Comets To Play Flying Queens At Plainview Thursday Night

The Clarendon Junior College Comets will close their regular season's play Thursday night at Plainview where they will attempt to break the winning streak of the three-time National Champion Wayland College Flying Queens.

The Comets have met the Queens three times this year and have been defeated on each occasion. The Queens have run up a string of 99 consecutive wins over the past four years. If they can win three more times before being defeated they will break the all time record of 102 straight victories hung up by the Hanes Hosiery team of Winston-Salem, North Carolina.

The Comets, on the other hand, will be after their first win in history over a Wayland team, so each team has something to fight for in this game. The Comets, although younger and less experienced than the Queens, are capable of beating the Champions if they get the proper breaks. In the three games played by the two teams this season, the Queens have outscored the Comets by only two field goals. The Comets' inability at the free throw line has contributed to their downfall in each contest.

Bulldogs Fall In Regional Meet

The San Angelo Bobcats halted the championship hopes of the Clarendon College Bulldogs in the Regional Tournament at Amarillo Tuesday night by dealing Coach Buddy Travis' charges an 81 to 67 defeat. The Bobcats, sporting a 23-1 record for the season, were just too much for the young but spirited Bulldogs. The Bulldogs stayed in the game for the first sixteen minutes, but the Bobcats began to pull away at that point and were ahead 33 to 25 at the half.

Boyd White, hitting 18 of 22 free throw attempts, was high scorer for the game with 26 points. Jimmy Adams kept the Bulldogs in striking distance of the tough Bobcats during the closing minutes of play by his sensational exhibition of shooting from 30 to 40 feet out. Adams hit six out of eight attempts from the long distance range in the last ten minutes of the game. He also added two free throws for a total of 14 points. Steve Jarnigan hit 12 points. Buzz Bailey 8, Layne Cushmanberry 4 and Billy Schneider 1. Other players seeing action were Jay Wilson, Butch Lanier and Kenneth Newman.

Clarendon Bulldogs Defeat Weatherford In Regional Game

The CJC Bulldogs cleared their first hurdle in the Region V National Junior College Basketball Tournament at Amarillo Monday afternoon by defeating the Weatherford Junior College Coyotes, 64 to 59.

Steve Jarnigan, star freshman forward, paced the Bulldogs scoring attack with 27 points. Boyd White, the Bulldog's leading scorer over the season, kept up his scoring average by getting 21 points.

Both teams were cold the first half that ended with the Bulldogs holding a 25 to 24 lead. The second half was nip-and-tuck for the first ten minutes but at that point the Coyotes began to pull away from the Bulldogs and were ahead 54 to 46 with seven minutes to play. The Bulldogs, however, were not to be denied and overcame the lead, mostly on some sensational tip-in plays by Jarnigan, and were winning going away at the final horn.

Other Bulldogs seeing service were Buz Bailey, Layne Cushmanberry, Jimmy Adams, Bill Schneider and Jay Wilson. The Bulldogs, by virtue of winning this game, earned the right to meet the mighty San Angelo Bobcats in the second round of the tournament on Tuesday night.

Local F. F. A. Chapter Largest In Area I

According to a recent newsletter from Walter Labay, Area Supervisor of Area I, which is composed of 92 schools in 26 counties in the Panhandle, the Clarendon F.F.A. Chapter is the largest of any vocational agriculture department in the area that has only one teacher. The local chapter has 75 members this year and only about five departments in the entire area that have only one teacher have over 60 members.

The local chapter has grown steadily during the past several years rising from a membership of 40 in 1954-55 to 75 during the current school term. Vocational Agriculture is one of the special subjects provided by the state department to school, and the teacher's salary is paid by the state department of education as is his travel allowance. The local department has enough students to qualify for two teachers, but the average daily attendance in a high school must reach 200 before a second teacher will be furnished by the state department without assistance from the local board.

High School Band Receives Trophy

The Clarendon High School Band went to Groom Saturday afternoon where they took part in the Groom Music Festival and were awarded the trophy for the most outstanding concert band. This is the first recognition the band has received for many years and especially is significant taking into consideration, the fact that the majority of band members are Junior High School students competing against High School groups.

Members are to be congratulated on their continued improvement under the splendid direction of Allen J. Pittser. Mr. Pittser is in his second year of work with the band here and presents a group to be proud of.

Andra Pinkerton was awarded first place on her baritone solo, and Phillip Abel first for a trombone solo. Georgia Bell Harmon played a clarinet solo for criticism only.

The Band will go to Borger March 28, for the music festival there prior to entering interscholastic league contests in concert at Canyon.

Comets To Participate In National Tournament

The Clarendon Junior College Comets, Nationally ranked girls basketball team, will leave Clarendon Saturday for St. Joseph, Missouri, where they will participate in the National Women's AAU Basketball Tournament. This will be the third year that the local girls have played in the big tournament. In 1955 the girls won the consolation championship and last year they were defeated in the quarter-final round in the championship bracket.

The Comets have a season's record of nine wins and six losses. However, this year the Comets have met the strongest opposition available. Three of their six defeats have come at the hands of the Wayland Flying Queens. They have also suffered losses at the hands of the Nashville Business College, Iowa Wesleyan College and the Midland Jewelry Company team of Kansas City, Missouri. On the other hand they hold victories over the Nashville team, the Steffens Dairy Company of Wichita, Kansas, Weatherford Junior College, Texarkana Junior College, and others.

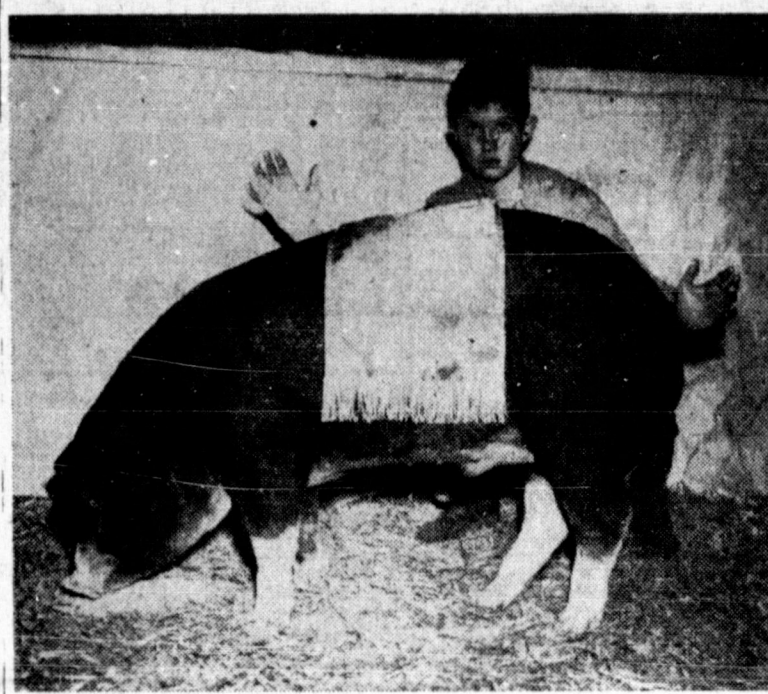

Comets End Home Season With Victory Over Denver Team

The CJC Comets closed their home basketball season last Saturday night with a convincing 65 to 48 victory over the Viner Chevrolet Company of Denver, Colorado. The Viner team is usually one of the strongest teams to participate in women's AAU basketball.

The Comets played a hustling brand of ball all through the game. They jumped into an early lead and were never behind. They held leads of 11 to 9 at the end of the first quarter, 29 to 22 at the half, and 42 to 30 at the third quarter. Joan Crawford paced the scoring for the Comets with 22 points followed by Mary Mann with 19. Other girls seeing action were Claudette Green, Lola Duhan, Marjorie Irbeck, Pat Vincent, Susie Jones, Kathryn Edwards, Myrna Carney, Genell King, and Nancy Stevens.

HOSPITAL NOTES

Patients as of Wednesday March 13th:
R. O. Thomas, Kelly Chamberlain, Mrs. C. A. Pitts, Mrs. J. C. Talley, Mrs. Ethel Green, A. O. Hefner, Mrs. H. L. Riley, Sr.
Dismissals:
Obert King, Mrs. Louise King and son, and Johnny Grady.

Carl Talley with the Grand Champion barrow of the 1957 Houston Fat Stock Show. The barrow sold for a new all time record of \$1300.

FARM NEWS

from the County ASC Committee

LAST WEEK FOR COTTON PREMEASUREMENT

Application for cotton acreage premeasurement service will be accepted through Friday, March 15th. The charge for this service is \$7.00 for the first plot plus \$2.00 for each additional plot which must be deposited with the Donley County ASC Office at the time the application is made. Acreage measured and staked will be the official cotton acreage for the farm, provided the cotton is planted within the boundaries of the stakes.

1957 COTTON ACREAGE RESERVE

The deadline for signing Cotton Acreage Reserve contracts was March 1. All cotton producers with a contract who indicated that they wanted additional acreage must come into the office not later than Thursday, March 14, 1957 so that we can revise your contract to include the additional amount. To date we have taken 73 Cotton Acreage Reserve agreements obligating an estimate of 2165.6 acres for a total of \$53,467.82. The county's allocation is 30,547.1 acres.

SPOT CHECK ON DELIVERIES OF 1956 EMERGENCY FEED TO PRODUCERS

Instructions from the State Office provide for approximately 5% of the producers receiving feed under the 1956 EFP to be spot checked. In performing these spot checks, a determination should be made, where possible, that the feed is being properly used. Numerous reports are being received in the State Office to the effect that producers are misusing drought emergency feed by feeding ineligible livestock. Any information obtained by the spot checker, which would indicate that the producer may have been ineligible for the feed obtained, will be furnished promptly to the FHA county committee.

Spot checks are being made in accordance with the instructions from the state office and all farmers are urged to use the emergency feed for eligible livestock only.

TO RECEIVE TREATMENT IN DALLAS

Coach Tom Jinks, Richard Valance and his father, Dick Valance, are in Dallas this week where Richard is receiving treatment for a kidney injury received during football season. He is believed to be improving satisfactorily.

ARMY RECRUITER TO BE HERE EACH TUESDAY

Sergeant First Class John C. Dills, Army Recruiter, who is stationed in Amarillo, has announced that he will be in Clarendon Tuesday of each week to answer any questions and accept enlistments for duty in the U. S. Army.

Second GOC Class Meeting Held

On Tuesday night of last week, T. Sgt. Wm. E. Swope of Amarillo held the second GOC class here with 25 persons attending.

He also instructed the corps as to duties of the observers in this severe weather season we are now approaching and which will last for about three months. The eyes and ears of the GOC will play a big role concerning this type of weather along with the other organizations. When a severe weather forecast is received for this area, the local GOC will be alerted to man the post for severe weather reports. If a Tornado is spotted, you will be warned by the TWO BLASTS on the fire whistle, giving the people a chance to get to some type of storm shelter, stated Basil Smith, local Supervisor. The Ground Observer Corps will man their post until the severe weather forecast has been lifted, Smith added.

The following is the number of blasts from the fire whistle and their meanings:

- 1 Blast—Grass or out of city limit fire.
- 2 Blasts—Storm Warning
- 3 Blasts—Home or Business fire.
- 4 Blasts—High water.

Clyde I. Price Jr. has been appointed Chief Observer and Tommy Saye, asst. Observer.

Those attending the second class meeting and members of the local GOC were E. C. Wood, J. B. Melton, B. C. Antrobus, Jerry Price, Guy Mills, Bill Land, Edith Speed Barnes, Gladys M. Turner, C. A. Turner, Emma Ayers, Opal Messer, Ruth Kay, Cordia Thompson, Ruth Melton, Letha Smith, Tommy Saye, C. W. Bennett, C. M. Bennett, Lloyd McCord, J. C. Blackburn, Gladys Eddings, Margaret Lemons, James Watts, Billy Mayo, Basil W. Smith.

The next GOC class night will be Friday, March 15th at 7:30 p. m. in the City Hall.

NEW PHONE NUMBER FOR COUNTY AGENT'S OFFICE

According to County Agent H. M. Breedlove, his new telephone number is now 91. This change was made when the ASC office moved into its new location in the building formerly occupied by the First National Bank. Breedlove says that when any one calls his office and there is no answer they will know he is in the county working with farmers, ranchers or 4-H Club boys. There will be no one in the office to answer the phone unless the agent is in the office, so if there is no answer you will know why.

Leader—Local rate, \$3.00 a year.

Heath Furniture Co. Announces Grand Opening Here

Constant expansion, from a typical "Started at the bottom" beginning, is the story of Frank J. Heath and the furniture business.

In 1926, Frank J. Heath moved to Amarillo and got a job as deliveryman in a furniture store. Two years later he moved to Clarendon to take over manager's duties of a furniture store. He operated the store for a little over a year and then with the aid of another man, R. E. Paxton, purchased the store, operating it under the name Amarillo Furniture Co. In Jan. 1932, Heath bought out his partner and changed the name to the Clarendon Furniture Co. He operated the firm until 1940, when he moved to Amarillo. This Clarendon store remained a part of the Heath business chain until 1954 when the inventory and fixtures were sold to Frank Thomas.

This week he is announcing the Grand Opening of Heath Furniture Co. in Clarendon which will replace the Clarendon Furniture Co. The business will be operated under a small corporation with Frank Heath, Frank Thomas and Dewey Tom Heath as stockholders. Frank Thomas will be the local manager.

Frank Thomas joined Heath's business here in 1936 and has been with the firm since that time.

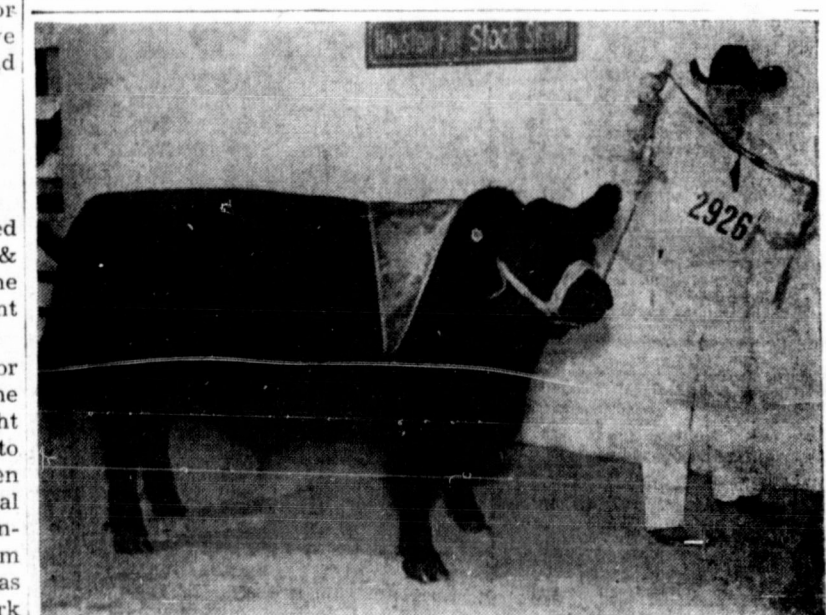

Other corporations in the Heath chain include the Heath Furniture Company, Inc., 11th & Polk in Amarillo which is the parent company, with offices on the 4th floor of the store. Other stores are Heath Interiors, Heath Furniture No. 2, Heath Furniture No. 3, all in Amarillo; Heath Furniture, Plainview and Heath Furniture Co. of Lubbock.

Heath is president of all corporations.

With the opening of the store here, Heath pointed out that the people of this area would be able to enjoy lower prices which are made possible through the great buying power of this chain of stores.

NEWSMAN TO GATHER DATA HERE

Mr. Paul Melvyn, business manager of The West Texas Register, will be in Clarendon the last of this month or early April. Mr. Melvyn will be preparing for a special edition of The West Texas Register newspaper, which will highlight Clarendon with photographs of St. Mary's Catholic Church and other human interest stories about some of the people of the city of Clarendon.

Don Hudgins, son of Mr. and Mrs. David Hudgins, exhibited the reserve grand champion Angus calf in the junior division of the Houston Fat Stock Show. The calf was also champion Angus at the 1957 Amarillo Fat Stock Show. The calf weighed 1074 pounds and brought Don \$1 per pound. Don also placed his other Angus steer third in the lightweight division. The champion steer was bred by Willard Eilers of the Willamere Farm of Stanwood, Iowa, and the 3rd place calf was bred by Milo Wolrab of Mt. Vernon, Iowa. Don is a member of the Clarendon F.F.A. Chapter and fed the steer under the direction of J. R. Gillham, local Vo-Ag Instructor.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

A book in memory of Mr. Porter is "Life In the Far West" by George F. Ruxton. The period story is 1848, and the material was collected by research. It is apparently an enjoyable edition.

Another book received is "Pecos Bill." It was chosen from the title and is hardly worth reading. As a usual thing the contents can be judged from the synopsis in the catalogue. This time we misjudged.

We usually discuss the death of our writers immediately after their passing on, but we have

neglected to speak of George Sessions Perry, a Texan of Rockdale, Texas who disappeared on Dec. 13th 1956 and his body was discovered in Feb. 13th 1957. He was living in Connecticut when he died at the age of 46. Apparently he drowned himself. He had been in ill health for some time. It is very sad to find life undesired so young, and he had made some excellent contributions to our reading shelves. "Hold Autumn In Your Hand" was likely the most popular book he wrote.

With the help of a friend we have about one-third of the Library cleaned up. Books accumulate dust quite readily, and it is impossible for one person to get every thing completed even by working from one to two hours extra each day.

PRESCRIPTION PRICES

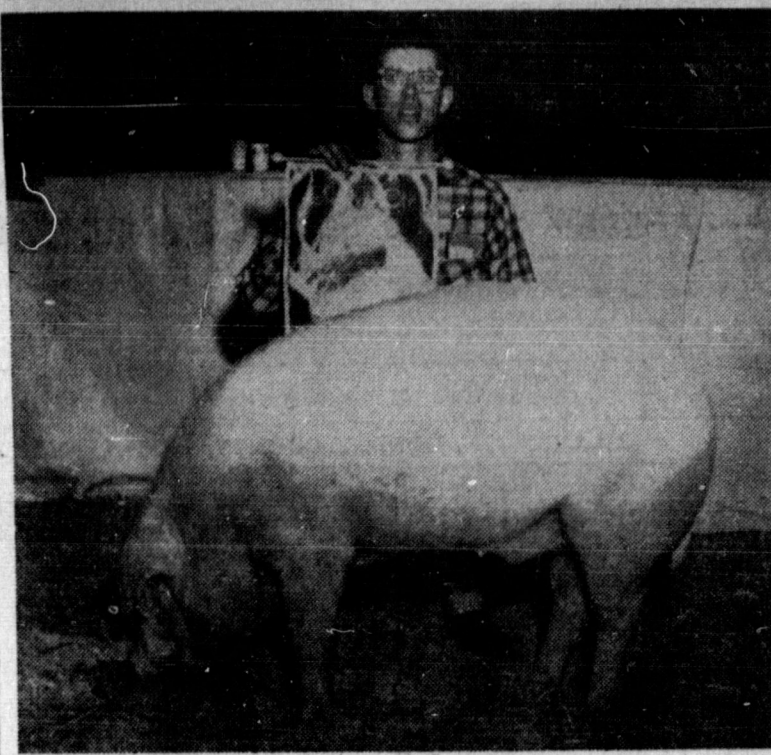

How are prescription prices determined? We have a policy in this matter, the only one we can follow. We do not offer bargains in prescriptions - there is no cut-rate way to health. Nor do we pretend to under-sell. Prescription prices simply are determined by the cost of the ingredients and operating expense. The prices we charge are as low as satisfactory service and effective drugs will allow.

L. E. Tyler Sunday were Pink and Loyd Hahn.

Dinner guests of Mr. and Mrs. A. O. Hott Sunday were Mrs. Dick Allen, Mr. and Mrs. E. J. Chenault, Mr. and Mrs. W. D. Higgins.

Several cooperators with the Donley Soil Conservation District have already seeded or started seeding native grass on land being returned to pasture. For those who have sufficient dead cover on the land to prevent the seeding grass from blowing and excessive drying, and who are

planting a native grass mixture, NOW is the time to get your seed in the ground. Most popular mixtures of the native grasses have been Blue grama, Sideoats grama, and Blackwell switchgrass for mixedland and shallow soils, and sandlove, Sideoats grama and Indian grass on the sandier soils. The introduced grasses such as weeping love grass, blue panic, and Sorghum alnum, should be planted somewhat later than the native grasses. Weeping lovegrass is subject to being froze out by a severe freeze if planted too early, but should be planted before weeds start. Probably the best time to plant it is the last part of this month or early April. Blue panic and Sorghum alnum should both be planted later after the ground warms up—probably in May.

Pre-Nuptial Shower Honors Miss Vincent

A miscellaneous shower in the home of Mrs. Dick Vallance Tuesday afternoon, March 12, honored Miss Pat Vincent, bride-elect of Tommy Lane. Co-hostesses for the courtesy were Mesdames Dick Vallance, George Thompson, John McClellan, Oliver Abel, A. J. Hicks, A. D. Estlack, Cal Merchant, Homer Estlack, Alvin Landers, Lee Bell, Lynn Leathers, and G. W. Estlack.

Guests were greeted at the door by Mrs. Vallance and presented to Mrs. Oliver Abel, the honoree Miss Pat Vincent, and Mrs. C. W. Lane. Miss Vernie Ford presided at the registrar.

In the dining room, a miniature bride flanked by white candles in crystal candelabra decorated the buffet. The refreshment table was laid with a Maderia cloth and the bride-elect's chosen colors of yellow and white were carried out in table decoration. A heart of white meline edged in silver was surrounded by jonquils and greenery in a crystal epergne to form the centerpiece. Napkins were engraved with the words "Pat and Tommy," also in silver. Heart-shaped cookies decorated in yellow, white and white mints, coffee and tea were served. Miss Genelle King and Miss Claudette Green presided alternately at the silver service. Miss Joan Crawford and Miss Mary Mann assisted in the dining room.

and with the display of gifts. Approximately fifty attended and a number sent gifts.

GOOD NEIGHBORS CLUB

The Good Neighbors Club met March 8th in the home of Bennie Crabtree with an all day quilting. She had two quilts up and one was finished. Some quilting was done on the other. Mrs. Anderson received a pollyanna gift and not being present, we took it to her.

Those to enjoy the day and the dinner were one guest, Kate Vinson, and members Emma Davis, Nova Barker, Ruby Jordan, Florence Harp, Eula Butler, Rosie Bingham, Carrah Mixon, Lida Warren, Bessie Helton, and hostess Bennie Crabtree. Dawis Sullivan came in the afternoon. Four guests came for the afternoon: Sallie Haley, Quata Phillips, Lucy Belle Waters, and Mrs. Ned Scaff.

The next meeting will be with Emma Davis, March 22nd.
—Reporter.

CHAMBERLAIN CLUB

The Chamberlain Club met Thursday, March 7th for their regular club meeting. Mrs. Dennis Harrison was hostess. She gave a Stanley party. Refreshments of coffee and cookies were served the 8 members and guests.

Friday, March 8th we had our work day. Lunch was served the 16 men and boys by 11 ladies of the community. Work was done on the yard and kitchen at the Community Club House.

Our regular night party has been changed to this Thursday, March 14th. Mrs. Doc Mann and Mrs. Ethel Mann will be hostesses. Bring a covered dish for the covered dish supper.
We hope to see every one there.
—Reporter.

F. H. A. To Entertain Eighth Grade Girls With Style Show

The Clarendon Chapter of the Future Homemakers of America will entertain the local Eighth Grade girls with a style show and tea March 18, at 7 p. m. in the High School Auditorium. Home-making I students will model school dresses and blouses made in Class. They will display cosmetic capes and sewing aprons they made while learning to use the machines. The older F.H.A. students will explain the purposes of our organization, the projects we work on locally, in the State and nationally, degrees of achievement, social activities, and membership requirements. Immediately following the business meeting, tea will be served in the dining room of the Homemaking Dept. This is an annual event for the Clarendon Chapter of the Future Homemakers of America. Sixty-five members of the Clarendon F.H.A. take this means of encouraging students to include Homemaking in their course of study and to become a part of this youth organization.—Reporter.

M. Y. F. REPORT

On Sunday, March 10th the M.Y.F., Methodist Youth Fellowship met at the Manse. Rod Seago, president, called the meeting to order. Judy Castner gave the opening prayer.

There will be an M.Y.F. Sub-district meeting Wednesday, March 6th at Lakeview. Every one planning to go will meet at the church at 6:00.

M.Y.F. will begin at 6:45 next Sunday and from now on.

For the program we answered questions on the Ten Commandments.

Mrs. MacDonald served Cokes and cookies to Jeanie Castner, John Bob Butler, William Chamberlain, Carolyn Castner, Elizabeth Chamberlain, Judy Castner, Jerry Don White, Evelyn Chamberlain, Glynn Myers, Larry Thurman, Alvie Neal White, Rod Seago, Jean Fox, Jessie Lee White and our counselors, Mrs. A. K. Thurman and Mrs. Mace. The meeting was adjourned with the M.Y.F. Benediction.

PATHFINDER

Pathfinder met at Patching Club House Friday afternoon, March 8. Hostesses were Mrs. C. E. Bairfield and Mrs. John Bass. Mrs. S. W. Lowe opened the meeting with the invocation. In the absence of the president, Mrs. Heckle Stark, vice-president, presided over the business session. Club members voted to send two delegates to the Seventh District meeting of Federated Club Women to be held March 14-15 in Amarillo. Mrs. Heckle Stark and Mrs. Pete Kunz were the delegates selected to attend. Mrs. C. T. McMurtry will also attend as a board member. Since the meeting is to be held so near our town, as many members as could do so were urged to attend. During the business session, members also contributed to the maintenance and up-keep of the State Federated Club House in Austin.

An interesting program was presented by Mrs. Clyde Hudson who very ably reviewed the book "Alone By The Sea." The story is historical and tells of early days in Texas and the expedition of General Long.

Lovely refreshments of German chocolate cake and coffee were served to Mesdames Bill Greene, J. H. Howze, C. D. McDowell, Lena Antrobus, Heckle Stark, Forest Sawyer, George Benson, Ed Dishman, Wm. S. Greene, Pete Kunz, C. T. McMurtry, Clyde Hudson, Fred Patching, Fred Buntin, S. W. Lowe, H. T. Burton, A. T. Cole, Ernest Hunt, Dick Shelton, and the hostesses Mrs. Bairfield and Mrs. Bass.
—Reporter.

GOLDSTON QUILTING CLUB

The Club met Thursday eve with Bonnie Davis. Two quilts were almost finished. Refreshments of doughnuts, cake and punch were served to Adgar Williams, Blanch Gray, Mazie Eicheberger, Connie Talley, Minnie Roberson, Nora Smith, Ola McBrayer, Billie Ashcraft, Joy Roberson and the hostess, Bonnie Davis.

The next meeting will be with Joy Roberson Thursday, the 14th at the Goldston school house. It is an all day affair, so every one come on out. Bonnie Davis and Gertrude Reid received Pollyanna gifts.
—Reporter.

MOTHERS STUDY CLUB

Members of Mothers Study Club held their regular meeting and observed Guest Day when they met at Patching Club House Tuesday afternoon, March 12. Hostesses were Cherry Shadle and Norma Putman.

Old and new business was disposed of and the treasurer's report given by Gladys Turner.

Mrs. C. B. Morris was guest speaker for the afternoon and gave a delightful and entertaining review of the book, "Guestward Ho" by Barbara Hooton as confided to Patrick Dennis.

Following the review, refreshments were served from the dining table which was laid with a white cloth and centered with an arrangement of white and red carnations. Norma Putman served the white cake which was decorated with mint green icing while Cherry Shadle poured coffee.

Guests present were Mrs. C. B. Morris, Lucy Saye, Doris Harp, Marilyn Simpson, Eloise Ashcraft, and members Melba Edwards, Jo Ann Kidd, Patsy Robertson, Gladys Turner, Lila Vick, and the hostesses Cherry Shadle and Norma Putman.
—Reporter.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met at 2:30 Thursday, March 7th with 18 members and 4 visitors present. Mr. Breedlove from Clarendon met with us and gave a very interesting and instructive discussion on gardening, planting, cultivating; also giving names of different kinds of insects and different kinds of fertilizers for different vegetables. He gave a list of vegetables and planting time most suitable for our climate. We welcome Mr. Breedlove back any time and thank him for meeting with us.

After the program there was a short business session. They voted to give \$5.00 to the Heart fund and \$5.00 to the Red Cross.

The hostess Laura Mahaffey served delicious St. Patricks refreshments to 22 adults and several children.

This being plant and seed exchange there were several plants and bulbs to choose from. Please bring your quilt blocks to the next meeting.
—Reporter.

BUSINESS WOMEN'S CIRCLE MEETS

The Business Women's Circle of the First Baptist Church met Monday night, March 11, in the home of Mrs. Jennie Smith.

We had a study of Home Missions with Mrs. Joe Bownds, Mrs. Bill Greene Jr., Mrs. Basil Smith, Emma Ayers, and Miss Jessie Cook participating.

Delicious refreshments were served to seven members.

The next meeting will be Monday night, March 25th at 7:30 in the home of Mrs. Basil W. Smith.
—Reporter.

SODALITAS CLUB

The Sodality Club of Hedley was hostess at a tea held in the city hall for members and their guests. Miss Eudora Hawkins of Abilene was guest speaker. Her topic was "Texas in Revue" and she showed an outstanding film on "Remember the Alamo."

Mrs. O'Neil Weatherly, Mrs. Kenneth Brinson, and Mrs. W. L. Stewart were on the social committee for the tea. Mrs. Doyle Messer, club president, poured.
—Reporter.

Members of the Senior H. D. Club will meet Friday afternoon, March 15, in the home of Mrs. Bertha Benson. Meeting will be called to order at 3:00 p. m.

Mrs. Allen Pittser, Sr. of Delta, Colo. is a guest in the home of her son and wife, Mr. and Mrs. Allen Pittser, Jr. She is a Past Matron of the Eastern Star and Musician for the Rebekahs.

I wish to express my deep appreciation to all my friends, neighbors and hospital staff for the many kindnesses shown me in my recent illness. The cards, flowers, visits and prayers and many other kindnesses will be gratefully remembered.
Mrs. Stella Phillips.

Senator Andy Rogers Introduces S. B. 223 In Texas Senate

AUSTIN—Senate Bill 223, designed to prevent future "Duval Counties" and to bring prompt justice in crimes involving misuse of public funds, has been introduced in the Texas Senate by Senator Andy Rogers, District 30, of Childress.

A second measure, Senate Bill 224, would give aid in recovering misused or embezzled public funds.

"Every person of civic responsibility in our state is aware by now of what happened in Duval County," Senator Rogers said. "And we are all aware that our laws have to be changed and 'beefed up' in certain places in order, first, that a Duval County won't happen again and, second, so that when crimes are committed by persons in public office, the people of Texas can depend on swift justice."

Senate Bill 223 provides for the indictment and prosecution of persons accused of misusing or embezzling public funds, either in the county where the violation occurs or in any adjoining county, or in Travis County. The second bill, Senate Bill 224, would require county attorneys, criminal district attorneys and district attorneys to institute suits in behalf of the county school district or any other political subdivision within their jurisdiction for the recovery of such misused public funds.

"The misuse of funds of the Veterans Land Board and the embezzlements which arose out of the Duval County political mess merely serve as cases in point, terrible examples of what these proposed laws are designed to prevent and punish," Senator Rogers said. "We have seen instances in Texas in which justice was impossible to gain because local county officers, judges and prosecuting attorneys were enmeshed in a powerful web of

political filth and intrigue. Senate Bill 223 will make it possible for such cases to be brought to the attention of public prosecutors away from the heat of local controversy and free from the pressures of local politics and prejudices."

The Childress lawmaker said that "increased latitudes of jurisdiction and requirements that suits in the public interest be filed by the public attorneys are our only workable answer to the continued existence of machine politics in Texas." He emphasized that since the bills cover only those offenses relating to misuse and recovery of public funds, the principle of local self-government is in no way compromised.

Mrs. A. L. Cobb and Miss Johnny Cobb of Claude visited Thursday in the homes of Mrs. Monte Wolford and Mrs. Clyde Gilbert.

Visitors thru the week end in the home of Miss Ruth Richerson and her mother, Mrs. S. C. Richerson, were Loyd and Jean Richerson of Odessa; Mr. and Mrs. Owen Moore and family of Pampa; Mr. and Mrs. C. W. Richerson of Phillips; and Mr. and Mrs. H. S. Richerson and family of Clarendon.

Guests in the home of Mr. and Mrs. Delbert Robertson and son Sunday were Mr. and Mrs. Ben Lovell and Joe, Mr. and Mrs. Leo Wallace, and Mr. and Mrs. Joe Howe and children of Amahillo. They also helped Master Patrick Wayne Robertson celebrate his second birthday.

TAX-MAN SAM SEZ:
 Some taxpayers who were expecting a tax refund have been notified they are undergoing a "Pre-Refund Audit". The Internal Revenue law requires the tax

folks to select tax returns containing probable errors for audit prior to paying the taxpayer's refund. Many thousands of returns are audited each year because the taxpayers don't follow instructions. A "Pre-Refund Audit" takes a lot of time and delays the taxpayer's refund check. It pays to read the instructions and avoid making errors that will cause an audit.

Trinquities and Sidelights FROM Your State CAPITOL

By VERN SANFORD
Texas Press Association
AUSTIN—Bribery charges and counter-charges have driven the insurance investigations out of Austin headlines.

It's at least temporary relief for the insurance companies—who have been hurt by loose accounting methods within their industry.

Grabbing the spotlight from the insurance firms was a naturopathic doctor and a lone member of the Texas House of Representatives.

Dr. Howard Harmon of San Antonio hurled charges of "offering to accept a bribe" against Rep. James E. Cox of Conroe.

Cox countered with a "offer-to-bribe" charge against Harmon. Dr. Harmon produced a tape recording of an alleged conversation he had had with Cox.

At Travis County grand jury investigation resulted in indictments against Cox, charging him with "consenting to accept a bribe."

Cox's attorney announced a slander suit would be filed against Dr. Harmon.

Meanwhile, a House investigating committee checked into all phases of the matter.

All in all, it was the fastest action seen around the Capitol in many years.

REORGANIZATION BILLS
Two bills to reorganize the Insurance Commission have been introduced in the Legislature.

One, by Sen. William S. Fly of Victoria, proposes a part-time policymaking board. Members would meet 24 days a year. Executive director would run the department.

A second, prepared at Gov. Price Daniel's behest, was introduced by Rep. Marshall O. Bell of San Antonio. It would provide a full-time board limited to quasi-judicial functions and, like the Fly bill, a department director.

SENATE RACE:
With filing deadline passed for the special U. S. Senate race, little has changed since the last such election in 1941.

Field is overflowing; rules intact. Pool bill, which would require a run-off if the top man lacked a majority, was lying in state in the Senate. Even supporters said it looked dead.

In 1941, W. Lee O'Daniel was top man in a field of 21. This year the field is laden with almost the

same number of contenders. One Republican and almost every conceivable type of Democrat are included.

WATER BILL PASSED
First water conservation bill to gain final passage would allow the Water Board to cancel unused water permits to cities.

Sen. Charles Herring of Austin protested the plan could take away water supplies cities need for growth. He attempted to amend the bill to limit cancellation to permits for which cities could not show prospective need.

McLARTY CONVICTION UPHELD
Brady Land Dealer T. J. McLarty apparently is to be the second man to go to the penitentiary for fraud in connection with the veterans land program.

McLarty's conviction was upheld in Court of Criminal Appeals. He was sentenced to four years for "falsely interpreting a written instrument" in selling a tract in a Zavala County block deal.

MORE REVENUE SEEN
Possibility of new taxes this session faded with advance reports of the comptroller's report of expected income.

Comptroller Robert S. Calvert's estimate of revenue for the next two years is expected to show \$99,000,000 more than was available this biennium.

This is \$49,000,000 more than the last official estimate in December. It is also well above the figure Governor Daniel set as necessary for present spending requirements.

CONGRESSIONAL REDISTRICTING
A constitutional amendment to reapportion Texas congressional districts after the 1960 census has been approved by the House.

Present districts are based on the 1930 census. Urban areas, like Houston and Dallas, have multiplied several-fold since.

New plan would turn the job over to a five-member board of state officials if the Legislature failed to act in 1961.

PRECINCT CHANGES
Realignment of precincts within counties due to population changes also is a warm issue.

House constitutional amendments committee sent such a measure to subcommittee for more study.

Proponents contend that growth of cities has given Texas 81 counties with 50 per cent or more of their population in one precinct. According to majority rule principal, cities should get more precincts, they argue.

Opponents, including the Farm Bureau, say it would turn county government over to the cities. Rural evaluations would be raised and the money spent in the cities, they claim.

New Insect Repellent Can Be Safely Applied
The latest thing in all-purpose insect repellents is diethyl toluamide, says County Agent H. M. Breedlove. Test repellents containing this chemical display twice as much resistance to normal "wear-off action" as do other types. It will probably be available in several commercial products this spring.

The new repellent can be safely applied to the skin or clothing and will successfully protect the wearer against mosquitoes, chiggers, ticks, fleas, and biting flies, according to the USDA. It offers better protection against mosquitoes generally than any other single chemical or combination of chemicals.

Its high resistance to rubbing means longer-lasting protection for farmers and all outdoorsmen. The new repellent outperforms all others against the stable fly and is as good as any other for deer flies or sand flies. It is the best repellent so far developed for ticks. In addition, a pleasant lotion "feel" makes it ideal for picnickers and backyard gardeners.

Clothing and other fabrics can be readily treated with diethyl toluamide by saturating them with emulsions or dry-cleaning preparations containing the chemical.

Leader—Local rate, \$3.00 a year

SCHOOL CAFETERIA MENU

March 18-22nd

THURSDAY
Roast and gravy, new potatoes, peas, salad, pie, milk, butter, bread.

FRIDAY
Chilli and beans, crackers, green salad, chocolate pudding, milk, butter, cheese.

Mr. and Mrs. Jack Hewitt, Brenda and Ricky of Abilene visited her parents, Mr. and Mrs. H. R. Hensley over the weekend.

Mr. and Mrs. L. T. Whitlock of Amarillo visited relatives here, Sunday and returned their son, Larry, and his friend, Jack Lovlace, home with them. The boys had been on a camping trip here thru the week end.

LOCAL GROUP HEAR NOTED SPEAKER

A group of Clarendon ladies were among those to hear Dr. Cleo Dawson, noted psychologist and nationally known speaker, in Panhandle Monday night. Dr. Dawson was presented under the auspices of the Erudite Club of Panhandle. Theme of her program was "Achievement of Happiness."

Dr. Dawson, Texas born, now lives in Kentucky. She taught some ten years in the University of Kentucky and has written one novel.

Attending were Mrs. R. C. Bryan, Mrs. Leon Davis, Miss Ruth Richerson, Mrs. George Benson, Mrs. Frank White, Jr. and Mrs. W. C. Thornberry.

Week end visitors in the home of Mr. and Mrs. Victor Smith were Mr. and Mrs. Frank Go-forth and Mr. and Mrs. Bob Go-forth of Amarillo.

CARD OF THANKS TO GOD

PLOWIN' Out the CORNERS in Uncle Zeb

A good friend and a regular reader handed me this one; "There is a line on the ocean where by crossing over it you can lose a day. There is a line on the highways where you can do much much better than that." Anyway let's all drive more and more careful every day. When we think that in dead and crippled from our highways and that it is costing us the equal of a fairly big war every year then we need to take it serious and find a united way to try and end this needless slaughter of our own people.

Some things that just don't make sense.

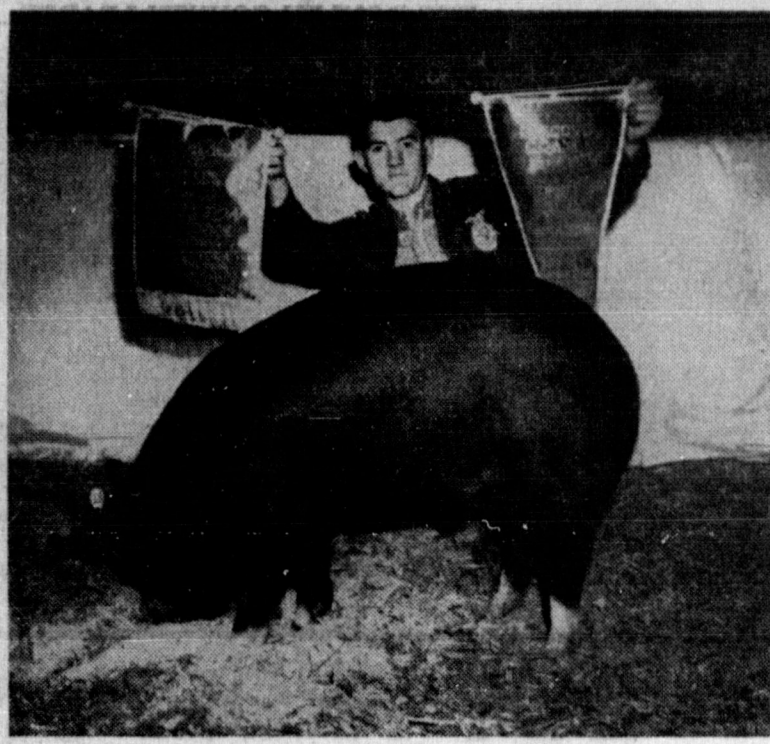

If speed is the number one cause then why do we build cars

faster and faster each year?
If speed is the number one cause why do we make just a feeble here and there effort to slow each other down?

The same rules that apply to speed would apply to careless and thoughtless drivers.

DR. H. R. BECK
DENTIST
Goldston Bldg.
Clarendon, Texas Phone 46

Then, if drunk drivers rank among the top three causes of death and damage, why do we continue to let folks drink and drive. Senator Grady Hazelwood has a bill up this year in the legislature to put all beer and liquor dives off the state highways. Let's write him a letter and get behind this bill and put the rotten stuff off of the highways as a starter and then start from there and put the poison all the way out. Yes, write to Senator Hazelwood please and ask him to work and work for this bill which will so improve the outskirts of

most of our cities. If you are like me you breathe a sigh of relief when you get some five miles out of town and get by these sellers of death and destruction.

We have been reading some articles lately in some of the large papers and magazines in which and by which the plight of the dry town and community is pictured as a somewhat terrible place to live. Maybe, I don't know, so we would like to hear from some of you, but I have never lived any place but in a dry county, and I have never wanted it any other way.

I have never seen as much

liquor sold in a whole dry county as is consumed and sold on one street in many of the wet cities. Let's look into the facts before we believe any of this tommy-rot that is being published. I have never found one argument for the wet issue that will hold an ounce of water in the light of the truth. Further than that, no ad or no commercial on the radio or television or in any newspaper that purports to tell that there is any good in any part of the liquor business will stand up in the light of the facts in the case.

The truth of the matter is these counties over the state are voting at the rate of a dozen or more each year. Seldom if at all does a dry county go wet; just check the records. On the other hand around one third of the elections are going from wet to dry and this has the boys scared. And from the bottom of our heart we really do believe that this is the why of all the sudden spurt of articles that are trying to bolster the wet forces.

Anyway, before you believe it and fall for any of this life looks brighter propaganda let me sug-

gest that you check the facts with say the peace officers in that city. Check it with the pastors of the churches or someone else that you would trust. Or just stop and ask yourself why these folks continue to vote dry. It must certainly be because they want it that way. And we for one don't believe that old gag about the bootleggers voting it dry for business reasons. We believe there is a far better reason for it than something like that. What do you think??

In France, Christmas is celebrated on New Year's.

over hill, over dale
and the trail is never dusty

Best thing about portable irrigation is that you get water where and when you want it. Hilly terrain is no problem. Sandy soil that sucks water out of ordinary irrigation ditches is no problem.

Portable irrigation is as precise as watering each plant by hand. What does this freedom from dry spells and troublesome terrain cost? A lot less than you think. We know farmers,

right in this county, who have paid for their systems in two years—three years. They did it with better crops. By getting to market first. By being independent of drought.

Call us or stop in today and let us show you how to engineer a portable irrigation system to your farm. We carry complete systems, parts and the very finest Alcoa Aluminum Pipe.

F. J. Hommel — Chauncey Hommel

Instead of watching folks go by,
Turn on your self the critic eye.
Just watch the things you daily do;
Put in your time just watching you.
To do the job and do it right,
It almost takes us day and night;
No doubt, my friends the thing to do,
Is me watch me, and you watch you.

MURPHY FUNERAL HOME

KNOW what you're bossing when you put this Buick CENTURY through its paces?

A big and substantial automobile—sure.

A low and handsome traveler that has a brand-new body with full Buick roominess—correct.

But most of all, you're holding rein on action plus.

How come? Because we put most of our hard-cash millions into performance.

So here you toe-touch the 300 H.P. might of a brand-new engine.

You smooth along like skis on snow with the brand-new action of a Variable Pitch Dynaflo* that's literally instant in response.

You corner, steer, brake like never before.

One tryout in a new Buick will tell you for sure: this is the dream car of the year to drive.

Prices start at a level just a few dollars more than a smaller car—so man or woman—see your Buick dealer today!

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, SUPER and CENTURY—optional at modest extra cost on the SPECIAL.
†Safety-Minder standard on ROADMASTER, optional at extra cost on other Series.

Brand-NEW "Built-in Conscience" SAFETY-MINDER! It buzzes when you reach the miles-per-hour you preset for yourself. You won't want to drive without it.

Brand-NEW V8 ENGINE 300 H.P. Highest horsepower, torque and compression ever.

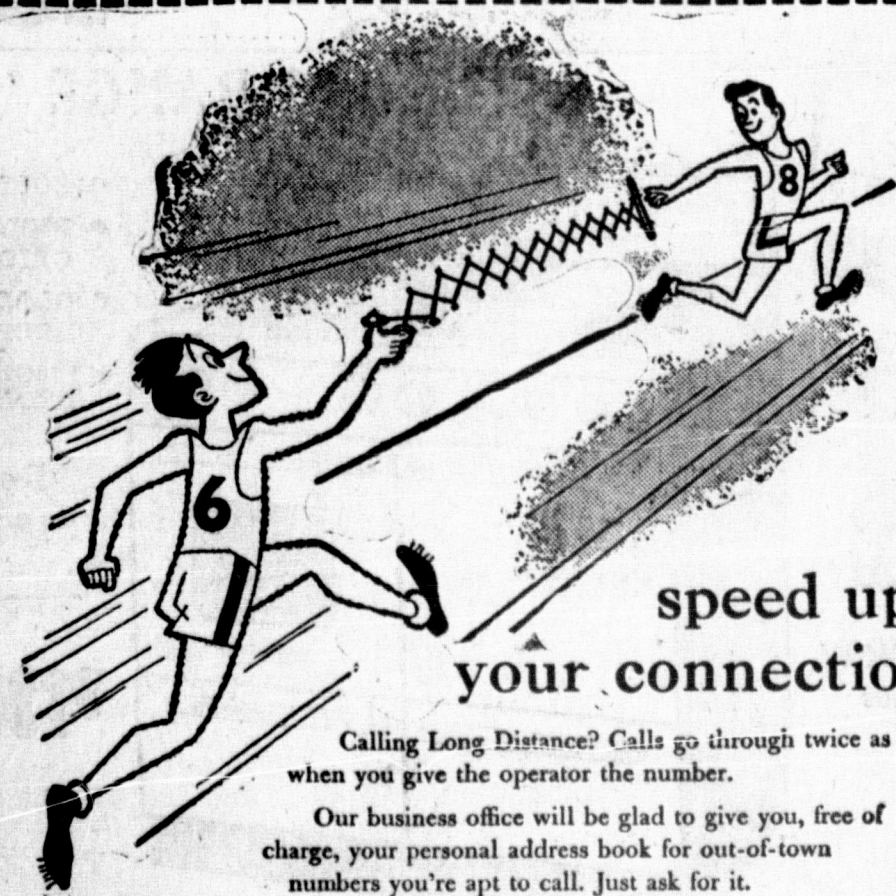

Brand-NEW DYNALOW PERFORMANCE -Instant Response—even without switching the pitch

Come in! One look is worth a thousand pictures—one ride is worth ten thousand words. IT'S THE DREAM CAR TO DRIVE -THE BIGGEST VALUE TO BUY

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Big Thrill's Buick
