors thereof have qualified by giving bond and taking the oath of office, as required by law and at its first regular meeting held on July 3, 1958 said board of directors duly passed and entered the following order, to-wit:

It is ordered by the board of directors of the Hall and Donley Counties Water Control and Improvement District No. One, that an election be held on the 2nd day of August, 1958 at the gin office in Lesley, Texas in said district for the purpose of voting upon whether or not said district shall be confirmed and for the election of five directors.

Said district is described by metes and bounds in an order recorded respectively in Volume 1, page 5, Water Control and Improvement Records of Hall County, Texas, and in Volume 109, page 561, of the Deed Records of Donley County, Texas, which records are here referred to for a metes and bounds description of said district.

That the polls shall be opened for such election at the Lesley, Texas, gin office, in said district, and QUILLA CLARK, MERLE LEMONS, DOYLE HALL AND WORLEY HUGHES being proper persons therefor, they are hereby appointed presiding judge, assistant judge, and clerks, respectively, of said election.

No person shall vote at said election unless he is a qualified

voter under the constitution and laws of Texas and unless he is a resident property tax paying voter in said district. All votes of such election shall be by ballot. Voters favoring the confirmation of the district shall place upon their ballots the words "For Confirmation of the District" and those opposed, the words "Against Confirmation of the District". Voters shall vote for five directors, voting for any of the five whose names are printed on the ballot, or crossing out any of the names printed thereon and writing in lieu of the name or names marked out, any other qualified person or persons.

Said election shall be conducted and held in accordance with the laws of Texas for the holding of general elections for State and County officers, except as herein otherwise provided.

On or before five days after such election the persons holding such election shall make in triplicate due returns of all the votes cast, one copy being retained by the presiding judge, one copy delivered to the president of the district and one copy delivered to the secretary of said district.

Public notice of this order shall be given by publication of a copy hereof, once a week, for three consecutive weeks in a newspaper of general circulation published in each of the counties in which said district is located, the first publication shall be, at least

twenty-one days prior to election and not more than thirty five days prior thereto.

By order of the board of directors of the Hall and Donley Counties Water Control and Improvement District No. One.

HEDLEY NEWS

Mrs. Paul Duncan

Mr. and Mrs. J. S. Hinds and Nancy spent the week in Abilene where Mrs. Hinds attended the Workshop of the McGuffey Reading. Nancy attended the MYF Assembly while there.

Mrs. Roy Jewell went to Colo. Springs first of the week. Susan Hopson returned home after visiting here.

Mrs. Pat Patterson and son of Ropesville are visiting the lady's parents, Mr. and Mrs. Jap Shaw.

Mr. and Mrs. Jay Nagles of Dalhart announce the arrival of a fine little son Chas. Evans. He is the first great grandchild of Mr. and Mrs. John Dickson. Mrs. Nagles will be remembered in Hedley as Dixie Quisenberry.

Mrs. Armstrong Passes Away

Mrs. Mamie Armstrong, formerly of Hedley passed away at the home of her daughter, Mrs. Beulah Gregg in Bridgeport, Texas July 1st after a lengthy illness.

Aunt Mamie as she was affectionately called by her many friends was 83 years. Her life was filled with love and service for others. She was a devout Christian. The night was never too dark or cold for her to go to those in need of help. Her useful life has helped many to live a better life.

Funeral services were held in McLean, her former home from the Methodist Church with Dr. E. D. Landreth of Amarillo, her former pastor in charge, assisted by Rev. Terry of McLean.

Surviving are six children: four sons, Travis Armstrong, Joyce Armstrong, Wendell Armstrong, all of California; two daughters, Mrs. Beulah Gregg of Bridgeport, Texas, Mrs. Loraine Bailey of McLean; a number of grand children and great grand children; one brother Mr. John Bruer and a host of friends.

Attending the service from Hedley were Mr. and Mrs. Roy Jewell, Mesdames John Blankenship, W. I. Rains, Paul Duncan and Lionel Blankenship.

Luncheon

The Hedley Garden Club met in the Lion Den July 1st. Members and guests enjoyed a one o'clock luncheon. Mrs. Francis Hinds gave the invocation.

Delicious food was enjoyed along with visiting. Later Mesdames L. T. Baker and Mabel Jones delighted the group with pictures made right in our own flower gardens and our home town.

Often we are so busy we do not find time to enjoy the beauty we have at home. These pictures are surprising how pretty our own yards and country really is.

Guests present were Myrtle Reeves, Mrs. Kendall, Mrs. Mary Harris, Mrs. John Bass of Clarendon, Mrs. L. T. Baker, Mrs. Pauline Moffitt, Mrs. J. T. Mosley of Clovis, N. Mex. Members attending were Mesdames Willie Johnson, Milt Mosley, C. E. Johnson, Francis Hinds, A. T. Simmons, Ross Springer, John Tate, Jessie Adamson, Mabel Jones, Henry Moore, W. A. Pierce and Paul Duncan.

Gale Stinmetz of Garden City, Kansas spent the week end with Mr. and Mrs. Aubrey Cherry.

Mr. and Mrs. Kenneth Whisenant and children Patrice and Rusty of Abilene are visiting her parents, Mr. and Mrs. Bill Scales.

Stewart Stinebaugh of Ft. Worth is visiting the Jack Stewarts and his sister, Mrs. Francis Cherry.

Mrs. Ethel Miller and Mr. and Mrs. Olin Snelling and son Larry of Ceres, Calif. visited Miss Jessie Davis last week.

Mesdames Gertrude Cathey of Abilene and Lee Williams of Grand Junction, Colo. spent Sunday night with their cousins, Misses Millie and Ellen Fay Land.

Mr. and Mrs. Jack Yates and family of Lubbock and Fred Johnson of Collinsville, Okla. spent Sunday night with their aunt Miss Jessie Davis.

Mrs. James Jackson and children Jimmy, Billie, Sandra and Patsy of Atlanta, Ga. are visiting Mr. and Mrs. Henry Nivens.

Mr. and Mrs. J. B. Masterson left last week for Ardmore, Okla.

and Hot Springs, Ark. Mrs. Masterson became ill on trip and suffered a heart attack at Ardmore, Okla. We are glad to learn she is improving. She plans to leave hospital in a few days. Her children are in Ardmore with her.

Mrs. Kenneth Taylor and baby Debbie of El Paso are visiting their parents and grandparents, Mr. and Mrs. Jap Shaw.

Mrs. J. T. Mosley and son Clinton of Clovis, N. Mex. are visiting the Milt Mosleys.

The T. J. Hansard family of Ganado have been visiting his mother, Mrs. Vel Hansard and brother, Wayne and family.

Marion Tidwell is now employed at Security State Bank.

Mrs. Eula Truelove of Lubbock is visiting in the Harve Wilson home helping care for her mother, Grandmother Cassidy.

Mr. Calvin Glass of Kerns, Tex. is visiting his brother, the Malcolm Glass.

Visitors in the F. G. Watt home over the holiday week end were Mr. and Mrs. Collier Heater and J. W. of Dumas, Mr. and Mrs. Edwin Ayers and children, Kay and Mike of Kaufman.

Mesdames Bill Scales and Paul Duncan spent Wednesday in Wellington with Mrs. Rosco Land.

The Foster Pickett family spent the 4th with their parents, Mr. and Mrs. J. B. Pickett.

Mr. and Mrs. R. Milton Saunders and children of Sanford, Tex. were in Hedley Saturday.

Bud Riddle of Amarillo spent the week end with his grandparents, the Walter McCrackens.

Mrs. Luther Thompson and son Larry left Saturday for Ft. Smith, Ark. for a visit with her grandmother.

Mr. and Mrs. Don Painter announce the arrival of a fine little son born Saturday. Congratulations!

Mr. and Mrs. Gary Milton and baby of White Deer visited the lady's parents, Saturday, Mr. and Mrs. Chas. Johnson.

STATE NEWS

We have this week sent accounts to most of our subscribers, and feel assured, that could they witness the immense sensation, caused by a \$2.50 piece right about this office, they would open hearts and purses, and speedily wipe out old scores. Some of you have been reading the paper all last year without paying for it, and now we appeal to you to pay us for the old subscription and for the coming one in advance.

Money can be sent by mail at one risk. To our agents who have made collections for us, we say don't delay remitting until some acquaintance visits Austin, but send through the Post Office at any time.

The Fourth being Sabbath, the morning of the 5th was ushered in by the firing of one gun for each of our thirty-three sovereign States which adorn the glorious galaxy. The booming sound was echoed back from an hundred hills and re-echoed through the whole extent of the country. At an early hour our streets were thronged with hundreds of our citizens mostly wearing happy faces. At half past eleven the thundering cannon told us that the Quitman Rifles were marching to the Capitol in their blue and white uniforms and appropriate small caps, under the command of their gallant, Captain, Washington Hill.

We have elsewhere spoken of the prospects of this road, and now lay before our readers the following condensation by the editor of the Galveston News. Our citizens must feel an interest in the completion of this road to Brenham, since it is impossible that the terminus can remain in the very centre of the richest country in the world.—The mode of the building by the people

themselves must heartily commend itself to every man:

"The company expects to complete the road from Hempstead to the River, within sixty days from the present time — it being an air line from Hempstead to the River, and the grading very light. It is thought \$1000 per mile will complete the road but ready for the cross-ties, on this portion of the road. Thirty dollars per month for first class hands are allowed, payable in the stock of the company, which, it is supposed, can be made the best paying stock in the State."

The first crop of figs ripened in our garden about two weeks ago; and last Tuesday, the 22nd inst., we had fine, large, ripe Early York peaches.—Texian Advocate.

We were presented, a day or two ago, with a lot of fine June Apples, raised near this city on the farm of Mr. Compton. They were fine flavored, very juicy, and very good sized. Some things can grow in Texas as well as "America", and we advise all who can, to at once put out an orchard, and not depend on the "States" for every luxury.

Hereafter the Houston mail will be due every day at 7 a. m., and depart at half past 3 p. m., the mail closing at 3. The San Antonio mail will arrive at 6 p. m., and depart at 7 a. m., every day; for the present the coaches will only run every alternate day and the mail will be carried on horseback every other day. No Sunday service. The Waco mails will arrive and depart at the same hours.

A correspondent of the San Antonio Ledger of the 3rd inst., gives an account of the pursuit of Lieut. Hazen of a party of Indians to the Guadalupe Mountains, an attack upon their camp, the capture of some horses &c. The expedition is regarded as very

creditable to Lieut. Hazen.

THE LIONS DEN or The Roar of the Lions

By the Liontamer

The Fourth of July celebration has come and gone, with the Lions Club facilities and personnel taxed to the proverbial "limit".

Members of the Lions Club "put out" their "all" in service to the community as did many fine farmers, ranchers, and city citizens. However, the Club members had recuperated from a rugged week and attended the Tuesday Luncheon meeting with vigor, spirit, and an abundance of enthusiasm. Tailtwister, Lion Gillham had a busy day.

Vice President Bill Todd presided at the meeting in the absence of Boss Lion J. H. Spier Jr. Program Chairman Lion Drennan came up with an "eyebrow raiser" for a program. Lt. Thompson of the Amarillo Air Force Base "woke up" the club members with a brief talk on "Space Age."

A few of the "eye openers", highlighting the speech which Lt. Thompson disclosed was a new telescope with a 200 inch diameter lens which has photographed space eight billion billion miles. From the same photograph fifty thousand galaxies similar to the earth galaxy have been detected. He also stated from outer space research that it is estimated that an 180 pound man on one of the moons circling Mars would weigh only one fourth of one pound.

To further incite the imagination and develop proper attitudes

concerning the "Space Age", Lt. Thompson stated, "the Air Force has contracted for production of B70 bombers which will fly at one mile per second or 3600 miles per hour. Furthermore, an X15 is being produced which may go as far as 100 miles into outer space, orbit and land at a predetermined landing spot.

Lt. Thompson quoted General Twining, Chief of Staff and advisor to President Eisenhower, has said, "that in 20 years we will see critical times relative to "outer space". Therefore, spirits and attitudes must be developed in our youth, because in 20 years the youth of today will be those who will be grappling with the enormous outer space problems.

If the writer doesn't crack up as a result of the magnitude of the outer space question discussed by Lt. Thompson, he will be back next week with something understandable.

Mr. and Mrs. N. M. McCrary and Craig of Alamogordo, N. Mex. returned his parents, Mr. and Mrs. C. L. McCrary to their home here Tuesday night last, and visited her mother, Mrs. H. L. Riley and other relatives and friends here Wednesday. The C. L. McCrarys have been visiting a daughter and family, Mr. and Mrs. Lewis Underdown and Mike at Fresno, Calif.

Sgt. and Mrs. Bobby Holland of Ft. Benning Ga. visited in the home of Mr. and Mrs. Chester Martin thru the week end. They also visited her parents, Mr. and Mrs. G. W. Gabbert at Hereford. Mrs. Holland will remain for a visit. Bobby will report at Ft. Bragg, North Carolina for further schooling in the First Air Borne Battle Group.

Mr. and Mrs. Billy Roy Blackman and children of Indio, Calif. are visiting his parents, Mr. and Mrs. Roy Blackman, other relatives and friends.

YOUR EYES and VISION
By A. L. SPERRY, O.D.

Don't Wear Contact Lenses While Sleeping

There are two main types of contact lenses in general use at present. These have been developed over a period of the past ten years or so. They are the Corneal and the Sport Fluidless Contact Lenses.

The most commonly used contact lens is called the corneal lens because it sits only on the cornea, or clear front window, of the eye. The corneal lens, first devised in 1947, is the most commonly fitted and satisfactory contact now in use. Its size varies between the 5/16" diameter Micro Sphericon to the 7/16" ordinary corneal. The smaller and thinner the lens, usually, the longer the comfortable wearing time. Many wearers put their contact lenses on when they arise in the morning and forget them till bed time.

People often ask me if the lenses can be worn all the time, meaning sleeping hours included. While a few wearers will occasionally wear their lenses to bed and may not take them off for as long as two to five days, no doctor will recommend this practice. In normal wear, a patient should take the lenses off and put them in a small vial of distilled water overnight, then insert them again on arising the next morning. We recommend this procedure for several reasons. For one thing, the tissues of the cornea need air and tear fluid for best health and all contact lenses will somewhat restrict the flow of these elements. Many things have been tried to combat this problem. Early lenses used an artificial "buffer" fluid between lens and eye. This was unsatisfactory because the tear fluid differs in individual eyes and matching it even approximately is hard to do. Also this artificial fluid did not circulate or renew itself and thus

"stagnated" in a comparatively short period, usually 2-4 hours, thus the wearer was forced to take them out several times a day, renew the fluid and reinsert them. This was cumbersome as was the necessity for making and carrying around the fluid. Another reason they should be removed at night is that in sleep the lenses can be displaced from the cornea where they normally sit and slip under the lower and upper lid pocket thus causing more irritation to the lining tissue of the eye and lid than if they were in their proper place. Also, this displacement could result in the loss of a lens as a half-asleep wearer hauls himself out of bed to open the door for a nervous cat or answer the forever familiar cry of "Daddy, I wanna drink 'o water." The next morning Daddy would find himself wondering if he's going to step on the lens before he finds it on the floor or if maybe it fell out into junior's glass of "watah" and went down his little red lane. In any case, there is very rarely any good and sufficient reason for advising a patient to wear the lenses to bed.

The Sport Fluidless contact lens is actually an older version of the Corneal lens. It does not require the use of a buffer solution but it is large enough to cover approximately 1/8" of the white of the eye bordering the cornea. This means that the upper and lower lids cover part of the lens thus holding it in a jarring tackle or high dive whereas a Corneal would be apt to pop out and be lost. This type is worn by many star athletes in all fields of sports altho wearing time is not as long as with the smaller Corneal Lenses.

322 Eggs Laid By One Quail Is New Record

AUSTIN — A new record in quail egg production has been set by Virginia, a little quail hen at the State Quail Farm at Tyler, according to the Assistant Secretary of the Game and Fish Commission.

Virginia laid 322 eggs in 12 months. She surpassed the record of 311 eggs produced by her mother Bernice, during the previous year.

This performance record placed Virginia at the top of all state personnel. She missed only 33 days of production, which means she even worked on Sunday part of the time, took no long week ends, vacation, or sick leave.

There were 25 daughters of Bernice in the egg test run at the hatchery by Superintendent George C. Stodghill. The test began March 1, 1957 and ended Feb. 28, this year. Seven of the little hens reached the 300 mark. They produced a total of 2,955 eggs, or an average of 25.5 eggs per hen in the 12 month period.

A number of birds from this blood line have been moved into their broodstock now at the hatchery.

In addition 100 wild quail have been trapped by Biologist Clyde Holt in the Decatur area. These birds will be introduced into the hatchery program to perfect native birds produced at the hatchery for release on Texas farms and ranches.

The Assistant Secretary urged landowners to begin their program of habitat improvement early this year, to provide cover for an increased bird crop.

"We are going into a new hatching season with a fine seed crop of quail," he said. "Good shooting this fall will depend largely upon what is done by the landowners this spring." He urged

landowners to consult their wardens or other game department representatives for assistance in getting cover programs started.

White-Winged Dove Picture Now Available

AUSTIN — Many Texans who never had an opportunity to see a white-winged dove now can get a real thrill in viewing THE WHITEWING DOVE STORY, produced in 16mm sound-color movies by the Game and Fish Commission, according to the Director of Information-Education.

Premier showing of this picture was at Harlingen, in the Lower Rio Grande Valley, Tuesday evening before the Valley Sportsmen's Club. By June 1, enough prints will be available in the Commission library to supply other groups of the state.

Applications now can be made for the showing at future dates, according to the Director.

It is expected that "The White-wing Dove Story" will be one of the most popular of all pictures produced by the Department. The story begins with the hazards faced by this bird through the progress of civilization which knocked out thousands of acres of brush country. This was the nesting area of the bird.

The story then tells how biologists solved the problem and brought the bird into heavy production again, making possible an open season last year. It also is probable another open season will be provided this year. The success of the white-winged dove project is evidence of the strides made in bringing back wildlife through proper land management and use.

Organizations wanting to show the picture should send their application to the Director of Information-Education, Game and Fish Commission, Walton Bldg.,

Austin, Texas. There is no charge for it.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN — Texas has a fairly new addition to its long and much-vaunted list of "firsts" and "mosts." But this one's no fun to brag about.

Texas has the greatest number of designated potential enemy bomb targets of any state in the union, says State Defense Coordinator William L. McGill.

This, added to Texas' long-standing record of leading the nation in natural disasters, puts a heavy responsibility for defense preparedness on Texas, McGill told the annual State Defense Advisory Council conference in Austin.

Officially designated "aiming areas," as they are called, are Fort Worth, Dallas, Houston, Austin, San Antonio, Galveston, Beaumont, Port Arthur, Amarillo, Corpus Christi, El Paso, Laredo, Lubbock, San Angelo, Waco and Wichita Falls.

Others considered possible targets because of nearby military installations are Abilene, Beeville, Big Spring, Brownsville, Bryan, Dalhart, Del Rio, Killeen, Marfa, Pecos, Pyote, Sherman, Victoria and Wink.

Texas has received a \$320,000 federal grant, conferences were

told, to draw up a state Survival Plan. Several larger city plans are complete, and the state plan, a massive and complex thing affecting the lives of millions, is due to be finished by Dec. 31.

Rural residents cannot feel themselves invulnerable, the Council was told. In case of a large-scale bombing, it is felt likely that radioactive fallout would cover most of our terrain, contaminating crops, cattle, pasture and ponds.

Under the present national civil defense plan, considerable responsibility for advance training and preparation rests with the individual family. Each would be responsible for feeding itself for the first two weeks of a post-disaster period. After that, state and local government would take over for two weeks, and after that, if necessary, the federal government would step in.

Persons or organizations wanting to obtain official civil defense information and study materials may write the State Defense and Disaster Relief Office, Capitol Station, Austin.

PRICE ADS OK AGAIN
In a rare reversal of one of its

own rulings, the Texas Supreme Court has held it is not unlawful for optometrists to advertise the prices of their eyeglasses.

Last spring the court upheld a temporary injunction issued by a Beaumont court prohibiting Lee Optical Co. and others from advertising prices. Suit was brought by a competitor, Texas State Optical.

At issue was how to interpret a law passed by the Legislature in 1957 barring optometrists from advertising that is "fraudulent, deceitful, misleading - - including statements of bait, discount, premiums, price, gifts - -"

In its more recent ruling the court decided, 7 to 1, that the apparent Legislative intent, or sense of the thing, is only to prohibit price advertising that is false or misleading.

Effect of this is to knock out the injunction against Lee Optical.

HOT POTATO
Atty. General Will Wilson is being asked to give an official ruling on a highly controversial question.

It is whether Texas, under present law, can accept additional federal funds to extend the period of unemployment payments, Texas Employment Commission and Gov. Price Daniel are asking for the opinion.

Pros and cons already have been the subject of heated discussion. A recently passed federal law would allocate to the state, funds to provide an additional 12 weeks of \$14-a-week payments to persons who had already come to the end of their 24-week benefit period. An estimated 60,000 Texans are in this category.

But, to receive this money, the state must repay the funds to the federal government. If it doesn't get the money by some other means, such as the normal accumulation during high employment periods, it would be pledged to raise the tax on employers after Jan. 1, 1963.

Some argue that this would violate the constitutional prohibition against pledging the state's credit. Others say there is no obstacle since the state merely serves as a collecting and disbursing agent for the federal government, with no state money involved.

Spokesmen for organized labor

have strongly urged that Texas enter into an agreement to receive the extra money.

Mr. and Mrs. Homer Hardin and Wayne spent the week end with relatives in Dallas.

Mr. and Mrs. Horace Green and children visited Saturday night with the Robinsons at Palo Duro.

The ice cream supper that is planned for the night of July 17 will be at the school house. It was scheduled to be in the home of Mrs. Horace Green, but since we plan to show movies, the seating might be a problem, and with the

weather so uncertain, we might not be able to show the movies outside; therefore, the meeting will be at the clubroom at the schoolhouse. Mr. Flip Breedlove will show the movie "The Seven Lean Years That Waxed Fat" and others. Everyone is invited. Bring a freezer of ice cream or a cake and your dishes.

Guests in the T. A. Nelson home are Master Sgt. and Mrs. John Just and family and Mr. and Mrs. Grady Nelson and children.

Misses Nadine and Ellen Murphy are employed at the telephone office.

Mr. and Mrs. Robert Graham and children from Halfway spent Sunday with Mr. and Mrs. J. M. Graham.

J. R. Graham is visiting a few days with relatives in Hereford and Plainview.

Mr. and Mrs. Lloyd Reid visited Sunday afternoon with Mr. and Mrs. Hall Hardin.

Mr. and Mrs. Hubert Deaton from Amarillo spent Sunday with Mr. and Mrs. John White.

Joe Tom Lovell and Mr. and Mrs. Ben Lovell left July 4th for points of interest near San Diego, Calif. to be gone two weeks. Mr. and Mrs. Leo Wallace are running the store and garage and post office for them.

Mr. and Mrs. Alton Damron and children and Fred Graham of Hereford and Gerry Graham stationed in the army at Ft. Carson, Colorado visited Mr. and Mrs. J. M. Graham Monday.

Loretta Jo Hill spent last week with her grandparents at Hedley. Kathy Woods spent last week in the John Hill home.

Mr. and Mrs. Willard Cook and son of Meade, Kansas visited Mr. and Mrs. Poovey and other relatives over the week end.

Mr. and Mrs. Delbert Robertson and children spent Monday with Mr. and Mrs. Leo Wallace.

Mr. and Mrs. Bernice Caldwell and daughter from Garland visited Mr. and Mrs. Poovey Sunday.

Mrs. L. M. Porter and Ann are visiting relatives in Seymour.

Mr. and Mrs. Doyle Hall and daughters spent Sunday with the J. B. Lanes.

Mr. and Mrs. Farris Keller and children of Levelland visited Mr. and Mrs. Dane Perdue during the holidays. Mr. J. C. Perdue returned with them for a visit with relatives.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

"The Cattleman" by Mari Sandoz was given this week by the Clifford Davis in memory of Mr. Mitchell Bell. It is a book that has been extensively advertised and discussed. The material is of general interest to the State and Marie Sandoz is a popular writer, and a versatile one. Mr. Mitchell Bell, himself, would have enjoyed her stories of the "Cattleman".

A book in memory of Wayne Aten of Lelia Lake, Texas is "A Touch of Greatness" by C. W. Anderson. It is beautifully illustrated with lithographs by him of these horses of Greatness. The illustrations and the text catch the "indomitable pride and courage of these thoroughbreds." Wayne would have thoroughly enjoyed reading this book.

"Katie Kittenheart" by Meriam

Mason is a pleasing story that my young readers will enjoy thoroughly. They will be elated with "Lassie Finds a Way" by Shapera. The story is clever and the illustrations are attractive. These dog stories are written in a style that attracts the interest of all ages of both boys and girls.

We have quite a few readers this summer. They are first graders, teenagers and adults. Our Library has material of interest to all ages.

"The glory of the farmer is that in the division of labors, it is his part to create. All trade rests at least on his primitive activity. He stands close to nature; he obtains from the earth the bread and the meat. The food which was not, he causes to be. The first farmer was the first man and all historic nobility rests on possession and use of land."—Ralph Waldo Emerson.

"Upon agriculture, the foundations of individual happiness and national prosperity must rely for support. It embraces all that can render life supportable or desirable—all that render nations great and prosperous — all that give ailment to commerce and existences to manufacture — all that augment population and extend civilization."—Gov. Clinton.

Household Supply Wins In Whirlpool Contest

J. G. McAnear, co-owner of the Household Supply Co., is sporting a new 14 ft. Willis Boat with a 40 horsepower Scott - Atwater motor and trailer, as top prize in the Nunn Electric RCA Whirlpool contest which came to a conclusion June 30th.

This business firm wasn't satisfied with taking off the top honors in this part of the contest but went ahead in the RCA company contest to win two free plane trips to the factory at St. Joseph, Michigan, and a weeks vacation trip to Las Vegas, Nevada. Some members of the firm will make the factory trips around July 20th.

Household Supply racked up 735% of their set quota compared with their nearest contender who only reached 500 percent of their quota of Appliance sales. They were competing against 69 other dealers in this area.

Bishop Fitzsimon Dies at Amarillo

The most Reverend Laurence J. Fitzsimon, D.D., Roman Catholic Bishop of the Amarillo Diocese, who was buried Tuesday July 8 of this week had visited Clarendon several times during his bishopric. One noteworthy visit to Clarendon was September 24, 1951. On this day Bishop Fitzsimon presided at the Restoration Ceremonies for St. Mary's Chapel-Shrine to Our Lady of The Panhandle, the Catholic Church here in Clarendon.

MISSIONARY BAPTIST CHURCH SERVICES

The public and all members are again invited to attend church services at the Sardis Missionary Baptist Church Saturday evening at eight o'clock, Sunday morning at eleven o'clock, and Sunday evening at eight o'clock. Eld. John W. Reynolds of Tyler, Texas will do the preaching.

AN APOLOGY

We wish to apologize to Mr. Earl Alderson for omitting the Alderson Chevrolet advertisement in our Fourth of July edition last week. The type was set but it got covered up in the mad rush.

Mr. and Mrs. J. E. Borden of Portales, N. Mexico visited the past week with their son and family, Mr. and Mrs. Pete Borden and daughters.

Mr. and Mrs. Benny Edens and boys of Spearman who have been visiting her parents, Mr. and Mrs. A. D. Estlack, have returned home.

Conservation Employee Called To Report For Military Service

Ronald G. Gardner, Range Conservationist who has been associated with the Soil Conservation Service and the local Donley County Soil Conservation District since April of this year, has been called by the Selective Service System. William C. Swindle, local Work Unit Conservationist made the announcement this week.

"Ranchers and farmers in the District will miss Ronnie. He was a great help to many in assisting them in working out a lasting soil conservation plan," Swindle said.

Gardner attended Texas A&M College where he received B.S. and M.S. degrees in Range Management. He worked two summers with the Forest Service and two summers with the Phillips Agricultural Demonstration Project Ranch in Oklahoma.

"We are sorry to lose Ronnie, and we wish him every success in life," Swindle added.

FARM NEWS

from the County ASC Committee

1957 WOOL INCENTIVE RATES SET

Wool growers will receive shorn wool incentive payments of \$15.50 for every hundred dollars they received from the sale of shorn wool during the 1957 marketing year, Ross Springer, Chairman, Donley County Agricultural Stabilization and Conservation Committee has announced. This 15.5 per cent rate of payment represents the difference ended March 31, 1958, and the incentive level of 62 cents per pound.

The payment rate on sales of unshorn lambs to compensate for the wool on them will be 33 cents per hundredweight of live animals sold. This payment is designed to discourage unusual shearing of lambs before marketing.

EXCESS CROP DISPOSAL

You are being notified now of the requirements for excess crop disposal such as Cotton or Soil Bank base crops. Excess crops measured on your farm must be destroyed by plowing to the extent that no stalks will be left to where a regrowth can occur.

If you will comply with the above, we can issue Marketing Cards just as soon as the acreage reporter from ASC office measures your plowed out area.

We will be glad to discuss with you any problems that you have covering excess crop disposal.

Be sure your deposit has been made at the ASC office to cover the cost of checking excess crops and that the crops are disposed of within the time limit set out in the official notice from this office.

CARE OF CONSERVATION RESERVE LAND

The Conservation Reserve program requires substantial positive action on the part of farmers who have signed contracts and put land in the program, according to Ross Springer, Chairman of the Donley County Agricultural Stabilization and Conservation Committee. The positive action is the farmer's commitment in the contract under which the Government has agreed to make annual Conservation Reserve payments. The major items to which a farmer agrees under the contract are:

1. There will be no unauthorized breaking out of non-cropland;
2. To take the designated land out of all production
3. To maintain the conservation practice established on the land
4. To refrain from harvesting a crop or grazing the land
5. To control noxious weed on the designated acreage.

Although these actions are required for a farmer to remain for the annual payments, Mr. Springer emphasized, extra dividends come from doing a first class job in maintaining the conservation practices. A good job of maintaining a grass cover, for example, will mean that the land is protected and is being improved even after the contract expires.

BAPTIST BROTHERHOOD TO MEET JULY 17

The First Baptist Church Brotherhood meeting has been set for Thursday, July 17th at 7:30. A very good program has been planned and everyone is urged to make their plans to be present.
